Lions' Club Carnival Committees Announced

Rites Today For Judge C. F. Kerr

Judge C. F. Kerr, pioneer West Texas resident who had lived in Hereford since 1927, died at 3:30 o'clock Wednesday afternoon in his home, 501 E. 5th, after an illness of about a year.

JUDGE C. F. KERR

Funeral services are scheduled for this afternoon at 4 o'clock in the First Presbyterian Church, with Rev. Russell A. Wingert, pastor; Rev. G. K. Rogers, Plainview; and Rev. James Aiken, Denton, former pastor of the church here officiating. Burial will be in West Park Cemetery. He was 93.

Born in Illinois in southern Illinois on July 27, 1859, Judge Kerr came to the Plains of Texas in 1883. He first taught in a one room school in Hale Center, then moved to Dimmitt in 1897.

The following year Al Gough resigned as Castro County judge and moved to Hereford, and persuaded Kerr to run for judge. Kerr not only won that time, but stayed on to serve four terms as county judge of Castro County. It was while he was holding that position that he became a friend of Will Rogers, cowboy humorist, who was then working in Castro County.

In 1898 Kerr established the first general merchandise store this side of Amarillo. Later this was changed from general merchandise to hardware, and finally to a grocery and drugstore.

Married in 1899. On May 17, 1899, Judge Kerr married Mrs. Eula Ireland McDonald, who had moved to Dimmitt from Clay County. They have five children, Bryan E. McDonald of Canyon, Neavis and Will S. Kerr and Mrs. Clay Ridgway of Hereford, and Mrs. Bob Birchfield of Amarillo.

Around Town

John R. Sanderson, manager for the Social Security administration office in Amarillo, will be in Hereford Tuesday, July 21. He usually sets up a temporary office in the commissioner's court room.

A program of farm news will be presented every Saturday morning from 7 to 7:15 o'clock which begins this week over station KPAN. Maurice Howell of the Farm Bureau office here will emcee the program.

Three members of the La Plata Study Club—Mrs. H. H. Caraway, Mrs. Frank Prowell and Mrs. Emil Detman—will appear tonight in KPDA-TV's "Texas, USA" program, where they will match their knowledge of Texas against that of three members of the Veterans of Foreign Wars post in Amarillo.

Production and Marketing Administration in Deaf Smith County is preparing to start the measurement of 1953 cotton acreages. All allotments seem almost certain. It is in the best interest of the farmers to turn in their acreage to the PMA office if they have not already done so.

This is transfer month for students. Any students in the county who want to transfer from one district to another should do so before August 1. Application should be made in the office of Judge Horace Schloss.

Recent moisture in the air around these parts caused a little trouble out at KPAN. They have a bunch of fancy weather equipment, but it had been so long since there was any moisture in the air that no one knew how to use it. They even discovered that the rain gauge was about to fall over. By now they should have

(Continued on Page 2)

Driving Skill Show Is Planned By Road Knights

Hereford teenagers, who are accused of a major portion of the reckless driving around town have taken it upon themselves to try to change the situation to some extent, at least.

A new car club, bearing the name Road Knights, has been organized for the purpose of promoting safety among the teenage drivers in Hereford.

Pat Newell, former president of the Rebel Custom Car Club, has resigned his office in that organization to organize and become temporary president of the Road Knights.

Other Officers: Other temporary officers are Dale Hinds, vice president; Jimmie Cramer, secretary; Jim Lady, treasurer; and Eugene Campbell, reporter. Other members of the club are Joel Newman, Robert Hicks, Bill Kelly and George Parker.

The Knights are sponsoring a "Car Day" Monday. Activities during the day will begin with a car show held in the display room of Wallace Buick Company from 1:30 to 3 o'clock in the afternoon. Trophies will be given to the owners of the best looking custom cars.

Immediately after the car show, a car rodeo will begin at the Hereford Rodeo Ground east of town.

Skill Demonstrations: Participants in this event will demonstrate their driving skill by maneuvering through simulated, tapered garages with very little clearance at the small end.

They will be asked to drive up to a line and park within two feet. Parallel parking and many other events will be other features of the rodeo. Persons who mostly nearly complete all the events will be given trophies.

Reliability Run: Immediately after the rodeo a reliability run will be held to again test the participants driving skills, this time involving traffic signs on a course slightly more than 60 miles in length. Drivers disobeying signs will automatically be eliminated.

Those who make the best time over the entire course without breaking the speed limit or disobeying the signs will also be given trophies.

Everyone is invited to participate in any or all of the events. Newell said. Entry fee is \$1 for each event, or \$2.50 for taking part in all three events. A small admission fee will be charged at the car show.

Draft Taking Three From Area Monday

An induction call of three men was taken from the Selective Service board Monday, according to Mrs. A. Petersen, clerk.

The men will report to Hereford on July 20 and go to Amarillo for induction.

Those included in the call are: Henry Hermer, Grategut of Ustaberger; Bascom M. Nelson of Dimmitt; and Sammy R. L. Buckmaster, Dimmitt. The two from Dimmitt are volunteers.

There will be four men called for induction August 21.

Minor Injuries Received In Early Morning Wreck

George A. Draper, 18, of Hereford, received minor injuries about 5 o'clock Wednesday morning when his pickup truck left the road and hit a tree about 10 miles south of Hereford on Highway 51.

The Highway Patrol reported that Draper evidently went to sleep, as the truck went off the left hand side of the highway, Draper was coming toward Hereford.

Damage to the 1941 Ford pickup was estimated at about \$150.

Building Will Be Erected By The Alley On Jail Lot

Commissioners Give FB Plans Approval

PRODUCE FOR THE GOVERNORS of all 48 states, as well as for President Eisenhower, Secretary of Agriculture Benson, Texas Secretary of Agriculture, John C. White, the Dallas Morning News and the Houston Post were packed by Pat Loeferwald, (right) and Nan Longbottom at the Deaf Smith County Chamber of Commerce office. The potatoes and onions, which were donated by local growers and shippers, were mailed Wednesday. Potatoes and onions that were left over will be handed out to tourists from some of the local filling stations. The potatoes and onions were put in sacks with various pieces of literature telling about the wonders of Deaf Smith County. Others who worked on the project were Clint Formby, Dean Herring, Maurice Howell and Jerry and Mike Mullins. (Staff Photo)

The Deaf Smith County Farm Bureau has gained permission from the Commissioner Court to erect a building of a non-permanent nature on the west side of the lot which contains the county jail.

A 20x30 foot building for the use of the Farm Bureau will be erected on the site by the Farm Bureau as soon as is practicable. A committee from the Farm Bureau met with the commissioners Monday and presented their plan, after which the project was discussed by the commissioners and a check of the ground made.

Contract To Be Signed: The Farm Bureau had first suggested that the building have the long side facing the street, and be about in line with the present jail, but agreed that it would be just as well to have the narrow side of the building facing the street.

A contract between the Farm Bureau and the county will be drawn up by County Attorney Ed Line and signed by the proper authorities before construction begins.

The commissioners set the salary of H. E. (Homer) Henslee, who had been previously appointed chief office deputy by Sheriff, tax assessor-collector Lowell Sharp at \$300 per month. The salary is to be effective as of June 15, the date of his appointment.

Approval was given by the commissioners for Ralph Smith, county clerk, to purchase a heat press for his office. The press will be used in preparing materials for the files.

Check Received: The county has received a check for \$32,806.97 from the Texas Highway Department. This is the excess deposit refundable to Deaf Smith County from the \$444,100 previously paid by the county for road construction. The latest work was on V-801-2-1 (Roads No. 2 and 3).

Hospital Problem: Bob Lewis, manager of the Deaf Smith County hospital, also appeared before the commissioners and told them that there are an alarming number of transient labor medical cases now being treated in the hospital.

These people have not been in the county long enough to qualify for relief, but they have had to be taken care of, Lewis said. Since they are financially unable to pay for the services, the hospital is running a deficit, Lewis told the commissioners. (Continued on Page 2)

Six Automobile Accidents Reported Since Saturday

Damages totalling \$765 occurred in six accidents here since Saturday, according to investigating officers.

Sunday afternoon, a 1949 Ford, driven by Sam L. Deshazo, collided with a 1953 Plymouth, driven by Mrs. Betty J. Treeby.

Deshazo was going west on Fifth and Mrs. Treeby was going north on Roosevelt when Deshazo's car collided with the right front door of the Plymouth.

Deshazo was charged with failure to grant the right of way. There was about \$300 damage to the Plymouth and \$50 damage to the Ford.

Improper Turn: Monday afternoon, a 1949 Ford coach driven by Cledella Morris was going west on Highway 60 in the left lane of traffic when a 1949 Ford sedan, driven by Harmie Gean Canady collided with her car.

Morris made a left hand turn and Canady, too close to stop, hit the right side of the Ford coach.

Canady was charged for following too close and Morris was charged with driving without an operator's license and making an improper right turn. Damages were estimated at \$100 to the Ford Coach and \$75 to the Ford Sedan by investigating officers.

Limb Does Damage: Anna Jo Wilson, driving an International panel truck was going west on Grand Avenue and pulled up to the curb to stop. She struck the low hanging limb of a tree.

Damages were estimated at \$150 to the panel. Monday evening, a 1952 Ford, driven by Felix Albert May was scraped by a 1950 Chevrolet pickup driven by Mrs. Billie Kee.

May was parked on South Main and Mrs. Kee scraped the right front fender and right door of his car. Damages were estimated at \$35 to the Ford and \$10 to the Chevrolet, by investigating officers.

Angle Parking Accident: Tuesday morning Randall Thomas, driving an International pickup, collided with a 1950 Pontiac driven by Woodrow Wilson, on Miles Avenue.

Wilson, who was angle parked, backed out and collided with the International, which was going north on Miles. No tickets were issued. Damages were estimated at \$35 to the International and \$35 to the Ford Sedan by investigating officers. (Continued on Page 2)

No tickets were issued. Damages were estimated at \$35 to the International and \$35 to the Ford Sedan by investigating officers. (Continued on Page 2)

High School Contract Let

The school board Wednesday afternoon accepted bids totaling \$732,841 to cover construction of Hereford's new high school building.

Contracts were let, however, with the understanding of an additional \$5,000 expenses involved in lighting costs, due to elimination of basic specifications, bringing the actual construction figure to approximately \$737,841. Based on this figure, the total cost will be around \$849,733, when an estimated \$75,000 is included for furnishings and \$38,892 is added for architect's fees. The contractor cited September 1, 1954, as completion date.

All Low Bids: All contracts were awarded to low bidders and were let in three separate divisions. General construction contract went to Gohman and Crouch Construction Company of Borger at \$582,383, plus 5 percent fee for supervision of plumbing and electrical contracting work. The fee totaled \$7,402.

