MUENSTER, COOKE COUNTY, TEXAS

OCTOBER 6, 1961

NUMBER 46

A real puzzle in modern politics is the present Nixon-Knight fuss over the alleged offer of a fat political appointment to Knight if he would step aside and give Nixon the uncontested Republican nomination for governor of California. Within hours the two principals were calling each other liars. The question of who's lying has not been decided so far, but the incident has already gone so far that the outcome is almost certain to cause serious political injury to either or both of them.

What amazes this column is the fact that either of those men, experienced in the ways of politics, would get so worked up over a matter that is taken for granted in political circles. Suppose Nixon offered such a deal. Would it be any different from dozens . . . or hundreds . . . of other appointments in state and national circles as rewards for service in the interest of the party? Considering the present status of both men, we can reasonably assume that both have previously made similar deals to get the backing needed for their progress to date. A commonly known axiom of politics is to remember those who have been helpful.

Following that axiom Nixon might have replied, whether or not he was responsible for the offer, that the idea has political merit, that he believes in political reward to a person who subordinates his personal wishes to party harmony. And the public most likely would have permitted the incident to end there.

Instead it seems both have decided to be political gladiators, engaging in a struggle that may end in the political death of one of them.

As a matter of principle we must admit that this method of making appointments has its faults. In too many selections the object is to find an office for the man instead of a man for the office. That's good for the group in power though not always good for the country.

Nevertheless it's the system we're stuck with, a sort of necessary evil that we will have as long as human nature remains as it is. Isn't it surprising then that two seasoned politicians should become so horrified at mention of a practice they both know so well?

Have you wondered about the value of driver education in school? Well, Governor Daniel assures you that it is paying off in decreasing number of accidents. Each year more youngsters are taking the course, so each year there are more included in the 15-24 year-old age group. And that group's number of fatal accidents is decreasing steadily.

Reason as well as statistics favors driver education. The course begins with fundamentals on what a car is and what it can do. Before his first driving lesson a student is taught respect for the powerful machine under his command. He also learns traffic regulations and their function of keeping order on the road. Then he gets his driving lessons from someone who was specially trained to teach the right way and give close attention to correcting faults. It's much better than learning from a parent who may have bad driving habits himself, or from a show-off companion. In short, driver training helps youngsters to keep living while other courses prepare them for life. It's a proper supplement to today's education curriculum.

Wednesday of this week was designated by President Kennedy as a nation-wide day of prayer for world peace. The idea is wonderful, but why has it been limited to just one day? Considering the job that looms ahead we ought to realize that it calls for many more days of prayer.

The most encouraging fact about the request is its official public admission that the time has come for us to get down on our knees and ask for Supernatural help in restoring order to our loused-up state of world affairs. Men have left God out of their dealings for so long that only the intervention of Divine Wisdom can get them back in line.

It's important to remember, however, that we need not expect Almighty God to come miraculously to our aid. He doesn't operate that way. Instead, we can look forward with confidence if our prayers will inspire Western leaders to go to God.

There's the real solution in (Continued on page 8)

**A STONE'S THROW**—Zug, Switzerland, is one of the few places in the world where "only a stone's throw" is a big task. Josef Ruegg found out the hard way, but managed to heave the 184 pound stone a distance of nine feet. The stone has been in use since the early 1800's.

## Bids Invited for Another Dam on Elm Watershed

Soil Conservation Service has announced that sealed bids for construction of another flood prevention dam on the Elm Fork of the Trinity will be received until Oct. 25, 1961, in the office at Temple.

The site, Number 7C, is located on the Hill Campbell Ranch northeast of Muenster. Specifications call for 147,850 cubic yards of embankment to detain flood water from 7,104 acres of drainage area.

Progress on the Clear Creek watershed shows two more sites that have been core drilled and soon will be ready to advertise for construction bids. These are site No. 14 on the A. F. Birdsong land south of Saint Jo and No. 15 on the John B. and Cord L. Wilson farm.

Detail surveys and core drilling are now taking place on six sediment control structures on the Clear Creek watershed. These are designed to catch sediment from badly gullied areas and will prevent silting in the dams and creek channels below.

This represents another step forward in the Upper Elm-Red Soil Conservation District's program to stop floodwaters on small up-stream creeks and prevent overflow of big streams lower down. It means more progress in the local district's program to protect and improve all agricultural land within its boundaries.

## NEWS OF THE SICK

Father John Walbe, Lindsay's pastor, is hospitalized at Crawford County Memorial Hospital at Van Buren, Ark. where he had an operation for gallstones Monday.

He left last Thursday, Jake Bezner and Wilfred Bezner taking him by car. Father John will be a hospital patient from two to three weeks and will be cheered by cards.

Twelve-year-old Chris Walter who was a patient at St. Paul's Hospital in Dallas for surgery on a broken and battered finger, sustained in football practice, was dismissed Friday after four days and had to return for a check-up Tuesday. His parents, Mr. and Mrs. Oscar Walter, went with him.

Chris Cain received treatment at Necona Hospital last Tuesday after being hurt in football practice but returned to classes after treatment.

Mrs. Ben Hellman was improved Wednesday after suffering a sinking spell Sunday. Members of the local CDA club provided sitters with her at Gainesville Sanitarium for Sunday, Monday and Tuesday nights. No extra help was needed Wednesday.

## Plans in Making For United Fund '61 County Drive

Plans for the 1961 United Fund drive in Cooke County are shaping up now with Lambert Bezner of the First State Bank, Gainesville, as general chairman and a goal of \$45,900. That figure was determined by combining budgets of all the participating organizations.

