HEREFORD, TEXAS, FRIDAY, OCTOBER 17, 1913

NUMBER 37

LOCAL DEBATERS DRAW BIG CROWD

Ray-Dameron Discussion of Woman Suffrage Creates Much Interest Pro and Con—May Pull Off Another.

As announced, the much-talked-of debate between two local orators was duly and orderly pulled off at the court house last Friday night. The interest shown was evidenced by the large crowd that filled the district court room to its capacity.

The subject discussed as stated was: Resolved that the women should vote; Hon. Bill Ray championing the affirmative and Hon. Elmer Dameron taking the negative. There were to be six judges, three men and three women, but only four reported. They were: Mesdames W. E. Hicks, and A. C. Elliott, Messrs. Hughes and J. E. Garrison. At the close of the debate, they rendered their decision; two for the affirmative and two for the negative. So this all-important question has not yet been decided. There were also a full set of jury judges, but they have not concurred in the decision. They occupied the jury boxes in the court room and many in the house thought they were to be the regular judges. They made a very conspicuous impression and profound spectacle seated on the elevated platform, and should have been consulted at the close of this ferocious debate. For the benefit of the public their names are given: W. F. Deible, J. P. Wood, W. B. Palmer, Sam Worley, Henry Hubbert, Uncle Joe Ward, Col. E. T. Woodburn, T. M. Palmer, Uncle Summie Higgins, John E. Ferguson, Dick Liville, W. B. Miller. It was said by those in the parque that nearly all of these were avowed candidates for some office or wanted to be; but this is rather a doubtful accusation. Supt. Ben Short acted as master of ceremonies and referee. After announcing the subject and arranging for the judges, he introduced the first speaker for the evening and retired to safe grounds.

Mr. Ray lead off in his usual humorous style and after getting the shake out of his knees proceeded to "lambast" the subject and the opposing side with some twenty pounders broadside. He compared the debate as a scrap between Mutt and Jeff and the audience at once saw in Mr. Ray the picture of Jeff and his opponent as Mutt. He made a lot of fun for the crowd and handled his side of the subject very ably, making many telling points. The woman suffragettes were delighted and thought, when he closed, that he had left nothing for the negative to say and that he made a complete shutout.

Mr. Dameron, the young county attorney, though timid and inexperienced in debating and somewhat "sacred" on account of the ferocious manner in which his opponent had handled him, followed in an able speech. He outlined his subject in a logical and concise manner and after a few references to the points of the affirmative, he took up the divisions of his subject. The anti-suffragettes applauded the speaker as he took off a few strips of cuticle from time to time and the sympathizers were delighted with the defense.

It will be impossible to publish the outlines of the two speeches as each one brought forward many unanswerable arguments. Suffice it, that

both sides feel that the great bird of victory would have perched upon their banners if the judges had not tied in their decision.

For Exhibit at Fair.

The entertainment to be given at the court house by the Chamber of Commerce is for the purpose of raising funds to defray the expenses of the exhibit to the Dallas Fair. Some of the same stuff that was on at Amarillo was packed and shipped to Dallas and other new and fresh exhibits were gathered and sent in. The Chamber of Commerce through its active officers, J. I. Walker, president, and John Sherman, secretary, have done a lot of work for the good of the county, and to the Chamber of Commerce must be given the credit for the fine showing at Amarillo. Mr. Boone, who had charge of the booth, and J. E. Stegall, who helped around, were both hard workers in putting the exhibit in good shape and keeping it so. Mr. Walker was also there most of the time. The string of ribbons brought back shows how well they performed their work. So it would be nothing but patriotic for the Hereford people to give the entertainment a good house.

"Bob" Smith has won the title of "Messenger of Mirth" and only those who take time to reflect have any idea of the amount of care he drives away and the rays of sunshine he brings in. The boys and the girls all enjoy it and among the old folks there was much weariness of the flesh because of convulsive laughter. —The Evening Times, Fort Morgan, Colorado.

This high class Lyceum number will be at the court house Monday, Oct. 27th, under the auspices of the Chamber of Commerce. Admission 25c, half or less the usual price for Lyceum attractions.

Off to Dallas Fair.

The Deaf Smith county farm and garden exhibit has been shipped to Dallas and J. E. Stegall left Wednesday afternoon to put it in shape for the Great Fair. The exhibit that was at Amarillo was packed and shipped early in the week and a lot of new stuff was gathered this week and sent down. L. Baskin will also go to Dallas and assist in taking care of the exhibit. They will have a lot of literature to hand out to the natives and a line of talk about the White Face City where there are "Oceans of Water," and their talk is calculated to astonish even those in plainview.

T. Binford and daughter of Marshalltown, Iowa, were here this week looking after their land interests. His son, Gene Binford, is holding down a ranch near Vega, Texas, just over line in Oldham county and is doing well. He reports that Will Cabbot, a friend, who owns a fine farm 5 miles south of Vega, has 100 acres of fine feed crops, the best in several years. At the same time, he tells about a small peach orchard which was planted three or four years ago from seed out of some peaches his neighbors sent him. This year, the orchard supplied enough fruit for three families and they sold 40 bushels at \$1.25 per bushel. And all of this without irrigation: the good crops and the fine peaches.

Mrs. J. E. Ferguson and Miss Julia Lambrith spent the Fair week in Amarillo, returned to Hereford on Saturday accompanied by Mr. and Mrs. Will Boyce in the private car. The latter went back to Amarillo the following day.

Asleep in Jesus.

The following clipping from the Post-Signal, which gives an account of the funeral of Mrs. L. M. Sullivan, shows in what high esteem she was held by her friends in that city, her former home:

On last Sunday afternoon, Oct. 5, 1913, the funeral services over the remains of Mrs. L. M. Sullivan were held at the family residence, conducted by W. D. Darnall of Denison, and Eugene Holmes of Van Alstyne. The services were opened by the choir singing "Nearer My God to Thee," followed by Elder Holmes, who read the 23rd Psalm. The choir then rendered "Rock of Ages," and this was followed by a solo rendered by Mrs. Jim Smith, who sang "Face to Face." Elder Holmes preached the funeral sermon. He took as his text the following: "For we know that if our earthly house of this tabernacle were dissolved we have a building of God, a house not made with hands, eternal in the heaven." 2 Cor. 5:1. His discourse was very applicable in regard to the deceased, as everyone who had been intimately acquainted with her could testify. Following Elder Holmes, Elder Darnall delivered remarks concerning the life of her, who had gone before, picturing her life in most touching terms, bearing emphasis on the fact that she was one of those God-fearing persons whom the world cannot afford to lose and yet must give up. After Elder Darnall had delivered a beautiful tribute to the dead the choir sang "Jesus Lover of My Soul." All the services at the home had been previously arranged by the deceased, even to the chapter of Scriptures which were read. At the cemetery two songs, "Sweet By and By" and "How Firm a Foundation," were rendered while all that remained of this good woman was laid to rest to await the resurrection day. A beautiful prayer by Elder Holmes followed the song at the grave. The floral offerings were beautiful to behold and among the pieces were two lovely pillows, one having the name "Mother" across it, and one "Father." These two offerings were placed at the graves, one at the new made grave and the other at the head of him who had gone before.

Mrs. L. M. Sullivan was born in Kentucky, Sept. 28, 1842, and died at the home of her daughter, Mrs. George Cloyd, in Hereford, Texas, Oct. 2, 1913, where she had gone in hopes that the change would benefit her health. She had been a resident of Texas for a large number of years and most of the time was spent in Pilot Point. She leaves six children who will sadly miss her. They were all present and are: Walter Sullivan, Olton, Texas; Mrs. George Cloyd, Hereford, Texas; Mrs. C. L. Potts, Amarillo, Texas; James Sullivan, College Station, Texas; Miss Jessie Sullivan, Pilot Point, Texas; Mrs. J. H. Garrison, Bryceland, La. Other relatives who were present from a distance were: Mr. and Mrs. Kerley of Denton, W. J. Sullivan of Brownwood and Mrs. Walter Sullivan of Olton.