Electrical contract went to Brooks Electric Company of Pampa for \$49,437, but was reduced on an alternate in the bid by \$12,081, making the actual award \$37,356. The mechanical section went to P and C Mechanical contractors of Lubbock at \$105,700. (Continued on Page 2)

Burial Services Are Held For Mrs. Nellie H. Winget

Funeral services for Mrs. Nellie Hardin Winget, 65, were held Wednesday afternoon at 3 o'clock at the First Methodist church with Rev. S. M. Dunnam, officiating.

Mrs. Winget died suddenly Monday morning at the Tierra Blanca Lodge, where she had been staying.

Burial was in West Park Cemetery. Arrangements were made by Gilliland Funeral home.

Moved Here In 1945

Mrs. Winget was born June 11, 1888, in Ohio. On June 29, 1907, she married Perry Austin Winget. They moved to Deaf Smith County from California in 1945.

Survivors include her husband, P. A. Winget, three sons, W. L., C. R., and M. L. Winget; one daughter, Mrs. Earl Blank, 11 grandchildren and one great grandchild, all of Hereford.

THE BIG TRUCKS roll in, park for a while around the square or on that are fairly close. A recent check around the square showed license a side street, and within a few days they have loaded with potatoes plates from Mississippi, Louisiana, Texas, New Mexico, Oklahoma, Arkansas, Colorado, Iowa, Indiana, Florida and Nebraska. Undoubtedly as long as there is fresh produce ready to go. Where do they come from? Most people don't stop to look even at signs on the table-growing industry in the United States. (Staff Photos.)

Phillips 66 Shuts Out REA In 11-0 Scramble

By Billy Paul Knox
 Carl Hutchinson pitched a one-hitter for Phillips 66 as he shut out REA, 11-0, in the second game of a double header Thursday night. The Knights of Columbus won the first game over Piggly Wiggly, 19-9. With their win Phillips 66 goes into a tie for first with Dawn, both having won eight and lost two. In the latter game, Hutchinson gave up only one hit, a single, to Bill Hampton. Phillips committed no errors while REA made six.

Piggly Wiggly led off with one run in the first. Ramey tripled and scored on a long fly ball to left field. The Knights of Columbus tallied twice on the same number of hits. The last hit was a home run by Tom Albracht.

F. W. Score
 Tommy Culpepper came up with a home run to produce the only Piggly Wiggly score in the second. The K. C.'s scored once on a single, two walks, and an error.

Piggly Wiggly went down in order in the fifth while the K. C.'s were scoring eight runs. They scored these runs on only two hits. They drew seven walks with Piggly Wiggly making three errors.

Piggly Wiggly scoring twice more in the fourth on Ramey's triple, a double by Culpepper and a single by Greenway. In the same inning, the Knights of Columbus scored three runs on a single, an error and a home run by Duane Albracht.

Five More
 Piggly Wiggly scored five runs on the same number of hits in the fifth inning. Jack Ramey connected for his fourth hit of the night in this inning.

The Knights of Columbus ended the game in five innings by scoring four runs in the last of the fifth. Piggly Wiggly committed two errors in the inning. A home run by Tommy Albracht helped things a bit for the K.C.'s.

Jack Ramey collected four hits to lead Piggly Wiggly while Everett Allen, Tommy Albracht, and Duane Albracht all got two hits for the K. C.'s.

Two Blanks
 Both pitchers seemed to be right as both teams were blanked in the first inning.
 In the second game Phillips 66 scored twice on one hit, a double by George Leorwald. Dunnam walked two men and REA made one error. REA got their only hit in this inning. It was a single over the shortstop's head into left field.

Phillips sent ten men to the plate as they scored six big runs on four hits. They drew one walk and REA made two errors in the inning.

Two Doubles
 Phillips scored three times in the fourth on three hits. Two of the hits were doubles by Wendell Burdine and Raymond Lueb. The other was a single by Tim Corbett.

Hutchinson set REA down in order in the fourth and fifth with Phillips 66 going down the same way in the fifth.

REA never sent more than four men to bat in one inning. Hutchinson walked three and struck out two. Phillips 66 played flawlessly afield while REA made six miscues.

Tim Corbett and George Leorwald punched out two hits apiece to lead Phillips hitters while Bill Hampton got credit for the only hit for REA.

Thursday night Phillips 66 and Dawn clash in one game while H-H and Summerfield play in the other.

(Continued from Page 1)

Figure Reduced
 The total low bids on the building on basic bids figured \$860,226.30, but the school board, following a two hour session, reduced the figure to almost come within the original \$850,000 issue by accepting two alternates. The first alternate was omission of stage lighting at a figure of \$12,081 in the auditorium. This figure, it was estimated, would result in placement of another contract, however, at approximately \$5,000, and eliminated an intricate dimmer system. The actual saving on this item was figured at around \$7,000. The board also voted to replace 14 steel outside doors with hardwood slab doors at a total savings of \$2,500—an alternate item on the bids.

General bids ran from the low of \$584,883 by Gohman and Crouh to a high of \$890,000 from the bidding eight firms. Mechanical and plumbing bids ran from the low of \$105,700 accepted up to \$125,536 with 11 firms bidding. The electrical bids ranged from the low of \$49,437 up to \$69,644.

General Approved
 The bids drew general approval from board members, however, with several on the group expecting such high figures that the school might have to be abandoned. The board discussed taking the total across the board—but finally entered the alternates in an effort to stay within the overall of \$850,000 allocated in a recent bond issue.

Another interesting factor in the bidding was the absence of several widely known contractors who had previously objected to the idea of split bidding on the three phases. Places were left on the forms, however, in case bidders wanted to bid on an over-all basis, but no bids were received in this manner.

Six Auto...
 (Continued from Page 1)
 Minor damages occurred Tuesday afternoon when Doris Barr Goldston, driving a 1949 Chevrolet, was parked on the west side of Main street and Manuel S. Carter, driving a 1940 Chevrolet was parked on the east side.

Both cars began to back out at the same time and the 1940 Chevrolet struck the left rear fender of the 1949 Chevrolet.
 Damages were estimated at \$10 to the 1949 Chevrolet.

 read the instructions again and straightened the rain gauge. Even the dew on the grass around here looks like a lot of moisture to some people.

The reason the swimming pool was closed and drained recently, was to get pollen, which had blown from park trees, cleaned out.

Carl Periman, FBI man from Amarillo, related a number of his experiences in a talk at the Lions Club meeting Wednesday. About 80 persons were present at the meeting. Boss Lion J. W. Robinson presided.

Legal Notice
 The City Commission of Hereford, Texas will receive bids until 10:00 A. M. Saturday, July 25, 1953 in the City Hall, for the construction and installation of a six inch sewer line approximately 5,400, 6 1/2 to 9' depth, 4 man-holes. Specifications may be obtained in the office of the City Hall in Hereford, Texas.

Elizabeth Grubbs Given Birthday Party At Home Nasario Martinez Funeral Held At Camp

Miss Elizabeth Grubbs was honored on her 15th birthday Sunday with a party at her home given by her parents, Mr. and Mrs. A. S. Grubbs.
 Those present were: Donald Petty, Benny Grubbs, Rex Blackburn, Danny Mack Banium, Glenna Mae Pope, Gene Watson, Roberta Reed, the honoree and her parents.

In the two years of its existence, tax collections under the Dingell-Johnson sport fish restoration program totaled more than \$3,750,000.

County...

 commissioners.
 Because of the nature of the problem, the commissioners referred the problem to the hospital board.

Paving Situation
 The problem of the paving around the Courthouse was brought to the commissioners by Cecil Massey, Hereford city manager. Massey said that paving is breaking down where there is a drainage trough in the paving. By agreement, the city maintains the paving, but the city commissioners feel that the county should put a concrete "v" in for drainage so water will not seep under the paving.

The county commissioners held a discussion on the problem, but did not take any action on the matter.

Those present at the meeting included County Judge Horace L. Schloss and commissioners M. T. Rutter, Precinct 1; J. C. Morrison, Precinct 2; J. T. Guinn, Precinct 3; and C. G. Richardson, Precinct 4.

Patients Dismissed
Dalia Twiner, T-A, 7-14; Mrs. B. C. Dement, med., 7-14; Mrs. Burke Inman, surg., 7-12; Mrs. William Crow, OB, 7-14; Leroy Lynda Goodgion, med., 7-11; Mrs. W. L. Perkins, OB, 7-13; B. A. Witherspoon, med., 7-12; Mrs. Lou Ford, med., 7-12; Mrs. Bill Boatman, OB, 7-13; Mrs. F. M. Martin, med., 7-12; Mrs. L. Deaton, OB, 7-12; Mrs. Ray Barnett, med., 7-12; J. O. Newell, med., 7-13; Mrs. C. W. Owens, OB, 7-13; R. P. Miles, med., 7-13; Dora Sanchez, med., 7-14; Mrs. Rita Tijarina, surg., 7-14; Mrs. Paul Rudd, med., 7-14; Mrs. Petra Garcia, OB, 7-15; and Guadalupe Garcia, med., 7-14.

Births
Sons to Mr. and Mrs. Petra Garcia, 7-12; Mr. and Mrs. D. D. Henslee, 7-15; and Mr. and Mrs. Bill Woods, 7-15. Daughters to Mr. and Mrs. William Crow, 7-12; and Mr. and Mrs. Hershel Burrus, 7-14.

Former Resident Ill
Word has been received here of the serious illness of H. H. Hawkins, longtime resident of Herford, who now resides in Amarillo. Suffering a heart attack over a month ago, Hawkins was returned to his home from the hospital last week, but his condition still remains serious according to reports from relatives here.

Lamesa Visitors
Mrs. Blanton Clear and daughters of Lamesa visited the home of her brother, Clearman and family Thursday night. Clearman's sister and husband, Mrs. Albert Mc-of Amarillo, and Mrs. Joe Story and Mr. and Mrs. Andy Behrman visited the home of Donald Story of Philadelphia, Penn., spent Sunday with Mrs. J. D. Story in Herford.

Joe Wright spent a few days with Garry Winkle in Dime and Mrs. Jack Herrington and her parents, Mr. and Mrs. Lance last week.

Attend Funeral
Mrs. George DeLozier, Jack Streun, Mrs. Addie, Mr. and Mrs. C. R. Walser and Mrs. S. L. Walser attended the funeral of Mrs. Jane Wal- at Chillicothe Friday. Mrs. Johnny Fields is visiting parents, Mr. and Mrs. J. M. H. V. Fields. Mr. and Mrs. Lawrence Vogler and children of Lamesa visited the J. C. Clearman home Friday.

Your Chance to Save Plenty! Children's Apparel
at Factory Prices - - -

Recent reductions in orders from Army PX stores and, in a few points in extreme drought areas have left us overstocked on children's clothing. All garments were made this spring and summer and include the very finest in quality. We are offering them to the public on a "first come, first served" basis at Factory Prices . . . Drop in, compare the quality -- and we know you will like the savings.

Exciting new 1953 Studebaker receives Fashion Academy Award

The directors of Fashion Academy, noted New York school of fashion design, have named the 1953 Studebaker outstanding in smartness and styling.

