MUENSTER, COOKE COUNTY, TEXAS,

JANUARY 15, 1954

NUMBER 8

CONFETTI
By
COR FETTE

A few weeks ago the Alamo Register, official Catholic newspaper of the Archdiocese of San Antonio, had an article commenting on the success of released time classes for religious instruction initiated last September in four of the public schools of San Antonio. The article refers to the program as an unexpected success and points out that 520 Catholic students of the four schools are now attending such released time classes.

A very significant fact to consider in connection with the program is mentioned in an editorial on the subject in the same issue. That is that "the program was made possible through the splendid cooperation of the Board of Education of the San Antonio Independent School District with a committee representing the different religious faiths."

It further says that "Such religious instruction has received legal approval by a decision of the Supreme Court of the United States in the case of Zorack, et al. vs. Clavson, et al. in 1951, which stated that 'When the state encourages religious instruction or cooperates with religious authorities by adjusting the schedule of public events to sectarian needs, it follows our best traditions.'"

As far as this column is concerned, that decision by the Supreme Court is news. However this column has been aware for some time that local school authorities all over the state and the state authorities as well are cooperative in the released time programs.

As a matter of fact it can be said that most public school authorities favor the teaching of religion to students. Like other thinking people they know that good citizenship must be founded on religion. Right and wrong have little meaning unless people realize there is a God who can and does hold them accountable for what they do. And civilization becomes mighty shaky unless its members are guided more by principle than expediency.

While favoring religious instruction, however, public school authorities run into complications when they try to teach it in their schools. Offering the teachings of any one denomination obviously displeases members of other denominations . . . or those who have no religion at all. This difficulty brought on the Supreme Court decision that no denomination of religion shall be taught in public schools.

By many that ruling has been interpreted as meaning that no religion of any kind shall be taught in public schools, but it is doubtful whether the Supreme Court intended that meaning, especially so in view of the fact that many schools offer a course in Bible, recognizing it as a credit toward graduation. It teaches the Bible more as a historical course but does not attempt to advance the interpretation of any one denomination.

Whether or not that principle is strictly observed is anybody's guess. At least it is significant that school authorities do not bother to investigate if all the people concerned seem to be pleased. So it is easily possible that Bible courses are slanted in favor of denominations that happen to predominate in the schools concerned. If no complaints are made it is assumed that people are getting what they want, and state schoolmen are pleased to see that condition continue.

All of which seems to indicate that public school authorities know the score as far as the need of religious training is concerned. They go as far as they are permitted in allowing religion to be taught in their schools, and when circumstances do not permit that they cooperate in making other means of instruction available to students.

This circumstance is worth a lot of thought in connection with this community's efforts to work out the best possible school system. Released time for religious (Continued on Page 8)

CDA TO MEET SUNDAY
Members of the Catholic Daughters of America are reminded that their regular meeting, postponed last Sunday, will be held Sunday afternoon at 2:30 in the K of C Hall.

New Low Record of Losses Reported by Muenster Mutual

Representatives of the five districts served by the Muenster Mutual Fire Insurance Association, assembled here for their annual general meeting Tuesday, were told that the association's total expenses for 1953 amounted to only 8 cents per \$100 of insured valuation, one of the lowest records in the mutual's history.

W. H. Endres, secretary, told the group that total operating expenses, including administrative cost and payment of claims amounted to \$2,689.92. He explained that administration was exceptionally high because of extensive reappraising to bring valuations in line with present higher values, but that claims were the lowest ever, coming to a total of only \$485 for fire and lightning losses. There were no claims on storm losses.

The re-appraising, he also pointed out, is largely responsible (Continued on Page 8)

Parish Announces Evening Mass for Sundays, Holy Days

Something new in the Sacred Heart Parish is an evening Mass, beginning at 7 p.m. for Sundays and Holy Days of the future.

Father Louis Deuster, pastor, explained last Sunday that the change has been made, with Bishop Gorman's approval, for the benefit of people, especially some of the oil field workers, whose work schedule interferes with the regular morning schedule of Masses.

In connection with the change the pastors have discontinued the 7 a.m. Mass on Sundays and Holy Days. Masses on the new schedule are at 6, 8, 10 a.m. and 7 p.m.

WITH THE MEN IN SERVICE

Return To Camp

Cpl. Leonard Hermes and Privates Charles Neu and Henry Kuhn Jr. have returned to Camp Carson, Colo., after spending leaves with the Ben Hermes, Joe J. Neu and Henry Kuhn families at Lindsay.

Volunteers For Service

Larry Walterscheid is Number 5 in a group of local youngsters who enlisted in the army and will leave for induction on Jan. 28. The others, who enlisted last week, are Damian Hellman, Roger Wolf, Donald Lehnertz and Johnny Jones.

7-Days Extension

Pvt. Mike Driever, who was due to return to Camp Chaffee last Sunday to depart immediately for overseas assignment in Europe, has received a 7-days leave extension because of the death of his aunt, Miss Olivia Stock. His revised order is to join his outfit next Sunday at Camp Kilmer, N. J.

SHHS Girl Teams Win Two of Three

The Tigerettes of Sacred Heart High School broke even in their past week of basketball with one win and one loss while their reserves came through with a win in their only game.

Last Thursday night at Slidell the SH B string took an early lead and kept the initiative all the way through for a final triumph of 32-13. Hess, Derichsweller and Knabe shared scoring honors with 10 points each.

The A team made a similar start in the second game, leading 9-2 at the quarter and 21-16 at the half but the sharpshooting of Fortenberry, who looped a total of 26, pulled the home team ahead 32-29 in the third quarter and extended the lead to 45-32 at the final whistle. Sacred Heart scorers were Mages, 16; Felderhoff, 8; Gehrig, 6; Koelzer, 2.

Monday night in the Everman Academy gym, near Fort Worth, the Tigerettes salted away enough points in the first three quarters to sweat out the Everman rally and win by two points. Scoring by quarters was 8-6, 14-8, 24-16 and 30-28. Sacred Heart leaders were McGannon with 13 and Mages with 10.

New Scoutmaster Delivers Pep Talk At First Meeting

Members of the Muenster Boy Scout troop were assured Monday night that their scouting program in the future will be very similar to that directed by their former scoutmaster Nick Miller.

Meeting with the boys for the first time as their new scoutmaster, Father Patrick Hannon told the boys that his intention is to carry out the ideals of scouting, the development of good future citizens, sound in both body and mind. He also mentioned that outdoor activity will be emphasized in the program.

Roy Endres Jr., newly appointed assistant scoutmaster also spoke briefly to the boys.

The scouts' first activity will be an inspection at next Monday night's meeting. For that occasion each scout will be expected to dress correctly to the last detail. Plans were also started for observance of National Boy Scout Week Feb. 7 to 12.

Father Patrick says he has received five applications for new membership in the scout troop. They are from Tim Fette, Tim Wimmer, Jimmy Sicking, Gilbert Knabe and Herman Grewing.

Family Reunion at Schmitts Observes Golden Anniversary

Mr. and Mrs. Ed Schmitt observed their fiftieth wedding anniversary Tuesday with a family reunion.

Joined by their children and grandchildren they attended an anniversary mass in Sacred Heart church at 6 o'clock. The family then gathered at the Schmitt home for breakfast.

At noon the children prepared and served a sumptuous turkey dinner. All the children; 4 boys, Charlie, of Bonner's Ferry, Idaho; Eddie, Al and Leo, and 3 girls, Mrs. John Fisher, Mrs. J. W. Fisher and Mrs. Alois Trubebach of Muenster were present for the occasion. Twenty-six of the thirty-one grandchildren attended.

Mr. and Mrs. Schmitt were married January 12, 1904 in St. Martin's Church in Forney, Texas. They moved to Muenster in 1910 where Mr. Schmitt engaged in farming until about 12 years ago, when he retired and moved into town.

FFA Members Win Prizes on Broilers

Members of the Muenster FFA chapter won three of the six prizes offered Wednesday night of last week at a dressed broiler show at the high school cafeteria in Pilot Point.

