

MUENSTER ENTERPRISE

VOLUME XIII

MUENSTER, COOKE COUNTY, TEXAS, OCTOBER 28, 1949

NUMBER 49

Scrappy Midgets of St. Joseph's High Hold Hornets 19-7

It happened in one of the eastern states. A lady in her car was waiting for a traffic light to change. Her left foot on the clutch, her right on the accelerator, her eyes on the light. All set to take off the instant she got the signal. There it was... the amber... then the green. She started across, and Wham! A sickening broadside blow. The man had been in a hurry and decided to slip by on the amber signal. But he didn't quite make it. The lady died instantly. He died later in a hospital.

As mentioned before, it happened a long way from here. But it might have happened anywhere, even at the intersection of Highway and Main in Muenster. The stage has been set dozens of times for such a tragic mixup here. Drivers have crashed through on the caution light, often arriving after it had changed to red. Other drivers have plunged ahead at the flash of green. A few times the twain have met, but thank goodness they have been lucky enough so far to see the danger in time to avoid a fatal collision. The grim reaper was just a wee bit off in his timing.

From our own near misses and the tragic incident mentioned above we can take warning. Those of us who drive like the man did would be wise to ponder what can happen if another car starts on the instant or a little early. Those who drive like the lady would do well to realize that the green light means "lawful to go" but not necessarily "safe to go." Before starting it's a good idea to glance both ways and make sure that everything is OK.

When Texas voters go to the polls on November 8, a week from next Tuesday they will have an opportunity to accept or reject 10 amendments to the state constitution. Eager beavers on the legislature have done quite nobly. They have suggested 10 more patches on a constitution that is already obliterated by too many patches.

Quite a number of those proposed amendments are the kind that we can very well do without. They provide for more taxation, more red tape, more of the bureaucracy that we ordinary citizens would like to see decreased rather than increased. With few exceptions they ought to be rejected. In fact if anyone has trouble deciding which proposals are good and which bad he can do a very meritorious job by voting against the whole kaboodle. The harm in scratching a few good ones will be more than offset by the benefit of scratching several bad ones.

This week and next this column will attempt to present a few pertinent facts on each amendment. One especially will be discussed here, That's House Joint Resolution No. 5, which will be the second amendment appearing on the ballot.

Of all the misleading "pig in a poke" proposals this is a masterpiece. And when a person discovers just what it proposes he isn't surprised that those who are trying to sell the idea neglected to describe it in detail.

Consider the ballot wording. It reads "FOR and AGAINST the constitutional amendments relative to sessions of the legislature and to compensation of its members." Now, what does it mean? Unless you have learned the details previously, do you have any way of knowing what you are voting for or against?

Before going on to consider the merits . . . and demerits . . . of the proposal, let's pause to remember first that the wording on the ballot violates a state law which specifies that amendments are to be so described that their effects can be known. The vagueness of the presentation automatically nullifies the proposal and the amendment's validity can very properly be contested if it is adopted.

However, the safest course is (Continued on Page 10)

An alert and scrappy team of little fellows from St. Joseph's Academy, Sherman, did a swell job here Friday night in holding the Hornets to a 19 to 7 score. Though hopelessly outclassed in power they shone in grit and skill and gave the Hornets a thoroughly good workout.

For one thing they changed Coach Hood's plans of turning over most of the game to his reserves. Instead they battled the regulars, and did it well for almost three fourths of the game.

The Hornets' advantage paid off early. Receiving the kick after St. Joseph's failed to gain they marched directly to their first touchdown. Yosten scored and Hellman kicked the extra point.

The next score was a repetition of the first. The visitors failed to advance and Muenster took over on the 36 where Ronnie Herr got loose on a double lateral for 33 yards. Red Walterscheid crossed for the 6 pointer.

At that point the reserves took over and the Tigers picked up a first down and kicked. Muenster made a first down but failed on the next series and St. Joseph's took the ball on downs. Just as Muenster got the ball on a fumble the regular backfield returned but bogged down on the first series and lost on the 50. The Tigers again failed to advance and kicked.

On that kick the little fellows got a big break. The ball seemed about to tumble over the line for a touchback when a Tiger killed it on the 1 yard line. The Hornets kicked and the regular linemen came back to the game.

After holding for downs they headed down field and reached the 15 as the half ended.

Starting the next half the Hornets scored on a sustained (Continued on Page 2)

Dope Favors Both Teams in Hornet Pilot Point Game

On paper the Muenster Hornets are favored to trim the Pilot Point Bearcats here Friday night. Muenster won over Bells 18 to 0 in the season opener and Bells last week defeated the Pointers 18-13.

But there are a few other factors to put another slant on the game's prospects. For one thing the Bells team has strengthened considerably since its appearance here and still had a tough time with Pilot Point. Besides the Bearcats held Whitewright scoreless for a half . . . and Whitewright is the team currently burning up all of the District 13 competition.

Indications are that it will be a whale of a game. The starting hour, as usual is 8 o'clock.

Muenster Reserves Play at Era Tonight

The first of three extra games on the Muenster High football schedule will be played this Thursday night when the Little Hornets from here meet the Little Hornets from there. Both schools use "Hornets" as the team name for the regulars.

Lads due to play are those who do not get action in the regularly scheduled games.

Another workout for the youngsters is the return game when the Era reserves come here on Nov. 3.

The other extra game is the contest of the Hornet regulars with Whitesboro Friday night Nov. 4 on the local field. This game was scheduled recently when the two coaches discovered that each had an open date for Nov. 4.

MRS. PICK WINS FIRST PLACE IN CAKE-CONTEST

Mrs. Henry Pick won first place in the sponge cake division of the second Gladola flour contest at the State Fair of Texas in Dallas last Wednesday.

Mrs. Pick's award was an electric Mix-Master.

GETTING THE U. S. VIEW—Most Czechs in Prague ignore official propaganda from their own government and line up outside windows of the United States Information Service in the downtown section of the Czechoslovakian capital. A recent diplomatic storm was caused when the U. S. office displayed a portrait of Hungarian Cardinal Mindszenty which many flocked to see.

Nineteen Scouts Get Badges Monday At Court of Honor

Nineteen members of Boy Scout Troop 664 received recognition in a court of honor ceremony Monday night. The program was held in the K of C hall at 8 o'clock and was attended by parents, and friends of the boys.

Scoutmaster Nick Miller presided, Scout Chaplain Father John blessed the medals and badges and Chairman Ben Seyler addressed the assemblage.

Mothers of the honored scouts received the badges and medals and pinned them on their sons. In turn the boys received miniature replicas which they pinned on their mothers.

The tenderfoot investiture opened the program. Included in this group were Jimmy Hellman, Larry Hennigan, Clifford Swirczynski and Carl Walterscheid.

Advanced to Star Scouts were Larry Hofbauer who has won nine merit badges, Jerry Fuhrman who has earned five and Randy Bayer who has acquired five. Five merit badges are required to secure a Star badge.

Those receiving First Class scouting honors were Burt Hamric, David Endres, Donald Bayer, John (Continued on Page 2)

CD of A Court Sets Nov. 15th As Date For Benefit Dance

The local court Catholic Daughters of America will sponsor a semi-formal dance as a benefit on November 15, members decided at a special call meeting Monday night. Mrs. Maurice Pagel is chairman of the dance committee. She and her assistants are now active in an advance ticket sales campaign. The dance will be given in the K of C hall with Miller Brothers of Wichita Falls playing.