This is more than a gratifying recognition of the talents of Studebaker designers.

It is also an endorsement of the unerring good taste of millions of Americans who consider the 1953 Studebaker the best looking automobile ever built.

You are seeing more and more of your friends and neighbors proudly driving new Studebaker Commander V-8s and Champions every day now.

If you are eager to own one yourself, you'd better come in right away and place your order. The sooner you do, the sooner you'll have the exciting new Studebaker sedan, coupe or hard-top you want. Prices are right down to earth.

See and drive the new 1953 Studebaker that received the FASHION ACADEMY AWARD

To keep your towels soft and fluffy, always rinse at least three times during laundering. Inadequate rinsing often makes terry towels feel rough.

Don't ruin your picnic, summer camp or vacation by forgetting even for one moment that water sports can be dangerous. Don't become a cold statistic.

Long Time Ago

45 Years Ago
The Hereford wheat is attracting more attention this year than any other section of the Southwest. All the mills of North Texas have had inspectors in the Panhandle and they have made a great discovery, that the Panhandle product is the best on the market. Fort Worth and Dallas exporters have their representatives on the Plains. They have been in Hereford this week looking after the wheat. Two or three new buyers have located here.

Four thousand bushels sold yesterday at 92 cents per bushel.

A large scope of the territory of the Plains has received rain this week. Wednesday afternoon three heavy clouds could be seen in as many directions. Reports from the southwest show that a heavy rain fell on Friona, Texico, and Portales. The rain northeast and east was quite heavy. Not more than a dust-layer fell in Hereford, but a mile northeast the rainfall was good.

25 Years Ago
Forging rapidly to the fore as a major crop in Deaf Smith county is cotton, which, regarded hitherto as an experiment, is now firmly established here and is apparently going to make a successful crop this season.

As sure as any single indication of a town's growth and development is the amount of new sewers installed. At present city workers are busy laying several thousand feet of new pipe in many parts of town.

Four-inch pipe is being used to replace old pipe in alleys in the downtown district. All new six-inch pipes have been installed throughout the city limits of 25 Mile Avenue.

Work will probably be completed next week.

Shipping 205 cars of wheat within the past six days, Hereford's elevators are now at the height of the harvest season, working day and night to take care of the rush. Approximately 622,500 bushels have been purchased so far from farmers within the Hereford territory.

Although rain and hail held up harvest in this region, the amount of wheat being cut indicates that the delays were profitable.

Visited in Amarillo
Mrs. D. W. Hawkins spent the past weekend in Amarillo with her daughter, Mrs. Barry Wheelers and family. She was joined there by Mrs. Cozette Ross and her sister-in-law, Mrs. Thurman Hawkins and daughter Patricia of Wichita Falls who also visited in the Wheelers home and with an uncle, H. H. Hawkins, formerly of Hereford, who is seriously ill. Mrs. Ross, daughter of the late D. W. Hawkins, is also a former Hereford resident.

Insect Damage Lower In 1952

Insect damage to cotton in 1952 was \$100 million less than in 1951 and lowest since 1948, the National Cotton Council reports in a new estimate of pest losses throughout the Cotton Belt.

Value of cotton and cottonseed lost to all insects amounted to \$289,768,000, according to the Council estimate based on final crop production figures of the Bureau of Agriculture Economics, USDA.

Damage by Years
This compares with \$391,955,000 in 1951; \$907,884,000 in 1950; \$617,874,000 in 1949; and 202,264,000 in 1948.

Pests reduced the full yield an average of 6.7 per cent as compared with 9.4 per cent in 1951. Percentage of yield reductions in previous years were: 1950—26.9; 1949—17.5; 1948—6.6 per cent.

Last year in the 16 major cotton producing states, an estimated 927,000 bales of cotton and approximately 574,300 tons of cottonseed were claimed by the boll weevil, the pink bollworm, and other pests.

State Losses
Dollar losses in cotton and cottonseed by states were: Missouri, \$1,926,000; Virginia, \$488,000; North Carolina, \$14,830,000; South Carolina, \$16,488,000; Georgia, \$17,740,000; Florida, \$863,000; Tennessee, \$4,991,000; Alabama, \$18,936,000; Mississippi, \$24,212,000; Arkansas, \$28,222,000; Louisiana, \$13,795,000; Oklahoma, \$10,586,000; Texas, \$100,932,000; New Mexico, \$2,978,000; Arizona, \$11,057,000; and California, \$21,714,000.

The Cotton Council attributed the lower losses of 1952 to hot, dry weather which reduced insect buildups during the growing season and to more thorough control programs by cotton growers.

Hereford Riders To Take Part In Parade At Tulia

The Hereford Riders club had their weekly practice Tuesday night at the riding arena, with Mrs. Ralph Sears acting as chairman.

There were 18 mounted members present. They drilled in parade formation and rode a nine barrel pattern. After drilling they square danced on horse back with Pat Lawhon calling.

Going To Tulia
The club will participate in the Swisher County parade in Tulia on Friday morning at 10 o'clock. They will load horses at 7 o'clock Friday morning at the stockyards.

Next Tuesday, Mr. and Mrs. Homer Brunley will act as chairmen.

Before you wash a garment, check to see if there are any stains. Remove the stains before laundering, because often washing can set stains permanently.

To be effective a tourniquet must be applied where it will cut off the entire circulation to the arm or leg. This means no lower than one handbreadth from the armpit or from the crotch.

Westway News

Kaul-Combs
Brother Haral Dunnam of Hereford filled his appointment here Sunday morning and Sunday night. Visitors at the service Sunday morning included Mr. and Mrs. Lewis Harrison and Jerry of Compton, Calif., Mrs. Betty Osburn of Altus, Okla., and Mr. and Mrs. Owens of Amarillo.

At the evening service a number of young people and adults from the Methodist church of Hereford were visitors. Nancy Crawford was pianist, Marth Brown, song leader, and Lu Durham led in the prayer for the service.

Weiner Roast
Members of the SLO 4-H club were entertained with a weiner roast last Thursday night at the Ira Scott home. Those present were Mr. and Mrs. Ira Scott, Jo Eddy, Kay, Betty and Jan Scott, Jenny Lynn McCathern, Mary Dufur, Patsy and Sandra Townsend and Mrs. S. D. Dufur.

Jo Eddy Scott is visiting this week in the home of her aunt, Mrs. Reed Nichols, in Amarillo.

Mr. and Mrs. W. B. Nunley and family of Hereford were visitors in the Elmer Combs home Sunday night.

Fire Watched
Workers and residents of the tents and sheds at the Renfro farm kept constant vigil Saturday night over the smoldering ruins of the granaries which were destroyed by fire Friday afternoon. Flames flared up when the wind turned to the north Saturday afternoon, endangering the big stack of alfalfa hay and three houses. The workers carried water until the flames were put out. Workers living at the location of the fire, who lost tents,

were able to get all clothing out and lost only their stoves.
Mrs. Adrian Rodriguez and children are visiting relatives at Brownfield this week.

Mr. and Mrs. George Ritter announced the arrival of a daughter on Tuesday, July 7, at North-west Texas hospital in Amarillo. She weighed four pounds and has been named Linda Kay.

Mrs. Lola Owens of Orange is spending two weeks visiting in the home of her son, Fred Owens.

Mrs. C. A. Mantovanis of Houston is visiting this week in the home of her daughter, Mrs. Billy Jackson.

Mr. and Mrs. Elmer Combs, Eugene and Billy Don returned home Saturday night from a vacation in New Mexico. They visited Las Vegas, Cabaresta Lake, and Red River then came to Clayton, N. M., where they spent several days visiting in the home of Elmer's aunt, Mrs. Hugh Stevenson.

Mr. and Mrs. W. E. Combs, who spent last week here helping at the Westway Store, returned to their home at Plainview Sunday afternoon.

Mrs. Bess Werner returned home Thursday from a trip to California. Mrs. Werner accompanied her daughter, Mrs. Gene Roach, Mr. Roach, and Wallace who live at Tatum, N. M. Their itinerary included Socorro National Park, Painted Desert, the Giant Red Woods, Petrified Forest and visits to relatives in Los Angeles, San Jose, and Pacific Grove. They visited the Dan Turrentine family at Pacific Grove. Dan and his father-in-law are in the auction business, and report an especially good business at

the present time.

Second Well
Henry McDonald had a new irrigation well drilled at his farm last week. This is the second well on this farm. The McDonalds live on the former Robert Kershen farm.

Andrew Kershen had about a half mile of concrete irrigation ditch laid at his farm last week.

Janice Turrentine attended a birthday party at the home of her grand parents, Mr. and Mrs. Joe Paetzold of Hereford, on Friday night. The occasion honored the birthday of her cousin, Ronnie Paetzold.

Renfros Visit
Mr. and Mrs. W. S. Renfro of Frederick, Okla., visited last week here in the home of their son, Jack Renfro. Friday, Mrs. Jack Renfro accompanied them to New Mexico where they visited friends.
Mr. and Mrs. Jack Renfro, ac-

companied by Jack's sister, Mrs. Fain Caesar, Ann and Jane, visited in the Cecil Billingslea home north of Hereford, Sunday afternoon.

Jack Colville of Altus, Okla., is here superintending the potato and onion harvest for Jack Renfro.

Crews are busy digging potatoes this week at the farms of Jack Renfro, Lyle Rickman, Pat Ran-spot, Raymon Higginbotham, G. C. Merritt, and Roy Lee Wilson. Onions are also being harvested in several fields at Renfros, and also at Higginbothams.

Staying In
Patsy Osburn is staying in the home of her uncle at Socorro, N. M., where she is taking care of the children of the family while their mother is in the hospital at Albuquerque.

Guests in the W. C. Osburn home this week include his mother, Mrs. Betty Osburn of Altus, Okla., and

Mr. and Mrs. Lewis Harrison and Jerry of Compton, Calif. Mrs. Harrison is a sister of Mr. Osburn.

Elvin Wilson returned home Saturday night from Sturgis, S. D., where he attended the funeral of Ava Sue Hopson. The funeral was held at Sturgis Saturday morning.

Contrary to an earlier report, Ava Sue and her father, Bud Hopson were at the Garland Webb home instead of the Don Webb home. The falms which caught the back of her dress afire burned her spine. The shock to the nerves was the cause of death.

Merlin Kaul and sons, Larry and Walter, and Delmon Moll spent Saturday afternoon in Clovis, N. M. Enroute home they visited the Ralph Durstines at Friona.

Everyone is invited to attend the revival meeting of the Baptist Church which is scheduled to

Rebekah Officers Honored Tuesday

Westway — Officers of the Rebekah Lodge were honor guests at a breakfast Tuesday morning at the country home of the Noble Grand, Mrs. Merlin Kaul.

Green and pink table mats and napkins and pink rosebuds on the place cards carried out the lodge colors. The centerpiece was a piece of driftwood with an arrangement of ivy and bird of paradise. Colorful ceramic birds served as favors.

