Expect 1500 For Annual REA Meeting

Between 1,000 and 1,500 persons are expected to attend the annual meeting of members of the Deaf Smith County Rural Electric Cooperative. The meet-

ing will open at noon Thursday, April 25, with a free barbecue prepared and served by the Hereford Rotary Club.

There will be two innovations during the program, one entertaining and one profitable. Because there will be no state "Miss REA" contest this year, the local cooperative will not sponsor a beauty contest.

However, high schools in the area will have musical and vocal talent groups and individuals competing in a contest. Entries already have been received from Hereford, Farwell and Dimmitt with other entrants expected to sign up Thursday.

Patronage refund checks will be handed out during the meeting to members who were receiving services in 1951. Checks will be mailed to those not present for the meeting.

This is the first time such payment has been made, although some refunds were issued in 1956. About \$90,000 will be distributed to the eligible members. It is planned that such patronage refund checks will be issued each year.

The board has authorized the payment of 1952 patronage refund checks totalling about \$105,000, but they will not be mailed out until later in the year.

Sloan H. Osborn of Friona, president of the board, will call the meeting to order at 1 p. m. in the Hereford Bull Barn. Leo Forrest, general manager, will give an operating report.

Attorney Earnest Langley will supervise the election of two directors. Joe Berkenfeld, now serving, and Lawrence Ackers have been nominated from the Nazareth area. Nominated from the Deaf Smith area are A. T. Frye, a present board member, and R. T. Steward. Nominations also may be made from the floor.

A drawing for door prizes will end the meeting.

ONE WAS INJURED as a 1952 model two-door sedan went out of control and overturned on a country road in the Labor Camp about 4:30 p.m. Monday. Injured in the accident was the 38-year old wife of the driver, Mrs. Gregorio Cesneraz, 34. She was thrown from the vehicle. It was reported by Highway Patrol Officers that Cesneraz and the driver of a second vehicle, Pablo Salazar, 29, were racing. Both were ticketed for the violation. Mrs. Cesneraz was released from Deaf Smith County Hospital on Wednesday, according to a spokesman. (Staff Photo)

Around Town

BY H. A. TUCK

I've held off as long as I can, so here goes a weather prediction: It will continue dry for at least the next week and possibly as long as 10 days in this area. And I sincerely hope you have to put this issue of the Brand into the oven to dry off before you can read it!

The Rev. B. L. Davis, pastor of the First Baptist Church, will talk on his recent trip to the Philippines and Japan on Sunday morning, April 28, at 11 a. m. At the 7:30 p. m. service, he will show slides made during the trip. Mrs. Davis, who accompanied him, probably will sit on the back row and shake her head at his errors. At least that's what happens to me when I talk about the journey my wife and I made overseas.

Mr. and Mrs. Joe Praetold will be honored with a reception marking their 50th wedding anniversary Sunday, April 28. It will be held in the St. Anthony's School auditorium and all their friends are invited to attend.

Veterans of Foreign Wars Boy Waderbrook Post 4815 will sponsor a magazine subscription drive here with proceeds used to purchase stock-room supplies for free use by county residents. The sale is endorsed by Post Commander E. N. Johnson.

There will be a dance for Elks and their guests on Saturday, April 27, at 9 p. m. in the Elks Lodge. Tommy Weemes and his band will play.

All Little League coaches, managers and others interested (that last means all those dads who say, "I can't get off to coach, but I'll sure be glad to do whatever I can") are asked to be at Little League Park at 1:30 p. m. Saturday, April 27, to work on the two fields. It probably would be a good idea to bring along some tools such as shovels, rakes, hoes, pitch and work gloves.

The Order of Eastern Star will entertain Hereford Masons and their wives with a fish dinner on Thursday, April 25, in the Lodge Hall. The dinner will start at 6 p. m.

There will be a Community Meeting at Dawn School House on Friday, April 26, starting at 8 p. m. A representative of the county ASC office will be on hand to discuss the upcoming wheat. (Continued on page 5)

Short Term Of District Court Held Tuesday

Two men entered pleas of guilty to charges and the probation of another was revoked as a short session of 69th District Court was held here Tuesday. Judge Harry Schultz presided.

As the court convened, a sanity hearing was held in regard to Ronald Trisler, 24, of Plainview. A jury declared the suspect incapable of assisting his attorney in preparing a case for his defense.

The state did not contest the hearing concerning the present sanity of the defendant.

Pleading guilty to charges were Santos Galvan, 38, 317 Ave. E, DWI, second offense and Bobby L. Horn, 23, Friona, forgery. Both men were sentenced to three years in the penitentiary.

In a hearing calling for the revocation of the probation of George Simmons, the district judge ordered the probated three-year sentence revoked. Simmons, 17, of Dimmitt, was arrested as a suspect in the Troy Moore Farmer Drive - In burglary.

NAME SUGGESTIONS SOUGHT

Elect Officers For Junior Stock Show Organization

A new corporation was formed at a three-hour meeting Monday night to carry on the junior livestock show in Hereford. Officers were elected for the group and by-laws were read and adopted.

Named as president of the corporation was Colby Conright, C. Palmer Norton will

serve as vice president; Paul Coneway as treasurer and Bill Thompson as secretary. Elected as ex-officio directors were Jess Robinson, vocational agricultural instructor at Hereford High School; Lefty Thomas, county agricultural agent; and Bill Thompson, manager of the Deaf Smith County Chamber of Commerce.

The meeting was held in the Chamber office. The by-laws were adopted after a detailed examination of a suggested set of regulations. They are complete except for the adoption of an official name for the show and the association.

Nazareth Game On Friday; Lobos Blast Herd, 15-1

Hereford will go to Nazareth Friday for a 4 p. m. game. It will be the second meeting of the two clubs, who enjoy a spirited non-conference diamond rivalry. Hereford took a narrow, one-run lead in their first meeting this year.

The Whitefaces got slammed hard in Levelland Tuesday. Outside of one run and four hits, the Herd was blanked by the Lobos, who raced to a 15-1 decision and took over second place in District 1-AAA.

Ronny Duncan slammed a homer for the Herd in the top of the first inning for the team's only score. Ragged play gave the Lobos a lot of undeserved runs as 12 errors were charged to the Whitefaces.

The Lobos picked up one run in the first on two hits and one error. Both teams were blanked in the second. But Levelland came alive for six runs on three hits and three errors in the third. Hereford got two runners on in the third, the last time they left men on base during the game.

Levelland tacked on four more runs in the fourth and four again in the fifth to win easily.

Frank Cain was the losing pitcher. He was relieved by Gary Kendrick in the third with Danny Loerwald coming on in the fourth. Ted Warren picked up the win with Byron Culppeper taking over in the seventh.

Newspapers in Deaf Smith, Castro, Farmer and Oldham Counties will sponsor public contests to suggest names for the show and association. In addition, the association itself will offer a \$10 cash prize for the best name suggested by a member of a 4-H Club or FFA Chapter in the four counties served by the show.

Names submitted should be mailed to Post Office Box 192, Hereford. Consideration will be given to originality. (Continued on page 5)

HHS Choirs To 'Say It With Music' Thursday

"Say It With Music," say members of the Hereford High School choirs as they announce their annual spring concert set for Thursday evening.

All high school choirs will join in the concert on Thursday, April 25, beginning at 7:30 p. m. in the high school auditorium.

Proceeds from the concert will be used to send the mixed choir to Corpus Christi to compete in the Buccaneer Music Festival in May.

Performing during the program will be the Mixed Choir, the Girls Choir, and the Boys Choir. Two popular ensembles will also "Say It With Music". Appearing will be the Girls Quartet and the Highlanders, a male trio.

Highlight of the program will (Continued on page 5)

Kidnap Suspect Found Insane

Ronald Trisler, accused kidnapper, was declared mentally incapable of contributing to his own defense as a jury returned its verdict in a sanity hearing held here Tuesday in 69th District County. Judge Harry Schultz presiding.

In a hearing which was not contested by the state, the defense was contending the 23-year old Plainview man was not capable of contributing to his own defense.

Trisler is under grand jury indictment for the alleged armed robbery and kidnapping of the Jack Nunley family here on March 1.

As the hearing was opened following selection of six men and six women to serve on the jury, it was pointed out that the question to be decided was the present sanity of the suspect. Both Bill Hunter, district attorney, and Joe Cox, Plainview, defense attorney, concurred on this point.

The district court was convened for the hearing shortly after 10 a. m. Tuesday. The verdict of the jury was returned at 12:10 p. m.

Confidence Vote Given Co. Agent

County agricultural agent Lefty Thomas was given a vote of confidence Monday by the Deaf Smith County Commission.

The unanimous vote of appreciation and confidence came after two sessions attended by interested citizens during the day. About 30 persons were present during the morning and about 12 during the afternoon

before the motion was introduced and approved.

Rumors and allegations, which were discussed during the meetings, appeared to have stirred up the controversy. Citizens who attended the meetings said they were present to offer unsolicited support for Thomas, who has been county (Continued on page 5)

A special meeting will be held here today as five agricultural experts discuss the issues involved in the upcoming wheat referendum slated to be held on May 21. The meeting is being held in Hereford Community Center and will begin at 9 a.m. and continue until 3 p.m. All wheat farmers in a four county area are being urged to attend!

At the meeting, extension service personnel will discuss the full details of the program which wheat producers throughout the nation may either accept or reject. It has been pointed out by the Texas Extension Service that the five men will present only facts concerning the proposed wheat program.

However, the extension service recognizes that a great deal of controversy has been stirred up by the proposal to come before the nation's wheat producers in the May 21 election.

Appearing on the program will be W. W. Grisham, district agent; R. J. Mears, extension agronomist; Tom Aaron, grain marketing agent; G. H. Bates, farm management specialist, and James Kirby, extension economist. All are official agents of the Texas Agricultural Extension Service.

The five agents will be discussing the possibilities and details of the proposal as well as what could probably happen if farmers voting in the referendum either rejected or approved the program.

Producers in a four-county area including Deaf Smith, Farmer, Castro and Oldham Counties are being urged to attend the special meeting.

Also to be outlined in discussions relating to the proposal is the present wheat situation, alternatives of the referendum, and the short and long term effects which the program will have.

