MILO STACKING UP — Grain sorghum harvest is under way in Deaf Smith county as this picture of Community Grain company's "stockpile" at Easter indicates, but many farmers say high moisture is causing a delay in harvest, and some say it will not be possible to gather their grain until after a killing frost. (Brand Staff Photo)

Bond Forfeited After Defendant In Fraud Case Fails To Appear

Deaf Smith County officers issued a warrant for the arrest of Houston John Gibson, charged with fraudulently swindling a local motel owner of more than \$10,000, after he failed to appear for trial Tuesday morning.

Gibson was indicted June 3, this year, by a 69th Judicial District Grand Jury, on four separate counts of fraud.

The contractor built several buildings in Hereford and was indicted after charges were filed alleging fraud in the construction of the local buildings.

The trial scheduled for Tuesday concerned the construction of the K-Bar Motel, owned by Ernest Kendall, in which Gibson was accused of swindling Kendall out of more than \$10,000 in the construction contract.

Gibson was under a \$5,000 bond for the one count of fraud concerning the motel, but had a total of \$6,000 more in bonds for the other three counts, totaling \$11,000 in Deaf Smith County alone, officers said.

District Judge Harry Schultz ordered the \$5,000 bond on the trial, scheduled for Tuesday, forfeited, but as of late Wednesday, bondsmen were still consulting with District Attorney William Hunter.

According to court officials, no action had been taken to recover the bond from the bonding company as of late Wednesday.

The Plainview Bonding Company was bondsmen on all the \$11,000 in bonds held by Deaf Smith County, according to Deaf Smith County Sheriff Lowell Sharp.

An additional \$5,000 bond is held in Oldham County, concerning a charge of false swearing against Gibson. The same bondsmen are on the \$5,000 bond in Oldham County.

The charge against Gibson in Oldham County for false swearing, is connected with the indictments returned against him in Deaf Smith County on the four counts of fraud.

Gibson, according to sources, had contacted the Plainview Bonding Co. late Monday, asking the price of appeal bonds.

Gibson appeared in Hereford Monday and talked with his court-appointed attorney Monday evening and was told by the attorney to appear for the trial at 9 a. m. Tuesday.

The court convened Tuesday morning at 9 a. m., with the state announcing ready for trial but the defendant failed to appear.

Fireworks Aplenty Likely In Herd-Perryton Battle

After dropping their District 1-AAA opener in a squeaker to the Canyon Eagles last Friday, the Hereford Whitefaces will meet the Perryton Rangers here in what may prove to be the roughest District 1-AAA battle of the season, matched 16-16.

Perryton retained 16 lettermen and seven starters from a 4-6 season last year, and have a 1-1 record demonstrated their ability to come out in a tussle as they battled powerful Dalhart to a 6-6 tie.

Perryton opened its season against 4A AAA Pampa, dropping it 19-8. The rangers returned the following week to defeat Woodward, Okla. 26-13. Vernon edged the Rangers 7-0 and the Rangers rolled past Guymon 12-0, before entering district play last week.

The Rangers surprised the Tulsa Hornets last week as they rolled past them in their district opener, 21-6.

The Rangers were pre-season picks, with the Herd, to vie for second-place honors.

Dumas will meet the Canyon Eagles at Dumas, after smothering the Muleshoe Mules last Friday, 63-6.

Muleshoe and Tulsa will meet at Tulsa in the other conference battle of the evening.

Perryton boasts a real fine quarterback in Bob Callahan. Callahan piloted the Rangers through the last season and has been doing very well this year despite injuries.

He was injured and was not able to play in the Tulsa game, but is expected to return for the game tomorrow night.

Callahan has good speed and is a very good passer. He weighs 151 pounds but runs with authority and is an excellent ball-handler.

The brightest spot in the Ranger lineup would be Chester Dougherty, 180 end. Dougherty was an all-district selection last year and is rated one of the finest players in the district this year.

Other than being an excellent receiver, Dougherty blocks well down-field and is very outstanding on defense, where he plays left end.

According to past performances, he is very aggressive and a very good tackler.

Kenneth Delke, 181 pound fullback is perhaps the real spark in the Ranger backfield. He is a hard runner and blocks very well.

He has good speed and does a real good job on defense, where he plays right line backer.

Center Lesley Wells serves the Rangers as a real fine center and according to reports, Wells does a real good job on defense, where he plays right line backer.

"We feel Perryton has a real fine team this year, as they demonstrated against Tulsa Friday evening. Our boys are really going to have to be fired up and get with this bunch to pull this one out," Head Coach Jack Meredith said Wednesday.

Hereford will enter this second district scrabble with a 0-1 record with Perryton coming in with the exact opposite, a 1-0 record.

No serious injuries were inflicted on the Herd last Friday and everyone should be in top shape for the battle.

Around Town

With The Brand Staff

Young Farmers and Young Homemakers will hold their annual awards banquet tonight at 7:30 at Western Wheel Inn when a feature will be the naming of the Young Farmer of the Year and the Workhorse of the Year, George Zetzsch, president, announced.

Annual 4-H Achievement awards banquet for Deaf Smith county will be held next Monday night in the senior-junior high cafeteria, it was announced this week. Scores of 4-H boys and girls will be presented awards, and the Gold Star Boy and Girl will be picked. Extension Service officials announced.

Leroy Bodkin, Hereford, fieldman for the Federal Crop Insurance Corp., is attending a training meeting in Austin which started Tuesday. FCI is a program of USDA.

Bud to Blossom Garden club will meet Friday at Community Center to work on ponies, announced Mrs. Sam Long, club president. Meeting date was changed to prevent a conflict with District Convention of Federated Music clubs meeting here Nov. 6.

Deaf Smith county Baptist Churches will be represented at the 79th annual Baptist General Convention of Texas which is to be held in Corpus Christi Nov. 3-5, it was reported Wednesday. Among projects on the agenda will be adoption of a \$12 million Texas Baptist mission budget for 1965.

Two carnivals - both with Halloween flavor - are slated Saturday night - one at the Little Bull Barn sponsored by the Citizens Band Radio, and the other at the junior-senior high cafeteria. At the Little Bull Barn carnival, VFW will give a bag of Halloween goodies to each child who brings a new or repairable toy for the VFW to use in its Christmas toy project.

Staff Sergeant Carl H. Schroeder, 36, son of Mr. and Mrs. Carl H. Schroeder, 205 Norton, Hereford, attended the Fourth Army postol coaches' clinic at Fort Sill, Okla. last Friday. He attended Hereford High School.

Rebekah Lodge 228 will have a pancake supper tomorrow night at the IOOF lodge hall, 205 E. 6, starting at 5 p. m. Tickets are 35 cents for children and 75 cents for adults for "all you can eat," with choice of bacon or sausage.

Trans-Continental Telephone & Electronics, Inc., has announced the purchase of West Texas Telephone Co. from the T. A. Singer family. West Texas company has headquarters in Dimmitt and also has dial offices in Hart, Sunnyside and Nazareth. Sellers were Mrs. T. A. Singer, widow of a pioneer telephone man; Elton Singer, Robert Singer and the estate of Jimmie Singer and Juanita Singer 282.

Fourth Time, So It's Getting To Be A Habit Hereford Bands Given Top Rating In Contest

Hereford High School brought home a "I" rating from marching contest this year - for the fourth consecutive time. The annual contest was held Tuesday in Buffalo Stadium, with bands from schools throughout the area participating.

High honors were bestowed upon the freshman band, which also received the "I" rating. Directing the freshman band was Clyde Wilson, with Ben Gollehon in charge of the high school band.

Gollehon said he had heard from some that the freshman band was "best in the contest" for their class. The band was entered in class COC this year, the hardest junior high class.

"I was really happy with the sound, kneelift and alignment," Gollehon commented. He pointed out that the 6½-minute performance was the "full show", pointing out that only parts of the show had been seen previously at football half-times.

In competition with the Hereford band were bands from Tulsa, Dumas, Canyon, Tascosa (sophomore band), and Perryton. Tulsa and Perryton also received the coveted "I" rating, with Dumas and Canyon coming close with "II" ratings. Tascosa's band fell behind with a "III".

"This is the best band we've ever had," Gollehon said, predicting an ever better concert season.

Tunes used in the marching exhibition were "World Events", "The Southerner" (Alexander), "Holst Suite," and the popular tune, "Hello Dolly".

The 80-member musical group was not required to stand inspection this year upon arrival at the stadium. Judges had discarded this part of the contest because it was felt that it served no real purpose.

Gollehon said that freshman director Wilson was "tickled to death" over the "I" rating earned by the freshman group. Stanton Junior High band also brought back a "I" rating last year, under Wilson's direction. Gollehon is now in his fifth year as band director in the Hereford schools.

Leading the bands on the field were Jerry Ross, high school drum major, and Lowell Wiggins, junior high drum major. Feature twirler for high school is Merle Carmichael. Other twirlers are Ann Mercer, Patty Roach, Darla Caraway, and Peni Jones. Cheryl Solomon, Rena Coffin, Pat Hill, Pat Williams, and Margaret Phipps are twirlers for the junior high school band, but were unable to twirl in the contest.

Patti Roach and Merle Carmichael both made "I" ratings in twirling competition. Both have had several years experience. Peni Jones, in her first year, received a "II" rating.

Next major date for the band is Nov. 14, when they will participate at an invitational marching meet in Clovis, N. M. Bands from both New Mexico and Texas will participate.

Gollehon said the band will now begin doing some pageantry, and begin preparing for the Christmas concert. Solo and ensemble contest then is held, and plans made for the contest trip.

The band brought home the traveling sweepstakes trophy from the Tri-State Music Festival held in Enid, Okla., but Gollehon said no definite plans had been made concerning whether the band would attend the meet this year. He did point out, however, that the band would go "somewhere".

Sight-reading, Gollehon explained, looked "really good". "We should be really mature contest wise," he said.

The "I" rating won at marching contest this week by both bands now makes them eligible to compete for sweepstakes, which is awarded at the concert and sight-reading contest in the spring. The high school band has now won this top rating two years consecutively.

186 Ballot In Advance

With only two days left in which to cast absentee ballots, business in the absentee voting department at County Clerk B. F. Cain's office is "brisk," he said Wednesday.

Up to Wednesday afternoon, 186 ballots had been cast in advance, most of those by people who have called at the office to do their voting. However, a number have been mailed out to persons who are ill and will be unable to visit the polls in person next Tuesday.

Ballots requested by mail must be returned in time to bear a Friday postmark, it was explained. Such ballots can be sent out only by a written request.

Interest in the election is shown by these figures: In 1956, 125 absentee ballots were cast; in 1960 the total was 147 and up to late Wednesday, the total stood at 186.

County Makes \$32,000 Bid For 4th And Sampson Lots

In one of the shortest Commissioners Court meetings of the year, Deaf Smith County's ruling body Monday disposed of the few items of business, heard a couple of reports, a complaint on taxes, met with an office machine salesman and passed a resolution concerning some property.

The court officially went on record as offering the Knights of Columbus \$32,000 for certain properties located at 4th and Sampson St., with the Catholic organization retaining and removing the building now located there.

The Knights of Columbus had asked approximately \$37,500 for the properties, and it was the feeling of the court that no further action would be taken on the proposed purchase at this time.

The court also discussed the purchase of a Burroughs bookkeeping machine for the tax office, but took no action Monday. Although the group felt that the tax office would eventually need the bookkeeping machine, the court was unanimous in its feeling that they could not justify it at this time.

Present growth of the county tax rolls would possibly justify the machine in another year or two.

The court also passed unanimously a court order pertaining to easements for gas and water lines crossing county roads. An additional paragraph will be added to the present contracts calling for applicants to water pack all ditches crossing county roads.

The paragraph will read: "All ditches crossing County roads must be water packed, and all ditches must run at right angle to road."

In the past, the court said, many contractors had filled up the ditches with loose dirt which settled with the first rain leaving dangerous holes in the road. "Our road crews are spending too much time coming back repairing these cave-ins," one commissioner said.

In other action of the court, the Commissioners approved a few late bills for payment, reviewed monthly expenses of various departments, heard one tax complaint and heard a report by Jean Beene, Assistant County Home Demonstration Agent who has recently returned from a trip to Dallas and the state 4-H Dress Revue. Lou Ann Witkowski of Hereford placed 3rd in the state contest.

The court also set Thursday, Nov. 5 as the date to canvass ballots of the general election. They will meet at 2 p. m. and work until the canvassing is completed.

The group adjourned shortly after lunch.

Saturday Night March Set For CROP Money

More than 400 Hereford teenagers are expected to turn out Halloween night to "trick-or-treat" for CROP, Mrs. W. J. Messick said this week.

The annual canvass is made by the city's youth to collect donations to Christian Rural Overseas Program. The money is used for buying commodities to be shipped overseas to help needy people. Labeled as a "people-to-people" project, it is not sponsored by any government. The program is sponsored by Church World Service.

Hereford residents are asked to turn on their porch lights by 7 p. m. Halloween, when the drive will start.

Teen-agers will meet in Fellowship Hall of First Methodist Church beginning at 6:30, when map chairmen will assign streets to the workers. The entire town will have been covered by 8:30, when a Halloween party is scheduled to begin in the high school gymnasium, sponsored by Hereford High School Student Council.

All youth participating in the (Continued on Page 2)

Two Halloween Carnivals Set

Saturday night will be carnival time in Hereford with two full-fledged carnivals going full blast.

Citizens Band Radio will sponsor a general carnival at the Little Bull Barn and VFW will be on hand to collect toys for its annual Christmas toy project. It will work like this: Every child who brings a new or repairable toy will be given a bag of trick-or-treat goodies, according to C. W. Smith. The toys later will be worked over for use in VFW's program of distributing toys to needy children.

Then at the high school cafeteria, a carnival is planned with the Student council as the sponsoring organization. Many of the youth will be soliciting funds for CROP and afterward will attend that carnival.

Admission to the carnival at the cafeteria will be based on each youth's height - five cents for each foot of height.

A door prize is to be given and prizes also will be awarded at each of the booths.

Dawn 4-H Member Wins State Award

A 16-year-old Dawn youth, Jon David Miller, has been named Texas winner in the grain marketing program of 4-H clubs, it was announced this week by state Extension Service Headquarters in College Station. Jon David is the son of Mr. and Mrs. H. H. Miller.

He will be awarded an expense-paid trip to Chicago in mid-January to attend a three-day educational grain marketing clinic and tour which will include a visit to the Chicago Board of Trade when the market is in session.

Jon David has served in all offices of his 4-H club, for three years as junior leader and also served as delegate to the county 4-H council from the Dawn Club.

He also was a delegate to the electric camp at Clouderoff, N. M. last year and was also last year's Gold Star winner, the highest award a 4-H member can receive.

During his seven years in 4-H work, he has represented his club and the district as winner in soil, water and range conservation and in community improvement contest work.