Of special interest locally is the admission of Muenster's Youth Center as one of the participants with a budget of \$500. Directors of the United Fund board admitted it in their meeting Monday.

Henry Weinzapfel, head of last year's local drive, will serve again as community chairman at Muenster.

First important date in the campaign is next Wednesday, Oct. 11, when a joint service club and employers' luncheon will be held at noon in the Community Center building, Gainesville. All interested persons are invited to attend.

## Parish Hosts for Catholic League District Meeting

Speaking on the subject "What we can do for our youth", Larry Stenger of Denison was headliner here last Sunday at the semi annual meeting of the North Texas District of Catholic State League.

He said good example is the principal ingredient in the making of God-fearing, useful citizens, that children will be more impressed by what they see parents doing than by what parents tell them to do.

Other recommendations were to provide wholesome recreation and entertainment, encourage enthusiasm for work and studies, guard against obscene literature, and urge activity in good youth organizations.

His talk, because of its subject, was placed on the youth section of the league's program. Others on that part of the program were Kathleen McCannon of Muenster, Jimmy Zimmerer of Lindsay and Jim Poirat of Windthorst. Chairman for the youth session was Patty Schroeder of Windthorst.

The adult section of the meeting consisted of a short business session, which included a vote to meet at Windthorst next time, and talks by some of the organization's leaders as well as visiting clergy and local society heads. Robert Wolf of Windthorst was chairman.

Among the speakers were Fathers Alcuin, Martin, Bruno and Ignatius; Ed Dausin of San Antonio of the league's insurance branch; Mr. and Mrs. Joe Krause of Dallas, officers of the national Central Society; Mr. and Mrs. Steve Marturano of Temple, officers of the Catholic State League; Mrs. Frank Herr and Dan Haverkamp, heads of the hosting parish societies.

Two events featured the entertainment program. One was a social gathering and dance at night in the parish hall, the other was a stage presentation by eighth graders of Sacred Heart School under direction of Sister Richard.

## Uphill Struggle Faces Tigers in Callisburg Game

Sacred Heart makes no prediction as it prepares to do battle here Friday night with big, tough Callisburg, but Coach Adam Wolf has his fingers crossed. With the breaks, he feels, the Tigers may spring an upset.

The Wildcats, rated as one of the top powers of District 12-B, started the season strong but are handicapped by injuries lately. Sacred Heart made a less impressive start but has shown big improvement in its last two games.

Still, it's an uphill struggle for the Tigers. Callisburg is not only good but husky. It has the power to push the little Tigers around, that is, unless the Tigers can muster the extra spirit to make up for the difference.

Indications are that all the Sacred Heart boys will be able and eager for the tussle. They came through last week's game without an injury.

2nd LT. LAWRENCE MILNER is settled at Keesler Air Force Base, Biloxi, Miss., since his recent call for active duty. He received his commission in the Air Force at his graduation at Texas A&M College in May. His parents are Mr. and Mrs. M. F. Milner.

## News of the Men in Service

### Home On Leave

Sailor Ronnie Cunningham is at home on a 14-day leave after checking out of boot camp at San Diego. He came to Muenster with his sister Carolyn Cunningham and his cousins Margie and Lois Owen of Dallas where he visited Friday enroute. The three girls are having their vacation at home too with their families, the Herb Cunninghams and the Ray Owens. After his leave Ronnie will join his brother, Sailor Herb Cunningham for sea duty aboard the U.S.S. Delta. During boot camp Ronnie was in training with his cousin Roger Paulter but from now on they will be separated. Roger has already completed a leave at home and is headed for Hawaii.

### Gets New Address

Naval Airman Kenny Fette, in his first letter since getting settled in Hawaii, lists his address as follows: James K. Fette; A E W BARRON, Pac.; Box 1010, Navy 14; c/o Fleet Post Office; San Francisco, Calif. The letters, Kenny explains, stand for Air Early Warning Barrier Squadron, Pacific.

### In Training Exercise

Serving aboard the attack cargo ship USS Washburn, one of ten ships and other units which took part in Operation Wagon Master was Gilbert Knabe, electrician's mate fireman, USN, son of Joe Knabe. The ten-day amphibious exercise was designed to range through all phases of a modern amphibious operation, beginning with the landing of some 5500 Marines at Northwest Harbor, San Clemente Island, Calif.

### Take Army Physicals

In Dallas last Thursday for army physicals were Lambert Walterscheid, David Walterscheid, Charles Felderhoff, Mike Fuhrmann and Fritz Hermes.

### 14 Day Leave

Pfc. Robert Haverkamp is here on a 14-day leave from army duty at Fort Lewis, Wash. He arrived Tuesday night to visit his parents and family, the Lee Haverkamps.

### At Fort Carson

Charles Jetzelsberger who was inducted into the army last week went to Fort Carson, Colo., according to word to his parents.

## Title Recorded For Hospital Site, Final Plan Starts

Another step toward erection of the Muenster hospital has been completed. Title to the site has been officially recorded as belonging to the Hospital Authority as agreed when the deed was given in escrow to Steve Mosler several months ago.

The agreement then was to record the title when the project was assured.

Also in progress now is drawing of the plan which is to be submitted for final approval in Washington. It will incorporate changes recommended by the state health department and also by the Benedictine Sisters, who will be administrators. Those changes, mostly concerning the sisters' living quarters, were requested by Mother Philippa here early this week.

