## Bravo Files Petition For Voluntary Bankruptcy

### UF Approves 1968 Budget

Deaf Smith County's United Fund directors Thursday night approved a record budget of \$32,465 and set the kick-off date for the annual fund raising drive for October 2. The drive, as in past years, is planned for a quick wrap-up with only 7 days allotted for the collection of the needed funds. Dean Herring, co-owner of H & W Implement Company will head the drive this year.

### Drive Starts Oct. 2

Plans for the annual United Fund Drive were completed Thursday evening at a meeting at the Hickory Log with the 1968 goal set at \$32,465, according to Dean Herring drive chairman for this year's campaign. Herring told the Board Friday that drive Majors had been selected for the 7 day drive and that they are now in the process of selecting their team captains and workers. The drive will begin Monday, October 2 and UF officials hope the campaign can be completed in one week.

The \$32,465 figure is some \$2000 higher than the 1967 goal, but UF officials, pointing to the increased growth of Hereford and the additional needs of the agencies represented, felt that the higher goal was in line. "Debbs" Knox, last year's drive chairman, presented the budget requests to the board at the Thursday night meeting. Elmore Rains is president of the UF organization this year.

Named as Majors for the drive are: schools, Johnny Clark Jr.; industrial, Charles Cabiness; commercial A, Cleve Corliss; commercial B, "Bub" Sparks, city, county, state, federal and clubs, N. D. Bartlett Jr.; rural, Bobby Owens; utility, banks and lawyers, Harlan Yandlerzee and Latin-American group, Paul Torres.

### Scout Roundup Begins Monday

Over 200 new boys are expected to enter scouting during the annual Fall Roundup of the Llano Estacado Council for the Boy Scouts of America which begins Monday and runs through Dec. 15.

Roundup Chairman Bill Phillips said boys 8, 9 and 10 years of age will be invited to join Cub Scout packs and boys 11 and older will be eligible for membership in Boy Scout troops. During the membership drive, leaders of 28 Cub Scout packs, Boy Scout troops and Explorer posts in this area will be trying for awards which include a special "Honor Unit — 1967 Roundup" streamer, a special "Certificate of Recognition," and a special "Recruiter Strip."

Information about the location of scout units in the Llano Estacado Council may be obtained from Bob Jones, District Scout Executive, 364-4361, or from the Llano Estacado Council in Amarillo, DR4-5348.

### JR. HISTORIANS TO MEET

The Junior Historical Society will hold its initial meeting of the year Monday afternoon at 5:30 p. m. at the Deaf Smith County Museum. The group will elect officers and plan the year's program of study. The Junior Historical Society would like to invite all high school students (grades 9 to 12) to come if they are interested.

### Ivy To Receive Honor

Jimmy D. Ivy, an attorney for Employers Insurance of Texas, will be honored, Monday, Sept. 11 at the National Annual Award Luncheon of the Insurance Institute of America in Atlanta, Georgia, for scoring the highest mark of all candidates throughout the United States on the Institute's Part A examination given in December, 1966.

A total of 1,755 persons sat for the national Part A examination in December, and Ivy scored the highest grade of the 1,240 who passed the examination.

As top student, Ivy receives a certificate and a U. S. Savings Bond from officers of the Institute at the luncheon ceremony. The Institute, headquartered in Bryn Mawr, Pennsylvania, is a non-profit educational organization supported by the insurance industry. IIA courses of study are the authorized study programs of the nation's leading agent, adjuster and insurance broker organizations.

Ivy, who joined the legal staff in Employers' home offices in May, 1966, earned his B. A. degree from the University of Texas in Austin and his LL. B. degree from the University's School of Law. He was a member of the law firm of Witherspoon, Aikin, Thomas & Langley in Hereford prior to joining his Employers insurance complex.

The son of Mr. and Mrs. Jimmy Ivy of the Lazbuddie, Texas community, Ivy is married to the former Donna Rogers of Hereford, and the father of one daughter. The Ivys reside at 303 Spiceberry in Mesquite.

He is a member of the First Baptist Church in Dallas, the See IVY TO Page 2

Two petitions for voluntary bankruptcy — one for Bravo Smokes, Inc. and the other for the Bravo-Uvalde Corporation — were recorded during the past week in U.S. District Court in Amarillo.

Filed Tuesday by Puzant Toregian, president of both corporations, the petitions list assets for the Hereford business as being more than \$848,000 and those for the Uvalde corporation as more than \$89,000. Liabilities for the Hereford company are just over \$705,000 and for the Uvalde business as more than \$221,000.

Frank R. Murray of the U. S. District Court in Lubbock was named referee in bankruptcy and appointed W. A. Wells as receiver. Wells, vice president of Bravo, put up a \$20,000 bond to become receiver and will dispose of Bravo merchandise on hand for the purpose of satisfying creditors.

Murray also set Sept. 27 as date for the first creditors' meeting. Hearings on both of the bankruptcy petitions will begin at 10 a. m. that day in Room 301 of the Post Office Building in Amarillo.

The last day for creditors to file a plan for recovering their debts is Dec. 4 and a hearing on that plan on Dec. 20.

According to the petition, the creditors may attend the Sept. 27 meeting, "prove their claims, nominate a trustee, appoint a committee of creditors, examine the debtor, present written acceptance of the proposed arrangement, if filed, and transact such other business as may come before the meeting."

Also, "the debtor's application to reject executory contracts will also be heard at this meeting."

The summary of liabilities and assets for Bravo, Smokes, Inc. include liabilities of \$705,546.75. A breakdown shows claims entitled to priority, \$39,092.85; secured claims, \$50,887.50; and unsecured claims, \$615,566.40.

Under assets, the petition says "the property of the debtor has not been appraised. The schedules filed by the debtor show the following assets:

Totaling \$848,699.84, the assets include real estate, \$74,454.49; negotiable and non-negotiable instruments and securities, \$401,700; merchandise, \$101,588.90; machinery, fixtures and tools, \$114,570.80; accounts receivable, \$87,999.84; miscellaneous property \$4,174.75, and unliquidated claims, \$64,213.06.

The summary of liabilities and assets for the Bravo-Uvalde Corporation includes liabilities of \$221,263.41. A breakdown includes claims entitled to priority, \$34,467.40; secured claims, \$4,860.76; unsecured claims, \$56,935.25, and accommodation pa-

### Graduation Set For Monday At County Hospital

Graduation exercises for the Vocational Nursing class conducted the past year in Deaf Smith County Hospital are scheduled at 8 p. m. Monday in St. Thomas Episcopal Church, with the public invited.

Certificates are to be presented by Frances Carver, R. N., the instructor, to Betty Davis, Rose Ann Fraser, Katie Koehn, Sarita Leal and Florence Vaught who have completed the year of classroom study and hospital practice.

Dr. A. T. Mims is to be speaker on the program. T. W. Seigler, hospital administrator, will present students for graduation and Joyce Seigler, R. N., superintendent of nurses, will pin on the emblems denoting their completion of training.

A song by Frances Stipe and Rachel Henslee will begin the program. The invocation will be by the Rev. Eugene Brink, minister of First Christian Church, and the benediction by Bruce Miller, Episcopal lay reader. Cheryl Solomon will be organist.

A reception in the church hall will follow the graduation ceremony, with licensed Vocational Nurses of Hereford as hostesses.

Students graduated in this program plan to go to Austin for state board examinations next month. After passing these examinations they will be licensed Vocational Nurses.

### Hearings Set In District Court

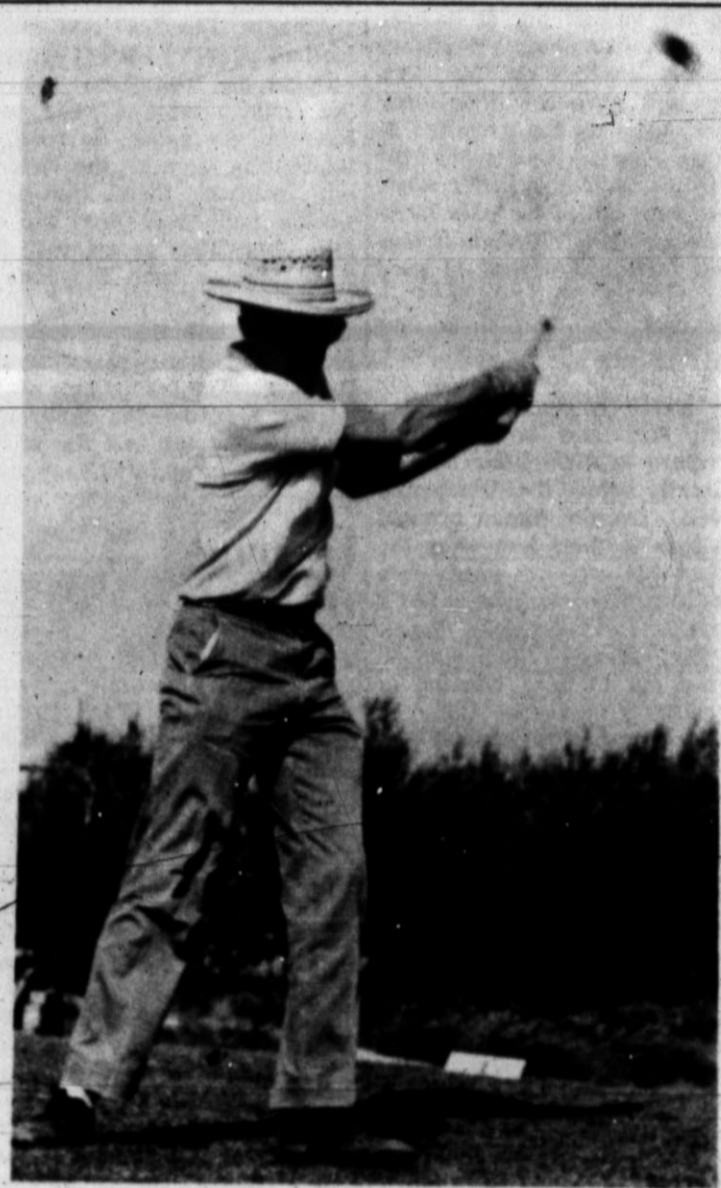

Hearings on five major crimes are set for this week in 69th District Court, with a venire of 90 Deaf Smith County residents having been summoned for possible jury duty.

Cases to be decided include Ernesto Lira, 32, who is charged with the July 15 rape of a 14-year-old Latin American girl near the Griffin and Brand Camp; Grover Joe Moody, 38, charged with incest, and Julio Contreras, 19, charged with the Jan. 21 burglary of White's Auto Store here.

Contreras is the last of seven Latin Americans charged with the burglary in which some \$1,500 in merchandise was taken. The others, including two juveniles, already have been tried.

Lira was indicated by a Deaf Smith County Grand Jury on July 31, Moody on June 8 and Contreras on April 11. Tentatively set for trial Thursday are the cases of Joe Floyd Umsted, 30, and Bill Hartsfield, 27, both of Amarillo and charged with conspiracy in the Feb. 5 burning of Butcher Boy Market.

Floyd Lebow, 17-year-old Amarillo boy, was given five years probation on June 9 after he pleaded guilty to a charge of arson in the same fire. He turned state's evidence in the case and was granted probation by 69th District Judge Archie McDonald. District Attorney Bill Hunter had recommended pro-

## Founders' Dinner Marks Five Years For Manor

A goal of \$25,000 has been set by the King's Manor Founders Association, which has set the date for its annual dinner on Oct. 2 in the fellowship hall of First Methodist Church here.

Dr. Don R. Davidson, executive director of King's Manor, said hopes are that the dinner will average \$100 a plate. Purpose of the Founders Association, according to Dr. Davidson, is to raise money and also educate the public as to the purposes and achievements of the retirement home here.

About 150 persons are expected to attend the 7:30 p. m. dinner, with about half that number coming from cities other than Hereford in the panhandle area north of Lubbock. Speaker for the evening will be Dr. Jordan Grooms, superintendent of the Brownfield District of the Methodist Church and former pastor of Polk Street Methodist Church in Amarillo.

The Rev. Clifford Trotter, pastor of First Methodist Church in Hereford, will be master of ceremonies for the program.

President of the King's Manor Founders Association is Hugh Clearman, Hereford, and vice-president is W. W. Hawkins of Hart. Mrs. Nadine Wade, Hereford, is secretary-treasurer.