Miss Alma Norton is teaching the Crosby-Simms school, beginning on the term last Monday. The school is located a few miles from Adrian. Miss Alma is a graduate of the Hereford high school and her friends expect to see her make a success of teaching.

The Ladies will serve sweet cider and doughnuts Hallowe'en night. 1tp

Holland's Inspector Here.

Dr. M. M. Carrick, medical director for Holland's Magazine, paid this city a visit Wednesday. He came for the purpose of making an inspection into the sanitary conditions of the town, not as an uninvited official, but as a welcome guest, coming upon the invitation of the Mayor and leading citizens of the town. Dr. Carrick likes Hereford, he says, because of the enterprising citizenship and the attractive little city which is being builded upon the Plains. In making his rounds, he found the court house and other public buildings in good condition. He was especially taken by the court house and its fine setting. While in the city he was the guest of Mayor Knight, who took no little pride in showing "the doctor" the beauty spots of the town, but he took no special pains to point out the several "eye sores" plainly visible to a blind man if he could smell. "You have laid the foundation for a good town," he said, "one of beauty and healthfulness and your enterprising citizens will not allow the interest to lag in keeping the place clean and sanitary when once they realize the great benefit to be derived from such a course. I have only my congratulations to offer to Hereford; 'I like Hereford'."

Findlay Findings.

George Sacks and wife, Henry Swick and Misses Pauline and Emma Gallmeir visited at the R. S. Houlette home Thursday.

Mr. and Mrs. B. P. Abbot visited over Sunday at the home of Mrs. Abbot's parents, Mr. and Mrs. J. N. Messenger.

A very delightful party was given at the home of Messrs. Eustice and Ernest Houlette Saturday night. The guests to the number of seventeen being present. The guests proceeded to take charge of things and a general good time was had, all of the old time games being brought into prominence. At the midnight hour a supper was served, consisting of fruit salad, cake and bananas. The guests then departed, having spent a very pleasant evening.

August Porth has built a cattle shed. It is made of galvanized roofing. No wind or weather can get through it.

D. H. Lawrence was much surprised when he came in from work Wednesday to find the neighbors had taken charge of things. The occasion being his sixty-first birthday. A bountiful dinner was served, after which the guests departed, wishing the host many more happy birthdays. Findlay Finder.

Another Good Rain.

Last night, Thursday, it began to rain just at dusk and continued a steady downpour until after midnight, more than three-fourths of an inch falling. The previous night a light shower fell. These recent rains have put a fine season in the ground and the interfering with feed cutting, the change is welcomed by the farmer and stockman.

G. P. Davis of Fremont, Neb., came in this week to look after putting down a test well on his land near Dimmitt. He has made a contract for this test well and the contractors will begin next Monday to sink the hole. If he finds sufficient supply and receives any encouragement from the local citizens, he may install a pumping plant of 1,000 or more and establish a model irrigation farm. His land 2½ miles north of Dimmitt.

HEREFORD WHITE FACE YEARLINGS

Bring Top of Kansas City Market —Said to be the Best Bunch of Stuff Ever Passed Thru Hereford Stock Yards.

Local cattle dealers and shippers have added a new chapter to the cattle industry at Hereford in the shipment of 200 head of yearling steers which brought a top price recently in the Kansas City markets. They belonged to Ernest Hanson and are said by local men to have been the finest bunch of yearling stuff ever passed through the Hereford stock yards. The thing that has added interest to this shipment is the fact that they were grass fattened and were as fine a lot of yearlings as any man cared to drive into the slaughter pens. They sold in the Kansas City markets for \$54.00 around. A lot of other shipments from Hereford made at the same time and the prices were all quite satisfactory. Among those making shipments were: R. N. Mounts 12 cars, 442 head; G. W. Guinn 6 cars, 214 head; H. G. Conkright 2 cars, 70 head; Wirt Phillips 2 cars, 70 head; Lewellen & Anderson 3 cars, 105 head; J. L. Fuqua 3 cars, 110 head; J. W. Alexander 3 cars, 121 head; Chas. Donald 11 cars, 305 head; J. W. Gordon 2 cars, 56 head.

This makes some 1,700 head of cattle shipped out from Hereford on last Saturday and Sunday.

Dimmitt News.

Oct. 16.—Percy Estes was in Dimmitt Saturday.

Gliff Estes of Hereford is now working for Percy Estes.

J. E. Smith was a Dimmitt visitor Saturday.

Mrs. Mattie Biddle was in Hereford on business Wednesday.

Edwin Ramey was in Dimmitt Saturday.

Glen Greer was a Dimmitt visitor Saturday.

Sam Cooper was in Dimmitt on business Saturday.

Claude Sweazea, son of J. Sweazea, was killed at Ranger Lake, N. M., last Friday evening. He was brought through to Dimmitt by J. W. Alexander and George O'Brien and his father and was buried at the Dimmitt cemetery Sunday evening.

Jewel Ray was a Dimmitt visitor Sunday.

Tom Vaughn of Hereford was in Dimmitt Sunday to call on Miss Anna Shulz.

Mr. Baird of Hereford was in Dimmitt to see Miss Mary Hill.

George O'Brien made a business trip to Hereford Wednesday.

Oscar Gillispe was in Hereford Tuesday.

Mr. Barber had his silo filled Saturday. Casey Jones.

A Barrel For a Birthday.

J. W. Barnett will enjoy his birthday more than usual this time as he just in receipt of a whole barrel of fine pears sent to him by his brother, E. T. Barnett, of Monmouth, Ill. This happy event will come to pass on the 20th of this month and he will be past twenty-five. He was so well pleased with the pears that he has divided them out among his many friends at Hereford.

A Marvelous Escape.

"My little boy had a marvelous escape," writes P. F. Bastians of Prince Albert, Cape of Good Hope. "It occurred in the middle of the night. He got a very severe attack of croup. As luck would have it, I had a large bottle of Chamberlain's Cough Remedy in the house. After following the directions for an hour and twenty minutes he was through all danger." Sold by all dealers.—Advertisement.

Live Stock Commission.

To the Cattlemen of Texas:

Federal and State officials, like individuals in private life, are always glad to herald an accomplishment, or an effort for the betterment of the enterprises or industries which they represent, especially when their personal efforts have contributed to that accomplishment. With that idea in view, this letter is addressed to the cattlemen of Texas, that they may have a slight insight to the

work that has been done and is being done in their behalf by the federal government under the able and efficient management of Dr. L. J. Allen, Inspector in Charge, stationed at Fort Worth, and the State of Texas, through your Live Stock Sanitary Commission.

In the first part of this year, Dr. Allen and myself conceived the idea that it was practical to entirely eliminate and eradicate the disease of scabies off of the ranges of Texas, and with that idea uppermost in our minds, we began systematically laying the foundation for a systematic effort to eradicate the scab off of the ranges of Texas. To accomplish this undertaking, many and seeming insurmountable obstacles had to be overcome. First in importance of these obstacles was to get the co-operation of the cattlemen

