Mrs. Mozelle Neill, Hereford, was awarded a scholarship for summer graduate study at the recent Delta Kappa Gamma state convention in Dallas. She is librarian at Hereford senior high, and will receive the Lalla M. Odom scholarship at Texas Woman's University, Denton, this summer for graduate study in library science.

Hereford Athletic Club will sponsor a swimming meet at the municipal pool here Monday, July 6, starting at 6:30 p.m. It was announced Wednesday. Boys and girls 8 to 16 may compete in free style, back stroke, breast stroke or butterfly stroke, competing by ages, according to Wayne Lawrence. A demonstration by a swimming team coached by Mrs. O. G. Hill, Jr. also will be presented.

Dolly Textiles, Inc., one of Hereford's newest industries, will have open house Saturday from 1 until 3:30 p.m., 148 N. Main. Jerry Detwiler, one of the directors of the firm, announced Wednesday. Dolly Textiles makes children's dresses.

Home economics department of the senior high school is sponsoring a demonstration on the use of sewing machine attachments. Dorothea Prowell announced Wednesday. The program will begin at 10 a.m. Friday in the home economics department with Mrs. Prowell giving the demonstration. Public is invited; there will be no admission charge.

A "letter to the editor" has been received from Hereford, extolling Hereford's Little League. The Brand would be glad to publish the letter if the writer will identify himself (or herself). The Brand has a policy against publishing unsigned letters.

Martine Corp. Howard R. Godwin Jr., son of Mr. and Mrs. Howard R. Godwin, 518 Star, recently participated in an extensive sea assault exercise called "Operation Pine Tree" off the coast of southern California.

James E. Pavlicek, Hereford, is among 1500 ROTC cadets from the five-state Fourth U.S. Army area taking part in a six-week intensive training program at Fort Sill, Okla.

Becky Duncan, Hereford, a citizen of the American Legion Auxiliary Bluebonnet Girls State now in progress in Austin at the Texas School for the Blind, was elected "councilman, City E." She is the daughter of Mr. and Mrs. G. W. Duncan and is sponsored.

WRECK WITHIN A WRECK — This station wagon was a total loss after it rode through the train wreck three miles east of here Saturday shortly after 11 a.m. This car was being carried in one of the box cars. It is shown after it was removed from the wreckage Sunday.

The Sugar Story — Part IV

Crystal-Making Is Delicate Art

By Phil Duncan

(EDITOR'S NOTE: The following is the fourth in a series, dealing with the processes used in extracting sugar from the beets after they arrive at the Merrill E. Shoup Plant of Holly Sugar Corp. here. This fourth part deals with the forming of the sugar crystals from the pure juice.)

The sugar juice has been purified to the point of perfection and is called "standard liquor" as the sugar content of the juice is approximately 65 percent. The juice is now ready to begin one of the more important processes — the crystallization or the formation of sugar crystals.

Crystallization is achieved by boiling the standard liquor in huge tanks called vacuum pans. To prevent burning and caramelization, the boiling must be done at a comparatively low temperature. Therefore, a high vacuum is necessary.

The standard liquor is boiled until it reaches a state of supersaturation. A sugar solution is said to be supersaturated when there is a greater ratio of dissolved sugar to water than could normally exist at that temperature.

Then, by injecting a small amount of pulverized sugar, the liquid is seeded — and sugar crystals begin to form.

Control of the crystallization process is an art, and the process is conducted by a skilled technician. By regulating the vacuum and temperature, by using steam, he governs the growth of crystals until they reach the proper size. The su-

gar boiler takes frequent samples from the vacuum pans and examines the crystals under a magnifying device. The instant the crystals reach the desired size, the operator stops the crystallizing process.

The mass in the vacuum pan now is a thick mixture of crystals and syrup and although it is brown in color it is, strangely enough, known as "white fill-mass".

The next step is spectacular. The fill-mass is poured into high speed centrifugal machines. Essentially the centrifugar is a huge revolving metal basket, perforated with extremely fine holes and surrounded by a stationary frame.

Authorities said it was a miracle that none of the crew members were hurt in the pileup. When the axle, or journal, burned in two, several rails were uprooted and the

Deaf Smith County Commissioners Court met in a lengthy, discussion filled session Monday and re-emphasized the warning issued last week concerning the operation of crawler-type tractors and other damaging equipment on the county roads.

The commissioners warned once again that the operation of such vehicles on the county roads was in direct violation of Article 784 of the Penal Code of Texas, and that offenders could be prosecuted under the provisions of such statute.

The commission pointed out that crawler type tractors and other equipment with steel lugs or wheels

Crop Prospects Bright; Potato, Onion Harvest Due To Start Soon

Freight Wreck Damage Set At \$150,000

Santa Fe Railroad officials Wednesday estimated damage at \$150,000 after 23 cars derailed a freight train three miles east of here Saturday at 11 a.m. when an axle burned through.

Service was disrupted for more than seven hours.

The derailment tore up 200 feet of tracks and damaged 12 cars loaded with celery and 11 empty cars. No injuries were reported.

W.A.J. Carter, Santa Fe Superintendent, Clovis, was the first Santa Fe official to arrive at the scene of the pile-up.

"There was only one celery car badly damaged," he said. "The produce was transferred to another refrigerated car."

Workers had the track opened up for traffic by 5 p.m. Carter, who stayed at the scene about 30 minutes, said the wrecking crew would be working on clearing the wreckage most of the day Sunday.

Officers of the Deaf Smith County Sheriff's Department and local Texas Highway Patrol unit were on hand at the derailment to assist railroad officials in keeping order.

Authorities said it was a miracle that none of the crew members were hurt in the pileup. When the axle, or journal, burned in two, several rails were uprooted and the

Deaf Smith County Commissioners Court met in a lengthy, discussion filled session Monday and re-emphasized the warning issued last week concerning the operation of crawler-type tractors and other damaging equipment on the county roads.

The commissioners warned once again that the operation of such vehicles on the county roads was in direct violation of Article 784 of the Penal Code of Texas, and that offenders could be prosecuted under the provisions of such statute.

The commission pointed out that crawler type tractors and other equipment with steel lugs or wheels

struct or tends to obstruct such road is prohibited; and further that the plowing of bar ditches also constitutes an injury to the roads under such statute, and constitutes a hazard to vehicular traffic; and also that the public be advised that the dumping of refuse, garbage, rubbish or junk within 300 feet of a county road is a violation of Article 696 a of the Penal Code; and further that if such notice does not stop such practice, criminal complaints will be filed under the provisions of such statute. The warning was signed by County Judge H. C. Williams.

The court voted unanimously.

Board Lets First Contract In School Expansion Plan

Hereford School board, in a called session Tuesday morning, let bids for alterations and repairs at Stanton Junior High and Central Elementary schools but rejected bids received for repair to the steam heating system at the two schools, Superintendent Paul Stevens announced.

Low bidder for the Stanton and Central repair work was Mitchell Construction Co. which submitted a bid of \$15,297. The company agreed to complete the projects within 60 working days.

Other bids received were: Claude Martin & Sons, \$16,388, with a 60-day time limit, and Tom G. McAbee, \$18,924 with a 70-day time limit.

Two bids were received for repairing the heating system at the two schools, but both were rejected. Anthony Company submitted a bid of \$21,500, and a D.O.W. Chisum and Co. presented a bid of \$19,900.

The architect's estimate had set the cost some \$5000 less than the lower bid submitted, it was explained. Thus both bids were rejected and new calls will be estimated. It was explained that a different approach to the needs will be presented, involving less money.

The repair projects are the first of a series of expansion and remodeling projects scheduled for the schools over the next several years, and are a part of a \$1.4 million bond issue approved by the voters in May.

The board at its Tuesday session also elected three additional teachers. They include Alexene Garlitz as a fourth grade

teacher at Northwest Elementary School, and Jane Coplen to Central Elementary staff.

The Hereford system still has several vacancies on the 1964-65 staff, Stevens said. Until the three were named Tuesday, the board had nine vacancies on the 1964-65 staff.

The school board Tuesday called for bids on paving a parking area near the senior high school and the old west stands of the former football field. The board also agreed to pay half the cost of a concession stand at the baseball field which is to cost \$300. The American Legion will provide the balance of the funds needed.

Final action of business at Tuesday morning's called session was the acceptance of a piano from the Hereford Lions club to be used in the junior-senior high school cafeteria.

Although shipping will start early in July, harvest of the area's 11,000 acres of Irish potatoes is not expected to reach its full swing until about July 10. Yield is expected to run from 150 to 180 cwt. per acre, produce men said.

Although the onion outlook is good, price-wise the situation is not as bright as in previous years, truckmen said. The price was standing Wednesday at \$1.15 for yellow onions and \$1.50 for white onions.

No produce firm would estimate the total acres devoted to onions, but one produce man said the figure will be "considerable." As to the crop itself, it was reported to be "in good condition, and the yield will be average or above."

Meantime, wheat harvest was moving along at a rapid clip. Barley harvest in this area was "poor" due to the dry spring, and most of that crop had been harvested.

Wheat is turning out "much better than had been expected" on drylands, one grainman said Wednesday. "We had practically written off the dryland wheat as a total loss," he explained, "but then the combines started and the yield was much better than we had expected."

He said the output will be "much better" than last year's yield; the 1963 crop was one of the poorest on record.

He said the yield on dryland farms had been running from 10 to 12 bushels per acre, "which is much better than we had expected at the time cutting was started."

Most of the dryland wheat

Wheat Output Running Ahead Of Forecast

With wheat turning out better than had been expected, especially dryland yields, and with a good potato and onion production in prospect, the Deaf Smith County farm outlook was looking up Thursday, three days after summer officially got under way.

Some farmers were due to start cutting potato vines by the last of the week, and shipping is due to get under way July 6. Red Lasotas will be ready to harvest by that time, produce men said here Thursday.

Price outlook also is good. New potatoes were bringing around \$5 to \$5.50 per cwt. Wednesday, and little change in the market price is expected.

Although shipping will start early in July, harvest of the area's 11,000 acres of Irish potatoes is not expected to reach its full swing until about July 10. Yield is expected to run from 150 to 180 cwt. per acre, produce men said.

Although the onion outlook is good, price-wise the situation is not as bright as in previous years, truckmen said. The price was standing Wednesday at \$1.15 for yellow onions and \$1.50 for white onions.

No produce firm would estimate the total acres devoted to onions, but one produce man said the figure will be "considerable." As to the crop itself, it was reported to be "in good condition, and the yield will be average or above."