Any person at least 21 years old is eligible for membership in the Founders association when he signs an application with any gift of \$10 or more. Membership is broken down into three categories: annual membership, \$10 gift; sustaining membership, any contribution over \$10, and life membership, contributions of \$1,000 or more. Contributions in the sustaining membership category may accumulate toward a life membership, according to the association.

Two groups of members from the founders association will be making trips to other retirement homes sometime during the coming year, Dr. Davidson said to observe operations. The Manor's facilities here include various types of apartments and complementary social services, designed to cover a broad range of tastes in retirement living.

Dr. Davidson points out that

### Latin-American Festival To Be Held Soon

The Fiestas Patrias 1967 celebrating Mexican Independence day will be held Thursday, Friday and Saturday, with Marry Torres to reign over activities in the Little Bull Barn.

Miss Torres was crowned queen of the festival during the past week. First runner-up is Alice Tijerina and second runner-up is Hope Mendez.

Each night of the festival a dance will be held in the Little Bull Barn from 9 p. m. until 1 a. m. Music will be by Junior Perales and his orchestra, and Johnny and the Classics.

### Easter Lions To Hold Air Show

The Easter International Airport, located at the Frye farms 11 miles south of Hereford at the intersection of Farm-to-Market roads 1055 and 1057, will be the scene of much flying activity beginning a 1 p. m. today.

Included will be aerobatics, plane rides, free falls, specialty acts, antique plane display and a 10,000-foot jump by Bob Hulsey, who will be wearing a cut-away parachute.

The activities, being sponsored by the Easter Lions Club, will be free of charge. There also will be a drawing every hour for a free plane ride.

Following the judging, winners in the antique plane show will be awarded trophies.

### Johnson Receives Scholarship From Realtors

Brad Johnson, 17 year-old son of Mr. and Mrs. E. N. Johnson of 844 W. Park Avenue, was presented a \$250 scholarship Friday by the Hereford Board of Realtors.

A 1967 graduate of Hereford High School, where he maintained a 4.85 average on the 5.0 system, Johnson will begin work toward a degree in electrical engineering soon at Texas Tech in Lubbock.

Ralph Owens, president of the Hereford Board of Realtors, presented the scholarship in the form of a check during a noon luncheon Friday. He explained that Johnson was selected for several reasons, including grade point average, and character.

Owens said the money for the scholarship had been set aside earlier this year and plans call for the scholarship to be presented annually.

Officers of the Hereford Board of Realtors include Owens; Harold Morton, vice president, and Mrs. Gwen Leathman, secretary-treasurer.

# Whitefaces Reduce Big Whirlwinds To A Puff

By the time the "light, inexperienced and weak" Hereford Whitefaces got through with the Floydada Whirlwinds Friday night, there was only a zephyr of a breeze cooling off an aroused Herd.

Showing the local football fans an explosive offense and stubborn defense, the Whitefaces romped to a 41-6 victory over the Class AA Whirlwinds in the season opener. Following a easy touchdown by Floydada in the first quarter, there was never any doubt as to who would win the game. It was a question of how many points would they make.

Beginning with the opening kickoff, the Hereford fans could see they were in for a treat. Halfback Elgin Williams took the opening punt on his own 20 and ran it out to the 37 before a desperate Whirlwind got him down.

From that 37, it took the stampeding Herd only five plays to score. Quarterback Jim Childers picked up 7 on the first play from scrimmage, Halfback Gary Goodin got 14 to the Floydada 42, Fullback Tony Malouf bulldozed 9 yards, Childers ran for 7 more and then Goodin swivel-hipped his way 26 yards for the score. Center Jim Loerwald split the uprights and Hereford had the lead 7-0.

Floydada came right back to run the kickoff out to its own 35. An anxious Whiteface jumped offside on the first play and gave the Whirlwinds five yards on the penalty. Another costly penalty by the Herd came shortly after when they were called for pass interference and set Floydada in business on the Hereford 13 yard line.

It took the Whirlwinds four plays to score from that point, with Halfback Joe Christian going over from the 2. The extra point kick was no good and Hereford held the lead 7-6.

Shortly before the first period ended, Goodin again brought the fans to their feet when he picked his way 24 yards into Floydada territory before being tackled. The Herd was forced to punt shortly after - which turned out to be a blessing in disguise.

Floydada had taken over just before the first quarter ended when alert Whiteface guard Randy Kriegshauser intercepted the aerial and ran 20 yards for the score.

On the next series of plays, Floydada fumbled on its own 35 and Karl French covered the piskin for the Herd. Seven plays later End Lenny Petree was galloping all alone into the end zone after taking a 16-yard pass from quarterback Sid Shaw. Loerwald missed the extra point kick and the halftime score was 20-6 in Hereford's favor.

Aided by two key penalties by Hereford early in the third stanza, Floydada moved slowly to the Hereford 17 before Childers intercepted a Whirlwind aerial on the Hereford 5. Wasting no time, the Whitefaces quickly moved out of danger. Malouf ranned for 10, Goodin flashed for 12 and then for 17 more.

A 5-yard penalty put the Whitefaces back to their own 39, but two jabs by Williams and a 12-yard sprint by Childers gave the Whitefaces a first down on the Floydada 45. Williams took over on the next play and broke numerous tackles to race all the way for another score. Following Loerwald's boot, the score was 27-6.

The most exciting play of the game came soon after when Goodin took a Floydada punt on his own 15 and electrified the crowd as he raced 85 yards for the score. Loerwald again converted and Hereford led 34-6.

The final score of the game came late in the fourth period when Hereford was forced to punt. The ball was hobbled by

a Floydada back, however, and Donnie Fangman came out of the ensuing melee with another Hereford touchdown as he pounced on the ball in the end zone. Loerwald finished the night's scoring with his perfect kick and Hereford led 41-6.

While holding the Whirlwinds to 99 yards rushing and 23 passing, the Whitefaces ground out 231 yards rushing and 26 in the air.

Goodin himself got more than half of the Whiteface rushing yardage as he picked up an unofficial 118 yards on 16 carries.

Athletic Director and head football coach Larry Wartes brought the Whitefaces out of the clouds during a brief talk following the game. He congratulated the team on the victory but warned them that next week's game with Olton will be different. "They're going to be a lot tougher than Floydada," he emphasized.

Wartes told the Whitefaces they would have to eliminate their mistakes before they looked like a good team. Following his talk, Wartes and the other coaches congratulated each play

individually. The capacity crowd which witnessed the game roared their approval at the end of the contest, and covered the field to express their feelings.

The Whitefaces will meet Olton at 8:30 p. m. Friday in Olton. The Mustangs return 14 lettermen from the team which compiled a 5-5 record last season. Hereford won last year 47-8.

Films of Friday night's game will be shown during the regular meeting of the Whiteface Booster Club Monday at 8 p. m. in the community center.

The above figures represent about \$8.00 per girl for the coming year. Camp Fire has only one money raising project each year and that is the annual candy sale. Money from this project is used to defray some of the costs of the annual camp. The organization asked for an allotment of \$4000. They received \$3731 in 1967.

The local Chapter of the American Red Cross requested a \$600 increase in the budget for the coming year, wanting \$10,250 as compared to \$9,650 in 1967. Increased number of men in the armed service was listed as the primary reason for the need for the increase. Mrs. Genevieve Miller, local Red Cross coordinator was on hand to represent the organization.

Boy Scouts of America, represented by Charles Bell and Ed Skypala requested an additional \$300, bringing their budget up to \$7200 for the coming year. They had received \$6900 last year. The Boy Scout organization now represents some 522 boys, with a membership drive beginning this week to bring that total up. The Scouts have a paid Scout Executive that lives in Hereford and handles problems of this district of the Llano Estacado Council.

A detailed Council report accompanied the request for funds. The Salvation Army, which received \$3906 last year, asked the United Fund board to up their allotment this year to \$4200. The group was represented by Jewel Smith and Lowell Sharp.

The local Little League organization, although requesting a decrease in the 1967 budget, found themselves in financial troubles before the end of the season due to the decrease in attendance probably brought about by Daylight Saving Time, wound up the year by coming back to the United Fund for an additional grant which they received, bringing their year's allocation up to \$2100. Representatives of the organization said that the earlier hour of play due to Daylight Saving Time had hurt attendance, and consequently hurt concession sales and other revenue, forcing the group to return for the additional allocation. They were approved for \$2100 this year, the actual amount that they received in 1967.

## NEW VISTA WORKER — Frances Gallardo, a native of Chicago, arrived at the Hereford Labor Camp Wednesday to begin her term of service with the VISTA program. Miss Gallardo, who is 21, will be working mainly with the children. The VISTA workers are sponsored locally by the Hereford Migrant Ministry and the United Church Women.

## VISTA Worker Arrives At Hereford Camp

Armed with bubbling enthusiasm and a desire to help others, 21-year-old Frances Gallardo arrived at the Hereford Labor Camp Wednesday to fill the staff of VISTA workers.

A native of Chicago, Miss Gallardo explained that her decision to join VISTA (volunteers in service to America) was not a spur of the moment thing. "I had it in the back of my mind for a long time that I wanted to do this. I felt I

needed a change and there are so many opportunities to help others in VISTA."

The youngest of five children, Miss Gallardo graduated from high school in Chicago and had done office work for two years before joining last month. She began a five week training program about Aug. 1 at Norman Okla., receiving two weeks of lectures and three weeks in the field.

During her field work, Miss Gallardo was with several agencies involved with the Negro community in the urban sections of Oklahoma City.

In Hereford, Miss Gallardo will be working mostly with work with the pre-school and 4-H during the day.

The arrival of Miss Gallardo brings the staff of VISTA workers back up to four. David Rader and Mary Schinnick arrived about a month ago to work alongside Keith Schroyer. Martin Winch finished his term of duty and left Friday.

Two officers of the Hereford Police Department were presented diplomas Friday afternoon following completion of a 10-day Law Enforcement School at Canyon.

Capt. Don Brush and Sgt. Ray Morgan received "Certificates of Completion" in recognition of having finished the school sponsored by the City of Canyon, Randall County Sheriff's Department and West Texas State University.

Instruction by attorneys, judges, FBI agents, and other local and area law enforcement officers began Aug. 28. It included "Review of Peace Officers Duties and Responsibilities, Laws of Arrest Without Warrant, Review of recent court decisions relating to arrest, searches and seizures, Evidence Laws, Searches and Seizures, Arrest Activities, Criminal Law and its Application, and Techniques of Investigation."

Purpose of the school was for "betterment of law enforcement." Other schools are planned in the near future.

### TEC Draws On Labor Supplies Of Other Areas

Anticipated need of a larger supply of labor in Hereford is being considered by Texas Employment Commission, which points out that through its clearance and training programs, labor can be furnished for any.

The commission will soon be in contact with Wilson & Co. in order to determine what Hereford will need to furnish in the way of a labor supply. "We can furnish the needs of any company," said one TEC official, pointing out that contacts are available throughout the country, and that labor supplies can be moved here quickly. "If it's a rush job, we'll do it on the job," the Amarillo official emphasized, pointing out that local businesses would not be undercut as the need for men becomes more critical.

Lt. Clifford L. Lewis

### Clifford Lewis Gets Commission

**SAN ANTONIO** — Clifford L. Lewis, son of Mr. and Mrs. Albert L. Lewis of Rt. 4, Winters, Tex., has been commissioned a second lieutenant in the U. S. Air Force upon graduation from Officers Training School (OTS) at Lackland AFB, Tex.

Lieutenant Lewis, selected for OTS through competitive examination at Chanute AFB, Ill., for training as a missile launch officer.

A 1962 graduate of Winters High School, the lieutenant received his B. B. A. degree in 1967 from Hardin-Simmons University, Abilene, Tex., and studied at Abilene Christian College. He is a member of Alpha Kappa Psi.

Lieutenant Lewis' wife, Avie, is the daughter of Mr. and Mrs. Virgil Justice of 210 Ranger St., Hereford.

England's Cornishmen keep alive such ancient Celtic events as the "Gorsedd," or council of druids and bards; ritual bonfires on Midsummer Eve; and something called the "Furry Dance."

## Ladies Volleyball League To Begin Play Tuesday

The newly organized Women's Volleyball League, already sporting such teams as "Ferguson's Frogs, Joy's Jerks, Barbie's Bullies and Lani's Loonies," will begin play Tuesday night, but more women still are being sought to play.

