

Forty-eighth Year—Number 28

Warning to the people on Miles Avenue and blocks adjoining: If you suddenly hear a Prima Donna Voice break out in faltering soprano tones, it will only be Jack Wright practicing.

Jack became suddenly interested in music last Sunday night, when an operator called ahead of the 6 o'clock "Stop the Music" program and told him to be sure and be ready. Three songs were played and they called Jack on the telephone asking for the titles; if he got the first round, he would have received a chest of sterling silver, and a chance to compete for the second round which offered prizes totaling \$12,000, featuring a new automobile, a diamond ring, \$1,000 in bonds, etc.

Well, you know Old Jack. He listened to Mrs. Wright and Jackie on the first two songs and came up with the correct answers, but on the third song Mrs. Wright and Jackie failed to agree; Mrs. Wright said "Dicky Bird Song," and Jack repeated it before Jackie could yell out that it was the "Woody Woodpecker Song." Considerable argument followed, no doubt, but they are all feeling better over having won two dozen sheets and pillow cases, along with a chest of Old Gold cigarettes.

After all, who would expect Jack to know about dicky-bird tunes?

Kink No. 1
ON THE SUNDAY BRAND
Now, I subscribed for The Sunday Brand in good faith. Well, Sunday morning when I stepped out for milk, there was the paper. It was such a pleasant surprise, I just set down the milk and thought I would glance at the headlines, and I got so interested I almost missed church. And that is something I never do. My bad start, but continue the good work. Best wishes for success.
"No kin to Mr. Bootleg Philosopher; not even acquainted."

The reader did not sign a name, but we will assure her (or him) that she (or he) was no more surprised at The Sunday Brand than were we at the surprise ending of the above letter.

This looks like a good spot to express appreciation for the many kind remarks from readers of The Sunday Brand. Thanks a lot to all of you have been so nice. We hope you really mean it.

Just to prove that people are swimming-pool conscious, here is a sample of conversation overheard in a cafe the other day when Mrs. Marie Angelo said she loved too far away to walk to town all of the time, and someone suggested that she get a motor scooter:

"I would look on a scooter about like I would look in a bathing suit," said Marie. When asked if she did not intend to swim, Marie said that she would probably be an interested observer.

Sam McLallen must have been reading a 25-cent edition of "Practical Franks" if we are to judge by his current blanket promotion at J. C. Penny Company. Entering, one walks over a wool

Janssen Funeral Held In Oklahoma

Funeral services for Henry Janssen, age 61, were held in Hobart, Okla., Wednesday under the direction of The Gist Funeral Home there.
Mr. Janssen, a farmer, had lived in the Hereford community for the past 12 years. He died in the Deaf Smith County Hospital following a brief illness.
He was a native of Germany until he came to the United States at the age of 19 years. He came to Hereford from Hobart in 1936.
Survivors include two daughters: Mrs. Louise Carlson of Hereford and Mrs. Leonard Kurshalls of Colorado, Neb., and a son, A. H. Janssen of Hereford, nine grand children and six great grandchildren.

Citizen Protests Removal Of Trees From Court House Lawn

"So you want to be a County Commissioner?"
The eight candidates for County Commissioner this year might well pause and ask themselves the above question, especially in view of developments regarding the courthouse lawn.

A few weeks ago, a delegation of farmers, businessmen and housewives met with the Commissioners' Court to plead, seek and even demand action toward improvement and beautification of the courthouse lawn. The general plan advanced included removal of the outside row of trees, replacement of the sidewalks, closer to the buildings and

The Brand, Hereford:
Isn't there anyone in Hereford with the soul of an artist to come to the rescue of that magnificent outer row of trees around the court house? Magnificent, that is, for a predominantly treeless land where the tiniest speck of shade is worth its weight in gold. Surely the city of Hereford is not going to grow so metropolitan that it will need the space their shade takes up for a mere parking lot, if white lines for diagonal parking were installed and enforced.

If the trouble is that it is difficult to find grass that will grow well in so much shade, then surely the splendid agricultural colleges in the great state of Texas can solve that problem. It has been solved time and again for individual tree-lovers with problem lawns. Also, since the courthouse lawn is not supposed to be walked upon, it does not have to be seeded to grass. It can be sowed to greenery other than lawn-grass, and will save a bit of the taxpayers' money for mowing. This has been done in many other places in the interests of beauty.
If the objection is that the shade is going to waste, the answer to that shade in a hot, dry land is refreshing to look at, not to mention the blessed green of the trees themselves.
They say that man proposes and God disposes, but in this case it took our heavenly father and mother nature together a quarter of a century to grow a decent tree that ruthless, unthinking man can decide to cut down in one little minute.
"Proposals are made by fools like me."
"But only god can make a tree."
MRS. LEE SMITH.

Box 852, Hereford.

Hereford Camera Club Photo

PHOTO UNDER DISCUSSION. The above picture of a Boys Ranch youth sending his horse over a four-foot barrier was made in Hereford, when Boys Ranch kids entertained with a rodeo at the football stadium on Pioneer Day, May 8. The picture was turned over to Cal Farley for publicity use—provided credit lines were furnished the Hereford Camera Club for the shot. On July 1, the photo was released through Associated Press, without the credit line, and was published in The Brand. Club members are protesting the use of the picture without credit line, omitted in the AP release, somewhere along the line. Hundreds of newspapers carried the picture. The Brand is glad to credit the Hereford Camera Club with the photo as we feel certain that few, if any, of our readers realized the picture was actually made in Hereford. The picture was made by M. L. Simpson, Camera Club member.

Farmers Paid \$93,810 From ACA Program

Deaf Smith County farmers and ranchers received a total of \$93,810.00 during 1947 for carrying out soil conservation practices, F. A. Collier, administrative officer of the county ACA office, reports.

"Total payments were \$93,810.00," Collier reports, "out of a total collection to this county of \$115,940, leaving an unused balance of \$22,130.00."
Chisel 107,931 Acres
Largest payments made last year for a single practice were for chiseling, which took in 107,031 acres and payments for the purpose totaled \$26,757.75.
Contour seeding ranked second with \$25,809.32, paid out for seeding of 103,237.3 acres.
Other practices accomplished with ACA assistance last year included the following:
Terraces, 1518 linear, \$15.18; diversion terraces, \$306.08; leveling, \$818.50; enlargement of ditches, \$821.44; concrete construction, drop boxes and chutes, \$517.50; concrete pipe, culverts and flumes, \$25.00; metal pipes, culverts and flumes, \$131.00; other sizes of concrete pipe, culvert and flumes, \$172.00; concrete pipe in larger sizes, culvert and flumes, \$22.40; construction of earthen dams or reservoirs for livestock water, \$322.40; material moved in construction of damless tank, \$153.36; drilling or digging wells for livestock water \$10,715.00; contour furrowing not less than (Continued on page 8)

Harvest Nears Close; Two Million Bushels

Wheat harvest was nearing completion in this area today as the stream of trucks became lighter and lighter into elevators, and the few itinerant combines, trucks and workmen who "made" in 1948 harvest here were preparing to move north.

Estimates on the yield this season were still an unproved quantity. Most producers and elevator men still cling to the original estimates of two million to two and one-half million bushels.
"Wheat harvest will string out into August," elevator men said, "but the crops will be scattered and the yields small." They also declared that wheat coming in Wednesday was of poor quality with low yields. Much of the late wheat is being cut from four to six bushel fields and the quality was reported to be far below average.
Harvest this year was unusual in view of the fact that no "peak rush" period developed. The comparatively small amount of grain in the area also contributed to make the entire season an easy one from the standpoint of handling.
Ample combines, trucks, and practically no shortage of labor was reported by B. H. Tate, Texas Employment representative, who worked here this year. Mr. Tate indicated that his office will probably leave Hereford Friday or Saturday, perhaps even Thursday afternoon.

Taack Funeral Is Held Sunday

W. E. "Bill" Taack of Plainview, former land owner and frequent visitor in this county, died Thursday, July 1, in the Wichita Falls Clinic Hospital. Mr. Taack was visiting his son, Ben Taack, a former resident of Hereford, in Wichita Falls at the time of his death.
Mr. Taack purchased property in Deaf Smith County in 1920, and was widely known in this area, especially among old timers. Until he sold his Deaf Smith property in 1944, Mr. Taack made numerous trips here. Ben, who lived here for 13 years, sold his home this spring and moved to Wichita Falls; he farmed his father's land here until 1944, then operated leased land for several years prior to his moving.
W. E. Taack was born in Cullman, Ala., March 7, 1896, and married Miss Josie Catherine Dieter Jan. 25, 1903, at Olney.
In addition to his widow, Mr. Taack is survived by two sons, Ben, Wichita Falls, and Walter, Lockney; two daughters, Mrs. D. H. Street of Amarillo, and Mrs. Wallace Allen of Lockney. He is also survived by six grandchildren.
Seven brothers, H. C. Taack (Continued on page 8)

One Accident In Area On July 4

Only one automobile accident occurred on July 4 in the four-county area covered by State Highway Patrolman S. B. Berry.
The accident occurred near the softball field in Hereford at shortly after 4 o'clock Sunday afternoon when a 1941 Ford, driven by Billie Joe Williams, 19, collided with the Jimmie Allred oil truck at the intersection of 13th Street and Avenue F. Wayne Williams, 17, an occupant of the car, was seriously injured and was rushed to the Deaf Smith County hospital. He was released Tuesday, however, and was reported to be improving. Both boys are sons of Mr. and Mrs. C. E. Williams, H. Street.
James Clyde Mays, 509 C St., was driving the Allred truck. No complaints were filed.
The crash occurred inside the intersection of the two streets with the Ford hitting the truck near the front door. Both vehicles were badly damaged.