The local winners were Jerry Klement, second place and a \$10 cash prize; Donald Flusche, fourth place and a \$5 cash prize; and Hubert Richey, fifth place and a \$5 cash prize. Three other Muenster boys entering the contest were Dave Flusche, Pete Hammer and Dee Kaderli. There were 27 entries in the show.

After judging the broilers were displayed on ice for the showing and barbecue was served to contestants and visitors. Attending the Muenster boys were Mr. and Mrs. Ralph Maglaughlin and Mr. and Mrs. J. P. Flusche.

NEWS OF SICK AND INJURED

Mrs. Martha Fletcher of Marysville is a medical patient at the Gainesville Sanitarium.

Mrs. C. J. Tuggle of Myra is a patient at the Sanitarium where she underwent surgery Tuesday.

Mrs. Felix Becker returned home last Friday after spending four days at Baylor Hospital, Dallas, for a check-up and treatments.

D. M. Trammel is back home after spending a few days in M&S Hospital, Gainesville for minor surgery.

Mrs. Charles Morris was dismissed from Gainesville Sanitarium last Friday after several days of treatment for pneumonia.

Victor Hartman is temporarily walking on crutches since receiving a severe knee sprain in a fall at the cheese plant Monday.

Winter's Roughest Weather Moves In During Week End

Muenster's worst siege of rough weather so far this winter moved in during the past weekend following weeks of pleasant weather. By Wednesday it reached the freezing rain stage which made both driving and walking hazardous and threatened to cause serious troubles with power and telephone lines.

No less than a dozen reports Wednesday told of people who had tumbled on the ice and there were other reports of cars skidding into ditches. Fortunately, however, there were no reports of serious injuries.

The situation was relieved somewhat by a few warmer intervals Wednesday when ice thawed on the streets and made driving a little less dangerous. However ice did not clear from wires and limbs, nor from car windows. Wednesday night the ice continued to pile on as more freezing mist settled.

By Thursday morning trouble had started. Twelve local and two long distance lines were down, but thawing temperature offered a hope that the ice would clear.

The bad weather started Saturday with a sharp drop in temperature. Sunday it spread a thin blanket of snow and sleet then stayed on as damp, disagreeable weather until the freezing mist of Wednesday morning.

County Dairymen Meet and Eat on Annual Dairy Day

Free barbecue and lots of useful information were passed out to Cooke County dairymen Wednesday at the annual Dairy Education meeting co-sponsored by the North Texas Producers Association and the Dairy Herd Improvement Association in the Community Center building at Gainesville.

The speakers in the order of their appearance on the program and their subjects were as follows:

Bob Magers, animal nutrition specialist with Quaker Oats Company, speaking on "Dairy Feed Problems."

John J. Hoffman, supervisor of the county DHIA, speaking on "DHIA Does Not Cost, It Pays."

Dr. C. J. Paclik, Gainesville veterinarian, discussed "How Will the New Banks Law Affect You?"

Bill McClain, assistant manager of the North Texas Producers Association, spoke on current milk marketing problems.

Gerald York, county agent, concluded the program with a talk on lice and grub control in the dairy herd.

Mrs. Sears Speaks To Garden Club on Christmas Plants

The Muenster Civic League and Garden Club met in regular session Monday evening in the home of Mrs. Ervin Hamric with Mrs. Frank Kaiser, co-hostess.

Mrs. Tony Gremminger, president, opened the meeting with asking the members to pause in a minute of silent prayer in tribute to their deceased member, Olivia Stock. Roll call of the 16 members was answered with "My Garden Resolution for the year."

Mrs. Frank Yosten, park chairman, reported that 4 Live Oak trees will be replaced at the memorial park. Members voted to plant red climbing roses at the memorial park in memory of Olivia Stock. A "Flower Fund Drive" will be held after each meeting.

Mrs. Byron Sears presented the program, speaking on the topic "What To Do With Christmas Gift Plants". She gave an interesting account of the legend of the Poinsettia, and stressed the care of this plant and the Christmas Begonia.

Mrs. Joe Luke brought a lovely winter green arrangement.

Mrs. T. S. Myrick distributed Pawlonia seeds to each member. The hostess served refreshments of meringue pie, coffee and nuts.

The next meeting will be February 8 in the home of Mrs. Ben Luke, with Mrs. Anthony Luke as co-hostess.

Hudspeth Boy's Eye, Injured by BB Shot, Improving Slowly

Indications this week are that Daniel (Butch) Hudspeth, 14 year old son of Mr. and Mrs. Clarence Hudspeth, will retain most of the sight in the eye which was injured by a BB shot last Wednesday. However the eye is not expected to be as good as before.

Since Monday Butch has been home with instructions not to exert himself in any way until the danger of hemorrhage is past.

He was injured about 5:30 Wednesday while he and a group of other boys were playing with their BB guns in the ball park and was taken immediately to the Gainesville Sanitarium. Possible surgery was avoided when the eye responded nicely to treatments for stopping the bleeding and removing a blood clot behind the eyeball.

Mrs. Hudspeth said Wednesday that he can see a little more clearly with the eye everyday.

Knabe Improving, Will Be Home Soon

Reports on Ben Knabe this week are the most favorable that have come from his bedside during the six weeks since his injury. At the present time he is alert, visits considerably about the hospital and has hopes of returning home in a few days.

The sudden improvement which took place during the past week is believed to be a result of a long delayed response to treatments for relieving pressure on his brain.

Knabe was hurt in an oil lease accident on December 2. When found by his brother he was lying unconscious on the floor of a pump house with severe head and leg lacerations. He was taken to Baylor Hospital, Dallas, after two weeks in Gainesville Sanitarium.

Maglaughlin Quits MHS for SCS Job

Ralph Maglaughlin, vocational agriculture instructor at Muenster High School since the course was introduced there in 1949, has resigned to enter the soil conservation service work, Superintendent Weldon Cowan announced this week. His resignation becomes effective at mid-term after which Maglaughlin will attend a special SCS short course before taking up his new work.

Mac's successor on the MHS faculty will be Gene Nelson, a native of Clarksville, who will graduate at mid term from East Texas State Teachers College with a Smith-Hughes master's degree in vocational agriculture and a minor in science.

MHS Cagers Win 2 Double Headers In Conference Race

Both of the Muenster High basketball teams improved their conference standing during the past week by making a clean sweep in their double headers with Callisburg and Saint Jo.

This gives both teams a .666 standing in the race to date. They had previously lost a double header at Forestburg.

The boys played an odd game at Callisburg Friday night when, in spite of hard playing through the first half neither team made a worth while showing on the scoreboard. The teams were tied at 4 each at the quarter and Muenster led 8-5 at the half. But things started popping then, as the Hornets shifted into high gear and the Wildcats took off in hot pursuit. In the next quarter the score jumped to 28-18 and the final tally was 46-27. Wendell Richey hit a hot streak in the last two periods for 19 points and a total count of 24. Dougherty accounted for 12 and McElreath for 8.

Richey's hot streak carried over into the Saint Jo game Tuesday night . . . and generated a little additional heat . . . as he dunked a total of 29 and led his teammates to a 54-37 victory. The first quarter was close ending with the Panthers ahead 11-10 but from there on the Hornets led all the way, gradually piling up their 17 point final margin. Richey's principal helpers in the scoring department were Cain with 11 and Dougherty with 10. Thurman

Olivia Stock Dies Suddenly Saturday Of Heart Failure

Death from heart failure claimed Miss Olivia Stock Saturday morning at about 11:30 while she was at work at her desk in the J. B. Wilde Chevrolet agency where she was bookkeeper. She was conversing with other employees when she suffered the fatal attack.

Funeral services were held Monday morning at 9 o'clock in Sacred Heart church with Rev. Louis Deuster officiating at the requiem high mass and at the graveside rites. He also delivered the funeral address. Nick Miller was in charge of funeral arrangements.

Bearers were J. B. Wilde, Gene Hoedebeck, Henry Sprengel, Jerry Henschel, Fred Hennigan and Steve Mosler.

Rosary was recited at the Miller Funeral Home on Saturday and Sunday nights. Other rosary services on Sunday included those by the Catholic Daughters of America, the Civic League and Garden Club and the Third Order of St. Francis.