Jon and his teammate won second place in the state in conservation contests and was named alternate winner in the grain marketing program last year. He also has won many ribbons and awards in such varied projects as public speaking, yard beautification, co-operatives and town and country beauty.

At present, he is county 4-H "king," and is a junior in Hereford senior high.

Jon David Miller (Brand Staff Photo)

BAND GETS TOP RATING — Hereford High School Whiteface Band, under direction of Ben Gollehon and led by Drum Major Jerry Ross, is shown here as the 80-member group performs in Buffalo Stadium in the annual marching contest. Both high school and junior high bands received "I" ratings. (Brand Staff Photo)

Two Charged In Burglaries Of Local Firms

Hereford Police Department cleared up two burglaries Sunday night while investigating suspects concerning two other burglaries that occurred the same evenings.

While questioning suspects of a robbery at Hill's Texaco Service Station, which was burglarized for the second time in

two weeks Sunday evening, officers charged several Latin-American youths with the burglary of Lee Tire Company and Askew Laundry.

Two of the men have been charged with burglary and one was arraigned Wednesday on the charge.

Two juveniles also are in custody on the burglary of the two businesses, according to Police Chief Marshall Padgett.

Twenty-three tires were reported stolen from Lee Tire Company, and Askew Laundry reported the office to their building was ransacked and more than \$10 in change was taken.

Hill's Texaco was broken into for the second time in two

weeks. The burglars entered the station through a window that was broken out in the last burglary.

The window had not been replaced since the last burglary and only a piece of cardboard was placed over the window. Burglars took more than \$20 in change from the cigarette machine and a clock radio.

In the largest burglary of the month, burglars took more than \$750 in merchandise from Bruzo's Department Store in the 100 block of North Main.

Eight guns were taken from the store, along with \$300 in change and some women's clothes.

No property has been recovered in the two burglaries, where the arrests were made, but Police are still attempting to locate a fifth person who has left Hereford.

Wheat Officers Renamed; State Conclave Set

Andrew Kershen was re-named president of the Deaf Smith County Wheat Growers Association at a meeting in Community Center Tuesday night, and Frank Zinsler Jr. was re-elected vice-president. Clinton Jackson will continue as secretary-treasurer.

The group made plans for its part in the Texas Wheat Growers Association annual convention in Amarillo tomorrow. The local group will be well represented at the state meeting to be held in Holiday Inn West. Leo Witkowski of Hereford is state president.

Association directors are to meet at 9:30 Friday morning and main session gets under way at 1:30 p.m. a banquet is slated for Friday night.

Speakers at the one-day session will include:

Ed Jaenke, Washington, assistant administrator of the ASCS, and vice president of the Commodity Credit Corp., the US agency responsible for management of government-owned farm commodities.

Ken Kendrick, long-time Sherman county, wheat grower and agriculture leader who is now executive secretary of the National Assn. of Wheat Growers with headquarters in Washington.

Congressman Walter Rogers, Pampa, of this 18th Texas District, who will point out how rural interests are losing their power and influence in the US Congress to city interests, due mainly to people moving from farms and ranches to the cities. He will emphasize how important it is for rural interests to figure out a way to meet this problem.

He said that prior to the current Congressional session, the ratio of Congressmen (House members) representing rural interests to those from cities had been 4 to 6. It was down to 3-7 when this session opened and is now estimated at 2-8 as a result of replacements that have followed deaths, resignations and appointments.

Diamond mining normally requires complicated equipment, but the biggest known diamond was extracted with a penknife.

Letter To The Editor

Dear Editor, Never underestimate the power of the press!

Last Friday night, we stood in Buffalo Bowl, to watch Canyon's Homecoming game with our Hereford Whitefaces. Everyone realizes that psychology has a definite place in the field of sports. We feel that we witnessed a most unusual situation — the latest copy of our own Hereford Brand actually being waved on the sideline by Canyon's coach and players!

This newspaper's front page has an article that happens to be inaccurate in statements, as well as personal observations, concerning the ability of Canyon's team, that proved to be Canyon's inspiration to a "second effort" that is so important in a football game. Evidently, this article had been re-read to Canyon's players during the half-time period, to increase their fury, for their dressing room floor was littered with discarded Hereford Brand copies. With friends like

Walcott P-TO Plan Community Dinner, Nov. 20

Plans for community supper at Walcott School, Friday, Nov. 20, at 7 p.m., were laid when Walcott P-TO met at the school Oct. 16. The public will be invited to attend.

At this fund-raising project for the P-TO, the organization will furnish the meat and bread.

This — our Whitefaces don't need any enemies!

We feel certain that your article was written with the best of intentions. But, may we suggest that you have a definite responsibility to our community — and surely, accuracy in your reporting should be a necessity.

Hereford has a most promising group of young men participating in our athletic program. Our staff of coaches believe that teaching high principles along with fundamentals of the game will help these young men to grow to become useful citizens. Let's try to help them.

Mr. and Mrs. Norman A. Minks

Each family attending the supper will be asked to bring a covered dish and then a small fee will be charged per plate. Special entertainment for the day was furnished by Miss Bourquins' 5th and 6th grades, who presented a play, "The XIT Ranch."

Refreshments were served by Mrs. W. M. McCuller, Mrs. S. N. Thwest, Mrs. Jim West, and Mrs. W. R. Duggan.

Card Of Thanks

I want to take this opportunity to thank each and everyone who has helped us these past few weeks during my husband's illness. For those who have asked, he is now in the Veteran's Hospital at Dallas, Room 214-2N.

Again, thanks to everyone. We appreciate your thoughtfulness.

Mrs. John Dameron

Canyon Man Wins Brand's Grid Prize

First-place winner in last week's Brand football contest was Benny R. Cooper, Canyon. Herman Schumacher, Happy, finished second, and LaVerne Kimbell, 118-A Fuller, won third prize. Cooper had 15 right. In this series, seven had 14 right, and it took the "tie-breaker" to determine the second and third spot winners.

Saturday...

(Continued from Page 1)

fund-raising drive will be identified by having "CROP" stamped on the back of their hands. Donations should not be given to any person not having this identification, Mrs. Messiek said, since some slight trouble has resulted in recent years by money falling into the wrong hands.

Heading the slate of teens canvassing Hereford Saturday night are Rozi Rush and Jan West, co-chairmen of the drive. Adult sponsors are Virgil Dodson, Mrs. W. J. Messiek, and Jerry Franz.

Texas young people collected over \$57,000 for CROP in 1963, which helped provide 96,267,000 pounds of government donated food and other CROP shipments not otherwise available for the overseas ministry. Hereford has been ranked seventh in the state in donations; the figure was not derived on a percentage basis.

Official goal for this year's one-night drive is \$1600. Residents of the community contributed \$1500 last year.

12 Young Homemakers Compete For Outstanding Award

Young Homemakers of Texas will have 12 of their members competing for the title of Outstanding Young Homemaker of the Hereford Chapter when club members join the Young farmers at a banquet tonight.

Outstanding Young Homemaker and Outstanding Young Farmer will be announced and engraved plaques awarded. Leo Forrest of Deaf Smith County Electric Cooperative will present the award for the firm to the Young Homemaker.

From applications submitted by the club members, Mrs. J. J. Durham, advisor of the Hereford Chapter of Young Homemakers of Texas, chose the candidate with the highest rating to represent the chapter as Outstanding Young Homemaker. Each is rated on how well she had fulfilled purposes of the or-

ganization as to educational activities, cooperative and community service, leadership, recreational activities, strengthening spiritual values, and activities contributing to good taste and appreciation for beauty in home and community.

Competing for the award are Mrs. Raymond Gerik, Mrs. Clark Andrews, Mrs. James Dobbs, Mrs. Kenneth DeHart, Mrs. Truman Price, Mrs. Tommy Sparkman, Mrs. Bob Hicks, Mrs. George Zetsche, Mrs. Layton Sawyer and Mrs. Howard Hunter, chapter president.

Look Who's New!

Letter To The Editor

Editor:

We are farmers who actually till the soil of this, your county. With this brief message, we want to remind each of you that agriculture is the primary source of income for you and for us. In the farmer's case, the income is direct. In the case of many of you, it is rather indirect, but we feel that each of you will agree with us when we remind you that all businesses of this area exist, grow, and expand in direct proportion with the successes of the farmers of this area.

We would further like to point out to you that the farmers of this area, and our county specifically, have had a much greater economic growth under the Democratic administration than we have ever had under a Republican administration. You can look back at history and verify this point.

May we urge you to consider carefully the economic aspect of the November 3rd election. We feel that your vote for Lyndon Johnson will be a vote for the continued economic growth of our farm economy. Urge your friends to be sure and vote this November 3rd.

WHAT DO DEMOCRATS THINK OF HUBERT HUMPHREY'S ADA?

This is one sample:
In 1962 speeches, JOHN CONNALLY branded the ADA as one of the "divisive forces of extremism" and said they think "just about 100 per cent opposite to the way most Texans think."
"The basic technic they use in the 'big lie' is the same kind of tactics employed by dictators," said CONNALLY.

ADA, which is based in Washington, D. C., will not release a list of its members. Besides Humphrey, some of its better known members include radical labor bosses Walter Reuther and David Dubinsky. Humphrey, Reuther and Martin Luther King were featured speakers at the ADA national convention this year.

To Whom Must Humphrey Bow?

From the San Diego Union

The dream of the Reuther brothers may be near realization. They are one election away from national power. They have come a long way. The significance of their rise was noted by Dr. Walter Courtenay in a recent sermon in the First Presbyterian Church of Nashville, Tenn. He said:

"Valentine Reuther, father of the Reuther boys, was a 100-per-cent Socialist. He firmly believed that capitalism must be destroyed, that the world must be run by the workers for the workers. He saturated his home with this philosophy and spirit.

"He sent his boys to the library after school hours to read specific books on social problems. He taught them to debate social issues on long winter Sunday afternoons, and graded them on their performances. . . .

"Like their father, they became avid Socialists, convinced that America must become a socialized nation or fail in her mission."

Two of the four Reuther boys, Walter and Victor, went to Russia in the early 1930s, praised what they saw, and returned to support Socialist Norman Thomas for President against Franklin D. Roosevelt.

But they did not turn Communist and soon even abandoned the Socialist party.

Socialism in America has changed face. Radicals had become convinced that a straight Socialist ticket would never win in the United States.

As Arthur Schlesinger Jr., historian and speech writer for the late President Kennedy, wrote, "The essence of communism was revolution; the essence of the New Deal was evolution. . . the New Deal commitment was to gradualness."

This was Fabian socialism, as borrowed from England.

In the refining of radical-liberalism, the word "socialism" was dropped and replaced with such phrases as the "democratic left" and "social democracy." Upton Sinclair said he wanted "socialism to come the American way, step by step."

Out of the break-up of the Socialist party eventually arose the Americans for Democratic Action. The ADA became the chief ideological meeting place of the Reuthers, other like-thinking political leaders and radical-liberals.

Walter and Victor Reuther in turn used industrial organization to achieve influence within an existing political party, the Democrats, and today their personal candidate, a founder and one-time national chairman of the ADA, is a candidate for vice president of the United States.

Sen. Humphrey's commitment to this heir of socialism is complete. He is quoted in the *Congressional Record* as saying:

"I think it is no secret that on occasion this great organization has seen fit to chastise me, and perhaps properly so. Perhaps I did not understand why at the moment, but their judgment was undoubtedly better than mine."

Whose vice president—or perhaps President, for that matter—would Sen. Humphrey be?

BE RIGHT WITH BARRY or BE LEFT WITH LYNDON VOTE REPUBLICAN

By Melvin Young

Ever wonder how you rate as an employer? If so then answer the questionnaires below and see how you compare with approximately 25 local businessmen and Rotarians.

The test below was given to the Hereford Rotary Club at a recent meeting, and the figures at the end of each question will tell the story on how these employers voted.

1. Are employees compensated when they are absent through sickness? Yes, 25; No, 0.
2. Does the business have a pension, profit-sharing or bonus plan for its employees? Yes, 15; No, 9.
3. Do women receive equal pay for equal work? Yes, 18; No, 5.

4. Are absenteeism, tardiness or time-wasting problems to the business? Yes, 10; No, 15.
5. Are incentives provided for increased productivity? Yes, 20; No, 4.
6. Is a system for advancement in position known to the employees? Yes, 13; No, 11.
7. Do employees have direct access to management for suggestions or complaints? Yes, 25; No, 0.
8. Are periodic conferences held to inform employees about the position of the business and inspire them with the ideal of service? Yes, 21; No, 4.
9. Is respect for the workplace encouraged among employees by efforts to make it respectable? Yes, 25; No, 0.
10. Are employees treated alike in addressing them by surnames or first names? Yes, 25; No, 0.
11. Are outside interests (sports, adult education, hobbies, participation in civic activities) encouraged by the business? Yes, 19; No, 6.
12. Is personal recognition given to individual employees for their efforts? Yes, 23; No, 2.
13. Are parents of young employees interviewed as well as applicant? Yes, 3; No, 19.
14. Are employees compelled to retire at any set age? Yes, 6; No, 19.
15. Are wives or husbands of employees interviewed as well as applicant? Yes, 4; No, 20.
16. Are annual Christmas parties or similar special events provided for all employees and employers with wives and/or husbands? Yes, 15; No, 20.
17. Any provisions made for special family nights where all the families of all employees are invited to get together for events such as swimming parties, picnics, boat riding, etc.? Yes, 12; No, 13.
18. Do employees know what their pay will be at certain periods of time as next year, two years from now, etc.? Yes, 10; No, 15.
19. Are employees encouraged to take on the job training in order to better themselves and to build toward better jobs? Yes, 19; No, 5.
20. Does your business encourage your employees to make a career of the type of work that they are now doing? Yes, 18; No, 6.

In the cases above where the number answering does not equal 25, the parties either declined to answer or their answer was qualified to the point that a straight yes or no could not be determined in each of these cases, it was considered a blank.

But nevertheless, it's rather interesting to see how you "stack up" with other local employers. Take the test, and we'll let you do your own evaluation.

This test was given by Leo Forrester, Chairman of the Employer-Employee Relations Committee of the local Rotary Club.

The Hereford High School Band and the 9th Grade Band, came home from Canyon Tuesday with top awards again. Both organizations rated the coveted "I", and both should

Letter To The Editor

Dear Editor:

I believe that Americans, who pride themselves in being called a Christian nation, should turn to the word of God for some sound advice before casting their votes in the coming election. God's word certainly has a lot to say about such matters, and we do well to heed that advice.

God takes more than an ordinary interest when a National leader is being selected to rule over a country where many of His people reside. A few selections ought to convince us. We read these two statements in the book of Daniel: "He removeth kings, and setteth up kings" (Daniel 2:21) "The Most High ruleth in the kingdom of men, and giveth it to whomsoever He will" (Daniel 4:17). From David we get this information: "He putteth down one, and setteth up another" (Psalms 75:7). Thus we see that God takes an active part in politics.

