## Damages Small In Friday Accident

There was \$25 worth of damage done in an accident on Main Street, 35 feet North of Second and Main, Friday afternoon, Nov. 19, at 6:12 o'clock, when a 1951 Chevrolet pickup, driven by Tiofilo Castillo of O'Donnell, and a 1949 Oldsmobile, driven by Melvin Daniel Howard, collided.  
The Oldsmobile was the only vehicle damaged in the mishap.  
The collision occurred when Howard was going South on Main and was slowing to stop for the red light at Second and Main. Castillo was backing out from the curb and backed into the right back fender of Howard's car.

Also appearing in County Court Wednesday was Severo Gomez, who plead guilty to DWI charges filed Nov. 13. Gomez got a \$50 fine and costs, plus eight days in jail. He was also given credit for time already spent in jail by Judge Schloss.

## Helen Markham And James Ellis Higgins United In Church Rites Here Sunday

In a single ring ceremony read Sunday afternoon at 3 o'clock in the First Baptist Church here, Miss Helen Markham became the bride of James Ellis Higgins with the Rev. Howard Scott reading the marriage service.

The bride is the daughter of Mr. and Mrs. B. F. Markham of the Rhea Community. Mr. and Mrs. Jas. R. Higgins are the parents of the bridegroom.

Vows were spoken before the altar against a background of gold tulle with garlands of fern and white chrysanthemums, and Emerald Palms, centered by a nine-branched candelabra holding pyramiding white tapers accented with clusters of white wedding bells. Double seven-branched candelabra flanked the white wrought iron lattice screen which backed the nuptial space with fan-shaped arrangements of white stock and chrysanthemums at either side.

Mrs. Howard Scott, organist, and Jimmy Markham, vocalist, cousin of the bride, provided the wedding music. Mr. Markham sang "Because" and "Indian Love Call" and "The Lord's Prayer" at the conclusion of the ceremony, accompanied by Mrs. Scott. Clair De Lune was played softly as vows were spoken and the traditional processional and recessional marches were used.

Sisters Are Attendants — Mrs. Bob Raymond and Mrs. Jim Spencer attended their sister as brides-matrons and Miss Ruth London was bridesmaid. Mrs. Joe Lyons was matron of honor. Their dresses were fashioned in ballerina frocks of tulle with the bridesmaids in green and the Hon- or matron wearing bronze. All wore pearlized head caps and carried arm bouquets of bronze chrysanthemums.

Linda London, niece of the bridegroom, and Marsha, Carol Markham of Amarillo, were flower girls. They wore dresses of bronze tulle made similar to those worn by the bridesmaids and carried white satin baskets of rose petals.

Hilton Higgins served his brother as best man and ushers were Joe Lyons, Gene Moore and Cameron Gault.

Wears Lace and Tulle — Given in marriage by her father, the bride wore an original gown of Chantilly lace and tulle over slipper satin. The dress was styled with a strapless bodice, over which was worn a lace jacket

finished with small lace collar at the low neckline, and long sleeves which came to points over the hands. The full skirt of tulle was accented at the hipline with a band of rose medallions matching the pattern of the lace jacket, and was supported by hoops. Her veil of illusion was joined to a half-hat of lace to match the lace jacket. She carried a bouquet of white Finch rosebuds surrounding a single white orchid streamered with white satin ribbon and stephanotis. Her only ornaments were a matching band of pearls and earrings, the gift of the bridegroom.

The bride's mother wore a charcoal silk dress with pink and gray accessories and a pink rosebud corsage.

The bridegroom's mother wore brown lace over tulle with brown accessories and yellow rose corsage.

### Reception In Church Hall

Following the wedding the bride's parents were hosts at a reception given in the Church banquet hall. The bride's table was laid with a white satin floor-length cloth garlanded with hands of bronze net caught at the corners with corsages of bronze chrysanthemums. The table centerpiece was of bronze and gold mums and the tiered wedding confection featured touches of gold.

Mrs. Hilton Higgins and Mrs. Walter London presided at the table and Mrs. Frank Markham of Amarillo secured signatures for the bride's book of names. Mary Ann Young provided informal piano music.

When the couple left on a honeymoon trip to Galveston and other Texas points, the bride was wearing a brown flannel costume suit worn with tangerine hat and brown lizard accessories. Her corsage was the orchid detached from the wedding bouquet. After December 1 the couple will make their home in Hereford at 111 B. Avenue F.

The bride attended Tulla schools but was graduated from Hereford High School. She attended West Texas State College and is employed at the First National Bank.