Youth Struck, Killed By Car On Farm Road

Russell Wilbanks, 8-year-old son of Mr. and Mrs. Dick Wilbanks, Rt. 4 Hereford, was killed Monday evening when he was struck by an automobile as he tried to catch a horse with his father and two brothers.

Young Wilbanks was rushed to Deaf Smith County Hospital in a Gilliland Ambulance, where he died a short time later.

The accident occurred about 8:45 p.m., three miles west of Hereford on Harrison Highway.

Investigating officers said Wilbanks, his two brothers and father were driving a horse, which darted onto the highway in front of a car driven by Alvin Guim of 105 Ave. B.

The boy was behind the horse and was struck by the automobile when the horse veered out of the vehicle's path.

Officers termed the accident unavoidable.

The body was taken to Gilliland Funeral Home.

Funeral services for the boy will be today at 5 p.m. in Rose Chapel, Gilliland Funeral Home. Interment will be in West Park Cemetery.

Moore's Sweep Father, Son Golf Tourney

Troy and Troy Don Moore paced a field of 28 fathers, sons and daughters who participated in the Father and Son Tournament held at the John Pitman Municipal Golf Course on Fathers' Day, Sunday.

Moore and his son led with a low ball of 28, followed by a three-way tie for second by three pairs with a low ball of 30.

Those tying for second were Owen and Mary Ellen Seamans, Clyde and Don Schner, Troy and Martin Reid Moore.

Sam and John Gilbreath, Owen and Kay Seamans and De-ward and Gary Roberson all tied for fifth place with a low ball of 31.

Frank and Larry Walterscheid had the high net score with a low ball of 37.

Frank and Vince Walterscheid got the low net score on the hidden hole as they got a three on the number four hole.

Frank Walterscheid won the prize for most sons entered in the tournament, with four sons entered with him.

Other fathers and sons who played and low net scores were: Frank Walterscheid and Ken-

Deaf Smith County Farmers Ready To Harvest Outstanding Potato, Onion Crops

VEGETABLE-HARVEST TIME — Deaf Smith county's onion crop began moving out of the field this week, and potato harvest should get under way early next week.

These pictures show J. V. Pickens, and his sons, southeast of Hereford, lining up way on Lupe Alvarado's farm 10 miles south of town. Both onion and potato out-machines for next week's potato harvest. Onion harvest got under way in a big look is good, but the price of onions is off slightly as the harvest gets under way.

(Brand Staff Photos)

Crop...

(Continued from page 1) crop has been harvested, and he estimated the irrigated wheat harvest is 40 percent complete.

Irrigated wheat is turning out well, although the yield varies sharply from field to field. Some of the watered wheat is turning out as low as 30 bushels to the acre, but there are many fields which are running as high as 70 bushels to the acre. Some damage was reported from early spring insect infestation, although such damage was limited to "isolated" field, a farm expert said.

The county has approximately 110,000 acres planted to wheat this year.

"Meantime, other crops were making progress. Sugar beets were reported as "outstandingly good," one official of Holly Sugar Corp. saying that the beet crops "is as good as can be found anywhere in the nation." Sugar beets are irrigated here. Grain sorghum also is off to a good start with prospects now

of a good summer yield. Little damage from hail or from excessive rains, such as have plagued other Panhandle areas was reported in this country.

Rains during the past 10 days have added pastures, although additional rain will be needed to bring native grasses out of their summertime hibernation. However, better grazing has been accorded as a result of the rains.

Carrots also are making progress. This crop, which usually is harvested after Sept. 15, is off to a good start, produce man said.

In summing up the farm outlook as June neared an end, a farm expert put it this way: "Our wheat outlook is good, and even dryland wheat did better than we had expected. Potatoes are excellent, and onions will be rolling to market soon. Grain sorghum is good and sugar beets are as fine as can be found anywhere. "Altogether," he concluded, "the farm outlook at this time is bright."

Texas Employment Commission in its farm labor bulletin

June 22, said harvest of wheat in the Amarillo, Canyon, Vega, Panhandle and Claude areas is 75 percent complete, adding that dry land acreage is averaging five bushels per acre and irrigated wheat averaging 25 bushels per acre. Farther north, in the Pampa, Miami, Canadian, Lipscomb and Shamrock region, the bulletin said harvest is 85 percent complete and that yield is 10 to 15 bushels per acre.

For the Borger, Dalhart, Channing, Stratford, Dumas, Spearman and Perryton sections the report said harvest is 50 percent complete, and is "in full swing following the rains; however, some fields of irrigated acreage are still green. Ample combines in the area are standing by."

For Plainview, Tulla, Lockney, Floydada and Silverton the bulletin said: "Dryland harvest complete and irrigated acres is 40 percent complete. If weather remains favorable, harvest should be almost completed this week."

Former Hobbs Newsman Faces Robbery Charges

SAN DIEGO, Calif. (AP)—A former police reporter for the N.M., News-Sun told police he had generated some of his own crime stories, police said Monday.

The police report said Gordon Wainwright Miller, 19, Hobbs, told how he robbed service stations in Hobbs, Clovis, Roswell and Artesia, N.M., and Snyder, Tex.

News-Sun Editor Robert McGrath confirmed by telephone that Miller had worked for the newspaper for about two months and quit June 11. The robberies reportedly occurred in April and May.

Miller told officers, they said, that in the first robbery at

Hobbs he went home, changed his clothes, and then went to the newspaper office to write the story.

A warrant for Miller's arrest has been issued by Hobbs police. Miller was charged with robbery and passing bad checks. Miller gave himself up Sunday night, police said, because he knew eventually he would be caught.

Miller, a former employee of the Hereford Brand, graduated from Hereford High School in 1963. While with the Brand, he was awarded a journalism scholarship by the West Texas Press Association and won numerous awards for his news reporting and photography.

Billy Haughton, 40-year-old harness driver, won 144 out of 629 races last year.

Wyoming's basketball team will play half of its 26 games at home next season.

Irrigated Land Is 'Efficient,' Says Reclamation Pamphlet

Irrigated land is the Nation's most efficient and valuable, according to the National Reclamation Association, and they impede rather than aggravate the farm surplus problem. Although only 2.6 per cent of U.S. cropland is irrigated, the portion accounts for 20 per cent of the total value of farm products which add very little to the commodities of glut.

These points are brought out in "Reclamation and Agricultural Surpluses", a pamphlet released Wednesday by the association and based upon a recent speech to the Congress by Wayne N. Asplund, chairman, House Committee on Interior and Insular Affairs.

"Reclamation-produced wheat and feed grains accounted for less than one per cent of U. S. carryover stocks in recent years," it was said, adding "irrigation offers an alternative to surplus crop production by offering the farmer an opportunity to grow high-value crops for the competitive market."

Irrigated lands of the West provide all of the Nation's lemons, apricots, figs, walnuts, almonds, filberts, olives and hops, and nearly all of the pears, prunes and plums. Half to all of the following come from irrigated acreage: grapes, avocados, nectarines, cherries, strawberries, cantaloupes, honeydew melons, lettuce, celery, carrots, artichokes and garlic.

"The production of more than 150 different crops on reclaimed land resulted in a gross addition to national farm income of about one and one-quarter billions, yielding \$575 per harvested acre, or more than one and one-half times the national average", the pamphlet stated.

Stressing that irrigation farm- (Continued on Page 4)

Freight...

(Continued from page 1) freight cars literally jumped into the air according to observers.

The accident occurred three miles east of town near what is termed a "Delta Shoo-fly"—a place where trains can easily be switched to another set of tracks.

Santa Fe Officials praised the work of the local authorities in helping relieve the confusion caused when the east-bound train jumped the tracks.

"If it wasn't for their help, it might have taken us hours more to get operating again," a Santa Fe spokesman said.

Rogers' Bill Would Require Warning On Cigarette Packs

Congressman Walter Rogers of Pampa today introduced a bill requiring that packages of cigarettes carry a clear warning that a smoker's health may be endangered.

Congressman Rogers' proposal would require that packages of cigarettes sold in interstate commerce carry this warning: "Caution: Cigarette Smoking May Be Hazardous to Your Health."

The Congressman said the

Legal Notice

THE STATE OF TEXAS

To: Christopher Seal, the unknown heirs and legal representatives of Christopher Seal, deceased; Hannah Seal, the unknown heirs and legal representatives of Hannah Seal, deceased; Bert M. Seal, and the unknown heirs and legal representatives of Bert M. Seal, deceased. Defendants, Greeting:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 27th day of July 1964, at or before ten o'clock A.M. before the Honorable District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the 9th day of June A.D. 1964, in this cause, numbered 4808 on the docket of said court, and styled, Iverson Leake Plaintiff, vs. Christopher Seal, et al Defendants.

The names of the parties to the cause are as follows: Iverson Leake are Plaintiffs and Christopher Seal, the unknown heirs and legal representatives of Christopher Seal, deceased; Hannah Seal, the unknown heirs and legal representatives of Hannah Seal, deceased; Bert M. Seal, and the unknown heirs and legal representatives of Bert M. Seal, deceased, are Defendants.

A brief statement of the nature of this suit is as follows, to wit: For the title to and possession of all of the South one-half of Section No. 29, Block K-4, Deaf Smith County, Texas, and for removal of cloud to Plaintiff's fee simple title thereto; and to divest the defendants and each of them of all claims, title or interest both apparent or real in said land, and to invest the same in plaintiff as the fee simple owner thereof, based upon the five year, the ten year, the twenty year and the three year statutes of adverse possession and limitation of the State of Texas as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas, this 9th day of June A.D. 1964.

Attest:
Lucille Posey Clerk,
District Court, Deaf Smith County, Texas.

purpose of the bill is to insure that all cigarette purchasers, especially young persons be aware that smoking is a potential risk to physical well-being.

"Although many words have been written and spoken on this matter, I feel certain that many of our citizens are not yet aware of the danger. I believe it is the Government's responsibility to be certain all Americans are warned of the possible consequence of smoking, just as it is its responsibility to be certain other potential health hazards are properly identified as such," Congressman Rogers said.

The bill introduced today would make it "unlawful and an unfair method of competition in commerce, and an unfair or deceptive act or practice in commerce, under the Federal Trade Commission Act, for any person to manufacture, import or package for sale in commerce any package of cigarettes which does not bear a plainly legible warning as follows:

"Caution: Cigarette Smoking May Be Hazardous to Your Health."

The Act, titled, the "Federal Cigarette Labeling and Advertising Act," would take effect 120 days after the date of its enactment.

Crystal...

tionary outer shell. After the fillmass is poured into the basket, the basket whirls at a peripheral speed of more than two miles a minute. This action throws the fillmass to the sides of the basket, and the brown syrup passes through the hole while the crystals remain inside the basket.