In announcing that the meeting, statistics concerning production, marketing and exportation of wheat were pointed out by the extension service.

For 1962, the announcement stated, approximately half of the Texas wheat acreage allotment was assigned to counties in the Panhandle area.

Value of wheat production for the state during the year was placed at \$89 million with the average value of production for the 1951-60 period placed at \$74 million.

In addition, grazing of wheat during the winter has added additional millions of dollars to farm income annually. Wheat production, therefore, is big business in the Panhandle.

On a nation-wide basis, the statement continued, wheat has caused problems for many years. The surplus problem, has increased despite acreage controls. Per acre yields have climbed while domestic consumption has remained static.

Exports of the crop, it was pointed out, have also been erratic and depend largely on financial assistance from the government.

Figures place the annual carry-over at 1.3 billion bushels, more than a full year's production, it was stated.

The extension service statement pointed out that the supply control emphasized in the 1964 program is not a new concept.

In the past, only one factor - land - was controlled in the production of the crop but (Continued on page 5)

Final Sabin Day Draws 1600 For Polio Protection

As the final Sabin Oral Vaccine clinic was held here Sunday, 1614 Deaf Smith County residents received make-up doses of the oral polio vaccine.

The four clinics held here beginning in December have been considered "highly successful" by Hereford physicians and Junior Chamber of Commerce, the groups jointly sponsoring the mass inoculation program.

In an open letter from Jaycees, they expressed their appreciation to the groups voluntarily participating in the Sabin Oral Sunday clinics.

"The Hereford Junior Chamber would like to thank all persons and organizations who assisted in the administration of the Sabin Oral Vaccine at the four clinics held in Hereford," the letter stated.

"Assisting the Hereford Jaycees and local physicians in these clinics were the Deaf Smith Red Cross, local pharmacists, nurses, La Madre Mia Study Club, and individual volunteers.

"Through the efforts of these people the Sabin Oral Clinics were very successful," the letter concluded.

At the final clinic, Deaf Smith County residents made-up for doses of oral vaccine which they missed during clinics administering Type I, Type II, and Type III of the vaccine.

Young Suspect Sent To State Training School

A 16-year-old Hereford youth was remanded to the state training school following a hearing Monday in juvenile court, Judge H. C. Williams presiding.

The youth was alleged to have been involved in the burglary of the Troy Moore Farmer Drive - In service station here recently.

Alleged to have burglarized the station, the youth and a companion, George B. Simmons, 17, of Dimmitt, were arrested for the offense as Hereford Police Department officers followed a lead supplied by three traffic tickets.

With the arrest of the pair and a companion, officers began an investigation which involved several other youths in offenses.

As the arrests came, other burglaries and thefts were cleared.

Simmons, in a hearing in 69th District Court held Tuesday, had his three year probated sentence revoked.

Charges are pending against a companion of the two youths involving the driving of a late model automobile without the owner's consent.

He was not involved in the service station break-in.

Announce Player Rosters For Little League Minors

Rosters of eight minor Little League baseball teams were announced Wednesday afternoon to climax a full week of try-outs for the 12 teams that comprise the Hereford Little League program. Players for the four major league squads had been announced earlier.

League president Ted Higgins announced that the minor leagues would play 18 game schedules with two games scheduled each Monday, Tuesday, Thursday and Friday during the season. Each team will play half of its games in Little League Park and half of them on the field south of Little League Park.

The minors will open their

schedule on May 6, concurrent with the major leagues. Following are the team rosters:

Athletics, coached by Bruce Wiggins: Mike Brumley, Gary Riddle, Joe Wiggins, Kevin Patton, Alan Cornelius, Jay Hoffman, Mike Albiar, Charles Cosgrove, Roy Fincher, Edward Wiggins, Edward Scott, Ismael Urias, Tommy Pool, Bobby Albright, Howard Livesay, Phillip Penins, Jerry Sparks, Cecil Brown, Louis Aven and Dare Wiggins.

# Garden Beautiful Club Holds Guest Day Tea

Members of the Garden Beautiful Club entertained their guests on Friday, April 19, at the Community Center with a Guest Day Tea, which is an annual affair. Special guests were members of the Hereford Garden Club.

Mrs. J. Howard Walker, president, welcomed the guests and introduced Mr. and Mrs. Bill Lankford, who entertained the guests with a demonstration of flower arranging. They presented each person with a booklet, "Living with Flowers."

Lankford made arrangements from both artificial and live flowers. He made a tall vertical arrangement with white artificial flowers in a blue glass container suitable for use in an entrance hall. A way to

make an epergne by grouping several pieces of crystal and using short-stemmed flowers was demonstrated.

He arranged pink roses and snapdragons appropriate for tea tables, demonstrated the method used in making a shadow box containing artificial fruit and nuts, and made a kitchen table arrangement of Dutch iris, daisies, and fern.

An artificial arrangement of tangerine dahlias and snapdragons was used to demonstrate the "crescent line" in arranging flowers.

For a patio table decoration he suggested using white carnations in a tall glass container filled with colored water. This was topped with an artificial cherry and completed with so-

a tea table covered with a white linen cut-work cloth. The centerpiece was made of iris, lilacs, tulips, and other spring flowers.

Hostesses for the tea were Mesdames V. O. Hemmen, Bruce Burney, Ray Cowser, and J. Howard Walker.

Guests were Mesdames N. D. Bartlett Jr., Wes Owen, J. B. Noland, Norman E. Moore, Gid Brown, W. D. Williams, T. E. Siegler, E. W. Dettmann, R. B. Miller, Lewis Etheridge, O. G. Hill Sr., A. L. Manjoet, John P. Robinson, Wylie Quattlebaum, Jack G. Allen, C. E. Leasure Jr., Ray Conaway, R. L. Williams, E. T. Hale, S. S. Williams, Dick Barnard, John Jacobson Jr., and Mary A. Walker of La Vita, Col.

Members present were Mesdames Charles Hood, Homer Newton, Verna Lyons, Ray Cowser, Mary E. Siegler, Lloyd Pool, B. E. Roberson, G. P. Owen, Robert Veigel, W. Jesse Stanford, Roy V. Smith, Ansel "Dow" Wayne Edwards, Helen Pipkin, and Leo Witkow-

## Garden Club Receives State-Wide Honors

At the meeting of the Hereford Garden Club on Friday, April 12, it was announced that the club had received an advanced rating in the state. The yearbook received third place in state judging and the club was awarded an honorable mention in the field of international relationships. Mrs. O. G. Hill Sr., whose name was submitted because of her contributions to her community, received third place in the area of individual international relationships.

Art elements in flower arrangements was the subject for the program presented by Mrs. O. G. Hill Sr. Her material was taken from the book, "The Art of Flower and Foliage Arrangement," by Ann Hong Rutt. Mrs. Robert Veigel presented an arrangement in rhythm and Mrs. J. V. Pickens an arrangement demonstrating dominance. Mrs. M. T. Rutter judged the arrangements and reviewed the first part of Ann Hong Rutt's book.

## Wyche HD Club Has Discussion Of Dental Care

The Wyche Home Demonstration Club met recently in the home of Mrs. Ross White. Mrs. H. L. Ward presided over the meeting.

A discussion of the care of the gums and teeth was led by Dr. Joe Whitley. He described proper brushing and treatment. The effects of certain foods on the teeth when brushing does not immediately follow also was demonstrated.

Members present at the meeting were Mesdames E. C. Hewitt, Norman Hodges, C. R. Dameron, H. L. Ward, H. R. Short, Don Crooks, Roy Botkin, C. F. Newsom, and Ross White.

## Women Golfers Plan For Scotch Foursome Play

Meeting Tuesday, April 16, at the Hereford Country Club for its regular luncheon and business meeting was the Women's Golf Association.

During the meeting, presided over by Mrs. Ola Trimble, plans were completed for the Scotch foursome to be held on Sunday, April 28, beginning at 3 p. m. at the golf course. Everyone participating will bring a covered dish.

The couple's tournament, which will begin May 1, will be Scotch also.

Mrs. Trimble was presented with a golf ball as a result of the last Play Day. Betty Lookingbill and Nita Roberson were welcomed as new members.

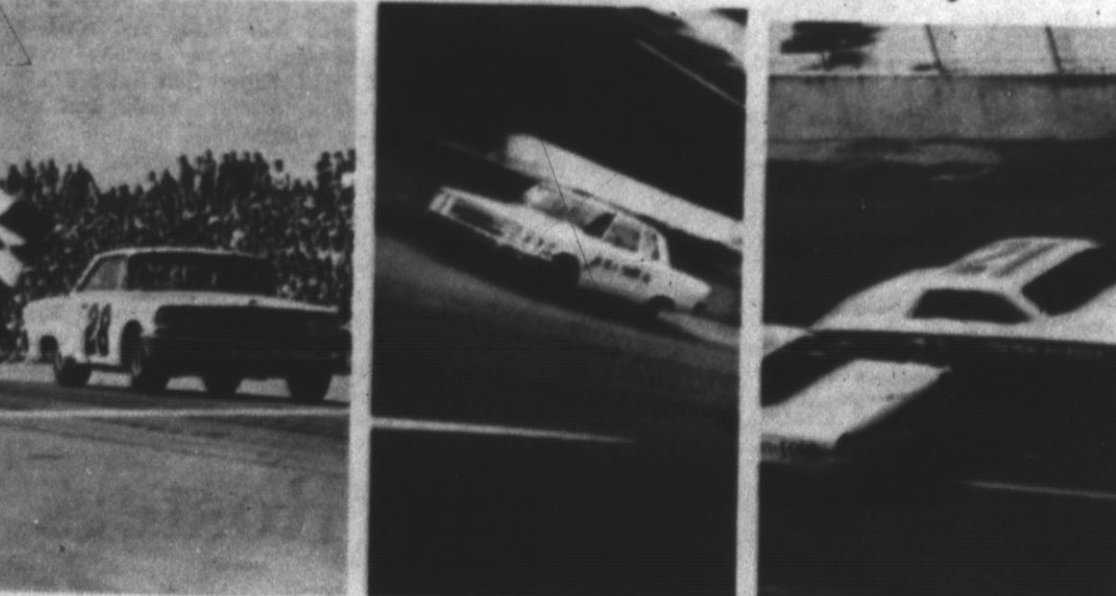

The next meeting will be on May 2 with Mrs. Norman Hodges. Mrs. Argen Draper will present a program on tornado safety rules.

