# County Voters Favor Johnson

## Around Council Reverses Stand On Pipe

Town  
With The Brand Staff

Deaf Smith County voters trekked to the polls in record numbers, braving a literal cloud of dust, and when it was all over, figures revealed a majority favored President Johnson.

They also gave the nod to Congressman Walter Rogers, but they stepped out of the Democratic columns to favor George Bush, Republican, over incumbent Democratic Senator Ralph Yarborough.

A total of 4152, a new record, cast ballots.

Voters in this county stood firmly behind Governor Connally giving him 2754 votes to 1067 for his Republican opponent, Jack Crichton.

Democrat Earl Holt, in the only county race which saw Republican opposition, defeated Marvin Diller by 571 to 257 votes. Bruce Coleman, Democrat, a candidate for commissioner, was unopposed on the GOP ticket.

However, J. T. Guinn, whom Coleman noded in the Democratic primary, received 29 write-in votes.

Johnson polled 2093 votes in this county to Goldwater's 1793. However, two boxes out of the 16 (including absentee) favored the Arizona Senator.

Walter Rogers, Democrat and the incumbent, got a big majority in this county for Congressman 18th district. He bested Bob Price, Republican, 2156 to 1616.

Although he won in the state, in Deaf Smith county Senator Yarborough trailed his Republican opponent George Bush 1833 to 2037. That same trend was noted throughout much of the Panhandle.

So heavy was the voting in all boxes in this county that counters fell far behind the voting pace. However, the county's election machinery clicked smoothly and all official returns were in by 10:30 p.m.

The expected heavy vote in the county, as throughout the nation, was foretold in the heavy absentee voting; 220 persons cast their ballots in advance. Goldwater receiving a slight majority over Johnson in advance voting.

Several write-in votes were noted on the ballots. Two votes were cast in this county for Gordon McCendon for State Senator. McCendon was defeated in the Democratic primary. J. Evetts Haley, Canyon, received one write-in vote for Railroad Commissioner, full term. Haley is author of the book, "A Texan Looks at Lyndon."

Deaf Smith county voters gave their stamp of approval to all three of the proposed amendments to the state constitution. Voting on the propositions ran like this:

Proposition No. 1: (Transfer of school funds) For 1708; against, 958.

Proposition No. 2: (Conservation and reclamation districts) For 1647; against, 988.

Proposition No. 3: (Old age medical assistance) For 1670; against, 1082.

Other results in Deaf Smith County were as follows: For Congressman-at-Large: Joe Pool, Democrat, 2213; Bill Hayes, Republican, 1630; W. A. Johnson, Constitution, 13.

## Officials Blot Fibrous Tile Ban Off Books

At that time the inspector explained that several cities in the state had passed ordinances prohibiting the use of fibrous tile and had offered their plumbing codes to prohibit the use of the tile.

TOPS IN 4-H — Out of 350 boys and girls enrolled in 4-H club work in Deaf Smith County this year, the boy and girl pictured above were named "Gold Star" boy and girl. Tommy Betzen, Dawn Ford club, won the Gold Star Award for this year. The presentation was made by Miss L. Wilson, Amarillo, (left) District Home Demonstration Agent.

## Whitefaces Meet Mules In Conference Battle

The Hereford Whitefaces, fresh from their first district 1-AAA conquest over the Perryton Rangers, Friday evening will travel to Muleshoe Friday to take on the Muleshoe Mules, who have suffered two training conference defeats at the hands of Dumas and Tulsa.

Muleshoe is participating in 1-AAA for the first time this year after coming up from 2-AA with a 6-6 record last season. The Mules have a 1-6 win-loss record thus far in the season defeating only the Dimmitt Bobcats 19-0.

Dumas defeated the Mules 63-0 in their district opener and the Tulsa Hornets, another now member of 1-AAA swamped the Mules 39-6 in a conference game last Friday.

The Mules started out slow last season, but finished up winning the district and reached the second round of the state playoff before falling.

Only eight lettermen, including five regulars, returned from that squad.

Halfback-linebacker Scott Oliver is a two-time all-district selection and tough as nails. Dan Smith, a 210-pounder, furnished straight ahead power as fullback. The line of the Mules is built around tackle Bill Hartin and Ronnie Swint, predicted as pre-season all starters by coach Willie McAlpin.

John Thompson, 165, serves as quarterback for the Mules. He has proved to be a very good passer this season and has done an excellent job thus far in the season. Thompson is a left handed passer.

Hereford goes into the Muleshoe game with a 1-1 district record after defeating Perryton 19-12 last week and dropping the district opener to Canyon 25-20.

Quarterback Frank Cain scored twice, passed for the third touchdown and kicked the extra point, to have a hand in all the scoring Friday evening.

Cain was very instrumental in placing the ball in scoring position Friday evening and completed several beautiful passes.

Three were arrested for foul and abusive language and two persons were arrested for litter-bugging, compared with only one in September.

Single arrests were also made for after hours consuming, so-citing, receiving and concealing stolen property and burglary. No arrests of this nature were made in September.

## City Police Report A Busy October

Hereford Police Department working with a full force for the first time in the past six months, turned in a near record month of Police activities, according to Police Chief Marshall Padgett.

Nearly all phases of the department's activities, except animal control, were up considerably over the month of September.

Traffic arrests were up with 152 citations being issued for moving violations, compared with 119 the previous month. Eight persons paid fines for parking in no parking zones, compared with only one last month.

The meter maid issued 992 overparking tickets compared with 908 in September.

Patrolmen travelled a near 1500 miles in October, than in September as they patrolled 12,197 miles, compared with 9,943 in September.

All phases of criminal arrests were up in the department, with several charges being filed that had not been filed in recent months.

Twenty persons were convicted on drunk charges compared with only 14 in September. There were seven persons arrested for investigation of theft, compared with none the previous month.

One person was arrested for investigation of receiving of stolen property. Three persons were arrested on disturbances and one for contributing to the delinquency of a minor. Ten persons were arrested for previous traffic violations, compared with only four in September.

Three were arrested for foul and abusive language and two persons were arrested for litter-bugging, compared with only one in September.

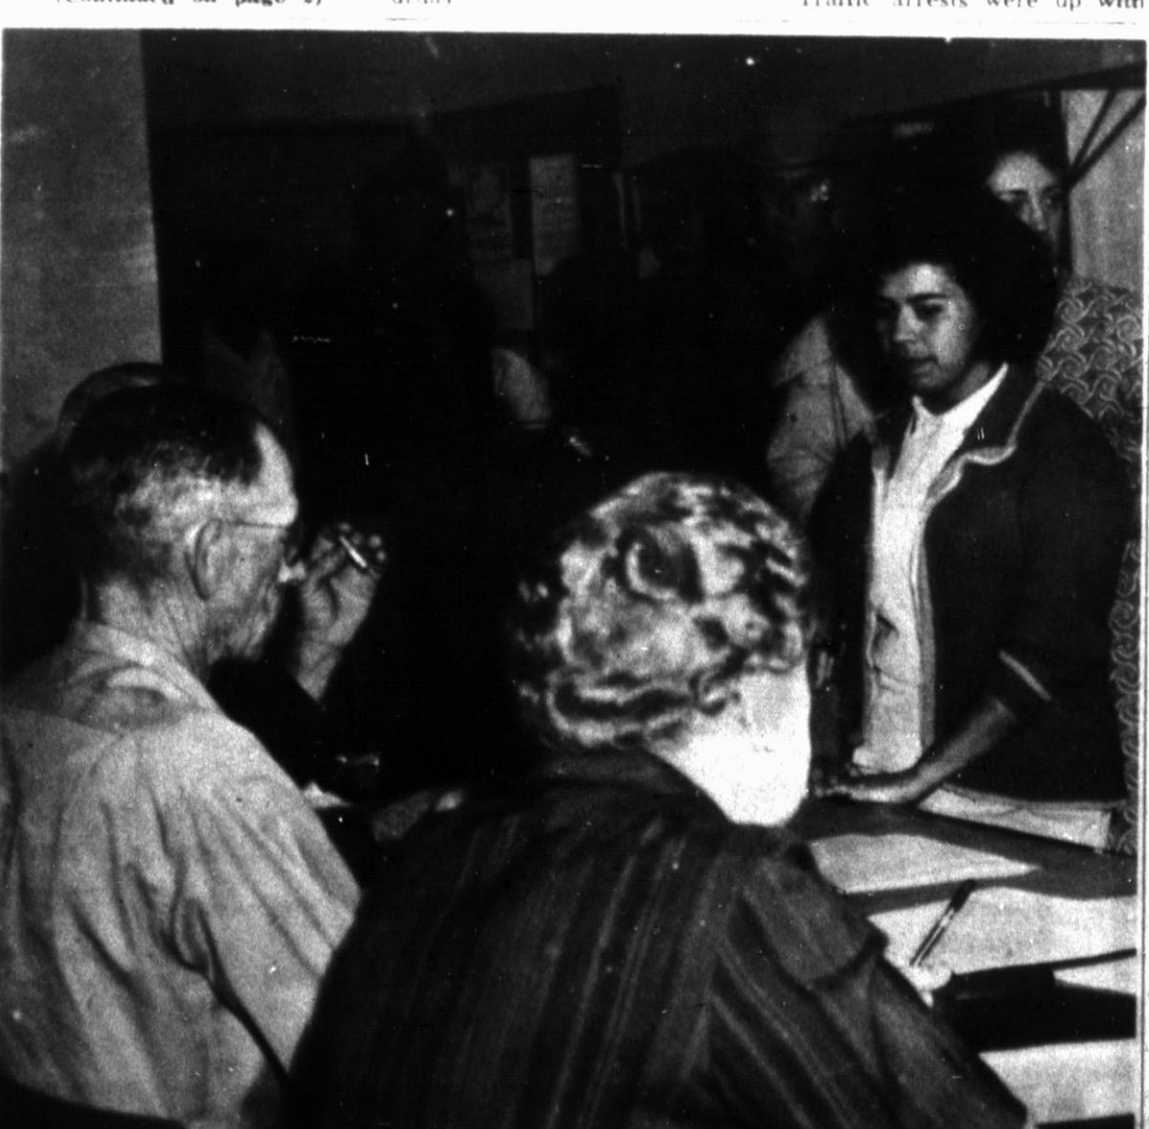

Single arrests were also made for after hours consuming, so-citing, receiving and concealing stolen property and burglary. No arrests of this nature were made in September.

The same number of criminal offenses were reported in October as in September, with 42 persons making reports. Seven were cleared in this month, while nine were cleared in September.

Police recovered \$209.80 of the 12,572.38 property that was stolen in October, leaving 35 offenses outstanding and \$2,362.58 in property remaining missing.

In September, \$1,115 of the \$2,066 in property stolen was recovered, leaving only \$951.45 missing.

TYPICAL SCENE — Throughout Deaf Smith county — and the nation as a whole — several polling places as the total piled up, voters trekked to the polls Tuesday. This is a typical scene, a scene of voting at Precinct

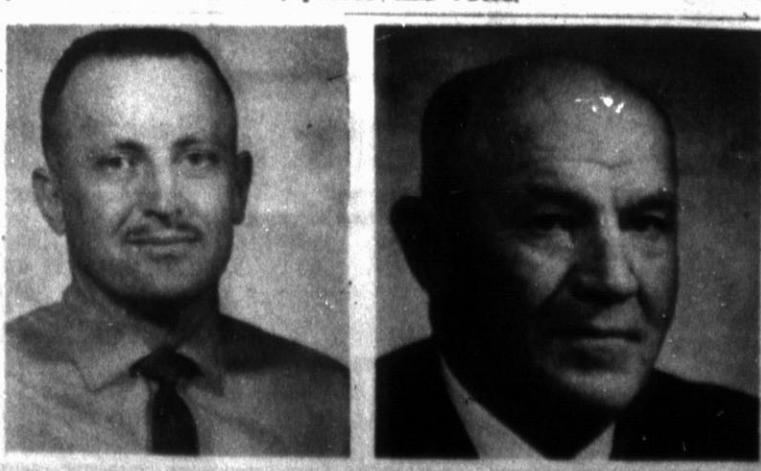

## 4-H Clubs Pick Top Members; 95 Honored

Deaf Smith county 4-H clubs picked their top boy and girl member and presented awards as well to 93 others for their achievements in 1964 in club work. The affair, a dinner, was held Monday night in junior-senior high cafeteria.

Gold Star awards, the top county award, went to Tommy Betzen, Dawn, and Joyce Bezner, Ford club, for their outstanding records in 4-H. Both are 14 years old.

Three members also were recognized for state awards. Maurra McAndrews was winner in the state in public speaking, girls' division. Sharon won state clothing contest, and Jon David Miller was winner of the state grain marketing prize. Sharon goes to the 4-H club Congress in Chicago the last of the month, and Jon David will go to Chicago in January to the grain marketing clinic.

Tommy Bezen has been a (Continued on Page 3)

NEW COMMISSIONERS — Here are Deaf Smith county's new county commissioners who were selected Tuesday. At left is Bruce Coleman unopposed by the GOP, but 29 write-in votes were cast for his primary opponent, J. T. Guinn, Earl Holt, right, defeated Marvin Diller, Republican, for the other commissioner's post.

(Brand Staff Photos)

### Council...

(Continued from page 1)

Commissioner W. L. Davis. In other business of the evening, commissioners voted to accept the bid of Browning-Ferris Machinery Co. of Lubbock, for a Wayne Street Sweeper.

The low bid of \$10,385 was submitted by Plains Machinery Co. of Amarillo. This bid was on an Elgin Street Sweeper, the type now owned by the city.

The bid accepted was for \$11,188, but commissioners, after observing both machines in operation, decided to accept the higher bid.

Officials are allowed to accept any bid proving most beneficial to the city, regardless of the amounts of the bid.

The old sweeper was traded in on the Wayne Sweeper and the trade-in was included in the \$11,188 figure.

Ed Lamoreaux, a representative of the Browning-Ferris Machinery Co. was present for the opening of the bids, as was a representative of Plains Machinery Co.

In other business, commissioners voted unanimously to approve a temporary expense account payment of \$25 per month for Bill Thompson, Deaf Smith County civil defense director.

Street lights were approved for a portion of Moreman Street near Northwest Elementary School, in a unanimous vote by the commissioners.

Commissioners voted unanimously to hire Austin Collins to replace Bud Posey as pro at the John D. Pittman Municipal Golf Course.

Collins is now serving as professional golfer at Kerrville and according to commissioners should be well qualified to serve as professional at the local golf course.

According to City Manager Dudley Bayne, eight applications were received for the job and all were reviewed by the commission.

Posey resigned last month. The commission also agreed to purchase equipment owned in the pro shop by Posey. The equipment will remain in the shop.

and be used by the new pro, according to Bayne.

Commissioners also approved installation of storm sewer for widening projects on Harrison Highway and U. S. 60 West in the Tuesday session.

The plan for the project on Harrison Highway which was estimated at \$78,165 was approved unanimously by the commissioners as was one of three plans submitted by the Texas Highway Department on the widening of U. S. 60.

Commissioners voted to extend the storm sewer to the underpass on U. S. 60 at an estimated cost of \$12,253.

A request by the Hereford Volunteer Fire Department for eight new Plectron sets for use by the department.

The units are used in summoning firemen for fire alarms. The matter was tabled by commissioners until a further study could be made of the department.