His word tells us that a leader should be a devout, God-fearing man. "He that ruleth over men must be just, ruling in the fear of God" (2 Samuel 23:3). When I measure our two candidates by this yardstick I have to reject Mr. Johnson. In his climb up the political ladder he has done too many things a God-fearing man would not do. One of the worst was the scheme engineered several years ago that deprived an honest conservative, Gov. Coke Stevenson, of becoming Senator from Texas. This was done with the help of John Connally and George Pharr. This is a blot on Texas politics that can never be atoned for. "When the righteous are in authority the people rejoice, but when the wicked beareth rule, the people mourn" (Pr. 29:2).

On the subject of the draft God, also takes a lively interest, because the freedom of our young men is at stake, and a wrong attitude toward this make any candidate dangerous to the nation. Americans are a lot like Israel when selecting a national leader. They had their mind on personality, prestige, popularity,

but at this point God sent his prophet to remind them that they were overlooking a dangerous tendency in this candidate. He would draft their sons and daughters into military service. "He will take your sons and appoint them for himself—and he will take your daughters, etc." (1 Samuel 8:10-12)

Both of our candidates have been sounded out on the subject of the draft. Mr. Goldwater says he will end the peacetime drafting of American boys. Mr. Johnson declares it will cost the nation too much to end it. Can you imagine such a statement? I believe it is morally wrong to continue the drafting of our boys in peacetime. I believe it is the act that is leading to the downfall of many of our boys, for it takes them out of surroundings and places them in camps where in many instances drinking and gambling are considered a virtue rather than a vice. I wholeheartedly endorse Mr. Goldwater's stand on the draft.

God warned Israel about selecting a leader who would impoverish them through taxation. "He will take your fields—vineyards—olive yards, the tenth of your seed, the tenth of your sheep, etc." (1 Samuel 1:14-17) "And ye shall cry out in that day because of your king which ye have chosen". But, with this warning ringing in their ears, they went to the polls (in effect) and disregarded God's admonition.

Our two candidates have spoken on the issue of taxation. Let us take heed. Mr. Goldwater promises to cut taxes by 25% in five years, while Mr. Johnson makes no promise to lighten the load on the taxpayer. To the contrary he keeps advocating programs such as WAR ON POVERTY, and MEDICARE, which will require more taxation. I might believe Mr. Johnson was sincere in his "war on poverty" if he would come forward and lay down the fourteen million dollars he has accumulated during his political career. He only lays this load on the already overburdened taxpayer.

Morality in leadership is important in God's book. "Give not thy strength to women, nor thy ways to that which destroyeth kings, (immorality). It is not for kings, O lemuil, it is not for kings to drink wine, nor for princes strong drink" (Pr. 31:3, 4)

If reports have not been exaggerated the liquor traffic has done a whopping business with the White House during the past four years. Also, at least two close associates of Mr. Johnson have been exposed whose moral degradation is sickening. Either he is unable to discern character, or completely indifferent toward morality. In either case it reveals an unfitness for this office, since responsibility rests on his shoulders to choose men from time to time to occupy high offices. I reject him on the morality issue.

Then there is the issue of the spiritual welfare of the nation at stake. We need a man with strong convictions in regard to their importance to our nation. Unparalleled in the history of our nation is the atheistic bigotry of the Supreme Court in outlawing the Bible and prayer in our schools. Neither Mr. Kennedy or Mr. Johnson ever raised a voice against this act of sacrilege. Mr. Kennedy endorsed their act of sacrilege. Mr. Kennedy endorsed their action, and Mr. Johnson did more than that, he selected the ringleader of this notorious group to head the

ON FOLIAGE TOUR — Nine residents and employees of King's Manor in Hereford made a tour to the Canadian area last Saturday for the annual autumn foliage tour extending from Miami through Canadian to Lake Marvin, 10 miles east of Canadian. Here they are shown as they stopped for lunch at Canadian Motel restaurant. Left to

right are Mrs. Mary Houston, Mrs. W. A. Dobbins, Mrs. Lola Jane Hughes, Mrs. Alice V. Faircloth, L. C. Thomas, Mrs. Aaron Rose of Canadian, who welcomed the group; Mrs. L. S. Thomas, Mrs. C. B. Smith, Mrs. Ida Wilcoxson and Mrs. C. W. Fisher.

Hereford Youth Tech's Leading Ground-Gainer

Former Hereford High School gridiron star, Jim Haney, was listed as leading ground-gainer for the Texas Tech freshmen football team this week.

Haney gained 35 yards in eight carries for more than four yards per carry average.

Haney was all-district selection

Jim Haney leads TT in rushing

commission gathering information on the assassination of the president. We can expect no help from him in trying to rid the nation of this cancer.

Mr. Goldwater has had the courage and convictions to speak out against the actions of this court. I think it's time American supported such a man lest we wake up some day with religion ruled out of every segment of American life. Never has our nation needed a spiritual champion in the White House like it needs it now.

On the subject of what to do in case of attack Mr. Goldwater has been made the object of ridicule because he feels that the Commanders responsible for the welfare of our boys on the battlefield should be given the authority to retaliate with conventional nuclear weapons rather than be wiped out. Mr. Johnson scoffs at the idea. He thinks he, and he alone, should have that authority.

I go along with Mr. Goldwater on this issue. I would certainly hate to think that my two sons had to die like rats under a nuclear attack while somebody was trying to run Lyndon Johnson down to get an O. K. before retaliating. The chances are that he would probably be on his LBJ ranch entertaining party Big-Wigs, or out cruising around in his jeep looking at his cattle. By the time he gave the order to fire there would neither be any weapons left to fire, nor any soldiers to fire them. "When they shall say, peace and safety; sudden destruction cometh upon them" (1 Thess. 5:3) The communists are not going to call Washington and notify them of their plans to attack. They will unleash everything they have in the first few minutes.

As a Christian, using the Bible as my guide, I go to the polls Nov. 3 to utterly reject Mr. Johnson and his peculiar political bedfellow, Hubert Humphrey. As a Christian I will cast my vote for Mr. Barry Goldwater, my choice for president.

VOTE FOR THE TEXAN WHO LEADS THE FREE WORLD!

For the past eleven months, for the first time in our history, a native son has led our nation and the free world. And every Texan can take pride that President Johnson has met the awesome burdens of the office with courage, wisdom and restraint.

THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?

To which man do you feel most comfortable entrusting the security and well being of yourself and your children for the next four years—

A man who wants to turn back the clock of achievement... a man who has worked consistently against progressive measures in the Senate... a man virtually untested in a time of crisis?

Or a man who has dedicated his entire life to public service... who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire... has demonstrated his unwavering strength to meet any aggressor with firmness, yet restraint?

PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY

For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and now as Chief Executive, he has written a proud record of progress.

ONLY TEXAN PRESIDENT LYNDON JOHNSON OFFERS THE EXPERIENCE, THE PATIENCE, THE WISDOM, AND THE STABILITY NEEDED BY THE NATION AND THE FREE WORLD IN THESE CRITICAL TIMES!

Dear Members of Avenue Baptist Church:

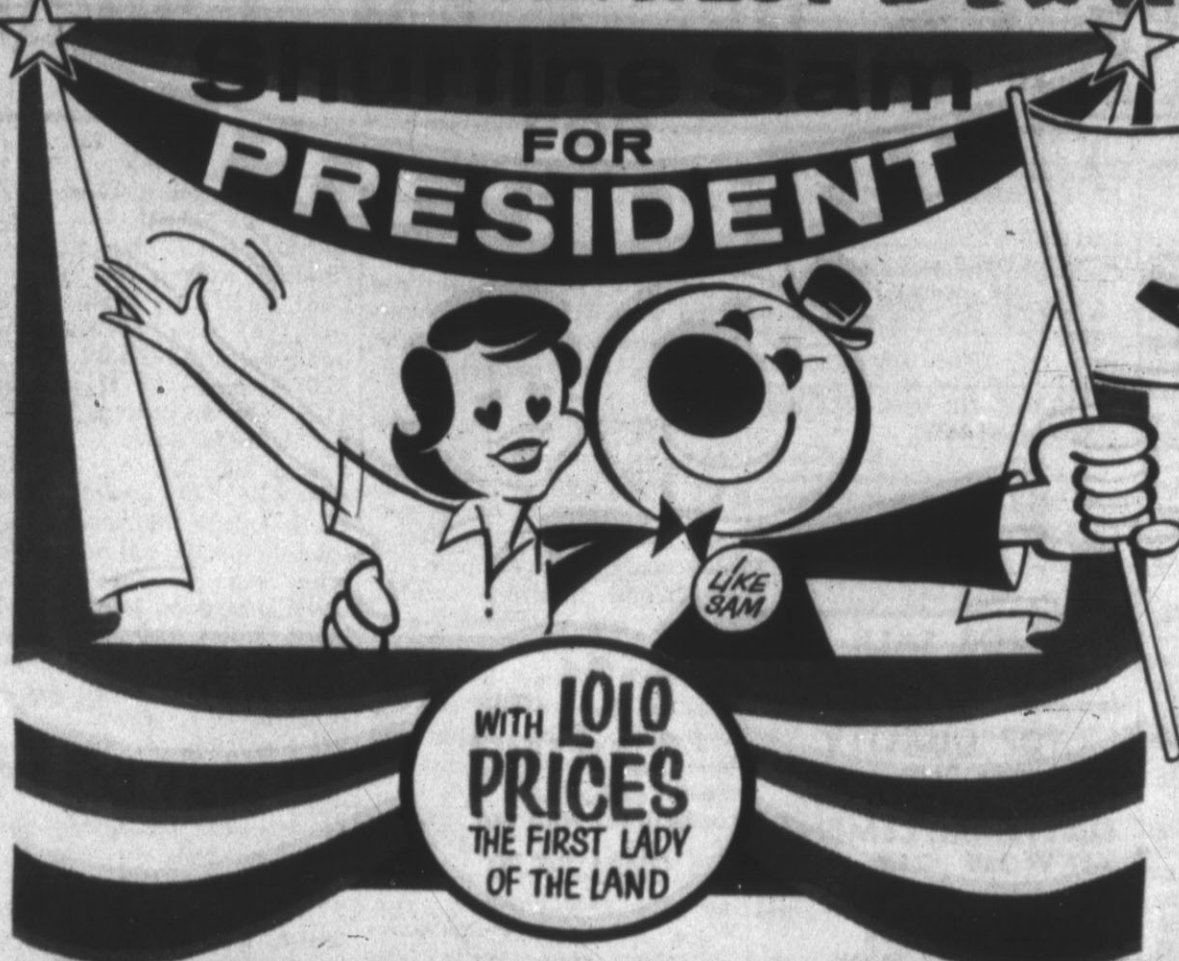

Our Church voted, last Sunday morning, at the recommendation of the pulpit committee to invite Brother Ronald A. Harpster in view of a call. The vote was to ask him to preach Friday night, Saturday night and Sunday, both services. Plan your schedules so you can be at these services.

Brother Harpster is 32 years of age and his wife, Sylvia is 24. He is a graduate of Howard Payne Baptist College of Brownwood and Southwestern Baptist Theological Seminary in Fort Worth. Brother Harpster was ordained to the gospel ministry at the First Baptist Church of Steelville, Mo. in 1954; where he also served as associate pastor. Other pastorates include: The Oak Grove Baptist Church in Jonesburg, Missouri, Wright City Baptist Church, Wright City, Missouri and the Barracks Baptist Church of St. Louis, Missouri. For almost two years he served as pastor of the Emmanuel Baptist Church of Lingleville, Texas and from there went to the present ministry as associate pastor of the Henderson Street Baptist Church of Cleburne, Texas.

The vote of the Church, as to extending a call for Brother Harpster will come at the close of the Sunday evening service. Please be present at every service if at all possible. Be much in Prayer.

FOR SALE
1550 acres in Abilene, Texas area for sale to settle estate. Carries large loan. Bring your cattle when you bring your first load of furniture, improvements, grass, and fences in near perfect condition. IMPROVEMENTS: four bed room two bath head quarters; two bed room single bath, foreman, quarters; barns, corrals, feed out lots, electric feed mixing and syrup mixing equipment; platform scales, elevator leg, bins and sheds. Four wire to net premier fences, grass fenced for condition grazing or for calving, and all in good shape with little or no work to do on them. Located in limestone country of mixed strong land where many ranchers feed no supplement the year around. Water: Rainfall average about 25" per year, wells, city water, ponds, tanks, and large creek that could irrigate 100 acres of Costal Bermuda or other grasses. Grasses: King Ranch Blue Stem, Costal Bermuda, Mesquite, Side Oats Gramma, and Sorghum Alumum. MINERALS: More than one half goes. this paid \$3600 last year and another well over 125 barrels per day was recently added, and land for more wells. SCHOOL and MAIL: School bus and mail comes to the door. ROADS: Three sides paved, one side gravel with gravel roads on important roads of the ranch. This ranch is selling because the rancher that built a dream for his heir died and son wants no part of ranching. This is a good cow outfit, located at a central place from nearly every important point, carries large loan. Reduced from \$153,000 acres to settle ESTATE. Call for appointment to see this ranch. If you know some one that would be interested in this ranch, please send them a copy of this.

Mrs. W. W. Thomas Is Halloween Luncheon Hostess To Club

At a Halloween luncheon Mrs. W. W. Thomas was hostess in her home to Farm and Ranch Study Club for their mid-October program. Halloween-masked, the hostess greeted club members, who found their places at luncheon table centered with jack-o-lantern and witch's hat and decorated with Halloween place cards and favors. Speaker for the day, Mrs. John Hill gave a travelogue on Wisconsin. She took her listeners to Madison, through its capitol with its floor of county-

Allred-Anderson Tour Of Pacific Northwest Ends

Mr. and Mrs. Jimmie Allred, 129 Ave. D, and Mr. and Mrs. R. C. Anderson, 224 Ave. E, recently returned from a trip to the Pacific Northwest. This circle tour took them by the North Rim of Grand Canyon, to Zion National Park and on to Corvallis, Oregon, for a visit with the Allreds' daughter, Mrs. J. T. Cronin, Mr. Cronin, and their family. The Cronins are former residents of Hereford: Cronin is the son of Mrs. Hazel Bruner, and Mrs. Cronin will be remembered as the former Miss Marlene Allred. Attending Oregon State University, Cronin is working on a PhD in oceanography.

After Yosemite and national monuments the Allreds and Andersons visited in Seattle, Wash., with Mr. and Mrs. Garland Mayo. Former Hereford resident, Mrs. Mayo (Ethel) is a sister of Mr. Allred and Mrs. Anderson. Down the Pacific Coast, the touring couple lingered in the San Francisco area, visiting relatives and friends, including Steve Ateek, native of Israel, who had spent the summer of 1963 in the Allred home. Graduate of Hardin-Simmons University, Ateek is now attending a ministerial school at Berkeley, Calif. Via Fresno and the central valley of California, the Allreds and Andersons returned by Arizona and Route 66.

