Commissioners Talk FM 570 Work, Canvass Votes, Swear In JP

Eastland County Commissioners canvassed the 1992 General Election at the meeting Monday. County Clerk JoAnn Johnson reported that tabulation went very smoothly, with large totals both in Early Voting and on Election Day, November 3.

Countywide returns showed that a total of 7,326 out of 10,231 registered voters cast ballots. It took only two hours and 46 minutes for the new Optical Scan machine to total the results, according to Mrs. Johnson. She said the machine worked even better than she dared hope.

With the votes canvassed, the new Justice of the Peace-elect for Pct. 1 was properly certified and sworn into office. Jack Graham took his Oath of Office and assumed duties in the Courthouse.

In other business, Bryan Neaves, Resident Engineer of the Texas Department of Transportation, met with the Court. Neaves said he was "concerned about the appraisal process" on Rd. 570 southeast of Eastland.

This is an FM road which is scheduled to be widened next year. The County is supposed to furnish the right-of-way and see that utilities are moved.

Neaves explained that all titles must be clear on the right-of-ways as soon as possible in order to secure Federal funding. He said the DOT hoped to start working on this roadway in a few months, but contracts could not be "let" until all guidelines were followed.

"I don't want the County to get into trouble," Neaves said.

He said the County might have to hire a special Appraiser for the right-of-way parcels, and this would be expensive.

District Attorney Leslie Vance, who is also Attorney for the County, assured the Court and Neaves that the matter was being worked on.

He said that donated parcels did not have to be appraised, and that a title company would follow up

deeds that were not drawn up the right way. All this should be cleared up soon, Vance said.

On another agenda item, Commissioner Reggie Pittman reported that 35 prisoners were in the county jail. Out of this total 19 are awaiting trial.

Pct. 3 Commissioner L. T. Owen asked about contracts with the cities on holding their prisoners.

"That's not a big problem," District Attorney Vance said.

He said there were not many city prisoners being held—that some of the holdup on trials was because of the time it took lawyers to work up cases.

"Sometimes one lawyer will have eight or ten

torney said. "Then some of the people being held in jail are on appeal, and can't be moved or sent anywhere and some of the people in the jail can't make bond."

When asked about the payment from cities for their prisoners, County Treasurer Ruth Hart stated that each city turned in all the money due.

She said the charges were \$15 per day per prisoner for each City except Cisco, which pays \$30 per day.

On another report, Pct. 2 Commissioner Calvin Ainsworth said that everything was going very well around the Courthouse. He said the con-

crete slab installed by the Electric Co. on the west side of the building needed some sand under it, however.

"I'd like to get the grass planed back there," the Commissioner said.

Ainsworth reported that the elevator in the Courthouse broke down last Thursday, but was repaired early Friday morning. He said the elevator still leaked a little oil.

"People sometimes say the elevator floor is 'dirty', but actually it is stained with oil," Ainsworth remarked.

On another matter, the Commissioners author-

New Voting Machine Worked Well

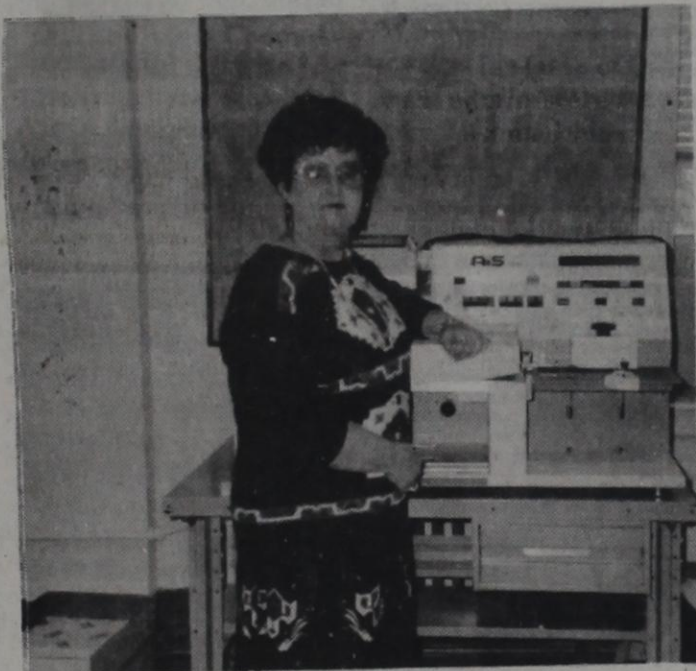

County Clerk JoAnn Johnson is pictured here with the machine housing the new Optical Scan Tabulation System which counted votes in the November 3 General Election.