Miss Stock was a daughter of Mr. and Mrs. W. Lee Stock and was born in Barclay, Texas, on Oct. 19, 1903. She later lived in Hamlin before the family moved to Muenster in 1916. She was active in church and civic work, being a past president of the Civic League and Garden Club and holding the office of program and yearbook chairman at the time of her death. She was affiliated with the Catholic Daughters of America, serving as treasurer. In last year's annual Red Cross drive she served as solicitor in this community. She was educated in Sacred Heart and Muenster High School and Ursuline Academy in Dallas.

For the past five years she was bookkeeper at the Chevrolet agency and before that at Ben Seyler Motor Company and for the Relax Theatre.

Her sudden death was a shock to the entire community as she had not been ill and was in apparent perfect health Saturday when she started her day's routine as usual. She had never had heart trouble. The sudden attack came without warning and she was pronounced dead upon arrival at the local clinic moments later.

Survivors are a sister, Mrs. Rosa Driever, Muenster; a nephew, Pvt. Michael Driever on overseas leave, one aunt, Miss Angela Laake of Muenster, and two uncles, Dr. E. W. Laake of Kerrville and Frank Laake of Hobson.

Out of town relatives attending the funeral were Dr. and Mrs. Laake and Miss Gena Niehues, Mrs. Otto Wirth, and Mrs. G. W. Hoelscher, all of Temple, cousins of Miss Stock.

MHS Students Elect Annual Favorites

The four students who will appear as favorites in the 1954 Muenster High yearbook were elected last Thursday in a student meeting.

The four favored are Eugene Walter, best all-around boy; Mildred Fisher, best all-around girl; Julia Wolf, most beautiful girl; and Wallace Dougherty, most handsome boy.

Marysville News

Rev. and Mrs. Joe Funk and family of Denton, were here Sunday for the regular church services and were dinner guests of the Foster and Charles Davidson families.

Mrs. Herman Richey has returned home after attending the bedside of her mother, Mrs. W. H. Tuggle.

Mrs. Martha Fletcher is a patient at the Gainesville Sanitarium where she is receiving medical care.

Mrs. Charles Davidson represented the Marysville Home Demonstration Club at a council meeting in Gainesville Tuesday.

Mr. and Mrs. John Richey were in Ringgold Saturday to visit the Coy Fite family. Mrs. Fite was released from the Nocona Hospital that day, following an attack of pneumonia.

Mr. and Mrs. Tom McGill and son of Lamesa spent the weekend with her parents, the W. J. Davidsons. Mr. and Mrs. Davidson celebrated their 54th wedding anniversary on January 8.

Mr. and Mrs. Sheldon Doughty and daughter spent the weekend with Mr. and Mrs. Joe Doughty and family.

Mr. and Mrs. T. B. Hall and daughter of Dallas visited in the B. G. Lyons home Sunday.

Bulcher News

Bill Harrell drove to Pernell, Oklahoma, over the weekend and brought his wife and children, Linda and Billy Martin home with him. They had been staying with her parents, Mr. and Mrs. A. J. Hinkle since Mrs. Harrell and her infant son were dismissed from the Gainesville Sanitarium. The baby arrived there on December 22.

About one inch of snow fell here Sunday. The first of the season.

Mr. and Mrs. L. L. Pickett spent from Wednesday to Saturday of last week in Temple, Texas. Mr. Pickett underwent medical examinations at Scott and White hospital.

Mrs. Dexter Dowd was in Nocona Thursday of last week on business. Other Nocona visitors the day before were Mr. and Mrs. R. J. Samples and Mr. and Mrs. E. Newby. The ladies visited with Mrs. Bill Cliff of Saint Jo who is recovering from surgery at the Major Clinic.

Cleta Sue Cannon who is attending NTSC at Denton spent the weekend with home folks.

Mr. and Mrs. Claude Cannon and Ronnie had Mr. Paul Luther of Dallas as a supper guest Friday night.

Mr. and Mrs. Trav Whaley and his sister of California spent Monday with Mrs. Nannie Morris.

Bulcher HD Club Meets in West Home

Mrs. Johnie West was hostess Thursday, January 7, for the Bulcher Home Demonstration Club. Mrs. Gid Prather, newly elected president, presided at the business meeting. The club prayer was repeated in unison and Mrs. West read the club creed. Roll call was answered with "A New Vegetable I Like To Grow."

Mrs. Prather appointed the following ladies as chairmen for the year: Mmes. D. R. Carver, membership; Johnie West, program; Dexter Dowd, marketing; R. H. Sharp, finance; Albert Fleitman, exhibit. Each chairman then selected her committee.

Mrs. Dowd distributed the new year books. Mrs. R. J. Samples reported on the new officers training course that she and Mrs. Prather attended in Gainesville. "The Preparation for a Spring Garden" was the program topic. Mrs. Samples stressed the importance of preparing the soil early, in order to hold reserve moisture.

The meeting adjourned and sunshine gifts were exchanged.

The hostess served refreshments to the following: Mmes. Prather, Samples, Fleitman, E. Newby, R. H. Sharp, Mary Stadalman, A. Hyman, J. M. Shields, Dowd and Calip Cannon.

Next regular meeting will be in the community building with Mrs. Prather as hostess.

Some swans in a public park in England had to be dry cleaned when a ship spilled oil on them.

looped 16 for the Panthers.

The girls' game at Callisburg started on a fairly even basis and started leaning in Muenster's favor early in the second quarter, gradually building up to the final count of 30-15. Rita Cain led with 12 points and Louise Butler scored 9.

Playing Saint Jo they finished the first quarter at the short end of an 8-2 count, then posted the better score in the next three periods for a win of 30-23. As the half ended they were still trailing

12-9 but by the end of the third period they nudged ahead 17-16. Myrick led Muenster scorers with 10 and Butler was next with 8. Dunn of Saint Jo connected for 16 points.

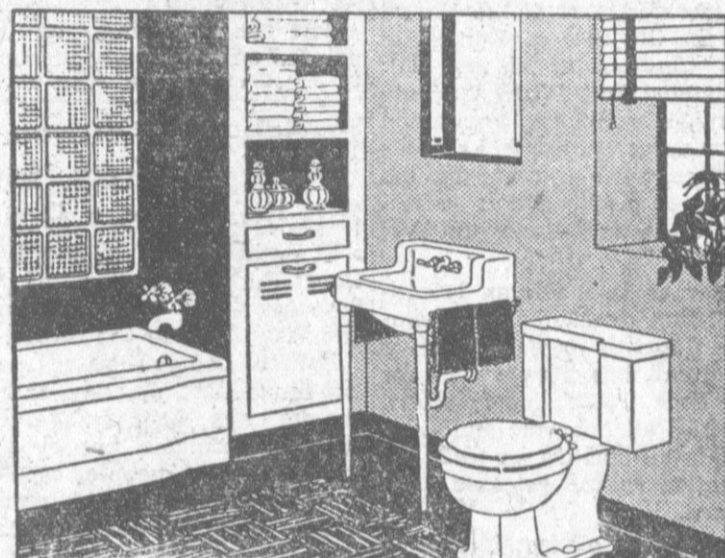

Friday night's tussle with Prairie Valley here will end the first round of the double round robin conference schedule. The second round begins next week Friday in a game with Forestburg here. To fill the gap at the early part of the week the teams will take on Whitesboro's B teams in the local gym.

GET TOGETHER CLUB MEETS AT ANNA HELLMAN HOME

Miss Anna Hellman entertained members of the Get-Together club in her home on the first Wednesday of the month for the regular January social. All 13 members were present.

Three tables were arranged for a progressive 42 series in which Mrs. Joe Luke won the high score award and Mrs. Jake Pagel, the consolation favor. Mrs. M. J. Endres drew the door prize.

Mrs. Rosie Walterscheid received a birthday gift from her Sunshine Pal.

After the games, the hostess served lemon pie and hot coffee. It was announced that the next meeting will be held on Tuesday, Feb. 2, instead of the first Wednesday. Mrs. Joe Horn will entertain in her home.