Mrs. Elmer Combs assisted Mrs. Kaul in serving after which a short program was enjoyed and pictures were made.

Those present included: Mes-

dames John Jacobsen, Jr., Cecil Lady, Roy Manning, Ross Lomenick, G. C. Merritt Sr., John Draper, Lyle Rickman, H. Nickerson, Herman Welty, George Springer, Ruth Smith, Clarence Hollabaugh, Elmer Combs, and the hostess.

Picnic Party Held For John Hacker On 86th Birthday

Children, grandchildren and great-grandchildren of John F. Hacker of Hereford attended a birthday party and picnic held for him Sunday at Elwood Park, Amarillo. It was Hacker's 86th birthday.

The party was given by Bill Hacker and Mrs. Hazel Sparks, both of Hereford.

Mr. and Mrs. L. A. Burdine, Brien and Nils of Lubbock were visitors in the home of Mrs. Ella Burdine, Irvin, and Wendell, and Mr. and Mrs. Dick Ellis, Sunday.

Mr. and Mrs. Aubrey Smith and Mrs. Junanne Pinkert and daughter, Pattie Jane, of Barstow, Calif., were visiting in Hereford Monday afternoon. They are former residents of Hereford.

gene Sparks and sons Johnny and Gene, all of Hereford; Mr. and Mrs. Beauford Farmer, Mrs. Grace Mickel, Mr. and Mrs. Elmer Mathies and Tom, Mrs. Bess Jennings, Warren Laimhart, Mr. and Mrs. Frank Hacker and son Wellington, T. M. Bradley, Miss Alice Sparks and Miss Ruth London, all of Amarillo; Mrs. Gene Cornelius of Dallas; and Mrs. T. C. Mathies of Reeda, Calif.

Last Inning Rally Is Stopped As Hereford Takes Game 10-9

By Billy Paul Knox
Hereford staved off a last inning rally to defeat Tulia, 10-9, Sunday afternoon at Tulia. Led by Raymond Leub and Johnny Winkler, Hereford unleashed an eighteen-hit attack including three double and a triple. Tulia got nine hits off Winkler, who went all the way. Each team made four errors.

on an error, sending Leub to third. Leub scored the third run on a single by Sammy Albracht. Sammy Albracht turned in two brilliant catches as Tulia went down in order in their half of the inning.

run in the third on a triple by Leub and a single by Sammy Albracht. Tulia hung a goose egg on the boards in the third.

hits, in their half of the inning. Hereford scored their last run in the ninth on singles by Carroll, Winkler, and Stengel and an error on Tulia shortstop, Paul Webb.

Proud Prussian Meets Mackay Saturday Night

Carlson, Funk Retain Junior Tag-Team Title

Dory Funk and Cowboy Carlson are still the Southwest Junior Heavy weight champions of the tag-team title after the match at the Bull barn Saturday night.

Kurt Von Poppenheim, the surly, proud Prussian from Koenigsburg, Germany, who hankers for a shot at the Southwest States junior heavyweight wrestling title, hopes to improve his standing in that respect when he meets Roger Mackay in the Hereford arena Saturday night.

Ramblers Meet Flowers Here On Friday Night

Hereford's Nash Ramblers will meet the Freeman Flowers of Amarillo here at 8 o'clock Friday night at Veteran's Park, after taking a drubbing from the girls from Sudan Monday night.

Hereford's win Sunday is their sixth against three losses. Raymond Leub and Johnny Winkler led Hereford hitter with four hits each. Leub was so hot he was intentional walked twice because there were men on base. Bud Stengel also got three hits for Hereford.

Stan Barrett Becomes New City Golf Champ

By Bud Posey
Stan Barrett defeated Dr. E. R. Lingenfelter 1-up on 18 holes to win the champions cup Sunday afternoon in the city golf tournament. In one of the best finest matches in the history of the event, Barrett overcame a two-down lead on the first three holes and fought his way to victory. Dr. Lingenfelter also played exceptionally well, to the evident enjoyment of the gallery.

CHAMPION STAN BARRETT, winner of the city golf tournament, was congratulated after the final match Sunday by Dr. E. R. Lingenfelter, runner-up in the competition. Barrett won the trophy by defeating Dr. Lingenfelter 1-up, after overcoming a two-down lead on the first three holes. (Wendell Burdine Photo)

Next Year's Spike Buck Crop To Be Extra Large

AUSTIN — Look out for those spike bucks come the fall of 1954. The Director of Wildlife Restoration for the Game and Fish Commission reported an unusually good survival rate among this year's fawns in the Hill Country big game areas.

He said the principal reason for the fawns coming through is the dry weather which retards the screw worm. This parasite is a great menace to baby fawns during wet seasons.

Good Survival
The Director said one particularly favorable report came from

HEREFORD MILLING CO.

Like Christmas in July!

Christmas is now right quick! We mean by that headline when you learn what your dollars buy in this great new 1953 Buick SPECIAL.

You get a lot more room than the same money buys elsewhere—real, man-sized, six-passenger room.

You get power—flash-fast Fireball 8 power—the highest horsepower and compression ratio ever put in a Buick SPECIAL.

You get a ride that's big-car soft and steady and level—the Buick Million Dollar Ride of all-coil springing, torque-tube drive, X-braced framing.

You get wonderful handling, luxurious interiors, superb visibility—plus a long list of "extras" that don't cost you extra.

And those "extras" alone, at no extra cost, are like a welcome Christmas bonus.

Direction signals, twin sunshades, lighter, trip mileage indicator, automatic glove box light, dual map lights, oil-bath air cleaner, full-flow oil filter, vacuum pump, bumper guards front and rear—they're all yours in this Buick at not a penny extra.

So—how about looking into the good cheer to be had here?

How about visiting us this week for a thorough sampling of the greatest Buick value in 50 great years?

World's only car with all these features!

- HIGH-COMPRESSION VALVE-IN-HEAD FIREBALL 8 ENGINE
- TWIN-TURBINE DYNAFLOW® • POWER STEERING*
- BALANCED-MILLION DOLLAR RIDE

Hereford Girl's Husband Given Work As Specialist In The Army

Pvt. Charles R. Wilder, son-in-law of C. F. Davis, 115 Ave. F, Hereford, will never get anywhere much in the Army from the standpoint of rank, most probably, but he is doing the kind of work he wants to do.

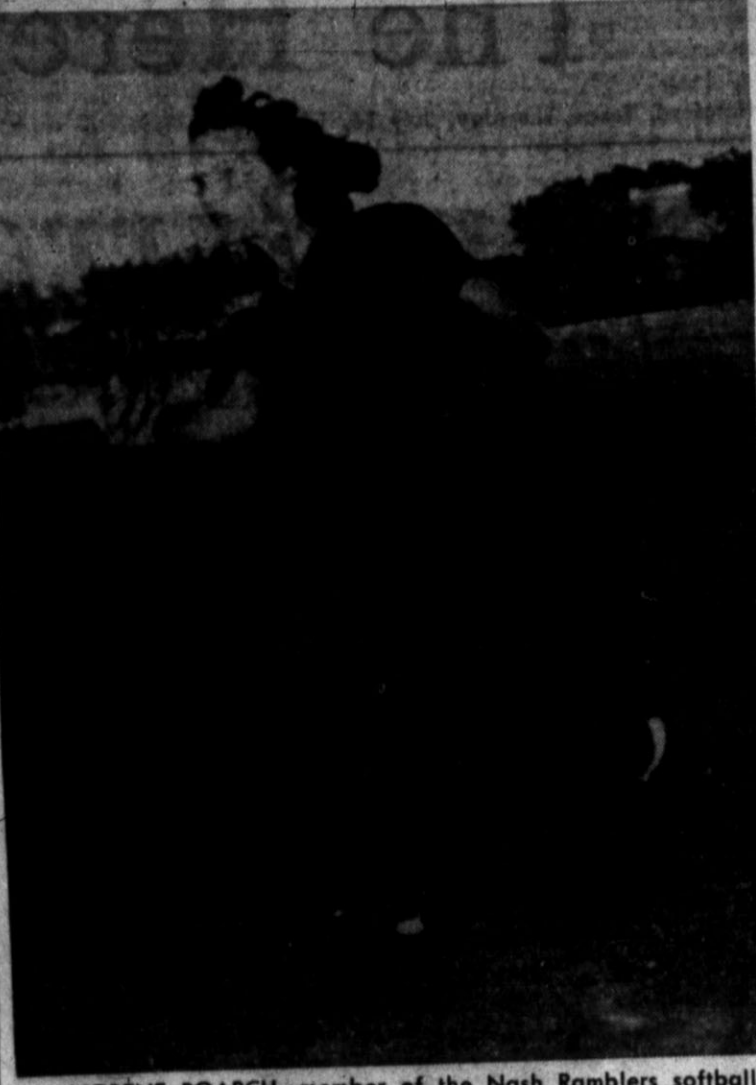

At least that is to be inferred from a recent newspaper clipping sent to Davis by his daughter.

The clipping tells of super secret projects being carried out by enlisted men at the Army Chemical Center at Edgewood, Md., where Pvt. Wilder is now stationed.

Asked For Duty Known as Scientific and Professional Personnel, the men all asked for the special duty, and all had to have special qualifications for their work—either a master's degree in their chosen field, or at least two years experience in that type work.

In return for the experience the men receive, they have to give up almost hope of advancement while they are in service.

Before Wilder went into service, he was in the laboratories of the Phillips Oil Co. His background also includes a master's degree in chemistry from Texas University.

NORÉNE POARCH, member of the Nash Ramblers softball team, is sometimes called on to hurl the horsehide against opposition batters. The Ramblers usually seem to be either flying high or hitting an all-time low, but as Mrs. Poarch said, "we sure do like to play baseball." Friday night the Ramblers will meet the Freeman Flowers team from Amarillo at Veterans Park. (Staff Photo).

Mrs. C. C. York, Former Dawn Resident, Is Buried In Amarillo

DAWN — Funeral services for Mrs. C. C. York, 38, of Amarillo, sister of Mrs. Walter Galley and former resident of Dawn, were conducted Friday afternoon, July 10, at the Bethel Baptist church in Amarillo. Rev. B. Flippo conducted the services.

Mrs. York died in an Amarillo hospital on July 8.

Burial was in Memorial Park Cemetery in Amarillo.

Survivors include: her husband, C. C. York; a three-year-old son, Douglas; two children, Eva June and Duaine McCart, by a former marriage; two sisters, Mrs. Walter Galley of Dawn, and Mrs. Alton Wood of Alva, Okla.; one brother, Harold Posey of Pond Creek, Okla.; two half sisters, Mrs. Wade Amos of Newton, Kans., and Mrs. Nellie Wittuhn, Indianapolis, Ind.

Annual Short Course For C of C Managers Now Being Planned

ABILENE—Members of a committee to plan the second annual West Texas Chamber of Commerce Short Course for Chamber of Commerce managers and office secretaries have been announced. The course will be held this fall.