In the final order of business, the low bid of Western Industrial Co. of Amarillo of \$1435 on an electric motor for a booster station was accepted.

Two other bids were presented by Owens and Hollingsworth for \$1550 and Clowe and Cowan for \$1748.

All commissioners were present at the meeting as were the Mayor, City Manager and City Attorney.

Approximately 20 guests were present at the public meeting. The next meeting will be held Nov. 16 and everyone is invited.

STATE 4-H WINNERS — These were the three 4-H club members receiving state awards at this week's 4-H achievement banquet. Left to right are Maura McAndrews, a chest of silver for state prize in public speaking; Jon David Miller, grain marketing winner, and Sharon Bezner, state clothing winner. They are shown with Jean Beene, assistant home demonstration agent. (Brand Staff Photo)

### 4-H Club...

(Continued from Page 1)

member of the club for five years and has had projects in agronomy, citizenship, field crops and considers as his most exciting previous experience in 4-H the opportunity to participate in a co-op demonstration at the state roundup in College Station. Tommy also has served as president of the Dawn Boys club, and has served on the 4-H county council. Tommy is the son of Mr. and Mrs. Clarence Betzen, Dawn.

Joyce Bezner, the daughter of Mr. and Mrs. A. J. Bezner, Ford

community, is in her seventh year of 4-H club work. She has carried 11 different projects and her most outstanding work has been in public speaking, and has been four times county and district winner in this event. Other projects include beautification of home grounds, bedroom improvement livestock projects and foods and clothing. She has twice been president of her club and on the council twice, and was chairman of last year's achievement banquet committee and was decorations chairman this year.

Two-hundred seventy-five persons attended this year's dinner. Jon David Miller was master of ceremonies.

Though Treasury reserves of silver dollars are at an all-time low, 485-million of them still clank around in circulation. Many are in tight grip of coin collectors. Others are kept as good-luck charms, used on money clips or salted away for cash emergencies.

Mr. and Mrs. Daniel Frank Ferguson are the parents of a son, Martin, born Oct. 31 at 4:59 a.m. She weighed 6 lbs. 5 ozs.

Mr. and Mrs. Lee Warren Jones are the parents of a daughter, Tanya Gaye, born Nov. 2 at 6:10 a.m. She weighed 6 lbs. 10 1/2 ozs.

In the Far East a thief reportedly used a strong-jawed Komodo dragon for housebreaking. He tied a rope around the dragon's neck, threw it over the wall and then climbed up the rope when he was sure that the dragon had a tight bite on something solid.

### Police...

(Continued from page 1)

Total criminal arrests involved 59 adults and eight juveniles. This compared with 35 adults and seven juveniles in September.

Accidents were up almost double over September, with 13 injuries being reported and only one in September.

Thirty-three accidents were investigated and only 17 were investigated by Police in September.

Financial loss from the accidents investigated was set at \$9,705 in October, while it was only \$4,745 in September. According to Padgett, September was a near record month for accidents and this month would September.

Sixty complaints were reported to the Hereford Police Department and all were investigated.

Denver's Mountain Parks System covers more than 20,000 acres of Colorado.

# COOPER'S

By Melvin Young

The 1964 election is over with a whopping victory for President Lyndon Johnson and the Democratic party all across the nation. With few exceptions, Democrats swept into office giving the President a large majority in both the Senate and House.

Republicans in Deaf Smith County however, appeared stronger than before, although they lost the top spot to the Democrats by 300 votes. Johnson carried the county by that figure, but senatorial candidate George Bush beat out incumbent Ralph Yarborough by a vote of 2037 to 1833. Bill Hayes, running for Congress-at-large was third on the Republican ticket, losing to incumbent Joe Pool by a vote of 1630 to 2219. Bob Price of Pampa picked up 1616 votes in his battle with incumbent Walter Rogers who polled 2156 in Deaf Smith County.

The Republican strength showed however, in the fact

that they consistently voted 1000 to 1200 on down the ballot. Candidates like Jack Crichton (1067), Houson (1090), Trice (1114) and Armstrong (1208), indicated that the Republican strength was considerably more than in past years.

Fewer Democrats crossed over to vote for Goldwater however. Nixon carried this county by a 3-2 vote margin in 1960, while Goldwater lost by 300 votes.

**HB.**

We're happy to see the election over. Maybe we can get back to business as usual.

Which reminds us of the story of the two stores hit by a Texas tornado. One displayed a sign saying "Open as Usual", the other said "More Open than Usual".

**HB.**

Showers fell over Deaf Smith County Tuesday night, and Wednesday, and although not large in amount, it will help some. In checking around the area, it appears at it was

pretty general all over the county.

The officials of the Deaf Smith County United Fund are still hopeful of reaching their goal of \$30,000 before culmination of the 1964 drive. The fund now stands at slightly over \$19,000 with a number of large donations still to come, according to Dean House, president of the group.

If you don't have your money in, do your best to get it in soon. Just drop it by the Hereford State Bank and Mr. House will be happy to take it from there.

**HB.**

The Hereford Whitefaces will be traveling to Muleshoe this week for their third conference battle. The Herd now sports a 1-1 conference record and will be looking for their second conference win against the Muleshoe eleven.

Next, and last home game will be Nov. 18 with Tulla.

**HB.**

Letter to a Congressman: "Please don't improve my lot in life any further. I can't afford it."

**HB.**

There were, by the way, traces of snow Wednesday morning. Like we said before, keep the old overcoat handy. You'll need it soon.

**FIELD CROPS WINNERS** — These boys were winners in the county 4-H field crops contest. Left to right are Dennis Goheen, Ronald Vasek, Donald Vasek; (second row) Gary Coheen, Stephen Hoffman and Charles Atchley; (third row) Joel Williamson, Rodney Goheen, Bill Cole and Kim Williamson. (Brand Staff Photo)

The Hereford Brand, Hereford, Texas, Thursday, Nov. 5, 1964

incense and other different little things. It was fascinating.

Then we drove on into Koln (Cologne) pretty late again and had dinner, looked around a while and went to bed. Then the next morning we went to a lecture at the University of Koln on (you guessed it) "Germany after 1945." This was excellent. We've really had good lectures. Back to the hotel for lunch. Then a city tour in the afternoon.

We saw the Kolmer Dom, of course, and other interesting things. I think I told you in the postcard that Koln is a very modern city, because it had to be rebuilt after the war. We went walking around again after the tour. Something else Koln is famous for is 4711 Cologne, which is made there.

That evening in Koln we went to a famous wine cellar. This cellar is in the basement of the Gurzenich, or Festival Hall. It is a great big place made all of red brick with little tables

**Suzanne in Europe — Part IV**

**German People Are Warm, Friendly, Suzanne Finds**

(Editor's Note: This is another in series of interesting letters being written by Suzanne Langley, Hereford, to her parents here. She is on a year's trip to Europe. Miss Langley is the daughter of Mr. and Mrs. Earnest Langley.)

Suzanne Langley

By Suzanne Langley  
Vienna September 20, 1964

Well, I guess now you'd like to hear what I've been doing. It's been too long since I've written. While we were traveling through Germany we stayed such a little time at one place, there was not a minute to spare. And Germany was by far the best of all! I sure hope all of my friends at home understand why I haven't written yet. I will write now that I'm getting settled, but there were just too many to write to know where to begin on our trip. Every minute was so full and then I was exhausted at night.

To begin where I left off — the last day in Paris. We drove to Chartres, which is a town about 2 hours away from Paris. We visited the Cathedral there, which had been visited by many pilgrimages during the Middle Ages. People would walk for days to get there. It is a beautiful Cathedral, which was interesting because it showed both early and late Gothic architecture. We ate lunch and walked around this typical little French town. Then we drove back to Paris. That evening a group of us went to eat dinner and then to see the Champs Elysee and the Arch of Triumph at night. This really was beautiful. It is one of the most famous scenes of Paris that you always see pictured. Daddy, I guess you saw it. Anyway, the Champs Elysee is a big main street of Paris and it goes from the Place de la Concorde up to the Arch of Triumph, where 12 streets come together. All along there are so many cars and lights and people. It's really exciting to watch everything there.

The next morning we left Paris and drove to Reims. Here we stopped for lunch and to see the Cathedral here. This Cathedral was very beautiful, too, and had some of the prettiest stained glass windows of any we've seen. I've been able to

appreciate the beauty of all the cathedrals we've seen, but I don't understand much of the architecture. It is interesting and I've learned a little, so maybe if I read up on it a little, I'll understand more about it.

After we left Reims we left France and drove through Luxembourg. Just outside of Luxembourg our bus ran out of gas — none of the others did, just Bus C. Wouldn't you know it? But it was fun! The boys got out and pushed it a little way, then the driver went to get some gas, which wasn't too easy as it was Sunday. We all got out and had a nice rest, and we reached Trier only about an hour behind the others. We got there late, had dinner, walked around a little and went to bed.

The next morning we took a short tour of Trier and then walked around the town, looking at things and shopping. Already we were all impressed with the change in atmosphere. Just like you said, Daddy, there's just something more warm, pleasant, healthy and friendly about the German people and Germany. Trier has a lot of Roman ruins all around and this is where the Porta Nigra is located. Porta Nigra means black port, and there are ruins of this famous fortress which once protected this trade center of Trier.

After lunch we left Trier and drove to Maria-Lasch. Maria-Lasch is an Abbey and we had a very interesting time there. First

a monk told us about the history of the Abbey and then a little about what the monks do today, etc. Then we went to a prayer service they were having. This was really pretty. The monks were chanting and going through a ceremony in which they used

**NOW! Big travel bargain for cities along Santa Fe**

It's Chico Bargain Fare time again on the Santa Fe—through April 30, 1965.

For example, a regular round-trip ticket costing \$100 will be sold at the off-season bargain fare of \$80. Round trips costing \$75 now will be only \$60, and similar reductions will apply for round-trip tickets from all stations except for local trips within the State of California.

No matter where you travel on Santa Fe trains, round-trip bargain fares will save you approximately 20%. Tickets on sale every day with a return limit of 30 days. Yes, bargain fares apply for both round-trip coach and first-class tickets.

Now you can leave the car at home and save money traveling by Santa Fe.

See the Santa Fe Agent in your home town for complete information

Off-season round trip fares cut approximately **20%** through April 30, 1965

**DISCOUNT STORE OPENS** — Gibson's Discount Center, the first store to open in Park Avenue Shopping Center had its grand opening Monday morning, which was attended by thousands of Hereford shoppers. The entire parking area at the store was completely full during the day. Here shoppers are shown looking through the new store. (Brand Staff Photo)

**AUSTIN HIGHLIGHTS**

# Johnson 'Moves' Home For Extended Stay

By Vern Sanford  
Texas Press Association  
AUSTIN — This city once again became the seat of the executive branch of the federal government as President Johnson moved back to his home grounds for an expected prolonged post-election stay. The president preferred to vote in person at his old box in Johnson City, rather than cast an absentee ballot. An elaborate communications

network was prepared for the election day party here. Hundreds of national press, radio and television representatives accompanied Johnson to Texas Monday night. Major developments are anticipated at the vacation White House during days immediately following counting of the votes. The President, while resting up from the campaign, undoubtedly will be formulating his plans for the future and

staying abreast of national and international developments at this important period. He is scheduled to entertain at least one distinguished visitor at the LBJ Ranch. Mexico's President-elect Gustavo Diaz Ordaz will visit him Nov. 12-13 according to early reports. Most observers predict the President will remain at least until mid-November, possibly longer.

**COURTS SPEAK** — Court of Criminal Appeals criticized state courts of inquiry but declined to declare unconstitutional the law authorizing such procedures. Issue came before the court in the appeal of Pasadena Attorney N. A. Smith who claimed his constitutional rights were violated in a court of inquiry into Pasadena city finances. Judges ordered Smith freed of contempt of court charges arising from court of inquiry held on June 2. Court of Criminal Appeals also ordered a new trial for Arthur Geter on marijuana charges in Harris County, citing a new U. S. Supreme Court decision that legal representation in trials is a constitutional right. Geter began serving a life term in 1952. Supreme Court refused to review a dispute between City of Athens and Gulf State's Telephone Company over phone rates. It thus left standing the lower courts' decision that the East Texas city's 1961 and 1962 rate ordinances do not permit the company a fair return on its investment. City asked higher court to review the case. In another case the Supreme Court agreed that Connecticut General Life Insurance Co. is entitled to collect \$408,081 in overpayment of occupation taxes for 1952-57 and for 1959. It left standing the lower court findings that United Press International libeled Bruce B. Mohs, a Madison, Wis., pilot in a story concerning a seaplane landing. Court of Civil Appeals has questioned the accuracy of most of the story. Mohs was awarded some \$7,500 in damages. Board for State Hospitals and Special Schools cannot negotiate a new water-supply contract with the City of Big Spring, according to a ruling by 53rd District Judge Herman Jones. City attempted to have the Austin court set aside a 1937 contract under which it agreed to furnish water to the Big Spring State Hospital at a cost of 10 cents per 1,000 gallons. Estimated cost of furnishing this service now is set at 32 cents per 1,000 gallons. It is expected that the city will appeal Jones' decision. **BUSINESS CLIMBS** — Texas building permits rose to a near-record level of \$155,000,000 in September. It was the 43rd month of the current Texas business expansion — second longest peacetime cyclical upswing since December 1854. Longest period was March 1933-May 1937. Business Index as measured by University of Texas Bureau of Business Research was 12 per cent above September, 1963.

one per cent below all-time high of 152 per cent last July. Researchers registered an optimistic outlook for the remaining months of 1964. **APPOINTMENTS** — Gov. John Connally has selected Richard M. Price of Abilene as 104th District Attorney. He succeeds Tom Todd who resigned the post effective Nov. 1. Price was the only general election candidate for the office. District includes Fisher, Jones and Taylor counties. Connally reappointed Bay City Mayor Richard C. Gusman to the Battleship Texas Commission and selected Lofton O. Wells of Houston and Mrs. Mack J. (Viola) Webb of El Campo as new members of the Commission. Appointees yet to be made total 72, on 29 state agencies, including the Sabine River Authority, Texas Water Commission, Neches River Conservation District, State Seed and Plant Board, Red River Authority, Water Development Board, Texas Liquor Control Board, and 22 other administering bodies. **CLEANUP** — Water Pollution Control Board announces its intention to adopt and enforce stringent new regulations on all sewage treatment plants in Bexar County. Board decided that there is no point in trying to clean up the Houston Ship Channel. It will be designated for navigation and industrial use, not for recreation. **ESTES JUDGMENT** — Atty. Gen. Waggoner Carr reports that the 108th District Court in Potter County rendered a \$547,500 summary judgment against onetime West Texas financier Billie Sol Estes, winding up the state's suit against Estes and Commercial Solvents Corp. State claimed Estes and the firm combined to unlawfully injure and drive out competition in anhydrous ammonia fertilizer in the high plains area by selling below cost and through other schemes violating the antitrust act. Commercial Solvents earlier paid \$150,000 under an agreed judgment. But it admitted no liability. Estes is appealing the Federal Court's 15-year fraud and conspiracy sentence to U. S. Supreme Court. **HIGHWAY PROJECTS** — A delegation from Tarrant, Wise, Parker, Johnson, Hood and Denton counties called on the State Highway Commission seeking a \$72,000,000 highway development program in the Fort Worth metropolitan area. Emphasis was placed on construction of a 36-mile link between Fort Worth and Ennis on U. S. Highway 287 to facilitate truck traffic from Houston to Fort Worth. Highway Commission's approval this week of a \$40 million highway construction project within the city limits of El Paso demonstrates results that can come from close cooperation between residents of a community and a state agency. Eighteen months ago, the mayor and county judge from El Paso conferred with the commissioners on traffic problems resultant from that city's status as the third fastest-growing city in the U. S. in the decade ending in 1960. Highway Department told them it could do nothing unless the people of El Paso got busy. They did — and passed a \$15,000,000 road construction bond program in October. When city officials came back to ask the Highway Commission for help, it came in a hurry, since \$7,500,000 worth of local right-of-way funds were ready. **AG OPINIONS** — Attorney General Carr has ruled that state law does not authorize a discount for the taxpayer for early payment of state ad valorem taxes, even though county ad valorem taxes have a discount feature. Attorney General's office also ruled that savings and loan as-

sociation agents cannot appraise properties on which a loan application has been made; and that no further court action is necessary to escheat funds ordered turned over to the State Treasury by state judges. **EMPLOYEES WEEK** — Governor Connally has proclaimed November 8-15 as Texas Public Employees Week. In his memorandum, the Governor stated that "Texas public employees have continued to become more aware of their responsibilities to provide better public service to the taxpayers of Texas while at the same time raising their professional qualifications." Lt. Gov. Preson Smith presented the Official Memorandum, in Connally's absence from the

State, to Paul H. Hancock, president of the sponsoring organization, Texas Public Employees Association. **SHORT SNORTS** — U. S. Department of Agriculture reports these fall farming operations: high plains wheat planting has reached 93 per cent level; statewide wheat crop is 88 per cent planted; and sorghum combining is 85 per cent completed. State Education Commissioner J. W. Edgar has endorsed the

"Teaching Taxes" program, an education supplement designed to help students understand the preparation of income tax returns — made available by R. L. Phinney, District Director of the Internal Revenue at Austin. Texas Society of Professional Engineers has endorsed Governor Connally's authorization of a state water study by the Texas Water Commission.

