## PAVING TO BE RESUMED IN CLARENDON

### Baccalaureate Service Sunday Night; Graduation Exercises Next Week

Another school year is drawing to a close as students in the local schools are getting ready for their final examinations and the re-joining will be in full evidence Friday, May 18th when the school year officially comes to an end.

The first part of the commencement exercises will be the Baccalaureate Service next Sunday, May 13th at 8 p. m. in the College gymnasium. Rev. Conrad Ryan, pastor of the First Methodist Church, will deliver the sermon. The Baccalaureate service is for all three graduating classes—Junior College, Senior High and Junior High School. The program is as follows:

Processional—Mrs. Dee Williams.

Invocation—Rev. Paul Wright. Announcements—Supt. W. W. Pinkerton.

College Choir—"His Eye is on the Sparrow," "O Master, Let Me Walk with Thee," Mrs. Velma Weaver, director.

Sermon—Rev. Conrad Ryan. Benediction—Rev. Max Huff. Recessional—Mrs. Dee Williams.

The Jr. High graduation exercises will be the first of this series. It will be held Tuesday evening at 8 p. m. in the College gym. The program will be as follows:

Processional—Harold Clampitt and Rebecca King.

Invocation—Clarence Tilley. Theme Song—"Over the Rainbow"—Class.

Rainbow in the Sky (Salutatory)—Sandra Pinkerton.

Rainbow Reflection (Piano Number)—Linda Kay Hardin. Days Recorded by the Sun Dial (History)—Maggie Morrow.

The Rainbow of School Days (vocal Duet)—Ann Elliott and Glenda Kooztz, accompanied by Nancy Davis.

The Crystal Ball (Prophecy)—Shirley Wiedman.

Jingles in the Pot of Gold (Piano Duet)—Glynell Hoggatt and Connie McMurtry.

This is Our Treasure (Will)—W. N. Elam.

Chasing the Rainbow (Piano number)—Barbara Hewett.

Under the Rainbow We Go (Valedictory)—Martin Head.

Rainbow Carolers—"We're Forever Chasing Rainbows"—Class.

Presentation of Class for Diplomas—Principal Stina Cain.

Presentation of Diplomas—Supt. W. W. Pinkerton.

Benediction—Class.

Recessional—Harold Clampitt and Rebecca King.

Next will be the Senior High Commencement on Thursday, May 17th. It will be held at 8 p. m. in the College gym also. The program is as follows:

Processional—Mrs. Dee Williams.

Invocation—Rev. J. I. Brimberry.

High School Quartet—"Everybody's Got a Home", "Suddenly There's a Valley," accompanied by Joyce Eddings.

Address—Dr. A. K. Knott. American Legion Awards—J. R. Porter.

Knorrpp Cup Awards—Walter B. Knorrpp.

Presentation of Diplomas—Supt. W. W. Pinkerton and Homer Estlack, Pres. Board of Education.

High School Quartet—"I Believe", accompanied by Joyce Eddings.

Recessional—Mrs. Dee Williams.

The College Commencement will be held on the following night, Friday, May 18 at 8 p. m. in the College gym. The program will be as follows:

Processional—Mrs. Dee Williams.

Invocation—Rev. W. F. Vandenburg.

"Young America Sings"—College Choir.

Address—Mr. Richard W. Crews.

College Trio—"Welcome Sweet Springtime."

Presentation of Diplomas—Dean R. E. Drennan and Alfred McMurtry, Vice Pres. Board of Education.

"Lords Prayer"—College Quartette.

Recessional—Mrs. Dee Williams.

Everyone is invited and urged to attend all of the graduating exercises. There will be plenty of room for everyone.

### Southern District Cuboree May 12th

Cub Scouts, Parents and friends from all over the Southern District will be gathering in Clarendon on May 12 to participate in a Cuboree. There will be games galore and a barrel of fun for everyone when all these young fellows get together.

The Cubs will gather at the Rodeo grounds in Clarendon at 2:30 on the afternoon of May 12, 1956. Complete instructions will be given at that time for the afternoon's activities. The activities will include: Wooden Turtle Race, Balloon Breaking contest, Sled race, Wheelbarrow race, Sack race, Tug-O-War, Sling Shot contest, Father and Son Three Leg race.

A weiner roast will follow the activities of the afternoon and the whole program will be finished off with a campfire at which time the Grand Champion Pack will be announced and the winners of each of the events will be recognized.

Arrangements for the Cuboree are being made by Clyde Price Jr. of Clarendon and a corps of men that he has recruited.

### Local F.F.A. Leaders To Participate In Area I Convention At Lubbock

Doyce Graham, vice president of the Clarendon F.F.A. Chapter and Star Lone Star Farmer of the Greenbelt F.F.A. District, W. T. Elliott, Chapter Secretary and Lone Star Farm Applicant and district winner in Farm Mechanics, and Charles Bates, District winner in wildlife conservation along with adviser J. R. Gillham will represent the Clarendon F.F.A. Chapter at the Area I Convention at Lubbock-Saturday. Winners in the Area Star Lone Star Farmer Contest will be determined, the top chapters of the area will be selected to compete for state honors at the State Convention in July, and special award winners in the area of farm electrification, farm mechanics, dairy farmer, soil and

water management, and chapter safety will be selected.

In addition to Graham's entry in the Lone Star Farmer Contest, he will also compete in the area farm electrification contest; Elliott will compete in the farm mechanics award; the chapter will participate in the area chapter contest and in the area safety award; Bates will compete for the area award in wildlife conservation; the chapter will compete for honors in the best publicity program in the area, and the chapter has entered the Donley County Leader in the award to the newspaper in the area doing the best job in publicizing the F.F.A. Chapters in its vicinity. The local chapter is being supported in this effort by the Lelia Lake Chapter.

### 133 Listed In 1956 Graduating Classes

One hundred and thirty-three students have been listed as candidates for graduation in the Clarendon Public Schools for the 1956 term. This number includes sixty from Jr. High, 26 seniors and 47 college graduates. While the College and Jr. High show a large number listed, the senior class is the smallest in a long number of years.

The College candidates for graduation are: Sonja Kay Atkinson, Jimmy Ray Baird, Benjamin C. Benton, Mary Lynn Briggs, Ray D. Brown, Wilbur Fate Breedlove, Harold LeRoy Clampitt, Sherman Cospier, Eva Lee Farr, Erna Lee Farris, Bob Garrison, Gene Harris, Marilyn Butler, Billy Royce Hill, Nellie Jon Hodnett, Howard Lee Hensley, Perry Jordan, Joyce Offutt Jordan, Ruth Ann King, Rebecca Jean King, A. K. King, Gary Kunka, Roberta Ruth Lindley, James D. Massey, Billy McDowell, Gene McBrayer, Vanetta McClellan, Doris Jean Newberry, Bobby S. Roberts, Don Robinson, Ida Louise Short, Glenn D. Sanders, Carol Stepp, Broadus Spivey, Mike Smith, Jane Mosley Smith, Wanda Sibley, Bobby Schneider, Betty Nan Tiffin, Dianne Templeton, Janet Turner, Glenn E. Whitener, Jack Williamson, Cavin L. Webb, Charles Alvin Wright, Billy R. White and LuEllen Margaret White.

The Senior candidates for graduation are Charles Bates, Bernie Benson, Joyce Crutchfield Blasingsame, Buddy Bobbitt, Weldon Edens, Allen Estlack, Jackie Estlack, Kenneth Evans, Duane Garman, Glenna Lane Francis, Billy Mac Hicks, Tommy Lane, Carol McAbee, Nadene Murphy, Bettie Odum, Claude Porter, Winfred Self, Paula Skelton, Harlene Smith, James Montye Smith, Wesley Stewart, Herald Stogner, Jerry Swinney, George Thompson, Medra Wells and Jerry Davis.

Jr. High candidates are Wesley Ashcraft, Jacquie Bell, Jonna Lee Blocker, Dennis Bradshaw, Betsy Chamberlain, Nancy Davis, W. N. Elam, Ann Elliott, Wilma Elliott, Butch Emmons, Kathie Farr, Wanda Fricks, Rita Garner, Betty Graham, Lowell Hall, Linda Kay Hardin, Martin Head, Barbara Hewett, Glynell Hoggatt, Kenneth Housden, Don Hudgins, Judy Johnson, Glenda Kooztz, Linda Ledbetter, Wayne Mann, George Mays, James McAnear, Jerry McBrayer, Nat McElroy, Julia McGee, Connie McMurtry, Steve Mills, Maggie Morrow, Patsy O'Neal, Patricia Owens, Betty Parker, Charles Percival, Donnie Phillips, Dwayne Phillips, Jackie Phillips, Lee Phillips, Sandra Pinkerton, Jerry Pittman, Brenda Putman, Mary Sue Rhoades, Bob Schull, Robbie Selvidge, Buster Shields, Sandy Skelton, Ann Slavin, Bob Spencer, Lynn Spier, Wendell Talley, Delores Tolbert, Ann Weatherly, Rosalie Welch, Shirley Wiedman, Dewey Wilson, Jo Ann Wood and Ann Word.

The first clinic will be held at the Lelia Lake Baptist Church at 7:30 p. m., May 11; another at the Lesley church at 7:30 p. m., May 12, and a third will be held at the Travis Baptist Church in Memphis at 3 p. m., May 13.

Everyone interested in rural church work is invited to attend any or all of these meetings.

### \$884,700 Allocated For Highway 287 In Donley County

Carroll Hudson, Resident Engineer with the State Highway Department, announced this week that Donley County had been allocated \$884,700 for new road construction on Highway 287 in Donley. This is a part of the 1957-58 150 million dollar program in Texas announced by the state department.

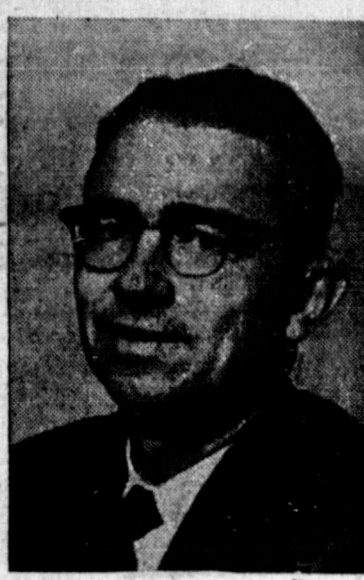

Of this amount, \$517,100 was allocated for 12.6 miles of new road like the one between here and Hedley, to run from Clarendon to the west county line where it will join a proposed four lane highway to Claude. The other allocation for \$367,600 is for the same type of road from Hedley to the Hall County line. As we understand it, this type of road will not have to be rebuilt when a four lane set-up is authorized.

This allocation does not include any farm-to-market roads at all. These will be built from separate funds. Mr. Hudson stated that the new farm-to-market road which will intersect with highway 287 about 3 miles east of town has been set up for June, letting of contracts. This road will extend 5 1/2 miles south and 3 miles east of the intersection with 287. He also announced that the survey on the farm to market road from the college building to Ashstola had been completed and this contract probably would be let sometime late this year.

### Vallance Building New Food Market

Ground was broken this past week for a new modern food market in Clarendon which is being built by J. W. Vallance of Memphis. The new building will house the Vallance grocery business which is now located in the south block of main street and known by many as the M-System. The new location is one block west of Mutt's Cafe on highway 287.

The building will measure 48 by 96 feet and will be of cinder block construction and modern design. "We have been crowded for parking space at our old location but will have plenty of hard surface parking at our new location," Mr. Vallance stated this week.

DR. CARL A. CLARK

### Church Clinics Slated For May 11-13th

A series of rural church clinics will be conducted for the Panhandle Baptist Association, May 11-13, it was announced Tuesday by Rev. Harry Morris, pastor of the Lesley Baptist Church.

Conducting the clinics will be Dr. Carl A. Clark, associate professor of pastoral ministry at Southwestern Baptist Theological Seminary in Fort Worth. Dr. Clark has made a special study of rural churches, their problems and their possibilities.

The first clinic will be held at the Lelia Lake Baptist Church at 7:30 p. m., May 11; another at the Lesley church at 7:30 p. m., May 12, and a third will be held at the Travis Baptist Church in Memphis at 3 p. m., May 13.

Everyone interested in rural church work is invited to attend any or all of these meetings.

### \$884,700 Allocated For Highway 287 In Donley County

Carroll Hudson, Resident Engineer with the State Highway Department, announced this week that Donley County had been allocated \$884,700 for new road construction on Highway 287 in Donley. This is a part of the 1957-58 150 million dollar program in Texas announced by the state department.

Of this amount, \$517,100 was allocated for 12.6 miles of new road like the one between here and Hedley, to run from Clarendon to the west county line where it will join a proposed four lane highway to Claude. The other allocation for \$367,600 is for the same type of road from Hedley to the Hall County line. As we understand it, this type of road will not have to be rebuilt when a four lane set-up is authorized.

