

Dr. George S. Benson in his syndicated column "Looking Ahead" suggests that the time is past due for the US Congress to put on a house cleaning of its own organization. He recalls that before the travel expense frauds and sex scandals came to light the American people already held their elected representatives in very low esteem. In fact the popularity of Congress was lower than the popularity of Nixon in his dark hours of resignation.

That popularity plunged still lower as a result of the immorality and dishonesty revealed in recent stories from the capital city. More and more of the American public demands to know why it has to tolerate people of such shabby character in the assembly which determines the laws for us to live by. Are these people really worthy to guide our destiny?

Members of congress, whose first job is to give us good representation, ought to realize that official responsibility cannot be entrusted safely to the dishonest and immoral. Such persons are poor risks on their own qualification and poorer when confronted by unscrupulous operators. Their votes can be controlled by blackmail and they are prone to do as told rather than risk exposure.

Another point that the Congressional Cleans ought to think about is public reaction to the fact that the need of a clean-up was seen so long ago but nothing gets done about it. What's the reason for the foot dragging? Is it because congressmen just get adjusted to living with the unsavory characters? Or is it because so many have secrets of their own and prefer not to get a probe going?

Regardless of the inaction and reasons behind it, there is profound irony in the shabby mess. Here were representatives who cheated by double billing their expenses and some who were having sex affairs, who sanctimoniously passed judgment on Nixon and his Watergate associates. And certain politicians continue hammering on the subject. They say the GOP is corrupt because of the Watergate scandal and try to make it a campaign issue.

Well, by way of measuring the comparative gravity of sins, it can be recalled that a group of bungling burglars got caught trying to steal some political secrets. Spying is a practice common to both parties, and one can rightfully doubt that procedure was always legal up to Watergate.

Furthermore, covering up is common to both parties, and most of us can recall scandal reports that were quickly suppressed. In effect Watergate was not new nor big but it was developed into a major scandal by opportunistic political enemies, some of whom had worse crimes on their own consciences.

Deep in our hearts most of us still agree that the ten commandments are right in forbidding adultery and stealing. And we fully believe they are more serious than the Watergate mischief. Since Democrats seek to make an issue of the subject, the Republicans ought to accept the challenge by really emphasizing—

Daniel Fette Gets A&M's DMS Rating

COLLEGE STATION — Daniel H. Fette of Muenster has been named a Distinguished Military Student at Texas A&M University.

Selection to the Army ROTC listing indicates a cadet has qualities the U. S. Army desires in its officer corps.

Seniors chosen for DMS may become Distinguished Military Graduates and eligible to apply for Regular Army commissions upon graduation.

To be considered, cadets must rank in the top half of their academic class, to upper third of their military science class and upper third of merit order. The latter includes all leadership and peer ratings in Texas A&M's Corps of Cadets and at summer field training.

Col. Tom Parsons, professor of military science, announced 24 DMS designates.

Fette, who majors in English, is the son of Mr. and Mrs. R. N. Fette.

Steve Moster, center, receives the John Campanius Holm weather observer award from Jeter Pruett, meteorologist of the Fort Worth weather forecast office. With them is Bob Manning, also of the weather service office.

Moster Gets Award from National Weather Service

For 29 years of outstanding service as a volunteer observer, recorder and reporter of the National Weather Service, Steve Moster received the John Campanius Holm award at the Muenster Chamber of Commerce luncheon meeting

Tigers Favored in Meeting Friday With S&S Rams

The outlook is bright for Sacred Heart's Tigers as they prepare for their game at Sadler-Southmayd Friday night.

According to Coach Eddie Stock all of the signs are good. The boys improved wonderfully since their first game as indicated last week by their easy win over Alvord. Specially gratifying was a great improvement in blocking, which enabled SH to gain consistently. More good news is a good combination of backfield talent since a shuffle of the lineup. Meanwhile the line is doing well and hopefully will be further strengthened in the current effort to get the right player in each position. Other encouragement derives from such factors as more offensive formations and 100 per cent physical condition of the team.

The Rams, on the other hand, are having troubles. They lost the opener 13-0 to Callisburg and the second game 14-0 to Aubrey. They were held to low yardage in both games but they looked better defensively in holding each team to two TDs. It's a rebuilding team after heavy losses by graduation from last year's team.

Tigers Take Bulldogs 27-6

By a convincing score of 27-6 Sacred Heart's Tigers mauled Alvord's Bulldogs on the SH field Friday night. They took control promptly after the kickoff with a 62 yard scoring drive that was briefly interrupted when Craig Sangster's 55 yard touchdown was spoiled by a clipping penalty.

The game was Sangster's second big one of the short season. He gained 102 yards in the first game and 138 in the second.

From the 19 after the clip penalty, the Tigers used five plays to get on the board. Bob Grewing scooted 2 yards through a big hole cleared by George Luke and Joe Bartush. A field goal by Kenny Felderhoff upped the score to 7-0. Sacred Heart was in command almost all the way. Along with the scoreboard lead, they were ahead 9-5 in first downs and 217 to 77 in total yardage. Bulldogs had a

Barber Shop Has New Management

As of Tuesday, Tom and Jerry's Barber Shop is under new management. It has been leased by Clyde Andrews of Gainesville, who promptly took charge of the operation.

Andrews comes to Muenster with some 20 years of experience in both old and new hair styles. He has given the traditional haircuts and he has styled for both men and women, including use of layer and razor cuts. He invites everybody to come and give him a try.

Tommy Herr and Jerry Wimmer are checking out after more than 14 years on the job in order to spend full time with another interest, the TJR Amusement Company, which places and services coin operated vending and amusement machines in a wide area of North Texas.

In leaving the shop they extend sincere thanks for past business and ask their patrons to keep coming.

