NUMBER 43

Bids Invited for Flood Control Dam On Squirrel Creek

Encouraged by the recommendation of President Eisenhower and other high officials in the government as well as solid thinking citizens in many other fields of American endeavor, there is a good chance that objective study of communism . . . from the political, moral, social and economic viewpoints . . . will become part of the curriculum in many American schools. The president expressed an attitude that should have been generally applied for more than twenty years when he said that more knowledge of the vile nature and method of communism is the best means of checking its spread.

This is good news in the field of American education, provided, of course, the classes will have the benefit of textbooks and teachers that are thoroughly founded in the doctrines of Christianity and Americanism. Otherwise the idea in many cases could cause more harm than good.

If, for instance, the teacher happened to be one of those characters who continues on the job in spite of hiding behind the fifth amendment or if the text was written by the same kind of person, the proposed study of communism might tend to encourage the very theories that were intended to be exposed.

In other words, the idea is wonderful if we will first be certain that the teaching will be truly American. Its success requires, first that school authorities of the country seek out and eliminate the books and instructors that have been spreading the red doctrine for years.

Already too many American minds have been poisoned by the rat which communists filtered into the nation's school system. Many people are living under the red inspired delusion that capitalists are exploiting the rest of the people, that American economic life is a constant struggle between industry and labor. They are blind to the mountains of injustice in red-ruled countries but fret incessantly at the molehill problems which the commies blow up out of all proportion. Definitely it's time to re-educate America in Americanism. The job has been neglected altogether too long.

For years and years there were only two institutions in this country which tried to expose communism for what it was. They were the Catholic Church and the American Legion. But theirs were voices in the wilderness. People, including government officials, educators, publishers and various other influential figures, permitted themselves to be lulled by the communist claim that they were "just a political party." The country is finally waking up and is realizing also that it is not enough just to say the reds are scoundrels. To make the teaching stick we also have to tell exactly what is wrong with them.

A bouquet to Sports Writer Bill King of the Gainesville Register for his good judgment in picking the Hornets as 10-B champs for this grid season. Bill gave no reason to back up his prognostications, just stuck out his neck, as sports scribes like to do, and reeled off his guess of final standings in this order: Muenster, Saint Jo, Era, Valley View, Alford, Callisburg and Sanger.

This column is in hearty accord with his choice for the first spot, and it doesn't mind telling why. The Hornets are good in talent and skill, magnificent in spirit. On an average their natural ability could be voted as normal but they have added more than normal know-how and an abundance of eagerness to know more, plus a lot of spunk for good measure. They're working like beavers to develop endurance and to attain the precise teamwork that pays off.

This early in the season, while so little is known about the other outfits, a person can very properly base his guess on community loyalty. It's sort of voting from the heart. But this one also happens to be a vote from the head. The column honestly believes the Hornets are the best in the loop.

As regards other teams, let's reserve judgment for a while. Yours truly has neither sentiment nor information to draw on in guessing their respective final standings.

For the record we'll mention (Continued on Page 8)

Extension of flood control work to the North Muenster area is about to begin. The state soil conservation headquarters has issued invitations for sealed bids for construction of a detention reservoir on Squirrel Creek, a tributary of Dry Elm, which in turn empties into the Big Elm.

The dam will be located on Joe Fisher's farm, occupied by Henry Pick. Specifications call for a 40 foot dam with a total floodwater detention capacity of 915 acre feet and a permanent pool of 12 acres and 130 acre feet. Its drainage area is 2216 acres.

Bids for the job will be opened at the state SCS office in Temple on Sept. 20. The new reservoir is the first of seven planned for the North Muenster area. Four will be located on Dry Elm and its branches, three will be on the Brushy Elm watershed.

South of town the flood control program on Big Elm is complete to its confluence with Brushy Elm south of Myra. Twelve reservoirs are located on the Big Elm watershed from that point to the stream's origin near Saint Jo.

P.O. Goes Modern; Installs New Pens

A new era has arrived in the history of the U.S. Post Office Department. That old instrument of illegibility, the nationally criticized "post office pen" has finally been removed from desks and counters of local post offices . . . and has been replaced by ball point pens.

The exchange in the Muenster post office was made last Saturday. However, the new pens are not left lying loose, like the others used to be. These are worth stealing, so Uncle Sam has secured them with chains.

NEWS OF SICK AND INJURED

Alvin Cler is reported recovering normally following an emergency operation for appendicitis Tuesday night. He is a patient at Gainesville Sanitarium.

Except for regular visits to an eye specialist, Mrs. Dick Cain has been a shut-in since Saturday morning. Breakfast bacon she was preparing popped and spewed hot grease in her left eye. The painful burn fortunately missed the pupil and left her sight unaffected. The injury was bandaged until Monday. Since then it is protected by dark glasses.

Since Monday Victor Hartman is in Fort Worth taking treatments at the Bone and Joint Clinic. He stays with his daughter, Mrs. Keith Tompkins, and reports at the clinic daily for care of his left leg, broken last May.

Mrs. Claude Cannon underwent a major operation Monday in Nocona at the Majors Clinic.

Mrs. Tommy Felderhoff was out for the first time Sunday since she suffered serious injuries in a car accident on August 6. She walks with crutches and is permitted to be up and around the house for short periods each day. Tommy Junior, also hurt in the same accident, has recovered from cuts and bruises.

Sharon Schumacher, 12, is recovering from a severe case of strep throat infection.

P. J. Rollman is back at home after being a patient at the VA Hospital in McKinney for treatment and surgery. He will report back to the hospital for a checkup in two weeks.

Mrs. Johnny Barthold and baby daughter Brenda were dismissed from M&S Hospital Tuesday morning, and are with her parents, Mr. and Mrs. Clarence Hudspeth. Mrs. Barthold will have to be in bed for six to eight weeks. She has a fractured pelvis bone. The baby will be taken back to the hospital once a week for observation. They were hurt in a car accident on Labor Day.

THE SACRED HEART TIGERS OF 1956 will open their grid season on the Tiger field Thursday night with the Windthorst Trojans. Probable starters in the line are Frank Fleitman, Jere Friske, Kenny Otto, Theo Walterscheid, Claude Walter, Gerald Hess and Bernard Hesse. Probable starting backs are Cecil Wolf, Virgil Henscheid, Herbie Walterscheid and Howard Mollenkopf.

Near 100 Will Get Second Polio Shot At Clinic Monday

Almost 100 persons are due to receive their second polio immunization shots next Monday, Sept. 17, at the Muenster Clinic. They are the persons who received their initial shots four weeks earlier.

In making the announcement this week, Dr. T. S. Myrick emphasized that 320 people who have already received their second shots, are not due to report on that date. Their next shots are due five months from now.

For the benefit of those who forgot the schedule of the polio immunization series he recalled that the time gap is four weeks between the original and second shots, six months between the second and third.

On the first immunization day, eight weeks ago, 320 reported for shots. Four weeks ago 412 reported.

Hornets to Invade Whitesboro Friday; Seek Second Win

The Hornets of Muenster High will be going after their second win of the season Friday night when they journey to Whitesboro for a clash with the Bearcats of that city. Kick-off time is 8 o'clock.

According to the team's Interscholastic League rating of 2A, the Bearcats rank the Hornets by a couple of notches and should be strong favorites. However the early season report is that the team is not up to its rating and probably has little if any advantage over the Hornets. The only convenient indications of team power at this time are its 32-0 loss to Nocona last week and a fairly even practice scrimmage with Pilot Point. Muenster beat the Pointers 30-18 last week.

Offsetting Muenster's apparent statistical advantages are two factors. Dickie Cain, veteran tackle and strong boy in the line, gashed and bruised his right leg in a motorbike spill Sunday and may not be up to par. The inspiration of playing at home can also help the Cats avenge their 13-0 defeats in '54 and '55.

Other action in District 10-B this week finds three teams in season openers and three facing their second opponents. Thursday night Alford plays Decatur B and Callisburg plays Gainesville B. Tangle the next night are Era-Frisco, Saint Jo-Princeton, Sanger-Bridgeport, and Valley View-Leonard.

Last week Era bowed 26-6 to Doyle Hood's Bridgeport Bullies, Saint Jo clobbered Gainesville B 32-0 and Sanger tumbled to Keller 46-0.

Cowtown Educator To Address Lions

A few nuggets of information on the future of education in Texas along with a good measure of humor awaits the Muenster Lions at their regular meeting.

