

The Hereford Brand

21st YEAR NO. 12

HEREFORD, DEAF SMITH COUNTY, TEXAS, APRIL 14, 1921.

TWO DOLLARS A YEAR.

FERTSCH TO LEAVE HERE FOR SCHOOL

TO ATTEND UNIVERSITY IN VISION FUTURE USEFULNESS

MISS GRIFFITH

Succeeds as Superintendent His Loss Will be Severely Felt

Superintendent L. M. Fertsch of Hereford's public schools will not be a candidate for reelection for another year, and Miss Millicent Griffith, at present principal of the high school, has been selected by the Board of Trustees of the Hereford Independent School District to succeed him for the scholastic term of 1921-22.

These announcements followed a meeting of the Board last Monday night. Mr. Fertsch notified the Board some time ago of his decision in this matter in order to give the trustees time to look around for a suitable successor. The place was offered Miss Griffith and she accepted this week. Mr. Fertsch will finish his contract this year and retire after the regular commencement exercises.

Other routine matters attended to at Monday night's meeting were the formal installation of the newly elected trustees, canvassing of the votes cast in the election, plans for the windup of this year's work, etc.

Superintendent Fertsch retires after seven years successful and faithful service to this community. His vision as an educator is recognized the state over. His thoroughness and efficiency has raised the local schools many points in the scale demanded for affiliation with institutions of higher learning. He has laid a foundation and set a local precedent that should grow in significance and fruitfulness as the years pass.

Aside from his school work, Mr. Fertsch's influence as a Christian and civic leader will be sorely missed in this community. His platform of service has been clean, broad-gauged and progressive. But he feels that his calling demands more study and the Board understands that he will attend some first class university for another year or so in order to fit himself for something better in his chosen life's work.

Miss Griffith needs no introduction to the Hereford public. Formerly a successful teacher here, at Dimmitt, at Clovis, and other places, she has a long record of brilliant achievements in the school room behind her, and there is no doubt in the minds of local school officials of her ability to follow up successfully the great work begun here by Mr. Fertsch.

First School Fair is Revelation; Contests in League Hard Fought

Deaf Smith county's first School Fair, something new in this country, was held at the Courthouse last Friday and Saturday, in conjunction with the Interscholastic League contests. On the preceding Friday, April 1, the Junior students of the Central school held their interscholastic exercises. The high school elimination contests for winners to be sent to the Canyon district meet on April 15 and 16 were fought on Friday and Saturday, April 8 and 9. The programs throughout were above the average and elicited praise and astonishment from spectators.

The Fair feature was amazing in its completeness and beauty and the hundreds of people from the city and county who had the privilege of inspecting the splendid booths, tastefully decorated in Red and White and other colors, aided by flowers and pot plants, could hardly believe that the specimens of the work of the different grades and schools had been actually worked out by the pupils. The entire idea was new and was originated at a conference last January between Judge Mogert and Superintendent Fertsch. The fruits of their joint labors were far above their expectations and in another year the School Fair should prove a wonderful magnet for the efforts of teachers and pupils alike.

The country schools brought in specimens of their work and pushed the city school exhibits hard for first honors. The following rural schools were represented by exhibits in charge of their respective teachers: Fairview, Mrs. Tidwell Smith and Miss Luella Glescher; Tierra Blanco, Miss Clara Davis; Ward, Miss Cleo Thomas; Higgins, Miss Willie Dickert; Askren, Miss Kathleen Walker; Progressive, Mrs. W. H. Raynor; Dawn, Miss Olive Wilson; Wyche, Miss Bessie Fraser; Summerfield, Miss Bessie Foster and Miss Estelle Slaton; Messenger, Mrs. Sherrill.

The City's schools presented the following booths: Biology, Chemistry, Science and Home Economics, Miss Read and Miss Williamson. This booth displayed fruits of the first year work in sewing and cooking. The Mathematics, English and Language departments, under Misses Griffith, Brand and Kemp displayed written evidences of efficiency; Misses Swisher and Williamson occupied another booth with displays from the Bible and Musical departments; Miss James had some unbelievably splendid displays from the history course. Then came the various grades, beginning with the First and running on up the scale.

Only those fortunate citizens enabled to actually see the excellence of the entire exhibit can appreciate its completeness and significance to the educational work of the county. The School Fair in 1922 should be attended by every man, woman and child in the county.

Junior Field Day

The Juniors held their Field Day April 1 at the central school beginning at 1:00 p. m. Exercises were held on the campus. The program started with "America," sung by the entire student body; the Grand March followed, by about 100 girls from the fourth, fifth and sixth grades, all in white, a most beautiful sight. Games by the girls of the first, second and third grades followed. Races were run by boys of the lower grades, then by the larger girls.

QUESTION IS: IF HEREFORD WANTS GAS—HOW MUCH?

Just how bad Hereford wants natural gas from the Amarillo fields was discussed at length at Monday's luncheon. The opinions varied widely. There was an unanimous approval of the idea that the gas was just what was needed here, but the method of obtaining it was another question. The proposed bonus question was the point at issue.

C. H. Dyar declared himself in favor of trying to get our own gas from another test well. F. H. Oberthier, while favoring the idea of gas, said his engineer could not see where it would save the light and power company on the fuel bill at the price the gas would cost. Messrs. Black, Ashbrook and others said they were much interested but were not well enough informed to discuss the merits of the proposition.

President McDonald then took the floor. He declared unequivocally in favor of securing the gas at whatever cost, as he believed it the most vital thing before this community now in developing our shallow water and other resources.

A resolution was adopted finally, instructing the Board of Directors to pursue the matter to the end and "to secure gas for Hereford!"

Mr. Mayer and associates are expected back soon, when further negotiations will be undertaken.

then by the larger boys. The children receiving red and blue ribbons in the various contests were: First Grade, Boys, Blue: Melvin Harris, Noell Bryant, Reece Hough, Tolver Thurmond, Gilbert Purcell, E. W. Curtstinger; Red—Thomas Robinson, Clay Hughes, R. K. Bruner, Glenn Smith, E. W. Curtstinger, Frank Barber. Second Grade Boys: Blue—Woodrow Gilbreath (2); Homer Brumley, Rolley Wedel, Roger Orr, H. T. Chesser, Gordon Christy, Ralph Rudd; Red—Charles Jowell, Milton Davidson, Richard Barnard, Paul Barnett, Russell Keeler, Ward Garrison, Earl McDermott, Lloyd Bowsher, Rolley Wedel. Third and Fourth Grade Boys: Blue, William Russell, George Murphy, George Jowell, Raymond McDermott, Carroll Laird, W. K. Kemp, George Harris, Clarence Schuette, Russell Whitehead, Melvin Schuette.

Fourth Grade Girls: Blue—Ina May Hastings; Red—Marguerite Hastings. Fifth and Sixth Grade Boys: Blue—Viggo Williams, Lawrence Kemp (2), Hollis Clark (2), Willie White (2), J. C. Gilbreath, Abbie Posey, Hascoll Runtun, William Parker, Roy Smith, Clifford Oden, Morris Beavers.

Fifth and Sixth Grade Girls: Blue—Loretta Murphy, Grace Potts, Louise Jacobsen, Sarah Bruner, Frances Guinn; Red—Loretta Murphy, Alice Wombie. Sixth Grade Boys: Blue—Jno. L. Wilson, Junior Burns, Cawthon Bryant, Jess Russell, Chas. Christy, George Keith, Raymond Keith, Jack Sanders; Red—Virgie Davis, Junior Burns, Jess Russell, George Robinson.

The success of the contests was largely due to the splendid work of Mrs. Chris Garrison and other teachers in the school, and reflects great credit upon the enthusiasm and ability of the students.

Preparing for Canyon

The following article on the senior contests and suggestions for the future as written for The Brand by Superintendent Fertsch:

As in the past the Hereford Schools heartily entered the various healthy mental and physical contests of the Interscholastic League. The schools were strongly represented in every phase of the League work with the exception of the debate on the "Single Tax." To foster a more lively competition in the league work, trophy cups should be given by the merchants, Commercial Club, women's clubs, or parties interested in our boys and girls. The winner is by all means entitled to recognition. The trophy cups should be given as follows: 1. Winner in Spelling (Junior and Senior); 2. Winner in Essay Writing; 3. Winner in Debate; 4. Winner in track; 5. Winner in Declaration—Senior girl; Senior Boy; Junior girl; Junior boy.

Elizabeth Bruner and Emma Jean Donald were the contestants in the Essay writing. These essays will be sent to the district meet at Canyon.

Quite a number of ambitious students entered the Declaration contest. A large and appreciative audience enjoyed the declamation finals in the district court room last Friday at 7 p. m. The contestants were: Jacqueline Pogue, Gladys Gifford, Frances Locker, Lula Connell, Gwendolyn Price, Marguerite Gilliland, Ruby Ward, Marguerite Gilliland, Ruby Ward, Marguerite Gilliland, Ruby Ward, Marguerite Gilliland, Ruby Ward.