# Community Service Is Theme For Music Clubs' Conclave

First District Texas Federation of Music Clubs in convention at Community Center will be accenting the convention theme, "Community Service Set to Music," from coffee registration 8-9:30 a.m. Friday for Senior Day to the singing of "Texas, Our Texas" closing Junior Day, Saturday.

The convention will be drawing delegates, officers, music club members, and friends of music from the 20 counties of First District TFMC.

Mrs. Earl W. Snowden, Arlington state president of TFMC, will be luncheon speaker for both senior and junior divisions. She will be underscoring her chosen theme for the year "Music — The Common Denominator." She will be introduced by Mrs. John Yows, Borger, immediate past president of First District.

Senior TFMC members will attend luncheon at Hereford Country Club at 12:15 noon, Friday, with Hereford Music Study Club as hostesses. Toastmistress will be Mrs. B. W. Moore, Amarillo, First District Parliamentarian. A Quintette from Carol Lynn Singers, Amarillo professional chorists, will sing the "Club Collect"; and Mrs. Tom Sutton and Mrs. J. D. Wilbanks, Spearman, will be presented in piano duet.

Highlighting the Performing Arts Program will be the Carol Lynn Singers, a chorus of 16 professional Amarillo vocalists under the direction of Carol Lynn, experienced professional choral director and presently Director of the Voice department of Amarillo Musical Arts Conservatory. They will present a repertoire of excellent and pleasing variety.

Other performing artists on the program include Mrs. Eugene Brink, violinist; Mrs. Joe Hacker, piano soloist; Mrs. Richard H. Jackson, contralto soloist—all members of Hereford Music Study Club.

Major concert artists playing on the Performing Arts Program will be the Borger Chamber Music Trio, composed of Mrs. Johnny Fagan, violinist, Mrs. Thomas Brooks, cellist, and Mrs. George Wyatt, pianist.

Other Panhandle musicians appearing on Friday's all-day program are Mrs. H. L. Wendell, Phillips pianist; Miss Fidelia Yoder, Pampa pianist; and Mrs. Don Hart and Mrs. Paul Gurney, Gruver, in piano-organ duet.

Also Mrs. Duane Barrett, Hereford, in marimba solo, and Mrs. Robert Strain, in "grass roots" opera monologue, who will be presented by Dawn Music Club at their convention salad supper closing senior day at Community Center.

Furnishing background music at registration coffee will be Mrs. Lowell Sharp and Mrs. Joe Hacker, members of Hereford Music Study Club.

Mrs. A. O. Thompson, as general chairman of the convention, will preside at general sessions, with Mrs. Dan W. Spencer, Dalhart, First District President, and Mrs. Hershel Miller Jr., Dawn, First District vice-president, presiding at other business sessions.

Official Hereford Music Club greeters at registration coffee will be Mrs. H. H. Miller of Dawn Music Club (assistant convention hostess club), chairman; and Mrs. S. O. Wilson, Mrs. J. C. McCracken, Mrs. Eugene Brink, Mrs. W. S. Fisher, and Mrs. J. F. Gilbreath.

Presiding at the coffee service will be Mrs. W. E. Damron, chairman, Mrs. Ed Line, Mrs. S. F. Clements, Mrs. Bill Dameron, Mrs. W. J. Stanford, Mrs. Glen Snyder, Mrs. Cliff Estes, and Mrs. J. E. Beyer.

In charge of flowers and decorations for the convention are Mrs. W. C. Hromas and Mrs. Ray Johnson.

Mrs. Dick (R.C.) Godwin, First District Program Chairman, emphasizes that the public are invited to attend, without charge, the Performing Arts Program at 2 p.m. Friday in Community Center for TFMC members she urges attendance at the convention luncheon at Hereford Country Club at 12:15 noon Friday. Tickets (\$2.50 per person) can be purchased at registration. A separate full day's program

is scheduled for Junior Division on Saturday, and all senior members are urged to attend this special day's events, according to Mrs. A. O. Thompson, general chairman of convention.

## Letter To The Editor

Editor: During this past campaign, we of the Deaf Smith County Republican Party endeavored to point up the issues which, even though the election is over, are still important to the survival of our American Heritage.

First, and most important, any objective observer can see that the moral fiber of America must be strengthened, and I believe that all of us agree that it must begin with a stronger prayer life in each of us as individuals.

We will draw closer together in common cause, and the policies which we should follow in domestic and foreign affairs will become clearer to all of us if we just simply rely more on Faith and less on our own egos or intellects.

The next few years, I believe, are going to be a time of severe testing for our Nation and for each of us. We are still faced by an atheistic, materialistic enemy which is dedicated to the destruction of the concept of God and Man.

The central question of the coming months—and years is whether or not we are willing to work equally hard for our Faith and for the idea of limited government under our Constitution which is the source of our Freedom.

This is the task of our generation, and it will require the combined efforts of each and every one of us, regardless of how we voted in this presidential election. The challenge is there. The response is up to us.

J. Frank Ford Jr.

YOU'RE INVITED — Mrs. Dick (R. C.) Godwin (at left), First District Program Chairman of Texas Federation of Music Clubs, issues a cordial invitation to the public to attend the convention Performing Arts Program in Community Center Friday at 2 p.m. Agreeing that this is a most unusual opportunity for music lovers of this area to hear Panhandle concert musicians in excellent performance are Mrs. J. C. McCracken (at right), who as official convention piano accompanist, will accompany Mrs. Robert H. Jackson (center), Hereford contralto, when she sings on the afternoon program. (Brand Staff Photo)

## Hereford Music Club Hosts TFMC Luncheon

Hereford Music Study Club will be official hostesses at luncheon Friday to First District Texas Federation of Music Clubs members attending the convention here.

Especially to be honored at the luncheon are Mrs. Earl W. Snowden, Arlington, state president of TFMC; Mrs. Dan W. Spencer, First District President; also district chairmen, past district presidents and club

presidents. Luncheon speaker will be Mrs. Snowden, who will be introduced by Mrs. John Yows, Borger, immediate past president of First District and currently chairman of the district's Past Presidents' Assembly and of the Senior Division's departments of education, leadership training and orientation and club evaluation. Toastmistress for the occasion

will be Mrs. B. W. Moore, Amarillo, First District Parliamentarian. She is a member of Philharmonic MacDowell and Music Club of Amarillo.

Singing the Club Collect will be Quintette from the Carol Lynn Singers—Mrs. Harold W. Ochsner, Mrs. Harry G. Morning,

## Speaking Hints Is Program For Dawn Club

Mrs. Leroy Aven gave hints on public speaking to members of Dawn-Boys' 4-H club at their

Mrs. L. D. Natho, Mrs. A. Eugene Casey, and Mrs. Ivan Fredrikson. All are members of Amarillo's Philharmonic Music Club.

Presented in piano duet, Mrs. Tom Sutton and Mrs. J. D. Wilbanks, Spearman, will play Russell's "The Witch's Flight." Introduction of local chairmen will be made by Mrs. Crosthwait, president of Hereford Music Study Club.

According to Mrs. Dick (R.C.) Godwin, chairman of the luncheon committee, club members should purchase luncheon tickets (\$2.50 per person) at registration coffee 8-9:30 a.m., Friday at Community Center.

meeting this week. Mrs. Aven gave assignments to each of the members, to be prepared for the next meeting of the club. Each boy will present a pantomime.

Junior leaders of the club canvassed the Dawn community for CROP halloween night, with Stephen Hoffman helping with the 4-H booth held at the B & PW carnival in Hereford.

Members present were Tommy and Wayne Betzen, Mike Engler, Stephen Hoffman, Jon David and Dion Miller, Glenn and Wayne Polan, and Gerald Witkowski.

Visitors at the meeting were Mr. and Mrs. Ray Polan and Deadra, Mrs. Tony Hoffman, Mrs. Leroy Aven, and Clarence Betzen.

Mrs. Earl Plank and Mrs. H. H. Miller were adult leaders-attending.

## OPEN LETTER TO PEOPLE OF HEREFORD

We congratulate the Democratic victors and express warm appreciation to Republican workers and supporters! Our best wishes to our Democratic friends, their victory was won fair and square, and in the true American tradition. We Conservatives accept our defeat and offer our full cooperation in working for a better tomorrow. It has been, and still is our feeling, that should the victory have been ours, the battle for rights guaranteed by the Constitution would be far from won and by the same token the conservative defeat does not mean that these rights are by any means lost.

It will take the joint efforts of citizens from both sides of the fence to help guide this country through the many perils of a troubled world.

To our Republican friends, your sweat, tears, devotion, and donations of time and money have not only touched us deeply, but have distinguished you in society, as a bulwark of strength dedicated to the preservation of a nation you dearly love. Fellow conservatives, since words could never express our gratitude, please accept our simple thanks, the cause for which you stand is a most worthy one.

KEITH JORDE

Deaf Smith County Republican Party

### EXECUTIONS VIEWED FROM BED

AUGUSTA, Ga. — Augusta's White House, which was built by a wealthy trader in 1750, has been restored at a cost of about \$200,000.

Legend has it that a British colonel, Thomas Brown, had 13 American patriots hanged from the top of the structure's outside steps. Brown, who had been wounded, is believed to have watched the executions from his sickbed.

### LUNCHEON

Texas Federation of Music Clubs, District I  
Hereford Country Club

Delegates and alternates from senior clubs of the 20 counties of District I will be attending the convention, along with club members, performing artists, and music-lovers from the Panhandle.

**Suzanne...**

(Continued from page 4)  
sitting around with candles on them and a real German band playing. We danced and really

had fun! The next morning we left Köln early and travelled to Boppard, where we boarded a Rhine River boat and rode down the Rhine to Bacharach, where we got off, ate lunch, and boarded the buses again. The river ride was so much fun. There was lots of beautiful scenery and we passed right by the famous Lorelei Rock. On the boat with us were all kinds of people, but the most special ones we met were a group of German kids. They were about Camille's age. I

guess there were about 30 of them, and somehow a group of us got started singing with them. They sang us some songs and we sang to them and a few we all knew. They were so cute and could sing so well and thoroughly enjoyed it. This was really fun for all of us.  
That afternoon we drove on to Rothenburg. We ate dinner, then went to a Thankfest they had for us. It was in their Rathaus, or city hall, and has been a custom in Rothenburg since the 30 Years War. First a man dressed as a Bürgermeister of the old days told us the history of the Thankfest, then another man came in with a huge mug of wine. The idea was for one person to "chug" as much wine as possible, because once the town had been saved by someone drinking a whole mug. So several of our brave boys tried it. No one could down the whole thing, but they had fun trying.  
The next morning we took a walking tour of Rothenburg and it is the prettiest, quaintest, most peaceful little town. All around it, too, are the most beautiful green valleys and trees that I've ever seen. It's like a medieval fairyland. It is so beautiful and peaceful. I wanted to stay longer. I wish you all could see it, too.  
After lunch we left for Munich. We got there just as it was getting dark so we couldn't see much, but we walked around and looked and then everyone went to the famous Hof Brau Haus. This is a very famous beer hall and it is huge! It has three floors and I've never seen anything like it! Mother, you remember the song — "In

Munchen Steht ein Hof Brau Haus — Eins, Zwei, Sofa" — I'm not sure how to write it, but anyway you probably know it. It was so much fun. Everyone was singing German songs and laughing, and on the 3rd floor a big German band was playing.  
The next morning we left Munich early and drove out of Germany into Austria and on to Salzburg. We stopped here for lunch and looked around a while saw Mozart's house where he was born. Then we drove on to Vienna. The scenery all along the trip has been pretty but it just kept getting prettier all along. Especially in Germany it was all just beautiful and the last two days the scenery was just breathtaking! The rolling hills are so green and pretty — prettier than a picture.  
Oh, I've meant to tell you, all

along our hotel accommodations have been very good — much better than we expected. They prepared us for the worst, so we weren't disappointed. Of course, they're not like we're used to in America, but they're nicer than you might think. And I've been especially lucky with rooms. Only a few get baths each time and only twice have I been without a bath. In Paris and London both, I roomed with 3 other girls and we had huge nice rooms with baths, so I've been lucky.

# Electing A Chief Is Complicated

By J. W. Davis  
Associated Press Writer

WASHINGTON, (AP) — The unique American process of putting a President in the White House takes all of a year and a half. Things really get underway with the selection of the cities where the national party conventions will be held. It was back in June 1963 that the Republicans chose San Francisco and the Democrats picked Atlantic City for their 1964 meetings.

And let it be noted that big American cities are willing to spend a lot of money to get a party convention. San Francisco, for example, won the Republicans with an offer of \$650,000 cash, free hotel rooms for some committees and various fringe benefits. Atlantic City came up with a \$625,000 cash offer to the Democrats, plus free rental of the convention hall.

After the convention cities are chosen, there are rumbles about who's going to run. Things begin to shape up more exactly in the Spring of the presidential election year with the presidential preference primaries.

The power of the primary was abundantly demonstrated in 1960 by the late President John F. Kennedy. A Roman Catholic, he had to prove to Democratic party leaders he could win in a heavily Protestant state. He did just that in West Virginia, against Sen. Hubert Humphrey of Minnesota — and the rest is history.

In all states, during the first half of the year, the Democrats and Republicans select delegates to their national conventions. These delegates are chosen by primaries in some states, and by party conventions or state party committees in others.

**Delegates Are Substantial**  
Delegates to the conventions are generally substantial people, although they don't always look that way during the televised, sign-jiggling "spontaneous demonstrations."

