Donley To Be Well Represented At Amarillo Fat Stock Show Next Week

Clarendon FFA To Have Large Entry at Amarillo Fat Stock Show

Members of the Clarendon Future Farmer Chapter will have by far the largest entry of any school or 4-H Club at the Amarillo Show according to Rex Baxter, secretary of the show. Local chapter members entered 85 barrows, 15 lambs, and one calf. A total of over 35 boys from Clarendon will exhibit at the show. Only the reserve champion of the Donley County Show, exhibited by Don Hudgins will exhibit at the show. Most of the Clarendon F.F.A. calves are dry lot calves and were secured after the July 1st deadline for the Amarillo Show, but each are eligible for the other three shows in which they will be exhibited, Fort Worth, El Paso, and Houston.

The large group of barrows and lambs will be transported to Amarillo Friday afternoon. The lambs and calves will be exhibited on Monday, January 20th, and the barrows will be exhibited on January 21st, and the group will be trucked to Ft. Worth on the night of January 21st. Local youths feel they have the stock to furnish real competition at the Amarillo and other shows in which they will exhibit.

Services Held Friday For C. E. Underdown

Funeral services were held Friday afternoon at the First Baptist Church for Clarence Edward Underdown with Rev. W. F. Vanderburg and Rev. Hal Upchurch officiating.

Mr. Underdown, 63, died in Adair hospital here last Wednesday afternoon following a lengthy illness. He was a stone cutter for Wallace Monument Co. prior to his retirement five years ago. He had been a resident of Clarendon 17 years.

Survivors are his wife, Della Underdown; three sons, Lewis of El Paso, Leo of Abilene and Leon Underdown of Amarillo; four daughters, Mrs. Lois Lewis and Mrs. Louise Wiley, both of Amarillo, Mrs. Lola Carroll and Miss Lorna Dee Underdown of Lubbock; three sisters, Mrs. John Clark of Wichita Falls, Mrs. C. L. Newbold of Bisbee, Ariz., and Mrs. Logan Prather of Weatherford, Texas and nine grandchildren.

Pallbearers were Andrew Robertson, Hershel Heath, W. T. Sullivan, Basil Smith, P. C. Messer and J. H. Spier, Jr.

First Baptist Church To Entertain Bronchos

Frank Kimbrough, Director of Athletics at West Texas State College, will be the principle speaker at the regular monthly meeting of the Baptist Brotherhood of the First Baptist Church. The Bronchos will be special guests at this meeting along with their coaches, Tom Jinks and Roy Young.

The Brotherhood President, Hershel Heath, said that he was expecting this meeting to be one of great interest, and that it would attract a large attendance. Ray Noblitt, the program chairman, stated that Mr. Kimbrough was bringing along other entertainment from the college. The public is invited to attend this meeting which will begin at 7:00 tonight (Thursday). Bro. Van mentioned that the usual large meal of all that you can eat for 50c will be served.

4-H Club Members To Show 14 Head At Amarillo Show

Donley County 4-H Club boys and girls will exhibit fourteen head of steers at the Amarillo Fat Stock Show starting this Sunday at Amarillo says County Agent H. M. Breedlove. The judging at Amarillo will start at nine AM on Monday, says Breedlove. The steers will be loaded out for Amarillo on this Friday morning. The 4-H Club members exhibiting steers at this show will be Ted Shaller, Gary and Tom Longan all of Clarendon; Troy Harrison, Jean Harrison, Gene Floyd, Janice Floyd, Darrell Holland all of Hedley; Wayne Leathers, Beverly Leathers and David Mooring all of Lelia Lake. The steers will sell on Thursday of next week. Two breeds will be exhibited and shown in competition, both Herefords and Angus.

Forty-Six Clarendon Youths To Exhibit At Fort Worth

Forty-six members of the Clarendon Future Farmer Chapter will exhibit pigs and calves at the Fort Worth Show, Saturday, January 25th. According to Bill King, livestock manager of the show, this is the largest number of boys from one club group to ever exhibit at the Fort Worth Show. The group will exhibit six calves, five steers and one registered heifer and 210 head in the swine division.

The stock will be trucked to Fort Worth Tuesday night. Adviser J. R. Gillham and approximately 12 of the boys will make the trip with the stock and the remainder of the boys with the exception of the F.F.A. youths on the basketball team will make the trip by Bus Friday afternoon and the members of the basketball team will make the trip Friday night following their game with Memphis. The large group will return Sunday, Jan. 26th, and eight of the youths will remain in Fort Worth all of next week to care for the group's stock.

In 1957, the local group swept all top honors in the junior swine show winning all breed championships and grand and reserve grand champion honors. The Clarendon youths hope to repeat the winnings this year.

16 Days Left To Pay Poll Tax

In checking with the Tax Office Wednesday morning, only 484 poll tax receipts have been issued to date. This figure is the lowest for this time of year with a general election coming up, than it has been in many moons. It means one of two things, that the tax office personnel will be literally swamped or too many of our citizens want to seek the course of least resistance and not have a voice in the election of our public officials. Don't wait any longer, go pay your poll tax today.

High School Teams To Play At McLean Friday Night

The Clarendon High School boys and girls basketball teams will journey to McLean Friday night for their second conference game of the season. The Bronchos will be after their second win as they defeated Lefors on Tuesday night. The girls lost to Lefors so will be seeking their first conference victory. The first game will start at seven o'clock.

J. H. SPIER JR.

J. H. Spier Jr. Elected New C of C Head

J. H. Spier Jr., owner of Junior's Food Market, was elected president of the local Chamber of Commerce at a directors meeting last Wednesday night. He succeeds Bill Todd, who has served the organization well the past year. J. B. Melton, Manager of the Foxworth-Galbraith Lumber Co., was elected Secretary-Treasurer. Other new directors installed were Dr. H. R. Beck, George Benson, G. A. Lamberth, and Dr. George Smith.

Retiring directors are Lynn Leathers, Emmett Simmons, C. B. Morris and Curtis Mears.

Among the various activities and accomplishments of the Chamber during 1957 was the sponsoring of the Silver Harvest Event; helped sponsor Junior College Signs; gave two full scholarships to the college; instituted program for control of solicitors in Clarendon; joint meetings with school board offering all possible assistance; arranged for Santa Claus' visit before Christmas and were in charge of Christmas lighting and decorations and at the present time are in process of preparing a brochure for Clarendon.

Hospital Board Meets; Elects Officers

The City-County Adair Hospital Board of Managers met January 7th, 1958 at the Dixie Cafe with the following members present: M. M. McCully, J. R. Bartlett, J. R. Brandon, Clifford Johnson, Kelly Chamberlain, Mrs. J. D. Swift and Mrs. Joe Bownds. Regular business meeting was held. Dr. Smith presented a statement of finance on the operations of the Hospital to the end of the fiscal year September 30, 1957. The Board made a resolution of acceptance and thanks to Harold Bugbee for the painting he gave to the Hospital, which is to remain forever as part of the Hospital property.