Walterscheid - Bezner Nuptial Date Set For January 26

Mr. and Mrs. Alfons Walterscheid have announced the engagement and approaching marriage of their daughter, Rose Marie to Weldon Bezner, son of Mr. and Mrs. Jake Bezner of Lindsay.

The couple have chosen Tuesday, January 26, as their wedding day, and the ceremonies will be in Sacred Heart Church at 8:30 a.m.

Their attendants will be her aunt, Dorothy Mae Walterscheid, maid of honor; Viola Bezner, sister of the groom, bridesmaid. Raymond Sandman, best man and Wilmer Walterscheid, brother of the bride-to-be as groomsman.

CLOTHING, DRESSMAKING IS SH 4-H CLUB TOPIC

The topic for the Sacred Heart Intermediate 4-H club meeting was "Clothing and Dressmaking". Miss Bernice Puckett showed the girls how to choose a pattern and material suitable for the individual person, and gave the basic fundamentals for sewing. Jeanette Haverkamp presided during the brief business session. The girls enjoyed group singing, and Joaline Mollenkopf won the recreation prize.

BIRTHDAY PARTY HONORS MARY ELLEN ENDRES

Mary Ellen Endres celebrated her 5th birthday with a party Saturday afternoon in the home of her parents, Mr. and Mrs. Paul Endres.

The children presented gifts to the honoree, and enjoyed playing games.

Karen and Patsy Endres assisted their mother in serving refreshments of birthday cake, ice cream and punch to the following guests:

Donna, Cheryl and Janelle Janicki, Paula Herr, Butch Bruns, Robert Miller, Chris Walter, Sammy Endres, Stephen Endres, Tommy Yosten, and Janice Trubenbach.

Mrs. John Walters, Mary Ellen's grandmother and several of the mothers also attended.

Classmates Give Birthday Party For Marilyn Horn

A surprise party given by her classmates of the sixth grade at Sacred Heart School honored Marilyn Horn Monday afternoon on her twelfth birthday.

Hostesses for the occasion were Carolyn Swirczynski, Shirley Walterscheid and Theresa Fisher, who served cup cakes and punch to the 37 pupils. Party entertainment consisted of folk dancing.

ROBERT FETSCH HONORED WITH BIRTHDAY PARTY

Robert Fetsch was honored Sunday with a party celebrating his 9th birthday. His mother, Mrs. Paul Fetsch was hostess.

Favors were candy and balloons. The children played games. After opening the gifts, refreshments of birthday cake and ice cream were served to Tommy, David and Dale Bayer, Jimmy Otto, Evelyn, Monica and Joan Fetsch and the honoree.

CARD OF THANKS

42 CLUB MEETS SUNDAY AT ED ENDRES HOME

Mrs. Eddie Fleitman was top prize winner Sunday night at the regular gathering of the 42 Club in the home of Mr. and Mrs. Ed Endres. Victor Hartman won the galloping prize and Mrs. Alfons Hoenig the consolation.

Mr. and Mrs. Arthur Endres were special guests for the party.

Sailor—"What say we do something different tonight, baby?"

Blonde—"O. K. What do you suggest?"

Sailor—"You try to kiss me and I'll slap your face."

Local News BRIEFS

R. M. Zipper was in Pilot Point Monday to attend the funeral of Ed Burger, 88, a pioneer of that community. Mr. Burger was the father of Mrs. Joe Zipper, former Muenster resident.

Mr. and Mrs. Joe Russell and family returned to Lubbock Tuesday after a two day visit in Myra with relatives. Mrs. J. S. Russell accompanied her son and family to their home for a two or three weeks visit.

Staff Sgt. and Mrs. Teddy Gremminger of Fort Worth visited Monday and Tuesday with the Ted Gremmings and Victor Hartmans.

The Oscar Miller family had as weekend guests, her parents, Mr. and Mrs. Tony Kleiss of Villa Grove, Illinois, and her uncle and aunt, Mr. and Mrs. John Reinhart and son of Mattoon, Illinois. The visitors were enroute to Arizona where they are visiting other relatives, and will return to Muenster next week for a longer visit.

Mrs. Keith Tompkins and daughters, Sharon and Judy, and Willard Hartman of Denton spent Tuesday with the Victor Hartman family.

Mrs. Albert Knabe returned home Sunday after spending three weeks with the Walter Morrisons at Borger and the Adolph Knabes at Hereford. She went to Borger to help the Morrisons after Walter's injury several weeks ago and later went to Hereford for a visit with her son and family. The Adolph Knabes accompanied her home and remained for a several days' visit.

ATTEND LIONS CONFERENCE

Mr. and Mrs. Marty Klement will be the official representatives of the Muenster Lions Club at a state mid-winter conference on Lionism to be held in Dallas Friday. The program includes a noon luncheon and afternoon meeting both of which will feature talks by Roy Keaton, national director general of the organization, and a dance at night.

THE STORY OF NITROGEN
 Fifty-six years ago Sir William Crookes, noted chemical scientist, foresaw the possibility of the end of life on earth. He wasn't forecasting a plague, another great Deluge, the development of the H-bomb or bacteriological warfare. He was merely calling attention to the dwindling supply of usable nitrogen in the earth's farmlands. Unless a way could be found to replenish the nitrogen being drawn from the soil by crops, the soil gradually would become unproductive — and wholesale starvation would face the human race.

The pitifully small earth deposit of usable nitrogen in Chile's nitrate mines wouldn't fill a hollow tooth in the earth's hunger for this chemical element which

sustains all plant and animal life. Chemical science was being challenged. And echoing in this challenge was God's own admonition to Adam and Eve: "Be fruitful and multiply, and replenish the earth, and subdue it." Mankind had multiplied all right; and had scattered, in the millions, over all the globe. But mankind had not replenished the earth, as they took from it.

Must Be "Fixed"
 When Crookes made his important observation, the world's population was swiftly growing, as it is now; while the productivity of the land, on the whole, was diminishing. These two related facts were what concerned the chemical scientists. They forecast not a land of plenty, but a land of growing food scarcity.

Long before Crookes lived, pure scientists had discovered the place of nitrogen in the scheme of life. And, strangely enough, they had found that there was more nitrogen on earth than any other element. The air we breathe is 80 per cent nitrogen, and thus in the air column over each acre of land on earth there are approximately 70,000,000 pounds of nitrogen. But before the soil, or man, or animals can use this air-nitrogen, it must be extracted and made into a different kind of chemical called "fixed" nitrogen.

Job For America
 The chemists found that a bolt of lightning converted the air nitrogen into "fixed" nitrogen, and rain brought it down into the ground, and it renewed the soil's productivity. This occurrence was not widespread enough to be of any consequence, but it gave them a clue. The job was far too big, however, for test tube chemistry. In time small chemical plants of Europe developed a cumbersome process for "fixing" air nitrogen so that it could be put into the soil and used by the plants.

It is doubtful that the Euro-

That's A Fact

What A Man!

ALMOST EVERYBODY KNOWS THAT BENJAMIN FRANKLIN SAID: "A MAN MAY, IF HE KNOWS NOT HOW TO SAVE AS HE GETS, KEEP HIS NOSE TO THE GRINDSTONE."
BUT WHO KNOWS THAT BEN...
 • INVENTED THE MOUTH ORGAN
 • INVENTED THE ROCKING CHAIR
 • WAS THE CHAMPION SWIMMER OF HIS DAY
 • DEVELOPED THE FIRST VENTILATION SYSTEM
 • WAS THE FATHER OF MODERN DENTISTRY?

TRACTOR SUB-TRACTION

YOU CAN FIGURE A TRACTOR GOOD FOR FROM 8 TO 10 YEARS, BY PUTTING ASIDE PART OF THEIR EARNINGS IN **BETTER-THAN-EVER U.S. SAVINGS BONDS**. FARMERS CAN PAINLESSLY BUILD UP A "NEW TRACTOR RESERVE."

pean production ever would have been of any substantial commercial value. It took the genius of American industry to get the 'big job done. In 1924 some of our bigger chemical industries began experimenting with "fixing" nitrogen. DuPont and others acquired European formulae and then plowed vast resources in men and money into developing mass production of "synthetic" nitrogen fertilizer. By 1940 the fertilizer business had been revolutionized, and Sir William Crookes' spectre of a starving civilization was erased.