The Brookings Institution has reported that "the average delegate is a responsible citizen in his fifties, with a college education and an income of about \$10,000 a year."

The Republican delegates look a little more affluent than the Democratic ones. But the Democrats, it is widely agreed, have more fun.

There are more Democratic delegates, too. Eligible to take part in their national convention this year were 2,944 delegates and 2,208 alternates. The Republicans had 1,308 delegates and 1,308 alternates.

Both parties have rather complicated formulas to decide how many delegates each state will have.

The convention system, like the primary setup, is often criticized.

Political conventions represent more wasted energy, more futile fruitless endeavor, more useless expenditure of noise, money and talent than any institution on earth," commented writer Irvin S. Cobb.

But conventions keep going in the same old way, largely because no more effective method has been found. They come up with candidates quickly in most instances, and quite often those chosen are good men by any standard.

The main business of a convention, aside from picking nominees for President and Vice-President, is to agree on a platform for the party.

This can stir up great heat and controversy at the time, although few except those most affected by particular planks can remember very long just what was in the platform.

**The Campaign Lull**  
Once the candidates are chosen and the platform printed, there is usually a quiet time of several weeks.

But the fireworks generally start going off by early September, and then there follows a terrific amount of activity — speaking tours, TV and radio speeches — maybe even debates, newspaper stories and editorials by the many thousands, magazine articles, billboard advertising, sloganeering of all sorts, charges and counter-charges.

All this roars on until election day — the first Tuesday after the first Monday in November. That is the day when the individual voter becomes master of those who would lead him.

And yet, the election of the President is not by the voters at all, but by the presidential

electors — another system often deplored but never changed.

Each state has as many electors as it has senators and representatives in Congress. The electors are nominated for each party by the state party convention or the state central committee.

The people choose between the rival slates of electors, but usually they don't even know who the electors are — they just vote Democratic or Republican.

The electors are not legally bound to vote for the party candidate, but they almost always do. They meet at the state capitals on the first Monday after the second Wednesday in December, vote and pass the word to Washington.

The party getting the highest popular vote in a state, even if it is not a majority, gets all the state's electoral votes.

On next January 6 Congress will meet for the counting of the electoral votes. There are 538 of them and it takes 270 to win.

All this is largely formality; the outcome of the election is often known on election day, seldom a very long after.

Finally will come another great climax — the Inauguration on January 20. This is a time of parades and balls, galas and merry-making. It is also a time of great solemnity.

Especially solemn is the moment when the newly elected President stands before the multitude at the Capitol and takes this Oath of Office prescribed by the Constitution:

"I do solemnly swear that I will faithfully execute the office of President of the United States and will to the best of my ability, preserve, protect and defend the Constitution of the United States."

**RIGHT JOB, WRONG PLACE**  
GAFFNEY, N.C. (AP) — When painting contractor W. H. Dorman Jr. and his men arrived to paint the home of Mrs. Margaret Lov she wasn't at home, so the men went ahead and applied the first coat of paint.

When the first coat was on, the painters found they had painted the house belonging to Mrs. Lov's neighbor. Their next coat of paint was applied to the right house.

News Shorts

**KIDNAPPING FOR CHARITY**  
GEORGETOWN, Ky. (AP) — There was no complaint when six house mothers at Georgetown College sororities and fraternities were kidnaped and held for ransom.

Several members of Lambda Chi Alpha fraternity used the stunt to raise \$60, then turned the money over to the Red Cross.

**BURGLARS STEAL DOGS**  
KANNAPOLIS, N.C. (AP) — Jerry Griffin told Kannapolis police someone broke into his home while he was sleeping one night. Griffin said the only missing item was Susie, his watchdog.

# The Whiteface

(OFFICIAL PUBLICATION OF HEREFORD HIGH SCHOOL, HEREFORD, TEXAS)

NO. 8

The Hereford Brand, Hereford, Texas, Thursday, Nov. 5, 1964

## Consistent, Dependable Boys Make Up Whiteface Team

As the football season continues, consistent and dependable players must make up the Whiteface team. Dick Lookingbill, Larry Minks, seniors; Steve Hodges, Mike Moore and Elias Briones, juniors, put forth, according to the coaches, that effort necessary to the team's success.

Lookingbill is offensive and defensive guard and tackle. "He's dependable, a good hitter, and has come a long way this season. He needs more confidence, although he is improving each week," says varsity coach, Jack Meredith.

Minks plays offensive and defensive end; he hits hard and improves with each attempt. He shows a conscientious attitude and is dependable, says the coaches.

Hodges, plays wingback and safety position. "Hodges is the best punter in the league," commented Coach Meredith. "His dependability and willingness to work help in the improvements he has been making during the season."

Moore is one of the faster boys on the team. "As wingback and defensive, halfback,

Moore is developing into an exclusive runner," said Coach Meredith. "He is improving on defense because he has the desire and willingness to work."

Elias Briones plays offensive split guard and is a defensive anchor end. Meredith says Briones has the potential. "When his confidence replaces hesitation, he will be one of our best boys."

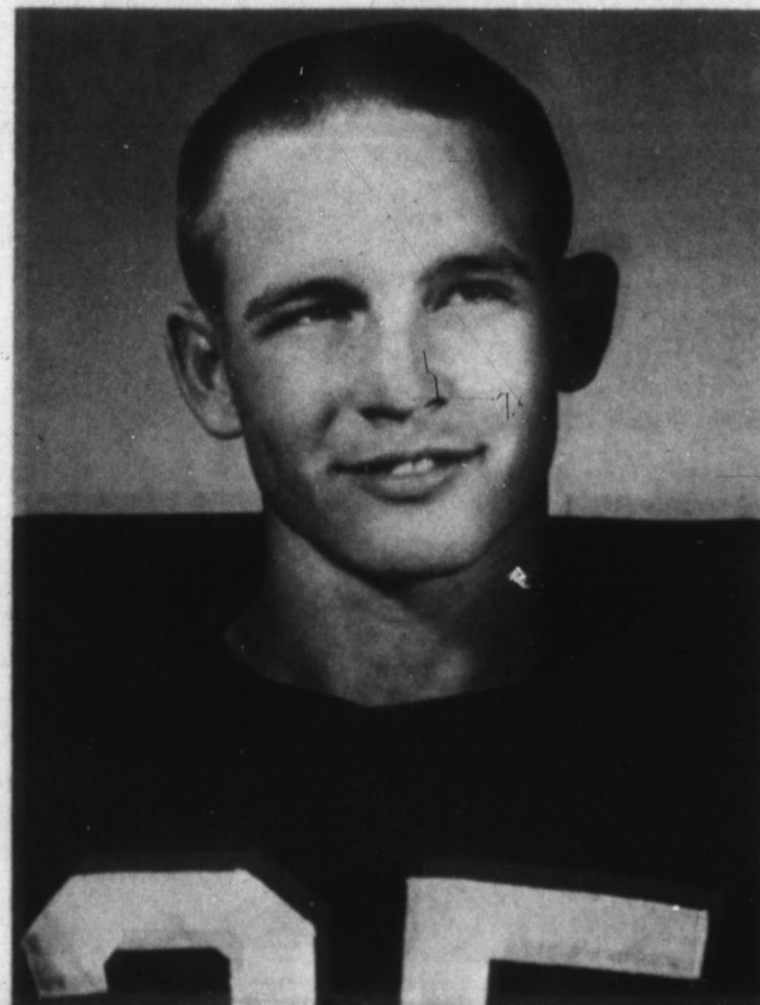

Working for a district lead, these players comment on the game against Muleshoe tomorrow night.

"Muleshoe has a good team, I know they'll fight for a victory. But, the Herd is determined to put them down," stated Briones.

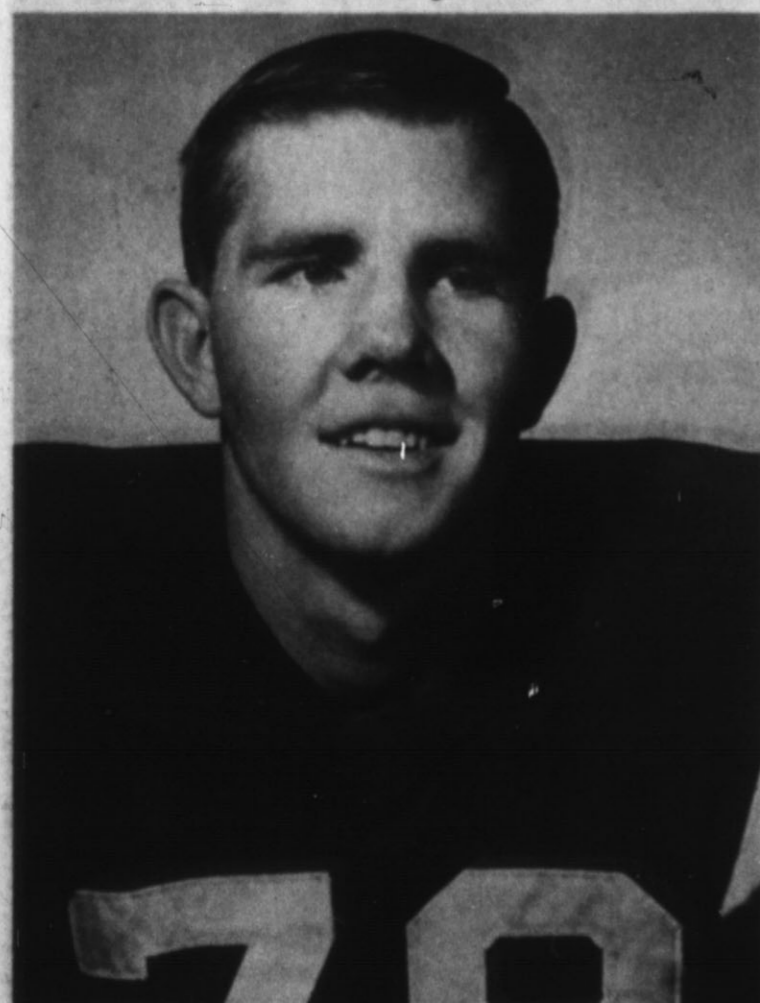

Hodges thinks the Herd cannot take the Mules seriously enough. "They're capable of beating anyone; we'll have to be up for this game just as we have been in the past."

Since the game will be at Muleshoe, Lookingbill believes it will not be an easy one to win.

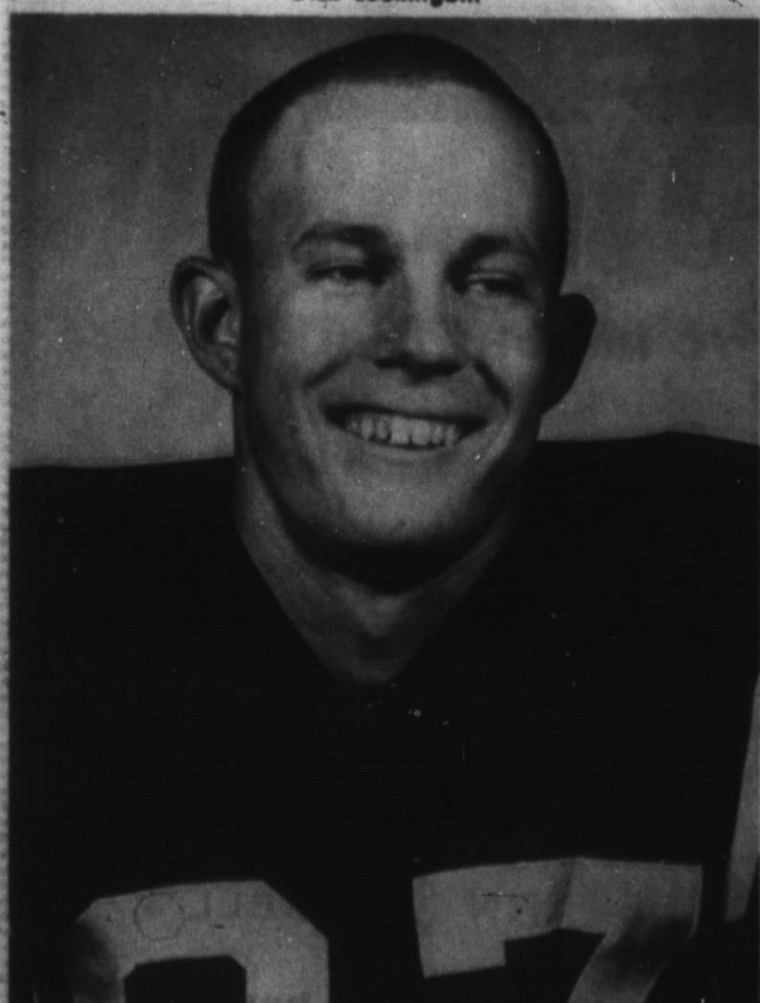

"We can't take this Muleshoe team lightly. We are going to have to play each team one at a time and be up every week in order to win district," added Minks.

Steve Hodges

Dick Lookingbill

Larry Minks

## Band Receives 'I' Rating In UIL Contest

"We made a one! We made a one!" was the joyous cry of the Hereford High Band students.

The winning of the I rating entitles the HHS band to be eligible for the Sweepstakes award that has been awarded to the Whiteface band for the past two years.

Patti Roach and Merle Carmichael earned a one rating for their first year at contest.

Judge J. R. McEntire said that the band had an effective and flashy appearance. He commented that it was a good overall job.

Judge M. B. Montgomery observed that the band had some good original drills. He also likes the way the band steps off on their high knee lift.

The marching contest last Tuesday was one-third of the requirements for the Sweepstakes award. The other two contests required for this award are concert and sight-reading.

The Whiteface band competed with Dumas, Canyon, Tulla, Perryton, and Tascosa. Perryton and Tulla also made a I rating.

Though destructive, earthquakes are essential to life, the National Geographic says. Mountains are constantly eroding and if they were not raised again by quakes, the world would become an uninhabitable place of stagnant seas and swamps.

Male tarantulas mature at about nine years, females at 10. The male dies soon after mating, but the female often lives 20 to 30 years.

## Four Hereford High Students Apply For Exchange Plan

By Sandi Thomas

Four HHS students have been selected by the local American Field Service Board to apply for foreign exchange students. Barbara Zinser, Jon David Miller, Cindy Loerwald, and Rozi Rush will send applications to New York City for the national AFS Board to review their qualifications.

Barbara and Jon David, juniors, applied for the summer program. Students participating in this program during June, July, August and early September spend 6-10 weeks abroad, then return next year to complete their schooling in the United States.

"Our opinions of the world and its people would be much broader if we have the chance to know different customs and governments," agrees Barbara and Jon David. Jon David hopes he will be sent abroad to gain experience, meet more people, and establish better relations. Barbara wants to see how other people live and wants to learn

about the geography of the country.

Rozi and Cindy, seniors, will go abroad the next school year if their applications meet the approval of the AFS Board. Her only chance to go overseas, says Rozi, will probably be as a foreign exchange student. Cindy wants to go abroad to study different cultures.

During the interview conducted by the local AFS Board, the four students were asked questions ranging from, "If you were a Protestant assigned a Catholic home, would you go to church with them?" "Would you accept wine or beer if the custom was practiced in the family of your foreign parents?"

The applications are composed of a brief autobiography, the applicant's complete medical history, a parents' biography of the applicant and a set of hypothetical situations.