R. L. Hodges, superintendent of the Lake Worth School of Fort Worth, will be the speaker. According to Lion President Homsley he will offer some serious thoughts but will spend more time on the light stuff.

Also on the meeting's program, Homsley said, is a discussion to decide whether Muenster will have a Christmas parade this year, and if so, to get started on the plans. All members are strongly urged to attend.

Tigers Will Host Trojans Thursday In Season Opener

Fast and furious football is on schedule at the Sacred Heart field Thursday night at 8 when Coach Jerry Vernon's Tigers take on the Trojans of Windthorst High.

As the teams line up both will be conscious of the 27-27 deadlock ending the 1955 season and both will be straining to prove who should have had the decision in that tussle. The tie amounted to a moral loss for the Tigers, who had sailed on to a fairly easy 25-0 win early in the season. By the same token it amounted to a triumph for Windthorst.

The only pre-game signs available here point to a toss up for the contest. Skipper Vernon's information on his foes is confined strictly to starting lineup statistics, which show that his visitors will have a very slight weight advantage but the Tigers, with more seniors in the lineup, may possibly have more experience.

The big problem for the Tigers is whether the Trojans made as much progress since the 27-27 tie as they did before. If so, the odds will be stacked against the local fellows.

Probable starters for Sacred Heart are Ends Bernard Hesse and Frank Fleitman, Tackles Leo Hess and Jere Friske, Guards Claude Walter and Kenny Otto, Center Theo Walterscheid, Quarterback Virgil Henscheid, Halfbacks Howard Mollenkopf and Cecil Wolf, and Fullback Herbert Walterscheid.

Junior Conference Set Up in 10-B for Pee Wee Gridders

Junior High youngsters of schools in the 10-B Interscholastic League district will have a full conference schedule in football this year, just like the big fellows on the schools' main teams.

A set of regulations and a schedule were agreed upon last Wednesday night at a district meeting of coaches and other school officials at Muenster High School.

Membership on the junior teams is limited to boys who are not past the first year of high school and who were not more than 15 years old on September 1.

All games will be played on Tuesday nights and the admission charges will be 35c and 20c. In case of a tie score each team will be credited with a half game in its win column. In case of a tie in the season record the leading teams will be named district co-champs. Trophies will be awarded to first and second place winners.

Officials at the games do not (Continued on Page 8)

Former Blacksmith Of Muenster Dies

Frank Himmels, who was a blacksmith here in 1906-07, died recently at Groom where he had lived since moving from Windthorst. He was 92.

Born in Germany Dec. 12, 1863, he came to this country in his early youth. After living here he moved to Archer county and then to Groom. Until about a year ago he was a frequent visitor in Windthorst where a son, the late Paul Himmels and family resided.

He is survived by his wife, three daughters, 16 grandchildren and 30 great-grandchildren.

City Council Sets Speed Limit at 30

An ordinance limiting speed on Muenster streets to 30 miles per hour is in the making.

The city council at its regular session last Wednesday held its first reading of the proposed ordinance and plans a second reading and adoption for its next meeting.

The speed limit will be 30 in all parts of town except the church and school zones, where the limit will be 15. Markers will be erected to designate limits of the low speed zones.

Proposal of the ordinance followed the council's discovery that the town has no official speed limit.

Farm Bureau Will Dine Saturday in MHS Lunch Room

The Muenster Public School lunch room rather than the parish park will be the scene of the Cooke County Farm Bureau's barbecue party Saturday night. The change in plans was announced Monday night in a meeting of directors and committee chairmen at the organization's office on Highway 82 just west of Gainesville.

Other business at the meeting concerned the county unit's activities leading up to the state convention in Houston Nov. 12-14 and preparations for the annual election of county officers.

Policy development meetings, to be held in the communities during September and October will be followed by a county convention in which delegates will be elected and policies adopted for the state convention.

Another event on the county convention program is the election of officers. Gus Lutkenhaus, Tony Sicking and H. J. Schniederjan were appointed to name nominees for the county offices. President Ben Davis announced that the bureau's rodent control committee is ready to begin operation and any persons interested in its service can apply at the Farm Bureau office. He also mentioned that, beginning on Sept. 17, the office will be open from 10 to 4 five days a week.

Brownie, Girl Scout Leaders Have Meet To Outline Program

Leaders of Muenster's Brownie and Girl Scout troops met Wednesday morning in the city hall with Miss Katherine Dunham and Miss Marjorie Arnold of Denton, Cross Timber Council representatives, to make program plans for the coming year.

Leaders received reference books and other literature to help them in their work, and set meeting dates for their troops. Mrs. Fred Savage, a new leader, will be in charges of a new troop of second graders.

Other leaders and their assistants at the meeting were Mmes. David Trachta, R. N. Fette, Urban Endres, Walter Rawley, Hank Walterscheid, Joe Tempel, W. R. Lindsay and J. W. Fisher.

Miss Arnold will be Muenster's neighborhood instructor and will meet with the leaders once a month on the last Friday of each month. The next meeting will be on Sept. 28.

Brownie Troops will meet once a week on Wednesdays, beginning next week. Girl Scouts will hold their first meeting of the new year next Thursday. They will receive notice as to place and time of meeting.

Mr. and Mrs. R. M. Zipper have as their guest their three-year-old grandson David Stockman of Dallas. He is spending two weeks here.

Chest X-Ray Unit Will Locate Here Late in October

Free chest X-Rays will be available in Muenster for a day and a half some time near the end of October. Dr. T. S. Myrick reported Wednesday that plans for the special clinic here were scheduled in a meeting that morning of the Cooke County TB Association. He also said that Urban Endres has offered the use of the Endres Motor Co. display floor for the X-Rays.

The decision to locate the mobile X-R unit here hinged on the large numbers of Muenster people who reported at Gainesville during the several years that it made its only Cooke County stop in that city. Myrick said that in proportion to population Muenster has consistently led the county in receiving the X-Rays.

Myrick also said that TB Association officials feel they should make as many as 700 X-Rays to justify setting up the unit. He assured them that Muenster was likely to get far over that figure.

More information pertaining to dates and special arrangements for the free X-Rays will be given as it becomes available.

Richey Runs Wild; Hornets Outpoint Pilot Point 30-18

Football at Muenster got off to a fast start Friday night as Coach John Hosea's Hornets turned back the Class A Pilot Point Bearcats 30-18 in a snappy free scoring contest featured by lots of long runs.

It started off on a conservative tempo with each team going scoreless through the first quarter, but things started popping then and finally ended at the dizzy pace of four TDs in slightly more than four minutes.

Richey of the Hornets and Jones of the Bearcats were the thrill makers. While their teammates plodded away at good steady football, incidentally, also, a brand that looked more like mid-season than first-game action, those two lads held a monopoly on the sensational stuff. Richey took off on five long scoring gallops, four for the record and one called back because of a rule infraction. Jones did all scoring for the Pointers, twice on passes and once on an end sweep, intercepted two Hornet passes and made two long runs to boot. One was a scoring scamper of some 65 yards after receiving a pass, the other was a kick return for about 50.

Two other lads contributed to (Continued on Page 7)

Mrs. Addie Cox, 78, Buried at Bulcher

Mrs. Addie May Cox, 78, widow of W. E. Cox, early day resident of Bulcher, died Sunday at 12:30 a.m. at her home in Gainesville where she had resided in recent years. Her death followed an extended illness.

Funeral services were held Tuesday afternoon at one o'clock at the Bulcher community center building with the Rev. Ira Clinton, Baptist minister officiating. Burial in Coker cemetery was directed by Vernie Keel Funeral Home.

Mrs. Cox was born May 7, 1878 and was married to Mr. Cox on Oct. 11, 1896. He died Feb. 6, 1955. She was a member of the Methodist church.

Survivors are four sons, Otto of Patterson, Calif., Lawrence of Amarillo, Andrew of Tulare, Calif., and Joe of Hettering, N.D.; two daughters, Mrs. Bessie Bailey and Mrs. Iva Henderson, both of Gainesville, eight grandchildren, six great-grandchildren, and one sister, Mrs. Minnie Clinton of Elk City, Okla.

SCHEDULE OF COMING EVENTS

THURSDAY, Sept. 13, SH Tigers vs Windthorst, here, 8 p.m.
FRIDAY, Sept. 14, MHS Hornets vs Whitesboro, there, 8 p.m.
TUESDAY, Sept. 18 Muenster Juniors vs Gainesville Juniors, there, 7:30.
TUESDAY, Sept. 18, Lions Club meeting.
TUESDAY, Sept. 18, PTA meeting.