As the machine spins, the brown color changes quickly to sparkling white. A jet of hot water sprays on the sugar and this also passes through the perforations of the basket, washing off the last of the syrup.

The wet sugar now passes to granulators, where it is dried in a current of warm air. Then it is screened to sort crystals according to size and sent to bins or huge silos for later packaging or removal for delivery in bulk.

The syrup that has been separated from the sugar crystals and expelled through the holes in the sides of the centrifugal basket still contains considerable sugar in liquid form. This syrup undergoes two more bollings and centrifugings, during which it yields the intermediate and raw sugars that are added back to the thick juice for further processing.

The final syrup still contains sugar which can not be economically recovered by additional boiling and centrifuging.

The next part of the Sugar Story will deal with the storage and packaging.

Plans for a \$1.5 million dollar multi-story office building in Amarillo was announced Wednesday by Mark Woodall, president of the Bank of the Southwest. The announcement was made at a 5:30 p.m. reception and press conference Wednesday at the Amarillo Club held by officers and directors of the bank. Mark Woodall, President, and Bill Decker, Chairman of the Board of the bank, are both former Hereford residents. The new building will be located on property at 22nd and Civic Circle.

Heartwood of black walnut varies from light brown to deep chocolate. The sapwood is nearly white, but it is now common to darken it by steaming or staining.

mously to appoint County Commissioner Donald Hicks to the county child welfare board for another year. The term would begin July 1. Hick's is presently serving on the board.

In other business the court approved the crossing of a county road with a gas line. The request was submitted to the court by Paul Medcalf, Commissioner Hicks made the motion to approve the crossing and Commissioner Latham seconded the motion. The court approved the motion unanimously.

The court voted unanimously to keep all the county offices open on July 3.

The majority of the discussion in the session came in the examination of the annual county audits. Previous audits by an Amarillo accounting firm and Brown, Graham and Glover of Hereford were studied by the commissioners. No official action was taken by the commissioners concerning the audits.

In the final business the court studied retirement fund plans for county employees. The commission met with representatives of an insurance firm and discussed the plans.

No official action was taken concerning the retirement plan, but the commissioners agreed that elected county officials

Champions Meet On Lions' Card

Hereford Lions club's weekly wrestling series will continue Saturday night when Sir Nelson Royal, the derby-wearing "dude" will make his third straight appearance in the Hereford ring, Silm Wester, manager said Thursday.

He will meet another of the big-time wrestling stars — Dory Funk who holds a lot of medals himself. In fact, Wester is billing the Royal-Funk match as a national championship scrap.

Royal and Funk are to battle for one hour or for two out of three falls.

In the semi-finals, Ricky Romero, another fighter who is well known in the Hereford ring, will meet Big Nick Roberts in a two-out-of-three series or a 45-minute limit. Romero has been popular with the fans here and has put on some good exhibitions wrestling in his previous appearances on the Lions' card.

For the opener, Bill Graham will meet Poncho Pico. Both are newcomers to the Hereford card, but both have a number of scalps under their belts. They are slated for a one-fall battle with a 20-minute limit.

Attendance has been good at the Saturday night series, and this week's card, highlighted by the North American championship battle, between Royal and Funk, promises to be worth the money, Wester points out.

Prices are \$1.50 for reserved seats, \$1 for general admission.

and 75 cents for children under 12. First fight starts at 8:45.

Redbirds Nip Tulia, 13-2 In Area Game

The Hereford Redbirds American Legion Baseball team traveled to Tulia Sunday afternoon and took a 13-2 victory in South Division competition. This boosts the Redbird record to three wins and one loss. The Redbirds will face Dimmitt on the local high school field Thursday at 4 p.m. and Friona on Saturday at 2:30 p.m. also on the local diamond.

Redbird pitcher Larry Minks, got off to a shaky start. The first Tulia batter met the first pitch for a single and with one out lefthander Ronny Latham blasted a home run over the right field fence. The Tulia batters had little success after this start as they were held scoreless for the final six innings. Minks gave up three scattered bases on balls and a third hit, also to Latham, in the sixth frame. He faced only 26 batters in the seven innings and struck out six.

The Redbirds were retired in order in the first inning. In the

second Mike Ranspot hit his second home run of the season over right center. An error allowed Steve Hodges to get on base, Charlie Moreno walked, and Ronny Duncan singled to score one run. Gary Stagner grounded out but Moreno scored on the play. Danny Loerwald hit safely to bring in the fourth Hereford run of the inning.

In the top of the third Lynn Cook got a base hit but was forced at second on a double play. The local team had another hit in the fourth as they scored five runs on three hits and two walks. Steve Hodges walked, Charlie Moreno got a single, and Ronny Duncan beat out the throw to load the bases. One run scored on a wild pitch and Gary Stagner walked to load the bases again. Danny Loerwald bunted to score Moreno and Frank Cain put one over the left field fence to bring in three runs.

In the fifth inning Mike Ranspot singled, Steve Hodges hit one over the center fielder's head. Ranspot scored on a wild throw to first by the Tulia pitcher and Hodges was out at home on Duncan's ground ball. Gary Stagner garnered a single and Danny Loerwald got his second single of the game to score

Like Sand? Then You'll Like Monahans Sandhills State Park

(Editor's Note: Oil Information committee of Texas Mid-Continent Oil & Gas Assn., is preparing a series of articles, called "Tour Texas" on Texas parks. The story below

Irrigated...

(Continued from page 2)
ers are assured of fairly steady earnings with the question mark of rain eliminated, the statement said "they prefer to grow crops which are destined for the competitive marketplace instead of a Government-financed warehouse or grain elevator."

The proposed Garrison Diversion Project in North Dakota was cited as one which could result in the removal of many thousands of acres out of wheat and into crops for which there is a strong demand.

Ron Turcotte, 23-year-old Canadian jockey will ride at the Delaware Park meeting this summer.

The Sandhills Museum, a modern stone and glass building that spans two sand dunes, is located just inside the entrance to the park. There you will find displays of art, science, nature,

the second run of the inning. In the sixth Larry Minks got on base with a hit, Steve Hodges walked, and Charlie Moreno walked to load the bases. Ronny Duncan's third single of the afternoon brought in the Redbird's final two runs of the game.

In the final frame Phillip Cain was hit by a pitched ball but was caught off first on a fine play by the Tulia right fielder on a double play to end the inning. Hereford picked up 13 runs on 13 hits and two Tulia errors, Ronny Duncan got three singles, and Mike Ranspot and Danny Loerwald each got two hits.

deals with the Monahans Sandhills park.

If you are traveling through West Texas on U. S. Highway 80, you will find unique recreational opportunities at Monahans Sandhills State Park, located five miles east of Monahans.

Monahans can also be reached by State Highway 18.

The primary attraction of the park is the 3,940 acres of wind-sculptured sandhills. Seventy foot mountains of pure sand enjoyed by young and old, beckon visitors from afar.

Sculptured dunes, constantly changing with the wind, cover 15 square miles. The park is a fascinating duplicate of Sahara dunes, where you can ride "sand buggies" roller coaster style.

Plant and animal life in the park have adapted to the peculiar environment of the sandhills. Miniature oak trees that seldom reach a height of over three feet struggle to maintain roots in the shifting sands, while wild flowers that grow at the edge of the sand dunes would do justice to the finest cultivated flower beds.

Because of the abundance of water in the sandhills, the Indians lived in the area for thousands of years. Amateur archeologists continue to find many artifacts that were covered by the shifting sands. Visitors occasionally find fossils and bones of prehistoric animals and there are rumors of buried gold from a wagon train massacre in frontier days.

The Sandhills Museum, a modern stone and glass building that spans two sand dunes, is located just inside the entrance to the park. There you will find displays of art, science, nature,

the second run of the inning. In the sixth Larry Minks got on base with a hit, Steve Hodges walked, and Charlie Moreno walked to load the bases. Ronny Duncan's third single of the afternoon brought in the Redbird's final two runs of the game.

In the final frame Phillip Cain was hit by a pitched ball but was caught off first on a fine play by the Tulia right fielder on a double play to end the inning. Hereford picked up 13 runs on 13 hits and two Tulia errors, Ronny Duncan got three singles, and Mike Ranspot and Danny Loerwald each got two hits.

SAND PARK — Both children and adults enjoy the cool, clean sand at Monahans State Park, a 15-square-mile area of wild-sculptured sandhills 45 miles west of Odessa.

crafts and antiques. For those who like to picnic, there are shelters to provide shade, barbecue grills, and tables. Campers are also invited to spend the night in the sandhills. The park is open daily throughout the year.

The Wednesday night Prayer Meeting in the Church is held Wednesday 8 p.m.

die to live

The Book says this earthy body must die IF it is to live. How cheerfully the farmer plants his corn! He knows it must die, but he also knows that 'death' is part of the process of life. Immediately after the seed is buried in mother earth, all the ministries of God are set in motion to work a miracle. For it is said, *that to make one little yellow grain, requires the sunshine and the rain, the hoarded riches of the sod — and God.* It is all the miracle of Life. The hull rots and falls away much like the sins of a man being reborn of God. It is the Lord's way of carrying on His creative process to multiply the sustenance of both man and beast. Then, thank God for life that is born of death. The fruit of summer and of autumn waits upon this death-to-life miracle of a good God, as a reborn soul waits to be used of his Lord. Then, *there is no death — what seems so is transition.*

Come with me to church this week.

You In The Church
The Church In You
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Mrs. Tackett Visits Daughter In California

Mrs. Frank Tackett, mother of Mrs. John W. Torbit, 404 Roosevelt, is now in San Diego, Calif., for an extended visit with another daughter, Mrs. Leo Rosson.

For the overland trip she left here Friday, June 19, with Miss Agnes Childre and Mrs. Ruth Mayhew, Lovington, N.M.; and Miss Edith Childre, Amarillo. A fifth member of the touring party, Miss Madge Childre, joined them in Albuquerque.
Miss Agnes Childre and Miss Madge Childre will continue their trip on to Hawaii to attend a summer session at the University of Hawaii.