## Shakespeare Play Takes a Beating In Clever Parody

Shakespeare's classic drama, Othello, took a beating here last Sunday in the presentation of a clever, comic parody on that play by eight graders of Sacred Heart under direction of Sister Richard.

The skeleton plot of Shakespeare's original was told in three acts by songs to the tune of well known folk songs. The class sang as a group while four characters did the acting.

An introductory message by Debra Schilling before the play gave a brief synopsis of Shakespeare's version and added "you are about to see ours. Our apologies to William for the tragedy we have made of his tragedy. Our version has been abbreviated, murdered and modernated."

Members of the cast were Virgil Swirczynski, Othello; Gloria Haverkamp, Desdemona; Joe Hartman, Iago; Mary Wimmer, Emilia. Carol Henschel accompanied at the piano.

## Bank Continues Gain in Deposits Since Last Year

A new high for its quarterly statement of condition was reported this week by Muenster State Bank. Response to the call issued by the State Banking Commission showed total deposits of \$3,352,860.26 as of the close of business on Sept. 27.

This represents an increase of \$163,316.02 over deposits in the third quarter statement of 1960, which was dated Oct. 3, and a gain of \$173,387.33 for the past three months.

Also the figure shown represents a drop from the bank's all time high deposit, which was reached on Sept. 5, 1957, of \$3,557,022. On Aug. 19 it got over the \$3.5 million mark for the first time in the bank's history.

A break-down of deposits on the call date shows \$1,797,063.67 on demand account and \$1,555,796.59 on time account.

Loans at the bank also increased during the past year. The total on Sept. 27 was \$1,680,964.73, a gain of 218,512.92. Likewise other banking firms of the county showed an increase of business for the year. Total deposits for the county were up \$1,037,106.14. Loans were up \$1,639,888.42.

## Signs Point to Even Match as MHS Plays Chico

This is the week for Muenster High's Hornets to break their losing streak. That's how they and Coach Glenn Richardson have it figured as they get set to entertain the Chico Dragons on the Hornet field Thursday night.

According to the records this should be the most even match of their contests so far. Chico went down 18-6 at Newcastle, which is slightly better than Muenster's 26-6. But there was a big difference in Hornet performance in the two halves of that game, and Richardson is hoping they will follow the second half pattern in this one. It they do, they'll win, he says.

Other factors lean in Chico's favor. Its season record so far is 2-1-1, the tie being with Class A Boyd. Besides the Dragons will have a big weight advantage, even more so than other teams have had over the pint size Hornets. Richardson estimates the average difference per player at 20 pounds or more.

Injuries too are hampering the Hornets. Johnny Pagel still favors a sore leg but expects to be in action. Wiesman and Vogel will wear extra protection for bruised ribs and Wiesman also will continue with the cast for his broken finger.

## Schools to Have Holiday Monday

Both local schools will have a holiday next Monday, Oct. 9, while teachers of Sacred Heart School attend the annual institute of parochial school teachers of the Dallas-Fort Worth diocese.

Because of joint use of the school buses and the parallel schedule, the public school also will dismiss on that day.

The diocesan teachers will meet in the new OLV high school at Fort Worth.

## Key Rate Drop Nets Insurance Savings to City

Good news for Muenster is a report last week from the State Board of Insurance indicating a reduction in the city's key rate and also a promotion in rate classification. The reduction is from 42 cents to 39 cents on the key rate. The promotion is from second key rate classification to first.

The change results in savings of about \$500 a year on fire insurance premiums paid here, according to an estimate by Earl Fisher of the Weinzapfel Insurance Agency. The lower key rate accounts for some of the saving, the better classification accounts for additional saving.

The reason for the better rating is increase of duplicate pumping facilities of the water department to 500 gallons per minute. Formerly the stand-by pump had a 300-gallon capacity, and that was the city's limit if the 500-gallon main pump failed. So the city could not qualify for a first key rate classification nor a rate under 40 cents. The better classification now clears the way for further reductions in key rates.

For several years Muenster has received the maximum credit of 25 per cent as a result of the city's record of low fire losses.

## KCs Change Date For Observance Of Columbus Day

Plans for Columbus Day observance by the Muenster K of C council have been changed. The group communion and breakfast will be held on the Sunday after October 12 instead of the Sunday before . . . that is, on the 15th instead of the 8th.

Conflict with a pancake breakfast sponsored by Sacred Heart High seniors is the reason for the change. Both events were set for the parish lunch room.

Another part of the KC plans remains unchanged. The social gathering and dance will be held on Sunday the 8th in the KC hall as originally planned.

## Rain Measure 1.72

More improvement in Muenster's moisture condition came early Monday with the arrival of a 1.72 inch rain. Little by little the soil store of moisture is building up for the coming crops.

Light rain on Oct. 1 measured .05 and rain two days before brought the September total to 4.92 inches, and the year's total through September to 22.84 inches. The year's total to now is 24.61.

## Cubs, Windthorst In Scoreless Tie

Failure to cash in at the goal line deprived the Tiger Cubs of an earned win at Windthorst last Thursday night. They had to settle for a 0-0 tie after besting their hosts through practically all of the game.

Three times they got inside the 20 yard line and one of the plays was a pass that would have won if it had been held.

Windthorst failed to get within scoring range. It crossed midfield once, reaching the Cubs' 40 yard line.

### Prayer for Peace

Special services in Sacred Heart Church Wednesday night observed President Kennedy's request for nation wide prayers for peace on that day. The service consisted of group recitation of the Rosary followed by Benediction with the Blessed Sacrament.