PANHANDLE PENCIL PUSHERS' ANNUAL MEETING FRIDAY

The fourteenth annual convention of the Panhandle Press Association will begin at Amarillo on Friday of this week for a two day's session. An interesting and instructive program has been prepared. Features will be the appearance of J. J. Taylor, the famous "State Press" of the Dallas News, and two banquets for visitors, one tendered by Congressman Marvin Jones and the other by Col. Ernest Thompson of the Amarillo Hotel. A. A. Foster, of the White Face Printing Company and W. R. Stockman and Seth B. Holman of the Brand will represent Hereford at the meeting.

"LIBRARY WEEK" IS TO OPEN MONDAY AND CLOSE 23rd

The week beginning Monday, April 18, and ending Saturday night, April 23, has been designated "Library Week" for Hereford. The Library Board earnestly requests all the people of this community to turn their attention to the needs of the Library. Information concerning the Library will be furnished the public through the columns of The Brand, by talks before the different clubs and societies, and on Saturday a Tag Day will be staged. Anyone paying \$1.50 for a tag will receive a Library ticket for one year.

HOSPITAL EQUIPMENT BOUGHT BY BOARD

LUBBOCK MATERIAL IS WHAT IS NEEDED SAY DIRECTORS

D. F. Ashbrook, trustee, and Homer Wilkinson, director, of the new Hospital Association went to Lubbock last week to inspect the Lubbock Sanitarium and to look over some equipment that could be obtained if wanted. They were accompanied by Dr. W. F. Gabbert as advisor on the character of medical equipment offered.

Two sanitariums at Lubbock have recently been merged and an extra set of material was available. Necessary furnishings for the Hereford Hospital originally costing \$1600, were purchased for \$650 and a truck left here Monday to bring it back.

The Hereford men are emphatic in their praise of the Lubbock institution, a new brick building, modern in every sense. They were shown every courtesy by the management. In the afternoon the party visited the Plainview Sanitarium, where they were also treated nicely.

It is believed now that the Hereford Hospital will be ready for occupancy somewhere around thirty days from this date. Work of alteration is now under way.

Big Crowd Talks Over big Problems Before the City

After skipping a week on account of the Breeders Sale date conflicting, the regular Monday luncheon of the Chamber of Commerce was held at the City Cafe last Monday as usual. An interesting and instructive discussion occurred over various matters now before the organization.

E. W. Harrison made a report of the trip made by his committee to the Stratford convention. F. H. Britain talked on plans for the beautification of the Cemetery. Homer Wilkinson told of the trip to Lubbock in behalf of the Hospital. The subject discussed was the recent visit of Mr. Mayer of Amarillo and the possibility of gas being piped into Hereford, account of which will be found in another column.

The meeting maintained the attendance record and interest of the past several weeks, the following being on hand: Otho Beene, J. H. Wagner, Walter Dunlap, W. B. Phillips, C. C. Bowman, L. W. Hough, A. H. Elliston, Geo. L. Muse, Lem Carlyle, Capt. Jno. Estes, F. H. Oberthier, Henry Wilkinson, J. E. Hill, C. C. Rockwell, W. B. Farmer, J. D. Thompson, N. C. Vogele, E. B. Black, Ralph Johnson, C. H. Dyar, L. Gough, Edgar Ramey of Dimmitt, R. D. Elliott, B. F. Hodges, W. R. Steckman, J. E. Crouch, Claude Rutledge, D. L. McDonald, E. W. Harrison, S. B. Holman, A. M. Jones, Homer Wilkinson, D. F. Ashbrook, Leonard Foster, A. A. Foster, Ralph Barnett, T. K. Wilson, F. H. Britain, Ed Connell, Leslie Neal, C. A. Skelton, W. F. West, S. L. Harmon.

WILL GIVE NOTICE BEFORE REMOVING EXPRESS OFFICE

The Secretary of the Chamber of Commerce is in receipt of a letter from the superintendent of the American Railway Express Company at Wichita, Kansas, stating that if any more to take the up-town express office to the depot develops the matter will first be taken up here with the Chamber of Commerce.

This letter was in answer to a request from the Chamber of Commerce for positive information on the subject, as the rumor had spread that such action was contemplated by the express company.

TRAIN SERVICE IS IN HANDS COURT; NO NEWS LOCALLY

The question of restored train service is now in "status quo" or, to be more exact, in the hands of the district court of Travis county, Texas.

The Santa Fe has asked for an injunction restraining the Railroad Commission from restoring this service, and since that time nothing new touching the subject has been received locally.

ROAD BOOSTERS MAKE TRIP TO GET TRAFFIC

VISIT STRATFORD AND ASK PERMISSION TO BUILD SIGN

A party consisting of E. W. Harrison, chairman, Homer Wilkinson, J. B. Jones, D. L. McDonald and J. Frank Potts left here in cars last Friday and joined other good road boosters from Canyon, Amarillo, Dumas and Clovis on a trip to Stratford, Texas. The purpose of the trip was to make friends with the Stratford folks as well as to obtain their consent to the erection of a huge road sign, 14x50 feet, at the intersection of the cross roads at that point, advertising the Dumas-Amarillo-Clovis route to the coast. The completion of the Logan, N. M., bridge this year will undoubtedly divert much of the traffic heretofore coming this way via Dalhart and Tucumcari.

Permission was obtained to erect the sign, but of course the Stratford people, who are "sitting on the world" at the cross roads of both routes, were noncommittal as to preference.

Following the Stratford conference the tourists visited Dalhart and Channing before returning to Amarillo. Chairman Wilkinson of the local advertising committee took care to distribute some of Hereford's road maps enroute.

Tourist Camp is To Have Building In Near Future

As announced some time ago, the Tourist Camp grounds in east Hereford are all ready for use the coming spring and summer with the exception of a rest house. Water works and sewerage have been installed.

W. F. West has prepared a plan for the house, and the carpenters of the city have signified their willingness to put up the house on a certain day to be selected. Chairman Walter Dunlap of the Highway Committee announces that in all probability that day may be next Monday, although this is not definitely settled yet.

When completed the publicity committee plans to erect suitable signs at the entrances to town on both the east and west, and Hereford will then offer tourists on the best equipped and most modern camping grounds to be found anywhere on any road map.

JOE CURTSINGER IS HURT IN SMASH OF DELIVERY WAGON

The delivery wagon of the Hereford Produce Company driven by Frank Crawford, with Joe Curtsinger a passenger beside the driver, struck a bump and broke a rod in the front frame late Wednesday afternoon in front of the Hereford Laundry. The car turned over twice. Crawford miraculously escaped injury with the exception of a mashed finger tip and sprained wrist. Curtsinger, however, was not so lucky. He was scratched and bruised all over, and several stitches had to be taken in the back of his head. No bones were broken, however, and beyond the bruises and scratches he is believed to be unharmed.

The car was almost entirely demolished.

DISTINGUISHED MAN PREACHES HERE; PRESBYTERY MEETS

Dr. B. Wren Webb, of Dallas, superintendent of Home Missions of the Presbyterian Synod of Texas, filled the pulpit at the Presbyterian Church last Sunday morning, preaching a magnificent sermon.

Monday D. C. Laird, representing the Session, Rev. J. R. Sharp, G. M. Suggs and William Cogdell of the local church went to Canyon to attend the Presbytery for this district.

SAN JON MEN MAY MOVE HERE AFTER "THE ONCE OVER"

Editor J. T. White, of the San Jon Sentinel, Jno. Cress and Mr. Jack, of near Tucumcari, N. Mex., were in Hereford last week prospecting. All liked the country and think of locating here in the future.

CAMPAIGN IS PLANNED ON ROAD VOTE

SCHOOLHOUSES TO BE VISITED BY TEAMS OF SPEAKERS

FACTS ARE GIVEN

Bond Issue Taken Care of By Old Roads Tax Roads are Vital

The campaign committee of the Chamber of Commerce, headed by E. W. Harrison, having in charge the coming road bond and maintenance tax election, April 23, has planned a series of school house meetings in the county this week and next, winding up with a big mass meeting in Hereford on Friday night, April 22, the day before the election. Speakers, armed with facts concerning the proposed measures, are billed to go to Higgins school Wednesday night, Progressive school Thursday night, Dawn Friday night, Summerfield Monday night, Wyche school Tuesday night, Ford school Wednesday, April 20, and Union and Askren schools on Thursday night, April 21.

Chairman Harrison informs The Brand that a fact not generally understood is that the present fifteen cent road tax is sufficient to take care of the bond issue and practically all other old road indebtedness, leaving the new fifteen cent tax free with which to maintain the roads.

The opposition to this important measure is laying great stress upon the present financial crisis. Mr. Harrison points out that in the first place the additional tax to be imposed is ridiculously small in nearly every instance, the price of one good casting, the life of which would be prolonged by better roads, more than covering the tax a great majority of the voters would have to pay.