The machine was purchased several months ago by the Commissioners Court for \$30,750. It was manufactured by American Information Systems, Inc. in Omaha, Nebraska, and distributed by Hart Forms and Services out of Austin, Texas.

After learning of this machine's successful use in other counties, Mrs. Johnson requested its purchase here. The Scanner uses ballots marked with special pencil, and the ballots are fed into the machine at a central station.

After the polls closed here November 3, the ballots were brought from around the county to the Optical Scanner in the County Clerk's office. It took only two hours and 46 minutes to compile the totals.

"Ordinarily it would have taken all night to add up the votes," Mrs. Johnson says. "This was a big election, with 7,326 people voting in the

county. "But with this new machine, we had a great savings in time and personnel. I am highly pleased with the way the Optical Scanner performed."

Besides the basic totals, the Optical Scanner also did interesting chores such as breaking the voting down into Precincts, percentages, Early Voting, and even totals on straight Party tickets.

Rising Star ISD Board Meeting

The Rising Star Independent School District Board of Trustees held its regular meeting Monday, November 9, at 7:00 p.m. All board members, David Harris, Larry Chambers, Frances Agnew, Judi Butler, Nanette Goldston, Gary Wilson and Dale Wolf, were present. School personnel present were Wayne Calhoun, Robby Stuteville, Bob Campbell, Kathy Herring, Cindy Wood and Shelley Bailey.

The minutes of the October 12 meeting were read and approved.

High School Principal Robby Stuteville reported 121 students enrolled. He also reported one heat pump, which is under warranty, was out in the auditorium. He said they were working on the PEIMS program, and the BETA Club induction will be held in the near future. Students competed in KTXS Academic Challenge.

Elementary Principal Bob Campbell reported 98 students in attendance.

Enrollment is broken down into the following: Early Childhood-4, Kindergarten-20, First grade-8, Second grade-13, Third grade-13, Fourth grade-12, Fifth grade-16 and Sixth grade-12. He also presented the balance sheet for the National School Lunch and Breakfast Program.

Campbell was appointed as designee for the school lunch program.

Events planned soon after board meeting: Tues., Nov. 10, PTO meeting at the high school at 7:00 p.m. Grades 4-6 will have the program. Wed., Nov. 11, early out at 2:00 p.m. Teacher's inservice. Wed., Nov. 18, 3:15 p.m. in the library. Parent Involvement Meeting Chapter I.

Calhoun presented a press release concerning the proposed state finance plan.

The superintendent also presented his regular financial statements and the board voted to pay presented bills.

Scholastic Book Fair Is November 16-20

On November 16 through 20, 1992 from 12 noon to 3 p.m., Rising Star Elementary School will sponsor a Scholastic Book Fair, presenting a wide variety of books for students at all reading levels.

According to the Barbara Bush Foundation for Family Literacy, when parents and teachers work together to introduce children to the world of books, the results can be dramatic. Children who read more become more successful readers...and, in turn, successful readers read more books. This happy cycle is encouraged when parents, teachers and friends come together to share and explore new publications at events such as a Scholastic Book Fair.

The Rising Star Elementary School Book Fair will display hundreds of titles, including award-winning favorites, classics, how-to books, biographies, mysteries, adventures and the latest works of popular authors. All are offered at reason-

able prices, so that students can choose books that appeal to their personal interests and parents can add to home libraries or purchase gifts for their young readers.

Proceeds from the fair will benefit reading incentive rewards for the children, but the real profit lies in introducing children to the "magic" of the books and in encouraging them to be lifelong readers.

Chapter I and II Meeting

There will be a parent involvement meeting of the Chapter I and Chapter II programs Wednesday, November 18 at 3:15 p.m. The meeting will take place in the elementary school library.

The purpose of this meeting is to explain the Chapter I and Chapter II programs. The public is invited to attend.