Mrs. Cope, Mrs. Miller Point Self-Analysis for Kappa Iota

For Kappa Iota Chapter of Beta Sigma Phi, Betty Cope and Sarah Miller presented the program Tuesday evening, Oct. 20, when the club met at Community Center. Discussing "Self-Analysis," Mrs. Cope referred to the book "The Majesty of Calmness." She set forth calmness as a prerequisite for the art of self-analysis. Mrs. Miller's companion topic was "Self-Estimate."

With Claudia Wilson, vice-president, presiding, Amy Gilliland presented a report on the District Convention of Beta Sigma Phi recently held in Pampa. Most important convention decision, she pointed out, was the selection of Hereford for Beta Sigma Phi's 1965 convention.

Refreshments were served to Mrs. Gilliland, Mrs. Cope, Mrs. Wilson, Betty Ferguson, Verna Frye, Carolyn Hacker, Betty Hagens, Jeanette Molney, Dolie Parker, Jamie Shelton, Linda Edwards, and Margaret Aven. Members were reminded to hold Tuesday evening open on their calendar for attending Kappa Iota's and Xi Epsilon Alpha's Rituals in the Beta Sigma Phi formal meeting at Community Center.

Board Contracts For Equipment For Cafeteria

Hereford Independent School District Board of Education Tuesday awarded contract on cafeteria equipment for the new school to be located at on the north extremity of Hereford and chose brick for the building. The noon meeting was held at the school administrative offices.

Receiving the contract for the cafeteria equipment was BivCo, an Amarillo firm, whose base bid for the equipment was \$18,976 (electric, or an alternate bid (gas) of \$17,796. The board accepted the alternate bid calling for gas cooking equipment at the lower figure.

Other firms submitting bids were Ft. Worth Fountain and Hotel Supply, base bid \$20,472.43 with an alternate bid of \$20,987.57 for stainless steel gas cooking equipment; National Restaurant Supply, base bid \$20,812 (electric with an alternate bid for gas equipment of only \$18,000 less; and West Texas Coffee and Equipment with a base bid of \$20,200 (electric), with an alternate bid of \$19,861 for gas equipment.

The board also selected a Rose Velour Frosting brick to be supplied by Hereford Brick Co. for the new school building. Excavation work has begun at the building location, according to Superintendent of Schools Darrell Williams.

The world's tallest living tree, a California coast redwood, towers 367.8 feet high and measures 44 feet in girth.

INSPECTION TIME — Members of the Hereford Composite Squadron of the Civil Air Patrol were inspected at a meeting here Monday night. Conducting was Major O. G. Minden, commander, Group I, Amarillo. (CAP Photo)

County Court Action Dips

Business in County Court came to a near standstill during the past two weeks as only four persons appeared before County Judge H. C. Williams to answer to charges of driving while intoxicated and aggravated assault.

Filiberto Alvarado was sentenced to seven months in the

Amarillo Officers Hold Inspection For Local CAP Composite Group

Members of the Hereford Composite Squadron, Civil Air Patrol, were inspected by Major O. G. Minden, commander, Group I, Amarillo, at a meeting here Monday night in Northwest Elementary school.

Major Minden was assisted by Major John Lewis, Borger; Captain (Mrs. O. G.) Minden and Captain Jack Parks, Amarillo.

The inspection is part of a continuing evaluation of the work of each unit of CAP to determine the state of training and ability to perform the emergency services for which the organization exists, it was explained.

Present at the meeting also were 12 cadet candidates, all junior high students, who attended to determine whether they might be interested in the organization.

Dr. Milton Adams, first lieutenant, CAP, is commanding officer of the local squadron. The Rev. Jerry Franks and Gene Fooks are chaplains. Benny Womble serves as finance officer, Curtis Trawick as safety officer and Dr. West Owen as health officer. Bill Thompson is deputy for cadets and Jim Owen is cadet commander.

Raymond L. Whittington was fined \$125 and costs and sentenced to three days in the county jail after he entered a plea of guilty to a charge of driving while intoxicated.

Whittington was arrested by officer of the Texas Highway Patrol.

Clarence Scarberry was fined \$100 and costs and sentenced to 10 days in the county jail after he entered a plea of guilty before Judge Williams to a charge of driving while intoxicated.

He was also arrested by the Texas Highway Patrol on the DWI charge.

Tan-Da Horizon Girls Entertain At Games Party

Tan-Da Horizon Club had their party-of-the-month with Edith Davis as hostess in the home of her parents, Mr. and Mrs. W. L. Davis, 106 Beach St., Saturday evening.

At this game party the girls and their guests helped celebrate Claudia Loerwald's becoming a new member of Tan-Da.

Refreshments were served to club guests: Ken Stark, Nate Stark, Gary Tucker, Dennis Latham, Jon Hershey, Dale Smith, Jim Marcum, Jerry Don Poarch, Bill Watts, and Larry Champs.

Also to club members: Gwen Cargo, Carole Clearman, Charlotte Hill, Claudia Loerwald, Lynda Lynch, Jean Roberson, Sharon Garrison, Cynthia Knox, Kathy Pool.

And to Mrs. Bill Cargo, club advisor, Mr. Cargo, and Mr. and Mrs. W. L. Davis.

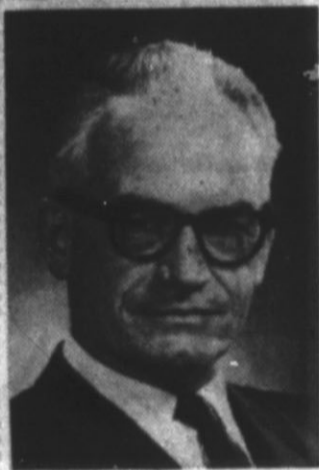

At Tan-Da Club's mid-October meeting with Jean Roberson in the home of her parents, Mr. and Mrs. Edward Roberson, 141 Beach, the girls decided on their part of the ceremonial and hootenanny held by city-wide Camp Fire groups Fri., Oct. 16, in the Bull Barn. They practiced for presentation a dance to music from "West Side Story." All club members participated under the leadership of Mrs. Cargo.

Attention Farmers

FARM LABOR INSURANCE

A plan specifically designed to fill the insurance needs of farmers and their employees is now available in one of the nation's leading companies.

The plan provides:

1. Legal liability protection for limits of \$100,000 per person \$1,000,000 per accident. This coverage protects you for law suits.
2. Voluntary medical payments up to \$15,000 for on-the-job injuries.
3. Death and dismemberment benefits and, if desired, \$25.00 weekly indemnity for on-the-job injuries.
4. \$500 blanket medical for off-the-job injuries and sickness plus dismemberment benefit.
5. \$1,350 life insurance for death from any cause.
6. Hospitalization plan for members of employee's family when desired.

The cost is reasonable. In some cases farmers are now paying more for on-the-job coverage alone. In all cases when employees contribute to the cost of off-the-job coverages, your net cost will be approximately what you are now paying for limited on-the-job coverage. If you are sponsoring ex-braceros for visas, you need this plan to take care of your responsibility as a sponsor.

For further details please drop in or telephone.

The Whiteface

(OFFICIAL PUBLICATION OF HEREFORD HIGH SCHOOL, HEREFORD, TEXAS)

NO. 7

The Hereford Brand, Hereford, Texas, Thursday, Oct. 29, 1964

Outstanding Herd Players Of Week Named By Meredith

The outstanding Whiteface football players-of-the-week are Larry Duncan, Gene Drummond, Lynn Cook, Walter Williams, and Charles Brownlow.

Lynn Cook, a 155 pound senior, plays offensive tight end and defensive true end. "He is a good team worker and hustler with a positive attitude toward foot-

ball," comments Head Coach Jack Meredith. "Lynn receives passes smoothly and does a good job of blocking most of the time. We're expecting him to improve on blocking and defense."

Lynn's biggest thrill was beating Littlefield two years in a row after they beat Hereford 49 to 0 his sophomore year. Lynn

comments on the Hereford-Perryton game tomorrow night. "They must have a good team, but we certainly do, too. I don't see why we can't beat them." Larry Duncan plays offensive guard and defensive true end. A 150 pound senior, he is a quick blocker and traps well for the Whitefaces. Coach Meredith states that "he is a good boy to work with and one of the best pulling guards. Larry must and will improve head position and defense."

"Perryton is going to be tough but I believe we have the team and the coaches to win," comments Larry. "Tomorrow night we will be ready to go after Perryton with all the spirit we have." His biggest thrill was beating Littlefield two years in a row.

Gene Drummond is a 135 pound offensive tailback and defensive monster. He is a tough competitor and tricky runner, improving with every effort. A good hustler and one of the best hitters, he has shown courage from the start. "Gene has been up and down on defense but is determined to improve every week. His blocking will improve," comments Coach Meredith.

Gene's biggest thrill was defeating Lovington in the homecoming game. He speaks of Perryton as being "a tough team to beat unless we have support. We want everyone to support the team and coaching staff."

Walter Williams, tailback and defensive monster, is a 155 pound junior. Coach Meredith says he is "one of the fastest boys we have. He finds and hits holes well." Walter has shown the desire to be a good competitor and is one of the better outside runners.

His biggest thrill is getting to play in a football game. As to the Perryton-Hereford game, Walter comments, "I think we are better than they are and I know we can beat them. We have the ability, determination, and guidance to secure us a victory."

Charles Brownlow, a 175 pound senior, plays the position of offensive tight guard and de-

Halloween Is Spook, Goblin Night of Play

Witches, goblins and jack-o-lanterns bright, creep through the town on a cold October night. Only those who dare go out on this evil night.

Halloween derived from the early superstitions of the Irish and Druids. The Irish have a tale about the origin of jack-o-lanterns. They say a man named Jack was unable to enter heaven because of his miserliness. He could not enter hell because he had played practical jokes on the devil. So he had to walk the earth with his lantern until judgment day.

The Druids, an order of priests in ancient Gaul and Britain, believed that on Halloween, ghosts, spirits, fairies, witches and elves came out to harm people. They also thought the cat was sacred and believed it had once been human beings but were changed as a punishment for evil deeds.

From these beliefs came the custom of children dressing up as witches and ghosts on Halloween night, going around to peoples' houses and shouting, "trick (Continued on page 2)

Hoof Prints

By Mike Paschel

Before a large homecoming crowd in Buffalo Bowl, the Whitefaces dropped their conference opener to Canyon in a thriller last Friday night. It was nip and tuck for three quarters, and then the winning touchdown was scored by the Eagles' quarterback with only a minute and 40 seconds left on the clock. The final score was 25-20. The Eagles didn't outplay the Herd, but their luck just held out longer. Hereford's record is now even at three wins and three losses.

The younger Hereford gridgers seem to be doing quite well. Last Thursday, the B-team traveled to Tulia and handed them defeat by a score of 40-20. The Hereford Bees now have a 5 and 1 won-lost record. Tonight they meet Friona at Whiteface (Continued on page 2)

Myrna Botkin Is DAR Good Citizen Of Year

Myrna Botkin, daughter of Mr. and Mrs. Roy Botkin of Summerfield, has been selected by the faculty as the DAR Good Citizen of HHS for 1964-65. Patricia Maxwell, daughter of Mr. and Mrs. Albert Maxwell of Hereford, was selected runner-up.

Dependability, service, leadership, and patriotism are the four qualities that make a senior girl eligible for the Daughters of the American Revolution Award.

Contestants must attend a public high school and they must be senior girls. They are nominated by the faculty of HHS.

The state winner will be chosen by the State Chairman and State Chairman and State Society on the merit basis of questionnaires. The winner will receive the state award, of a \$100 U. S.

Savings Bond series E, or a \$75 scholarship in lieu of the bond. She will be the guest of the Texas Society, Daughters of the American Revolution, at the State Conference, March 16, 1965, in San Antonio. She will also receive the State pin. She is allowed to take her parents, teacher, or sponsor, but they are expected to pay their own way.

The State winner will be required to write an essay of not more than 300 words on the subject, "Lest We Forget." With this essay, she will compete with girls from other states for the National award, a \$1000. scholarship to the school of her choice.

She will also receive a sterling silver Paul Revere type bowl, 5 1/2 inches in diameter, engraved "DAR Good Citizen, 1965."

Myrna Botkin
DAR Good Citizen

'B', Freshmen Teams Keep Winning Streak, Herd Loses

Freshmen Boost Six Game Streak; Record Clean

By Steve Sigman

Hereford freshmen won their sixth football game of the season Thursday night by downing the Estacado Blue Pups (20-0).

Plainview received the opening kick-off but was forced to punt after three tries for yardage. Hereford took over on their own 39 and began moving the ball. Jimmy Childers ran for 30 yards. Garry Goodin carried for 18; Tony Matouf went to the 16 and then scored on the next play. Sid Shaw's pass for extra points fell incomplete.

Hereford defense again rose to the occasion, and Estacado had to punt the second time they had the ball. Hereford began moving the ball, making one 16 yard gain. A 15 yard penalty nullified that play and the freshmen had to punt for the first time. The Herd's defense held again, and Estacado started passing. Lannie Petree intercepted the first pass and raced 25 yards for the Herd's second touchdown. The half ended 12-0.

Estacado kicked off to Hereford in the second half. Garry Goodin got the football and returned it 71 yards to the Estacado 13 yard line. Eight plays later, Garry Goodin punched it in but to no avail. Hereford was penalized 15 yards for holding and lost possession of the ball on the next play. (Continued on page 2)

Canyon Defeats Herd In Squeaker At Buffalo Bowl

By Jimmy Allison

Canyon's determined Eagles came from behind twice in the fourth quarter Friday night and finally managed a breathless 25-20 victory over the Hereford Whitefaces in the District I-AAA opener for both teams.

Neither team put up a particularly strong defense. This was especially true in the fourth quarter when Canyon scored three touchdowns to Hereford's one.

The Whitefaces led 20-19 with only four minutes left to play in the game. Hereford kicked off and Canyon brought the kick-off back to their own 37. In only eight plays the Eagles went 63 yards for a touchdown. All of this, strangely enough, was covered on the ground without one attempted pass.

Canyon had gone ahead in the first quarter after recovering a Hereford fumble seven yards from paydirt. Three plays later Dennis Haley went over for the touchdown, and Phillip Parker converted to make the score 7-0. Hereford dominated the entire second quarter. In nine plays they went 63 yards with Hodges ending the drive on a one-yard scamper around left end. The conversion pass failed and Canyon still led 7-0.

Gene Drummond pounced on an Eagle fumble shortly after and Hereford drove 42 yards with Cain scoring on a three-yard plunge. Cain then passed to Mike Moore for two extra points and Hereford took a 14-7 halftime lead.

Later in the third period Canyon got rolling and moved 87 yards in 18 plays with Tom Lair carrying over from the 11 yard line. The extra point kick (Continued on page 2)

'B' Team Dumps Tulia For Second Time This Season

By Phillip Cain

The Whiteface B team remained victorious as it smashed the Tulia Hornets for a second time this year, 40 to 20. The Whiteface defense proved too much through the first half. The first score was made by an 11 yard pass from Gary Victor to Mike Davis. The conversion failed and the score was 6-0. Hereford.

