

MUENSTER ENTERPRISE

VOLUME XX

MUENSTER, COOKE COUNTY, TEXAS,

AUGUST 17, 1956

NUMBER 39

The mischief at Suez, which an international pow wow is now attempting to straighten out in London, reveals again the ugly influence of the world wide red conspiracy.

A person does not even have to know the details to understand what has happened. Just recall that Nasser, the little Hitler of the Nile, had been palling around with the Soviet envoys for some time before, and consider this circumstance along with the well known facts that the reds are notorious trouble makers, also that they have especially good prospects to profit by trouble which would retard or stop the flow of Middle East oil to Western countries. Nothing more is needed to expose both the influence and the interest of the Kremlin gang.

As the incident is developing we can derive some satisfaction from the opinions of international experts claiming that a world war is not likely to result. When the chips are down Nasser will back down, according to their opinion. He will find that Russian conniving is not backed up by Russian help, so his only alternative is to fold up.

However, there are other angles which deserve some thought. First and foremost is Russia's participation in the international conference which will attempt to settle the squabble. It is one of the ironies of our times that the reds promote strife in the far flung areas of the globe; then take part in working out a solution. Invariably the solution favors them in some way. And the same can be expected again. The Soviets will stubbornly insist and the other powers will eventually make concessions. There will be no war, but Russia will be closer to her goal of world conquest.

Another development to watch for is more expansion of the red frontier in another part of the world. This is standard operating procedure . . . to use one shabby incident as a smoke screen to hide another quick conquest.

While this kind of international double crossing is going on this country is selecting candidates and policies for the coming presidential race. Political spell binders are working themselves into a frenzy over differences in opinion on domestic conditions or issues but blissfully ignoring the one big issue which is most vital to our survival as a free people.

This isn't saying that the policies under consideration have no bearing of the welfare of our country. All of us are deeply concerned with the political and economic trends that will affect our way of living. At the same time we are aware that, despite all the sound and fury of politicking, we are going to continue with a much better existence than is planned for us by those who are striving incessantly toward world domination. Every administration makes its mistakes, but every one also has its good intentions. Right or wrong they make an effort, and the end result has found the average American more fortunate than the privileged few in other lands.

The big problem in this country is not its domestic affairs but the apparent unconcern toward our sworn enemies. We go on dealing with the Reds after being double crossed dozens of times. We allow their spies to operate in embassies and in the U.N. We throw up the most absurd obstacles to prevent eliminating them from our own government or other positions of influence. We trade with them and allow our supposed friends and allies to trade even more with them. We overlook their atrocities and abuse and return time after time for more insults.

Even as the conventions are adopting their policies we are aware of a deal with the UN to postpone the next session until after our political campaign. Why? Is it feared that our pussy foot attitude would become a campaign hazard? Is it true that a group of our leaders are conniving to give Nationalist China's seat in the UN to Red China . . . even after our congress has unanimously passed a resolution opposing

(Continued on Page 10)

Work Begins on Four Lane Highway Entering Muenster

A half mile of four-lane highway leading into Muenster from the east is now under construction and is due to be finished in about three weeks.

Highway department crews under supervision of H. R. Yarger of Wichita Falls started Monday on the project of adding an 18 foot paved strip along each side of Highway 82 from the east city limit to the Main Street intersection.

The job will extend the pavement from its present width of 24 feet to 60 feet and, with the curb added on, will actually provide a usable width of about 64 feet. Full width to the back edges of the curbs is 66 feet. The new road will have ample space for four traffic lanes and parallel parking at each curb.

Specifications on the project call for the removal of 4000 yards of dirt and rock and replacing it with 5000 yards of base gravel. Except for a few spots on the road the level of the base will be higher than the present dirt level. The gravel base will be 10 inches deep.

After base work is completed each side will get a one inch surface coat of asphalt and crushed rock. Then the entire road will get another one inch surface of asphalt and crushed rock. The result will be a continuous full width seamless surface two inches thick at the sides and more than three inches thick in the center. It is estimated that 2000 tons of topping material will be used on the job.

Difficulties with rock may possibly delay completion of the project by several days. Mr. Yarger said that special equipment will be moved in to handle it, and even then it will go slower than the dirt work. The rock formation extends about two blocks, at both sides of the road.

Yarger also said that practically all gravel and dirt from the job are being salvaged. Gravel, which is first peeled off by the graders, is being carried to streets and is also being used to fill in low places behind the curbs. Some gravel will be stock-piled for the city's future use. Dirt is being used to fill in beside the FM roads north and south of town.

Milk Production in North Texas Area Drops During July

During July 1955, North Texas handlers sold 50,495,214 pounds of Class I milk or an average of 1,628,878 pounds per day. The daily sales during July 1956 were 92% above the daily sales during June and 8.55% above the July 1955 daily sales.

Daily producer receipts decreased from 2,155,362 pounds in June to 2,015,656 pounds during July, or a decrease of 6.48%. However, the July 1956 daily producer receipts were 8.35% above the daily receipts during July 1955. The decrease in daily producer receipts from June to July, coupled with an increase of 63 producers in July, caused the average daily production per farm to decline from 702 pounds in June to 643 pounds during July.

The minimum uniform price that producers will receive for milk sold during July is \$5.42 per hundredweight for 4.0% milk, according to Byford W. Bain, Market Administrator. The above price is subject to the following location and butterfat differentials. The minimum uniform price to be paid for producer milk received at a pool plant located 110 miles or more from the City Hall of Dallas, Texas, will be reduced 1.5 cents per hundredweight for each 10 miles or fraction thereof that such plant is located from the Dallas City Hall. For each point (0.1%) that the average butterfat content of producer milk varies from 4.0%, a butterfat differential of 6.0 cents applies.

AT KERRVILLE CAMP

Margie Knabe is at the Lions Camp in Kerrville for a two-week camp session. Sunday Lion Arthur Endres and Mrs. Endres took her to Kerrville. Going with them were Margie's mother, Mrs. Albert A. Knabe and her grandfather, August Sprengel of Pilot Point who is a guest in the Knabe home.

ADLAI STEVENSON, Democratic nominee for president in the 1952 election, was a long odds favorite for re-nomination early Thursday at the Democratic National Convention in Chicago.

18 Teachers for Parochial Faculty Due This Weekend

Eighteen Benedictine Sisters of Holy Angels Convent, Jonesboro, Ark., are due to arrive this weekend and spend next week preparing for the opening of school on Tuesday, August 28.

Father Christopher Paladino, superintendent of Sacred Heart School, said Wednesday that the sisters will leave the convent as soon as convenient after the traditional Assumption Day ceremonies there, and some are likely to arrive here on Thursday. He also revealed that the number of teachers in each department for the coming year will be the same as it was last year. However he was not able to identify all the teachers who are assigned to Sacred Heart.

When the sisters arrive they will find the parochial buildings ready. During the past few weeks several older students under Father Christopher's supervision have given the place an over-all cleaning and waxing and have varnished desk tops. They also applied a new coat of varnish and wax to the gymnasium floor.

Next Monday all of the parochial school staff will meet with Father Christopher to work on the year's program. Also on schedule is a meeting of Father Christopher and Superintendent Homsley to coordinate schedules in the two schools. The purpose is to permit students from either school to attend special classes in the other.

Tax Law Exempts Sale of Livestock Forced by Drought

Drought stricken farmers have been provided income tax relief on the sale of livestock by Public Law 629 approved June 29, 1956. When a farmer has to sell his livestock, in excess of the number that he usually sells in his ordinary business, due to a drought, he can consider the sale as an involuntary conversion. The tax relief provisions relating to involuntary conversions have in the past applied to such things as the burning of your house, losses by flood, etc. on which insurance is collected. No tax is due on the sale of property due to an involuntary conversion if the property is replaced with like kind within a specified period, generally before the end of the following year.

The administrative officer of the Fort Worth office stated that farmers who are having to sell livestock due to drought conditions will qualify. He pointed out that the Farmers Tax Guide for 1955, Internal Revenue Service Publication 225, sets out the procedures the farmers should follow in Chapter 13. Publication 225 is available at Internal Revenue Service offices and at county agents' offices.

KCs Shatter Lions' Hot Record With 7th Inning Homer

A dramatic seventh inning home run by Virgil Hess Tuesday night broke the long winning streak of the Lions Club Pirates.

With the score tied at 11-11 and one out in the lower half of the inning, Hess slammed a line drive past the center fielder and circled the bases for the KC Orioles' 12-11 decision.

The game was tight all the way. Both clubs scored 4 and 2 in the first and second frames and the Orioles gained 2 in the next two innings by scoring 2 each while the Pirates netted 1 each. Both teams blanked in the fifth and added 1 in the sixth, then the Pirates tied the score with 2 runs in the top of the seventh. The Hess homer ended the game.

Meanwhile hitting was hard and frequent on both sides, 13 for the Pirates and 11 for the Orioles. Harris, besides pitching a steady game for the Orioles, racked up the slugging record with two homers and 2 singles. Other hard swinging teammates of his were Hess with the deciding homer and a single; Miller, a triple and 2 singles; and D. Swirczynski, 2 singles.

Leading Lion hitters were Wimmer, a homer, a double and a single; Owens a triple and 2 singles; Russell, Mullins and Hess, 2 singles each.

Harris for the KCs fanned 7 and walked 4. Owens for the Lions fanned 16 and walked 4.

Friday night's game was a one sided quickie, ending with one out in the last of the fifth when the Lions reached a 10 point margin over the luckless St. Joseph team. The final tally was 16-6.