Another point by Mr. Harrison is that this slight additional tax would not be payable until 1922, unless all signs fail, the financial strain will be forgotten and money much easier.

Another question raised by Mr. Harrison: "If YOU intended to purchase a farm one of the first things you would inquire about would be whether there was a good road, leading past it, wouldn't you? And wouldn't that have a lot to do with the price you would be willing to pay for that farm?"

While The Brand does not believe in burdening the people at any time with unnecessary expense, and especially in times like these, at the same time it believes that false economy is worse than anything else, and that to defeat a moderate tax like this one, when good roads touch the very vitals of the agricultural, live stock, commercial and transportation problems of the entire community, would be false economy in the highest degree. Therefore The Brand is for the bond issue and the tax, believing it to be a necessary expenditure and not a luxury.

Set Aside a Day For Big Cleanup Of City Cemetery

At Monday's luncheon the question of beautifying the cemetery and organizing some kind of association to maintain it was again talked over. Chairman Britain announced that he was securing figures on the cost of erecting board head and foot pieces over the graves now unmarked or disappearing and would make definite report as to this next week. It was also resolved to set aside a day in the near future when volunteers would be called for to go to the cemetery and put it into the best possible shape. Mr. Britain's committee will also consider this matter and definite announcement of the date will be made on next Monday.

CHAUTAQUA WILL OPEN MAY 19 AND LAST SEVEN DAYS

Secretary J. S. Jones of the local Chautauqua Committee is in receipt of information from headquarters that the Hereford Chautauqua will begin on Thursday, May 19, and last through seven days. Advance advertising material is being sent here, and the local allotment of tickets is expected any day.

The program being offered this year is said to surpass anything attempted by the Redpath-Horner people heretofore, and seven days of the highest class instructive entertainment now before the public is assured the people of

Trade Excursion Merchants' Plan For Near Future

Following up the recent nine-day Fellowship Sale, Chairman Homer Wilkinson of the Merchants Bureau of the Chamber of Commerce is planning a series of automobile trade excursions to competitive territory with the idea of getting better acquainted with our surrounding neighbors. It is probable that the first trip will be made to the New Mexico country northwest.

Details, dates and general plans will be figured out shortly at a meeting of the interested merchants.

HEREFORD WINS A BALL GAME AFTER HITTING STRIDE

Hereford's White Face ball team defeated Texico-Farwell at Farwell last Sunday, score 6 to 7. The outstanding feature was a double play by Ralph Smith, who pulled down a drive over second and doubled his man at first. The game was a dandy for this early season. Batteries: Hereford, Curtstinger and Bennett; Farwell, Carter, Morris and Whitley.

A return game will be played in Hereford on April 24.

FIRE TRUCK WILL START LONG TRIP HERE THIS WEEK

Fire Chief C. C. Rockwell is in receipt of a letter from Dallas stating that the Ford truck, equipped with a chemical engine for fighting Hereford's fire, recently purchased by the city, would leave Dallas for Hereford about the middle of the present week. Therefore it is expected the truck will arrive here and be in use by next week.

THE GOVERNOR'S VETO

Governor Nell's action in vetoing the West Texas A & M and rural school bills has stirred up a storm of protest from all West Texas. Indignation meetings have branded the executive as unfair to his election promises and to West Texas, and have gone so far as to threaten the formation of another state.

Hot heads always appear in such crises, but The Brand believes the sober, thinking element of the West Texas population, while undoubtedly determined to secure more equitable representation at Austin, is too sensible to entertain the idea of a separate state. The financial burden incident to any such undertaking in these strained times would make even a wild-eyed West Texas booster stop and check up his available resources.

The A & M incident seems to have merely been the final match to the smoldering embers of discontent. The Brand does not believe that the West Texas A & M question is of sufficient moment on which to base a state-wide fight for proper recognition. The real issue at stake is redistricting and better representation.

And that raises the question of how to go about better representation. Many seem to think that all the legislature has to do is to redistrict the state and West Texas will come into her own. As The Brand understands it, representation in the legislature is based on population and not area. Suppose the state is redistricted; wouldn't East Texas, and South Texas, and Central Texas, gain about in the same proportion as West Texas, and how would that remedy the matter?

The writer may be dense, but we have yet failed to find a solution of this difficulty that we can understand beyond the securing of more people in West Texas. To our mind, that seems the ONLY solution, if representation is based on population.

Instead of wading in with an axe and threatening death and bloody murder, let's all get busy and persuade more people to move to West Texas, the best country in the geography! Then we will be big enough to secure a fair share of what is coming to us.

A 1921 FAIR?

For several years Hereford has successfully presented a County Fair. It has been a free fair, so far as admission to the public was concerned, financed by the merchants and business men of the city. It has usually been promoted by the Chamber of Commerce and handled by a committee appointed for that purpose. The work has fallen upon the shoulders of two or three men up to the opening day. There has been no system, no prearranged plan, no objective for the future. The showing of livestock and agricultural resources

has been remarkable heretofore, but the work has not been fairly proportioned. The Brand believes the time has come to expand; to organize a regular Fair Association, with responsible heads of departments, a budget for expenses, a concrete plan for the future, adequate amusements, etc. We believe that our excellent local Fairs of the past have served a most useful purpose, but that the day has arrived when something better must be planned and carried through.

Hereford's livestock industry has reached that stage when it is nationally recognized. The registered breeders now have two semi-annual sales planned yearly and will not want to go to the expense of fitting their cattle for the show ring merely to bring them in for a couple of days without prize money or recompense beyond the advertising they secure from it.

Recently the regular Fair Secretaries of northwest Texas met at Childress and arranged a cooperative circuit for the coming fall. Hereford was not represented because there was no authorized Secretary to assume any such responsibility. Had we organized a regular Association, Hereford could have participated and secured worthwhile amusements for a real Fair this fall.

Why not organize a Tri-State Live Stock Exposition, taking in the upper Plains, eastern New Mexico and western Oklahoma? By this means financial aid might be secured from national cattle and hog associations in the way of cash prizes to offset local prizes.

The Brand believes this is the logical step forward. And NOW is the accepted time to do it, if we hope to make a success of it.

Next!

NOTICE OF BOND ELECTION

Notice is hereby given that an election will be held in Deaf Smith County, Texas, on the 23rd day of April 1921, to determine whether the bonds of said county shall be issued to the amount of Fifty-thousand (\$50,000.00) Dollars, payable Forty (40) years from their date, and bearing interest at the rate of Six (6) per cent per annum.

for the purpose of improving and maintaining the public roads of said County. Said election shall be held at each of the regular voting places in the different Precincts of the county, and the following qualified voters of Deaf Smith County, Texas, are hereby appointed Presiding Judges of said election:

Geo. Garrison and E. B. Black, Precinct No. One.
D. C. Laird and Homer Wilkinson, Precinct No. Two.
J. H. Patton, Precinct No. Three.
J. M. Chapman, Precinct No. Four.
Ira Allred, Precinct No. Five.
R. E. Dyer, Precinct No. Six.
J. N. Messenger, Precinct No. Eight.
D. L. Rutter, Precinct No. Nine.
J. H. Daniels, Precinct No. Ten.

Said election shall be held as nearly as may be possible in conformity with the general election laws of the State, and no person shall vote at said election unless he be a qualified voter under the Constitution and laws of this State, and a property tax payer in said county.

Those in favor of the issuance of the bonds shall write or print on their ballots "For the issuance of Bonds" and those opposing shall have written or printed on their ballots the words, "Against the issuance of Bonds."

Said election was ordered by the Commissioners Court of Deaf Smith County, Texas, by order passed on the 14th day of March, 1921, and this notice is issued pursuant to said order.

Dated this 19th day of March, 1921.
W. M. MEGERT,
County Judge.

NOTICE OF A SPECIAL ROAD TAX ELECTION

Notice is hereby given that an election will be held in Deaf Smith County, Texas, on the 23rd day of April 1921, to determine whether there shall be levied upon the property within the said county by the Commissioner's Court, for the current year and each year thereafter, a Special Road Tax not to exceed Fifteen (\$0.15) Cents on the One-hundred (\$100.00) Dollars worth of assessed property, under the provisions of Art. 7042 of the Revised Statutes of Texas.

Said election shall be held at each of

the regular voting places in the different Precincts of the county, and the following qualified voters of Deaf Smith County, Texas, are hereby appointed Presiding Judges of said election:

Geo. Garrison and E. B. Black, Precinct No. One.
D. C. Laird and Homer Wilkinson, Precinct No. Two.
J. H. Patton, Precinct No. Three.
J. M. Chapman, Precinct No. Four.
Ira Allred, Precinct No. Five.
R. E. Dyer, Precinct No. Six.
J. N. Messenger, Precinct No. Eight.
D. L. Rutter, Precinct No. Nine.
J. H. Daniels, Precinct No. Ten.