This allocation does not include any farm-to-market roads at all. These will be built from separate funds. Mr. Hudson stated that the new farm-to-market road which will intersect with highway 287 about 3 miles east of town has been set up for June, letting of contracts. This road will extend 5 1/2 miles south and 3 miles east of the intersection with 287. He also announced that the survey on the farm to market road from the college building to Ashstola had been completed and this contract probably would be let sometime late this year.

### Dusters To Play Wheeler Sunday

The Clarendon Dusters will play the Wheeler team here at Duster Park Sunday afternoon at 3 o'clock. This will be their third Caprock League game and they will be looking forward to taking their first win after dropping their first two to both of the Amarillo teams. Rath's defeated them in a batting duel last Sunday afternoon 19-15. The local players are looking for more supporters to come out for the game Sunday afternoon.

### Locals Endorse Johnson In County Convention

Two delegates from Donley County will attend the state Democratic convention, instructed to cast their votes for Sen. Lyndon Johnson as both a favorite son candidate for the presidency and as leader of the Texas delegation to the National Democratic Convention. This was the outcome of the county convention held here Tuesday afternoon. J. R. Porter and M. W. Mosley were named as the delegates. Alternates will be J. R. Scales and J. T. Patman.

The following resolutions were passed by the 29 county precinct delegates attending the meeting: One endorsing Johnson as a favorite son candidate, one endorsing him as leader of the Texas delegation, one binding the delegates to the unit rule and another binding the delegates to support the Democratic nominees.

In the precinct convention held Saturday afternoon the same resolutions were passed. J. T. Patman was elected chairman and Miss Mary Cooke was named secretary. There were twelve Shivers supporters present with around seventy-five present supporting Johnson. According to one informant, it was the largest precinct convention to be held here.

### Services Held Tues. For J. T. Lane

Funeral services were held Tuesday afternoon at the First Baptist Church for James Thomas Lane with Rev. Hal Upchurch officiating.

Mr. Lane 85, died Sunday afternoon at the home of a daughter, Mrs. Seless Fowler, in Amarillo following a lengthy illness. He was a retired farmer and had been a resident of Donley County for over 40 years.

He is survived by four daughters, Mrs. Fowler, Mrs. Beachel McNeal of Portland, Tex., and Mrs. Cora Horton and Mrs. Minnie Woods, both of Fort Worth; four sons, C. W. (Bill) Lane of Clarendon, Roy of Jacksboro, Troy of Delta, Colo., and Marvin Lane of Trinidad, Colo.; two brothers, Sam Lane of Arkansas, and Andy Lane of California; one sister, Mrs. Nancy Richardson of Fayetteville, Ark.; and several grandchildren.

Grandsons served as pallbearers.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

### Hedley Lions Select Queen Contestant

Miss Sandra Youree won the annual Lions Club queen contest at the Hedley Theatre last Thursday night. She will represent the Hedley Lions Club in the District Lions Queen Contest at Amarillo May 17th. Miss Youree, daughter of Mr. and Mrs. W. V. Youree of Hedley, is 17 years of age and a senior in the Hedley High School.

### Hedley To Play Rath's Sunday At Hedley

Hedley will play the Rath Packing Co. team of Amarillo at Hedley Sunday afternoon at 3 p. m. This will be Hedley's second Caprock League baseball game, having won the initial game from Groom by a score of 4 to 1. In practice games, the Hedley team split games with Clarendon and lost to the WTSC Buffaloes of Canyon.

Mr. and Mrs. Lowell Heckman and children, Cheri and Ricky, of Andrews, Texas spent the week end visiting their parents, Mr. and Mrs. Lee Muse and Mrs. Geo. Heckman.

### Club Ladies Again Sponsoring Project For More Paved Streets In Clarendon

#### Former Residents Injured In Car Accident

Mr. and Mrs. Dexter Todd and sons Mark and Stephen of Clovis, N. M. and formerly of Clarendon, were involved in a car accident near Waurika, Okla. Tuesday of last week and all received serious and painful injuries except little Stephen who was asleep in the back seat. Traveling through water on the highway, the brakes on the Todd car failed and it crashed into the rear of a cattle truck, completely demolishing the car. Mark received the most serious injuries which included broken ribs and injury to his spleen which had to be removed by surgery. Mr. Todd received a broken left arm, cuts and bruises and Mrs. Todd received numerous cuts and abrasions. They were taken to General Hospital in Wichita Falls for treatment and are reported getting along nicely at this time.

Upon learning of the accident, Bill Todd, Hall and Homer Hardin went to Wichita Falls last Tuesday afternoon to be with them. Hall and Homer returned home Wednesday accompanied by little Stephen who is staying with his grandmother, Mrs. Watt Hardin. Bill Todd returned home Sunday.

The Todd's were on their way to Arkansas and Tennessee when the accident occurred.

#### Barbecue For Field House Friday Night

All who enjoy good barbecue with all the trimmings are reminded that they can enjoy this fine eating Friday evening of this week, May 11th. It is at this time that the civic clubs of Clarendon are sponsoring a barbecue with the proceeds to go to the new field house.

The barbecue will be served from 6 to 8 p. m. at Lions Club Hall instead of the previously announced location. The price per ticket which entitles you to all you can eat, is \$1.50 for adults and 75c for children 12 years old and under. Children's tickets will be available at the door but adults may purchase their tickets before going or at the door. These clubs are asking for your support to help build this new field house and are reminding you that you can do so by treating yourself to this fine barbecue meal Friday night.

#### BAND PARENTS TO HOLD CALL MEETING

A special called meeting for Band Parents is being announced for Monday evening, May 14, at the Band Hall. Meeting time has been set for 7:30 and all parents of band students are invited to be present.

### Spot-Oiling Proves Popular As Means Of Controlling Johnsongrass In Cotton

Cotton producers in 104 Texas counties used the spot-oiling method for controlling Johnsongrass last year on 73,637 acres of cotton.

According to H. M. Breedlove, County Agent, the control method was first recommended last year and its popularity and value have already been well established. When compared with other commonly used control practices, spot-oiling requires less hand-labor, the oils used are readily available and comparatively cheap in price and the gravity-flow hand sprayer used for making the applications is inexpensive.

Breedlove says a mixture of half naphtha and diesel oil is best for crown-oiling in cotton.

The Patching Club Board has met with the City officials, and Chamber of Commerce to make plans for immediate paving.

The members of the local clubs, Pathfinder, 1926 Book, Les Beaux Art, Mother's, Jr. Home Demonstration, Sr. Home Demonstration, and Garden clubs are contacting property owners on the southeast side of town. It is the goal of the workers to obtain a direct street completely paved to the hospital, with other streets connecting with this street. Those wishing to connect their streets to the existing paving which was completed last fall, please contact Mrs. F. Phelan, Jr., phone 489-M.

The paving as approved by the City Council will be constructed by Bradley & Luce, Contractors. This paving will consist of a shaped and compacted gravel base covered with a prime coat and a double asphalt surface at a cost of ninety cents (90c) per linear foot for each property owner. In the process of shaping the strip for paving, ditches will be shaped to carry off water. If the property owner desires, these ditches will be covered with asphalt in the same manner as the street at an additional cost of fifty-five cents (55c) per square yard. This cost of covering the ditch will depend on the distance from the edge of the center paving to the property curb. By covering the remaining area from the center paving, the property owner will have a place for the water to run off with a minimum of erosion and a place for parking cars in addition to easier access to existing driveways. All alleys and intersections will be paid for by the City. As an example of paving cost for a seventy-five (75) foot lot, the thirty foot paving will cost \$67.50; if the curb is in its correct place, it will cost an additional \$41.25 to cover the remaining nine feet from the edge of the center paving to the curb (the cost of the curbing is not included in these figures).

Surface preparation will conform to Texas Highway Dept. specifications Item 300 and 305, prime coat will be MC-1, asphalt will be OA-175, aggregate will be Type A, Grade 3 and 7. Conformity to these specifications will be assured by inspection during construction and on completion before acceptance by the City by C. B. Hudson.

#### JOHN HEAD ACCEPTS RICHARDSON BANK POST

John A. Head has been named president of the Citizens State Bank at Richardson and assumed his new duties Monday.

Head has been president of the First National Bank the past few years. The Clarendon bank was purchased recently by the Farmers State Bank and merged.

C. R. Chick, president of the Richardson bank, became chairman of the board.

#### BAND PARENTS TO HOLD CALL MEETING

A special called meeting for Band Parents is being announced for Monday evening, May 14, at the Band Hall. Meeting time has been set for 7:30 and all parents of band students are invited to be present.

### Spot-Oiling Proves Popular As Means Of Controlling Johnsongrass In Cotton

More than 400,000 Americans now living are proof that cancer can be cured. Guard your health by having regular health examinations, urges the American Cancer Society.

TORNADO INFORMATION

WHERE TORNADES CAN OCCUR:

Any place in the United States at any time of the year. They happen most frequently in the midwestern, southern and central states from March through September.

HOW OFTEN DO THEY OCCUR:

The records show that the average number of days with tornadoes varies from about 12 per year in parts of the Mid-West to less than one per year in the Northeastern and far Western states.

HOW TO RECOGNIZE A TORNAO:

Usually observed as a funnel-shaped cloud, spinning rapidly, and extending toward the earth from the base of a thundercloud. When close by, it sounds like the roar of hundreds of airplanes.

TORNADO "WEATHER":

Hot, sticky days with southerly winds and a threatening, ominous sky. However, many such days occur without tornadoes.

CLOUDS:

Familiar thunderstorm clouds are present. An hour or two before a tornado, topsy-turvy clouds appear sometimes bulging down instead of up. The clouds often have a greenish-black color.

PRECIPITATION:

Rain, frequently hail, preceding the tornado, with a heavy downpour after it has passed.

TIME OF DAY:

Mostly between 3 and 7 P.M., but they have occurred at all hours.

DIRECTION OF TRAVEL:

In most cases they move from a westerly direction, usually from the southwest.

LENGTH OF PATH:

Usually 10 to 40 miles (the average length is 16 miles), but they may move forward for 300 miles.

WIDTH OF PATH:

The average width is about 400 yards, but they have cut swaths over a mile in width.

SPEED OF TRAVEL:

25 to 40 miles per hour average, but they have varied from 5 to 139 miles per hour.

WIND SPEED:

Estimated as high as 500 miles per hour within the tornado.

CAUSES OF DESTRUCTION:

- (1) Violent winds which uproot trees, destroy buildings, and which create a serious hazard from objects blown through the air.
(2) Differences in air pressure which can lift automobiles and can cause buildings to collapse.

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

### "THE STORY OF THE OLD STONE HOUSE" OR "WHO HOODWINKED THE TAXPAYERS"

The main street through Old Georgetown is M Street. Actually it is a continuation of the famous Pennsylvania Avenue and is one of the busiest thoroughfares in the Nation's Capital. In the 30th block on this street, and at one of its busiest points, there is a structure called "The Old Stone House". In 1950 Congress passed a bill authorizing the Secretary of the Interior to acquire this House, together with the site on which it stands, by gift or purchase. The word "gift" turned out to be superfluous. The property was purchased for the sum of

\$90,000. Subsequent to the purchase, it was discovered that "The Old Stone House" (which is either the villain or the hero in this story) was not all resting upon the land that Uncle Sam paid \$90,000 for. Four feet of the House remained on property owned by those who sold the \$90,000 piece of property to the American taxpayers. There were some pretty red faces in the government. The four feet has finally been acquired, but I haven't yet found out the additional cost involved. The entire matter appears to have been handled in a rather secretive manner. It came to my attention recently and I immediately started inquiry. Information was hard to come by. I did discover that the Department had earmarked \$64,000 additional to be spent on this property. The earmarking was in the Department but not in the appropriation bill before the Congress. Therefore, it was a hidden item. I immediately warned the Senate Appropriations Committee as to what was going on and demanded of the Department of the Interior that I be furnished full information on the subject. The Department did not answer my letter until after the appropriation bill, including this questionable item, had been passed by the Senate. After reading the letter from the Department, I can understand why they delayed in giving me an answer.

The only justification for the government ownership of this House is that it is presumed to be of a revolutionary architectural

PHONE 228

design and may have been used by some of our patriots during the revolutionary period. The result of this fancy presuming is that the taxpayers are being presumed out of \$150,000 for a piece of property containing an old house that must be almost completely rebuilt at an unconscionable cost. The Administrative Assistant Secretary of the Interior advises me in his letter of April 24th and I quote:

"\$2,400 was requested by the Department of Interior in the Appropriation Bill for the fiscal year ending June 30, 1957. Of this amount \$41,200 will be used for the restoration of the structure and the balance for the improvement of the grounds.