of Texas interested in this work. Second, was to get the Legislature to pass a law putting the State of Texas on record as favoring the eradication of all contagious, infectious or communicable diseases of live stock. Third in importance of these obstacles, was getting the Legislature to make an appropriation sufficient to provide the means to carry on the work. In order to overcome the first mentioned obstacle and get the co-operation of the cattlemen of Texas interested in the work of scab eradication, I called a meeting of the cattlemen of Texas at Amarillo, Texas, on July 16th. There the question of the possibility of eradicating the scab was thoroughly discussed, there the law passed the last Legislature was read, discussed and unanimously approved. That meeting voted a unanimous endorsement of the work of the Live Stock Sanitary Commission of Texas, and by resolution instructed the Chairman of the Live Stock Sanitary Commission of Texas to proceed with the organization of a systematic effort looking to the eradication of the scab off of the ranges of Texas, according to his expressed ideas, and there pledged the Chairman of this Commission their moral, financial and physical support in the undertaking. Meeting with this strong evidence of co-operation on the part of the cattlemen at this meeting, Dr. Allen and myself became surcharged with enthusiasm and from that day until this have given this work the best thought at our command. We realized then, as we know now, that to carry on this work in a systematic manner that would guarantee success necessitated a greater number of inspectors to work in the field than had ever been contemplated by either the State or Federal authorities. In behalf of the Federal Government, Dr. Allen put the proposition up to the Bureau of Animal Industry at Washington and asked for help. The Bureau of Animal Industry very promptly replied, instructing Dr. Allen to secure the services of at least twenty additional inspectors, and more if necessary, to join the State in this undertaking. I proceeded to the Legislature which convened in extra session July 21, and there made known the wants of the Live Stock Sanitary Commission, and it is with no small degree of gratification that I can state that the Legislature made every provision asked for by your Chairman. Having confidence in my ability to satisfy the Legislature of the justness of the demand of the Live Stock Sanitary Commission of Texas, I proceeded to employ extra men to co-operate with the Federal men whom Dr. Allen was employing to conduct a systematic scab eradication movement. The result of the judgment of Dr. Allen and myself as to the number of men necessary to prosecute this work has been the placing of forty Federal Inspectors and twenty-two State Inspectors in the field. In other words, there are sixty-two men now working in the scab infested area of Texas, and our reports show that during the month of September, it having been agreed at the convention in Amarillo on the 16th of July, that this systematic work would commence about the 1st of September. As I said our reports show that during the month of September there have been dipped for eradication of scab 246,000 head of cattle; 145,000 have been dipped for exposure and only dipped once, while 101,000 head, constituting the herds in which infection was found, have been dipped twice. I want to call your attention to this fact, that our inspectors have supervised the dipping, through the dipping vats, of 346,000 cattle during the month of September.

well as their criticisms, not knowing enough really, or not realizing that their criticisms are in opposition, not only to the law, but to the safest and best of all laws, which is public opinion. While it affords me pleasure to know that I have the endorsement, the confidence and the co-operation of the men whose interests I am in my feeble way trying to serve, yet every sweet has its bitter, and I am forced to the necessity of advising you of the fact that though the Legislature made a sufficient appropriation to defray all the expenses of this work, the Governor in his wisdom saw fit to veto a part of our appropriation which leaves the Live Stock Sanitary Commission with twelve or thirteen inspectors at work at \$83.33 per month each and \$25 a month expense account each, and no money in the treasury to pay them. In order to meet this

This is an effort in Live Stock Sanitary work unequalled in the history of our country, and it is a pleasure to me to chronicle the fact that we are meeting with almost universal and hearty co-operation in this work. There are, however, a few self constituted men of importance in the country and a few who have been vaccinated for, lawyers who continue to offer their wise suggestions as

Try It on the Most Difficult Things You Ever Bake

Double Value and Greater Strength

And Only One Cent an Ounce

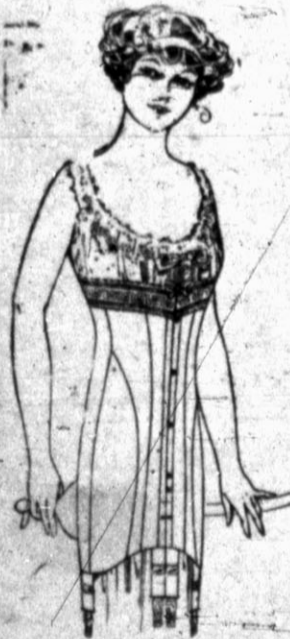

In 10, 15 & 25 Cans At All Good Grocers

contingency, I am glad to report that the Texas Cattle Raisers Association, at the meeting of their executive committee, voted to appropriate \$500.00 towards defraying the expenses of the Sanitary Board, not provided for by the appropriation, and I have written about fifty cowmen in Texas, asking them for donation to this fund, assuring them that whether they paid these inspectors' salaries or not, the work would go on if I had to pay their salaries myself. This, however, I don't think I will be called on to do as the honor roll of progressive cowmen grows daily. I mean by that, I am receiving letters daily with checks enclosed, and I believe when all the cowmen understand the situation, enough money will be subscribed to defray all the extra expenses which we are incurring.

(Signed) W. N. WADDELL

You are invited to visit our Corset Department and

see the large array of new front laced corsets now on display. The increasing popularity of our front laced corsets has induced us to add many new designs to our stock.

When you see the new Henderson front laced corsets of the most fashionable designs, and with all the latest innovations, you'll agree with us that we are offering to you the best front laced models ever shown here for the money.

The smooth, sweeping line that these corsets give, their convenient manner of lacing, and all their hygienic qualities including the ventilated back and ventilated tongue under front lacing should be carefully considered.

If you are going to buy a front laced corset and want the best of the lowest price, you must see the Henderson front laced models that we are now selling.

HEREFORD AND ITS TERRITORY

Salient Facts About the White Face City of the Plains—Location, Population, Resources.

With any good Texas map before you, a glance at the big counties of the northwest Texas will soon bring your eye upon Deaf Smith county. Touching the border of New Mexico, it lies as one of the lower tier counties of the true Panhandle of Texas. Stretching out 50 miles long and 30 miles wide, a level and broad expanse of prairie, not a mountain and no hills except in the extreme northwestern corner where the Cap Rock breaks off into the lower plains of New Mexico, it becomes at once attractive on account of its bigness.

THE WATER SUPPLY.

There are but few streams through the county and only one of these furnish living water the year round. This is the peaceful Tierra Blanca in whose crystal waters sportive bass and saucy perch tease the fisherman into ecstasy. Though deprived of many streams of running water, the

Deaf Smith County Courthouse, Solid Concrete-Marble Finish.

open, but occasionally are shut up with a typical "Norther," known to all Texans. These winds sometimes bring snow, which is always a benefit to the farming and stock interests, though sometimes a severe blizzard will do some damage to stock. The thermometer in summer seldom goes to 100 degrees and in winter rarely falls below zero. On account of the rare air and dry condition during the winter months, the "cold" does not strike in as it does in the more humid regions. The climate as a whole will be hard to excel, and is one of the attractive features of this section. The wind; yes, it blows, but it never does any more damage than to fill the air with dust; cyclones are unknown on the Plains.

WHAT THE FARMERS RAISE.

A visit to the fields will bring a surprise to many who have never visited this part of Texas. Contrary to the general opinion held by other Texas people, the farmers on the Plains can raise and do raise a greater variety of field and garden products than is done by the farmers of

CONTINUED ON PAGE 10

county is one of the best watered spots in all Texas. The thousands of cattle and sheep and other stock that graze its broad levels, find abundant water in the inland lakes, some of which never "go dry," and whose areas vary from a few acres to as much as a 1,000 acres. And besides these lakes, every ranch has one or more wells and the water is pumped either by the faithful windmill or by a gasoline engine. Hereford has so many windmills that she has become famous as the "Windmill City of the Plains." Every house has its own windmill and private water system. The wells at Hereford average about 50 feet to the water, but the level runs deeper in the western part of the county. There is an abundant supply, and its good.

THE SOIL.

The soil of the county varies but little from the general soil conditions over the Plains. It runs gradually from a light, sandy loam and through all of the loams from a light to a dark chocolate. The subsoil consists of the most part of a light porous limestone formation, but in many

places, a clay subsoil is found. The true soil varies in depth from a few inches, where erosion has occurred, to several feet, as much as twenty feet. The soil is so "horoly" distributed over the surface that there are no barren spots, no surface that will not grow the native grasses and produce crops of various kinds. The only exception to this will likely be found along the breaks of the small streams. One fact is certain—there is no alkali of any kind in the soil of Deaf Smith county. Farmers find the soil to be easily cultivated and that it holds moisture remarkably well.

THE CLIMATE OF THE PLAINS.

The climate of all the Panhandle, especially that on the High Plains, is about the same, a few miles distance making little difference. In the summer the days are sunshine and warm, but not oppressively hot. The nights are always cool even during the warmest months. While the lower altitudes may be sweltering in heat even during the night, the Plains furnish a cooling breeze at night not unlike that of the gulf. Blankets are often in demand in July and August. The winter months are

25 Blue Ribbons for Hereford

Won at Panhandle State Fair, Amarillo, October 6th to 11th, 1913

Deaf Smith County takes a Long String of Ribbons on her Exhibit of Garden and Farm Products at the First Panhandle State Fair held at Amarillo of the week of October 6th. Other premiums are also listed, making in total Twenty-five First Premiums and Ten Second Premiums.