Said election shall be held as nearly as may be possible in conformity with the general election laws of the State, and no person shall vote at said election unless he be a qualified voter under the Constitution and laws of this State, and a property tax payer in said county.

Those in favor of the issuance of the bonds shall write or print on their ballots "For the issuance of Bonds" and those opposing shall have written or printed on their ballots the words, "Against the issuance of Bonds."

Said election was ordered by the Commissioners Court of Deaf Smith County, Texas, by order passed on the 14th day of March, 1921, and this notice is issued pursuant to said order.

Dated this 19th day of March, 1921.
W. M. MEGERT,
County Judge.

Geo. Burch is hauling lumber from Hereford to build a large shed 12x70 feet long. Mr. Burch is one of our most prosperous farmers who believes in doing things and doing them right. Mrs. C. C. Cole, of Cleo, is visiting in the vicinity of Muleshoe.

W. S. Dixon and wife, of Cleo, and

K. E. Turner, of Dimmitt, attended a stockholders meeting of the Western Tire Mfg. Co. last Saturday and also visited their son, C. W. Dixon, and family, 20 miles west of Friona.

The recent cold spell we think has about put a finish to all the fruit in Cleo community, unless a few of the plums and cherries have escaped. Gardens are not doing any good on account of the cold nights. We also hear a great deal of talk of the green bugs in

the wheat. Some say they are beginning to damage it, some. The old wheat seems to be sufficing most.

O. M. Burch and family spent the day with W. S. Dixon and family last Sunday.

On account of the cold north wind last Saturday night, our literary was not as well attended as usual and the program was short, as several that were on failed to get there. However, as cold as it was, we noticed several visitors from Dimmitt and Spring Lake. We also had some fine music on the violin, guitar and piano, furnished by Mr. Morris Kimble and Miss Rosella Bell, of Dimmitt, and Miss Reed of Spring Lake.

Mrs. Oille and Mrs. Geo. Burch and sons, Cleo and Elvis, made a flying trip to Hereford last Saturday in their new Ford car.

Rain is badly needed in this end of the County for grass and wheat.

Rev. J. A. Lindley, of Tulsa, filled his appointment, at Cleo last Sunday evening.

Maud Rippy, our Commissioner from Precinct No. 1, is having some good roads built in this community, which are badly needed along the mail route from J. D. Burch's place to the county line south. The contractors are doing some fine work.

SPRING LAKE

Farmers are getting anxious for it to rain as the wheat in this community is needing it badly.

Mr. and Mrs. Ott and daughter, Inez, visited their children at Spring Lake Saturday.

Born to Mr. and Mrs. Milton Ott, April 3, a fine boy. Mother and baby doing well. (Also Milt).

Mr. and Mrs. Earnest Jones visited their brother, Claude, in Portales last week.

Wallace Phipps, Cecil Johnson, and Misses Velora Reed and Naomi Phipps spent the day in Plainview Saturday.

Mrs. W. S. Hall's baby has been quite sick for the past week.

Milt Ott was trading in Hereford Friday.

Mrs. Newcomb, Mrs. John Harris' mother, who has been visiting relatives in Brownwood, Texas, has returned to spend the summer at Spring Lake with her daughter.

Dwight Axtell is building an addition to his home.

Mrs. Kimble is visiting her daughter, Mrs. Savage, who has a baby boy.

J. W. Huston, of Hereford, was down at his ranch last Saturday.

Mrs. Edd Bell spent the day with Mrs. Milton Ott Wednesday.

Tom Self and wife spent the day with their aunt Mrs. Copeland, Sunday. The Sunnyside school will be out next Friday.

There were no items last week on account of sickness.

A rabbit drive recently conducted in Comanche county, Texas, near Sidney, netted 900 rabbits, twenty-five guns taking part. Ladies of the community served the hunters with a feast of stew, cakes, pies and coffee.

A Duroc sow, Lucia L., at San Diego, Cal., is reported to have farrowed a litter of nineteen handsome pigs, all healthy. This is her first litter. Five of the pigs will be nursed by goats and the mother will nurse the others.

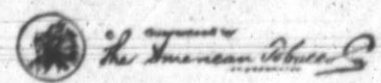

Keep your eye on your Brand label when the time is up the paper will STOP.

THAT MORNING LAMENESS

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Hereford testimony.

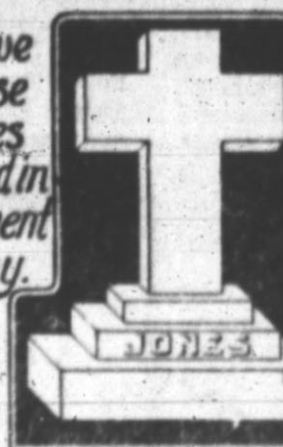

J. W. Clark, blacksmith, says: "Not so long ago I was troubled with a weak and lame back. When I stooped over it bothered me to straighten up. My back ached a good bit of the time and mornings when I first got up, it was sore and stiff. My kidneys were out of order, weak and irregular in action. I saw Doan's Kidney Pills advertised and used two boxes. I received good results from this medicine."

**Upkeep
Expense on the
OilPull Is Extremely Low**

OilPull owners are frankly amazed after each season's work at the uncommon economy in cost of upkeep and fuel.

Practically every OilPull owner will tell you the cost of doing his farm work now is much less than the former cost with horses.

First, the fuel cost is extremely low—lower than that of any other tractor built. Fuel economy has been one of the chief characteristics of the OilPull from the very first. It is designed throughout—carburetor, motor, cooling system, etc., for the use of cheap fuels.

Then, the cost of upkeep is noticeably low. With every part made extra strong, there is little need for repairs. For example, "Old Number One," the first OilPull built 12 years ago, has had a total repair bill of less than five cents a day.

These are vital things for you to consider when you get ready to buy a tractor. A tractor which is constantly in the repair shop, instead of at work in the field, is a mighty unprofitable investment. You want the OilPull kind.

It will pay you to drop in and see all four sizes of the OilPull.

Japanese Tea

One of the very pretty social affairs of the past week was the Japanese tea given Tuesday afternoon at the home of Mrs. Karl Shirley, the occasion honoring Mrs. John Brownlee, who left the following day to join her husband in Electra where they will reside.

The ladies of Circle No. Two of the Baptist W. M. U. were joint hostesses with Mrs. Shirley, the guest list being limited to those who have been associated with Mrs. Brownlee in church activities.

A color scheme of red and green in the living room and library was attractively carried out with pot plants and ferns while the dining room was charming dainty white and yellow. Here white and yellow baskets of golden chrysanthemums combined with Easter lilies were efficiently placed, while Japanese lanterns in harmonizing tints, shading the lights, produced an exquisite color effect in all of the receiving rooms. The hostesses wore gorgeously colored kimonos with oriental coiffure adorned with yellow chrysanthemums.

The guests were welcomed at the door by Mrs. Shirley and shown down the receiving line by Mrs. Conkright. Included in the receiving line were: Mesdames Brownlee, W. E. Hicks, Karr, Owen, Suggs, Carroll, Stanley, Joe Allen, Harrelson, Page, Davis, Hilliard and Halston, the five latter being new circle members.

The guests were ushered to the dining room by Mrs. Homer Wilkinson. Here Mesdames Bruner and Johnson poured tea from an exquisitely appointed tea table, which was typically Japanese. They were assisted by Mesdames Lambert, Runtou, and Valentine, sandwiches and margarites completing the refreshment course.

In the library, a beautiful hand decorated guest book in circle shape was in charge of Mrs. Otho Beene, while Mrs. Ray presided at the victrola.

The program included a reading by Miss Mary Hicks, a vocal solo by Miss Swisher and a piano solo by Miss Williamson.

About sixty guests were entertained during the receiving hours.

Mothers' Club

Mrs. J. M. Gilliland was hostess to the Mothers' Club on Tuesday afternoon, a social meeting and program combining to make an exceptionally pleasant club day's entertainment.

The subject, "Music in the Home," was treated in general discussion and in two excellent papers as follows: "What are the Best Selections for our Children?"—Mrs. Bowers. "What Influence does Music Exert in the Home?"—Mrs. E. S. Ireland.

A vocal duet by Mesdames J. B. Jones and W. S. Williams was a pleasing number.

In the yearly report prepared by Mrs. Tynes for the Federation meeting, an interesting resume of the club's activities during the past year showed a gratifying total of work accomplished. Ice cream and cake were served at the close of the program.

Bay View Club

An all day meeting of the Bay View Club, on Thursday, gave pleasure to almost the entire club membership.

Aside from the regular club program an elaborate dinner served informally at noon was the feature of the occasion. Each guest prepared and brought a single dish, all combining to make up a feast of wonderful variety and excellence.

The pleasant associations of the social hour which preceded the afternoon's program was delightful and added interest and enthusiasm to the lesson study.