The following officers were re-elected for the new year: M. M. McCully, Chairman, C. L. Johnson, Vice-Chairman and Mrs. Joe Bownds, Secretary - Treasurer. Dinner was served. Meeting adjourned subject to call.

Mrs. Naylor Selected College Teacher Of Month

Mrs. Otis Naylor, formerly Miss Lucile Polk, has been selected by the committee of college students as the teacher of the month. This is Mrs. Naylor's 20th year in the Clarendon Public School System. She has taught from the first grade through the college level. At present she is teaching history, both United States and European, and art in the college.

BAKE SALE SATURDAY AT JUNIOR'S MARKET

Members of Mothers' Study Club will hold a Bake Sale Saturday at Junior's Food Market. Food will go on sale at 9:00 a. m. with the usual tasty cakes, pies, and cookies to choose from.

Meeting Concerning Housing Project Called Tonight

The public is invited to attend an open meeting of the City Commission tonight (Thursday), January 16, at 7:30 o'clock at the City Hall to discuss the possibilities of a low-cost rental housing project for Clarendon.

This meeting will be attended by Mr. Ralph Cole, an engineer for the Jack C. Whitworth Architectural firm of Fort Worth, Texas. It will be Mr. Cole's purpose to answer all pertinent questions about a low-cost rental housing project that will apply to Clarendon.

There is little doubt that Clarendon needs additional rental housing units. It is estimated that only ten per cent of the houses in Clarendon are rent houses—the other ninety per cent are owner occupied. This small number of rent houses leaves little choice to renters and often leaves renters no choice of a home in Clarendon at all. There are several solutions to a problem of this kind—one of the solutions will be discussed Thursday. Please be on hand to get your information at the very source.

Broncs Take Conference Opener From Lefors; Girls Lose

The defending conference 2-A champion, Clarendon Bronchos, took up where they left off last year as they took their first conference game of the year from the Lefors Pirates at Lefors Tuesday night, 58 to 43. The girls lost to the Lefors girls 34 to 28.

Jerry Behrens, leading scorer for the Bronchos, topped the Clarendon scoring attack with 14 points. Keith Schollenbarger made 13, Jimmy Johnson 10, John Morrow and Melvin Housden eight each. Richard Vallance three and Kenneth Housden two.

The Bronchos were never threatened after the first quarter. They held a slim 9 to 8 margin at the end of the first period, but increased their lead to 30 to 17 at the end of the third quarter. The reserves played most of the last quarter.

The girls hit a cold streak and fell to the Lefors girls, 34 to 28. The score was tied at the first quarter, 6 to 6, but Lefors forged ahead 19 to 12 at the half and 25 to 20 at the third quarter. Joan Bennett was high scorer for Clarendon with 16 points. Ann Slavin made eight points and Barbara Darnell and Alice Johnson two each. This was the fourth straight defeat for the Clarendon girls.

Two Announce For City Commission

In addition to county and state elections this year, we elect City Commissioners again this year with the City election coming the first of April. The commissioners are elected one year and the Mayor the next. Upon checking the records at City Hall, both of our present commissioners, Oscar H. Thomas and W. M. Pickering have announced for re-election.

Donley Lamb and Pig Show Friday To Be The Largest In History

Committee Named To Form Industrial Foundation

A group of Clarendon business and professional men met Monday night for the purpose of setting up an organization here to be named the Donley County Industrial Foundation. These men will draw up constitution and by-laws so the organization may be incorporated by the State.

In forming this foundation, Clarendon will have an organization with the authority and ability to act on any industrial project that might arise and will be ready to help promote any industrial development that is in prospect for any portion of this trade area.

Officers and directors of the organization are as follows: Frank Phelan Jr., President; C. A. Pitts, vice-president; Carroll Knorpp, sec.-treas.; Directors, Homer Estlack, Ray J. Noblitt, Dr. George Smith, A. R. Henson, J. R. Gillham, J. D. Swift, Bill Lowe, Mike McCully and J. H. Spier Jr.

Bulldogs Slaughter Badgers In Conference Opener, 82 to 58

The fighting Bulldogs of Clarendon Junior College were not to be denied here Tuesday night as they outplayed and gained a decisive victory over their arch rival, the Amarillo College Badgers. Final score was 82 to 58 as the Bulldog reserves were playing the last few minutes of the game. This was the first conference game for both teams.

The Badgers of veteran coach Dr. Bob Carter, had only a few moments of glory early in the game as they took a 3-1 lead in the first two minutes of play. However, the Bulldogs, behind the sharpshooting of Loyd Stephens, Dennis Love and Bill Schneider, caught fire and took the lead. The Bulldogs led 43 to 29 at the half and were leading 74 to 51 with four minutes to go when Coach Travis cleared his bench and gave the reserves a chance to play. The reserve squad gained a point on the Badgers as the eventual spread was 24 points.

Stephens, freshman from Borger, was smooth as silk as he dropped in 9 field goals in 15 attempts and made good on seven of eight free throws for a total of 25 points. Steve Jarnigan came in with 17 points in addition to playing a great defensive game; Dennis Love made 13 points, Schneider 11, Don Johnson seven, Layne Cushenberry 4, Bub Eldridge and Benny Lesley two each and Jimmy Adams one.

Dale Tarbet was high for the Badgers with 19 points followed by Jim Bevers with 11 and Royce Hardaway with 10. The Bulldogs played a near-perfect game, making a minimum of bad passes. They played a slow deliberate game and controlled the ball until they got a good shot. As a result they hit on 31 of 58 field goal attempts and 20 of 25 free throw tries. This was a sweet victory for coach Buddy Travis of the Bulldogs. Travis started his college basketball playing under coach Carter of the Badgers and although he regards Carter as one of the better coaches in the business, it is always good to beat the old master.

Next home game for the Bulldogs will be on Jan. 24 when they meet the strong Odessa Junior College Wranglers.

Funeral Services Held Wednesday For Annie Reeves

Funeral services were held Wednesday afternoon at the First Baptist Church for Annie Reeves with Rev. L. E. Godwin and Rev. W. F. Vanderburg officiating.

Miss Reeves, 60, died Tuesday in a Big Spring hospital. She was manager of the Downtown Motel there and had been a resident of Big Spring the past 18 months. Prior to that time she had been a resident of Donley County most of her life, making her home at Jericho where she was Postmistress for a long number of years. She was a member of the Baptist Church, Eastern Star and the Business and Professional Womens Club at Big Spring.