The appointments were made by W. H. (Bill) Collins of Midland, chairman of the WTCC Community Services department, and Rex Jennings of Brownwood, chairman of the Short Course committee.

Committee Members

Committee members are the following chamber managers: Ben Blanton of Wichita Falls, Joe Cooley of Abilene, J. H. (Jimmie) Greene of Big Spring, Jesse L. Owens of Odessa, E. O. Wedgeworth of Pampa, H. J. Tanner of Eastland, A. C. Bishop of Sweetwater and M. D. Fanning of San Angelo.

Ralph E. Duncan is manager of the WTCC Community Services department, which sponsors the course. The first annual program of this type attracted 85 enrollees last fall.

Birthday Party Is Given Saturday For Mrs. Page

Mrs. Duda Page was honored with a birthday party Saturday night at the home of Mr. and Mrs. Robert Collier.

Refreshments of ice cream and cake were served to Mrs. Duda Page, Margaret Page, Mr. and Mrs. Nick Dudley, Mrs. Irene Gee and boys, Mrs. Mary Sudderth, Mrs. Muri Dodson, and Eleanor.

Nancy Marie Miller Is Buried At Friona

Funeral services for Nancy Marie Miller, 11, Route 1, Friona, were held Tuesday at the First Baptist church in Friona with Rev. Melvin Fields, officiating.

The child died July 12 in the Parmer County Hospital.

Burial was in Friona Cemetery. Nancy Miller was born Feb. 26, 1942.

Survivors include her parents, Mr. and Mrs. Claude Miller; a brother, Johnnie Miller; grandparents, Mr. and Mrs. Ira Miller of Friona and Rev. and Mrs. David E. Moore of Dexter, N. M.; and a great grandmother, Mrs. J. C. Watkins of Dallas.

Pvt. Edward White Asks That Friends Write Him

Edward White, son of Mr. and Mrs. Ed White, wrote his parents from Korea that he is driving a truck and hauling ammunition and water to the troops on the front line.

He said that he would like all his friends to write to him. His address is: Pvt. Edward White, US 54079553 A po 8645 Div. 2nd Bn. 279th Inf. Regt. H.Q. Co. c-o P. M. San Francisco, Calif.

Carlson . . .

(Continued from Page 1) minutes.

In the second fall, Cummings won over Cowboy Carlson with the body press in nine minutes.

In the second fall, Cummings won over Cowboy Carlson with the body press in nine minutes.

Funk took the third fall over Cummings in seven minutes with the body press.

Draw Match

The first event, one fall 20 minutes, was between Bob Cummings and Carlson. They wrestled the full time so this was a draw match.

Funk was disqualified before the bell sounded because he hit Mackay with his fist in the second event.

Stan . . .

(Continued from Page 1) Next Sunday

Next Sunday Canyon will meet Hereford at the local links for an inter-city golf match starting at 1 o'clock in the afternoon.

Local golfers who wish to participate in the game should turn their names in to the pro shop prior to 7 o'clock Saturday evening.

On July 26, Hereford golfers will journey to Littlefield for a match with Littlefield swingers.

Ramblers . . .

(Continued from Page 1) the first inning, and added seven more trips across the plate to that in the second, with two of those completed on walks, while the Ramblers swung at empty air.

Coming up in the third inning, Sudan made three more scores, and Hereford managed two hits, but lost out on first base.

Seven more times in the fourth Sudan scored, while the Hereford girls failed to make the proper connections.

Proud . . .

(Continued from Page 1) The championship will not be at stake.

In the first section of the double feature, young Tommy Martindale of Milwaukee will tie into Bob Cummings, the "home town" veteran, formerly of Seaside, Oregon.

While not expected to be as blustery and rough as the Von Poppenheim-Mackay match, the Cummings-Martindale contest should be just as fast and interesting.

Next . . .

(Continued from Page 1) Game Warden Adolph Heep of Fredericksburg, stating that the survival rate among fawns is one of the best in all the years he has been in the key big game county.

The Director explained that the screw worm develops from fly eggs, laid in open wounds in the fawns' body. These infestations oftentimes are fatal.

"Mile After Mile You'll Prefer Shamrock"

A housewife wants a gasoline that's dependable. She wants to be sure the car will start... and keep running smoothly. Hi-Octane SHAMROCK gives you just that... quick starts... dependable service. Try it... you'll prefer SHAMROCK gasoline... A Mighty Good Brand.

Gasolines • Lubricants

Most for you...

right now—in
fine car performance...
fine car styling...
fine car quality

DRIVES BETTER!
FirePower V-8... first really new-type engine since the birth of the automobile... has airplane-type hemispherical combustion that delivers maximum drive power. Steering and braking are fully powered. Here is greater safety through easier car control... to a degree no other modern motorcar can match!

LOOKS SMARTER!
Right from the blueprints, this newest Chrysler has been given a new glamor look—yet has been designed to give you and your family the widest margin of safety and comfort on the road. Spaciously built, even to the 44 1/2" larger trunk. Chair-high seats. More vision all around. Decorator-styled interiors.

GIVES YOU MOST!
The big majority of today's most notable driving advances were first introduced by Chrysler. Many of them are still unavailable for cost you, extra! In other cars. Let your Chrysler-Plymouth dealer show you what this means in terms of actual dollars-and-cents benefits. Then take a drive and prove it yourself!

Exclusive Chrysler-built Features

- Hemispherical Combustion Power
- Full-time Power Steering
- Off-road Shock Absorbers
- Original Parking Brake
- Cylindrical Brake Linings
- Original "Safety-Rim" Wheels
- Side-Guard Hydraulic Brakes
- Chain-High Seats

Standard Chrysler Equipment that costs you extra on most other cars

- Power Brakes (Standard on most Chrysler models)
- Electric "Constant-speed" Windshield Wipers
- No-Shift Transmission
- Back-up Lights
- Directional Turn Signals
- Foam Rubber Seat Cushions
- Factory Protective Undercoating
- Stainless Steel Wheel Covers
- Steering Wheel with Horn Ring
- Oil Bath Air Cleaner
- Oil Filter

HIGH POCKETS

CHICAGO—No bees in this lady's bonnet — just specs and smokes! This gay thatch hat, from Marshall Field & Company, shows the latest trend to giddy straw toppers that just incidentally shade the eyes. Its carryall pocket is one of this season's "high" fashions on straws trimmed with everything from real sea horses and starfish to miniature bicycles.

Dawn News

By Bertha Frye

The Dawn Teacherage is being remodeled and redecorated. Frank Smith of Sweetwater is doing the work.

E. M. McDill left Thursday for wheat harvest in South Dakota.

Mrs. E. Thurman of Dublin is pending several weeks in the home of her daughter, Mr. and Mrs. Glenn Caraway.

Mr. and Mrs. Charles Corder attended the Billberry-Corder reunion and picnic at Lubbock last Friday.

FOIBLES

The statistical compilations of G. Taylor Spink's Sporting News publishing efforts are peerless in their field. One of them, which is prepared by Leonard Gettelson, is crammed with odd and ordinary baseball facts, it is entitled "One for the Book" and is composed of outstanding feats, both team and individual.

Since the Pacific Coast League shut off the "draft," there has been loose talk of another so-called major league. According to the above mentioned publication that would be no novelty. How many major leagues do you think baseball has acknowledged? There is the pappy of them all, the National League, 1887 to now, inclusive; American Association, 1882 to 1891, inclusive; Union Association, 1884; Players League, 1890; American League, 1901 to now, inclusive. That's five and with no mention of the ill-starred Federal League, which attracted many a major leaguer even if it did not attain that type of recognition.

In these days of platoon systems and prima donna type of individual players who can't play a fortnight without rest and resuscitation plus publicity, it is refreshing to look at the playing tenure records of the "cuff and cud" boys. Of them, Jimmie McGuire put in 26 years in the majors, playing in 3 leagues from 1884 to 1912. The late Edward Trowbridge Collins, of Columbia, and subsequently the A's and the Black and White Sox, endured 25 terms from 1906 to 1930, with little or no griping appended thereto. The basket man himself, Mr. Maranville, holds the scepter in the senior circuit with 23 laps, expended between 1912-1935, and with nearly every club in the hook-up.

Fancy and Plain

To make the tenure more pronounced, 22 of the years were consecutive and the gentlemanly Mr. Collins strung his entire quarter century row-wise. Eddie wasn't too big and he was no rough neck, but he could handle the uglies and did, strewing quite a record behind him and picking up much respect while so doing. The "Rabbit" was a violent antithesis of the scholarly Collins but grade A ball player at one and all times. Eddie's disposition was sober and succulent, while Mr. Maranville had one of the ingrown type which had soured, but both of them played daily and well.

Were it, that more their were extant. In baseball and out. I mean. For consecutive games played by an individual, Mr. Henry Louis Gehrig stands alone at 2130 games. The National League's best, also a first baser, Gus Suhr is not even in Gehrig's dust at 822 in a line. Even the Deacon, Everett Scott, at 1307 consecutive contests, which is a far-removed second to Lou's premier.

On the item of the number of clubs in one league that a single player has been enrolled with, there is one oddity in the National League. On the record, there is one player who has played on more clubs than the circuit normally carries on its roster. Dennis L. Brothers, that's Dan, put in 25 years with 9 clubs in the NL. The list contains cities that average sports fans does not connect with the majors.

Mr. Brothers, and he was quite a ball player, put in time with Troy, Buffalo, Detroit, Boston, Brooklyn, Baltimore, Louisville, Philadelphia and New York. Who'd ever think the Detroit was in the NL, they can just barely, as of

MIGHTY MITE TEXAN -- Sandy M. King (right) a mighty little Texan from Brownwood who is four feet, seven inches tall, displays his ability and power to move men by dragging around other Texans on a luggage cart. Garbed in Western style, they attended the International Lions convention in Chicago. On the cart are (left to right) Hulon C. Hall of Navasota, Roy Carter of Kermit, Clifford Schwarzwalder of San Antonio, and Fred O. Mills of Anahuac. (AP Wirephoto).

Growth Check Made On Baby Walleyes

AUSTIN — A handful of baby walleyed pike that got infod a sun-fish pond has given the Game and Fish Commission its first check on their growth since being introduced into Texas.

Aquatic Biologist Bill Brown of San Marcos reported to the Chief Aquatic Biologist that the walleyes in six weeks time had grown from one quarter of an inch to an average 6 more than three inches in length.

Got Through Trough Brown said Superintendent Fred Richan of the San Marcos Federal Fish Hatchery, observed that the baby walleyes which were hatched there, got through a trough in with the sunfish and thus were not sent out for planting along with the other fingerlings.

The Chief Aquatic Biologist said he considered this "good growth." He added that a check of the walleye's status in Travis and Devils Lake where they were planted will be made during July.

The walleyes have been introduced into Texas waters for the joint purpose of providing some new sports fishing and also to permit these pedacious fish to help curb the surplus of stunted small species.