Legal Notice

THE STATE OF TEXAS
To: Caroline P. Bacon, deceased; the unknown heirs and legal representatives of Caroline P. Bacon, deceased; the unknown husband of Caroline P. Bacon; and the unknown heirs and legal representatives of the deceased husband of Caroline P. Bacon; the unknown heirs and legal representatives of John H. Bacon, deceased; Harriet M. Godwalt; Louise T. Mills; Caleb Bacon; Homer Bacon; Hector Bacon; George Mills; Fletcher Mills; Clark Mills; John Mills; Maggie Mills; Moses Bacon; Norman Mills; and the unknown heirs and legal representatives of each of said named parties deceased.
Defendants, Greeting:
You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 20th day of July 1964, at or before ten o'clock A.M. before the Honorable District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the 3rd day of June A.D. 1964, in this cause, numbered 4806 on the docket of said court, and styled, Herbert Friemel, et al Plaintiffs, vs. Caroline P. Bacon, et al Defendants.
The names of the parties to the cause are as follows: Herbert Friemel, Jerome Friemel are Plaintiffs and Caroline P. Bacon, deceased; the unknown heirs and legal representatives of Caroline P. Bacon, deceased; the unknown husband of Caroline P. Bacon; and the unknown heirs and legal representatives of the deceased husband of Caroline P. Bacon; the unknown heirs and legal representatives of John H. Bacon, deceased; Harriet M. Godwalt; Louise T. Mills; Caleb Bacon; Homer Bacon; Hector Bacon; George Mills; Fletcher Mills; Clark Mills; John Mills; Maggie Mills; Moses Bacon; Norman Mills; and the unknown heirs and legal representatives of each of said named parties deceased are Defendants.

A brief statement of the nature of this suit is as follows, to wit: For the title to and possession of all of Section 27, Block K-6, Deaf Smith County, Texas and for removal of cloud to plaintiffs fee simple title thereto; and to divest the defendants and each of them of all claims, title or interest both apparent or real in said land and to invest the same in plaintiffs and the joint fee simple owners thereof, based upon the five year, the ten year and the twenty-five year statutes of adverse possession and limitation of the State of Texas as is more fully shown by Plaintiff's Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas, this 3rd day of June A.D. 1964.
Attest:
Lucille Posey Clerk,
District Court, Deaf Smith County, Texas.

YOUNG HOME TOWN BOYS CASH AND SAVE

By Melvin Young

It won't be long until the 4th of July rolls around, and Jay Robinson, son of Mr. and Mrs. J. W. Robinson, Jr. has already made preparations for his annual project... that is raising money for camp through the sale of fireworks at his home. This is Jay's second year to set up a fireworks stand. He did pretty well at it last year, and hopes that 1964 will be even bigger and better. The stand is located at his home 1 mile west of Hereford on Harrison Highway, and will open June 29 from 2 p.m. to 10 p.m. The stand will remain open through July 4th. According to his parents, Jay figured the deal out all by himself, hoping to make enough money for summer camp through the sale of fireworks, but he did a lot better than that.

His father helped with the initial set up, helping Jay get the building and purchasing the fireworks. After that Jay was off to a running start. Mom helped some too. She kept the stand open quite often while Jay attended his regular ball practice, etc. But this year he figures that he'll be able to do most of the work himself. After all, every young man has to "go it alone" sooner or later. Anyhow, congratulations to Jay Robinson. He's another of Hereford's many "enterprising" young business men who prefer to work for what they get.

And speaking of the younger generation, if you're going to the New York World's Fair, better check the driving regulations in the state of New York before you get off the beam. According to Bill Patton, who says he received his information from one of the major companies that his firm represents, youngsters under 18 years of age are not permitted to operate an automobile in New York state. . . . even though they may have a valid operators license from another state.

The above information might

save some embarrassment, and even a citation in the event you're traveling to the fair.

Norman Kerr has recently received recognition for having the nicest looking service station in the territory. The award was given by the Mobil Oil Company and Kerr was named the Territory Mobil Winner for 1964 in the LOOK BEST Service Station Appearance Contest.

The current issue of U.S. News and World Report has an article titled "Who's Making the Money On Beef?" that should make interesting reading for everyone. There has been quite a gap between the beef prices "on hoof" and those in the market. The article, written by Ovid Bay for the Farm Journal gives a pretty good picture of the situation as he follows the beef from the feed lot to the market place.

The article will give the reader a better understanding of the growing spread in beef prices. . . . that is, from the farmer to the housewife.

Two thirds of the earth's surface is covered by water. Beneath the waves are such things as canyons reaching seven miles below sea level, mountains that rival Mount Everest rising from the ocean floor, and deep sub-surface rivers that dwarf the Mississippi. In the oceans, too, is a vast wealth of resources. Scientists predict that one day the ocean's minerals will provide much of industry's raw materials, and that more than 300,000 cubic miles of ocean water will be tapped as a food source for the world's growing population. In order to learn more about the almost limitless potentials that are to be found in the ocean, the Navy is launching a program in oceanography.

Who says there are no new frontiers to conquer?

Pat Patterson, head of the local Texas Employment Com-

Essay Subject: 'What Citizenship Means To Me'

EDITOR'S NOTE: The following is another essay on citizenship written by a member of the Dawn Boys' 4-H club. It was written by 11-year-old Ted Richardson.

I am now just a boy, but I am a natural-born citizen of my country and when I grow up I shall be a free man with all the rights and privileges conferred upon an American citizen.

American is a land where every boy has a chance to be president if he wants to be, and he can prepare himself for such a lofty position.

But to be a good citizen first of all, should be the goal of each of us. We who are members of the 4-H clubs throughout America are receiving everyday training in the qualifications of citizenship. If we earnestly work "to make the best better" in our daily undertakings at home, at school, and in our community, and if we are steady in our efforts to achieve the equal training of our heads, hearts, hands and health, then the result of our efforts will be the making of good citizens.

As we grow older and our efforts and abilities increase, we shall be able to contribute more to our club, our community, and our country.

This, then, is my definition of citizenship: to do one's very best in every effort for the good of my club, my community, and my country and to remain faithful to the highest ideals which God implanted in the hearts of men.

Give that bride-to-be a cake shower. Cake pans in various sizes, wire racks to hold the cakes when they come out of the oven, wooden mixing spoons, a cake tester, a flour sifter—these are all inexpensive gifts that a new cook who likes to bake will enjoy having. And have each guest bring her favorite cake recipe!

mission in Hereford will be leaving soon. Pat has been transferred to Dumas to open a new office in that area, and will be leaving Hereford around July 1. His replacement for the Hereford office, Joe Bradley of Plainview, will begin his duties at the Hereford office at that time.

SERVING IN PACIFIC — Robert E. Seyfert, Seaman, U.S.N., is now serving aboard the U.S.S. Ernest G. Small (DDR 838), whose home port is Yukuska, Japan. He is the son of Mr. and Mrs. William Seyfert Jr., 111 Aspen, Hereford. He is an employee of Hereford Tile and Brick.

Mary Seamands Takes Nursing Exam This Week

Miss Mary Ellen Seamands is in Denver, Colo., taking the State Board Examinations in Nursing. She left here Monday evening and will return to Hereford Thursday morning.

In May Miss Seamands was graduated from Loretta Heights College, Denver, with a B. S. Degree in Nursing.

She is the daughter of Mr. and Mrs. Owen H. Seamands, 147 North Texas. Her marriage to Martin Lee Sullivan will be a Saturday morning event.

Hereford Club Visits Muleshoe

A group of Mothers Needle Club members were guests of Muleshoe Hobby Club at their hobby show in Muleshoe V.F.W. Hall Thursday, June 18.

A covered dish luncheon was served at noon.

Enjoying this club exchange event were Mrs. Alice Swigert, Mrs. Lloyd Battey, Mrs. J. L. Shirley, Mrs. H. E. Lindley, and Mrs. W. H. Awtrey, Sr.

Shower Honors Mrs. Bubany, Recent Bride

Mrs. John M. Bubany, Gallup, N.M., a recent bride, was honored at a coffee and miscellaneous shower Friday morning, June 19, in the home of Mrs. Floyd Walton, Sr., 111 Avenue J.

Mrs. Bubany, the former Shirley June Pierce, is the daughter of Mr. and Mrs. Ulys V. Pierce, 810 Knight St. On June 11 she became the bride of John M. Bubany, staff member of the Bureau of Indian Affairs, Gallup, N.M.

Greeting the guests were Mrs. Walton and the bride's mother, Mrs. Pierce.

Laura Pierce, sister of the bride, assisted at the guest register. The gift table was centered a buffet electric skillet, gift of the hostesses. Among gifts displayed were those of several friends who could not be present.

Guests were served from a white damask covered table with centerpiece of pink roses in silver bowl. Appointments were in silver.

Hostesses included Mrs. Floyd West, Mrs. Edgar Tichik, Mrs. W. P. Axe, Mrs. Harold Wester, Mrs. Earl Huckabee, Mrs. Elmer Patterson, and Mrs. Walton Sr.

Guests registering in addition to the bride's mother, Mrs. Pierce, were Mrs. Don Robinson, Mrs. C. H. Hale, Mrs. W. W. Brewer, Mrs. Chester Wiggins, Mrs. J. B. France, Mrs. Stella M. Wood, Mrs. Albert Drager, and Mrs. A. R. Dillard.

Also Miss Jean Chapman from England; Miss cevene Neill and Miss Wanda Kerksey, both Roswell teachers; Miss Sheri Patterson, Miss Judy Rowland, Miss Carma Thomas, and Miss Sandra Green.

The young couple expect to make an extended July visit with the Pierces and their Hereford friends.

Mrs. Townsend Committee Head

Mrs. Johnnie Townsend heads the yearbook committee of Victory Sunday School Class, Avenue Baptist Church, with Mrs. LeRoy Rickman and Mrs. L. J. Cone as her assistants.

Mrs. Billy Wall made the appointments when she presided at the class business meeting in the home of Mrs. C. E. Coleman Thursday evening.

Opening prayer was led by Mrs. Townsend, followed by roll call suggestions on "Do a Helpful Deed."

To close the meeting the group formed the Friendship Circle in the song "Blest Be the Tie that Binds," with Mrs. Coleman saying the closing prayer.

Mrs. Coleman, the hostess, served refreshments to Mrs. Jay Daniels, Mrs. Luther Baxter, Mrs. Clois Kemp, Mrs. Wall, Mrs. Townsend, and Mrs. Cone.

Dr. Kelton's Brother Dies In California

Funeral services are pending in Torrence, Calif., for Shirl D. Kelton, brother of Dr. C. D. Kelton, 507 Jackson St. Kelton, age 58, died suddenly following a heart attack Monday night.

Having visited numerous times with Dr. and Mrs. Kelton, the Shirl Keltons are well known among family friends and church acquaintances here.

Survivors include his wife, Maggie, of the home; two sons and three daughters, all living in California; 10 grandchildren; three brothers, Dr. C. D. Kelton, Hereford, Averett, Pasadena, Calif., and Wm. B. (Bill), Oklahoma City; two sisters, Mrs. Orlie Shepherd, Oklahoma City, and Mrs. Irrie Roberts, Ardmore, Okla.