She is survived by one brother, E. R. Reeves of Canyon; an aunt, Mrs. C. T. McMurtry of Clarendon, and an uncle, Glad Snodgrass of Floydada.

Pallbearers were Pat Slavin, R. K. Bruner, Don L. Norman, Glad L. Norman, Loyd Mundell and Clyde Slavin.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Services Held At Hedley For Pioneer Lady

Funeral services were held Tuesday afternoon in the Hedley Methodist Church for Mrs. Minnie Belle Lemmon with Paul Hancock and Rev. Melvin R. Mathis officiating. Burial was in Rowe Cemetery, Hedley.

Mrs. Lemmon, 78, a resident of Donley County 57 years died Monday at her home in Hedley. She was born Nov. 2, 1879 in Round Rock, Texas. She was a member of the Hedley Methodist Church.

Survivors are three daughters, Mrs. Rhea Rozell of Amarillo, Mrs. Violet Woods of Redwood City, Calif., Mrs. Zoleta Chesser of Hedley; one son, R. A. Lemmon of Memphis; one sister, Mrs. Tishie Alexander of McLean; 10 grandchildren and 16 great-grandchildren.

Bulldogs Play West Texas Freshmen Thursday Night

Coach Buddy Travis will take his Clarendon Junior College Bulldogs to Canyon Thursday night to play the West Texas Freshmen. The Bulldogs defeated the young Buffaloes here early in the season, 83 to 63. However, the Canyon boys are always tough on their home court. They recently defeated the Texas Tech Freshmen at Canyon which was Tech's first defeat of the season. The Bulldogs have now won 10 and lost 6 games this season.

Mathematics Workshop Here Thursday

There will be a workshop for elementary and high school mathematics teachers at the Junior High School on Thursday morning, January 16th. The workshop will begin at nine o'clock and will end about noon. Dr. H. L. Cook, head of the Mathematics Department at West Texas State College, will conduct the workshop. Mathematics teachers and administrators from schools in Briscoe, Hall, Childress, Collingsworth and Donley counties are invited to attend this workshop.

The lamb and pig show to be held at the County Show Barn Thursday and Friday will be the largest ever held in Clarendon and indications are that it will also probably be the best ever held from the viewpoint of quality. Almost all of the major swine herds in the United States are represented among the barrows that will be exhibited by the local youths as well as a large number of pigs bred and raised in Donley County. The official judging will start Friday morning at 8:30 with L. M. Hargrave, Texas Tech Professor, acting as judge.

Light and heavy classes for Berkshire, chester white, duroc, hamshire, Poland Chinas, spotted Poland Chinas, and yorkshire barrows will be held. Classes for fine wool and mutton type lambs will also be offered. 300 head of barrows; approximately 250 from Clarendon and 50 from Lelia Lake and Hedley are expected. Approximately 25 lambs are expected if the boys get all of them blocked in time for the show. A number of the Clarendon youths may not be able to show their lambs in county show due to conflict in getting them and their hogs ready. They will exhibit at Amarillo even though they do not get their lambs blocked in time to show at Clarendon.

J. R. Gillham, chairman of the premium committee, has announced that the goal of six hundred dollars premium money has been reached, and with special premium money donated specifically for certain champions as in the calf show the amount would reach over \$700. The money is divided approximately even between the 23 youths exhibiting 33 head of calves and the 100 boys exhibiting the 300 barrows and 25 lambs.

The stock will be loaded for Amarillo sometime near the middle of the afternoon Friday.

Commissioners Accept Judge Jack Gray's Resignation

On January 13th the following letter was received by the Commissioners court from County Judge Jack E. Gray, this date being their regular meeting date: Gentlemen:

I, the undersigned, County Judge of Donley County, hereby wish to submit my resignation from said office effective March 1, 1958. I would like to state that I have enjoyed working with all of you the past few years. If I can be of any assistance to you in the future, please do not hesitate to call upon me. Your consideration in this matter will be greatly appreciated. Sincerely yours, Jack E. Gray, County Judge.

According to the minutes of the court meeting, Edd Mooring made the motion, seconded by F. M. Murray, that the court accept the resignation of Judge Gray with said resignation becoming effective March 1, 1958 and the motion carried.

Silver Harvest Day Pot At \$600

Bill Lane was the lucky man at the Silver Harvest event last Saturday and netted a total of \$90 on a 15% token. Remember the total pot will be \$600 again this Saturday. A 50% ticket would net a total of \$300 in Silver Harvest money, so be sure to be present if your name is called.

SOCIAL SECURITY INFORMATION

January 31, 1958, is the deadline for reporting the cash wages paid in 1957 to farm employees, Jim Pierce, Group Supervisor, Internal Revenue Service, Amarillo, stated today.

Farm operators or farm owners who have paid as much as \$150 in cash wages to any farm worker in their employ during 1957 must file an employer's tax and in-

formation return for such farm employees. They must also report each farm employee who worked for them on 20 or more days during 1957 regardless of the amount of those wages if they were figured on a time rather than a piece rate basis.

For 1957, the social security tax rate is 4 1/2% (2 1/4% each for employer and employee.) This tax applies to cash wages paid to a farm worker up to a total of \$4200 in the year. The tax amount must be entered on Form 943 (Employer's Annual Tax Return For Agricultural Employees) together with the total amount of cash

wages paid to the farm worker. It is required that the farm employer do this and file the return with the District Director of Internal Revenue at Dallas, Texas on or before the due date mentioned above.

Mr. Pierce points out that when a farm employee meets the 20-day a year test the farm employer should count only days for which the employee works for cash wages figured on a time basis. However, if the worker meets this test, the farm employer must pay social security taxes on all cash wages paid the employee during the year (whether on a time, piecework, or other basis).

Farm employees include household workers if they are employed on a farm operated for profit.

FARMER OWNED FOR FARMER LOANS

FRONT LINE OF FREEDOM

JUST a Newsstand? No.
 It is a battleground.
 In this tiny territory rival publications fight for the attention of the public. From left to right you can find all shades of political and social opinion, freely expressed. And because of this a newsstand is more than just a convenience in the life of an American town.
 It is a free line.
 There is another battle going on around a newsstand, more far-reaching than the competitive rivalry of paper against paper, magazine against magazine. For there are always people—yes, even here—who dislike to see opinions freely expressed... and who attempt to bring all sorts of restraining pressures on those who champion the Press's freedom.
 But those who write and print and publish the free opinions of America, they see a threat to that freedom as a threat to all freedoms, and vigilantly held back pressure-wielders from closing in on the newsstand.
 For the newsstand is freedom's front line.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

BLACK-EYED PEAS—HORNADAY STYLE

Texas Congressional Members, newspaper people and many personal friends of Walter and Ann Hornaday look forward with great anticipation to January 1 each year. Walter Hornaday is the Washington news correspondent for The Dallas Morning News and has been around Washington for a long time. He and his lovely wife, Ann, live in an apartment over in Virginia and have a farm some fifty miles from Washington in the Shenandoah Valley. On January 1 the Hornadays entertain the Texas Members of Congress, their newspaper friends and associates to a buffet style black-eyed pea dinner. Ann grows the black-eyed peas down on the farm and does an outstanding job of preparing them. She serves them with hushpuppies, slaw and ham, with fruit cake for dessert. It is "The" gathering of the year for many of the Texans in Washington. In fact, it is becoming famous as the meeting place of the finest food and finest people — black-eyed peas and Texans.