Preceding the dance, members of the court will entertain their husbands and guests with a dinner in the parish luncheon.

HAMRIC PURCHASES HUMBLE STATION

Ervin Hamric is back in the service station business. During the latter part of last week he completed arrangements for the purchase of the Humble Station from Ray Swirczynski and Steve Fette, and changed the name of the business to Hamric's Humble Station.

Hamric formerly owned and operated the Magnolia Service Station. Since selling out about two years ago he operated his truck for a while then joined the Steve Pette Trucking Co.

ADULT VOCATIONAL CLASS TRIES AGAIN

Another "opening meeting" of the adult vocational agriculture class has been scheduled, and this time, as far as Instructor Ralph Maglaughlin has been able to learn, there will be no conflict. Two previous dates scheduled for the class were cancelled because of conflict with other events.

News Of Sick And Injured

Miss Theresa Hesse was dismissed from St. Vincent's hospital in Sherman last week Wednesday following a major operation and is convalescing nicely at the home of her niece, Mrs. Carl Schilling.

Miss Grace Wimmer had her tonsils removed at M&S hospital Monday and is recovering nicely. She has a week's vacation from her duties at the REA office.

Mrs. Joe Linn returned home Wednesday night from Gainesville where she had undergone major surgery at the sanitarium and is convalescing nicely. She says many thanks for the cards and flowers while she was in the hospital.

Herbert McDaniel is back at his mechanic's work this week, recovered from recent major surgery performed in Oklahoma City.

Miss Maria Fuhrmann's left arm, broken at the elbow recently, is said to be knitting normally. She is the daughter of Mr. and Mrs. Jerry N. Fuhrmann.

Tommy Stinnett, 6, broke his left arm Thursday in a fall during play. He is a first grade student at the public school and the son of Mr. and Mrs. Tom Stinnett.

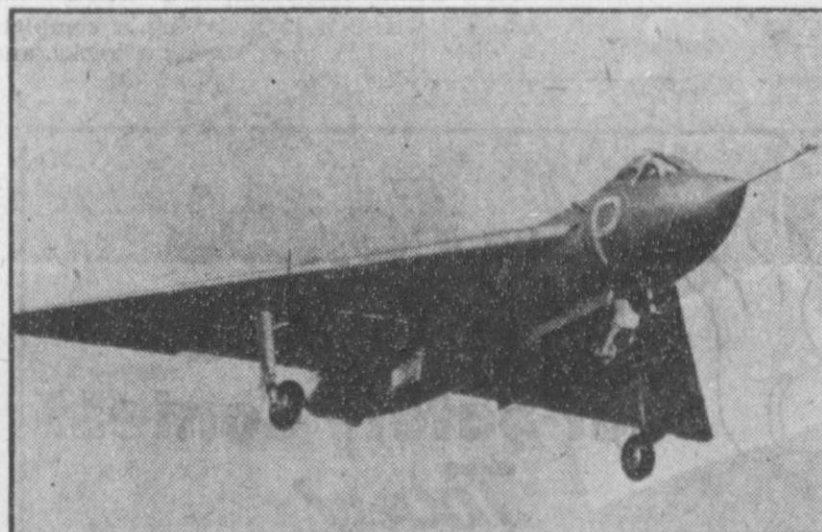

Mrs. W.D. Coker entered M&S hospital in Gainesville last Wednesday for medical treatment. Since coming to Muenster the Cokers make their home in an apartment at the Markham residence. Mr. Coker is the architect for the new public school.

Muenster Hi Adds New Instructor for Science and Math

Carver Moore of Wichita Falls joined the Muenster High School faculty last Friday as an instructor in science and mathematics. He fills a vacancy created by the recent resignation of Leo Neyer.

Mr. Moore has spent 7 years as a teacher. Six of those years, before the war, were spent in East Texas schools. After the war he did not return to teaching until last year when he taught at Tipton, Oklahoma.

He received his MS degree, with a major in science and a minor in mathematics in 1938. Last summer he attended Oklahoma University working toward a degree in chemical engineering.

BRITISH SPEEDSTER UNCOVERED—The Avro 707 is England's first delta-wing jet plane. Unveiled recently at Wiltshire, England, the single seater has an overall length of 38 feet and a wing span of 33 feet. Performance details are being held secret.

School Affiliation Prospect OK, Says State Department

Prospects of affiliating the Muenster Public School this year are most encouraging at this time, Weldon Cowan, superintendent, revealed Wednesday after returning from a two day conference with officials of the State Department of Education at Austin.

In order to be sure that the school is eligible for affiliation this year Cowan and the officials checked over all phases of the system. The final decision was that all is in order and the only further requirement is a file of acceptable work in all the subjects.

He was also assured that special assistance in that line is due in the near future. A representative of the state department will spend a few days here checking teaching methods and advising on the form and content of files.

Administrative requirements are all in order, the department officials said. All teachers have degrees with majors or minors in the subjects they are teaching, subject outlines are acceptable, and all students have recognized credits in the work already completed.

FFA Grass Judging Team Places 13th In State Contest

In its first state-wide competition the Muenster FFA grass judging team took thirteenth place with a total of 509 points out of a possible 720. The contest, held in Dallas on Wednesday of last week was a feature of the State Fair.

For individual honors Wilfred Klement just missed the top 10. Official listings credit the No. 10 contestant with 203 out of 240 points. Klement scored 199.

The team, coached by Ralph Maglaughlin, vocational agriculture instructor of Muenster High School, consisted of Wilfred Klement, Glen Hellman and Douglas Robison. They started their grass identification studies at the beginning of this school year and carried off first place honors three weeks ago in a contest sponsored by the Upper Elm Red Soil Conservation district.

Of the teams they had previously defeated two placed ahead of them in the State Fair contest. The Sherman FFA team was fifth and the Gainesville FFA team was ninth.

With 13 teams in the contest, the Upper Elm Red district had a larger representation than any of the other 160 districts in the state, according to Clyde Wells, conservationist of this district. Each district was authorized to enter one 4-H team from each county and one FFA team from each chapter. Fifty teams participated, and the event was sponsored by district supervisors of the state.

The five teams scoring highest in the contest were from Comanche, Brownwood, Llano, Baird and Sherman.

Cpl. Donald Endres left Monday for San Antonio where he will be stationed at Lackley Field. He had spent a leave here with his parents, Mr. and Mrs. Roy Endres. Previously he was stationed in Shreveport, La.

Schedule of Coming Events

- THURSDAY, OCT. 27, CDA social, parish hall, 8 pm.
- THURSDAY, OCT. 27, Football Muenster B vs. Era B, there, 8 pm.
- FRIDAY, OCT. 28, Football, Hornets vs Pilot Point, here, 8 p. m.
- FRIDAY, OCT. 28, Halloween costume dance sponsored by Holy Name Society, K of C hall, after the football game.
- SUNDAY, OCT. 30, Sacred Heart P-TA benefit Halloween carnival, at the football field, beginning at 3:30.
- MONDAY, OCT. 31, Halloween carnival at the public school grounds beginning with a chuck wagon supper at 6:30.
- THURSDAY, NOV. 3, Get-Together Club, Miss Anna Hellman's home 2 p.m.
- THURSDAY, NOV. 3, Civic League and Garden Club meeting, Mrs. Ben Luke's home, 8 p. m.
- TUESDAY, NOV. 8, Public school P-TA meeting at the school, 8 p.m. 8 p.m.