Cancer Crusade Climbs Above \$2500 In County

Mrs. Claude McDougal, county chairman of the Cancer Crusade, announces that she has transferred to state headquarters in Austin \$16,643 for the 19-64 Deaf Smith county crusade. Mrs. McDougal said she would like to thank each crusade worker and extends appreciation to Hereford Bakery for furnishing donuts to the volunteer workers in the house-to-house drive.

TWO BREAK BOWLING RECORD

DAYTON, Ohio — This bowling hot spot saw two women break a 27-year old bowling record recently. Irma Wright of Lewisburg bowled 279-216, 254 for a 749 series in March. One week later Margaret (Billie) Schuller of Dayton hit 247, 243, 244 for a 734 series.

Agnes Zimmerle set the previous women's record of 723 in 1937.

MOTOR BOAT SHOW SET

NEW YORK — The 55th National Motor Boat Show will be held in the New York Coliseum for the ninth time next Jan. 15-25, the National Association of Engine and Boat Manufacturers has announced.

Colorado Woman Ends Visit Here

Mrs. John Withrow has returned to her home in Grand Junction, Colo., after a 10 day visit with her sister, Mrs. John Torbit, 404 Roosevelt.

Overnight guests in the Torbit home were Mrs. Torbitt's niece, Mrs. B. A. Kimmey, Mr. Kimmey, and their three children, who stopped here after an extensive visit to other points in Texas. Mrs. Withrow joined them on the return trip to Colorado.

Young Homemakers Hear Food's Expert

Nancy Morckel, home economist, Floydada, was guest demonstrator-lecturer for Young Homemakers of Texas at their Tuesday, June 16 open meeting in Community Center.

Associated with Lighthouse Electric Cooperative, Inc., Miss Morckel was outside her area of service here but came on special invitation of the Young Homemakers for this meeting to which clubs of this district were invited.

Fifteen years of service in her present Floydada post ended for Miss Morckel May 1.

Tuesday's program found Miss Morckel clearly and concisely lecturing on preparation of foods for deep freeze. Deftly and precisely she demonstrated each step she presented and explained. Then she demonstrated packaging of each kind of food prepared for storing, giving helpful hints for their future use.

Among products prepared for quick use and freezer storage in her demonstration were (1) strawberries for garnishing salads in winter; (2) pineapple hollowed for salad, the shell washed after use, wrapped in foil, and stored in deep freeze for future use; (3) peaches "just so" or used in pies, ice cream, etc., require these proportions: To one pint of sliced peaches, add 1 T lemon juice and 3/4 cup sugar. Allow to stand, making their own syrup. Seal for freezer storage.

Miss Morckel gave special tips on preparation of sandwiches for freezer storage to be ready for their many summer uses: (1) prepare ahead of time; (2) whip butter or margarine with mixer to make extra light and fluffy; (3) use spread on both sides of bread to prevent absorption of filling; (4) wrap in favorite deep freeze wrap for storing.

Special pointers Miss Morckel listed for freezing home products included:

1. Select foods of high quality.
2. Choose best varieties.
3. Freeze garden products after gathering at proper stage of maturity.
4. To kill dangerous enzymes steam fruit and vegetables in container above boiling water.
5. Use good packaging materials — heavy cellophane,

freezer foil, etc. (Special plastic bags and containers and special freezer jars were demonstrated.)

6. Freeze foods immediately after preparation.

7. Store at Zero temperature and keep at zero during storage period.

8. Do not re-freeze.

After each demonstration, Miss Morckel held a question and answer session. She encouraged tasting of the foods prepared for the viewers. Mrs. Kenneth DeHart and Mrs. Howard Hunter passed the tasting trays.

This meeting was well attended by Young Homemakers of the Hereford area. Among the guests were the Dimmitt Chapter of Young Homemakers.

Mrs. J. J. Durham, home economics teacher in Hereford High School, as adviser of the Hereford Young Homemakers Club, directed this program and joined the hostesses in serving refreshments.

QUICK RECIPES

(Compiled by Nancy Morckel, home economist for Lighthouse Electric Cooperative, Inc., Floydada.)

TASTY TUNA SPREAD

- 1 can chunk-style tuna (1 cup)
- 1 3-oz. package soft cream cheese
- 1 tablespoon mayonnaise
- 1 tablespoon finely chopped onion
- 1 teaspoon horseradish
- 1 garlic clove, mashed or finely chopped

AVOCADO DUNK

- 2 avocados
- 1/2 cup mayonnaise
- 2 tablespoons lemon juice
- 1 garlic clove, mashed
- 1 teaspoon chili powder (may be omitted)
- Freshly ground black pepper, and salt to suit taste.

Peel avocados and mash the pulp. Add other ingredients and mix well. Cover and let stand at least 1 hour. Serve with corn chips.

ENSALADA de AGUACATE (Avocado Salad)

- 1 clove garlic
- 1 large firm avocado
- 2 fresh tomatoes, and 4 radishes
- 1 small onion
- 1 small head of lettuce
- French Dressing

Rub bowl with garlic. Dice avocado and cut tomato in wedges. Chop onion, and radishes.

es and shred lettuce; combine. Chill. When ready to serve add dressing.

UNCOOKED JAMS MADE FROM FROZEN FRUIT

To make uncooked jam from frozen strawberries use:

- 1 1/2 pints frozen strawberries (3 cups)
- 3 1/2 cups sugar
- 1 package powdered fruit pectin boiled with 1/2 cup water

Thaw the fruit. Mash the strawberries or put them through a coarse sieve. Add the sugar and stir until well mixed. Let stand 20 minutes, stirring occasionally.

When the sugar has dissolved add the fruit mixture to the pectin that has been boiled with 1/2 cup of water for 1 minute (stir pectin and water constantly for the minute it is boiling.) Add fruit mixture to the pectin and stir for three (3) minutes.

Pour into glass containers or other desired containers. Cover and let stand at room temperature until set. Seal containers with paraffin. Store in freezer or it will keep indefinitely in the refrigerator.

This recipe makes 2 1/2 pints of jam.

NOTE: Add 1 teaspoon citric acid to the peach and apricot jam.

EMPANADAS DE CAMOTE CON PINA (Dessert Turnovers)

Pastry:

- 1 package (3 oz.) cream cheese
- 1/2 lb. butter or margarine
- 1 cup sifted all-purpose flour

Filling:

- 1/2 cup mashed sweet potatoes
- 1/4 cup drained crushed pineapple
- 1/4 cup sugar
- 1/4 cup flaked coconut.
- 1/2 teaspoon salt

Mix all pastry ingredients together with a pastry blender or your fingertips until the mixture holds together. Divide dough in half and roll one half at a time on a lightly floured board, or between two pieces of waxed paper. Chilling before rolling makes the dough easier to handle. Cut into circles about 3 inches in diameter. Mix all the filling ingredients together; put a heaping teaspoonful of the filling on one side of the pastry circle. Fold pastry over to make a half-moon and press edges together with tines of a fork. Put on cookie sheet and bake about 15 min. in 375 degree F. oven or cook as turnovers or fried pies.

SCOTCH RAISIN BREAD

- 1/2 cup quick cooking oatmeal
- 1/2 cup boiling water
- 2 tablespoons shortening
- 1/4 cup molasses
- 1 egg
- 1/2 cup whole bran cereal
- 1 pkg. hot roll mix
- 1/4 cup raisins
- 1/4 cup warm water

Pour boiling water over oatmeal and let stand for 1 minute. Blend in shortening, molasses, egg and whole wheat cereal. Dissolve yeast from package of hot roll mix in the 1/4 cup warm water. Add to lukewarm oatmeal mixture; stir in hot roll mix and raisins. Knead for 5 minutes, or more. Let rise. Shape into two balls; put on greased baking sheet. Let rise; bake in 350 degree oven for 45 minutes, or until done.

CHOCOLATE NUT FUDGE

- 4 1/2 cups sugar and 1 large can evaporated milk — bring to boiling. (full rolling boil).
- Cook over medium heat for 5 minutes. Stir to keep from sticking to pan.
- Into a large pan or mixing bowl put:
- 15 ounces of plain Hershey

Local People Return From Church Meet

Mrs. E. Vogler, Mrs. M. Wagner and the Rev. Fred Beversdorf of Immanuel Lutheran Church have returned home from the 13th biennial convention of the Texas District of the Lutheran Women's Missionary League of the Missouri Synod held in Odessa June 17 and 18.

Mr. Beversdorf also attended the Christian Growth Workshop Tuesday at Redeemer Lutheran Church as pastoral advisor for the Panhandle zone.

Attending the convention were 440 women from all over Texas. The two-day meeting was held in the Hotel Lincoln.

Newly elected officers for the next biennium are Mrs. Walter Kaltwasser, Farwell, president; Mrs. Wayne Long, first vice-president; Mrs. Wilson Joiner, San Angelo, corresponding secretary and the Rev. J. L. Konz, Eden, counselor.

New projects for the next term are to raise \$10,000 for the purchase of land for the chapel at West Texas State University, and also to raise \$10,000 for the chapel and student center at Texas A & M.

The grants were \$1000 for new church furnishings at the Lutheran mission in Post, \$2,250 toward providing a Lutheran woman counselor at the two colleges in Denton, and \$1000 for institutional ministerial work.

The 1966 convention will be held at Corpus Christi.

EASTER NEWS Party Honors Easter Visitor

By Ruby Stone
Mrs. G. H. LaPlant, Arlington, Wash., was honored with a party in the home of Mrs. W. A. Epperson recently.

Those present were Mrs. Garland Adams, Dimmitt; Mrs. Glenn Robertson, Summerfield; Mrs. Grace Robertson, Hereford; Mrs. William Moss and son, Mrs. H. O. Markley, Mrs. Red Walton, Mrs. Henry Flood, Mrs. Dale Maxwell, Mrs. Trent Downing and daughter, and Mrs. W. O. Markley, Sonia, Kathie and Levita.

Hostesses were Mrs. W. A. Epperson and Ruby Stone. Mr. and Mrs. W. O. Markley and children, Mr. and Mrs. G. H. LaPlant, spent the weekend at Lake Conchas.

O. C. Renfro visited his parents, Clyde and Bettye Renfro, recently.

Claude and Pauline Todd, Happy, and Mr. and Mrs. Sydney Ladd, Fort Worth, visited the Clyde Renfro the first part of the week.

Ollie and Mabel McMinn and Alta Johnson, Abilene, recently visited in the Clyde Renfro home.

Betty Renfro attended a party in the Ernie McFren's home Thursday morning.