In the first inning the St. Joseph Dodgers seemed to have broken their jinx. They took a 4-0 lead but the Pirates tied the score in the second and moved ahead steadily through the next 3 innings.

Mullins, heaving for the Pirates, fanned 8 and allowed 2 hits and 8 walks. Kathman, Dodger hurler, struck out 4, walked 8 and allowed 12 hits.

Leading Lion hitters were Cain, a double and 3 singles; and Hellman and Owens, 3 singles each. D. Hess got a double for the Dodgers and Bayer got a single.

Team records through Tuesday's game are as follows: Lions 9-1, KC 6-4, VFW 4-5, St. Joseph 0-9.

Next games scheduled are St. Joseph and VFW Friday night and Lions and St. Joseph next Tuesday.

Cotton in Tall Cotton

Hugh (Cotton) Endres is having another big season in softball, according to word received this week from Albuquerque, N.M. His team, Converse Motors sewed up the city title last week with a perfect record and will enter the state softball tournament. In the final city game Cotton pitched a 5-hit game and banged out one homer to help his team in the 12-4 victory.

Tigers Will Play Six Home Contests, To Start Sept. 13

The 1956 football schedule for the Sacred Heart Tigers is about the most pleasing ever for fans who prefer to see their games at home.

A line up of games announced this week by Father Christopher Paladino lists six home games and three away from home.

It also reveals that the team's activity in the Southwest Academic League is limited to two games. The Eagles of Texarkana's Catholic High have quit football leaving Sacred Heart, Laneri and Buckner as the only remaining SAL district members. There is a possibility, however, that Greenhill or St. Marks, or both, will be admitted when representatives of the district hold their annual meeting early in September, according to reports that have reached Father Christopher.

The schedule is as follows:

Sept. 13	Windthorst	here
Sept. 21	Greenhill	here
Sept. 28	New Diana	here
Oct. 4	Gainesville B	here
Oct. 13	Buckner	there
Oct. 19	Laneri	here
Oct. 25	Windthorst	there
Nov. 2	St. Mark's	there
Nov. 16	Ryan, Okla.	here

Two changes in the schedule are under consideration. Ryan has asked to have its game changed to Sept. 21, and the change will be made if Greenhill will play on Nov. 9 or 16.

Father Christopher has had no report from the SAL on the official starting date for football practice but assumes that it is August 27, the same as the Texas Interscholastic League.

Cooke County Fair To Open August 27

The 30th annual Cooke County Fair which will be held in Gainesville August 27 to September 1 inclusive, offers a wide variety of entertainment features.

Red Gordon's Country Music Festival will be presented on Monday and Tuesday nights, August 27 and 28 in the ball park at 8 p.m., a two-hour program of music featuring artists from a number of North Texas communities. Tickets are free and may be obtained from merchants here and in Gainesville.

Ralph Collier's Rodeo will make its first appearance in Gainesville giving performances Thursday, Friday and Saturday nights, August 30 and 31 and September 1, in the rodeo arena with top contestants participating.

The Bill H. Hames Shows, one of the largest carnival organizations in the Southwest, will furnish the midway attractions, with two score rides and shows, and a great variety of concessions.

Gerry, the Gainesville zoo elephant will be present in her act each evening at 7:30 p.m. Monday through Thursday and the Frank Buck Memorial zoo will be open to the public each day.

There will be competition in dairy and beef cattle, sheep, hogs, poultry, field crops and 4-H club and home demonstration club projects and the prize winners will be on exhibition in the fair buildings all week.

There will also be merchants' exhibits in the main exhibit hall.

In preparation for this year's fair, the city and county have joined forces to pave the midways through Fair park, eliminating the dust that often has plagued fairgoers in the past.

RETURN FROM TRIP

Mr. and Mrs. Rudy Hellman and children Gretchen and Dorothy Joe have returned from a two-week vacation trip that took them to Canada. Going, they toured the Smokey Mountains of Tennessee, visited in Harrisburg, Pa., spent three days sight-seeing in New York City, took a cruise up the Hudson River seeing Hyde Park and West Point, visited Niagara Falls, then Toronto and Windsor, Canada. Returning they stopped in Detroit to see Dr. E. H. Steffenson, spent some time with the Vincent Bakers at their summer home in Allegan, Mich., and the Hugo Hellman family at North Lake, Wis., where they are spending summer.

W. M. Truebenbach Muenster Pioneer Claimed by Death

Wenzel M. Truebenbach, 78, who came to Muenster 63 years ago, died Tuesday morning at 10:40 in a Gainesville hospital following a brief illness and major surgery last Friday. He was one of the few remaining pioneers of the community.

Funeral services were held Thursday morning at 9 o'clock in Sacred Heart church with Rev. Louis Deuster officiating at the solemn requiem mass assisted by Rev. Christopher Paladino and Rev. Paul Hoedebeck. Father Louis delivered the funeral address and conducted final rites at the grave.

Burial was in Sacred Heart cemetery directed by Nick Miller Funeral Home.

Bearers were Lou and Bernard Wolf, Ben and Theodore Voth, Alois and Martin Trubenbach.

Three rosary services were held at the funeral home Wednesday. At 4 p.m. the Saint Joseph's Society of which he was a charter member recited the rosary, at 4:30 members of Saint Anne's Society and the Catholic Daughters of America conducted a service and at 8:15 the parish rosary was recited.

Mr. Truebenbach was born Feb. 24, 1878, in Rulo, Neb., a son of Mr. and Mrs. Thaddeus Truebenbach, and came to Muenster with them in 1893 when the community was only five years old.

He married Miss Theresia Judy on Sept. 10, 1901, and had resided here continuously since with the exception of about five years, 1905 to 1911, when they lived at Lindsay. He engaged in farming, retiring seven years ago and moving to the city on North Elm Street.

As a pioneer of the colony, Mr. Truebenbach took an active part in parish and community life.

He is survived by his wife; one son, Andrew of Muenster; four daughters, Mrs. F. J. Hacker and Misses Nora and Marie Truebenbach of Muenster, and Sister Celine of Jonesboro, Ark.; nine grandchildren, two sisters, Mrs. Mary Voth of Muenster and Mrs. Joe Sicking of Gainesville; and two brothers, Frank and Tony Trubenbach of Muenster.

Former Razorback Will Coach Tigers

Jerry Vernon, 25 year old former member of the Arkansas Razorbacks football team is the new coach of boys athletics at Sacred Heart High School. He arrived here Tuesday afternoon with his wife and three daughters and the family is settled down temporarily, until a larger house becomes available, in the cottage adjoining Maurice Page.

The new coach, who played with the Subiaco Trojans in his high school days, is a 1953 graduate of the University of Arkansas with a major in the social sciences. After college he spent two years in the armed service. He will teach history and civics and will also take charge of the boys' PE program at the parochial school.

Vernon has a big vacancy to fill as he takes over the Tiger football coaching assignment. Father Christopher Paladino, who gave up the job in order to give more time to administrative duties, has the exceptional record of 21 wins, 4 losses and 2 ties during his three regular seasons. In 1953 his boys won the Southwest Academic League district title and lost to San Marcos Academy in a post season game. Father Christopher's only athletic activity this year will consist of coaching girls' basketball and assisting Father Patrick occasionally with the Sacred Heart Elementary Cubs. Julian Walterscheid, assistant Tiger coach, will continue as Vernon's assistant.

SCHEDULE OF COMING EVENTS

FRIDAY, Aug. 17, Little League St. Joseph vs VFW.
TUESDAY, Aug. 21, Little League Lions vs St. Joseph.
TUESDAY, Aug. 21, Lions Meeting.

Local News BRIEFS

Mary Trubenbach left Tuesday for Mabton, Wash., to visit her uncle Charlie Schmitt. She'll also visit in Portland, Oregon, with her aunt Mrs. Augusta Richter, and with other relatives at Washtucna and Walla Walla. Her parents, Mr. and Mrs. Alois Trubenbach took her to Wichita Falls where she boarded a train for the trip.

Mrs. Ray Evans and Mrs. Ervin Hamric spent Monday in Dallas buying merchandise for their stores.

Mr. and Mrs. B. P. Homsley of Poolville are visiting their son and his wife, the H. H. Homsleys this week.

Father Patrick Hannon is spending a two-week vacation in Columbus, Ohio, with his father and other relatives. While he is away Father Paul Hoedebeck of Subiaco is assisting with parish duties.

The T. M. Hammers have as their guests Mrs. Hammer's sister, Mrs. G. L. James and daughter Mary Lou of Big Spring. Sunday the Hammers and their guests drove to Ardmore to spend the day with the ladies' sister, Mrs. Jimmie Smith and family.

Mrs. H. L. Herron of Denison visited with members of her family here Tuesday afternoon.

Mrs. Willie Walterscheid and baby son Terry Don are here for a visit with the Al Walterscheids and H. H. Homsleys. Willie is on maneuvers at Fort Carson, Colo., until Sept. 7. He will join his family here for a two week leave then.

David Endres is settled at his new station after spending a leave with his parents, Mr. and Mrs. R. R. Endres. His new address is: Richard D. J. Endres, ATAN; 477-36-85; C.M.R. 3, Box 2726; Keesler A.F.B., Miss.

Donald J. Bayer has been named a distinguished student for the spring semester of 1956 at Texas A. and M. College. He is the son of Mr. and Mrs. Martin Bayer.

CLAMORING CLERICS—It's the men of the cloth cheering the men of the cycles during the "Tour of France" bicycle race. The Belgian priests, above, took a break from seminary studies in Cinay to applaud and photograph the cyclists as they whizzed through town on the famed event's first lap.