Drowning Victim Buried Wednesday

Funeral services for David Melton Byrd, 14-year-old drowning victim, were held here Wednesday afternoon, July 7, conducted by Rev. R. H. Cagle, pastor of the First Baptist Church. He was assisted by Rev. H. V. Fields of the Avenue Baptist Church.
Young Byrd was drowned here Monday afternoon shortly after 2 o'clock, when he and a companion, Charles Ray Buse, went swimming in the "Old Dairy" swimming hole, three miles east of town. They rode bicycles to the location.
Buse said Byrd jumped into the water first and failed to come back up. Water into which Byrd plunged was reported six to eight feet deep, due to a "step-off" in the bank.
When Byrd failed to reappear, Buse ran to the highway and flagged down car occupied by two men; one remained on the scene and the other turned the alarm in to Hereford police.
Bud Brady, Jack Simmons and Wilbur Bell were rushed to the scene and dived for the body so long before locating it that they had difficulty in bringing it to the bank. Brady found the (Continued on page 8)

Hereford Potatoes Draw Repeat Orders on Market

Potato harvest swung into high gear this week as five processing sheds filled 45 cars daily and Hereford potatoes hit brokerage markets in Chicago, Kansas City, Dallas, Fort Worth, Oklahoma City, Tulsa, and points in Louisiana and Tennessee.
Producers and shippers this week had also revised their estimates from a one and one-half million dollar crop to two and one-half million dollars. The revision resulted from greatly increased yields on every hand. An established average of around 135 sacks of U. S. No. 1 potatoes of the acre was said to be coming in here. Total production for this area was estimated at one and one-half million sacks.

Potato harvest is expected to run for another 60 days, closing around Sept. 1. The annual harvest will create work for approximately 800 persons during the entire run. Present employment will average from 250 to 300 people at the processing houses, while the field crews will number 450 to 500 people, chiefly Mexicans.

Hereford now maintains seven potato processing and grading sheds, five of which were in operation this week, including Associated Growers, Fred Barrett, J. K. Baker and Hereford Potato Growers Association; Jack Rentro also had a shed in operation at Dawn. Howard Gault, Neff Peters, and Neff Bros. were expected to start running next Monday. Total capacity of the eight sheds was listed at 85 cars of potatoes a day, working on 12-hour shifts generally maintained by the crews.

In addition to good demands for Hereford potatoes this year, brokers reported repeat sales from several points. The market price Wednesday was from \$3.35 to \$3.50 per sack on No. 1 potatoes. Most growers, however expected potatoes a drop to the support price of \$3.25, or slightly above, after the early demands were filled.

Red Bliss Triumphs compose 85 Cars Daily

Funeral Service Held Tuesday For Mrs. Eva Pitman

Funeral services for Mrs. Eva Pitman, 42 were held Tuesday afternoon, July 6, at 4 o'clock from the First Methodist Church. Rev. Don Davidson, pastor, of the Methodist Church, was in charge of the services, and Rev. R. H. Cagle, pastor of the First Baptist Church, delivered the sermon.
Mrs. Pitman was found dead at her home on B Street at around 9 o'clock Monday morning by her brother-in-law Oscar Easley. Mr. and Mrs. Easley went to the Pitman home to investigate after Mrs. Pitman failed to show up at the service station which she operated here on South Main Street.

Mrs. Pitman was born Oct. 29, 1906, at Frost, Texas. Her mother died when she was 6 years of age, and following the death of her father in 1919, she came to Hereford and made her home with her brother, Allen Skelton. In 1929, she accepted the position of city secretary and held the post until she resigned in 1944. During this time, Mrs. Pitman became widely acquainted and was a general favorite with all who knew her, due to her cheerful and accommodating disposition.

She married W. C. Pitman on June 29, 1935. He preceded her in death in February, 1948.
Mrs. Pitman is survived by her sister, Mrs. Easley; two brothers, J. F. Skelton of Alexandria, La., and Claude Skelton of Dallas, both of whom were here for the funeral services. Mrs. James Garrett, a niece, and Charles (Continued on page 5)

Canning Plant Contracts 700,000 Pounds of Hereford "Pewee" Spuds

Thousands and thousands of cans of Hereford potatoes will hit retail markets during the coming year, according to contracts reported with processing houses here.
Each of the seven processing houses has contracted for delivery of 100,000 pounds, or more, of creamers (generally called "Pewees" by growers), to be delivered to a canning plant in Lubbock. From 12 to 14 of the small potatoes are used to fill each can, creating around 500,000 cans from this area alone.
The "Pewees" formerly sold as culls at 15 cents per hundred, and are now bringing 60 cents per hundred on current contracts. Dorman Foods Inc. are the contractors. They also have contracts with dealers at Kress, Monroe and Plainview.

County Issues Challenge! Tax Payments Near 100% Mark

Reporting 98.12 per cent tax collections from the 1947 tax rolls, Worth Covington, Deputy Tax Collector, said today that he believed the Deaf Smith County office has set an all-time, state-wide record on collections with only 1.82 per cent delinquent on state, county, and school tax collections.
Total assessments on the 1947 rolls was \$169,533.90 and the Deaf Smith County office collections were \$166,754.29—leaving only \$3,079.61.

Tabulated, the chart shows:

State	County	School
Assessed \$60,559.82	Assessed \$2,447.87	Assessed 25,837.61
Collected \$59,433.14	Collected 86,759.04	Collected 25,536.11
Delinquent \$1,125.88	Delinquent 1,652.83	Delinquent 299.90

Prompt tax payments were attributed to improved conditions in this territory.
"There may be a better record," says Covington, "but if there is, we would like to hear about it."

Four Uninjured In Plane Crack-Up

Four occupants of Dr. R. R. Wills' new four-passenger Balanca airplane escaped uninjured, save for minor bruises and lars here last Sunday morning. The accident was attributed to a faulty landing gear on the plane.
The group, composed of Dr. Wills, who piloted the plane; Wayne Evans, Dr. L. B. Barnett and his brother-in-law, Jack Owens of Morgan, were returning from Fairview, Okla., where they had been inspecting a hotel with view of securing ideas for the new hotel in Hereford.
The plane, an exceptionally fast job, is now being repaired. Damage was reported on the entire landing gear, the propeller, and the left wing; the cowl was also badly bent and smashed.
Dr. Wills left Tuesday for California. He made the trip in returning from Fairview, Okla.,

Deaf Smith Group Joins "Waddy Week" As Range Rider Guests

As special guests of the Amarillo Range Riders, the Deaf Smith Riders Club participated in the Waddy Week parade last Friday in Amarillo.
The club was headed by Mr. and Mrs. Pat Lawhon carrying the United States and Texas flags, followed by Mr. and Mrs. Forest Minton, Miss Virgie Lee Sparks and Joe Kendall, who carried the club flags.
Nineteen members dressed in their uniforms comprised the delegation from Hereford. Other than the flag bearers were: Mr. and Mrs. Ralph Sears, Mr. and Mrs. Wyley Roberson, Mr. and Mrs. Mal Stewart, Mr. and Mrs. W. S. Fluitt, Jeff Roberson, Nell Spradley, Jack Wright and Jackie Wright.
Hugh Clifman, president of the club, rode at the head of the parade with other officials of other clubs and their hosts, the Range Riders.
The Deaf Smith Riders met as a club for chicken dinner at noon with guests, Mr. Joe Kendall, Mrs. Jeff Roberson, and Mr. and Mrs. Charley Hoover.
Members were also guests of the Range Riders at the rodeo during the afternoon and at the Cowboy Barn Dance Friday evening.
A meeting of the club will be held at the City Hall Friday, July 8, in a regular session.

Hereford Nine Goes To Hart

The Hereford VFWW baseball team will travel to Hart Sunday, following a rest period over last week-end. The team will still be without two stars, Bud Stengel, catcher, and Johnny Renner, third baseman, however.
Hart has dropped all nine games played, but is hoping to take their first game from the crippled Hereford nine. Hereford has lost two games, both since Stengel and Renner were forced out of the line-up with injuries.
Batteries for Hereford will be taken today by Stengel and Turpin, catcher.
The next home game for Hereford, Sunday, July 11, will be played on the new diamond at the VFW-Legion Park.

Shall We Call It "The Whiteface Hotel"? Contest To Name Hereford's Hotel Draws 172 Entries

Reporting a total of 172 entries in the contest to name Hereford's new hotel, the hotel committee today said that the name most popular among the entries was "The Whiteface Hotel."
This name was suggested 13 times in the entries with eight of the suggestions coming from Hereford residents: Harry Renner, Linda Hair, Della Stagner, Elva Warrick, Mrs. J. L. Park, Mrs. Nedra Creps, Adeline Koehler and R. H. Cagle; residents from other areas who suggested this name were Mrs. James H. Bell, Silverton, Colo.; Mrs. Fred Burns, Lufkin, Texas; M. C. O.
The prize for quantity however, should go to Fred Frye of Dawn, who submitted 57 different names for consideration in the contest.
Remainder of the names were chiefly of a Western nature and many of them brought in the cattle angle, along with connotations of Hereford and of Deaf Smith County.
Honor for having sent a suggestion from the most distant point probably goes to A. J. Elwart of Tillamook, Ore., with the possible exception of entries from Mrs. J. W. Berry, Oxnard, Calif., other suggestions came from several states, indicating wide interest in the hotel.

Following is a partial list of the suggestions, and the committee said that future entries may still be made in the contest:
Hotel Deaf Smith, Hotel Tierra Blanca, Hotel Dameron, Hotel Evans, The Wheatland Hotel, Hotel La Grande, Hotel El Capitlan, The Western Sun Hotel, The Eau Claire Hotel (Clear Water), Whiteface Hotel, Atlas Hotel, Prairie Hotel, Frontier Hotel, Plains Hotel, Wagon Wheel Hotel, Casa del Rancho (The Ranch House), Hotel Estrella (Continued on page 8)

Former Residents Are Here Sunday

Mrs. Sharp of Canyon suffered a stroke affecting her right side at her home last week. After several days in a hospital she has improved sufficiently to be removed to her home but later reports stated that her condition remains unchanged.

Mrs. Sharp lived in Hereford when Rev. Sharp was pastor of the Presbyterian Church. She was a student at West Texas State College and asked only a few weeks to completing her work on a master's degree.