Mr. Higgins is a graduate of Hereford High School and is a 1951 graduate of Texas A&M College. He served two years in armed service and is presently engaged in farming with his father.

What points the way? There are a number of things... First of all good agents represent good insurance companies... Next, the good agent is always anxious to render services which are unusual but essential to the insurance welfare of his policy holders. He knows how to build a good insurance program... He is not after just the expiration dates on your present policies. He is willing to advise first before you buy... The services of a good agent cost no more, in most cases, it costs you less. **Streu's Diary**

DEAR DIARY:

I've lived on the Plains since 1912, and I fail to remember any Fall as beautiful as this Fall has been—the trees were more colorful, the leaves lasted longer, and there has been less wind than I can remember. And yet there is always a sadness about Fall that bothers me—deep inside, like a twinge of conscience—seems that there should be something that I missed doing last Summer—perhaps I also notice that the Falls come earlier than they used to—could that be caused by advancing years—Heaven forbid!

Now down to business—Jean has made some displays of new candles, lovely and beautiful candles, brand new ones that are ideal for Thanksgiving and Yule decorations—get yours while the assortment is complete—I warn you because we just don't buy too many of any of these specialty candles.

Got a lot of fine items for Thanksgiving like turkey platters and plates—aluminum and granite roasters—and those ever-lovely Magnalite roasters—several sizes from roast size to the largest turkey size—and carving sets by Case and just everything to make the preparation of your holiday season meals easier and easier. Always shop Streu's for the latest in cooking gadgets—if we don't have them, we'll get them as soon as available.

Our TV sales are booming—more and more people are buying RCA Victor television—because it is just the best and finest television receiver on the market—

don't take my word for it, consult the Consumer's Digest—see the summer's Guide. And, your just might get a peep at your neighbor's RCA set. We do welcome inquiries and are glad to let you try a set for 3 or 4 nites in your own home—no obligation whatsoever. Just try RCA Victor television and you'll never be satisfied with anything less!!

Still have a few of the Glenn Miller Limited Edition No. 2 in RCA 45's and 33's. May be able to replace these when gone—and maybe not—best you should get yours now. Gosh, they make delightful Xmas gifts that last and last. Lots of other records, too—and record players priced from \$20.95 to \$309.95. Plus some brand new models in table radios and portable radios—all in the outstanding RCA Victor quality and style.

I note that we have fresh painted curbs and parking lines on the main drag and side streets. Amazing how much cleaner a bit of paint makes the town appear. I am sure that motorists will appreciate having some indication of the angle at which they are supposed to park.

Quite a discussion at the Merchant's meeting this morning about out-of-town peddlers, sales men, and solicitors—seems that there are hundreds of dodges used and Hereford seems to bear out the old saying that "A fool is born every minute." Housewives beware!!

"NO MOUSETRAPS ALLOWED!" This little fellow was one of a litter of three, the other two were larger, however; they weighed around two ounces each. Their mother weighed around four pounds, Mr. Shelton said. (Staff Photo)

She described scenic spots, land marks, its gold mines, some in existence since the

## Thanksgiving Recipes From Files of Mrs. Gerald Hale

The Thanksgiving mood is usually reflected in the food served all during the month of November with many old-fashioned recipes coming to the table along with new favorites. The traditional holiday meal with several kinds of meat, two or three kinds of desserts and the table laden with vegetables and salads has given way to a simpler festive board, interesting because of contrast, variety and balance of food.

The old tried-and-true rules of menu building for formal dinners are elaborate enough for Thanksgiving. If you serve any sort of appetizers, see that they stimulate instead of satiate the appetite. A clear, high-flavored soup and an acid rather than a sweet cocktail should precede the main course.

The main dish will be meat, fish or game with both gravy and dressing, for this dinner. There should be only one starchy vegetable and one leafy green or watery vegetable with the main course and a light salad. The dessert can be light or heavy, depending on the preceding courses. We think one may break over a bit on Thanksgiving, as any dessert type

cal of the day is apt to be on the heavy side.

Here are some recipes Mrs. Gerald Hale likes to use at Thanksgiving time and all during the year, but they are especially appropriate for the holiday season. Some of these recipes are traditional in her family.

**The \$100 Cake**  
 1/2 cup butter  
 2 cups sugar  
 3 squares of chocolate  
 3 eggs separated  
 2 cups all-purpose flour  
 1/2 teaspoon salt  
 2 level teaspoons baking powder  
 1 1/2 cups sweet milk  
 2 teaspoons vanilla  
 Cream sugar and butter, add melted chocolate, well beaten egg yolks and vanilla. Sift dry ingredients together 3 times and alternate with milk to sugar and egg mixture. Fold in egg whites beaten stiff. Bake in layers in 350-F degree oven 35 to 40 minutes.