WTU Holiday Open House Wednesday

West Texas Utilities invites everyone to our annual Holiday Open House, Wednesday, November 18. Food gift ideas

and holiday decoration items will be displayed at the Rising Star WTU Office from 10:00 a.m. until 3:00 p.m. Pick up your free 1992 *Holiday Delights* cookbook and sample refreshments from featured

recipes. During your visit, please register for door prizes to be given away. Your registration will also enter you in the drawing for one of two microwave ovens that will be awarded to the lucky winners on December 8.

Came join all your friends and neighbors. We'll be looking forward to seeing you!

Rising Star ISD Board Meeting

The board entered into executive session at 8:13 to discuss personnel and entered into regular session at 9:07 p.m.

Under new business, the open bids for the new bus was discussed. Harris opened the only bid received on a new bus. The bid was from Bridges-Hemphill Enterprises, Inc. Motion by Harris, seconded by Butler, to accept the bid from

Bridges-Hemphill Enterprises for a lease/purchase of a Bluebird bus, pending the financing for four years instead of three years as bid by Bridges-Hemphill Enterprises, Inc., carried 7-0.

Superintendent Calhoun made a presentation to the board of the NAPT test scores for the 1991-92 school year.

Meeting adjourned at 10:00 p.m.

Gospel Singing Saturday Night

There will be a Gospel Singing Saturday night, November 14, beginning at 7:00 at the Calvary Assembly Church in Rising Star.

Rev. Noble McGinn and his family of Caddo Mills, well known in the Dallas area for many years as "The McGinn Family Singers," will be appear-

ing in Rising Star. Also singing with them will be the David McGinn Family Singers from Fairfield.

Everyone is invited to attend and hear the beautiful Southern Gospel Singing and worship God with us in Spirit and in Truth.

There is no admission fee.

Wildcats Beat Evant, 25 - 0

by Wid Keeling

Last Friday night was very cold, but it was not cold enough to stop the Wildcats from beating Evant 25-0. It was a game won on the defensive and offensive line. We controlled it all night long which enabled our running backs to "walk" through the hole.

The Elks' first posses-

sion gave the cats a little scare, but after that it was all over for the Elks. Junior, Jarod Horton, said "I just played one of the best games of my life and I feel good."

The Cats have one more game left in the season. It is against the Tolar Rattlers, at Tolar. Be sure to come out and cheer on the Cats Friday at 7:30 as they rattle the Rattlers.

Benefit Fish Fry Monday

The 4-H and FFA Boosters will sponsor an "all you can eat" fish fry Monday, November 16, from 5:30 to 9:30 p.m. at Cook's Fish Barn. Price for adults is \$6.50 and children under 12 years of age is \$3.50.

Homemade baked goods will also be sold. Please come and support the youth of Rising Star. This year we have 28 students raising and feeding live-

stock projects. This is one of the largest groups we have had and we would appreciate your support.

The parents and members of the 4-H and FFA would like to thank everyone who bought hog chances. The lucky winners were Herman Claborn and Mary Joe Lusk.

Come out and enjoy a great meal, while at the same time be supporting the youth in your community.

Chili/Stew Lunch Is November 20

Senior Citizens Center will have its annual chili and stew luncheon Friday, November 20. Costs for the meal are adults \$3.50 and children under 12 years of age, \$2.50. Serving time will be 11:30 until 1:30 p.m.

All proceeds go to the

ambulance fund. Please make plans to come and help us benefit this needed service for our town.

The ladies will also have home baked goods, such as cakes, pies and cookies, for sale. These will be great for Thanksgiving dinner.

PUBLIC NOTICE

Contel of Texas, Inc. has filed an amendment to its application with the Public Utility Commission of Texas for approval of its Universal Emergency Number Service 9-1-1 tariff. The proposed tariff establishes rules, regulations and rates including the provisioning of the B9-1-1, C9-1-1, and E9-1-1 services; optional services, such as Selective Routing and Data Base Administration; additional services, such as Forced Disconnect, Called Party Hold, Emergency Ringback, Switched Access System; and Public Safety Answering Point Equipment.