"The building restoration will entail the replacement of the entire interior structural members; new roof framing and roofing; removal of all existing interior finish, plaster, and so forth, and the reconditioning of some of the finish and new finish added where it has been damaged beyond repair. The probable re-

**CONNIE'S  
RADIO & TV SERVICE**

placement of all exterior finish and a new entrance stoop. It is also planned to provide new electrical service, heating and the installation of public toilets.

"The ground improvements will include the grading, drainage, topsoiling and seeding, planting, walls, walks and terraces."

To be truthful, the Department is in effect building a new structure on one of the busiest thoroughfares in this nation at a cost far in excess of the cost of removing this House of questionable vintage and historic value to land already owned by the government and not being used. I am sorry that I cannot go into more detail concerning this matter in the limited space provided in my newsletter, but I assure you that

I expect to introduce legislation immediately to stop this raid upon the public treasury. This government already owns entirely too much land and would better serve the interests of the taxpayer if it recovers the sums it has invested in this project before it is too late. If the people of Georgetown have the right to dip into the federal treasury for an expenditure of this kind, there isn't a community in the United States of America that wouldn't be equally entitled to expend a like amount from the federal treasury for the restoration of some old building or landmark in that community.

There are 77 rooms in the White House.

Buick Special  
6-Passenger 2-Door Rivera,  
Model 49R

## It's Bigger than Both of 'em

-but its price makes it one of  
America's 3 best sellers!

It's as simple as this:

Only two cars in all creation outsell Buick. And they are two of the well-known smaller cars.

So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling company.

Well, one answer is the beautiful and brawny Buick SPECIAL you see pictured here—and the low price it carries.

It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-priced Series.

And that means more people want it and can afford it, because it's priced only a few dollars more than its two smaller-car rivals—even less than some models of those very same cars.

But the big answer comes from a sure fact more folks have discovered: you get more pure automobile for your money in Buick than you get elsewhere.

Here, you get the extra wallop of big new Buick power

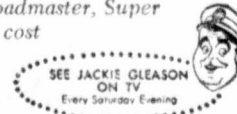

raised to a new high—and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true high compression.

Here, you get the matchless buoyancy of Buick's great new ride—the extra-safe feeling of Buick's new handling ease—the extra stretch-out comfort of Buick roominess—the extra solidity and strength of Buick structure—the extra pride and prestige of Buick's new styling and dash.

Here, too—and nowhere else—you can get the silk-smooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflo\*—the world's only transmission with the gas-saving mileage and switch-pitch action of the modern airplane propeller.

This week—this very day, if you wish—you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just that?

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## Want to make "washables" last longer?

Find out about this startling

# RUB-FREE WASHING ACTION

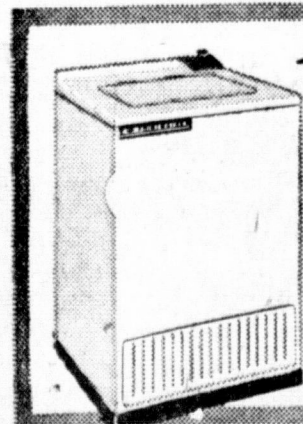

### RUB-FREE WASHING ACTION

- Saves on washables—they last longer, so replacements aren't nearly as frequent
- Saves on soap and detergents—multiplies their cleaning power immensely
- Saves on water—a Frigidaire Washer uses 13% gallons less than some other automatics
- Saves on time—Frigidaire washing is faster. Rapidry Spin makes clothes dry quicker

Developed by Frigidaire, it gets clothes unbelievably clean without the wearing action of rubbing

NEVER in your life have you seen anything like it!

Instead of stiff fins, jerking back and forth—instead of the rubbing and scrubbing and beating that is the old-fashioned way to get clothes clean—water alone does the whole laundering job. Thousands of lively surging currents of hot sudsy water search out every trace of grime and soil. So gentle, sheer man-made fabrics get the safe, piece-by-piece care of hand laundering—automatically. So thorough, even the dirtiest work-clothes come clean. Because of this unique RUB-FREE WASHING ACTION—washables last infinitely longer.

-Get in on this "Gold Tag" Special!

### "Atoms In Business" Conference To Be Held May 10-11th

The economic and business impact of nuclear energy and its by-products on Texas and the Southwest will be discussed at a conference on "Atoms in Business" to be held at the Plaza Hotel in San Antonio, (May 10 and 11, 1956). The conference will be sponsored by Southwest Research

Institute in cooperation with the Atomic Industrial Forum, Inc. Just as the discovery and use of electricity revolutionized this country's business and industrial life, so atomic energy may be destined to have a comparable impact on business and commercial activities of the future.

The "Atoms in Business" meeting is designed to provide answers to one of the problems facing the businessman of today—how to keep abreast of present

industrial applications of nuclear fission and how to make plans based on use of this new energy source and its by-products in the future.

Profitable applications of atomic energy, radiation and isotopes to power generation, propulsion, medicine and agriculture will be discussed by authorities in their field.

Business executives will describe their experience with atomic energy and their predictions for its further use in the Southwest and Mexico. One important part of the discussion will cover how small and medium sized businesses, as well as large, can take advantage of atomic developments.

Speakers at the conference are being carefully selected for their ability to interpret scientific developments in nuclear energy from a layman's point of view and relate it to economic applications. Discussions will cover how nuclear reactors can be built to generate heat and power, how much the end product will cost, and how it is likely to compete with oil, gas and coal. Ways that radiation and radioactive iso-

topes can speed up industrial and medical processes and how they will prove more advantageous in the future will also be covered.

One section of the conference will cover the availability of raw materials and the possibilities of mining and refining nuclear source materials in the Southwest.

In the field of agriculture, radiation can produce mutations in plants and perhaps animals which may in the future be controlled for improved production of food. Isotopes may be used to explore more thoroughly the action of insecticides, weed deterrents, and both plant and animal foods.

In medicine, radiation and isotopes are assisting researchers to learn more about body processes and the detection and treatment of diseases.

The "Atoms in Business" conference is expected to attract more than 500 businessmen, utility executives, bankers and those interested in the application of atomic developments in medicine and agriculture.

One section of the meeting will be devoted to movies which portray the commercial application of atomic energy. Also planned is an exhibit of three-dimensional displays which graphically describe exactly how nuclear energy, radiation and isotopes may be utilized.

Donley County Leader, \$2.50 year

### The Farm Veto And Another Promise

John C. White, Commissioner Texas Dept. of Agriculture

It's happened again. The farmer, hopefully eyeing the prospects of an even break in national economy, has been left holding the bag—a bag lined with empty promises.

The presidential veto of the farm bill adds another hole to the farmer's bare and threadworn pocketbook. And the chances of patching it are mighty slim. Our farmers are left with only the promises made in an attempt to justify this unjust action. The administration proposes as a substitute, that the Congress pass a soil-bank program which, they claim, if passed right away "could" give the farmers up to half a billion dollars in aid this crop year.

The soil bank has been the administration's mainstay, their obsession, and their cure-all for the farmers' ills. This, of course, is not entirely true. It has definite benefits, but is certainly no miracle medicine to cure the low-price plague of our farmers. No single program could be expected to dispel the recent years of mounting farm depression.

The now-dead farm bill was one which was written by the farmers themselves. The Senate and House Agricultural Committees worked tirelessly with rural people all over the nation laying groundwork for the legislation.

The bill was not 100 per cent perfect, but it would have at least given the farmers something to hold on to and would have stopped the price declines which are showing farm economy steadily downward.

In the words of Congressional leaders, there is "no hope" of passing another general farm bill this session. Administration claims of immediate price boosts on some commodities will be bogged down by laws now in effect, and the old farm enemy—the sliding parity scale—will likely stay with us. Texas farmers are tired of promises. They haven't forgotten

those made by the President at Waco during the last presidential campaign. The supports promised then were no more real than the economic boosts our farmers are now being promised.

Our agricultural population loses most through this tactic act. But in the long run, they won't suffer alone. Sound farm economy is essential to national well-being, and continued depression of agriculture is eventually sure to affect us all.

The Korean armistice was signed at Panmunjom on July 27, 1953.

## Clarendon Hatchery

Phone 263 Clarendon, Texas

By VERN SANFORD Texas Press Association AUSTIN—If you have a bit of imagination, you can see a huge "help wanted" sign hanging over the capitol dome.

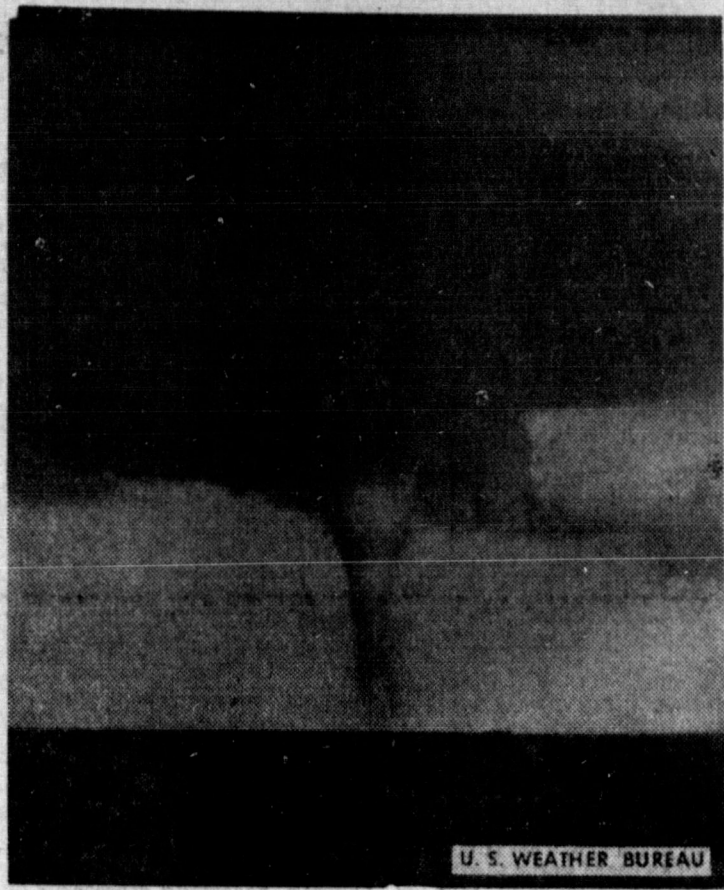

Some mighty important jobs are to be filled. Salaries range up to \$25,000 a year. And some of the jobs are as yet unclaimed.

Top job of course is that of Governor. It is a two year job paying \$25,000 a year. The incumbent, Allan Shivers, has announced his resignation.

Next highest in the pay bracket is that of Attorney General. There is a vacancy there too. John Ben Shepperd also is resigning Jan. 1. The pay is \$20,000 a year and it is a two-year job.

There are four good jobs at \$17,500 a year. These positions include: Land Commissioner, Comptroller, Treasurer, and Railroad Commissioner. Here the incumbents, J. Earl Rudder, R. S. Calvert, Jesse James and W. O. Murray, have either little or no opposition. Just ask for it and the job is theirs. They are in like Flynn, unless other job applications arrive before the May 7 deadline.

There are several \$15,000 jobs available, such as Agriculture Commissioner, three places on

Actual Tornado Clouds furnished by H. C. Winburn, Meteorologist in charge of the Amarillo Weather Station.

the Supreme Court, and one on the Court of Criminal Appeals. The Agriculture Commissioner's job is another two-year contract, but the court jobs are for six years.

Ag Commissioner John White hasn't said whether or not he wants to be re-hired, but most of the Justices have. Re-applying are R. W. Calvert and Meade Griffin on the Supreme Court, and W. A. Morrison on the Court of Criminal Appeals.

Not an applicant for re-hiring

is Supreme Court Judge Will Wilson. He has filed for John Ben Shepperd's job, as attorney general. It pays \$5,000 more a year.

Then there are nine places on the Court of Civil Appeals, each paying \$12,000 a year. Most of these incumbents are seeking a renewal of their contracts.

Jobs of 15 State Senators expire too, along with 150 House Members. These are just part time jobs paying \$25 a day for 120 days, normally only every other year. The Senate job lasts four

years, however, to the House's two.

Along with the House and Senate jobs is that of Lt. Governor. His salary is the same as the legislators'. Ben Ramsey who now holds the position says he likes the work and would like to be re-hired.

Because most of these jobs pay well and carry with them honor and recognition, there is a penalty attached. You have to pay to apply, and the application fee is in proportion to the salary. Unfortunately you don't get a refund if you aren't selected for the job. This discourages a lot of applicants.