Vet Hits Pay Dirt—\$40,000

It was just such a World War Two veteran as those shown above who took \$40,000 worth of tungsten out of a Mojave Desert claim in one week recently, according to an article in the July issue of Cosmopolitan magazine. Where the old-time prospector, crudely equipped, sought only gold, his present day counterpart seeks molybdenum, titanium, tungsten, beryllium, chromite and a dozen other valuable metals, and he does it many times with the aid of a small plane and aerial map as shown above.

A study is underway to determine whether birds migrate by the aid of the earth's magnetism picked up by some organ in the bird's body.

Westway

Mr. and Mrs. O. Wilder of Hereford spent last Tuesday night in the Carl Schroeder home.

Mr. and Mrs. Merlin Kaul and boys were visitors Sunday night in the Guy Lawrence home at Hereford.

Mr. and Mrs. Paul Rudd, Harold and Homer attended the rodeo in Amarillo Saturday. They were guests of Mrs. Rudd's sisters, Mrs. Gurt Griffin and Mrs. Johnny Weeks.

L. J. McKenzie went to Leveland for the week-end. His wife returned with him. They are living in the north house on the Paul Rudd farm. Mr. McKenzie is a member of Kenneth Rudd's combine crew.

The Edgar Skypala children from Hereford are staying with their grandparents, Mr. and Mrs. Skypala, while their parents are on a trip to Carlsbad, New Mex.

Raymond Morrison suffered a badly cut foot last Thursday afternoon when he stepped on a hoe. Four stitches had to be taken to close the wound.

Several ladies from here attended the shower honoring Leta Glyn Rutter Hawks at the home of Mrs. Herman Gray in Hereford Wednesday afternoon. This community offers congratulations to this young couple. Leta Glyn has attended school here and Aldon has made his home with his uncle, Aldon Hawks, for the past two years. They plan to go to Castle Rock soon to make their home.

Frank Nunley of Jacksboro is spending the summer in the home of his brother W. B. Nunley.

Among those from here who attended the Golden Wedding Celebration of Mr. and Mrs. R. M. Gunn of Hereford Sunday were: Mrs. W. A. Vaughn, Miss Ara Lewis, Mrs. Bess Werner, Mr. and Mrs. Robert Boyd, Mr. and Mrs. J. G. Morrison, Mrs. Grace Little, r. and rs. Merlin Kaul and boys, r. and Mrs. R. L. Wilson, Mr. and Mrs. A. G. Pierce, Mr. and Mrs. Elmer Combs, Mr. and Mrs. G. C. Merritt, Mrs. Carl Schroeder, Mrs. Paul Rudd, Mr. and Mrs. Joe Landers and Ross Joe, and Mr. and Mrs. W. B. Nunley and Jackie Lynn. Mr. and Mrs. Gunn lived in this community for 15 years and operated the Westway Store. We wish them many more anniversaries.

Kenneth Rudd spent the week-end in Odessa with friends.

CARD OF THANKS

We wish to express our appreciation and many thanks to everyone for being so kind and good to us in our sorrow of losing our darling baby girl. Thank you for all the food and the many beautiful flowers. May God bless you.

Mr. and Mrs. Mack Freeman and Teddy Bruce.
Mr. and Mrs. R. A. Freeman.
Mr. and Mrs. Bill Morton.

Political Announcements

Miss Aikman Becomes Ill Enroute To N. Y.

Miss Ella Aikman, who had made reservations at Columbia University in New York for a special course in primary work, returned home Sunday after becoming ill with food poisoning in Washington, D. C.

Miss Aikman had stopped at Washington, D. C., for three or four days of sight-seeing and became ill after dining at a restaurant.

Being unable to reach New York for the beginning of the scheduled course, she returned to Hereford and according to reports, is recovering satisfactorily.

HOUSE GUESTS IN FRANK LAMBERT HOME

The Frank W. Lambert home has been the center of several family get-togethers the past two weeks. Mr. and Mrs. Harlan Lambert of Richland, Wash., left Tuesday after being here several days; Mrs. C. L. Wright of Iowa also left Tuesday after several weeks in the home of her parents. Mr. Wright and son had been here earlier visiting, but had returned home. The C. J. Mounts family completed the family group for dinners and various forms of entertainment.

TO PENALIZE DRINKERS

WARSAW, POLAND.—(AP)—Husbands who like to drink and fail to get along with their wives are headed for "alimony road" in Poland. A new section of Poland's marriage laws provides that a court may order all wages or other financial income of a drinking husband to be paid fully or in part to a needy wife.

IN HOSPITAL

Mrs. Mark Benefield is in Deaf Smith County Hospital, following a major operation. She is reported to be getting along fine.

Prospects for a tie between American Legion and Dawn Softball Clubs was apparent here Wednesday, depending upon the outcome of the game between the Legion and High School Wednesday night.

Dawn and the Legion have each lost one game, and the Legionaires will go into the play Wednesday as strong favorites over the High School, which has lost seven games.

Tabulations for the week show:
July 1, VFW won over Sunday School, 17-3. VFW, 14 hits and 7 errors; Sunday School 3 hits, 17 errors.

JULY 1
R. H. E.
VFW 17 14 7
Sunday School 3 13 14
Tucker, p., Roberson, c., VFW;
Sheppard, p., Davison, c., Sunday School.

Firemen vs. Sun Oil. Post-poned.
JULY 5
R. H. E.
Dawn 10 8 0
Sunday School 0 1 7
Sheppard, p., Stewart, c., Sunday School; Wilson, p., Clark, c., Dawn.

JULY 6

Ticklers By George

"Easy on that razor, barber! The skin on my neck is sensitive."

Around Town

(Continued from Page 1)

rug, Western type, which says (via signs) "Walk on me, I am all wool—and more than a yard wide; next comes a jar of beans darning one to count or guess the total number (incidentally, this is a gyp, too; they used all sizes of beans.) Adding to the confusion, pandemonium suddenly breaks loose when 10 or 15 different sizes of horns suddenly start blaring forth; together, then separately. This set up (courtesy Western Auto Store) suavely announces that some clerk has done it again—unloaded another blanket.

Frankly, we would say that any clerk who could sell a blanket on such a hot day as Monday deserves more than a Bronx cheer from a tin horn. But "Mac" says it attracts attention and sells blankets—and we can vouch that it does attract attention.

Pete also admits he got "buck fever" on the lake as well as at the table. He says Doc and Dubb got to pulling out fish so fast that he completely lost his head. Pete says he lost seven hooks and parts of seven lines after catching them on logs, while trying to compete with the boys.

Mrs. George Cameron went fishing at Buffalo Lake Sunday, but did not fish. She says there were more people than fish.

Thanks to Mrs. A. E. Jury for an interesting copy of her hometown newspaper in Alabama. We are always glad to get copies of other papers.

Cracks in the floor where lint and loose hairs from pets may collect can form lava nurseries. Moth eggs can hatch anywhere from 4 to 10 days, 3 to 4 weeks in cold weather.

HEREFORD W. H. CROMER PHONE 523

The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America has arranged for Oct. 17 as Barber Shop Quartet Day at the 1948 State Fair of Texas. At least twenty chapters will send quartets for the parade on this day. Above are (left to right) Hal Jones and George Walters; and (bottom left to right) Dyke Turner and C. D. Johnson, of Dallas. Fifty other organizations have completed arrangements for special days at the 1948 State Fair of Texas, and this number is expected to be tripled before opening day, Oct. 9, David A. McMinn of the State Fair, has announced.

When a female hornbill is ready to lay her eggs, her mate walls her inside the nest, built inside a hollow tree.

In numerous species of insects and fish, the male is a parasite attached to the female. White tailed deer live in almost all parts of the United States.

Hospital Notes

Patients dismissed from the hospital this week were: Mrs. L. N. Smith, surg.; Mrs. Augustine Ortiz, O.B.; Nancy Green, T. and A.; Fred Drury, T. and A.; Mrs. Beulah Massey, surg.; Mrs. Maurice Tanahill, med.; Mrs. W. E. Stephens, med.; Mrs. George Anglin, O.B.; Miss Marie Tyler, med.; Neely Kimbrough, surg.; and Mrs. W. R. Black, med.

Mrs. Ernest Neff, med.; Mrs. Ann Dougherty, med.; Billy Glenn West, med.; Mrs. Mary Vela, O.B.; Robbie Ray Reno, med.; Mrs. Wallace Keene, surg.; Wayne Williams, emerg.

Out of town patients were Mrs. Charlie Williams of Morton, O.B.; Mrs. Rosa Falls of Portales, med.; Minnie Owens of Hart, med.

Patients in the hospital this week are: R. O. Douglas, med.; M. M. Roberson, emerg.; Mrs. Glenn Watts, med.; Mrs. Mark Benefield, surg.; Mrs. Bruce Aldridge, surg.; Mrs. Maruin W. Sloan, surg.; Leroy Reeves, med.; Miss Sara Beth Owens, med.; Mrs. J. C. Hodges, orth.; Mrs. James Roberts, O.B.; Mrs. W. Wetzel, med.; Mrs. Gene B. Williams, O.B.

Mrs. G. O. Thompson, O.B.; W. J. Wilson, emerg.; Mrs. Harry Taylor, surg.; Mrs. Virgil Ritchie, med.; Roberta Kopp, surg.; Eugene Hendon, surg.; David Naranzo, med.; Linda Barkley, med.; Mrs. L. A. Parsons, O.B.

Mrs. R. B. Henson and two sons, Jimmy and Kenneth, of Dallas left this week for their home after spending several days visiting in the Jim Robinson, Cris Renfro and A. B. London homes. Mrs. Henson will be remembered as Alleen Robinson, a sister of Mrs. London, Mrs. Renfro and Jim Robinson.

Mr. and Mrs. Bill Hutson have returned from a short vacation in Denver and other points in Colorado. They visited with four of Mr. Hutson's sisters in Denver.