**Icing**  
 1 pound powdered sugar  
 1 teaspoon vanilla  
 2 oz. melted chocolate  
 1/2 cup butter  
 1 whole egg (well beaten)  
 1 cup nuts  
 1 teaspoon lemon juice  
 Melt butter and chocolate over

**ORDERS IS ORDERS**—The Army decreed that swimming pools at Fort Hood, Tex., should remain open through the last day of October, and that they did, although the swimmers, with fall in the air, stayed away in droves. Since the pool was officially open, there had to be a lifeguard. So you see Pfc. Robert E. Fojut of Milwaukee, Wis., wrapped in a blanket and sitting in chilled, official dignity over the empty pool. hot water, add beaten egg and beat in sugar until smooth and creamy. Add vanilla, lemon juice and nuts. Spread between layers and over top and sides of cake.

**Hamburger Dinner**  
 1 pound hamburger meat  
 salt, pepper, chili powder and a dash of tomato catsup  
 sliced carrots  
 sliced potatoes  
 sliced onions  
 sliced cabbage  
 Make hamburger patties and place individually on squares of aluminum foil. Season patties with salt, pepper, chili powder and catsup. Arrange a few slices of each vegetable on top of each seasoned patty. Season vegetables with salt and pepper and seal foil. Bake in 350-F oven for one and a half hours.

1/4 cup dry bread crumbs  
 1 tablespoon dry mustard  
 1/2 tablespoon salt  
 1 tablespoon brown sugar  
 dash of pepper  
 Mix together and roll chops in this coating.  
 4 tablespoons fat  
 Brown coated chops on both sides in hot fat in skillet.  
 1/2 cup hot water  
 2 tablespoons Worcester'shire Sauce  
 Mix and pour over chops in skillet and cover quickly.  
 Leave burner on high until steam escapes, then turn fire to lowest point and cook slowly 45 to 60 minutes.  
 And now for the traditional pumpkin pie—and she gives you the pastry recipe too. This makes two pies.

**Pumpkin Pie**  
 2-3 quart pumpkin  
 1 2-3 cups sugar  
 3 eggs beaten with sugar  
 1 1-3 teaspoon cinnamon  
 1-3 teaspoon ginger  
 1-3 teaspoon cloves  
 pinch of allspice  
 1 pint of milk  
 Mix all together and pour in two nine-inch pastry shells and bake fast in hot oven until crust is set, then bake 60 minutes at 325-F degrees.

**Hot Water Pie Crust (Makes 2 crusts)**  
 1/2 cup shortening  
 1/4 cup boiling water  
 1 1/2 cups flour  
 1/2 teaspoon salt  
 1/2 teaspoon baking powder  
 Put shortening in mixing bowl and add boiling water mixing with a fork. Sift dry ingredients and, using fork, combine with shortening mixture. Let cool one hour before rolling.

## Texans In Washington

By Tex Easley  
**AP Special Washington service**  
 WASHINGTON, NOV. 15 (AP) — Rep. Walter Rogers of the Texas Panhandle says the Republicans are fouling up the postal system. The Texas Democrat minced no words in criticizing changes the Eisenhower Administration has made in the Post Office Department. The subject was uppermost on his mind when a reporter visited him in his office.

"They've done a great injustice to thousands of farm and ranch families in what they labeled economy," Rogers said. "They claimed at first they were going to save a million dollars a day through reorganization of the department. Actually, during this Republican - controlled 83rd Congress we appropriated a total of \$5,587,127,100 as compared with \$5,134,600,000 during the preceding two-year 82nd Congress. That's an increase of nearly a half billion dollars, more than a million dollars a day."

Abolishing hundreds of fourth-class post offices over the country brought great inconveniences and added expenses to a large number of the people they had been serving, Rogers asserted. "Out in the Panhandle, for instance," he continued, "there are many, many cases where a rancher now has to drive 20 to 30 miles or more to get to the nearest post office, for some of the postal services that are not rendered by the rural mail carrier. Formerly they would have to drive only two or three miles to a fourth class office."

These fourth class post offices, Rogers said, often also were the heart of the community and thereby rendered a service that cannot be evaluated in dollars and cents. "I expect some of these changes they have made calling for transportation of mails by bus and by truck rather than by train are likely to cause confusion and delays during this coming Christmas rush."