ALL RAISED IN 1913.—Every Exhibit of Grain, Hay, Vegetables and Fruit, in fact, every entry was raised in the good year of 1913, and the Premiums awarded are for Superior Stuff. The Thousands who saw the Deaf Smith County exhibit were favorably impressed, not only by the variety of exhibits; but by the quality. The Bale of Alfalfa that won over all competitors was not raised by Irrigation. It will be remembered that it was Hereford Alfalfa that took the First Premium at the Great Dallas Fair when Deaf Smith county had an exhibit there a few years ago. And she has won again. Hereford also won over all competitors in her Display of Kafir, Maize and Feterita; that is, the artistic arrangement of these exhibits. All of the Exhibits at the Amarillo Fair were secured from many different farms, gardens and orchards around Hereford. We had no experimental farm from which to draw exhibits and no one made any special effort to raise exhibition stuff. It was just the kind that every day truck growers and farmers raise. For that reason the people of the county have cause to be proud of the fine showing at the First Panhandle Fair. The list of Premiums are given below:

Drugisms No. 3

Being Some Reasons why we Solicit and Merit YOUR Drug and Drug Sundries Business

¶ When we think of the number of Hereford people who have not yet patronized the Rexall Store, we are reminded of the milkman who, when he saw the ocean for the first time, exclaimed "Oh what possibilities".

¶ And we are publishing this series of advertisements to interest in the Rexall Stores those who are not yet our customers.

¶ When those who have as yet not favored us with their patronage learn to know us better they will be impulsed with the feeling of confidence "Buying at teh Corner" gives.

¶ To those who have not yet responded to our advertising, we suggest that they pay our store a trial visit when next in need of drugs or drug sundries.

LOCAL DRUGGIST

MAKES STATEMENT

Says Dodson's Liver Tone is the Best Remedy for Constipation and Shirking Liver he has Ever Sold.

Every person who has tried Dodson's Liver Tone and knows how surely and gently it starts the liver to working and relieves biliousness will bear out the Betts-Clark drug store in this statement about Dodson's Liver Tone.

"It is a purely vegetable liquid, that entirely takes the place of calomel, harmless and pleasant to the taste, that has proven itself the most satisfactory remedy for a slow-working liver that most of our customers have ever tried. A large bottle sells for fifty cents and we do not hesitate to give the money back to any person who tries a bottle on the strength of this statement and is not satisfied with the result."

In these days of doubtful medicines and dangerous drugs, a statement like the above is a pleasant assurance that Dodson's Liver Tone is a reliable remedy for both children and grown-ups. In buying a bottle for immediate or future use it is well to make sure you are getting the genuine Dodson's Liver Tone and not some spurious imitation that has copied our claims, but do not stand back of their guarantee. You may be certain of getting the genuine if you go to Betts-Clark for it.

I have from 900 to 1,200 nice, young sheep to put out on shares. Harvey Cash, Dimmitt, Tex. 36tf

Mrs. R. H. Norton and daughter, Miss Ruby, paid this office a visit yesterday and had the Brand sent to Miss Alma Adrian, Texas, where she is teaching.

"OCEANS OF WATER."

Avoid Sedative Cough Medicines.
If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain codine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. It cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.—Advertisement.

Fish Breakfast.

Mr. and Mrs. Henry Cloyd had a few friends and relatives to an early breakfast Wednesday morning at their home in South Hereford, the attraction being a large dish of freshly caught fish properly prepared from the Tierra Blanca which some of the guests had caught the evening before. Those who enjoyed the feast were: Mesdames Robinson, Hubbert, McLeroy, Duncan, and Miss Willie Robinson.

"YOU'LL LIKE HEREFORD."

Mrs. Seth B. Holman has been visiting with her sister, Mrs. D. C. Laird, this week. Mr. Holman, tired from his efforts in pulling off a big fair at Amarillo, came down Wednesday to rest up a few days from his arduous labors. He will shoot ducks as pastime.

THE old weather prophets say that the approaching winter is likely to be severe; but you can defend yourself against the cold blasts by having your house "fixed up": window lights all in, doors adjusted. Your stock will also need attention; and there is no better time to erect barns and sheds than now. We furnish all kinds of building material. Phone 150

Farm Telephone Saved Child's Life

One of the Children fell into a water tank and was rescued unconscious and apparently lifeless.

The frantic mother telephoned to the doctor six miles away, and he started at once. In the meantime his assistant telephoned instructions and the mother restored the child to consciousness before the doctor arrived.

The telephone service saved the child's life.

Telephone Co.

"Bob" Smith is one of the most pleasing entertainers I have ever heard. It is well to laugh; it does us good; but when the fun comes from a soul whose one desire is to uplift as well as amuse, then the pleasure is great and the benefit unmeasured. Such a character is the man for whom this is written.—Homer T. Wilson, Superintendent Texas-Colo- rado Chautauqua.

This high class Lyceum number will be at the court house Monday, Oct. 27th, under the auspices of the Chamber of Commerce. Admission 25c, half or less the usual price for Lyceum attractions.

Mrs. Lea Entertains.

When autumn and the cool days come upon us, we love to draw together in social intercourse and find an enjoyment in it no other season affords. The first party of the season, and a most delightful one, was given by Mrs. Alice Lea on last Tuesday afternoon when she entertained about two dozen ladies, complimentary to Mrs. Collins and her daughters, Mrs. R. T. Evans of Pilot Point, and Mrs. Claude Witherspoon of California. The autumn beauty of the season was most attractively reflected in the interior, where crimson and golden leaves and autumn flowers in tall vases and massed in nooks and corners, lent beauty to the already attractive rooms. Mrs. Lea received her guests with the charming cordiality so characteristic of her and until the time arrived to make up the tables the moments passed delightfully and swiftly in animated and sparkling conversation. When all the guests had arrived they were seated at the tables and various games played for more than an hour, after which delicious refreshments of cake, sherbet, grape juice and candies were served with sweet peas as favors. The guests reluctantly took their leave after expressing to Mrs. Lea their appreciation for a most delightful afternoon.

Services as usual at the First Christian church next Sunday. At the morning services the elders and deacons recently chosen will be set apart to the work. Preaching as usual at 7:30 p. m.

Come and have your fortune told at the Hallowe'en party, Friday night, Oct. 31. 11p

Proposes Volunteer Street Work.

To the Brand:

I write you in reference to the deplorable condition of our streets. It would be a pity, indeed, if we are compelled to go through the winter with especially our main street in its present condition. Owing to the City's financial condition there has been little, if any, work done on our streets for more than two years. Now, that conditions are brighter, and the prospects for future growth and development are dawning upon us, it seems to me that steps should be immediately taken to lay the right foundation for proper and systematic improvements. Our streets should be the first to receive attention. Poor streets give a bad impression to strangers, and it is very important that we devise some plan by which, at least, three blocks of our main street shall at once be put in good condition. With the thousands of tons of lime stone at our very door, it seems to me that if the City will do the hauling, enough men will volunteer their services for loading, unloading and spreading the material. Wagons can be loaned and the big auto fire truck could do most of the hauling. In doing this work it would be advisable for the City to have the county surveyor establish the grade and set stakes, so that everything done would be of a permanent character. At least, one block should be treated with a coat of "Tarvia," or some other road preparation, and, if it proves successful, more could be treated in the spring. I, for one, will donate the services of one man for three days' work, and would like to hear from others who will contribute one or more days to this worthy and much needed improvement. I would also like to hear from the City Commission as to their attitude in this matter. Yours truly,
L. BASKIN.

Summitt Breezes.

G. P. Davis of Fremont, Neb., arrived this past week to oversee the putting down of the test well preparatory to putting down the big irrigation well on Sec. 4, league 2, right on the summit of the "Summitt." May success attend his worthy efforts, is the wish of all good Castro county patriots.