### By Audri Miller

Well, this has been quite a week — not a quiet week! First of all, this writer was rather disturbed when her column of notes appeared not in the Thursday Brand, but in the Sunday Brand — and then, the dates had not been altered in consideration of the delay, so the column went before the reading public "all at up" (this last phrase, according to teenagers, means "in the worst condition known to man"). Woe. But there is always another column and likewise, another chance. So — (accompanied by the sounds of trumpets, and drums) — away we go!

This last weekend was one of contest and conventions — Key Club's began an active schedule on Wednesday, April 17, when they presented an impressive assembly program emphasizing the American Way — patriotism and democracy — as well as youth's responsibility to God and Country. These boys received compliments for both the content of the program and the manner in which it was presented.

And at approximately three o'clock last Friday morning, April 19, 12 Key Club members, including Jackie Andrews, Wayne Edwards, David Block, Earl Dean, Jackson, Alfred Davis, Buz Gillingham, Terry Caviness,

happy travelers figuratively "winged" their way homeward on Sunday.

And still more about wayfarers! Hereford High's golf team, the members of which are Bob Reinauer, Dick Combs, Jim Owen, and Tommy Powell, went to Odessa on Thursday, April 18, in order to prepare for the competition they faced in the Regional University Interscholastic League Meet on Friday and Saturday, April 19 - 20.

Hereford High's remaining U. I. L. entrants (with the exception of Wain Miller, who was instructed to be present at the Distributive Education Club's Banquet on Friday night — and for a very good reason: he was named "D. E. Student of the Year") departed for Odessa at 12:20 p. m. on Friday.

Finally, after entering various contests — all of which the competitors — the end results were: Pat Ranspot, fourth in Shorthand; Janie McBroom, third in Ready Writing; Kaki Barnard, third in Extemporaneous Speaking; Charles Mims, first in Number Sense; Ronnie Welty, second in High Hurdles; Charles Kelly, sixth in Low Hurdles; Manuel Pacheco, sixth in Mile Run; Wain Miller (who arrived in Odessa at 5:00 Saturday morning — weary), second in News Writing, third in Editorial Writing, and fifth in Feature Writing, and Yours Truly, fourth in News Writing, fourth in Feature Writing, and fifth in Headlining (fourth and fifth honors seem relatively unimpressive, but there were 40 contestants participating in the five-phase, four-hour contest — and this writer feels very inexperienced in all five categories — especially Headlining, which the Prominent News Editor attempted to teach her in three short sessions!)

Winners Charles Mims and Ronnie Welty are now qualified to enter state U. I. L. competition to be conducted in Austin during the weekend of May 4.

Accompanying the Odessa group were Mrs. James Howell, HHS business and journalism instructor; Mr. David Patterson, mathematics instructor in Hereford High School; and Coaches Jesse Gerron, W. H. Kitchens, and James Williams.

Here they're! Bob Huckert, HHS

Don Roberson, Gary Stagner, and Ronnie Gray, and sponsors Robert Thompson (Hereford High's kind gentleman counselor), and Kiwanians Bill Patton and M. D. Waddill (you will remember that the Hereford Kiwanis Club "fathers" the Key Club) began their journey to San Antonio. There in the Alamo City they attended the Texas - Oklahoma District Convention of Key Club International, Headquarters for the meetings (which were in progress from Friday-night until Sunday morning) were in the Gunter Hotel. This group of convention goers returned to Hereford in the wee hours of Monday morning.

Hereford High delegates to the Future Homemakers of America State Meeting in Dallas last weekend were State Home-maker Degree recipients Louise Axe, Janis Higgins, Kathleen Kuper, and Royce Ann Gilliland, "high point" girls Deedee Thomas, Lou Ann Witkowski, Mary Lynn Gibson, and Phyllis Warrick (the latter two represented the Stanton Junior High FHA Chapter), Area I FHA President Kathy Boston, and incoming HHS chapter presidents Linda Tooley and Carolyn Aven.

The girls and their chaperones, Mrs. Frank Prossell, Mrs. J. J. Durham, Mrs. Martha Sullivan, Mrs. Leroy Aven, Mrs. T. B. Thomas and Mrs. J. T. Gilbreath Jr., stayed in the Holiday Inn Central. By the way, exchange students, Heather Gordon and Frank Hergert were along, too, and Frank was the only boy among 4,000 girls. While in Big D, the FHA'ers visited Six Flags Over Texas, enjoyed a shopping expedition at Neiman Marcus, and dined at one of the famous Howard Johnson restaurants. State Home-maker Degrees were conferred during a formal ceremony on Friday night, with business sessions being conducted all day Friday, as well as Saturday morning. The

senior, is the justly proud owner of a brand new 1963 Chevrolet Impala Sport Coupe!! It is metallic blue in color (yum, yum!), and is equipped with four-speed stick shift! Adults are wondering why members of the high school set "crave" stick shift when the automatic "style" is so easily available — one of the reasons for this reversed inclination is that stick shift takes the monotony out of driving! Now really, that's not so ridiculous! So here's wishing many many days of happy motoring to Bob and his auto with stick shift!

Sincere congratulations to Shari Jo Carmichael whose sketch was among the 40 selected to be duplicated in stone and placed at the entrance of the new symphonic drama theatre in Palo Duro State Park. This senior's winning entry, representing Deaf Smith County, featured symbols of the county's was recognized during the formal dedication last Sunday in Palo Duro Canyon. Surely no one is more deserving of this honor than Shari Jo, an "artistic soul," who has used her talent in many ways beneficial to the school and to the community. Once again, heartfelt congratulations!

Jan Story, Hereford Lions Club Sweetheart, and her mother, Mrs. Joe Story were among those attending the District 27-1 Lions Club Convention in Shamrock on Thursday, Friday, and Saturday, Apr. 18 - 20. Jan participated in activities planned especially for the sweethearts of the district, and enthusiastically reports having a "real good time!"

Hail, high schoolers! Remember to come attired in western-type duds this Friday, April 26! For Friday has been officially proclaimed "Western Day" by the HHS Student Council! Prize etc. will be awarded for any reason prizes can be awarded, etc. Then, to climax this event, there will be a special Western Day Dance at the Community Center. The rompin', stompin' time will be from 8:30-11:30, with admission set at 25 cents — so come on and "swing your partner"! (This dance is sponsored by the Community Center Student Council.)

At last, dear reader, you are approaching the end: "Bat with the Rich, but go to play with the Poor, who are capable of Joy." (This advice originated with Logan Pearsall Smith.)

Not one person survived the Custer Massacre of June 25, 1876.

(Continued from page 1) agent here for five years. In other action, commissioners gave permission for Robert Veigel and Bill Flippen to cross county roads with gas lines at no expense to the county.

Commissioners discussed alternate payment rates to the present city - county fire protection contract and asked that a luncheon meeting with city officials be called for May 13.

Sheriff Lowell Sharp asked for an additional deputy, to take care of cook, jail supervision, "mugging and printing" (taking photographs and fingerprints for arrests for identification purposes) and outside work as needed.

Sharp said that the additional man's salary would be approximately equal to the amount being saved now by preparing prisoners' meals in the jail kitchen rather than buying them from a restaurant.

The request was tabled until the next commission meeting. Permission was given for Tax Collector - Assessor Nell Miller and tax deputy Billie Lance to attend the state tax conference in Dallas May 5-8.

Commissioners heard a letter from Mrs. Corinne Neely, who asked to be relieved of her job as part-time assistant to county welfare worker, Mrs. Jewel Smith. Mrs. Neely said that her work as county Red Cross secretary and a new job as executive secretary of the Deaf Smith County United Fund had become increasingly heavy.

She also asked for another office in the courthouse (Mrs. Neely and Mrs. Smith have adjoining offices with a common reception room).

Commissioners deferred action on the letter until later. County consent was given for the Hereford Independent School District to sell some Hereford property as part of a foreclosure for tax purposes.

The property will be sold to satisfy county, school and city tax claims.

George Stambaugh and Vernon Inmon of West Texas Rural Telephone Cooperative visited with the court about two bills which had been submitted for moving of rural telephone lines during county road building.

The cost of \$2250 was approved and will be charged to the right-of-way fund.

J. Sivador, contractor who is cleaning the courthouse exterior, was approved for payment of \$4990 on the first of two separate contracts for the job.

ALPHA DELTA PI OFFICERS Alpha Delta Pi Sorority at West Texas State University recently installed in the office of treasurer Miss Wanda Pinnell, daughter of Mr. and Mrs.

top spots last week in Odessa, Charles Mims, a senior at Hereford High, computed a first place in the Region XI number series event for a trip to Austin.

And Hereford's late arriving athletic star Ronnie Welty copped a close second in the low hurdles for his trip to the state meet.

Welty, a senior, was ineligible for athletic competition here this year until January. He joined the Whiteface varsity squad just in time for district play and earned all-district honors for himself.

He was top hurdler at district 1-AAA competition before going on for his regional win last week.

Other Hereford students placed high in regional events held at Odessa Junior College, but the above pair were the only Hereford competitors to earn Austin trips this year.

All regional entrants, however, had district wins behind them in 1-AAA competition.

Earning third place in extemporaneous speaking was Kaki Barnard. Third in ready writing went to Janie McBroom.

In shorthand competition, Pat Ransport was not included in the announced winners.

In other track meet action, Charles Kelly ran sixth in the 180-yard low hurdles.

Manuel Pacheco earned sixth in the mile run.

Hereford's track team (Welty, Kelly, and Pacheco) totaled 14 points in the regional event.

Hereford High School golf team ranked fifth in competition with five opponents.

The squad outdid the other District 1-AAA entry, Leveland, by six strokes.

In 36 holes of play, Dick Combs paced the Hereford foursome with a 163. Tommy Powell followed suit with a 176, Jim Owens shot a 189, and Bob Reinauer turned in a 209.

Hereford's journalism team ranked second in the regional event competing with some 40 high school journalists.

ing, and fifth in headline writing. Mims will compete the week end of May 4 in Austin in the state ULL events.