"I have in mind the hauling of mail between Amarillo and Lubbock. I am not carrying a brief for the railroads, but when they are doing the job they can put on an extra baggage car if needed. If they try to haul it all by truck or bus this year, as I understand they will, they may run into a lot of trouble. Ice and sleet and snow could throw them completely off schedule."

### AROUND THE CAPITAL

The other day Rep. and Mrs. Rogers were showing one of the constituents, State Sen. Grady Hazelwood of Amarillo, and Mrs. Hazelwood about the capital. Their tour was interrupted by screaming police sirens as they drove through Rock Creek Park. It turned out the police were escorting a long black limousine bearing an U. S. and Japanese flags on the front fenders. Premier Yoshida of Japan also was sight-seeing in Washington, with the benefit of the royal treatment this government gives visiting foreign dignitaries.

### When Your Hair Turns To Silver

By Vivian Brown  
AP Newsfeatures Editor  
Who ever thought we'd see the day when gray hair would be glorified? But it is. More and more young people have adopted a silver curl here or there, much to the consolation of older women who acquire gray hair in the course of normal events.  
This holiday season we'll be on the silver as well as the gold standard in coiffures. The older woman who chops her hair to a smart hairstyle will find that she will be in the swim with "the girls." These days with a working world of women in various age groups it is easy to slide in to the youth bracket with a chic hairdo and wardrobe.  
There is a difference however, between neatly coiffed silver locks and drab gray hair. If you are one of the thousands of women who have gray or snowy white

HOLIDAY GLAMOR... A home permanent wave can put the older woman on the charm beam.

hair, examine your grooming inventory. Do you devote regular, not just spur-of-the-moment attention to personal grooming and care of your hair? Do you experiment with flattering hair styles, avoiding extremes, keeping your hair lift to simple but not too-extreme lines? A little curl on the hair ends can do wonders, and if you're one of those women who rejects beauty parlors for fuss-up periods, give yourself a home permanent wave. Some are designed especially for silver hair. One permanent wave kit makes it especially easy even for lazy glamor girls. All you do is wind the curls, apply a gentle cream lotion, rinse and let the hair dry. A self-neutralizing feature cuts down the waving time, giving soft shining waves. These days with brightening ingredients in the home permanent there is not so much danger of hair discoloration. All you need is a good haircut and you're all set.

### Negro Enrollment At Wayland Cited As 3-Year Example Of Desegregation

PLAINVIEW, TEX. (AP) — Desegregation has been a fact for three years at Wayland College, a 45-year-old Southern Baptist school here.  
In 1951, students, faculty and the board of trustees voted to admit Negroes on the same basis as all students.  
This fall, among the 450 students are 11 Negroes from Texas, Louisiana, Nigeria and the Bahamas Islands, according to President A. Hope Owen, who was a member of the Board of Trustees when the color line was removed in 1951.  
Two seniors receiving degrees in 1954 were George May and Bonnell Williams, of San Andres Island, Columbia, South America, who were among the first Negroes to enter after newspapers heralded this unprecedented action by Southern white colleges. They have returned to their homeland as teachers and preachers. They, like six of the currently enrolled Negroes from Nigeria and Bahamas Islands, are products of Southern Baptist mission schools.  
The constant and challenging demand of white Southern Baptist missionaries in Nigeria and South America for admission of graduates of their schools was a great factor in the decision of the then president, Dr. J. W. Marshall, to present the matter to a referendum by students, faculty and the Board.  
Stormy sessions of the Board resulted, but the vote carried with all groups. Summer students in 1951 associated on equal academic basis with Negroes for the first time in their lives. These Negroes were teachers in schools of the area who would have run into great expense and inconvenience in getting to an all-Negro college in order to meet new certification requirements of the Texas Education Agency.  
The majority of Negro students who have enrolled in Wayland College indicate they want to pre-

pare for the teaching and medical professions or for the ministry.  
As students the Negroes' academic records are comparable to the college average. In recent terms, Mrs. Marvell White, a graduate of Amarillo College, which has admitted Negroes for several years, was top honor student with an "A" average. She is a teacher and mother of teen age children.  
In student affairs they take their share of honors and responsibility. One of the Columbians was voted "class favorite," a top popularity honor. Several belong to choral groups and sing in local white Baptist churches but careful inquiry is made before one is taken outside Plainview for a public appearance. In increasing number, invitations to speak or sing before white church and civic groups throughout the Panhandle of Texas are being extended to the Negro students. They become members of local white Baptist churches to which the majority of Wayland students belong and they take part in all activities of the churches.
