**Two traffic accidents on Sunday...
leave one dead, four injured**

by Angela Jones
Editor

The day is Sunday, Sept. 27. It starts out a normal day, but ends in tragedy with a one vehicle fatal accident and a two vehicle accident.

According to DPS Trooper Gordon Miller, it was approximately 3:30 p.m. Two Gruver High School

students, 16-year-old Gina Elizabeth Hoel and 15-year-old Janyth Hart are travelling north on FM 1262 about 11 miles northwest of Gruver when the vehicle's left rear tire blows out.

The driver of the vehicle, Gina Hoel, lost steering control, the vehicle went into a ditch and flipped end over end, ejecting both Hoel and Hart, said Miller. Hoel died at the scene, said Miller.

Passenger Hart was transported to St. Anthony's Hospital in Amarillo. As of Tuesday at 11:30 a.m. Janyth's grandmother, Twyla Wheeler, reported that she is doing fine. "It's going to take her a little time, but she is improving everyday."

DPS Trooper Miller, stated that neither of the victims were wearing their seat belts.

Services for Gina Hoel were held on Tuesday, Sept. 29, in the Gruver school auditorium. She was a junior at Gruver High School, where she was a member of the Spanish Club, National Honor Society and a member of the Oslo Lutheran Church. Hoel was also a former cheerleader and a member of the track team.

Friends and neighbors of the Hoel family have set up an account to help with the expenses incurred from this tragic accident. The account is at Gruver State Bank for those who wish to contribute.

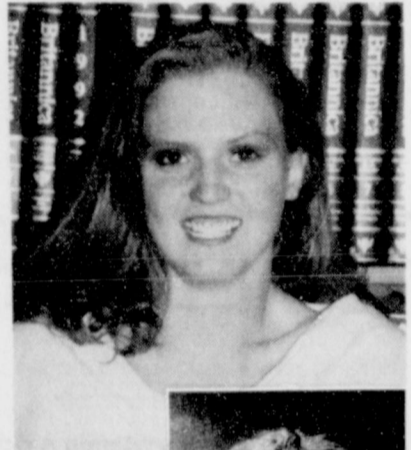

Earlier, on the same day, there was a two vehicle accident 2/10s of a mile south of Gruver on Highway 136.

At 12:15 p.m. Myrtle Doshier and her husband, Oscar, were travelling south on Highway 136. According to DPS Trooper Johnson, Doshier applied her brakes and was attempting to make a U-turn when Christine Brandvik, who was also travelling south on 136, tried to avoid them. She hit the right rear of the Doshier vehicle.

All of the victims were transported to Hansford County Hospital.

According to a Hansford County Hospital spokes person, Myrtle and Oscar Doshier of Hardesty were both in satisfactory condition as of Tuesday at noon.

Christine Brandvik of Gruver was transported to High Plains Baptist Hospital in Amarillo on Sunday. According to hospital officials on Tuesday, she is doing well and is in stable condition.

Spearman High School...

announces homecoming plans

Plans for the 1992 Spearman High School Homecoming beginning on October 5th have been announced.

The week's events are kicked off with Love Ya' Lynx activities throughout the week sponsored by the high school cheerleaders. In addition each school day will have a particular dress theme beginning with Monday, Scare Em' Day; Tuesday, Make Em' See Double Day (twins day); Wednesday, Kick Em' Day (wear boots); Thursday, Knock Em' to the Past Day (dress from a previous decade - 50's, 60's or 70's); Friday is Purple Pride Day (wear Purple and White).

Tuesday is designated as Devour the Dogs Day, highlighted with an afternoon pep rally, tail-

gate party and Burn the Dogs activities. Hot dogs and soft drinks will be available at a nominal charge. The afternoon's activities will begin at 6:30 p.m. on the west end parking lot of the high school.

A school-wide homecoming pep rally will be held Friday afternoon at the gymnasium on the junior high campus, beginning at 1:45 p.m. Coronation of the homecoming queen and recognition of the football king and class attendants will occur at the end of the pep rally. Queen candidates and class attendants will be escorted by senior members of the varsity football team.

The 1992 homecoming court consists of the following attendance - freshman, Kara Townsen; sophomore, Mika Pipkin; junior, Trixie

Pearson; and senior, Kimbree Townsen. The senior homecoming candidates are Mary Cook, Jill Lusby and Kimbree Townsen.

The Spearman High School FFA chapter will sponsor its annual homecoming barbecue on Friday afternoon beginning at 5:30, lasting until 8:30. Information about this activity can be obtained from Mr. Bob McGaha, FFA sponsor.

The Lynx will host the Gruver Greyhounds as their homecoming opponent. Halftime ceremonies will include recognition of the homecoming court and football king. The homecoming court members will be escorted by their fathers. Immediately following the football game, the homecoming dance will be held at the high school until 1 a.m.

Spearman student council...

to sponsor blood drive, Oct. 6

by Angela Jones
Editor

Members of the Spearman High School Student Council are sponsoring a blood drive on Tuesday, Oct. 6, from 9 a.m. to 3 p.m. at the high school library.

According to student council member Elizabeth Pipkin, the council has set their goal at 60 pints. "The student council really

encourages people to come out and give blood," she added. Council members have been busy putting up posters to inform people about the blood drive, which will be conducted by the Coffee Memorial Blood Center of Amarillo.

Pipkin also stated that this is approximately the 10th year the Spearman Student Council has hosted a blood drive.

The information supplied by the council gives some interesting facts about donating blood. These infor-

mative pamphlets answer questions about giving blood and what the blood can be used for.

So do you qualify to donate blood? If you are 17 years old or older, in good health and weighing at least a 110 pounds, you are eligible to be a donor.

Other information important to donors is also supplied in the pamphlets. It is recommended that you eat a meal before donating, preferably one low in fats. Fasting is not

Fish census taken at Palo Duro Lake

Story courtesy of The Perryton Herald.

The fisheries staff of the Texas Parks and Wildlife Department in Canyon recently completed annual fall electrofishing collections for bass, sunfish and gizzard shad at Palo Duro Reservoir near Spearman in Hansford County.

