VOLUME XXXIX

MUENSTER, COOKE COUNTY, TEXAS 76252 OCTOBER 10, 1975

NUMBER 46

Congressman Omar Burleson tells us that the House of Representatives, by a vote of 308 to 60 approved an expenditure of \$160 million for research toward development of an electric car. But the Energy Research Development Administration thinks the brakes should be put on this project while something is done about developing a better battery as the power source.

That, it seems, is the number one problem in this field. American business has the know how to build the cars, except that it still doesn't have the battery capable of the mileage demanded by average drivers. Under the circumstance it might be wise to turn over the research grant to the electrical people, or at least the greater part of it. Possibly a small portion of the total could be used wisely in developing a more efficient or lighter motor, thereby getting a few more miles out of a battery charge.

Whether government or industry provides the funds, all America has reason to hope that the improvements will come soon. The electric car apparently would be ideal for many millions of people. Lightweight and simple, it should cost much less than other cars, and the energy it needs ought to cost much less than for the larger, gasoline cars. Besides, it has no exhaust to pollute the air. And an important factor in the energy crisis is that it would not use gasoline. Assuming that use of coal, lignite, nuclear energy and water power will increase for generating current, they will relieve petroleum as the power source for electric cars.

Offsetting those attractions is the fact that an electric car has a very short range. It's not for distance driving but it ought to be fine as the family's second car for short drives. People who would limit themselves to say 30 or 40 miles a day could make it fine between the nightly plug-ins for charging batteries.

Good news about school busing comes from the Senate where anti-busing legislation was approved as an amendment to the HEW appropriations bill. It would seem that if this idea can be sold in the House it means that busing would have to go out of business if HEW remains in business, unless, of course, if the courts should declare it unconstitutional. This should mean that busing has reached the beginning of the end. The polls say that over 75 per cent of the public opposes it. If Congress is getting their message, repeal should not be far away.

There are at least two amazing things about this issue. First of all why the courts and liberals and integrationists insisted on cramming it down the public's throat when so many million people opposed it, including the people it was supposed to help. The next is that it violates the original decree on desegregation ending the Little Rock hassle. The order handed down then was that every student must be allowed to attend the school of his choice. Busing has no regard for the choice of student or parent, just says that the student must go where told.

A favorite reason given for busing is that the other school is better, and the child therefore can get a better education. The actual result, however, (Continued on page 10)

## Changes Made on SH Grid Schedule

Changes on the schedules of Sacred Heart varsity and SH junior high were announced this week by Coach Ed Stock. The Tigers' game with Anna has been postponed a day to Saturday November 1 to avoid conflict with the MHS-Callisburg. Both games had been scheduled for October 31 on the neighboring fields.

That change still leaves one conflict on the local schedules. Both teams are booked to play here on November 14.

The change on the junior high schedule is the addition of Cistercian, which will take on the Cubs Saturday, October 25 at 2 p.m.

An earlier change applies to the junior varsity, originally scheduled to play Petrolia on Oct. 4. The game will be on Thursday, Oct. 23, 7:30 p.m. at Petrolia.

Dale Wolf and Paul Reiter, both of the Sacred Heart 4-H Club were high scorers on the state level of record book competition, according to an announcement by 4-H headquarters at A&M University.

Wolf was state winner in the range management program. Along with an award he will receive an expense paid trip to the Texas Range Camp at Junction. He is a 5-year 4-H member, and son of Mr. and Mrs. Ernest Wolf.

Reiter was named first state alternate in the field crops division. He is an eight year member, a son of the Wilfred Reiters.

## Sacred Heart Alumni Is Set For Homecoming on Oct 18

Plans are practically finished for Sacred Heart's homecoming festivities on Saturday night, October 18. Under direction of the SH Alumni, they will be headed by a football game with Saint Jo's Panthers and also include a bonfire, parade, crowning ceremonies, a dance, and reunions for the classes of '45, '55 and '65.

Graduates of the honored classes will be guests at the game and dance and their spouses or companions will be

## Nine Blocks Get Resurfacing Job

A repair job for several Muenster streets approved in a recent city council meeting has been completed on short notice. As a result about ten blocks of badly damaged pavement has a resurface job consisting of hot asphalt and chat.

The areas surfaced are East Sixth from Pecan to Hickory, West Seventh from Main to Elm, Elm from Fifth to Seventh, Maple from Fourth to Sixth, North Cedar from FM 373 two blocks south and Fourth from Maple to Elm.

Cost of the project was 70 cents per square yard for 14,875 yards, a total of \$10,412.50.

## Final Rites Held For Mother of Mrs. Bill Hamer

Funeral Services for Mrs. Nellie Roberts of Fort Worth were held at 3 p.m. Saturday in the Crosier-Pearson Funeral Home Chapel with the Dr. Earl Hall, Sr. officiating. Burial followed in the Derden Cemetery at Blum, Texas.

Mrs. Roberts was born November 18, 1891 in Blum, Texas and married Lindsay Roberts, Sr. on September 2, 1906. He preceded her in death in 1951. They were the parents of 13 children with eight surviving.

Mrs. Roberts was the mother of Mrs. Bill Hamer of Muenster and the grandmother of Mike Hamer and Mrs. Michael W. Schmitz, both of Gainesville.

She was a lifelong member of the Baptist Church and of the Gold Star Mothers of Tarrant County.

## City Sends Out Annual Tax Bills

The time for reckoning has arrived again for tax payers of Muenster. Last week people received the familiar window envelope with the pink showing through.

City Secretary Celine Dittfurth said that 679 statements were mailed out with a tax assessment of \$1.50 per hundred on a total valuation of \$2,261,171.14.

At 100 per cent collection the taxes should come \$33,973.57. However payments in recent years has averaged near 95 per cent and that is the amount expected this year.

guests at the dance only.

Members of the royal party for coronation were selected by the SH classes as follows. Queen candidates are Cindy Bartush, Dianne Kralicke, Janet Pels and Laurie Rohmer. The queen, to be determined by student body ballot, will not be named until the crowning. The other three then will share princess honors with representatives of the three lower classes: Laurie Walterscheid, freshman; Monica Gehrig, sophomore; and Sharlene Pagel, junior.

The game will be preceded by a parade and followed by a dance in the Community Center with music by the Unlimited. Everybody is invited to the dance.

The bonfire will be held next Friday night at 8 at the Sylvan Walterscheid farm.

## Record Number of Entries Compete In PP&K Contest

The biggest crowd of participants ever in the local Punt, Pass and Kick competition reported last Saturday on Sacred Heart field for the event. There were 97 entries from Muenster, Lindsay, Saint Jo and Era in the six age groups and the contest was directed by Muenster Jaycees.

As usual, the top contender in each age group qualified to compete in the next stage of competition. That will be held Saturday at 10 a.m. on the Boys Club Field of Wichita Falls. Transportation to it for the six winners will be provided by Endres Motor Co. and will leave the Endres building at 8:15 o'clock. Entries from other local contests of North Texas will compete there and winners will advance to the next stage of the nationwide contest.

Locally there are three winners in each age group, their awards being gold, silver and bronze statuettes of a football player. Those winners and their scores are as follows.

Age 8: Cory Klement, 134½; Michael Koerschner, 131; Chris Dangelmayr, 130¾.

Age 9: Gary Dankesreiter, 235; Neil Hesse, 190; Kevin Reeves, 154¾.

Age 10: Mike Bedrick, 266¾; Kevin Felderhoff, 236½; Joe Hennigan, 186¾.