One of my Yankee friends asked me why people from the South and Southwest thought black-eyed peas tasted better on New

Year's Day than at any other time. I advised him it was not the question of them tasting better on that day, because they are good any time, but that they were an especial delicacy on New Year's Day because those partaking of them at that time would experience good luck the rest of the year. Since then he has become an ardent fan of black-eyed peas, and I think I could sell him on turnip greens if we could work them in with some other substitution. However, it might be difficult because pepper sauce is an unknown ingredient in these parts, and both turnip greens and black-eyed peas need pepper sauce to bring out their full flavor.

If you want to see any of the Texas Members of Congress, present or past, around the first day of January, just go by the apartment of Walter and Ann Hornaday and if they are not present when you get there, you won't have to wait long.

THE AGRICULTURAL PICTURE

Several soft spots in the general economy are causing many people in official Washington to awaken to the fact that the farm difficulties of the past few years might be the cause of this trouble. They are beginning to recognize the real facts of economic life—the farmer is not the villain that he has been painted so many times in the past few years. Many of these same people who have continually criticized the farmer as the recipient of government subsidy are now beginning to realize that any subsidy received by the farmer from the government is infinitesimal compared with many other segments of the economy. Only recently I was amused at a headline that appeared in a trade paper of an organization representing many big manufacturers. This organization has continually criticized and lambasted the farmers on the question of subsidy. Yet, it seemed to have no hesitancy in headlining a proposition that the Defense Department was going to earmark billions to be spent on defense contracts and, therefore, many of its members who are engaged in manufacturing could look forward to these government contracts and not be worried about their economic life. Some of these defense contract activities would make the entire farm program look like ten cents. And it might be pointed out, that if there is anything vitally essential and necessary for the defense of any country, it is a proper and sufficient amount of food and fiber.

The American farmer had an average income in 1956 of less than one-half the average income enjoyed by non-farm workers. Yet the capital investment per agricultural worker was one and one-half times as much as the capital investment required for employees in manufacturing. Since 1947 the average per hour return to farm workers for labor and management has declined to seventy-eight cents an hour, while during the same period the average wage of industrial workers has increased to \$1.98 an hour. Net farm income has declined 31 per cent since 1947, while hourly earnings of industrial workers have increased by 60 per cent, and corporation dividend payments are up 85 per cent. Farmers make up 13.2 per cent of the total population of this country, yet receive only 6.3 per cent of the national income. Much has been said about the farmer pricing his products too high. Facts and figures just do not support that argument. The truth is, that although retail prices for foods have increased, farm prices have declined. Today the average hourly wage of industrial workers will buy twice as much food as in 1929.

Let us hope that the year 1958 will produce an answer to many of the farm problems that have been so grossly misunderstood. It will do much to stabilize the en-

tire economy and provide a source of the strength that we are going to need for the next decade in the cold war with communism.

ONE MILITARY HEAD

There is much talk in official Washington of shifting the power of the Joint Chiefs of Staff over to one individual as a generalissimo over all the Services for the purpose of unification. Congress thought that it had unified the Services several years ago when it set up the Defense Department and created a Secretary of Defense over the Army, Navy and Air Force. However, it seems that this resulted in nothing more than the creation of another department in addition to the three existing military departments, rather than a reduction of the military establishment from three separate departments to one. This is a problem that needs early attention in this session of Congress and will probably get it.

FISH PHONE CALLS PROVING COSTLY

AUSTIN — Despite heavy fines some men still persist in telephoning for fish. In November two men paid fines of \$100 each in Newton county for shocking the fish with magnetic telephones, according to the Director of Law Enforcement of the Game and Fish Commission.

Heavy fines also were dished out in justice court in several counties for killing deer illegally, according to the report. In almost every instance, these violators paid \$100 fines.

Most of the fines were paid for either hunting or fishing without licenses. A number, however, violated the law in hunting from automobiles, night shooting, and illegal limits.

YOUR DOG'S EYES

By E. M. Glidow, D.V.M., Director, Friskies Research Kennels

A dog's eyes talk. When he looks up at you pleadingly, soulfully or reproachfully, you get the message. His eyes talk in another way, too. They usually give you the first indication that your pet isn't up to par. They're such a good barometer, in fact, that when you take your pet to the veterinarian the eyes are one of the first things he checks. There are two general groups of causes for eye disturbances: first, various infectious diseases such as distemper and hepatitis, parasites such as round worms or hookworms and, second, various injuries or irritations of the eyes alone.

When both eyes are involved, the cause is more likely to be a generalized disease. When

one eye is involved, an irritation or injury is more often the cause.

When your dog has running eyes, sticky eyes, dull eyes or pus in his eyes and is off feed or actually sick, he no doubt has one of the common diseases of dogs such as distemper, hepatitis or leptospirosis, or is seriously affected with worms, cocciidiosis, or other systemic disturbance. See your veterinarian for prompt attention in such cases.

An inflammation of the lining of the eyelid and covering of the eyeball is known as conjunctivitis. It may be caused by dust, smoke, a scratch, a foreign substance or some internal disturbance. If possible, eliminate the cause of the trouble, bathe the eyes with a warm saline solution and introduce an ophthalmic (eye) ointment. Consult your veterinarian if the irritation persists.

Feeding Tip: Don't be surprised at the appetite of your puppy. At two to 12 months old he'll eat two to two and one-half times as much food as a mature dog of the same size.

Mrs. Robert Brummal Speaks To Episcopal Women Here

"Episcopal church women, giving personal thanksgiving offerings, contribute over \$1,000,000 a year to the church's program," Mrs. Robert Brummal of Borger said here January 8th.

Mrs. Brummal is chairman of the United Thank Offering work of the Missionary District of North Texas. She spoke to the Woman's Auxiliary of St. John the Baptist Episcopal Church and their guests.

The United Thank Offering gives women opportunity to give as they are thankful for the small daily joys of life, Mrs. Brummal said. Their contributions help support the church's work at home and abroad. A portion of this fund was used to help build an Episcopal conference center in Amarillo. This center will be used also by other denominations.