Final Rites Held In Mississippi for Wenzel Muck, 91

Funeral services were held for Wenzel Muck on Monday, September 13 in St. Richard's Catholic Church in Jackson, Mississippi. He died suddenly Friday, September 10, at 8:30 p.m. in Crossgate Manor Nursing Home of Jackson and interment was in Jackson Memorial Gardens in the Garden of Everlasting Life.

He was born in Germany and came to America at age 17 and would have observed his 92nd birthday on October 9. He was a brother of the late Mrs. Joseph Dangelmayr and Mrs. Joe Lutkenhaus.

Affectionately known as "Hamburger Joe", Mr. Muck, a former resident of Muenster, moved to Jackson 5 years ago to be near his daughter, Mrs. Clovis Lewis (Pauline) and family. Their address is: P.O. Box 12152, Jackson, Mississippi 39211.

Other survivors are 10 grandchildren, Mrs. Billie L. Banes, Mrs. James R. Willis, Mrs. Kendall Harris, Mrs. Jerry L. Jantz, Miss Joyce Lewis, C. Mike Lewis, Mark, Richard, Victor and Patrick Lewis.

Visiting Mr. Muck on Friday afternoon, September 10, were Mr. and Mrs. Tony Felderhoff who made the trip especially to see her uncle.

PP&K Contest Booked Saturday

Youngsters participating in this year's Punt, Pass and Kick competition will have their show-down Saturday morning, Sept. 18, at 9 a.m. on the MHS football field.

The event is sponsored jointly by Endres Motor Co. and the Muenster Jaycees, and the contest is conducted by the Jaycees.

Registrations for entry have been accepted for more than a week by Endres Motor Company, and more will be accepted up to the time of the contest. Eligible boys are encouraged to report at Endres Motor Co. through Friday or at the football field early Saturday, and to have a parent or guardian along to sign the application.

Competition is held in six age levels, 8 through 13, and the first three of each level will receive awards. Also, No. 1 winners advance to a higher stage of the nation-wide contest which progresses through local, zone, district, area and division to the national contest.

Adult Education Classes Offered

Applicants for an Adult Education Class will meet Monday, September 20 at 7 p.m. in the Muenster Public Library. The classes are open to anyone not holding a high school diploma and everyone who is interested in obtaining a high school diploma is welcome to attend the meeting. The supervisor is Mrs. Dorothy Pasqua and the instructor is Mrs. Marie Mosman.

"Education is a wonderful thing; it helps you discover more things to worry about."

Jenny Felderhoff Wins in National Poetry Contest

National Headquarters of Catholic Daughters of America has announced winners of the CDA sponsored Poetry Contest in which Jenny Felderhoff, daughter of Mr. and Mrs. Joe Felderhoff won third place on the national level in Division I, grades 4-6. Her entry had previously won second place in the state contest, as announced last May.

Theme of the contest was "Our Catholic Heritage". It is sponsored annually by Catholic Daughters of America and the local Court St. Mary, No. 249 has a record of long-standing participation. This is the first time an entry has won national recognition.

Jenny won \$15 as a second place state winner and will receive a \$25 check during a school assembly, presented by Dorothy Bengfort, CDA Regent, Mrs. Lucille Lutkenhaus made the announcement and presented the check at the September CDA meeting.

Another local winner at the state level was Cheryl Luke, who won first place in Division I, Essay Contest, for grades 9-12. Her prize was \$25. Presentation of her award was made during the All Awards Banquet for Sacred Heart High Students in May. Cheryl is the daughter of Mr. and Mrs. Dan Luke.

Miss Felderhoff's poem follows.

Our Catholic Heritage
Our Catholic heritage has made this nation great . . . Priests and nuns have taught and preached the Faith . . . Priests who taught the Indians how to pray . . . And helped them to build missions out of clay.

Nuns who started schools and nursed the poor . . . Planted seeds of faith that still endure . . . Even holy laymen helped the cause . . . By living the Gospel and obeying God's laws.

Hornets 58, Valley View 8

MHS Hornets went on a scoring spree at Valley View last week smashing the out-weighted and outclassed Eagles 58-8. They did about as they pleased, in addition to reaping the benefits of their opponents' mistakes. Two set ups resulted from bad passes to the VV punter and another from a fumble inside the 20.

Speedster Mark Sicking had a specially big night scoring five of Muenster's eight touchdowns. And Nick Walterscheid did fine as a kicker. Along with ten points he had nine long kickoffs, some over the goal line.

In exchanges, too, the game was a refreshing change from the week before. This time a fumble and an interception favored the Hornets and one interception went against them.

Quarterback Jeff Windle made a good start for the Eagles by making a first down in the first series with a pair of keeper plays, but the next series lost 4 yards as Hornet defense took over. Following the fourth down kick MHS was 45 steps away. Runs by Mark Mollenkopf and Mark and Bryan Sicking got to the 23 where Mark Sicking broke away for the first TD. Nick Walterscheid's kick added a point.

After the next kickoff Hornet defense was solid again but the Eagles had the ball back three plays later on an interception by Jim Meyers. Ending the next series Valley View had its first disaster on a punt situation. The center's snap sailed over Meyers' head and the Hornets took

Losses of Energy Dollar Enumerated by TP&L Man

The question "Where does your energy dollar go?" was answered extensively Tuesday by Irby Smith of Texas Power and Light Company speaking at the monthly meeting of the Chamber of Commerce.

The speaker told not only what percentages of the total service are required for specific uses but also the principal ways in which the electricity is wasted.

He started by stating that energy resources are dwindling while demand is going up, so it is more urgent than ever to get the most benefit from the service. And the urgency is increased by the fact that cost is higher, so our dollar losses are greater.