Age 11: Dan Bezner, 263¾; Dale Swirczynski, 258¾; Tim Schneider, 227½.

Age 12: Stephen Neu, 304; Jim Biffle, 260; Brian Herr, 238¾.

Age 13: Floyd Felderhoff, 254½; Bert Miller, 247½; Mike Hesse, 246¾.

## Margaret P. Hays Is C. of C. Speaker

Margaret Parr Hays of Gainesville will be guest speaker at the regular meeting of the Muenster Chamber of Commerce at noon next Tuesday in the Center Lounge.

Miss Hays is associated with a Morton Museum, thoroughly familiar with the county's history and involved in the county's Bicentennial plans.

## City Council OKs Fund to Improve Christmas Look

The Muenster City Council at its regular meeting Monday night voted to cooperate with the Chamber of Commerce in improving the town's Christmas look. It approved an appropriation of \$500 to be used by the chamber in its decorating program.

The intention was to establish a precedent of annual participation whereby the local decorations will be improved regularly. This year's additions are to be principally on Main Street.

Four other projects received the council's okay. The sewer main is to be extended 400 feet on Mesquite from Second to First Streets.

Water and sewer lines are to be extended to a current development south of the city park. At an earlier meeting the council had approved gravel and a bridge on Eddy Street, which adjoins the addition.

Also the council responded to a petition signed by property owners for two blocks of pavement. It approved the project on South Pine near the motel and on Fourth from Hickory to Sycamore.

And a new style mercury vapor street light was approved as replacement of the old incandescent light at the corner of Fourth and Walnut.

A request for pavement on Walnut Street beside the Dairy Inn was shelved pending solution of a drainage problem as well as a written petition from property owners along the street.

## United Fund of County Organizes For '75 Campaign

The Cooke County United Fund is organizing for the 1975 drive, according to President Ken Blanton, who announced that Ed Alexander and Fletcher Morris are vice presidents and Joe Walter is campaign chairman.

October 27 is kickoff day and the board of directors has promised a realistic budget based upon the needs of the participating agencies.

Bill Patterson, budget chairman, has letters out to the agencies historically supported by the United Fund. He listed those agencies as: American Red Cross, Boys Club, Boy Scouts, Camp Fire Girls, Council on Alcoholism, 4-H, Future Farmers of America, Salvation Army, Southwestern Diabetic Foundation, Muenster Youth Council, Texas Rehabilitation Hospital and the U.S.O.

Patterson urged any other qualified agency wishing to participate in the United Fund to contact him as soon as possible. Blanton stated emphatically that this year's goal will be met by the drive organization which will be announced during the week of October 13.

## First Class Mail Will Go Airmail

Beginning Saturday of this week, October 11, airmail service becomes available for first class mail within the United States. This means that the regular first class rate will be charged but it will be handled the same as airmail.

Postmaster Virgil Henscheid made the announcement this week and added that there will be no service advantage in paying airmail rates for domestic first class mail.

Also airmail postage should still be used on all international mail. And airmail stamps and stamped envelopes will be exchanged here for ordinary stamps and stamped envelopes.

## City Gets \$4508 In Revenue Sharing

The City of Muenster this week received its Revenue Sharing check from the US Treasury for the first quarter of the current fiscal year.

The amount was \$4,508, a slight decline from last year's quarterly payments, which included three checks for \$4,579 and one for \$4,581.

William S. Bartush, senior at Oklahoma State University, has been elected vice president of the OSU chapter of the National Wildlife Society for the 1975-76 academic year. A wildlife research major, he is a graduate of Sacred Heart High School, a son of Mr. and Mrs. Charles F. Bartush.

## Tigers, Wildcats Both Clipped for Friday Encounter

Sacred Heart Tigers as well as the Callisburg Wildcats will be below par Friday night when the two teams face each other at Callisburg.

Fred Koessler and Mark Hess are expected to be out of the lineup for the next two games and possibly more. Koessler's injury is a broken blood vessel sustained in the game with Windthorst. It has not responded well to treatment and Koessler returned to the hospital Tuesday. Mark Hess has a shoulder separation sustained in practice Monday.

Both are key men of the Tiger team leaving Coach Ed Stock with the problem of how to re-arrange the lineup for best results. Otherwise the Tigers are well and raring to go.

Even so, Sacred Heart seems more fortunate than Callisburg, which has been haunted by injuries since the start of the season. The report is that they are healing, and some are back on duty, but they have missed weeks of practice.

The record so far points to Sacred Heart as a strong favorite. Tigers have three wins and a tie. Callisburg is winless.

## Doris Felderhoff On All-American Basketball Team

Doris Felderhoff, star of MHS girls basketball a few years ago and contender for a spot on the Olympics team earlier this year, is back in the basketball limelight.

Popular Sports in its current basketball magazine names Doris on its 1976 women's All-American second team, and also names her team, the Stephen F. Austin Ladyjacks as the Number 7 team in the country. Wayland Baptist, where she started in college basketball, ranks No. 9 nationally.

Doris' average for the past season, in very strong competition, was 13.9 points per game and 10.1 rebounds per game.

## Improvement Club Organizes at Myra

An organizational meeting of Myra Community Improvement Club was held on September 30 at 8 p.m. in the Myra School Building.

Those attending discussed possible projects and selected several that were most needed. First item receiving attention is a plan for placing a fence around Myra Park. Larry Vogel was asked to be chairman of the project. First activity carried out was mowing and clearing the lot surrounding the school building.

Everyone in the Myra Community is invited to join the Improvement Club. Thirteen attended this meeting. During the winter they will meet at 7 p.m. on the last Tuesday of the month. A good attendance is urged for October 28. There will be table games after each meeting.

## Bill Hamer Chosen by KCs For Good Neighbor Award

Bill Hamer, who has been in business here for eight years as owner-operator of Muenster Livestock Auction, and has lived here for two years, is this year's selection of the Muenster Knights of Columbus council for its Good Neighbor award.

The presentation will be made by Grand Knight Dan Hamric in a special ceremony at the 7 p.m. mass Sunday in Sacred Heart Church, and it will be followed by a reception in the K of C Hall.

The Good Neighbor award is presented annually by the local council in the ecumeni-

cal spirit of promoting harmony and understanding among the creeds. Others receiving the award in past years were A. T. Tuggle Albert Lippe, Dr. Marvin Knight, Bill Pratt, C. O. Cash, Edgar Dyer, Lee Toothaker, Michael Sloan and Clive Gobble.

Presentation of the award is one of the events in a busy month observing the feast of the KC patron, Christopher Columbus. It will begin with the annual Columbus Day address by Supreme Knight John W. McDivitt. Responding to the joint request of Muenster and Gainesville Knights, the Gainesville radio station, KGAF will broadcast the talk at 12:15 Sunday.

Another event is an Oktoberfest on Saturday the 18th in the KC hall. It will be a social gala including a happy hour with pick-up foods from 7 to 9, then a dance until 1 with music by a Wichita Falls orchestra. Reservations at \$10 per couple are available at the KC Hall daily after 4 p.m. Because of space attendance will be limited to 175 persons.

Also on the KC schedule is the annual memorial service to be held on November 9. It will consist of mass and the order's special ritual honoring deceased members.

## Wild Flowers to Feature Meeting Of Garden Club

The October meeting of the Muenster Garden Club will be in the TP&L Building next Monday, October 13 at 8 p.m.

Miss Betty Dodds will present a program with commentary showing slides of Texas Wild Flowers. Each member will bring a wild flower for exhibit.