Cattle dipping is the order of these days. It seems a useless waste to those who have nothing wrong with their cattle, especially those whose cattle run only on private ranges and no other cattle mixed in.

Mrs. Roll Douglas' kindly services in aiding Mrs. Shepard during part of the dipping process, were very much appreciated.

Alfred Grant is at home again, he having helped take care of Mr. Guthrie during his illness the past six weeks. Mr. Guthrie is improved so he sits up most of the time now.

A few antelope have been seen in these parts lately, a common sight a few years ago, but rare now days.

We noticed a large, bold eagle here on the Summitt this week, also some sea gulls. Strange they should be seen so far from home.

Bench Congress President Will Not Resign.

When it was learned that Col. Woodburn, self assumption president of the Bench Congress, had sold his drug store and therefore would likely forfeit his title to two certain wooden benches, where the Congress held a hurry-up call session and demanded an explanation. A warm time was had. As a result a committee was appointed to investigate the unseemly conduct of the President. When seen by a reporter, he said that he would not resign his office as it might appear that he was guilty of the charges, but he wanted it strictly understood that he was not scared and proposed to retain his office at all hazards. And further, that he has reserved the right to move back to town at any time and to take his accustomed place in the Bench Congress, but that, if the members see proper, they could elect a temporary chairman during his sojourn in the country.

The Hereford Brand

(A NEWSPAPER)

Published by

The Brand Publishing Co.

A. C. ELLIOTT
MILLCENT GRIFFITH } Owners

A. C. ELLIOTT, Editor

Address all communications to
BRAND PUBLISHING CO.

Entered April 17, 1901, in the postoffice at Hereford, Texas, as second-class mail matter. First number of the paper issued February 23, 1901, as the Hereford Reporter; first number of The Brand issued March 21, 1902.

Subscription Price \$1.00 Per Year,
Strictly in Advance

Any erroneous statement affecting the character or reputation of any individual or firm which may appear in The Brand, will be gladly corrected upon being brought to the attention of the publishers.

All reading matter appearing in The Brand marked "t" or "d" with figures prefixed or "adv" is paid advertising.

HEREFORD had not "last year's bird nests" on exhibition at the great Panhandle State Fair.

WHILE Hereford did not win as many prizes at the Amarillo State Fair as some other places, what she had there was all raised this year and came from the immediate neighborhood of Hereford.

TWENTY first premiums and twelve second premiums; not bad for Deaf Smith county. We are not dissatisfied with the results, but unsatisfied by our efforts. We will do better next year, Amarillo. Hang up your blue ribbons and prizes.

THE Amarillo State Fair was a pronounced success in more ways than one. It gave the opportunity for exhibitors to find out what should be done in order to make their displays attractive. Another thing it has taught—that in order to win prizes in the farm and garden department, that the work of raising the stuff must begin in early spring or at the proper season.

Water Pumping For Hereford.

Editor-Brand:

The mayor revised his figures upward on the cost of pumping the city water and his estimate, though still 50 per cent too low, is within \$1.75 of what we offer to do it for. Now the mayor is away "off" on the necessity of an 8-inch meter. A 4 inch meter will measure 700 to 1,000 gallons of water per minute and only 180 gallons per minute is to be pumped. Then why use an 8-inch meter? Please tell us, Mayor, who "advised" you to buy it. Again, the Mayor says the Power Co., when they close down the plant each morning draw their fires. Now, we don't do anything of the kind. We bank our fires and keep up 60 to 75 lbs. of steam all day and could start the fire pump very quickly and that could be done at the fire pump by opening a valve. We keep steam constantly on our boiler except for a few hours every two weeks when we empty the boiler to clean it out. The Mayor figures 5 per cent depreciation on a gasoline engine. That would mean that it would last 20 years. Please point-out a gas engine that has been in constant use half that long. Such engines are short lived and manufacturers figure 17 per cent as the yearly depreciation which means our average life of less than 6 years. Now when our people decided to put in a water works system the primary object was for fire protection and the selling of water is of secondary importance. Our Mayor is ignoring that, and one of these days or nights our people will have cause to wake up to that fact, but may be too late.

Very respectfully yours,
F. H. OBERTHIER.

Cures Old Sores, Other Remedies Won't Cure.
The worst cases, no matter of how long standing, are cured by the wonderful, old reliable Dr. Porter's Antiseptic Healing Oil. It relieves Pain and Heals at the same time. 25c, 50c, \$1.00

Summitt Breezes.

John Guthrie is improving slowly and is now able to sit up a little.

Mrs. Roll Douglas has returned from her two weeks' visit with her sister at Stamford better satisfied with Castro county.

Hollis Galley and wife spent a few days the past week at the parental home.

Items are scarce as every one is home busy with the fall work.

Mrs. Mary Hapsy made Mrs. Galley a visit last week.

Floyd Hacker of Parrott neighborhood is helping Mr. Shepard with his farm work.

Skunks are becoming numerous and are making themselves at home in several hen roosts, taking over 50 at Tom Tate's before he moved back to town.

Card of Thanks.

We desire to thank our many friends of their acts of kindness during the illness of our dear Mother, Mrs. J. L. Sullivan, and especially those who ministered unto us in our hours of the most severe trial of our lives. We desire also to express our appreciation of the untiring efforts of Drs. Johnson and Price and Mr. Boone, also for the sweet, comforting words of Brother Henson.

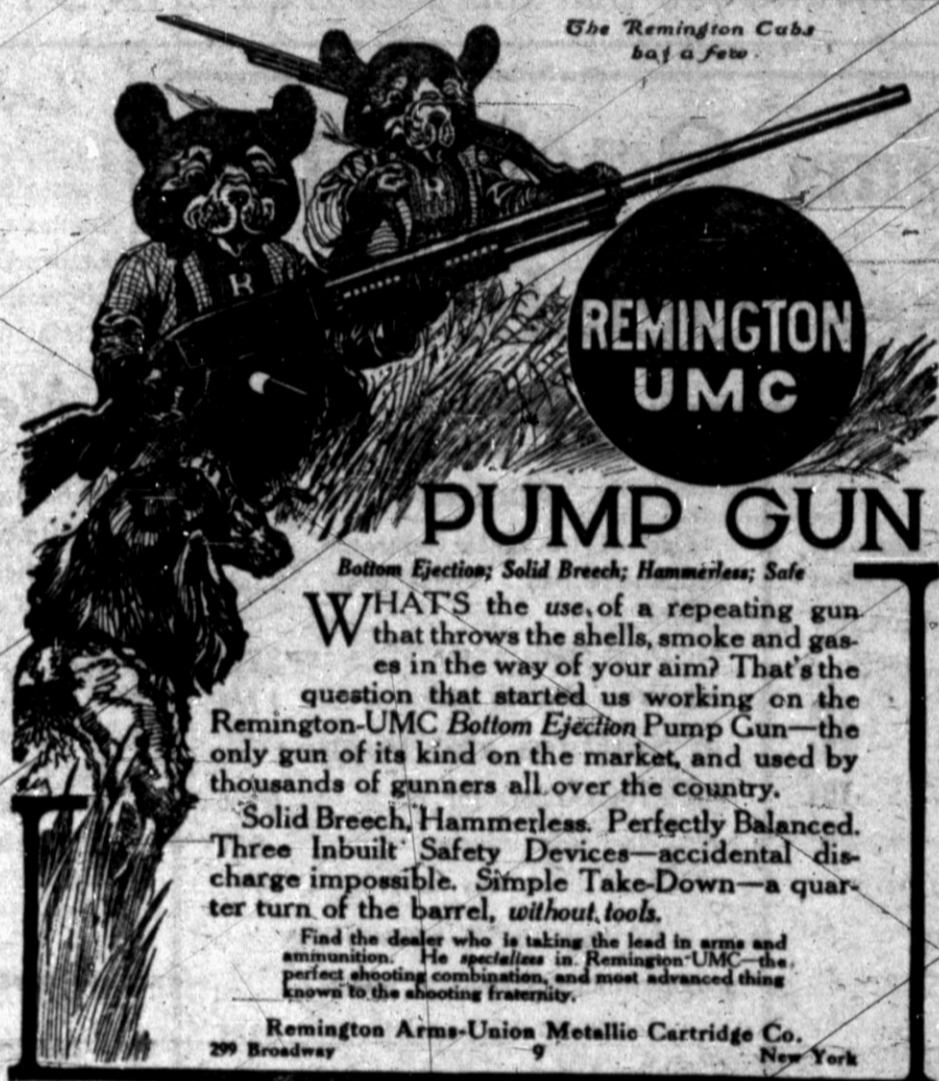

Her Children.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A TALK WITH A HEREFORD MAN