Linda Newton was elected president of the league during an organizational meeting Tuesday night, with Nicky Bryan being chosen secretary-reporter.

Also set up during the meeting was the game schedule. It was decided that games will be played at 7 p. m. each Tuesday in the Little Bull Barn. Women from age 13 to 55 are invited to participate and the public is invited to the games.

Women interested in playing volleyball should show up Tuesday night or get in touch with Mrs. Bryan at 364-4515, or Mrs. Newton at 364-4288.

coached by Barbie Ranspot. Players are Margaret Byers, Mary Shelton, Kathy Eller, Teresa McFaul, Louise Ferguson, Linda Padgett, Joan Culp and Glenice Crawford.

**LANI'S LOONIES** — Coached by Lani Walterscheid. Players are Doris Walterscheid, Jeanette Walterscheid, Yvonna Haney, Sherri Haney, Donna Fitzgerald, Elva Devers, Linda Newton and Nicky Nan Bryan.

**WOMEN'S VOLLEYBALL LEAGUE OFFICERS** — Linda Newton, left, and Nicky Bryan were elected president and secretary-reporter, respectively, during an organizational meeting of a Women's Volleyball League last week. Games will be held each Tuesday night in the Little Bull Barn.

### Soil, Seed Men Attend Plant Dedication

Andrew Kershen, county farmer, and Wilton Green of the Soil Conservation Service, along with Doyle Brook, Glen Miller and Cecil Lady of Miller Seed Co. here, attended the dedication of the Soil Conservation Service's Plant Materials Center in Knox City Thursday.

The plant, established in 1965, develops and improve grass varieties in fighting wind and water erosion. The plant serves Texas, Oklahoma and Eastern New Mexico.

Some 1500 persons attended the dedication, when Don Williams, SCS administrator out of Washington, D. C., was the featured speaker. Also on hand was state conservationist H. N. Smith.

Games will be played every Tuesday through Nov. 14, and then the women will reorganize in the middle of January to begin basketball.

The teams and their coaches include:

**FERGUSON'S FROGS** — Coached by JoAnn Ferguson. Players are Betty Walterscheid, Carol Rae Newton, Diana Doolley, Dorothy Maddox, Nancy Morgan, Nancy Haggard, Mary Vasek and Joyce Green.

**JOY'S JERKS** — Coached by Joy Morton. Players are Doris Rush, Theresa Albracht, Carmen Flood, Zula Arney, Phyllis Blankenship, Kay Tucker, Ann Cummins and Natha Carroll.

### Three Persons Sentenced In County Court

Three persons appeared before Deaf Smith County Judge H. C. Williams during the past week to face charges against them.

Narciso M. Gonzalez was sentenced to six months in jail and fined court costs on a charge of aggravated assault; Mrs. Richard Witson, charged with swindle with a worthless check, was fined \$1 and costs, and Terry Watson, charged with driving while intoxicated, was fined \$50 and costs and given one year probation.

### Items To Fill Ditty Bags For Servicemen

Sewing is virtually complete on ditty bags to be sent through Deaf Smith County Red-Cross Chapter for distribution at Christmastime to American servicemen in Viet Nam, but more volunteers are needed to provide items to fill the bags, Mrs. J. D. Love, chairman of the project, reports.

Items on the list are ballpoint pens (those with advertising are acceptable), paper-back books, small packages of writing paper with self-seal envelopes; plastic cigarette cases, plastic soap cases and toothbrush holders, terry washcloths or sealed packages of disposable paper washcloths, nail clippers, combs. Also pocket games (small decks of cards, chess, checkers or pin-ochle), small vacuum-packed tins of nuts or candy, wipe-and-shine shoe polish packets, and wick-type plastic bags, wind-proof cigarette lighters.

Cash contributions will be used by Red Cross volunteers to

purchase these items: Sewing on the bags has been done and is being completed by church women's organizations, Home Demonstration Clubs, Rebekah Lodge, and La Plata Junior High homemaking students.

### Wade Lewis Is Winner In AJRA Finals At Odessa

Wade Lewis, 18-year-old son of Mr. and Mrs. Walter R. Lewis Jr. of 149 Western, Hereford, was named the Reserve All-Around Champion in American Junior Rodeo Association finals held in Odessa recently.

Besides the championship award, Lewis was named the World Champion Calf Roper of the AJRA, as well as the winner of that event in the finals themselves.

His prizes include a belt buckle, an engraved saddle, a traveling trophy and a jacket.

Lewis is a student at South Plains Junior College in Levelland.

**CITIZEN OF THE MONTH** — Ben Gollehon, left, was named Kiwanis Citizen of the Month at the civic club's Thursday meeting. Presenting the award to the Hereford High School band director is Kiwanian Gene Cambell.

## Ray Todd To Head Kiwanis In 1968

Ray Todd was elected president of the Hereford Kiwanis Club, and Bobby Owen was elected vice-president, in that organization's regular meeting Thursday. These officers and new directors will assume their offices in January, when current president Dean Herring will turn over his duties to the new slate.

Directors elected Thursday are Bobby Veigel, Waldo Baxter, Bills Wells, Eugene Brink and Jeff Carlile.

Hereford High School band director Ben Gollehon was named Kiwanian citizen of the

month, with that award presented by Gene Campbell. Discussed at the luncheon meeting was the club's current project of selling cordwood, collected in New Mexico and transported and cut up here by the club members. Proceeds will go to civic projects.

The new president, Todd, has been with the Hereford schools since his arrival in Hereford in 1960. He has been a member of the high school coaching staff, and currently is principal at Central Elementary School. Owen is in the fertilizer business at Milo Center.

## Four Area Men To Be Included In Publication

The Board of Advisory Editors of OUTSTANDING CIVIC LEADERS OF AMERICA announced today that Wayne Thomas, Clint Formby and J. W. Robinson of Hereford and Steve Messenger of Friona have

been chosen for inclusion in the 1967 edition of this national publication.

OUTSTANDING CIVIC LEADERS OF AMERICA is an annual biographical compilation of approximately 6,000 civic leaders from all parts of the nation. The men and women included were nominated earlier this year by local city officials, Chambers of Commerce, and civic groups.

"They have distinguished themselves in civic work to the point of being outstanding," said Doug Blankenship, Past U. S. Jaycee President and Chairman of the Board of Advisory Editors of OUTSTANDING CIVIC LEADERS OF AMERICA.

Mayor Jerome P. Cavanagh, President of the United States Conference of Mayors, has said that "The men and women listed in this book through their abilities and services as civic leaders have earned the gratitude of all citizens. . . they have proved that America is confident of its ability to put aside doubt and take action."

The publication, OUTSTANDING CIVIC LEADERS OF AMERICA, was conceived by leaders of the nation's civic organizations. Its purpose is to nationally recognize the men and women who give their time for community development and inspire others to greater community service.

The book is 7 x 10 inches in size and contains approximately 800 pages. It is bound in a wine-colored hard cover with gold embossing. The 1967 edition is scheduled for publication in January of 1968.

## Parmer County Farm Tour Is Scheduled

FRIONA — Farms throughout the county area will be visited Tuesday during the first annual Parmer County Farm Tour.

To begin at 9:30 p. m. from the Friona High School cafeteria, the tour is being sponsored by the Friona Young Farmers Association, the Parmer County Extension Service and the Parmer County Soil Conservation Service.

Plans call for the tour to go as far as Farwell by noon and recess for lunch until 1:30 p. m. The tour will resume at the Parmer County Courthouse.

Visits will include certified seed-plots, tailwater systems, the Hi-Plains Feed Yards, construction site of Missouri Beef Packers' plant, five-year fertilization plots, Parmer County Cattle Co., at Bovina and test plots on varieties of grain sorghum, soybeans and sugar beets.

Thirteen golfers who shot 149 for the first two rounds of the U. S. Open missed qualifying by one stroke for the last 36 holes.

## Welfare Head Makes Report

Mrs. Jewel Smith, director of the county welfare office, reported on various aspects of the welfare business to members of the human relations committee of the Deaf Smith County Chamber of Commerce Thursday night.

She pointed out to members the differences between what her own county office administers, and what the state office (also located the county courthouse) is responsible for. State programs include Old Age Assistance, Aid to the Needy Blind, Aid to Permanently and Totally Disabled persons, and Aid to Dependent Children. These four state programs are administered in the form of cash monthly grants, Mrs. Smith said, explaining that her office had nothing to do with these programs.

The county's relief program centers primarily around emergencies, she said, pointing out that state agencies are not in any way equipped to meet such situations. Although she is the first person responsible for the allocation of funds, she told the committee that the "day of reckoning" comes the second Monday of every month, when the commissioners' court meets.

"We expect people to use their own resources before they ask the county for help," she told the committee, pointing out that the welfare agency has helped in employing persons in order to buy immediate needs, rather than merely handing out predated cooperation here with ministers of the various churches, the Salvation Army, Red Cross, Lions Club, the Hereford schools, and any other organizations or institutions concerned with welfare.

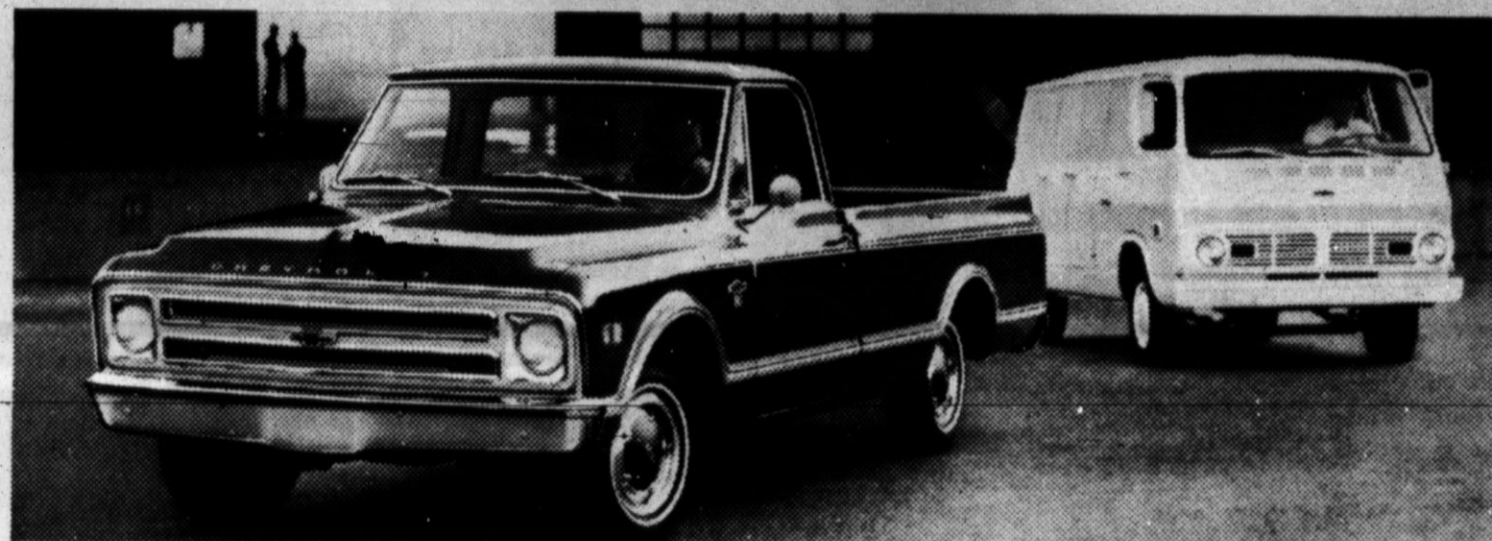

"Welfare is getting to be a big business," the office director here pointed out. "If people realized all the goings on that we have to deal with in our office, they probably wouldn't be so liberal in their attitudes toward welfare." Jobs "help people help themselves" are necessary in order to keep relief seekers from becoming perpetual. "We must be careful in order to keep from locking people into welfare pro-

grams." Welfare took about \$15,000 (inclusive of salaries) in last year's county budget, Mrs. Smith recalled. In other discussion, members of the committee decided to check into possibilities of tak-

ing a survey of wage rates in the Hereford area, in an effort to gain information on rumored labor movements and what the situation actually is in industry and agriculture here. Read The Classified Ads Today.