Replenishing The Earth
 One of the big new nitrogen plants was built at El Dorado, Arkansas, by Lion Oil Company. It reaches up into the atmosphere and pulls in the air we breathe; it reaches down into the South Arkansas earthen reservoirs and pulls in petroleum gas. Then, this monstrous and intricate plant, covering 600 acres, pressurizes, mixes, and heats the gasses, and out of it comes vast quantities of "fixed" nitrogen for converting

into fertilizer. Lion is building a second big plant. Other big plants are going up throughout the South—throughout America.

American farmers meantime have learned how to use the life-giving, stimulating nitrogen in every agricultural production job. It is performing amazing feats in increased production of crops and livestock. Man gets his nitrogen from the meat, vegetables and grains he eats, and it keeps him alive. Thus, American industry, with its freedom to grow, with its powerful incentive inherent in our competitive, profit system, and with its great capacity for research, is helping mankind to be "fruitful and multiply, and replenish the earth, and subdue it." Next week: The Insect Hordes.

Audiences Set Moral Tone Of Movies

By Loretta Young

JUST WHAT IS the responsibility of the actor to the nation? I think that the nature of the actor's vocation, his duties and obligations, are well summed up in these words of a great man:

"Recreation in its manifold variety has become a necessity of people who labor under the fatiguing conditions of modern industry. But it must be worthy of the rational nature of man, and therefore must be morally healthy. It must be elevated to the rank of a positive factor, for good — and must Loretta Young seek to arouse a noble sentiment. A people, who in time of repose give themselves to diversions which violate decency, honor or morality; to recreations which, especially to the young, constitute occasions for sin, are in grave danger of losing their greatest, even their national power."

THIS INDICATES not only the actor's duties and obligations, it also implies a responsibility on the part of the audience to indicate to the actor and the producer the moral tone of the entertainment he will pay to see and hear.

Who is to say whether the Greek Theatre in its despairing

pictures of the darker sins was presenting bizarre entertainment for its own sake, or just reflecting the tastes and habits and sins of many of its viewers.

WHO IS TO SAY which preceded the downfall of the Roman Empire — the brutalizing effects of its entertainments, or the jaded, brutish tastes of its audiences, their racial and religious prejudices, their undisciplined absorption with self and sin and sex.

I don't think we need worry too much about the basic tastes of American audiences. They patronize and make popular such pictures as "Song of Bernadette", "Going My Way", and "The Broken Arrow." We salute the courage and good taste of the producers who made them. The element of success in those pictures was their essential honesty in writing, producing, and treatment.

EACH ONE OF US has a job to do. It begins, I think, with a sense of personal responsibility for what has befallen the world and what we hope for the world to be.

"To whom much has been given, much is expected."

THAT ACTOR is successful, whose life, public and private, reflects a portion of the gratitude he feels for the talents God gave him — and which his audience encouraged him to develop.

You Can't Look YOUR BEST—

Unless Your Clothes Look Their Best.

Dyers and Hatters

LONE STAR CLEANERS

J. P. GOSLIN, Prop. Phone 332 Gainesville

To every woman who thinks a clothes dryer is a Luxury...

If you took the second "a" out of the sentence above, you'd be right. A clothes dryer is *luxury*! But it's not a luxury in the money-could-have-been-better-spent sense of the word.

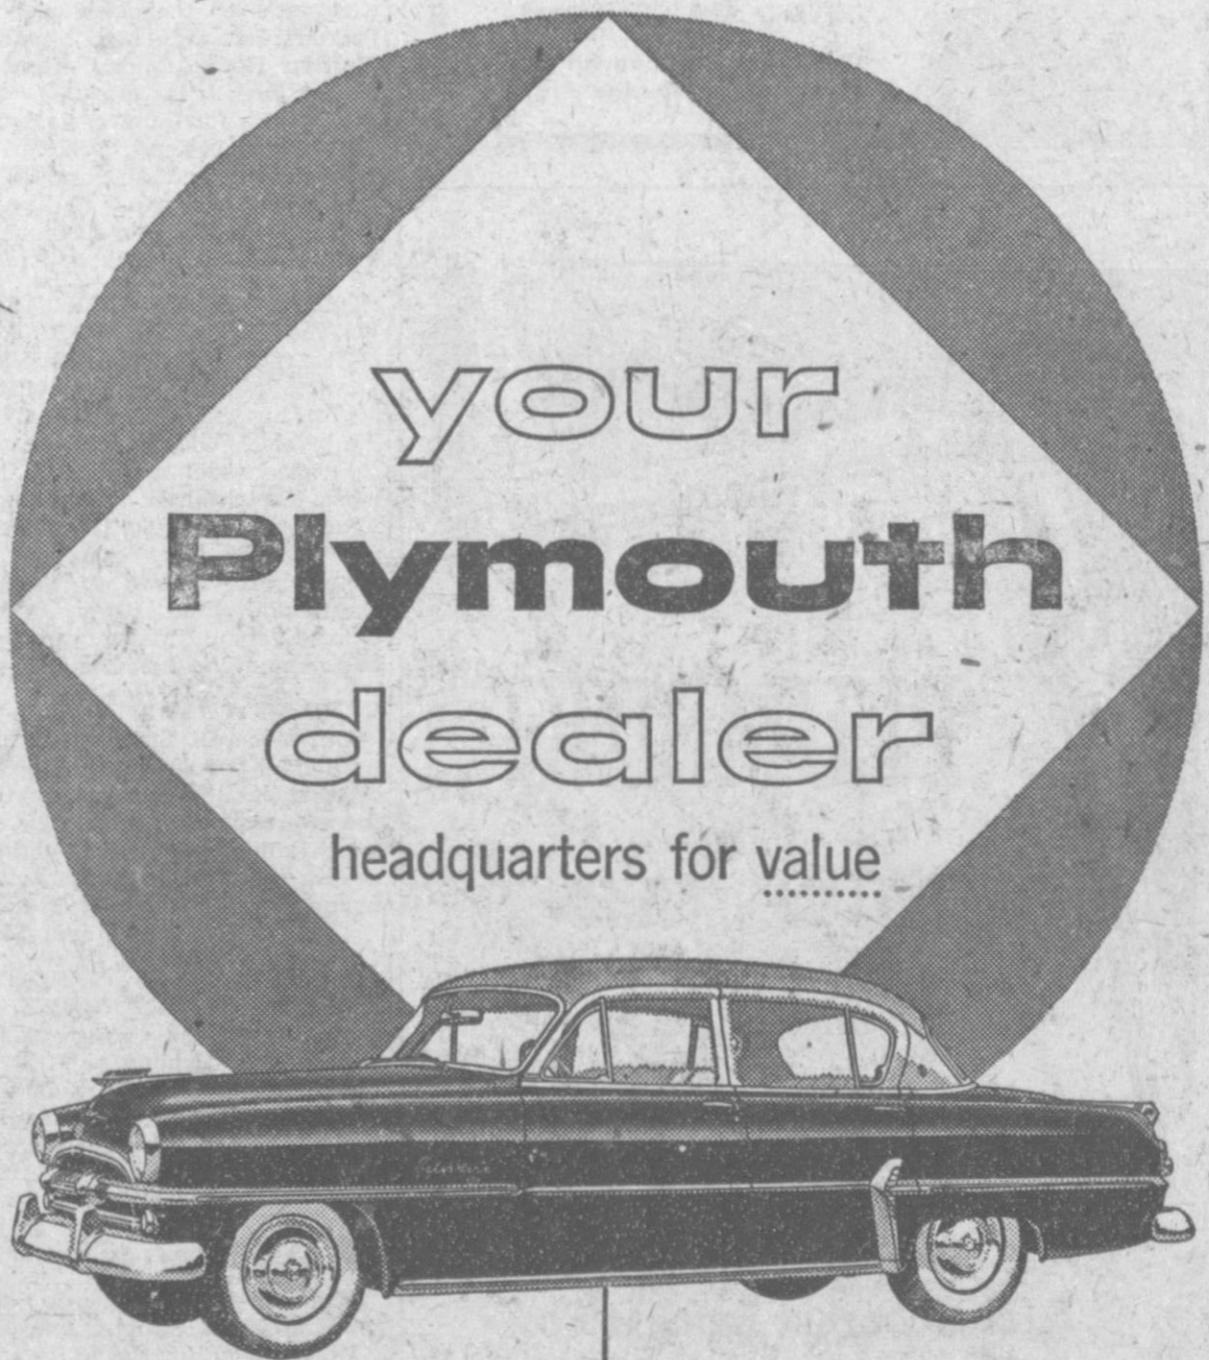

There are lots of ways that a clothes dryer will save you money as well as work. You don't have to buy as many clothes, sheets, towels, or baby things when you have a gas dryer. Laundry takes so little of your time that you can squeeze it into your schedule more often. (And a dryer cuts out a third of your ironing!)