TUESDAY, Sept. 18 Muenster Juniors vs Gainesville Juniors, there, 7:30.
TUESDAY, Sept. 18, Lions Club meeting.
TUESDAY, Sept. 18, PTA meeting.

Joe Vogel Home is Party Scene Sunday

The home of Mr. and Mrs. Joe Vogel was the scene of a family gathering and dinner party Sunday when Lillian and Corina Vogel of Fort Worth, just back from a vacation trip, gave an account of their sight-seeing and visiting. Out of town guests were Mr. and Mrs. Robert Beyer and children and his mother, Mrs. Adam Beyer of Lindsay, the Clifford Ottos of Gainesville, and the Don Mullers of Fort Worth. The Felix Beckers and Walter Becker joined the group in the afternoon.

Lillian and Corina told about their visits in New York, Virginia, Maryland and Washington, D.C. In Silver Springs, Md., they were guests of the Vincent Beckers. The Beckers recently won a station wagon at a church picnic.

Betty Bierschenk, Rufus H. Henscheid United Wednesday

—Boyd and Breeding Photo

Betty Bierschenk and Rufus H. Henscheid exchanged marriage vows in a double ring ceremony at a nuptial high mass Wednesday afternoon in St. John's church in Valley View. Rev. Anthony Gajda, pastor, officiated.

The bride is the daughter of Mrs. Willie Bierschenk and the late Mr. Bierschenk of Valley View and the groom is the son of Mr. and Mrs. Henry Henscheid of Muenster.

St. John's choir and Mrs. Alphonse Fleitman, organist, presented the music for the mass and Mrs. Marvin Rauschuber and Joanne Kupper sang Ave Maria.

Presented in marriage by her brother Billy Bierschenk, the bride wore a bouffant dress of white lace and net over taffeta. The fitted lace bodice was designed with a Peter Pan collar and petal point sleeves. Three tiers of ruffled net formed the skirt which was worn over hoops and crinolines. A small hat of starched lace embroidered with pearls held the fingertip length veil and she carried a white orchid on a prayerbook which was a gift from the groom.

Attendants

Florence Henscheid and Mary Nell Bierschenk, sisters of the couple, were maid of honor and bridesmaid wearing navy blue dresses of lace and net identical to the bride's, with matching hats and mitts. They carried colonial bouquets of red roses.

Bobby Bierschenk, the bride's twin brother, was best man and the groom's brother Ted Henscheid was groomsman. Edgar Bierschenk and Norbert Felderhoff were ushers.

A reception honored the couple in the home of the bride's mother and a buffet supper was served to about 350 guests. Lu Rose Henscheid, sister of the groom, presided at the bride's book. Mrs. Alvin Rauschuber of Valley View, Mrs. Gerald Metzler of Gainesville and Virginia Metzler of Lindsay served the wedding cake. A dance in the Muenster VFW Hall concluded wedding day festivities.

When Mr. and Mrs. Henscheid left on their honeymoon, not revealing their destination, she was wearing a light navy sheath dress with matching jacket and navy and white accessories.

Live In Muenster

When they return they will make their home in Muenster, occupying their new house at 241 W. Seventh. He is employed by Shamburger Lumber company. He was graduated from Sacred Heart High school. His bride is a graduate of Valley View High school with last May's class.

Joan Zipper of Fort Worth, with her roommate as her guest, spent the weekend here with her parents, the R. M. Zippers.

Homsley Talks To County Teachers

Professional responsibilities of school teachers, to their children and their communities, were enumerated by Superintendent H. H. Homsey at a meeting of the Cooke County chapter of the Texas Teachers Association last Saturday morning in the community room of the First State Bank in Gainesville. Homsey is president of the county unit of

the organization. Qualifications he listed as marking the good teacher are: a real desire to teach and finding pleasure in the job; knowledge of subject and technique; ability to accept and evaluate criticism, either personal or professional; support of professional organizations and attendance at meetings; enthusiasm for advancement of the profession; a desire to contribute one's share through self improvement and self sacrifice;

willingness to give more than responsibilities of the job demand. The teachers' general session was preceded by an invocation by Rev. John B. Stepp of Gainesville and was followed by sectional meetings pertaining to elementary and advanced classes.

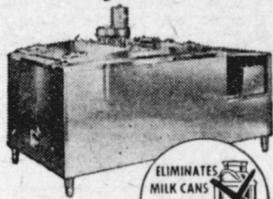

Mr. and Mrs. Ben Luke and Mr. and Mrs. Alfred Kuhn were in Subiaco, Ark., during the weekend and attended services at the abbey when the Lukes' son Ray made his simple vows

for the priesthood. The Kuhns visited here this week with family members before going to Lubbock to make their home. He has enrolled at Texas Tech to complete his college work. Meanwhile he has a leave of absence from his job with the Texas Company in Fort Worth where the couple have been residing.

Mrs. J. B. Schmitz spent last week in Dallas visiting her niece and family, the Bill Frys.

More Dairymen Choose

DARI-KOOL
BULK MILK COOLER
Than Any Other Brand!

Shown above DKS-250 (250-gal. capacity)

Milk is cooled to well below 40° in less than one hour — assuring a lower bacteria count and better milk. The milk cannot freeze — because the coolant is ice water.

Dari-Kool tanks are easy to clean and may be sanitized with hot water without damage. Units are ready to operate — no expensive, remote compressors to install or service.

Every Dari-Kool is built around a rugged 10-gauge steel frame — providing rigid support for the bulge-proof stainless steel milk tank. This assures accurate calibration and correct payment.

Get the cooler that leads in sales — leads in value — and leads in performance!

Meets All 3A Sanitary Standards

- ... Cools Faster
- ... Easier Cleaning
- ... Ready to Operate
- ... Milk Cannot Freeze
- ... Stainless Steel Tank
- ... Lower Bacteria Count
- ... Complete Service Available

DARI-KOOL will pay for itself in use.

HERE'S HOW ...

The cost of hauling milk in cans is 40 cent per 100 pounds as compared with 25 cents per 100 pounds for hauling tank milk, thus a saving of 15 cents per hundred.

Elimination of wastage of milk spilled or left in the can at the plant is 7 cents per 100 pounds.

Improved butterfat test gained by selling all the cream instead of leaving some of it sticking to the can and lid account for another 6 cents per hundred.

THIS GIVES A TOTAL SAVING OF 28 CENTS FOR EACH 100 POUNDS OF MILK HANDLED. THIS 28-CENT A HUNDRED SAVING WILL PAY FOR YOUR DARI-KOOL.

A producer with an average of 10 cans of milk (86 pounds each) a day will sell 25,800 pounds per month. At 28 cents per hundred saving, he will be ahead by \$72.24 each month.

The approximate cost of a 250-gallon tank installed is \$2,400 with interest of \$216 for a total of \$2,616. This can be divided into 36 monthly installments of \$72.11 each. **THUS YOUR SAVINGS MAKE YOUR PAYMENTS FOR YOU.** This estimate is without down payment or trade-in, which would cut the principal and monthly payment substantially.

Betty Bierschenk and Rufus H. Henscheid exchanged marriage vows in a double ring ceremony at a nuptial high mass Wednesday afternoon in St. John's church in Valley View. Rev. Anthony Gajda, pastor, officiated.

Dinner Party Has Three Honor Guests

Three shared honors at a dinner party Sunday when Mr. and Mrs. Alvin Hartman entertained in their home. The affair was a farewell tribute for her brothers Joe and Charles Felderhoff who will attend out of town schools and was a surprise birthday celebration for their mother, Mrs. Tony Felderhoff.

Gifts and a decorated birthday cake added a festive touch to the family gathering. Mr. and Mrs. A. J. Felderhoff and children of Gainesville were present from out of town.

Joe left Tuesday morning for San Antonio where he attends Assumption Seminary. Charles will enter Dallas University when the term opens.

FAMILY HAS REUNION

A family reunion with a dinner party was held Sunday in the home of Mr. and Mrs. Clem Reiter. The event honored Mr. Reiter on his birthday and was a farewell tribute for Reynold Reiter who will attend Texas Tech at Lubbock, and Basil Reiter who will be a student at Dallas University. Mr. and Mrs. Andy Arendt and children of Lindsay were out of town guests.

Georgia Hartman, Walter Wolf Will Marry October 2

Mr. and Mrs. Victor Hartman have announced the engagement and approaching marriage of their daughter, Georgia Ann, to Walter B. Wolf, son of Mr. and Mrs. Adam Wolf of Gainesville. The wedding will take place on October 2 in Sacred Heart church here at 4 p.m.