Women of other Clarendon churches were guests at the auxiliary monthly meeting. It was attended by 73 per cent of the auxiliary members, Mrs. Tom Bugbee of Goodnight, president, said. Coffee and cookies were served after the meeting.

The Rt. Rev. George H. Quarterman, bishop of the Missionary District of North Texas, explained Sunday the changes to take effect when the missionary district becomes a diocese. This is planned for September.

Bishop Quarterman spoke to communicants following a buffet luncheon after the Sunday service of Holy Communion.

The Missionary District now receives financial help from the whole church. As a diocese it will be self-supporting. The Missionary District of North Texas includes an area that reaches from Dalhart to Vernon, from San Angelo to Odessa and Amarillo. This area will probably be designated by a new name at the time it becomes a diocese, Bishop Quarterman said. The area will remain the same.

The necessary steps toward becoming a diocese will begin in conferences this coming fall.

FARM NEWS

from the County ASC Committee

1958 SOIL BANK ACREAGE RESERVE

Beginning with January 13th, 1958, the Donley County ASC Office will take applications for Cotton Acreage Reserve. There is no limit on the amount of acreage placed in the Acreage Reserve Program, but a \$3,000.00 limit of Acreage Reserve total payment (Wheat and Cotton) is put on each producer per farm. The deadline for making applications is March 7, 1958.

1958 CONSERVATION RESERVE PROGRAM

Applications for the 1958 Conservation Reserve program are now being taken in the office. These contracts cover a period of 5 or more years. The annual payment is \$9.00 per acre plus approximately 80% of the cost of establishing a permanent type of grass on the acreage. The land must not be grazed or any crop harvested therefrom for the life of the contract. Producers who now have a Conservation Reserve Contract may place additional acreage in the program for 5 or more years. The deadline for submitting applications is April 15, 1958.

1958 ACP

We can now accept application for Agricultural Conservation Practices for the first quarter period ending March 31st. Our County Handbook includes about the same practices as was offered for 1957.

GRAIN SORGHUM LOANS

The time limit for placing grain sorghum of the 1957 crop, under loan has been extended through February 28, 1958.

PRE-MEASUREMENT OF COTTON

Applications may now be made for pre-measuring your cotton covering 1958 allotment. The approved rate for this service is \$10.00 per farm plus \$4.00 for each additional plot over one. The closing date for applying for this service is April 1, 1958.

IN CLOSING

"Life's heaviest burden is to have nothing to carry."

F. F. A. Dads Buy School Bus For Sons

Approximately thirty days of Clarendon Future Farmer members met at the vocational agriculture class room Monday night and after considerable discussion voted to purchase a school bus from the local school board and equip it for a traveling hotel for the boys for use at the stock shows this spring. Members of the school board met with the group and after a very agreeable discussion the motion was made and passed to purchase the bus from the board.

Dads contributed the major portion of the money to purchase and equip the bus and a committee of Gerald Noble, Chuck Longan, and Harold Lindley was appointed to assist in securing the remainder of the finances and equipment needed for the bus. A number of the dads began meeting at night Tuesday at the Voc. Ag. Shop to work and equip the bus and will continue to work each night until the bus is ready to use. The group hopes to have the bus ready to take to Amarillo Saturday. It will also be used at Fort Worth, El Paso, and Houston. The bus secured is a 48 passenger and plans call for a kitchenette and folding bunks to sleep 10 to 12 boys. A number of business firms have contributed equipment to help make the bus usable. The list of such firms and the equipment donated will be listed at an early date.

Members of the Clarendon Future Farmer chapter are consistently one of the larger exhibitors and winners at the major stock shows in Texas. The seventy members exhibit approximately eighty per cent of all the livestock exhibited in the county shows here each year, and they also make up by far the majority of the exhibitors, with over sixty different families involved in the group of youths.

Mr. and Mrs. R. I. Gilbert of Amarillo visited his brother, Mr. and Mrs. Clyde Gilbert last Friday.

Mr. and Mrs. A. O. Hefner were dinner guests Sunday in the home of Mr. and Mrs. M. L. Rattan at Ashtola.

Bronchos Take Second Place In Memphis Tournament

The Clarendon High School Bronchos took second place in the Memphis Basketball Tournament last week. They lost to the strong Quail team in the finals Saturday night by a score of 59 to 50. On their way to the finals they defeated Matador 32 to 29 and edged past Hedley 59 to 57. The girls drew a bye in the first round and were defeated by Lakeview in the second round by a score of 43 to 38.

In the Quail game the Bronchos trailed most of the second half after making a good showing in the first half. Quail jumped off to a quick lead but the Bronchos rallied to take a 14 to 13 first quarter advantage. Quail came back to lead 28 to 27 at the half and widened their margin to 45 to 37 at the third quarter. Jerry Behrens and Keith Schollenbarger paced the Broncho scorers with 12 points each.

In the Hedley game, Behrens made 19 points and Jimmy Johnson came in with 17. The Matador game was a defensive game all the way. The Bronchos held a 15 to 13 lead at the half and held on for a 32 to 29 victory in their lowest scoring game this season. Behrens again led the scoring attack with 15 points.

In the girls game with Lakeview, Joan Bennett made 26 points to lead the scoring. Ann Slavin made six points. Joanna Lane four, Barbara Darnell two, Maggie Morrow and Beth Lambrecht were outstanding on defense.

Brother of Local Resident Dies

Funeral services were held at Blackburn, Shaw Memorial Chapel Saturday for John Thomas Hughes, 74, of Amarillo. Rev. Dale Pearson, minister of the South Lawn Church of Christ officiated.

Mr. Hughes died Friday in St. Anthony's Hospital after a lengthy illness. He was born in Forney, Texas, February 8, 1883, and was a former Clarendon resident. He has made his home in Amarillo the past 34 years where he was a member of the Church of Christ and the Elk Club.

He was preceded in death by his wife in June, 1912 and is survived by a daughter, Mrs. C. C. Moore of Houston, five grandchildren, and two sisters, Mrs. Lee Martin of Long Beach, Calif., and Mrs. L. L. Wood of Clarendon.

FIRE DEPT. ELECTS NEW OFFICERS

Members of the Clarendon Volunteer Fire Department held their annual election last Thursday night and elected the following officers to serve the organization during the current year:

Firechief, C. W. Bennett; Ass't. Fire Chief, Lloyd McCord; President, B. L. Graham; Vice-Pres., Delbert Robertson; Sec.-Treas., Pete Darnell; Hose Captain No. 1, J. B. Melton, No. 2, Tommy Saye.

County Youths Volunteer For Service

Jerry McCarty, son of Mr. and Mrs. Paul McCarty of Hedley, Lewis Stiles, son of Mrs. Stiles also of Hedley and John Farris, son of Mr. and Mrs. Woodrow Farris of Quail, all volunteered for 3 years service with the army engineers.