Principal costs were identified as air conditioning in the summer . . . using 45 per cent . . . and air and water heating in the winter . . . using 65 per cent. First advice was not to over-cool or over-heat, pointing out that the cost of the excessive degrees runs higher than the others. Suggested thermostat setting is 70 or lower in the winter,

78 or higher in the summer. Regarding cooling he explained that an 80 setting with air circulation is as comfortable as 78 without, and it costs less because the fan uses less current than the compressor.

Also suggested was a higher setting if one is gone for several hours during the day or cutting off the unit completely if gone for two days or more.

Next considered were leaks of cooling or heating. Dirty filters are very common offenders because they retard the flow of warm or cool air. The speaker urgently suggested a monthly change of filter. Neglecting it costs in retarded circulation plus a possible build up of lint and dirt on the unit's coil, which further retards circulation and may require an expensive service job. A good rule is to check the filter when the bill goes up.

Cracks at doors or windows are obvious leaks allowing cool or warm air to get away. They can be corrected by caulking and weather stripping. Leaks are also possible through walls and windows by absorbing heat or coolness and radiating it to the outside. Nowadays insulation has reduced the loss through walls but double windows are still rather scarce. However use of the double window is increasing as people learn that they eliminate 50 per cent of heat loss.

Keeping coils clean is another important matter. Removing grass clippings or trash from the outside condenser coil or lint from the inside coil . . . or from the refrigerator coil . . . allows all of those units to run more efficiently. A vacuum cleaner can do the job inside. Outside the water hose can do it . . . but see first that the unit is disconnected. Another handicap to the outside condenser is allowing shrubs or tall grass too close. It needs a free flow of air.

The fireplace, a favorite feature of many homes was named the robber of energy. Designed to remove smoke by heat it has to send much of its own heat through the chimney. Besides, the smoke removal process requires a draft in which already heated air

Hornets Tangle Here Friday with Tough Tom Bean

Muenster Hornets, after one disappointment and one run-way, have their work cut out for them Friday night when the rugged Tom Cats of Tom Bean invade the MHS field. It's the team which lost 22-0 last week to Sanger. Holding this year's super-power Indians to only three touchdowns can be rated as a major achievement.

Other relevant information reaching Coach Don Jones this week is that the visitors are a match for the Hornets in size and that they have a versatile offense with fair passing and a variety of running plays. Defense likewise is described as good.

On the other hand the Hornets also have potential. They allowed very skimpy rushing yardage last week to the Valley View Eagles and ran wild on their offense. However they were less impressive in the passing game, both offensively and defensively. They completed only one and permitted the Eagles to complete three, one for a touchdown. Practice in that department was a feature of this week's workouts.

However two good signs are showing for MHS. Enthusiasm is high and physical condition is good. The boys came through without an injury last week.

Hospital Auxiliary Meeting

A program on the La Leche League will be presented by Mrs. Trudy White of Gainesville for the Hospital Auxiliary meeting today, Thursday, September 16 at 8 p.m. in the hospital meeting room. Mrs. White will show a film, lead a discussion and conduct a question and answer session.

Queen Candidates For Homecoming Nominated at MHS

Four senior candidates for Homecoming Queen at Muenster High School were nominated Wednesday by their classmates. Also selected were representatives of the junior, sophomore, and freshman classes who will be princesses in the Queen's Court. In secret ballot, the football team will choose the Homecoming Queen from among the four senior nominees. Her name will be announced at half-time ceremonies on September 24.

Named Wednesday were seniors: Doris Clark, Tracey Klement, Judy Fisher and Tina Mollenkopf.

Representing underclassmen will be junior Robyn Richey, sophomore Jeanie Haverkamp and freshman Lou Dyer.

Escorts will be Danny Endres, Andy Serna, Mike Davidson, Mark L. Sicking, Damian Luke, Johnny Eckart and Craig Richey.

A parade from downtown will precede the game with Chico. In half-time ceremonies the crown will be presented by the 1975 Homecoming Queen Kenya Hale, escorted by Bob Endres. Also to be honored at that time are the Homecoming Queen of 1956, Mrs. Richard Syverson the former Gretchen Hellman, and the Homecoming Queen of 1966 Mrs. Larry Gobble, the former Peggy Hellman.

Muenster Juniors Lose Two Games To Nocona Kids

Nocona juniors took both of a pair of games with the Muenster youngsters last Thursday night. With superior size and skill they easily dominated the junior high tussle for a 34-6 victory. But the second was hotly contested all the way and the visiting kids were 7-6 winners.

It was all Nocona for more

than three quarters of the first game. Then Muenster put on a steady drive of about 70 yards, which ended in a sweep around right end by Quarterback Larry Wolfenbarger for 15 yards to the goal line.

The second game was as close as the score in total yardage . . . 162 for Muenster and 151 for the visitors. However there were other factors. Two runs, 25 and 71 yards, accounted for most of the Nocona distance. In the rest of

the game Muenster had the upper hand leading 11-4 in first downs and 104-36 in passing. Hornets completed 8 of 22, Indians 3 of 11.

Also there's an item that does not show in the stats. Muenster's biggest play was a 48 yard gallop by Dittfurth who caught a fumble in the air and took off. He was brought down on the 27. Fourth play after that Wolf completed a pass to Richey at the 6 and four more plays later the same pair completed another for a TD. A pass for bonus points failed and the visitors remained ahead by a point.

Nocona's score came in the third period on the 71 yard gallop and the winning point was on the kick after TD.

Less than a minute remained when the Hornets scored, but lots of action was still coming. An on-side kick-off succeeded as Serna pounced on the ball on Nocona's 45. Next play was a pass, Wolf to Serna, for 26 to the 19. Then an incomplete pass followed by an interception with only 7 seconds left on the clock.