You aren't the least bit dependent on the weather when you have a gas dryer. You can give your clothes the ultra-violet lamp's sunshine treatment any day (or night) ... rain or shine! And there's no wind-whipping, clothes-pin ripping or sun-fading that make clothes wear out so much faster. Gas-dried things last twice as long!

Clothes drying with gas in most areas is four times as economical as with any other automatic fuel. The fuel cost itself is lower, plus no costly, slow warm-up. Automatic gas dryers dry clothes twice as fast. Their installation costs less.

See the new automatic gas dryers today. You'll be surprised at what they can do!

Lone Star Gas Company

When you trade with us, you get double value. A great car, the **new '54 Plymouth**, plus the service and parts that **keep it great**. And the same goes for used cars. They'll stand up, and we'll stand behind 'em. We deal in just one thing: **value**. We'd like to know you better—and show you what we mean.

Lambert Bezner Motor Co.
 105 Main Street
 Münster

**IT HAPPENED
15 YEARS AGO**

January 13, 1939

Decline noted while oil activity awaits better weather; formation in townsite tests gets analysis, two wells being drilled at Voth's. Parish has 4 deaths, 42 baptisms and 21 weddings during 1938. Rain helps crops. Father Francis and dramatic club begin practice for new comedy. Elfreda Luke is elected president of Young Ladies Sodality. Initiation admits 10 new members to Holy Name Sodality. Local Motorcycle riders form club and elect Paul Endres president. Annual bank meeting is held; Joseph Kreitz resigns as director and is replaced by his son; proposal for new building finds favor. Rita Ann Hennigan is daughter of Mr. and Mrs. H. P. Hennigan. Mr. and Mrs. Frank Klement observe their 25th wedding anniversary. Bertha Walterscheid and John Hacker marry.

10 YEARS AGO

January 14, 1944

Mrs. John B. Herr, 78 year old pioneer succumbs to heart ailment Wednesday; had resided here over half a century. Local mutual has its 50th annual meeting, reports 11 cent rate and re-elects officers and directors. First snow of this winter arrives Friday with brisk norther. Mayor J. M. Weinzapfel and L. A. Wilkie manager of Gainesville Chamber of Commerce are guest speakers at Garden Club meet. W. T. Richter is named treasurer of Muenster Telephone Co. to replace Wm. Hellman. Mary Louise Haverkamp and Sgt. Roman Trachta marry in Fort Worth. Lindsay Mother's Society re-elects Mrs. John Bezner president. Joe Swirczynski has surprise party on 64th birthday. Mrs. C. Hoelker of Lindsay is a patient at M&S hospital in Gainesville for treatment.

5 YEARS AGO

January 14, 1949

Thirteen lettermen for Sacred Heart football squad were announced at banquet. Bishop J. P. Lynch officiates at blessing of temporary Sacred Heart church Sunday afternoon. Harvey Schmitt, 7, sustained a serious leg fracture Tuesday. Little Judy Trubenbach is a patient in Baylor hospital since Monday. Joe Knabe is re-elected as Fire Chief. Rain and freeze wrecks community's power and telephone lines. Rosalee Muller and Cpl. C. D. Richards marry Monday. Mr. and Mrs. Paul Endres and the Vincent Beckers announce the arrival of daughters. Lindsay Mothers Society elects Mrs. Matt Fuhrmann president. Wilbur Block elected president of the Lindsay Young Men's Society. Saint John's study-club organizes Friday night in John Fisher home. Leonard Walterscheid begins basic training at Camp Chaffee.

A worried-looking man rushed into the florist and demanded three potted geraniums. "I'm sorry sir," said the clerk. "We're out of geraniums right now but we have some lovely petunias." "Nope, they won't do," replied the man. "It was the geraniums I promised my wife to water while she was away."

**THE ECONOMIC SYSTEM
OF THE PEOPLE**

All of us hear much about free enterprise. But it's a hard thing to describe. Secretary of Commerce Weeks recently offered an excellent definition, saying: "Free, private enterprise is an economic system of the people, by the people, for the people. It is the instrument invented, developed and used by the people themselves to reward themselves for their own individual effort and to give themselves the best in goods and services. . . ." The Secretary went on to say that, in the vast majority of instances, private enterprise can do a better job than government in keeping "the average family well-fed, well-clothed, well-housed, and provided with those extras which give us here the really abundant life."

**AUGUST WALTERSCHEIDS
GIVEN HOUSEWARMING**

Mr. and Mrs. August Walterscheid were pleasantly surprised Sunday afternoon with a housewarming when guests called between the hours of 4 and 8 p.m. The couple received lovely gifts for their new home.

Their daughter, Mrs. Norbert Koesler, and daughter-in-law, Mrs. Leonard Walterscheid of Gainesville, served cake and coffee to about 30 guests.

You might say that the H-bomb was the invention to end all inventions.—Gazette, Augusta, Ga.

**BIRTHDAY SURPRISE
GREET'S MRS. KLEISS**

Mrs. Mike Kleiss was honored Tuesday afternoon with a surprise party in observance of her 79th birthday. Her daughters, Mrs. C. M. Walterscheid and Mrs. Clem Hofbauer planned the affair and served refreshments of a sand-

wich plate and birthday cake and coffee to the following: Lena Kleiss, Mrs. Emil Vogel, Mrs. Charles Cler, Mrs. Al Kleiss and Ruthie, Mrs. William Hermes and

Debra, Mrs. Ewald Fuhrmann, Dale Hofbauer, Mrs. Leo Lawson, Margaret Ann and Jimmy, Bernice Walterscheid and Clarice Schad.

"SIX YEARS WITHOUT A WRENCH — aint Luck!"

AMALIE MOTOR OIL

If you are the kind of car or truck or tractor owner who would rather "ask the man who owns one," then, below, read another report from one. He is C. F. Newberry, Texola, Oklahoma. He has five tractors, 1940 to 1945 models; three Allis-Chalmers and two International Farmalls. Also a 1937 International 1 1/2-ton truck. He has used AMALIE—nothing but AMALIE—the past eight years. He says: "I am using some of these tractors the 6th year. None of them have ever had a lap turned on the motors, are still running good and are not using any oil. During the summer I pull six-foot A-C combines with them, and this is hard on a tractor. I overhauled the 1937 truck two years ago and, putting it back together, I put the same inserts back in the bearings, as they were not worn any. That truck is on a gravel-haul job, hauling as much as any new truck."

Isn't YOUR motor just as precious to YOU? Change to AMALIE—and change TODAY!

JOHNIE WILSON

Gainesville

With its trend-setting advances . . . Ford's worth even more for '54

STYLE DIVIDEND

3 New Body Styles . . . 28 models

Ford offers you three brand new body styles in its line of newly created models. There's a new transparent-roofed Crestline Skyliner . . . a sparkling new Crestline Fordor . . . and a smart new Customline Ranch Wagon. There are 28 models in all, for each of Ford's 14 body styles is available with the new Y-block V-8 or the new I-block Six engine.