The B squad scored again when Gary Victor, Gary Tucker, and Billy Watts helped set up the second tally and Ernie Williams scampered 36 yards. The conversion failed again and the score was 12-0 with Hereford out in front.

The Hornets threatened very deep in Whiteface territory twice in the first half, but were stopped both times by a strong effort on the part of the defensive unit and the half ended with a 12-0 score in favor of Hereford.

The Faces came back in the second half and received the ball on their own 45. Gary Victor passed to Mike Davis for 39 yards. The fourth down was held and Tulia took the ball. They had to punt and Gary Tucker returned it to the Tulia 8 yard line. Tucker carried over on the next play and when the conversion failed the third time, the scoreboard showed Hereford 18-0. Later in the third period, Gary Victor connected with Bill Watts for a 26 yard scoring pass. A pass to Ernie Williams was good for the two points and the score stood 26-0 in our favor.

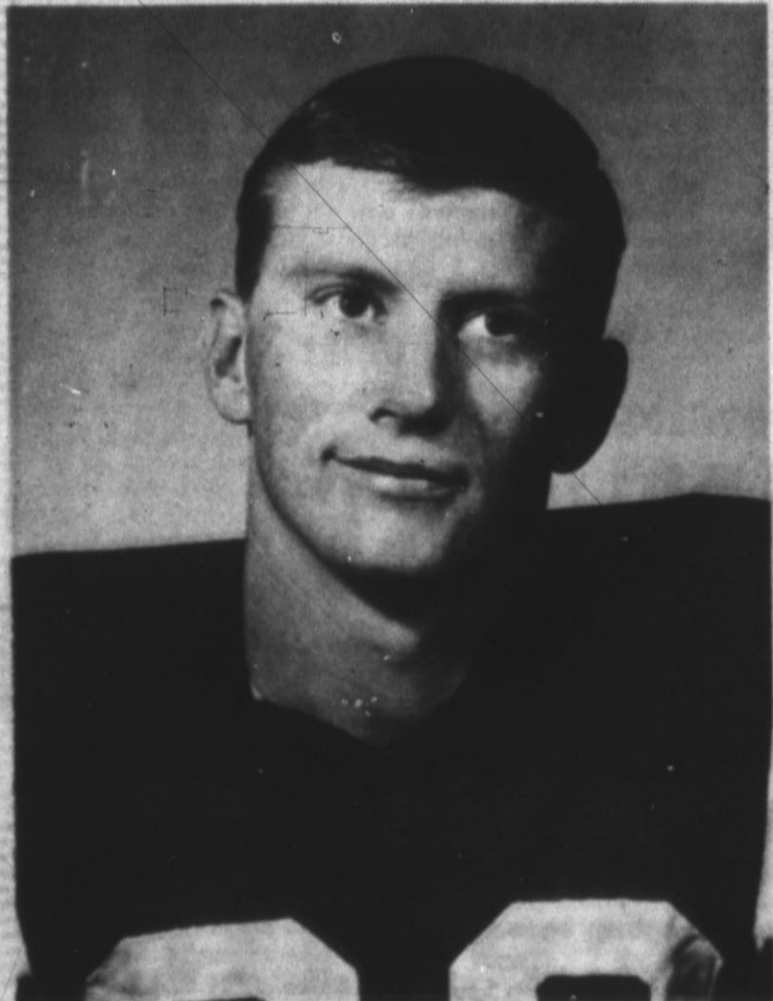

A few plays after the kick-off, Tulia scored. The kick was good and the scoreboard read 26-6. Hereford received the kick-off but was forced to punt. A Tulia pass was intercepted by Gary Tucker and returned 20 yards. (Continued on page 2)

Editors' Notes:

By Vickie Inman

Halloween — that holiday for devils — has a meaning of good will for hundreds of hungry children in undeveloped countries. CROP plays an important role on Halloween: putting the energies of school students to the cause of combating hunger. (That could have a double meaning.) Crop volunteers are asked to meet at the First Methodist Church on Oct. 31, at 6 p.m. Student Council is sponsoring a carnival at the school after Crop is over. There will be prizes for winners at all of the booths. Prizes for contests in the individual booths have been kept low so that more students will attend.

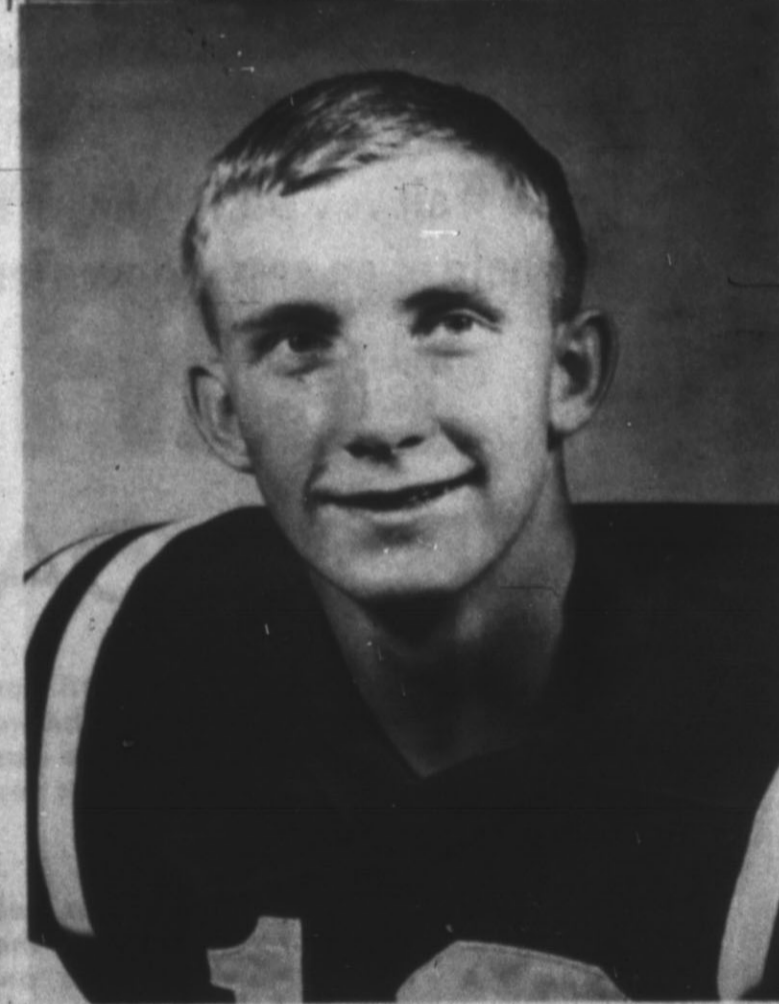

The driver's education students have completed their book phase and are ready to start on the driving part. But... no cars. They only have one car and are waiting for the other. Just (Continued on page 2)

SJH Students See 'New' Auditorium

On Oct. 21, 642 seventh and eighth graders filed into the new junior high auditorium to see the presentation of a new United States and Texas flag given them by the American Legion. This was the final act in the dedication of the new auditorium. Last June, work was begun on the auditorium by putting in new seats, new tile, new spotlights, a painting job, and an east door for students participating in plays, bands and choir concerts, was added.

The stage was extended to provide sufficient room for the enlarging bands and choirs. This was the first time since 1934 that the auditorium had been completely redone.

Also remodeled was the girls gym. Acoustical tile was placed over the rafters, and the old seats were replaced by a shuffle board game.

When asked about the new additions, Stanton Junior High principal, Mr. W. C. Quattlebaum said, "We sure are proud of our new auditorium and girl's gym. We have been trying to get this done for five years. We finally got it by putting it on a school bond issue."

Board Contracts For Equipment For Cafeteria

Hereford Independent School District Board of Education Tuesday awarded contract on cafeteria equipment for the new school to be located at on the north extremity of Hereford and chose brick for the building. The noon meeting was held at the school administrative offices.

Receiving the contract for the cafeteria equipment was BivCo, an Amarillo firm, whose base bid for the equipment was \$18,976 (electric, or an alternate bid (gas) of \$17,796. The board accepted the alternate bid calling for gas cooking equipment at the lower figure.

Other firms submitting bids were Ft. Worth Fountain and Hotel Supply, base bid \$20,472.43 with an alternate bid of \$20,987.67 for stainless steel gas cooking equipment; National Restaurant Supply, base bid \$20,812 (electric with an alternate bid for gas equipment of only \$78.00 less; and West Texas Coffee and Equipment with a base bid of \$20,200 (electric), with an alternate bid of \$19,861 for gas equipment.

The board also selected a Rose Velour Frosting brick Co. for the new school building. Excavation work has begun at the building location, according to Superintendent of Schools Darrell Williams.

The world's tallest living tree, a California coast redwood, towers 367.8 feet high and measures 44 feet in girth.

Amarillo Officers Hold Inspection For Local CAP Composite Group

Members of the Hereford Composite Squadron, Civil Air Patrol, were inspected by Major O. G. Minden, commander, Group I, Amarillo, at a meeting here Monday night in Northwest Elementary school.

Major Minden was assisted by Major John Lewis, Borger; Captain (Mrs. O. G.) Minden and Captain Jack Parks, Amarillo.

The inspection is part of a continuing evaluation of the work of each unit of CAP to determine the state of training and ability to perform the emergency services for which the organization exists, it was explained.

Present at the meeting also were 12 cadet candidates, all junior high students, who attended to determine whether they might be interested in the organization.

Dr. Milton Adams, first lieutenant, CAP, is commanding officer of the local squadron. The Rev. Jerry Franz and Gene Fooks are chaplains. Benny Womble serves as finance officer, Curtis Traweck as safety officer and Dr. West Owen as health officer. Bill Thompson is deputy for cadets and Jim Owen is cadet commander.

Tan-Da Horizon Girls Entertain At Games Party

Tan-Da Horizon Club had their party-of-the-month with Edith Davis as hostess in the home of her parents, Mr. and Mrs. W. L. Davis, 106 Beach St., Saturday evening.

At this game party the girls and their guests helped celebrate Claudia Loerwald's becoming a new member of Tan-Da.

Refreshments were served to club guests: Ken Stark, Nate Stark, Gary Tucker, Dennis Latham, Jon Hersley, Dale Smith, Jim Marcum, Jerry Don Poarch, Bill Watts, and Larry Champs.

As to club members: Gwen Cargo, Carole Clearman, Charlotte Hill, Claudia Loerwald, Lynda Lynch, Jean Roberson, Sharon Garrison, Cynthia Knox, Kathy Pool.

And to Mrs. Bill Cargo, club advisor, Mr. Cargo, and Mr. and Mrs. W. L. Davis.

At Tan-Da Club's mid-October meeting with Jean Roberson in the home of her parents, Mr. and Mrs. Edward Roberson, 141 Beach, the girls decided on their part of the ceremonial and hootenanny held by city-wide Camp Fire groups Fri., Oct. 16, in the Bull Barn. They practiced for presentation a dance to music from "West Side Story." All club members participated under the leadership of Mrs. Cargo.

"Certainly, simple honesty is not too much to demand of men in government."

Attention Farmers

FARM LABOR INSURANCE

A plan specifically designed to fill the insurance needs of farmers and their employees is now available in one of the nation's leading companies.

The plan provides:

1. Legal liability protection for limits of \$100,000 per person \$1,000,000 per accident. This coverage protects you for law suits.
2. Voluntary medical payments up to \$15,000 for on-the-job injuries.
3. Death and dismemberment benefits and, if desired, \$25.00 weekly indemnity for on-the-job injuries.
4. \$500 blanket medical for off-the-job injuries and sickness plus dismemberment benefit.
5. \$1,350 life insurance for death from any cause.
6. Hospitalization plan for members of employee's family when desired.

The cost is reasonable. In some cases farmers are now paying more for on-the-job coverage alone. In all cases when employees contribute to the cost of off-the-job coverages, your net cost will be approximately what you are now paying for limited on-the-job coverage. If you are sponsoring ex-braceros for visas, you need this plan to take care of your responsibility as a sponsor.

For further details please drop in or telephone.

NO. 7

The Hereford Brand, Hereford, Texas, Thursday, Oct. 29, 1964

Outstanding Herd Players Of Week Named By Meredith

The outstanding Whiteface football players-of-the-week are Larry Duncan, Gene Drummond, Lynn Cook, Walter Williams, and Charles Brownlow.

Lynn Cook, a 155 pound senior, plays offensive tight end and defensive true end. "He is a good team worker and hustler with a positive attitude toward foot-

ball," comments Head Coach Jack Meredith. "Lynn receives passes smoothly and does a good job of blocking most of the time. We're expecting him to improve on blocking and defense."

Lynn's biggest thrill was beating Littlefield two years in a row after they beat Hereford 49 to 0 his sophomore year. Lynn

comments on the Hereford-Perryton game tomorrow night. "They must have a good team, but we certainly do, too. I don't see why we can't beat them."

Larry Duncan plays offensive guard and defensive true end. A 150 pound senior, he is a quick blocker and traps well for the Whitefaces. Coach Meredith states that "he is a good boy to work with and one of the best pulling guards. Larry must and will improve head position and defense."

"Perryton is going to be tough, but I believe we have the team and the coaches to win," comments Larry. "Tomorrow night we will be ready to go after Perryton with all the spirit we have." His biggest thrill was beating Littlefield two years in a row.

Gene Drummond is a 135 pound offensive tailback and defensive monster. He is a tough competitor and tricky runner, improving with every effort. A good hustler and one of the best hitters, he has shown courage from the start. "Gene has been up and down on defense but is determined to improve every week. His blocking will improve," comments Coach Meredith.

Gene's biggest thrill was defeating Lovington in the homecoming game. He speaks of Perryton as being "a tough team to beat unless we have support. We want everyone to support the team and coaching staff."

Walter Williams, tailback and defensive monster, is a 155 pound junior. Coach Meredith says he is "one of the fastest boys we have. He finds and hits holes well." Walter has shown the desire to be a good competitor and is one of the better outside runners.

His biggest thrill is getting to play in a football game. As to the Perryton-Hereford game, Walter comments, "I think we are better than they are and I know we can beat them. We have the ability, determination, and guidance to secure us a victory."

Charles Brownlow, a 175 pound senior, plays the position of offensive tight guard and de-

Myrna Botkin Is DAR Good Citizen Of Year

Myrna Botkin, daughter of Mr. and Mrs. Roy Botkin of Summerfield, has been selected by the faculty as the DAR Good Citizen of HHS for 1964-65. Patricia Maxwell, daughter of Mr. and Mrs. Albert Maxwell of Hereford, was selected runner-up.

Savings Bond series E, or a \$75 scholarship in lieu of the bond. She will be the guest of the Texas Society, Daughters of the American Revolution at the State Conference, March 16, 1965, in San Antonio. She will also receive the State pin. She is allowed to take her parents, teacher, or sponsor, but they are expected to pay their own way.