Mrs. Harold Flusche and Mrs. August Felderhoff will be co-hostesses. The October meeting will feature Guest Night. Each member is urged to bring a friend for the "Get Acquainted" meeting.

## Hornets Blast Coons 21-6

A faltering team of MHS Hornets, in danger of having their perfect record shattered, came to life late in the second quarter at Frisco Friday night and pulled through for a thrilling 21-6 victory, their fifth straight for the season.

Despite their best efforts they were not able to put it together. Until shortly before the half they had only four first downs and two of those were on major penalties. Meanwhile the Coons had eight. Also their total yardage was only 39 as compared with 125 for Frisco.

But an interception and big play suddenly got them into the game and they dominated it the rest of the way. By half time they had upped their yardage to 97, and in the second half they led 21-6 in total gains.

One specially gratifying fact was a sudden discovery of passing ability. The big Coons had a solid defense against the rush and MHS got nowhere. But then Tim Wolf mixed in more passes to the benefit of both aerial and ground game. And the passes can be credited with all three of the touchdowns.

The first quarter was a standoff. Through making a few gains Frisco could not keep going and Muenster could not get started.

But early in the second Frisco put it together and went 60 yards on six plays and a major penalty for its first TD. Included were a run for 10, a pass for 18, 15 free yards and three runs of 5 each. A run for bonus points was smeared. The Coons led 6-0.

Following the kickoff Muenster fumbled and Frisco took possession on the Hornet 37, and promptly after that Calvin Otto's interception got the ball back for MHS. That play apparently was the spark that Muenster needed.

Wolf heaved a pass that looked like 6 points but it slid off Danny Endres' fingers. So he tried again and made the connection, and Endres was in the clear, headed for pay dirt. The only trouble was that the pursuer had a little more speed, so the thrilling 57 yard gain stopped just a yard short of the goal.

On first try Mark W. Sick-

ing failed to budge the solid Coon line. Next try was an option pichout to Mark L. Sicking for an easy TD.

Danny Endres followed with the go-ahead P.A.T. Muenster led 7-6 at the half.

Returning after intermission MHS went 36 in seven plays and lost a fourth down try on the 30. Frisco went the other way 38 yards in ten plays and also lost a fourth down gamble. Then a first down by MHS and an exchange of kicks.

At this point, on its own 45, Muenster fumbled, and Bob Endres intercepted two plays later, and MHS was 65 yards away. A gain of 5 by Mark W and a pass to Endres (Continued on page 10)

## Hornets Will Meet ND Knights Friday At Wichita Falls

Taking on the Notre Dame Knights at Wichita Falls Friday night will be sort of like stepping into the dark. Coach Don Jones has only a faint idea of what his Hornets will encounter.

The only information he has is that the Knights are big and have a 1-3 record to date. Their win was over Saint Jo by a decisive count of 32-0, one loss was to Cistercian 28-0, another to Nolan 20-0, and the third is not known here. The two losses shed little light on the local question except that Cistercian and Nolan are TCIL members and usually potent.

On the other hand Jones has high regards for his Hornets, especially since their decisive win at Frisco last week, in which they put on a highly successful passing attack after their rushing efforts bogged down. A look at the films since then revealed mistakes in the ground game which are getting attention this week. So, hopefully, that department will be better. Improvements in both the ground and air game are encouraging.

Mark L. Sicking, the only casualty at Frisco, is favoring a sore ankle this week, and his participation in the game is doubtful. All the others appear to be well and ready.

4-H boys and girls in Cooke County, as well as throughout Texas and the nation are observing National 4-H Week, through October 11.

The annual observance, with this year's theme of "4-H... '76... Spirit of Tomorrow", was designed to accent the history, ideals and goals of the 4-H program. National 4-H Week is a special time when 4-H is recognized for its contributions to the growth and development of youth.

Muenster is fortunate to have two 4-H Clubs in the area. Muenster 4-H Club has an enrollment of 30 members. Seven volunteer adult leaders supervise their educational activities. Sacred Heart School contains six 4-H groups. Boys and girls are enrolled in 5th & 6th grade clubs, 7th & 8th grade clubs and senior boys or girls 4-H clubs. Total enrollment is 189 young people. Fourteen parents and adults serve as volunteer leaders.

These 4-H youth are a part of 7.2 million young people between the ages of 9 and 19 enrolled in 4-H, with more than 215,000 of these in Texas. 4-Hers participate in more than 60 educational project areas, with the most popular being food and nutrition, clothing and textiles, and horse and ponies.

## More Paint Needed For SH Grandstand

Because the fund collected at the Tiger-Windthorst game, for paint to be used on the football stands at Tiger Field is depleted, a request for added donations has gone out. A decorated paint can is on display at Ben Franklin Store where anyone wishing to help may place a donation. A volunteer group has been busy sanding, applying a primer and a finish coat during the past two weeks. Also replaced are decayed or weakened boards that were a potential hazard.

## Utilities Balk on Adding Scrubber To Power Plant

Texas Utilities Company informed the Texas Air Control Board in Waco Friday that it will not install a \$36 Million "Anti-pollution" scrubber on a lignite-fueled generating unit now under construction near Mount Pleasant in East Texas.

T. L. Austin, Jr., Board Chairman of T. U. told the TACB that installing such an expensive device "makes no sense" and is a "rip-off against electric customers who must pay the bill, yet receive no significant benefits."

Texas Utilities is the parent company of Texas Power & Light Company, Dallas Power & Light Company and Texas Electric Service Company. Together, the three firms supply electricity to about one-third of the population of Texas.

Austin, former president of TP&L, said scrubbers will not significantly improve the quality of air people breathe and that experts, including the Federal Power Commission, have concluded scrubbers are not technologically feasible.

"Furthermore, the solid waste created by scrubbers is environmentally detrimental," Austin explained. "I have a gut feeling that five or ten years from now the public is going to rise up in arms and blame us for wasting hundreds of millions of dollars on scrubber systems that spread gunk all over East Texas."

Austin told the Board that "Because what the system is being asked to do makes no sense... A scrubber will not be installed on the Monticello No. 3 unit."

As a result he added, "You may have no recourse but to order a shutdown of construction."

If a shutdown is ordered and the electric companies forced to substitute oil for lignite to meet customer demands, this action would require additional fuel costs of at least \$80 Million per year and would add nine million barrels of oil to the nation's deficit problem he said.

"Therefore, if you order the system to shut down construction, we shall probably be forced to put in the scrubber," Austin stated, "but it will be your decision, not ours."

Austin said that although "I sincerely believe the TACB and Texas Utilities Company are all working to serve the best interest of the public, T. U. cannot in good conscience sit back and accept an added burden of \$36 Million for this unnecessary equipment. It just doesn't make sense, either environmentally, economically, technologically or from a resource conservation standpoint."

Austin said the Environmental Protection Agency's ambient air standards for sulfur dioxide have never been exceeded as a result of T. U.'s lignite plant operations. Additionally, he stated, the increased investment and higher operating costs of a scrubber-equipped lignite unit adds about 18 per cent to the cost of every kilowatt-hour produced.

This comes at a time when "Customers are already deeply concerned over rising cost and when system companies are at this moment having to ask regulatory bodies for rate increases to support their construction programs," he explained.

Austin told the board that the U. S. Court of Appeals for the Third Circuit, responding in a suit filed by three electric utility companies challenging the EPA, ruled last month that the agency was arbitrary in setting sulfur emission regulations and did not have sufficient knowledge concerning either the technological or economic feasibility of scrubbers.