Drill Team Shines At Halftime Show Of Tiger Football

Adding half-time color and interest to SHH football games is the 50 member Sacred Heart Drill Team. They have presented excellent performances at the first two games of the Tiger season, showing good timing, good rhythm and pleasing appearance with attractive new uniforms.

On September 3 they performed to a recording of "Love Really Hurts Without YOU". On September 10 they performed to "Don't Go Breakin' My Heart."

They work out their own routines, do all the planning and practicing on their own initiative with no adult moderator.

Their officers are Stacie Walterscheid captain, Marlene Pagel co-captain, Dina Rohmer 1st Lieutenant, Tina Richards 2nd lieutenant, Elizabeth Kralicke drummer. Squad captains are Tina Wilde, Mary Hoedebeck, Elizabeth Kralicke and Sandy Voth.

Doyle Albers Does Outstanding Job as Geology Student

Doyle Albers, son of former residents Mr. and Mrs. Clarence Albers, now living in Lewisville, has distinguished himself during the past two years as a student in the field of geology.

He received a BA degree in geology from West Georgia College this year. During junior and senior years at WGC he was assistant to Dr. Eric Eslinger, professor of geology and worked with him on a project analyzing the mineral composition of core samples from the earth's crust taken during deep oceanic explorations.

Cumulative with that project he assisted Dr. Eslinger in construction of an oxygen isotope extraction line for the study of changes in the atomic structure of oxygen at various temperatures and pressures within the earth. This basic research is important in the study of conditions that exist in the formation of petroleum deposits.

Albers' interest and dedication to geology was further expressed in his senior year in a technical paper based on his independent research. It was presented to the WGC geology department and has since been accepted for publication in a national geology journal.

Albers will continue his geology study at the University of Idaho pursuant to a master degree in geology.

**2 Couples Visit
Archer County Kin**

Mr. and Mrs. James Krahl and children of Gainesville accompanied by her parents Mr. and Mrs. Hugo Lutkenhaus spent Sunday visiting first in Windthorst and later in Scotland, where they viewed the home place where James was born. They saw the homes of other relatives and visited with cousins, the Tommy Schreiber family, and James' godfather and uncle Arthur Miller who was spending the day with his daughter, Mrs. Schreiber. Mr. Miller is a resident of an Archer City Rest Home and spends Sun-

days with the Schreiber family. The Krahls and Lutkenhaus also visited St. Boniface Church and Cemetery in Scotland where two of James' brothers are buried. On the way home they stopped in Wichita Falls for a visit with Mrs. Chris Jensen, a sister of Mrs. Lutkenhaus and enjoyed taking her out to dinner. After returning her to her home, they visited Mr. and Mrs. Roy Plumlee (another sister). The Krahl children, their parents and grandparents took advantage of a long, beautiful autumn day to visit relatives, drive and go sightseeing.

**Diocesan Board of
NCCW Has Meeting**

The diocesan board of the National Council of Catholic Women held the final planning session in Muenster Monday to complete plans for the diocesan convention to be held in Muenster Thursday, October 14.

Nineteen women attended from the four deaneries of the diocese. Muenster was represented by Mmes. Al Hess, Paul Fisher and Bill Lutkenhaus.

Prior to the opening session of the October 14 convention, ladies of Sacred Heart Parish will host a coffee, 9-10 a.m. at the Community Center. Further plans will be announced at a later date.

**Family Gathers
At Gehrig Home**

Mrs. Julian Walterscheid was the surprise honoree at a birthday observance in the home of her mother, Mrs. George Gehrig, Sunday evening. A turkey dinner was served to Messrs. and Mmes. Joe Bedolla of McKinney, Mike Fuhrmann, Matt Muller, Jim Gehrig and family, Julian Walterscheid and family and Miss Monica Gehrig and the hostess.

There were birthday gifts for the honoree, card games, picture taking, visiting and home made ice cream for refreshments.

Gehrig Baptism

Michael Dean Gehrig, infant son of Mr. and Mrs. Jim Gehrig was baptized in Sacred Heart Church Sunday at 2 p.m. Father Stephen Eckart officiated. God-parents were Mr. and Mrs. Joe Bedolla of McKinney. Preceding the baptism, the baby's grandmother, Mrs. George Gehrig, assisted by her daughter, Monica hosted a noon dinner. Guests were the baby's great-grandparents Mr. and Mrs. Matt Muller of Muenster and Mrs. William Sandmann of Lindsay, the maternal grandparents, Mr. and Mrs. Herman Stoffels and family, the Joe Bedollas and Mr. and Mrs. Jim Gehrig and family. Following the dinner, the group of relatives attended the christening services in Sacred Heart Church.

Mr. and Mrs. Tony Felderhoff have returned from a vacation trip to Arkansas and Mississippi. They visited with his sisters, Sister Lutgardis Felderhoff in Hot Springs and Sisters Mildred and Amora Felderhoff in Jonesboro and on the return trip with their son Charles and his family in Dallas.

Mr. and Mrs. Jerry Garland of Hurst spent Monday with his parents, Mr. and Mrs. O. D. Garland

YOU CAN BANK ON IT!

The safety deposit box is the most fireproof and burglarproof storage available for valuables and important papers.

You should have one — rented at a nominal annual cost — to protect those documents that cannot be replaced or would be difficult to replace because of a fire or theft.

You should keep in your safety box: birth certificates, adoption papers, marriage certificate or other papers needed to qualify for Social Security benefits; military records, such as discharge papers, medical files, passports; deeds to property owned separately or jointly, including abstracts or title insurance policies; original, signed copies of your wills mortgages installment contracts, security agreements and other information regarding debts you may have paid within the past 10 years.

Also, titles to autos, trucks, trailers, boats; United States Savings Bonds; stocks and bond certificates; an inventory of your household goods and personal property, which can be invaluable in case of fire or theft.