Dependability, service, leadership, and patriotism are the four qualities that make a senior girl eligible for the Daughters of the American Revolution Award.

Contestants must attend a public high school and they must be senior girls. They are nominated by the faculty of HHS.

The state winner will be chosen by the State Chairman and State Chairman and State Society on the merit basis of questionnaires. The winner will receive the state award, of a \$100 U. S.

Myrna Botkin
DAR Good Citizen

Halloween Is Spook, Goblin Night of Play

Witches, goblins and jack-o-lanterns bright, creep through the town on a cold October night. Only those who dare go out on this evil night.

Halloween derived from the early superstitions of the Irish and Druids. The Irish have a tale about the origin of jack-o-lanterns. They say a man named Jack was unable to enter heaven because of his miserliness. He could not enter hell because he had played practical jokes on the devil. So he had to walk the earth with his lantern until judgment day.

The Druids, an order of priests in ancient Gaul and Britain, believed that on Halloween, ghosts, spirits, fairies, witches and elves came out to harm people. They also thought the cat was sacred and believed it had once been human beings but were changed as a punishment for evil deeds.

From these beliefs came the custom of children dressing up as witches and ghosts on Halloween night, going around to peoples' houses and shouting, "trick or treat."

Hoof Prints

By Mike Paschel

Before a large homecoming crowd in Buffalo Bowl, the Whitefaces dropped their conference opener to Canyon in a thriller last Friday night. It was nip and tuck for three quarters, and then the winning touchdown was scored by the Eagles' quarterback with only a minute and 40 seconds left on the clock. The final score was 25-20. The Eagles didn't outplay the Herd, but their luck just held out longer. Hereford's record is now even at three wins and three losses.

The younger Hereford gridders seem to be doing quite well. Last Thursday, the B-team traveled to Tullia and handed them defeat by a score of 40-20. The Hereford Bees now have a 5 and 1 won-lost record. Tonight they meet Friona at Whiteface

'B', Freshmen Teams Keep Winning Streak, Herd Loses

Freshmen Boost Six Game Streak; Record Clean

By Steve Sigman

Hereford freshmen won their sixth football game of the season Thursday night by downing the Estacado Blue Pups (20-0)

Plainview received the opening kick-off but was forced to punt after three tries for yardage. Hereford took over on their own 39 and began moving the ball. Jimmy Childers ran for 30 yards. Garry Goodin carried for 18; Tony Malouf went to the 16 and then scored on the next play. Sid Shaw's pass for extra points fell incomplete.

Hereford defense again rose to the occasion, and Estacado had to punt the second time they had the ball. Hereford began moving the ball, making one 16 yard gain. A 15 yard penalty nullified that play and the freshmen had to punt for the first time. The Herd's defense held again, and Estacado started passing. Lannie Petree intercepted the first pass and raced 25 yards for the Herd's second touchdown. The half ended 12-0.

Estacado kicked off to Hereford in the second half. Gary Goodin got the football and returned it 71 yards to the Estacado 13 yard line. Eight plays later, Gary Goodin punched it in but to no avail. Hereford was penalized 15 yards for holding and lost possession of the ball on the next play.

Canyon Defeats Herd In Squeaker At Buffalo Bowl

By Jimmy Allison

Canyon's determined Eagles came from behind twice in the fourth quarter Friday night and finally managed a breathless 25-20 victory over the Hereford Whitefaces in the District I-AAA opener for both teams.

Neither team put up a particularly strong defense. This was especially true in the fourth quarter when Canyon scored three touchdowns to Hereford's one.

The Whitefaces led 20-19 with only four minutes left to play in the game. Hereford kicked off and Canyon brought the kick-off back to their own 37. In only eight plays the Eagles went 63 yards for a touchdown. All of this, strangely enough, was covered on the ground without one attempted pass.

Canyon had gone ahead in the first quarter after recovering a Hereford fumble seven yards from paydirt. Three plays later Dennis Haley went over for the touchdown, and Phillip Parker converted to make the score 7-0. Hereford dominated the entire second quarter. In nine plays they went 63 yards with Hodges ending the drive on a one-yard scamper around left end. The conversion pass failed and Canyon still led 7-6.

Gene Drummond pounced on an Eagle fumble shortly after and Hereford drove 42 yards with Cain scoring on a three-yard plunge. Cain then passed to Mike Moore for two extra points and Hereford took a 14-7 half-time lead.

Late in the third period Canyon got rolling and moved 87 yards in 18 plays with Tom Lair carrying over from the 31 yard line. The extra point kick

(Continued on page 2)

'B' Team Dumps Tullia For Second Time This Season

By Phillip Cain

The Whiteface B team remained victorious as it smashed the Tullia Hornets for a second time this year, 40 to 20. The Whiteface defense proved too much through the first half. The first score was made by a 11 yard pass from Gary Victor to Mike Davis. The conversion failed and the score was 6-0, Hereford.

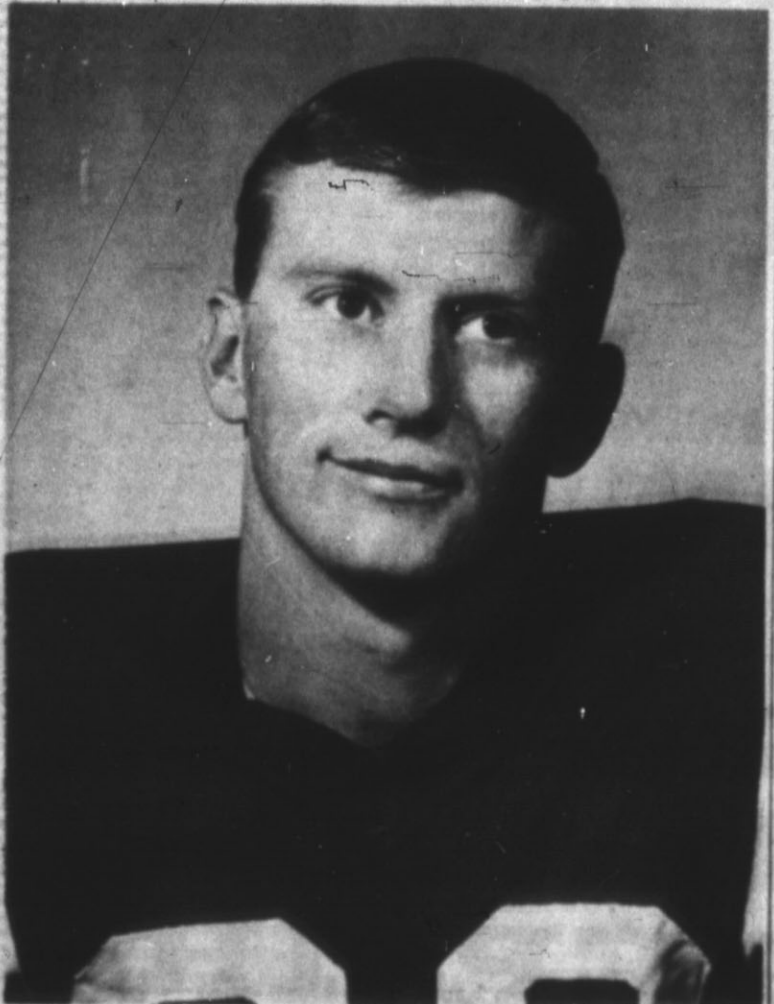

The B squad scored again when Gary Victor, Gary Tucker, and Billy Watts helped set up the second tally and Ernie Williams scampered 36 yards. The conversion failed again and the score was 12-0 with Hereford out in front.

The Hornets threatened very deep in Whiteface territory twice in the first half, but were stopped both times by a strong effort on the part of the defensive unit and the half ended with a 12-0 score in favor of Hereford.

The Faces came back in the second half and received the ball on their own 45. Gary Victor passed to Mike Davis for 38 yards. The fourth down was held and Tullia took the ball. They had to punt and Gary Tucker returned it to the Tullia 8 yard line. Tucker carried over on the next play and when the conversion failed the third time, the scoreboard showed Hereford 18-0. Later in the third period, Gary Victor connected with Bill Watts for a 26 yard scoring pass. A pass to Ernie Williams was good for the two points and the score stood 26-0 in our favor.

A few plays after the kick-off, Tullia scored. The kick was good and the scoreboard read 26-6. Hereford received the kick-off but was forced to punt. A Tullia pass was intercepted by Gary Tucker and returned 20 yards.

Canyon...

(Continued from Page 1)
 failed and Canyon trailed early in the fourth period 14-13.
 Hereford's Walter Williams then fumbled and Mike McBrook recovered on the Hereford 23. In five plays the Eagles scored with Tommy Sanford. Once more the conversion failed and the score read Canyon 19, Hereford 14.
 The Whitefaces drove 68 yards in ten plays and ended the drive with a touchdown as Cain threw a ten-yard pass to Steve Hodges and Hereford led 20-19. It then looked as though Canyon might not be able to pull it out, but the Eagles proved otherwise.
 Hereford had 14 first downs and Canyon had 25. Hereford gained 241 yards on the ground compared to Canyon's 316. Hereford attempted 20 passes and completed 10 while Canyon attempted four and completed three. Hereford gained 85 yards in the air and Canyon had 34 yards.

Walter Williams was Hereford's leading ground gainer with 58 yards. Gene Drummond and Frank Cain each had 33 yards. Wynn Buck had 13 yards, Steve Hodges had 3, and Mike Moore had one.

Steve Hodges caught five passes for 41 yards. Lynn Cook caught one for 17 yards, and Roger Owen caught two passes for 12 yards. Mike Moore caught one pass for five yards.

Roger Owen intercepted one pass and returned it 12 yards. George Muse had a total of 19 tackles. Terry Hill had 18 tackles and was very outstanding. Greg Richards had 14 tackles and was very outstanding. Gene Drummond, Steve Hodges, and Stan Sigman also turned in a good performance on defense.

Hereford now stands 3-3 in season play, and will meet Perryton next Friday night at Hereford.

The old-fashioned remedy for "spring fever" is two ounces of sulphur, two ounces of molasses, mixed.

Freshman...

(Continued from page 1)
 Hereford defense held, and Estacado punted to their 30 yard line. This time the Herd's offense was not to be denied. Behind the capable blocking of Walt Baker, Mike Higgins, Mox Bridges and Charley Stone, Toney Malouf scored. Jimmy Childers carried across for the two points, making it 20-0.

In the last minutes of the fourth quarter, Plainview desperately tried to score, but to no avail. The terrific defensive by Malouf, Stone, Baker, French, Goldin, Goodin, Johnson, Sigman, Cornelius, Leigh, Knox, Beasley, Bridges, and Petree stopped Estacado cold. Estacado attempted 70 passes and gained 96 yards.

Hereford freshmen offense gained a total of 196 yards. The leading rusher was Gary Goodin, who carried 12 times for 70 yards. Malouf carried nine times for 60 yards, and Jim Childers carried 5 times for 53 yards.

Walter Baker led the defensive stalwarts with 14 tackles; Cornelius nine tackles; Malouf and Bridger, seven each; and Gary Goodin and Barry Johnson, five each.

'B' Team...

(Continued from Page 1)
 Then Tulla picked off a Hereford pass and two plays later resulted in a Tulla TD on a pass play.

Tulla kicked-off and Gary Tucker returned it 24 yards. Hereford moved the ball 64 yards in 8 plays with Tucker making 48. Ernie Williams carried over from the 2 and Bill Watts received a pass from Victor to complete the 2 point conversion.

Gary Victor later picked off a Tulla pass and returned it 39 yards for a Hereford TD. Tulla returned the kickoff to the Whiteface 49, completed 2 passes for 26 yards and then tallied with a pass for their final touchdown.

Hereford had 15 first downs to Tulla's 13 and 291 yards gained to 296 for Tulla. Bill Watts led the Whiteface defense with 19 tackles and Wayne Miller followed with 12. Charles Brewton had 10 tackles. Ernie Williams led the offense with 14 points and total yards. Bill Watts had 8 points, Mike Davis, Gary Tucker and Gary Victor each had 6.

Last week the Whitefaces defeated the Nazareth Swifts 25-14. Wayne Miller was the outstanding boy on defense. Tonight the Whiteface B Team meets the Friona Chiefs in Whiteface Stadium. The B Team now stands with a 5 win, 1 loss record.

EAGLES MEET HERD — A Hereford Whiteface is shown here as he runs close to the ground in an attempt to secure yardage in the Hereford-Canyon game in Buffalo Stadium Friday. Herd dropped the conference opener to the Eagles, 25-20.

Hoof...

(Continued from page 1)

field. The freshman team also played Tulla last Thursday and dished out a crushing defeat of 45-0. The powerful Frosh team now sports an undefeated record, with six straight wins. They also meet Friona tonight.

Bob Gentry, B-team guard, who received a broken leg a week from last Monday, is in the hospital and doing fine. He should be up and at 'em real soon. Hope you get well soon, Bob.

Tomorrow night the Whitefaces play their second conference game at Whiteface field. The Herd will be seeking their fourth victory in seven outings as they meet the Perryton Rangers. Perryton defeated Tulla last week by a score of 21-6. It should be a real close game, but here's hoping that the Whitefaces will come out on top. GET A RANGER!!!!

Halloween...

(Continued from Page 1)

or treat!" When offered treats such as apples or candy, they promised not to soap the windows or to play other tricks.

Halloween festival.
 The custom of using leaves, pumpkins and cornstalks as decorations comes from the Druids' autumn festival which was called Samhain, or summers end. It was an occasion for feasting on foods grown during the summer.

In the 700's the Roman Catholic Church named Nov. 1, as All Saints Day. The old pagan customs and the Christian feast day were combined into the Halloween festival.

In early times in the United States, Halloween was an occasion for playing harmful pranks. But in later years, many boys and girls played Halloween pranks that were not so harmless. There is no holiday in all the year so informal or so marked by fun for both grown-ups as well as children, as this one. On this night there should be nothing but laughter, fun and mystery.

Editors'...

(Continued from page 1)

think how a strike in Detroit can affect us poor little innocents.

The official date for the Re-ject to be out is Nov. 2. We hope we can put it together in time to meet the deadline.

Congratulations Rozi Rush, Jon David Miller, Barbara Zinser and Cindy Loerwald. These lucky students may get to become part of the Americans Abroad program of the American Field Service (commonly known as the exchange student program).

The New York office of the AFS will decide whether they get to go. Hereford hasn't had a school student to go abroad for a long, long time. Good luck!

The National Honor Society cancelled their salad supper until Nov. 2. The formal initiation of members will be Nov. 5. (At least, I hope so.)

Some students and a teacher are in the hospital. Mrs. Viola Chisholm, English teacher, expects to go home this week. She will be out of school for six weeks. Bob Gentry, sophomore, broke his leg playing football. Kay Hassel, junior, is in the hospital in Littlefield recuperating from pneumonia.