Dolores Boyles and Jack McCurdy Marry In Corpus Christi

In a military wedding at Cabiness Field chapel in Corpus Christi Dolores Boyles became the bride of Jack Dean McCurdy. The Rev. Thomas P. Ward officiated at the double ring ceremony before an altar banked with white gladioli and fern.

The bride was born in Muenster and attended Sacred Heart school. She is the daughter of Mr. and Mrs. W. G. Boyles, 1435 Date St., Corpus Christi, formerly of this city. The groom's parents are Mr. and Mrs. T. L. McCurdy of Tulsa, Okla.

Given in marriage by her father, Dolores wore a waltz length white chantilly lace and tulle dress over taffeta topped by a lace duster. Her veil was shoulder length attached to a satin cap encrusted with pearls. She carried a white orchid.

Billy Ben Boyles was in the wedding party as best man and little Gwyn Boyles was flower girl for her sister. She wore light blue net over taffeta in waltz length and carried pink carnations. The maid of honor and bridesmaid wore pastel yellow and blue dresses respectively. David McCurdy was ring

bearer for his brother. His miniature sailor suit was a duplicate of the groom's.

After the ceremony a reception was held in the home of the bride's uncle and aunt, Mr. and Mrs. Joe Hellman.

When the newlyweds left on their honeymoon the bride wore a boxed type tan linen suit with pink accessories. They are making their home at 1409 Santa Fe St., Apt. 5, Corpus Christi.

After attending grade school here Dolores attended Incarnate Word Academy in Corpus. Her husband is a graduate of Will Rogers High school in Tulsa.

Among out of town guests at the wedding and reception were Mrs. Ben Hellman, grandmother of the bride of Muenster and her aunt, Mrs. Irene Frost of Gainesville, the groom's parents and his brothers David and Al. Several parties and gift showers honored Dolores before the wedding.

BIBLE MOVIE AT MYRA THIS FRIDAY NIGHT

The public is invited to attend the showing of a film, "How the Bible Was Made," this Friday night at 8 o'clock in the Myra Methodist church as guests of the Men's Sunday School Class.

Chris Cain Feted On 7th Birthday

Chris Michael Cain celebrated his seventh birthday Sunday with a party for a group of young friends at the home of his parents, Mr. and Mrs. Dick Cain. It was also his daddy's birthday and he shared honors of the occasion. There were two decorated cakes, one large one and one small one.

The guests brought gifts for Chris, played games, had their pictures taken, ate cake and ice cream and then went horseback riding.

Adults present were Mrs. Arnie Wimmer, Mrs. Bill Hunt and Mrs. B. I. Dern.

Ruby Wimmer and Herbert Otto to Say Vows Sept. 8

Mr. and Mrs. Tony Wimmer have announced the approaching marriage of their daughter, Ruby Lee, to Herbert Otto, son of Mr. and Mrs. Bill Otto.

Sacred Heart church will be the setting for the wedding on Saturday, Sept. 8, at 5 p.m.

Julia Wolf will be her cousin's maid of honor, Virginia and Patsy Otto, sisters of the groom, will be bridesmaids, and Jackie Wimmer and Nancy Arendt will be flower girls.

Herbert's attendants will be Wilfred Klement as best man and Jerry Wimmer and Doug Reiter.

The bride-to-be is a 1955 graduate of Muenster High and is employed in Dallas by an insurance company. Herbert was graduated from Muenster High, attended John Tarleton college at Stephenville and Midwestern University in Wichita Falls. He is employed at National Supply Company.

CDA Comedy Cast Gets Play Books

Plans are progressing for the CDA sponsored play, it was announced at a meeting of the court Friday night. Actual rehearsals have not been scheduled but members of the cast have received their scripts for study.

The presentation is entitled "Clubbing a Husband" and has an all feminine cast. Mrs. Lambert Bezner will direct the comedy.

Other business at the meeting consisted of routine reports including that of Mrs. Joe Swirczynski, mission chairman, revealing the court recently shipped 80 pounds of children's clothing to the National Catholic Welfare Council in New York. It will be re-routed from there to those most in need.

Mrs. John Mosman, grand regent, conducted the business session and members composed a spiritual bouquet for Mr. and Mrs. Joe Swirczynski as a gift in observance of their 50th wedding anniversary.

Anniversary Mass, Reunion to Observe Golden Wedding

When Mr. and Mrs. Joe Swirczynski observe their 50th wedding anniversary Saturday, their nine sons, and four daughters most of their 50 grandchildren and their 3 great-grandchildren will join them for the day.

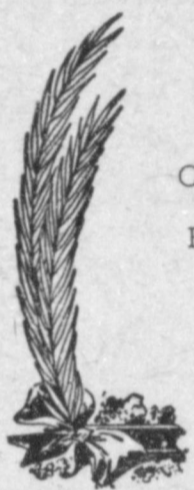

An anniversary high mass with renewal of their marriage vows will be held in Sacred Heart church at 8 a.m. to begin the day of reunion.

First to arrive for the celebration are Mr. and Mrs. Clarence Erpelding and children of Woodman, Colo., who came Friday. The Alex Knaufs and family, also of Woodman, arrived Thursday. They were in Jonesboro, Ark., on Aug. 15 to attend ceremonies at Holy Angels Convent. Their daughter Carlene, now Sister Clarice, made her vows and received her black veil.

The Knaufs were accompanied to Muenster by Sister Helen, daughter of the goldenweds, and Sister Monica, their granddaughter, daughter of the Herman Swirczynskis. Friday arrivals will include a grandson, Brother Gerald of San Antonio.

Alfons Koesler Jr. And Carol Voth to Marry on August 28

Mr. and Mrs. Ben Voth have announced the approaching marriage of their daughter, Carol Ann, to Alfons Koesler Jr., son of Mr. and Mrs. Alfons Koesler.

The couple has set Tuesday, Aug. 28, as the date for the wedding. The ceremony will take place at 9 a.m. in Sacred Heart church with the groom's brother, Rev. Leo Koesler of Subiaco, Ark., officiating.

Ruth Voth will be her sister's maid of honor and Veronica Koelzer will be bridesmaid. Herbie Yosten will be best man and Cecil Hermes of Lindsay will attend his uncle as groomsman.

The bride-to-be is a graduate of Sacred Heart High with the class of 1956. She is employed at the Variety Store. The prospective groom attended Sacred Heart High and served in the army two years with duty in Korea. After their marriage they will live on a farm here.

Stock up now and be ready for the opening of school on August 28.

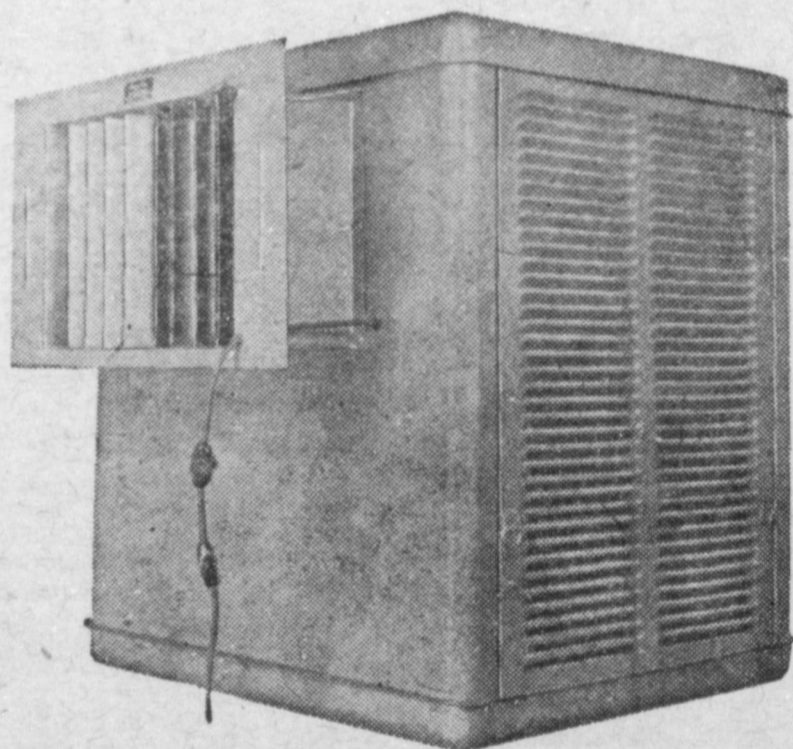

We have everything in school supplies.

INSURANCE ?

Suppose, one day, an insurance salesman called on you with a completely new idea in insurance.

He offers you a policy that will pay you a regular sum monthly after you reach 65 years of age, and he states that, no matter what your age, provided it is less than 65, your premium payments will always be the same.

But he reserves the right to make certain unilateral changes in the contract. At any time he can raise or lower your premium payments (but of course there is no thought of ever lowering them). And he reserves the right to change the payments you will receive after reaching 65 years of age—and even to change the age requirement. He reserves the right also to add other policyholders to the company's list

at any time, setting up new and different standards for admission to the system.

And suppose the insurance company operates on the principle of investing its premium income not in a diversified list of profitable investments but in operations of the company itself—although all the other operations of the company generally have in all but a few years of its history been highly unprofitable. And suppose the company is in debt for sums larger than it could hope to collect in premium payments in the next thousand years.

Would you buy such a policy? Probably not, unless you were compelled by law to make the premium payments.

As a matter of fact, you have bought such a policy. You are compelled by law to make the premium payments, unless you are one of a declining number of citizens who have not yet been included.

The company is the United States government. And the insurance you buy goes by the name of "social security."

DOUBLE STANDARD

It has long been illegal for corporations to make contributions to candidates for political office. This legal restriction, obviously, is based on the theory that corporations otherwise would use their economic power to elect men who would serve special interests.