Leader Training Extravaganza Set On 4-H Programs

Adult and junior 4-H leaders from Cooke County are invited to participate in a district leader training extravaganza, October 2 at the Texas A&M University Center at Dallas. The purpose is to present new ideas and methods for working with 4-H members, and to provide District IV leaders an opportunity to exchange ideas.

Workshops will be offered on Organizational Leaders, Foods and Nutrition, Horse (including horse judging), Poultry Project, Method Demonstration, Hunter Safety, Beef, Sheep, Swine, and TEPE (Teens Explore Parent Education). The workshops, which were planned by the District Leaders Association, will be coordinated by county extension agents from District IV.

Registration for the training sessions must be submitted by September 24. Call 665-4931 to leave your name for a workshop.

13-A V'Ball Will Have Two Zones And Title Playoff

Volley ball in district 13-A this year consists of three play-offs, according to Faye Hamric, coach of the Muenster Hornets.

In the first stage Muenster and Callisburg compete for the east zone title while Holiday and Petrolia compete for the west zone title. And the two winners will play for the district trophy. The arrangement was made to avoid the long drives of a double round robin schedule. This way there will be only one long drive for each of the play-off teams.

The MHS girls will have their opener at Callisburg Sept. 28 and play the second game here on Oct. 5. Play-off dates will be set for the two succeeding weeks. In the meantime they will practice with other schools of the area.

In their first practice Tuesday night the Muenster girls divided a pair of matches with Nocona. Hornette varsity won 15-12 and 15-11; junior varsity lost 16-14 and 15-5.

Members of the team are Sue Moster, Connie Flusche, Clara Knabe, Thelma Lewis, Shirley Monday, Sandy Schneider, Lisa Trubenbach, Barbara Walterscheid, Brenda Walterscheid, Robin Walterscheid, Sherry Wolf, Julia Bright, Nita Browning, Toni Dittfurth, Linda Endres, Cathy Flusche, Janel Lutkenhaus, Carla Otto, Wanda Schneider, Beverly Trubenbach, Judy Walterscheid and Karen Walterscheid.

Reception to Mark National CDA Day

A reception for new members at the evening Mass of Sunday, October 17 and a social hour following were planned during the Catholic Daughters of America meeting last week Thursday. Mmes. Arnold Knabe, Harold Knabe and Tony Hess were appointed to the planning committee. Prospective members may call Mrs. Steve Moster or Mrs. John Mosman. The event will mark National Catholic Daughters of America Day.

Regent, Mrs. Bill Lutkenhaus conducted the meeting and read a letter from National Headquarters notifying the court that Jenny Felderhoff was a third place winner in the National CDA Poetry contest.

Mrs. Paul Fisher told about the diocesan NCCW convention to be held in Muenster on October 14, beginning at 9 a.m. and requested that CDA members assist in preparation of noon lunches for delegates.

Members voted a \$100 donation to Muenster Public Library. Mrs. Steve Moster gave a library report and listed books bought with the 1975 contribution, including a Bicentennial History of America.

An invitation was received from St. Bernard's Parish, to a tea honoring new State Regent Margaret Hosty, former District Deputy, on Sunday, September 19. All CDA members interested in attending may phone Mrs. Tony Hess.

The local court will sponsor riders in the Bike-a-thon benefiting St. Jude's Hospital. CDA members and their families may phone Mrs. W. J. Miller for more information. Mrs. Leon Fleitman showed a film on care of young patients at St. Jude's of Memphis, Tennessee.

Newly elected District Deputy Dorothy Bengfort of District 4 was presented to the members. She succeeds Mrs. Anna Chancellor of Wichita Falls, who recently retired after holding the office for 8 years. Dorothy Bengfort has been a member of Court St. Mary, Muenster for 8 years and has served as treasurer, regent for 2 years and is now serving a 2 year term as vice regent. She is a teacher at Sacred Heart School.

Bluebonnet Club Finishes Calendar Of HD Activity

During the Bluebonnet Home Demonstration Club's September meeting, members selected programs for the year, completed year books and assigned hostess duties.

Monica Hess, the new president, conducted the business meeting. Plans were made to set up a rest stop on Sunday, September 26, to assist the Bicyclers in the St. Jude Hospital Benefit Bike-a-thon. Members will take responsibility for the rest stop near the Albert Zimmerer home.

Next month's meeting will be in Betty Rose Walterscheid's home with Evelyn Yeatts presenting the program.

Twelve members attended the meeting in Sharon Wolf's home. The hostess served a dessert plate and cold drinks.

4-H Poster Contest Set

Say it with a poster! The 4-H Poster Contest gives youth a chance to express what 4-H is and does.

Youth must be currently enrolled as a 4-H member. Posters must be 14" x 22" and may be horizontal or vertical. They may be produced by any medium — watercolor, ink, crayon, acrylic, charcoal, oils or collage — so long as they are not 3-dimensional. Posters incorporating copyrighted material, like the cartoon character "Peanuts" will NOT be accepted.

The 4-H member's name, age, and full address must be on the back of the poster in the upper left-hand corner. All entries will be displayed in the County Courthouse September 27-October 1. They may be picked up the afternoon of October 1, for local display during National 4-H Week.

Posters are due in the County Extension Office by September 24. Only one entry per member is allowed. For additional information call 665-4931.

Teachers Attend Meeting in Dallas

Eight teachers of Sacred Heart School attended a Discipline II conference for elementary and secondary educators and guidance personnel, held Friday evening and Saturday September 10 and 11 at North Park Inn, Dallas.

The conference was presented by Dr. William Glaser and the staff of his Educator Training Center of Los Angeles, Calif., composed of experienced educators who know the day-to-day problems of schools. For the past 7 years, the Center has conducted graduate-level seminars, workshops and conferences throughout the United States.