Congratulations to those cast members of the all-school play. It should really be a good one this year.

Outstanding

Charles Browns Return From Trip To Iowa

Mr. and Mrs. Charles Brown and daughters, Brenda and Susan, 104 Emma, returned last Saturday from a ten-day circle tour that included a vacation with relatives in Corning and Council Bluffs, Iowa.

Their eight-state tour took them via Lake Texoma, northward across Oklahoma, Kansas, Nebraska, into Iowa; then into Illinois, across Missouri, into Arkansas, and back across Oklahoma's turnpikes.

High points of the trip, Mrs. Brown says, were their visiting the old home of Mark Twain in Hannibal, Mo., and their private foliage tour of autumn in the Ozarks.

Sept. 7, 1964

I wish you were all with me. I'm having such a fabulous time that it's hard to realize that it's true! When I stop and think how lucky I am, I can't believe it's true and that I'm doing what I am.

Well, I'll start where I left off last time — the end of our ocean voyage. I have never been so excited as when I got off that ship. I just couldn't believe it was true that we were in England. I just floated along and jumped up and down whenever I had to stand still and wait in line to get off the ship. Don't worry, though, I've calmed down quite a bit now.

Anyway, we got off the ship at Southampton and got on our buses, which were ready and waiting there for us. We have five buses. I'm on Bus C. Our tour guide, or the man who's in charge of our bus, is Dr. Erber. He is a very nice man from Vienna. I'm really impressed with the Institute Staff, on our bus trip especially. They have everything planned so well, we've had excellent lectures and tours and accommodations. They seem to have thought of everything.

From Southampton we drove on up to Oxford and spent the night in dorms at St. Hilda's College.

The next morning we boarded our buses and headed for Stratford. The scenery between Stratford and Oxford was beautiful! It is so green and the farms made a perfect patchwork all over the sloping hills. Their farms are so much smaller than ours.

Stratford is a quaint, pretty little town but a little too commercialized. We saw Shakespeare's birthplace, Ann Hathaway's cottage, and the beautiful Holy Trinity Church, and the Avon River. It was all very interesting and so different from anything I have seen. I enjoyed

walking around here.

That morning before we left for Stratford we had a lecture by one of the tour guides and Institute men — Mr. Mowatt. It was really excellent. The title was "Elements and Concepts of European Civilization." He simply explained to us the attitudes and qualities of European people and the different ways they view things. Then he told us the attitudes we should have in getting to know these people. He told us the problems we would face and how to cope with them. The whole group was really impressed. He had some great ideas. He is a philosophy teacher for the IES — I surely would like to take a Philosophy course under him.

Oh, I forgot to tell you about the packets they handed us when we got on the bus. They include information sheets on each country and city we visit, a summary of current European organizations and their objectives, a booklet on "Understanding Europe", and an outline of the History of Europe, a list of exchange rates for money, an exact itinerary and hotel list, and several little pamphlets and maps. Isn't that great? I am really impressed with their methods for helping us learn.

Back to the trip — the next morning we were still in Oxford so we took a guided tour of the University. This was really fascinating. I never knew that Oxford was made up of 31 small

Polvadores Have Birthday Party For Son Kip

Mr. and Mrs. Ray Polvador, 104 Bradley, helped their son, Kip, celebrate his first birthday with a backyard party Wednesday, Oct. 27.

Kip's guests for this first annual event were his sister, Karla; Derrinda Boggs, Rhonda Roland, and Trent Brisendine; Donna, Rhonda, and Jimmy Heddens; Monte and Roxanne Pierce; Rusty, Julie, and David Edwards; Jona and Johnny Oldfield; and Jeanie and Chip Combs.

colleges. They are each separate, have separate enrollment, faculty, etc., yet they are coordinated. Each college has about 300 students. Students have been studying in some of the old buildings of the 13th century. These impressive old buildings have such an atmosphere about them! I wish I could describe them in detail, but it would be impossible. One I'll tell you about especially, though, because it's the most famous — Christ College. Many famous men have studied there, including about 9 of England's prime ministers, William Penn, John Locke and John Welsey! I saw his picture and it told about when he studied there and everything.

That afternoon we arrived in London and got settled in our hotel. It was really a nice one. Then we had a bus tour of London to give us a good general look at the city and what there was to see. We saw everything, but I'll just tell you about the things we spent the most time in later. London is such a huge, fascinating city that you could spend weeks and not see it all — kind of like New York and Washington. Except, I love the atmosphere of London most of all. It is slower paced than New York.

The first full day in London I went to the Victoria and Albert Museum, and that afternoon I went to the British Museum. They were both really interesting, with fabulous collections — it would take me too long to describe. That evening I went to eat with Jean and Kenton, Pat and Billy. We ate downstairs in their hotel — the London Hilton, at Trader Vic's. It was a very nice Polynesian restaurant. It was Pat's birthday and they brought him a cake, so we really had the full treatment. I really enjoyed talking to all of them. They can really keep you entertained.

The next day we went to a lecture, "England After 1945", which was really tremendous. An economics professor (British) gave it. Then we went that afternoon for briefings from the Conservative and Labor Parties. These were interesting also. At all three lectures, we could ask questions and some of the kids really asked intelligent questions.

CROP AT WORK — Children in Latin America are shown here receiving milk at a Church World Service sponsored school feeding program in Latin America. Hereford youngsters will collect for CROP (Christian Rural Overseas Program) here Halloween night, with donations going for similar programs all over the world.

We had some real good discussions and I learned a lot.

Then that evening I went to a party in the home of some very nice English people. It was a "Welcome Home" party for a boy, Nigel Keeton, who had been traveling and working his way around the world for two years. One of the girls met him on the boat and he called her in London and asked her to come and bring three friends, so she asked me. I really think it was lucky. It was a very nice English family, they had a huge beautiful home, complete with gardens and tennis court, etc., and the party was so nice. We had dinner and then danced to an orchestra no less, and I met some of the most fascinating people. They were from England mostly, but several from other places — Sweden, India and Australia I know for sure. I had a fascinating conversation with two Englishmen and one of the Englishmen's wife, who was from India. Only they began asking me about American foreign aid to India and specific countries, questions that were really hard to answer — not the usual Goldwater-Johnson type discussion. Anyway, I had a very enjoyable evening.

The next morning I got up and went over to the Casey's Hotel, and Jean and I went to Buckingham Palace and was the guards, etc., and walked around a while. Then we ate lunch and had a real nice visit — she was glad to get away from the boys a while, she said. Then I met the group for a tour of the National Gallery. This was really wonderful! There was a tremendous collection of famous art. Mother, I think I could easily

become an art enthusiast too. Then, that evening the Casey's came to get me again and we went to see "A Midsummer Night's Dream", which was very good. Then we ate and visited some more. They really showed me a wonderful time in London. (Continued on Page 6)

High-Yielding Excise Tax Due For Congress' Study

The excise tax on each new passenger car manufactured in the United States today averages \$225. In a year in which 7.5 million new cars are manufactured, this single revenue source swells the receipts to the Federal treasury by \$1.7 billion.

This is only one example of the substantial revenues generated by Federal excise taxes, and the subject is one sure to be a major topic for Congressional attention in the First Session of the 89th Congress convening in January.

President Johnson has announced his commitment to seek a reduction in excise taxes as a further spur to economic strength generated by this year's cut in personal and cor-

porate income taxes. Strong sentiment exists in Congress for a cut in excise taxes. I am among many members of the House of Representatives who long have advocated a substantial reduction — a complete elimination, if proven feasible — of Federal excises. They are imposed on a relatively large number of selected products, services, and occupations. They are the "hidden" taxes in Federal revenue picture. Not many Americans are aware of the extent of excise taxation — that excise receipts will total an estimated \$14.4 billion this fiscal year. Each year, excises represent between one-sixth and one-seventh of total Federal tax collections.

The ground has already been prepared for further Congressional action on excise taxes; the House Ways and Means Committee, which initiates tax legislation, held hearings earlier this year and it seems certain that they will be resumed. A proposal for reducing excises is likely to emerge.

Extensive use was made of a wide range of excises during World War I, but most of these were repealed during the following decade. Most of the present manufacturers' excises were revived during the 1930's as a depression tax measure adopted in lieu of a general manufacturers' sales tax. Under the impetus of World War II revenue requirements, the rates of most existing excises were substantially increased and the present retailers' excises were introduced, along with taxes on transportation of persons and property. Congress was giving serious consideration to extensive legislation revising and reducing excises in 1950 when hostilities broke out in Korea. Accordingly, World War II excises were continued, and, in some cases, in-

creased. Some reductions occurred in 1954, 1958, and 1962; some increases came in 1956 to finance an expanded program of highway construction. Through all these years, the proper role of excises in the Federal revenue system has been the subject of continuing controversy.

The income tax reduction enacted earlier this year was designed to provide an economic stimulus by freeing capital in the so-called "private sector" of the economy. Consumer spending and capital investment both have shown major increases as a result of the income tax cut. Similar results are envisioned for a reduction in the excise tax burden.

The continuing high rate of business activity in Texas reflects the impact of reduced personal and corporate income taxes. According to figures issued recently by the University of Texas Bureau of Business Research, the seasonally adjusted index of Texas business activity showed a 3 percent rise in July to a new high of 152.2 percent of the 1957-59 base value.

Amarillo, with an increase of 21 percent from July, 1963, to July, 1964, showed the largest annual gain in business activity of any major Texas city.

Most revealing for indicating the effect of the tax cut were figures relating to increased retail sales. Preliminary estimates from the Bureau of Business Research showed a 2 percent rise in dollar sales in Texas from June to July, 1964, in a period when a small decline normally is registered. Texas retail sales in July were up 8 percent from the volume in July, 1963.

It is clear that the reduction in the tax burden borne by American citizens is at work carrying the economy to record high levels.

Crop Scientist Study Cyst Nematode In Sugarbeet Crops

(EDITOR'S NOTE—An article appeared recently in *Agricultural Research*, a publication of the United States Department of Agriculture, concerning experiments in the defense against cyst nematode, commonly called root rot, in sugarbeet crops.)

Crop scientists who begin research with one objective in mind often go beyond the intended goal, as was the case in sugarbeet studies in Salinas, Calif.

Eight years ago ARS agronomist Charles Price joined in research already in progress to find sugarbeets that resist the cyst nematode. He now has experimental lines that are resistant to a combination of cyst nematodes and root-rotting fungi.

How did this happen? To expose plants to cyst nematodes, Price grew them in soil that was naturally infested with the pests. Although he knew that the soil was also heavily infested with fungus organisms (predominantly *Rhizoctonia*) that cause root rot, he did not anticipate that his screening and selection would uncover an interrelated resistance. On discovering this, he immediately changed his objective to a dual one.

Although much work remains to be done, Price says that 10 experimental sugarbeet lines have significantly outyielded commercial check varieties grown in nematode and fungus infested soil.

Present methods of controlling the nematode—chiefly crop ro-

rotation, fumigation, and the planting of trap or host crops—are not wholly satisfactory. Crop rotation, for example, allows only one sugarbeet crop every four to six years, a procedure that is generally uneconomical for farmers with small acreages.

Price and his assistants have screened hundreds of thousands of plants in their research for resistance, including commercial varieties, monogerm (single-seeded varieties), plants grown from irradiated seeds; and crosses between sugarbeets and related species that are resistant to the nematode. Lines that show the most promise in preliminary screening then undergo field tests in soils heavily infested with both nematodes and root-rotting fungi.

The fact that the experimental lines yielded significantly more than the commercial varieties indicates resistance to the nematode-fungus complex.

The scientists say some resistance to nematodes is evident, but they are not willing yet to say that the lines are resistant to the fungi. It is possible, they think, that the nematode resistance also provides a degree of tolerance for root rot—or that nematode resistance reduces root rot because there are fewer nematode-feeding punctures for the fungi to enter and start infection.

Tests are now underway at Salinas to study the resistance relationship between the nematodes and fungi and to explore the nature of this resistance.

DOG DONATED TO CHARITY

COLUMBUS, Ohio (AP) — The Franklin County Cancer Society reported that one volunteer fund collector returned to headquarters with the money she had collected — J and a dog.

She said the man of one of the families she called on had offered the animal. Several hours later, officials said, a woman called and offered a cash gift if she could have her dog back. The trade was made.

'65 Comet completes 16,200-mile durability run from Cape Horn to Fairbanks, Alaska, in 40 days

Livelier Comet proves once again why it's the World's Durability Champion. Uses showroom models in day-and-night grind from the bottom to the top of the world.

FAIRBANKS, Oct. 22 — Three Mercury Comets today finished a run no car has ever attempted in so short a time—the rugged 16,200-mile grind from Cape Horn to Fairbanks.

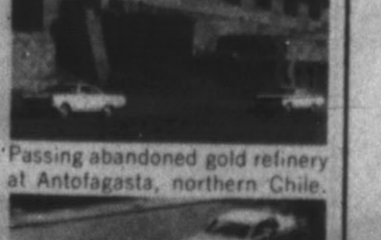

En route, day and night, the cars had no major repairs, just routine maintenance. That's ample proof that 1965 Comets are powerful and tough, not just lively and beautiful.

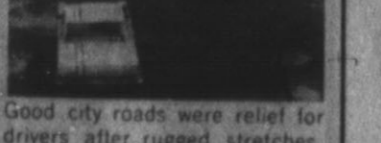

Bottom to top, 16,200 miles.

In South America, Spring was near. Thaws flooded the roads.

Passing abandoned gold refinery at Antofagasta, northern Chile.

Good city roads were relief for drivers after rugged stretches.

Shades of Daytona! Comet is famous for durability. Last year, specially equipped Comets ran 100,000 miles at Daytona in 40 days.

Regular production-model Comets used, just like showroom Comets. Want to see the car that made it from Cape Horn to Fairbanks? Visit your Mercury dealer's. Check a 1965 Comet Caliente, with smooth Multi-Drive Merc-O-Matic. The only difference: the run cars had an extra gas tank, because service stations are frequently so far apart in South America.

Comets are ready for immediate delivery. No waiting, if you order yours now.

Mrs. Grimes Visits Oregon, Northwest

Mrs. B. R. Grimes, 110 Catalpa, has returned from a six weeks' visit with her granddaughter and family, Mr. and Mrs. Troy Fowler, in Portland, Ore. Mrs. Fowler will be remembered here as the former Miss Patay Hyde.

Mrs. Grimes visited also with two nephews in Kamath Falls, Ore., and their families: Mr. and Mrs. Wilbur Smith and Mr. and Mrs. Malcolm Smith. Both Smiths are former residents of Hereford.

Making the round-trip by train and numerous sightseeing side-trips by automobile, Mrs. Grimes names as highlights of her vacation to the Northwest the trip up the Columbia River Highway into Washington State, her visits to Crater Lake and Bonneville Dam and Mount Hood. She remarked that the tour of the famous Portland Rose Garden and city zoo was an unforgettable event. She marveled at all the beauty our Country affords.