## Frio News

By MRS. OWEN ANDREWS  
Brand Correspondent

Frio Homemakers Club met Tuesday at Hereford Community Center. Officers for 1968 were elected. They are: President — Mrs. Dee Taylor; vice president, Mrs. Marvin Welty; secretary-treasurer, Mrs. Frank Robbins. The next meeting will be at the home of Mrs. Herbert Bruns on Sept. 19 and will feature a guest speaker.

College students are leaving these days to resume school work. Among those from this area are Nancy Gripp who will be a junior at Tech, Monte Gripp, a freshman at Tarleton State College, Stephenville, and Debbie Bank who will return to Tech for her sophomore year. Carol Robbins will be a freshman at Hardin-Simmons. Jana Cole will be a sophomore at Baylor and Nancy Axe a sophomore at Wayland. Virgil Barber will be a sophomore at Tech. Carolyn Anderson has gone to Salt Lake, Utah, to enter LDS Business College.

Her sister, Mrs. Cris Ottosen, and baby son, Nathan, and Mrs. Ottosen's sister-in-law, Dawnese Ottosen, all of Salt Lake were here recently to visit the Andersons and Carolyn went with them to Salt Lake. The Cris Ottosens were planning to move this week from Salt Lake to Monte Vista, Colo., where he will resume work in the logging business.

The J. L. Brooks, Dee Taylors and Deward Taylors of Friona spent last weekend on an outing at Ute Lake. Brooks' brother, Earnest Brooks of Comanche, Okla., came for the weekend outing.

Cynthia Ellerd spent the Labor Day holiday with her parents, the Oyd Ellers and family. She is employed at St. Anthony's hospital, Denver, Colo.

The Ellers took her to Amarillo Monday night to meet a jet for the return flight.

Mrs. Minnie Dent underwent surgery at Deaf Smith County hospital Tuesday, and is reported to be improving nicely. She makes her home with her daughter, Mrs. D. E. Banks.

Mrs. J. E. Warrick was taken to Deaf Smith County hospital Thursday, after falling in the kitchen of her home. She was resting well at the last report.

Mrs. B. H. Baldwin and the Homer West family attended a Baldwin family gathering at Plainview City Park Sunday. Mrs. Anna Baldwin, Albuquerque, was there and a large number of her children and grandchildren. The Wests and Mrs. Baldwin attended church at Happy Union, where Sid West of, Albuquerque, a nephew, preached Sunday morning. West is a ministerial student at Wayland College.

Gerald Harder left Saturday to be stationed at Ft. Leonard Wood, Mo., after spending a month's leave with his parents, the Earnest Harders, here. He had just completed a year's duty in Viet Nam.

Mr. and Mrs. Bill Struve, Kita and Bernice English and Junior Hargrove attended the Boys Ranch Rodeo Monday.

Mrs. George Zetsche and Ann, Cay, Jim and Jodie spent the weekend with her parents, the Owen Andrews. Zetsche was moving his brother, James, and family from Lubbock to Huntsville, where he will be a college instructor this year. James received his masters degree at Tech at the close of the summer session.

The Charles Springer and Dr. Dave Hamblen families spent the Labor Day weekend on a skiing and dove hunting outing at Lake Thomas, near Snyder. They also visited Dr. Hamblen's parents.

Mrs. Sam Ogan and Mrs. Charles Self attended a Llanos

Altos Associational officers' training clinic for WMU workers at First Baptist Church of Floydada Thursday.

Mrs. Joe Andrews had an exciting morning Friday, when a pan of grease set the kitchen afire. Loss of two cabinets and contents, a kitchen window and a lot of smoke damage resulted from the fire. Mrs. Andrews had much of the fire under control by the time her husband arrived in response to her urgent radio call for help.

Gregorio DeLeon

### Family Looks For Missing Relative

A Hereford family has intensified the search for a relative who has been missing for about two weeks.

Gregorio DeLeon, about 38, reportedly left the home of his brother, Mike of Route 2, about two weeks ago and hasn't been seen since.

Mike DeLeon told the Brand that it is very important that his brother be found because he has previously been mentally ill and will not even feed himself or talk to anyone when he is alone.

When last seen, DeLeon was wearing black dress pants, a white shirt and white shoes. He has a very light complexion, dark blond hair, green eyes, is about 5-foot, 5-inches tall and weighs approximately 180 pounds.

Anyone knowing the whereabouts of DeLeon are asked to contact the DeLeon family.

## C of C Recreation Committee Considers Summer Day Camp

The question of priority is being considered this week by members of the Deaf Smith County Chamber of Commerce's recreation committee, as they go over projects outlined at a committee meeting Thursday.

Various projects to be undertaken were explained by the committee members, who have been making investigations this summer. Among these were a summer day camp, a lighted baseball field, a YMCA, a miniature golf course and another nine holes of regular golf.

In the first meeting after the summer recess, the committee members agreed to conduct informal surveys before the next meeting in order to determine priority.

Don Blankenship gave a detailed report on the expenses involved in establishing a summer day camp; his summary indicated that a day camp, involving a full-time camp director and two assistants, could well be a paying affair, with investment in equipment to be completely paid for by the end of one season if about 40 boys participated. The proposed cost for such a camp locally would be \$10 a week per boy, a figure hopefully in such a range that it will attract youngsters from families who cannot send their children off to more expensive camps during summer months.

Another subject, a lighted baseball field, was brought up by Gene Loerwald. His investigations indicate that such an undertaking, if present fields were used, would cost in the vicinity of \$20-\$23,000. Another factor to consider would be the actual cost of the electricity used, and also whether or not materials could be obtained at cost.

Rodney Laubhan's recommendation that the Amarillo YMCA make a survey of Hereford's recreational facilities met with warm response from the chamber group, which moved that the Amarillo group receive the "go ahead" in surveying Hereford's facilities and needs.

Chairman Jerry Don George told committee members that a miniature golf course, done in the correct way, would cost about \$10,000 (inclusive of the cost of land). Chamber Manager Bill Thompson then pointed out that the need for an additional nine holes of golf was being felt, particularly with the advent of new industry.

## Water Ass'n Seeks Wide Membership

The membership committee of Deaf Smith County Water Association held its first meeting Thursday morning for breakfast at the Caison House. Austin Rose Jr., committee chairman, described the need for building membership and strong support in the water organization. "If there is anything of a business nature which should interest everyone in this community, certainly it is water — our lifeblood," Rose asserted.

Reporting present membership at 127 individuals and businesses, Rose suggested that within the next thirty days, the county water association should increase its membership to at least 500 and soon thereafter to 1,000. The membership committee proposes personal contacts with individuals and businesses not yet members. Although minimum annual dues amount to only \$10, several already have paid in \$100 for memberships and many have contributed \$25 or more. The primary purposes of DSCWA center around the conservation of presently available water resources, and the importation of supplemental water through projects being studied by State and Federal agencies.

Visiting at the meeting were Dick Godwin, president of DSCWA, and Ray Cowser, chairman of the importation committee. Godwin explained the importance of membership in both DSCWA and its big brother organization, Water, Inc., saying that "we all realize the necessity of large area representation which we have with Water, Inc., and yet we also need our local organization to handle local problems and to assure our inclusion in any importation project that is developed. We need one as much as the other, and everyone can afford \$10 to join DSCWA and \$25 to join Water, Inc."

Cowser referred to the importance of local backing needed for the effectiveness of his committee. "It would be impossible for us to convince State and Federal representatives that they should commit billions of dollars to bringing Mississippi River water to this area unless we can demonstrate concrete need and concern. In the first place, we have to do our part with Water, Inc., in project development, and in the second place, we have to show that we want a fair share of the water for our county and that we are willing to contract for it."

President of the chamber of commerce, Neil Cooper, emphasized the importance that the overall work of the chamber. Smaller committees working on local facilities are the ones building an ideal community which industries will desire to locate in, he stressed.

**Best Selling Novels**  
If future generations judge us by our literature, particularly our novels, we will be considered a decadent nation. Not only by the life which is presented in the present day novel, but by

the language as well. We do not object to four-letter words, per se — if they are necessary for characterization — but obscenity for obscenity's sake is trash. Very seldom do we find a clean and wholesome story in adult novel form and to them we give a gold star. Present day novels leave us depressed.

Perhaps Valley of the Dolls by Jacqueline Susann is this year's most often quoted or talked-about novel. Primarily it is the story of three women who struggle to reach the peak of success referred to as Mount Everest. Therefore they are the dolls who live in the valley.

The full gamut of emotions with hate, love, and fear predominant, are a part of their lives as they strive for success in various careers. Because of the pressure under which they

live, they turn to pills — pep pills, sleeping pills, anti-depressant pills, which are spoken of as "red, blue and yellow dolls." Through their use, at times augmented by liquor, they seek to escape to oblivion and peace.

Some of the other best sellers (which does not mean they are always the best books) listed by Time Magazine are, The Arrangement by Kagan, Eighth Day by Wilder, The Plot by Wallace, Washington D. C. by Vidal, The Chosen by Potok, Rosemary's Baby by Levin, The Secret of Victoria by Crichton, The King of the Castle, by Holt, Tales of Manhattan by Auchincloss and Fathers by Gold. Most of these are in the library.

Referring to magazines reminds us that the third issue of Southwest Heritage printed by our own Hereford Brand Manager, Melvin Young, and edited by Bill Knox, Harry Gilstrap and George Turner is we think the best one yet. From early publicity it is exactly what we expected from this type of magazine. Corinne J. Neely

**IN INDIAN THEME** — Mrs. Johnny Clark adjusts the feather in the Indian headdress of Mrs. Ed Wilson Jr. as Mrs. Maurice Tannahill sets up a teepee place card on a table decorated with Indian drum for the Hereford Study Club's supper Thursday evening in the home of Mrs. W. H. Gentry, left. The four hostesses and program guests were in Indian costume for the novel party.

## Club Is Coffee Hostess

Eight guests were entertained by Simms Study-Craft Club at its initial meeting of the fall Wednesday in the home of Mrs. James Cavin. Coffee was served in casual style and the only program was a general discussion of plans for the 1967-68 yearbook.

Regular programs will begin Oct. 4, when Mrs. Robert Lloyd will be hostess at her home.

Guests, who were all invited to become club members, were Mmes. Bill Hobbs, Tom Bullard, Lennon Young, Bernie Scott, Larry Harris, Mike Burnam, Willis Duggan and Glen Rusk.

Members present included Mmes. James Bullard, Charles Durham, Leland Burns, Julian Perrin, Lloyd, Dwayne Cassels, Jim Perrin and Terrell Hodges.

**CLUB MEMBERS GATHER** — Chatting at the entrance of the back porch at Mrs. R. N. Yarbro's home, with glimpses of blooming flower beds in the background, are some Bud To Blossom Garden Club officers and committee members at a Friday morning coffee.

## Lone Star's Meet Slated

Revealing the year's program theme and meeting plans, the yearbook committee of Lone Star Study Club will give the program at a Coke party Tuesday afternoon in the home of Mrs. Ed Warren, where they will be hostesses.

Mrs. Vivian Major and Mrs. Bruce Brown are on the committee with Mrs. Warren. Mrs. Major will preview the program outline and Mrs. Brown will read a fall poem.

Highlights of their summer experiences will be related by club members to answer roll call at the informal meeting.

## Powder Puff Derby Set For Action

A Powder Puff Derby and the addition of drivers from several area cities are expected to create action aplenty today at the Hereford Speedway.

Races for Sept 17th have been canceled and will be run on Sept. 24th along with the Championship Races and a Demolition Derby.

Races begin at 3 p. m. on the track just east of Hereford and south of U. S. 80. Signs mark the route.

**MIDDLEMAN'S MISERY**  
NEW DELHI — A resident complained to newspapers that city officials were mistreating him.

He said he was served with a warrant ordering him to repair a wall in his building, and that after repairing the wall he was served with another warrant alleging the construction was unauthorized.

## Pow-Wow Theme Used At Supper

A Patio Pow-wow, with hostesses in Indian costume complete with feathers in their hair, was the first program of this fall for Hereford Study Club, a salad supper Thursday evening at the home of Mrs. W. H. Gentry.

Fringed and beaded dresses in squaw style were worn by Mmes. Ed Wilson Jr., Johnny Clark, Maurice Tannahill and Gentry, members of the yearbook committee who were hostesses. They decorated supper tables with Indian dolls, drums and teepee place cards.

Indian dances and a ceremonial learned at summer camp this year were presented by Camp Fire Girls for the program, directed by Mrs. Lewis

Lea and introduced by Mrs. Art Stoy.