Whether or not such laws are wise is debatable. What is not debatable, however, is that similar restrictions do not apply to organizations which also have great economic power—the unions.

The head of a major union, the International Ladies' Garment Workers, has said that his union will have more than \$500 thousand available for contributions to candidates in this year's national election campaigns. He said also that the combined AFL-CIO political fund may reach \$3 million.

What conceivable justification can there be in forbidding corporations from financing political candidates—and at the same time permitting powerful unions to spend money on a huge scale for political purposes and political ends?

BIGGEST GROWTH

The National Industrial Conference Board points out that while everything about this country has grown enormously in the last 40 years, the growth and cost of government have grown most.

Since 1922, for example, our national income has gone up 422 per cent. But the total tax burden has jumped more than twice as much—968 per cent. And the figure would be higher still if the annual \$11 billion in social security levies were included.

This clearly shows why cutting the cost of government and eliminating every non-essential activity of government is our number one domestic problem.

Golden Age of parenthood: When the children are too old for babysitters but too young to drive the car.

A Costly Procedure

An Aberdeenian on a visit to a friend in London overstayed his welcome. It was getting toward Christmas and his host thought a kindly hint would have the desired result.

"Don't you think," he said,

"that your wife and family will want you to be with them at Christmas?"

"Mon," replied the Aberdeenian, "I believe you're right. It's rale thoughfu' o' you. I'll send for them."

Christ Is In Our Law

By Dr. John Wu, author of FOUNTAIN OF JUSTICE

A COURT DECISION concerning a bottle of ginger-beer shows how much Christian influence there is in English and American law. In 1932 a woman and her friend went into a cafe in England, where the friend bought the woman a bottle of ginger-beer.

While she was drinking the contents, the woman noticed a dead snail in the bottle. When she later became seriously ill from the part she had drunk, she sued the manufacturer of the beverage.

THE "SNAIL'S CASE", as it is known, was finally settled in the House of Lords. Lord Atkin, in decision, made a practical application of Christian teaching to law. The golden rule about loving your neighbor," he said, "in law means that you cannot injure him. You must take care to avoid acts that you can reasonably foresee would be likely to injure your neighbor."

The manufacturer was held responsible for the beverage which made the woman sick. The woman won her case.

THE "SNAIL'S CASE" is an example of the teaching of Christ as part of our law. There

are many other cases we could mention.

Justice Brown of the North Carolina Supreme Court ruled that no man could use private property merely to harm someone. The principle was founded, he said, on the word of Christ, "Love thy neighbor as thyself."

ANGLO-AMERICAN JURISPRUDENCE—the common law of America since the eighteenth century and of England before the nineteenth century—is permeated with the spirit of Christianity.

MANY TIMES a judge has used words of Christ Himself and of His Apostles, especially St. Paul. Justice Carter in a marriage decision quoted St. Paul: "God . . . hath made of one blood all nations of men." Chief Justice Stacey in decision referred to St. Paul as a great lawyer.

Christ does not enter the courtrooms of America as a law-giver Himself. But just as the judges of ancient China used to quote Confucius, American judges quote Christ. American law must be seen as influenced by Christianity.

THOSE WHO WISH to make this country a secularistic nation do violence to the American tradition. The glory of the American legal system lies in the influence which common law has played in it. And common law is filled with the message of Christ.

Wu

† Paulist Feature Service, Washington 17, D. C.

NOW HUMBLE RESEARCH

presents to the motorists of Texas the world's finest automotive gasoline . . .

This new gasoline is designed for the growing number of automobile engines with very high compression ratios, and for cars that tend to knock on "premium" gasolines. In many cars, it is the only gasoline that will give you knock-free performance.

It has the highest octane rating of any automotive gasoline in town—the highest by far.

But octane rating is only one performance quality. Other improvements match Golden Esso Extra's increase in octane rating: this new gasoline also sets new quality standards for quick starting and fast warm-up, for protection against vapor-lock, for

minimizing engine deposits, for maximum acceleration, for protection against gum formation, for long mileage and maximum power.

It is the finest gasoline Humble has ever made—its performance rates it "premium over premium."

If yours is a car with a very high compression ratio—if your high compression engine tends to knock on "premium" gasoline—fill up with Golden Esso Extra at the golden pump under the Humble sign. You'll save the extra cost through performance, operating economy, and added gasoline mileage.

Golden Esso Extra is One of Three Great Humble Gasolines

Golden Esso Extra is for cars with very high compression ratios. But there are hundreds of thousands of automobiles in Texas that give perfect performance on Humble's famous Esso Extra gasoline, and there are others that perform well on regular grade Humble Motor Fuel.

Humble provides all three grades: Golden Esso Extra—premium over premium; Famous Esso Extra—premium; Humble Motor Fuel—regular.

Thus: you pay only for the quality your car requires.

Those whose cars require Golden Esso Extra quality will find it profitable to pay more for this new gasoline.

But for many, Famous Esso Extra is the best gasoline they can use, No. 1 in Texas, first in sales among the "Premiums" because it's first in quality. This great gasoline will continue to be the leader in its field.

For others, Humble Motor Fuel sets the pace for performance and mileage among the "Regulars." It is the only regular gasoline in Texas that contains a patented solvent oil to keep your engine clean.

Use and pay only for the gasoline your car requires . . . You'll find it under the Humble sign.

HUMBLE

From where I sit . . . by Joe Marsh

Turned Out To Be a Good Break

We had a water main break last Thursday. Happened early in the morning—about two a.m.—and the first thing most of us knew about it was when we tried to turn on the faucets and nothing came out but a hissing noise.

Nobody was inconvenienced much though. Repair crew went right to work—and things were fixed up in jig time.

Incidentally, the water company got a flood of payments on overdue bills that day. Lots of "forgetful" folks must have figured they were being warned!

From where I sit, sometimes our obligations slip our minds. Like the responsibility we all have to our communities . . . to see that our neighbors enjoy the right to decide for themselves how to work, how to vote, whether or not to enjoy a bottle of beer. Any time we "forget" we owe this right to others, we take a chance on stopping the flow of tolerance that makes this country such a grand place for us to live in.

Joe Marsh

Pause For Reflection

... with James C. Ingebreetsen President, Spiritual Mobilization "In God We Trust" is now the official motto of the U.S. But it may be open to serious question whether or not this motto states a fact.

Certainly the majority of us don't live as though we trust in God. How could we live so foolishly and indulge in the pleasures we do if we acknowledged

His authority and truly trusted in Him? "In God We Trust" now appears on all U.S. coins and on one postage stamp, and soon will be seen on all new paper money. But, until it is written indelibly in our hearts, it will remain only a motto to look at instead of being a motivation to live by.

Modesty — The feeling that others will discover how wonderful you are.

BATTLE OF THE STREET CORNERS—Chicago Board of Health mobile inoculation team sets up on a street corner of the polio-stricken West Side as the city fights to curb the outbreak before the peak of the polio season, which usually occurs in mid-August. Door-to-door solicitation was used to bring people to the makeshift clinics as polio cases topped 600 in the city's worst siege of the disease. Previous worst season: 1952, with 170 cases totaled during the same period of time. Hardest hit: children under five, with a ratio of 89.5 polio cases per 100,000 children, compared to a ratio of only 25.8 cases per 100,000 in children between the ages of five and 15—the group previously most inoculated with the Salk vaccine.

Local News BRIEFS

Mr. and Mrs. Virgil Streng and five-month-old daughter Melissa Gayle spent several days of this week visiting his parents, the John Strengs and family. They live at Robert Lee, Texas, and it was the baby's first visit here with her grandparents.

Mr. and Mrs. Harold Luke and children of Arlington are here on a two-week vacation. They are staying on the Luke farm while his parents, Mr. and Mrs. Ben Luke, are in Louisville, Ky., attending the National Letter Carriers Convention.

Mrs. Ray Owen and children Joyce, Rita Sue and Michael returned Sunday from a four-day visit in Lufkin with Mr. Owen who is employed there. Friday evening Ray joined his family on a drive to Buffalo to visit his sister and family, the W. E. Pickens.

Mr. and Mrs. Lou Wolf and daughters LuRena and Charlotte spent last week in Houston and Austin with relatives, and LuRena remained for an extended visit in Houston with her cousins Rosemarie and Edith Ankenbruck. The family visited Mitchell and Roger Wolf, Wilbert Vogle, Johnny Fisher and the Ankenbrucks in Houston. In Austin they were guests of Lou's uncle and aunt, Mr. and Mrs. Pete Wolf.

Mr. and Mrs. Lee Toothaker have returned from a vacation trip to Boulder, Denver and Greeley, Colorado, where they visited relatives. In Greeley they attended a reunion of the Toothaker families. Five brothers and sisters and other members of the family were present. It was the first time in more than five years that they were together.

Keith and Kenneth Grill of Midlothian, Ill., are visiting their sister and family, the Clyde Fishers.

Mary Margaret Schad spent Sunday and Monday in Dallas visiting her sister, Clarice, while she is on vacation from secretarial duties at Woolridge Lumber company in Gainesville.

Mr. and Mrs. Bob Kupper and children of Marlin arrived Tuesday night for a vacation visit with her parents, Mr. and Mrs. W. H. Endres and other family members.

Mrs. John Rohmer returned from Irving last Wednesday after spending several days with her daughter and family, the Morton Wrights. Mr. Rohmer and Maurus took her to Irving Sunday. That afternoon infant Michael Jay Wright was christened in ceremonies at St. Luke's church. Rose Holec of Dallas and Maurus Rohmer were sponsors.