Jo Ann Wolf and Della Hartman, sisters of the couple, will be maid of honor and bridesmaid. Willard Hartman, brother of the bride, will be best man and Doug Reiter of Gainesville will be groomsman.

Georgia Ann is a graduate of Sacred Heart High school and of Marinello Beauty School in Dallas. She has since been working at the Muenster Beauty Shop. Walter was graduated from school at Gainesville, served in the armed forces with duty overseas and is employed at the Gainesville Register.

Mrs. Wieler Hostess For Club Meeting

Mrs. John Wieler entertained members of the Get-Together Club in her home on the first Wednesday of the month when they gathered for a regular monthly social. Twelve were present.

Mrs. Joe Kathman was the birthday honoree and received a gift from her sunshine pal.

In a progressive 42 series Mrs. Joe Horn won the high score award and Mrs. Werner Endres received the consolation favor. Mrs. Joe Wilde drew the door prize.

The hostess, assisted by her daughters Juanita and Jean, served ice cream, cake and coffee.

Mary Nell Hellman's Engagement Told

Mr. and Mrs. Clarence Hellman have announced the engagement of their daughter, Mary Nell, to C. J. Newman of Valley View, Wichita county. The couple has not set a definite date for the wedding.

Both are employed in Wichita Falls. He was graduated from Valley View High in 1952. She is a graduate of Muenster High with the class of 1954.

Mary Nell and Lorene Fleitman, also of Wichita Falls, spent the weekend here with their families.

Ruby Wimmer, Bride Of Herbert Otto in Saturday Ceremony

—Boyd and Breeding Photo

Ruby Lee Wimmer became the bride of Herbert Otto Saturday at 5 p.m. during a nuptial high mass in Sacred Heart church with Rev. Patrick Hannon as officiant.

Parents of the couple are Mr. and Mrs. Tony Wimmer and Mr. and Mrs. Bill Otto.

The men's choir and Anthony Luke, organist, furnished the wedding music.

Ruby and Herbert exchanged their vows in a double ring ceremony before an altar adorned with white gladioli, greenery and candles. White mums decorated the sanctuary space.

The bride, presented in marriage by her father, wore a gown of white alencon lace and tulle over satin. Lace formed the moulded bodice with bateau neckline and long petal point sleeves and extended over the gathered tulle in a peplum. Worn over hoops and crinolines, the wide skirt ended in a chapel train. A queen's crown of pearls held the waist length veil of illusion. She carried white gardenias on a prayerbook, a gift from the groom.

Attendants

Julia Wolf, cousin of the bride, was maid of honor and the groom's sisters Virginia and Patsy Otto were bridesmaids. Jackie Wimmer, sister of the bride, and Nancy Arendt of Gainesville, niece of the groom were flower girls.

Wilfred Klement was best man; Jerry Wimmer, the bride's brother, and Doug Reiter, cousin of the groom, of Gainesville, were groomsmen. Eugene Walter and Glenn Reiter ushered.

The maid of honor and bridesmaids wore identical dresses of open blue crystalline with bouffant skirts, matching bonnet shaped hats and mitts, and carried nosegays of red carnations. The flower girls wore white crystalline dresses with matching bonnets and mitts and carried baskets of pink carnations.

Mrs. Wimmer attended her daughter's wedding in a wedge-wood blue dress with pink and navy accessories and a pink carnation corsage. Mrs. Otto wore brown with brown and white accessories and a white carnation corsage.

After the mass the bride placed a bouquet of white gladioli on the Blessed Virgin's altar.

Reception

A reception with a buffet supper was held in the parish hall for about 250 guests. They were registered by Joyce Wiesman and Corina Vogel.

When Mr. and Mrs. Otto left on their wedding trip she was wearing a brown tweed suit with brown and white accessories. They will make their home at 4208 Wycliff in Dallas where both are employed.

Both are graduates of Muenster High and he attended John Tarleton College at Stephenville and Midwestern University in Wichita Falls. Until recently he was employed at National Supply Co.

TEACHES AT WINDTHORST

Allan Hoffman is on the staff at the Windthorst school this year, teaching the seventh and eighth grades. He is also in charge of junior athletics.

He interrupted his college training at Midwestern University in Wichita Falls to teach this year, but is attending night classes. His wife teaches in Wichita at Guadalupe Mission. They are making their home in Windthorst.

CARD OF THANKS

We want everyone to know how much we appreciate the cards, visits, prayers and other kind and thoughtful deeds while we were in the hospital. Our family joins us in these expressions of thanks.

Mrs. Tommy Felderhoff and Tommy Junior

Third Order Meets Sunday Afternoon

About forty members of the Third Order of St. Francis met Sunday afternoon for a prayer service in church, followed by a business meeting in the parish hall.

J. W. Hess, prefect, conducted the business session and announced that four novices are waiting to make their profession. This service will be held at the regular meeting in October. New members are welcomed to join at this time.

Other business consisted of a discussion of the Regional Institute to be held in San Antonio on October 26-27-28. Members received programs and information folders.

Mr. Hess announced dates for special indulgences for September and October and reminded members of the fast day on Oct. 3, vigil of the feast of St. Francis of Assisi, patron of the Order.

Mrs. J. W. Fisher and Mrs. Leo Henscheid presented readings on "The Tertiary Habit — Its Form, Meaning and Blessing."

Mary Jane Block is Dress Revue Winner

Mary Jane Block of Lindsay is winner of the 4-H Dress Revue conducted during the Cooke County Fair and will represent the county in the district contest in Dallas.

Her dress is pongee in midnight blue with a black print. She will wear black accessories and her only jewelry will be light blue earrings.

Mary Jane has used sewing as her project since 1951. She has made 64 garments since then along with numerous articles for the home. She is winner of the County Clothing Achievement medal.

Gwen Friske, Norma Kammerdiener and Janice Berry, who also entered the contest, will accompany Mary Jane and the county home demonstration agents Mrs. Bernice Thurman and Miss Yvonne Allen to the district contest held in the SMU Student Center.

Keep it clean...

Cook Electrically!

and my kitchen
stays so cool, too!

Protect that investment in a bright new kitchen . . . include an electric range in your streamlining plans. When you "cook electrically" . . . curtains and cabinets collect no tattle-tale grey of carbon dust . . . walls keep their fresh-paint look longer.

Not only clean but cool . . . fast, focused heat of electric surface units concentrates on cooking the food. The oven, completely insulated on all six sides, is a real heat-warder. Yes, ma'am, when you cook electrically, you're "really living!"

See the modern electric ranges at stores of electrical dealers.

The American Way

MYSTERIES UNSOLVED

The DuPont Company recently distributed a brochure entitled: "The Story of Science in Industry." Believing that science is a mainspring of the American culture and a wellspring of the American living pattern, DuPont shows it has met its responsibilities and faces the challenge of future scientific re-

search and development. Despite great contributions already made by American industry, the booklet informs us that we ain't seen nothing yet as far as science is concerned. It makes this intriguing comment:

"In 10,000 years of exploration, man has made notable progress, but he has discovered more questions than answers. He has been able to find only partial solutions, and sometimes none at all, for some of his critical needs. While he has reduced the area of the unknown, he has opened up countless new avenues for exploration. The unsolved problems of science thus have become more numerous and complex; the need for research and invention, and for new processes and techniques to implement them, thus has become more vital to progress."

DuPont agrees with economists who foresee that through further scientific development, within 25 years, living standards in the U.S.A. can be almost twice as high as today's, with more leisure time, more comforts and conveniences, more abundance for all.

RECOGNITION MUST COME
 T. Coleman Andrews, the former Internal Revenue Commissioner who established a record for efficiency in collecting

In All The World

No one is more understanding or more qualified to serve you

GEO. J. **Carroll & SON**

The Real Winner

income taxes, and then resigned to conduct a nation-wide campaign against this "legalized confiscation," has been nominated for the presidency by the Houston convention of the Constitution Party, and may be drafted for the post by "For America," the conservative group headed by General Robert E. Wood, Dean Clarence Manion, Dan Smoot and Brigadier General Bonner Fellers. Further, he has the endorsement of New Jersey conservatives and has been urged to run by a similar-minded delegation from five states.

We do not expect Mr. Andrews to be our next President — any more than we expect him to slay the income tax dragon before next April. But if there were in existence the machinery by which he might be presented to the voters in November, he well might win. The growing ferment among uncounted millions of conservatives who are unhappily affiliated with both parties must sooner or later have an outlet — and increasing numbers of struggling rightist organizations are doing their best to provide it.