### UN or US?

Somewhere along the line, the United States (and that means the Executive Department) is going to have to make some decisions. And due to the swift tragedy that struck down Dag Hammarskjold from the African skies, it may be soon.

The worsening Berlin situation cannot continue to worsen — gradually. Our apologetic and half-hearted resumption of underground testing of nuclear "devices" cannot meet our military needs — much less make up for the three years of precious time we gratuitously give away to our enemy.

Despite the vigorous opposition of the people of the US, the issue of the admission of Red China to the UN will be brought before that body —

and at a time when we have as our chief delegate a man who has expressed the fatalistic view that the success of Mao's murderers is "inevitable".

And in Cuba, the most shameful example of our weakness and vacillation, Castro continues to mock us. While we shed our tears and substance on "underdeveloped nations" half a world away, Castro is taking the little children from their parents for Communist indoctrination and has, in fact, shipped many to Russia!

These are but the most obvious and most immediate of the disgraceful situations our inaction has allowed to engulf us. It is as if, since our emergence from World War II some insidious and sinister force has sucked the marrow of initiative from our bones. And it is fair to ask in the light of the morale-shattering disaster of Korea whether we may now be the victims of the childlike faith and dependence we placed in the charade of the United Nations.

Today, as the crisis of leadership develops in this body — when we are faced with the Communist insistence of a three-headed ("troika") command — is a good time to reconsider its usefulness to this country and this Communist-wracked world. Certainly, the geo-political monster the Russians would create, with the vetoes of the Communist Secretary and the "Neutralist" Secretary arrayed against the Secretary of the West, would be no help.

When the show-down comes, as it soon must, our withdrawal from the UN and its inevitable collapse might well embolden us to other desperately delayed decisions.

### LET'S FACE THE FACTS

Unpleasant facts don't go away just because we refuse to think about them. It's much more effective to face up to them and take decisive action.

Today we Americans are confronted with an unpleasant fact of gigantic proportions: Federal spending, based on present proposals and current trends, will reach \$100 billion annually within three to five years.

The Federal budget for fiscal 1962 is perilously near \$90 billion. At the present rate of spending it won't take long to reach \$100 billion.

"How long can we continue to spend, tax, and borrow at the present rate?" Senator Harry Byrd, Democrat of Virginia, asks you that question. As the unofficial "watchdog of the Federal Treasury," Senator Byrd is worried about our breaking point — how soon it will come — and we should be too.

As the Senator sees it, the solution is simple. The American taxpayers must take a searching look at this country's fiscal situation and decide whether they want to continue giving Uncle Sam a blank check for unlimited spending.

Here's Senator Byrd's advice: "We must reduce all non-defense expenditures which may be desirable but not necessary. It is imperative that we keep up our military

## FOR and AGAINST for CHRIST-against COMMUNISM

BY BILLY JAMES HARGIS, LL.D.  
 FOUNDER CHRISTIAN CRUSADE

### America Must Stop Pretending

If our nation is to survive the determined communist war being waged against it from within and without our borders America's leaders must stop pretending that the international communist conspiracy is something different from what it actually is. In a speech on the floor of the U. S. House of Representatives on June 12, 1961 Congressman John R. Pillion of Buffalo, New York summed up this tragic and unnecessary situation as follows:

"... Why is Communism winning? Why have our policies failed? The most appalling fact of this century is the failure of the free world to recognize the enemy as the international communist conspiracy... The reason why the free world has suffered defeat after defeat is that we have been waging a unilateral peace while the Communists have been waging a unilateral war... We have accepted the Communist pretense that the tensions in the world are caused by a conflict of national interest between legitimate governments. We have consequently attempted to resolve them by normal means of maintaining international relations while the Communists continue their unremitting warfare against us..."

Here is a clear summary of our basic problem by one of the very few members of the United States Congress who has a broad understanding of the nature, methods and objectives of the communist conspiracy. The ac-

ceptance by America's leaders of the communist pretense has been of inestimable value to the international communist conspiracy. This harmful false conception of the nature of the struggle in which we are engaged can be noted in news accounts of world events and in the statements of popular national figures. The policies of communist dictators are continuously referred to as if they were actually the policies of legitimate governments of these enslaved nations. The actions and policies of Khrushchev and the Kremlin are referred to as "Russia's" or "the Russians." Those of Mao Tse-tung and company are called China, and the vicious tirades of the filthy murderer, Fidel Castro, are pictured as being representative of "Cuba."

Misinformed diplomats and foreign policy moulding officials continuously talk of the necessity of "relaxing world tensions." They ignore almost completely the cause of these so-called tensions. The cause is the international communist conspiracy, and this satanic force could stop the tensions any time, if they desired. Americans must demand of our leaders that they stop pretending in regard to the nature of our enemy and the cause of the peril.

strength, but this is not possible without military preparedness as well."

One thing is sure. If we Americans ran our private businesses and operated our family budgets the way Uncle Sam runs the government, we'd all land in the poor house. That may be where our Uncle is heading, unless we have the moral fortitude to stop him before it's too late.

They say Lincoln wasn't handsome but on a \$5 bill he certainly looks good.

### FISCAL FOLLY

Chairman Harry Flood Byrd of the Senate Finance Committee, has predicted on the basis of his continuing study of the nation's finances that Kennedy spending will reach the sum of \$137 billion for fiscal 1965. Nor will the Federal budget be balanced in the foreseeable future unless the spending rate presently indicated "is prudently and effectively curtailed", he declared.

In warning of the disaster that must follow a continuation of "inflation-breeding policies", Senator Byrd is repeating what he has said many times before. Another major blunder of our times is the failure of his fellow citizens to place this distinguished patriot where he could have demonstrated his fiscal wisdom.