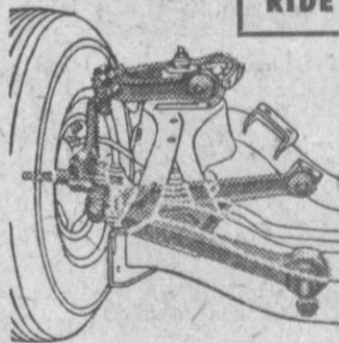

New Astra-Dial Control Panel

It's designed both for beauty and practicality. The speedometer is placed high on the panel where you can quickly spot the figures almost without taking your eyes off the road. Like the '54 Ford's beautiful new upholstery and trim, the Astra-Dial Control Panel is color-harmonized with the sparkling new outside body color of your choice.

It's the Dividends that make it Worth More

RIDE DIVIDEND

New Ball-Joint Front Suspension

This revolutionary new suspension is the greatest chassis advance in 20 years . . . and it's exclusive to Ford in its field. It gives front wheels greater up and down travel to smooth out the going on rough roads. And it helps keep the wheels in true alignment for consistently easy handling. Movement of the wheels is on ball joints whether up and down, as wheels travel over rough spots, or in steering as wheels turn right or left. Ball joints are sealed against dirt and water.

DIVIDEND IN DRIVING EASE

Ford offers five optional power assists* you might expect to find only in America's costliest cars

Master-Guide power steering does up to 75% of your steering work, yet leaves you with natural steering "feel" on the straightaways. Swift Stop Power Brakes do up to one-third of the work in stopping. Fordomatic Drive gives torque converter smoothness and the "Go" of automatic mechanical gears. And only Ford in its field offers Power-Lift Windows, both front and rear, that open or close at a button's touch . . . and a 4-Way Power Seat that adjusts up and down, as well as front and back, at a touch of the controls. They're all worth-while optional extras available in the 1954 Ford!

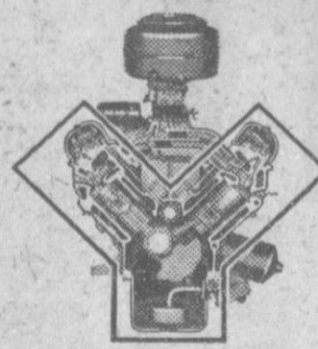

*At extra cost. F.C.A.

PERFORMANCE DIVIDEND

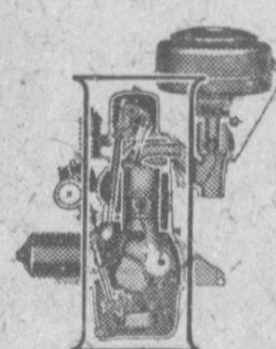

**New 130-h.p.
Y-BLOCK V-8**

An extra-deep skirt extending below crankshaft, gives greater rigidity for smoother, quieter operation, longer engine life. Free-turning overhead valves, low-friction design, Double-Deck Intake Manifold and high-turbulence combustion chambers give brilliant new responsiveness . . . 18% more power, greater economy.

**New 115-h.p.
I-BLOCK SIX**

This new Six has an extra-deep block for greater rigidity, smoother, quieter performance, longer engine life. Free-turning overhead valves, high-turbulence combustion chambers, low-friction design and Ford's Automatic Power Pilot help produce 14% more power—with finer performance on even less gas.

No car in the low-price field has ever offered so many "Worth More" features as the '54 Ford. In addition to all the features that have already established Ford as the "Worth More" car, you now get a host of brand new dividends. These include a choice of two new deep-block engines . . . the most modern engines in the industry. You also get Ford's new Ball-Joint Front Suspension . . . beautiful new interiors . . . and styling that will make your heart beat faster.

And, remember, Ford also makes available to you all the optional power assists . . . features you might expect to find only in the costliest cars.

If you have not yet seen the new Ford models for 1954, come in and inspect them today. Then Test Drive a '54 Ford . . . and once you do, you'll want to drive it home!

More than ever . . . THE STANDARD for THE AMERICAN ROAD

'54 FORD Come in . . . Test Drive it today!

Endres Motor Company Phone 44, Muenster

Soil Conservation Notes

Operation Waterway is beginning to pick up speed in the Muenster area as more co-operators of the Upper Elm-Red soil conservation district prepare to sod waterways in their fight to halt expensive soil erosion.

Soil technicians point out that any terrace system must have a well grassed outlet to prevent erosion from the concentrated water. In many cases that outlet is not available and a waterway must be established before eroding fields can be terraced.

All too often in the past terrace water has been allowed to empty into unprotected areas. Some of the results are evident in damage to public roads, gullies along boundary lines and serious gully erosion on drains through the fields. These gullies are not only a safety hazard and a place for weeds and insects to thrive, but are also a sign of decaying agriculture.

A decaying agriculture means a decaying community and nation. There can be no excuse for erosion on terrace outlets. Grassed waterways provide a safe outlet and also provide good pasture grazing on land that would otherwise be lost to production.

Several grasses have been used successfully by farmers in the Muenster area to establish grass waterways. Bermuda grass is by far the most widely used, with King Ranch Bluestem and Buffalo grass running second.

In establishing grass on any waterway a good seed bed is necessary. In the case of RK Blue-

stem and Buffalo grass a well prepared but firm seed bed is needed. For planting Bermuda grass roots the land should be deep plowed, or listed well ahead of planting dates to assure good coverage, more moisture and less competition from other plants. The district-owned sprig machine can be used to plant grass roots and apply fertilizer in one operation.

Cooperators near Muenster who have already had their waterways staked and have their land prepared for planting Bermuda grass roots are Johnny Bayer on the Wilson place, Frank Hacker, Al Wiesman, Paul Sicking, Eddie Sicking, Don Cooke, Albert Fleitman, H. M. Lewis, Gus Sicking, Tom Sicking, J. A. Klement, C. A. Morris on the Powell farm at Hood and N. T. Finley near Hood.

Frank Bayer and Walter Reed plan to seed Buffalo grass for waterways on their farms near Myra.

J. W. Fleitman is preparing land for an Indian grass waterway. Andy Fleitman, John Schmitz, and Johnny Sicking are preparing to seed King Ranch Bluestem for waterways and pasture.

The proper establishing of outlet waterways ahead of terracing is a good example of doing conservation jobs in the proper order to save soil, water, time and money.

Members of the Muenster Work Unit again remind cooperators that the district has equipment for sodding and seeding grasses. Personnel of the SCS can furnish additional information and will assist in locating and establishing terrace outlet waterways.

LUNCHEON MENU
Muenster Public School

January 18 to 23

MONDAY: Steak, mashed potatoes, gravy, green peas, peach halves, hot rolls, butter, milk

TUESDAY: Beef pie, sliced tomatoes, pickles, corn, cherry cobbler, bread, butter, milk

WEDNESDAY: Sliced Ham, cheese, Spanish spaghetti, greens, grapefruit halves, bread, butter, milk

THURSDAY: Hamburgers, potato salad, fruit jello, cookies, bread, butter, milk

FRIDAY: Tuna on toast, pickles, green beans, apricot pie, milk

Mother (finding pawn ticket on young hopeful's coat): Son, what is this?

Son: Oh, I was at a dance last night and checked my coat.

Mother (finding similar ticket on the boy's trousers): Son, just what kind of a dance was that?

MARYSVILLE HD MEETS IN JESS DAVIDSON HOME

The Marysville Home Demonstration Club met January 8 in the home of Mrs. Jess Davidson. The members presented the hostess with a flower as an anniversary gift.

Mrs. John Richey presided for the business session. Mrs. Joe Doughty gave the club creed. Mrs. Charles Davidson, club delegate to the County Council, gave a report.

Year books were distributed and committee chairmen were named for the year. They are as follows: Mmes. Jack Biffle, program and yearbook; Earl Cravens, membership; Rafe McElreath, exhibit; Foster Davidson, finance; Bill Moon, recreation; Herman Richey, marketing; Earnest McElreath and Rufus McElreath, clothing.

Mrs. Rufus McElreath presented the program, speaking on "Planting Spring Gardens." Refreshments were served to

16 members, 5 children and 1 visitor.

Next meeting will be January 26 with Mrs. Sam Sparkman as hostess.

U. S. Charities Ship 4,000 Cases Medical Supplies Overseas

Almost 4,000 cases of medical supplies were sent overseas during the past year, it was announced here at the annual meeting of the Catholic Medical Mission Board.