VFW Replaces Crosses On Service Men's Graves

New crosses will mark the thirteen graves in the service men's section of the Muenster Cemetery in the near future. If present plans work out they will be in place for the annual parish ceremonies in the cemetery on All Souls' Day, Nov. 2.

The local VFW Post is buying and erecting the crosses, which will be in white with black lettering.

Visiting Mr. and Mrs. Ray Evans Wednesday were Mr. and Mrs. J.M. Porterfield of Wilson, Okla.

LOCAL NEWS BRIEFS

A.T. Hoehn returned Sunday from Cullam, Ala., where he spent the summer visiting relatives.

Leo Haverkamp and Herbert McDaniel made a business trip to Dallas Monday.

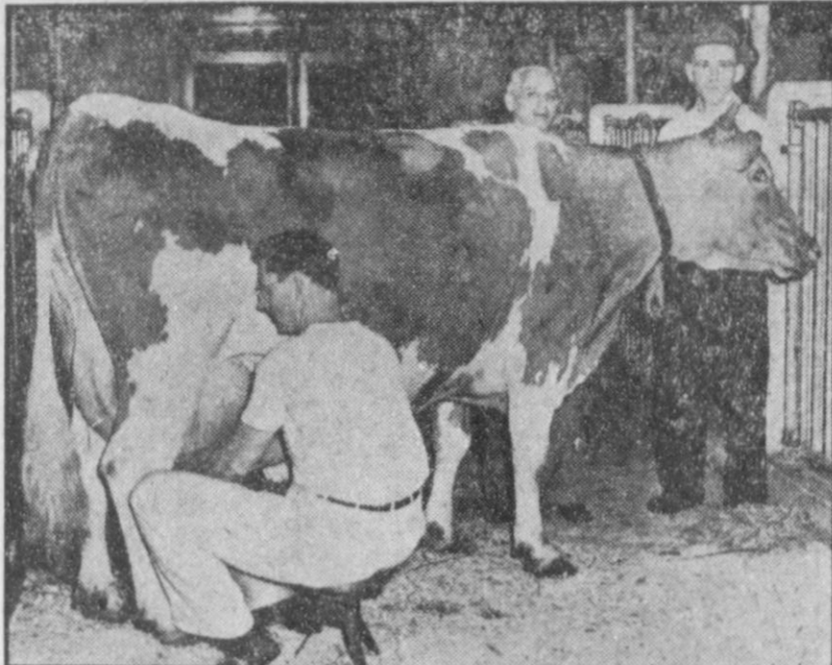

Miss Lorette Hartman of Dallas spent the weekend with her parents, the John Hartmans.

Mrs. Mary Frances Piper and baby of Dallas are spending the week here with her cousins of the Needham families.

Miss Virginia Walterscheid who is employed in Dallas, was home for a weekend visit with her family, the Al Waltersheids.

Miss Genie Herr and Earl Sheppard of Dallas were Sunday guests of the former's parents, Mr. and Mrs. John Herr.

Mr. and Mrs. Loyd Barnhart of the Marysville community had as guests recently his parents and brother from Okemah, Okla., and a brother and wife from Bakersfield, Calif.

GOOD TO THE LAST QUART—Seven-year-old Spar Hill Clematis, the world's highest milk supplier, gets a workout from milker Bud Chapman. The Scobeyville, N. Y., Golden Guernsey completed her one-year test and during that time gave 23,086 pounds of milk and 1201 pounds of butter fat. This would supply 33 persons with a quart of milk per day for one year. Samuel, Reinfield, left, who owns the champ, and Andrew Sheppard are in the background.

"HAVEN'T I SEEN YOU BEFORE?"—President Truman, right, looks on a bust made of him by sculpturer Ernest Durig, left, in Washington. Durig, who was born in Switzerland, studied under Auguste Rodin, the great French artist.

Pheasant Hunters Bag Limit

Pheasant hunting in South Dakota seems to be good again this year. During the past week end the group of hunters who drove up for the season opening all returned loaded with their limit. They were at Mitchell, S. D., Tony Lehnertz's home town. While there they had an evening's visit with Len Endres, who drove over from Huron. Members of the party were Joe Lehnertz, Jim Lehnertz, Herman Swirczynski, F. E. Schmitz, Jake Bezner, Robert Blaine and Mr. and Mrs. Rudy Hellman.

S. H. School Faculty To Attend Diocesan Meet Friday and Saturday

Teachers of the elementary and high grades of Sacred Heart school will attend a diocesan teachers' institute in Fort Worth this Friday and Saturday at OLV College in Fort Worth.

Teachers from all Catholic schools in the diocese will attend the two-day session for the purpose of exchanging ideas and solving educational problems and of preserving the Catholic educational system in this country, especially in the Dallas diocese. Students of the schools will have a holiday Friday.

drive, Walterscheid crossing on a 30 yard sprint. After that Coach Hood again turned the job over to his lightweights.

After an interception and an exchange on fumbles the visitors started clicking and marched from their 34 to a touch-down. Little 104 pound Furche, who played a whale of a game all evening, sparked the advance and made several of the gains, but Lopez on a 35 yard sprint crossed the line.

The rest of the game was mostly a see saw in mid field. In the closing minutes Hood returned his regulars to the game but the final whistle caught them before they made a good start.

Gulf Station Will Add Auto Supplies

Big changes are under way at Jimmy's Gulf Station this week. The place is being expanded to include an auto supply store.

It is a Gulf supply store system including a full line of auto accessories besides a variety of sporting goods, household equipment and gadgets, electrical appliances and other items.

Along with the stock the station is installing a complete set of new counters, racks and fixtures.

Boy Scouts - - -

David Meurer, Maxie Swirczynski and Joseph Felderhoff. New Second Class Scouts are Jerry Henscheid, Donald Lehnertz, William Walterscheid, Billy Ben Boyles, Ernest Eayer and Gilbert Bindel.

During the program four of the boys took their public speaking test for a merit badge. Each gave a five minute talk. Jerry Fuhrman's talk was a history of the troop, Joseph Felderhoff's was on the history of scouting, Burt Hamric's was on the Flag and its meaning, Maxie Swirczynski's was on vocational agriculture.

At the program Steve Moster was named senior scout adviser. Included among the guests were Sisters Canisia and Carmelita, teachers in Sacred Heart grade school.

A social hour followed the program. Mrs. Nick Miller served refreshments to more than 50 persons.

Mrs. Annie Needham left Thursday to return to her home after a 10-day visit with her son, Frank Needham and family.

FORTY-TWO CLUB MEETS AT FRANK SCHILLING-HOME
Mr. and Mrs. Frank Schilling entertained the Forty-Two Club in their home Monday night when the group got together for a regular monthly session of progressive 42.
Six tables were arranged for the series in which Victor Hartman won the high score prize, Mrs. Carl Schilling the consolation favor and Mrs. Alphonse Hoenig the galloping award.
The hostess served refreshments to the 20 members and four guests, Messrs. and Mmes. Clem Hofbauer and Arthur Felderhoff.

Miss Dorothy Vogel And Robert Beyer Marry Wednesday

Miss Dorothy Vogel exchanged marriage vows with Robert Beyer on Wednesday morning, October 19 in ceremonies performed in Sacred Heart church at 8:30. The bride is the daughter of Mr. and Mrs. Joe Vogel of this city and the groom is the son of Mrs. Adam Beyer of Lindsay.