Those filing for the Governor's job pay an application fee of \$1,250; for Attorney General, \$1,000; Land Commissioner, Comptroller, Treasurer, Railroad Commissioner, \$875; Agriculture Commissioner, \$750—and the same for Judges of the Supreme Court and the Court of Criminal Appeals. Civil Appeals Court Judges pay a fee of \$600, as does the Lt. Governor.

Applicants for House and Senate jobs pay \$1 to \$100 per county, the amount being determined locally.

There are several other jobs of a similar nature opening soon—such as that of Congressman-at-Large. The application fee for this post is \$1,125. Martin Dies has the position now. Incidentally, it is the highest paying job next to the Governor's. Salary is \$22,500 a year with a two-year contract.

Texas has 21 Congressional job openings coming up too. Salaries are the same as Congressman-at-Large, but the application fee is less. It varies with each area. These are two-year jobs.

Another job opening possibility is that of U. S. Senator from

# TORNADO SAFETY RULES

### TO KNOW WHAT TO DO WHEN A WARNING IS RECEIVED, OR A TORNADO IS OBSERVED, MAY MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH!!

- I** There is no universal protection against tornadoes except caves or underground excavations. When time permits, go to a tornado cellar, cave, or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas, or debris; and preferably equipped with pick and shovel.
- II If you are in open country :**
  1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour.
  2. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.
- III If in a city or town :**
  1. Seek inside shelter, preferably in a strongly reinforced building. STAY AWAY FROM WINDOWS!
  2. In homes: The southwest corner of the basement usually offers greatest safety, particularly in frame houses. People in houses without basements should find other shelter, preferably in a storm cellar, although a depression, such as a ditch or ravine, can offer some protection. If time permits, electricity and fuel lines should be shut off. Doors and windows on the north and east sides of the house may be opened to help reduce damage to the building.
  3. Standing against the inside wall on a lower floor of an office building offers some protection.
- IV If in schools :**
  1. In city areas: If school building is of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. AVOID AUDITORIUMS AND GYMNASIUMS with large, poorly-supported roofs!
  2. In rural schools that do not have strongly reinforced construction, remove children and teachers to a ravine or ditch if storm shelter is not available.
- V If in factories and industrial plants :**

On receiving a tornado warning, a lookout should be posted to keep safety officials advised of the tornado's approach. Advance preparation should be made for shutting off electrical circuits and fuel lines if the tornado approaches the plant. Workers should be moved to sections of the plant offering the greatest protection.
- VI** Keep calm! It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. You should know about tornadoes though, "just in case".
- VII** Keep tuned to your radio or television station for latest tornado advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.

UNITED STATES DEPARTMENT OF COMMERCE — Weather Bureau

Texas. Here there are some "ifs" attached. If Price Daniel resigns—and maybe Lyndon Johnson too. Both are campaigning now for other openings — Daniel for Governor and Johnson for President. U. S. Senators draw \$22,500 a year for six years; filing fee, \$1,125.

## BRIDE-ELECT FETED WITH SHOWER

Miss June Christian, bride-elect of Bennie Darnell, was honor guest at a miscellaneous shower in the home of Mrs. L. N. Cox Saturday afternoon, May 5. Entertaining rooms were decorated with garden flowers.

Guests were greeted at the door by Mrs. Cox and presented to Miss Christian, her mother, Mrs. C. C. Christian of Farwell, and Mrs. V. T. Darnell. Miss Barbara Darnell presided at the guest book.

A musical program was presented throughout the afternoon by Miss Margaret Cushing at the piano. Miss Lucille Polk and Mrs. Basil Smith assisted with the gifts.

Refreshments were served from a beautifully appointed table carrying out a lilac and orchid color scheme. The centerpiece of asters in lilac and orchid was covered with a miniature umbrella in white and was flanked by white tapers. Presiding at the table were Mrs. W. C. Christian and Mrs. D. F. Christian, both of Farwell. Miss Emma Ayers and Miss Betty Maddux of Amarillo assisted in the dining room.

Hostesses for the afternoon were Mesdames Olean Leggett, Marguerite Goodner, Bill Bromley, Basil Smith, L. N. Cox and Misses Naomi Allison, Emma Ayers and Lucile Polk.

The honoree received many lovely and useful gifts.

Mr. and Mrs. Lois Putman, Clarendon, Texas, announce the engagement and approaching marriage of their daughter, Ola Mae, to Ray A. Shaw, son of Roy A. Shaw of Mobile, Alabama.

Vows will be exchanged Sunday, May 20, at the home of the bride-elect's parents.

Mrs. J. W. Shields of Lelia Lake, Texas, is announcing the engagement and approaching marriage of her daughter, Christine, to Norman Kennedy, son of Mr. and Mrs. J. D. Kennedy of Hedley, Texas. The wedding will take place June 23 in the home of the bride-elect's mother.

## SENIOR CLASS BARBECUE HELD

Members of the Senior Class and their sponsors enjoyed a chicken barbecue at the Country Club Friday evening, May 4. Flip Breedlove did his usual fine job of barbecuing and Rev. Conrad Ryan baked biscuits for the group.

After Rev. Ryan pronounced the invocation, a meal of barbecued chicken, hot biscuits, beans, fruit, pickles, onions, ice tea, and cake was served.

Everyone reported a good, good time!

## MARTIN QUILTING CLUB

Martin Quilting Club met May 3rd with Veda Elliott. Two quilts were finished. Those present were Eunice Land, Blanch Higgins, Margaret Waldrop, Lela Bulman, Dorothy Sullivan, Lennie Cauthen, Lois Stevenson, Sallie Christie, Annie Waldrop, Veda Elliott.

The next quilting will be May 17th with Blanch Higgins.

## MOTHERS STUDY CLUB LUNCHEON

The annual spring luncheon for members of the Mothers Study Club and their guests was held at Patching Club House Tuesday, May 8. Garden flowers decorated the entertaining rooms.

A buffet luncheon was served from the dining table which was laid with a linen cloth and centered with an arrangement of yellow chrysanthemums. Quartet tables were centered with yellow iris in bud vases.

Following the meal, Mrs. C. B. Morris gave a delightful and entertaining review of the book, "Minding Our Own Business."

Attending were Mesdames O. L. Hill, J. T. Hill, Junior Putman, Delbert Robertson, Bennie Edens, C. B. Morris, Ralph Hill, Joe Shadle, Gladys Turner, George Schollenbarger, Olin Bain, Robert Bain, Chauncey Hommel, A. R. Henson, Tom Selmon, C. H. Darling, Tommy Saye, Grady Tyler, C. E. Bennett, C. M. Ryan, Stina Cain, Rex Wood, Anness Bennett, Gene Long, Homer Hardin, James Gouldy, S. J. Smith, Ray Holland, Vernon Edwards, Howard Martin, and Gordon Simpson.

Hostesses were Mesdames Ray Holland, Vernon Edwards, Howard Martin, and Gordon Simpson.

## MIKE LOPEZ CIRCLE

The Mike Lopez Circle of the First Baptist Church met in the home of Jean Chilton, Wednesday, April 25. Jean Chilton brought the devotional, and Helen Land led in prayer. The business session was followed by prayer for our pastor, Bro. Van, who is ill.

Pauline Heath brought the lesson from the mission study book, "Scattered Abroad" about several of our missionaries who have had to move out of China to other mission fields. The meeting was closed with prayer by Pauline Heath.

Refreshments of delicious cherry pie with whipped cream, and coffee, were served to members Patsy Reid, Pauline Heath, Bertha Bradshaw, Helen Land, Nell Johnson, Beth Bennett, Nelda Jones, guests, Loretta Harrison, and Alice Brock, by the hostess, Jean Chilton.

## Musical Prodigies in Dallas Opera Season

Thomas Schippers Roberta Peters

Two youthful prodigies of the musical world will appear together in the Metropolitan Opera's new production of "Don Pasquale" in Dallas Saturday afternoon, May 12, in State Fair Auditorium. Conductor Thomas Schippers, 25, was called "the wonder boy of music" when he made his New York City Opera debut two years ago. This is his first year with the Met and the first time he will be heard in the Southwest. Soprano Roberta Peters, now a reigning prima donna at 25, was one of the youngest singers ever to be admitted to the Metropolitan when she made her debut at 20. Also scheduled in Dallas' civic-sponsored presentation of the Metropolitan Opera will be "Tales of Hoffman," May 11 evening; "Tosca," May 12 evening, and "Die Meistersinger," May 13 matinee.

## PARTY HONORS SENIORS

Members of the Senior Class and their guests were entertained with a party held in the Legion Hall, Tuesday evening, May 8, following their Class Night program in the High School Auditorium. Hosts were the parents of class members.

The hall was beautifully decorated. On the platform to the center of the floor stood a huge fan in blue. The fan was ruffled to the edges and covered with butterflies and glitter. To either side were bouquets of white flowers and greenery carrying out the class colors of blue and white. The word "Seniors '56" covered with glitter hung to the back of the room announcing that the party was for the Seniors. Railings were entwined with maroon and white streamers to lend a festive atmosphere.

Refreshments of sandwiches and cold drinks were served throughout the evening. The table was laid with a linen cut-work cloth. Figurines of a boy and girl

graduate in cap and gown stood to the front of a centerpiece of iris and spirea.

Tables were arranged for games, and recordings provided music for those who preferred dancing.

## F.F.A. - F.H.A. PICNIC AT COUNTRY CLUB

The annual spring F.F.A. - F.H.A. picnic was held at the Clarendon Country Club Wednesday afternoon. The group motored to the club after the dismissal of school and enjoyed games for approximately one hour, and the F.H.A. girls served the group a picnic lunch and the F.F.A. boys furnished cold drinks for the occasion.

Approximately 80 boys and girls participated in the event. They were accompanied by their instructors, Miss June Christian, and J. R. Gillham. Following the picnic the group attended the picture show as guests of the F.F.A. members.

## CHAMBERLAIN CLUB

The Chamberlain Club met May 3rd, in the home of Laura Ivy. Work was done on one quilt. Refreshments of chicken salad, pineapple salad, crackers, and tea, were served to the following: Grandma Ivy, Bess McLaren, Willie Hott, Corrine Harrison, Eunice Mann, Sue Shields, Velma Heathington, Ethel Mann, Eliza Wilson, Mary Mann, Jean Harrison, and children, Tamara Hodnett, Karen and Mike Jones, Pat, Lee, Clara, Carolyn Harrison, Judy Pittman, Janie Ivy, and Wilma Mann, by the hostess, Laura Ivy. Mr. and Mrs. R. W. Moore of Amarillo visited for a few minutes in the afternoon.

The next meeting will be June 7th in the home of Mrs. H. A. Harrison, Sr.

## LELIA LAKE F.H.A. ELECT OFFICERS

The Lelia Lake F.H.A. chapter recently elected the following officers for the coming year: Eulonda Goad, president; Marilee Smith, vice president; Billie Wilkerson, recording secretary; Carole Woods, corresponding secretary; Ann Douglas, reporter; Sue Douglas, treasurer; Marilyn Ayers, parliamentarian; Jean Fox, historian; Reta Holland, sergeant at arms; Pat Ivey, song leader. Mrs. Ellis Chenault, Mr. Dick Vallance, and Mrs. J. C. Stepp were elected as honorary members. Mrs. D. M. Cook was elected as the chapter grandmother.

## GOLDSTON QUILTING CLUB

The Club met Thursday, May 3rd with Gertrude Reid. Five cup towels were embroidered. Those present were Adgar Williams, Patsy Reid and Trena, Nora Jackson, Ola McBrayer, Joy Roberson, Minnie Roberson, Oddis Moss, Bertha Bradshaw, and visitors Irene Gerner and John of Amarillo and hostess Gertrude Reid.

The next meeting will be with Ola McBrayer on Thursday May 10th. Everyone remember to bring their pollyanna a Mother's Day gift.

Mrs. Tommy Blasingame and Kay of Hachita, N. Mex. are visiting her parents, Mr. and Mrs. Roy Crutchfield and Janet.

## LES BEAUX ARTS CLUB

Les Beaux Arts Club met at the home of Miss Mary Cooke May 4th with a program of music. Mrs. Allensworth had charge of the program. Mrs. Dorothy White gave an interesting talk on types of music America enjoys, which was all kinds, no special type being predominant.

Mrs. Allensworth illustrated the different kinds of music by playing recordings of the Tango, the March, Waltz, etc., and told something of each composer.

Miss Mary Cooke and Mrs. W. R. Hardin were hostesses. Seventeen members were present.

## HUDGINS CLUB

Nine members and two children met in the home of Pauline Kooztz last Tuesday afternoon for an enjoyable time of visiting and quilting. One quilt was finished. Three ladies received pollyanna gifts.