W. S. Higgins of 610 E. Fourth St., Tells of an Interesting Experience.

There is nothing like a talk with one of our own citizens for giving hope and encouragement to the anxious sufferer from the dread kidney disease. We, therefore, give here an interview with a Hereford man:

Says Mr. Higgins: "My back was lame and painful and I had dizzy spells and pains in the top of my head. Some time ago I got a supply of Doan's Kidney Pills from Woodburn & Son's Drug Store and one box brought me such great relief that I can heartily recommend them."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Higgins had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

"When Your Back is Lame—Remember the Name."

"OCEANS OF WATER."

Mrs. Viola B. Bowe.

In the passing away of Mrs. Viola B. Bowe, whose death occurred Thursday, Oct. 2, at 6 p. m., Hereford loses one of her best women. She was the faithful wife of Dr. F. E. Bowe, to whom she was united in marriage, November 9, 1887, at Shellsburg, Iowa. Six children were given to them, five of whom mourn the loss of a kind and affectionate mother. The family resided in Iowa

until 1901 and then moved to Missouri, where they lived five years. In 1906 they came to Hereford and have made this their home since. Mrs. Bowe was a devout member of the Presbyterian church and had been since early childhood, having united with that body at the age of eleven years. She had not been in the best of health for some time, but the many friends of the family were greatly grieved to learn of her death. The funeral services were conducted at the Presbyterian church, the pastor, Rev. W. M. Baker, officiating. The members of the Tribe of Ben Hurr, of which order she was a member, assisted in the services. The active pall bearers were: C. O. Lee, W. M. Megert, C. D. Wright, Russell Carroll, F. P. Potter, Chas. Julian. The honorary pall bearers were: Mesdames Lee, Young, Russell Carroll, Will Carroll, Fullerton, Biggs. The remains were moved to the city cemetery from the church, where impressive and appropriate ceremonies were held. A large number of friends attended the services.

GOD LIVER OIL AND IRON

Two Most World-Famed Tonics Combined in Vinol.

Cod Liver oil and Iron have proved to be the two most successful tonics the world has ever known—iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cod's livers from the oil or grease which is thrown away, but to these medicinal elements tonic iron is now added, thus combining in Vinol the two most world-famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness; and for chronic coughs, colds, bronchitis or pulmonary troubles, we ask you to try Vinol with the understanding that your money will be returned if it does not help you.

P. S. For pimples and blotches try our Saxo Salve. We guarantee it.

(CONTINUED FROM PAGE 3)

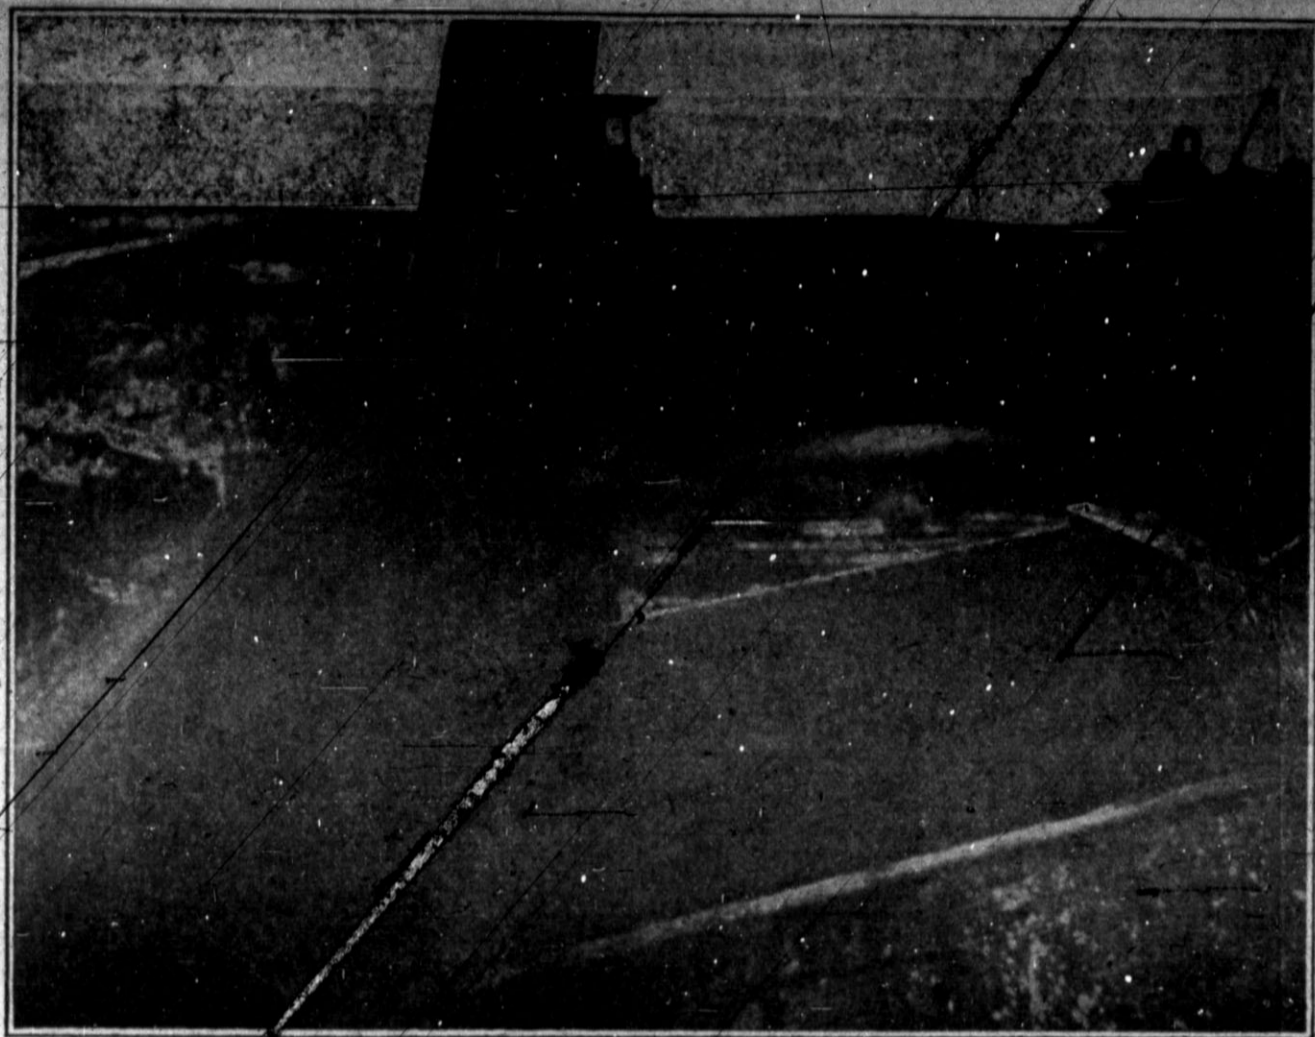

HEREFORD AND IT'S TERRITORY

Central and North Texas. In the exhibits at the First All-Panhandle Fair, held recently at Amarillo, there were to be seen a long catalog of products. Only the most important are mentioned:

In the field—Indian corn, milo maize, kafir corn, feterita, barley, speltz, wheat, oats, Egyptian wheat, California wheat, African millet and all other millets, different varieties of cane, broom corn, pop corn, cow peas, alfalfa, and many other field grown products. Cotton does well in the lower altitudes of the Panhandle.