Rev. Anthony Schroeder, pastor, performed the double ring ceremony and officiated at the nuptial high mass before an altar banked with fall flowers, greenery and tapers. Preceding the ceremony the choir sang "Ave Maria" and Anthony Luke, organist, played the traditional wedding music.

Mr. Vogel gave his daughter in marriage. She wore a dress of heavy white satin with an illusion yoke. Side panels of the bodice were gathered and wide lace edging gave an off-shoulder collar effect.

The long satin sleeves came to a point over her hands and the full skirt extended into a cathedral length train.

The bride's veil of illusion was lace edged and fell to her waist from a crown of seed pearls. She carried a white prayer book topped with a gardenia surrounded with tube roses and showered with satin streamers.

For something old the bride had on a ring belonging to her great-grandmother, who wore it at her wedding 75 years ago. Her only other jewelry was a single strand of pearls.

Bride's Attendants
Miss Evelyn Vogel, sister of the bride, was maid of honor. She wore a green satin dress with sweetheart neckline and a full gathered skirt with a bustle effect in the back. Long green mitts came to points over her hands. She wore a matching Juliet cap and carried a colonial bouquet of yellow mums.

Miss Rosemarie Becker was bridesmaid for her cousin. She wore a beige satin dress identical to that of the maid of honor and carried a colonial bouquet of yellow mums.

Frank Beyer, brother of the groom, was best man, and Clifford Otto was groomsman. Leonard Hartman and Lambert Beyer were ushers.

For her daughter's wedding Mrs. Vogel wore a black crepe dress with a corsage of white carnations. Mrs. Beyer wore a black pinstripe suit with a white carnation corsage.

After the services, breakfast was served in the home of Mr. and Mrs. Richard Swirczynski to members of the bridal party. At noon the Vogel home was the scene of a dinner for immediate members of both families.

Reception And Dance
At 4 o'clock a reception was held in the parish hall. White and green, the bride's colors, were stressed in decorations. The bride's table was centered with a three-tier wedding cake. Miss Rosalie Beyer, sister of the groom, presided at the guest book. A dance in the Lindsay hall brought the day's festivities to a close.

When the couple left on their wedding trip in the late evening the bride was wearing a gray gabardine suit with pink and brown accessories. Her corsage was the gardenia she carried at her wedding. The couple will make

Honor Roll Lists 9 Students For First Six Weeks At S. H. High

Nine students of Sacred Heart High School made the honor roll for the first six weeks' period, according to announcement by Sister M. Theresina, principal of the school.

The students are: Anselma Felderhoff, freshman class; Irma Hofbauer, sophomore; Anselma Knabe, junior; Mary Ann Felderhoff, Florence Fette, Melvin Herr, Aileen Koelzer, Pauline Mages and Jeanette Meurer, seniors.

A student must have no grade below B- and a deportment grade of not less than A- in order to be eligible for the honor roll.

HALLOWEEN PARTY HONORS S. H. HIGH STUDENTS TUESDAY

The first P-TA sponsored social for pupils of Sacred Heart High school this term was a masquerade Halloween dance Tuesday night in the K of C hall. Room mothers, and their assistants were hostesses for the evening.

About 125 persons including the students, their parents and guests attended. The Hogan Boys furnished the music. Square dancing, the schottische, the two-step, Paul Jones and ladies choice added variety to the dancing program.

In a costume contest Miss Margaret Myrick received the prize as the best individual. She was dressed as a clown. Her sister, Miss Pauline Myrick, was a close second, attired as a gypsy. For the best dressed couple Jerry Fuhman and Larry Hofbauer received the awards. Jerry portrayed the young lady in a charming manner, and his identity came as a complete surprise to judges and the assemblage.

The hall presented a festive appearance with its Halloween decorations and the hostesses served fruit punch and cake.

Mmes. Nick Miller, Steve Mosler, Frank Yosten, Lou Wolf, L.A. Bernauer and Joe Luke, members of the Muenster Garden Club, and the latter's guest, Mrs. Oliver Stone of Robstown, attended the flower show of the Maggie House Garden club at the Community Center building in Gainesville Wednesday afternoon.

their home in Lindsay where Mr. Beyer engages in farming.

The bride is a graduate of Sacred Heart High school with the class of 1946. At the time of her marriage she was employed by the county AAA office in Gainesville and will continue working after her honeymoon. The groom graduated from Lindsay high school. During the war he spent 44 months in the army, four of which he was a German prisoner of war.

Mr. and Mrs. Ed McKinney had as guests for 10-days her mother, Mrs. Ed H. Winton of Fort Worth. Mr. Winton brought his wife to Muenster and spent a week in Tennessee with relatives, then joined her here again to accompany her home.

Entered as second-class matter December 11, 1936, at the post office at Muenster, Texas, under the Act of March 3, 1879.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation that may appear in the columns of the Enterprise will be gladly and fully corrected upon being brought to the attention of the publisher.

The American Way

THE POISON IN THE CUP

Some of the ancients had an interesting way of killing off people so as to avoid suspicion of what they were doing. Instead of one lethal dose of poison, or a dagger through the heart, or

a fatal clout over the head, they introduced poison, drop by drop, with no immediate visible effects, but resulting finally in the death of the victim. The poison was dropped in doses so small as not to be apparent in the delectable contents of the cup from which the victim drank.

That is what is happening to America, once the home of the brave and land of the free, champion of righteous causes the world over, savior of civilization and absorber of bankruptcies elsewhere in the world—now slowly destroying herself in the double-forked attack on socialistic bankruptcy abroad while undermining the foundations of freedom and private enterprise at home.

No one in his right senses would accuse Harry Truman and his cohorts, the socialist-labor dictatorship of this country, of deliberately trying to destroy America.

But Harry Truman's wishful intentions and what he is actually doing, are two very different things. The poison that is being administered into the cup of political promises from which America drinks is no less lethal because Harry does not know what he is doing. It is still poison, and it is still destroying America. The death potions administered with kindly ignorance are just as fatal as though they were administered with deliberate malice.

The product and self-consecrated disciple of one of the most practical and corrupt and vicious political machines ever known in our country, a blindly faithful follower of the political boss who facetiously made him a United States Senator, Harry Truman has never risen to the heights which enable a man to see past his immediate political interests, the minorities through which he can control the majorities, and the temporary benefits of legislative and political manipulation which so often cost more than their immediate benefits.

Harry Truman is only a symbol or example of the kind of leader in public life who places party and personal power above the real interests of the people. He does not know enough of the long term forces that control the destinies of men, to let such knowledge interfere with his temporal and immediate interests.

Meantime, the poison continues to drip into the cup—the poison of something for nothing, let the government do it—more and more welfare for weaker and weaker people!

Under the guise of what is called the "Welfare State," the pleasant concoction that is poured into the cup for America, carries with it the inescapable poison of growing governmental power and responsibility, the substitution of federal paternalism for individual selfreliance and growth. More and more, the individual is relieved of the responsibility and burden of his own support, which alone can keep him strong and fit to be free, and persuaded to accept instead the services of government which finally waste away

The Bottomless Drain

his powers and abilities through disuse.

The final tragedy is that we pay for our own destruction. Every dollar that the federal government gives us in one form or another, subsidies and what have you, must finally cost the taxpayers two dollars or more out of future earnings. It is a bad buy to have government do wastefully what we can do much more economically for ourselves.