Joe Walker Is Recipient Of Ad Altare Dei Award

Joe Walker became the third Hereford Boy Scout to receive the coveted Ad Altare Dei Award presented by the Catholic Church to outstanding Boy Scouts in ceremonies recently.

The 13-year-old son of Mr. and Mrs. Howard Walker, 121 Beach, Joe was honored during services at St. Anthony's Catholic Church with the presentation from Father Angelus Delahunt.

Ad Altare Dei Award is recognition that the Church gives to Scouts or Explorers for advancement of spiritual content of the Scouting program.

In order to earn the award, Joe had to be able to explain church symbols and attributes.

Already a Life Scout, with 18 merit badges Joe is nearing completion of his Eagle Scout award, the highest honor that a Boy Scout can earn.

The Ad Altare Dei honor is the highest which can be bestowed by the Church, and is a complement to the Eagle rank.

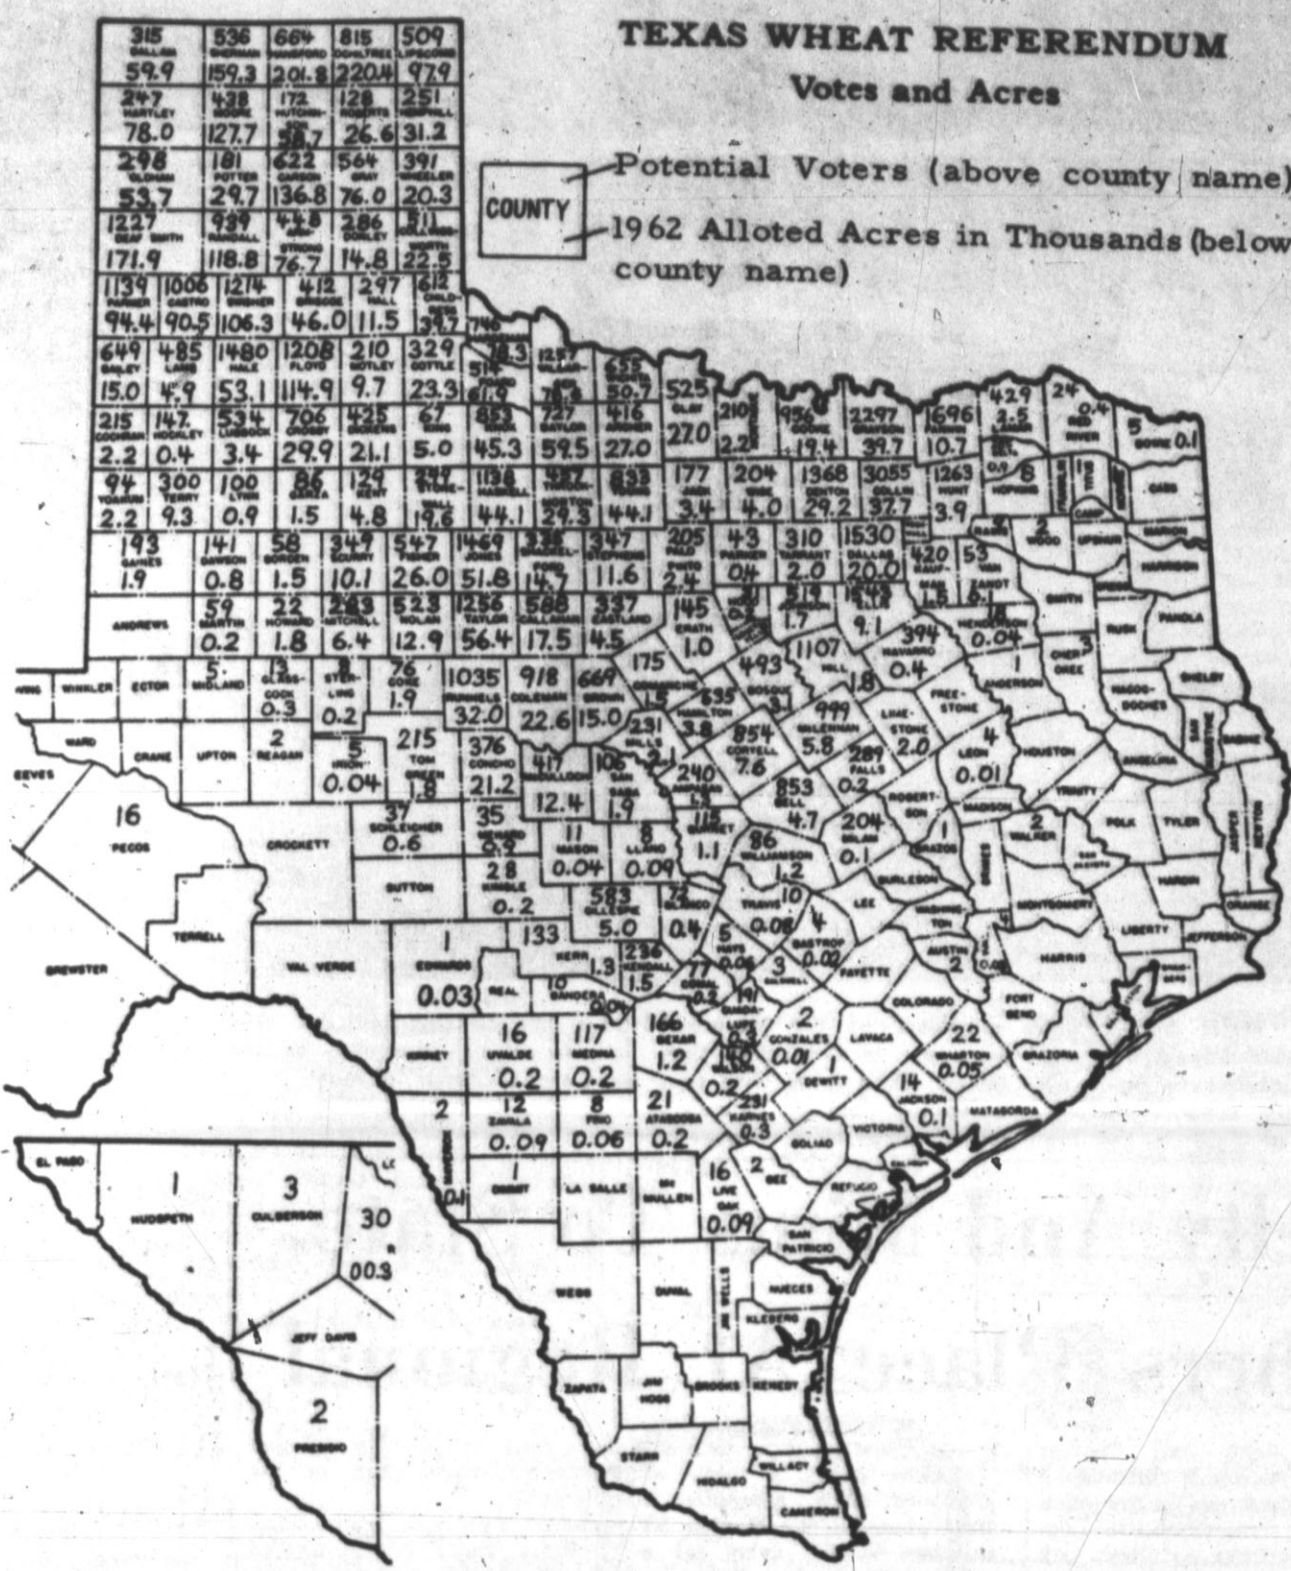

He began working on the church award about one year ago, under the direction of Father Angelus.

A seventh grader at St. Anthony's School in Hereford, Joe is a member of Troop 50.

**BY H. A. TUCK**  
Every congressman, every editor in America should be required to read *This Kind of War* by T. R. Fehrenbach. For it tells in simple language what a police action is like and how to fight brush warfare. At least those two groups should read it for they make decisions or form opinions that effect the nation. I'm not being critical, but I am being realistic that these two groups generally were responsible for much of the bloodshed and death in Korea. This book is a mammoth work of almost 700 pages, with maps and photographs to illus-

trate the author's words. It is available at the Deaf Smith County library. Fehrenbach, who served successively as a platoon leader, company commander and battalion staff officer in Korea, pulls no punches about America's bitter and costly fight in Korea as a dominant force of the United Nations military command. It is no accident that the author subtitled his book "A Study in Unpreparedness." It was exactly that. The invasion of South Korea was carefully planned and well-executed. The communists had at their disposal a hardy, veteran group of soldiers. They also had an equally important group of informers inside the South Korean government and in the officers of the American-manned Korean Military Advisory Group. When they marched south, they outnumbered both the Republic of Korea forces and the

garrison - soft American troops. The world knows that the North Korean forces, advised by trained Russian, Korean and Chinese officers, almost pushed the resistance into the ocean. What far too few realize is why this could happen. The book starts with a concise, clear history of Korean occupations and politics that provides a general background. The mental, moral and physical fiber of both Koreans and Americans are examined with close attention to detail and fact. Fehrenbach's huge treatise is exciting reading for its description of battles and engagements, plus an insight as to what was going on behind both front lines. He names names and vividly portrays places in order to give the reader sufficient information to judge the complete situation. He suffers as the ROK and American forces are forced back to the beach, gains hope as they get reinforcements and push back and agonizes as they are ordered to fight a limited war with limited, and very artificial, goals. But Fehrenbach's real indictment is of the civilian mind which is incapable of truly knowing what war really is. In fact, he explains, a great power today must maintain a highly professional army organized along lines different from the society it is set up to protect. It is very unfortunate, he contends, that Americans fully understand the realistic requirements of the football field and of the baseball diamond, but not of the battlefield.

but the Turks, who were strongly commanded and knew how to survive on minimum rations and medical care. Not a single Turk died in prison camp or became a turncoat. America, sadly, cannot make such a boast. Fehrenbach also devotes a chapter to the infamous Kele-Do Island camp, where communist prisoners were kept. That was where during communist leaders seized an American general and held him in hostage. That also is the place where Bull Boatman, well-known to recent Texas Aggies, put the reds in their place. Fehrenbach details the battles of entire armies, but he also chronicles the actions of platoons and individuals, both brave and cowardly. There is little doubt that America is going to be fighting communists in brush wars for many years. If we are to stand a chance of winning, we must fight with the best possible army. This book, *This Kind of War*, tells how the early mistakes can be corrected... if Americans care enough. If they don't, the alternative is slaughter for their loved ones, who are sent to fight without being prepared for the worst.