**Bittersweet News**  
Sugar should continue to cost less than last year, according to the U.S. Department of Agriculture. But it will be a while before you see lower prices for cookies, candy bars, soft drinks, etc. This is partly because retail prices of these items reflect what producers paid for sugar sev-

eral months ago before their products reached the shelves. One reason sugar cost so much last year was that the U.S. crop met only 49 per cent of our domestic needs.

## A Proclamation

By the Mayor of Muenster, Texas

WHEREAS: Throughout its two hundred years of existence, the United States Navy has provided for the common defense of our nation, responding to the call to Service with distinction and honor; and

WHEREAS: The City of Muenster, Texas, has given freely of her sons and daughters to the Service of the United States Navy; and

WHEREAS: The United States Navy will celebrate its Bicentennial Anniversary on October 13, 1975, pre-dating the nation's 200th birthday by more than one-half year; and

WHEREAS: The week of October 6-13, 1975, will be observed as "Navy Week" in communities throughout our nation; and

WHEREAS: It is fitting and proper that the citizens of Muenster, Texas, give well-deserved honor and recognition to the achievements of our Navy, particularly to its heroic men and women who continue to demonstrate their patriotism, loyalty, efficiency and devotion to duty; now

THEREFORE: I, David Bright, Mayor of the City of Muenster, Texas, do hereby proclaim the week of October 6-13, 1975, as "UNITED STATES NAVY WEEK" in Muenster, Texas, and urge the citizens of our city to join in tribute to the fine members of this military organization.

## Coupons Wanted For Mission Work

An urgent plea from the Sacred Heart Southern Missions of Walls, Mississippi, sent to St. Anne's Society stresses the need for financial aid; for used clothing and shoes; for practical assistance obtained through donated coupons cut from products, magazines and newspapers; trading stamps and Bonus gift coupons, Campbell soup labels; Betty Crocker coupons and box tops; and proof-of-purchase seals.

The latter is a special project of the St. Anne's Society. The coupons, stamps, labels etc. when sent to the Mission, are exchangeable through various companies for useful household items and frequent-

ly provide needed staples to the Mission's needy — but only if sent in before expiration date. Nationally advertised newspaper coupons and "cents-off" coupons are acceptable; but newspaper coupons that are redeemable only in the store advertising them, are not acceptable. It is important to check the expiration date on all coupons and the place where they will be accepted.

Members of St. Anne's Society invite others in the community to join them in assisting in Mission work in this practical way.

Occasionally check the temperature in your home freezer to be sure it's holding at zero degrees F.

## Fires Are Failures

Every hour fire destroys or damages 67 American homes.

Every hour and 20 minutes one person — most frequently a child or elderly person — dies in a dwelling fire.

These figures, from National Fire Protection Association research, are the measure of our failure to heed fire hazards, and the measurable result of our failure to correct them.

There is no mystery about the causes of most home fires. A carelessly discarded cigarette is left to smolder in an overstuffed chair, a portable oil heater is refilled while burning, electrical circuits are overloaded and overfused, uncleared rubbish becomes a breeding place for fire.

The causes of most fire deaths in homes are not mysterious. Lives are lost when the simple rules of safety from fire are violated — smoking in bed, leaving children alone in the house, neglecting to teach youngsters that matches and lighters are not playthings.

A critical failure is being unprepared for fire emergencies in the home — no family planning of escape routes, no periodic family fire drill to make sure that both adults and children can act quickly and without panic.

Fires represent failure.

Fire Prevention Week October 6-12 is a time to recognize this fact, and to act — to remove hazards, to reform habits.

Your actions and attitude now can make you and your family safe from the tragic consequences of fire in the months ahead.

### Alan Miller Marries Darlene Wolf

Mr. and Mrs. Alan Miller are at home in Muenster after a wedding trip to San Antonio and Austin. They were married in Sacred Heart Church on Saturday, September 20 at 5 p.m. with the bride's uncle, Fr. Alcuin Kubis of Little Rock, officiating. The bride is the former Darlene Wolf, daughter of Mr.

and Mrs. Adam T. Wolf. Parents of the groom are Mr. and Mrs. W. J. Miller. The bride was presented at the altar by her parents and the groom also entered with his parents. The altar before which vows were exchanged was adorned with arrangements of pink gladioli. Candelabra with votive lights, entwined with

stephanotis stood to either side of the altar and baskets of ivy and fern were placed on the communion rail.

For her wedding the bride wore a dress made by her mother and her grandmother, Mrs. Albert Kubis. Designed of polyester sheer over peau de soie, the formal gown featured a high waist, stand up collar, full length sheer sleeves with long cuffs ac-

cented with pale blue satin trim to match the blue at the waistline. Heavy cotton venise lace adorned the front of the gown, sleeves and collar and encircled the chapel length train. Her veil was chapel length, caught to a headpiece of heavy venise lace matching the trim on the dress. Her bridal flowers were pink carnations, white stephanotis and pink baby rose buds. The

flowing fountain. For her daughter's wedding Mrs. Wolf chose a formal blue lace knit designed with long sheer sleeves and the groom's mother wore a full length light blue knit, with knit lace overjacket.

When the couple left on their wedding trip the bride was wearing a maroon knit suit. She is a graduate of Muenster High and Grayson County College and is a registered nurse employed at Muenster Memorial Hospital. The groom is a graduate of Muenster High and Cooke County College. He is employed at Miller Exxon.

Among pre-nuptial courtesies were a shower in the home of Mrs. James Mollenkopf and daughters and a luncheon in the home of Mrs. Charles Cash, with Mrs. L. B. Bruns as co-hostess.

The rehearsal dinner was held Friday evening September 19 in the Center Lounge for a group of twenty eight. The honorees' table held a decorated cake, inscribed with their names. The couple presented gifts to attendants.

#### Among Wedding Guests

Among out of town guests at the wedding of Darlene Wolf and Alan Miller on September 20 were Mr. and Mrs. Paul Kubis and Toby of Houston, Mr. and Mrs. Stan Yosten and Greg of Fort Worth, Mr. and Mrs. J. D. Rumley of Abilene, Mr. and Mrs. Randy Bayer and family of Grapevine, Buck and Tad Kelly and daughter Tossie and Albert Till of Corpus Christi; Messrs. and Mmes. Mike Yosten, Jim Yosten, Tommy Baker and the Paul Yosten family, all of Fort Worth; Mr. and Mrs. Don Glover of Dallas, Mr. and Mrs. Teddy Miller of Plano and friends and relatives of Cooke County.

bride also wore her great-grandmother Kubis' engagement ring, she borrowed opal earrings from her mother and had the traditional blue garter.

#### Attendants

Attending the bride as maid of honor was a friend, Mrs. John Monday and bridesmaids were Margie Wolf, bride's sister, Mrs. Bobby Zimmerer, bride's cousin of Gainesville and Linda Miller, groom's sister. Flower girls were twins, Sharen and Karen Wolf, bride's sisters and Julie Miller, groom's god-child. Karen carried the wedding rings and Sharen carried a floral offering for the Blessed Mother's altar. The bride's attendants wore dresses of light blue flocked dacron crepe, with short puff sleeves, sweetheart necklines, and the yoke outlined with heavy venise lace to match the bride's dress. The skirts were finished with a deep ruffle. They all wore pink picture hats trimmed with heavy lace and hot pink ribbon. Their flowers were nosegays of deep pink and light pink carnations with hot pink accents and the flower girls carried miniature versions.

Best man was groom's brother, Terry Miller of Dallas and groomsmen were Robert Miller, groom's brother, Randy Wolf, bride's brother of Ranger and Ronnie Flusche, groom's friend.