They left January 10th for 6 months training at Fort Carson, Colorado and then 6 more at Fort Knox, Kentucky. After that they are scheduled for two years in Germany. McCarty and Stiles graduated from the Hedley High School last June and Farris graduated from the Quail schools.

Another son of the McCarty's, Sgt. Richard (Doc) McCarty, will receive his discharge from the Marines April 1st after serving four years, 25 months* of that time in Korea, Japan and Hawaii. The McCarty brothers are grandsons of Mr. and Mrs. W. A. Guy of Hedley.

Former Residents Celebrate 57th Anniversary

Observing their 57th wedding anniversary January 2nd were Mr. and Mrs. W. B. Holtzclaw of Amarillo. Mr. Holtzclaw was engaged in farming here 20 years prior to moving to Amarillo 17 years ago.

The Holtzclaw's have seven sons: Clyde and Truitt of Amarillo; Howard, Portland, Ore.; Roy, Tulsa; Carroll, Shallowater; J. D., Dumas and Frank Holtzclaw of San Angelo.

COUNTY EDUCATORS ATTEND AUSTIN MEET

Donley county educators who attended the Mid-winter conference on Education in Austin last week end were Supt. W. W. Pinkerton, Ruth M. Richerson, County Supt., J. H. Spires, Supt. of Lelia Lake schools, and J. S. Hinds, Supt. of Hedley schools.

There were around 1200 administrators from various schools over the state in attendance for the meeting.

TO ATTEND MEETING IN MINNEAPOLIS, MINN.

Ruth Richerson, county superintendent of schools, will attend a planning meeting of the National County and Area Superintendents in Minneapolis, Minnesota January 17-18. Miss Richerson was elected vice president of this organization when the meeting was held in Denver, Colo. last October.

John Howard Gilbert and son Clay of Claude and Mr. and Mrs. John N. Plaster and two children from Canyon visited their parents, Mr. and Mrs. Clyde Gilbert Friday.

House guests in the home of Mr. and Mrs. W. M. Pickering Monday and Monday night were Mr. and Mrs. Harry Ballard of Boone, Iowa, and Mr. and Mrs. Delos Channess of Montezuma, Iowa.

Bulldogs Edge Past Sayre JC, 70 to 68

The Clarendon Junior College Bulldogs had to come from behind in the last four minutes to beat a surprisingly strong Sayre, Oklahoma, Junior College team last Friday night at the local gym. Final score was 70 to 68. The Bulldogs had previously defeated Sayre in their opening game this season, 74 to 66, at Estelline.

Lloyd Stephens led the Bulldogs in scoring with 21 points followed by Bub Eldridge with 12, Bill Schneider with 10, Layne Cushman with eight, Dennis Love seven, Steve Jarnigan six, Don Johnson four and Bennie Lesley two.

The game was close most of the way with the Bulldogs holding a 42 to 37 halftime lead. Sayre was ahead six points with four minutes to go, but the Bulldogs put on a desperation effort led by Cushman and Stephens and overcame the lead in the closing seconds of the game and went on to win.

Mr. and Mrs. J. E. Johnson of Claude, their daughter Mr. and Mrs. Otis Lernley of Amarillo visited in the home of Mrs. Johnson's sister, Mr. and Mrs. Clyde Gilbert Sunday evening. Other visitors from Claude were Mr. and Mrs. Earl Blanton and Mr. and Mrs. Carlyle Goodger. Also visiting the same day were Mr. and Mrs. Carl Saye and granddaughter Sissy, Mr. and Mrs. Oren Hott and Mr. and Mrs. W. D. Higgins. Mr. Gilbert has been on the sick list since Christmas but is improving at this time.

Mr. and Mrs. Lewis Fields of Amarillo visited Saturday afternoon in the home of Mr. and Mrs. A. O. Hefner.

Mrs. Raymond Welch and Cindy of Pampa spent the week end with Mrs. Harry Brumley and other relatives.

How to Keep a Free Press FREE

SELDOM does Freedom of the Press disappear in one annihilating blow.

In countries where the Press has been chained, there was first a period when it failed to realize and resist the beginnings of its end — the first encroachments on its freedom. There were powerful interests which wanted certain facts "kept out of the newspapers." There was pressure here and pressure there to have the truth withheld.

Before the Press of any nation succumbs to tyranny, there always has been a period of failure to speak out.

Here in America there is only the limitation of national security — the necessity to protect and preserve confidential military and scientific information — which can be accepted by a Press that is determined to stay free.

America's newspapers have made, and will continue to make, a conscientious effort to protect that security — at the same time keeping the people informed as fully as possible on all matters concerning their welfare. So long as American newspapers pursue that policy fearlessly, our Press, our people and our country shall remain free of tyranny.

 PHONE 81 WE DELIVER

PLOWIN' Out the CORNERS
Uncle Zeb
 Right around the corner is our dust blowing season, or at least it would be if we were dry and had no cove crop like in the

Seven Lean Years just gone by. Anyway, our young friend Miss Beth Finch of Box 851, Clarendon, sends us the following poem as written by her mother. It is called:
JUST BLOWING SAND
 By Mrs. Richard Finch
 Some folks think that the sand won't blow—
 But today I watched it, and I know.
 Who would have thought in the still of the night
 That the sky'd be dark in broad daylight?

The day before was a lovely day, But the storm blows now in an angry way.
 The gusts of wind have force and might;
 The shove and swerve and push in fright.
 The soil loosens up and rolls away;
 The wind's its master; it cannot stay.
 Everything has to give to the wind;
 Can't ask where goes, nor yet where been.
 The tree limbs break, and the tumble weeds roll.
 The sun has to hide its face of gold.
 The poor little birds cling tight to the bough,
 But God will watch the birds somehow.
 They say ill winds blow nobody good—
 I can't hang clothes, and yet I should.
 Sand blows down the road—on past the track,
 Tomorrow, perhaps, it'll blow right back.
 Yes, this is Texas, you have said, If you open the door, better grab your head.
 Just hold on tight to what you've got;
 You might get there, and you might not.
 Thanks Mrs. Finch, and how well we remember the first dark duster we ever saw. We were sitting with some friends in the living room one Sunday afternoon when all of a sudden we could hardly see each other. To be right honest we thought it might be the end of time. Oh, those dismal 30's.