Refreshments were served to Roxie Cosper, Martiel Webb, Mae Perdue, Cora Elliott, Belle Smallwood, Mamie Mills, Pearl Self, Mary Lee Noble and Janie Lee, Virginia Smith and Cheryl and the hostess, Pauline Kooztz and Judy and Jerry.

Next meeting will be with Ruth Lindley, Tuesday afternoon, May 15th.

Mr. and Mrs. Jack T. Lackey of Ft. Worth announce the arrival of a seven week old adopted daughter, Jo Elaine, in their home April 27th.

HM Bobby Phillely of San Diego, Calif. is spending a 10 day leave with his parents, Mr. and Mrs. S. O. Phillely.

## CARD OF THANKS

I want to thank all my friends who visited me, sent cards, flowers and other lovely gifts while I was in the hospital. May God bless everyone is my prayer.

Mrs. A. O. Hott

**Effective Control For Bagworms Given By County Agent**

The season for bagworms is at hand and the time to effectively control them is while they are small. County Agent H. M. Breedlove points out that chemical controls do no good if applied after the worms are grown.  
 The worms hatch in the late spring or early summer and the larvae feed on the foliage of ornamental plants. The young worms spin a silken sack and attaches bits of leaves to it as it feeds. The bag is carried by the worm wherever it goes and the bag produced by a full grown worm may be from one and a half to two inches long.  
 The female bagworm crawls from the bag and dies after depositing her eggs. The bags should be picked from infested plants and burned for the eggs for next season's worms go through the winter in the bags.  
 Breedlove recommends the use of either chlordane or toxaphene as a 10 percent dust. For a spray, he says 40 percent chlordane, emulsion concentrate or toxaphene, 60 percent emulsion, applied at the rate of one to two tablespoons per gallon of water will give good control if used while the worms are small. Lead arsenate used at the rate of one to two tablespoons per gallon of water also is a good spray.

**THE LION'S TALE**  
 By Carl Allmond

After the usual procedure, Boss Lion Lowe asked Sec. Messer to read the minutes of the directors meeting, held Monday night. Joe Bownds was asked, and accepted the trusteeship, replacing Durwood Skelton, who will be moving to Dallas soon. Air conditioning was discussed, but nothing definite has resulted. Won't be long, boys!

Program chairman Drennan's weekly announcement was, asking all members to attend the barbecue, Friday night, from 6 till 8 P. M. The proceeds will go toward building the field house. Lion Burton was looking for two men to work for the city. He informed us that none of the members would qualify.

Mrs. J. N. Weaver furnished the program Tuesday. Marie Blackburn, Larry Stewart, Paula Jo Vanderburg, Pamela Hicks, and Clayton Ferris favored us with songs and piano selections. Bill Eller, District Scout Executive from Shamrock, was our only guest.

Mr. and Mrs. L. T. Whitlock and Larry of Amarillo visited in the home of Mr. and Mrs. G. W. Estlack and Jackie Tuesday evening and attended Class Night program presented by the senior class.

Weight of a golf ball should not be more than 1.620 ounces.

**CARD OF THANKS**

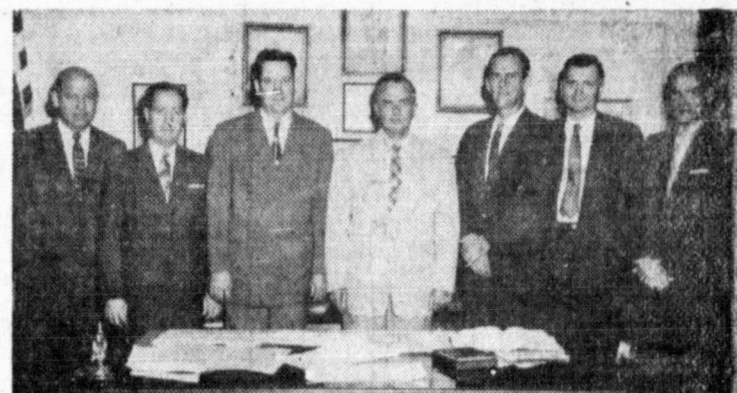

We wish to take this method to thank our many, many friends in Donley County and elsewhere. The waiting period for the body of our son, Cpl. Ralph Phillips, was so long and yet you were so faithful. Thank you for the wonderful delicious food you brought day by day; for the innumerable words and acts of sympathy and kindness, the beautiful flowers that added so much to the service; the fine sympathetic service rendered by Mr. Russell McGee; to our preachers, Rev. Whitaker and Rev. Tom Burns; to the members of the Marine Corps and especially to S/Sgt. Frank Trevino who escorted the body from Camp Pendleton, Calif.; to the fine ladies who were so faithful in serving the meals.

May our God who is rich in Mercy bless each and all of you in our humble prayer.  
 Rev. & Mrs. Ernest Phillips and Family.

Mrs. Benny Edens and son Bobby Lynn of Midland are here visiting her parents, Mr. and Mrs. A. D. Estlack and other relatives and friends.  
 Donley County Leader, \$2.50 year

**TOO LATE TO CLASSIFY**

Alcoholics Anonymous meet every Monday night, 8 p. m. Episcopal Parish House, 1 block west of court house. All interested are invited. (14tf)

ATTORNEY GENERAL JOHN BEN SHEPPERD (top, center) met recently with six key prosecutors of Veterans' Land trials to coordinate a statewide trial schedule. Left to right: Francis Richter of Hondo, James Kazen of Laredo, J. R. Owen of Georgetown, Shepperd, First Asst. District Attorney John Allen of Austin, Wiley Chestnash of Cuero and Raymond Thornton of Belton.

Attorney General Shepperd praised the prosecutors highly for "their hard work on these cases" and declared "this meeting should better prepare the state for the many approaching trials." The prosecutors commended the cooperation of the Attorney General's Office.

Mothers—Primary Group  
Mother's Day—Robin Green  
Piano Solo: Merrily We Roll Along—Patricia Green  
Lines With a High Moral Tone—Jeanne Gray  
Scripture: Proverbs 31:10-31—Glenda Wilson  
Sweet Bye and Bye: piano solo—Robin Green

Grandma Made To Order—Nancy Ashcraft, Patricia Green, Velma Murphy  
Skit: My Mom — Intermediate Room  
Song: Mother — Intermediate Room.  
The hostesses served refreshments to the school children after the program.

Mrs. Lester Harrelson brought refreshments and served at recess to Leslie's room in observance of his birthday Tuesday. The last of school program will be at Ashtola Wednesday night, May 16th. The school picnic will be Saturday, May 19th. Seventh grade graduation exercises will also be Wednesday night, the 16th. Honor students are valedictorian Johnny Rattan, son of Mr. and Mrs. Muri Rattan, and salutatorian, Jerry Gray, son of Mr. and Mrs. Vance Gray.

Visiting the W. H. Wilsons during the week end were Mr. and Mrs. Wayburn Wilson and son, Mr. and Mrs. Clarence Jones and son, and Mr. and Mrs. Bobby Johnson and daughter and Bobby Wilson all of Amarillo.

Mrs. Merle Thompson of Amarillo spent the week end with Mr. and Mrs. C. B. Harp and Lucky.

Mr. and Mrs. Bob Allen, Mrs. Della Spivey and Jimmy Allen spent the week end with relatives in Liberal. They also enjoyed Guymon's Pioneer Day Celebration.

Mrs. Clarence Cobb and Mrs. Pete Land were visiting friends here during the week end. Among those they visited was Mrs. S. G. Evans.

Mr. and Mrs. Dale Hall and Cynthia visited in the James Tolbert home during the weekend.

Mr. and Mrs. Kermit Evans and Carol spent Sunday with Mr. and Mrs. W. C. Whitfield at Plaska.

Mrs. Stella Phillips and children visited Sunday with Mr. and

Mrs. Spencer at Clarendon. Mr. and Mrs. Walter Green visited Mr. and Mrs. Hubert Rhoades and Mary Sue Sunday. Mr. and Mrs. Lloyd Reid are proud grandparents. It's a boy for Mr. and Mrs. Bill Reid at Lamesa. The young man was named Cody Lee.

Mrs. Lloyd Reid has been staying with them since last Sunday, and Lloyd went after her Monday of this week.

Mr. and Mrs. Herman Poovey of Garland visited Mr. and Mrs. Ben Lovell Monday.

Mrs. H. S. Mahaffey and Mrs. Dane Perdue have been with Grandma Clayton who is in an Amarillo hospital suffering from a heart attack. She is better now.

Mr. and Mrs. Bob Mitchell and three girls from Kingsburg, Calif. spent Wednesday night with her uncle Leo Wallace and family.

Mr. and Mrs. Evert Miller spent Sunday with Mr. and Mrs. W. A. Poovey.

Mr. and Mrs. Dub Morrison of Amarillo and Mr. and Mrs. Calvin Ashcraft and Fern were Sunday guests of Mr. and Mrs. Woodrow Ashcraft and children.

Mr. and Mrs. C. W. Tolleson and children visited her parents, Mr. and Mrs. I. J. Thomas of Wellington.

Mrs. Stella Phillips and children visited Saturday in Amarillo with her daughter, Mr. and Mrs. R. D. Elkins and daughter.

Eddie Jones is spending this week with his grandparents, the W. H. Wilsons.

Mr. and Mrs. John White visited relatives in Amarillo Sun.

**THE BOY WHO DIDN'T PASS**

A sad-faced little fellow sits alone in deep disgrace. There's a lump arising in his throat, tears streaming down his face;

He wandered from his playmates, for he doesn't want to hear Their shouts of merry laughter, since the world has lost its cheer;

He has sipped the cup of sorrow, he has drained the bitter glass, And his heart is fairly breaking; he's the boy who didn't pass.

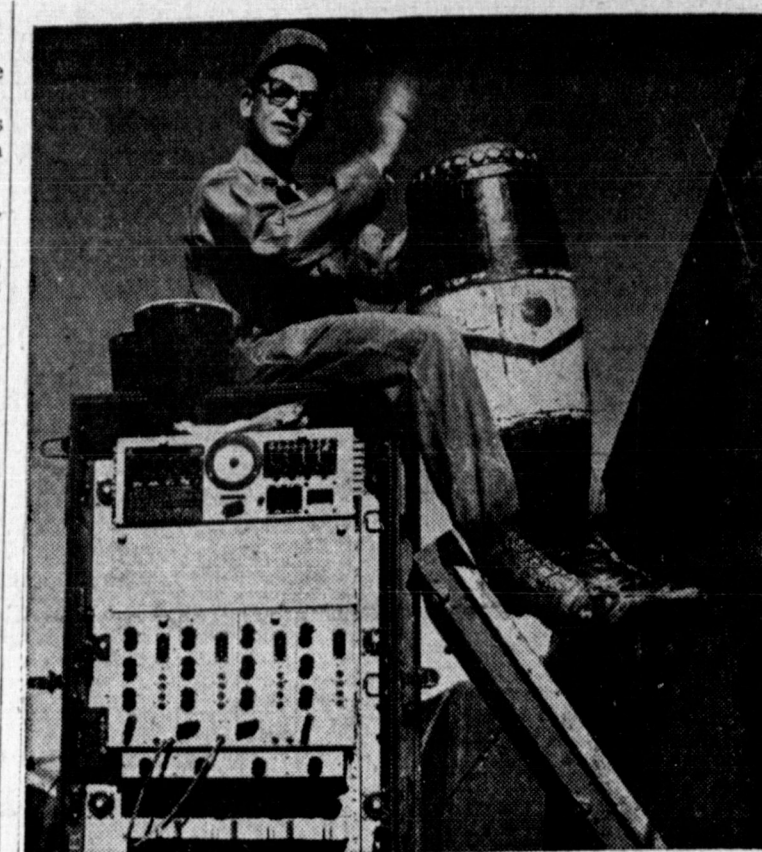

In the apple tree the robin sings a cheery little song, But he doesn't seem to hear it, showing plainly something's wrong;

Comes his faithful little spaniel for a romp and bit of play, But the troubled little fellow sternly bids him go away. All alone he sits in sorrow, with his hair a tangled mass, And his eyes are red with weeping; he's the boy who didn't pass.

How he hates himself for failing, he can hear his playmates jeer, For they've left him with the dullards—gone ahead a half a year.

And he tried so hard to conquer, oh, he tried to do his best, But now he knows he's weaker, yes, and duller than the rest.

He's ashamed to tell his mother, for he thinks she'll hate him, too— The little boy who didn't pass, who failed of getting through.

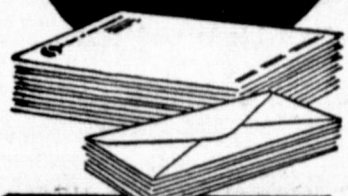

**BONGO TALK**—Ancient and modern means of communication are contrasted dramatically when Private Carroll I. Lord of New York, N.Y., and Fort Huachuca, Ariz., perches atop an Army Signal Corps carrier teletype terminal to play his bongo drum. The carrier is easily transportable if needed in a tactical situation.