TYING KNOTS IN PRACTICE for their summer's work, Bruce Miller, left, and Tyler Thompson polish up on skills they will be teaching to other Boy Scouts this summer. Both have been selected as junior camp instructors at the Llano Estacado Council's Camp Don Harrington for the summer. Both are Life Scouts. Bruce, the son of Mr. and Mrs. Bruce L. Miller, will instruct Waterfront Safety. The son of Mr. and Mrs. W. T. Thompson, Tyler will instruct in the Pioneering Merit Badge group and in the axe and rope yard. (Staff Photo)

**Two Boy Scouts To Instruct At Don Harrington**

Two Hereford Boy Scouts have been named junior camp counselors at the Don D. Harrington Llano Estacado Boy Scout Council Camp this summer. Bruce Miller, son of Mr. and Mrs. Bruce L. Miller, and Tyler Thompson, son of Mr. and Mrs. W. T. Thompson, will instruct other scouts at the camp. Both are Life Scouts and members of Troupe 50 in Hereford. They will instruct at the camp from June 5 through July 20 or July 27, depending on the number of scouts attending the camp. Bruce, a sophomore at Hereford High School, is 15. With 18 merit badges, he lacks only three before receiving his Eagle Scout award, one of the highest honors a Scout can earn. He will be an instructor in waterfront safety. Tyler, a freshman student at Stanton Junior High, has 23 merit badges and lacks only two before receiving his Eagle award. He will instruct the Pioneering Merit Badge group at the camp, and will be an official at the Rope and Axe Yard.

NEW PIONEER® Grain Sorghums

At every stage in the crop season, new Pioneer brand grain sorghums offer you real advantages. Vigorous, high germinating seed gets your crop off to a fast, sure start. Uniform head height, good exertion, and strong standing—a result of advanced breeding and careful seed production—make harvesting run smoothly, helps you cover more acres per day. Add to these advantages the high yields of Pioneer brand sorghums... and you have a crop that spells both profit and satisfaction. Choose from three new Pioneer brand sorghums: 845, 846, and 820. They cover a maturity range from RS 610 to full-season numbers. Bred by one of America's leading hybrid seed producers, Pioneer brand sorghums can put you—and your sorghum crop—on "safe ground" this year.

"The civilian liberal and the soldier, unfortunately, are eyeing two different things: the civilians are concerned with men living together in peace and amiability and justice; the soldier's task is to teach men to suffer and fight, kill and die," he said.

He declares that sending into action troops which have been trained for nothing more than garrison duty is "little better than murder."

From my own slight experience with the military, I can wholeheartedly agree. The DoD little Board's recommendations that followed World War II took all the authority away from the officers and top non-commissioned grades. The vigorous training that is so vital to survival was watered down to little more than a picnic romp, discipline was undermined, courage and toughness became secondary to comfort.

No wonder the Americans were surprised when they were attacked in Korea. They had been watching the roads, while the wiry communist soldiers took to the hills. The Americans were followed into battle by trucks loaded with goodies, as if that would substitute for the outmoded weapons still issued. Fehrenbach takes a close look at prisoner - of - war camps on both sides. The United Nations soldiers were fed adequately by Oriental standards, but literally starved to death. That is, all

WHITEFACE CHEERLEADERS FOR 1963-64 have already begun planning for the coming year's school activities. New cheerleaders were named two weeks ago following try-outs and elections. They are, from the left: Janice Hagans, Brenda Shelton, Ruth Ann Allison, Peggy Neff, and Ronda Neff. The group will attend cheerleader school this summer, in preparing to lead the school spirit next year. (Brand Staff Photo)

# Cheerleaders Plan For Year

By Donita Allred  
Whiteface Reporter

Six eager high school girls have been planning their work for this summer and the coming year. Who are these girls? They are the new Hereford High School cheerleaders for 1963 - 64.

New cheerleaders are Ronda and Peggy Neff, Janice Hagans, Ruth Ann Allison, Kathy Boston, and Brenda Shelton. Changing the custom of five senior girls, next year Hereford will have two juniors and four seniors. This year the tradition was changed slightly as there were five seniors, and one junior leading the spirited Herd to battle. Two of the girls are sisters. Ronda and Peggy Neff, daughters of Mr. and Mrs. Ernest Neff, have been chosen as cheerleaders. Ronda, a senior, was cheerleader this year and will probably be a great asset to the group.

Ronda says, "I feel just as honored this year as last year and am just as thrilled. It really is going to be great and I am certainly looking forward to it. We are going to try to work hard and make it the best year ever."

Peggy, a junior, states that she thinks it is "just wonderful" and is very anxious to get started. She also says that it was a big surprise because she did not think she would get it because Ronda was cheerleader last year and Peggy thought the student body would not pick another Neff.

Janice Hagans, daughter of Mr. and Mrs. Preston Hagans, will be a senior at HHS next year. She feels that this is a great honor and wants to do her best to promote good school spirit.

Ruth Ann Allison, daughter of Mr. and Mrs. Jim Bob Allison, and Brenda Shelton, daughter of Winnie Watson, were also elected. Both were cheerleaders in junior high and will contribute much to the group. Ruth Ann "cannot believe it" and Brenda thinks "It is wonderful." Ruth Ann is a senior and Brenda, a junior.

Last, but not least, is Kathy Boston, senior at HHS. Kathy, daughter of Mr. and Mrs. Jay Boston, has been a twirler for several years in the band and was one of the feature twirlers this year. She says, "It will be a lot of hard work, but it will be worth it."

The girls plan to go to Oklahoma University to cheerleader camp this summer. The camp is held July 16 - 19, will cost approximately \$85 a person, and each girl will have to pay her own way.

They will have five uniforms next year, two of which will be handed down to them from this year's cheerleaders. The girls have already picked the uniforms for next year, but want it to be a surprise so they

will not describe them now. They will use white megaphones with maroon names and white pompons with maroon centers.

Several changes have been made since last year. There will be no head cheerleader and the

school will buy two uniforms instead of one. The number and classification of the girls have been changed too.

As last year, the girls will be required to ride the band bus to all the football games. Some ideas which the new

cheerleaders hope to use are: have a bulletin board in the hall and put special signs and schedules on it, have more skits in pep rallies, elect a mascot from the student body and have him go to camp with them or get young mascots, make signs

and locker tags together rather than one girl do it each week, sell small pompons to the student body, make a big sign to take to all the games, plan something special for homecoming, and use the victory bell to lead the mighty Herd to great victories.

contests while Hereford and Levelland have 1-3 won - lost records.

Ronnie Welty, Charles Kelly, and Manuel Pacheco combined to give Hereford 14 points in the regional track meet held at Odessa last Friday and Saturday.

Welty won second in the 120-yard high hurdles and fourth

in the 180-yard low hurdles. Kelly ran fifth in the low hurdles and Pacheco took sixth in the mile run. Welty's second place gave him the right to go to the state meet.

The golf team, comprised of Dick Combs, Tommy Powell, Jim Owens, and Bob Reinauer, won fifth place in the regional golf meet. Combs was low man for Hereford with a 163 for the 36-hole tournament.

Whitefaces won one and lost one last week as they lost to Dumas 14 - 6 and beat Nazareth 5 - 4.

Nazareth, a Class B school, always has a fine baseball team. They have two good pitchers in Ray Schmucker and Franks Backus. For lack of B opponents the Swifts play AAA and AAAA teams and they are often victorious. The Whitefaces meet the Swifts tomorrow in Nazareth.

Hereford's sixth district contest in next Tuesday when Dumas comes to Whiteface Field again.

The Whitefaces are now out of the running for the district championship unless catastrophe strikes Dumas. The Demons have won all four loop

## Key Club Salutes Stars And Stripes

On Wednesday, April 17, the members of the Key Club gave an assembly.

Ronnie Gray, Dick Combs, and Charles Kelly started it off by singing "The Star Spangled Banner," after which a film was shown on the history of American flags. Arvell Williams spoke of all the flags as they were pictured on the screen.

Following the film, Bob Reinauer gave a speech on "Privileges of Freedom."

As a closing, Dick Combs led the student body in prayer.

## Council Organizes School CD Drive

By Janie McBroom  
Whiteface Reporter

YOU READ THIS! It concerns you. In an attempt to make the student body of HHS more aware of what civil defense is and how it concerns the school, the Student Council is sponsoring a CD campaign complete with instruction and drill.

Civil Defense is a non-military defense. It is a mobilization of the total resources of communities, states, and nation with helpful government leadership, and it does concern YOU, because Civil Defense is present in society in every phase -- government, business, school, church and home.

The responsibility of the government is to inform the American public of the dangers, precautions, and preventions necessary for national survival as well.

The campaign to be carried on in HHS will be centered around nuclear attack and natural disaster.

Chairmen have been appointed to head various committees to cover every phase of the effort. Those committees and chairmen are as follows: Display, Connie Kent; Evacuation, John Fowlkes; First Aid, Audni Miller; Rescue, Ronny Duncan; Supply, John Willoughby; Publicity, Linda London; Program, Judy Wiman; and Sound Effects, David Grubbs.

This effort has been tried and was successful in other Texas schools and is highly recommended by the Texas Association of Student Councils.

This is a student undertaking and its success or failure depends on the students. If you are interested in working on a committee, contact the chairman. Remember the dates for the campaign, May 6-10.

## Green And Cook Hit Home Runs

Whitefaces suffered their third district loss last Friday at the hands of the Dumas Demons by a score of 14 - 6.

Dumas scored one run in the first inning on a home run by Joe Ballard. They added three more in the second.

Hereford's Eugene Green hit a home run in the second for the Whitefaces' first run.

Five Demon runners crossed the plate in the fourth inning to give Dumas a 9 - 1 lead.

Hereford got two runs in the fourth and three in the fifth. The last three came from Green's second homer of the day, a double by Larry Minks, and Len Cook's first homer of the year. The Demons led the victory in the seventh with five runs on three singles, a double, and a triple.