The applicants are given a choice of the hemisphere but not the country in which they wish to study. The HHS students selected the Northern Hemisphere. Rozi

would like to go to France, Austria, or Denmark; Cindy, to Spain, Switzerland, or Sweden; Barbara, to Spain, France, or Switzerland; and Jon David, to Norway, France, or England.

Two years of foreign language are required for each program. Jon David will have one year French and one year Spanish; Barbara, two years Spanish; Rozi, three years Spanish and two years French; Cindy, two years Spanish.

## HHS Teachers Expect Effort From Students

Two HHS teachers with ministerial background, Rev. Fred Beaversdorf and David Henderson expect good attitudes, conduct and honest effort from an average student.

This is Rev. Beaversdorf's first year to teach Latin in high school. He and his family of eight moved here from Alabama two and a half years ago so that he could preach in the Lutheran Church.

Rev. Beaversdorf has a Bachelor of Arts degree from Concordia College in Milwaukee. He has also attended Concordia Seminary in St. Louis.

David Henderson is a layman preacher and teaches math at high school. He has an Associate of Arts degree and is now taking a course in education at WTSU. Besides his other activities, Henderson is coach and player for an independent basketball team and drives a school bus.

## Whitefaces Take First District Win

Coach Jack Meredith's Hereford Whitefaces Gared their first conference win of the season by defeating Perryton 19-12 Friday night.

In the first quarter after the opening kickoff, Perryton marched to the Hereford 14 yard line but stalled and attempted a field goal. The football hit the goal post and dappled away.

Perryton scored in the second quarter when Mike O'Brien caught a 24 yard pass that was rifled on the money by Quarterback Chris Byerly. The extra point attempt failed.

Hereford also entered the scoring column in the second quarter as they drove to Perryton's three yard line. Frank Cain took the ball over from there. Cain also kicked the extra point and this put Hereford ahead 7-6.

Hereford again tallied in the third quarter when Cain fired a seven yard pass to Mike Moore. The try for two extra failed.

Hereford's determined defense held Perryton twice in the third quarter as they were moving close to paydirt.

In the fourth quarter Hereford tallied six more points as the Whitefaces moved the ball to the Perryton one yard line where Cain took it over.

In the fourth quarter it seemed that Perryton might rally as halfback Mike O'Brien ran a 75 yard kickoff return. Perryton again gained possession of the ball deep in their own territory with a little more than a minute to go. A few plays later they found themselves deep in Whiteface territory. Mike Moore then saved the day as he picked off a Perryton pass on the Here-

ford 14 yard line and returned it to the Hereford 26. This ended the Rangers' chances.

Hereford had 18 first downs to Perryton's 12. Hereford gained a total of 246 yards compared to Perryton's 213. Quarterback Frank Cain completed five out of ten passes and running for two touchdowns. Cain also passed for one touchdown.

Gene Drummond led Hereford backs rushing with 51 yards. Wynn Buck added 49, Cain 34, and Steve Hodges 32 yards. Drummond, Hodges, Lynn Cook, Mike Moore, and Roger Owen each caught one pass.

The defense was led by Greg Richards and Terry Hill. They each had 16 tackles. George Muse had eleven and Lynn Cook had nine. Gene Drummond had eight tackles and Roger Owen, Mike Moore, and Stan Sigman each had seven. Larry Minks and Dick Lookingbill had six tackles each. Larry Duncan played a good game at offensive guard for the Whitefaces.

Hereford now stands 1-1 in conference play.

## Whiteface 'B' Teams Downs Friona Chief's 'B', 39-0

The Whiteface B team came through with another victory last Thursday night by defeating the Friona Chief's B team 39-0.

Friona received the opening kickoff and returned it to their own 35. The Whiteface defense held and Friona had to punt. Then the Whiteface offense was unable to move and were forced to punt. Friona then made a first down but the Whiteface defense again held and they were forced to punt. Hereford took the ball on the Friona 40. Gary Victor picked up a quick first for the Whitefaces. Ernie Williams and Billy Frank picked up another first down at the Friona 30. Then Ernie Williams carried for 11 and Gary Victor went over from the 9. A conversion pass was no good. As Hereford kicked off, the first period ended with the score 6-0, Hereford.

Friona then fumbled and Wayne Miller recovered for the Whitefaces. On third down at the Friona 38, Gary Victor connected with Gary Tucker for the second Whiteface tally. Mark Hicks kicked the extra point.

Hereford kicked off to Friona and the Whiteface defense tightened and forced the Chiefs to punt. Hereford penalties set the Whitefaces back to their own 20. Gary Victor picked up 9,

## Tryouts For Play Indicates Need For Dramatic Program

"Tryouts for the all school play this year indicated to me the necessity for an expanding program in dramatics," comments Tye Hilger, speech director. He also says, "There were a limited number of roles for this play, and I was disappointed that several students had to be turned away. The Thespian Society and I hope that these students will not be discouraged, and will continue to try out for all plays."

"The Mouse That Roared" will be presented in the high school auditorium on Dec. 4 and 5.

Clarkie Adams has the leading female role, Gloriana. The stunning and sophisticated old sovereign of Grand Finwick. Fran, Mary, Pam and Jane, the four typical young American tourists, will be played by Dorothy Frerich, Gwen Cargo, Kay Brogden, and Joyce Bezer. The role of the ladies-in-waiting will be acted by Glenda Flesher and Marsha Hardwick. Kathy Pool will play the page.

Ann, the peasant girl of Finwick who walks on grapes for a living, will be played by Romanita Luceoro. Denise King has the part of Miss Johnson, the secretary to the U. S. Secretary of State, Chris Meredith will depict Miss Wilkins, the secretary to the President of the United States.

Jon David Miller has the role of Count Mountjoy, the leading male part. Gerald Leatherman will act the part of Tully Bascom, while Clint Oliver will por-

tray Tully's aide and standard bearer, Will Tatum. Playing the President will be John Lesly.

Also in the cast will be Doug Watson as Chet Betson; Kenneth Eastman as Professor Kokipiz; Ren Lee as General Snippet; Randy Hopson and Linda Price as Jill and Debbie, Wags who are the general's daughters; Dale Smith as Tom Mulligan; Joe Walker, Paul Drager, Bob Reinauer, John Lohr, Kevin McAndrews, and Danny Kemp as the soldiers; Sid Bayne as Mrs. Reiner, the professor's housekeeper; Nancy Smith as Mrs. Bascom, Tully's mother; Kerry Thompson as the announcer; and Cindy Loerwald, Beverly Lemons, Mike Harvey, and John Perrin as the students.

Hilger said, "We try to use everyone possible on crews, but even this procedure was impossible this year because of the large participation in the tryouts." He added, "I personally want to thank every student for the time he gave to tryouts and hope that this response will be given in the years to come."

## HHS Girls Are Chosen To Be 'Queen' Entrants

Sharon Tinnin, senior; Cynthia Leaura, junior; Charlotte Hill, sophomore; and Jan Miller, freshman, have been chosen to represent their respective class as annual queen contestants.

The candidates whose class raises the largest amount of money will be crowned annual queen at Stunt Night in December. Funds are used to help defray costs of the Round-up each year.

Among the fund raising activities will be class suppers. The suppers are held in the cafeteria during the football season so that visiting teams can also be invited.

Highlighting Stunt Night activities, aside from the announcement of the queen, are entertainment skits by classes and school clubs.

Money obtained from stunt night and the suppers goes to help pay for the annuals.

## Mr. and Miss FTA For District Are Students At HHS

Romanita Luceoro and Billy Johnson will represent HHS as Mr. and Miss Future Teacher of America for 1964-65 at the Canyon district meeting on Nov. 3. District winners of this contest will enter the state competition in Houston in March.

Others participating in the contest were Fanelda Williams, Raldy Hopson, Ellen McGowan, Helen Davis, and Carmen Betzen.

Mr. and Miss FTA were chosen Wednesday, Oct. 28, by Tye Hilger, Betty Mercer, and Don Farmer, HHS teachers. Each contestant gave a three minute speech entitled, "Explorers in Progress," a subject chosen by the State Executive Committee.

The speeches were judged on organization of material, delivery, and utilization of theme. The only requirement in this connection is that the winners are responsible for submitting a fact sheet and the musical score of his school song.

## 300 Students And Families Attend Annual Supper

A crowd of approximately 300 students and their families attended the annual supper, sponsored by freshman and sophomores, proceeds of which are earmarked to pay partial costs of the 1964-65 yearbook. The Fri- (Continued on Page 3)

## Editors' Notes:

After all the "politicking", contests and tests given to measure that gray lump called a brain, the atmosphere at HHS has cooled off a little.

Seniors took Airman Qualifying Exams, even the girls. Everything about the test was normal until questions about carburetors, differentials, crank shafts and the like began appearing. Most of the girls looked around with bewildered faces asking for help. I think it's only fair that a test should be given to boys concerning hemstiches, darts, pan broiling and that type of thing.

Congratulations, band! It looks like making I's has become a habit. (A good habit.)

Promises, promises...The Reject was supposed to be out on Monday, but, alas. Such a terrible disappointment. Perhaps, before this Thursday is over, that beloved gossip sheet will be read by its fans.

Already, a lot of people have turned in their version of happenings, so that those happenings can be published properly. Watch out, HHS students, your name may be down in glorious black and white when the Reject does come out. (But remember, the gossip was handed in.)

National Honor Society finally had their informal initiation. If you noticed any people walking around last Friday with keys around their neck, then those were the new members. There were about 35 this year.

Final Note: there are only about 150-155 days left in this school year, according to a very unofficial count!

## FTA Sponsors Candy Sale For Trip Fund

Big sweet-tooth or candy running out of ears? FTA is sponsoring a candy sell to obtain money for the State Convention.

An onlooker may pass room 105 any day of the week and smell sweet chocolate only to his dismay. Almond bars and chocolate symphonettes go at a pretty penny.

Leading salesmen, Patsy Hueckert, Lois Brownlow, Bob Curaway, Laura Higgins, Charlene Lindeman, Fanelda Williams, Dorothy Frerich, Billie Johnson and Dolores Kuper know the value of hard earned money.

The club hopes to make \$750 from sales in order that they may pay bus fare to the State Convention. They have ordered 3,744 packages to sell at 50 cents each.

This was the only score in the second half. A Whiteface defense made a spectacular showing by holding Friona to only 6 first downs and no score. Wayne Miller led the defense with 13 tackles, followed by Domingo Pena and Ernie Williams with 11 each.

Gary Victor and Ernie Williams led the scoring column with 12 each. Gary Tucker and Mike Davis had 6 each and Mark Hicks had 3.

The Whiteface B team now stands with 6 wins and 1 loss. This coming Saturday they meet the Clovis B team at Clovis at 2:00 p.m. mountain time.

# Sandi Says...

By Sandi Thomas

Hi!  
First of all, I'd like to commend the football boys on playing a great game with Perryton last Friday night! Couldn't have done better myself, boys!!!

Last Thursday the B-team and Freshmen teams both won their games with Friona. B-team score was 39-0; Frosh, 43-6. Tonight the Frosh play Muleshoe there. The B-team goes to Clovis next Saturday afternoon.

Tuesday, Oct. 27, the Stanton Dogies played Estacado here. The eighth grade won 32-0 and the seventh grade lost. They travel to Muleshoe next Tuesday.

Good luck, all five of the teams!!

Congratulations go to four girls who were recently selected as candidates for annual queen. They are Sharon Tinnen, senior; Cynthia Leasure, junior; Charlotte Hill, sophomore; and Jan Miller, freshman. The freshmen and sophomores had their supper last Friday to raise money for their candidates.

Juniors and seniors will have their supper Friday, November 13. The class that raises the most money by the sale of tickets bestows upon their candidate the title of annual queen.

The FTA members are selling candy—50 cents for a box of chocolate-covered mints or an almond bar. Buy several—you get two for a dollar, four for two dollars, and so on. The proceeds go to charter a bus for the state meeting in Houston next April. I think I deserve a free box for the advertisement, eh guys?

training their leadership teams for contests in Dumas, November 10.

"The Mouse That Roared," the all-school play, will be held December 4 and 5. Thespians started the rehearsals last Monday. The cast is composed of Jon David Miller, Jimmy Brink, Doug Watson, Denise King, John

Lesly, Sid Bayne, Nancy Smith, Dot Frerich, Gwen Carga, Kerry Thompson, Clint Oliver, Kenneth Eastman, Ren Lee, Randy Hopson, Dale Smith, Joe Walker, Paul Drager, Bob Reinauer, John Lohr, Kevin McAndrews, Danny Kemp, Cindy Loerwald, Beverly Lemons, Mike Harvey, John Perrin, Clarkie Adams, Gerald LeGlenda Flesher, Chris Meredith, Linda Price, Kay Brogdon, Joyce Bezner, Kathy Pool, and Romanita Lucero. The understudies of the main characters are Sylvia Phipps and Larry Clements. If you want to know what character each portrays, go see the play!!

Speaking of Thespians, the officers are Maura McAndrews, president; Rozi Rush, vice-president; Barbie Langley, secretary; Gary Don Roberson, treasurer; and Paul Christman, clerk.

The Future Nurses are having a rummage sale this coming Saturday. Anyone got any old clothes they want to get rid of?

The old NHS members planned a surprise attack last Friday and presented the new members with their keys. A salad supper and informal initiation was held last Monday night.

We'll be missing a couple of Juniors from now on. Linda and Sue Rife moved to Houston last Friday. Best of luck in your new home, girls! (I hope their subscription to the Brand hasn't run out.)