Mrs. Biggers Hostess For Phebean Class

Phebean Class members of the First Baptist Church was entertained in the home of Mrs. A. L. Biggers Thursday evening. Mrs. Clinton Jackson was in charge of the devotional lesson and a business session was conducted.

Refreshments were served to Mesdames Dennis Baker, Chas. Crowell, Bob Lawrence, J. B. Snead, John Winkler, Pat Robinson, Dayton Chisholm, Raylan Evans, Clinton Jackson, Jason Luck, George Cameron, Hulon Richardson, Lloyd Sharp and the hostess.

Mr. and Mrs. Duane Orr of Corpus Christi announce the birth of a son, Don Duane, born July 2. His paternal grandparents are Mr. and Mrs. J. S. Orr of Hereford and the maternal grandparents are Mr. and Mrs. George Stagers of Littlefield.

Miss America Becomes a Mrs.

Barbara Jo Walker, 22, Miss America, gives her husband, Dr. John V. Hummel, 24, of Charleston, Mo., a bite of wedding cake after their marriage in Memphis, Tenn., the bride's home town. Over 2000 invited guests attended the ceremony.

Sewing Club Meets In Bobcock Home

Jolly Workers Club met in the home of Mrs. Barney Bobcock Thursday afternoon, July 1, for the purpose of working on a quilt for Boys Ranch. Members are devoting the summer sessions to the completion of the quilt which will be presented early in the fall.

The next meeting will be with Mrs. Roy Boyd and during the vacation season, meetings will convene at 3 o'clock.

Members answered roll call by mentioning various uses of plastic and the penny gift was won by Mrs. Ben Medley.

Those present were Mesdames Ray Suit, Ben Medley, Roy Boyd, M. H. Wiseman, Jimmie Mercer, Chas. Calloway, John Schneider, a new member, and the hostess.

We're Proud to be LOW MAN on this TOTEM POLE

The money you spend here for health and beauty aids has approximately the same buying power as it had back in 1939! And right here is graphic proof that we're low man on the totem pole when it comes to prices. While other "cost of living" goods and services shot skyward, prices for drugs and toiletries advanced a tiny 3.1 per cent. We're proud of that record—proud indeed to be able to bring you your favorite nationally-advertised products at the lowest possible prices.

MORE Than Meets The Eye

There is more to your prescribed medicine than the shape or form that meets the eye. It embodies your doctor's considered judgment as to diagnosis and treatment transformed by the painstaking compounding of a skilled pharmacist into medicine created specifically for your exact requirements. The professional knowledge and experience of the doctor and the pharmacist are the invisible components of your prescribed medicine — as compounded at CLOSE DRUGS.

"Simplify Your Work," Advises Home Specialist

COLLEGE STATION, Texas, July 3.—When extension home management specialists of Texas A&M College meet with farm and ranch women over the state, the theme of their workshops is "Make Motions Count," or "More Work With Less Effort." And they prove that it's possible.

"You will get more and better work done in less time and with less effort," they tell the women, "by making the best use of manpower, materials and equipment. And the first step is to break down the job."

List all the steps of the job as it is done. Include such motions as pulling, pushing, bending, walking, lifting and moving materials. Then question every step made. Ask: Why is it necessary; what is its purpose; where should it be done; when should it be done, how can it be done more easily, more quickly or better.

After these questions have been answered, the specialists point out, quite often the homemaker has found that she can eliminate a number of unnecessary steps. Rearrangement of work centers are often the results of such studies of housework.

"Leave out any part of a task you can," the specialists advise. "Use the best tool for that particular job. Sit to work whenever you can. Keep everything in easy reach. Make one job out of two or more and finally, make both hands work. You'll be surprised at the time and energy that you will save."

Moth eggs do not lie dormant during the cold months and hatch in the spring.

Peat bogs have a peculiar ability to maintain a uniform temperature throughout all seasons of the year.

Personal

Rev. and Mrs. Russel Pogue and small daughter, Lois, of Kress visited Mr. and Mrs. H. J. Roberson over the week-end.

Mrs. Foy Dodson and son, Monty Mac, of Hale Center visited friends here last week and attended the Gunn golden wedding anniversary.

Mr. and Mrs. M. T. Rutter and children and Mr. and Mrs. Cecil Lady and sons spent the Fourth in Amarillo, where they attended a picnic in Elwood Park and the rodeo in the afternoon.

Mr. and Mrs. Johnny Biggs and two daughter, Shirley Ann and Mona Sue, of Midland, spent the week-end visiting with his mother, Mrs. Russell Carrol and family.

Mr. and Mrs. J. E. Springer spent the week-end in Lubbock visiting and transacting business.

Mrs. Jim Black and Mrs. Art Manjeet spent Thursday in Amarillo doing "Gray Lady" Service at the Veterans' Hospital. This is a service which they give twice each month as their part of the Gray Lady Service.

Pfc. Milton Rudd of Tacoma, Wash., is visiting his parents, Mr. and Mrs. Ival Rudd, this week. Mrs. Rudd met him in Albuquerque Tuesday.

Mr. and Mrs. Matt Gilliland were in Dallas over the week-end visiting their son, Newt Gilliland and family.

Mr. and Mrs. W. S. Pruitt visited friends and transacted business in Albuquerque and other towns of New Mexico last week.

Mr. and Mrs. Paul Conaway and family are spending this week on a fishing trip in Pecos, New Mexico.

Highway Patrol Suggests Items For Car Safety

"Don't drive a public hazard! You're on your way to an accident if you do."
This is the advice of Col. Homer Garrison Jr., director of the Texas Department of Public Safety, and "Check your car... check accidents" is the slogan of the traffic safety program they are sponsoring. This activity is part of a continuing traffic safety education program to combat traffic accidents.

"Accidents are preventable," said W. J. Elliott, chief of the Texas Highway Patrol. "Safety experts agree on this. And if you will just think about it, you're bound to agree that one of the simplest ways to help prevent them is to drive a car that's kept in safe operating condition."

Equipment items suggested as having special relation to safety are: headlights, tail and stop lights, brakes, tires, windshield wipers, steering and wheel wipers, steering and wheel alignment, the muffler and exhaust system, the windshield and other glass, the rear-view mirror, and horn.

Summing up the importance of these car parts to traffic safety, Capt. Polk Ivy of the Amarillo district office of the Texas Highway Patrol, said:

"You wouldn't want a lot of people who couldn't see driving cars. Yet headlights, tail and stop lights are the most common reasons cars can't pass official vehicle inspection, according to reports from cities and states having periodic vehicle inspection. Windshield wipers not working, glass that is obscured by dirt, cracks or stickers, and an obscured rear-view mirror are other things that can blind a driver. "The importance of safe steering is obvious. Don't take it for granted. Have the steering assembly and wheel alignment checked regularly. "Brakes often save lives. Keep them in good repair for your own sake and for the safety of others."

"Not enough people realize the importance of the muffler and exhaust system. Almost anyone knows repairs are needed when the muffler gets noisy. But long before that happens you may have deadly carbon monoxide gas leaking into the car. It doesn't happen often—but once is enough. Don't take a chance. "To put your car on good footing you need properly inflated tires that are well mated and have good treads. If you must get a little more mileage out of old, worn tires that have cracks, blisters and exposed fabric—use them gently, hold down on your speed, and replace them as soon as you can. Don't invite a blowout. "And the horn. Be sure it's in working order. Then use it only when you need it."

OLIVER "88"

New

A New Farm Power Leader

Here's the power leader of Oliver's new, modern tractor fleet. It's the husky 3-4 plow "88" with a 6-cylinder engine and six forward speeds to provide you with a practical working pace for every farm operation.

The "88" is an ideal unit for concentrated farming... for all the heavy "rush" jobs season after season. To suit your fuel situation, Oliver offers three great engines: (1) for gasoline, (2) for tractor fuels, (3) diesel... designed specifically for a farm tractor and available later.

Look at these new features: direct drive power take-off, Oil Miser transmission case, floating oil pump screen inlet, 20-gallon fuel tank, battery ignition and automatic spark advance, basic interchangeability of Oliver's full line of centrally mounted and rear suspended tools and a choice of interchangeable cast iron or stamped steel wheels with all other new Row Crop models.

Let us give you the details on all the valuable farm-utility features found on Oliver's new farm-engineered tractor fleet, built in Row Crop, Standard, Row Crop with Adjustable Front Axle or Single Front Wheel models.

of Hereford; H. E. Taack of Station; J. H. Taack of Morton; A. H. Taack of Roswell; Earnest Taack of Estancia, New Mex.; C. J. Taack of New Castle and G. B. Taack of Wichita Falls; and four sisters, Mrs. S. O. Will, Mrs. H. A. Black and Mrs. Fletch Forgan, all of Idalou, Tex., and Mrs. Annie Martin of Merced, Calif.

Pall bearers were: Jess Cox, Lavon Johnson, Jack Dollar, Otho Hampton, Herman Stowe, John Holmes, Dwight Jackson, C. W. Murphy, Jr., Clyde Applewhite; and Maurice Tanahill of Hereford.

Honorary pallbearers were: J. A. Pitman of Hereford, Charlie Viegel, W. W. Cooper, A. R. Merrilweather, Fred Lam, Carl McAdams, Frank Perkins, Don Colston, Charlie Howard, O. A. Lucas and R. C. Bennett.

Services were held from the Church of Christ, Lockney, at 3 o'clock Sunday afternoon, July 4th.

Drowning Victim

(Continued from page 1)

body, Simmons pulled it to the top, and the two worked together in bringing it in.

Artificial respiration was used in an attempt to revive the youth, but the length of time was too great for efforts to be effective.

The boy's father, Frank Byrd, was out of town in Cuthand, Red River County. The boy's grandfather is ill there.

Young Bird was born in Red River County.

Survivors include the father and mother; two brothers, E. F. of Hereford, and J. O. of Borger; five sisters, all of Hereford, Mrs. Frank West, Mrs. C. M. Lefell, Mrs. Orvis Oneal, Mrs. Louis Phillips and Margaret Odella Byrd.