There Must Be A Reason...

Seldom in the history of the nation has a presidential candidate earned the widespread editorial support that President Lyndon B. Johnson has received from responsible newspapers and magazines—Democratic, Republican and Independent.

Many of these publications are endorsing a Democratic presidential candidate for the first time. One, the New York Herald Tribune, has never before in its long and respected history given its editorial blessing to any Democratic presidential contender.

THERE MUST BE AND THERE IS A REASON FOR THESE INDORSEMENTS

The owners and publishers of these newspapers and magazines are conservative businessmen, deeply concerned with maintaining and strengthening the very freedom which makes it possible for them to exist and flourish.

"We are confident that Johnson will make a good President because he already is a good President. In the 10 brief months he has held the highest office, he has shown an ability unmatched in this country to bring the diverse and warring factions of Congress behind the enactment of positive, progressive and needful legislative programs.

New York Herald Tribune

"In Mr. Johnson we are offered a man of vast experience and manifest competence. In the Senate he proved himself one of the ablest legislative leaders of the age. As President, he has moved with sureness and responsibility through almost a year of crises — not least of these, the crisis of assassination and succession.

Senator Goldwater says he is offering the nation a choice. So far as these two candidates are concerned, our inescapable choice — as a newspaper that was Republican before there was a Republican party, has been Republican ever since and will remain Republican — is Lyndon B. Johnson."

The Denver Post

"Mr. Johnson has produced a record that is responsible, constructive, progressive. He must stay in the White House for four more years."

FORT WORTH STAR-TELEGRAM

"A candidate must possess the qualities and qualifications which clearly fit him for the job to hold the world's most important job, and Lyndon Johnson unmistakably has them. It is the conservative course to follow a man who is a leader, and who is leading well."

Arizona Star

"The Star believes that the people of Arizona will be wise to vote for LBJ for President."

Lubbock Avalanche-Journal

"This Newspaper believes it is to the best interests of our country as a whole, as well as of the immediate area which it is privileged to serve, that Lyndon B. Johnson be elected President on November 3.

There are those who argue against Mr. Johnson's election on the grounds that "He is a politician." Quickly, we agree that he is a politician and a good one — and this is fortunate, because it takes a man skilled in politics to do the best possible job in the American Presidency, both at home and overseas.

There are others who oppose him on the grounds that "he is a compromiser." Just as quickly, we agree — and point out once again, that even in the Presidency, no man can — or should — always have his own way. That's why there are three branches of our Government, each unto itself. And that's the way we hope it always will be."

"In less than a year in office Johnson has proved himself a very effective President! He has led the country out of the deep shack of the Kennedy assassination. Congress responded to his leadership with a striking record of constructive legislation, notably the Civil Rights Act and the tax cut. In a few strokes, such as his first budget and the rail settlement, Johnson allayed the traditional mistrust of business toward a Democratic administration. He has shown generally good judgment in foreign policy and has begun to find the consensus that will keep the country unified in the face of its perils and opportunities. We think he deserves his own full term as President. We also applaud his choice of a man of presidential caliber, Hubert Humphey, as his vice presidential candidate."

THE HOUSTON POST

"The choice is a clear one. The Post believes that President Lyndon Johnson is the best qualified to lead this country.

One of the basic yardsticks by which any administration is judged is the success of its economic policies. In this field, the present administration has had remarkable success. It can point to a 42-month period of economic expansion, unmatched in peacetime history.

President Johnson's record of accomplishment is outstanding by any standard. Were no other considerations involved in this campaign, this is reason enough for endorsing president Johnson."

THE DALLAS TIMES HERALD

"It is the studied conviction of the Times Herald that Lyndon Baines Johnson is possessed of the strong threads that make a president.

Lyndon Baines Johnson is tough, but he is tolerant. He is loyal to party, but he has been a bi-partisan giant in the darkest hours.

No one has ever accused Lyndon Johnson of being afraid of anything. But neither have they accused him of impetuous, impulsive action in the fire of controversy. He acts quickly but he acts with knowledge and with tactical skill."

POP'S OUT OF THE MONEY
 GARDEN CITY, Kan. 48 — Bob Jaggard, president of the city school board, had sold his soft drink business and was between jobs when his son, Bob, Jr., filled out a pre-enrollment form at school.
 "In the space for listing his father's occupation, Bob Jr., wrote 'school board president.' Then, as if it was an afterthought, he added: 'without pay.'"

HALLOWEEN VALUES!

We're expecting spirited buying this week! Not so much because it's Halloween week, but because we have savings lined up all over the store that you'll find hard to resist. Plenty of items to please the kiddies on their trick-or-treat excursions. And lots to please Mom with the kinds of food bargains she loves. It's fun and easy to save money at Safeway! Especially this week!

Park Ave. Church Of Christ

On Harrison Highway
 Worship Services 10:30 a. m. Sunday. Prayer meeting 7 p. m. Wednesday.

This Chain

... surely it is capable of drawing a heavy load. Another chain might hold a tiny cross or a precious gem in place. Still another might bind my arms in helplessness. But the old adage is true. "No chain is stronger than its weakest link." One link, the weakest link, governs the strength. For one weak link the heavy load breaks loose, or something precious is lost, or the manacled arms are free again. There, too, are chains of character, good habits, religious morals that make us strong and dependable in difficult hours. These attributes are as links of the chain. For life is of a piece and every day is part of the chain that counts toward everlasting. Then anchor the picture of the chain in the gallery of your meditation. Then form good habits that hold us firmly in constructive toil. Attend church regularly and support God's cause with your means. Put goodness, integrity and truthfulness into your personal character chain. *Let God's church and His faithful help you forge a chain of strength and usefulness.*

You Is The Church
 The Church Is You
 — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a diligent reader and attend services regularly.

Seventh Day Adventist Church

West Park Addition
 ELDER JAMES MEADE, PASTOR
 "Justification by Faith, Not Works," is the subject for daily lesson and class discussion Sabbath October 31.
 Memory Verse: Galatians 2: 20.
 Lesson Scripture: Galatians 2: 14 to 3:4.
 Study Helps: "Steps to Christ," Chapter — "The Test of Discipleship."
 Lesson Aim: To help us more fully understand and accept the truth of justification by faith, as opposed to salvation by works of the law.
 Lesson Outline:
 1. None Justified by Works. Gal. 2:14-16.
 2. Dead to Law, Alive to God. Gal. 2:17-21.
 3. Personal appeal to the Galatians. Gal 3:1-4.
 Services
 Meditation
 9:30 a.m. Saturday.
 Sabbath School
 9:45 a.m. Saturday

Sandi Says...

By Sandi Thomas

Hi, there! This is the one-and-only back with another short report of what Hereford's juvenile delinquents are doing!!
 The kids who have been chosen to apply for foreign exchange students are Barbara Zinser, Ruzi Rush, Jon David Miller, and Cindy Loerwald. Barbara and Jon David will go abroad next summer if their applications pass the sifters in New York City. Ruzi and Cindy are applying to go abroad next summer and the next school year. Congratulations on making it this far. I hope you make it the rest of the way!
 Everyone be sure to go to the Halloween party this Saturday night in the high school cafeteria! Anyone can come to try his luck at winning prizes. The party starts after CROP collecting and goes 'til 11:30. Admission is one penny for every 10 inches of a person's height.
 Roger Owen has recently been the victim of his fourth wreck. It seems he was gazing at the time-and-temperature sign when a woman driver quickly stopped her car in front of him. I'll let the readers' imaginations run wild at this point.

Thespians are sponsoring a play called, "The Mouse That Roared." They had their try-outs last Monday and Tuesday. Nineteen girls and 14 boys make up the cast.
 Last Saturday night, David Hill and Kim Gripp ventured to Canyon for a rodeo. David won third in the ribbon roping and Kim placed second in the pole ending and third in barrel racing. The next rodeo they and other Hereford kids will go to is the AJRA approved show in Lubbock this weekend.

In the news of the Rainbow girls, Judy Summer, named Charity, has decided on her project which is an annual affair of those girls elected Charity. Judy is collecting an assortment of blankets, bedspreads, and linens to give to the girls in Girls Town. She also collects stamp books in order to trade them in for linens.
 In the way of football, the Stanton Dogies' eighth grade team beat Canyon last Thursday 36 to 6. The seventh grade lost by a score of 12 to 0. The B-team and Freshmen both defeated Tulla, their last game. The B-team score was 40 to 20 and the Freshmen, 42 to 0. Nice going, all you teams!
 That's it!!!

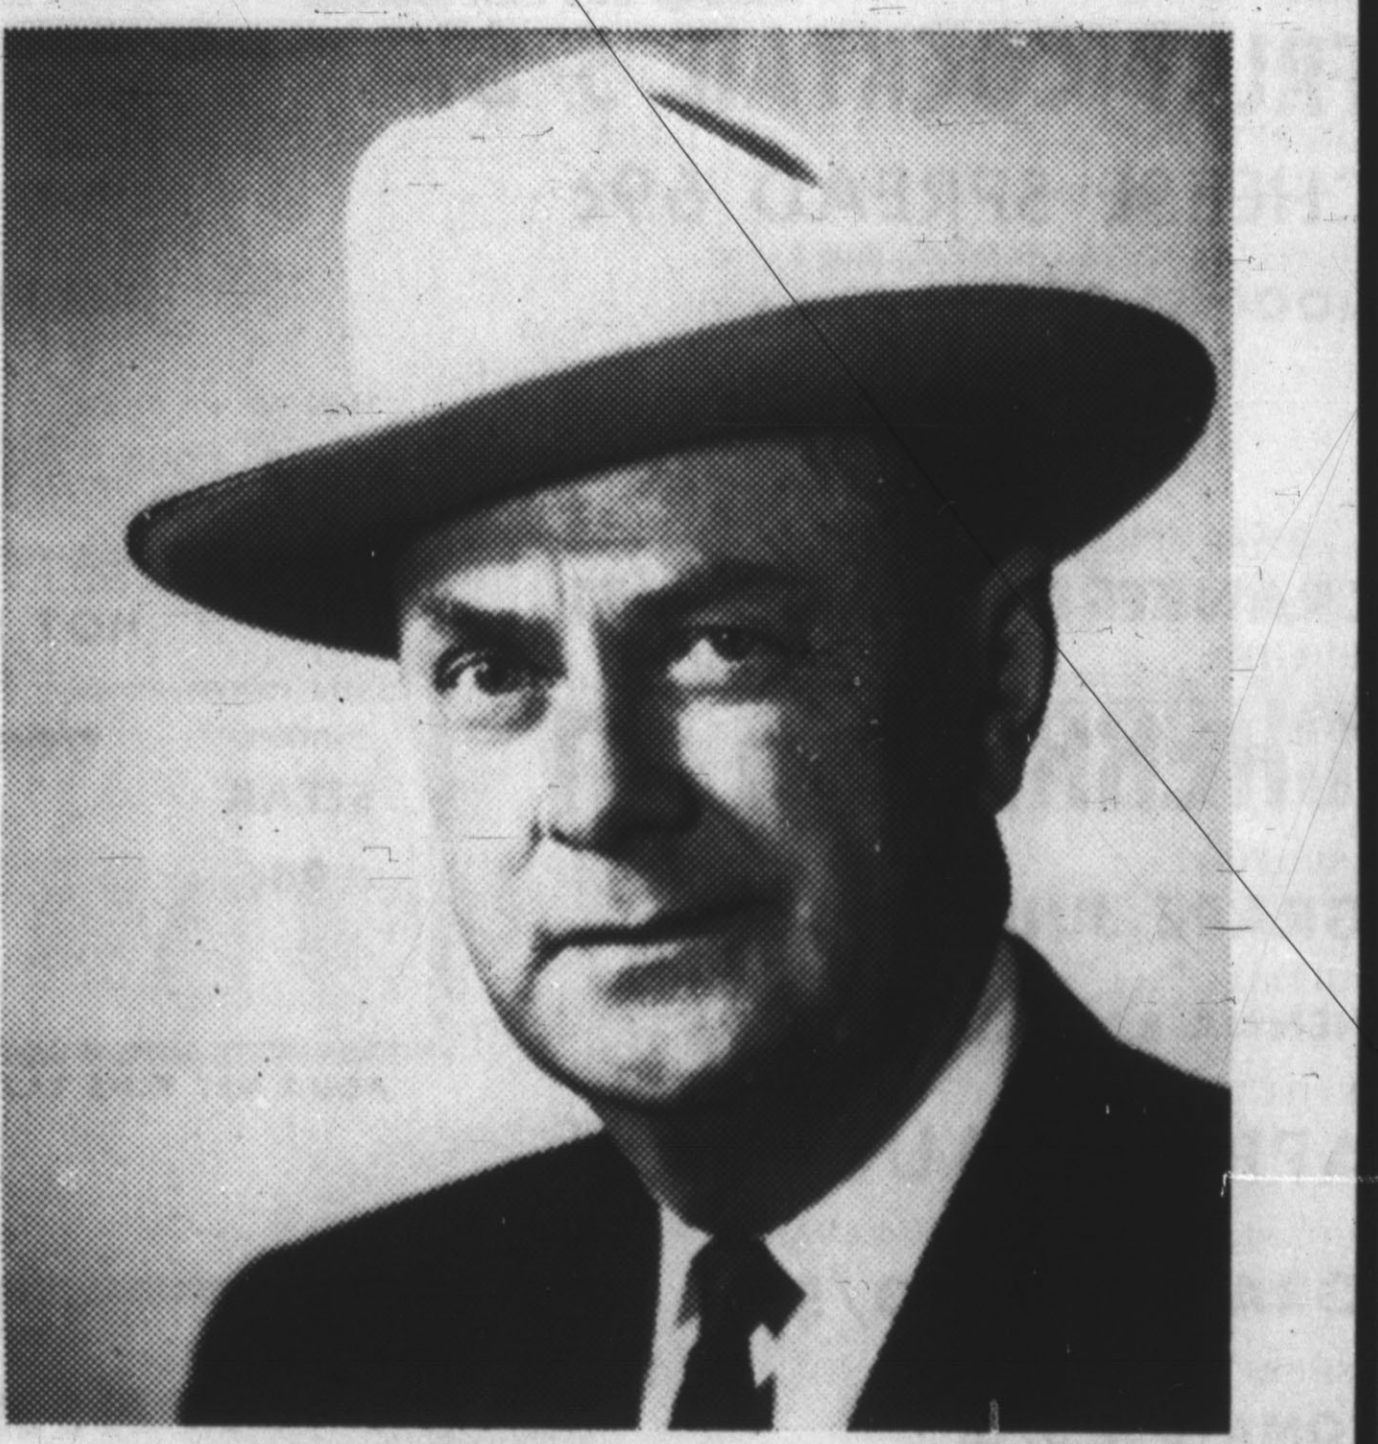

Iglesia Metodista San Pablo

223 Kibbe Street
 Rev. Gilbert Diaz, Pastor