Four stations were sampled for 15 minutes each. As fish were shocked they were picked up with dip nets, measured and then returned to the water.

According to fisheries biologist Joe Kraai, largemouth bass were collected from the lake at a rate of 37 per hour. The most abundant sizes of bass present in the collections were fish four to five inches long and eight to 10

The 1993 Hansford County Fair Opened Friday, Sept. 25 and continued through Sunday, Sept. 27. The pictures above, to the right and below are glimpse of the many activities that took place during the fair. For a list of all the fair winners see page 8 of this issue.

In the top picture are the ribbon winning dogs and their proud owners who participated in the Hansford County Dog Show. The dog show kicked off the livestock show at the Gruver County Barn on Saturday.

In the next picture down Brock Irwin, Lora Bergin and Taylor Owens show their strength by trying to pick up ribbon winning pumpkins at the exhibits center in the Gruver Elementary Gym.

Back at the livestock show Kevin Williams of Gruver uses hair spray to get the hair of the calf to be shown by Casey Smith just right. At the same time Casey's mother, Jackie, tries to do the same thing for Casey, using just her hand.

Starting at 1 p.m. on Saturday, people touring the exhibits in the elementary gym were entertained by local singers and musicians. The first people to entertain were Charles Brillhart and his band with LaQuita Evans.

lake and, as they grow to larger sizes, should provide an excellent panfish for the lake's anglers.

Adult gizzard shad were stocked this year to provide a strong food base for the lake's predator fish. These fish spawned during the summer. They were collected at a rate of 170 per hour, which indicates the lake now supports an abundance of shad.

"Although we do not use electrofishing to assess the relative abundance of other species of fish, we did collect channel catfish, walleye and yellow perch, which indicates the stocking of these fish was also successful," said Kraai. He said TPW will conduct a gill net survey next spring to assess their abundance in the lake.

PRACTICE MAKES PERFECT

Recently a friend gave me a basketball goal and backboard. I painted it and hung it up for my younger daughter to use. The attraction was too much. I've begun to "shoot a few." I used to be an excellent shot. I could hit from anywhere. How the mighty have fallen! Skills are developed through practice, and lost through neglect.

Speaking to His disciples, and a mixed multitude, Jesus said they were "to be perfect, as your heavenly Father is perfect," (Matt. 5:48). The word perfect can be rendered "mature." Jesus was speaking of how maturity was embodied in interpersonal relationships before the command was issued. It's as if a coach were to say, "You are too shoot 100% at the line, and from the field." Jesus's Words are often intimidating to the honest reader.

How can a person ever be perfect? Jesus made two prior statements shedding light on His command: Be poor in spirit and be a mourner (Matt. 5:3,4). If you're poor in spirit you realize you're totally incapable of reaching maturity by your own efforts. If you mourn over that inability, God comforts you, and releases His resources to you. Now you can begin practicing, and become perfect.

Following the call for maturity Jesus defines the "drills" that will move a person toward perfection. All of them, however, are prefaced with a warning, "Don't be a showboat or a ballhog," (Matt. 6:1, slightly paraphrased).

Jesus says these 3 drills will help any earnest seeker to move toward perfection: 1) Give of your material resources to aid others, just as God gave in Christ to aid you, 2) Pray for God's Kingdom and will to be accomplished, rather than pursuing your own agenda, and 3) Fast in order to empathize with God's heart and to receive His counsel for life and ministry (Matt. 6:2-18).

All that practice results in good performance. If you don't practice, you don't play. If you neglect practice long enough, you get cut from the team (Matt. 7:21-27). No need for either to happen. Practice makes perfect.

NOTICE OF COMPARABLE TAX RATES AND REVENUES FOR THE SPEARMAN INDEPENDENT SCHOOL DISTRICT

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes (SB 1) the tax rate for last year provides \$4,670.00 per student in state and local revenues. Under this statute (SB 351) that same rate now provides \$4,902.00 per student in state and local revenues.

State law only requires a minimum tax rate of \$0.8958 for county education districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a tax rate that maximizes the receipt of state funds.

The board of trustees of the Spearman I.S.D. hereby gives notice that it is considering the adoption of a tax rate of \$0.37 that will provide \$4,573.00 per student in state and local revenues.

Chamber Chatter

by Cindy Blackman
Chamber Manager

One of the best Chamber stories is the tale of an old man and his grandson. They were sitting on the porch in a little town enjoying the afternoon sun. A car came sliding up and a lady yelled out the window, "hey, you..., old man!" The old man walked over to the car, and she went on, "we're looking for a place to settle. We sold our business in the last town because it was a terrible place to live. The city government were a bunch of thieves, the kids were hellions, the merchants rooked you right and left...we were so glad to get out! What kind of town is this?"

The old man said "lady, it's funny you should say that, because it sounds like you are describing this town. I'm getting afraid to go out at night, my taxes are going through the roof, and I just don't know why I stay." She rolled up the window and the car sped away.

The old man hardly settled back in on the porch when another car pulled up, and a nice young couple got out. They walked up to the porch and said, "We're sorry to disturb you, but we're looking for a little information. My husband is in sales and is being transferred to this territory. We're going to have to pick some town around here. We hate to move so much because the last town we were in was a wonderful place, with nice schools and churches, and lots of things to do. The chamber of commerce was working hard and the city government was improving the community services. We'll really miss it, but tell us, what kind of town is this?"

The old man smiled and said, "it's interesting that you should say that, because it sounds just like you described this town. It's a peaceful place, and our schools and churches are nice and there is lots to do. I think you'd fit right in. The bank is on the left down the road,

and the chamber of commerce is on the right. They'll fix you right up." As the couple left, the boy said, "Grandpa, you're a liar!" "Why would you say that son!" "Well, grandpa, you had to have lied to one of those ladies!" "No son, over the years I've found that people tend to find what they are looking for...I told them exactly what they were going to find..."