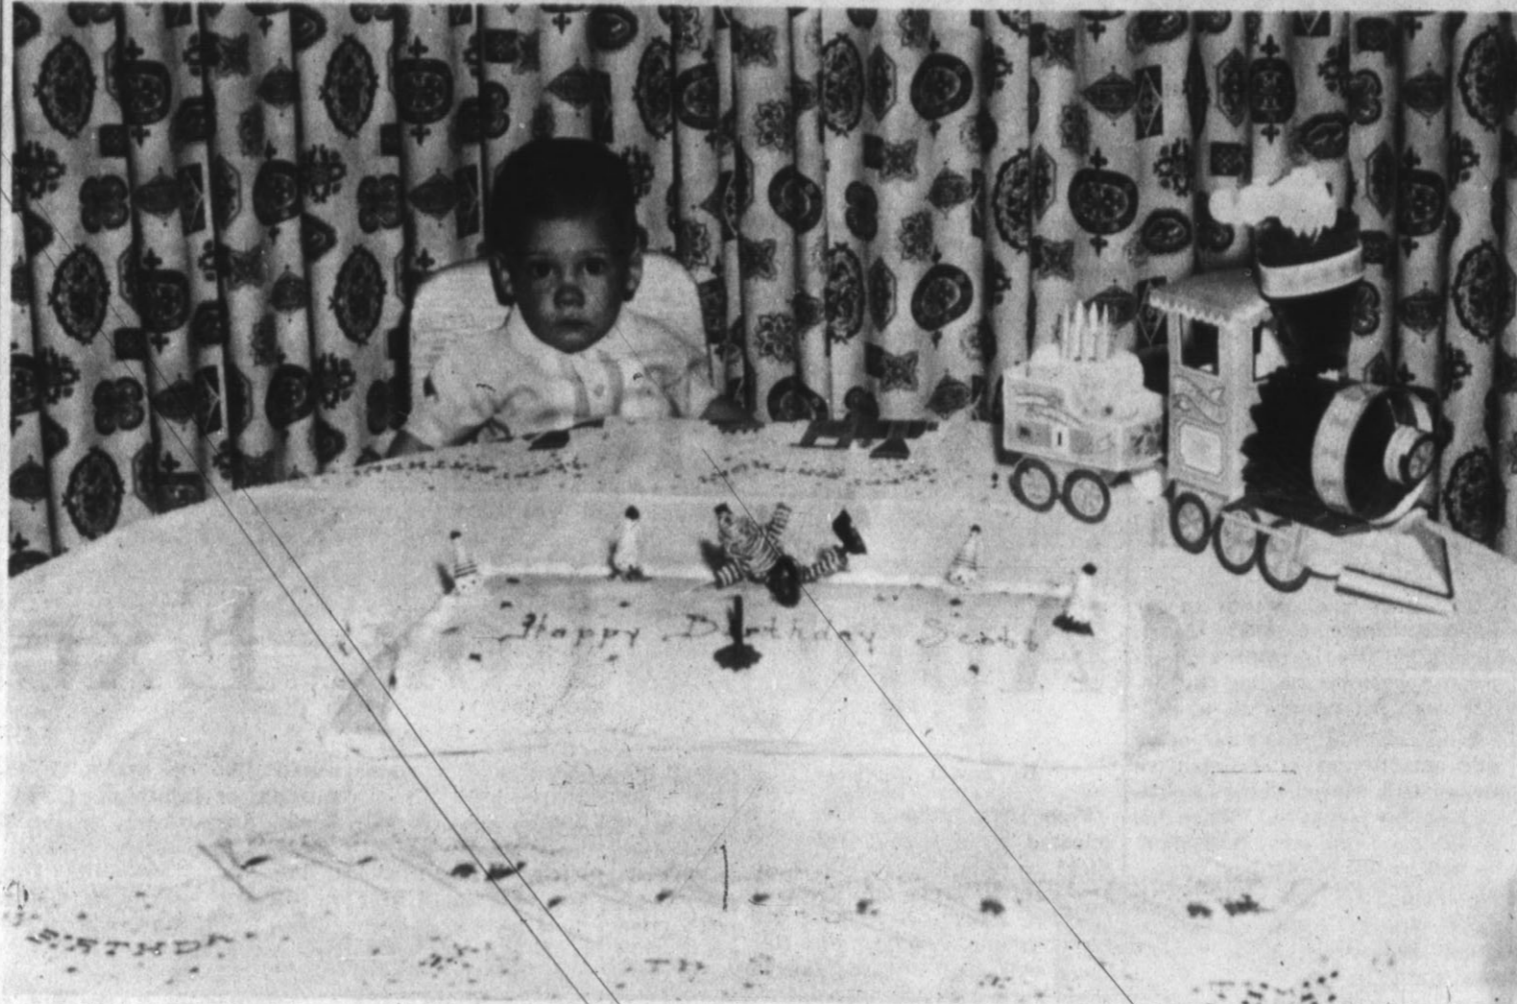

Tuesday, October 27, HHS band and Stanton band went to Canyon for contest and came back with two "Ones." In the twirling contest, Merle Carmichael and Patty Roach made a "Two."

Peggy Neff and Nancy Tyler, great enemies, got into a fight last Friday night and Peggy broke Nancy's little finger. Just Joking! They really didn't get into a fight—Peggy just started to ring the victory bell and Nancy's little finger was in the way.

Debbie Bailey was the hostess of a party last Saturday night. ("Ray, ray, first party I've got to report in a long time.") The group went on a scavenger hunt, danced, and ate. Those there were Tom Lesly, Patricia Hill, Terry Albracht, Sue Drummond, Cliff Crowell, Dawn Hopson, Craig Bannum, Kitty Oliver, Mike Higgins, Luann Kendall, Jerry Russell, Lannie Buck, John Stagner, Mary Renfro, and Carl Hollingsworth.

Congratulations go to Romanita Lucero on being chosen Miss FTA of the Hereford chapter of FTA. She entered the district contest last Tuesday in Canyon. In the chapter contest, Funelda Williams placed second and Carmen Betzen, third.

In the rodeo news, four Hereford kids went to Lubbock for an AJRA-approved show. (That's American Junior Rodeo Associ-

**BIRTHDAY WONDER** — Eyes filled with wonder, young Scott Morrison waits to share his birthday cake with young guests and their mothers: Todd Kriegshauser and Mrs. Gary Kriegshauser; Kevin Riley and Mrs. Ray Joe Riley, Sunny-side; Shannon Kay Fulgham and Mrs. Jack Fulgham, Clovis,

N. M., Deborah and Carrie Block and Mrs. Lewis Block; Somy, Faith, and Charity Mays and Mrs. Harold Mays, Friona. Also present were grandparents, Mrs. Edwin Morrison Sr. and Mrs. Ira Scott; great-aunt, Mrs. V. E. Dodson; and Scott's parents, Mr. and Mrs. Edwin Morrison Jr. (Bradly Studio Photo)

## 300 Students

(Continued from Page 1)

day event was held in the high school cafeteria prior to the HHS-Perryton football clash.

"Each year an annual supper is held for the purpose of raising money for the yearbook," stated Barbara Langley, Round-up editor. "This saves students money by cutting the cost of the annual by approximately 50 per cent. It also promotes class unity and encourages school spirit."

The food, paid for with class dues, was prepared by the regular cafeteria cooks.

Freshmen and sophomore students worked hard to outdo each other in the sale of tickets for the supper, a main fund raising project for annual queen.

Deborah Thomas placed second in the poles and second in the barrels. Others entered there were David Hill, Dan Thomas, and Kim Gripp.

This Saturday night, there will be a free dance for high school kids. The records will spin from 8:30 to 11:00.

See you at Muleshoe!!

## Calvary Baptist WMU Observes World Prayer

Observing World Day of Prayer, Women's Missionary Union of Calvary Baptist Church met in the home of Mrs. C. F. Powell, 128 N. 25-Mile Ave., Monday afternoon.

With Mrs. L. J. Cone directing the prayer program, the W. M. U. combined this observance with a Royal Service program under the direction of Mrs. Joe Bowers.

A covered-dish luncheon was served at noon hour. Participating in the day's special programs were Mrs. W. E. Cumpston, Mrs. Anson Dearing, Mrs. Royce Powell, Mrs. J.F. House, Mrs. Bowers, Mrs. Tom Morgan, Mrs. C. B. Sherrill, Mrs. Cone, and the hostess, Mrs. C. F. Powell.

when you call Grandmother

...YOU DON'T EXPECT TO REACH TIMBUKTU

Naturally, when you call Grandmother's phone, that's the one you expect to get, and you do. But that's not as easy as it sounds.

Your call must work its way through all sorts of interconnections, wires, cables, switches and so forth until, finally, it picks the right phone out of some 83 million in the U.S.

Yet, out of all the possible chances for mistakes, your call goes where you sent it . . . in town or out-of-town, to Grandmother, wherever she is. This sort of reliability is the result of service improvements that keep increasing the convenience and personal value of your telephone.

## October Reports, Holiday Plans Made By County HD Council

Mrs. A. E. Hodges presided at Deaf Smith Home Demonstration Council meeting Monday afternoon, Oct. 26, in the county courtroom.

Five of the nine clubs represented had 100% attendance for opening exercise by Mrs. Taft McGee, recreation leader of Progressive HD Club.

Reports given included complete summarization of 4-H activities by Mrs. A. J. Bezner, council delegate from 441; Mrs. C. F. Homfeld's account of the report luncheon for THDA delegates to Houston, attended here by about 50 HD clubwomen; progress report on fund-raising subscription sales; and the recreation committee's plans for the Christmas Party Dec. 14 at 2:30 p.m. in Community Center Ballroom.

Twelve women from Deaf Smith HS clubs, it was noted attended the activities of Rural Homemakers' Day in Amarillo. The council unanimously re-elected Mrs. H. L. Hershey as council reporter for the forthcoming year.

Mrs. Taft McGee, Mrs. Homfeld, and Mrs. Clyde Smithers were appointed as a nominating committee to select candidates for the Nov. 23 election of officers of the County Home Demonstration Council for the new club year beginning Jan. 1.

Representing their clubs at this council meeting were Mrs. Jim Bradley and Mrs. C. F. Homfeld, Bippus; Mrs. Grady Parsons and Mrs. J. G. Gandy, Culture; Mrs. H. D. Bode, Messenger; Mrs. A. E. Hodges, Mrs. O. L. Williams, and Mrs. Clyde Smithers, North Hereford. Also Mrs. J. D. Gilbert Jr.,

Mrs. Taft McGee, and Mrs. E. C. Hammett, Progressive; Mrs. E. B. Moseley and Mrs. W. J. Frost, West Hereford; Mrs. Paul Rudd, Westway; Mrs. C. F. Newsom and Mrs. Charles Packard, Wyche and Mrs. Alton Hollingsworth, Ford.

## Legal Notice

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST ESTATE OF FRANK A. ZACHARY

Notice is hereby given that original Letters Testamentary upon the Estate of Frank A. Zachary, deceased, were issued to me, the undersigned, on the 28th day of October, 1964, in the proceeding indicated below by my signature hereto, which is still pending, and that I now hold such letters. All persons having claims against said Estate, which is being administered in the County below named, are hereby required to present the same to me respectively, at the address below given, before suit upon same are barred by the General Statutes of Limitation, before such Estate is closed, and within the time prescribed by law. My residence and Post Office address are 1522 Castle Road, Odessa, Ector County, Texas, and said claims may be presented to me at Post Office Box 473, Hereford, Texas. David Max Zachary, Independent Executor of the Estate of Frank A. Zachary, No. 1754 in the County Court of Deaf Smith County, Texas.

IN APPRECIATION — Deaf Smith county chapter Red Cross presented Clay Angelo, past fire marshal here, with a certificate of appreciation last week. The certificate, signed by Melvin G. Jayroe, chairman, said the certificate was given in appreciation for his work in "our disaster program and his reporting local fire family needs and damages." (Brand Staff Photo)

## Pep Community Plans Annual Celebration

Pep community west of Littlefield will have its 19th annual Thanksgiving celebration Nov. 26, A. G. Youngman said Wednesday.

The affair will start with a turkey or country sausage dinner from 11 a.m. until 2 p.m.

Again at 5 p.m. serving will be started and last as long as anybody is on hand to eat.

Costs are \$1.50 for adults and 75 cents for children.

Then from 6 until 7 p.m., a general auction is to be held in St. Philip's parish hall, followed by auction of cotton at 7 o'clock.

The entire St. Philip's celebration will wind up with a dance, starting at 9 p.m. with a western band providing the music.

The Pep Thanksgiving program annually draws hundreds of persons and has become popular throughout the Panhandle. The event is sponsored by St. Philip's Church.

## Halloween Party, Canyon Outing Entertain Camp Fire Girls

So-an-go-ta-ha Camp Fire Group Girls were honored at a surprise Halloween party in the home of Mrs. Roy Grubbs, 102

Rio Vista, Saturday night. The girls bobbed for apples and played games. A gypsy fortune teller (Nancy Gripp) arrived to foretell the future of each girl.

Mrs. Grubbs and Mrs. Hopson, group leaders, served refreshments to Pam Adams, Debbie Angelo, Kay Clearman, Jennie Coffin, Betty Durham, Angela Grubbs, Lori Hopson, Debra Lee, Connie Matthews, Vickie Keenan, Sue Robinson, Grace Vargas, Becky Flowers, Herminia Gonzalez, and Sandy Fields.

MRS. DUANE BARRETT — Accomplished marimba artist, Mrs. Barrett will be presented at Community Center by Down Music Club at their salad supper Friday evening to close Senior Day activities of First District Texas Federation of Music Clubs Convention. Mrs. Barrett's skill as marimbist has wide appeal for her appearance on programs of church, civic, and music groups. She is a member of Hereford Music Study Club. (Brand Staff Photo)

The girls' mid-October outing took them to Canyon on WTSU Homecoming Day. They went through the museum, made a tour of homecoming decorations, and watched part of the parade. Then they had a picnic lunch in the canyon, climbed hills, and rode horses.

Girls enjoying this outing were

Jerry Fowler

## Hereford Man Named To State Jaycees' Board

Jerry Fowler, young Hereford business man, was named to the state board of Jaycees at the state convention of the organization in Waco last weekend.

Fowler, who is employed by Hi-Plains Savings & Loan, has been active in Jaycees for five years, moving here last June from Dumas.

He is now area chairman of Americanism and Governmental affairs for Area 1 in Texas, and has held practically every office in Jaycees. Fowler has been active in United Fund campaigns. He and his family are members of the Methodist Church.

### CORRECTION

The Brand regrets the error of attributing the skill of Mrs. Duane Barrett as marimba musician to another person in the cutlines of the accompanying photograph in last Sunday's Brand.

As performing artist, Mrs. Barrett continues much in demand for entertainment as one of the few skilled marimbists of the Texas Panhandle.

Debbie Andgelo, Pam Adams, Yolanda Alaniz, Jeannie Coffin, Betty Durhan, Sandy Fields, Becky Flowers, Herminia Gonzalez, Angela Grubbs, Lori Hopson, Vickie Keenan, Debra Lee, Connie Matthews, Vicky Rutland, Cathy Thames, Holly Young, Grace Vargas, Sue Robinson, and Kay Clearman.

Accompanying the girls were adult leaders, Mrs. Roy Grubbs and Mrs. Nathan Hopson, Mrs. Harry Coffin, and Clay Angelo.

## Wonders of Telephone, Telstar Shown La Madre Mia Club

Mrs. Jerry Landers, program chairman for La Madre Mia Study Club, presented a film "Talking of Tomorrow" at the Thursday evening, Oct. 22, club meeting in the Friendship Room of Hereford State Bank.

A Southwestern Bell Telephone

production, the film presents recent developments and the future of the telephone, certain operational procedures, and the wonders of Telstar.

Presiding at the short business meeting, Mrs. W. E. Sparks, president, directed the reports

of standing committees and recognized former member Mrs. Joe Henry, Moriarty, N.M., as a visitor.

Members present were Mrs. Jerry Dewilr, Mrs. Ben Gollehon, Mrs. Dean Herring, Mrs. Gene King, Mrs. Landers, Mrs. Bill Lankford, Mrs. Bobby Owen, Mrs. Richard Pickens, Mrs. W. C. Russell, Mrs. John Smith, Mrs. Sparks, Mrs. Homer Brewer, and the hostess, Mrs. Lee Drake.

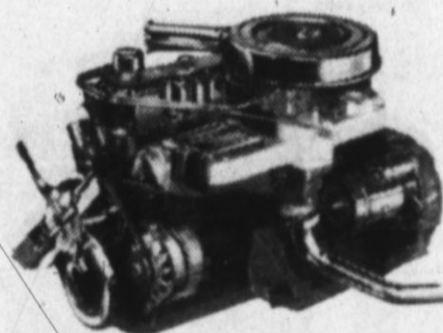

The club meets this evening at 8 o'clock at Community Room in First National Bank Bldg., with Mrs. Gollehon as hostess.

Soon to challenge the 102-story Empire State Building as the world's tallest building are the two World Trade Center towers being constructed in Manhattan. Completion date for the 110-story buildings is 1970.