In the garden—Asparagus, beans, beets, cauliflower, celery, cantaloupes, cucumbers, kershaws, radish, lettuce, okra, onions, peas, peanuts, peppers, potatoes, pumpkins, rhubarb, spinach, tomatoes, turnips, yams, watermelons, etc., etc.

In the orchard—Apples, plums, peaches, cherries, all varieties of grapes, berries of all kinds, and all

Big Irrigation Well on Baskin-Hester Farm--1175 Gallons per Minute

irrigation wells and twelve of smaller size. All but two of the big wells flow from 1,000 to 1,600 gallons per minute. There is one giant well, however, located in a low valley, that flows 3,000 gallons per minute. The smaller wells, used by truck farmers, furnish about 125 gallons per minute. The large wells are all equipped with turbine pumps and oil burning engines, from 30 to 70 h. p. The wells are drilled 26 inches in diameter and average about 185 feet deep, but the water levels are from 28 to 89 feet, the average depth to the water in the large wells being 58 feet. These wells are all near Hereford, the nearest one being in South Hereford and just one mile from the court house. The others are 1 1/2 miles, 2, 4, 5 and 9 miles, the farthest being 18 miles.

THE CROP YIELD BY IRRIGATION.

What the farmer wants is the yield; he will do the rest if he is assured of profitable returns. The irrigation farmers around Hereford have made the following records: Oats are producing from 50 to 104 bushels per acre; kafir and milo maize are making from 40 to 70 bushels of grain, with the fodder on the side; kafir insilage from 5 to 10 tons per acre; alfalfa from 5 to 7 tons; wheat from 20 to 40 bushels; cane from 3 to 5 tons dry stack; millet from 2 to 4 tons per acre. One farmer, this year, has a gross income of \$6,500.00 from 155 acres of irrigated crops, and it was his first experience.

To Prevent Blood Poisoning

apply at once the wonderful old reliable DR. PORTER'S ANTISEPTIC HEALING OIL, a surgical dressing that relieves pain and heals at the same time. Not a liniment. 75c. 50c. \$1.00.

semi-tropical fruits. An examination of the exhibits at the Dallas Fair will show most of these things in their perfection.

HEREFORD, THE COUNTY SEAT.

Hereford, the county seat of Deaf Smith county, is located on the main California line of the Santa Fe. It has an altitude of 3812 feet and a population of 2,325, estimated according to the school enrollment, which is 465. All of the streets have been graded and many of them macadamized; sidewalks extend along nearly all of the builtup blocks. The White Face City has more shade and fruit trees than any other town in the Panhandle, many beautiful lawns and yards, and the most attractive court house yard in Texas. In the center of a large green, bordered by stately cottonwoods, stands one of the finest and best equipped court houses. Constructed of solid concrete, faced with Tennessee marble, it presents a most substantial appearance. Other public buildings: the high school and the several churches, and the business blocks, makes Hereford at once a desirable

town.

IRRIGATION AND WATER.

Of late years, the large underground supply of water has become one of the greatest resources. Discovered several years ago, but not until the last three years has it been utilized. Farming by irrigation has become a fixed and profitable method. It insures double yields and certain crops. Hereford was the first town on the Plains to use this water for irrigation purposes and has lead the way to development. The water supply is just as inexhaustible as the waters in the great rivers of the Mississippi Valley; in fact, the underground water at Hereford is found in a hidden sand-filled river bed, whose supply comes from the Rocky Mountains to the northwest in the same manner as the Arkansas and Missouri rivers find their beginnings. Farming by irrigation has proven a success, the crops yielding abundantly and satisfactorily.

NUMBER OF WELLS.

Citation by Publication THE STATE OF TEXAS

To the Sheriff or any Constable of Deaf Smith County Greeting:

Oath having been made as required by law

You are hereby commanded to summon E. Van Metre, J. W. Wright, Sam S. Wright, Laura C. Thayer, William Golnitz, John B. Scott, Mary J. McMannus, Albert Bahl, C. V. Jones, J. E. Kamink, D. A. Martindale, Henry Docken, F. W. McMillan, and R. M. Montgomery by making publication of this Citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 69th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 69th Judicial District, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof in Hereford, on the First Monday in November A. D. 1913, the same being the Third day of November A. D. 1913, then and there to answer a petition filed in said Court on the Seventh day of October A. D. 1913 in a suit, numbered on the docket of said Court No. 754, wherein N. R. France and D. L. McDonald are Plaintiffs, and E. Van Metre, J. W. Wright, Sam S. Wright, Laura C. Thayer, William Golnitz, John B. Scott, Mary J. McMannus, Albert Bahl, C. V. Jones, J. E. Kamink, D. A. Martindale, Henry Docken, F. W. McMillan and R. M. Montgomery are defendants, and said petition alleging that on the 27th day of February 1909, the American-Canadian Land Company a partnership composed of E. Van Metre, J. W. Wright and Sam S. Wright, entered into a written contract with D. L. McDonald & Company, a partnership composed of N. R. France and D. L. McDonald, by the terms of which the plaintiffs, D. L. McDonald & Co., agreed to convey to the American-Canadian Land Company for a consideration the following tracts of land situated in Deaf Smith and Oldham Counties, Texas viz. All of Sections 29-30-31-33-47-48-49-73 and 74 in Block K-11. That the American Canadian Land Company agreed to pay for said lands the sum of \$70,000 as follows: \$5,000 in cash \$4,000 on May 1st, 1909. \$5,000 on July 1st, 1909 and the balance in four equal annual payments of \$14,000 each, commencing on the first day of March, 1910.

That the following described parcels out of said several sections have been fully paid for and deeds have been executed and delivered conveying said parcels to the several persons indicated by the American-Canadian Land Company viz. All of Section 29. The East half of Section No. 30. The South East one-fourth of Section No. 31. The South East one-fourth of Section No. 49. The North East one-fourth of Section No. 49. The South East one-fourth of Section No. 73. The South-west one-fourth of Section No. 33. The North-west one-fourth, of Section No. 33. That the plaintiffs have faithfully complied with all of the provisions of said contract on their part, but that the American Canadian Land Co., has failed and refused to pay the balance due on said contract to-wit: the sum of \$33,000, with interest thereon.

That said contract provided that all deferred payments should bear interest at 6 per cent per annum from March 1st, 1909.

That after the execution of the contract above described the American-Canadian Land Company entered into contracts with the other defendants hereto agreeing to convey to them certain parcels of said land and attempted to confer upon such other defendants the right to acquire title to certain parcels of land out of said Sections above described on certain conditions which are not known to these plaintiffs.

That the plaintiffs are and were at the time of entering into the contract above described the owners of all the lands which have not been conveyed on the request of the American Canadian Land Co., the title to which then stood and still stands in plaintiff N. R. France as a matter of convenience

Plaintiffs pray that on final hearing of this suit that the contract of February 27th, 1909, between the plaintiffs and the American-Canadian

Land Company may be cancelled and the cloud now resting on their title by reason thereof may be removed; that any right to acquire any of said lands by any of defendants may be annulled and cancelled; that plaintiffs may recover their costs and have any other relief to which they may be shown entitled.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness, J. S. Jones, Clerk of the District Court, of Deaf Smith County.

Given Under My Hand and the Seal of said Court; at the office in Hereford, Texas this the Eighth day of October, A. D., 1913.

J. S. JONES,
 Clerk, District Court Deaf Smith County, Texas.

Sherriff's Sale

THE STATE OF TEXAS,
 County of Deaf Smith

Notice is hereby given, that by virtue of a certain Order of Sale issued out of the Honorable District Court of Armstrong County, on the 10th day of September, 1913, by the clerk of the District Court of said Armstrong County, for the sum of Six Hundred Eleven and 55-100 (\$611.55) Dollars and costs of suit, under a Judgement in favor of Roscoe Logue in a certain cause in said Court, No. 241, and styled Roscoe Logue vs. W. A. Price et. al. placed in my hands for service, I, R. W. Baird, as Sherriff of Deaf Smith County, Texas, did, on the 15th day of September, 1913, levy on certain Real Estate situated in Deaf Smith County, Texas, described as follows, to-wit: Beginning at a point 600 feet South of the North East corner of Block 5 of Evants addition to the town of Hereford, Texas, thence West 200 feet, thence South 147 feet, thence East 200 feet thence North 147 feet to the place of beginning and levied upon as the property of Ed Wittheaur, W. A. Price, and J. D. Woodburn. And that on the first Tuesday in November, 1913, the same being the 4th day of said month, at the Court House door of Deaf Smith County, in the town of Hereford, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said order of sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Ed Wittheaur, W. A. Price and J. D. Woodburn, or either of them.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Hereford Brand, a newspaper published in Deaf Smith County, Texas.