5 A DAY...IT MAY BE EASIER THAN YOU THINK!

The 5 a day program is the first nationwide health promotion, sponsored by the National Cancer Institute (NCI), to focus on the positive role of fruit and vegetable consumption in reducing the risk of cancer and other chronic diseases.

The slogan, "5 a day - for Better Health" provides consumers with a clear, understandable message

than can easily be incorporated into their lifestyles.

The goal of the program is for Americans to increase fruit and vegetable consumption to 5 servings a day by the year 2000. One serving is 1/2 cup of fruit, 3/4 cup juice, 1/2 cup cooked vegetables, 1 cup leafy vegetables or 1/4 cup dried fruit.

Five main points to remember are:

- * Eat five servings of fruit and

Vaccine clinic dates set

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled for October.

The Texas Department of Health Office at 720 S. Archer in Spearman will be open today, Oct. 1, from 9 a.m. to noon and from 1 to 4:30 p.m. to offer vaccines against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella, mumps and HIB (Haemophilus Influenzae Type B).

Other clinic locations in the area are Perryton and Borger.

Perryton's Texas Department of Health Office located at Ochiltree County Courthouse is scheduled for October 13 from 10 to noon.

There are two dates for vaccines in Borger. The Texas Department of Health Office at 600 Cedar, Suite 400, in Borger will be holding clinics on October 13 and October 27 from 9 to 11:30 a.m. and 1 to 4 p.m.

The Texas Department of Health is charging to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay.

vegetables a day.

* Eat at least one vitamin A rich selection every day.

* Eat at least one vitamin C rich selection every day.

* Eat at least one high fiber selection every day.

* Eat cabbage family (cruciferous) vegetables several times a week.

Some suggested ways of incorporating more fruits and vegetables into the family diet are add sliced bananas or strawberries to your cereal, top pancakes with fruit instead of syrup, add zucchini, carrot or celery sticks to your brown bag lunch or lettuce, sprouts and tomatoes to your sandwich, snack on dried fruit, use fruits to garnish main dishes, top frozen yogurt with fresh fruit and add chopped fruit or berries to muffins, cakes and cookies.

Fruits and vegetables without added fats have no cholesterol and almost all are naturally low in calories, fat and sodium. Some are good sources of other nutrients such as folacin, potassium and calcium. Fruits and vegetables also help promote a healthy digestive tract and may lower your risk of cancer.

At the movies . . .

Beginning Friday, October 2, and running through Tuesday, October 6, at the Lyric Theatre in Spearman is "Unforgiven" on screen 1 at 8 p.m. and "Death Becomes Her" on screen 2 at 7:45 p.m.

"Unforgiven" stars Clint Eastwood and Gene Hackman. This movie is also directed by Eastwood.

"Unforgiven" is about William Munny (Eastwood), who is a reformed sinner that married a good woman and gave up his outlaw ways. He temporarily abandons his new life of farming and family to avenge the death of an old friend.

He joins a small posse of bounty hunters to chase down two thugs who left a prostitute's face slashed.

Teaming up with his old partner, Ned Logan (Morgan Freeman), as well as Scholfield Kid (Jaimz Woolvett), Munny is soon headed for the town of Big Whiskey. He's destined for a showdown. But it won't just be with the thugs. Munny also encounters Daggett (Hackman), the sheriff who has pledged to keep violence from his streets even if he has to kill folks to do it.

"Unforgiven" is a must see western.

"Unforgiven" is rated R.

"Death Becomes Her" stars Meryl Streep and Goldie Hawn.

"Death Becomes Her" is a witty

comedy with two life-long rivals, aging actress Madeline Ashton (Streep) and book editor turned celebrity author Helen Sharp (Hawn). These two battle each other over the years. Most of their battles are for the attention of famed plastic surgeon Ernest Menville (Bruce Willis).

Madeline steals away Helen's fiance, Ernest, and marches him down the aisle. She then reduces him to an alcohol-paunchy cosmetician for an undertaker.

Fourteen years later, Madeline and Ernest's marriage is on the rocks and Helen returns to seek vengeance. Miraculously Helen looks slim and sexy.

The two women battle throughout the movie. And unbeknownst to the women they have both taken an eternal youth potion offered by exotic Lisle von Rhumans (Isabella Rossellini). Ernest doesn't know it either. When he kills Madeline, and Helen is blown away with a shotgun blast, neither woman can die.

Now Ernest has some real problems.

"Death Becomes Her" is a comedy film with remarkable makeup and special effects, according to a leading review magazine.

"Death Becomes Her" is rated PG-13.

Woman's conference scheduled for Saturday

Overcoming Obstacles is the theme of the Woman to Woman Conference to be held Saturday, Oct. 3, from 10 a.m. to 3 p.m. at the Oslo Lutheran Church.

All area women are invited. Registration and coffee will be from 9:30 to 10 a.m.

Four women will share how the Lord helped them overcome hurt and pain in their own of adversities.

Kim Hayes of Liberal, Kan. will speak about how she is overcoming several types of addiction. A dynamic speaker, she is very active in helping others.

Barbara Hewett of Clarendon has a story about extensive head injuries, added to by disease and trials within her immediate family. Barbara's daily walks with the Lord is an encouragement to any Christian who hears her story.

Melinda Veres of Guymon, Okla. will speak on financial adversity, a problem common to many today. Melinda is an experienced speaker and an avid Bible study leader. She will be using scripture in relation to her personal experiences. Be sure to bring your Bible!

Also scheduled to speak in Jollene Julian of Perryton. She will speak on the loneliness that she had after the death of her child, followed by the death of her husband. She will share how the Lord gave her the ability to continue and how He has richly blessed her to-

Oklahoma Panhandle State University's student teachers began student teaching on Monday, Sept. 21, 1992. Sterrette Looper is one of the twenty-one student teachers who will be teaching through Friday, Dec. 11.

Looper is doing her student teaching at Gruver. She stated, "Education, in whatever form, is the basis for our society. Everyone in some way or another was educated to do his or her job, drive a car or read a book. I feel that the quality of the education is more important than the kind."