Jim Walker and his mother, Mrs. Ada Walker, had as weekend guests Mr. and Mrs. B. E. Dunsworth and family and Mrs. Burgess of Cleburne. Joining them for a Sunday visit were Rev. Paul Patterson of Sherman, Rev. and Mrs. Robert May of Dallas, Rev. and Mrs. C. W. Luster of Bulcher, Mrs. J. E. Owens and her mother, Mrs. Ellen Cochran.

Becky and Jerry Higgins of Sherman spent the weekend in Myra with their grandparents, Mr. and Ms. A. J. Higgins. Their father, A. J. Higgins Jr., came for them Sunday and spent the day. Other Sunday guests were Mr. and Mrs. W. H. Acker and son Jerry of Gainesville.

Mr. and Mrs. Roy Atteberry left Saturday on a vacation trip to California. Enroute they stopped in Clovis, N. M., to visit her sister, Mrs. F. E. Dudley and family. In Los Angeles they will be guests of his brother Bill Atteberry and family, and in Modesto they will visit her sister, Mrs. C. W. Talley and family. While they are away, Ray's parents, Mr. and Mrs. H. O. Atteberry are staying on their farm.

Mr. and Mrs. Allan Hoffman of Wichita Falls were here for a weekend visit with his mother, Mrs. John Hoffman. Allan has two more weeks of summer school at Midwestern University, then a two week vacation before the fall term starts. He is doing senior college work now.

Mrs. T. S. Bridges of route 1, Muenster, was admitted to Gainesville Sanitarium as a medical patient during the weekend.

A woman is the only being that can skin a wolf and get a mink.

DARI-KOOL BULK MILK COOLER
Than Any Other Brand!

Shown above DK-250 (250-gal. capacity)

Milk is cooled to well below 40° in less than one hour — assuring a lower bacteria count and better milk. The milk cannot freeze — because the coolant is ice water.

Dari-Kool tanks are easy to clean and may be sanitized with hot water without damage. Units are ready to operate — no expensive, remote compressors to install or service.

Every Dari-Kool is built around a rugged 10-gauge steel frame — providing rigid support for the bulge-proof stainless steel milk tank. This assures accurate calibration and correct payment.

Get the cooler that leads in sales — leads in value — and leads in performance!

Meets All 3A Sanitary Standards

- ... Cools Faster
- ... Easier Cleaning
- ... Ready to Operate
- ... Milk Cannot Freeze
- ... Stainless Steel Tank
- ... Lower Bacteria Count
- ... Complete Service Available

DARI-KOOL will pay for itself in use.

HERE'S HOW ...

The cost of hauling milk in cans is 40 cent per 100 pounds as compared with 25 cents per 100 pounds for hauling tank milk, thus a saving of 15 cents per hundred.

Elimination of wastage of milk spilled or left in the can at the plant is 7 cents per 100 pounds.

Improved butterfat test gained by selling all the cream instead of leaving some of it sticking to the can and lid account for another 6 cents per hundred.

THIS GIVES A TOTAL SAVING OF 28 CENTS FOR EACH 100 POUNDS OF MILK HANDLED. THIS 28-CENT A HUNDRED SAVING WILL PAY FOR YOUR DARI-KOOL.

A producer with an average of 10 cans of milk (86 pounds each) a day will sell 25,800 pounds per month. At 28 cents per hundred saving, he will be ahead by \$72.24 each month.

The approximate cost of a 250-gallon tank installed is \$2,400 with interest of \$216 for a total of \$2,616. This can be divided into 36 monthly installments of \$72.11 each. **THUS YOUR SAVINGS MAKE YOUR PAYMENTS FOR YOU.** This estimate is without down payment or trade-in, which would cut the principal and monthly payment substantially.

Tea Tuesday Honors Seven Candidates For FB Queen Title

Honoring the seven young women of Cooke county, who will vie for the crown of Miss Farm Bureau, a tea was given Tuesday afternoon in the community room of the First State Bank, from 2:30 to 4. Sixty-three guests, Farm Bureau women, hostesses and contest committee members attended.

Receiving in the semi-formal affair were Mrs. Roy Robison, Farm Bureau secretary, and Mrs. J. E. Pybas, contest chairman. Mmes. Dutch Dillard and Monroe King poured punch. Others assisting with hostess duties were Mrs. Paul Fisher, Mrs. John Kuntz, Mrs. Gus Lutkenhaus and Mrs. Tony Reiter. Girls in the contest are Norma

Jean Walterscheid and Helen Fisher of Muenster, Gwen Friske and Margaret Beth Elkins of Downard-Fairplains, Betty Rose Kupper of Valley View, Ruth Ann Kindiger and Ann English of Rosston.

The winner will be announced on August 21 during a county-wide fun night for Farm Bureau members and their families in the community center building.

This Friday at 1:30 p.m. contestants will meet in the community room of the First State Bank for instructions to be given by Miss Terry Brown, a graduate of Powers School of Modeling, Dallas, and Miss Yvonne Allen, assistant home demonstration agent.

Concrete "boards," made by combining wood excelsior and cement, are in the offing as building blocks.

Local News BRIEFS

Margaret Myrick, a student nurse in Galveston, is spending a three weeks' vacation here with her family, the T. S. Myricks.

Sgt. and Mrs. Randall Carter and three children of El Paso spent Friday to Monday here with her mother, Mrs. Katherine Gehrig, and other members of her family. It was a surprise visit and they almost missed seeing Mrs. Gehrig, who that morning had taken a bus at 8:30 to go to Idaho Falls, Idaho, to visit relatives. The Carters arrived at about 11 a.m. The family here knew that Mrs. Gehrig had a lay-over in Wichita Falls and got busy on the phone. They got in touch with her and she returned to Muenster. The Carters went from here to Mineral Wells where he has been transferred. Tuesday morning Mrs. Gehrig left for Idaho. The George Gehrigs are staying at her home while she is away.

The home of Mr. and Mrs. J. M. Weinzapfel was the scene of a dinner party Monday night when their son, Rev. Joseph Weinzapfel and Rev. Benedict, O.S.B., were here to visit. Other guests were Rev. Paul Hoedebeck, Rev. Louis Deuster and Rev. Christopher Paladino. Father Benedict of Saint Meinrad's, Ind., has been helping with pastoral duties at Father Weinzapfel's church, St. Bernard's in Dallas, during the summer.

Nancy, Linda and Butch Hammer spent last week in Graham with their sister and brother-in-law, the Douglas Robisons. The youngsters enjoyed swimming and shopping and visited church on Sunday. Their dad and mother, the George Hammers, went for them Friday night and brought them home Saturday afternoon.

Mrs. Kenneth Cottle and children Diana and Kevin arrived Monday from San Antonio for a visit with her parents, the Joe Hoenigs.

Mr. and Mrs. John Richey spent the weekend in Oklahoma. Saturday they drove to Sulphur and Mrs. O. A. Ballinger joined them on a trip to Oklahoma City where they visited the Ed Ballingers and R. B. Clements. The Richeys' young guest, Walter Rixey, who had been visiting them three weeks, accompanied them and remained with his grandparents, the Clements, Saturday. Walter, who is six years old, will fly to Denver where his mother Mrs. W. W. Rixey will meet him and together they will go to their home in Salt Lake City, Utah.

Mr. and Mrs. Hank Walterscheid have returned from a six-day trip to Arkansas. They spent some time at Hot Springs, went through the diamond mine at Mulfreesboro, drove to Little Rock sight-seeing and then visited his sister, Sister Thomasina, and his aunt, Sister Anselma at Jonesboro.

Wendell Richey was here for a weekend visit and was accompanied back to Sweetwater by his wife who had spent a week with her parents, the Dick Cains and family.

Mr. and Mrs. Harry Scoggins and Bobby are back at home after a vacation trip. They visited friends in Vernon, then spent six days in Hot Springs, Ark. Returning, they stopped at Wilburton, Okla., with friends, had an outing at Turner Falls and spent Thursday to Sunday at Lake Texoma. Harry returned to work at the NTPA plant Wednesday.

Attend Wedding of Kin in Windthorst

Relatives from here were in Windthorst last Wednesday to attend the wedding of Rosalee Steinberger, daughter of Mr. and Mrs. Fred Steinberger, and Richard Schroeder, son of Mr. and Mrs. Joe Schroeder. The ceremony took place in St. Mary's church at 9 a.m. and was followed by a reception and dinner in the K of C Hall. Tommy Knabe was a member of the wedding party.

Attending were Mr. and Mrs. John Knabe, grandparents of the groom, and Messrs. and Mrs. Frank Bindel, Bill Derichsweller and daughters, George Mollenkopf, Norbert Knabe and Leo Sicking, Mrs. John Grewing, Mrs. Richard Grewing, Mrs. John Hoffman, Ruth Voth, Johnny Knabe, Frank Trubebach, Mr. and Mrs. Gary Hess and children LaVerna, James, Jerry, Leon and Frankie.

* SIGNS OF THE TIMES — On the back of a car: "Dimit Damit!" ... On a rural gas station: "Buzz twice for night service. Then keep your shirt on while I get my pants on!"

Annual Production Of Milk in US Would Flood Suez Canal

We wish to announce that the "River of Health" widely commented on in the nation's press, and composed of the 56 billion quarts of milk provided last year by America's 22,406,000 milk cows, would more than fill the Suez Canal. It would also float the US Mediterranean fleet, and several more fleets besides.