The program contained the following numbers:

"Child Welfare"—Mrs. Arch Collins.
"Education"—Mrs. Carl Cockrell.
"The Federal Budget"—Mrs. Robinson.

"Women in Industry"—Mrs. Guthrie. Mrs. John Sherman, a former member, was a guest of the club.

Oberthier—Chamness

A beautiful wedding and one of more than local interest was solemnized Saturday at the home of Mr. and Mrs. A. E. Chamness when their daughter, Bonnie Wavy, was united in marriage to Mr. Fred Holmsley Oberthier, Jr.

The pretty home was charmingly arranged for the ceremony. Bouquets of pink and white carnations with fern adorned the living room and dining room while the central colonnade was transformed into a beautiful bridal arch formed of fern among whose feathery fronds were shown the dainty pink and white blossoms. A large bow of tulle fastened at the center gave character to the pretty creation. The effect was that of beautiful simplicity—a perfect setting for the beautiful marriage service.

An pre-nuptial solo, Mrs. Homer Wilkinson sang Cadman's "At Dawning I Love You," with Miss Elizabeth Oberthier at the piano, its closing strains giving way to the opening chords of the Lohengrin wedding march. To this, the bridal pair entered and took their places beneath the arch where they were met by Rev. Asbell, pastor of the Christian Church, who performed the

marriage rites, using the ring ceremony.

After congratulations an ice course, consisting of brick cream and angel food cake was served.

The bride is one of Hereford's most charming young women. In her, exceptional graces of mind and heart are beautifully blended. A winning personality and varied accomplishments have given her prominence in community activities and social life. During the war she organized and was leader of the state-famed "Liberty Girls Chorus" of Hereford, her own beautiful and well trained voice adding much to its success. Her recognized ability won her an appointment as foreign worker under the Y. M. C. A. and she remained in the service until the close of the war, stationed the greater part of the time in Paris. She wore for the ceremony an exquisite wedding gown of ecru georgette with lace and corsage bouquet of roses and sweet peas, her only ornament being a handsome string of pearls.

The groom is a son of Mr. and Mrs. F. H. Oberthier and is a prominent and capable young business man. With splendid natural equipment for business success, he has added to this excellent training, a course in Texas A. & M. College completing his school work. He enlisted early in the war, was sent to a training camp for officers, and won a lieutenantcy. Since the war he has been associated with his father in the management of the Hereford Light and Power Co.

The young couple are already at home in a modern bungalow fitted up for their occupancy prior to their marriage. For them the future is bright with promise and many friends of both extend congratulations.

Music Study Club

Mrs. Stanford and Mrs. Fred H. Oberthier, Junior were hostesses to the Music Study Club on Monday afternoon at the home of Mrs. Black. The lesson took up the study of single forms and included the fantasia, caprice, variation, etc. Mrs. Donald having charge of the program.

An interesting life sketch of Schumann, by Mrs. Ezra Norton, was followed by Schumann's "Whims" by Mrs. Monday and a suite of illustrative pieces by Miss Anita Parker. "Chopin" was the subject of a well prepared paper by Mrs. Broadwell and a Chopin number by Miss Williamson was enjoyed.

The story of Mendelssohn's life was interestingly portrayed by Mrs. Monday, while Mrs. Stanford played in illustration, his "Fantasia." The closing number was Moskowski's "Spanish Caprice," which followed a biography of Moskowski by Mrs. Guthrie.

The piano numbers were all especially good and furnished a real musical treat to the club members, while the excellent leadership of Mrs. Donald was reflected in the very enjoyable program.

Celebrate Birthday

The country home of Mr. and Mrs. J. E. Cockrell was the scene of a delightful gathering of friends on Sunday, the occasion being a surprise birthday dinner which celebrated the birthday of Mr. Cockrell.

Following the morning church services the guests drove to the Cockrell home where the host and honor guest

all unconscious of the affair, wonderfully greeted them, and added to the general enjoyment by his very evident surprise. Only after seeing the baskets brought in and the elaborate dinner begin to take form did he realize the significance of the event.

The long table, so attractively arranged and so lavishly provided with delicious eatables was a spread worthy of the occasion and the spirit of neighborly friendliness and regard which it expressed was a tribute to the character of the honoree.

The day with all its attendant pleasures was enjoyed by: Mr. and Mrs. John L. Wilson, Mr. and Mrs. B. J. Kibbe, Mr. and Mrs. Cliff Estes, Dr. Atwood, Mr. J. M. Robinson, Mr. J. H. Head, Dr. and Mrs. Heard, Mrs. Saltzman, Mr. and Mrs. Matthews, Mr. and Mrs. A. O. Thompson, and Mr. and Mrs. Olson.

Rev. and Mrs. Asbell Honored

Rev. and Mrs. John Meyer Asbell were honor guests, Monday evening at a beautiful church function, expressive of the kindly feeling and good wishes which will follow them to their new field at Alys, Oklahoma.

The basement auditorium of the church was made especially attractive for the occasion, pot plants and ferns being profusely used in decoration.

Complete absence of formality characterized the entire evening and in its stead was an evident kindness of welcome that added to the pleasure all felt in being privileged to share the evening's associations.

Rev. Asbell's Sunday School Class had provided a program whose very entertaining numbers were given at intervals throughout the evening. It included a vocal solo by Mrs. Elmer Dameron, chorus by the men of Mr. Ramsey's class, reading by Ardelle Foster, piano solo by Miss Inez Ricketts, vocal duet, Mrs. Dyer and Miss Zena Owen, vocal solo, Mr. Gough, reading, Floyd Wilson, chorus by Mr. Hill's class of girls and boys, and a one-act farce entitled "Hunting Hapgood." The program in itself furnished a delightful evening's entertainment while the mingling together in a social way of almost the entire church family as well as many other friends, combined with it to make the occasion

an outstanding one in the social life of the church.

Following the program ice cream and cake were served to about two hundred and fifty guests.

Christian Missionary Society

Mesdames Ed Shore and Albert Lowther were joint hostesses to the Christian Missionary Society Wednesday afternoon, a large number of ladies being in attendance.

The pretty home of Mrs. Shore provided the place of meeting and in its cheery attractiveness and atmosphere of genial hospitality contributed no little to the pleasure of the afternoon.

Mrs. Lowther was in charge of the lesson study, the subject being, "The Bible and Latin America." In the Bible study she gave a beautiful exposition of John's declaration, "Whosoever drinketh of the water I shall give him shall never thirst." Special prayers were offered by Mrs. Nance and Mrs. Ramsey. Mrs. C. R. Smith read an interesting paper on "Translations of the Bible in Latin America," and special music was rendered by Mrs. Steckman and Mrs. Guthrie.

A pleasant surprise was the addition to the program of a chorus by the girls of Mrs. Lowther's class.

Following the lesson, a delicious refreshment course consisting of sandwiches, cake, peach fluff and coffee, was served. Misses Lollie and Helen Shore and Miss Elizabeth Corbett assisting the hostesses.

Baker Buys Cafe

A. H. Morrison and wife, who have operated the Morrison Cafe and Hotel for the past several months, have sold the business to Omer Baker of Hereford and R. E. Johnson of Pampa, Texas.

Mr. Morrison will leave this week for Panhandle, Texas, where he will probably engage in rig building contracting.

STRAYED—to my place on B street, a red yearling bull, with white marks on the head. Robert Barrett. 12-2t

THE COUNTY FAIR
(Continued from page 1.)

garet Thompson, Jacqueline Pogue was given the first place and has the honor of representing Hereford at the district meet at Canyon Friday at 2 p. m.

Hill Garrison, Jack Sanders, and Marlin Gilliland contested for the first place in the junior boys declamation, with Marlin as winner.

The most interesting phase of the declamation developed in the senior contests. Lula Orr and Leona Bishop contested for senior girl's place and Baker Womble and T. Aubrey Cox for senior boy's place. Leona Bishop and Baker Womble will represent Hereford in senior girls and senior boys respectively.

All the contestants are worthy of the highest praise. They did well. Not the winning should be the end and aim, but the satisfaction of having worked hard and determined to win in itself does prove of inestimable value to these young folks.

Mrs. W. H. Raysor as county chairman, in the Spelling contest did fine work. The rural schools have now entered the League work. Much can, in the future, be expected from this field. The boys and girls entering were:

Senior Spellers: Raynold Ness, Summerfield; Ruby Combs, Fairview School; Elmer Patterson, Hereford; Junior Spellers: Inez Ott, Hereford; Weldon Purcell, Messenger School; Jewel Russell, Messenger School; Margazite Russell, Progressive School; Altie Hammer, Fairview; Lillian Parks, Summerfield.

It is hoped that in another year Deaf Smith county will be represented with rural essays, rural declamations and entrants in the various events in track.