England is already learning that social medicine is costing the average family more for less efficient service. In industry after industry, production goes down as the government takes over and, if it were not for the charity of the United States, the English Socialist-Labor government would

have fallen by now. We are actually helping to keep alive a socialist welfare government at the ultimate cost of destroying Eng-

Curtis Restaurant

E. California Gainesville

land as a nation. And, when America, having dissipated her resources and sapped the vitality of her people, needs the kind of help we are now giving England, what country in all the world will do for us what we are doing for England socialists? We are the last of the countries able to give such help, and when our turn comes to ASK HELP there will be none left to give it. Except perhaps Uncle Joe, with his sardonic grin, who can then take us into the family of slave

nations worshipping the pagan bones of Karl Marx.

From where I sit ... by Joe Marsh

Now They're Sitting Pretty

Squint Miller, who's working as a telephone lineman, was telling me about some birds that got into a fight with his company.

Seems a couple of woodpeckers set up housekeeping in a telephone pole. Nobody minded them living there, but they kept pecking at the wires—causing one short circuit after another.

Finally, the telephone people—who had nothing personal against the birds—just stopped up the hole where they lived. But they kept coming back. At last, the company

donated that pole to the woodpeckers and set up a brand-new one for their own use!

From where I sit, we'd all be better off if we were as tolerant with our own kind as that telephone outfit was with the woodpeckers. Let's consider the other fellow's point of view—whether it's his right to live where he wants, or to enjoy a friendly glass of temperate beer or ale when and if he pleases.

Joe Marsh

PUBLIC SCHOOL P-TA AND STUDENTS READY FOR HALLOWEEN

Members of the P-TA and students of the public school have been busy during the past week completing plans for their Halloween carnival to be held next Monday, Oct. 31.

The party will begin at 6:30 with a chuck wagon supper served by the P-TA mothers, and will continue during the evening with a variety of carnival attractions, games, contests, and refreshments.

The FHA girls will sponsor a cake walk, first and second graders will be in charge of a fish pond, and the seniors will supervise the games.

Proceeds will be used for classroom equipment with the exception of the seniors' game returns which will begin a fund for a senior trip next spring.

The entire program will be held on the school grounds and everybody is welcome to attend.

POODLES IN A PUDDLE—Out in Hollywood, Hjordis and David Niven treat their poodles, Baba and Suza, to a boat ride in the Niven pool. With such goings on, and a master and mistress like that, a dog's life isn't what it used to be.

"Where in 1932 the per capita cost for Federal expenditures was \$37.41, today it is \$282.82. There is a steady stream flowing out of Treasury coffers at the rate of \$80,000 a minute." — Herbert L. Carpenter, Director, Commerce and Industry Association.

Open House Reception At Gainesville Observes Morris Golden Wedding

Mr. and Mrs. Lee Morris of Gainesville, parents of Charlie and R.L. Morris of this city, observed their golden wedding anniversary Saturday with an open house from 2 to 5 at their home, 801 Ritchey street.

Many relatives and friends called to extend their best wishes and presented the honor couple with gifts. Mrs. F.A. Tucker of Hereford, a daughter, served punch and cake from a table laid with a lace cloth.

Mr. and Mrs. Morris are both natives of Cooke county. Mr. Morris, a retired Baptist minister, was born in the Bulcher community on July 6, 1882. Mrs. Morris, born Feb. 22, 1882, is the former Maggie Simons, daughter of the late Mr. and Mrs. P.D. Simons. Mr. Morris' father was Bill Morris, a Cooke county cattleman. The couple was married October 21, 1899, in Bulcher and lived there until moving to Gainesville about two years ago.

Mr. Morris has held pastorates in Cooke and Grayson counties and in West Texas. They had 11 children, six of whom are living, and who attended the celebration.

Mrs. Morris suffered severe injuries in a car accident last March while she was visiting a daughter in Amarillo and still uses a crutch in walking.

The six children are Mrs. L.B. Hunter of Amarillo, Charlie and R.L. of Muenster, Mrs. F.A. Tucker of Hereford, and Mmes. Paul Brown and R.C. Daniel of Plainview. They have 24 grandchildren and two great-grandchildren.

PAROCHIAL HI GIRLS LOSE CAGE OPENER 33-40 AT SAINT JO

The Sacred Heart Red Sox six dropped the season's opener last Wednesday afternoon to Saint Jo's girl basketeers in an action packed game by a score of 33-40.

Players on the local team are Dorothy Walterscheid, Dolores Gremminger, Bernice Reiter, Grace Friske, Anselma Knabe, Rita Hoenig, Patsy Gremminger, Marianne Luke, Florence Fette, Albina Mag-es and Irma Hofbauer.

Walterscheid, Reiter and D. Gremminger displayed outstanding teamwork as forwards with Reiter accounting for 22 points. As guards, Friske, Hoenig and Mages were outstanding.

Kermit, Texas, is named for Kermit Roosevelt, son of Theodore Roosevelt.

6 TONS OF COAL USED TO PRODUCE A FORD

DEARBORN.—What does a coal shortage mean to the automobile industry?

That answer may be found in a report recently released by the Ford Motor Co., which estimates six tons of coal go into the making of a single Ford passenger car. The estimate includes coal used in the coke ovens, the power-house and the railroads in the huge Rouge plant, plus that used by steel suppliers and in transportation of raw materials.

S. H. School Paper, Mosaics, Rates Two Awards In Survey

The Sacred Heart Mosaics, student publication of Sacred Heart High school, this week issued Number 1 of Volume V. The lead story announces that the Mosaics rated "All Catholic Honors" in the Catholic School Press Association survey for 1948-49. It obtained 900 points out of a possible 1000.

The International Quill and Scroll association awarded Mosaics International First Place Award in the '48-'49 survey. To attain this

JITTERBUGGING A LA DENMARK—A vigorous folk dance is performed by four of the 24 Danish gymnasts who staged a popular exhibition at New York University recently. The young men and women, all amateurs selected from among Danish schools and clubs, have planned a year's tour in the U. S. and Mexico.

rating a paper much have at least 850 points out of a possible 1000.

Judges in the former survey praised Mosaics for its diffusion of Catholic thought and the promotion of Catholic activity, for its appearance, typography, layout and design, application of art to news and feature, headline construction and accuracy.

Betty Lou Buckley was editor of the paper last year and Melvin Herr is the present editor. Others on the staff this year are Pauline Mages, associate editor; Verena Henschel, secretary; Michael Driever, feature editor; Della Rose Herr, sports editor; Celine Felderhoff, humor editor; Mary Ann Felderhoff, exchange editor; and Florence Fette, Bernice Henschel, Anselma Knabe, Randolph Bayer, Ronald Herr, Irma Hofbauer, Floradell Endres, Joan Felderhoff and Jerry Fuhrman, reporters.

The paper is published six times a year by the Sacred Heart Press Club under the direction of the Benedictine Sisters. Sister M. Eymard is faculty advisor. It is printed by the Muenster Enterprise.

Capitalist Trick

In an article in The Saturday Evening Post, the story is told of three Russian engineers, guided by an American interpreter, who went into a New York clothing store looking for overcoats. The abundance of goods on hand, the qualities, and the prices, seemed to them all but unbelievable. They were, at first, elated to the point of hysteria. Finally, however, they left without buying. They had become convinced that the whole thing was a fake—a crafty capitalist trick to make them believe that such wonderful goods could be freely bought by anyone. The Russians weren't taken in though—they'd been forewarned at home, so they knew better than to fall for so patent a ruse!