What it actually did, however, seems even more spectacular. It supported and advanced the health of the nation — the healthiest nation in the world. It sold for nine times the estimated cost of that controversial, yet mythical, Eswan High Dam. Roughly half of this River of Health was converted into butter, cheese, evaporated milk, ice

cream etc. The other half Americans consumed as fresh, fluid milk. It cost them an average of seven minutes work per quart — as compared with 115 minutes in 1929.

The milkman bought it first from the farmer, pasteurized it, homogenized it, fortified it (or whatever), bottled it and delivered it to his customer in order to make half-a-cent plus (52/100 of a cent) profit on a quart.

As a result of America's unparalleled cooperation between the cow, the farmer and the milkman, the American family gets up to 1/2 of its nourishment for 1/5 of its food-money.

We therefore favor the continued use of salt water in the Suez Canal — as well as the continued use of the Canal by all nations on equal terms. And we prophesy the continued use of increasing quantities of milk by the American people — the

cows willing. We would, however, in the interests of international amity, agree to diverting a quantity of this nourishing, health-giving, nerve-soothing fluid sufficient to fill Egypt's Col. Nasser and other Near East characters whose irritable attitude is plainly courting ulcers.

Irving Berlin takes a worthless piece of paper, and writes a song hit. He sells the copy for \$50,000. That's genius.

John D. Rockefeller would sign his name to a piece of paper and make it worth a half million. That's capital. A man can buy \$5 worth of steel and make \$1,000 worth of watch springs out of it. That's skill.

A cop can take a worthless piece of paper and write your number on it — and make you out ten bucks. That's your hard luck as a motorist.

But — when a man drives around and is looking for an apartment, finds just what he wants — and when the manager asks, "Have you any children?" puts on a long face and answers, "Yes, but they are in the cemetery," pays six months rent in advance, gets a receipt, then goes to the cemetery, gets his children, and brings them to the apartment — that's brains.

A man worries about what the future has in store but a woman worries about what the stores have in the future.

Health Department Issues Warning on Use of Insecticides

AUSTIN — State health authorities have raised a red flag of warning against careless use of insecticide compounds around homes and gardens.

Despite being "tremendous agents for good" when used properly, the potent compounds can be fatal when absorbed through the skin or mucous membrane or when inhaled, Health Commissioner Henry A. Holle said.

Only last week health department food and drug officials asked that a roach paste containing thallium be recalled from the market because its odor and taste made it attractive to children.

Two of the newer garden spray products — parathion and tetraethyl pyrophosphate — come from a group known as "organic phosphate" insecticides. They were originally designed for professional use only, by workmen thoroughly familiar with the dangers associated with them.

Now they are available in small packages or bottles which frequently reach the general public.

Dr. Holle urged persons who insist on using either of the two powerful formations to handle them as professionals do.

"They wear special protective clothing with goggles to keep spray from their eyes, and respirators approved for protection against organic compounds."

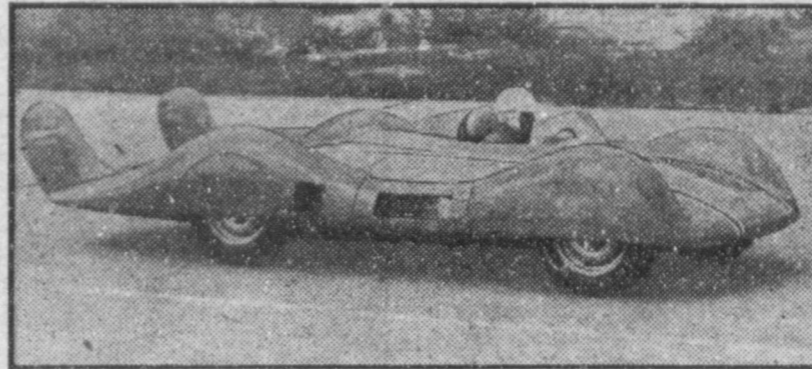

"They never smoke or eat until they have thoroughly washed after using the preparations, and they know the symptoms of insecticide poisoning."

Holle listed headaches, excessive sweating, giddiness, blurred vision, weakness, nausea, cramps, diarrhea, or chest discomfort as symptoms of insecticide poisoning.

"Unless a man has the equipment and technical know-how, he'd better steer clear of organic phosphate insecticides. And he would do well to read the precautions on the label of any insect poison, regardless of the ingredients."

As further insurance against poisoning, Holle suggests:

Keeping the insecticide out of reach of children and pets, and keeping it in the original container, covered and with the warning label attached.

ONE FOR THE ROAD—Demonstrating its twin-tailed sleekness, "L'Etoile Filante" (Shooting Star) stands ready for a trial run on the track of the Linas-Monthery Autodrome near Paris, France. The experimental car, propelled by a gas-turbine engine, is capable of reaching speeds of 186 miles per hour. The plastic-bodied revolutionary racer runs on kerosene fuel and is built by Renault.

Local News BRIEFS

Mrs. Bob McBride and son Mike of County Line, Okla., are visiting this week with relatives here and with her parents, Mr. and Mrs. C. L. Williams at Bonita. Sunday Mrs. McBride joined her sisters, Mrs. Henry Huchton and Mrs. John Huchton in attendance at the Forestburg Homecoming. They are ex-students of Forestburg school and saw many friends at the celebration.

Mr. and Mrs. Albert Knabe and daughter, Mrs. Angeline Shumaker and daughters Diane and Ruby, joined by another daughter, Mrs. Joe Devers of Valley View, spent Sunday to Wednesday in Hereford with the Adolph Knabe family, Leonard Knabe and the Frank Knabes. Little Lee and Vickie Devers stayed here with their aunt and uncle, the Herbert Fettes, while their mother was away. The three older children stayed with their daddy in Valley View.

Mr. and Mrs. Aubrey Tuggle and children returned Sunday from a vacation trip. They visited the Capitol in Austin and the Alamo in San Antonio enroute to El Campo where they were guests of relatives, then visited in Houston with her brother, Junior Bridges and his uncle and family, the John Tuckers.

Sam Tuggle Family Has Annual Reunion

Members of the Sam Tuggle family held their annual reunion Sunday at Leonard Park. A picnic dinner at noon, swimming, visiting and picture taking were highlights of the get-together.

Mr. and Mrs. Sam Tuggle, their children and their families, joined by other relatives, brought total attendance to about 75.

Present in addition to the folks from Cooke county were the Tuggles' son Ray and his family of Nocona, Mr. Tuggles' brothers Cap of Vernon and Pete of Tioga and their wives, his sister and her husband, Mr. and Mrs. Bert Fenley of Tioga, and Mrs. Tuggles' sister, Mrs. Hal Cockrell and her husband of Denton.

Third Order Meets Sunday Afternoon

Thirty members of the Third Order of Saint Francis gathered Sunday afternoon for regular prayers followed by a meeting.

After recitation of the office, J. W. Hess, prefect, addressed the group pointing out the many spiritual benefits derived by members who avail themselves of the opportunity. Special days of grace for members in August are the feast of Assumption, Aug. 15; feast of St. Louis, Aug. 25; feast of Blessed Bernard, Aug. 26, and the feast of the Seven Joys of the Blessed Virgin, Aug. 27.

Announcement was made of the coming convention to be held in San Antonio October 26-28.

Mrs. J. W. Fisher, secretary, read an article on "Rule of the Order" and members arranged a spiritual bouquet for Mr. and Mrs. Joe Swirczynski on their golden wedding anniversary.

Mrs. Pete Hawthorne and three sons of Corsicana spent last week here with her mother, Mrs. Frank Kathman and her sister, Mrs. Paul Fisher and family. Pete came to spend the weekend and took his family home.

Annette Berend Wed In Hereford Church

Annette Berend, daughter of Mr. and Mrs. Charlie Berend of Hereford, and Thomas Albracht son of Mr. and Mrs. C. J. Albracht, also of that city, were married Tuesday, Aug. 7, in St. Anthony's church with Rev. Nathaniel Madden reading the double ring ceremony and officiating at the nuptial high mass.

The bride wore a floor length dress of white Alencon lace and nylon marquisette over satin with long fitted sleeves and high neckline, moulded bodice, and voluminous skirt accented with panels of lace alternated with graduated panels of shirred marquisette. She wore a queen's crown of lace and a fingertip length veil and carried pink rosebuds.

Among attendants was Doris Raye Berend of Gainesville who was junior bridesmaid for her cousin.

Relatives and friends from Cooke county at the wedding were Joe Mages, Mrs. Felix Yosten and Mr. and Mrs. John Fleitman of Muenster, Mrs. Mary Berend grandmother of the bride, Mrs. Earl Lehnertz, Mr. and Mrs. Ewald Berend and daughter Doris Raye, Mr. and Mrs. Gilbert Yosten and son Garry, all of Gainesville, and Mr. and Mrs. Jake Bezner of Lindsay. Mrs. Lavel Kinsley and daughter Shelia, of Corpus Christi joined the Muenster group on the trip after a visit here.

The newlyweds are at home in Hereford since they returned from their wedding trip.

Marysville News
By Mrs. B. G. Lyons

MARYSVILLE, Aug. 14 — Mr. and Mrs. Max Harrell and daughter of Sherman spent Thursday with her mother, Mrs. Bill Moon and Mr. Moon.

Herman Richey and family who lived in this community for more than 20 years have moved to Gainesville.

W. O. Grant and family of Alta Loma left Friday to return home after a ten-day visit with her parents, Mr. and Mrs. B. G. Lyons here and her sister, Mrs. W. C. Stiles and family at Gainesville.

Wanda Lou West of Gainesville and Mr. and Mrs. Ivan Davison and daughter Glenda Kay of Muenster spent Sunday

with Mrs. Davison's sister, Mrs. Earl Robison and family.