Ushering guests were Timmy Wolf, Lyle Klement, Glenn Miller and Tommy Felderhoff, Jr.

#### Wedding Music

A vocal group, including Lisa Mollenkopf, Mary Lou Fleitman, Diane Yosten, Cheryl Martin and Debbie Reynolds offered "Twelfth of Never", "Wedding Song", and "We've Only Just Begun". Anthony Luke was at the organ for the processional and recessional and accompanied Mrs. Bruno Zimmerer of Lindsay as she sang "Mother At Your Feet We're Kneeling". She sang the same song for the bride's parents at their wedding.

#### Reception

Following the church service, the parents of the couple hosted a reception and

catered dinner at the Community Center. Janet Koelzer, Glenda Cler and Paula Reiter registered 385 guests.

The bride's table held the three tiered wedding cake ornamented by a special wedding cross, a gift from the bride's aunt, Sr. Florence Marie Kubis of San Antonio, and further enhanced by a

**Forestburg News**

By Myrt Denham

Two nice ladies will celebrate their birthdays this week. Mrs. Alice Shears on Friday, Oct. 10 and Cleo Lanier says that Mrs. Juanita Bailey celebrates hers Oct. 11.

Mr. and Mrs. Ted Jackson were in Henrietta Sunday, Oct. 5 to take in the golden wedding anniversary celebration of Mr. and Mrs. Bailey Jackson. Mrs. Bailey Jackson is the former Ollie Landers, sister to Mrs. Ruby Cook and Mrs. Lena Forrester. Bailey is cousin to Ted Jackson and son of the late Mack Jackson.

Folks in Colorado don't have a thing on us North Central Texas folks — weather wise, that is. We are having beautiful fall weather here and the trees are beginning to turn some. It's sorta on the dry side though.

Two bus loads of Forestburg school students departed for Dallas early Saturday, Oct. 4 to take in the State Fair. The group was accompanied by their sponsors.

Clifton Bewley and Jake Monroe, Sr., are on the sick list — Jake came home Oct. 6 after several days stay in the Muenster hospital; however, Clifton still remains in the Muenster hospital. Mrs. Millie Reynolds made it home from a Wichita Falls hospital Sept. 30.

Mrs. Decie Ellzey, Wynona Riddles and Jo Ann Greenwood were in Bowie Oct. 3. Wynona and Decie visited with Roxie Dunn in the Bowie convalescent home. Meb Dunn was also there visiting wife Roxie. Roxie is in room 121.

The John Greenwoods from Bridgeport visited the Calvin Greenwoods Oct. 1.

The Wayne Franks of Hondo, La., and Arnold Shults of Forestburg visited A. B. Franks in a Denton hospital Sept. 28. A. B. is Mrs. Shults' father and Wayne is her brother.

Mrs. Bertha Covington accompanied son Billy and wife Louise to Fort Worth Oct. 3. From there they went to Grand Prairie to the Jerry Gaylors where Bertha will visit for a week.

Betty Reynolds and yours truly bumped into Jim Bryant in Bowie Oct. 3. Now there is one fellow you just can't get down — he is tough as an old boot. So is Carl Green. Carl told us that he had been crawling around up in some pecan trees. Now Carl is over 80.

The Forestburg United Methodist Church is planning a Bazaar November 22. It will take place in the Forestburg Community Center. Dinner (lunch) will be served, there will be a bake sale, handcraft sale and a white elephant sale. So mark it on your calendar and make plans to attend.

Most of you probably know that the cafe in the burg was broken into recently. I was told that the culprits poured grease all over the floor, ate a pie, some potato chips and then crumpled chips all over the grease on the floor. Why? What morbid pleasure did they get out of this stunt? Then I am also told someone knocked over the one table left in our little roadside park. This is something else I can't understand. So many folks enjoyed that little spot — its shade, a place to rest and eat. What is happening to the American people — that they have become so destructive and have no respect for property and belongings of others.

Mr. and Mrs. Billy Barclay and daughter Jennifer of Saint Jo were Oct. 3-4 guests of Billy's mother, Mrs. Gladys Barclay. Charlie Barclay made it in from Edna, Texas, early Sunday a.m.

My husband reported on Barney Brogdon's progress on the log cabin — he said if Barney will just put him a bed and stove out there he will have himself a nice little hide-away of his own.

**Al Hess Family Gets Together to Observe 35th Wedding Anniversary**

Mr. and Mrs. Al Hess were honored by their children Saturday evening with a surprise observance of their 35th wedding anniversary.

The surprises began when their daughter Diane of Austin, sons Alan of Texas State Technical Institute in Waco, and Myron of Texas A and M University, College Station arrived on a weekend visit. They were guests of their daughter for lunch, and in the late afternoon upon returning from a full day at Hess Furniture, they were met by the delighted greetings of their ten grandchildren, their seven children and their sons-and-daughter-in-law.

In their absence, the home had been decorated with anniversary greetings and floral arrangements, an elaborate buffet had been prepared and company had arrived. There was a corsage and a boutonniere for the honorees and cameras and flash bulbs recorded their surprise.

On display was a large poster holding many family pictures collected during the 35 years and their daughter Diane modeled her mother's wedding dress. During the party Sr. Joan Hess telephoned her greetings from Chicago where she is attending school. Pictures were made by sons-in-law Bob Fitch and Andy Jacobsen of Dallas. It was the first complete family reunion since Christmas of 1971. The honorees were showered with gifts.

Guests were served a buffet prepared by the couple's children. Handmade heirloom tablecloths made by Mrs. Hess' mother covered all tables and highlighted the serving table.

After dinner the honored couple cut the anniversary cake which was baked and decorated by Carolyn Bayer with figurines representing their family. A son-in-law, Bob Fitch offered a champagne toast and paid special tribute to the honorees.

Attendants at the wedding in 1940, Mrs. Francis Dieter of Dallas and Joe Hess were special guests. Other guests were brothers and sisters of Mr. and Mrs. Al Hess, including Mr. and Mrs. Joe Hundt and Mr. and Mrs. Gregory Hundt of Lindsay, Francis Dieter of Dallas, Mrs. Eddie Schmitt, Mr. and Mrs. Charles Wimmer, Mrs. Joe Hess, Mr. and Mrs. Tony Hess, Mr. and Mrs. Leroy Schmidkofer of Gainesville, and Miss Hilda Serna of Sherman.

Unable to attend but sending their good wishes were Mr. and Mrs. Leo Schmitt of Yakima, Washington; Mr. and Mrs. Bill Hess of Lawton, Oklahoma; Mr. and Mrs. Herbert Hundt Sr. of Dallas and Sr. Joan Hess, presently of Chicago.

Al Hess, a son of the late Mr. and Mrs. Justin Hess and Antonia Hundt, a daughter of the late Mr. and Mrs. Joe Hundt of Lindsay were married on October 2, 1940 in St. Peter's Church in Lindsay.

After retiring from the farm, they established Hess Furniture Company here. They are parents of seven children and have ten grand-

children, including daughter Carol Mr. and Mrs. Bob Fitch and Wayne, Le Ann, Kristi and Susan of Dallas; (daughter Ronie), Mr. and Mrs. Andy Jacobsen and Payce of Dallas; (son Dennis), Mr. and Mrs. Dennis Hess and Bryan, Kimi and Julie; (daughter Janie), Mr. and Mrs. Roy Monday and Craig and Michele; and daughter Diane and sons Alan and Myron.