Mr. and Mrs. Glen Maynard and children, Independent, Iowa, spent the first part of the week in the home of Mr. and Mrs. Charles Frye and Tracy.

Bill and Kerry Struve were in Winters Tuesday and Wednesday on business. They were accompanied by Mrs. Otter, Dimmitt.

Sherry McGowen, Dimmitt, spent Thursday night with Kita Struve and attended a skating party in Hereford.

Mr. and Mrs. Darrell Forbis and children, Louisville, Colo., spent Tuesday night in the home of Mr. and Mrs. Charles Frye.

Mrs. Bill Struve and Kita spent Tuesday night in the home of Mrs. Berniece English at Earth.

Ernest Flood and Junior, Westway, spent Sunday with his parents, the J. H. Floods.

Edwin Flood and Gayle, Amarillo, visited the J. H. Floods Wednesday morning.

Ken Wharram is the first member of the Chicago Black Hawks to win hockey's Lady Byng trophy in 19 years. Bill Mosenko won it in 1945.

AUSTIN HIGHLIGHTS

Cities To Get Lion's Share Of Solons In Newest Ruling

By Vera Sanford
Texas Press Association

AUSTIN, — U. S. Supreme Court's decision ordering both houses of state legislatures be selected on strict population basis will have a far-reaching effect on the Texas Legislature, particularly the Senate.

In the upper house, no county presently is entitled, by the Texas Constitution, to more than one senator. Lt. Gov. Preston Smith noted that under the new ruling five of the heaviest populated counties would be entitled to 12 of the 31 state senate seats, leaving 19 senators for the other 249 counties. This would create some senatorial districts 300 miles wide. Senate districts now vary from 147,454 to 1,200,000 population.

"The high court's laudable aim of equal representation for all citizens cannot be maintained in such circumstances," the lieutenant governor said. "Equality will be theoretical only. No senator could serve such a great area as adequately as three or four senators (or even one) can serve a single county."

Lt. Gov. Smith promised to ask other lieutenant governors to petition Congress for a review and "practical relief." A similar resolution may be brought before presiding officers of House of Representatives by Texas House Speaker Byron Tunnell. However, it is doubtful how Congress could intervene except by submitting a constitutional amendment spelling out authority for states to have bicameral (two-house) legislatures if they want to.

A Texas legislative committee already is at work determining how best to comply with a prior Supreme Court decision ordering congressional districts be formed on the basis of population only. Its work may be expanded to include a look at legislative districts as well.

OIL PRODUCTION — July oil will be cut back to the lowest level since March, 1963, by order of Texas Railroad Commission in response to purchasing forecasts by 13 major companies, the Commission set July maximum production at 27 percent potential, or 2,788,685 barrels daily, compared with the present 2,845,571 barrels.

Presidents of five Texas producers associations declared the decision, "regrettable," and said it would hamper attempts to get the U.S. Congress to effect a "very substantial reduction" in

oil imports. Commissioners also scheduled a July 16 hearing on the 1947 yardstick for fixing oil field allowances.

HIGHWAYS — Texas highways are now valued at \$4,500,000,000, Chairman Herbert C. Petry Jr. of the Highway Commission announced.

Petry said every effort must be made to maintain a balanced system of highways, from the farm-to-market roads to the interstate highways, to serve all sorts of traffic.

TAX REVISION — Texas Research League proposes the state's unemployment compensation tax on employers be more closely related to benefits paid former employees.

Benefit payments to unemployed have exceeded revenue for five of the last six years, a League study for Texas Employment Commission shows. However, the Texas Trust Fund from which payments are made, cannot go broke, because a surtax is imposed on all taxpayers any time the fund drops below \$225,000,000 on October 1.

League recommends extending "experience rating" of employers to lessen the threat of having a flat rate surtax applied.

SALES HIT PEAK — Issuance of permits for sale of securities in Texas reached a high peak for 1964 during May, with \$37,062,966 authorized to 58 corporations by the State Securities Board. This was the highest monthly total since November 1962, when \$42,510,619 worth of permits were granted.

TOURIST RECORD SET — Large Texas Cities attracted a majority of the record-breaking number of tourists who visited the state in 1963, Texas Highway Department reported.

Out-of-state visitors totaled 11,700,000, some 26 per cent over the previous year. They spent \$532,200,000 to show a 2.8 per cent increase over 1962.

Dallas was the stated destination of some 15.8 per cent, while 14.1 per cent were heading for Houston-Pasadena; El Paso drew 9.8 per cent and San Antonio 9.6 per cent.

Highway Department recently released this information in a colorful 16-page brochure available to the public. The booklet described results of the annual survey on the Texas Tourist Industry, and the cover depicts scenes from the states outstanding recreational areas.

SCHOOL RULING — School boards have the right to make rules about students' clothing,

State Education Commissioner J. W. Edgar ruled in an appeal against an Andrews school board policy.

Mrs. Kenneth King of Andrews made the appeal which led to the ruling. Mrs. King contended that her third grade daughter, Vickie, should wear trousers to school to protect her health.

In upholding the school board, however, Edgar advised that the policy be clarified, and that clear provisions be adopted so the clothing regulation could be suspended for a student whose doctor prescribed trousers for medical reasons.

BEEF UP — Texas Industrial Commission and the Agriculture Economics Department of Texas Tech have made a contract to study the feasibility of increasing the meat packing industry in Texas, with the hopes a solution can be found to alleviate beef import problems faced by Texas producers.

Findings will be available in the fall of 1965.

KEY — Texas Water Commission, releasing a report on untapped ground-water resources in Hardin County, said use of that water may be a key to future industrial expansion, as it has been in the heavily-industrialized Houston area.

"Geology and Ground-Water Resources of Hardin County," a free publication, says the potential there for further development is "tremendous."

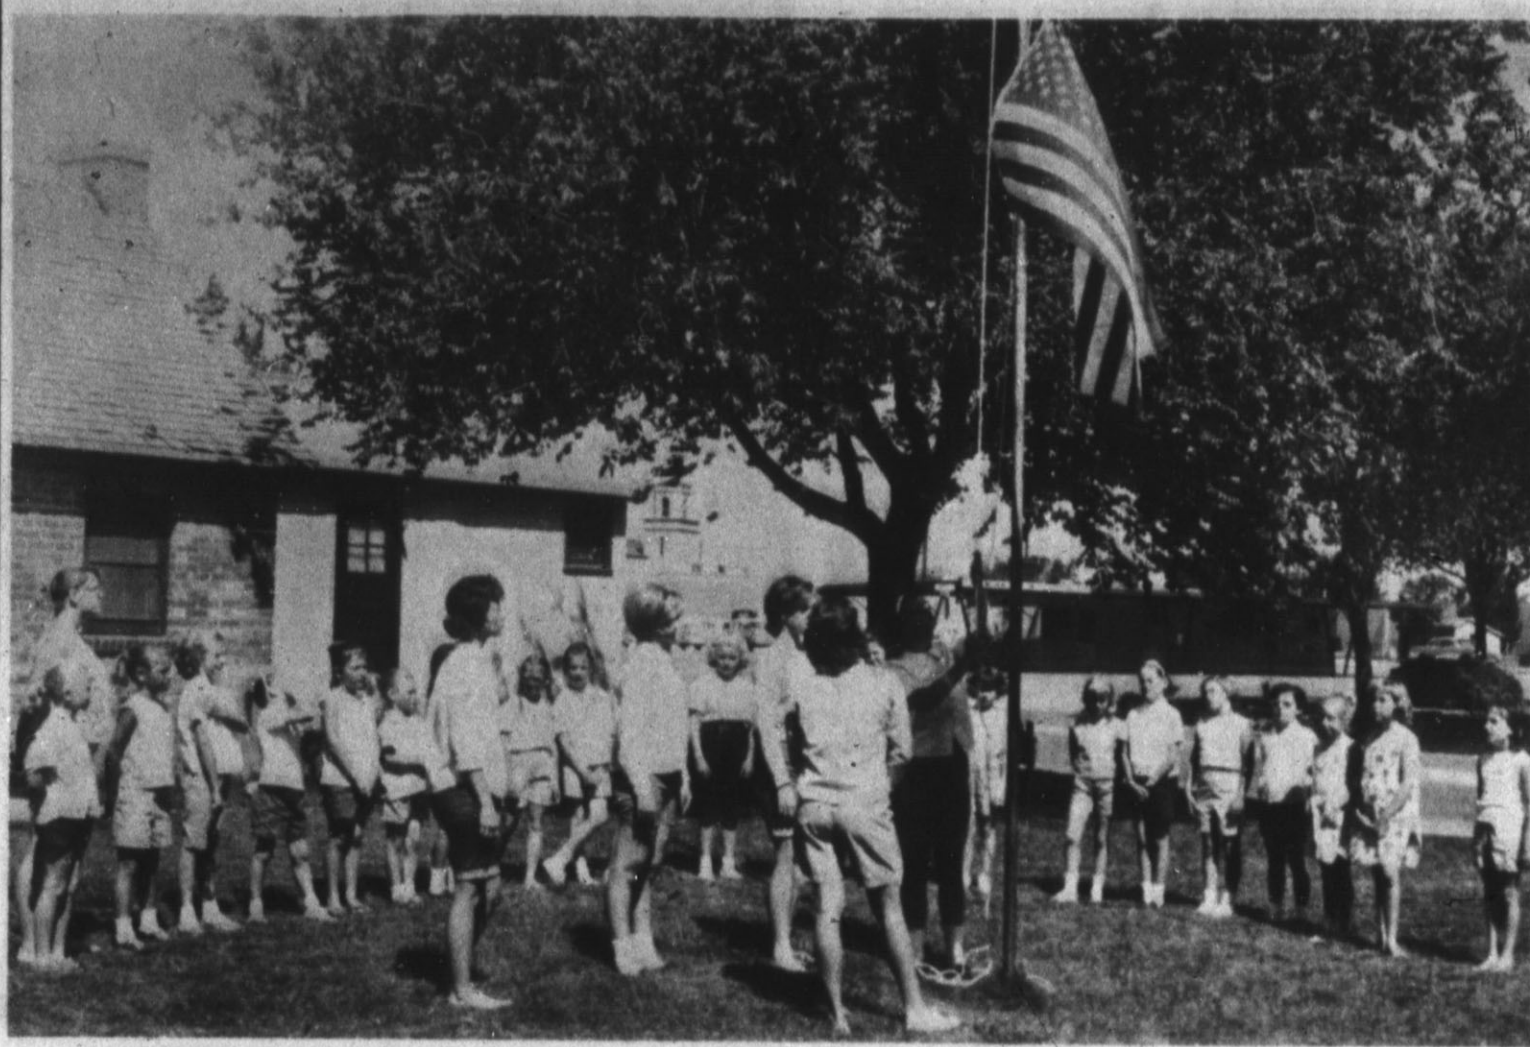

CIVIL SERVICE SCHOOLS — Austin Postmaster Oliver Bruck advised the public against paying fees to civil service schools. It costs nothing to compete in civil service examinations, he said.