Camille Pavlicek gave two readings, Rain Song and Where The Fight Was, and Mary Stoy presented a hoop dance. Both are members of Shot-U-Aya Horizon Club, a Camp Fire Group which Hereford Study Club has sponsored for the past decade with Mrs. Stoy as leader.

The ceremonial and dances, prefaced by a brief review of camp activities by Mrs. Earnest Langley, were staged by Kandi Hill, Shelly Rush, Kerri and Kim Dameron, Barbara Brooks, Lisa and Leigh Ann Allen, Angela Grubbs, Sheila Lea and Carolyn Langley.

All the girls were in Indian costumes. They completed their program by teaching club members an Indian round dance in which all joined.

Mrs. R. N. Yarbro presided for business. Members voted to give a gold medallion award to the first member of Shot-U-Aya Group who earns this high Camp Fire award, toward which several are working.

Yearbooks listing a varied study program for the new season were distributed.

Members present included Mrs. Ray Conway, honorary member, Mmes. Labry Ballard, N. D. Bartlett Jr., T. E. Brady, S. L. Garrison, Noble Howard, Merlin Kaul, Marvin Knox, Baxter London, Don Robinson, C. R. Winget, J. W. Witherpoon and Miss Gladys Seffiff.

## Ideas Aired For Project In H.D. Club

Suggestions of work the club can do for community improvement were discussed in North Hereford Home Demonstration Club Thursday afternoon, as the basis for later selection of a project for this year.

Mrs. Paul Hoff was hostess in her home for the first meeting after a summer recess, and presided for business. Date of the next meeting was changed to Sept. 28 to avoid conflict with dates of the annual Texas H. D. Association convention to be held at Fort Worth Sept. 19 and 20.

Several members plan to attend this State meeting. Reports from them and other county delegates will be given at a luncheon in Deaf Smith Bull Barn at noon Sept. 25.

Mrs. Philip Gregory and Mrs. Viola Williams were welcomed as new club members and Mrs. Herman Benavidez as a guest. Members present included Mmes

## Bud To Blossom Club Has Coffee

Home Beautification will be the overall program subject for Bud to Blossom Garden Club this year, members learned as new yearbooks were reviewed at the first fall meeting Friday morning.

Mrs. R. N. Yarbro was hostess at a coffee in her home. The informal program was in charge of the yearbook committee, Mrs. Frann Battenfield, chairman, Mmes. Bob Cooper, Bill Nelson, Ernest Kendall and Lloyd Sharp.

Growing-of-house-plants is to be a project of the year; each member was asked to start at least two potted plants, one to be taken to Girlstown later in the season.

A rummage sale was planned for next Saturday to benefit the club treasury. Mrs. Bruce Brown, beginning a term as president, conducted business.

Mrs. Andrew Kershen and Mrs. G. S. Wheeler were guests at the coffee with Mmes. Calvin Edwards, W. H. Gentry, Sam Long, Louis Orleans, Herbert Stoerner, Delmo Williams, J. L. Markum, Herbert Bruns, Battenfield, Cooper and Brown, members.

If you want to serve cold stuffed tomatoes for lunch and don't feel like scooping out the insides, just slice the tomatoes, spread with the filling and stack. One tomato to a person — on salad greens. And pass a good salad dressing.

# Casa de Amigos

By MARTIN WINCH

The effectiveness of the present-day Casa de Amigos and VISTA projects is due in large part to the dedication, energy, and ability of Eunice Vasquez. Eunice is nearing completion of her third year as permanent employee of the Hereford Migrant Ministry at the Labor Camp. She lives in an apartment at the east end of the Casa de Amigos.

Eunice was born in General Teran, Nueva Leon, Mexico. She retains her Mexican citizenship with love, loyalty, and pride.

The first-born of four children of Jose Maria Vasquez, a Methodist minister, Eunice was raised in eight communities in Northern Mexico and now calls Piedras Negras her home. She has resided in Mexico City and has spent over five years in the United States. During better than two years Eunice lived in Austin, where she attended Nixon Clay College while working part-time as a secretary.

She also did some social work in the city's Spanish-speaking areas.

Eunice has three younger brothers, all of whom currently live and work in the United States. The eldest brother, Emilio, lives in Hereford and supports a family of two boys and two girls. Rodolfo, single and employed by the Hereford Independent Schools, has built and driven a race car, completed two years of college, and worked for several years in this country. Youngest of the brothers is Jose Maria, Jr. Recently married, Jose Maria worked this summer at the Muscatine (Iowa) Migrant Center and was a disc jockey as well. He is currently visiting in Hereford on his way back to college in Mexico.

In the summer of 1959, Eunice worked here in Hereford under the sponsorship and direction of the United Church Women of Hereford. The local women had contacted her through the Texas Migrant

Ministry, an affiliate organization of the Texas Council of Churches. For six weeks, Eunice, lived with Mrs. Bob Pipkin and worked in Barrack 2 at the Labor Camp. Mornings she spent with the children. In the afternoon, she conducted adult classes in English, cooking, and sewing.

After working the summer of 1959 in Hereford, Eunice returned briefly to Piedras Negras and then went on to Mexico City. There she attended La Escuela Metodista para Diaconisas for two years. In addition to standard curriculum courses, her studies included social work and pre-school and elementary education.

Following her studies in Mexico, Eunice again returned to Piedras Negras, where she became employed as the city's international telephone operator. Anyone who called in or out of Piedras Negras to or from this country between February, 1963, and December, 1964, was assisted by the bi-lingual and bi-cultural abilities of Eunice Vasquez.

The job as program director and co-ordinator at the Casa de Amigos had been vacant since the Vargas family left in August, 1964, for teaching positions in Kentucky. Early in the fall of 1964, the Texas Migrant Ministry suggested Eunice to the

Eunice Vasquez

Hereford Migrant Ministry as a candidate for the position. After considerable thought, Eunice accepted. John Aikin arranged for a visa in record time, and Eunice drove into Hereford on the cold Sunday morning of January 2, 1965.

I have devoted most of this sketch to Eunice's background. Her current achievements are very much a part of the lives of all of us.

Eunice not only advises and co-ordinates activities at the Casa de Amigos, she makes the programs run and work. Under the Migrant Ministry Board, Eunice also supervises the work of the four VISTA workers at the Labor Camp. She serves as treasurer for the San Pablo Methodist pre-school.

# Katie Makes Friends Fast

Katie Laine has apparently taken to Hereford High School just like duck takes to water — fast and naturally. Katie is one of this year's American Field Service foreign exchange students, coming to this country from Finland.

For this school year, she will be the 18-year-old daughter of Dr. and Mrs. Hap Cavness, 129 N. Texas Ave.

Katie likes the friendly, informal atmosphere that Hereford High has shown her; the kiddoes are treating her "as if they had known your forever," Katie laughs. Making friends is no problem in this city.

Enrolled in English III, American history, Spanish I, choir, speech and typing, Katie is carrying the full load along with all the others. She is a senior. She spends quite a bit of time studying, for language is yet a barrier to her; she has found American history to be the most difficult so far, but predicts things will be a little easier once English comes naturally.

Although she does not think Hereford High School will be any easier than her school back home, Katie points out that taking a mere six subjects is quite a change for her; students in her hometown take some 14 to 16 subjects, all within a school day. Unlike HHS, vocational subjects and business classes are not offered in her home school, where she will spend another two years upon her return to Finland.

If Katie were to compare Finnish youth to American youth, she could tell you, first of all, that the skirts are shorter in Finland! But, besides this small item, Katie believes

that American youth show a bigger enthusiasm throughout their schools, and their clubs and it extends on into politics.

When queried on what a Finn's general impression of an American might be, Katie could list no pros or cons — there is nothing in particular that she could mention here. Family life is much the same in the two countries, and this young lady predicts no serious problems: "I have such a marvelous family here. I haven't been very homesick," she comments as she looks forward to a study of American culture. Upon her graduation from secondary school, Katie hopes — like all Finnish youth, she points out to attend a university where she anticipates studying languages, English as a major. She hopes to spend time abroad before returning to Finland to teach.

There is one item that has been crossed off her list as far as activities are concerned; a recent horseback ride (her second, the first was at home) convinced her "I decided I don't do it very many times any more."

Katie didn't do much day-dreaming about what America would be like; she just decided to come and see, she says, and really likes to be here.

**CLASS MEETS FOR COFFEE**  
Coffee and conversation entertained members of First Baptist Phebean Class at a recent morning meeting in Mrs. Dallas Phillips' home. Present were the teacher, Mrs. A. H. Cook, and Misses Richard Clark, Tommy Weemes, Travis Taylor, David Honea, Larry Paschal and Charles Watson.

**WEALTH OF BLOSSOM** — Hereford Garden Club officers and their guest speaker at a Friday luncheon examine some of the numerous blossoming African violet plants which were displayed during the program. From left are Mrs.

## Violets Bloom As Part Of Garden Club Program

Scores of African violet plants described as America's No. 1 house plant and the ideal hobby flower for older persons and the handicapped as well as other flower lovers, were on display for Hereford Garden Club members and guests at a program open to the public Friday afternoon.

A variety of blooms ranging from white through pinks and lavenders to deep purple beautified the plants, many of which were given to club members who will grow them for use in decoration for the District I convention of Texas Garden Clubs Inc. here next spring.

Mrs. V. N. Osborn of Pampa, an authoritative speaker on African violets and a grower who has more than a thousand plants at her home, was the program guest introduced by Mrs. Ben Childers, program chairman, at Community Center. Mrs. Osborn's daughter, Mrs. Thelma Bray of Pampa, assisted her.

The speaker is a national flower show judge, member of the National African Violet Society and contributor to its publications, and chairman of African violets in District I. She

showed numerous slides illustrating the propagation and growth of the plants and use of their blooms in flower arranging.

Each club member was given a rooted leaf by Mrs. Osborn, and also plants as the gift of a Hereford grower, Mrs. O. Wertenberger.

The program followed an hour of casual conversation as the club had its first study session of the fall, and a salad luncheon served at tables decorated with dahlias and marguerites.

Dedicated to Mrs. Alex Thompson, who holds the longest continuous membership in the club, yearbooks for the 1967-68 season were presented by Mrs. Childers.

Mrs. Ray Johnson presided for committee reports. Mrs. W.C. Hromas, finance chairman asked members to cooperate in a talent project in which each is to use a dollar from the club treasury to earn as much more as possible.

Mrs. R. L. Wilson, horticulture chairman, asked for lists of plants, shrubs and trees started this year by members, especially new varieties. Mrs.

Ralph McCullough, civic development chairman, reported on work done this year on the memorial garden maintained by the club at Hereford High School.

Mrs. John Jacobsen Jr., projects chairman, gave a resume of projects. Those of national garden clubs are the anti-litter campaign and purchase of books on gardening for home or club library use, also a John F. Kennedy Memorial planting at the National Art Center in Washington, D. C., to which the Hereford Club voted a contribution.

The club is also sharing in the state project, landscaping of grounds at the Texas governor's mansion in Austin, and the district project, a scholarship fund which is near its goal of \$5,000.

**CARD OF THANKS**

We would like to thank everyone for their many kindnesses, gifts and especially for the visits.

A special thanks to the doctors and nurses who were so helpful during Gary's stay in the hospital.

## Vets Should Apply Soon For Benefits

Texas veterans who have been accepted for college this fall should apply immediately to the

Veterans Administration Regional Office at Waco to make arrangements for benefits available to them under the GI Bill, according to an announcement from Jack Coker, manager of that office. Veterans with more than 180 days of military service, with any part of that time after Jan. 31, 1955, are eligible

for monthly allowances of \$130 or more. Applications should be obtained from and returned to the Waco VA office along with a copy of the veteran's separation document, DD Form 214, after which the office will issue the veteran a certificate of eligibility which he should submit to the school when he enrolls.

Under the new Viet-Nam GI Bill rates, effective Oct. 1, 1967 full time veteran students are entitled to the following increased monthly payments: \$130 with one dependent; \$175 with two dependents; \$175 with two dependents in excess of two. Part time students will receive proportionately smaller amounts.

Coker said that veterans applying for allowances for dependents should furnish the VA office with a certified copy of their marriage license and birth certificates.