Totalling 111,964 pounds, the 3,615 cases of supplies went to 107 communities in 34 countries, Board President Rev. Edward F. Garesche reported. The material included three million tablets of D.D.S. for leprosy, 213,000 tablets of Daraprim for malaria, and over twenty-two million gauze compresses made by members of Blue Cross Circles throughout the country.

Blessed Events

Mr. and Mrs. Gene Owens are the parents of a girl, their first child, born Monday, January 11, in a Jacksboro hospital. She weighed 8½ pounds and has been named Paula Ruth.

The grandparents, Mr. and Mrs. Clarence Owens of Muenster and Mrs. Ruth Dodson of Gainesville were in Jacksboro Monday.

The young mother also underwent an appendectomy the same day. According to reports from relatives here, Mrs. Owens and the baby are doing fine.

Great grandparents are Mr. and Mrs. Joe Pautler also of Muenster.

When a man has to change his mind as often as a woman, he's probably married to her.—Franklin P. Jones.

Local News BRIEFS

Mr. and Mrs. A. J. Schilling and son of Seymour visited with relatives in Muenster Saturday.

Mrs. F. A. Kathman, Jr., began her duties this week at the REA office. She will replace Rose Marie Walterscheid who is resigning prior to her wedding on January 26.

Mrs. C. J. Kaiser is the new bookkeeper at the J. B. Wilde Motor Co. She replaces Olivia Stock.

Charlie Schmitt and daughter, Juanita, arrived last Friday for a visit with relatives and to attend the golden wedding celebration of his parents, the Ed Schmitts. They plan on being here until about the first of February.

Two Ohio boys got lost driving through Tennessee. Along the deserted road "trudged a native of whom they asked, "Which way to Cattanooga?"

The man stared at them, and then asked, "Where you boys from?"

"Ohio."
"I thought so," he said. "Wal, you found it in 1863. Let's see you find it again."

LINDSAY 4-H GIRLS HAVE LESSON ON DRESS MAKING

The Lindsay 4-H Club girls held their meeting Thursday morning, January 7th, in the school cafeteria with President Margaret Mary Hermes presiding.

Miss Bernice Puckett, home demonstration agent, told the girls about the Fat Stock Show at Fort Worth from January 27 through February 7 and stated that on January 30, 4-H Club members will be admitted free. Miss Puckett then talked about

the dress review to be held later, and urged the girls to begin sewing. Rachel Voth served as a model while Miss Puckett explained what clothes are suitable for different persons, and told the girls to choose the right kind of material and use a pattern that is best suited for one's sewing ability.

The meeting adjourned with Eileen Fuhrmann, song leader, leading the girls in singing "Home on the Range."

Adult-leader Mrs. Ben Hermes was present for the meeting.

Local Kin Attend Golden Wedding of Pilot Point Couple

Muenster relatives joined other family members in Pilot Point Sunday to help Mr. and Mrs. William Pels celebrate their golden wedding anniversary. The couple was married in Muenster in Sacred Heart church on January 12, 1904 and lived here until 1919.

A reception was held Sunday afternoon from 3 to 5 o'clock in the Saint Thomas lunch room.

Mrs. C. C. Morgan of Wichita Falls, bridesmaid at her sister's wedding, was present for the occasion. Henry Pels of Muenster, was best man at the wedding, but was unable to attend the 50 year observance.

Mrs. Pels was the former Anna Roewe. On the same day in 1904, her sister, now Mrs. Joe Fleitman, was also married. Her husband died several years ago.

Mr. and Mrs. Pels are the parents of seven children, four of whom are still living and joined in the celebration. They are Alois and Joe Pels and Mrs. Ed Sturm all of Pilot Point, and Miss Agnes Pels of Fort Worth. They have 11 grandchildren.

Mrs. Pels wore a gray ensemble with black accessories. Her corsage was of gold colored mums, and Mr. Pels wore a golden mum boutonniere.

A three-tiered wedding cake centered the hall decorations. It was white and gold and topped with a gold bridal figurine. Mrs. Jack Brooks, a granddaughter of the couple, presided at the guest book.

Father John Untereiner, pastor of Saint Thomas church, officiated at the anniversary mass and the renewal of marriage vows on January 12.

Muenster relatives attending the celebration were Mrs. Katie Fleitman, Mrs. Anna Jostwerner, Mr. and Mrs. Ben Fleitman and family.

Muenster Mutual - - -

for an increase of \$285,305 in the association's total insurance during the past year. The value of all insurance carried by the 535 members now stands at \$3,299,367.

In spite of a cash balance of \$30,677, the delegates voted to make another assessment of 25 cents per \$100 of insured valuation in 1954. That will bring in more than \$7,500 and build the association's reserve to a comfortable figure.

Districts represented in the general meeting were Muenster, Lindsay, Valley View, Windthorst and Electra. Each of these districts will have its local meeting later to bring the association's report to the membership. Secretary Endres said the Muenster meeting will probably be held about the end of this month.

Tigers Lose League Opener to Ranchers

In their two basketball games of the past week the Sacred Heart Tigers dropped the district opener of the Southwest Academic League to Boys Ranch and also a practice tussle with St. Mark's of Dallas. Both games were played in the Saint Jo gym.

The St. Mark's game last Friday was a fast one in which the visitors forged to the front for a 29-20 half time lead and gained another point in the second half for a final lead of 52-42. Jerry Henscheid with 14 and Albert Knabe 12 led the Tiger offense.

The Tigers can charge their 37-33 loss to Boys Ranch Tuesday night mostly to two factors. They were slow at getting started and they had the poorer average at the foul line. In the first half the Ranchers breezed ahead for a lead of 22-11 but the second half was just the opposite as Sacred Heart ringed 22 while allowing only 15, 7 of which were scored as free shots. Actually the difference in free throws accounts for the Tiger margin of loss, the visitors marking up exactly four more of the charity points and a near perfect average. Boys Ranch made good on 13 of its 14 tries, Sacred Heart connected on 9 out of 19.

Henscheid was top Tiger scorer with 13. Albert Knabe and Sylvan Walterscheid shared second place with 7 each.

Prescher is First, Fisher Second on Dec. DHIA Report

The December report of the Cooke County Dairy Herd Improvement association reveals that the Peter Prescher herd ranked first in the organization during that period.

The Prescher herd compiled an average of 45 pounds of butterfat per cow during the month.

The Paul Fisher and Hoedebeck & Myers herds finished in a tie for second with an average of 41 pounds of butterfat.

Other herds in the top 10 for December finished in the following order: Toney Nehib, Alfred J. Bayer, Masten & Roane, H. F. Schniederjan, Paul Fetsch, Richard Frasher, J. W. Fleitman and Toney Reiter.

The latter two herds tied for tenth place with 34 pounds average each.

J. J. Hoffman, supervisor of the county DHIA, also reported that the Prescher herd topped the association for the year of 1953 with an average of 421 pounds of butterfat per cow and an average of 12,540 pounds of milk.

Fisher's herd composed of Holsteins, Guernseys and Jerseys, finished second in butterfat production with an average of 420 pounds. The herd produced an average of 9,350 pounds of milk per cow during the year.

The Richard Frasher Holstein herd ranked third with an average of 410 pounds of butterfat. Frasher's herd topped both of the other two high herds from a standpoint of milk production with an average of 12,490.

Hoffman tested 24 herds during December with 626 cows in milk with an average of 33 pounds of butterfat per cow and 820 pounds of milk.

A total of 306 cows produced more than 40 pounds of butterfat during the month.

Cooke county tied for first place in the Texas DHIA in the November 1953 report.

A scissors sharpener developed for home use helps the housewife get the proper level in scissors—all the way from tiny sewing models to scissors with eight-inch blades.

Lindsay News

Miss Clara Fleitman of Dallas spent last Thursday and Friday with her parents, the William Fleitmans, before leaving for Detroit, Mich., to attend a one year post graduate course in anesthesia at the Mount Carmel Mercy Hospital. Her classes started Wednesday. Miss Fleitman has been working in the surgical department of St. Paul's Hospital, Dallas.

Mrs. W. J. Schmitz was dismissed from M&S Hospital Tuesday after several days of medical care.