Oh, you who boast a laughing son, and speak of him as bright, And you who have a little girl who comes to you at night With smiling eyes, with dancing feet, with honors from her school, Turn to that lonely little boy who thinks he is a fool. And take him kindly by the hand, the dullest in his class, He is the one who most needs love, the boy who didn't pass.

**Boy Scout Camporee At Camp Kiowah**

The Adobe Walls Council held its Spring Camporee at Camp Kiowah, the Council Camp near Canadian, Texas, on the weekend of April 27 and 28. All Boy Scouts in the fifteen county area of the Adobe Walls Council were invited to attend. There were about 650 Boy Scouts and 100 Leaders who attended the camporee. Troops 32 and 31 of Wellington and Troop 72 of Wheeler and some members of Post 32 of Wellington and Post 72 of Wheeler and Post 37 of Clarendon attended from the Southern District.

Activities of the weekend included: String Burning contest, Tower Building, Heaving Bar, Judging and Measuring, Knot Tying, Compass Course, Tag-Of-War, and the Stretcher Carry relay.

A wonderful experience was had by all who attended and the fellowship enjoyed by the Boys and the Leaders made it a complete success.

Last year 80,000 Americans died of cancer because proper treatment was begun too late. A regular health examination is the best cancer insurance. See the American Cancer Society.

Illiteracy runs 25 per cent of the population of the South American republics.

# FARM NEWS

From the County ASC Committee

## SECRETARY BENSON RAISES 1956-CROP WHEAT MINIMUM PRICE SUPPORT TO \$2.00 PER BU.

Secretary of Agriculture Ezra Taft Benson April 23rd raised the minimum national average support price for 1956-crop wheat to \$2.00 per bushel.

Specific support rates by classes and grade for county and terminal locations will be made available soon. Wheat price support will be carried out, as in the past, through non-recourse loans and purchase agreements, and will be available from the beginning of harvest through January 31, 1957. Both wheat marketing quotas (approved by producers in a referendum June 25, 1955) and acreage allotments are in effect for the 1956 crop of wheat.

Wheat price support will be available at the full rate in the commercial area (36 major wheat-producing States to producing States) to producers who plant within their acreage allotments and marketing quotas. In the 12 non-commercial wheat-producing States, price support rates will be at 75 per cent of the level available in the commercial area, as provided by law.

The April 23 action, following the President's farm message, raises the minimum support price for 1956-crop wheat from the \$1.81 per bushel level (76 per cent of parity) previously announced. For the 1955-crop wheat, the national average support price was \$2.08 per bushel or 82 1/2 per cent of parity.

## NEW INFORMATION ON POISONOUS RESIDUES ON FOOD CROPS RELEASED

Residue data, based on research work done at the Weslaco sub-station of the Texas Agricultural Experiment Station, clears the way for vegetable producers to do a more effective job of controlling certain insects on beans, tomatoes and peas just prior to harvest.

Extension entomologist F. M. Fuller says that dust forms of toxaphene and heptachlor may be safely used on black-eyed peas within 10 days of harvest and on snap beans within 10 days of harvest if the beans are thoroughly washed before shipping.

Farmers are warned, however, that these insecticides should be used only in the dust form and that they should continue to consult the Vegetable Guide, L-255, for information on the use of insecticides. Copies of the Guide are available from the offices of local county agents or from the Agricultural Information Office, College Station.

## Motivating Forces For Soil Conservation

By D. A. WILLIAMS  
 Administrator  
 U. S. Soil Conservation Service

Something more than material benefit is impelling American landowners and operators to become conservation farmers or ranchers. Something more than the established fact that soil and water conservation increases farm buying power is motivating businessmen and countless others to support conservation work.

A farmer or rancher finds pleasure in the beauty of his conservation-treated fields, pastures, woodlands, and wildlife areas. And I feel that all the rest of us share his pleasure as we drive by or fly over his acres; or, when we're extra fortunate, have a chance to feel healthy soil or vigorous sod beneath our feet, or join the owner in harvesting a wildlife crop more abundant now than a few years ago.

But there is another important motivating force for conservation.

I believe it is the fast-growing realization in every community I know about that wise use and treatment of soil is a moral responsibility—that soil is a gift of the Creator, and that we, all of us, have a steward's responsibility for it.

Unless we pause to consider the spiritual man, we may be amazed by this spread of the soil stewardship concept in a time when we are troubled by temporary crop surpluses and when only one person in 25 actually tills the soil for a living.

Unless we accept as a fact that men do recognize the spiritual values of soil and water conservation, we are unable to explain fully the personal sacrifices thousands of them make to serve as members of the governing boards of nearly 2,700 locally-organized and managed Soil Conservation Districts. These men—and there are some women on these governing boards—already are conservation farmers or ranchers. They already are, personally, reaping the material benefits of greater net income, lower production costs, and greater efficiency in the use of labor and machinery that comes with conservation.

But these local leaders cannot, and do not, expect material gain from their services as District supervisors, commissioners, or directors. They receive no salaries. In some states, they are not even reimbursed in part for their expenses.

They surely must be motivated by the truth of the Psalmist's words: "The earth is the Lord's and the fulness thereof . . ." They are heeding the Creator's command, when He placed man in the Garden of Eden, "to dress it and to keep it."

I believe that the technicians of the Soil Conservation Service have this same conception. How else could we explain the countless extra hours, beyond the call of duty, which they devote to soil and water conservation?

And, throughout the nation, ministers are providing the spiritual leadership of soil stewardship. Thousands of them each year take soil stewardship as the text of sermons, and provide a continuing leadership among their congregations for recognition that the earth truly is the Lord's.

To those of us who are soil conservationists by profession as well as by conviction, this expanding conception of soil stewardship is indeed heartening.

For we know that man and the soil remain inseparable, all technological and cultural advances notwithstanding.

Man still obtains his food and most of his clothing and shelter from the dust of the earth. And this "dust of the earth," when kept in the balance in which it was created, is a wonderful composite of minerals and myriads of living, decaying plants and animals. It is a storehouse of abundance for past, present, and future generations—a tremendous reservoir to trap and store for use more of the water which at one time may come in raging floods and at another season become insufficient for the needs of thirsty crops, animals, cities, and industries, and man himself.

## COUNTY SINGING SUNDAY, MAY 13

Rev. Ernest Phillips has announced that the monthly meeting of the County Singing Convention will be held Sunday afternoon, May 13, at 2:30 o'clock at the Assembly of God Church. Everyone is invited.

Donley County Leader, \$2.50 year

## LELIA LAKE DAIRY AND DAIRY PRODUCTS TEAMS ATTEND STATE CONTEST

The Dairy cattle judging team placed nineteenth in the state contest, which was made up of eighty-six teams. Members of the team are Leo Luttrell, Genoa Goad, and Grady Wilkinson.

The Dairy Products judging team placed sixteenth in the state contest, which consisted of seventy teams. Members of the team are Wayne Chenault, Corky Patterson, and Aven Hook.

The boys were accompanied to College Station by their adviser, Bobby Lee.

## BROTHER VANDERBURG UNDERGOES SURGERY

Bro. W. F. Vanderburg, pastor of the First Baptist Church here, underwent major surgery Wednesday morning at Northwest Texas Hospital in Amarillo. No late word had been received at press time, but it was believed that he would be improving rapidly following the operation. His many friends wish him a speedy recovery.

Dinner guests in the home of Mr. and Mrs. Lee Muse Sunday were Mr. and Mrs. Lowell Heckman and children of Andrews, Texas, Mrs. George Heckman and Mrs. Arria May.

## F. H. A. and F.F.A. Banquet Held At Lelia Lake

The F.H.A. Girls and F.F.A. Boys held their annual banquet Thursday night, May 3rd. The banquet began with the F.F.A. boys giving the opening ceremony. The officers participating in the ceremony were President, Roddy Seago; Vice-President, Don Rumpy; Reporter, Corky Patterson; Treasurer, Wayne Aten; Secretary, Genoa Goad, and Sentinel, Leo Luttrell.

Flip Breedlove gave a short talk on the progress to be made by our youth throughout the F.F.A. and F.H.A.

In F.H.A., Mrs. Clarence Ayers, Mrs. Willard Knox and Mrs. Leo Smith were honored as Chapter Mothers. Also, in F.H.A. the following honorary members were recognized: Mrs. D. M. Cook, Mrs. J. C. Stepp, Mrs. Ellis Chenault, and Mr. Dick Vallance.

Chapter Degrees and Junior Degrees were awarded the members of the F.H.A. by Mrs. Fred Bourland.

Adviser, Bobby Lee, presented plaques to Don Rumpy, outstanding Chapter Farmer, and to Wayne Chenault, outstanding Greenhand Farmer. Mr. Lamar Aten was awarded the Honorary Chapter Farmer's and presented with a plaque to signify his rat-

ing. The banquet was dismissed by the F.H.A. Girls giving the official F.H.A. Closing Ceremony.

## FISHING TRIP ENJOYABLE VACATION

Mr. and Mrs. Joe Bownds and Mr. and Mrs. Glenn Adkins left April 21 for a fishing trip and vacation at Hot Springs, Ark. Fishing was good. They reached Hot Springs in time for the annual Fishing Derby and took part in the daily contests which was necessary to participate in the Derby prizes. Joe missed by 5 oz. when he turned in a Black Bass weighing 4 lbs. 10 oz. This catch was beat by another visitor who turned in a 4 lb. 15 oz. Bass.

While away they visited with Mrs. Maude Nichols for a few hours at Norman, Ark. and also explored the Diamond Mine, returning home May 2.

## SERVICES TONIGHT AT CATHOLIC CHURCH

Tonight, Thursday, May 10th, the Ascension of Christ into Heaven, A Holy Day of Obligation for all Catholics, Holy Mass will be celebrated at 8:30 p. m. at St. Mary's Catholic Chapel here in Clarendon. The general public is invited.

Donley County Leader, \$2.50 year

YOUTH WANTS TO KNOW—And finds out at the Army Engineer Center, Fort Belvoir, Va., which is sponsoring tours for high school students through the research and development laboratories to encourage interest in scientific careers. Here Betsy Meyer of Mount Vernon (Va.) High School inspects the end-result of Army scientific research—the sniper scope soldiers use for night firing.

Mr. and Mrs. C. H. Davidson was the Davidson's twenty-fourth wedding anniversary. Also, a guest in the Hodge home was Hodge and Nedra Sunday. This Joyce Eddings.

# PLOWIN' Out the CORNERS

*Uncle Zeb*

Mrs. O. L. Brant from way over near Owasso, Oklahoma writes us that she has never visited in wonderful glorious Texas. She adds that it is her plans to do so before she passes to the life beyond. She actually said: "If I never get to visit in Texas before I pass on, then perhaps on my way to the other world I can fly over, because if I should knock on the Pearly Gates and had never been in Texas St. Peter might turn me down." What a wonderful sense of humor Mrs. Brant, and we will be glad for you to visit us here in Texas, but I'll taze a guess from the wonderful

things that you say in your letter that St. Peter will be thrilled to have such a wonderful, wonderful person come that way. One thing that makes me think that this is true, is because Mrs. Brant requested the names of several shut-ins that she might write to. You can't do a more wonderful thing than to help brighten the day of someone who is sick.

One of my good friends and a very faithful reader of our column made the following remark the other night after we had asked him the usual; "How are you?" Anyhow, this was his reply; "To tell you the truth, I feel my corns a lot more here lately, than I do my oats." Now, ain't that just about the whole truth?

Another fellow we might call our friend always replies to the above question with the following answer; "Well, I'm looking good." But, for the sakes of me, I can never agree with him. You know, I wondered if it all depended on which way you look at any-

thing. Maybe, I'm looking at him from the wrong side. At that, it could be. Golly, what have I said now?

The following sayings are from the collection sent to us this month by our expert on such things, Mr. James Mullins, with the General Investment Company of Lubbock, Texas.

"Living on a small income wouldn't be so hard to do if it wasn't for the effort it takes to keep it a secret."

"The advantage of being bald is that when you expect callers, all you have to do is straighten your tie."

"It is nice to be important, but more important to be nice."

"The best place to find a helping hand is at the end of your arm."

"It is what we learn after we know it all that really counts."

"A good friend is one that still thinks you are a good egg after you are busted."

"Opportunity knocks but it has never been known to turn the

knob and walk in."

"It is better to light one candle than to curse the darkness."

"You can't stumble over something good sitting down."