The family came to Hereford from Littlefield.

The committee said that winners will be announced later when the hotel drive has been completed. They also said that the contest is still open and that entries may be sent to the Hereford Chamber of Commerce.

Funeral Services

(Continued from Page 1)

Skelton, a nephew, and Mrs. Don Taylor of Louisiana, Mo., a sister-in-law, were also here for the services, along with numerous other relatives and former friends.

Mrs. J. C. McCracken was in charge of music for the funeral, and Mrs. Glenn Snyder played special numbers.

Pall bearers were C. C. Acker, J. C. McCracken, W. L. Davis, Odice, Bulls, Ed Bulls and Ernest Medkief.

Interment was made in West Park Cemetery.

Farmers Paid

(Continued from Page 1)

eight inches, \$146.19; summer fallow, \$7,404.65; contour farming intertilled crops, \$3,363.50; contour farming drilled crops, \$25,809.32; pit cultivation, \$210.78; reseeding range or pasture land, \$113.64; establishing permanent pastures, \$4.00; plowing fireguards on non-crop or open pasture, \$3.89; growing a green manure or cover crop \$64.00; application of phosphate other than rock, \$1,221.31; application of raw rock or colloidal phosphate, \$261.45; turning under sweetclover, \$4,050.00, and various practices approved, awaiting technical check, \$7,060.80.

Personal Limit Upped

There is basically no change in practices offered again for 1948 from the 1947 set-up, states Collier. However, there is an important change in the personal limit allowed this year. Last year it was \$500.00 per person and this year the program allows \$750.00, which will be of great benefit to the individual, he stated.

Conservation spending has been cut in about half this year, even though the individual limit has been raised.

Interment was made in West Park Cemetery.

Floor Coverings

Are Now More Plentiful

We now have in stock several patterns of carpet, both in 9 ft. and 12 ft. widths.

We have inlaid linoleum, both in Standard and Heavy Weight, suitable for kitchen and bath or installation in public buildings, and felt base linoleum in both 6 and 9 and 12 ft. widths, and 9x12 rugs.

See the rubber floor covering and also rubber tile in 9 inch blocks. This rubber will be something different in floor covering and may be had in a variety of colors and it makes a very splendid floor covering.

Experiment To Discard Ditches

New Irrigation Method Uses Pipe To Each Row; One Man Operation

A new method of flooding crops which may revolutionize surface irrigation at Hereford and other points over the Panhandle Plains shallow water area is now in experimental operation on the farm at Texas Technological College. The method will use up to 40 per cent less water, and can be handled by one man.

Dr. A. W. Young, head of the plant industry department and director of the project, said that a portable system of gated galvanized pipes replaces the commonly employed "ditch" method.

The new installation which is in fact a pioneering project for the southwestern region has been used this week in the college alfalfa fields, and is being placed in the cotton and feed fields this week.

Dr. Young said the surface pipe irrigation is estimated to save from 20 to 40 per cent of the water ordinarily lost in the ditch process. It can be installed and maintained at about one-half the cost of stationary concrete pipe system.

The process under trial now moves the water directly from the well through pipes to each row where individual gates are opened allowing water to flow directly to the plants and plant areas. No loss of water through evaporation or seepage is possible. The pipe is cut in lengths of 10 feet and connected by friction. The entire network may be handled by one man, and may be moved easily from field to field.

Liquid fertilizer experiments are being conducted in conjunction with the irrigation project. Eight tests, four for cotton and four for milo, have been arranged. (Continued on page 8)

The Champ Turns in His Gloves

Heavyweight champ Joe Louis hands over his gloves to fight promoter Mike Jacobs in New York and in return receives a check for his kayo victory over Jersey Joe Walcott. The Brown Bomber, who defended his title 25 times, announced he would retire from the ring and launch a political career.

Mr. and Mrs. B. E. Dixon of Lubbock visited her mother, Mrs. W. B. Green, and family Sunday en route from Amarillo to her home.

Rev. J. B. Harlin of Plainview was in Hereford Sunday following the morning services at Dawn, which he conducted for the Dawn pastor, Rev. Beyers.

"Don't's" Listed On Using School Help For Summer

DALLAS.—Some of the important "don'ts" for employers of this state on the employment of minors during the summer vacation period were listed today by William J. Rogers, regional director of the wage and hour and public contracts divisions, U. S. Department of Labor, in the five southwestern states. He advised employers subject to the Fair Labor Standards Act (federal wage and hour law):

Don't permit children 14 and 15 years old to work more than 40 hours a week when school is not in session, or more than three hours a day and 18 a week when school is in session.

Don't permit children 14 and 15 years old to work between 7 p. m. and 7 a. m.

Don't permit children 14 and 15 years old to work in manufacturing, mining or processing occupations, including occupations requiring the performance of any duties in darkrooms or work palaces where goods are manufactured, mined or otherwise processed.

Don't permit children 16 and 17 years old to work in occupations held to be hazardous—in plants manufacturing explosives; as motor vehicle drivers or helpers; in coal mines; in logging or sawmill or occupations; around power driven, wood-working machinery, operating power-driven hoisting apparatus, including elevators, and in jobs where they are exposed to radioactive substances.

Don't forget to get employment certificates and keep them on file.

Don't forget to pay minor employees at least the minimum wage set by law, and time and a half for overtime after 40 hours in any workweek.

If the firm is working on a (Continued on page 8)

New Farm Price Payments Explained

Food Crisis Threatens Berlin

Faced with a highly uncertain future as the Soviet and western powers split on the question of monetary reform, Germans line up at a food store in the British sector of Berlin to exchange their new marks for something to eat. Residents of the three western sectors were threatened with hunger when the Russians enforced a land blockade between the city and the west. Authorities closed all enterprises except food shops and drug stores during the early period of mark exchanges.

By ROBERT E. GEIGER

Associated Press Staff Writer WASHINGTON.—Department of Agriculture officials say the new long-range farm law, approved in the closing hours of congress, moves toward a philosophy of plenty. The law, known as the agricultural act of 1948, works this way:

It contains, with some changes, the present high wartime supports through 1949. Then the long-range plan, the lower price support, goes into effect. After 1949 the more abundant the crop, the less support the farmer will receive. The government may provide this support by making loans, purchasing crops or other means.

Department spokesmen say the purpose is to give some support to abundant crops but not so much support that the man who has to buy food has to pay prices too high for his pocketbook. If prices start sliding downward because of an oversupply, the federal aid money to farmers will be increased. This may encourage them not to cut crops too sharply. This ties in price support with the law of supply and demand. The experts hope it will create abundance without waste. They say this is the first time there has been such an arrangement covering major crops.

New Parity Prices

The new law has a new method of figuring parity prices. The parity formula attempts to define the buying power of farm products during a period of fair farm profits. Then it attempts to insure the farmer the same buying power today. (As an instance, if two bushels of wheat, in a given period, bought a pair of shoes, today's price for wheat would be set so that two bushels would be sufficient to buy a pair of shoes, although in dollars (Continued on page 8)

Drunk Driver, Theft, Hot Checks Keep Sheriff Busy

The sheriff's office reported a busy week with one DWI charge and several "hot check" complaints.

Charges of "driving while intoxicated" were filed June 29 against Mike Huckert, Sheriff J. C. Reese reported. He said that Huckert paid a fine in Amarillo on a first offense charge Monday was arrested on the second

charge around noon Tuesday on South Main Street. The case will come before next session of the grand jury.

W. H. Welch was arrested this week by Sheriff Reese, who went to the Welch farm near Wheeler, and took Welch on a "hot check" complaint. Coming back to Hereford Sheriff Reese allowed

the prisoner to stop a few minutes to visit his grandmother, who asked to pay off the check and get the case dropped. She paid \$64.15 to clear up the account. The bad check was for \$8.81, and the remaining \$55.44 covered court costs, mileage, fine, etc.

The two boys, age 6 and 10, (Continued on page 8)

Boothill Graves Inspire Truman

TOMBSTONE, ARIZ. (AP)—Epitaphs in Boothill graveyard here tell some of the story of early Tombstone—the town "too tough to die."

President Truman gave national prominence to the western lore of the cemetery when he paralleled his White House efforts to the life of a cowboy whose headstone reads, "Here Lies Jack Williams. He done his damndest."

Many of the original epitaphs of the men who died with their "boots on" were collected by souvenir hunters before a watch was kept over the graveyard.

Boothill's first group of graves mark the climax of the famous Clanton-Earp feud which ended with blazing gun play 67 years ago. The single marker reads: "Tom McLowery, Frank McLowery, Bill Clanton—Murdered on the streets of Tombstone." That's the quoted opinion of Clanton sympathizers.

Then there's George Johnson who had a sad demise. He was "Hanged by Mistake," or so his

marker reads. Other hangings weren't accidental with an 1894 head attesting to the legal execution of Dan Dowd, Red Sample, Bill DeLaney, Tex Howard and Dan Kelly. Trial of the five, accused of killing four townspeople during a holdup, was conducted legally, but mob justice had its say.

"Died of Wounds," ends one man's story, with "Ambushed by Apaches" and simply "Killed by Indians" vividly telling another Western history chapter. Dumped unceremoniously in his final resting place, a cowboy's epitaph tells of his death: "John Blair. Died of smallpox. Cowboy threw rope over feet and dragged him to his grave."

Mrs. P. A. Turnbow returned from Poenix after a six-week visit with her sons, Herbert and Gerald Spence.

Mr. W. O. Witherspoon returned this week from Austin, where she visited her parents, Mr. and Mrs. C. H. Smith and family. Mrs. Witherspoon accompanied Mr. and Mrs. Seth Maker of Chicago on her trip to Austin; Mrs. Maker is another sister who had spent a few days in the Witherspoon home prior to the trip.

War Dead Return Home From Italy

An Italian firing squad salutes the first casket of 4481 American soldiers killed in action in Italy being loaded aboard the Army Mortuary Ship Carroll Victory in Naples for return to the U. S.