To underrate Mr. Andrews may be as unwise as to ignore the legion of voters who have no place to go.

TOWARD A NEW DESPOTISM

"Liberal" is a grand old word. But its true meaning and its significance have been tragically distorted in recent times.

Henry Hazlitt describes what has happened in the introduction to his new book, "The Free Man's Library." He writes: "One of the crowning ironies of the present era . . . is that it is precisely, especially in America, the people who flatteringly refer to themselves as 'liberals' who have forgotten or repudiated the essence of the true liberal tradition . . . Historically, the liberals fought against government tyranny; against governmental abridgment of freedom of speech and action; against governmental restrictions on agriculture, manufacture, and trade, against constant detailed

governmental regulation, interference and harassment at a hundred points; against (to use the phrases of the Declaration of Independence) 'a multitude of new offices' and 'swarms of officers'; against concentration of governmental power, particularly in the person of one man; against government by whim and favoritism.

"Historic liberalism called, on the other hand, for the Rule of Law, and for equality before the law."

Today's self-styled liberals are enthusiastically in favor of just about everything the historic liberals opposed. Their goal is to concentrate more and more power — over business, agriculture, labor, everyone — in the hands of the government. They are, for the most part, contemptuous of state's rights, and believe in a solidly concentrated central government, in which all major decisions are made in Washington. The result is what Mr. Hazlitt accurately terms "a trend toward a new despotism."

Real liberalism stands for maximum freedom for all. It is predicated on the principle that government is the servant, not the master, of the people.

The best way to tell whether a man is having a good time at a party is to look at his wife's face.

Reform School Wasn't The Answer

By J. Edgar Hoover, Director of the Federal Bureau of Investigation

DELINQUENTS ARE not born. They are the products of neglect, the victims of indifference.

Recently policemen informed the father of a fifteen-year-old boy of his son's first criminal offense. This father replied, "If he doesn't straighten himself out, he should be put in reform school." It is amazing that any parent should expect a child to "straighten himself out," when the parent has made no effort to teach and train the youngster in the meaning of good citizenship.

Hoover

THE FAMILY is the first great training school in behavior or misbehavior. There children are taught what is right and wrong. In the home the child learns that others besides himself have rights which must be respected. There he learns respect for others, respect for property, courtesy, thoughtfulness and reliability.

It is in a home, united by the spirit of family prayer, that the child develops an understanding of man's dependence upon God. He learns the necessity for obeying God's law, and the laws of the community, which are but a reflection of that higher law.

BUT THE YOUNGSTER must also be trained in good habits which are the foundation of good conduct. This means parental discipline. "Spare the rod and spoil the child" is still a timely and worthwhile guide.

Yet there are modifications of this guide. Certainly punishment should not be inflicted when a parent is angry—when brutal and unreasonable punishment may follow. On the other hand, children can sense the vacillations of parents. They will exploit wishy-washiness to the hilt. Parents who cry, "If you do that again, I'll . . ." and then do nothing, have little control over their children.

AVOIDING PUNISHMENT does not show true parental love. There are times when physical punishment may be necessary. I am sure that the parent who takes his erring youngster to the woodshed is hurt more than the child. And I am also sure that this parent's love runs deeper than the one who overlooks the fundamental necessity of insuring proper discipline.

Parents should realize that they have the basic responsibility for teaching their children to be good citizens. By their direction and cooperation, they help the youngster to "straighten himself out." When reform school is really the answer, we have a sure sign that parents have failed in their duty.

**IT HAPPENED
15 YEARS AGO**

Sept. 12, 1941

Muenster schools enroll 358 pupils on opening day. Mercury fell to 56 degrees after 1.24 inch rain Tuesday. Albert Stoffels and Wilda Slaton of Saint Jo marry. Jeanette Fisher has party on seventh birthday. Lena Kleiss has completed plans for remodeling her home and work begins removing the second story. Arthur Felderhoff and Joe Tempel return to classes in Subiaco, Ark. Wilmer and Edwin Luke are on a motorcycle trip to Hereford and Carlsbad. Wilfred Sicking receives deep facial cuts when kicked by a mule Sunday afternoon.

Adolph Pittner has first bale of cotton for the season at Lindsay.

10 YEARS AGO
Sept. 13, 1946

Burglars visit Endres Motor Co. and FMA Store; combined loss amounts to about \$85. Fifty-cent school tax is approved in light vote. More than 500 pupils enroll on opening day at local schools. LaRue Felderhoff left Monday to enter the novitiate at Holy Angels Convent. Marine Julius Stelzer recently left the states for China. Catherine and Veronica Rollman have returned from a vacation visit in Kansas. Joe Horn is recovering from an operation. Edna Hartman has her appendix removed. Frances Bengfort and Werner Yosten marry at Lindsay. Lindsay parish will dedicate soldiers' monument Sunday.

Jane Hoehn is promoted to captain in Korea where she is on duty with the army nurses corps. Frank Ikard wins race for Gossett's seat in Legislature, leading eight candidates with a comfortable plurality in a special election. Margie Kathman and Stan Wylie are married here. Bill Fuhrman has gone to St. Louis, Mo., to enter St. Louis University. Engagement of Helen Haverkamp and Walter Luttmer is announced at dinner party. Farewell party honors the Rafe McElreaths who will move to Perryton to live.

**ALBERT STURMS HONORED
ON WEDDING ANNIVERSARY**

Mr. and Mrs. Albert Sturm of Gainesville were honored on their 36th wedding anniversary Sunday with a dinner party in the home of their daughter, Mrs. Jesse Sons in Sanger.

The family gathering, gifts for the honorees, and the taking of pictures made it a happy occasion.

Present were Mr. and Mrs. Johnnie Sturm and children Barbara and Mike, Mr. and Mrs. David Sturm and Connie, Mr. and Mrs. Jesse Sons and Randy Joe.

**Local News
BRIEFS**

Willie Walterscheid arrived Saturday to spend a 14-day leave at home. He is stationed at Fort Carson, Colo. His wife and baby son have been visiting here while he was on maneuvers and will accompany him when he returns.

Mrs. Orlean Edelen and son Clough of Lone Grove, Okla., weekended here with Mr. and Mrs. Ray Evans and drove to Denton to make arrangements for Clough to enter North Texas State College.

Muenster High seniors have received their class rings. They follow the school's customary design selected by graduates of other years.

Mr. and Mrs. A. T. Dickerson had as guests last week her brother and family, Mr. and Mrs. C. W. Marshall and children Stevie and Diane Kay of San Bernardino, Calif., who were enroute to Houston to make their home.

**DONALD BAYER IS WITH
LIVESTOCK JUDGING TEAM**

Donald Bayer, member of a livestock judging team of Texas A&M College, has spent the past ten days touring the country and judging cattle. The team began its work on Sept. 4.

Last weekend while the boys were in Fort Worth Donald came home for a visit with his folks, the Martin Bayers. He joined the team again Monday for more judging before going to College Station. On Sept. 25 the team will go to Waterloo, Iowa, to enter a judging contest.

Nelda Bayer's family, the Martin Bayers, took her to Fort Worth Saturday. Nelda has entered OLV. As a farewell tribute before she left she was honored at a dinner in her parent's home. Classmates were guests and presented her with parting gifts.

Since the beginning of the week Carolyn Swirczynski is working at the Relax Theatre. She fills a vacancy created by Juanita Wieler who will attend college at Commerce.

Dr. T. S. Myrick was in Wichita Falls Saturday to attend a one-day medical convention.

Mr. and Mrs. Don Muller of Fort Worth were Saturday night and Sunday visitors with their parents, the Matt Mullers and Joe Vogels.

Joyce Wiesman of Fort Worth spent the weekend with her parents, Mr. and Mrs. Al Wiesman.

Mr. and Mrs. John Slaton of Fort Worth spent Sunday here with their daughter and family, the Albert Stoffels.

Mrs. John Hoffman visited in Wichita Falls Monday with her son and his wife, the T. J. Hoffmans.

The George Swirczynski family moved this week to make their home in Garland. He has accepted employment as a salesman for Kraft Co.

Mrs. Ray (Louise) Dougherty has joined the staff at the Ace Cafe. The family moved here recently, and are at home in the Al Eberhart cottage. Mr. Dougherty works for Vilbig Construction company on the dam near Myra. The three Dougherty children, two boys and a girl, are students at the public school in grades one, two and three.