The twenty-one students will return to OPSU for a mid-term seminar on Friday, Oct. 30. OPSU student teachers are teaching in schools throughout Oklahoma, Texas, Kansas and Colorado.

Once again our community has been saddened by the tragic event that occurred over the week-end. Separate accidents on Sunday involving our teen-agers and then relatives of other families threw us into shock leaving us with a numb feeling and we are now in the process of trying to ease the burdens of the families. Some of us are still trying to come to terms and deal with the tragedy that happened earlier this summer. As always, the people of Gruver and yes, the other towns of Hansford County are a source of strength to those in need.

I had originally intended to devote my column to the apathy shown towards the county fair again this year. Attendance and participation showed a decrease which makes people wonder how much longer they can continue to offer this type of activity. I know that long hours were put in by Peggy Dillow, Janie Jefferies and the other Fair Board members and I hope all of us give them a Big Thank You and show our appreciation for their time and trouble. They have to leave their jobs or business sometimes in order for the Fair to be accomplished.

Or maybe this year is just an off year for us. Sometimes, people just don't feel up to the increased activity called for, or maybe some of us are just getting lazier and lazier. I've heard others in different localities comment that their Fair participation was at an all time low. However, I have observed that after a drop-off in interest and the Fairs dwindle down to nothing, in about ten years there will be someone that says "Why don't we start the County Fair again - we used to have some good ones here?" So once again, some brave souls who want to volunteer their time and energy will work hard to offer this family type entertainment.

Now, just in case some of you read this, I want you to know that one of the saddest aspects of this, is that some of you who wait until the

last minute to show up to see the goodies. Twice that I have experienced, everyone had begun to pack their objects up for the trip home, someone drives up and thus miss out on everything. But due to not having the times and knowing when things are due to be removed, some people feel like they may have wasted their time to drive over to attend.

In all due respect however, put yourself in the exhibitor's place and realize that after sitting there for two days with not much happening, they are ready to pack up and go home. Most of the time, they are lucky if they make enough money to pay their booth fee. Or, if we had items there to be judged, we are ready to pack up our tomatoes, peppers and reserve champion cantaloupe and go home to eat a regular meal.

Well, I guess that is enough griping this year about our apathy. Unless, you want me to continue about supporting our arts and crafts - or, maybe the attendance at our school activities and games.

Once in awhile, I hit it just right and learn some news while sitting around, visiting. Such as the case of hearing about the unfortunate flood in the home of Wayne and Floyd Dean Shook. They had been away for about 3 weeks and when they returned home to Gruver, they found that their house had suffered extensive water damage from the hot water heater which had broken down or malfunctioned (or something). For about six weeks now, they have been trying to get the mess cleaned up and damaged walls, floors, etc. back to normal. Seems they are having trouble finding repairmen, painters etc. who can get things fixed up. They have been trying to carry on day to day living from their mobil travel trailer.

We have additional news about

visitors during our schools' homecoming activities. Margie and Lisa Seider were guests in the home of Hix and Charlene Spivey. In addition to the Seider's, the Spivey's daughter Jana Wright from Canyon was here for their class reunion.

Visitor's registering for church services at the Methodist Church were Jack and Rosemary (Holt) Sweet from Westchester, Pa. Rosemary is the daughter of Georgia Holt and the cousin of Elizabeth Holt.

Cynthia Henson's father, B.D. Gaen of Abilene was visiting here recently.

News from the Baptist Church is that Shelly Crawford was a guest of Sandra and Matt Watlington.

Bruce and Tanya Loard are new in our community. According to my information, they live on McCree St. and maybe are employed by Mr. Bort.

Visitors for church services at the Church of Christ were Viva Renner of Amarillo by way of Panhandle. She is currently employed at St. Anthony's Hospital.

Jimmie Sue Chisum and his family Betty, Tara, and Ty.

It seems that Anna Beth Wood had the opportunity to view the exhibit of "Catherine the Great" downstate. Archie and Marguerite Nelson brought her back home to Gruver.

Due to the circumstances of school being dismissed for Teacher In Service Day, and the tragic events of Sunday, I have not been able to find many people around to give me the information.

An additional vehicle accident happened Sunday near the bridge just south of town. The people involved were relatives of Ona McClenagan. The other vehicle involved had a casualty, Christine Brandvik who was injured.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Among the Neighbors

by Helen Fisher

Guests of Olive and Owen Pendergraft recently were her nephew Bob Kirk and wife Dee, and their granddaughter, Monique. They live at Carrolton, and spent several days here.

Later guests of the Pendergrafts were Mr. and Mrs. Clyde Womack of Velmar, Okla.

Mrs. Edith McCane of Oklahoma City has been visiting her sister, Mrs. Ruth Baker, in Spearman and Josephine and Jake Kirk. Their brother, Bob Tevebaugh and Billy, his wife, of Lake Tanglewood, came over and joined them. They also visited many old friends in the Holt neighborhood as they formerly lived there.

Margaret and Robert Novak have had a busy week with their daughters visiting. Patricia Gabreal of Indianapolis, Indiana and her son Kyle Waugh were here several days. Patricia recently moved from Chicago. Kyle is a medical student at Oklahoma University and her daughter is in school in Illinois. Another daughter, Sharon and Cliff David with their daughter, Kristi, from San Antonio are here. A grandson, Jeff Sheets, of Austin has joined them.

They all came to see their grandmother, Mrs. Margaret Hull, who was hospitalized. She was scheduled to undergo surgery last Tuesday, but due to her weakened condition, the surgery was temporarily put off or hold.

She is now at home and her daughter Mary Ellen Robinson is with her.

The VCR had to be in constant use from Wednesday to Monday at the home of Joe and Enzie Copeland. On Wednesday they met son Kim, Velma and little Kit at the Amarillo Airport and they spent the rest of the week here.

Their daughter Joe Lynn and Bob Leland with daughter Lori came from Broomfield, Co., making the family complete.

Young Kit who has not yet reached his first birthday obligingly posed with everyone. Lori, who has

enjoyed only grandchild status until she is now out of college, didn't mind sharing the grandparental attention.