Customers affected are either 9-1-1 districts or councils of government with 9-1-1 responsibilities. The application does not propose changes to emergency fees charged to end-user customers. Twenty-three customers would be affected by the Universal Emergency Number 9-1-1 tariff, which would increase annual revenues by \$10,107.12, a 2.92% increase in the revenues generated by the contract rates of the current customers. Customers will have the option, however, of continuing the rates under their contract for up to one 12-month renewal term.

The deadline to intervene in this proceeding is December 24, 1992. Correspondence or any other communication regarding this matter should reference Docket No. 10929.

Persons who wish to intervene or otherwise participate in this proceeding should notify the Commission. A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Information Division of the Public Utility Commission at (512) 458-0246 or (512) 458-0221, teletypewriter for the deaf.

PEANUT QUALITY IMPROVING AS HARVEST SEASON CONTINUES

After a very sluggish start in the peanut harvest both grades and yield are on the harvest indications showed from moderate to poor grades on both Spanish and Runner peanuts. However, things look better as the middle of harvest rolls through. More recent grades in many areas of the county show from 72 to 78 on runner varieties which is considered to be a very good grade of peanuts. It is not just the grades that are coming in strong, but a very high yielding crop as well. Most producers are well over their quota (total poundage allocated for support price) and are searching for lease quota.

One of the unusual circumstances surrounding this year's peanut crop is the amount of rainfall and the effects on the peanuts. Many non-irrigated fields are exceeding irrigated crops due to disease influence created by the excessive moisture. Southern blight, pod rot and even slight amounts of sclerotinia blight have devastated some fields, especially where irrigation was used and in lower lying areas.

In evaluating the crop at the mid-harvest point, a consensus of producers agree that things look better now than at early harvest time and that this will be an above average year for yield and quality.

COWS NEED EXTRA CARE IN WINTER

As the cold sets in and the frost appears on the ground, it is again that time of year for your cattle to become "Welfare Cows". Every time they hear the pickup engine, they come running down the road nearly turning the truck over to get to the cubes. Then comes the dangerous part. You pick up the sack and suddenly your surrounded by thirty, four-legged monsters

waiting for that first cube to hit the ground. Careful! don't let'em step on your feet.

This sounds familiar to nearly every cattleman in the county I'm sure. However, these day's cattlemen are being surrounded by a different monster. Now, more than ever, a cattleman has many choices for protein supplements and according to who you talk with, everyone of them claim to be the most practical, economical product on the market. Gets very confusing to say the least.

Now, this is not to say that their not all good products. They are good, however, their usages may vary depending on time of year, forage conditions, different categories of cattle (dry cows, pairs, etc.) and your own management ability.

For these reasons, area ranchers will have the opportunity to increase their knowledge of using protein supplements at a meeting on November 16th. The program is being coordinated by the Eastland and Callahan County Extension Livestock & Forage Committees and the Texas Agricultural Extension Service. The program will begin at 6 p.m. at the Cisco Junior College Agricultural Building. Dr. Dennis Herd, TAM/TAEX Nutritionist will be the featured speaker.

A meal prepared by Oscar's Bar-B-Que will be served at 6 p.m. sponsored by First National Bank-Baird/Clyde? First National Bank-Cisco, Peoples State Bank-Clyde-Rising Star Branch and Ranger Branch, Eastland National Bank, Production Credit Association and Citizen State Bank-Gorman.

Please pre-register for this program by November 12th by calling the Eastland County Extension Office 817/629-1093.

This program will be very beneficial for all cattlemen....I hope to see you there.

Senior Citizens Center

by Marjorie West

Thursday, Nov. 5, winter arrived; we had our first freeze last night. We had a nice crowd (33 signed our register) for a cold day. Everyone has been busy getting in their house plants and green tomatoes and peppers.

The ladies at the center are busy making plans for our annual chili and stew luncheon, Friday, November 20. All proceeds will go to the ambulance fund. Please make plans to come and help us with this needed service for our town. Adults \$3.50 and under 12 years of age, \$2.50. Serving time will be 11:30 until 1:30 p.m.

The ladies will also have home baked cakes, pies, cookies, etc. for sale. They will be great for Thanksgiving dinner.

Marion and Marjorie West went to Cisco Wednesday. They had a nice visit and lunch at the Senior Citizens Center.

Ladell Key was back at the center after being absent a few days due to not feeling well.