Wyche Home Demonstration Club Spensers Naming of Rural Roads

Roads leading to the Wyche Community will soon be named, according to the report given by the road naming committee of the Wyche Home Demonstration Club at a meeting held at the home of Mrs. R. W. Elliston Thursday afternoon.

Work of naming the roads has been completed and signs will soon be erected. Roads will be named from states and capitals. Roads running east to west will bear names of state while north to south roads and lanes will be named after capitals. Beginning at Hereford, names will be arranged alphabetically.

Chosen as a major project for the year, the Wyche club will be the first to sponsor the naming of rural roads, and members hope to eliminate the confusion of attempting to direct friends to their homes.

Demonstrations of sewing

were given during the afternoon session with Mrs. V. P. Walker displaying the art of hemming a dress on the sewing with Mrs. V. P. Walker displaying the art of hemming on the sewing machine, and Mrs. A. E. Jury showing the group how to make bound button holes. Demonstrations of time-saving methods were given by other members of the club.

After a July vacation the club will resume meetings at the home of Mrs. A. E. Drury on Aug. 5.

Members present were Mesdames Troys Carmichael, Ira Scott, Ruby Minchell, R. L. Conougher, Jack Williams, V. P. Walker, H. F. Hume, Truitt Johnson, N. G. Elliston, A. E. Jury, H. H. Caraway, Ira Scott, B. D. Fortner of Arney, Misses Georgia Ray and Evelyn Elliston and the hostess.

YOUR VOTE FOR JAMES G. LUMPKIN

WILL KEEP
a qualified, experienced jurist
in the important post of
ASSOCIATE JUSTICE
OF THE
COURT OF CIVIL APPEALS
7th Supreme Judicial District

(This district, which sits at Amarillo, has jurisdiction of 46 Northwest Texas counties.)

• Judge Lumpkin is now serving on this court. His work has been highly commended by leading jurists.

• Judge Lumpkin, a native of Potter County and World War II Veteran, was three times elected District Attorney.

Pol. Adv. paid for by Judge Lumpkin's Friends of Northwest Texas

Personal

Miss Dixie Coffman of Dallas spent three days last week visiting in the home of Mr. and Mrs. Phillip Miller. Miss Coffman was a roommate of their daughter, Bonnie, when she was in school at TSCW. Bonnie is now Mrs. Joe L. Hamilton of Hereford.

Mrs. Gillian Parker, a former teacher in the local schools, has returned after two and a half years in California and is now at the home of her daughter, Mrs. J. E. Dyer in Vega.

Parisian 'Mic-Mac'

Latest thing to hit the Paris beachwear parade is this unique play suit consisting of a fitted, laced bodice and a billowing pair of bloomer trunks. A ruffled skirt completes the costume. All pieces are reversible, navy on one side, polka-dot on the other, and can be combined in various ways. The outfit is called "mic-mac"—the French adaptation of the American "mix-match."

Miss Ellen Bowsher of Amarillo spent the weekend with her parents, Mr. and Mrs. Clay Bowsher. Mrs. Bowsher returned with her to visit her other daughters there, Misses Virginia, Ruth and Mildred Bowsher.

Mr. and Mrs. Troy Moore and two sons attended the funeral services of W. M. Twinner in Rochester, Texas, last week. Mr. Twinner had been an employee at Mr. Moore's oil company for two years.

Mr. and Mrs. D. G. Kinsey and family and Mr. and Mrs. Joe Kendall left Sunday for a week's vacation at Pagosa Springs, Colo.

Guests Sunday of Mr. and Mrs. Henry Hastings were her brother, J. M. Tomlinson, and Mrs. Tomlinson and their children, Ray and Jimmy.

Mr. and Mrs. Carl Oldham and children and Mrs. C. P. Cockrell spent the July 4 weekend with relatives downstate. The Oldhams visited his brother and family at Grand Prairie and Mrs. Cockrell spent the time with relatives in Cleburne.

Mr. and Mrs. E. M. Halle of Long Beach, Calif., are in Hereford looking after business interests. They are one-time residents of Hereford and still own farm property north of the city.

Mr. and Mrs. Carl Spratt and two children, Susanne and Carl David, of Lubbock, were guests in the home of his mother, Mrs. I. H. Spratt and her mother, Mr. and Mrs. Austin Rose, over the weekend. Mrs. Spratt and children remained for a two-week visit, and Mr. Spratt returned to Lubbock.

Mr. and Mrs. Randolph Carter of Corpus Christi were in Hereford Sunday and Monday visiting old friends. They had been on a trip to the Pacific Coast and in the mountains, and stopped to visit Mrs. Nona Jowell en route home. Mrs. Carter is the former Miss Glennis Coulson, who lived here in the early 1900's; Mr. Coulson, her father, owned and operated the old Corner Drug Store here.

Miss Betty Katherine Hodges returned last week from Detroit, where she visited her sister and family, Mr. and Mrs. Glenn Ford. Mrs. Ford will be remembered as Doris Jo Hodges. Betty made two trips into Canada, once on a large excursion boat on Lake Erie.

Tech. Sgt. and Mrs. W. J. (Bud) Turnbow of Washington, D. C., announce the birth of a son born July 2. Word has just been received here by Mr. and Mrs. P. A. Turnbow, the paternal grandparents.

Mr. and Mrs. Glenn Ford of Detroit announce the birth of a son, Glenn Cecil Ford, who was born June 15. The maternal grandmother is Mrs. Velma Hodges.

The Robert Gollehons had for Fourth of July weekend visitors, their daughter and husband, Mr. and Mrs. Lloyd Crume of Littlefield.

Mr. and Mrs. W. W. Buck and baby son of Lubbock, and Mrs. W. A. Johnson of Morton spent the weekend in the home of Mrs. W. A. Johnson of Hereford.

Mr. and Mrs. Robert Hubbard and family of Los Angeles are visiting his aunt's and families, Mr. and Mrs. Boyd London, Mr. and Mrs. Cris Renfro and an uncle and family, Mr. and Mrs. James W. Robinson.

EMMONS VISIT HERE

Mr. and Mrs. W. M. Emmons and daughter, Diane, of Albany arrived Sunday for a week's stay in Hereford. They are guests of Mr. and Mrs. O. L. Click and other friends.

Mr. and Mrs. Emmons were Hereford residents when he served as head of the agriculture department of Hereford High School.

Mrs. O. R. Tipps and daughter, Martha, of Wichita Falls, arrived Monday to visit with the Owen family and friends. Mrs. Tipps is the former Miss Ruth Owen and once lived here.

Mark Dalton and grandson, Dalton, visited in the home of his niece, Mrs. Roy Jowell. He is from Red River, N. M., his summer home. Mrs. Jowell had not seen him for 10 years.

M. Y. F. Group Outlines Work

Outlines for year books including programs, study course and social activities for young people of the Methodist Church, were completed at a Youth Fellowship Council meeting held at the home of Mr. and Mrs. O. L. Click, sponsors, Friday night.

Rev. Don Davidson, pastor; Bill Stanford and Mrs. Dyalitha Brady, councilors, met with the officers and committees.

Colleen Brown, president of the senior organization, will preside at regular Sunday evening meetings.

AUSTRALIA NEEDS POPULATION

CANBERRA.—(AP)—A warning that Australia could not survive another war unless she increased her population was given by Minister of Emigration Arthur A. Calwell. He said that if Japan was permitted to rise again in strength he did not think Australia would come through.

Shasta Daisies Decorate Home Former Resident

Shasta daisies decorated the home of Mrs. Clyde Cave when she entertained members of the London Bridge Club last week.

After an enjoyable session of bridge, Mrs. Kellar Muse was awarded the prize for high score and Mrs. Sylvester Slagle was given the prize for second high.

Members attending were Mesdames Henry Sears, J. T. Gilbreath Jr., Muse, Slagle, Grant Fuller, W. A. Teter, N. E. Milburn and the hostess, Mrs. Harry Cayler was a special guest.

SHEER TRAVEL MAGIC

THIS is the Buick America's car buyers are buzzing about. This is the one with travel magic flowing all through it.

This is the ROADMASTER with Dynaflo Drive*—where Main Street's dense traffic, the invading open road and the long, stretching hills are bossed with equal ease by a toe-touch.

What's Different About DYNAFLO DRIVE*?

To an efficient new pump (left above), Buick engineers have added a true turbine (right) and an ingenious new supercharging assembly (in hand) which produce a torque-boosting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual low, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.

*Optional of extra cost on Roadmaster models only.

Here you let your left foot idle comfortably wherever you wish—there's no clutch pedal to push, ever.

Here your mind's free completely of remembering when to shift—no gears ever shift anywhere in the car.

Here, you glide over ground and grades in swift and utter smoothness as constant and unbroken as Niagara's flow.

For here you have the only passenger car in America where liquid replaces both the usual clutch and the low-second-high gear sequence of conventional transmissions.

Here you sit in blissful ease while the power plant itself meets and masters the thousand and one situations that come up in travel.

Gentle grades, steep hills, long straightaways, stop streets—once your lever's set, you simply step on the gas—and take them all in liquid-smooth luxury!

Does all this sound fabulous? It is.

So fabulous that folks are signing up in droves for the '48 fashion plate with this new-wonder drive.

So to take command of this traveler-touched-with-magic, come see us quickly and get your order in.

We'll take it in sequence whether or not you have a car to trade.