The Kim Copelands live in Austin.

Selma Reneau's guests for 2 1/2 weeks were her son Willie, Cyndy and three year old Wendell from New Orleans.

Last week they all spent several days in White Deer where Cyndy's mother lives.

Selma's daughter Lynda and Mike Short, with children James and Sena, also live in White Deer. They hosted a family gathering on Sunday. Selma's other son Gene and Jane Reneau and daughter Kristina of Amarillo joined them.

Gene has made somewhat of a change in his career this fall. He accepted a teaching position at the Clements State Prison in Amarillo.

How about that picture in Saturday's Amarillo newspaper of Elmo Dahl have his boots shined at the Tri State Fair. Wasn't he the picture of poise and contentment?

Those weekend fixtures at the Texas Tech football games - being Max and Dorothy Baggerly, Gene and Frances Cudd, Elizabeth and Richard Holton, enjoyed the game at Lubbock last weekend. Since Tech won, they considered the weekend a complete success.

One day last week Ila Mae Buchanan fell in the home and broke a small bone which is healing but very painful and she is in a wheel chair. J.B. is providing the TLC and essential household chores. Ila Mae could compare his proficiency in the kitchen with hers on a windmill!

Mike Crawford spent one night last week with his aunt, Maxine Banister. He is in the process of moving from Rangely, CO. to Houston. Mike also visited his son at McLean.

Dale and Betty Oltoman spent several days last week in Denver.

They visited her brother and family.

Ruby McCullough, formerly of Spearman, greeted old friends here last week. She was visiting her children at Gruver.

The Hansford County Fair drew to a successful close on Sunday. With so many and varied activities, exhibits and contests, it was amazing how it all meshed in perfect coordination - or so it seemed to an

outsider. With so many involved, there had to be differences of opinion and frustrations but the results didn't evidence it. Kudos to all those who gave so freely of their time, effort, experience and ability.

Another tragic traffic accident grieves the community. Sympathy is extended to all those bereaved.

Each time a teenager leaves his house - parents have that cold chill - will this be the time - - -

Chelcie and Heath Bonham were contestants at the All-Star baby pageant in Amarillo Sept. 13, 1992. Heath (age 2) won first place in handsome beau and sportswear. Chelcie won first runner-up in the beauty category. Chelsie and Heath are the children of April and Jeff Bonham of Amarillo. Grandchildren of Mr. Sam Abston of Spearman, Patty Black of Lafayette, La. and Jim and Bonnie Bonham of Gruver. They are the great-grandchildren of Beulah Abston of Spearman and Quida White of Lubbock.

Poole and Urban... exchange wedding vows

Kathy Jane Poole and Carl Dean Urban exchanged wedding vows at 2:30 p.m. on Sept. 26, 1992, at Bell Avenue Baptist Church in Amarillo. Rev. Gus Blackwell officiated the ceremony.

The bride is the daughter of Mr. and Mrs. Lloyd Poole of Morse. The groom is the son of Mr. and Mrs. Dee Allen of Spearman.

Matron of Honor was Carol Jetter and the Bride's Maids were Mary Schueler and Cindy Allred.

Joey Patterson was the Best Man and the Groomsmen were Allan Beeson and Tim Woolley.

The candle lighter was Jeremy Mackie. The ring bearer was Andrew Boyd and the flower girl was Alix Boyd.

The bride's dress was white satin with reembrodered lace with over 14,000 hand sewn beads constructed by her grandmother Mrs. Floyce Hill of Brenham, Texas.

Hostesses were Crista Burch, sister of the groom; Jan Robinson, sister of the groom; Renea Mills; Misty Roach; and Amy Reid.

Ushers were Kieth Burch, brother-in-law of the groom and Mickey Robinson, brother-in-law of the groom.

For a wedding trip to Montego Bay, Jamaica, the bride wore a navy blue straight dress with navy and white check collar. The groom wore navy pinstripe pants with a white oxford and a navy and white tie. Upon their return the couple plans to make their home in Amarillo.

The bride attended Amarillo College and majored in travel and tourism.

The groom is a graduate from West Texas State University and was a member of the Kappa Alpha fraternity. He is employed by Sierra Spring Water Co.

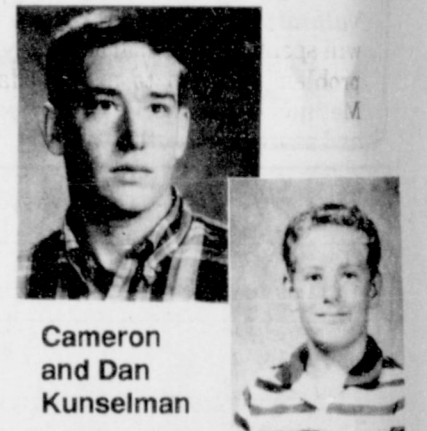

Kunselman boys recognized by "Yard of the Week" winner

Mrs. Vester Hill of Spearman would like to recognize the two individuals that worked on her yard this summer, Cameron and Dan Kunselman.

Hill said that her yard is big and that these two keep everything really neat. "They are nice to have around," she added. She concluded by saying that she thinks the yard of the week is a great program that

gives everyone the incentive to work. "I really like that they have four each week," she stated.

The Hill residence, 604 S. Endicott, won "Yard of the Week" during the week of July 16, 1992.

Hospital Auxiliary

The Hansford Hospital Auxiliary met the Hansford Manor on

Tuesday, Sept. 22, with Myrt Bohanan, chairman.

The meeting was called to decide on items to be purchased from the Annual Christmas Card Fund. A total of \$1697 was donated. After a discussion it was decided to purchase 24 folding chairs, complete sound system and a small wheel chair for the Manor.

A new Christmas tree will be purchased to decorate the hospital hall. The Auxiliary decorates the hospital and manor for the holidays.

Special thanks to those who donated to these special projects with their time and money.