We received the following fan mail last week. We are mixed up too, but we believe we know the sender. We'll get even yet. Thanks anyway.
 (Sent to Plowin' Out The Corners)
HI, HO, HUM, and HELLO
 Having nothing to do and nothing to go with, with nothing to say, so I am writing to say it.
 I decided to take a piece of chalk and ink and type you a few lines in pencil. I'm sorry we are so far together. I wish we were closer apart.
 I thought I'd tell you I don't live where I used to but where I do now.
 Sister skidded on the linoleum and hurt herself on the kitchen ceiling.
 Say, what do you do to keep from doing nothing? I have me another job. I am selling hot-dogs at 10cets a sack, doughnuts at 10cets a hole and spaghetti at 10cets a yard.
 Dad had a hissy when he came home from work tomorrow and while doing a jig on a banana peeling he fell and killed himself and died a few days later. The poor dear, he left Mother and me a pair of suspenders to support herself and me.
 John Eric has the mumps and is having a swell time. He is at death's door and I hope the doctor pulls him through.
 Frankie got kicked by a mule and the mule isn't expected to live.
 Judy got her tongue twisted singing "Pistol Packing Mama", but besides that we are all O. K.
 If you receive this letter, let me know immediately if not sooner. I would have sent you one of my pictures but I just now thought about it and the letter is already sealed.
 Lovingly Mine
 Just Me
 P. S. When you answer this write slow because I can't read fast.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS
 Many farmers and ranchers in the Donley County Soil Conservation District are planning to seed grass this spring. Much of this seeding will be done on land that is in the Conservation Reserve of the soil bank.
 The District Board of Supervisors are planning to get all of the District grass seeding equipment repaired and in shape to begin seeding by the first of February. Cooperators of the District can rent this equipment at a nominal fee according to C. B. Morris, Chairman of the Board of Supervisors. Cooperators are urged to contact the custodian of the Supervisors and make arrangements for the use of this equipment as early as possible.
 Stalks and stubble should be left undisturbed on the land and the seed should be drilled into the stubble. Technicians of the Soil Conservation Service say that the stubble will furnish protection for the small grass seedlings.
 Additional information on grass seeding may be obtained from the local Soil Conservation Service Office.

most important news events of 1957 and, to be entirely frank, I am ready for a change of pace. I keep thinking it might be rather refreshing to read a report on the least important news events of the year.
 Of course, there are so many So-what-niks in the papers nowadays that determining which dozen or so are the most unimportant would be a staggering chore. I concede that it might not be worth the effort, and I personally refuse to volunteer to do the work.
 However, if the thought does fall on fertile ground, I would like to refer the researcher for 1958 to the headlined three-paragraph wire service story in the morning paper announcing that Princess Margaret is confined to her room with a bad cold.
 Please don't get me wrong. I am a great admirer of the Princess, and I am distressed that she has a bad cold. I am even sorry that I cannot be there personally to say "Gesundheit" when she sneezes.
 It would have been different if Princess Margaret had caught cold while jumping into the Thames on a dare. Or if she had got her feet wet traipsing through a swampy moor on a tete-a-tete with Group Captain Peter Townsend. Or if it had all happened because she wore a daring gown to a rock and roll jamboree in a

drafty open-air pavilion—especially if her Royal Grandmother had asked her not to.
 But to report that the Princess has a cold and nothing more is like using good newspaper space to report that Vice-President Nixon has started wearing glasses occasionally. Or that the fleas on the dog in the Muttnik may still be alive. Or that the Texas Aggies are looking for a football coach.
 You can see the possibilities. Many spinal cord injury cases are now being treated at the Gonzales Warm Springs Rehabilitation Foundation and have been for some time. Porter Smith, 64, who was treated here in 1955 after breaking his neck in an auto accident, writes this note:
 "I came to Warm Springs on a walker. I received wonderful treatment from everyone as well as good medical care and treatment. Shipped my walker home when I left the hospital and walked away on one crutch. I now walk with a cane and continue to improve slowly."
 An attorney at the time of his accident, Mr. Smith now devotes his time to exercises and looking after his properties and investments. When he wrote he was getting ready to resume fishing, a lifelong hobby.

AUSTIN—January is poll tax month. Officially, poll tax sales begin in October. But nobody pays too much attention.

DR. H. R. BECK
DENTIST
Goldston Bldg.
Clarendon, Texas Phone 46

However, after the first of the year, organized drives get under way, in a deadline-month appeal to induce citizens to protect their right to vote by payment of the poll tax.

But a good percentage of potential voters ignore it all. Many, jolted at the last minute, flood into courthouses after knocking off work Jan. 31. Penalty for the putter-offers is usually a long wait in line.

Many more never get there at all. Texas Almanac reports show that in past non-presidential election years, less than half the potential voters paid poll taxes or secured exemptions.

Poll tax costs \$1.75 and usually may be secured at several different places in every community. No charge for 21-year-olds getting their first vote and those 60 years and over, but an exemption certificate must be obtained. (Persons living outside cities of 10,000 or more may vote on affidavit without an exemption certificate.)

Deadline for poll tax payment

is midnight, Jan. 31.

SAFETY PROGRAM PAYS OFF

Texas traffic deaths fell below the Department of Public Safety prediction for the Christmas-New Year holiday period, as a result of the concerted efforts of the Governor's Safety Program. DPS predicted that 113 persons would die on Texas highways. Final number probably will be 103.

Both Governor Daniel and DPS Director Homer Garrison Jr. had high praise for Texas citizens, law enforcement officers and news media, for the success of the program. "Much of the credit should go to the newspaper, radio and TV which played a major role in aiding law enforcement and focusing public attention on the increased driving hazards of the holiday season," Garrison stated.

And Governor Daniel stressed that one of the chief aims of his administration during 1958 will be "to reduce our traffic deaths and injuries even farther below the 1956 record. It can be done—this is best illustrated by the results of our efforts during the past holiday season when the nation's death total increased but the Texas total decreased."

If the DPS figure of 103 proves accurate, it will be the lowest since 1952 when 98 persons were killed in the holiday traffic crush.

TWICE AS MUCH WATER

New State Water Development Board has set up shop with the aim of doubling Texas' water storage space. Board members predict the program will bring the state an additional \$600,000,000 in conservation projects—without cost to state tax payers. Board is authorized to raise \$100,000,000 by selling bonds at four per cent interest—and another \$100,000,000 later, on say-so of Legislature. This money can be lent at five per cent interest to help pay up to one-third of cost of local conservation projects.

"I firmly believe the program will be self-liquidating," said Board Vice-Chairman W. E. (Buck) Tinsley of Austin.

Board hired Joe Carter as its \$10,000-a-year executive secretary. Carter was legal counsel to

the State Board of Water Engineers until animosity from two board members forced his resignation last spring.

After that, Carter served on Gov. Price Daniel's staff, assisting with water legislation drafting. He is a former state senator from Sherman.

BREATHER FOR SCHOOLS

Some 600 still-segregated school districts in Texas are more relaxed now. Many had feared that court-enforced integration in Texas would begin this winter in Dallas.