Did you enjoy the above? We sure did. Thanks a lot James for sharing these with us. We wish that each of you would send us your favorite saying and from time to time we will use them as well as add them to our collection. We always liked the story that is often told to illustrate the difference in our attitudes toward our work. It is said that three workers on a building were asked what they were doing. One said; "I am earning \$10.00 per day."

Another said; "I am cutting these stones."

But the other replied; "I am building a building."

It does us good sometimes to think on this story. And to ask ourselves; Are we only putting in our time or, are we living for a real purpose? We hope we do find the thing worthwhile and find the will to do it. Don't we all?

## GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

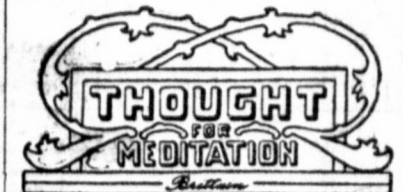

The Fort Worth Star Telegram Book page had an excellent review of "Dr. Kate" Sunday. The story of Dr. Newcomb is one of those American sagas of service that adults enjoy. We told you last week that we had recently acquired this edition.

Our friend to the Library from Goodnight brought us her new "Ladies Home Journal" and the recent "McCalls" this week, and also a number of new paper back pocket editions. These were greatly appreciated and quite useful.

"Tender Victory" by Taylor Caldwell is one of the books reviewed in the Sunday Wichita Falls Times. We have recently purchased this book.

I've tried very often to find something humorous that could be used as a book review, but they are disappointing when I read those received. Some I re-

turn and some I pay for, as they don't send books on approval any more. The catalogues carry such brief descriptions that one can scarcely select from the list printed.

There's some one watching us to see

If we're what we pretend to be.

They're watching close our daily walk;

They also notice all our talk.

We can't fool people very long;

They soon will catch what's right or wrong.

The life we put out on display,

Is watched by folks in every way.

MURPHY FUNERAL HOME

## "SOME BARGAINS DEAR BOUGHT"

—\*(Author's name below)—

To look for a bargain is understandable, but to try to buy prescriptions at cut prices is unwise. Real bargains can only be offered because of large purchases, or to get rid of slow moving merchandise.

Medicines cannot be safely bought in large quantities because they must be fresh and potent when you take them. Slow moving medicines that have lost their freshness cannot be sold. We discard them.

We price our prescriptions according to a schedule that is based on the exact cost plus the necessary fair profit we must have to operate a good prescription pharmacy. Using this method, we have no reason to give you anything but exactly what your physician specifies.

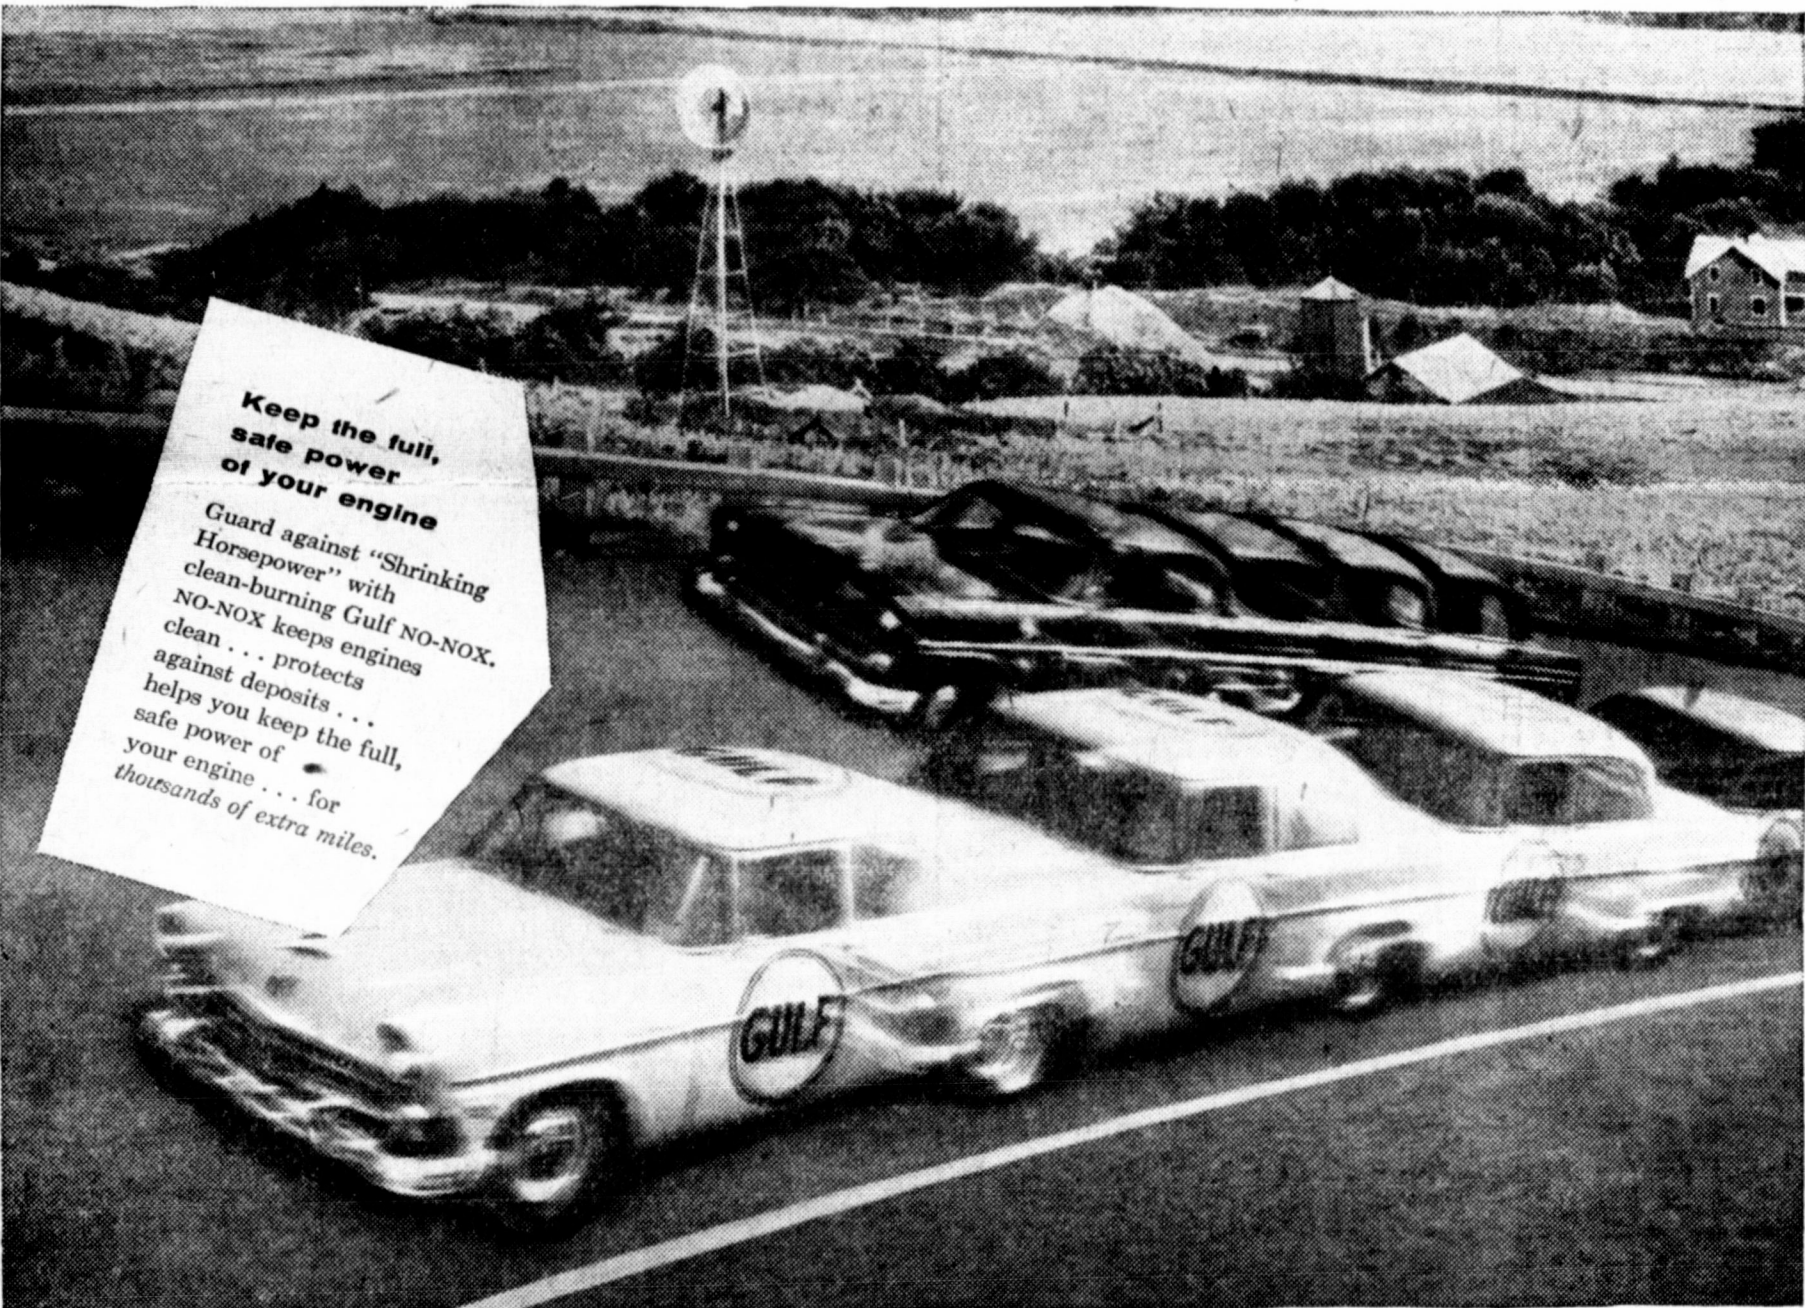

YOUR PHYSICIAN CAN PHONE 36 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us, or let us deliver promptly without extra charge. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

BOB MOSS PHARMACY PRESCRIPTION CHEMISTS

DIRTY-BURNING TAIL-END      GULF NO-NOX GASOLINE

## Get the gasoline that burns clean\*

\* PROOF: See how the asbestos glove, on the left in the picture, is smudged by the "dirty-burning tail-end" of gasoline... while NO-NOX leaves the glove on the right clean. That's because Gulf refines out the "cupful of trouble"—the "dirty-burning tail-end" of gasoline—from every gallon, in making NO-NOX. You get a full measure of clean-burning power when you fill up with Gulf NO-NOX.

# Gulf No-Nox

Clean-burning... plus: Highest Octane you can buy

## WHO ARE THESE 875,000 MEN THEY CALL "KNIGHTS"?

Whether you are a Catholic or not, you should know the truth about the Knights of Columbus.

Is it, as sometimes rumored, a secret society with designs against our government? Do its members really take an oath to destroy non-Catholic political power?

If such rumors were true, the Knights of Columbus would not deserve the friendship and trust of non-Catholic citizens, which it invites and merits. Actually there is no more thoroughly patriotic organization than this fraternal order of Catholic men.

It is composed of plumbers and lawyers, farmers and doctors, business men and scientists—of Catholic men at every level of the social and economic scale. Some are rabidly partisan on political and public questions. They "choose up sides" with all the freedom and enthusiasm of any other citizens.

The Knights of Columbus was formed in 1882, by a small group of the men of St. Mary's Church, New Haven, Connecticut. They had met, at the invitation of Father Michael J. McGivney, not to form a national fraternal society, but to "render mutual aid to the members of the parish and their families."

In the years that since have ensued, the Knights of Columbus has grown into a fraternal order of 875,000 members, spread over the United States, Canada and other countries of the Western World. But its purpose of "mutual aid"... and its principles of charity, unity, fraternity and patriotism... remain unchanged after more than 70 years.

Millions of dollars have been spent by the Order for the relief of victims of fire, flood and famine... for the support of Christian youth work... aid to Christian education. During both world wars, the Knights of Columbus

performed a service in ministering to the spiritual welfare and comfort of the armed forces regardless of creed, that brought sincerest thanks from a grateful nation.

Nearly one out of every six Knights served his country in World War II, and many laid down their lives.

Despite these and many other signal demonstrations of its principles of charity, unity, fraternity and patriotism, some people have the most absurd beliefs and suspicions about the Knights of Columbus, just as they do about the Catholic Church. Even today, misinformed people give publicity at times to a false alleged Knights of Columbus oath which has been proved to be fraudulent, and which scores of others have been forced publicly to admit is untrue.

If you wish, we shall send you free, in a plain wrapper, an interesting pamphlet about the ideals, history, achievements and aims of this international society. And nobody will call on you. Write for Pamphlet No. KC-9.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

"Tornadoes—what they are and what we are doing about them" is the subject of a timely article in the April issue of SOIL AND WATER Magazine, monthly publication of Texas' soil conservation districts.