Also pointed out by Coker are several other provisions of the bill signed into law by President Johnson. These include full assistance to "educationally disadvantaged" veterans enabling them to complete high school without reducing their eligibility for advanced educational benefits, monthly allowances for on the job training, and other provisions affecting veterans from the Vietnam era to the Spanish-American War.

More information pertaining to these provisions may be obtained by contacting the Regional VA office in Waco, or C. O. Wilkins in Hereford.

Wilkins, area manager of the VA, will be in Austin the week of Sept. 10-15, attending a VA Clinic.

**How Many Do You Know?**

By Mrs. Argen Diaper  
Home Demonstration Agent

The Harvest dinner prepared by the American Legion Auxiliary was very tasty and the Auxiliary members are bragging about serving 19 locally grown vegetables and 5 locally grown fruits made into cobblers and pies. Can you name 19 vegetables grown here? And 5 fruits?

**NO, POTATOES** aren't fattening. No food is fattening until your body's need for calories has been met. Surplus food from any source is changed to fat and stored in the body.

Here is how this statement is figured: One medium-sized potato, 5 ounces, supplies 90 calories. This is about the same as a medium-sized apple, ear, grapefruit or orange, none of which is considered a high-calorie food.

Added fat and gravy, often served with potatoes, do increase the calorie count considerably.

For example, fried potatoes may be two to three times as high in calories as the same weight of boiled or baked potatoes. And the sour cream or butter or margarine added to the baked potato for tastiness also add up in the calorie category.

But, it's not the potatoes that add pounds, it's the surplus calories from other sources.

**ONE-STOP SHOPPING**, at one time unique to the days of the pioneers, is again entering the American scene. Take a look at the average grocery bill. It will likely show an average of \$20 spent for food and another \$4.60 for non-food items. This is shown by some recent figures from the USDA.

In the past 10 years, food sales have increased 51 percent, while non-food sales in grocery stores have increased 140 percent.

Much of the grocery money today goes for items to stock the bathroom, cleaning closet, toys for the children, magazines and all of the hundred and one other items found in the modern market.

**ONE SUCH ITEM**, cigarettes is purchased in the grocery store because of convenience and economy of the carton. The supermarket is, in fact, the greatest single outlet for cigarettes. Today, 30 to 40 percent of the nation's sales are in grocery stores, whereas five years ago, supermarkets accounted for only 28 percent.

Small kitchen utensils and gadgets, snack sets, patio furniture — all are frequently la-

beled as impulse items in the grocery store. Magazine sales have increased as much as 38 percent in one year in the supermarket.

And the trend is for more and more non-food items to be bought through this market. In 1948, 11 percent of the grocery dollar went for non-food items. In 1959 the figure stood at 15 percent; today's figures show 23 percent.

**THE VISTA WORKERS** were in the office Friday discussing plans for work at the Labor Camp. The current workers are Keith Schroyer, Jacksonville; David Rader, Seattle; Mary Shinnick, Vancouver and Fran

Gallardo, Chicago. Fran has been here two days.

They have some interesting plans for work this fall at the camp. Too, plans are being made to begin the 4-H units at St. Joseph's. The fifth and sixth grade girls will have clothing and foods and the boys possibly a science unit.

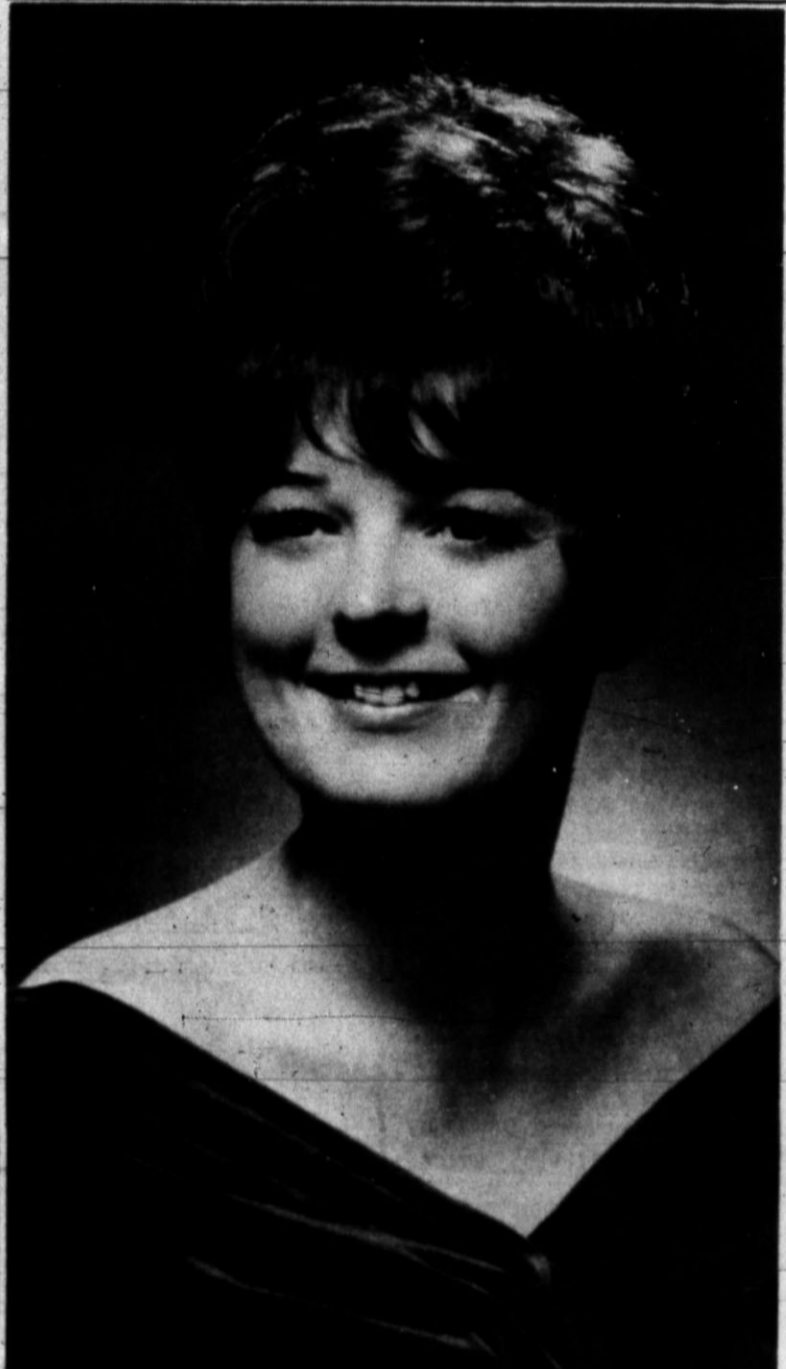

The VISTA workers, along with many other persons, are presenting some good work at the camp.

**Church Women Aid On Program**

Five women from First Christian Church attended a district Women's Retreat at Ceta Glen Saturday and presented a skit as a part of the evening program.

In the group were Mmes. Robert Veigel, Jack Allen, Eugene Brink, Carlos Vaughn and Forrest Ricketts.

When those plums are ripe, they should yield to slight pressures.

**ENGAGEMENT ANNOUNCED** — Mr. and Mrs. Pete L. Carmichael, 213 Sunset, announce the approaching marriage of their daughter, Shari Jo, to Wiley France James III, Ensign, United States Navy. An October wedding is planned at First Christian Church. Ensign James is the son of Lt. Col. and Mrs. Wiley F. James Jr. of Sumter, S.C., and a 1966 graduate of the University of Texas where he received scholastic honors in the College of Arts and Sciences. Miss Carmichael has attended the University of Texas and also West Texas State University. (Angel photo)

Kaufman (left) a Senior Floor Official of the Exchange, records data concerning the opening transaction for Roy V. Edwards, president of Wilson & Co. The company has recently announced plans to build a major meat-packing plant near Hereford.

## Stock Exchange Opens Trading of Wilson Stock

The American Stock Exchange Tuesday opened dealings in the common shares of Wilson & Co., Inc., Chicago, Illinois, a major packer of meat and food products. Trading opened on 1,400 shares at 24 1/2. The ticker symbol is WIL.

Wilson & Co. was organized by Ling-Temco-Vought, Inc. in April of 1967 as one of three corporations to succeed to the business of the predecessor Wilson & Co., which was merged into LTV on June 19. The newly organized company is continuing the meat and food products portion of the predecessor's business.

The company has recently announced plans to build a major meat packing plant on a recently purchased 400-acre tract of land southwest of Hereford, with an expected kill of one-third million head annually.

Wilson & Co. sells its products to a world-wide consumer market. Nationally advertised brand names include the names "Wilson's Certified" and "Big Eye" for meats, "Corn King," "Tender Made" and "Festival" for processed meats and foods, "Clearbrook" for dairy and poultry, and "Bake Rite" "Advance," "Frosto" and "Fry-rite" for shortening, animal fats and vegetable oils.

In addition to its Chicago headquarters, the company maintains facilities in Albert Lea and Faribault, Minnesota; Cedar Rapids, Cherokee and Eagle Grove, Iowa; Omaha, Nebraska; Oklahoma City, Oklahoma; Denver, Colorado; Kansas City, Kansas; Ogden, Utah; City of Industry, California; Landover, Maryland; Boston

## L'Allerga Club Chooses Project

Major project for L'Allegra Study Club this year will be assistance in the special education program of Hereford schools, members decided at their first fall session Thursday afternoon. Mrs. W. C. Russell was hostess in her home.

Mrs. Alex Schraeter, immediate past president, gave the program designed to acquaint new members and remind those of longer standing of the club's history and purposes.

Scrapbooks holding reminders of past years were examined as she reviewed programs and projects, related some phases of club history and sketched provisions of its by-laws.

L'Allegra members are acting as hostesses at Deaf Smith County Museum during its open hours this month, and assignments for this duty were discussed.

Tentative plans were made for a tasting luncheon, similar to one held last year by the club to raise funds for its project. The local school aid pro-

## Year Previewed By Garden Club

Looking forward to the annual tour of homes which Garden Beautiful Club will sponsor Oct. 13, and on to further programs of the club year, members looked over 1967-68 yearbooks at brunch on the patio of Mrs. Don Robinson's home Friday morning.

Yearbook committee members, Mmes. L. H. Lookingbill, N. D. Bartlett Jr. and B. E. Roberson, were hostesses for the initial meeting of a new season. An attractive table was arranged in the outdoor setting, with a half melon heaped with fruit snacks and surrounded with glossy green leaves in the center.

Mrs. Charlie Noland, president, greeted members at the beginning of the year and Mrs. Lookingbill presented the year-lined for the season includes

two film showings, a travel talk on Hawaii and a tour of an art colony and Palo Duro Canyon.

Complete plans for the tour of homes, which will be open to the public, are being made by the flower show committee headed by Mrs. Ray Cowser

and the ways and means committee with Mrs. Lee Witkowski as chairman. They are to report at the next meeting, Oct. 6, when Mrs. Roger Brunley and Mrs. E. W. Young are to be hostesses.

A new member, Mrs. Clifford Trotter, was welcomed by the hostesses, president and Mmes. Tom Carter, Cowser, V. O. Hennen, Charles Hood, Will S. Kerr, Ansel McDowell, Homer Newton, Deward Roberson, Roy Swanson, J. Howard Walker, Witkowski, Young, J. L. Woodford and T. E. Seigler.

# Community Concerts Campaign

Sept. 11-16

CAMPAIGN PIN for membership chairman is pinned on Bill Thompson's lapel by Mrs. Jimmie Gillentine, co-chairman of publicity for the newly-organized Hereford Community Concert Association which will stage its first membership drive next week.

REVOLVING AROUND two stellar attractions already booked — concerts by pianist Peter Nero and the Texas Boys Choir — workers who are recruiting members here are headed by Association officers. Dale Young, standing, president; Mrs. Joe Reinauer, secretary, and Dr. Milton Adams, vice president.

# Young Mother Native Of Downstate Region

By SUE COLEMAN

A "temporary feeling" has been permanent for Mrs. Gerald Payne in all the homes she has occupied since her marriage, until she moved to Hereford last month.

NOW SHE SAYS it is delightful to "meet someone and think

you'd like her for a friend, and know that there is time to make friends."

Dr. and Mrs. Payne and their three children are at home at 220 Star, and she is not at all concerned that there is no furniture in the living room yet, "because there is plenty of time

to find just what we want, and put it just where we want it."