Lupe Ramirez was the loser as the Demons got to him for 13 runs on 13 hits. He was relieved in the seventh by Gary Kendrick, who gave up one run on one hit.

The Whiteface hitters were led by Green, who had two home runs and a single in four times - at - bat, and Cook, who got two singles and a homer in three trips to the plate.

## Thespians Elect New Club Heads

Thespians elected officers for next year on Thursday, April 18, in their regular meeting. Also voted upon was Best Thespian and Best Understudy.

The results of these elections will be announced at the Thespian party April 26. New members will be initiated and the newly elected officers installed at this party.

## Future Homemakers Attend State Convention In Dallas

On April 19 - 20, twelve girls representing the Future Homemakers of Hereford High School went to Dallas for a state F. H. A. meeting. Frank Hergert and Heather Gordon, the exchange students, also went. The group was sponsored by Mrs. Martha Sullivan, Mrs. J. J. Durham, Mrs. Dorothy Prowell, Mrs. J. T. Gilbreath Jr., Mrs. Leroy Aven, and Mrs. T. B. Thomas.

Thursday evening, the girls that had parts on programs or ceremonies practiced for them. Friday morning the first general session of the convention was called to order with approximately 5,000 in attendance. Dr. Bernice Moore, Assistant Director of the Hogg Foundation for Mental Health spoke on "Youth's Roles in the World Citizenship."

The group in attendance was served lunch in the Women's Building of the State Fair Park by Walter Jetton and his staff.

The second general session resumed at 2:00 p. m. This session honored some 300 girls as they received their state homemaker degrees. The girls from Hereford receiving their degrees were Royce Ann Gilland, Louise Aze, Janis Higgins, Kathleen Kuper, Katherine Barnard, and Audni Miller.

Jo Ella McGee was one of the 15 girls selected to sing in the state choir.

The final session assembled the House of Delegates. Three (Continued on page 5)

## Yeeeee Haaa... It's Western Day At HHS!

"Yee - Haa!" This will be the cry that rings through the halls and onto the campus of HHS Friday, April 26, as the Student Council sponsors Western Day.

Hats, boots, western shirts and pants will be the articles of clothing seen on students as they participate in Western Day activities.

There will be an assembly during which awards will be given for best dressed boy, girl and teacher; most original boy, girl, and teacher, and most cowboyish. During the assembly there will be different skits and games.

Student Council says there will be no guns of any type or no horses.

LEAVING FOR ODESSA, Hereford High School golf team packs up to travel to the Regain XI UIL contests held there last week. Golfers are from the left: Dick Combs, Jim Owens, Bob Reinauer, and Tommy Powell. The team placed fifth in the regional contests. Charles Mims and Ronnie Welty earned spots in state competition after taking top honors in their events at regional. (Brand Staff Photo)

LET'S COOK SOMETHING!

# Minister's Wife Gathers Recipes Into Black Book

By Dale Stevens  
Brand Society Editor

A minister's wife often has a unique advantage over the average housewife. As her husband accepts churches in different states and areas, she has the opportunity to collect recipes typical of those areas.

Mrs. Earnest Highers, wife of the Central Church of Christ minister, keeps a little "black book" of her favorite recipes from Texas, Arkansas, Tennessee, Oklahoma, and New Mexico. Her only difficulty is that when she finds something especially good, she sometimes

overdoes it! Her son, Alan, once, refusing a piece of prune cake, remarked that he had liked it just fine the first 25 times Mother cooked it.

Mrs. Highers, a most charming and gracious person, has two sons, David, 19, and Alan, also a minister; he is married and has two daughters. They live in Memphis, Tenn.

Her hobbies are oil painting and collecting antiques.

As do many Hereford residents, the Highers often have unexpected guests who are enroute from one part of the country to another. She prefers simple dishes, easily prepared and preferably oven meals, so that she may be free to visit while the meal cooks. She also likes dishes which can be frozen in advance.

The following are some of her favorite recipes.

**Dill Beans**  
Boil together for about 30 minutes:  
2 cans sliced green beans  
1 t. dill seed  
T. bacon drippings  
Drain, reserving 1 cup of liquid, and place beans in casserole.

Prepare sauce of:  
6 T. oil  
6 T. flour  
1 cup bean liquid  
1/4 cups milk  
3 T. grated onion  
2 t. Accent  
Salt and pepper to taste  
Dash tabasco sauce (optional)  
Cook until very thick and pour over beans. Cover with

buttered bread crumbs and cook in 400 degree oven until browned.

**Arkansas Spaghetti**  
Dice 2 onions and 1 green pepper; fry slowly in 2 T. oil until tender. Add 1 pound of ground meat and cook well. Add 1 small can of tomatoes and simmer 10 minutes.

Cook one package spaghetti according to directions and drain. Pour meat sauce over spaghetti and add 1 can undrained mushroom soup. Bring to boil and serve with grated American cheese.

**French Dressing**  
1 can tomato soup  
1 cup salad oil  
1 t. dry mustard  
1/2 cup sugar  
1/2 cup vinegar  
2 t. grated onion  
1 clove garlic, grated  
1 t. salt  
Mix well and keep refrigerated.

**Cocoanut Cookies**  
Mix in order given:  
1/2 cup shortening  
1/2 cup white sugar  
1/2 cup brown sugar  
1 egg, beaten  
1 cup flour  
1/2 t. baking powder  
1/2 t. salt  
1/2 t. soda  
1/2 t. vanilla  
1 cup Wheaties  
1 cup cocoanut

Drop by spoonfuls on baking sheet and bake about 8 minutes at 350 degrees.

**Candy Cookies**  
Cook to soft - ball stage:  
2 cups sugar  
1 cup milk  
Add:  
24 marshmallows  
2 T. butter  
1 t. vanilla  
Stir well and add:  
3 cups finely rolled graham cracker crumbs

PREPARING a Casserole of dill beans in her home at 320 Sfar is Mrs. Earnest Highers. The wife of a Church of Christ minister, Mrs. Highers has lived in Tennessee, Oklahoma,

Arkansas, New Mexico, and Texas and has collected recipes from each of the areas where they have lived.

**2 eggs**  
1 cup molasses  
1 cup warm water  
1 T. soda  
5 cups flour  
1 T. baking powder  
1 T. ginger  
1 t. salt  
1 cup raisins

Cream shortening and sugar; add eggs; stir in molasses, water, and soda. Sift together flour, salt, baking powder, and ginger. Add to molasses mixture and stir in raisins. Bake at 400 degrees.

**Strawberry Gelled Pie**  
Roll graham crackers to fine crumbs to make 1 cup. Add T. sugar, 1/2 t. plain gelatin, and 1/4 cup melted butter; mix thoroughly. Press all but 1/2 cup of mixture into buttered 9 inch pie plate and chill 15 minutes.

Melt 4 T. red currant jelly thinned with 1 T. hot water and fold in fresh strawberries. Fill pie shell. Cover edge of pie with reserved crumb mixture and spoon whipped cream over strawberries.

**Strawberry Sundae Sauce**  
Wash and cap one quart fresh berries to fill a one - cup measure. Combine the crushed berries with:  
1 cup sugar  
2 T. cornstarch  
1 cup orange juice

Mix well and cook over medium heat, stirring constantly, until mixture becomes thickened and clear. Remove from heat and cool by placing pan in cold water. Refrigerate. Slice the remaining berries and add to sauce a few minutes before serving.

**TEXAS COTTON GROWERS REPORT:**

**Entire Season Control of Thrips, Aphids and Mites...**

**Di-Syston Treated Plants Are Stronger, Straighter... Produce More Squares Earlier**

West Texas and New Mexico cotton growers now have a new way to control thrip damage and early-season stunting... with Di-Syston granular insecticide. Di-Syston is placed in the soil with the seed or side dressed after planting. The chemical is then absorbed by the growing roots and carried to all parts of the plant through the sap stream—as soon as the plant emerges. No part of the plant is unprotected—even tender new growth as it is formed.

The result? With Di-Syston, your early cotton grows faster, has stronger, straighter stems, more vigorous foliage. Squares form earlier and the plant produces more of them. Many growers in the Lubbock area have reported full season control of thrip with just the one application. You get higher yields because of the good Di-Syston start. This year, get your crop off to a good start with Di-Syston. Complete instructions for use are printed on the label on every package. Use Di-Syston.

# Complete Texas Election Code Overhaul Expected

A complete overhaul of the election code is due. Senate already has passed a bill correcting scores of errors in the old law, which was overhauled in haste in 1951.

House members amended the bill to eliminate the "agent form" of paying poll taxes. Instead, prospective voters would have to go to the court house or get a deputy tax collector to certify qualification to vote.

House also refused to require county tax assessors to name civic workers as deputies.

Progress is slow on the proposals to abolish the poll tax as a prerequisite to voting.

Senators passed a proposed constitutional amendment to let the people say whether they want to keep the poll tax. But after some delay, a House committee put it in subcommittee.

Meanwhile, the national constitutional amendment to outlaw the poll tax in election of President, Vice President, Senators and Congressmen has been ratified by 30 states.

When eight more ratify it, use of the poll tax in Texas would be out the window.

Sen. Abraham Kazen Jr. of Laredo envisions the possibility that the 1964 election could be held with state officers elected by poll tax holders, federal officials by everybody.

**SHORTEST SESSION?**

A modern-day record for short legislative sessions may be set if Lt. Gov. Preston Smith and Speaker Byron Tunnell can get legislators to wind up their business by May 7.

A May 7 adjournment has been filed. But the Constitution would allow them to work until May 27 if they can't finish by the 7th.

Both houses have been making fast progress "local and uncontested bill" days.

**BIG BILLS PENDING**

Length of the legislative session hinges on the three biggest issues yet unsettled.

One is the House-passed tax bill to provide \$22,000,000 to finance Gov. John B. Connally's higher education, tourist and industry-catching program.

Then there's the appropriations bill, which is being work-

ed out in conference committee headed by Sen. Grady Hazlewood of Amarillo and Rep. Bill Healy of Paducah. It allocates the funds to each agency for spending during the next two years.

And there is the loan regulation bill, which Speaker Tunnell and Governor Connally consider a "must." It may be in trouble since the Senate bill, which mustered a bar majority, was changed considerably by a House subcommittee.