When better automobiles are built BUICK will build them

BUICK alone has all these features

- * DYNAFLO DRIVE (Optional, Roadmaster Series)
- * TAPE-THRU STYLING (Optional and Roadmaster)
- * FLEX-FIT OIL RINGS * 16-POISED FIREBALL POWER
- * SAFETY-RIDE RIMS * QUADRI-FLEX COIL SPRINGING
- * VIBRA-SHIELDED RIDE * ROAD-RITE BALANCE
- * SOUND-SCORER TOP LINING (Optional and Roadmaster)
- * BIG TORQUE-TUBE * DUOMATIC SPARK ADVANCE

Long Time Ago

25 Years Ago
NOTE: The Hereford Brand was a bi-weekly newspaper 25 years ago and was published by Seth B. Holman and Walter R. Stockman. The paper came out on Tuesday and Friday. A year later, July 3, it went back to a weekly.
RECRUITS TO GO TO CAMP; COURT EMPLOYEES TAXES FOR COUNTY; NEW RURAL COUNTY; GRADY PICNIC ON JULY 4 WAS FULL OF EATS AND FUN.
Story of the week: S. J. Williams Lives At Home and Boards There Too. "Say, I gnawed the corn from four ears and from

my own garden the Fourth. I had new potatoes, beans, peas, beets, and cherry pie, all from my own vine and fig tree. Now beat That."
People in the headlines: Sheriff Purcell and Party visit Dalt Hart Rodeo. Mr. and Mrs. Walter Orr and son visit Colo. Mrs. Dow Mercer is resting well after operation. Mr. and Mrs. George L. Sheppard honored with birthday party. Two sisters of Rev. J. R. Sharp enroute here. Miss Evelyn Witherspoon scores hit with recital (expression). George Barcus is here—Justice Court Appeals Taache to farm wheat on large scale this year (800 acres).

Local Happenings: J. S. Orr reached home from Ft. Worth. Messrs Sam Cunningham and Earl Wood went to Ardmore, Oklahoma, Friday. Carl Lewis returned to his home in Clovis Friday morning. Mr. and Mrs. C. D. Shaw and family spent the Fourth in and near Tulla. Mr. and Mrs. Monte Baker and son Dennis, were in Amarillo last Sunday. Mrs. George Muse and Miss Gladys Beams reached home Thursday from Amarillo. Mrs. J. O. Newell and two small children went to Canadian Friday morning to visit in the home of Mrs. Newell's sister, Mrs. W. J. Todd. Hugh Witherspoon returned to Amarillo, Thursday.
Ads: Two full pages were given to advertise Dollar Day and carried individual ads of the business firms of Hereford.

SIAM BIDS FOR UNESCO SEAT
BANGKOK.—(AP)—British Siam's ministry of education has instructed the Siamese ambassador in Washington to seek admission of the Little Asian Kingdom to UNESCO, the United here in the third international scientific and Cultural Organization. Siam's chief of adult education attended the last meeting of UNESCO's general council in Mexico as an observer.

DOCTOR-CLERGY TEAMWORK
LONDON.—(AP)—The British Medical Association wants greater cooperation between its members and the clergy.
"Health is more than a physical problem," says the association's annual report, "and adjustment to life's negative forces such as fear, resentment, jealousy, indulgence and carelessness play no small part in the level of personal and national health."
The report urges doctors and clergymen to cooperate especially in cases in which the doctor "thinks that religious ministers will conduce to health and peace of mind."

FIRE CHIEF'S FIRE
MITCHELL, S. D.—(AP)—It was a dull afternoon when Fire Chief Ast B. Wheeler responded to a telephone alarm. He dashed out with the fire engine to help extinguish a blaze in his own car.

Miss Betty Jane Robinson arrived Sunday to visit her parents, Mr. and Mrs. James Wallace Robinson. Betty Jane graduated from the John Sealy Hospital in Galveston in the spring and has now completed her work as a graduate nurse.

Elizabeth Yarbro returned by plane Wednesday after visiting her mother in Austin. John Harris, son of Mr. and Mrs. G. E. Harris, is spending the summer in school at the University of Texas, Austin.

"BOOZE AND BULLETS"
BANGKOK.—(AP)—Latest reports from a "tiger gang party" in North Siam sound more and more like a Hollywood script writer on a binge.
That was the party at which Siamese police wined and dined with 1,000 guests, then started shooting it out with the host-chieftains of the notorious "tiger gang" of bandits.

One host was killed on the spot. But his brother took to an elephant's back and crashed off into the jungle via pachyderm.
Altogether the booze and bullets bings—held to 'swain two fancy new houses the "tigers" had built—cost 15 lives and five villagers, including two children. Four police were seriously wounded.

see the **GAS Refrigerator**

ONLY Servel STAYS SILENT LASTS LONGER
because it has no moving parts in its freezing system
Come see it today . . . the famous Gas Refrigerator you hear about but never hear. More than two million owners will tell you its different, simpler freezing system pays off in silent, worry-free performance year after year.
Only Servel makes ice and cold without using any moving parts at all. There's no motor, no valves, no piston or pump. No machinery that can wear or get noisy. Just a tiny gas flame does the work. So it stays silent, lasts longer.
You'll find every new food-keeping feature in today's Gas Refrigerator, too. A big frozen food compartment, plenty of ice cubes, moist cold and dry cold for fresh foods. Come see Servel. It's America's top refrigerator investment today.

RUSSIA PLANS URALS DAM
MOSCOW. — (AP) — Thirty thousand workers will be soon building an immense dam across the Kama River in the Northern Urals.

Building a power station which will be the second largest in the Soviet Union and furnish immense quantities of cheap electric power to this important industrial area, the workers will have to move 20 million cubic meters of earth and install 60,000 tons of structural steel.

Invisible X-Ray Leads To Prison

LE HAVRE.—(AP)—A doctor has been sent to jail for a year for X-raying patients with a machine that wasn't working. They become suspicious when they received bills for radiography, but no X-ray photographs. They enlisted the help of another doctor, who sent his assistant in the guise of a patient. He discovered a broken filament.

In addition to the year in prison, the Havre criminal court sentenced the first doctor to pay 225,000 francs (about 750 dollars) damages to his duped clients.

"COTTON ANALYZER"
MANCHESTER, England.—(AP)—A machine which analyzes raw cotton to determine the amount of waste has been built by the British cotton industry research association. The apparatus separates the lint from the dust, stalk, leafy material and seed coat.

BY LAMERLAS BERRYMAN
Visiting Sunday in the H. M. Mobley home were Mr. and Mrs. T. L. Sparkman Jr. and family, Mr. and Mrs. Owen Andrews and family, Mr. and Mrs. T. L. Sparkman Sr., Raymond Mobley and Kent.

Mr. and Mrs. Earl Cole are in Temple this week and Mrs. Cole is going through a medical check-up at the clinic there.

Mrs. N. E. Mobley of Richland Springs is visiting in the H. M. Mobley home this week.

Mr. and Mrs. W. A. Wilson of Hobbs, N. M., were week-end visitors in the Rev. T. D. Allen home.

Mr. and Mrs. Olin Farris were visitors of the David Yandell home Sunday.

Visiting in the homes of the Sparkmans, Springers and Jones were Mr. and Mrs. R. A. Gillam.

Mr. and Mrs. E. H. Little attended the golden anniversary celebration of Mr. and Mrs. Gunn in Hereford, Sunday.

Mrs. Grace Little spent Thursday night in the E. H. Little home.

Mr. and Mrs. Alvin Smart and family are visiting in the S. A. McCathern home.

Mrs. Minnie Tuten of Colorado Springs is visiting Mr. and Mrs. Elbert Summers in Hart Sunday.

Mrs. Alton Steele of Silvertown visited the W. A. Springers Saturday.

Mr. and Mrs. Henry Dobbs had for Sunday dinner guests, Rev. and Mrs. T. D. Allen and family, and Billie Jean Barnett.

Mrs. Mary Bottoms and Joyce are making an extended visit with the A. E. Barnetts.

Sunday afternoon visitors of Mr. and Mrs. Barnett were Mrs. Luther Ellis and Teresa.

Mr. and Mrs. T. L. Sparkman Jr. were Sunday dinner guests of the J. E. Andrews. Afternoon visitors were Mr. and Mrs. E. B. Berryman and family and Henry Berryman.

There will be a brotherhood meeting Friday night at the school. Everyone is invited. The GA's will also meet at the school.

G. E. HARRIS FAMILY HERE FOR REUNION

Mr. and Mrs. G. E. Harris and daughter, Edna Marie, were hosts for a family reunion Sunday in their home. Out-of-town guests were Mrs. Harris' brother, Ernest Kendrick and her mother, Mrs. J. W. Kendrick of Ralls; a brother, Tip Kendrick and family of Slaton; a son, Marvin Harris, also of Slaton, and a cousin from Lafayette, Ala.; and Mr. and Mrs. Pete Kendrick, another brother was from Floydada. Two young friends of Edna Marie's also attended, Neomi Carter of Summerfield and Emmarie Turner of Hereford.

DOPE HITES IN LOCOMOTIVE

BANGKOK.—(AP)—A locomotive's firewood provided a hiding place for 2,800 grams of opium seized by Siamese police recently. When the discovery was made, the engine driver-leaped out of the cab and ran away.

MUSKRATS NOSE OUT OYSTERS

BALTIMORE.—(AP)—Maryland's economic fame lies in its oysters, but this is an injustice to muskrats. The state game

and inland fish commission observed in an annual report that the yearly muskrat fur catch often equals or exceeds a value a season's oyster output. In fact, the agency added, the Frop

State is second only to Louisiana as a producer of valuable fur.

BLITZ TORSO UNCOVERED
LONDON.—(AP)—The torso of a 1941 blitz victim has just been found in a bomb ruins here.

HEREFORD STATE BANK
The Bank of Friendly Service
Member of F.D.I.C. ... Member of FED. RES. SYSTEM

Now its proved quality becomes more impressive than ever

...AND CHEVROLET'S LOW PRICES

are even more attractive than in the past!

FIRST in Value ...

FIRST in Big-Car Quality at Lowest Prices ...