Berna Lee and Benjamin Chick attended a birthday party for their daughter, Donna Priest, in Stephenville Monday night.

A nurse from Concepts of Care Inc. was at our center Thursday and checked blood pressures for everyone. We appreciate this service.

We have some dishes left at the center that were left after a luncheon for a funeral family. If you have a dish missing, call by the center any Thursday and pick it up.

Joe and Evelyn Ward visited relatives in Odessa recently. We missed Joe at the center Thursday. He was not feeling well.

RECERTIFICATION, FOOD COMMODITY PROGRAM, MONDAY USDA Food Commodities: Recertify to participate in this program at the Senior Citizens Center Monday, Nov. 16, 9-12.

Sipe Springs News

The musical at the center Saturday night was enjoyed by everyone.

The game night is on Monday night. It was well attended and everyone enjoyed playing the games.

We are sorry to have our neighbors move away: Mr. and Mrs. Travis Boswell to Arlington and Mrs. Ruby Wyatt to Comanche.

Mrs. Maggie LePage of California has moved in Travis Boswell's mobile home. We are happy to have her in our midst.

Visitors at the T.A. Weavers were Mr. and Mrs. Rupert Cagle of Big Spring, Todd Weaver of Garland, Dale Cagle of Stag Creek, Sue Harris and Pat Maynard of Rising Star.

Mrs. Nancy Leonard and Mrs. Mae Leonard

spent Saturday and Sunday visiting Mrs. Denise Graves and children, Mrs. Kim Carter and children of Nolenville and Marilyn of Temple.

Mrs. Opal Whiteside and Joyce McKeehan attended the funeral of their aunt, Mrs. Julia Wagley, in Brownwood. Our sympathy is extended to her relatives.

Mrs. Winnie Anderson spent this weekend with Mary Anderson and mother, Mrs. Duncan.

Mr. and Mrs. Tooter Monsey of Hobbs, N.M., spent this weekend here and attended the musical Saturday night.

Lewis Barton of Knickerbocker, Howard Barton of Archer City and J.E. Barton of Dublin visited their parents, Mr. and Mrs. Ted Barton this past week.

Old Tradition With A New Twist

Heather's Hallmark and Merle Norman will be hosting their twelfth annual "Holiday Open House" to launch the 1992 Holiday Season on Saturday, November 14th, from 10:00 a.m. until 8:00 p.m.

This event has become a holiday tradition that patrons look forward to each year. The number of people attending the Open House has grown steadily through the years. In order to accommodate this growth and to continue to make this a fun and festive experience for everyone who attends, this year's Open House will be held all day on Saturday, November 14th.

During this same time frame, Heather's will also be participating in Hallmark's "National Open House Weekend." The eighteen-inch plush Snowbeary Bear (\$14.95 value) for \$8.95; rolls of Christmas Gift Wrap containing 50% more wrap per roll; FREE Hallmark transparent tape with purchase of two rolls of Christmas wrap; Christmas partyware containing 50% more product per package; and musical Christmas cards for \$3.95 are special offers to be included in the National Open House.

The store will be filled to meet every need for the coming season from party ware, centerpieces, candles and Christmas cards to an exciting selection of gifts for all the "special" people on your list.

For the fourth consecutive year, Heather's will be offering EVERYTHING IN STOCK at 20% OFF during Open House. FREE imprinting will also be offered on Christmas cards and stationery.

Another highlight of this special weekend will be the music to "Celebrate Christmas" cassette tape. This Hallmark holiday music tradition continues

for the eighth year with a joyful celebration of song featuring: Sandi Patti, The London Symphony Orchestra, Canadian Brass, and the Mormon Tabernacle Choir. During Open House this tape will be available to you FREE with a purchase of \$15.00 or more.

There will be FREE sampling of Hallmark's Crown Chocolatier candy. This luscious, delicious candy has been created exclusively for Hallmark Gold Crown Stores. The Crown Chocolatier selection includes assorted chocolates and creams, coconut clusters, pecan treasures, chocolate covered nuts, and truffles as well as a wide selection of candy bars.