### WELCOME, ATHEISTS

It is now unconstitutional for the Federal Government of any state to require of a public office-holder a "belief in the existence of God" the Supreme Court has ruled. Thus, the words "So help me, God", required by law since 1884 in the oaths taken by civilian and military officers are now superfluous.

But the Court is re-writing the language as well as the law. How can there be an oath if not sworn by higher than mortal power? Which suggests that the atheistic Communists, incapable of oaths, are likewise incapable of honor. And God-given freedom is likewise incomprehensible to them.

What the Supreme Court has done is to outlaw the sacredness of any pledge and in effect to repeal our National Motto — "In God We Trust".

Design a woman's shoe larger on the inside than on the outside and be famous

### HEAT ENERGY

One gallon of oil produces 140,000 British Thermal Units of heat; one cubic foot of gas produces 1000 BTUs; one pound of anthracite coal produces 13,000; one pound of bituminous coal, 13,500, and a kilowatt of electricity 3415 BTUs.

Figure it for yourself. Take your age, multiply by 2, add 5, multiply by 50, subtract 365, add the loose change in your pocket under a dollar, then add 115. The first two figures in the answer are your age and the last two are the change in your pocket.

Ford introduces for 1962 two distinguished new series: Galaxie & Galaxie/500

Enduring elegance... with the power to please

With Thunderbird styling... Thunderbird power... and quality craftsmanship that sets a new industry standard... the 1962 Ford Galaxies give you every essential feature of far costlier luxury cars.

Swift as a rumor, silent as a secret, Galaxie '62 has the timeless distinction and talent for travel of the Thunderbird that inspired it.

Every quick quiet mile whispers: here is a new standard of quality. And every luxurious detail confirms it.

This is the car that introduces twice-a-year maintenance. Routine service is

reduced to 30,000 miles on many items such as major lubrications, twice a year or 6,000 miles on the rest.

We suggest you see the new Galaxie and Galaxie/500 (shown above) for yourself. We are confident you will agree: it's pointless to pay more — or settle for less.

Sunday visitors here and in Gainesville were Mr. and Mrs. E. H. Otto of Wichita Falls. They were guests in the homes of the Tony Ottos and the J. M. Weinzapfels here after a visit with Ben Otto at Gainesville.

Miss Ann Luke was at home Monday and Tuesday to visit her parents, the Henry Lukes. Those are her days off from nursing duty at St. Paul's Hospital in Dallas.

Annual joint birthday celebration of a sister and brother was observed Sunday when Dr. and Mrs. E. W. Laake of Dallas were guests of his sister Angela Laake and niece Rosa Driever. Dr. Laake and Miss Laake have birthdays within a week and this was their get-together with a birthday dinner and gift exchange.

Family reunion celebrating the wedding anniversary of Mr. and Mrs. Ferd Fetsch took Mr. and Mrs. Paul Fetsch and children to Rhineland to join in the gathering at the honorees' home. About 50 were present for dinner. Going with the Fetsch family from here was a niece, Miss Georgia Albus, a student at TWU who came from Denton to join them. It was the 49th wedding anniversary of Mr. and Mrs. Ferd Fetsch. They have lived at Rhineland 49 years. Mr. Fetsch taking his bride there after their marriage in South Texas.

Miss Doris Vavra, accompanied by her sister Miss Frances Vavra and friend Miss Molly Martin, both of TWU in Denton, drove to Bryan for a weekend visit with the Vavra sisters' grandparents and other relatives.

Mrs. Tony Koehler of Rhineland visited Sunday with her cousins, the Herb McDaniels and the J. B. Wildes and also made a pop call with the Hubert Wildes at Gainesville before attending the Catholic State League meeting in the afternoon.

Trying to spoil their grandson during the weekend were Mr. and Mrs. Lou Wolf. Aunt Charlotte helped the cause along. They had the Roger Wolfs' little boy Bart of Houston with them while his mother went to New York City for a three-day visit with her husband. Roger is there for a few months training on a new job. Mr. and Mrs. Lou Wolf met the baby and his mother at Love Field Friday and had the youngster back there again Sunday to join his mother on the flight back to Houston.

Mrs. Tony Gremminger went to Fort Worth for a weekend visit with her daughter and family, the Bobby Howells. Also there were Mrs. Howell's sister and family, the Robert Mayers of Pilot Point. They were helping Mrs. Howell celebrate her Saturday birthday. In the evening they all attended an ice cream social given in Holy Name Parish. The visitors stayed overnight with the Howells and had birthday dinner Sunday. Afterwards Mrs. Gremminger

went to Pilot Point with the Mayers and visited there through Monday.

Recent guests of Mr. and Mrs. Dick Cain were Mr. and Mrs. S. W. Cain of Fort Worth. Mr. and Mrs. B. A. Taylor and daughter Ginger of Gainesville, one day, Mrs. Stean Collier and Mrs. Jack Singleton of Wichita Falls and Mrs. Ira Ward of Gainesville another day. Another guest was the Cains' daughter, Mrs. Bill McCollum of Dallas. She was with them two days, her husband joining her for a visit before they returned home.

Mr. and Mrs. Louis Schumacher have returned to Effingham, Ill., after a visit with relatives in Cooke County. They were guests of the Fred Hoedebeck family and the Herman Luttmers here, visited the Henry Schumachers at Gainesville and the Albers relationship in Muenster, Lindsay and Gainesville.