Allan Dale Eberhart, Larry Hofbauer and Melvin Schoech left Sunday for San Antonio where they have enrolled at St. Mary's University.

Jerry Endres, son of Mr. and Mrs. Roy Endres Jr., was in the group of local boys going to Subiaco to attend school Sept. 1. His name was omitted in last week's Enterprise.

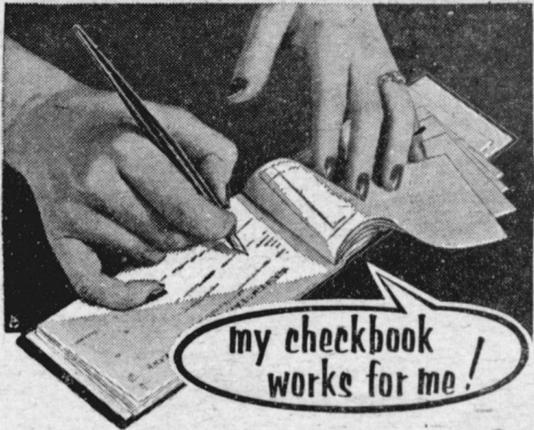

Mrs. Eddie Hart and children Gary, John Gregg and Sandra of Dallas visited relatives and friends here Saturday night and Sunday. They were accompanied to Muenster by her aunt, Miss Annie Hellman, who had visited in Dallas with the Harts and the John Chandlers for two weeks.

Mike Luke left Saturday to return to Albuquerque after a vacation visit here with homefolks. He was accompanied by Herbie Herr and Tony Yosten. They'll visit in Albuquerque and have plans of going into Old Mexico from there.

Mr. and Mrs. Bill Karr of Lubbock spent the weekend here with her parents, the Al Walters and family. Sunday afternoon they were baptismal sponsors for their niece Lou Ann Swirczynski, infant daughter of Mr. and Mrs. Bernard Swirczynski. Father Patrick officiated at the christening.

Marysville News

By Mrs. B. G. Lyons

MARYSVILLE, Sept. 11—Mr. and Mrs. J. N. Shaw have returned from a two-week vacation visit with their daughter, Mrs. Horace Moody and family at Bovina, and their grandchildren, Rev. and Mrs. Gene Hawkins at Odell.

Mrs. Helen Richardson and children of Krum, and their guests Floyd and Clara Nell Taff of McDonald, New Mexico, spent last Sunday with their aunt and uncle, the Marvin Doughtys.

Mrs. Bob May of Dallas, wife of the Marysville Methodist pastor, and women of the church met for a study course of six lessons on the life and activities of John and Charles Wesley and their methods which later promoted the organization of Metho-

dism. The course opened with a supper party for those attending.

Mr. and Mrs. Owen Almon of Gainesville were dinner guests of her parents, the Jesse Davisons Sunday and in the afternoon all visited the Earl Robisons. Mr. Robison is recovering from a knee injury received about three weeks ago in a fall while loading hay. He was in Gainesville Monday for a check-up.

John Marcus Duffey of Fort Worth spent Monday with his uncle and aunt, the Jesse Davisons.

The Bill Moons and J. N. Shaws attended singing Sunday afternoon at the Bible Baptist church in Gainesville.

Mrs. Nellie Kelley is visiting this week with a daughter in Walters, Okla.

Joe Wyatt is back at his usual work after two weeks of illness.

Emery Hunter took his mother, Mrs. Luella Hunter to Canadian, Okla., Sunday. She will spend the winter there with a daughter. She had visited her son and friends here for a week after spending the summer at Hardy with her granddaughter, Mrs. Ted Jackson and family.

Rev. Billy Whitt of Decatur spent the weekend with his parents, the W. B. Whitts and preached Sunday at both services at the Muenster Baptist church.

Mr. and Mrs. B. G. Lyons have received word that their granddaughter, Dolores Grant, 15, of Alta Loma, won a cabinet style electric Singer sewing machine as an award for being the outstanding 4-H club girl in Galveston county.

FAMILY REUNION SATURDAY

A family reunion and supper party were held Saturday night in the home of Mr. and Mrs. Jack Tuggle. Among those present were her parents Mr. and Mrs. Nathan Whitt of Muenster, her sisters Mrs. Charlie Winchester and family of Fort Worth and Mrs. Dorothy Hunter and children of Gainesville, Mr. and Mrs. Buford Whitt and children James and Linda and Mr. and Mrs. Travis Whitt.

Bulcher News

By Mrs. Paul Tracy

BULCHER, Sept. 11 — Mr. and Mrs. Jay Jones have moved from Bulcher to Saint Jo to make their home.

Mrs. Jesse Shields attended the OES meeting in Gainesville Tuesday evening in honor of Worthy Grand Matron Lois Burnett of the Grand Chapter of Texas.

The Bill Harrell family have moved into the home they bought recently and moved to a location next to the Jesse Goff home. All company houses which were bought by Kewanee employees have now been moved onto their new sites.

Mr. and Mrs. Jesse Shields were among those congratulating Mr. and Mrs. J. D. Brewer Sr. of Gainesville Sunday when they held open house in observance of their golden wedding anniversary.

Mr. and Mrs. R. H. Sharp left early Monday morning, beginning a four week vacation. They will visit in Beaumont with their son Dale and his family and in Bartlesville, Okla.

Rev. and Mrs. Lee Morris are spending this week in Gainesville with their son Charlie Morris and family.

Jim Bob Giles spent the weekend with his uncle and aunt, the August Hymans. He spent the summer vacation working on the highway at Wichita Falls and will be returning to Tulane University in New Orleans, next Sunday. His parents live in Wichita Falls.

Mr. and Mrs. Paul L. Tracy visited Mrs. Oscar Miller of Muenster at Gainesville Sanitarium Saturday.

Calip Cannon has returned to work after two weeks of vacation. During the time he and Mrs. Cannon spent ten days in Wichita Falls helping their daughter Clela Sue get settled in her apartment. She is now employed by Kewanee Oil Co. in its new offices in Wichita Falls.

Visiting in the home of Mr. and Mrs. J. B. Dennis over the weekend were all their children and grandchildren including Rev. and Mrs. Justin Dennis and Vicki of Dallas, Mr. and Mrs. Wayne Dennis and children of Nocona, Mr. and Mrs. Dexter Dowd and sons and Mr. and Mrs. Bennie Milburn and son Chris of Gainesville.

BULCHER HD CLUB MEETS WITH MRS. NEWBY HOSTESS

The Bulcher Home Demonstration Club met Wednesday afternoon in the home of Mrs. E. Newby. Mrs. August Hyman had charge of the meeting. The program was on Fire Prevention. Members decided that in the future all meetings will begin at 2 p.m.

The hostess served refreshments to Mmes. R. H. Sharp, E. L. Robison, Albert Fleitman and daughter Gwen, August Hyman and Paul Tracy and son Harry.

Mrs. Albert Fleitman will be hostess for the next meeting. It will be held in her home on Aug. 20 beginning at 2 o'clock.

FAREWELL PARTY BECOMES WELCOME BACK GATHERING

What was originally intended as a farewell party for Mr. and Mrs. Floyd Webb Monday night turned into a welcome back gathering honoring the couple.

Friends and neighbors gathered at the Bulcher Park for the occasion.

Mr. Floyd's transfer to Nocona has been cancelled and the couple will continue living in the Bulcher community where he works.

Together for the evening with the honor couple were Mr. and Mrs. Carol Webb of Nocona, Mr. and Mrs. C. V. Crabtree, Mr. and Mrs. R. J. Samples and Belva of Saint Jo, Mr. and Mrs. R. V. Daffern and Janie, the Bill Harrells and family, Mrs. August Hyman, the Calip Cannons the Jimmy Atteburys and Betty, Mrs. Jesse Shields, Mr. and Mrs.

Dexter Dennis and daughters and the Paul Tracys and sons.

They say a woman likes a man to be tall, dark, and have some.

ANAEROBICUL
ATTENTION HOUSEWIVES

Neighbors, today there are more modern homes that have septic tanks than ever before in the history of our nation. There has been no consideration given to the public for the treatment and care of septic tanks and grease traps.

We are all concerned with where the dangerous polio virus might be existing. According to medical science and bacteriologists, as long as we have proper bacteria reactions in everyday life, plants, and treatment of sewage, healthy and sanitary conditions will be maintained.