Merle Norman will also be adding to the festivities by offering ALL JEWELRY including Whiting/Davis and Monet - at 20% OFF. Whiting/Davis hand bags will also

be 20% OFF. The traditional colors of red and gold come to life this Holiday season with the Elegant Options promotion from Merle Norman. The promotion contains coordinating color accents for eyes, cheeks and lips. This \$65 value is available for just \$25 with a \$12.50 Merle Norman Cosmetic purchase.

Drawings for door prizes will be on the hour throughout the day, and winners must be present at the time their name is drawn in order to win.

The Grand Prize this year is the animated musical "Knittin' Pretty."

The music box, which plays "Whistle While You Work", is from Enesco's widely acclaimed Small World of Music collection. This timeless piece of art - as well as music - is destined to become a treasured heirloom. It is valued at \$250. The win-

ner does not have to be present at the 8:00 p.m. drawing, but he/she must have registered earlier in the day.

The combining of these two spectacular events will, indeed, create a holiday party that no one will want to miss!

CHIROPRACTIC FOR BETTER HEALTH

DR. STEPHEN G. BARRY
CHIROPRACTOR

MEDICAL RESEARCH SUPPORTS CHIROPRACTIC

The British Medical Journal reports that Chiropractic treatment of low back pain, which affects 75 million Americans, is superior to the standard regimen administered by medical doctors. The study, published in the summer of 1990, indicated that chiropractic manipulation can relieve severe back pain quicker and at lower cost than medical treatment. Chiropractic patients experienced less pain and disability and missed fewer days work.

we are committed to not only getting you free of back pain but treating those conditions which cause your pain. Don't delay treatment when help is readily available.

MORAN NEWS

By Mrs. Luke Huskey

The weather continues to be dry and warm in Moran. Last week a little rain fell but not enough. The temperature was cold for a few days last week and a fire was real good. A good rain would be welcomed.

People are asked to be careful, as the rattlesnakes are on the move. Several large ones have been killed the last few days, so be careful.

The Moran Bulldogs won another football game last Friday night when they played Lueders-Avoca at Bulldog Stadium. The score was Moran 74 and Lueders-Avoca 29. The Bulldogs

will play Aspermont at Stamford Friday night. Support the Bulldogs.

CLASS MEETING

The Dorcas Sunday School Class of the Baptist Church met in the home of Mrs. Paul Harper on Thursday, Nov. 5, with Mrs. Florene Dennis as co-hostess.

The class song, "Have Faith In God" was sung followed by prayer by Mrs. Jean Tabor.

Mrs. Elaine Shelton brought a very interesting devotional taken from the book "The Prayerful Heart" by Charles L. Allen and Helen Steiner Rice. Mrs. Shelton entitled her devotional "When You Get the

Blues."

The business session was conducted by the president, Mrs. Ruel Tabor. The Christmas dinner was planned, with plans to remember class members.

The ministerial report was given by Mrs. Kenneth McKinney and she gave the closing prayer.

Those present were Mmes. Dary Edwards, Jean Tabor, Ruel Tabor, James Matthews, Florene Dennis, Kenneth McKinney, Paul Harper, Elaine Shelton, Hazel McCoy, Dale Phippen and Ralph Snyder.

Terry Hawkins and children of San Antonio spent the weekend with their parents, Mr. and Mrs. Dale Tollefson.

Mrs. Frances Green spent the weekend in De Soto with her daughter, Mrs. Jerry McLoughton, Mr. McLoughton and Jacob.

Mr. and Mrs. Marvin Kays spent a few days last week in Fort Worth with their daughter, Mrs. Craig Dunbar, and family.

Chance Mitchell of Arlington spent the week-end with his mother, Mrs. Eugene Mitchell, and other relatives in Moran and Albany.

Funeral for Bobby Padgett was held Thursday morning at 10:30 in

Athens. Bobby passed away Tuesday morning in an Athens hospital after an illness.

Bobby was a former resident of Moran, having gone to the Moran schools. He was the son-in-law of Mr. and Mrs. Jim Howard of Moran.

He is survived by his wife, the former Winnie Howard, eight children and grandchildren.

Funeral for Mrs. Gladys Lane, 68, was held Saturday at 2 p.m. in the Moran Church of Christ with Payne Hattox officiating. Burial was in the Moran Cemetery directed by Godfrey's Funeral Home.

She was a member of the Church of Christ.