Written mainly for farm and ranch people, the story tells what happens during a tornado, what is known about the cause of the storms which generate winds of up to 500 miles per hour, and how best to escape an approaching twister.

The author explains how the U. S. Weather Bureau's "Tornado Warning and Forecasting Service" works and gives information on the formation and operation of community warning networks. He says Texas has one of the best tornado warning systems in the Nation but that much still needs to be done to improve it. The SOIL AND WATER story answers a lot of questions that are bound to come up as the frequency of tornadoes increases throughout the spring.

Anyone interested in subscribing to the SOIL AND WATER Magazine should contact one of the District Supervisors who are: J. R. Porter, C. B. Morris, W. P. Doherty, T. C. D'Spain, and J. A. Tollett.

"Soil and Water" is the official monthly publication of the Association of Texas Soil Conservation District Supervisors, a non-profit organization, and has many worthwhile articles for farmers and others. Subscriptions are \$1.50 per year.

Through earlier detection, present cancer cure rates in the United States could be doubled without any improvement in existing methods of diagnosis and treatment, according to the American Cancer Society.

Mrs. Dewey Brinkley of Amarillo visited Mrs. Richard Cannon Wednesday morning.

Mr. and Mrs. Lou Bain and daughter from Amarillo, Mrs. Ina Fay Phillips and daughter from Santa Rosa, N. Mex. spent the week end with their parents, Mr. and Mrs. A. Pittman.

The Thunderbird's own record-setting 312 cubic inch engine can now be yours in most Ford models.

Ford goes First...with the 225-h.p. V-8

Now you can have a 225-h.p. engine with Fordomatic Drive for less than the top engine in any other low-priced car with ordinary standard transmission!

Until you slip behind the wheel and sample the sizzle of a 225-h.p. Ford V-8 for yourself, the best thrills in motoring are still ahead of you. For this mighty engine delivers performance that will set your spine atingle... performance that will recapture again the fun of driving... performance that keeps Ford the world's largest-selling V-8!

Truly Ford goes first with this 312 cubic inch engine—largest ever offered in a low-priced car. Yet, even teamed with Fordomatic, it costs less than top engines in other low-priced cars with just standard transmission!

Ford goes first with Lifeguard De-

sign, too. For example, there's the deep-center structure of the steering wheel that helps to protect your chest in case of accident... double-grip door latches to reduce chance of doors opening under impact.

As for looks, every '56 Ford took its styling inspiration from the Thunderbird. They're the most glamorous cars in Ford's field.

In economy, too, Ford goes first. In the 1956 Mobilgas Economy Run, a Ford V-8 beat everything in its class—including Sixes as well as Eights. Come in now for a thrilling Test Drive. When you return you'll understand why Ford is the V-8 with the biggest following.

Advertisement box with text: "In Performance... Safety... Economy" and "FORD goes first". It includes small illustrations of award trophies.

Now! An air-conditioned Ford costs less than many medium-priced cars! Try one today!

Allan Shivers, Sen. Lyndon Johnson, and Speaker Sam Rayburn get together—as they did when they named Lt. Gov. Ben Ramsey national committeeman.

A backer of Senator Johnson as Texas' favorite-son candidate for President suggests that the Senator seek only the favorite-son role and not attempt also to be chairman of the delegation.

Both Shivers and Johnson have been recommended as chairman—each by a different faction—Shivers by the conservatives, Johnson by the liberals.

Mrs. H. H. Weinert of Seguin is the "dove of peace" in the present controversy. She is Texas' Democratic National Committeewoman.

She predicts that the state convention will end up with two delegations to the national convention unless Shivers, Rayburn and Johnson get together soon.

Meanwhile a full-fledged campaign is under way by Johnson boosters, for his nomination as Texas' favorite son candidate for President. Prominent Texans aligned with the movement include Speaker Rayburn, Former Vice President John Nance Garner, Former Gov. Miriam A. Ferguson, and Former Congressman Lloyd Bentsen Jr.

Shivers, who likes Johnson in the favorite son role, but not as

head of the delegation, predicts that his conservative group will win out in the May 5 precinct, May 8 county, and May 22 state conventions. Liberals say that, should this happen, they will send a contesting delegation to Chicago in August.

Newcomers Due in Legislature New faces can be expected when the 55th Legislature convenes next January.

Some 66 races—55 in the House and 11 in the Senate—already are underway over the state. More filings are expected before the May 7 deadline.

Some political observers predict an unusually large turnover in both houses.

Of the 16 senators whose terms are expiring, two will not be candidates. They are Warren McDonald of Tyler and Gus J. Strauss of Hallettsville. Another vacancy was created by the death of Sen. Wayne Wagonseller of Bowie.

Of those running, only five do not have opponents. They are Sens. Neveille Colson of Navasota, Jarrard Secrest of Temple, George Moffett of Chillicothe, Frank Owen III of El Paso and William S. Fly of Victoria.

Hot contests for the remaining seats already have developed in some areas. Senators facing campaigns are Doyle Willis of Fort Worth, Johnnie B. Rogers of Austin, William H. Shireman of Corpus Christi, Abraham Kazen Jr. of Laredo, O. E. Latimer of San Antonio, Rogers Kelley of Edinburg, Kilmer Corbin of Lubbock, and Grady Hazlewood of Amarillo.

Hazlewood, Kelley and Secrest have not announced definitely whether they will make the race.

In the House, 26 members have said they will not seek re-election. Five of these are running for the senate instead. They are Bill

Wood of Tyler, Grady Hogue of Athens, Joe Pyle of Fort Worth, Floyd Bradshaw of Weatherford and Carroll Cobb of Lubbock.

Twenty-eight other House members have one or more announced opponents. One new member will come in to replace George S. Berry of Lubbock, now deceased.

Additional Referendum Asked Texas Citizens Councils want a July primary referendum on school integration and mixed marriages.

Petitions asking the Democratic Executive Committee to place these questions on the ballot are being circulated in 30 cities. These would be in addition to the interposition referendum proposed by Governor Shivers.

"We're going for interposition too," said Ross Carlton, head of the pro-segregation organization, "but we think more direct action is needed."

Water Group Formed Six major Texas farm groups have joined forces to form the Texas Agricultural Water Committee: Texas Sheep and Goat Raisers Association, Texas and Southwestern Cattle Raisers Association, Texas Farm Bureau, Association of Texas Soil Conservation Districts, Texas State Grange, and Texas Farmers Union.

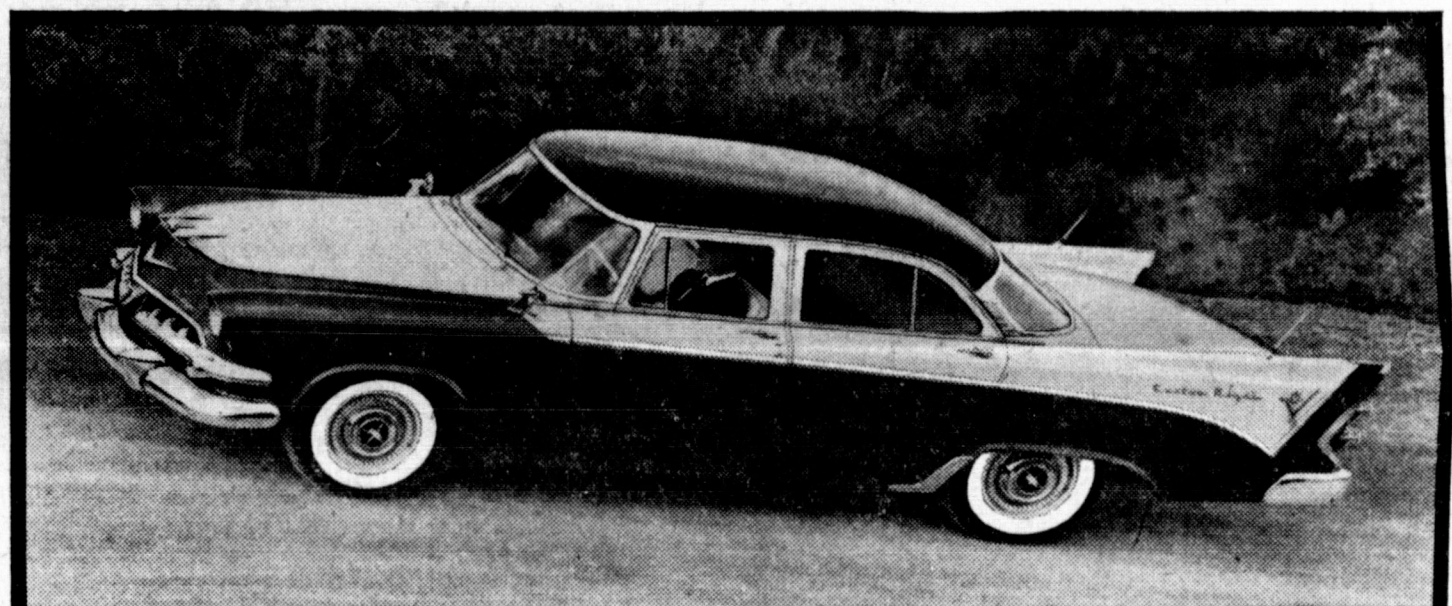

Farm groups generally opposed the water program presented during the last legislature and were credited with contributing to its defeat. One purpose of the new organization is to work for the passage of water legislation.

BIG-CAR RIDE? Don't think you have to pay a big-car price to get it. Come in and ...

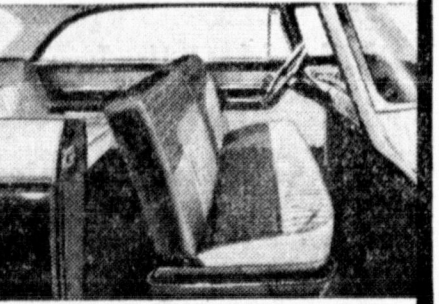

DISCOVER THE DIFFERENCE IN DODGE!

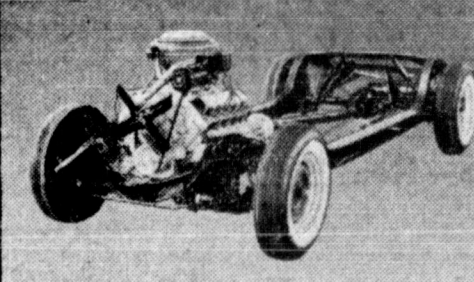

A smoother ride with Oriflow! Dodge fluid-activated shock absorbers give more precise control than spring-loaded valves in other cars.

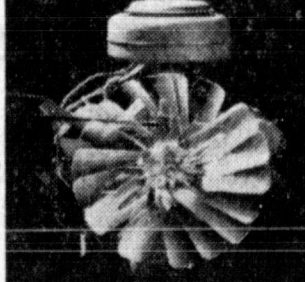

It took "big-car" ride to go 31,000 miles in 14 days! No car that just talked "big" could have withstood the tremendous punishment Dodge did at Bonneville. Dodge went 14 days and nights (31,000 miles) at an average speed of 92.86 mph without a single breakdown!

Only a big car can give you big-car ride! And Dodge is bigger all around—inside and out. More legroom front and rear. More hiproom front and rear. More steering wheel clearance.

The backbone of the Dodge ride is a better chassis! It starts with a rugged frame with sturdy box-section side rail construction far superior to common U-channel and I-beam types. Cross members are extra heavy.

The V-8 engine is special, too! The 260-hp. V-8 engine is built on advanced aircraft-design principles to give you real break-away power.

FOR TEXANS ONLY! HIT THE DISCOVERY JACKPOT ON A BIG, BRAWNY Texan... Big over-allowance on your car... Rock-bottom price on a new '56 Dodge... Low down payment, easy monthly terms... COME IN TODAY!

*Your Home Business Firms are*  
**THE HIGHEST BIDDERS**  
 for Your Shopping Dollar

**Here  
 are the facts  
 to prove  
 it...**

COPYRIGHT 1956 D. E. SCOTT

Actually . . . no matter where you live . . . nobody . . . and that means **NOBODY** . . . can give you more for your dollar than your own home business firms. Let's look at the reason for this advantageous . . . to you . . . situation:

**ANY MERCHANT** . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.

**ON AN AVERAGE** . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for **GOODS**, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

**NOW** . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

**AND THE OTHER 30 CENTS** stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve **YOU** when you sometimes direly need their knowledge and their skills.

**ONLY** when you buy in **YOUR OWN HOME** community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.

**It Pays to Buy  
 where you Live**

**YOU get Everything that Your Money Pays for --- Merchandise and a trade-invigorated community to live in --- when you buy from your home town merchants ---**