**RURAL DEVELOPMENT ACT**  
Rep. Joe Cannon of Mexia told the House State Affairs Committee that Texas' rural counties are in "tremendous trouble" and need help from the state.

"Cannon appeared on behalf of this bill, co-sponsored by Rep. H. G. Wells of Tulla, which would apply to nine-tenths of the counties in Texas. Specifically those with less than 45,000 population.

Bill would require State comptroller to compile a list of the low-population counties and set up a rural development fund. It would be built up through a refund of two per cent of all taxes collected by these counties.

Rural development fund would provide about \$2,000,000 annually that could be spent to lure industries to counties that lack money to advertise their attractions.

Reps. J. Collier Adams of Lubbock, Ben Jarvis of Tyler and Donald K. Shipley of Houston are on the subcommittee studying the bill.

**DROP-OUTS DEADLY**

Some startling facts about the high school drop-out problem have been revealed by the Texas State Teachers Association. They stated that "drop-outs face a dead end in a world where education and its skills in the employment field are becoming a necessity."

Victor Sumner of the Texas Education Agency predicted that in the next five years about a third of a million young Texans will leave high school between ninth grade and graduation.

He estimated this fatal step

would cost these youngsters nearly \$75,000,000 in lifetime income.

"People in the employment field tell me that the hard core of unemployment now is composed of drop-outs from 20 to 30 years ago," Sumner stated.

**CODE OF ETHICS**

Tighter rules over the private law investments by state officials has been the talk of the Capitol since William J. Murray Jr. resigned from the Railroad Commission. Murray said he made more than \$1,000,000 in oil deals while regulating that industry.

Reps. Bob Eckhardt of Houston, James Nugent of Kerrville and Travis Peeler of Corpus Christi introduced a bill to outlaw investments by state officials in the fields which they regulate. Old Code of Ethics law — passed in 1937 — merely called on them to disclose any such interests.

Rep. John Allen of Longview, chairman of the House State Affairs Committee, named a subcommittee to go over the bill... to tighten up the tightening up. He indicated that he will try to bring the bill out for House action quickly.

Bill would prohibit legislators from appearing for pay before state boards and commissions while they are considering appropriations which are the lifeblood of state agencies.

**MURRAY SUCCESSOR SPECULATION**

Big guessing game these days is "who will Connally appoint to fill Murray's place on the Railroad Commission?"

Eugene Locke, Wally Scott Jr. and Claude Brown — all three members of the State Democratic Executive Committee — have been mentioned. Also discussed have been U. S. Rep. Joe Kilgore and Secretary of State Crawford Martin.

Scott has withdrawn his name. Others who have oil or gas interests which would have to be divested before they could accept an appointment are expected to do the same.

Murray's empty chair—which also is perched on top of the

slant — hole oil well investigations — is a hot seat.

**SECURITIES REGISTRATION UP**  
State Securities Board granted investment permits in Texas totaling \$25,000,000 last month. February total ran only \$17,000,000.

Thirteen of the 42 companies granted the right to sell stocks in Texas were Texas firms.

**HOUSE BILLS**

Beetles better beware if Conroe Rep. David Crews' bill to cause forest landowners to pay for their extermination becomes law.

Victoria Rep. Dick Cory's bill authorizing district judges to provide jurors' meals in the jury room, rather than disburse them, is ready for Governor Connally's signature.

House endorsed a bill to require school boards to advertise for competitive bids on purchases totaling \$1,000 or more.

Kerrville Rep. Jim Nugent gained approval of his bill to set up strict supervision by the Secretary of State for charity fund-raising organizations which solicit \$10,000 or more a year.

Women's rights gained a small victory when the House passed bills, authored by Rep. George Cowles of Waco, to allow a woman to make contracts concerning her own property.

A bill by Rep. Don Kennard of Fort Worth increase longevity pay for firemen and policemen across the state was given a second chance when Senate Committee chairman Martin Dies Jr. of Lufkin "fired" a subcommittee that couldn't reach a decision on the bill and set up a new committee.

**Federated Clubs Board, Regular Meetings Are Set**

On Saturday, April 27, there will be a board meeting for the Deaf Smith County Federation of Women's Clubs at 3 p. m. at the Community Center. All board members are urged to attend.

The regular luncheon of the county federation will be at the Community Center at 1 p. m. on Tuesday, April 30. The program will be on fine arts.

# Dawn Boys 4-H Take Field Trip

On Monday, April 15, members of the Dawn Boys' 4-H Club made a field trip to Amarillo. They visited transportation facilities in conjunction with their study of Agri-Business. The first stop was the Santa Fe Building. Here they were shown a switchboard which controlled all the trains and a certain amount of track. At the railroad station they went through the school room, repair shop, and control tower, where they saw trains coming and going.

# Club Members Hear Program By Mrs. Werner

On April 16 at 2:30 p. m. sixteen members of the Westway Home Demonstration Club met at the home of Mrs. Jimmie Jesko to hear Mrs. Bess Werner discuss the topic, "Why Curable Diseases Still Kill."

The three diseases responsible for most deaths, stated Mrs. Werner, are heart disease, cancer, and strokes. Most of these deaths can be attributed to carelessness, indifference, and ignorance of symptoms.

Mrs. Werner pointed out that 23 million people are unaware of cancer symptoms. She warned against attempts at home treatment without a doctor's advice.

Many other deaths, continued Mrs. Werner, occur because of the shortage of doctors and crowded facilities. Doctors often have little time or space for extensive treatment.

The next meeting of the club will be on April 25 at 9:30 a. m. in the home of Mrs. W. W. Thomas. The program will be presented by Johnnie Turrentine.

The Y. W. C. A. of the USA was founded in 1888.

Orson Welles' radio program "Attack from Mars," caused widespread panic on Oct. 30, 1938.

Hostesses for the luncheon are members of Summerfield way Home Demonstration Club, Pioneer Study Club, Harmony Music Study Club, and Hereford Garden Club.

the boys went through a passenger plane. They also visited the United States Weather Bureau, where they were shown the radar screen, the code used for weather forecasts, and barometer readings.

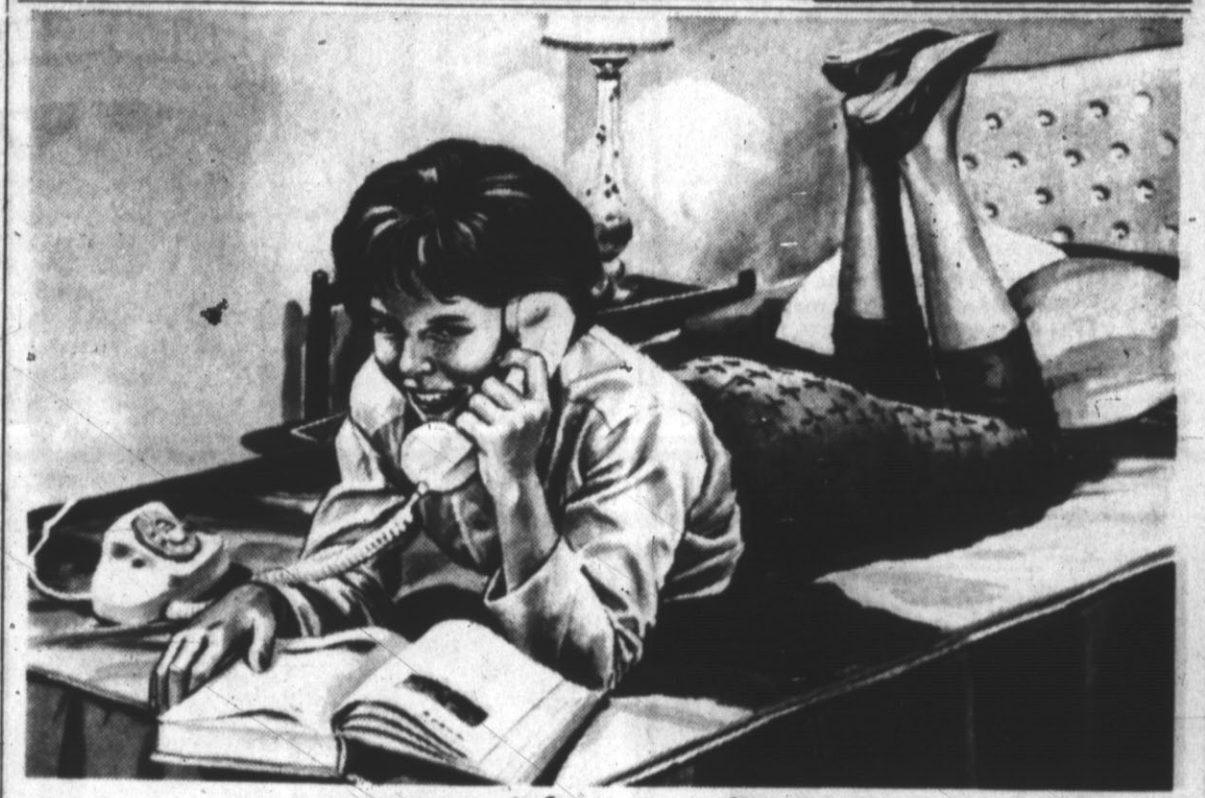

Participating in the field trip were Jon David and Dion Miller, Tommy Betzen, Robert Galley, Steve and Nell McAndrews, Mike Engler, Jack Thomas, Dick Plank, Frank Hergert, Paul English, and Gary, Robert, and Ted Richardson.

Adults accompanying the group were Mr. and Mrs. Ray Clay, Mrs. H. H. Miller, Mrs. Earl Plank, Mrs. J. W. Thomas, and Mrs. Lester English. Plans for the trip were made at the regular meeting the preceding week.

Also on the program at the

meeting was a demonstration on "All-Season Cotton Insect Control" presented by Robert Gordon and Edward Hammett of the Jolly Guys and Gals 4-H Club. They will enter this demonstration in district competition.

...e are in peril... everyone of us, every business, home, church, nation - the whole world. But there is a Beacon Light to Guide us. How foolish if we batten down the hatches, close the doors, and speed-up the noisy music. We may shut out the sound of waves, sight of rocks, and the roar of storms, BUT WE CAN'T SHUT OUT GOD. He is the Light in every storm and will surely guide your ship when the seas are heavy. There will be light in darkness for those who look upward.