Beverly Denton of Dallas, her mother Mrs. Clea Denton of Bowie, and J. C. Stephens of Saint Jo were Sunday visitors in the B. G. Lyons home.

Bobby Cheaney of Gainesville spent last week here with his cousin, Jimmie Robison.

Joe Wyatt has returned from Winnsboro where he spent a week with his brother T. C. Wyatt and other relatives.

Mr. and Mrs. Foster Davidson were in Sherman Monday to visit their daughter and family, the Bill Roes, Mr. Roe was just out of the hospital. He had a back injury. Returning, the Davidsons stopped in Gainesville and were dinner guests of another daughter, Mrs. Bo. Snow.

Members of the Methodist church met at the parsonage Saturday evening for their WSCS meeting. Afterwards they enjoyed a social hour with supper.

Plan Old Settlers Reunion at Bulcher

Old timers and newcomers are all invited to get together at Bulcher community Park for an Old Settlers Reunion and Homecoming on Sunday, Sept. 2, the day before Labor Day.

More than 300 invitations have been mailed to former residents and a big crowd is anticipated. A basket lunch will be spread at 1 o'clock on the park tables and everybody will be asked to register. While the oldsters sit in the shade and recall the good old times the event will take on the atmosphere of a giant family reunion.

LOADED WITH COURAGE—Carlos Ortega, now sole editor of the Tijuana, Mexico, weekly newspaper "El Imparcial," writes with a loaded pistol as a paperweight in wake of murder of crusading coeditor Manuel Acosta Meza. Meza was shot to death as he answered door of his home and Ortega says he has been warned he'll be killed if he continues to publish the paper. Meza had been conducting a campaign against alleged vice conditions in the popular south-of-the-border tourist spot, and governor of the Mexican department of Baja California, Braulio Maldonado, says he's prepared to close the border to American tourists in an effort to clean up conditions.

IT HAPPENED 15 YEARS AGO

August 15, 1941

Four weeks' drought ends with 2.76 inch rain. J. E. Gray, former Myra teacher, joins public school staff. Civic League will treat 4-H club girls to picnic supper and trip to County Fair. The Herbert Meurer family and his mother left Saturday to spend their vacation with relatives in Iowa. The Joe Horns and Mrs. J. S. Horn are vacationing in Colorado. The sale of Robert Yosten's farm to J. W. Hess took place this week; the Yostens will move to town and Al Hess will take over the farm. Lightning Thursday killed a cow at Herman Zimmerer's farm at Lindsay. Kessler Plan Association executive praises Civic League and Garden Club on achievements. Softball comes to the front as this community's principal diversion.

10 YEARS AGO
August 16, 1946

Both Muenster schools set Sept. 9 as opening date. Schools will cooperate in lunch program

for the year. Parochial gridders will start season in new uniforms. Ancient fence at Sacred Heart church is removed this week. Early morning fire destroys barn and contents at Ed Hess farm. Arnie Wimmer is enroute home after serving in the army in Japan. Joe Tempel has joined the Muenster Telephone company line crew. Clara Mae Mosman and Francis Wiese marry. Mrs. J. W. Meurer ob-

serves her 71st birthday. Joyce Wiesman is recovering from a tonsillectomy. Catholic Daughters make plans to sponsor Labor Day picnic and dance.

5 YEARS AGO
August 17, 1951

Herman (Poss) Swirczynski is seriously hurt in accident at Shawnee, Okla., Kraft cheese plant while moving equipment from the shut-down plant. A report in keeping with "Rural Electric Week" shows the local Co-op with 2937 members on 1185 miles of line. Herbie Yosten writes of his arrival in Germany with the army. Ervin Hamric is appointed school bus supervisor. Henry Fette is recovering from a gall stone operation. Jacob Pagel, state president of the Catholic Knights of America, attended the organization's state convention in Cameron this week. School starts at Lindsay; will recess for cotton picking.

A chaplain, serving his first day on an aircraft carrier somewhere in the Pacific, sat down for mess with some enlisted men. The speed with which the navy men stowed away their food intrigued him.

His own account of what happened was:

"I bowed my head to say a few words of grace, and when I looked up again, a waiter asked me what I wanted for dessert."

The best way to be sure you can't learn to do a thing is to stop trying.

Blessed Events

Mr. and Mrs. Dan Haverkamp announce the birth of a six pound nine ounce daughter on August 9 at M&S Hospital at 1:53 p.m. The little girl is the first grandchild of Mr. and Mrs. Bill Haverkamp. Her maternal grandparents are Mr. and Mrs. Joe Fette, and she has five great-grandparents, Mr. and Mrs. Joe Otto, Mr. and Mrs. Henry Fette, and Mrs. John Schilling.

A seven pound daughter, their third child, was born to Mr. and Mrs. Robert Bayer Friday, Aug. 10, at 11:20 p.m. at Gainesville Sanitarium. Others welcoming the baby are her brother and sister, her grandparents Mr. and Mrs. H. J. Fuhrman and Mrs. Gertrude Bayer, and her great-grandmother Mrs. Joe Walter-scheid.

Mr. and Mrs. Joe Starke are rejoicing over the arrival of their first grandchild, David Pfaff, son of Mr. and Mrs. Leonard Pfaff of Denver, Colo. He was born August 5. Mrs. Pfaff is the former LaVerna Starke.

A seven pound ten ounce girl was born at the Muenster Clinic Tuesday at 8 p.m. to Mr. and Mrs. Cecil Williams of Gainesville. They have two other girls and two boys. Mr. and Mrs. Ray Blakey of Gainesville are the grandparents. The new baby's name is Lisa Maurine.

Less Rain Needed On Fertile Fields A&M Experts Say

COLLEGE STATION — Crops suffer more from lack of moisture on fields of low fertility and normal rainfall than on fields of high fertility and low rainfall.

The old saying that soil is drier now than it was 15 to 20 years ago, has a real basis for truth. According to research agronomists this is due to fertility depletion and reduction of organic matter.

On sandy upland soils around College Station, research is being done with fertilizers. In one area, soil was limed, given a broadcast fertilizer treatment and sprigged to Coastal Bermuda in June of 1953. In 1954 measurements of hay yield were made. Where no extra nitrogen was applied it required almost 18 inches of water to produce a ton of hay. Where 800 pounds of nitrogen was applied, less than 5 inches of water was required to produce a ton of hay.

These results make it quite evident, says Bates, a lower productivity level requires a much higher amount of water to produce a unit of hay. Returns on the investments are \$2.00 for each \$1.00 spent up to 400 pounds of nitrogen. Up to 650 pounds, returns in extra hay gave \$1.23 for each \$1.00 spent.

Gainesville Store Plans to Be Open Three Days a Month

Something new in retailing in Cooke County is the Clothing Mart which opened Thursday in the Schad and Pulte building in Gainesville.

The store will be open only three days a month, according to present plans of the management as explained by C. J. McManus, president of the company. Each three day business session is to consist of a big, highly publicized sale. The initial session includes Thursday, Friday and Saturday of this week.

The Clothing Mart is one of a chain of stores operated by Dad and Lad's, Inc., with general offices in Dallas.

McManus, who is president of the company, said that the grand opening sale will offer the largest stock of men's clothing in North Texas. There will be 700 suits, 1000 pairs of slacks and an exceptionally large stock of sport coats, jackets, shirts, ties and other men's wear. The assortment features nationally advertised brands in both summer and fall clothing.

Lindsay News

Mike Fuhrmann and his granddaughter, Maria Fuhrmann, returned Friday from a week's visit in Illinois. They were guests of Mr. Fuhrmann's daughter and family, the George Hartmans in Elmhurst, and they all went sight-seeing in Chicago.

Mrs. Lavel Kinsley and daughter Shelia returned to Corpus Christi Sunday after a visit here with her parents, Mr. and Mrs. Frank Mages, and other relatives in Cooke county. They were among those attending the wedding of Annette Berend in Hereford.

Mrs. J. M. Weinzappel and Mrs. M. J. Endres of Muenster visited Mrs. I. A. Zimmerer Tuesday afternoon.

Since Tuesday Butch and David Arendt are visiting their cousins Randy, Charlene and Ricky Wimmer in Muenster. They'll stay a week.

Mr. and Mrs. Don Hermes and son Donald Ray of Austin are visiting his parents, Mr. and Mrs. Joe Hermes here and other relatives in Cooke county. They are house guests of his sister and family, the Emil Rohmers in Muenster.

W. J. Schmitz received medical care at M&S Hospital the past week.

Joseph Hundt, 85 Observes Birthday

Joseph Hundt who observed his 85th birthday Sunday was honored with gifts, greetings and visits from his children and grandchildren during the afternoon even though there was no formal celebration to mark the occasion.

Mr. Hundt has lived at Lindsay for 63 years. A son of Mr. and Mrs. Chris Hundt, he came to Lindsay with them in 1893 when the community was only two years old and the parish numbered only 35 families.

As an early resident of the colony he was active in parish and community undertakings. His wife is the former Amelia Flusche. They have five children: Gregory and Joe Jr. of Lindsay, Herbert and Mrs. Val Dieter of Dallas, and Mrs. Alois Hess of Muenster.

Rosalie Beyer and Raymond Sandmann Will Marry Sept. 1

Mrs. Adam Beyer of Lindsay has announced the engagement and approaching marriage of her daughter, Rosalie, to Raymond Sandmann, son of Mr. and Mrs. William Sandmann, also of Lindsay.

The ceremony is planned for September 1, 4 p.m. in Saint Peter's church.