"Plenty of time" is something she has not had in previous homes, where she knew they would be residing only a short time while Dr. Payne was in school, serving an internship and then spending time in mili-

tary duties. HE CAME HERE to join Dr. J. H. McCrary in practice at the Family Medical Clinic, after discharge from the U. S. Navy. The Paynes and McCrarys have been friends since the two doctors' student days, when they were neighbors at Irving.

Four years residence at Irving was the longest the Paynes had in any one city since they married when both were teenagers. Their families lived at Breckenridge and they were in high school there.

Mrs. Payne grew up with roots in her home town; her parents before her lived there, and so did her maternal grandparents, old-timers in the Central Texas city.

SHE ATTENDED the University of Oklahoma at Norman with her husband for a time, ending her student days to give time to her family. After Norman their home was at Irving, then at Fort Worth during Dr. Payne's internship, then there was a nearly a year at Albuquerque when he began his Naval service.

While he was overseas, in the Viet Nam combat area, Mrs. Payne and the children went back to Breckenridge to be near their families. For a few weeks preceding his discharge, they were in Corpus Christi.

Like most new residents, they are finding it easy to become acquainted in Hereford. Mrs. Payne says it is always easy to meet her neighbors because children on the block quickly know each other to pave the way for parents' acquaintance.

HER TWO OLDER children, Gerald, 11, and Renee, 9, are in school now but two-year-old James is still his mother's companion at home, and claims the roomy den which now serves also as the living room, for his playroom while his brother and sister are away.

Mrs. Payne, who in appearance might still be a coed rather than the mother of two students, says her favorite household task is cookery and she likes especially to make desserts.

Despite "drawers full of recipes that sound so good I know we'd like them," she says she stays with standbys which the family eat with pleasure, rather than trying many new recipes.

SHE IS LEARNING to sew with the view of making clothes for her daughter and herself, and she "dabbles" in crafts such as papier-mache work.

An impulse to paint led her so far as to buy the paints, but she hasn't had time to try them yet. Refinishing old furniture is a hobby that has rewarded her with several pieces.

Reading is another recreation she enjoys, and bridge "just for fun, not seriously." Outdoor pastimes appeal to the family, but

## DELHI'S DETECTIVE

NEW DELHI- The country's first nighttime canine police patrol is soon to be started in New Delhi, in areas of the highest crime incidence.

Police officials said that patrols will have 18 dogs initially. The city also plans to establish the country's first Mobile Scientific Aid Unit, enabling fingerprint experts and other technicians to move to the scene of a crime.

# King's Manor Announces

Announcement is made today by Huge Clearman and Dr. Don R. Davidson that the Annual Founder's Day Dinner for the Association of King's Manor Founders will be held on Monday evening, October 2nd at 7:30 p.m., in the Fellowship Hall, in the First Methodist Church in Hereford.

Mr. Hugh Clearman is President of the Association of King's Manor Founders, and Dr. Don R. Davidson is the Executive Director of the retirement complex known as "King's Manor".

The Founder's Day dinner is a meeting of the members of the Association of King's Manor Founders. Memberships are achieved by making a donation to the promotion program for King's Manor. Gifts to the dinner last year averaged more than \$100.00 each. The goal continues to be an average of \$100.00 per plate, but all gifts of \$10.00 or more provide membership in the association.

To secure tax exemption for the gifts no part of the giving is applied to the cost of the dinner.

More than 20 members of the Association have given more than \$1,000 each and thus are Life Members. The highest gift ever received was \$28,000. The home has received a number of gifts of \$10,000 or more. These gifts make possible \$20,000 per year in personal subsidy care, with an additional \$20,000 expended on The Home that is not paid by the residents. This has been true for two consecutive years. The trustees, the staff, and the residents take pride in this fact.

Gifts may be made this week to Mr. Hugh Clearman or Dr. Davidson at the office in The Manor. Tickets for the dinner are provided when gifts are received.

The dinner will be closed when 150 gifts have been received.

WEDDING PLANNED — Engagement of Miss Ethel Jones and Douglas Melendy is announced by her parents, Mr. and Mrs. Edward Jones of Amarillo. The couple plans a November 3 wedding in South Lawn Church of Christ, Amarillo, and a home in Hereford where both are employees of Deaf Smith County Hospital. The bride-elect is a graduate of Amarillo High School and Northwest Texas Hospital School of Nursing. Melendy, son of Mrs. Glendene Melendy of Mason, Mich., and Raymond Melendy of Jackson, Mich., completed high school studies in Jackson and is presently a student in West Texas State University. (Bradly photo)

with no consuming interest.

"We loved the beach at Corpus Christi, the mountains at Albuquerque and the lakes around Breckenridge," she says impartially.

Except for the Hereford Medi-

cal Auxiliary, composed of wives of the city's doctors, she holds no club memberships, but now that she has permanent resident status, she can look for groups which interest her — she has plenty of time now.

## LAE Club Has Informal Opening Of New Year

Americanism is the program subject for La Afiliatus Estudio Club this year, and the yearbook committee presented a preview at a coffee which opened the season in the home of Mrs. B. F. Markham, president.

Topic for the first program, set for Sept. 19, is "Your Rugged Constitution" and at other meetings members will study such topics as American Diplomatics, The Forty-Ninth State, Diminishing Resources, American Minority Groups, and, on Texas Day, the career of Sam Houston.

Mrs. A. H. Cook, Mrs. T. W. son, council member.

Roberson and Mrs. Al Lee are on the yearbook committee.

Highlights of the summer, with mention of pleasant vacation trips and family visits, were given by members at roll call, as a part of the informal opening program.

Club officers who are serving the second year of a two-year term, include Mrs. Walter Johnson, vice president; Mrs. George Suggs, secretary-treasurer; Mrs. Sam Morgan, reporter; Mrs. A. N. Hopson, parliamentarian; and Mrs. Roberson.

WINONA JACOBSEN

# Playschool Keeps 'Em Happy While Mom Works

It's a noisy business at 903 Union Avenue, and one that keeps owner-manager Mrs. Winona Jacobsen tied to the house every day; she loves it.

She is operating "Winona's Kiddie Playschool," catering to working mothers who need a decent place for their children to stay while they are at work. Winona is out to give the youngsters a happy daytime so they won't be cross when time comes for the journey home in the afternoon.

Winona's Kiddie Playschool is licensed to care for 20 youngsters; the house is filled with children from as early as 7:30 in the morning until late in the afternoon, with the only breaks for Mrs. Jacobsen and her assistant, Mrs. Buck Barnett, coming when all the youngsters are asleep early in the afternoon.

Child care is strictly regulated by the Department of Public Welfare of the State of Texas, the agency which has licensed Mrs. Jacobsen. She began her business in March, 1966, and has been helped along by her husband, who has worked to provide some of the equipment necessary in a licensed day nursery.

The backyard has a carnival atmosphere for the imaginative youngsters, who can swing on their horse ponies or ride their circus merry-go-round (the real thing, but with the motor disconnected). First it's a merry-go-round, then a boat, next a train or whatever seems to fit the mood of the moment. This sort of activity is the favorite of the children, and takes up

most of their time when the sun is shining.

After a morning of hard playing, these kiddoes are ready for the cots, where they stay for a good part of the afternoon.

Regulations from the state require that a day nursery meet minimum specifications as far as indoor and outdoor space are concerned; health certificates are required of all children and all supervisors, and there are regulations specifying diet for the children during the day. Mrs. Jacobsen has met the minimum requirements, and throws in a few extras besides.

Time is taken out in the mornings for cookies and milk, and then it's time for morning exercises — including the pledge of allegiance to the flag, stories, singing, whatever seems to be fitting for the moment.

These modern youngsters (who are smarter than her generation was at that age, laughs Mrs. Jacobsen) do get their share of television, but only in

the early mornings and late afternoons. Mrs. Jacobsen has found a good way to handle the large group of youngsters: "I never make them do anything, except join in the pledge to the flag." The system works with her playing as referee all the day.

When the afternoon comes and children have had their lunch, it's not hard to convince them that they ought to take a nap; three rooms of the house are covered with small cots made by Mrs. Jacobsen's husband, Chris, a welder.

Several children leave early in the afternoon, and by the time the last one has left in the late afternoon Mrs. Jacobsen and Mrs. Barnett have put in a full day. A mother will ask if she's tired, and Mrs. Jacobsen will tell her not at all. . . she loves her work, and by throwing in a little loving for the kiddoes she has found a tremendous satisfaction in her new career.

**IN THE AFTERNOON** — After a morning of play, these little cots spread over three rooms of the nursery are a welcome sight to youngsters, who can sleep their afternoon away until mothers come to pick them up.

**HOMEGROWN UFO'S**  
While warm weather is still with us, it is smart to remember that unidentified flying objects — such as candy wrappers, for example — can be highly dangerous when whirling around inside moving automobiles. Loose papers suddenly caught in the

wind when a window is open will obscure the driver's vision and cause accidents, an auto authority says.  
Don't clutter up the back shell with candy wrappers, unpaid bills, credit card receipts or paper saucer. They could fly.

**IN THE MORNING** — A pledge to the flag and a mid-morning snack are highlights as far as indoor activities go at Winona's Kiddie Play-school, 903 Union. But, as Mrs. Chris Jacobsen will tell you — these kiddoes would much rather be outside!

## —Small Talk—

By SUE COLEMAN  
Our typically unusual weather must have been a little more so this summer. Anyhow, a lilac bush at Community Center is terribly confused.

**IT IS FRESH** and gay with springtime bloom, probably the result of our August winter season followed by a sunny day or two.

You can't blame the lilac but there isn't much time to sympathize with it, what with the delving into storage for blankets and warm clothing, then seeing the sun out again and the air conditioner needed — for a little while.

**THERE MAY BE A shortage** of muu-muus here before the month is over if many more Hawaiian parties are planned, and I hear that grass skirts are already in short supply.

At any rate Virginia Stevens complains that she isn't able to find one to wear to the Secretaries Association dinner for bosses next Friday evening, but she declined my offer to supply enough tall grass to make one, out of my yard. Said her boss

has a touch of hay fever so she thinks it will be more thoughtful to wear the muu-muu.

Another club with a Hawaiian costume party in view is the Calliopean. Seems that most clubs are going to extra lengths in planning specials for meetings after the summer holidays.

**MOST EFFICIENT** help was given by Mrs. Joe Reinauer on the page of pictures for the Community Concert Association, of which she is secretary.

She talks like it was a mere nothing to make telephone calls and get a dozen or so people dated for picture-taking, but I know from experience how much time it takes and how much work she really did.

Of course you'll remember that this week is your only chance to become a member of Community Concerts, and that admission to programs is by membership card only, and that the association will bring big-city concerts here for its members.

**THE REINAUER** family, Joe and Violet and sons Bob, Art

and Joe Jr., returned last week from a trip east which took them to Washington, D. C. and nearby Arlington, Va., then down the Atlantic coast to Pensacola, Fla.

They visited in the home of Gen. and Mrs. Alvin Cowan in Arlington, and did a lot of sight-seeing in the nation's capital and nearby territory. A visit to Mt. Vernon was included, and Mrs. Reinauer says one of the spectacles she most enjoyed was formal drill at a Marine base, with bands playing and the uniformed ranks of Marines showing their expertise.

Their son Jim, an ensign in flight training at the Pensacola Naval Base, joined them in Washington and they went back to the Florida base with him and saw more sights, a historic old fort, the Navy museum and the beach among them.

### BAD STORM

One of the most disastrous storms of recent years was Hurricane Flora, which in 1963 killed about 5,000 persons in Haiti and more than 1,000 in Cuba, and left about 750,000 persons homeless, according to World Book Encyclopedia.

Other criteria for parents are the availability of new technological tools (projectors, tape recorders, TV, teachers who encourage individual thinking instead of demanding pat answers and an effort to nurture many kinds of skills, including development of creative writing, art, or music.

How Good Is Teacher?

NEA agrees with the common belief that school assessment all boils down to "How good is the teacher?" The association concedes that "there are plenty of good underpaid teachers" but claims that on the whole "high teacher salaries and high student achievement seem to go together."

NEA also argues for a 20-to-1 pupil-teacher ratio and cites the current report by Dr. James B. Conant that even a medium sized high school with a comprehensive curriculum should have no more than 17.4 students per professional staff member.