Messrs. and Mmes. Freeman Baker and Joe Baker of Ardmore visited the Hal Hays and Leann Sept. 26-28.

Messrs. and Mmes. Rudolph Droshiene of Denton and Frank Droshiene of Dallas were visitors in the Howard Sockwell home Thursday, October 2.

FORESTBURG: Mrs. Juanita Bailey and Mrs. Marion Sockwell attended the Texas Home Demonstration Association Convention held in Abilene Sept. 23-24-25. They attended six work days on which they reported at the Texas Home Demonstration Council Meeting Oct. 3 at Montague.

Howard Sockwell says that wife Marion's middle name is "Go." He said he would nail her shirt-tail to the doorstep but all he would find when he returned would be a couple of pieces of cloth.

Danny Williams of San Antonio was a recent weekend visitor in the home of his par-

ents, Mr. and Mrs. Fred Williams, out Mallard way. Danny has been transferred from Harlingen to San Antonio.

Sunday, Sept. 28, visitors in the home of Mr. and Mrs. D. D. Echols of Mallard, were the Elvin Echols of Watuga, Herman Moores of Bowie and Aaron Echols of Nocona.

Brad Iund celebrated his 12th birthday recently with a party given by his grandmother, Mrs. Louise Shults at the Gainesville park and zoo. Those helping him celebrate were Jeff Carter, Wally Lanier, Charles Edwards, Willie Sandusky and Wesley Reynolds. Sandwiches, cokes and cookies were served.

## Mrs. John Mosman Returns From Thrilling European Trip

When Mrs. John Mosman returned recently from two weeks in Europe, arranged to include a pilgrimage to the canonization of Mother Elizabeth Ann Seton in Rome, she brought home with her a remarkable account of fifteen days filled with traveling and

sightseeing in famed and historic areas and poring through lesser known, far-away but infinitely interesting places.

Highlights of the trip that began the afternoon of Wednesday, September 3 at D-FW Airport tell that the Texas group of eight left on a Bran-

iff flight and arrived at Kennedy Airport at 5:30 p.m. A bus took them to the Irish "Aer Lingus" where they met other members of the tour group from Philadelphia and New York.

Four hundred ninety five boarded Aer Lingus at 9 p.m. New York time and there was not one vacant seat. They arrived at Dublin Airport Thursday, September 4 at 9 a.m. and recalled that it was then 3 a.m. in Texas. After taking a bus into Dublin for several hours of informal shopping and sightseeing, they returned to their Hotel Skylon on Upper Drumcondra Road to rest and await a meeting with tour members from the Boston group that included people from Connecticut, Maine, Massachusetts and Iowa. The Pilgrimage group now totaled 38.

On Friday, September 5, they toured Dublin on a cold rainy day, saw the Georgian Square and Terraces, St. Patrick's Cathedral and Christ Church Cathedral, both Episcopalian, saw Jonathan Swift's tomb, toured Trinity College, saw the library, the House of Government, College of Science, Stephens Greens, Guinness Brewery, Cardinal Newman's Chapel, College of Surgeons. And in the evening they saw a play "Innish" at the Abbey Theater.

On Saturday, September 6, the group went by bus to Glendalough, city of two lakes, saw St. Kevin's cross and the oak under which the poet Thomas Moore wrote "Believe Me, If All Those Endearing Young Charms" and many other songs and poems. Returning to Dublin they stopped at a typical bar in a little Irish town. Saturday evening they were guests for dinner and theater at Jury's. Michall Day and Hal Roach were among performers as well as Irish girls who danced

the Irish jig.

Sunday morning they left for Lourdes by plane. A bus at the airport took them to Hotel Imperial. In the early afternoon they began visiting the many altars of the Basilica and saw the Benediction procession start outside the Basilica. About 2,000 cripples were brought in on riding carts. Benediction and blessing of the sick followed. Later that night after dinner the Candlelight ceremony, began, with everyone carrying a lighted candle. Decades of the rosary were said in many languages and songs to our Blessed Lady were sung. Mrs. Mosman said the march with 20,000 people carrying candles was indescribably beautiful.

The following morning Mrs. Mosman's group went on a guided tour to the birth home of Bernadette, then to the place where she lived and received 18 apparitions of our Blessed Lady and then to the famous Grotto. That afternoon they took a bus tour of the Pyrenees Mountain Range. On the 160 mile drive they saw beautiful waterfalls, snow-capped mountains, Napoleon bridge high in the mountains and a huge electric plant, a little chapel of Our Lady of the Snows on a mountain top and a perfume factory and they saw soldiers patrolling the border between France and Spain.

The group flew to Rome on Tuesday, September 9 in time for a night tour of the city and an elegant dinner.

On Wednesday morning there was another guided tour of Rome when they saw an Underground terminal, Flaminia Gate, River Tiber and enjoyed an inside tour of the Vatican Sistine Chapel. In the afternoon they saw the Pantheon, the Catacombs, the Colosseum, the Roman Forum, the Villa Borghese Park — largest and most beautiful in Rome, the famed Trevi Fountain, the Palazzo Venezia, originally built as a residence for popes but used during the Fascist regime by Mussolini and from its balcony he harangued the crowds. From 6 to 7 p.m. they were privileged to attend an audience with Pope Paul VI on St. Peter's Square.

On Thursday, September 11, the group toured the four basilicas of Rome, St. Peter's

in the Vatican, St. Paul's Outside the Walls, St. Mary Major and St. John Lateran. Mrs. Mosman described the magnificence of St. Peter's the largest church in the world that took 176 years to complete. She also told of the exquisite art work in all four basilicas. That day she also visited with Pat and Renee Mosman who live in Rome.

Florence, Italy, was toured Friday, September 12, on a 160 mile drive from Rome. They saw the famous Borghese Park again, crossed the Tiber several times, saw olive groves, grape orchards and tobacco fields. On both sides of the highway were the Apennines Mountains with many famous castles nestled between. In Florence they went to many beautiful and ancient churches, visited a leather factory, saw the famous bridge which has spanned the Arno River since the 14th century and toured palaces and museums. Everywhere they went elegant meals were served.

On Saturday, September 13, Mrs. Mosman again visited with the Pat Mosman family who took her shopping near the Pantheon. They saw an art show in the open square, saw the church where St. Paul was beheaded and the cell where he was imprisoned. They drove to the North American College and to Janiculum Hill for a panoramic view of Rome and then she was a guest in the Pat Mosman home which is in the new modern section of Rome, built by Mussolini and called Europa. Her hosts spoke Italian, which was a great help while shopping and sightseeing. During her visit with the Pat Mosmans, Marie phoned home to talk with her husband and her son, Fr. Jerry Mosman.

Sunday, September 14, was the day they had all been waiting for, the day for the canonization of Mother Elizabeth Ann Seton at St. Peter's. Mrs. Mosman and her group arrived very early and were fortunate to have good seats, right in the center section. Services began at 9:30 and lasted until 12:30. An account of the day with many interesting sidelights, as well as a brief history of the first native born Saint to merit canonization has already been printed in last week's paper.

After the services the tour group returned by bus to their hotel to prepare for a flight to Paris. They were visited by John Hennessey, a seminarian from St. Bartholomew's in Fort Worth who is studying at the North American College in Rome and was one of the candlebearers during the Mass and canonization.

The group left Leonardo da Vinci Airport after several delays and arrived in Paris at Orly Airport near midnight. Mrs. Mosman said their hotel was fantastic — the Concorde, La Fayette is a whole city in itself with 35 stories 1,000 rooms, restaurants, bars, banquet rooms and the lower three floors housing 300 different shops. The Metro (subway system of Paris) could be boarded at the ground floor of the hotel.