The CCD discussion club headed by Mrs. W. J. Miller as chairman held its initial meeting of the season last Wednesday in the home of Mr. and Mrs. David Trachta. Eight members attended and followed study with a social hour. Mrs. Trachta served refreshments.

Mr. and Mrs. Henry Luebbert and two daughters, Mrs. Martin Boyd and Mrs. Don Christian and baby daughter, all of Fort Worth, were here Saturday afternoon to visit Mrs. Luebbert's mother, Mrs. Henry Stelzer and also stopped to see the Bill Stelzers. It was Heather Christian's first birthday observance and the group had dinner with Mr. Luebbert's parents, the Fred Luebberts at Lindsay.

**At Nazareth for Funeral of Kin**

Members of the Lutkenhaus families were in Nazareth this week going to attend the Tuesday morning funeral of a nephew and cousin, Ed Brockman, 61, who died suddenly Saturday evening. Mr. Brockman and his wife were getting ready to leave home to attend a ball game when he suffered the fatal attack.

Attending the funeral were Joe Lutkenhaus, Mr. and Mrs. Alex Lutkenhaus, Harold Lutkenhaus and Gus Lutkenhaus. They left Monday and returned Thursday.

**Mother Philippa, Sister Frowina on Trip, Visit Here**

Sister Frowina Hacker surprised her family with a visit this week Sunday to Tuesday. She came as a traveling companion for Rev. Mother Philippa who was making a round of business calls.

The two arrived Sunday after leaving Holy Angels Convent in Jonesboro the previous Wednesday. They made stops enroute at Eureka Springs, Ark., Oklahoma City, Rhineland and Wichita Falls. When they left here Tuesday morning they were headed for Louisiana to visit Benedictine nuns in that state.

Sister Frowina's family gathered Sunday afternoon for a reunion in her honor at the home of Mr. and Mrs. Frank Hacker. All the family was present including the Ed Hackers of Valley View.

Mother Philippa spent the time at the local convent with the nuns.

**Auxiliary to VFW Makes Plans for 3 Coming Events**

A full program of coming events to discuss was on the agenda for the Muenster VFW Auxiliary at the October meeting Monday night. And members made plans to participate in three projects: the annual Halloween dance, the District I meeting which Muenster will host and the annual Thanksgiving picnic, in that order.

The Halloween dance to be jointly sponsored by the Auxiliary and the VFW Post will be held on Saturday, Oct. 28. It will be a costume affair with prizes. A committee was named to take charge of decorations in the hall and to assist with other duties in connection with the party.

The meeting of District I Veterans of Foreign Wars and Ladies Auxiliary is on the calendar for November 4 and 5. Auxiliary members will take care of registrations, decorations and similar duties connected with the two-day convention.

Annual Thanksgiving observance with the traditional dinner, bazaar, games and dance will be co-sponsored by the VFW Post and Auxiliary. The ladies will help serve dinner, do clean-up work, take care of sandwich sales and have a bazaar stand.

President Mrs. Arthur Bayer conducted the business session and members carried out honor roll requirements. The Auxiliary contributed to the Christmas fund for the VFW

National Home and collected ten per cent of 1962 membership dues.

An added feature of the meeting was a formal reception ceremony for two new members, Mrs. Don Flusche and Mrs. Cleo Lanier.

A brief explanation was given to acquaint the new members with the fact that all local Auxiliary members are protected by cancer insurance.

After adjournment, there was a social hour with a buffet meal. Twenty-four members were present.

### Local News BRIEFS

Mr. and Mrs. Ted Greminger visited in Windthorst Saturday with relatives and brought Mrs. Henry Osterman and Mrs. Leo Hoff back with them when they returned Sunday morning. The four drove to Gainesville in the afternoon to visit Mrs. Hoff's brother and sister-in-law, the Adam Wolfs, and Mrs. Osterman and Mrs. Hoff were supper guests of Mr. and Mrs. Clarence Wilson. They returned home with Mrs. Osterman's son Albert who came for the State League meeting.

Two families changed homes this week. The Andy Mondays moved to the former Henry Hennigan farm west of town and the Paul Hackers moved to the Alford Harrison Estate place. The Mondays had been on Andy O'Connor's farm. The Hackers had been occupying one of Joe Trachta's houses in town.

Mr. and Mrs. Troy Cooper of Eldorado spent a part of their vacation — Saturday night to Tuesday — here with her parents, the J. J. Haverkamps. The Coopers had been traveling through Louisiana, Mississippi and Arkansas. Other relatives joined them for visiting at the family home including Mr. and Mrs. Ramie Hesse and daughter Donna of Denison who were here for the weekend.

Mr. and Mrs. Q. D. Pettigrew and three children of Kaufman weekended here with her parents, the John Herts.

### 4-H Girls Plan Clothing Project

Public School 4-H Club girls held their first meeting of the school year Wednesday afternoon with Charlotte Wolf helping in the organization in the absence of Mrs. Evelyn Yeatts, assistant home demonstration agent.

The group discussed Youth Day at the State Fair, Oct. 7, and 4-H Day at Six Flags, Oct. 21. Enrollment cards were filled out and yearbooks distributed.

Plans were made to have a clothing workshop once a month.

### Family Gathers at Mrs. Russell's Home

Thirty-four family members "dropped in" at Mrs. J. S. Russell's home at Myra for a get-together while one of the Russell clan and her husband, Mr. and Mrs. J. N. Niles of Enid, Okla., were home over the weekend. Four generations were present.