Those present at the meeting were Lorene Kunselman, Verna Brown, Dorothy Haner, Peggy Ellsworth, Dorothy Lusby, Mary Cornelius, Eddie Largent, Mary K. Harbour, Carolyn Cummings, Jo Larson, Edith Smith, Myrt Bohanan, Mary Fern Terry, Alta Fisher and Margarette Evans.

Spearman Book Club

The Spearman Book Club met September 22 in the home of Mrs. Herb Kirk. Patty Sheppard gave a review of "Especially Father" by Gladys Tabor. It is a book about the way of life in a small town when the family was still a tightly closed unit. She did not want the family to be forgotten - especially Father. The book is filled with laughter and a few tears, warm hearted and tender, the heritage that has made Gladys Tabor one of the best loved authors of our time.

Refreshments were served to the guest reviewer and to the members Mmes. Joe Trayler, E.J. Copeland, Bruce Sheets, Johnny White and the hostess.

The check is in the mail.

For millions of elderly, disabled, or disadvantaged people in the United States the days at the end of the month are the longest - and the hungriest.

Emergencies, illness, and inflation often strain the limited resources of those on fixed incomes. For them the compassionate services of a local food bank or pantry are a Godsend - an extra measure of nourishment until next month's social security or disability check is received.

Soon, a CROP Walk for the Hungry will take place in our community. Part of the funds raised by walkers and sponsors will be set aside by Church World Service to help in our local outreach to the poor.

Check with our recruiter. You can help stop hunger - around the world and on the home front too!

THE CHOICE IS OURS
After several years of less than spectacular largemouth bass fishing, the conditions at Lake Meredith are now perfect for improving the fishing. Please consider the following information.

FACT 1. Because of mild winters during 1990 and 1991, the populations of baitfish are at a historical high.

FACT 2. After three years of unusually stable water levels, the supply of underwater plant growth and shoreline cattails are at an all-time high.

FACT 3. In June the unusually heavy rains caused a six rise in the lake level that flooded some 1,000 acres of prime largemouth bass habitat. Meredith now has flooded laydown logs, underwater stumps, and, best of all, lots of perfect hiding places for black bass.

The only problem is that those wonderful rains came after Texas Parks and Wildlife had depleted their 1992 supply of bass and the number of nature bass in Meredith was at a historical low.

CONCERNED ANGLERS HAVE A CHOICE.

We can wait until spring of 1993 and hope Texas Parks and Wildlife will stock some 1 1/4 inch long bass. We can then hope that some of these tiny bass will escape hungry perch, sandbass, walleye, and smallmouth bass. In about three or four years, we will know if the fishing improves. (Note-I am assured that TPW will stock some bass unless the lake level is falling or something happens to their hatchery.)

WE CAN DO SOMETHING

NOW. Following the example at Ute Lake, a mid-October stocking of 3 to 6 inch largemouth bass could be placed in Lake Meredith. TPW has given verbal permission for a fall stocking of bass, **IF interested anglers can raise the money.**

Think about it. 1,000 acres of moss beds, newly flooded cattails, lots of laydown log jams. The only thing missing is a healthy supply of good sized bass that could be feeding on the abundant bait fish.

IF YOU SEND MONEY, WE WILL STOCK BASS IN MEREDITH.

The people who provide the bass for New Mexico, Dunn Fish Farms, have agreed to do a stocking at Lake Meredith. **One dollar will buy three fish.** The goal is to raise at least \$5,000 and stock some 15,000 largemouth bass. Will you help?

OPTION #1. How many bass do you want to catch at Lake Meredith during the next two years? If your goal is 60 bass, then send \$20. For better fishing, send a larger donation.

OPTION #2. How much extra did you spend on your last fishing trip because you had to drive out-of-state or down-state? If it cost you an extra \$50 for gas and a cheap motel room, then send \$50 and next year start catching bass at Meredith.

OPTION #3. Send the entire \$5,000 and we will name a section of the newly flooded lake in your honor.

Donations may be sent to BASS-IN-LAKE-MEREDITH, %SOUTHWEST OUTDOORS, 3214 S. Parker, Amarillo, Texas, 79109.

Lynx hope to break scoring drought at Stinnett, Friday

"We beat them all over the field and couldn't score", said a Lynx coach after the Spearman loss to Stratford on Friday, Sept. 25. The Lynx hope to break that scoring drought when they face West Texas at Stinnett this Friday night, Oct. 2 at 7:30 p.m.

Coach Ric Smith looks for another tough district game with the West Texas Comanches. He expects them to come at the Lynx with a multiple offense that likes to throw the ball. They also have a lot of players to fill in and keep fresh players on the field.

Smith reports that most of the Lynx players are healthy and are expected to play, with the exceptions of players already side lined with past injuries.

A couple of the Lynx starters will be playing with pain. Jason Varnon will play with sore ribs and Clay Scribner has a sore neck.

If the Lynx have any hopes of making the state playoffs they will have to win Friday night's game. All though he thinks it is possible it would be difficult for a team with two district losses to get out of district, speculated Smith.

If the Lynx are to win they are going to have to take advantage of scoring opportunities and put points on the scoreboard. The Lynx had the ball inside the Stratford 20-yard line three times and could only manage a field goal in the second quarter.

The Lynx's first time inside the Stratford 20 came at the end of the first quarter and the beginning of the second half. The Lynx offense went 66 yards in 11 plays. The Lynx offense pounded the Stratford middle with dive plays, off tackle plays and a reverse counter play. Roman Arnold and Brandon Vanderburg gained most of the 66 yards the drive amassed.

The drive stalled at the Stratford 12-yard line. A penalty and a quarterback sack on an attempted pass

play stopped the drive and the Lynx were forced to punt.

Later in the quarter the Lynx put together another long drive. It covered 77 yards and ended with Dee Mayfield kicking a 34-yard field goal. Toby Thompson took a high snap and got the ball down on the tee in time for Mayfield to kick it through. It was Mayfield's first field goal of the season.

The quarter ended with the score Lynx 3 and Stratford 2. Stratford had scored in the first quarter when they tackled a Lynx running back in the Lynx end zone.