They spent Monday morning on a tour of Paris with an English guide, seeing the Cathedral Sacre-Coeur, Military

Academy, National Assembly, Arch of Triumph, Tomb of the Unknown Soldier, Tomb of Napoleon, Cathedral of Notre Dame, and about a dozen more famous places. In the evening they took a boat ride on the Seine River, first traveling on the underground railway, said to be the most efficient in the world.

On Tuesday, the group left early by bus for a morning tour of Versailles and in the late afternoon went to have dinner in the Eiffel Tower, traveling again by the Metro.

Wednesday, September 17, early in the morning they boarded a British plane for London, where they had a two hour wait, changed planes for an Irish Airline and at Shannon Airport in Ireland changed to non-stop Aer Lingus for Kennedy Airport in New York. They arrived in Dallas via Braniff at 8 p.m.

### Forestburg News

By Myrt Denham

FORESTBURG: The Forestburg United Methodist Church folks had their monthly board meeting and fellowship supper Wednesday night, Sept. 24. A big tribute was paid to all the Sunday School teachers — who have all done a very outstanding job. They are a very vital part of our church. A nice group of folks attended, and after the board meeting they enjoyed a supper of sandwiches, chips, dips, pickles, etc., followed by homemade ice cream and cake.

Mrs. W. T. Reynolds entered a Wichita Falls Hospital - Bethania - Thursday, Sept. 25. Millie is reported to be getting along very well and will most likely be home with Wib by the time this goes to press.

Mrs. Cleo Lanier sponsored a bicycle ride Saturday afternoon, Sept. 27. The ride was a

small beginning of Forestburg's Bicentennial celebration and the participants covered some old historical grounds. They met at the school house and rode out to Valentine's Bluff where they made a rest stop and saw a portion of the still visible old Butterfield stage route and the Lookout where the white men scanned the Denton Creek vicinity for Indians. After the break they rode to Cleo's house for rest and refreshments. The group had an interesting and enjoyable ride and plan for more rides in the future. Those making the ride were Pam, Veronica and Doug Edwards, Vatori Dill, Janice, Wally and Jeff Lanier, Willie Sandusky and Robbie Covington. Cleo and Tracy Lanier followed the group in her car to protect them from traffic and Tracy acted as a flagman.

Mrs. Roxie Dunn was taken to the Bowie Convalescent Home Sept. 27. Roxie is getting along fairly well. This home is on the north side of Bowie.

Mrs. Josie Journagin of Nocona visited her son Willis for several days the week of Sept. 21. Willis lives in one of Cleo's little pink houses.

Mrs. Addie Anderson of Burk Burnett visited son Rex Anderson for a couple of days the first part of the week of Sept. 21.

James Helm of Gainesville visited Ross Littell Sept. 20.

Mrs. Joe Denham of Bowie was a visitor in the home of her son Perryman Denham from Sept. 22-25. Joe celebrated her birthday Tuesday, Sept. 23 and was honored with a party in the Perryman Denham home that night. Guests were Mr. and Mrs. Bennett Reynolds, Mr. and Mrs. J. J. Reynolds, Bess Orrell, Gladys Barclay and Howard Sockwell. Homemade ice cream, homemade sherbert and cake were the refreshments for the evening.

On Tuesday a.m., Sept. 23 Mrs. Kenneth Holland and Mr. and Mrs. Guadalupe Lopez of Stoney Point were visitors in the Denham home.

On Wednesday, Sept. 24 Perryman and his mother Joe visited with Mrs. Bruce Steadham and Mr. and Mrs. John Links.

On Saturday, Sept. 20 Earl Fanning of Muenster visited his cousin Alfred Fanning and enjoyed visiting with friends on the sitters' bench. Guess the bench up at Alfred's place of business has been named the sitters' bench. Steve White of Dallas was up Sept. 20. Steve is a brother of Mrs. Ross Littell.

The Harold Hays of La Cross, Kansas visited their son Hal Hays and family the weekend of 19-22 of Sept. Mrs. Hal Hays' sister, Mrs. Cathy Laird and sons Roy and Mike, were also guests in the Hays' home the same weekend. Mrs. Laird and sons have moved

from Ardmore, Okla., to the Paul Boyd place between Forestburg and Saint Jo.

Mrs. Ross Littell and Mrs. Alfred Fanning visited Mrs. Josie Journagin in a Nocona rest home Sept. 20.

Willis Tinney of Jacksboro passed away in a Fort Worth hospital Monday, Sept. 22 after a lengthy illness. Funeral services were held Sept. 24 in the Jacksboro Baptist Church.

Mr. and Mrs. Larry Dill, Steve and Willie Sandusky and others took in Six Flags over Texas Sunday, Sept. 21. Also enjoying Six Flags on the same day were the Paul Traylors and Nancy.

Mr. and Mrs. Wayne Franks and family of Hondo, La., visited the Arnold Shults family the weekend of Sept. 19-21. Mr. Franks is Mrs. Arnold Shults' brother.

Mr. and Mrs. Guy Gates of Torrance, Calif., arrived in the Forestburg area Sept. 25 to visit the Jack C. Dills, Mr. and Mrs. Blake Freeman, son Mrs. Blake Freeman, son Doyle Gates and the Ray Dills of Era. Mrs. Gates is Jack C. Dill's sister and daughter of the Ray Dills. Guy Gates is Velma Freeman's son.

The Wessie Reynolds, Ronnie and Wesley and Miss Robbie Freeman of Sunset had a day out at Six Flags Sept. 20.

Recent guests of the Buford Greenwoods of Uz and the D. D. Echols of Mallard were the Leroy McClaires of Lancaster. Mrs. McClaire is the former Sandra Echols, sister of Mrs. Greenwood.

Mrs. Linnie Bell visited the Lavern Scotts and daughter of Buffalo Springs Sept. 19-20. On Sunday, the 21st, the Gary Bell family, the Delbert Williams family and Mr. and Mrs. Mary (Sirman) Blocker and children were Linne's guests.

Noticed in a recent Gainesville paper that the Donald Boyds of Denver had a baby girl Sept. 15. We remember Donald as Nubbin — he is Eula Belle Boyd's son. Nubbin's wife hails from Saint Jo, the daughter of the W. L. Stewarts.

Cleta Reynolds, Dewey, was hostess to the 42 club party in her home Sept. 24. Guests were Grace Scott, Frances Brewer, Decie Ellzey, the Barney Brogdons and Bill Forrester.

Blake Scott is really sprucing up his little rent house in Forestburg. Sure is looking pretty. Perhaps he can encourage some other folks up there to do some sprucing and cleaning up. Blake Freeman's empire sure does sparkle these days. It's amazing what a little work, paint and cleaning up can do to improve a place, and help the looks of the burg. Willis Journagin is making things around his little area shine too.

### Muenster Juniors Lose 2 to Frisco

Muenster Juniors lost both ends of a double header football program with Frisco's youngsters here last Thursday night. Junior High lost theirs 32-6 and the Junior Varsity was nosed out 14-12 in the final minutes.

Local kids outsize and outnumbered and obviously were surpassed in experience also in the first tussle. The scoring spree started just a few plays after kickoff when a young Coon broke away for a 50 yard TD.

Again on first possession after kickoff Frisco went 35 yards on a pass play.

Early in the second period following interception of a Muenster pass the Little Coons scored on a pass play from midfield. And shortly before half a 33 yard run upped the score to 24-0.