For nine years Hereford High School has made itself vigorously felt in track work at the district meet. This year the team shows well in all the events. Hereford will put the shot well over 40 feet; vault over or near 10 feet; jump 64 inches; excellent time has been made in running the 100, 200 and 440 and the mile. Hereford will do the mile relay in 4 minutes and 30 sec. The following boys go as the eight from the high school to bring back the trophy cup now held by Hereford High: Paul Jewell, Ollie McMinn, Jack Chandler, Baker Womble, Paul Smith, Guy Gilliland, Harold Jackson and Glenn Witherspoon.

Methodist Missionary Society
 At the Methodist Missionary meeting for April 6 Mrs. Ashbrook took charge, Mrs. Potts, the president being ill. Mrs. Price was leader, choosing for the scripture lesson Isa. 47:1-7; 49:1-7. After the scripture reading Sister Beavers led in prayer.
 The first subject for study was a discussion of the Missions in San Antonio. Mrs. Harrison gave a splendid article on this. She was followed by Mrs. Jones. Mrs. Price then conducted a meeting of the regular "City Missions Board." Committees reported as follows:
 Mrs. Jones, Deaconess.
 Mrs. Parker, of the Kindergarten work.
 Miss Wyche gave the treasurer's report.
 Then followed detailed reports of the different committees, represented by the members of the society, making a very interesting and instructive lesson.
 The close of the program brought a general discussion on the American

Community. Brother Beavers gave a few well chosen words on this subject. Mrs. Ashbrook then presented her program for the following Wednesday. This lesson follows a line of very interesting Bible work and promises to be excellent.
 Mrs. Spratt completed her orphan fund at this date.
 The meeting was adjourned by repeating in concert the Lord's Prayer.
Program for April 20, 1921
 Hymn.
 Prayer.
 Subject—Jesus as a Missionary—the Lesson to US.—six minute talks.
 12. (Cana) Healing the Nobleman's Son—John 4:46-54—Mrs. Jones.

The Man Who Saves

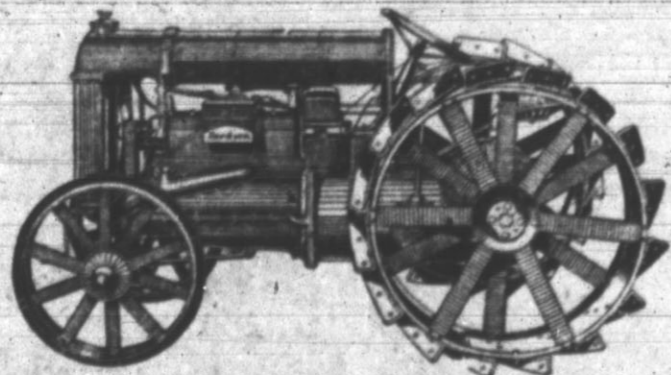

The man who spends less than he earns has learned the way to independence and success.

No matter what his income may be, he knows that he can arrange to live within it and save some surplus for his growing bank account.

When money is put aside regularly it grows with really surprising speed.

This bank helps thrifty people to save by paying 4 per cent interest on savings accounts, subject to usual regulation.

Fordson

A mighty valuable booklet just issued by the Ford Company. It is yours for the asking. Drop in and get one or drop a card or letter and we will mail you a copy free.

This book is not what the Ford Motor Company has to say about the Fordson Tractor, but what the tens of thousands of users have to say. Get the book! It is yours for the asking. Keep in mind the fact that behind every Fordson Tractor are all the resources of the great Ford Motor Company, likewise that reliable "Ford After-Service" which assures the keeping of the Tractor in working order every day in the year. Remember also that the Fordson Tractor, like the Ford car, is simplicity itself in design and construction; easy to understand and easy to operate. Come in and let us tell you more about it. It is more important to the farmer today than anything else.

BOY BEATS FATHER WHEN FEEDING COW

Leland Cayton is a member of Mr. Phillips Agricultural Class at the Normal. Leland has for his project a milk cow. His record started the first of January. During the first month Leland fed the regular ration that his father had taught him to give to a milk cow. His feed cost him fifteen dollars. The milk flow was sixty gallons for the month. Leland decided that fifteen dollars was too much for a cow to eat when milk was selling for thirty-five cents per bushel, so he worked out a "Book Ration." He cut the ration to twenty-eight cents per day and averaged his two gallons of milk during February. During March he gave his cow 124 pounds of cotton seed meal, 196 of Matee Chops, 496 of sorghum hay and 248 of alfalfa. His total feed cost for March was \$7.68. He paid himself ten cents per hour for his time and had a profit on his milk of 40c gallon, \$24.80. His total milk for March was 62 gallons or two gallons more than his fifteen dollars worth of feed produced during January. Mr. Cayton has not raised any serious objection to the new ration.—Randall Co. News.

JOEL

One of the enjoyable affairs that frequently occur in this community happened when about sixty-five of the neighbors and friends of O. L. Sharp and family dropped in on them last Thursday night just as Mr. Sharp was pulling off his shoes to go to bed. The crowd surely "put one by" that time and took them by surprise. Visiting and singing was the order until the ladies served fruit salad and cake and then more fun.

The families of Mr. Sharp, Mr. West and Mr. Dunn were at the home of Marshall Channess on last Sunday and enjoyed a good dinner of Mrs. Channess' excellent cooking.

Lester Galley and wife spent Sunday evening with the L. A. Smiths.

Ray Hershey's folks paid a visit to the home of Mr. Chas. Johnson Sunday evening.

This Friday evening will occur the school program planned by our teacher, Miss Walker. We know it will be worth going to hear. It always is.

Sunday School at the usual hour, two o'clock, on Sunday, the 17th. Following this, Bro. J. R. Sharp expects to be with us with one of his good sermons. Come and be with us.

The Governor of Nevada has signed a bill abolishing present forms of executing the death penalty in that State (hanging or shooting) and substituting the use of lethal gas. It is planned to turn on the gas while the prisoner is asleep, taking his life without his awakening.

A gift of bacon from Argentina to Austria arrived in Vienna in such a state of decomposition that it is unfit for use even for making soap. A Government investigation is in process in Argentina to determine the origin of the bacon and blame for its condition.

Public Take Notice
On account of selling out Sulphur Park for a club ground, all permits heretofore issued are cancelled and no one allowed on the grounds for fishing, recreation and camping purposes except stockholders.

The price of shares and the terms of payment are within the reach of all and a good investment. Hence take a share and help develop the best club ground in Texas.

NOTICE OF SPECIAL MASTER COMMISSIONER'S SALE

The District Court of the United States, for the Northern District of Texas, Amarillo Division, at Amarillo, Texas. WHEREAS, on the 26th day of March, A. D. 1921, in case No. 107 in Equity, wherein Cairo A. Trimble is Plaintiff and Mary L. Waller Res. et al are defendants, the said

Cairo A. Trimble recovered a judgment and decree against the defendant Mary L. Waller Res. for the sum of Twenty-three Thousand Nine Hundred Six and 60/100 (\$23,906.55) Dollars with interest thereon from date March 26, 1921, at 10 per cent per annum, and costs of suit, and a foreclosure of the Mortgage Lien on the hereinafter described property, situated in Deaf Smith County, Texas, against defendants, Mary L. Waller Res and her husband, B. M. Res, L. E. Stone, A. F. Stone, P. L. Stone (also called Ferris L. Stone) as in her own right and as executrix of the will of R. G. Stone, deceased, and A. C. Russell, and

WHEREAS, on the 4th day of April, A. D. 1921, an order was issued out of said Court directing me, the said Special Master Commissioner named in said Final Decree, to sell the hereinafter described property at the court house door in Deaf Smith County, Texas, at public outcry to the highest bidder for cash, on the first Tuesday in any month after advertising said sale once a week for four consecutive weeks in some newspaper published or circulated in said County; said sale to take place between the hours of 10 a. m. and 4 p. m.

NOW THEREFORE, by virtue of the authority vested in me by said decree and Order of Sale, issued out of said Honorable District Court of the United States for the Northern District of Texas, at Amarillo, on April 4th, 1921; by the Clerk thereof, in the said case of Cairo A. Trimble, Plaintiff, vs. Mary L. Waller Res. et al, defendants, No. 107 in Equity, and to me as Special Master Commissioner named, directed and delivered, I will proceed to sell, within the hours prescribed by law and in said final decree set out, on the FIRST TUESDAY in May, A. D. 1921, it being the 3rd day of May, A. D. 1921 of said month at the Court House door of Deaf Smith County, Texas, in the City of Hereford, Texas, the following described property, situated, being and being in Deaf Smith County, Texas, to-wit:

First Tract: All of Survey Number One Hundred Thirty-three (133) Block M-7, Certificate Number 1244, Patented to John E. Corwith, assignee of Bealy, Beale & Fordwood, Patent Number 45, Volume 59, containing 64.7 acres of land, and described by corrected field notes as follows, to-wit: Beginning at a pipe and stone the NW corner of a large flat stone set on edge in a mound between two old pits, the original SW corner of Survey One Hundred (100), Block K-3, as located by W. S. Mabry's re-survey in 1887; thence South at 72.2 varas cross Tierra Blanca Creek, course NE at 1906.5 varas a pipe beside a stone, for SW corner of this survey; thence N at 27 varas cross Tierra Blanca Creek, at 245 varas recross said creek and at 336 varas cross it again, course E at 1906.5 varas the beginning.