The techniques and processes developed in working with over 80,000 teachers have provided skills and inspiration to thousands of educators and have generated new insights into the development of responsible behavior on the part of students at both the elementary and secondary level.

Attending the conference and workshops were Charles Smith, Anna Hermes, Connie Bezner, Josephine English, Rebecca Amyx, Sister Alberta, Sister Patricia Ann and Sister Camille.

Reunion Held by H. Fette Families

Descendants of the late Mr. and Mrs. Henry Fette re-united Sunday at Muenster City Park. The covered dish dinner at noon was attended by the Jerry Fettes and Jerry Ray of Waco, the Jim Fettes of Dallas, the Milton Fettes and twin sons of Carrollton, the Mark Voths of Arlington, the Lloyd Klements and children of Richardson, the Jim O'Briens and sons of Irving, the David Fettes of Belton, the Joe Kindigers of Irving, the Bob Voths and daughter of Gainesville.

Joining them were the Joe Voths and Joanie the Jim Voths and children, the Herb Fettes and son, the Gerry Hess family, the Robert Russell family, the R. N. Fette family and Miss Jeanie Haverkamp all of Muenster. Special guest was an aunt, Mrs. C. J. Fette.

Tigers

run for bonus points was short. The score was 14-6 with 10:40 remaining on the clock. Shortly after that Danny Stock sacked the quarterback on an attempted fourth down pass and the Tigers were 60 yards away. On the next play Sangster got around left end and outran defenders to the goal line. Ken Felderhoff's kick added a point. The score was 21-6 with 8:45 still remaining.

An interception by Joe Sicking gave SH another start from the Alford 41 but a fouled up second series ended in a punt setting the Bulldogs back to their 7.

Three plays later SH got its final TD on a play that was great as a conversation topic. A lateral pass deflected from a Bulldog's shoulder and Angelo Nasche happened to be in the right place at the right time to make a shoestring interception and scoot some 8 yards to the goal before hardy anyone knew what happened. The PAT attempt failed leaving the score at 27-6.

Mr. and Mrs. Chris Hammond of New York were guests of her parents, the Lou Wolfs Thursday through Monday, Sept. 9-13. Returning home they were accompanied by their son, Steven, who spent the past month here with his grandparents.

Surprising Mrs. Pill Kathman with a Sunday visit for her September 9 birthday were Mr. and Mrs. W. S. Insel and Eddie of Gainesville, Mr. and Mrs. Stan Wylie and Johnny of Grand Prairie and Mr. and Mrs. John Humberston of Fort Worth. Mines Insel and Wylie are daughters of Mrs. Kathman and Mrs. Humberston is a granddaughter.

Visitors at Hillcrest Manor Sunday with Mrs. Nellie Deering were her son Clyde and his sons C. W. and Robert of Chico. They also visited their father and grandfather John Deering at Myra.

Mrs. W. H. Patterson (Nona) of Muenster is a surgical patient at Sherman Community Hospital. Surgery was performed Friday, September 10. Cards will reach her addressed to the hospital Sherman, Texas 75090.

Perryman Cemetery Benefit
There will be a fund raising supper for the Perryman cemetery Friday evening, Sept. 24 at the Forestburg Community Center. This will be a come and go affair and serving will start at 6 p.m. Charges are \$2.00 for adults and \$1.00 for children under 12.

I always like to comment on the weather around here for the benefit of the out of area readers. We are having a most pleasant weather here after a 2½ inch rain last week.

I recently commented if young Keith Dill ever wondered what his dad Charles looked like under all that hair and beard. Well, last week dad Charles shaved off his beard, cut his hair and trimmed his mustache. It was reported that little Keith really drew back and looked over his new father. It is remarkable how a shave and a haircut can improve the looks of these young men — and some of the older dudes too.

Mr. and Mrs. Willie Orrell sends word that their daughter, Mrs. Norman Morby is teaching school in Childress in the Special Education field. Norma visited her parents on Sept. 4 with her two daughters, Saretta and the Russell Nunnelys of Wichita Falls.

There were a number of out-of-town visitors in the area for the Labor Day weekend:

Mrs. Catherine Payne of Haltom City visited Mrs. Laura Bell Jackson on Friday the 3rd.

The Vern Starnes of Aubrey spent Sept. 2nd visiting the Howard Sockwells.

The Ken McKinney family of Burleson visited her parents, the Bert Galmors and also her sister and family, the Willie Shults.

Mrs. Peggy Harp of Oklahoma visited her parents for several days. She is the daughter of the John T. Willis.

Mr. and Mrs. Chuckie Scott and family visited her parents the Cecil Fosters from the 3rd thru the 5th.

Charles Sessums of Myrtle Springs visited Mrs. Lula Sessums Sunday the 5th.

Mrs. Jeanette Montgomery of Greenwood visited her mother Mrs. Cleo Lanier on the 5th.

The Homer Jacksons and boys of Bowie visited her parents the Calvin Green-Woodrow Sirmans on the 5th.

woods' on the 5th.

The Grady Reynolds of Grapevine visited with the Bennet Reynolds and the Mr. and Mrs. Ben Matlock and family of Fort Worth, the Jackie Don Freemans' and Mrs. Helen Freeman all of Alvord visited in the Joe Hunt home on Sunday.

Mr. and Mrs. Conrad Zuschlag and son John along with their daughter and husband the Ray Fischers' all of New Braunfels visited in the home of Mrs. Zuschlag's brother the Ross Littell of Stoney Point from Sept. 4-Sept. 5.

Mrs. Cona Freeman of Bowie and the Rex Millers and family of Arlington visited in the Willard Freeman home on Sunday, Sept. 5th.