The next quarter was scoreless, however the visitors were moving and finished the job on the third try of the last quarter. A pass added the game's only bonus points. Frisco led 32-0.

Finally it was Muenster's turn. Phil Wolf connected with Tod Richey who scooted for a 59 yard gain to the 3 before being caught. Next play Kevin Klement made it from there.

In junior varsity action MHS completed three first downs before stalling on the 30 but got the ball back at the same place four plays later. Eight plays went in from there, Deryl Zimmerer scoring from the 1. The drive in two parts went 58 yards with David Felderhoff, Deryl Zimmerer and Gary Hermes sharing in the leg work.

Frisco showed its muscle on the next possession and went 65 yards in 12 plays for the tying score.

Midway in the third quarter, following an exchange of kicks, Zimmerer went 65 to pay dirt on a punt return. Near the end the Hornets, following an interception by Mike Stephens put on a drive from the 35 that was almost good for another. But it stalled on the 8, and the visitors drove 92 big yards from there to tie the score again, then crashed over for the two bonus points.

## NOTES FROM THE LIBRARY

by Mary Mosler

Nothing but praise has been written about April Morning by Howard Fast. It is a story of April 19, 1775 — the day that Adam Cooper, age 15 grows to manhood, and the first day, it is said, of the American Revolution. Reviewers state that this book is for everyone who is an American or who has ever loved or cherished any part of what we call the American dream. One reviewer says "This is an even better book than Crane's Red Badge of Courage. I readily wager that April Morning will some day reach the standing of an American classic."

Come in and see what's new at your public library. We're open Tuesdays and Thursdays from 8:30 to 5:00 and on Wednesday evenings from 6:00 to 9:00 p.m.

## Gets High Score In National Test

Dean Sicking of Muenster High School, son of Mr. and Mrs. Leo Sicking, has been named a commended student in the merit program of the National Merit Scholarship Society, according to a report received this week by Principal C. O. Cash.

He is one of 35,000 students named nationwide on the basis of high performance in the 1974 preliminary scholastic aptitude test of National Merit Scholarship test. Commended students are less than two per cent of those expected to graduate in 1976.

Although commended students ranked high in the preliminary test they do not continue in the merit scholarship competition because their scores were just below those of 15,000 semifinalists.

## Attend Fair and Baptism in Dallas

Mr. and Mrs. Tony Felderhoff and Mr. and Mrs. Alvin Hartman spent a busy weekend seeing the State Fair in Dallas Saturday, where they also attended the State Fair Musical and on Sunday were guests of the Charles Felderhoff family for the baptism of their baby daughter.

At 2 p.m. Cecilia Theresa was baptized in St. Patrick's Church. Mrs. Hartman, an aunt and Larry Dittlinger of Houston an uncle, were baptismal sponsors. Mr. and Mrs. Larry Dittlinger were weekend guests in the Felderhoff home in Dallas, and when they returned home, were accompanied by Mr. and Mrs. Lawrence Dittlinger, the baby's maternal grandparents who completed a three week visit with their daughter and family.

Attending the baptism were the Grandparents Dittlinger and Felderhoff, the Alvin Hartmans, the Larry Dittlingers, the parents and the new little baby girl's brothers Chad and Larry. Following the ceremony the baby's parents were party hosts when a christening cake and coffee were served to the guests.

### Muenster Native Dies in Oklahoma

Funeral service for John Flies, 79, a native of Muenster, was held Monday, Oct. 6, at St. Matthews Church, Elk City, Okla., with Father Kevin Devlin officiating, and burial was in the Holy Family Cemetery of Canute, Okla. Victor Sicking was one of the pallbearers.

Mr. Flies was a brother of the late Mrs. Gus Sicking. He moved from Muenster more than 60 years ago.

Survivors are his wife, Angeline, three daughters, one son, 25 grandchildren and five great grandchildren.

Among those attending the funeral are Mr. and Mrs. Victor Sicking and La Nell, Mr. and Mrs. Louis Sicking, Mrs. Pete Koelzer, and Mrs. Andrew Hacker of Muenster; Mr. and Mrs. Leo Prescher and Mrs. Marie Ford of Valley View; Mr. and Mrs. Pete Prescher of Gainesville; and Mrs. Cecil Perryman of Forestburg.

### Tiger Cubs Beat Valley View 10-6

Sacred Heart's Cubs dominated the action but barely came out with the better score Tuesday night at Valley View. Except at the start when the Little Eagles made their TD, Valley View had possession for only six more series of downs. First downs were 8 for Sacred Heart and three for Valley View. The score was 10-6.

The hosting kids started the game with two big plays a sweep around left end for 18 and two plays later a screen pass for 47 to the goal line. The PAT attempt failed.

The Cubs responded with Ken Hartman's 25 yard kick return plus a 36 yard drive to the 9 before fumbling the ball away. Four plays later Mark Nasche blocked a kick and the Cubs continued their drive from the 22. A pass from Craig Walterscheid to Hartman gained to the 9, Nasche made 8 in two tries and Hartman sneaked over for the last yard. Nasche's run upped the score to 8-6.

Valley View followed with a 19 yard gain on a pass and lost possession the next play on Mark Felderhoff's interception and 20 yard run-back.

The second half consisted of a Cub drive almost all the way with two short interruptions on a fumble and later an interception which was followed promptly by Hartman's interception. The drive went for 84 yards and fizzled out 6 inches from the line. On the next play Ted Walterscheid, Mel Walterscheid and John Hartman combined to trap the Eagle quarterback behind the goal for a safety.

### Hornets - - -

got to Frisco's 45. Next Wolf hit Mike Davidson in the clear and he went all the way. Danny Endres upped the count to 14-6 as the clock read 11:42 in the fourth.

Frisco had to kick on its first series and MHS was on its 41, and a penalty cost 15 to the 26. Next two plays were passes to Mark L. Sicking and Dan Endres for 13 and 12. Then Mark W. Sicking got 14 and 5 in two runs and Wolf heaved one to Davidson who just managed to keep in bounds going over the goal line, after a Frisco defender tried to push him out. The gain was good for 30. Another good kick by Endres made the score 21-6 (as the clock read 9:16).

Frisco started a comeback that was good for two first downs before John Eckart and Ken Koelzer set the Coons back 12 and 5. Frisco kicked and Muenster on its attempt to kick was smeared for a 15 yard loss to the Hornet 25. Three plays later Nick Walterscheid intercepted on the Hornet 5, and four plays after that Muenster kicked to the 38. Next Tim Wolf got an interception, Muenster made a first down and Frisco intercepted. A clip penalty on that play moved the Coons back to the 15, after which a big defensive play by Terry Lewis had the Coons back to the 4 as time ran out.

ever, is that the hostile attitude caused by forced busing impairs the student's learning.

Neither can busing be justified on the basis of desegregation. According to the Little Rock decree, the Civil Rights people have gone too far. The order said that it is not constitutional to keep the races segregated. But it did not say that they must be forcibly mixed. Even though some people use the words interchangeably there is a difference involving freedom of choice. It would have been okay to tell students they may transfer to another school if they wish, but saying they have to violates their freedom.

Sixth Grade Tours Enterprise  
Twenty five sixth graders from Sacred Heart School toured the Enterprise last week Wednesday, accompanied by their teacher, Sr. Camille, Mrs. Ray Walterscheid and Mrs. Leo Hesse. Alvin Hartman explained news composition, type setting, mechanical and press work, folding and mailing. The field trip by the sixth grade completed a science project and study of this community's industries.