In the second quarter the Stratford Elks scored their first touchdown on a 64-yard run from scrimmage. The Stratford runner broke through the middle of the line. He cut outside and out ran everybody to the end zone.

In the fourth quarter the Lynx offense again drove the ball close to the Stratford goal line. This time they got it to the Stratford 3-yard line. But they turned the ball back to the Elks after failing to make a first down on fourth-and-two on the Elk's 3-yard line.

The Elks scored their second touchdown by intercepting a Lynx pass near the middle of the field and returning it down to the Lynx 3-yard line. Two plays later the Elks had the final touchdown. That made the final score 18-3 in favor of the Elks.

Lynx J.V. traveling- J.H. plays at home

The Lynx J.V. football team will travel to Stinnett to play West Texas while the junior high teams will host their West Texas opponents at Lynx Stadium.

The Junior High game will start at 5 p.m. Thursday, Oct. 1 with the seventh graders playing first. The J.V. game will start at 6 p.m. over in Stinnett.

The J.V. and Junior High teams are coming off clean sweep victories over Stratford last Thursday, Oct. 24. The J.V. won 34-6, eighth grade won 20-0 and the seventh grade won 14-0.

Scoring for the Lynx J.V., according to Wendle Neff, were Shawn Moore, Philip Sanders and Chad Wilkerson.

Moore scored on two touchdowns. One was on a 70-yard run and the other was a 22-yard run.

Sanders scored two touchdowns and a two point PAT. His touchdown came on 9- and 16-yard runs. Wilkerson score on a 9-yard touchdown run.

Scoring for the eighth grade were Blake Beedy on a 50-yard run, Jake Power on a 40-yard and a 45-yard run. Eric Cudd scored a two point PAT on a quarter back sneak play.

Allen Hudleston scored two touchdowns for the seventh grade team. A two point PAT was converted by Cody Williams.

Stopping a Stratford drive was Tony Clements with a pass interception.

An insulation blanket can dress your water heater for energy success, especially if the heater is located in an unheated area of your home. Insulating the hot water pipes leaving the heater and adding a heat trap loop can also save energy.

Another way to save on the cost of heating water is to keep the heater set between 120° to 140°F. As a final money-saving accessory, consider a timer for the heater so that the heater doesn't cycle on when you're not home.

Hounds lose momentum; lose game 25-6

by Bob Bort
 The Gruver Greyhounds had old pal Momentum on their side this past Friday night, Sept. 25, at Highland Park; but old Mo was fluky and when they tried to recapture her, they found out the game was lost to the Hornets, 25-6.
 Highland Park made the half-time adjustment, and turned a 7-6 lead into a 25-6 victory.
 The Hornets took the opening kickoff and drove to the Hounds two-yard line, where, with the help of a holding penalty, the drive bogged down, and following a 35-yard field goal attempt that went awry, Gruver took over on their 20-yard line.
 It was then that the Hounds had momentum on their side, as they drove 80 yards in only four plays, culminated by a 34-yard burst from Aaron Frick, and the Hounds led 6-0 with 7:20 left in the first quarter. Matt Etheredge and Brady Pool also had long runs in the drive.
 But the Hornets quarterback Joe McGill came back and criss-crossed

the field for 64 yards to hit pay dirt and give the Hornets a 7-6 lead with 5:32 left in the first quarter. It would remain a tight struggle, a 7-6 game, for the remainder of the first half, but the Hounds had ample opportunity to retake the lead and regain Mo. They wasted their chances.
 In the second quarter the Hounds made it to the Hornets one-yard line with a second and goal, but fumbled the ball away into the end zone. Highland Park shortly fumbled the ball back into Gruver's possession, but the Hounds were stopped on a fourth and four from the Hornets 30-yard line. The chances were there for the taking.
 The Hounds have owned the second half of ball games all year, and there was no reason to suspect that it would be different in this ball game. But Momentum has an ethereal quality about her, as a spirit, and the force was with the Highland Park Hornets.
 The Hornets shut down the Hounds rushing and passing game,

but midway through the quarter the Hounds still had the opportunity to retake the lead, and again fumbled away the chance. With 4:32 left in the quarter, the Hornets took a 14-6 lead, thanks to a 7-play, 52-yard drive following that Gruver fumble, keyed by the rushing of tailback Jason Cox. Then the Hounds spluttered, and later sort of came unglued. Highland Park had all the momentum.
 With 8:33 left in the game, Joe Thompson hit a 22-yard field goal, and the Hornets led 17-6 after the 8-play, 59-yard drive. The Hounds resorted to a passing attack to attempt a comeback, but it was not there, and with 3:40 left in the game, the Hornets scored again, and with the two-point conversion, made the final score 25-6.
 So the hopes and dreams of an unbeaten season for the Gruver Greyhounds are no longer possible, but there are still the district championship and the playoffs to fight for. One bright spot for the Hounds in this game was that Scott McCloy is back and played his first ball of the regular season.
 Coach Doug Frick is now 3-1 as a head coach, and he was at a loss for words after the ball game, except to reiterate that the Hounds did not play well, and Highland Park did. Now coach Frick has to focus on the Boys Ranch ball game coming up this week in Gruver at Greyhound Stadium. Boys Ranch tied West Texas 23-23 in their District opener.
 "They run from the Wing set and the Pro set and the Offset I," says coach Frick on the Roughriders. "They have speedy backs, and we expect more of a ground game than a passing game. Mikal Ayala and Tommy Heath are the speedy backs, but they have a good quarterback also, and they will like to run the sweep."
 All time since 1951, Gruver and Boys Ranch have split four games, each team winning two. But they

haven't played since 1973.

Gruver teams surprise H.P.

by Bob Bort
 No doubt, the Highland Park Hornets came into Gruver this past Thursday evening, Sept. 24, expecting to leave Greyhound Stadium with a pair of victories over the new kids on the block in 1-AA football, the Gruver Greyhounds. Such was not the case, however, as the junior high Hounds knocked off the Hornets, and the Highland Park JV team had to fight from behind to gain a tie with the Gruver Junior Varsity.