Second Tract: All of survey No. One Hundred Thirty-two (132), Block M-7, Certificate No. 1245, awarded to R. H. Norton, containing 65.16 acres of land, and described by corrected field notes as follows, to-wit: Beginning at a pipe beside a stone, the NW corner of Survey 131 for SW corner of this survey; thence N, at 27 varas, the center of Tierra Blanca Creek course NE at 245 varas, recross said creek course NW and at 336 varas cross said creek again, course E at 1906.5 varas a pipe beside a stone for NW corner of this survey 80, block K-3, at 1905 varas a pipe beside a stone, the NW corner of Survey 131 for NE corner of this survey; thence S at 87.5

varas cross Tierra Blanca Creek, at 1490 varas, cross F. V. & N. T. R. E. at 1528 varas the beginning; being all of said survey No. 132, except the right of way of Peasa Valley & Northern Texas Railroad across SE corner of said survey.

Said property levied on this the 5th day of April, 1921, as the property of Mary L. Waller Res. and her husband, B. M. Res, L. E. Stone, A. F. Stone, P. L. Stone (also called Ferris L. Stone) as in her own right and as executrix of the will of R. G. Stone, deceased, and A. C. Russell, to satisfy a judgment and decree in favor of Cairo A. Trimble against the defendant Mary L. Waller Res in the sum of \$23,906.55, with 10 per cent interest thereon from March 26, 1921, and costs of suit and a foreclosure of Mortgage Lien on said land against all of said defendants.

GIVEN UNDER MY HAND, this the 5th day of April, A. D. 1921.

BOLLIE H. SCALES,
Special Master Commissioner Named in said Decree and Order of Sale. 11-44

THE STATE OF TEXAS

County of Deaf Smith.
Whereas, on the 28th day of March, 1921, a petition was presented to the Board of Trustees of the Hereford Independent School District, for an election on the question of authorizing a Tax of and at the rate of not exceeding one (1) dollar on the \$100 valuation of all taxable property in said district for the purpose of supplementing the State School Fund apportioned to said district, said petition bearing the requisite number of signatures of property taxpayers of said district and being in every respect in conformity with law;

Now therefore, Be it ordered by the board of trustees of the Hereford Independent School District that an election be held at the Deaf Smith County Courthouse, in the town of Hereford in said Hereford Independent School District on the 30th day of April, 1921, to determine whether the Board of Trustees of said district shall have the power to annually levy, assess and collect a tax upon all taxable property in said district, for the support and maintenance of public free schools in said Hereford Independent School District, of and at the rate of not exceeding One (1) dollar on the \$100 valuation of all taxable property in said district; such tax, if voted, to be levied and collected for the year 1921 and annually thereafter unless discontinued as provided by law.

E. T. Woodburn is hereby appointed manager of said election, and he shall select two judges and two clerks to assist him in holding the same.

None but property taxpayers voters, who are otherwise qualified to vote in the Hereford Independent School District, shall vote at this election.

Those favoring the tax shall have written or printed on their ballots the words, "For the Maintenance Tax," and those opposed to said tax shall have written or printed on their ballots, "Against the Maintenance Tax."

A copy of this order signed by the president and attested by the secretary of this board shall serve as proper notice of said election, and the president shall cause notice of said election to be given in accordance with law.

G. A. F. PARKER,
President Board of Trustees of said Dist.
Attest: Mrs. B. F. Guthrie, Secretary of (SEAL) Board of Trustees of said Dist.

Why We Are Strong for Willard
We've seen a lot of batteries, but never another like the Willard Threaded Rubber Battery.
Threaded Rubber insulates the plates instead of separating them the way wood separators do.
No carbonizing, puncturing, checking or cracking, because Threaded Rubber Insulation retains all the valuable insulating qualities of rubber and is not affected by acid.
That's one reason why we're strong for Willard Threaded Rubber Batteries.
Electric Service Co.

GOVERNOR NEFF'S EXPLANATION

There has been so much interest manifested in Governor Pat M. Neff's son on four measures passed by the recent legislature, known as Senate Bill No. 111, House Bill No. 261, Senate Bill No. 193 and House Bill No. 154, and so much criticism directed at him in West Texas for his veto of two of these measures that The Brand reproduces below the proclamation by the Governor concerning the four bills, and his reasons for approval of two of them and veto of the other two:

Governor's Office, Austin, Texas
April 1, 1921.
PROCLAMATION BY THE GOVERNOR OF THE STATE OF TEXAS, IN REGARD TO SENATE BILLS NO. 111, HOUSE BILL NO. 261, SENATE BILL NO. 193, AND HOUSE BILL NO. 154.

The Honorable Secretary of State, State of Texas:
The Legislature of this State which adjourned on the 12th day of March of this year, and finally for my approval or disapproval, among many other bills, four very significant and important educational measures, namely:

I. A bill carrying an appropriation of \$1,500,000.00 to purchase additional lands for the University of Texas.

II. A bill appropriating \$3,000,000.00 to supplement the Available School Fund for the fiscal year ending August 31, 1922.

III. A bill making an appropriation of \$4,000,000.00 for the aid of rural schools for the biennium beginning September 1, 1921 and ending August 31, 1923.

IV. A bill appropriating \$50,000.00 with which to establish an Agricultural and Mechanical College in West Texas.

FOR AN EDUCATIONAL PROGRAM
As a private citizen and as Governor of this State, I am for the cause for the promotion of which all four of these bills speak. They deal with the problem of education. They look to the making of a better citizenship. I am for education in all forms, at all times, and everywhere. The best use a government can possibly make of its money is to invest it in the boys and girls of the country. I am for more efficient teachers, better school houses, and greater educational advantages. Happy am I always to assist in carrying out an enlarged educational program.

CONDITIONS GENERALLY
Incumbently important, however, as is education, prudence prompts us to study these bills in the light of present financial conditions. The economic situation through a period of business transformation. The people are pioneering amid new conditions. The financial future is uncertain. We should not, at this time, inaugurate new enterprises requiring increased expenditures, nor should we lay additional tax burdens on the backs of the people.

TEXAS REVENUES AND DISBURSEMENTS
A careful consideration of the financial affairs of the State discloses the fact that the anticipated maximum income of the State accruing to the benefit of the general fund from all sources, for the two year period under consideration, up to the full limit of our facilities for raising revenue will be approximately thirty-two million dollars. I have vetoed bills aggregating something over a million dollars, leaving in round numbers \$12,000,000.00 to be paid out of this fund. The regular appropriation bill for the running expenses of our state institutions for these two years has not as yet been passed. The Legislature will be shortly reconvened for this purpose. The minimum estimate for the support of the government, including educational and eleemosynary institutions, courts, etc., is \$28,000,000.00. Adding this \$28,000,000.00 to the \$12,000,000.00 already appropriated amounts to \$40,000,000.00. In short, we have in prospect only \$32,000,000.00 in money with which to meet an expense account of \$40,000,000.00. Our expenses must be kept within our revenues. Appropriations should not be made beyond the State's available ability to pay. Taxation should not be increased.

THESE FOUR BILLS
These four bills under study carry an aggregate appropriation of \$8,400,000.00 which amount is included in the \$40,000,000.00 above stated. The \$28,000,000.00 for the actual running expenses of the machinery of the government, including all state departments, all our

courts, eleemosynary and educational institutions, must necessarily first come out of our \$28,000,000.00. This will leave for the purposes of these four bills, in round numbers, \$4,000,000.00, instead of \$8,400,000.00 required by said four bills.

THE UNIVERSITY BILL
What is the wisest way to use this \$4,000,000.00, all the money we will have, in view of the demands of these four bills, is the question that now knocks at the door of our thoughts for solution. Senate Bill No. 111 appropriates \$1,500,000.00, with which to purchase additional lands for the University of Texas. There is no doubt that the University should have more land than it now possesses. The Senate and House, by almost unanimous vote, said that now is the time to purchase all the land provided for in this bill. I am now called on to approve the bill providing for the purchase of all the land, or to disapprove it and prevent the buying of any land. The purchase of this land will fix forever the habitat of this seat of learning and will eliminate the possibility of its life from future political discussion; it will make immediately available the Littlefield donation of upwards of a million dollars, which sum being saved to the people of Texas, offsets an equal sum of the purchase price of this land. For the reason that this million dollars from the Littlefield estate would be lost to the State if this bill should be vetoed. The property to be purchased by this bill will bring an annual rental of approximately one hundred thousand dollars a year, which money can be used in removing the "shacks" that now disgrace the University campus, and substituting therefor permanent buildings in keeping with the dignity of the State; it will be a permanent investment in the culture of the manhood and womanhood of Texas; it should also be remembered that this is the first appropriation ever made from the general revenue of the State for the permanent improvement of the University. Therefore, Senate Bill No. 111, providing for the purchase of additional land for the University of Texas, is hereby approved.