Dentists Will Soon Drill Without Drill — And Without Pain

SAN FRANCISCO.—You soon may have "painless" dentistry that really doesn't hurt—tooth drilling without drills.

The millennium for tender-toothed dental patients may be reached within a year, the American Dental Association convention learned here.

The new method involves a machine invented by Dr. R. B. Black, Corpus Christi, Texas, and perfected by S.S. White Dental Manufacturing Company of Philadelphia.

Instead of drilling, it uses a blast of carbon dioxide gas, shot at 75 pounds a square inch pressure through a nozzle only 18 thousandths of an inch in diameter. A finely ground abrasive, aluminum oxide is carried against the tooth to be drilled by the high pressure gas and does the cutting finely and precisely. The benefits are lack of vibration, heat or bone-conducted sound, all of which combine to produce the "hurt" in tooth drilling.

The new machines now are being used by various dental schools and by the navy dental center.

NICKELS ADD UP

U.S. motorists put more than 340 millions into city parking meters last year. Sacramento's 2,300 meters brought in \$231,000; Rochester, N. Y., with 2,000 meters, took in \$127,000.

At war's end, in 1945, 473 towns had 200,000 meters. Last year, 2,200 towns had 700,000 meters. In one group of towns, the average meter collects \$6.50 monthly, of which \$4.50 is profit above expenses.

Highway user groups hold that meter profits should be used only for parking improvements and other projects to benefit the motorists who pay the parking fees.

PAROCHIAL SCHOOL HALLOWEEN CARNIVAL TO BE HELD SUNDAY

Plans are complete for a gala Halloween carnival to be sponsored next Sunday by grade room mothers of the Sacred Heart school P-TA as a benefit to raise funds for classroom equipment. The party will be held on the football field beginning at 3:30. Everybody is invited to attend.

Features of the afternoon and evening program include a variety of games and contests, photo taking, fortune telling, a shooting gallery, and plenty of ice cream, home made cookies, candy, and popcorn balls and cold drinks.

Students attending the carnival in the evening in costume will have an opportunity to vie for prizes in a costume contest. There will be four awards. At 8 o'clock judges will determine the best costumed boy and girl from the grade and the high school.

*5 YEARS AGO

October 27, 1944

Mrs. F.J. Schenk, 58, dies of heart attack Thursday morning. — Two local young people fracture legs in weekend accident: Clyde Fisher breaks both legs in fall from pecan tree; Mary Faith Bernauer 12, broke her right ankle in a fall while playing. — Camp Howze will be used as infantry Replacement Center. — Large crowd attends Subiaco Alumni picnic at Lindsay Sunday. — Henry Fette has eye operation in Dallas Wednesday. — Cpl. Richard Trachta is home on furlough after serving in the Aleutian Islands. — S.Sgt. Ferd Yosten writes from India. — The Jud Boyles family returns to Muenster to reside after living in Corpus Christi for several months. — LaVetta Martin has appendicitis operation. — Mr. and Mrs. Joe Otto retire from farm work and move to town. — Mr. and Mrs. Clem Reiter observe their 23rd wedding anniversary. — Misses Rosalie and Marcella Schmitz of Dallas spent the weekend with their parents in Lindsay.

Record Breaking State Fair Draws Gate of 2,047,540

The greatest state fair ever produced in Texas or anywhere else, for that matter, closed up and locked its gates Sunday, Oct. 23, after breaking practically every existing record for state fairs. Despite four days of rain and almost continuous threats of rain, more people visited the exposition, won more livestock premiums, saw more exhibits, enjoyed more shows and more football games, heard more music and ate more food than at any previous state fair in history. Attendance for the 16-day show was 2,047,540, which was 155,000 more than attended the largest previous fair. Rural Youth Day set the record for number of farm and ranch youth ever assembled at a single spot when 75,000 swarmed the grounds Oct. 15. This was also the largest single day in the history of the Fair: 276,984 visitors arrived from every corner of the Southwest to enjoy the fantastic exposition.

The livestock show made history, too. Its beef cattle, swine and quarter horse shows were the largest ever held at the Fair. Twenty states were represented, as the show broke all records for entries and interest.

As the current fair closed, State Fair officials and directors were already planning a bigger and better fair for 1950.

Next year's fair will feature dramatic new shows in the Auditorium and in the grandstand, more foreign exhibits, a new and even more understandable atomic energy exhibit. It will have the American Jersey Cattle show, the largest of its kind in the world, and many new permanent improvements in the physical plant. It will again be "the greatest state fair on earth."

The Treaty Oak in Austin has been called the most perfect specimen of a tree in North America.

To keep belts in one place where they are easy to find, screw cup hooks all the way across an ordinary wooden coat hanger and hang the belts on them. This saves space too.

Citation by Publication

THE STATE OF TEXAS
To: Lucille Murphree, Defendant,
Greeting:
You are hereby commanded to appear before the Honorable 16th District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 14th day of November A.D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 30th day of August A.D. 1948, in this cause,

TERRIBLE TARHEEL TWOSOME—The eleven men which North Carolina University puts on its Raleigh, N. C., gridiron are big, fast, smart and strong, but from the looks of their mascot and its keeper, psychology isn't overlooked either. Shown above are the members of the Tar Heels' psychological strategy staff: Mascot Rameses VI, right, and keeper G. B. Cook. The gruesome twosome specialize in enemy demoralization.

numbered 15034 on the docket of said court and styled Joe Murphree Plaintiff, vs. Lucille Murphree Defendant. A brief statement of the nature of this suit is as follows, to wit: A suit for divorce for the reasons of harsh and cruel treatment, for cost of suit and, for general and special relief, as is more fully

shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Cooke County, Texas this 28th day of September A.D. 1949.

School Scribblings

By Students of the Muenster Public School

VOL. I NUMBER 6 Edited by Murlin Evans and Johnny Fisher

Last Friday, October 21, Mr. C.Y. Moore joined the faculty of Muenster High School. He is teaching algebra and biology in the high school and general science in the seventh and eighth grades. Mr. Moore is from Wichita Falls, Texas and is living at the Eberhart residence in Muenster.

The Hallowe'en carnival on October 31 is expected to draw a large crowd with the many attractions to be offered. The parent-Teacher Association will serve the evening meal to all people who will be interested in dining out. Too, sandwiches will be available for those who want a snack only. The Muenster Chapter of Future Homemakers of America is sponsoring a cakewalk. The cakewalk will cost ten cents and all the cakes will be homemade. There will be about forty cakes. Too, the chapter is giving away a table doily which is very beautiful. Mrs. M. E. Muller made the doily and it will be given away at 9 p. m. The seniors will sponsor the game concession and everyone is assured a welcome who stops to play with the seniors. To complete the entertainment, there will be a fish pond sponsored by the first and second grades, fortune telling, spook houses, and square dancing.

On November 1, at 7:30 p.m. the Era Chapter of the Future Homemakers of America is giving the Muenster Chapter of FHA a formal initiation. The meeting will be held at the KC Hall. Officers will be installed and members initiated into the FHA Chapter. All parents, relatives, and friends are urged to come to the formal

initiation and open house which will be held afterward in the homemaking department.

The FFA grass judging team, composed of Glen, Hellman, Douglas Robison, and Wilfred Klement, took thirteenth place in the grass judging contest at Dallas on Wednesday, October 19. Fifty teams entered the state-wide grass judging contest. Mr. and Mrs. Ralph Maglaughlin, Ed Helton, and John Klement accompanied the local team.