The visitors were Mr. and Mrs. Jimmie Russell and Jimmie Dean, Sammie and Teresa of Ardmore, the Burt Russells and Judy, Janis and Janie of Whitesboro, the Charles Bernauers and Lisa and Charles Ray, the Herb Russells, Mrs. C. D. Mitchell and Douglas, and Nancy Bernauer, all of Gainesville; the Joe Russells and Ronnie, Carol, Pamela, Robert, Debbie and Philip, and the Charlie Wolfs and Don, Sandra, Barbara, Dwight and Sherri Renae, all of Muenster.

### Senior 4-H Girls Elect Officers

Sacred Heart Senior 4-H Club Girls reorganized for the current term Wednesday afternoon, elected officers and discussed coming events.

Heading the group as president is Charlotte Wolf assisted by Peggy Reiter as vice president, and Carol Henscheid as secretary-treasurer. Janice Vogel is reporter.

The president announced that opening day at State Fair Saturday, Oct. 7, is Youth Day and that a county club member, Norma Jean Sellers, will model her ensemble in the State Dress Revue.

On Oct. 21, 4-H Club Day will be held at Six Flags. Prices will be reduced and all who can were urged to be there.

Yearbooks were passed out, enrollment cards filled in, and a committee named to plan the local Achievement Day program. Working together for the event are Charlotte Wolf, Peggy Reiter, Carol Henscheid and Janice Vogel.

## Stroke Was Fatal To 9,000 Texans During Past Year

Austin — More than 9,000 Texas men and women were fatally stricken last year by strokes. That is one of the most ominous words in the language today. What does it really mean?

The medical term is "cerebral vascular accident," because it is caused by cerebral vascular disease. The body's cerebral vascular system is the brain's network of blood vessels. Thus, cerebral vascular disease refers to diseases of vessels in the brain.

Brain cells require a good blood supply in order to work properly — more so than most other body cells. When something happens to that blood supply, the brain itself is impaired.

That something could be a hemorrhage, thrombus, embolus, compression or a spasm. Each one of those key words is a major cause of strokes.

A hemorrhage (bleeding) is the result of a break in a brain artery which allows blood to escape and damage surrounding brain tissue. An-

other name for strokes of this type is "apoplexy."

A thrombus is caused by a clot of blood forming in a brain artery, stopping the flow of blood to the part of the brain it supplies. But when a clot is formed in a diseased heart or elsewhere in the body and pumped to the brain to plug an artery, it is called an embolus.

A tumor, swollen brain tissue, or a large clot in another vessel may press upon a brain vessel to stop the flow of blood. This is called compression. A spasm is caused when a muscular artery constricts or tightens up, reducing the flow of blood to a particular brain area.

Most strokes do not produce immediate death. A large

number of victims live for many years. An estimated two million people who have had strokes are alive in the United States today — many of them disabled because of it.

Present medical knowledge can prevent some but not all strokes. Certain conditions causing cerebral vascular disease — high blood pressure, for example — can often be helped by modern treatment, and several conditions associated with blood clot formation respond to anti-clotting drugs. Too, blood vessel defects with which some children are born can now be corrected by surgery.

**Seniors Sponsor Hot Cake Meal as Benefit Sunday a.m.**

The lowly pancake will be king here Sunday morning at a breakfast sponsored by the Sacred Heart High seniors as a class benefit but it will have competition from several sources.

Sharing the spotlight on the menu will be toast, eggs, bacon, juice and coffee. A bevy of pretty girls will be hostesses while Mrs. Joe Lehnertz and Gertrude Bayer flip hot cakes and cater the rest of the meal. Senior class mothers will be helping.

Breakfast will be available in the Parish Hall after all the Sunday morning masses. Students are selling tickets at a dollar for adults and fifty cents for children in an advance sales campaign but advance tickets are not necessary. Everybody is invited to join in the event.

The KC's annual breakfast, previously announced as a part of this program has been postponed to Oct. 15.

**CATTLE GRUB CONTROL PAYS**

What is the average price advantage of treating cattle for grubs?

Cattle treated for grubs average \$5 more per head than those not treated. Treated animals gain better. And when slaughtered they lose only about 1 pound of meat in trimming, compared to an average of 23 pounds for untreated animals.

**Get Grubs Now!**

To avoid grub damage, cattle should be treated before October 15.

### Lindsay News

Father Bonaventure Maechler of Subiaco Abbey is in St. Peter Parish as substitute pastor while Father John Walbe is a patient at Crawford County Memorial Hospital in Van Buren, Ark. Friday night Father Martin Fischer of Muenster was here to conduct novena devotions.

Lindsay junior-senior class

club has held its first meeting of the term featuring election of officers and discussing plans for fund raising projects. Officers are Patty Block, president; Patsy Hermes, vice president; Elizabeth Aitchison, secretary; Roy Morisak, treasurer; Ewald Hoelker, reporter. Dues were set at two dollars a year and the group set the first Friday of the month as regular meeting date.

Mr. and Mrs. Fred Luebbert entertained with a birthday dinner Saturday for their

great-granddaughter, Heather Christian of Fort Worth who was one year old. A decorated cake and picture taking were features of the occasion. Other guests were Mrs. Don Christian, Mr. and Mrs. Henry Luebbert and their other daughter, Mrs. Martin Boyd, all of Fort Worth. In the afternoon the visitors were in Muenster with Mrs. Henry Luebbert's mother, Mrs. Henry Stelzer and with the Bill Stelzers.

Lindsay's contribution of clothing and bedding for the relief of Carla victims on the Gulf Coast totaled 800 pounds.