Anaerobicul produced by Capitol Sanitation Company of Austin, Texas, is now on the market and available to the public and cities for the treatment of sewage disposal. Capitol Sanitation laboratories have been serving cities throughout the United States with these products, and their technicians are ever searching for a condition that our product could not handle. Today we can say that we have been able to take care of most all of the problems of the treatment of septic tanks, cesspools, city sewage lines and disposal plants for seventeen years.

The septic tank is a device utilizing the theory of anaerobic digestion just as our large municipal sewage treatment plants practice. However, the septic tank is more subject to upsets due to the fact that the waste is from one household or establishment and not a mixture of wastes that may tend to counteract each other, becoming balanced by the time it reaches the city plant. In the septic tank, an extra amount of bleaching material, strong acids, or alkalies may kill off certain strains of bacteria, and promote the growth of others, causing the contents to become out of balance and they cannot do their job (decompose organic matter).

Grease (fats) are more difficult to break down than the bulk of waste entering the septic tank, the fat splitting bacteria get behind with their work, and the result is an accumulation of the grease floating on the top and reducing the digestion capacity of the tank. This grease will work out into the drain field and clog the pipe and soil. This is usually when you have your tank pumped out. Of course, pumping is not the answer, for all you have done is to remove the already established micro-organisms. You have failed to correct the grease problem in the drain field and as soon as the tank becomes full, or shortly thereafter, you will experience the same problem.

ANAEROBICUL is a mixture of culture organisms developed for the express purpose of speeding up anaerobic decomposition of organic matter, and includes a fat splitting bacteria which aids in breaking down the grease to bring the septic tank back into proper balance.

ANAEROBICUL will hasten the seeding off of new septic tanks by establishing action much sooner than will occur by natural processes.

If your septic tank is overloaded, ANAEROBICUL, by speeding action, will prolong the need for placing a new tank in operation. The culture would have to be introduced into the tank periodically, about every three months.

If your digestive system, septic tank or cesspool is working properly, not causing odors, draining good — you do not need ANAEROBICUL or any other product sold for the aid of digestion.

This is important! WHEN SOMEONE CALLS AT YOUR HOME WITH A TRUCK AND TELLS YOU THAT YOUR TANK IS ALMOST FULL, THAT IS CORRECT. IT HAS TO BE FULL TO BE FILTERING PROPERLY, AND THE MOST HARMFUL THING YOU COULD DO WOULD BE TO HAVE IT PUMPED, FOR PUMPING DESTROYS THE MOST VALUABLE PART OF YOUR TANK. PUMPING DOESN'T CLEAN YOUR LINES OR ELIMINATE ODORS AND YOU PAY AN ENORMOUS PRICE FOR THE HARM DONE.

The most harmful substances you can put in your lines to open them are highly caustic chemicals which can be found on the market ranging in price from 10 to 35 cents a can under trade names which most people are familiar with. Proper bacteria reactions open lines and eliminate odors, also, keep TANK FILTERING properly.

Under the Humble Sign
You Pay **ONLY** for
the Gasoline Quality
Your Car Requires

From the golden pump

Golden Esso Extra

For cars with very high compression engines and cars that tend to knock on "Premium" Gasolines:

This is the world's finest automotive gasoline. It has the highest octane rating in town—highest by far. This outstanding quality improvement paces others that rate the performance of Golden Esso Extra as "premium over premium . . ." If your car requires Golden Esso Extra quality, you save the extra cost through improved performance, operating economy, added gasoline mileage.

PREMIUM OVER PREMIUM

From the white pump

FAMOUS ESSO Extra

For most cars with high compression engines:

This gasoline is No. 1 in Texas, first in sales among premium gasolines because it's first in quality. This is the best gasoline for hundreds of thousands of Texas automobiles. Most high compression engines will give perfect performance on this famous gasoline. It will continue to be the quality leader in its field.

PREMIUM

From the red pump

HUMBLE Motor Fuel

For cars that perform well on Regular Gasoline:

This gasoline sets the pace for performance and mileage among the "regulars." It is the only regular gasoline in Texas that contains a patented solvent oil to keep your engine clean.

REGULAR

Use the gasoline your car requires— you'll find it under the Humble sign!

Club Members Get New Year Books

Members of the Civic League and Garden Club received their new year book Monday when the organization met to re-organize and plan coming activity.

The attractive hand-made booklets are the work of Mrs. Edd McGannon, program and yearbook chairman, and her daughter Mary. Done in green and white, club colors, the cover displays a hand-crayoned bunch of violets, club flower.

The first page shows date of organization as 1937, and date of federation as 1939. It lists club objectives, motto, color, shrub and flower. Inside pages show the roster of officers, of standing committees and order of business, the horticultural project and the year's program by months. Names of members are listed at the end.

The program includes a variety of subjects on the care of flowers, lawns and shrubbery, on home and community beautification, protection of native trees, plants and birds, a workshop on landscaping and a workshop on flower arrangement, and two guest speakers. It also includes a flower show and pilgrimage. The membership roster lists 31 names.

Hornets Win

the night's abundance of thrills. Kaderli intercepted a Bearcat pass and ran 65 yards to pay dirt. Wolf returned a punt for about 50 paces.

The first quarter was a deadlock with the breaks leaning in the visitors' favor. Their loss of possession on a fumble was offset by their gain on an interception, and Jones' 50 yard kick return shortly later put them in scoring position. A stout Hornet defense stopped that threat, however and Muenster, after a first down, booted to midfield just after the second quarter opened. Moments later Kaderli stole Pilot Point's pass on his own 35 and broke into an open field for the game's first marker.

The next counter followed in a few minutes. Pilot Point kicked after failing in the series of downs, Muenster advanced for a first down, Wimmer gained 2, and Richey picked a big opening for a 49 yard touchdown gallop.

As final seconds of the half ticked away the Bearcats got going for 3 first downs but the clock stopped them in mid field.

The second half started with a bang. A clipping penalty on the third play set the Hornets back to their seven and a recovered fumble on the next play set up the visitors on the 5. Jones stepped it off on his first try.

Six plays, including an interception by Pilot Point and a fumble recovery by Muenster put the Hornets on the Bearcats 35, where Richey got away again, bringing the count to 18-6.

The rest of that quarter and most of the fourth was a deadlock, until Richey took off on his third ramble. That one was for 67 yards.

Then things really started popping. Coach Hosea ran in his reserves and Pilot Point took immediate advantage of its odds. From his 23 Quarterback Dunn hit Jones at about the 35 and Jones sprinted all the way. The score then: 24-12.

Hosea rushed the regulars back and Richey, on the first play following kickoff changed the tally to 30-12. It was a 60 yard run.

With the game apparently iced away for sure, Hornet youngsters got another chance, and the visitors again cashed in on their opportunity. This time, however it took a while longer. The Bearcats used six plays in advancing 60 yards to the goal. Jones caught a 10 yard pass for the counter.

Both teams failed on every attempt at an extra point after touchdown.

Except in the fumbling department the opening performance was a credit to both teams. Seven fumbles were lost to opponents and several more were recovered by the fumbling team. The heavier Pilot Point boys had the better record in short steady advances and Muenster maneuvered more successfully for the occasional scoring plays. Pilot Point did better at interceptions by a count of 3 and 1 while Muenster recovered more fumbles, a count of 5 and 2.

Kaderli and Cain, the only regulars from last year's team were the strong boys in the line, breaking through the big Bearcat forward wall frequently to smear plays. The other linemen, from end to end also played a whale of a game.

Likewise in the backfield, Richey, the only former regular, got lots of help from the former reserves, Hamric, Wolf and Wimmer. All were sharp on defense, all worked together beautifully on their offensive efforts. As a rookie quarterback Hamric distinguished himself by both judgment and skill.

The game at a glance:

	M	pp
First Downs	5	12
Yds. Rushing	296	94
Yds. Passing	19	153
Passes thrown	5	13
Passes completed	1	9

Fumbles lost by	2	5
Yds. Penalized	45	15

Blessed Events

Here's that boy! A brother for Denise, Darlene and Debby. Mr. and Mrs. Denis Walterscheid welcomed their ten pound son Wednesday. He arrived at Major's Clinic in Nocona at 3:45 a.m. He's the first grandson for Mr. and Mrs. Frank Herr and Mr. and Mrs. Adolph Walterscheid and has five great-grandparents, Mrs. Katie Roberg, Mrs. Fred Herr Sr., Mrs. Joe Walterscheid and Mr. and Mrs. I. A. Schoech.