THE TWO APPROPRIATION BILLS FOR THE PUBLIC SCHOOLS
House Bill No. 261 and Senate Bill No. 193, carrying respectively \$3,000,000.00 and \$4,000,000.00 appropriations for the general benefit of the public schools of Texas, are both meritorious measures. The common purpose of each is laudable. Scarcity of available money will not permit, at this time, the approval of both. That there will not be sufficient money coming into the State Treasury to give all the aid intended to our public schools is a matter I deeply regret. "It is a condition and not a theory that confronts us." Therefore, I do now hereby approve House Bill No. 261, appropriating \$3,000,000.00 to supplement the Available School Fund, and do now hereby disapprove and veto Senate Bill No. 193, appropriating \$4,000,000.00 to further aid certain public schools for the following reasons:

There is not sufficient money available to carry out the provisions of both bills; financially, the three million dollar appropriation can be more easily met than the four million dollar appropriation; the three million dollar appropriation is constitutionally and automatically distributed, without any additional cost whatever, into every nook and corner of the State, while the distribution of the four million dollar appropriation will entail an expenditure, in addition to the twenty thousand dollar provision in the bill for research work, of approximately one hundred thousand dollars; the three million dollar appropriation benefits every community in Texas, according to scholastic population, while the other appropriation has exclusive limitations and benefits only a certain class of schools; there is no other source from which the available funds can be supplemented except as provided by this three million dollar bill, while school districts can avail themselves

of the purposes aimed at by the provisions of the four million dollar bill, by voting the tax provided in the Constitutional Amendment adopted by the people at the general election last November. So heartily, however, am I in favor of adequate appropriation for the public schools of the State, that I desire here to record that, if the special session of the Legislature finds that money can be had from any proper source, above the necessary running expenses of the government, I shall gladly join in making an appropriation of not only the four million dollars hereby vetoed, but for any other reasonable amount the State is financially able to appropriate without increasing the taxes of those bearing the burdens of the government.

THE WEST TEXAS A. & M.
House Bill No. 154 has for its purpose the establishment of an Agricultural and Mechanical College in West Texas. This bill is hereby disapproved and vetoed, for the following reasons:

1st. The advisability of establishing at this time a West Texas Agricultural and Mechanical College was passed on by the State Democratic Executive Convention at Fort Worth last September. A resolution recommending that this college be established by the present Legislature was rejected by the form committee and later vetoed down by the Convention. That a Democratic administration should do the thing it was asked not to do by the State Democratic Convention, does not seem to me to be the wise and prudent thing to do. In accepting the nomination of this Democratic Convention, as Governor, I pledged myself to abide its dictates; now, to do what it refused to endorse, after full and free discussion, would not only not be right, but such action would be fundamentally wrong. When a political party speaks as to a matter of policy or expediency, the administration created by that party should adhere to the party instructions, this is not the time to lay new foundations for State institutions. Things are now uncertain and unsettled. Our people are financially hard pressed. The settlement are protesting a state of semi-bankruptcy, whereas are cheap, there is no market for sheep, cotton is below the price of production, and the closing of some bank is almost a daily occurrence. We should not now, while every business in the State is standing with its back to the wall, fighting to live, lay the foundations of new institutions. Neither in public nor private business should foundations for new institutions be laid, unless we can see our way clear to complete them. Years ago the State laid the foundations for two educational institutions at two different places in Texas, and as yet the State has never built upon the foundations laid. I should certainly question the wisdom of beginning another similar institution anywhere in Texas, as provided for in this bill, until such a financial condition to do so, and until times have become normal.

All four of these bills were passed by the House of Representatives and the Senate of Texas together constituting the Legislature of this State. The Legislature is a branch of the government co-ordinate with the executive branch thereof. Out of regard for their judgment as to the policies of our State, as well as because of the merit of the cause these bills were intended to promote, it would have given me pleasure to have avoided the choice among said bills that necessity compelled me to make. I recognize that the members of the legislative branch of our government perform their duties under the same anxious and obligations that bind me. To authorize me, as governor, to run counter to their collective judgment as expressed in legislation, is only the soundest reasons can justify. Especially in this case when not only the cause approved by my heart applauds the cause in behalf of which such legislative judgment is expressed. Upon the return of the legislators to the coming called session, it shall be my pleasure to join them in the solution of the financial difficulties that compel me to endorse their part of their action and to reject the other, provided it can be done without increasing the taxes of those already bearing the burdens of the State. I had no alternative but to choose among the four bills. I have exercised that choice after days and nights of anxious thought and desire to do the best thing, under all the circumstances, for our people. Therefore, by the authority vested in me by the Constitution and laws of the State of Texas, I hereby approve the bills so above referred to as being approved, and hereby veto the bills so above referred to as being vetoed.

PAT M. NEFF, Governor.

Better Than "Merely Good"

Of flour we are critical—and why not be—for nothing is better than the best flour. You'll be surprised how quickly you will note the difference between "GREAT WEST" and other flours that are "merely good." It is pleasing to know that you know the best, and it is a joy to know that you use the best.

AUCTION SALE

of Registered and High Grade

JERSEYS

CANYON CITY, TEXAS

Saturday, April 16th, 1921, at Foster Barn, 1:00 O'clock

At the solicitation of some of the Purebred Breeders of Canyon City, who are interested in better Dairy Stock, we are selling a carload of Real DAIRY COWS on the above date. This is a choicely selected offering of REGISTERED AND HIGH GRADE JERSEYS of Popular Blood lines. Almost the entire offering are FRESH or HEAVY SPRINGERS and ready to go to work.

Now this is not a "good, bad and indifferent bunch;" but we have selected them with but one object—"Take good ones or none." There are no culls in the bunch, and, while they are only in medium flesh, we believe you will agree with us that they are the kind that will make you money and make friends for the Jersey Breed.

Remember Date Saturday, April 16th, 1:00 O'clock

(For Further Information see C. F. Walker, County Agent)

BAYLOR COLLEGE CHORAL CLUB IS BILLED APRIL 19

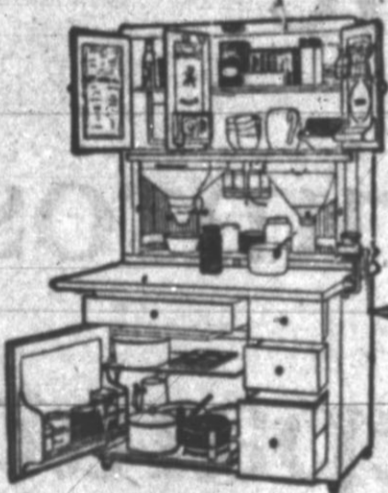

The fifth annual Choral Club of Baylor College, under the direction of Mrs. Allie Coleman Price, mezzo soprano, will give a recital in the Methodist Church Auditorium on April 19 at 8 o'clock.
Mrs. Pierce, director, has both trained and sung in many New York and Chicago choruses, and many complimentary press notices have followed each performance. Under her leadership the chorus of twenty-eight voices is developing into one of the most representative clubs of the South.
Miss Verma McMahon, a pupil of Dr. T. S. Lovette and an assistant in the piano department of Baylor College, will act as accompanist of the club.
Miss Beatrice Doyle, flutist, comes from a family of musicians and is the owner of a beautiful silver flute. She has displayed unusual musical ability, having played on numerous occasions during the year.
Miss Cleo Dawson, reader, and a Post Graduate of the Expression Department, has proven her genuine histrionic ability because of the charming way in which she read, "The Servant in the House," by Charles Rann Kennedy, in her graduation recital last spring.

Miss Virginia Wiley, a student of Dr. Lovette, is piano soloist of the club. Miss Wiley proved herself a performer of admirable accomplishments in her recent post-graduate recital, and has received numerous requests to appear on various programs.
Reserved seat sale open Monday noon, at the Ford Garage. Tickets, \$1.00.
Hereford Produce Co. is the largest in the Panhandle, barring Amarillo. We make the prices, see us before you sell.
Hereford Produce, I. H. Spratt, Mgr.

PICTURE SHOW TO ASK PROTECTION FROM ROAD SHOW

Manager Ralph Johnson of the Theatre stated at Monday's luncheon that efforts would be made by F. Wick Bros. to keep the theatre during the coming months, if the tonnage justified the expense, otherwise they would be compelled to close. He asked that the Chamber of Commerce take action of some sort to keep road shows, etc., out of town if the people really want a first class picture show.
A committee composed of M. Johnson, D. F. Ashbrook, of the Commission, and Seth B. Holt, Secretary of the Chamber of Commerce, was appointed to draft an amendment to the present state governing such matters and to make an effort to have it adopted at the coming special session of the legislature.