...freezing is **FASTER!**

50% faster than old-fashioned food preserving methods. That means labor is saved as well as time.

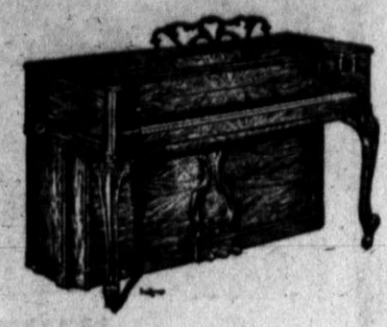

Yes, and frozen foods retain more of their food value, and their flavor and appearance is better, too. What's more, it takes less space to store your foods when you freeze them.

For your home-grown fruits and vegetables, and purchases made in quantity when prices are low, try freezing this year. It's faster—and better.

WHEN you look at a light-duty truck price, you've got to know what you get for your money.

In a GMC, you get Dual-Range Truck Hydra-Matic.* 3 speeds for stepping smartly through traffic—4 for economical open highway travel. Clutch repairs or replacements are never necessary. Engine and drive line can't be strained. Getaways are quicker at every stop.

In a GMC, you get 105 horsepower and 8.0 to 1 compression. Up to 19% more power than comparable sizes offer. Crisper response. Mileage noticeably better. And you get all this on non-premium fuel.

In a GMC, you get: new, self-energizing brakes—Synchro-Mesh transmission—recirculating ball-bearing steering—a 45-amp. generator—double-acting shock absorbers—a big, "Six-Footer" cab.

Remember, a GMC price-tag gets you all these things. That's what makes a GMC the biggest bargain you've ever driven! Come in and see for yourself!

*Standard equipment on Package Delivery model; optional at moderate extra cost on all others.

Sunday evening supper guests in the home of Mr. and Mrs. J. M. Bradley were Jim King, Ella Burrows of Electra, and Mrs. Frank Osborn.

Mr. and Mrs. Roy Johnson and family of Odessa visited her parents, Mr. and Mrs. L. M. Crow last week in Friona.

Sunday guests in the home of Mr. and Mrs. E. M. Jack were Mr. and Mrs. Arlin Miller and family of Floydada, Mr. and Mrs. Duane Wyley, Mr. and Mrs. Burtram Jack and family, Mr. and Mrs. L. D. Chiles and family and Mrs. James Pope.

Mrs. Alta Wyley returned Monday from Tucumcari where she visited her son, Porter Wyley and family.

Charlette and Rebecca Bailes visited Carolyn and Willene Baxter, Sunday.

Visited Grandparents

Misses Rebecca and Trudy Miller of Floydada and returned home Sunday after visiting with their grandparents, Mr. and Mrs. E. M. Jack.

Mr. and Mrs. Richard Perkins and family of Bovina visited in the home of his brother and family, Mr. and Mrs. Cass Perkins.

Miss Vera Ann Jones of Canyon is visiting with her parents, Mr. and Mrs. Raymond Jones.

David Cobb and Alton Franklin have returned home after taking a six week course in Canyon.

Mr. and Mrs. Orval Houser and Lon attended a birthday dinner Sunday in Hereford, for her niece, Sue Ann Witherspoon.

Back From Windy City

J. G. McFarland returned home this week from Chicago where he attended to business.

Mr. and Mrs. Jimmy Baxter and children left last week for a two weeks vacation.

Mr. and Mrs. Orval Houser and Leon visited Mr. Houser's sister

Mr. Annie Lee and family in Berger Sunday.

Mrs. Frank Spring entertained her Sunday school class with a picnic and swimming party at Hereford Monday afternoon.

Mr. and Mrs. J. W. Baxter visited in Clovis Wednesday with her son, Mr. and Mrs. Charlie Baxter.

Those enjoying a swim at the Buske tank Monday afternoon were Mary Tatum, Phyllis Fairchild, Nelda May and Glenna Mae Pope.

Latin-American Visited By Friona YWA Members

There were 254 present in Sunday school at the Friona Baptist church where Rev. C. M. Fields is the pastor.

The Y.W.A. Girls met Sunday and went to the homes of the Latin-American families. The girls are trying to encourage the Latin-American people to come to the church.

Boys Attend Camp

Monday morning the Intermediate boys of the church went to Floydada to attend camp. The boys returned Wednesday.

Wednesday the Junior boys will go to camp. They will return Friday.

The Arise and Shine Junior G. A. and the Hilda Intermediates G. A. S. met Tuesday afternoon at the church and made plans to attend the camp at Floydada next week.

Girl Scout Attended Camp Held At Lubbock

Girl Scouts of troops 2 and 4, attended a camp at Lubbock recently. Sponsors for Troop 2 were Mrs. George Trieder, Mrs. G. Cranfill and Mrs. J. G. McFarland.

Sponsors for Troop 4 were Mrs. Frank Spring and Mrs. F. W. Halcomb.

Those attending were: Loretta O'Brian, Kathryn Dunn, Merlene Gibson, Doris McFarland, Phyllis Trieder and Gladys Edna Baxter, Elaine Halcomb, Peggy Widner, Kay Kirk, Mary Tom Spring, Margaret Mabry, Pat Cranfill, Janie Parker and Sally Hough. They returned Saturday.

Friends Are Entertained By Dunn's With Fish Fry

Mr. and Mrs. Casey Dunn entertained a group of friends with a fish fry Saturday night in their home.

Those present were: Mr. and Mrs. Glen Reeves, Mr. and Mrs. Pete Cornelius, Mr. and Mrs. Charley Russell, Mr. and Mrs. Bill Flippin, Mr. and Mrs. Charlie Banium, and Lem Miller.

Mrs. Crow Entertained With Ice Cream Supper

Mrs. L. M. Crow entertained with an ice cream supper at her home Saturday evening.

Those attending were: Mr. and Mrs. Roy Johnson and family of Odessa, Mr. and Mrs. DeWayne Cleveland and daughter of Canyon, Mr. and Mrs. Aubrey Carlton and family, Mr. and Mrs. D. O. Robason, Mr. and Mrs. Johnny Nazworth, and Mr. and Mrs. Earl Jamerson.

Oil Lab Paces Jet Flight Progress

SUPERSONIC STANDSTILL—Oil lab scientists log thousands of hours of "ground flying" to develop the fuels and lubricants for jet flight. Long before the new jet engines are flight-tested their needs are predicted by studies which duplicate actual flying conditions. Tomorrow's swift intercontinental jet flights are being blue-printed at Texaco's main research center where 'round-the-clock tests are run on a gas turbine combustor section. Seen during a night run, the unit glows white hot.

New, Table Sweets Publication Put Out By Extension Service

COLLEGE STATION—One shelf in the family pantry doesn't seem to change much with the trend in present day methods of preserving foods. The array of jellies, jams, preserves and other sweets for the family table is still bright with colored fruits in various size and shape containers.

According to the foods and nutrition specialist for the Texas Agricultural Extension Service, the Texas Food Standard includes some sweets every day. And, they agree, they are best taken along with the meal.

Helping Provide

To help farm and ranch families with providing these sweets for their family meals, the specialists have compiled a new publication giving detailed directions for many favorites. The table of contents says there is information about jelly, jelly recipes, problems in jelly making; preserves, preserve recipes, marmalades, jams, conserves and fruit butters.

If you have lost your touch at making jelly, you'll be interested in the directions for extracting the juice and testing for pectin. The specialists say, "Home methods have not been developed for determining with accuracy how much pectin there is in fruit juice."

They suggest the epsom salts or the alcohol test as an approximate guide to the amount of pectin present in the fruit juice which determines its ability to jelly. If there is not sufficient pectin, the

specialists advise, "You may use the juice for punch, or combine with home-made pectin and make into jelly."

Best Results

For best results, work with 2 to 4 cups of juice at a time when making jelly. Measure the sugar, the bulletin states, and the juice accurately. Use 3-4 to one cup of sugar to each cup of juice, according to the pectin test. Use a good grade of granulated white sugar. Prepare the jelly glasses by washing, and placing on a rack in a pan, cover with cold water and boil 12 to 15 minutes.

Cook the jelly by heating the fruit juice and sugar quickly to boiling, using a large flat bottom pan that permits rapid evaporation. Stir only until the sugar is dissolved and then boil rapidly until the jelly stage is reached. You can test for the jelly stage by the sheeting or temperature test.

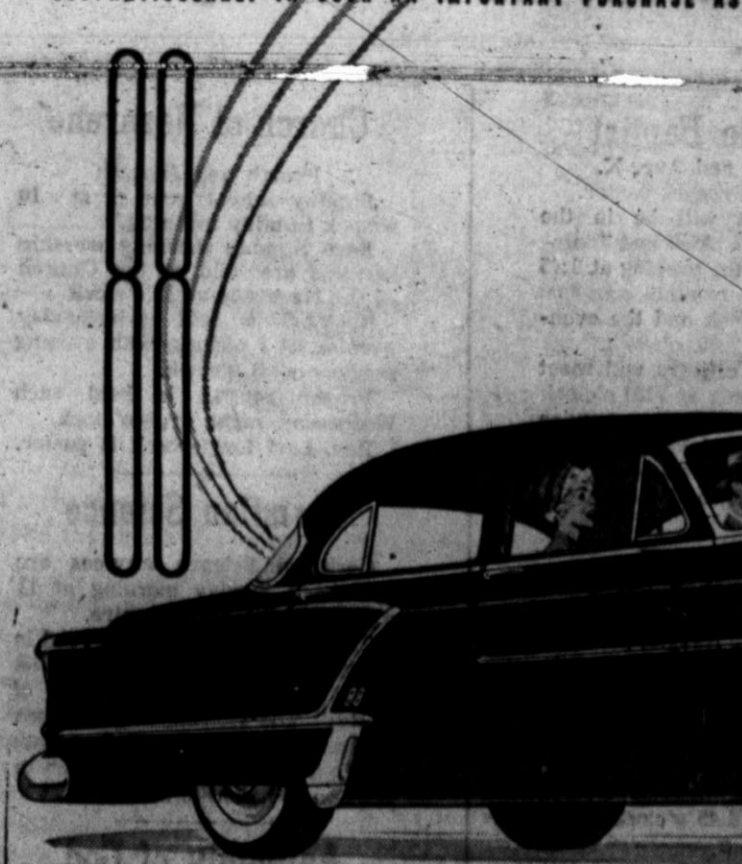

Allow the hot syrup to stand a few seconds, quickly remove any scum from the hot syrup, and pour jelly into hot dry glasses to within a fourth inch of the top. Pour melted parrain onto the top of each glass to cover the jelly. When cool add more hot parrain and rotate glass so that it will run up the rim and form a good seal. Cover and label, store in a clean, cool, dark, dry place in your pantry.

Copies of B-200, "Sweets For the Family Table," are available at the office of Argen Draper, county home demonstration agent.

How Can I?

By Anne Ashley

Q. How can I clean playing cards?

A. Rub the cards gently with a small sponge which has been dipped into spirits of camphor. This will restore the newness.