REP. WALTER ROGERS WRITES:

# Thresher Tragedy Reminds Nation Of Freedom's Cost

TO THE PEOPLE OF THE 18TH DISTRICT:

The loss of the 129 men of the submarine Thresher has saddened all America. It is a tragedy that reminds us again of the stark cost of maintaining our freedom — a cost that dollars alone can't meet.

As President Kennedy said, "These brave men have joined their comrades, 1,500 of whom were lost in submarines in the fight for freedom in World War II. The future of our country will always be sure when there are men such as these to give their lives in preserving it."

Now we must do our best to determine why the Thresher disaster occurred. Twenty-two more submarines of the Thresher type are scheduled for construction. More brave American seamen will be assigned to man them.

It is a responsibility of the government to see to it that they have the safest, most technically perfect craft it is possible for our experts to devise. An it is vital that American industry and American workmen

accept the responsibility to see to it that materials and workmanship are of the highest quality.

It is expected to be some time — if ever — before we know the exact cause of the Thresher tragedy. The submarine and its crew are in a grave 8,400 feet deep about 220 miles east of Cape Cod. The Thresher lies too deep to be salvaged.

The determination of the cause of the disaster can be achieved only by photographing the wreckage from the Navy's deep-diving bathyscaphe Trieste, to be brought from the West Coast to the scene.

Meanwhile, a number of theories are being advanced about possible causes for the submarine's plunge into water so deep that intense pressure would collapse its hull like an eggshell, dooming its crew to a sudden death.

A Naval Court of Inquiry has been convened at Portsmouth, N. H., the home port of the Thresher, to hear evidence accumulated so far. Part of the court's job will be to consider the nature of work done on the Thresher during a recent overhaul in the Portsmouth Naval Yard when cuts a yard wide were made in her hull so as to install new equipment.

The cut-out section was welded back in place and the weld then examined by X-ray for flaws. "To the best of our knowledge and belief there were no defects in the work," said Admiral George W. Anderson, Chief of Naval Operations. "Whether or not there were defects remains to be seen."

Was this work defective? Did some other vital piece of equipment give away? How can a similar accident be prevented in the future? Let us all hope that the answer can be found.

Vice Admiral Hyman G. Rickover, the caustically outspoken Naval officer who, more than any other single American, is responsible for our great strides in nuclear-powered seafaring, made a speech last fall that received little notice at the time.

The Admiral laid it on the line for the National Metal Congress, meeting in New York. The troubles of the Navy in the construction of nuclear-powered submarines, he said, can be laid to two main causes: (1) Poor workmanship and (2) incomplete understanding of basic manufacturing and inspection processes.

Admiral Rickover was careful, in the wake of the disaster, not to relate any of his criticisms to the Thresher. "It would be improper for me to make any comment on that speech at this time," he said after the Thresher was lost. However, some of the points he stressed last fall should be studied carefully by all Americans who have a part in our

## Legal Notice

THE STATE OF TEXAS  
To: Eugene Weems Defendant,  
Greeting:

Your are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock a. m. of the first Monday after the expiration of forty - two days from the date of the issuance of this citation, same being Monday the 3rd day of June 1963, at or before ten o'clock a. m. before the Honorable District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the last day of April A. D. 1963, in this cause, numbered 4686 on the docket of said court, and styled, Corrine Weems, Plaintiff, vs. Eugene Weems, Defendant.

The names of the parties to the cause are as follows: Corrine Weems is Plaintiff and Eugene Weems is Defendant. A brief statement of the nature of this suit is as follows, to-wit:

A suit for divorce based on statutory grounds of mental cruelty and that the property described as being located in Hereford, Deaf Smith County, Texas, and described as follows, to-wit:  
The North 20 feet of Lot No. South 1/2 of Lot No. 28, Block 2, Westhaven Addition, being in Block 17, Welsh Addition to Hereford, as shown by plats of said Additions of record in the Deed Records of Deaf

Smith County, Texas; should be awarded to the Plaintiff and found to be her separate property, and estate, as having been paid for out of her separate funds and estate, and that the same be so declared and given to Plaintiff, (said property being that acquired in Deed from D. W. Wallace as Grantor, of record in the Deed Records in Deaf Smith County, Texas, to which reference is herenow made.) all as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas, this 17th day of April A. D. 1963.

Attest: Lucille Posey  
District Clerk,  
District Court, Deaf Smith County, Texas.  
(SEAL)

Among several examples cited by Admiral Rickover as he ticked off his criticisms was this one: "Some of the types of difficulties we constantly encounter have to do with faulty welding, faulty radiography and defective castings. That is, with deficiencies in basic conventional processes of present day technology."

"The press frequently reports malfunctions of advanced components or systems caused by failure of a weld, improper use of a routine process, or use of defective materials. Industry apparently considers such failures to be inevitable, since not enough is being done to correct the abuse."

All of us play some part in the nation's defense. Let us be faithful to the sacrifice of the men of the Thresher by doing our best to meet our own responsibilities as Americans.

# Pete Progress

speaking for the Deaf Smith County Chamber of Commerce

"Planning for the future is one of the most important responsibilities of living today," stated old Pete Progress. Pete had come in to visit about all of the signs of growth he had seen about town; but his concern that such growth not lead to expensive errors led to his profound observation about planning.

"What will our young people find when they come back to Hereford after college? Will it be a place in which they will want to live? Will it be a place in which they can make the kind of living that they want? What do they want Hereford to be?"

"Long range planning does not involve the use of any crystal ball nor is it an attempt to pre-determine the mold in which the planners think people should live. It is an effort to anticipate problems, to prepare preventive measures, to spread the financial burden of growth in a realistic and just manner by setting up a series of priorities for those projects which the growth of the city will require."

"It does not take much imagination to know that a school system built for a population of 8,000 is not going to serve a population of 15,000. Do we wait until classrooms are overcrowded and land values escalated even further or do we plan an orderly growth of our school facilities?"

"Do we wait until our traffic arteries are so overcrowded that lives are lost and business damaged or do we plan for new, better and wider arteries to be built according to a plan that will relieve congestion before it occurs?"

"Must people be made to drive many miles away from Hereford in order to find recreational facilities that are not overcrowded and run down or do we anticipate the need for additional facilities and plan for their installation in time?"

"Sewage disposal, water supply, housing for all income groups, transportation facilities, utility growth, expansion of the retail and service area are all areas for thought."

"Who should do this long range planning?" Pete questioned and then, as usual, proceeded to answer himself. "It should be done, I believe, by the whole community. School children of all ages see things that adults do not. They should

## Happy Hustlers Hear Clearman Discuss Farming

On April 18 the Happy Hustlers 4-H Club met at the Community Center to hear Hugh Clearman speak. "It takes well-educated and scientific people to grow good crops," he told the group. He also stressed the importance of the farmer in United States economy.

Another part of the program was a demonstration on electricity, which was presented by Steve Robbins and Tommy Mars. The presiding officer for the meeting was the vice-president, Steve Robbins.

Present for the meeting were Dennis Goheen, a new member, Bill Cole, Tommy Mars, Steve Robbins, Gary Goheen, Larry Lance, Rodney Douglas, and Rodney Goheen.

Refreshments were furnished by Mrs. Don Douglas. Mrs. Frank Robbins served as leader at the meeting.

## Dr. Owen Tells Of Dental Care At Study Club

Dr. Wesley Owen discussed "Care of the Teeth" for the Young Mothers Study Club on April 9 during a meeting held at the First National Bank.

Stressing the importance of early diagnosis, Dr. Owen demonstrated the proper method of brushing the teeth and massaging gums. Much helpful information was gained through a question and answer period.

During the business session, presided over by Mrs. Howard Hunter, president, five new members were elected to the club.

Also discussed by the club was an invitation from Cal Farley for the club to visit Boys' Ranch.

Members present were Mesdames David Brumley, Don Newman, Charles Springer, Charles Holt, Wendell Maloney, Jim Arney, Ed Ruse, Homer Rudd, Howard Hunter, Darrell Dirks, Dick Sartain, Bobby Shelton, and Pat Ferguson.

be encouraged to express their views.

"Adults in civic clubs, farm organizations, veterans groups, and those who are not associated with any organization should all be given the opportunity to say what they think Hereford should be, what its problems are, and what the solutions might be."

"From the mass of information gathered there must then be established a committee to determine priorities and to evaluate the suggestions in terms of the known economic resources available to accomplish the suggested projects."

"When all of the work is done the area will have a plan which, if properly sold to the people and to local government, will avoid the development of many problems that have plagued other older cities that had no plan."

Feeling quite proud of the depth of his wisdom, Pete strode from the Chamber office to look for more signs of progress.

## Ford HD Club Hears Program On Furniture

"Furniture and Accessories" was the topic discussed by Mrs. Argen Draper, county home demonstration agent, for the Ford Home Demonstration Club meeting on April 17.

After roll call was answered with "my problem in furniture arranging" and "my problem in accessories," Mrs. Draper showed colored slides of furniture arrangement and accessories which add charm and interest to a room. She also included slides of table arrangements and centerpieces done by 4-H girls.

The meeting was held in the home of Mrs. A. L. Hollingsworth. The presiding officer was Mrs. Raymond Smith.

Visitors present were Mrs. D. R. Hix and Mrs. Floyd West of the Ford community and Mrs. Bill Gilliland of Tulsa.

Members attending the meeting were Mesdames Hardy Benson, Raymond Flores, A. L. Hollingsworth, Luther Norvell, Raymond Smith, C. R. Stokesberry, and John A. Smith.

The next meeting will be held in the home of Mrs. Hardy Benson on May 15. The program will be on house plants.

A YELLOW CAN-CAN PETTICOAT caught momentarily on a street sign before being whipped across Main Street as high, gusty winds stirred up dust, papers and other litter in the Deaf Smith County and Panhandle on Thursday. The wind has been blamed for heavily damaging Massie's Coin Operated Laundry, 104 North 25 Mile Ave. A "small" whirlwind lifted five sections of the pre-stressed concrete overhang and dropped them on the roof of the building.