FIRST in Registrations

ALWAYS THE VALUE-LEADER ... always the first choice of people who want the finest at lowest cost ... Chevrolet's value-leadership is now so outstanding that men and women everywhere are deciding it's more than ever the preferred investment in its field!
Not only does Chevrolet stand out as the first and only low-priced car with all the following major advances which comprise the soundest and best in modern motoring ... not only does it offer all these major advantages of Big-Car quality at lowest prices ... but it offers them at prices that are now definitely and decisively lower than those of any other car that even remotely approaches it in quality!
It's the first and only low-priced car with the original and outstanding Unitized Knee-Action Ride. It's the first and only low-priced car with a world's champion Valve-in-Head

Engine. It's the first and only low-priced car with the enviable Body by Fisher. It's the first and only low-priced car with the triple safety-protection of Fisher Uniastel Body-Construction, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes.
And yet, despite the fact that CHEVROLET AND ONLY CHEVROLET IS FIRST to offer all these major advancements of low-cost motoring, it holds an even greater price-advantage and gives you even more value for your dollars in comparison with other automobiles today than at any previous time in Chevrolet history!
That is why more people are buying Chevrolets than any other make of car, this year as for the total 17-year period, 1931 to date; that is why they are agreeing, with ever-mounting enthusiasm, that Chevrolet is first in dollar-value as it is first in nation-wide demand.

Shamrock's QUALITY CONTROL Means Clean-burning Gasoline

SCIENTIFIC LABORATORIES constantly are safeguarding Shamrock quality. Shamrock gasoline is thoroughly analyzed to ferret out impurities that might harm your motor and to maintain high performance standards. Constant tests are made to determine the best blending of gasoline to suit the season, the climate and the altitude. Nothing is overlooked to give you a gasoline that's fast, powerful, economical ... a gasoline that burns clean in your motor. When you fill up with Shamrock, do so with complete confidence that no better gasoline can be had anywhere.

MRS. OLIVER RUDD.

Minor Repairs, Major Results On Your Home

COLLEGE STATION, Texas, July 3.—W. S. Allen, extension agricultural engineer of Texas A&M College, says summer time is a good time to check the outside of the home and make repairs. It may save a big repair bill later on.

Quite often, Mr. Allen says, the repairs can be made by the home owner.

"There are five major spots to be checked," he points out. "A good starting point is the foundation, then cornices, window frames and trim. Take a good look at the roof and be sure to check the gutters and downspouts."

Small cracks in the foundations or masonry walls can be repaired by filling with asphaltic cement, while large cracks should be chipped out to about half an inch or more and filled with cement mortar. Use caulking compound in cracks between walls and window frames, or where the chimney joins the house, or other joints.

Replace badly warped boards and shingles, whether walls or roofs. Split badly warped wood shingles on the roof and re nail them perfectly flat. Seal clapboard wall joints with paint and doubtful joints in composition roofing with pitch.

Replace rotted wood around wooden cornices, window frames and trim. If renailing is all that is needed, set and putty each nail.

Check metal flashings on dormers and chimneys for looseness, corrosion or lack of paint. Resolder all broken joints on gutters and downspouts and repaint inside of gutters with metallic paint. Replace loose nails and straps holding gutters and downspouts.

Such minor repairs may bring major results, Mr. Allen concludes, by preventing large repair bills later on.

Carl Dean Mountz of Lubbock visited his parents, Mr. and Mrs. C. J. Mountz, over the weekend.

New Farm Price Drunk Driver

(continued from page 1)

the price is twice as high. More than 900 items the farmer buys are used in determining the price he should receive for products he sells.

The new parity will be based on prices in the 1910-14 period. But in addition it will attempt to take into consideration changes that have taken place in farming practices and demand for farm products since then. For instance, it costs less to produce grain today than it did in 1910-14 because grain planting and harvesting machines have been invented, reducing farm labor. Also the demand for grain has changed. The new law averages prices for all farm commodities during a recent 10-year period. Then this average is used, at one stage of figuring, to establish "a modern" relationship among the crops and the profits they bring.

Farm officials say in general this will tend to reduce grain prices and increase prices for livestock and dairy products.

The law spells out the way the secretary of agriculture may support prices of the "basic" commodities—corn, wheat, cotton, peanuts, rice and tobacco. He may support other products at his discretion. The tobacco price will be set at 90 per cent of parity indefinitely. The other five basic commodities may be supported at from 60 to 90 per cent of parity. The level will be determined by the abundance of any commodity. The price may be set at 90 per cent of parity when the size of the crop is 70 per cent of normal but it may be reduced a slow as 60 per cent of parity if the size of the crop reaches 130 per cent of normal. In the case of tobacco the price will be 90 per cent of parity whenever marketing quotas are in effect to control the size of the crop.

Wool prices will be supported at 90 per cent of parity until production reaches 360,000,000 pounds a year. At present it is 300,000,000. White potatoes will be supported at from 80 to 90 per cent of parity. Other farm products, including poultry may be supported at from 50 to 90 per cent of parity.

The secretary of agriculture may establish marketing restrictions on the basic commodities when supply is 115 per cent of normal or prices are below 70 per cent of parity and supply is less than normal. When the secretary establishes marketing quotas for a basic crop, farmers may vote upon it. If more than one-third of the votes are against the quotas, the support level will be reduced to 50 per cent of parity.

Drunk Driver

(Continued from Page 1)

who were held last week in connection with burglary of Hereford Super Market were also questioned later by Sheriff Reese concerning theft of a wrist watch from the restroom at Kerr Implement Company. The 10-year-old told several stories, but the 6-year-old consistently declared that they buried the watch in a pile of gravel at the Hereford Gravel Co., on Highway 60, across from Kerr's. Swede P. Johnson, manager, said if the story is true that the watch is now buried deep in the concrete floor of Howard Gault's new warehouse across the tracks.

WHY "Stepping Down" IS SO IMPORTANT TO YOU

Hudson amazes motor-car world by using vital "step-down" zone—not available in any other car—to bring you riding qualities and safety beyond anything known before!

Word's going round—and fast, too—that Hudson gives you a "sweet," smooth, safe ride that is a new high in motor-car performance!

Perhaps you've heard pleased and proud Hudson owners talking about this exciting new experience, but here's something you may have missed hearing:

The key to this amazing new ride lies in that area just under the floor of the average car, which in the New Hudson becomes the "step-down" zone—as illustrated in the sketches at the right.

This "step-down" zone is all-important, because experience has shown that the lower to the ground a car can be built, the better it will handle, the more stability it will have, the safer it will be, and thus the more enjoyable and comfortable will be your ride.

Hudson, and Hudson alone, has accomplished a near miracle of low-built streamlining and smooth, safe, comfortable riding with a new type of base frame which surrounds the passenger compartment, and thus permits the floor to be lowered down within it. Recessing the floor creates the "step-down" zone and a center of gravity that is the lowest

in any American stock car—yet road clearance is ample!

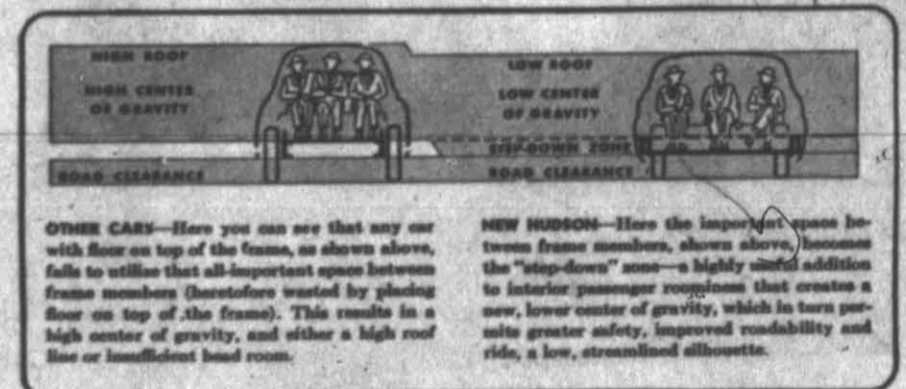

That's why Hudson has a hug-the-road way of going, even in cross-winds, and on every conceivable kind of highway. When you see how this car takes even the sharpest curves, it will spoil you for any other type of automobile! You sense this delightful conformity to the road the minute you begin your ride; and this stability, plus the protection of riding encircled by a sturdy box-section steel frame, gives you a grand feeling of safe well-being.

Sitting in this car is as downright satisfying as stretching out in your favorite easy chair. You ride on seats that are lowered and cradled ahead of the rear

wheels and, even with its low silhouette, this breathtakingly beautiful motor car gives you more head room than any other mass-produced car built today! Hudson's use of the vital "step-down" zone in its exclusive, all steel Monobilt body-and-frame is a development that required years of engineering work, the perfection of new production techniques, and millions of dollars in highly specialized new plant investment. Perhaps this explains why Hudson alone offers this new design principle today.

The nearest Hudson dealer has a booklet—yours for the asking—which explains how "stepping down" brings you advantages beyond anything known before! Hudson Motor Car Co., Detroit 14.

Trade-mark and patents pending.

OTHER CARS—Here you can see that any car with floor on top of the frame, as shown above, fails to utilize that all-important space between frame members (hereafter wasted by placing floor on top of the frame). This results in a high center of gravity, and either a high roof line or insufficient head room.

NEW HUDSON—Here the important space between frame members, shown above, becomes the "step-down" zone—a highly useful addition to interior passenger compartments that creates a low, lower center of gravity, which in turn permits greater safety, improved roadability and ride, a low, streamlined silhouette.

This time it's Hudson

HERE'S MORE ON WHAT
LYNDON S. JOHNSON
STANDS FOR —

Congressman Lyndon Johnson

"The Man Who Gets Things Done"
Candidate for
U. S. SENATE

- Full representation for ranchers and farmers!
- Hard-surfaced market roads!
- Electricity for ranch and farm homes!
- Soil and water conservation!
- Better rural schools!
- Fair price supports!

THE PROOF THAT HE WILL CONCENTRATE ON THIS PROGRAM IN THE U. S. SENATE! For his own District, he has: Seen to the electrification of between 15,000 and 20,000 farm and ranch homes... helped launch the great South-Central Texas water conservation and control program... seen to the construction of hundreds of miles of ranch-farm-to-market roads... helped in a fight for healthier, happier home life for thousands.

Subject to the Democratic Primaries July 24