There is no school operated in connection with civil service by the Federal government, and no school is given advance information which is not available to the public without cost, Bruck stressed.

SHORT SNORTS
Gov. John Connally appointed Dr. Buford M. Sanders of Tyler and Dr. Joseph R. Ordle of Fort Worth to six year terms on the State board of Chiropractic Examiners.

Texas is working on a plan to increase park acreage seven times in 35 years, according to W. M. Gosdin, assistant parks director.

Texas Water Commission reported water conservation shortage in Texas reservoirs was 63 per cent of capacity at the end of May and only Abilene and

FLAG CEREMONY — The 28 girls who participated in the Hereford Blue Bird Day Camp are shown with members of the Neeki Horizon Club at the Campfire Hut during the three-day camp recently completed. The camp was held last Thursday through Saturday.

(Brand Staff Photo)

Wichita Falls had normal rainfall during the month.

Nursing Home construction in Texas is increasing, State Department of Health reported. A total of 186 homes went under construction in 1963. By June 1 this year, 94 more were under way. Department spokesman said the needs for plush nursing home facilities have been saturated, and urged people considering construction of a nursing home to contact health authorities for guidance.

Texas Constitution Party representatives held a closed door meeting with the executive secretary to Alabama Gov. George Wallace for presidential nomination.

U. S. Bureau of Reclamation's regional director reportedly will recommend a pipeline to San Antonio from a proposed reservoir at Cuero.

A study of the recent party primaries and runoff elections reveals that the number of Republican candidates on the upcoming General Election ballot, in the grassroots area, will strengthen the evergrowing trend toward a complete two-party state.

For example, 18 Democratic nominees for sheriff will face Republican opponents in November. Also, the Republican party is

engaged in one county judge race (in Lubbock County); seven races for county attorney; two for county clerk; 12 for county tax assessor; two for county superintendent of schools; and 78 for county commissioner.

GOP also has candidates for most top state posts and for more than half of the 150 House of Representative posts. In addition George Bush will carry the Republican banner in the U. S. Senate race against incumbent Democrat Ralph W. Yarborough.

Reportedly, Connally also was given some consideration for chairman of the 1965 Governors Conference, although he is in his first term. The governors will hold their first major caucus just before the National Democratic Convention in Atlantic City, N. J., during August.

GUARD CONCERNED — Texas National Guard Association expressed concern over reports that U.S. Department of Defense would stop logistical support to the so-called "reinforcing reserve."

These units, said NGA T,

would provide a mobilization base on which the country would build its force in event of large scale war.

Texas 49th Armored and 36th Infantry divisions are both part of this "reinforcing reserve," as is the 90th Reserve Division.

MANUFACTURING PLANTS — Texas had a total of 10,325 manufacturing plants which added \$6,400,000,000 of value by processing raw materials into finished goods in 1962, according to the "Annual Survey of Manufacturers", recently released by the Bureau of Census.

Figures represent an addition of \$589,000,000 capital expenditures for new plants during a single year. Some 500,000 plant workers earned a total of \$2,700,000,000 for year, while 350,000 production workers earned \$1.6 billion.

Food processing was the largest employer with 80,239 employees. Biggest investment was made by the chemical industry, with \$167,000,000 in new capital expenditures. The petroleum refinery industry spent \$155,000,000

for plant construction and improvement.

RAILWAY AUTHORITY — U. S. Representative Henry B. Gonzales has asked support from Governor Connally, Lt. Gov. Preston Smith and House Speaker Byron Tunnell on his recently introduced bill which aims at creating a multi-state railway authority for Texas, New Mexico, Arizona and California.

Gonzales told them, "This is truly a states' rights program. States involved would jointly investigate and determine their own needs in the area of passenger rail transportation. He further stated that "In my judgment, passenger rail transportation has not been adequately developed and is not presently competitive with other modes of transportation — particularly in the Southwest."

FIRE INSURANCE — After July 1, it will be illegal for an insurance company to charge less than 6 percent interest per year on delayed premium payments for fire insurance, a new State Board of Insurance ruling decrees.

Several years ago, the board issued this same rule, but withdrew it when an objection was made by a company which charged no interest at all for deferred payments. An attorney general has held on two previous occasions that the board has no authority to set minimum interest rates on delayed payments, but Attorney General Carr has advised the board to take a new tack.

However, litigation is entirely possible on the part of insurers who would prefer to deviate from the ruling by charging less than the minimum.

APPOINTMENTS ANNOUNCED — Governor Connally named Tom Pegues of Mineola and Charles T. Wickersham of Orange to the board of directors of the Sabine River Authority. He reappointed Gus Orsborn Jr. of Emory. Appointments extend until July 6, 1965.

Col. Homer Garrison Jr. has chosen Norman V. Suarez of Austin as legal counselor for the Texas Department of Public Safety. He succeeds the late Bill Kavanaugh of Round Rock.

TRIAL PUBLICITY — Representatives of Texas' four major press associations met here with State Bar officials for the first of a series of discussions about news coverage of trials.

Texas Press Association, Texas Daily Newspaper Association, Texas Associated Press Managing Editors Association, and United Press International Managing Editors Association met here with State Bar officials for the first of a series of discussions about news coverage of trials.

Miss Janey Noland

Miss Noland Named To State Rainbow Office

Miss Janey Noland was elected to the office of Grand Treasurer of Texas Grand Assembly of the Order of Rainbow for Girls at the state meeting in San Antonio June 15-17.

This Rainbow year, just ended, Miss Noland had completed a year as Grand Nature of the Grand Assembly of Texas, an appointive office. She has served the Hereford assembly as Worthy Advisor.

A 1964 graduate of Hereford High School, Miss Noland plans to attend West Texas State University, Canyon, next year. She is the daughter of Mr. and Mrs. Mack Noland.

Westway Names New Officers

Mrs. Joe Wagoner heads the new slate of Westway Community officers elected at the June 12 meeting in the Westway Community Building.

Other officers elected were Homer Rudd, first vice-president; Wilbur Thomas, second vice-president; Mrs. John David Owen, recording secretary; Mrs. Wilbur Thomas, treasurer; Mrs. Homer Rudd, corresponding secretary; Mrs. Emmitt Johnson, reporter.

Homer Rudd presided at the business session when it was decided to postpone Westway Reunion until 1965.

A gift was presented to Mr. and Mrs. Joe Severance, who are moving to Colorado.

Mrs. Joe Wagoner, program chairman, directed the showing of a color film of the Grand Canyon.

Refreshments were served to Mr. and Mrs. Wilbur Thomas and Jeanie; Mr. and Mrs. Paul Rudd, Susan and Paul; Mr. and Mrs. Homer Rudd and girls; Mrs. Joe Wagoner and Joe Bob; Mr. and Mrs. Harold Rudd, Lynn, Patsy, and Sheri; Mr. and Mrs. Lincoln Bolin and Mart; Mr. and Mrs. Merlin Kaul, and Mrs. Bess Werner.

Also Mr. and Mrs. Clarence Sauley; Mr. and Mrs. Dick Severance and Carol; Mrs. Emmitt Johnson and Donna; and special guests, Mr. and Mrs. Carl Mately, Mrs. Homer Rudd's parents from Pinehurst, Idaho.

Bride-To-Be Honored With Kitchen Shower

Miss LaNelle Short, bride-elect of William Thurman Pierson, was honored with a late May kitchen gadget shower in the Lubbock home of Mr. Levi McGloughlin.

Serving as hostesses with Mrs. McGloughlin were Mrs. James Shepherd and Mrs. James Watt. A miniature bride and groom marked the lace-covered serving table with its appointments in crystal. Mrs. McGloughlin served coffee and individual cake squares each topped with white sugar wedding bell.

The guest list included dormitory friends of the bride-elect and co-workers with her in the purchasing office of Texas Technological College.

Guests registering were Mrs. Lynn Lowe, Mrs. Scottie George, Mrs. Jerry Don Smith, and Mrs. Connie Sides. Also Miss Linda Bowers, Miss Marsha McNutt, Miss Betty McConackie, Miss Regina Rutledge, and Miss Oleta Armstrong.

Miss Short is the daughter of Mr. and Mrs. Henry R. Short, Hereford. The young couple are planning an early August wedding.

In 1967 the Pan American Games will be held in Winnipeg.

REP. ROGERS WRITES

Congressman Discusses Effects Of The GI Bill

Twenty years ago, American GI's were consolidating their foothold in Normandy, battling north of Rome in Italy, pressing the South Pacific campaign against the Japanese. On June 22, 1944, President Roosevelt signed into law the "GI Bill of Rights," a measure approved unanimously by both houses of Congress and surely one of the most historic legislative measures ever enacted. Its impact was great millions of veterans and their families — and on our national way of life.

More than 16,500,000 Americans were eventually un- der arms in World War II. Although the war was a long

way from won in 1944, the people, their Congress, and leaders of veterans' organiza- tions recognized the need to provide a program serving as a buffer against possi- ble economic and social chaos in the post-war period.

In 1944, public opinion was near-unanimous in its support for the "Servicemen's Readjust- ment Act," as the GI Bill was formally titled. Americans could envision the prospect of a mil- lion men a month passing through separation centers and heading for home. It was ap- parent that the veterans would face an uncertain economy as in- dustry retooled to peacetime production. Could the post-war economy absorb them? It could and it did. Private industry, re- sponded to five years of pent-up

demand for consumer goods, was to convert from defense to peacetime production in a much more orderly manner than many pessimists had thought possible. And the readjustment, loan, edu- cational benefits provided by the GI Bill helped the national con- version from wartime to peace- time in ways that historians and economists have not yet fully assessed.

The education and training programs of the GI Bill cost approximately \$14.1 billion. It is estimated that veterans trained under the GI Bill, because of the increased skills and education they have attained, will return to the Treasury — in taxes — twice and perhaps three times that amount.

The GI Bill is perhaps best known for the educational benefits provided. More than 7,500,000 World War II veterans — nearly half of all those who served — took some form of training under the GI Bill. Of the total enrolled in the pro- gram, 2.2 million attended col- leges and universities; 3.5 mil- lion went to schools below col- lege level; 1.4 million partici- pated in on-the-job training; 700,000 underwent on-the-farm training.