Witness my hand, this 15th day of September, 1913.

R. W. BAIRD,
 Sherriff Deaf Smith County, Texas

Sherriff's Sale

STATE OF TEXAS
 County of Deaf Smith

By Virtue of an Order of Sale issued out of the Honorable District Court of Hemphill County on the 19th day of September, A. D. 1913 by the clerk thereof, in the case of The First National Bank of Canadian Texas, versus Geo. F. Caylor, J. A. Peterson and S. L. McDonald, Number 531, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sherriff's Sales, on the FIRST TUESDAY in November, A. D. 1913, it being the 4th day of said month, before the Court House door of said Deaf Smith County, in the town of Hereford, Texas, the following described property to-wit:

Being all of the Northwest quarter of Section No. 109, Block M-7, Certificate No. 1232, B. S. & F. Original Grantee, containing 160 acres of land and situated in the Southeast part of Deaf Smith County, about one mile south of Hereford, Texas, and generally known as the Henry Farmer Land.

Levied on as the property of Geo. F. Caylor, J. A. Peterson and S. L. McDonald, this the 24th day of September A. D. 1913, to satisfy a Judgement amounting to Nine Hundred Fifty-two and 85-100 (\$952.85) dollars in favor of the First National Bank of Canadian, Texas, and cost of suit.

Given under my hand this the 24th day of September A. D. 1913.

W. R. BAIRD, Sheriff,
 Deaf Smith County, Texas

CARDWELL BROS

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Thedford's Black-Draught, and quit

taking other medicines. I decided to take his advice, although I did not have any confidence in it.

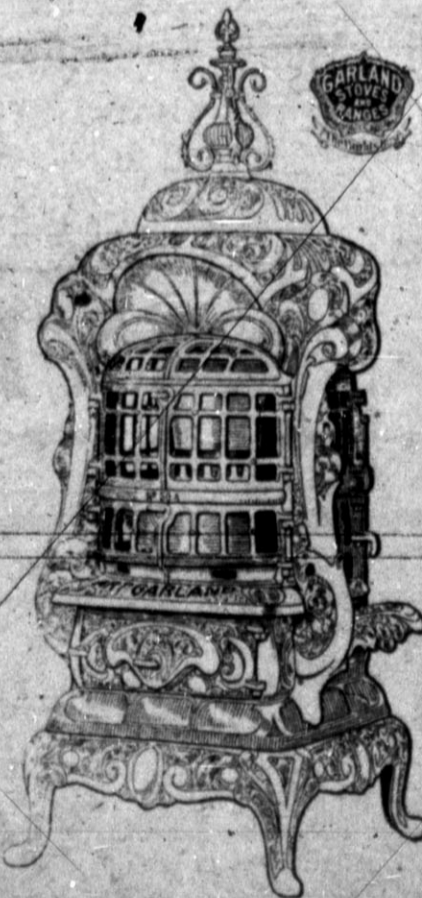

I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Thedford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest.

MAKE OUR STORE HEADQUARTERS

GARRISON BROS.

Where Are You Going to Spend the Winter?

May be the question that is troubling some of you, but

Where Are You Going to Make Your Fall Bill?

Is the "ALL-IMPORTANT ISSUE of the Day."

The RIGHT PLACE to Trade

Is Where You Can Do the Best. But, How Can You Determine That?

A man once asked a certain merchant what reduction he would give him on a STETSON HAT and when told he could not give any, the man said that he would go to another store, as they had offered him a \$6.00 STETSON HAT for \$5.00 and so he did. Now, being proud of his bargain, he came back to show the merchant what a big saving he had made, but upon examination he found he had bought the identical hat he was offered at the first store for \$5.00. DID HE SAVE MONEY? DID HE TRADE WHERE HE COULD DO THE BEST? Suppose he had not asked for a reduction on that \$6.00 hat? THIS IS A BUSINESS PROPOSITION. IT'S UP TO YOU.

Where Will You Make Your Fall Bill?

Now just a few words of "GOOD OLD HORSE SENSE." Handling nothing but the very best standard makes of everything in our line. With our "SPOT CASH TO ALL" system, and EVERYTHING MARKED IN PLAIN FIGURES, and marked at exactly what they were manufactured to sell for, makes us feel justified in asking you to

R. W. Carroll.
Millinery at almost your own pricing next week. Come in and see what we have. We can please you. Mrs. Heifner. 11
"OCEANS OF WATER."

CROWNING A KING

The Leaders of All Ruling Families in the Animal Kingdom Will Witness the Coronation at Ft. Worth, Nov. 22-28.

The lovers of achievement will find the conquests demonstrated by the livestock on exhibition at the Ft. Worth Stock Show, November 22-28 the most thrilling event on the year's calendar. The contests will be of the highest order of entertainment and the greatest educational value to all thinking people.

Texas steers with enough royal blood in their veins to crown a king will make their annual pilgrimage to the Ft. Worth Fat Stock Show, where they will be registered, entered, weighed and exhibited, and the best of their number will be crowned king of the plains. Royal personages of the Houses of Aberdeen, Hereford, Shorthorn, Jersey, Angus and all other approved breeds will be present and contest for the crown.

In the swine department the leading members of the ruling families will be on exhibition and demonstrate their marvelous powers as revenue producers. In the sheep pens will be found registered Axfords Downs and Rambouillets and all the substantial breeds.

Horses, decorated by trophies won in contests of merit at home and abroad, and whose names are household words on two continents, will parade around the arena.

In the poultry department there will be hens that have broken world records for egg laying, and roosters that can boast of royal lineage. It will be one of the most complete exhibits on the ground.

There will be 250 premiums, approximating \$25,000 in cash prizes, awarded during the meeting and solid silver cups, large enough for a churn will supplement the regular premium list. Each prize will recognize a point of merit attained by the contestants, which, in many instances, will have twenty generations of careful breeding behind it; the achievements the premiums emphasize will represent years of scientific study and tireless experiments and months of diligent feeding.

No member of the animal kingdom can hope to attain a higher honor in life than to carry off a blue ribbon at the Fat Stock Show. It gives standing in livestock circles all over the world; a heritance, and an uplift.

Spring Lake Items.

Oct. 12.—S. H. Roush went to Hereford Saturday to meet his son, Joy, who has been in Nebraska the past summer.

Mr. Frederick sold the last of his cattle Friday, and he and Rev. Hensel will leave for California in about two weeks.

Over 6,000 head of cattle have been dipped the past two weeks at the company dipping vat. About 1,100 will be dipped the second time next week.

The first frost of the season came Thursday night.

Messrs. Axtell sold their calves last week to Ramey Bros.

Mrs. J. F. Baker add the school marm were in Dimmitt Saturday.

Williams Bros. of Hereford spent a couple of days here last week trying to buy some calves, but failed to make any deals.

About 20 from here attended the Sunday school convention at Olton last Sunday.

We understand Mr. Packard has traded his sheep for mares and will try raising mules.

John Gehrler and his bronk got mixed in a wire fence last week. John escaped with some badly torn clothes and the bronk was badly cut.

Betts-Clark are agents for the Saturday Evening Post. 271t

Chronic Dyspepsia.

The following unsolicited testimonial should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for years, and of all the medicine I have taken, Chamberlain's Tablets have done me more good than anything else," says W. G. Mattison, No. 7 Sherman St., Hornellville, N. Y. For sale by all dealers.—Advertisement.