Mr. and Mrs. Leonard Reynolds have announced the birth of a daughter at the Muenster Clinic on Wednesday, Sept. 12, at 4:15 a.m. The nine pound eight ounce girl is the granddaughter of Mr. and Mrs. Gus Knabe. The maternal grandmother lives in Nocona.

A boy weighing eight pounds eight ounces was born at the Muenster Clinic Friday, Sept. 7, at 10:30 p.m. to Mr. and Mrs. Gordon Fenley of Leo. They have one girl and one other boy. The grandparents are Mr. and Mrs. John Fenley of Hood and Mr. and Mrs. A. E. Cogburn of Leo.

Mr. J. C. Trachta was a business visitor in Fort Worth Tuesday.

Local News BRIEFS

Mrs. Leonard Pfaff and baby son David have returned to their home in Denver after spending about a week here with her parents, Mr. and Mrs. Joe Starke. She is the former LaVerna Starke.

H. B. Schettler of Sterling, Okla., 84, who is here for an extended visit with his daughter, Mrs. Joe Starke and family, left Monday for Wilmont, Minn., to attend the funeral of his youngest brother. He went by train to Oklahoma City, then joined other relatives going to Wilmont by car.

Jimmy Harris has enjoyed Abilene Christian college as a freshman. His parents, Mr. and Mrs. Lester Harris and his brother James took him to Abilene Tuesday.

Mr. and Mrs. J. A. Travis and Mrs. Cecil Cain were Tuesday visitors in Dallas where Mr. Travis had a checkup on his eyes. He had surgery performed on Aug. 14. His doctor has given permission for him to return to work now.

Mr. and Mrs. Al Yosten and children Bobby and Judy spent the weekend in Celina with her parents, the Joe Tischlers. Mr. Tischler who underwent major surgery on Aug. 26 at St. Vincent's Hospital in Sherman, was dismissed Sunday and is convalescing at home.

Teddy Gremminger has resigned from his job at Hofbauer's to become a salesman for Kraft Foods Co. He begins his new work next Monday. As soon as he arranges for living quarters he will move his family to Fort Worth to make their home.

Mr. and Mrs. Nick Gremminger and Mr. and Mrs. Alois Weinzappel, all of Evansville, Ind., visited relatives here Tuesday and Wednesday, then went to Windthorst to see other family members. Nick is Ted and Tony Gremminger's brother and Alois is a cousin of J. M. Weinzappel and Mrs. Tony Gremminger.

Mr. and Mrs. Bud Swingler and children visited here during the weekend with family members. They are back at Ardmore to live now after being at Enid, Okla.

Harry Fisher arrived home Tuesday after spending about three months in harvest fields of Washington. On his way back he visited with his sister, Mrs. Clem Fladung in Colorado.

Mr. and Mrs. Bill Kathman, joined by Mr. and Mrs. W. E. Insel and daughters of Gainesville and Mr. and Mrs. Stan Wylie and sons of Grand Prairie, spent Sunday on an all-day outing at Cedar Bayou and Cedar Mills, Lake Texoma. The Wylies returned to their home Monday after spending a part of his vacation from work here.

GET MORE BEEF

Lindsay High Has Officer Election

Students of Lindsay High school have organized for the term and have elected class officers.

Alfred Hermes heads the Junior-Senior group as president and other officers are Wanda Hess, vice president Cecilia Neu, secretary; Janie Kubis, treasurer; Melvin Kuhn reporter.

Judy Schmitz is president of the Sophomore-Freshman group; Leslie Kuhn is vice president; Alma Haverkamp, secretary; Rosemary Bezner, treasurer; Jimmy Zimmerer, reporter.

Marlene Bezner, Mickey Fuhrmann and Margaret Mary Hermes spent the weekend at home with family members. They were joined on the trip by LuRose Henscheid who visited her folks in Muenster. The girls are student nurses at St. Joseph's Hospital in Fort Worth.

Edwin Hammer who was inducted in the army recently is stationed at Fort Bliss, El Paso, for his basic training. He is the son of Mr. and Mrs. T. M. Hammer.

District President Meets Monday With Ladies Auxiliary

Mrs. J. D. (Anne) James of Sherman, district president, favored the local VFW Auxiliary with her presence at the group's meeting Monday night and gave a report of highlights of the recent state and national encampments. She also presided for the installation of district color bearers.

Mrs. Maurice Pagel, district conductress, assisted at the formal installation of Color Bearers Mmes. M. H. King, Joe Tempel, Richard Grewing and John Huchton.

In her talk on the Amarillo and Dallas conventions Mrs. James included interesting sidelights, decorations, costumes and the workshop she attended — all things of women's interest that didn't make the big daily news stories.

She also announced the District I convention to be held at McKinney September 29-30.

In conclusion she asked members to save their old nylon hose and send them to the VA Hospital in Temple where the veterans fashion them into attractive floor mats.

Mrs. Richard Grewing, local president, conducted the business session.

Members decided to sponsor the annual high school essay contest and Mrs. John Huchton accepted chairmanship of the project. Students will write on "America's Crusade for Free Men's Rights."

Petition for membership was received from Mrs. Jerry Vernon and Mrs. Fred Savage and was unanimously approved.

Mrs. John Hosea, honor roll chairman, listed requirements for the month and members voted to follow through. They approved a fifty cent per member hospital pledge, held a school of instructions at the meeting with floor work and flag routine and voted to help one needy child at each of the two local schools by paying a month's lunch bill.

Mrs. Grewing was presented a citation for her work as local Buddy Poppy chairman.

After adjournment there was a social hour with refreshments and Mrs. James won the door prize.

Junior Conference - -

have to be professionals, however it is agreed that high school students will not be acceptable. Senior team coaches, other capable adults, or boys who have finished high school can officiate.

The district schedule for Muenster juniors will begin on September 25, however the kids will start their season a week earlier, according to Coach Weldon Holland. Next Tuesday they will go to Gainesville for a game with the seventh and eighth graders of Gainesville Junior High. For that game Holland's lineup will not include the ninth graders.

The District Schedule:
 Sept. 25 Sanger here
 Oct. 2 Saint Jo here
 Oct. 9 Alvord there
 Oct. 23 Valley View here
 Oct. 30 Callisburg there
 Nov. 6 Era there

No Follow-Through
 It seems rather funny,
 But people who say,
 "What good is money?"
 Don't give it away!

League-Garden Club Re-organizes; Hears Emmitt Yoder Speak

The Civic League and Garden Club, meeting Monday night, opened its new club year and re-organized after being disbanded during the summer. Mrs. R. R. Endres and Mrs. R. N. Fette were co-hostesses in the former's home.

Mrs. Tony Gremminger, president, presided and distributed the new year books.

The club's new horticultural project is "Indoor Bulbs" and this furnished a subject for discussion.

Members received their June and August issues of "Lone Star Gardener" and Mrs. Steve Mosler distributed booklets on "Better Lawns and Gardens."

Invitations were read to attend the state board meeting in Midland on Oct. 3 and 4, and the district meeting in Vernon on Nov. 1.

Guest Speaker

The program hour featured Emmitt Yoder, local soil conservation service technician, as guest speaker. He presented an

illustrated lecture using colored slides.

He spoke on soil erosion by water and wind and listed corrective measures — building terraces, planting cover crops and grassing waterways. He also told about the value of dams to prevent overflowing of bottom lands and silting lakes.

Mrs. Joe Luke showed slides of the club's flower show last May, and of local harvest scenes. One series of pictures showed an oats field, the shocked bundles, then the threshing machine separating the grain from the straw.

After adjournment the hostesses served individual apple dumplings with whipped cream, snacks and coffee to 17 members and three guests Mrs. Frank Herr, Mrs. Alfred Kuhn and Miss Elizabeth Herr.

CARD OF THANKS

We want to thank everyone for the kindness and help, the greeting cards, flowers and visits while Mrs. Johnny Barthold and Brenda were in the hospital. We appreciate every thoughtful deed.

The Clarence Hudspeth and Johnny Barthold Families

Confetti - - -

what a couple of other sports prophets had to say on the subject. Earnest Hayley of the Saint Jo Tribune picks the Panthers for first place. Naturally, He's loyal too. Other teams in his order of listing are Alvord, Muenster, Callisburg, Era, Valley View and Sanger.

A writer at Wichita Falls thinks the final listing will be Callisburg, Valley View, Saint Jo, Alvord, Muenster, Sanger, Era.

From this conglomeration of guesses comes one sign which may possibly be good news to the football fan. Lack of agreement by the writers could indicate that a real race is in the making and that good games are coming.