The FFA Chapter will give away a Thanksgiving turkey and a rooster at the Hallowe'en Carnival. The contest for FFA sweetheart will end October 31.

Glen Hellman and Wilfred Klement were interviewed by Hugh Barnhardt over radio station KGAF, Friday, October 21 from 12:45 until 1 p.m. The boys were questioned concerning their projects and contests in agriculture. Mr. Ralph Maglaughlin, Vocational Agriculture teacher, also spoke briefly.

PERSONAL

The following students have had or will have birthdays:

October 25, Judy Long; October 17, Richard Knabe; October 18, John David Meurer; October 19, Henry Weinzapfel; October 22, Lue Edythe Cherry; October 25, W. L. Wylie; and October 31, John Aytes.

Coming School Events

Thursday, October 27 "B" team plays Era there
Friday, October 28 FHA meeting at 10 a.m.
"Hornets" vs. Pilot Point, here Saturday, October 29 FHA-FFA square dance at the bus barn
Monday, October 31 Hallowe'en Carnival
Tuesday, November 1 Formal initiation of Future Homemakers of America

Temporary Glasses In Early Life Save Eyes for Old Age

AUSTIN, TEXAS. — Emphasizing the urgent need for parental supervision of all phases of child health, Dr. Geo. Cox, State Health Officer said today, "Much of the impaired eyesight of advanced years could be prevented if sufficient interest in early life were applied and a correction by means of temporary glasses made when required."

Parents, Dr. Cox asserted, should be watchful for danger signals in the child such as frowning, squinting, persistent headache, eyeache, and watery eyes. If the youngster reads too closely or too far away from the face, that situation may also be significant of trouble.

"No child likes wearing glasses, nevertheless, it is the obligation of those responsible for the future of the young folks to have their eyes examined by a reputable specialist if there is a suspicion that normal vision does not exist. It is much better for a child to wear glasses for a few years during early school life than to have permanently defective vision in later life," he declared.

Dr. Cox said that neglect of the eyes is by no means limited to children. Many older persons, some through vanity, indifference, or carelessness, fail to give proper attention to the care of their eyes. Penalties, he warned are bound to occur for such inexcusable negligence.

"The eyes of any person, whether young, middle-aged, or older represent one of the most priceless of bodily possessions," the State Health Officer asserted. "To take care of them promptly and properly is a responsibility which never should be sidestepped."

Leonard Knabe of Borger and Arnold Knabe of Fort Sill, Okla., were here during the weekend to visit parents, the Albert Knabes.

Blessed Events

Mr. and Mrs. Ray Sicking announce the birth of a daughter at Gainesville sanitarium on Oct. 20. Mrs. Sicking is the former Dorothy Eberhart and Messrs. and Mmes. Will Sicking and Ed Eberhart are the grandparents. Mr. and Mrs. John Eberhart are the great-grandparents.

Mr. and Mrs. Erwin Fuhrmann of Lindsay are the parents of a daughter born at Gainesville sanitarium on Oct. 19. She weighed seven and a half pounds. Her mother is the former Clara Stoffels and the grandparents are Messrs. and Mmes. Mike Fuhrmann and H.P. Stoffels. The baby, who has been named Barbara, is the Fuhrmanns' first child.

Mr. and Mrs. Paul Arendt Jr. of Lindsay announce the birth of a 7 pound daughter, Janet Mary, at Gainesville sanitarium Saturday. Mrs. Arendt is the former Mary Wolf and the baby is the first grandchild of Mr. and Mrs. Adam Wolf of Gainesville. Mr. and Mrs. Paul Arendt of Lindsay are the paternal grandparents.

Mr and Mrs. A.C. Johnson are the parents of a daughter, Mary Elizabeth born at the local clinic on Saturday, Oct. 22.

A son, Jerry Dean, was born to Mr. and Mrs. Elmo Wilson of Sivils Bend at the local clinic on Saturday, Oct. 22. The baby is Nig Wilson's nephew.

New Fords delivered by Endres Motor Co. include the following: tudor sedan to Tony Yosen, and Pete Cooke of Saint Jo, club coupe to Mrs. E. McGregor of Saint Jo, a pickup to Tom Agee of Forestburg and a pickup to Eberhart Brothers.

Upper Elm-Red Soil Conservation District News

DISTRICT SUPERVISORS

J. W. Hess, Muenster V. W. Redman, Saint Jo
John Rice, Collinsville Ed Blackmon, Bowie
Willard Kemplin, Valley View

H. M. Lewis has worked out a complete soil conservation plan on the farm he recently bought from H.V. Milligan. The farm is about 7 miles southwest of Muenster. Mr. Lewis plans to develop pasture on 32 acres of land that is now in cultivation. Sweet clover will be grown for two years to condition the soil for the grass. About 5 acres will be sodded to bermuda grass and the rest will

be seeded to buffalo grass. The land that is kept in cultivation will be terraced as soon as a bermuda grass waterway can be established. Vetch and rye will be included in the crop rotation.

Joe Hoenig recently bought part of the Cone farm adjoining his farm. Conservation practices needed on this land have been planned and he is plowing the area marked off for waterways and will sod it as soon as the bermuda grass goes dormant.

Madrid sweet clover is paying its way as a regular crop and a soil building crop. Felix Becker said that his milk production jumped from three and one-half cans to five cans of milk per day when his cows were put on Madrid clover recently. Mr. Becker planted his clover this spring and wants to plant some more next spring. Price Hudspeth of Forestburg had 90 acres of Madrid clover that he harvested for seed this year. He commented that this field soaked up the water during the recent rains and run-off was much less than on similar land where clover had not been grown.

For improving soil structure and increasing the rate of water intake, the biennial sweet clovers seem to be doing a much better job than other legume crops.

TRIBUTE TO U. S. HEROES—Lt.-Gen. Clarence R. Huebner of the European Command attends the inauguration of the Bullange, Belgium, Memorial and the Henri Chapelle Memorial for the dead of the First American Army in World War II in the Belgian Ardennes. Belgian children paid honor to the Americans who lost their lives in that sector.

structing three diversion terraces to divert hill water off of bottom fields. This practice really pays off by keeping excess water off of the fields, reducing erosion damage, silting damage and by making the fields easier to work. At Marysville, B.G. Lyons is constructing a diversion terrace and some field terraces to protect one of his cultivated fields.

Banquet Will Honor County Dairy Group

Jack McCullough will be the principal speaker for the Chamber of Commerce banquet November 2 honoring members of the Dairy Herd improvement association of Cooke county.

McCullough, veteran county agent, of McKinney, is well qualified to bring the message for this occasion, since he has seen the development of dairying in Collin county and has done much to promote the development. Weldon Blanton, chairman of the C of C dairy committee, said in announcing the banquet speaker Tuesday morning.

Purpose of the banquet is to honor "the fine work being done by members of the DHIA in improving dairying in Cooke county". The association will observe its second anniversary on Nov. 1. The banquet will be held in the Community Center building.

Muenster members attending will be Paul, C. A. and Joe Fisher, J.W. Fleitman, John Knabe and Tom Sicking.

ARTIFICIAL BREEDERS ASSOCIATION READY TO BEGIN OPERATIONS

With its membership quota filled, the Cooke County Artificial Breeders Association announced this week that it is ready to begin operating on Nov. 1. The quota is a sufficient number of owners to reach a total of 800 cows, according to Paul Fisher, one of the local members.