With the Nation's high-gear economy still critically short in some areas of skills and with our unemployment problems centered on workers who are primarily unskilled, it is inter- esting to speculate whether our economic advance could have been made without the enorm- ous reservoir of manpower trained under the GI Bill.

By categories, the United States gained 450,000 engineers; 180,000 doctors, dentists, and nurses; 360,000 school teachers; 150,000 scientists; 107,000 law- yers; 243,000 accountants; 36,000 clergymen of all faiths; 711,000 mechanics; 383,000 construc- tion workers; 288,000 metal- workers; 138,000 electricians and 700,000 who trained for business and executive careers.

One out of every five single-family houses built in the United States since the end of World War II has been financed by the GI loan program for either World War II or Korean War veter- ans.

Of the 28 million home-owner properties in the country, 16 mil- lion are mortgaged properties and about 22 percent are financ- ed with Veterans Administration GI loans. In all, more than 5,268,000 GI loans were made to World War II veterans to pur- chase homes, farms, or busi- nesses — and the record of re- payment has been excellent. The GI loan program made a vi-

There is a new method of ap- plying ammonia to wheat ap- plication. It is called plowdown application of ammonia. The deep breaking plows are rigged so that ammonia is applied when the wheat stubble is plowed un- der. This method offers several advantages. It saves one trip across the field. It distributes the ammonia over more soil area. It places the ammonia with the wheat stubble.

Anhydrous ammonia can be chiseled into the sides of the old beds prior to plowing or disking. It may be easier to do this than to apply ammonia after the stub- ble is incorporated.

A satisfactory method of ap- plying anhydrous ammonia af- ter land is plowed or disked is on 20 inch centers while the land is flat or in the sides of the bed with chisels on 20 inch centers. Liquid, 7-21-0 or 8-24-0 can be applied with the ammonia. Both of these methods are the ones most commonly used.

Rates of nitrogen to use for wheat will vary. For non-grazed wheat, general recommendations would be 80 pounds N following cotton, 100 pounds N following maize and 120 pounds N follow- ing wheat. For wheat that is to be grazed, increase these rates by 20 pounds N and plan to top- dress 40 to 60 pounds N in late winter next year.

Source of phosphorus is not as critical on wheat as on row crops. Any of the ammonium phosphates — 8-24-0, 7-21-0, 11-48-0, or 21-53-0 — or either of the calcium phosphates — 0-20-0 or 0-46-0 — should be satisfactory. The liquids can be applied with the ammonia on 20 inch centers for good results. The dry phos- phorus sources are suitable for broadcast applications. Rate of phosphorus to use per acre would be about 40 pounds P205 on heavy textured soils and 60 pounds P205 on light textured soils. Actual need should be de- termined by soil test.

sulphur should also be ap- plied where needed prior to plowing or disking wheat land. By incorporating the sulphur, oxida- tion and breakdown of the sulphur will start and will be more rapid during the period of high soil temperatures.

tal contribution to home-owner- ship in this country.

The GI Bill is a historic ex- ample of long-range planning in the national interest.
WALTER ROGERS
MEMBER OF CONGRESS
18TH DISTRICT OF TEXAS

Austin Highlights

(Continued from page 10)

ing Editors Association partici- pated.
Talbot Rain of Dallas served as chairman of the panel.
Future conference on the sub- ject will be conducted for radio and television broadcasters and law enforcement officials.

COURT CASE ARGUED — The State of Texas has asked the Texas Supreme Court to re- consider its decision that the Sunday closing law does not pre- vent customers buying any ar- ticle of merchandise on Sunday if they sign emergency certifi- cates.

EMPLOYMENT PICTURE — Texas Employment Commission reports that in April total un- employment declined for the third straight month some 39,000 jobholders increased the em- ployment total to 3,590,700.
Farm employment rose 17,800 to reach 300,700 by mid April as seasonal workers were hired to plant a variety of row crops. This brought the total of season- al workers to 105,800, or 3,500 more than at this time in 1963.

SHORT SNOOTZ
The State Board of Education voted to extend to one year the State's sixmonth program to combat school dropouts. . . . Twenty one of the 2,500 elderly persons who have signed up for "Texas 65" health insurance cov- erage so far this month are over age 80. . . . Texas Good Roads Association announced David D. Ford of Austin is its new manager. He succeeds Cal- lan Graham, who was TGRA executive vice president.

Clint C. Small Jr. of Austin is the newly-elected president- elect of the State Bar Associa- tion.

Mrs. Anderson, R. F. Boyd Wed

Former Hereford resident, Ronnie Francis Boyd and Mrs. Shirley J. Anderson were married Thursday evening, June 4, in the home of Dr. William C. Ghormley, officiant of the Church of Jesus Christ of Latter Day Saints, Corpus Christi. Only immediate families of the bride and groom and close friends were present for the ceremony.

Boyd is the son of Mr. and Mrs. Robert Boyd, 122 Higgins St. Mrs. Anderson is secretary-receptionist for Dr. Ghormley. The bride wore a street-length gown of light blue brocaded satin with white accessories. Her shoulder length veil was caught to a crown of white satin, and she carried a bouquet of white carnations.

A graduate of Hereford High School, Boyd attended the University of Tulsa, where he was on the football team. He was in the U. S. Armed Services two years, serving part of his tour of duty in Germany. He is now associated with South Texas Linen Service, Corpus Christi.

Among guests at the wedding were the groom's mother and father, the Robert Boyds, Hereford; Mr. and Mrs. Franklin Boyd, Norman, Okla.; the groom's sisters, Mrs. Clayton Brown and Mrs. Ernest Adams, and their families — all of Corpus Christi.

The bride's honor attendant was her sister, Mrs. June Johnson. Best man was Franklin Boyd, brother of the groom.

Traditional wedding music and the vocal solo "Because" formed the musical setting of the wedding.

Dinner Held For Church Group

For her daughter's wedding, Mrs. Moore, Corpus Christi, chose an orchid silk dress with white hat and accessories. The groom's mother wore a two-piece suit dress of light green nylon with white accessories. They wore white carnation corsages.

Following the wedding, an informal reception was held in Dr. Ghormley's home. The newlyweds are now at home at 4426

A progressive dinner was held for the Intermediates and Young People of Temple Baptist Church Saturday evening. The group met at the church fellowship hall for appetizers, served by Mrs. Bill Cocanougher.

The Rev. Bill Ware then brought a devotional on Christian Service for Young People. From the church the group went to Mrs. D. W. Allmon's home, 514 Blevins St., for salad. Then they hiked to the home of Bill Wares, 339 Star St., for fried chicken, potatoes, rolls and ice tea. Their last stop was at the Bill Lamm home, 503 Avenue J, for homemade ice cream and an inspirational movie.

State Officers Of IOOF Hold Area Meetings

Present were these teachers of Intermediates and Young People: Mrs. Bill Cocanougher, Mrs. Holland Cook, Mrs. Bill Wells, Mrs. D. W. Allmon, Charlie Callaway, and Vernon Inman.

Those attending were Elaine Kelly, Carolyn Gorgin, Becky Long, Sheila Smith, Sharon Lamm, Shirley Simpson, Patsy Stone, Mike Horton, Darrell Sparks, Paul Hunter, and Brice Hunter.

Those attending were Elaine Kelly, Carolyn Gorgin, Becky Long, Sheila Smith, Sharon Lamm, Shirley Simpson, Patsy Stone, Mike Horton, Darrell Sparks, Paul Hunter, and Brice Hunter.

Hereford Club Group Attend Garden Meet

Members of both organizations held initiation of new members, with initiating teams being chosen from different lodges of the area. Serving from Hereford on their respective teams were A. R. Rogers and Sam Smith and Mrs. A. R. Rogers, all honor guards.

Among dignitaries introduced was Hereford's Ben Conklin, Grand Patriarch, Retired.

Attending from the Hereford lodges were Mr. and Mrs. Sam Smith, Mr. and Mrs. A. R. Rogers, Ben Conklin, Archie Love, E. E. Bishop, all of Hereford; Mr. and Mrs. Floyd E. Houston, Earth; Frank Snyder, H. V. Snyder, and Mr. and Mrs. Tom Berry, all of Muleshoe; and Mr. and Mrs. E. L. Cannon from Houston Lodge but now living in Hereford.

Four Hereford Garden Club members attended "Around the World a la Carte," progressive luncheon given by Paramount Terrace Garden Club in Amarillo Thursday afternoon.

Representing the Hereford club were Mrs. S. S. Williams, 139 Avenue B, club president; Mrs. John N. Jacobsen, Jr., 209 East Sixth; Mrs. C. D. Kelton, 507 Jackson St.; and Mrs. Audrey Thompson, 208 Avenue E.

Three Amarillo homes and gardens were visited: Italian appetizers were served at the home of Mrs. W. H. Curtis, 2203 Larry; India entree at the home of Mrs. Dick McGuire, 2006 Van Buren; and pastries from France in the home of Mrs. Ray Biggs, 3810 Linda.

Hereford Group Goes to Amarillo

Honor Texas L.A.P.M. President, Lady Alethia Loeckle, Hereford Patriarchs Militant Canton and Auxiliary No. 36 and Amarillo's Palo Duro Patriarchs Militant Canton and Auxiliary No. 38 joined as dinner hosts for the June 11 meeting in Amarillo I.O.O.F. Hall.

President Lady Loeckle gave her program for Texas auxiliaries for 1964 and complimented the canton guard composed of Hereford and Amarillo members.

Hereford members enjoyed this unusual money-making venture of the Amarillo club. As to garden effects, they remarked upon the blooming Century Plant at the home of Mrs. Biggs.

Attending from Hereford were Captain Sam Smith; Ben Conklin, Brigadier General, Retired; A. R. Rogers, Captain Retired; Lady Ruth Rogers, P. P.; Lady Mae Smith; Lady President ton L.A.P.M. No. 13, and Lady Ada Hollabaugh.

Patriarch's Militant Canton and Auxiliary No. 36 of Hereford were guests June 5 of the Amarillo Palo Duro Canton and Auxiliary No. 38.

Drill practice was held and arrangements made for the visit of President of L.A.P.M. of Texas, Lady Alethia Loeckle on June 11 in Amarillo.

Attending from Hereford were Captain Sam Smith; A. R. Rogers, captain, retired; Chevalier Floyd Houston; Lady Mae Smith, Lady Ada Hollabaugh, Lady Annie Mae Houston, and Lady Ruth Rogers, past president.

Licorice grows wild along roadsides of Aleppo, Syria's largest city. The dried roots of the perennial plant are processed into extracts for the black candy sticks and for industrial uses.