Q. How can I make an even break in a glass bottle just below the neck?

A. Wrap a piece of twine that has been saturated with turpentine or kerosene around the bottle at the point where the break is desired. Ignite the twine and let it burn until consumed; then pour cold water on the bottle and it will break where the twine was tied.

Q. What is the best thing to use for washing the refrigerator?

A. The best washing compound for the refrigerator is warm water and baking soda. After the soda scrubbing, clean the porcelain with water and wipe dry.

Q. How can I train vines to grow down over the edge of a flower pot or window box?

A. By using long hair pins and pushing these into the soil over the vine at the base of the stems. The slight pressure will force the vines in any desired direction.

Q. How can I clean rusty steel?

A. Try cleaning rusty steel with a cut onion. Allow it to stand for a day and then polish with emery powder and paraffin.

Q. How can I make a garnish for green salad?

A. Grated eggs may be used for a garnish on mixed green salad. Grate the whites first, then dust the yolks over the top.

Q. How can I pull apart two glasses that have stuck together?

A. By filling the inside glass with cold water and sitting the outside glass in warm water. The cold water contracts and the upper glass, while the warm water expands the lower one, and they should come apart easily.

Q. How can I clean badly soiled furniture?

A. By washing with soap and water, to which has been added two or three tablespoonfuls of kerosene or turpentine. Then rub dry with a soft cloth.

Q. How can I test the electric waffle iron for the right heat?

A. Place a sheet of white paper between the grids. When the paper turns brown, the iron is ready

for the first batch.

Q. How can I clean white enamelware?

A. By dipping a wet cloth in baking soda and rubbing it on the ware. Do not use the soda sparingly.

Q. How can I simplify the pouring of gelatine into molds?

A. Mix the gelatine pudding an open-mouthed pitcher, and can easily be poured into the individual molds.

The long-time objective of National Farm Safety Week, July 19-25, is to make rural residents so conscious of accidents at their causes that through the own efforts the agricultural industry can be made as safe as other industries of the nation.

"Farm to Live and Live to Farm"

Acquiring title to a modern family-size farm requires a considerable chunk of capital and this is not always easy to get. Help is often obtained from family but major financing comes from individuals, commercial banks, life insurance companies and the Federal Land Bank.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief The Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail order, Box 280, New York 18, N. Y.

Jesus said "FATHER"

When Jesus looked into the face of God and said, "Father," He was honoring all fathers everywhere. Whether inscribed on a Coat-of-Arms or written on the flesh tablets of human hearts, fathers have bequeathed mottoes and chivalrous ideals of which families have been justly proud. Abraham was the father of Isaac, who was the father of Jacob, who was the father of Joseph.

Every child remembers the thoughtful devotion, the self sacrificing toil, the happy comradeship of a good father. Children also remember the failures, shortcomings and indifferences of bad fathers. Fathers, your child, your church and your God need your strong shoulders... this is Your Day.

The text of the sermon will be "The Wages of Sin is Death." (Romans 6:23)
The church is located at West Ninth and 25 Mile Avenue.

RETURNS FROM TRIP

Mrs. W. A. Gentry returned Saturday from a months vacation trip spent with relatives in Texas and Oklahoma. She visited relatives in Memphis, Quannah, Lake Pauline, Chillicothe, Denison and Bonham, and with a niece of her late husband, W. A. Gentry, Mrs. Vera Mason and son and with a nephew, Sam Swimm, in Dallas. In Oklahoma she visited with friends and relatives in Snyder, Lawton and Durant.

CONGRESSMAN WALTER ROGERS SAYS:

No Action Taken Yet To Lower Freight Prices On Cattle Feed

TRUE SOUTHERN SPIRIT: While the House was debating the extension of the excess profits tax bill, my good friend Congressman J. L. Pilcher, of Georgia, handed me a telegram he had received from one of his constituents. It reads as follows:

"W.W. and I will care for 70 cattle from Texas drouth-area until October 1st with no charge. Sure other Georgians will do same."

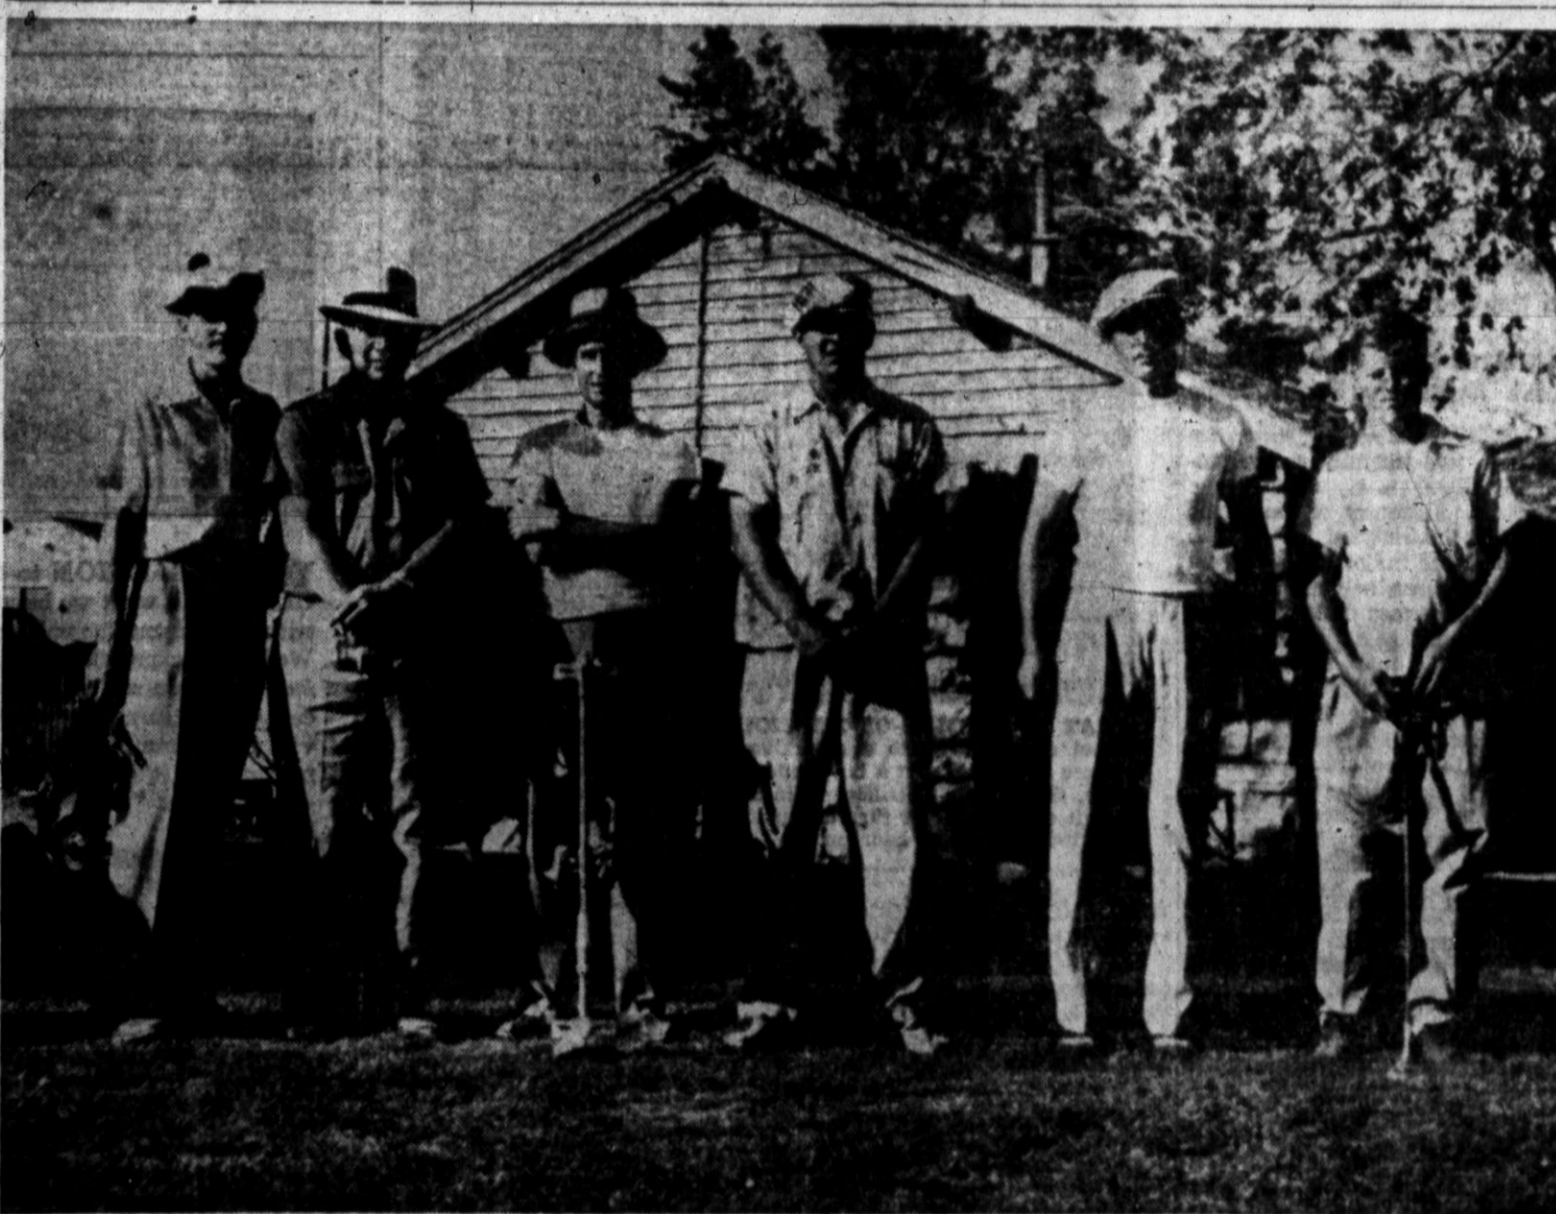

Robert Kirbo." This telegram was sent by W. W. and Robert Kirbo of Camilla, Ga., who know what it is to face a drouth. Needless to say, tears came to my eyes when I read this telegram. It was one of the finest gestures that I have ever witnessed. It explained to me thoroughly why the people from that district had sent such a fine man as J. L. Pilcher to Congress. They are the kind of good southern people who just can't be beat. It is things like this that confirm your faith in human beings, especially after you have seen some people trying to play politics with other people's misery and some trying to figure out a way to make a killing out of the distress situation. Thank God for people in America like the Kirbos.