Bill Dupree  
(... Worry Clinic)

**Public Invited  
To Worry Clinic  
By P-TO, Clubs**

A Worry Clinic for Parents will be held at High School Auditorium, Nov. 14 at 7:30 p.m. Principal speaker will be Bill Dupree, principal of South Georgia School, Amarillo.

Sponsoring this lecture on mental health for lessening tensions and worries of parents are the Hereford Chapter of Young Homemakers of Texas, P-TO group of Central School, Shirley School, Northwest Elementary School, and Frio Homemakers club. Mrs. Clark Andrews serves as chairman of the event, and Mrs. A. E. Hodges as chairman of the pilot committee, including Mrs. Julian Johnson, Mrs. T. L. Sparkman Jr., Mrs. Clinton Ward, and Mrs. Bud Cawthon.

Dupree's multiple presentations of the Worry Clinic in Amarillo earned favorable comment from the press, his co-workers professionally, school and civic organizations, and leaders of P-TO groups.

Said one Amarillo school principal, "Mr. Dupree, besides being an experienced, professional person, is a very personable and able speaker. The program is fun and thought-provoking. You may always be a worrier if you don't attend the Worry Clinic."

Divided into three sub-topics, the Worry Clinic briefs the audience on how emotional stress in the home affects the development of the child, how to achieve better relations with your spouse, and how to live 25 hours a day.

The clinic is open, without charge, to the public, but a special invitation is given to all parents of elementary school and pre-school children, says Mrs. Andrews.

**Mrs. Thweatt  
Discusses Taxes  
For HD Club**

Mrs. S. N. Thweatt presented the program on "How Tax Money Is Secured and Used" for Messenger Home Demonstration Club at their meeting with Mrs. H. D. Buse Friday, Oct. 23.

After considering the poll tax, Mrs. Thweatt discussed other taxes and showed the percentages of the county tax dollar and their respective uses.

Mrs. Elmer Northcutt, president, presided as the club considered the Garcia Community House and decided to take it as the 1965 club project. The club's annual Thanksgiving supper was set on calendar for Nov. 14, and Mrs. Northcutt welcomed two new members of the club, Mrs. John Jones and Mrs. W. L. McCullar.

Members present included Mrs. Northcutt, Mrs. Thweatt, Mrs. Elton Sorrells, Mrs. G. E. Pinkerton, Mrs. Jones, Mrs. McCullar, and the hostess, Mrs. Buse.

At the next regular club meeting, in the home of Mrs. Elmer Northcutt, Argen Draper will give the program on "Skirt Treatment." Each member is urged to come, Mrs. Northcutt announced, and bring another new member.

**BUNGLER, NOT BURGLAR**  
LOUISVILLE, Mo. — A receptionist at a Louisville bank got off on the wrong foot.

In mid morning of her first day, she accidentally stepped on the burglar alarm button, bringing police squads to the bank. Before the day was over, she accidentally tripped the alarm again.

REP. ROGERS WRITES

# Space Science Moves Into U. S. Spotlight

Space science has been in the news again recently. The increasing momentum behind U. S. and Soviet manned space activities brings stronger focus on one of the unsolved problems affecting these great adventures: The position nations, particularly our own, should take in defining the upper boundaries of their territorial airspace and their sovereign rights involving it.

In the Air Commerce Act of 1926, a provision was included stating: "that the Government of the United States has to the exclusion of all foreign nations, complete sovereignty of the airspace over the lands and waters above the United States."

The legal stature of national airspace as part of our territory is not subject to question. However, in the dawn of the space age, the concept of airspace existing in 1926 is no longer applicable. Where now does it end?

The United States has the same right to control movement within its airspace as it has to control movement on its land and waters. But Congress has not acted to establish the upper boundary of our national airspace territory.

This unresolved matter becomes important in determining whether foreign spacecraft are to be permitted to fly within 25 miles, or 50 miles, or 100 miles above the U. S. From a technological standpoint, 25 miles above sea level is approximately the maximum height at which aircraft requiring aerodynamic support can sustain flight by air-breathing motive power.

Fifty miles above sea level is approximately the maximum height at which the atmosphere is sufficiently dense to provide any appreciable aerodynamic lift. A point somewhere between 75 and 90 miles is the lowest point of practical

## Mrs. Burk Discusses State Income, Expenditures For Club

"How \$3 Billion Is Spent in Our State" was Mrs. Charlie Burk's program topic for Bipus Home Demonstration Club at their meeting Wednesday, Oct. 28 in the home of Mrs. Elmo Hall.

After giving sources of taxes in the state, Mrs. Burk assigned percentages spent on schools; public welfare, highways and health program; law enforcement and correction; judicial, legislative and such services; conservation, etc. Then she set

orbital unpowered flight, the beginning limit of "outer space."

Where precisely does outer space begin? It is an important question, because the United States has supported a United Nations resolution declaring that outer space is a highway remaining open to all nations, free of any claim or rights of sovereign control by any nation.

The flight of spacecraft through national airspace in taking off or landing poses one part of the problem calling for an early decision on what constitutes the sovereign territory. Experts say that up to now flights have been confined to U. S. and Russian airspace in their ascents and descents. As orbital flights become more frequent and diverse, we must make a determination whether or not foreign spacecraft should be permitted to use our territorial airspace in ascending and descending. We will need to know whether we will be permitted the same privileges in the airspace of other countries.

Treaties and other international agreements are now re-

quired if an aircraft is to enter and use our airspace. There are no general rights of passage.

An airplane approaching our shores and intending to land here cannot proceed past the outer boundary of the airspace above our territorial waters unless it has specific authority to do so. Free passage is permitted aircraft over the high seas as it is ships sailing on them.

Up to now, our sovereign position in control of our airspace has not been questioned because atmospheric factors limit the altitude at which conventional aircraft may operate. The new problem is posed by spacecraft able to operate beyond limits of the atmosphere.

The legal status of space needs to be clearly defined not only for reasons of national sovereignty but also in order to avoid the possibility of armed conflict over territorial right to outer space.

It is possible that in the absence of clear definitions, the space race could become one in which military development of spacecraft and weaponry is emphasized and exploration and peaceful scientific advancement are minimized.

Up to now, man's main concern with space has been getting to it, surviving there, and returning. These will continue to be problems, and billions of dollars will be spent in improving space technology.

At the same time we move forward scientifically, we must seek answers to legal questions posed by the space age.

## Church Women to Observe Day Of World Community for Peace

To observe World Community Day, Hereford Council of Church Women invite all church women of the area to join them in 3 p.m. service Friday at First Presbyterian Church.

The Rev. Eugene Brink will address the group on "Nations in Community, a Channel to Peace."

The significance of this World Community Day will be defined in responsive reading and pointed up by the parable of the man who fell among thieves and the parable of the rich man. An interpretation of the Apostle James' admonition to good works will accent the true meaning of World Community and each person's obligation on behalf of o-

thers in the World Community to bring peace nearer to all the earth.

In special installation by the Rev. Joel Treadwell, new officer will take office for the Hereford Council to serve the next biennium.

Going into office will be Mrs. O. H. Culpepper, president; Mrs. Fred Ruland, vice-president; Mrs. Emmett Milburn, secretary-treasurer; Mrs. L. C. Hewett, chairman of publicity. Projects chairman will be named at a later date.

Women of the Hereford area planning to attend World Community Day will find nursery services provided for their small children.

Well, I'll be a ring-tailed baboon...

## Around Town

With The Brand Staff

Deaf Smith County Farmers Union will not hold its November meeting tonight as scheduled it was announced Wednesday. Members are attending the organization's state convention in Austin.

Capt. John A. Newsom, son of Mr. and Mrs. G. W. Newsom, 130 Ave. C, Hereford, has completed a rigorous U. S. Air Force survival and special training course conducted by the Air Training Command at Sneed AFB, Nevada. He is a KC-115 Stratotanker aircraft commander and is a graduate of Hereford High School. His wife, Trudy, is the daughter of Mr. and Mrs. J. W. Barrett, Cotton Center.

Westway Community Club will meet Friday at 8 p. m. and will present Mrs. Dick Godwin, Hereford vocalist, in a musical program. Many familiar songs and a special section for request numbers will be included on the program, according to Homer Rudd, club president.

The public is invited by Walcott School P-T-O to Thanksgiving supper Friday, Nov. 20 at 7:30 p. m. Tickets for adults will be \$1.75 cents for high school pupils and 50 cents for elementary school pupils, announces Mrs. Bruce Coleman for the P-T-O.

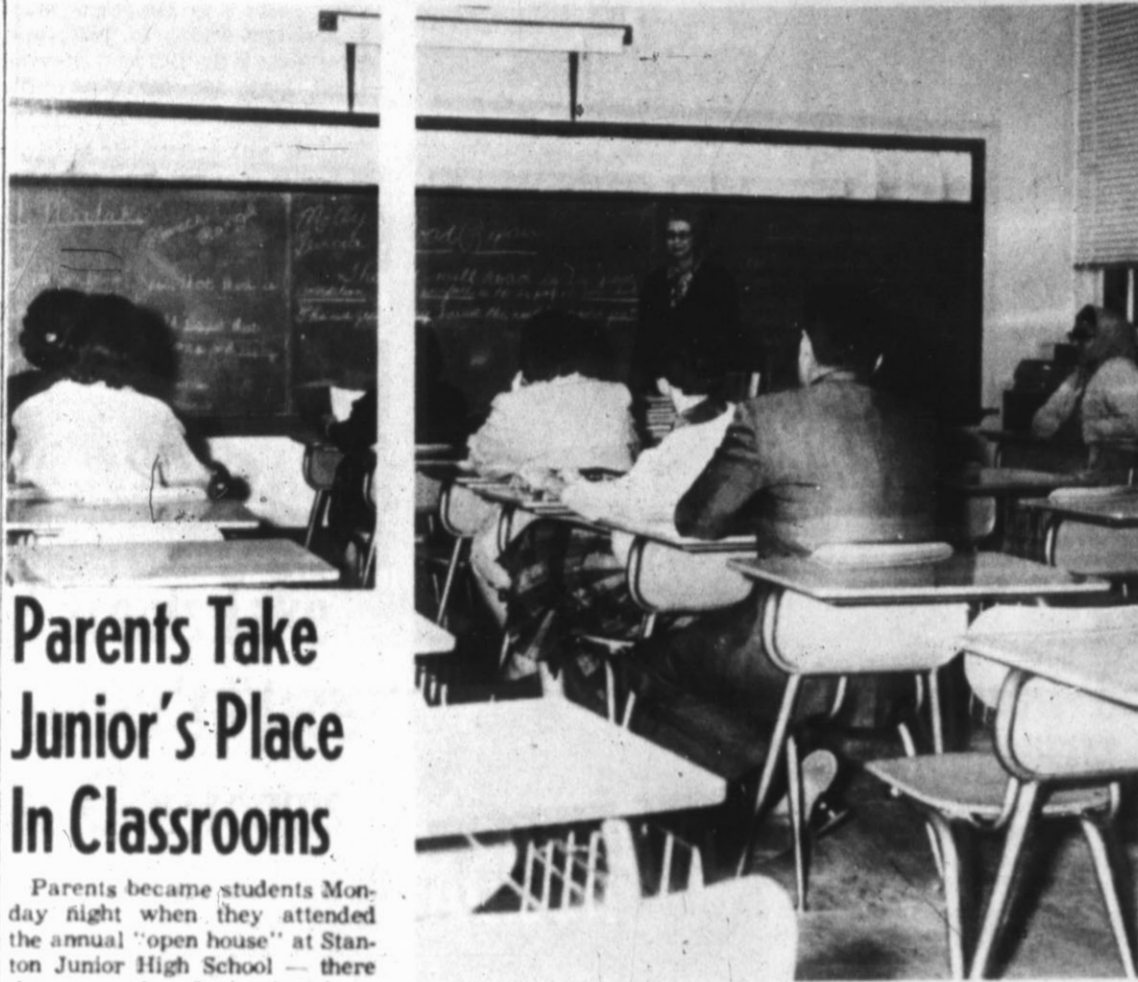

Deaf Smith County 4-H club members and 4-H leaders will honor Mr. and Mrs. Justin McBride and Jean Beene at a tea Sunday from 3 until 5 p. m. in the Community Center. The event welcomes McBride, incoming county agent, and Mrs. McBride, and bids farewell to Mrs. Beene whose resignation as assistant county home demonstration agent becomes effective Nov. 20.

Christmas bazaar at Saint Thomas Episcopal Church will be an all-day event of Saturday, Nov. 21, starting at 10 a. m. and concluding at 7 p. m. Besides gifts, decorations and baked goods for sale, the bazaar will have many other attractions, according to Mrs. Bruce L. Miller, publicity chairman.

Methodist ministers from this area will attend a "Mission to the People" program sponsored by the Northwest Conference Board of Evangelism Nov. 19 in Canyon. The Canyon session, to be held at the First Methodist Church, is for ministers in the Amarillo district.

Wayne Edwards, son of Mr. and Mrs. Calvin Edwards, Hereford, is a member of the concert choir of Eastern New Mexico University which starts its annual concert tour next Sunday. The group will present five concerts in Texas and six in New Mexico.

A Baptist layman from Hereford, J. E. Allison, was elected to the board of trustees for (Continued on Page 2)

## Parents Take Junior's Place In Classrooms

Parents became students Monday night when they attended the annual "open house" at Stanton Junior High School — there they saw what Junior had been doing this year.

Principal W. C. Quattlebaum estimated 450 to 500 parents attended, and he termed it a success.

Each year students of the school put forth a special effort in preparation for the open house. Every student took home to his parents a schedule of his classes. They were shortened, of course — to 15 minutes. In this time, parents of students attended the same class which their son or daughter attended that day.

There they were able to discuss with the teacher the progress of their son or daughter. Parents really had to hustle to make some of the classes — just like a seventh-grader on his first day in Junior High. Bands and choirs also staged special programs for the interested parents. Along with the physical education classes, they all staged special performances during their allotted time on the program.

The homemaking lab, under direction of Mrs. Joel Treadwell, served refreshments to parents and others touring the building.

So now Mom and Pop have a better idea of what Junior is doing — and Stanton students have made another good showing for their school.

PARENTS ARE STUDENTS — Mrs. Sam Ratcliff is one of the teachers who "taught" parents this week at Stanton Junior High's open house. This is an annual affair for the school, when parents take the place of their sons and daughters and learn how their children are progressing. (Brand Staff Photo)

## New Assistant HD Agent Is Named

Deaf Smith County Commissioners Court approved the application of Sandra Ruebush for Assistant Home Demonstration Agent for Deaf Smith County Monday in a regular session.

Miss Ruebush was presented to the court by Edith Wilson, Amarillo, district agent for the Home Demonstration Extension Service. Miss Ruebush will replace Jeane Beene, who has served as Asst. Home Demonstration agent in Deaf Smith County for over two years.

The new assistant agent will arrive in Hereford Dec. 1, to begin her duties. Mrs. Beene will continue in her present capacity until the arrival of Miss Ruebush. (Continued on page 2)

According to Argen Draper, HD agent for Deaf Smith County, Miss Ruebush will be primarily concerned with work in the 441 organization and other office activities.

She was reared in Deming, N. M., where she finished High School and attended New Mexico State University at Las Cruces, N. M.

Miss Ruebush received a B. S. in Home Economics Education at the New Mexico school. She minored in music and social studies.