In the junior high game, the young Hounds jumped out to a 16-10 first quarter lead, then held on for a 22-14 victory. Josh Mayhew at quarterback and Jarrod Hoel at runningback played superbly, and Gruver scored on the first offensive play of the game for the Hounds, with a halfback pass from Hoel to 7th grader Brant Armes, covering

 In the junior varsity game, Gruver stunned the talent-laden Highland Park team by jumping out to a 20-6 halftime lead. The highlight offensive play of the game for the Hounds was a beautifully thrown and caught 27-yard touchdown pass from Bailey Barkley to Tye Womble. The running backs, Ryon Atwood, Max Frick, Travis Ferguson among them ran very well, the offensive line blocked well, and the defense came up with the big plays when they needed them. Gruver held on in the second half, as the game ended in a 20-20 tie.

Pool wins all-around at S&S Tri-State High School Rodeo, September 20

by Angela Jones
 Editor
 Gruver's Brady Pool won All-Around Cowboy at the S&S Tri-State High School Rodeo held in Spearman on Sunday, Sept. 20. He accumulated 15.5 points to

earn him the title.
 In the bareback Pool tied for first place with Justin Henderson of Hereford. They both had a score of 63 points. He also won the steer wrestling event, throwing his steer in 5.294 seconds.
 Hansford County rodeo contestants also competed at the Pampa Tri-State High School Rodeo held Saturday, Sept. 19.

In the steer wrestling event Pool placed second with a time of 5.713 seconds. Travis Goad won the event with a time of 4.974 seconds.
 The Hansford County team of Pool and Matt Eakin won the team roping event. They roped their steer in 7.987 seconds. This time was 1.1 second faster than the second place.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

 Pastor Jeff L. Burress

Deposit Them at the Door

Remember now... leave your shoes at the door. We don't want to bring the outside in! One may assume that inside of this home there is a person who cares about a pleasant atmosphere; someone who cares about taking care... of everyone... all ages and sizes.

This week, whether you are nine or ninety-nine, as you approach your house of worship, prepare your mind for a peaceful and a positive experience. There is Someone there Who cares.

In God's Word we read, "When the cares on my heart are many, Thy consolations cheer my soul." (Psalms 94:19)

Enter God's House with happiness. Don't bring the outside in. Leave your cares behind. Deposit them at the door.

quality size fish should be avail-
 able, he predicted.

The Texas Parks and Wildlife
 Department will continue its
 stocking program next year and
 will continue to monitor the status
 of the various species, he added.

Blood from page 1

recommended.

The pamphlet also stresses that
 "You cannot contract AIDS or any
 other infectious disease by donat-
 ing blood."

So, give the "gift of life," donate
 blood on Oct. 6th.

Don't salt fresh meat before
 broiling, deep-fat frying, pan
 frying or broiling over char-
 coal, as the salt draws juice
 from the meat preventing both
 browning and sealing in of fla-
 vor.

JERRY R. FIEL

AMARILLO - Jerry R. Fiel, 51,
 died Friday, Sept. 25, 1992.

Services were held at 11 a.m. on
 Monday, Sept. 28, in Boxwell Broth-
 ers Funeral Directors Ivy Chapel
 with the Rev. Gary Burd, pastor of
 Christian Heritage Church, officiat-
 ing. Burial was at Claude Cem-
 etery at Claude.

Mr. Fiel was born in Higgins
 and had been an Amarillo resident
 for 26 years. He married Maudine
 Longhofer in 1961 at Lipscomb. He
 was employed by McCarty-Hull Inc.
 for 17 years and was retired vice
 president and general manager of
 the Lubbock branch. He was a char-
 ter member and the first Texan
 selected to the \$1 Million Club spon-
 sored by the National Association
 of Tobacco Distributors. He was
 also a member of Beautiful Savior
 Lutheran Church.

Survivors include his wife; a
 daughter, Pamela Rae Buck of
 Amarillo; his mother, Loney Fiel of
 Amarillo; five brothers, Danny Fiel
 of Gruver, Randy Fiel of Canadian
 and Jimmy Fiel, Jessie Fiel and
 Sandy Fiel, all of Amarillo; and two
 grandchildren.

The family requests memorials
 be to Kids Inc., 820 W. Eighth Ave.,
 Amarillo, Texas 79101.

OLLIE M. ALLEN

SPEARMAN - Ollie M. Allen,
 95, died Sunday, Sept. 27, 1992.

Services were held on Tuesday,
 Sept. 29, at 2:30 p.m. on the Church
 of Christ with Arnis Papa, minis-
 ter, officiating. Graveside services
 were held at 1 p.m. on Wednesday,
 Sept. 30, in Frederick Memorial
 Cemetery at Frederick, Okla. Ar-
 rangements were by Boxwell Broth-
 ers Funeral Directors.

Mrs. Allen was born in
 Greenville and moved to Spearman
 in 1945 from Electra. She married
 Tom Allen in 1945 in Electra. He
 died in 1961. She taught school in

Spearman for 16 years. She retired
 after teaching a total of 34 years.
 She was a member of the Church of
 Christ.

Survivors include a son, Newell
 Allen of Spearman; two daughters,
 Jo Peargin of Visalia, Calif., and
 Maxine Vernon of Springville, Cal-
 if.; eight grandchildren; and 10
 great-grandchildren.

GINA ELIZABETH HOEL

 school audi-
 torium with
 the Rev.
 Larry
 Miller, pas-
 tor of First Baptist Church, the
 Rev. John Chandler, pastor of Oslo
 Lutheran Church, and Gary
 Gumfory, pastor of the Christian
 Church, officiating. Burial was at
 Gruver Cemetery by Boxwell
 Brothers Funeral Directors of
 Spearman.

Miss Hoel was born in Canyon.
 She was a longtime resident of
 Gruver. She was a junior at Gruver
 High School, where she was a mem-
 ber of the Spanish Club, the track
 team and the National Honor Soci-
 ety. She was a former cheerleader
 and a member of the Oslo Lutheran
 Church.

Survivors include her parents,
 Andy and Phyllis Hoel of Gruver;