Mrs. Louise Covington returned home Sept. 11 after undergoing major surgery at the Muenster hospital. She is doing very well considering the seriousness of her illness.

Clive Gobble Is Weekend Visitor

Relatives, friends and neighbors of the Clive Gobbles were delighted to hear that he would be able to spend several days at home during the past weekend. A patient at Oak Tree Lodge Nursing Home in Gainesville, Mr. Gobble came to join the family gathering when Mrs. Gobble's brother and wife, Mr. and Mrs. Woddy Bagwell of Carmichael, California, were visiting here.

Other guests were the Gobbles' nephew and wife, Mr. and Mrs. Wayne Bentley of Reseda, California.

Mr. Gobble returned to Oak Tree Lodge Sunday. The Bagwells and Bentleys also visited Mr. and Mrs. W. H. Patterson of Muenster and Mr. and Mrs. Willie Eddy of Gainesville. Mmes. Gobble, Patterson and Eddy are sisters.

48th Anniversary Of Al Walters Observed Sept. 11

Mr. and Mrs. Al Walters' 48th wedding anniversary was observed on Saturday evening, September 11, with an informal family gathering for dinner at Rohmer's followed by dessert at the family home.

During the evening, a grandson, Doug Walter, read a poem which he authored, commemorating the event.

Toasts were given in honor of the couple and also to wish Dona Swirczynski a happy 17th birthday.

Attending were Sandra and Tommy Corcoran and their children, Mike, Steve and Patrick of Lindsay; John and Marie Walter and their children Doug, Bryan, Laura, Craig and Blake of Dallas; and, from Muenster, Dolores and B. J. Swirczynski and their children Lou Ann, Dona, Marlene and Brenda of the home and a daughter Mary Jane Swirczynski of Dallas, accompanied by Andrew Macha who drove in to join the celebration.

Nine SH Debate Students Attend Workshop at TCU

Nine debate students from the Sacred Heart Speech Republic attended a debate workshop at TCU in Fort Worth Saturday, September 11. Some of them had been unable to attend the Baylor workshop during the summer and needed this session to help prepare for the '76-'77 debate topic "Resolved: that a comprehensive program of penal reform should be adopted throughout the United States."

Three of the students were among the group who attended the two week workshop at Baylor, but felt they could use a refresher course and reinforcement of the techniques learned at Baylor.

This year's topic is broad and interesting. Cases have been worked out on many aspects of the resolution including Gun Control, Bail, T. V. Violence, Abortion, Prison Reform, Gambling, Drug Abuse, Financing, Victimless Crime, and Polygraph Juries.

Debate helps prepare students to be contributing members of society by giving them a broad based understanding of how our society works; this, in addition to furthering their research and speaking techniques.

Attending from Sacred Heart were seniors George Luke and Craig Sangster, Juniors Mary Margaret Rohmer, Cheryl Luke and Cindy Sangster, and freshmen Karen Koch, Nancy Luke, Toni Hoedebeck and Christi Felderhoff. Accompanying the students were Mrs. Tom Sangster and Mrs. King Koch.

Sacred Heart ninth and tenth grade students are now getting ready for their first speech tournament of this year to be held at Plano High School on October 16.

Law Enforcement Grants Received By Texoma Region

Governor Dolph Briscoe has approved two criminal justice grants for improvements in law enforcement communications in the Texoma region.

Texoma Regional Planning Commission received \$20,200 for law enforcement auto radios to be placed throughout the area, and \$9,223 for the regional teletype system used by Grayson, Cooke and Fannin county sheriffs and police departments in Sherman, Denison, Gainesville and Bonham.

The grants were among 78 approved by Governor Briscoe from Law Enforcement Assistance Administration funds under the Crime Act of 1973.

Mr. and Mrs. Pat Cathey of Alaska, and Marietta, Texas, were guests of his mother, Mrs. Clive Gobble several times during the past three weeks.

Plans Are Shaping For Million Dollar Bike Ride Sept. 26

Plans are under way now by the Kappa Theta Chapter of Epsilon Sigma Alpha Sorority for its annual bike ride from Muenster to Gainesville on September 26 to raise funds for the St. Jude Children's Research Hospital, where the money is designated for research of leukemia, cancer and muscular dystrophy.

The promotion, known as the Million Dollar Bike ride, will be held in many areas and its combined goal in all is a million dollars.

All children who are able are invited to join in the good work of raising funds for the benefit of afflicted children. The method is for each entry to get sponsors who will pledge a certain amount for each mile of bike ride. The earnings are collected later and turned into the fund, and prizes are given in some categories.

The bike ride, from Muenster to Gainesville has the city's official support in a proclamation issued by Mayor Bright.

Hollands Visit Here

Mr. and Mrs. Curtis Holland and Curtis Jr. and Loretta of Cleburne weekendend with her mother, Mrs. Bob Yosten and saw other kin and friends. Saturday evening when other family members came to say "hello", they held an impromptu musicale and Mrs. Holland played her harmonica. Others joined in and everyone sang, much to the delight of Mrs. Yosten. When the Hollands returned to Cleburne, they were accompanied by Mrs. Yosten for a visit.

Mrs. Odella Datten returned Sunday after 16 days spent in Amarillo in the home of her daughter and family, Mr. and Mrs. Fred Dillard. Mrs. Dillard was released from hospital care following major surgery.

This ad is for people who didn't read the last ad about holding down their gas bills, and wish they had.

(Please, read it this time.)

We all have to face facts: the days of cheap energy are over. Gas bills have been going up. That's why we've been telling our customers how to hold their bills to a minimum.

A lot of people are already using gas more wisely. If you are one of them, read on just in case you've missed a tip or two.