— something I already knew without going to the trouble of building a 20-million-dollar dome over my pasture to find out — and this would work a hardship on city people who like to spend their weekends mowing their lawns, but a synthetic carpet that looks like grass has been invented and they could spend their weekends dry-cleaning their yards and maybe being just as happy.

I suppose the architect has invented special doors to the dome to let trains and buses and cars enter and leave without letting country air in or city air out.

The more I think about this dome idea the more I wish I hadn't heard of it.

## Sunday Tea Set On Anniversary

The only rural Federated Music Club in Texas, Dawn Music Club is celebrating today 20 years of a history dedicated to the purpose of elevating musical standards of members and the community."

Beginning its 21st year with a roster of 20 active members, Dawn Club has four charter members, including its first president, Mrs. Carl Wimberley, still active. Others are Mmes. William Wimberley, R. T. Stewart and J. B. Caraway.

With other charter members and past presidents, they will be honorees at an anniversary tea from 3 to 5 p. m. today in Mrs. Carl Wimberley's home. All former members and their husbands are invited as special guests.

Members of Federated Music Clubs in Amarillo and Hereford have also received invitations to the tea. Officers headed by Mrs. William Wimberley, president, will be hostesses.

Organized Oct. 7, 1947, the club comprised 14 active mem-

bers and an associate member. Mrs. R. B. Latham was the secretary-treasurer, Mrs. L. L. Caraway reporter and Mrs. N. R. Miller choral director that year.

Miss Mattie Mae Swisher, long a leader in musical activities in this county, was instrumental in its organization plans and assisted the new group. Affiliation with the Texas Federation of Music Clubs came in 1948.

Programs each year have been built around approved study courses. District and state Federation officers have been featured speakers as Federation Day was observed yearly. Musical programs open to community residents have been given.

Needs of young music students were met, first with local add to society recitals and in 1949 with organization of the Dawn Musettes, which was an active junior club 15 years and is now a studio club.

During the years reciprocity

teas have been held honoring music clubs of Hereford, Happy Canyon, and Amarillo. The Club's tenth anniversary was celebrated with a luncheon in the home of Mrs. H. H. Miller. A Past Presidents' Assembly was organized in 1965. Past presidents include Mrs. E. C. Reinauer, now of Hereford; Mrs. Caraway, Mrs. Stewart; Mrs. Gayle Neal, Clarendon; Mrs. H. H. Miller; Mrs. N. R. Miller, Friona; Mrs. Robert Strain, Dawn; Mrs. H. E. Miller Jr., Hereford; Mrs. Steve Bavousett, Dawn.

Members through the years have represented more than 100 homes in Dawn community.

The small club was hostess to the convention of District I, Texas Federation of Music Clubs, last fall. It has received district and national awards on yearbooks, placed first in the district on achievement records in 1966 and tied for second place in state competition in 1967.

It has supplied a number of district officers and chairmen through the years. Mrs. Carl Wimberley is now president of District I and has served in other offices. Mrs. Caraway is district corresponding secretary.

District chairmen in the club are Mrs. William Wimberley, music in hospitals; Mrs. Stewart American music; Mrs. Leo Criddle, literature promotion; Mrs.

### Legion Auxiliary Committees For Year Are Named

Standing committees for a year in the American Legion Auxiliary were named at a recent meeting by Mrs. Grant Hanna, new president. Members also planned collection of eyeglasses to be sent to Veterans Hospitals, service at Deaf Smith County Museum hostesses the last two weeks in October, and fund-raising activities.

Strain, program; Mrs. H. V. McCabe, legislation.

Those who have held district offices in past years include Mrs. H. E. Miller Jr., vice president and Mrs. James Alston, treasurer.

Current club officers in Mrs. William Wimberley's administration are Mrs. Ted Wimberley, vice president; Mrs. Criddle, secretary; Mrs. Edgar Sowell, treasurer; Mrs. Alfred Smith, reporter; Mrs. McCabe, parliamentarian; Mrs. R. E. Curtsinger, choral director; Mrs. L. W. Tooley, historian.

Nice for a change; baked beans (from a can) heated with a little red wine.

A rummage sale will be held soon and a dinner will be served Sept. 28 to a commercial group, with Mmes. Ira Ott, Clyde Gilliland and J. D. Love as the committee in charge.

Standing committees are: Americanism, Mmes. Gladys Smith and J. E. Young; child welfare, Mmes. Bill Gilleland and Lucille Wilhelm; community service, Mmes. R. O. Stark and Frank Smith; education and scholarship, Mmes. Ott and C. Clyde Cave; finance, Mmes. J. G. Gandy, Ott and Leroy Williamson.

Also, program and yearbook, Mmes. Love, Tom Draper and Young; membership, Mrs. Williamson; Girls State, Mrs. Lawrence Carlson; legislation, Mrs. Cecil Wilkins; foreign relations, Mrs. Charles Hood, hospitality, Mrs. Wilkins; cheer, Mrs. Hazel Sparks.

### Card Of Thanks

Words seem to be so empty and powerless to express our thoughts of gratitude to each of you for the many kind deeds, the sincere words of sympathy, the delicious food, the beautiful flower offerings, your gifts of memorial offerings, and especially your prayers that made our sorrow much lighter.

May God bless each of you, the faithful friends that sat by, and the concern and decisions that Dr. Hicks, Dr. Rush, and Dr. Mims had to make.

**Talk of Texas**

By Jack Maguire  
**NOT IN THE SCRIPT** — Maurice Barrymore, who delighted in playing tragic roles on the stage, starred in a real-life tragedy on March 19, 1879, in Marshall.

Barrymore had performed in the drama, "Diplomacy," at the Mahone Opera House and had gone to the railway station with his co-star, Ellen Cummins, to wait for the train. Accompanied by another member of the cast named Porter, they went to a nearby restaurant-bar for a late supper.

They were sitting at the counter when a man named Currie, passing through the restaurant from the bar, made an insulting remark to Miss Cummins. Barrymore rose from his stool to remonstrate and Currie pulled a gun and shot the famed actor in the arm. Porter leaped up to aid Barrymore and was killed instantly.

Barrymore recovered. Currie was arrested but escaped punishment. And for years after, the theatrical profession regarded Texas as a sort of "no man's land" where sudden death lurked in every bistro.

**ODD TEXAS** — El Paso boasts the state's tallest building — and it's only 11 stories.

Many Texas cities have skyscrapers with many more floors. But the Coronado Tower in El Paso stands on a mountaintop 4,100 feet above sea level. Thus, while it isn't very tall from ground to roof, it is still the highest rising building in the state.

**THIS WORKADAY WORLD** — In Hardin, Liberty County, shovel handles are big business.

More than a million are turned out each year by the state's only shovel handle sawmill. It has been operating in Hardin for more than 50 years.

**GOOFY GEOGRAPHY** — There are at least 30 streams in Texas known as Caney Creek. There also is a Caney Bayou.

**TRAVELING TEXAS** — What is probably the last wind-driven grist mill remaining in the state stands today in Victoria's Memorial Square.

The windmill, which would be more at home in Holland than in Texas, was built more than a century ago of hand-fashioned logs fastened together with wooden pegs and homemade nails. Its two grinding stones, each four feet in diameter and nine inches thick, were brought from Norway.

The arms probably are the largest ever installed on any windmill in Texas. They measure 135 feet from tip to tip.

**INDIAN STOMP** — Those dances staged for tourists at the Alabama-Coushatta Reservation near Livingston aren't traditional to this tribe.

In the old days, these East Texas Indians could dance with the best of them. Then the missionaries came and the tribe were taught that dancing was sinful. It became a lost art.

A few years ago, when tribal leaders decided to open their reservation to tourists, they had to call in members of other Indian tribes to teach them their dances.

**Damages Light In Accident**

A total of \$300 damage resulted in a two-car accident Wednesday night at the intersection of Moreman and 25 Mile avenues.

Ralph Warren of 309 Gracy was driving his 1961 Mercury north on 25 Mile Avenue, officers said, and Billy Combs of 139 Ranger Drive was going south on 25 Mile Avenue when the accident occurred about 9:50 p. m. Combs was attempting to turn onto Moreman Ave. when the cars collided.

There was an estimated \$100 damage to Warren's car and \$200 damage to the 1964 Mercury driven by Combs. Citations were issued for failure to grant right of way and for having no drivers license.

12,000 FEET UP— THE "SUPER-JET PIRATES" LEAP FROM THE PLANE TOWARD THE DARK OCEAN.

QUICKLY— THEIR STRANGE HEADLIGHTS BECOME SMALLER AND SMALLER— THEN ARE GONE— AS THE PLANE SPEEDS ON!

THOSE CRAZY— MAD— FOOLS!

THEY ROBBED US— THEN JUMPED OFF THE PLANE—

— WITH NO PARACHUTES! I—I DON'T UNDERSTAND!

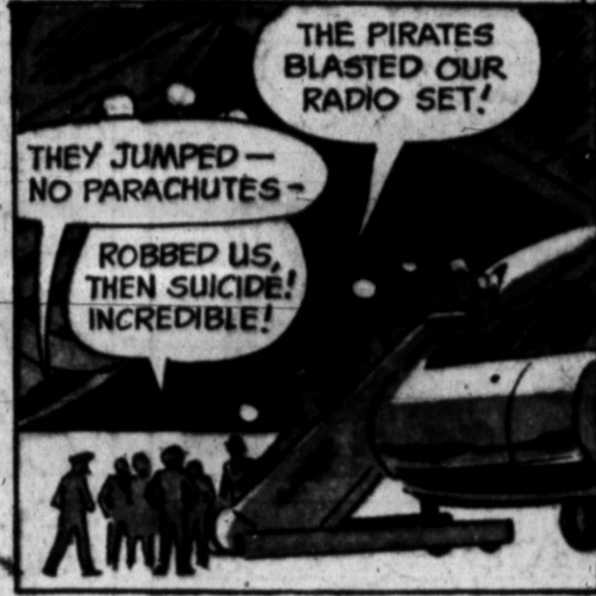

MAD— MAD— MAD—

NO RADIO SIGNAL— FROM PLANE 112-02666 FOR FIVE HOURS! WE MUST ASSUME THEY'RE LOST—

HERE COMES A PLANE!

THE MISSING PLANE!

THE PIRATES BLASTED OUR RADIO SET!

THEY JUMPED— NO PARACHUTES—

ROBBED US, THEN SUICIDE! INCREDIBLE!

PLANE ROBBED AT SEA AFTER ROBBING PASSENGERS, TAKING A BOX OF JEWELS ESTIMATED AT THREE MILLION, PIRATES DIVE TO DEATH. "SHEER MADNESS." LEAPED WITHOUT PARACHUTES—

NEWS GOES TO AN AMAZED WORLD— AND THE ETERNAL ENEMY OF PIRATES— THE PHANTOM!

— LEAPED TO THEIR DEATH. NO ONE CAN EXPLAIN THE MAD ACT—

SO YOUR HUSBAND HAD AN ACCIDENT, MRS. JIGGS?

HE'S ALWAYS HAVING ACCIDENTS!

I HEAR YOU DROPPED A BOWLING BALL ON YOUR FOOT, JIGGS—

YEAH—

HOW DID IT HAPPEN?

I WAS LEAVING A FRIEND'S HOME AND I MADE A MISTAKE—

I OPENED A CLOSET DOOR INSTEAD OF THE FRONT DOOR, AND THE BALL FELL OFF A SHELF—

VERY CARELESS OF YOU.

YOU'LL HAVE TO REST IT FOR A FEW DAYS—

NOW TRY NOT TO LET IT HAPPEN AGAIN—

NEXT TIME WATCH WHERE YOU'RE GOING—

WATCH IT, DOC! THAT'S THE WRONG...

HOW'S IT GOING?

ALL RIGHT. HAVE A NICE NAP?

HOW DID YOU KNOW I TOOK A NAP?

I JUST KNOW. YOU ALSO HAD A GLASS OF ICE WATER, WRESTLED WITH DITTO, AND WOULD LIKE TO PLAY GOLF THIS AFTERNOON!

THAT'S FANTASTIC.

NOT REALLY— YOUR SHIRT IS WRINKLED, I HEARD THE REFRIGERATOR DOOR DITTO GIGGLING, AND YOU SAYING POW LIKE YOU DO WHEN YOU SWING A GOLF CLUB—

YOU'RE REALLY SOMETHING! YOU'VE GOT AN EYE LIKE A CAMERA AND EARS LIKE RADAR!