Another preliminary to setting up for regular operation was a drive to secure equipment. Banks and milk plants in the county provided the necessary funds.

10 Commandments on How To Grow Old Gracefully

NEW YORK.—Ten commandments for a person to grow old gracefully, as listed by Dr. Herman Seidel of Baltimore:

He should continue to work at his vocation and retain his accustomed position in society as long as possible.

Avoid sedentary habits and inactivity, continue with whatever open air activities or hobbies he may be accustomed to; if he has none he should acquire some.

Engage in systematic daily exercises, designed to prevent or overcome physical deformities; these should include the practice

BETTY LUE BENZER HONORED AT SAN ANTONIO COLLEGE

Miss Betty Lou Bezner, Lindsay, sophomore student at Our Lady of the Lake College, San Antonio, was one of three students chosen to represent the College at the Third Regional Congress of the Confraternity of Christian Doctrine, held in Houston October

18, 19, and 20. The Confraternity of Christian Doctrine is an organization to teach religion to Catholic children attending public schools. The 55 Confraternity members at Our Lady of the Lake College teach a total of 1200 San Antonio children weekly.

Miss Bezner, a business administration major, is the daughter of Mr. and Mrs. Jake Bezner.

Lee Wolf Wins 4-H State Contest In Tractor Maintenance

Lee Wolf, 19, son of Mr. and Mrs. Adam Wolf of Gainesville, and a member of Saint Mary's 4-H club, is the 1949 4-H Tractor Maintenance contest winner. State 4-H Club Leader Floyd Lynch of the Texas A&M College Extension service made the announcement Saturday. The award is an all-expense trip to the National 4-H club congress in Chicago.

Lee is completing his sixth year of club work. Joe Bauer is his local adult leader, and B. T. Haws, county agent, has supervised his demonstrations. Lee has completed demonstrations with field crops, sheep, hogs, poultry and dairy cattle. In 1948 he won the Anderson-Clayton award for his outstanding cotton production record. He has held every elective office in his club and is now active as a junior leader. He has won a variety of county awards and ribbons at the county fair and the 'at stock show.

He has completed two years of tractor maintenance work and likes it. He keeps the farm's three tractors in good running condition using practices learned at the tractor maintenance clinics. He has kept a complete record of the three tractors for the past year and can give the "what, where and when" on each tractor for any day and what it cost to get the job done.

The tractor maintenance program for 4-H boys is sponsored by the Stanolind Oil and Gas company of Tulsa. It furnishes the medals for the county winners, the trip to Chicago for the state winner and six \$300 scholarships for the national winners. Lee's record will be entered in the national contest.

Pre-Nuptial Courtesies Honor Miss Sally Schad

Complimenting Miss Sally Schad, bride-elect of Johnnie Arendt, Miss Joan Arendt entertained with a kitchen shower Sunday afternoon in the Paul Arendt home.

Twelve guests presented gifts to the honoree and enjoyed informal diversion and refreshments. Plate favors were umbrellas made of paper lace doilies mounted on marshmallows.

Miss Schad and Mr. Arendt will be married on Thursday, November 3, in Saint Mary's church at Gainesville.

On Saturday evening Miss Schad was honored with a surprise miscellaneous shower in the home of Mrs. Clara Mosman in Gainesville with Mmes. Freddie Dulock and Francis Wiese and Misses Eleanor Schad and Mary Helen Hutton as co-hostesses.

The bride's colors of white and green were noted in party room decorations and in refreshments of ice cream and cake served by the hostesses. Favors were green candles bearing a small white banner inscribed "Sally and Johnnie, November 3", on a white marshmallow base.

Guests wrote their favorite recipes and filed them in a box for the honoree and then clipped appropriate pictures pertaining to the bride-elect's future from magazines and pasted her selections in a bride's book.

The honoree was presented with her gifts in an unusual manner. Green balloons, each containing information where to look for the gifts, hung from the chandelier. As she punctured the balloons, notes with the information fell to the floor.

After the gifts had been displayed the remainder of the evening was

spent in informal conversation.

About 30 guests from Gainesville, Lindsay and Muenster attended.

WALTER HERMES' TURKEYS WIN PRIZES AT STATE FAIR

Turkeys shown at the State Fair by Walter Hermes, Lindsay 4-H Club boy, won two white ribbons, third places in competition last week.

In the sale of the birds, the 10 turkeys entered by young Hermes brought an average of 49 cents a pound, about 15 cents above the market price.

Walter is the son of Mr. and Mrs. Julius Hermes of Lindsay.

Mr. and Mrs. Francis Dieter who have been living in Longview are back in Lindsay to reside.

Recent visitors in the J.J. Fuhrmann home were their daughters, Mrs. F.R. Gully of Benson, Minn., and Mrs. Paul Klein and son, Pat, of Topeka, Kansas.

Mrs. John Wilde of Harlingen arrived Sunday for a visit with her children, Tony and Paul Walter, and Mrs. Henry Zimmerer, her sister, Mrs. J.S. Horn, and other relatives.

Herbie Yosten is back in Muenster after spending about six months in Washington state.

Confetti ---

to reject it in the first place, and there are several good reasons why.

Reading into the fine print of the full text of the amendment we discover that the real proposal is to authorize two regular sessions of the legislature and an annual salary of \$3,600. That means the legislator's pay will be increased from approximately \$1,200 to \$7,200 per 2 year term.

Under present regulations the session is authorized to last 120 days and the member's pay is \$10 per day. If the session exceeds the authorized time the pay drops to \$5 per day. Very likely the provision was originally made as an inducement to get the job done and go home.

Normally such a session costs us taxpayers \$217,200. But if the amendment goes through we'll be clipped for \$1,303,200. And remember, we now have only one such session in the two year term.

But the amendment calls for two such sessions in the term, no doubt to justify that fat \$3600 salary twice in the same term.

It's bad enough that the men are trying to phenagle for a six fold increase in pay. In our opinion that is outrageous compensation for what we expect of them. But the situation is made even worse by that deal for the extra session. It presents an alternative between two evils, and nothing more. Either the men will just be there drawing lots of money, which we don't like, or they will be legislating which we also don't like. Because legislation in Austin, as in Washington, usually amounts to thinking up more ways of spending money, which we taxpayers have to dig up.

And that's not all. Longer sessions mean more money spent on clerks, stenographers, pages, caretakers and plenty of other employees. The situation in a nutshell amounts to paying an outrageous additional sum to legislators and helpers for doping out ways to charge us more taxes.

And that still isn't all. Those guys are to get \$3600 a year, a nice fat salary. They'll have a good living. No need of returning to work back home. So they'll want to convince voters that they are earning their money... by putting in a generous measure of time on the job. And the only way they have of showing achievement is by more legislating, figuring out more ways to tap the public purse.

No thanks. Let's have none of this amendment. Let's have no more legislating than we have. And if we think the job at Austin can and should be finished in a 120 day session every second year, let's not goof off \$7200 to get it done.

Maybe we don't approve of restricting our representatives to \$10 a day. In these times that is shabby pay. But why go from one extreme to another? Why not adopt a more reasonable per diem rate like

15, 20 or 25 dollars a day? Let's give them a just pay, enough to take care of their extra expense and still leave something for their time and effort. But let's not adopt this extravagant measure. Especially not when it leaves the way wide open for a lot of extra expense through extra legislation.