The new assistant agent received training for the Deaf Smith County job in Ochiltree County. She was employed by the Extension Service during the (Continued on page 2)

## Sign-Shooters Clampdown Ordered; Reward Offered

A \$50 reward was offered this week by the Deaf Smith County Commissioners Court for information leading to the arrest and conviction of anyone willfully damaging county road signs or other county property.

The County Court took this action Monday after a series of road sign incidents in Precinct 3 as well as other areas of the County.

Most damage has been done with rifles and shotguns, the court said Monday, but some instances have been noted where signs have been uprooted, bent out of shape or painted over.

"These signs are put up to protect peoples lives and property," Commissioner J. T. Guinn told the court, "and any time a sign is damaged to the point that it cannot be read, it is creating a hazard to motorists."

### Burdine Wins Weekly Brand Grid Contest

Wendell Burdine, 109 Ave. K, takes his week's money in The Brand's weekly football contest, and Charlotte Schroeter, 112 Ave. H, gets second money.

Third prize goes to Patricia Hill. The first two each got 16 right answers making it necessary to use the "tie-breaker" to determine the winner. Eighteen others guessed 15 games correctly.

The court also pointed out that cost of replacing and repairing signs and other county property damaged by vandals is a waste of tax-payer's money and should be brought to the attention of the court so that proper action may be taken.

Present state law provides for a minimum fine of \$250 for persons convicted of the above offense.

## Youth Leads Officers On Dizzy Chase Through Hereford Streets

Texas Highway Patrol Officers Robert Sanders and Ed Richards were led in a high-speed chase Monday evening from Dawn to Hereford, which was climaxed on city streets of Hereford at a time when children and adults were leaving Stanton Junior High open house and crossing Park Ave.

Patrolman Richards and Sanders testified that they pursued Gordon Weldon Massey, 21, 108 13th St., Friona, at speeds exceeding 120 miles per hour on U. S. 60 between Dawn and Hereford and were unable to catch him.

The officers further testified that upon reaching Hereford, Massey turned onto Park Ave., to elude city policemen who were waiting for him farther down U. S. 60, and proceeded down Park Ave., past the Stanton open house, where he turned right onto Ave. E.

Officers kept sight of Massey during his trek up Ave. E to 13th. There he turned left and proceeded back down Ave. D.

Officers continued down Ave. D, but Massey turned right on Union and lost the patrolmen. Massey returned to Park Ave. and parked in front of a laundry, where officers arrested him.

Upon arresting Massey, officers noticed all loose articles in the car, and articles in the glove compartment were on the floor as they were in their own car. The oil pan under the car was beaten severely as both cars hit the dips on Ave. E at excessive speeds.

At the time Massey was arrested, officers said Massey refused to admit that it was he who led officers on the chase. Several witnesses appeared at the county jail and identified the car and Massey admitted the chase.

Officers charged Massey with exceeding 100 miles per hour, improper right hand turn at Park and Ave. E, running a stop sign at Union and Ave. E, running a stop sign at Grand and Ave. E and running a stop sign at 13th and Ave. E.

Massey appeared before Justice C. B. Miles near midnight Monday, where he openly boasted of out-running law officers on previous occasions and told Officers Richards and Sanders that he would not have caught him if he had had the "plugs" off his late-model automobile.

After hearing the charges against him, Massey told Justice Miles he would plead guilty to the improper right turn and three stop sign offenses, but his big-engined 1963 automobile, "would not do but 95 miles per hour."

The following morning, Massey decided to change his plea of guilty to the speeding charge to guilty, even though he had told Justice Miles on the previous evening that he was going only 95 miles-per-hour and not the 100-plus alleged by the officers.

Massey was fined \$50 and costs on the speeding charge for a total of \$65.50, bringing his escapade for the evening to a total of \$147.50.

Justice Miles set the fine at \$5 and court costs on each of the four other violations, which came to a total of \$82.

Massey spent Monday night in Deaf Smith County Jail and was released after his father paid the fines for the five separate violations Tuesday morning.

Massey has several previous arrest records in Deaf Smith County. His driver's license was recently re-issued after a three-month suspension. A check in Austin by the Department of Public Safety, showed Massey had seven previous speeding tickets, one running stop sign, four motor vehicle accidents, one fixed object accident, one failure to control right-of-way, two failures to control vehicle and one loud muffler violation.

Officers said this was the third occasion in the past three weeks, when violators attempted to outrun the pursuing lawmen. "This is something that sets

## Rash Of Automobile Crashes Leaves Two Hurt, \$6000 Damages

A rash of accidents kept patrolmen on the jump and left two persons injured while damage to 12 vehicles involved in seven separate collisions climbed to \$6,000, police records showed. It was a rough week all around, starting at 11:15 Saturday evening in the collision of two vehicles at Harrison Highway and Greenwood Streets (See picture page two).

Leldon Baker Womble and Josephine Madrigal were rushed to Deaf Smith County Hospital, where they were treated and released.

Damage to the Womble vehicle was set at \$3700 and damage to Santiago Madrigal's car was set at \$450.

According to the investigating officer, Madrigal was traveling in the left hand lane and Mrs. Womble swerved to avoid collision and Madrigal's car struck the side of the late model car. Madrigal was cited for operating a motor vehicle in the wrong lane.

A trailer broke loose from a truck on U. S. 385 near the railroad overpass traveling 200 more feet down the road before leaving the pavement. The trailer went 20 feet off the road and turned on its side.

The truck was driven by James Theron Shriett of Odessa. The trailer was a total loss according to investigating officers. The accident occurred shortly after 5:30 p. m. Monday.

Another accident occurred shortly after 8 p. m. Monday at

the intersection of Miles and 2nd., when vehicles driven by Lawrence Krebs, 213 Ave. C, and Gerald Hollenstien, 411 Blewins collided.

According to investigating officers, Krebs ran the stop sign, colliding with Hollenstien.

Krebs was cited for failure to stop for a stop sign. An accident occurred shortly after 5 p. m. Sunday at the intersection of West 1st and 4th Streets, when vehicles driven by Oliver T. McPherson, Rt. 1, and Woodrow Wilson Zuber, Morton, collided.

According to investigating officers, Zuber hit McPherson in the rear, as McPherson's vehicle was parked at an intersection, waiting to cross onto 1st. Street.

Zuber was cited by investigating patrolmen for following too closely.

A car driven by Rosa Strange Griffin, 203 Bennett, struck a parked car belonging to Wallace Wheeler of Amarillo shortly after 7 p. m. Tuesday, according to investigating officers.

Damage to both cars was light, officers said. The accident oc-

curred near the intersection of Bennett and 3rd. Vehicles driven by Patsy Loerwald, 907 Miles, and Agneta S. Deleon, Rt. 3, collided shortly after 12 midnight Tuesday near the intersection of 4th and U. S. 60.

According to investigating officers, Deleon struck the Loerwald vehicle as was backing from a private drive.

Deleon was cited by investigating officers for failure to yield right of way to vehicle while backing from a private drive.

In the final accident of the week, a vehicle driven by James Kent Brink, 211 Sunset Drive, hit a telephone pole near Union and Ave. E.

Brink told officers that a car was parked on the left side of the narrow street, and he turned onto the street, only to be forced to go to the curb by a speeding vehicle.

Brink was not able to furnish officers with any information as to the make or registration number of the vehicle.

No citations were issued by investigating officers.

### Alert Neighbor Aids Solution

## Tires, Batteries Stolen, Two Held In Jail Here

Two Amarillo men are being held in Deaf Smith County jail in lieu of \$5,000 bond each, after they were arraigned before Justice of Peace C. B. Miles Monday on a charge of theft over \$50.

The men were arrested in Amarillo late Sunday by officers of the Deaf Smith County Sheriff's department and a Texas Ranger and charged with the theft of four new truck tires and four batteries taken from Carl Griffith, a farmer near Dawn.

Officers were given an assist by a neighbor of Griffith's, who farms 15 miles north and one east of Dawn, when he observed Ned H. Coffey, 23, and Johnny C. Passmore, 22, in his field.

The neighbor stopped the men and questioned them as to their business there. After talking to the men he copied down the license plate number on the truck and furnished it to officers.

The tires were taken from Griffith's truck, which was parked in a field on his farm, Thursday evening, and Griffith discovered the theft the following day.

According to Deaf Smith County Sheriff Lowell Sharp, the tires were mounted on Passmore's truck in Amarillo when he was arrested by county officers.

The tires and the batteries were recovered according to Sharp.

"We probably would not have been able to make an arrest on this thing if it had not been for the assistance from the Dawn farmer, who furnished us with the license number of Passmore's truck," Sharp said.

### CC Balloting On Board Posts

Ballots for board berths on the Deaf Smith County Chamber of Commerce have been mailed, Bill Thompson, manager said Wednesday. They are due back in the chamber office not later than Monday, Nov. 23, and will be canvassed that evening by the chamber officials.

The membership is to select four out of eight candidates who will serve with the eight hold-over members next year. They will be installed in December and will be presented at the annual banquet in January.

Candidates for the board positions are Pete Caviness, Nell Cooper, Joe Easley, Jimmy Gilentine, Dub Hair, J. P. Jones, Johnny Pool and Ray Ramirez.

## Herd Meets Tulia In Last Home Tilt

The powerful Hornets of Tulia will invade Whiteface Field Friday evening with spirits high after giving powerful Dumas a scare last week. They will meet the Hereford Whitefaces, fresh from the 34-0 drubbing they gave the Muleshoe Mules last Friday.

Tulia, perhaps one of the most improved teams in the district, was edged by the always powerful Dumas Demons, 14-0, with the Hornets having the winning touchdown called back.

Tulia boasts one of the more powerful defenses in the district and boast a powerful attack from the team that took top honors in District 2-AA last season.

Tulia has all district center Billy Don Childers and halfback Jeff Tucker returning to the squad that was stopped in Bi-District last season by Dalhart, which was finally defeated in the semi-final events.

The Hornets were 4-1 entering play, where they have a 1-2 record having a 5-3 for the season, similar to that of the Hereford Whitefaces.

They won the first game of the season, shutting out Otton 14-0. The powerful Phillips Blackhawks came through the following week and issued the Hornets a 48-0 defeat.

The Hornets returned the following week and put the sting to the Dimmitt Bobcats 35-0. The Whitefaces defeated the winless Bobcats 34-7 in the second game of the season.

Tulia followed through again the following week, they shut out Floydada 21-0 and again the following week, they shut out Tucuman, N. M. 34-0 before entering conference play.

Perryton issued the Hornets their first conference loss with a 21-6 win at Tulia. Tulia returned the following week to beat the hapless Muleshoe

Mules 45-7. The Whitefaces defeated Perryton 19-12 at Hereford and shut out the Muleshoe Mules 34-0 last week at Muleshoe.

The brightest spot in the Hornet season is their near defeat of the Perennial State Champion Dumas Demons.

Tulia put a real sting and scare into the Demon 11 Friday evening as they scored 10 points in the first quarter before the Demons were able to move against the Hornets.

Tulia's Danny Cook, a sophomore, booted a 40 yard field goal in the opening minutes to make the first counter.

Quarter back Lynn Hardee tossed a 16 yard pass to left end Jack Brooks for the second score and the Hornets led the Demons 10-0 in the first quarter.

However, the Demons ground out a touchdown in the end of the first quarter and followed again in the second quarter with another counter, leading the Hornets 14-0 at halftime.

Both teams battled at midfield the second half and the game ended with Dumas on top 14-10.

James Miller, 185 pound full-back, chucked up more than 100 yards rushing. Miller is regarded as the best ball carrier on the Hornet squad and has real good speed.

"We will really have to be ready for this bunch, as this will be the real test of the season to our boys, before meeting Dumas," Coach Jack Meredith said.

"These boys have one of the best defenses in the district and have some real fine powerful runners to do the other part of the job. Our boys will really be up for the game and know they will turn in a real performance."

DE ANNOUNCERS — These two Distributive Education students are shown announcing commercials at Radio Station KPAN during DE Radio Day, which was held yesterday. All of the DE students participated in the day long program. Shown here are Lynn Hendricks and Larry Furhmann. (Brand Staff Photo)

REP. ROGERS WRITES

# Space Science Moves Into U. S. Spotlight

Space science has been in the news again recently. The increasing momentum behind U. S. and Soviet manned space activities brings stronger focus on one of the unsolved problems affecting these great adventures: The position nations, particularly our own, should take in defining the upper boundaries of their territorial airspace and their sovereign rights involving it.

In the Air Commerce Act of 1926, a provision was included stating: "that the Government of the United States has to the exclusion of all foreign nations, complete sovereignty of the airspace over the lands and waters above the United States."

The legal stature of national airspace as part of our territory is not subject to question. However, in the dawn of the space age, the concept of airspace existing in 1926 is no longer applicable. Where now does it end?

The United States has the same right to control movement within its airspace as it has to control movement on its land and waters. But Congress has not acted to establish the upper boundary of our national airspace territory.

This unresolved matter becomes important in determining whether foreign spacecraft are to be permitted to fly within 25 miles, or 50 miles, or 100 miles above the U. S. From a technological standpoint, 25 miles above sea level is approximately the maximum height at which aircraft requiring aerodynamic support can sustain flight by air-breathing motive power.

Fifty miles above sea level is approximately the maximum height at which the atmosphere is sufficiently dense to provide any appreciable aerodynamic lift. A point somewhere between 75 and 90 miles is the lowest point of practical

## Mrs. Burk Discusses State Income, Expenditures For Club

"How \$3 Billion Is Spent in Our State" was Mrs. Charlie Burk's program topic for Bippus Home Demonstration Club at their meeting Wednesday, Oct. 28 in the home of Mrs. Elmo Hall.

After giving sources of taxes in the state, Mrs. Burk assigned percentages spent on schools; public welfare, highways and health program; law enforcement and correction; judicial, legislative and such services; conservation, etc. Then she set

orbital unpowered flight, the beginning limit of "outer space."

Where precisely does outer space begin? It is an important question, because the United States has supported a United Nations resolution declaring that outer space is a highway remaining open to all nations, free of any claim or rights of sovereign control by any nation.

The flight of spacecraft through national airspace in taking off or landing poses one part of the problem calling for an early decision on what constitutes the sovereign territory. Experts say that up to now flights have been confined to U. S. and Russian airspace in their ascents and descents. As orbital flights become more frequent and diverse, we must make a determination whether or not foreign spacecraft should be permitted to use our territorial airspace in ascending and descending. We will need to know whether we will be permitted the same privileges in the airspace of other countries.

Treaties and other international agreements are now re-

quired if an aircraft is to enter and use our airspace. There are no general rights of passage.

An airplane approaching our shores and intending to land here cannot proceed past the outer boundary of the airspace above our territorial waters unless it has specific authority to do so. Free passage is permitted aircraft over the high seas as it is ships sailing on them.

Up to now, our sovereign position in control of our airspace has not been questioned because atmospheric factors limit the altitude at which conventional aircraft may operate. The new problem is posed by spacecraft able to operate beyond limits of the atmosphere.

The legal status of space needs to be clearly defined not only for reasons of national sovereignty but also in order to avoid the possibility of armed conflict over territorial right to outer space.

It is possible that in the absence of clear definitions, the space race could become one in which military development of spacecraft and weaponry is emphasized and exploration and peaceful scientific advancement are minimized.

Up to now, man's main concern with space has been getting to it, surviving there, and returning. These will continue to be problems, and billions of dollars will be spent in improving space technology.

At the same time we move forward scientifically, we must seek answers to legal questions posed by the space age.