If you are not one of them, this is the time to start. Here's how:

Get out of hot water. Hot water is one of the biggest and most expensive energy users in the home. A shorter, not-quite-so-hot shower helps save money. A dripping hot-water faucet is a bandit.

The same is true in the kitchen and laundry room. Wash only full loads in the dishwasher. Wash and dry only full loads of clothes. Don't overdry. It makes clothes harsh and stiff and wastes fuel. **Speaking of the kitchen,** you can save gas by planning oven meals around dishes that can be cooked at the same temperature. When using top burners, tailor the flame to fit the pan.

Get your house in order. Make sure you have six inches of insulation in the attic. And check regularly to make sure it hasn't settled. Make sure your exterior walls are insulated. Check the weather stripping around doors and windows, and make sure they stay closed when the heating or air conditioning is on.

No single one of these tips will save you an immense amount of money, but each one helps a little. Add all those little savings up, and it could make a big difference.

ELECCION GENERAL DEL
2 DE NOVIEMBRE DE 1976

NUMERO UNO EN LA BOLETA (S.J.R. 49)

Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.

La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Rio Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

La enmienda remueve el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encarecimiento de la calidad de agua y remueve el límite constitucional de la tasa de interés en tales bonos.

La fraseología de la enmienda propuesta tal como aparecerá en la

boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de \$400 millones de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; enmendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Artículo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Artículo III de la Constitución de Tejas."

NUMERO DOS EN LA BOLETA (H.J.R. 99)

H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de \$100 millones hasta \$200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

PUBLIC NOTICE

SUMMARY OF PROPOSED

CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution."

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

Yes. It costs more to enjoy them today...

but from sun-up to sign-off (and all night, too), you get a lot for your electric dollar.

Even with today's higher electric rates . . . made necessary by the increasing costs of generating plants, fuel, equipment and other expenses . . . there are few things that give you as much for your money as electricity. Hour after hour, day after day, electricity is at work in the home, on the farm, in businesses and

industries and stores and schools, doing thousands of tasks and making your life easier, more comfortable and more enjoyable. Add up the ways you use and benefit from electricity. Compare them with your cost. Isn't electricity still one of the best buys in your family budget?

Weinzapfel Tells Important Dates Of 50 Years Ago

The memory of J. M. Weinzapfel served up several historical gems to people at Tuesday's Chamber of Commerce luncheon meeting.

Calling attention to the nation's bi-centennial he recalled a few prominent incidents that happened to the community a half century ago. June 6, 1926 was the date of bringing in the first oil well at Bulcher, an event which was soon followed by discovery of local oil, resulting in a bonanza to the community's economy. The No. 1 Dangelmayr, 1 mile north of town came in on September 16, and the No. 1 Luke in the west part of town on December 27. By spring of 1927 several drilling rigs were going strong in the area. Intense activity in town pointed to a need of incor-

porating for the purpose of keeping law and order as well as providing a tax base to finance essential improvements like streets and water and sewer. By vote of its residents Muenster was designated a village and town on March 2, 1927. It was later promoted to the status of a city.

Another significant date of 1926 was April 26 when Texas Power and Light Company extended its service to town.

ing it . . . to the effect of defeating the unsavory characters in their congressional races.

Last week at the death of Red China's Mao Tse-tung national leaders from many countries, including our own, sent condolences along with lavish praise of the long time dictator for humanitarianism and great leadership.

This seems to be our official

attitude since a few years ago when we chose to forget that Mao's conquest of China was the beginning of the end of freedom in the Orient. We were deeply concerned while the Red Menace took over one country after another. Also we had a guilty feeling because of our part in transferring Japanese arms through Russia to the communists while we failed to help our friends the Nationalist Chinese. Then Korea and Vietnam went red because we chose to fight a no-win war. And

now Cambodia and Laos have gone the same way, and we are on the verge of betraying the few remaining free Chinese on Taiwan.

After all this, our courteous message seems to reflect political reality more than sincere sentiment. All that can be said for Mao is that he expanded the red domain in typically ruthless communist fashion . . . by murdering millions and enslaving many more. The word humanitarian does not apply to him in any way.

Otto went over on the next play.

Next drive was farther, and the lineup included a number of reserves. To start Mollenkopf's fine kick return was nullified by a clipping penalty. MHS was on its own 32 instead of the Eagles' 30. Mollenkopf, Hermes, Otto and Nick Walterscheid used 7 plays in moving 64 yards to the 4 and Hermes scored from there.

In closing moments of the first half Southard made two nice first down runs for the Eagles and the period ended with an interception and 30 yard return by Mollenkopf. Half time score was 35-0.

Second half opened with more of the same as the two Sickings and Mollenkopf gained 61 to the 5 in twelve plays and Mark Sickling scored from there.

The Eagles score came on a pair of nice passes early in the fourth period. Windle connected with Meyers for 31 to the 7 and two plays later hit him again across the goal line. Windle's run upped the score to 8.

Next one for MHS was a quickie. After a nice kickoff return by Hermes the Hornets were 57 yards away. A pass was incomplete then Sickling, on an option play got around right end and breezed to the goal line. A pass for extra points did not connect.

On next kickoff the Eagles fumbled on the 12 giving the Hornets a set-up. Hermes gained 4 on two tries and Wolf's pass to Jim Koelzer was good for a TD.

Passing was the Hornets' one weakness of the game. They connected only once out of seven attempts.

Finally Nick Walterscheid ended the scoring by making good on one of two field goal tries. Late in the third period he missed a 34 yard try and this time he made a 30 yard kick.

Next to heating and cooling, refrigerators are the big users of energy. Keeping coils clean helps their efficiency. And a little known fact is that regular refrigerators operate at \$3.50 to \$4.00 a month whereas frost-free units average \$7 to \$8 a month.