Aileen Schmitz, cousin of the bride, will be maid of honor and Bessie Franklin of Gainesville will be bridesmaid. Barbara Sandmann and Pamela Stoffels, niece of the couple, will be flower girls.

Edward Sandmann will be best man for his brother and his cousin Weldon Bezner will be groomsmen.

After their marriage the couple will live in Lindsay. Both are employed at National Supply company.

91 Attend Reunion Of Flusche Family

Ninety-one members of the Joseph Flusche family were present for a reunion in the home of Mr. and Mrs. Lawrence Zimmerer at Lindsay on August 5.

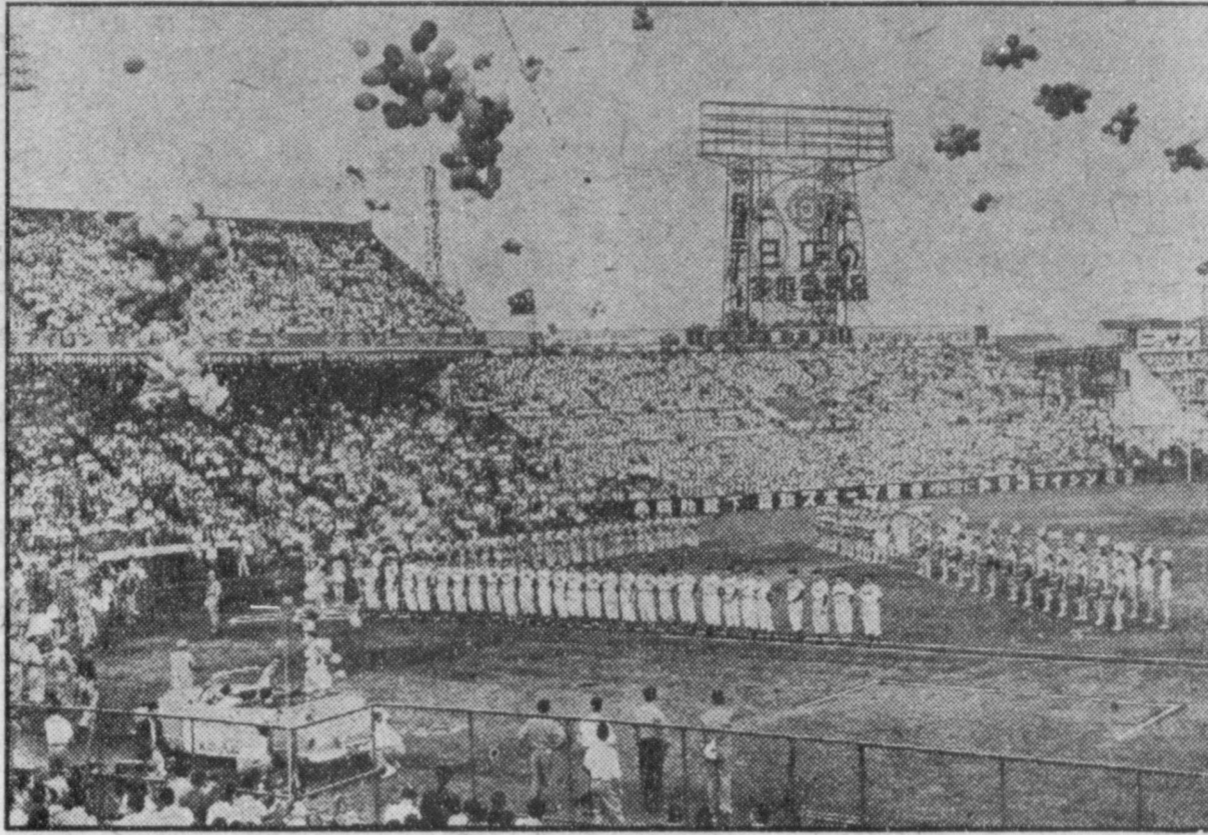

Mr. and Mrs. Joseph Flusche were present with their 12 children. They have 48 grandchildren and 11 great-grandchildren, most of whom attended the get-together.

A picnic supper followed by showing of movies taken at last year's reunion. They were shown by Andrew Flusche who also showed movies of their trip through southern states last year. Pictures were made of this year's reunion. Father Louis of Muenster and Father Mark of Lindsay were special guests.

Attending were Messrs. and Mmes. Henry Henscheid, J. P. Flusche, Gus Lutkenhaus, Paul Fetsch, Wilfred Bindel and Julius Hermes Jr. and their families of Muenster; Mr. and Mrs. Urban Flusche and family and Father Hubert Neu of Dallas; Mr. and Mrs. Andrew Flusche and children of Pilot Point.

Messrs. and Mmes. C. M. Flusche and family, Al Flusche and family and L. W. Flusche and daughters of Decatur; Mr. and Mrs. James Bayer and Betty Bireschenk of Valley View; the Joe Simeroths and family of Fort Worth.

Messrs. and Mmes. Joe J. Neu and family, Raymond Zimmerer and family, Charles Neu and daughter, and Joe Schmidtkofer and the hosts, all of Lindsay.

BASEBALL A LA TOKYO—Baseball, the American pastime, gets the full treatment for Japan's pro-baseball All-Star game in Korakuen Stadium in Tokyo. It's a royal fanfare, including ascending balloons, costumed girls and brass bands, and a capacity crowd of 45,000 ardent fans as the top players from Japan's two major leagues await the "Play ball" cry.

Marcella Bezner Weds in Hereford

Of interest to relatives and friends here is the recent marriage, in Hereford of Marcella Bezner, daughter of Mr. and Mrs. Frank Bezner of that city to Doyle Vaughn of Tullia.

Rev. Bartholomew Paytas read the double ring ceremony and officiated at the nuptial mass in St. Anthony's church. Mrs. Morris Hacker (Gwendolyn Jesko) organist, played the nuptial prelude and wedding marches.

Carol Bezner, maid of honor, and Bernadette Bezner, bridesmaid, were their sister's attendants. They wore dresses in two shades of orchid. Billy Ray Betzen and Jodie Bezner, cousins of the bride, were acolytes. The bride, given in marriage by her father, wore nylon lace over taffeta designed with a chapel train. A tiara of pearls and rhinestones held her fingertip veil of illusion and she carried a purple orchid surrounded by white rosebuds.

Mr. and Mrs. Vaughn will make their home near Tullia on a farm.

Overstocking Fish In Lake Makes 'em Plentiful but Puny

AUSTIN — A South Texan has just determined that overstocking of his private pond, and not some mysterious ailment, was responsible for the abnormally small catfish he has been catching.

Communicating with the Chief Aquatic Biologist of the Game and Fish Commission, the man learned that the seven hundred plus big and little channel cats he placed in his one acre tank originally comprised about fifteen times more than recommended by technicians. He had

complained that, after four years, the catfish he was catching were only five or six inches in length.

The Chief Aquatic Biologist explained that planting fifty catfish fingerlings in a tank the same size will produce amazing growth. He wrote to the mystified land owner:

"From experiments conducted by our Mr. W. H. Brown, it was found that in a one acre pond fifty channel catfish after eight months had an average length of 18.9 inches and a weight of 33.0 ounces.

"When 75 channel catfish per acre were stocked, at the end of eighteen months they attained a size of 16.3 inches and a weight of 23 ounces. When 100 catfish per acres were used, at the end of eighteen months they had an average length of 15.9 inches and a weight of 22 ounces. We also have received verified reports that nine months after stocking, some pond owners when stocking 100 fingerling catfish per acre were able to catch some channel catfish that measured 15.75 inches.

"It is a truism that waters are capable of producing a given amount of fish weight. Thus, if the fish are limited in population, they will grow to be bigger fish than if the fish are present in large numbers. For example, if a pond is stocked with 100 fish per acre and a like pond is stocked with 1,000 fish per acre, the two ponds will produce the same poundage of fish. You can readily see that the pond with the 100 fish per acre will be the pond that produces the large fish.

"It is also true that any time bluegill sunfish are present in a body of water, they reproduce so bountifully that they soon become present in such quantities as to cause a stunted population of their kind."

Charcoal Broiling Without Charcoal Is More Efficient

Outdoor cooking enthusiasts may be interested to learn that the newest and most efficient method of charcoal broiling is without charcoal!

It can be done quicker, cleaner, and cheaper with gas, and the results are the same or even better.

Homemakers are just beginning to catch on to this idea, but progressive restaurants and roadside inns have for some time been using gas in their huge "charcoal" grills, the Council reports.

Lava rock or pieces of ceramic rest on iron grates or wire mesh screen above gas burners. The gas flame heats the rock, and steaks, chops, hamburgers, chicken, and fish are broiled to mouth-watering perfection, through infra-red rays. Drippings are burned on the hot rock, and the smoky flavor permeates the broiled food, giving a perfect charred-like flavor.

With controlled heat, the food is cooked more evenly. There is no long wait for hot coals, and there is no charcoal to replace. If the homemaker broils often, purchase of charcoal can be quite an item in the budget.

Speaking of research and development, over 75% of common prescription drugs were not in existence ten years ago.

Confetti

There can be no more urgent platform plank for either party than one which proclaims "know our enemy and deal with him as an enemy." No candidate and no party deserves a place in our government unless he, and it, gives full assurance of ending all concessions to the reds at home and abroad.

Visitor — "I do hope you keep your cows in a pasture."

Milkman — "Yes, madam, of course we keep them in a pasture."

Visitor — "I'm so glad to hear that, I have been told that pasteurized milk is much the safest."

"Hey, what are you doing?" yelled the foreman.

"I'm just sharpening a pencil," called back the bricklayer.

"Well, don't let anybody see you. That's a carpenter's job, you know."