At the monthly meeting of the Parent Teacher Club, members discussed plans for their annual Halloween Carnival to be held on October 29 . . . the Sunday before Halloween. Mrs. Bob Lutz accepted chairmanship of a committee to start plans. And since library books are all together in the school library instead of the various school rooms, the Sisters asked women of the club to serve as librarians each day after school during the term. The ladies have arranged a schedule and will take turns at library duty.

Freshmen and sophomores of Lindsay High have elected class officers as follows: Judy Bezner, president; Bernadette Bezner, vice president; Kathleen Streng, secretary; Donny Sandmann, treasurer; Karen Loerwald, reporter. Committees have been appointed to assist officers. At the next meeting the club will be named and dues set.

#### Club Leaders Plan Monday Program

Boys' and Girls' Hobby Club leaders had their October meeting Monday with Mrs. Johnny Arendt as hostess in her home.

Projects set up for the children's meeting Monday, Oct. 9, consist of painting wood plaques by the small girls' and making planters from coffee cans and clothes pins by the young boys. The older groups will make decorated memo rolls and fashion shoe scrapers from bottle caps.

Meeting place will be in the hall. The hours will be from 3:30 to 5.

Next meeting for leaders will be on Nov. 6 in the home of Mrs. Raymond Laux.

After adjournment Mrs. Arendt served refreshments. Ten leaders were present.

#### Officer Election Held at 4-H Meet

Election of officers was a highlight of the meeting of Sacred Heart 4-H Junior Club girls when they reorganized for the term Wednesday.

Elected were Shirley Klement, president. Mona Voth, vice president. Imogene Vogel, secretary-treasurer; Rita Fette and Jackie Wimmer, recreational leaders; Paula Herr, reporter.

Forty-five members were present. They discussed Youth Day at the Dallas Fair and 4-H Day at Six Flags.

Mrs. Lou Wolf and Charlotte Wolf were present to assist with meeting procedure because Mrs. Evelyn Yeatts was unable to be present.

### GETTING READY FOR THE FAIR

#### Local Club Ladies Attend Program On Civil Defense

Mrs. J. M. Weinzapfel and Mrs. T. S. Myrick were among guests of the Business and Professional Women's Club of Gainesville Tuesday night when the organization gave a dinner program featuring Mrs. Ruth Cockerham as speaker on Woman's Place in Civil Defense.

The community-wide program was held in the Petroleum Club at Turner Hotel and was planned as the Gainesville Club's observance of National Business Women's Week. Seventy-eight people from Gainesville and surrounding communities attended.

Mrs. Cockerham is director of Women's Activities for the Region 5 U.S. Office of Emergency Planning at Denton, now operating under President Kennedy's new emergency program. It is among her duties to promote a diversified program of survival in a five-state area of the southwest.

She stressed the idea that survival is up to the individual community and each must mobilize its own industrial strength and manpower.

She pointed out that women are a vital force in today's world and have a moral responsibility in the new-all-over Civil Defense program.

Mrs. B. J. Siebel, program chairman, introduced the speaker and out of town visitors. Mrs. A. Morton Smith, club president, gave the welcome and introduced charter members and past presidents of the club.

Mrs. Weinzapfel and Mrs. Myrick represented the VFW Auxiliary and Civic League and Garden Club at the program and will bring the speaker's message to these organizations and other women's groups of the community.

An American Indian petitioned the court to have his name changed. The judge asked his present name.

"Chief, Screeching Train Whistle," he replied. "And what do you want it changed to?" asked the judge. "Toots," replied the Indian.

#### Tigers Win - - -

off and Virgil Hess nabbed it for Sacred Heart. A penalty gave 5 yards for free, Wolf gave 7 and Hennigan 14 to reach the Ram 16. Three tries from there gained only 3, then Wolf passed to Pat Knabe for the third TD. A run for extra points failed. The score 20-6.

In the four remaining minutes of the period neither team made any progress. Rams lost a fourth down gamble by inches but regained possession 2 plays later on an interception. Next play they lost the ball the same way as Clarence Bayer snared it for Sacred Heart. The Tigers lost possession on downs. So did the Rams. Then the Tigers completed a 13 yard pass as time ran out.

During the next half Tiger defense continued its good work but offense was less effective. S&S was held for net gain of only 8 yards, but Sacred Heart, too had its troubles. It made four scattered first downs as two fumbles and an interception kept them from keeping on the move.

Finally, toward the end of the game, one of the Tiger plays developed into a big one. Klement took Wolf's pass on a draw play and got loose for 34 yards to pay dirt. Wolf went around end for two more points. Before the game ended S&S had the satisfaction of making another first down, that and the scoring run being the only two of the game.

Another disappointment to the visitors was their passing record. Only two were completed and both were short of the line of scrimmage resulting in a net loss of 8 in that department.

Game at a glance

	SH	S&S
First downs	19	2
Yards rushing	229	89
Yards passing	79	-8
Passes completed	7-20	2-11
Intercepted by	2	2
Fumbles lost by	3	2
Yards penalized	15	10

Remember when civilization used to stand at the crossroads and wonder which way to turn? These days it has to find the right cloverleaf at 60 miles an hour.

the critical times ahead. And we hope that our president, in his public appeal to ask God's help, resolved to seek out God's way in dealing with the problem. We hope also that he has determined firmly to stand by that standard and make no agreements that will violate the will of God or the good of His creatures.

Despite Khrushchev's missile rattling, let it be said that we have not only ended

our policy of surrender but will henceforth devote our full effort to the defeat of his Godless system . . . that we humbly kneel before God but defiantly refuse to kneel before communism.