Federal Judge A. T. Atwell of Dallas ruled last year that Dallas schools must integrate at mid-term (January, 1958). But a higher court (U. S. Fifth Circuit Court of Appeals in New Orleans) overruled. It said Dallas school officials should be given "a reasonable further opportunity" to plan for integration.

Decision leaves intact, for the time being, a state law passed last spring designed to delay desegregation. It prohibits school districts from integrating unless instructed to do so in a local election. Integration without a voter mandate would bring loss of state aid.

For Dallas, this would have meant \$1,500,000 a year.

Woman" by Alan Burgess that probably read an abridgement of a recent Reader's Digest and "Texas Treasure Chest" by Boyce House. This is divided into Legends and Romance, Longhorns and other animals, Cowboys and Gun fighters, Rhymes and Ballads, Eloquence and Heart Throbs. This is a book which breathes of Texas, and of the author's love for his State.

There is a useful book in memory of James Patman. It is "Lands of The Bible" by Samuel Terrien. This is an excellent Bible Atlas that will prove to be helpful for reference. The maps are quite colorful and the Bible stories well written.

A book in memory of Mrs. Marguerite Goodner's aunts who recently died is "The Gallant Mrs. Stonewall" by Harnett T. Kane. He writes excellent biographies. Another book has been ordered in memory of these aunts—Mrs.

Kitty Martin and Mrs. Anna Hoffmaster—but the book has not been received from Cokesburg's as yet.

Another book has been given in memory of Mrs. R. Y. King. It is "Sweet Prairied Land" by Robert Laxalt. This is a type of biography. The author's family came to America a half century ago and worked as a sheep herder, but always had dreams of returning to his native country for happiness in his old age. He discovered when he returned home that American had changed his viewpoint of life, for he desired

to return to the states. It is a charming story.

We have had a few new members enroll recently. There is some excellent reading material here in both magazines and books.

WHILE CAR PRICES WENT UP THROUGHOUT THE INDUSTRY, THE PRICE OF THIS CAR WENT DOWN

Here's good news: Ford has priced many of its '58 models lower than corresponding 1957 models! Ford Custom 300's are priced as much as \$50 lower than last year. This is based on a comparison of manufacturers' suggested retail delivered prices.

Who'd ever guess it's the lowest priced of the low-price three

In case you haven't yet gotten around to pricing this elegantly styled 58 Ford Custom 300, put your mind at ease. When you compare manufacturers' suggested retail delivered prices, you'll find that this Ford is priced lower than any sedan in its field. And Ford has the lowest-priced station wagon and convertible, too!

But price isn't everything. The 58 Ford was the first car ever to use the whole world as its test track! This meant taking the all-new Interceptor V-8, combining it with new Cruise-O-Matic Drive, and tackling some of the roughest roads we could find on three continents. This terrific power team proved it could handle any driving you'll ever do!

NORTH WARD SCHOOL NEWS

North Ward School held its annual Junior basketball tournament for boys, Saturday, January 11, 1958 at the Clarendon gym. The following schools were represented: Wellington, Memphis, Quitaque and Clarendon. The Clarendon junior boys won the tournament.

For their first game they played Memphis, beating them by a score of only one point. The final score was 40-39. The Steers took on Quitaque for the second game, beating them 22 points, the final score being 36-14. For the final game Saturday night the Steers battled with Wellington. This was a close and fiery game; the final score, Clarendon 50, Wellington 46.

Curtis Williams led in scoring points. He racked up 23 points, Bonny Weatheron followed with 22, Curtis Smith 21, Hershel Gardner 17, Manzel Gardner 12, Will Gaines 6 and Oscar Hicks 4.

We would like to take time out and thank the wonderful patrons who were so faithful in preparing and donating food for the tournament Saturday. We want you to know that we appreciate you very much. Again may we say "thanks."

good-driving habits, they become tarnished with the grime of hazardous carelessness. This 10-question quiz from the Texas Safety Association may help you brighten the best safety device ever put in your car—YOU!

1. You are stopped for a red light. When the signal changes, you should: (A) honk horn to warn pedestrians, then start at once; (B) pull slowly into the crosswalk to nudge pedestrians out of the way; (C) wait until the pedestrians who have started across reach the curb safely before moving your car.

2. Since there is no sidewalk near your house, you should: (A) walk with traffic, on the right shoulder of the road; (B) walk facing traffic, on the left shoulder of the road; (C) walk anywhere you please, after all you pay taxes too.

3. When driving around a curve, you should: (A) slow down, depress clutch and coast around it; (B) speed up at the beginning of curve and be ready to use brakes if necessary; (C) slow your car with the engine before reaching curve, start around and then accelerate just before reaching straightaway.

4. When you come to a railroad crossing, you should: (A) stop, then proceed with caution; (B) hurry across; (C) slow down and look in both directions.

5. When you meet cars at night, you should use: (A) bright lights, so you can see other cars clearly;

(B) parking lights, so others can see you clearly; (C) dim lights to avoid blinding other drivers and still be able to see the road ahead.

6. "Riding the clutch" will result in (A) better control of car, because you can shift gears quicker; (B) excessive clutch wear; (C) a saving on gasoline, thus driving costs.

7. Night driving is more hazardous, because: (A) of poor visibility; (B) there are more drunk drivers on the road; (C) you get sleepier at night.

8. When planning to turn right, you should: (A) give a signal with your stop light; (B) drive in extreme right hand lane and give hand or turn-light signal; (C) slow down and toot horn.

9. When parking, parallel to curb, on a down-hill grade, it is safer to: (A) keep wheels parallel to curb, thus preventing tire wear; (B) turn wheel into curb and set hand brake; (C) put car in gear and hope nothing happens.

10. When you have a flat tire, while driving, you should: (A) put brakes on quickly so as to avoid ruining the tire; (B) depress clutch and coast to a stop; (C) take foot off gas and apply brakes cautiously.

To get your second wind means that the body has become adjusted to the need for more oxygen.

ONLY AN Electric RANGE

Gives You
NO SOOT • NO FUMES • NO FLAME
 Full Automatic COOKING

and only FRIGIDAIRE gives you
SPATTER-FREE BROILING

fabulous features of this new **'58 FRIGIDAIRE ELECTRIC RANGE**

It's super-fast! It grills like charcoal! It's a whole new approach to broiling that banishes once and for all the mess of after-broiling cleanup. There's no spatter on the oven! Even the broiler pan "swishes" clean with sudsy water. It's easiest to use—one turn of the dial to "Rare," "Medium," "Well Done"—or anywhere in between—foods come out exactly as you like them—no shelves to shift, no guessing. Talk about automatic, spatterproof broiling—this is IT!

Look! You Did the Doneness when you broil

Sheer Look Styled from Top to Toe Plate
NEW BUDGET-PRICED '58 SUPER