Relief for Distillers TAX RELIEF: For John Q. Taxpayer, no. For the whiskey distilleries, yes. On Tuesday, July 7th, while I was returning from my trip to the drouth stricken area, the House passed a bill putting off for four years taxes that

AMONG THE WINNERS in the Hereford city golf tournament which ended last Sunday were, from left, Wendell Burdine, second flight winner; Dr. R. E. Lingenfelter, runner-up for the championship; Carl Goss, winner of the fifth flight; Ray Hardy, winner of the consolation championship flight;

Stan Barrett, city champion, and Jeff Minton, winner of the consolation flight four contest. Other winners included Bob Lindsey, Logan Cummins, John Renner, John McCleskey, Jim Wood and Carroll Goss.

were supposed to be paid this year on thousands of gallons of whiskey that has been in storage already eight years and on which no tax has been paid. It was argued that the whiskey distilleries had to be helped because many of them would be in financial difficulties if they had to pay the tax at this time. Incidentally, this bill giving relief to the whiskey distilleries was taken up and passed before the bill to grant assistance to the drouth stricken farmers and ranchers.

MORE ABOUT THE DROUTH: The Secretary of Agriculture has had ample authority since 1949 to make loans that were so badly needed in the drouth area. He still has this authority, and in fact his authority has been increased by the recent legislation. This authority was vested in him on April 6, 1949, by Section 2 (a) of Public Law 38 of the 81st Congress.

When the drouth conditions in Texas began to reach a peak (we hope) about June 15th, there was approximately 17 million dollars on hand, which could have been

loaned to relieve the situation. More money is coming into the fund each day.

Authority Since 1949 The Secretary of Agriculture has had the authority since 1949 to put a price support under cattle. He presently has that authority, but has refused to exercise it or to even consider it on numerous occasions. The drouth relief law that was recently passed was an amendment of old Public Law 38.

Actually it did very little to expand the authority of the Secretary, simply because the Secretary had complete authority under the old law to meet the situation head-on. The new law has one provision for special livestock loans. These loans are confined to established ranchers with good records of operation. I tried to amend this so that it could be applied to young people and veterans who are good ranchers but who have not had the opportunity to be in the ranching business but a year or two. My amendment was defeated by a narrow margin. The bill also requires 5 per cent interest on these loans. One member tried to lower this interest rate, but his amendment was also defeated.

No Action On Freight No action has been taken at this writing to provide low freight rates for the shipment of cattle to feed, or hay to cattle. Every official in the administration having

to do with this situation has been repeatedly told about the necessity for hay and reduced freight rates. They reply that they are not considering hay but are trying to work out a limited program for reduced freight rates.

Those of us from the drouth area have besieged these officials day after day, and I hope that by the time this letter reaches you, they will have awakened to the realities of the situation and provided adequate assistance to save you.

Farmers On Outside It looks like the farmers may be on the outside looking in as far as the loans are concerned. We are

trying to convince the officials and the city folks that the drouth hit the cotton farmer as well as the ranchers. While you are praying for rain, add a few words asking that some of these administrative officials wake up.

VISITORS: Mr. and Mrs. J. L. McCormick, Amarillo, and Cliff Wimberly, of Vega, were visitors in Washington this past week.

Each year approximately 2,250 people die of accidental gunshot injuries. Deaths due to firearms rank seventh among accidental deaths.

Rio Grande Fishing May Be Restored to Eminence

AUSTIN—The Rio Grande River, noted for its giant catfish, can be restored to its piscatorial eminence according to the Executive Secretary of the Game and Fish Commission.

He said the record drought, with consequent lack of flowage along great stretches of the Rio Grande, will be costly to the fish population. But he explained that river observers report many large pools, deep enough to sustain adequate brood stock.

Look To Falcon Meanwhile, deep South Texas fishermen are looking forward to the vast lake created by the Falcon Dam below Laredo and above the rich irrigated fruit plantations in the Valley.

This lake, which is expected to be filled within a year, will provide a large impoundment of water for stocking fish as well as providing a constant flow of water in the river below the dam.

The Executive Secretary said the lake will be stocked with catfish, bass and other species which, he added, should provide unlimited sport.

Business Women's Circle Hears Talk On Leprosy

Business Women's Circle of the Woman's Missionary Union of the First Baptist Church met Thursday evening in the home of Miss Della Stagner for a picnic supper and session on the lawn. Mrs. O. A. Smith gave the devotional program, and Mrs. Jim Clark gave a talk on "Leprosy" and What Is being done about it.

Members attending were Mesdames E. W. Young, Jim Clark, Lynn Kester, Awlyn Savage, A. O. Smith, Carol Whiteside, Faye Campbell and the hostess.

Laboratory abrasion tests, as well as field tests, show cotton to have the highest wear resistance of all the textile fibers in common use.

NOW!
Ford Master-Guide
the last word in
Power Steering!

Master-Guide applies hydraulic steering power automatically... and in varying degrees as required... right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jabs and jolts from your hands. As a result all you do is... guide the car... Master-Guide supplies the muscles.

It's the newest in a long list of Ford advancements that make this Ford the outstanding car for '53!

No other car near Ford's price has ever offered you so much! Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six with Overdrive, won the Sweepstakes in this year's Mobilgas Economy Run.

Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque converter and the gas-saving "go" of automatic gears. In all, Ford offers 41 "Worth More" features.

And now, in addition, Ford brings you the newest and finest in power steering... Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car... worth more when you buy it... worth more when you sell it.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the more Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to hold a steady course. Master-Guide also absorbs the shock that might otherwise be transmitted to the steering wheel. All handling is easier with Master-Guide and parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease with full security, wherever you drive. Options on all V-8 models of 1953 year.

Test Drive **Ford** with Master-Guide Power Steering!

This Tastes Good In Texas

Foods and Nutrition Specialists
Texas Agricultural Extension Service
A. & M. Collage

- Recipe of the Week
Date Nut Cake
- 2 lbs. dates
2 teaspoons baking powder
1 teaspoon vanilla
1 lb. cherries
4 eggs
1 cup sugar
1 cup flour
4 cups pecans
1 teaspoon salt
- Chop dates, mix in cherries and pecans whole. Sift dry ingredients together twice. Then as sifted third time over fruit, nut mixture, mix. Beat egg yolks until lemon colored. Add to mixture. Beat egg whites until partly beaten, add vanilla and beat to peak stage, then fold into fruit mixture. Let stand 30 minutes. Pour in wax paper-lined pan and cover with thick-
ness of wax paper and bake at 250 degrees F. for two hours. During last 15 minutes of baking period remove wax paper.
- Lets Eat This For One Day
- Breakfast

Milk

Timely Tips

1. Serve three well balanced meals every day regardless of temperature.
2. Reduce amounts of starches and sweets and increase consumption of protein foods as - lean meats, milk, egg, fish, poultry, etc.
3. Date Nut Cake is high in calorie count. Serve small pieces.
4. Plan to serve foods in season as they are usually cheaper.

Hunters and Fishermen Lose Mightily From Fires

AUSTIN—Hunters and fishermen stand to lose mightily if fires recur in wooded areas, observed the Executive Secretary of the Game and Fish Commission.

He said one major damage from fire is to game habitat. Also, he added, fires that kill trees and blacken grass cause erosion and, in the end, that means filled up streams and lakes.

New State Law

The Executive Secretary called attention to a new state law which authorizes closing hunting and fishing where fires become a menace.

He said he thought hunters and fishermen are entitled to some protection against being blankly blamed for all fires. He suggested the best approach is to do their own policing and also to be alert to check fires caused by cigarettes tossed by motorists.

The Executive Secretary urged the citizenry in the grass lands as well as on the wood land to be particularly careful with fire during the current drought.

Television Increases Furniture Demands

Television has spurred demand for home furnishings.

This conclusion stands out in a new National Cotton Council market report on upholstery, slip cover, and drapery fabrics.

Latest figures show that the equivalent of 537,000 bales of cotton now go into home furnishings items annually. This represents nearly half of the total of all materials. By comparison, about 457,000 bales were consumed in these uses back in 1947 when the impact of television was just beginning to be felt.

Trend Reversed

The Cotton Council report points out, "Television reversed the unfavorable trend for home furnishings which began with the advent of popular priced automobiles. Automobiles took people away from their homes; television brought them back. People are spending more time in their home and are entertaining more."

Style has become a primary consideration in upholstery and drapery fabrics, and it is a major consideration in slip cover fabrics, the Council report notes. The present style trend is away from flashy, showy furnishings to softer, livable functional types.

If a chimney that runs up the outside of a house is unattractive, try painting it to match the side walls. This will make it less noticeable.

A major aircraft manufacturer reports that approximately half of a new Navy fighter, now coming off assembly lines, is produced by some 250 subcontractors who have plants located in 15 states and Canada.

WHAT YOUNG MAN-OF-THE-HOUSE wouldn't thrill at bringing school chums home to a room like this? The whole decorating scheme revolves about a boy's interests. Shoulder high panel windows, fitted with Thermopane insulating glass, give privacy and permit extra space for furniture placement, a plus item so welcome with today's smaller bedrooms.

Mrs. Noland Is Honored With Shower At Church

Summerfield—A pink and blue shower honoring Mrs. Otho Noland was given in the church basement Wednesday afternoon.

Mrs. J. B. Noland and Mrs. Guy Walser were in charge of the games.

Refreshments of ice cream and cake were served to: Mesdames J. A. Noland, L. H. Lookingbill, D. C. Walser, J. M. Wright, K. W. Niell, Buck Barnett, L. L. Cannon, Obe Robason, C. R. Walser, A. A. Simmon, Ray Johnson, Jack Streun, Carl Lee, Carlyle Sargent, Charles Noland, Earl Lance, J. B. Noland, Guy Walser, and Bradley Lookingbill and daughter Debbie of Hereford.

Misses Charlene Lee, Bettie Noland, Cherrie, Susan and Beckie Niell, Doris Billy Jean and Neida Barnett.

New Records Are Made On Channel Cat Spawns

AUSTIN — A record spawn by channel cats in the Jasper State Fish Hatchery was reported by the Chief Aquatic Biologist of the Game and Fish Commission.

He said Superintendent F. P. Garrett of the deep east Texas hatchery recorded forty-six separate spawns by his brood cats.

The hatch averaged about twenty-five thousand catfish fry per spawn, or a total of well over a million young channel cats. The Jasper hatchery usually gets from twenty-five to thirty-five catfish spawns each season.

From Mild Winter

Garrett said the unusually high production by his two hundred and fifty brood cats apparently resulted from the mild winter.

"They didn't have to hibernate," he said. "So they kept on eating all winter and thus were in better condition than ordinary."

Garrett said the cat fingerlings will be consigned to waters in nineteen counties ranging from Nacogdoches County on the north to Brazoria County on the south.

Among the treasured gifts that Columbus brought back to Queen Isabella was a skein of cotton thread.

Only one fourth of all firearm accidents occur while hunting. Twice as many occur in the home.

Why take less than a Packard-built car?

YOUR REACTION to the new Packard CLIPPER is what we have tried to portray with the exclamation point and the car above. We hope it expresses the admiration you will feel when you see and drive this great new car. And remember—the CLIPPER'S advanced contour styling is one of the principal reasons why it's "the buy of the year" today —will be the "trade-in-value of the year" later on.