She is survived by one son, G.B. Lane of Columbia, S.C., a sister, Mrs. Maggie Ruth Bills of Breckenridge; and a granddaughter of Columbia, S.C.

Holiday Market At The Hilton In November

This year's HOLIDAY MARKET AT THE HILTON, November 21 and 22, will feature many local and out-of-town crafts artisans. They will be bringing a large selection of handmade items for a unique weekend of holiday shopping.

Items featured will include wood-crafts and toys, baked goods, fashion and costume jewelry, painted and appliqued shirts, collars, quilted baby blankets, needlework, leather goods, ribbon and balloon hair clips, bows, decorated T-shirts, sweatshirts, country

crafts, ceramics, stuffed toys and animals, wooden necklaces, tin punch night lights, painted fabric and paper flowers, rugs, cedar chests, and many other items.

In addition to the indoor exhibits, there will be booths outside on the Hilton veranda and front lawn. Exhibitors are expected from Abilene, Big Spring, Brownwood, Cisco, Clyde, Coleman, Eden, Goldthwaite, Graham, Mullen, Ranger, and San Angelo.

Most of the exhibitors have agreed to donate items to be given as doorprizes. Drawings will be held hourly. Guests do not have to be present to win, but they must come by the Hilton and register to be eligible.

There will be a snack bar open for exhibitors and shoppers both days of the Market. The snack bar will be serving lots of good homemade food.

This year's Holiday Market promises to be an exciting community event. Admission is free and all profits will go to the Hilton Community Center.

"Kangarooing" is helping premature babies grow and bond with their parents at Brigham and Women's Hospital in Boston. Tiny infants, still attached to monitors and oxygen tubing, spend long hours resting on their parents' chests, lying skin to skin. Both of them benefit.

Lyme Disease vaccine tests are expected to start soon. Doctors at Yale University suggest the disease could be eradicated in time.

Exercise does not cause osteoarthritis of the knee, an analysis of the Framingham (Massachusetts) Health Study suggests. The Boston University study has followed the community's health for 40 years.

Popular halogen light bulbs give off more ultraviolet light than others, the New England Journal of Medicine warns. This can damage eyes if one works too close — within 15 cm. — to the lamp.

Deficiency of folate, a B vitamin, has been linked to the formation of precancerous cervical dysplasia lesions. Multivitamins — or plenty of broccoli, fresh fruit and leafy vegetables — offer protection.

Nominations Accepted For 12 \$4,000 College Scholarships

Nominations from the public are now being accepted for the FINA/Dallas Morning News All-State Scholar-Athlete Team, sponsored by KDFW-TV, Southwest Airlines, and the Staubach Company. College scholarships of

\$4,000 are awarded each year to 12 Texas high school seniors who are varsity athletes and excel in academic achievement, leadership, and service to the community.

Nominations should be sent to FINA Public Affairs, P. O. Box 2159, Dallas, TX 75221, and must include the student's name and address. Nominations may also be submitted by calling (214) 750-4111. Each nominee will receive an application form, which must be completed and returned by the **Wednesday, December 16, 1992 deadline.**

To be eligible, an applicant must have a 90 percent grade average or better, be in the top 10% of his or her graduating class, and have a varsity letter in a UIL sport.

Commenting on the nomination process, Ron W. Haddock, President and Chief Executive Officer of FINA said, "Our purpose, focusing attention on the many outstanding high school scholar-athletes who are contributors to their schools and communities, is best served by involving the public. Encouraging, recognizing and rewarding excellence and dedication in our youth is a worthy task for everyone."

Applications are also available from Senior Counselors, principals, and athletic directors at all accredited Texas public and private high schools.

"Harvest And Sow" To Be Held In Fort Worth

Excitement is building in anticipation of "Harvest and Sow", the first gathering of its kind to be held by the Catholic Diocese of Fort Worth. A conference designed to support clergy, religious and laity in their Christian mission, "Harvest and Sow" will offer two nationally known keynote speakers and seventy workshops—in English, Spanish and Vietnamese—on a wide variety of topics.

The Tarrant County Convention Center in downtown Fort Worth will be the site for the celebration on November 14, 1992. The event will feature Bishop Ricardo Ramirez of Las Cruces, New Mexico, and storyteller, theologian and writer Megan McKenna as major speakers.

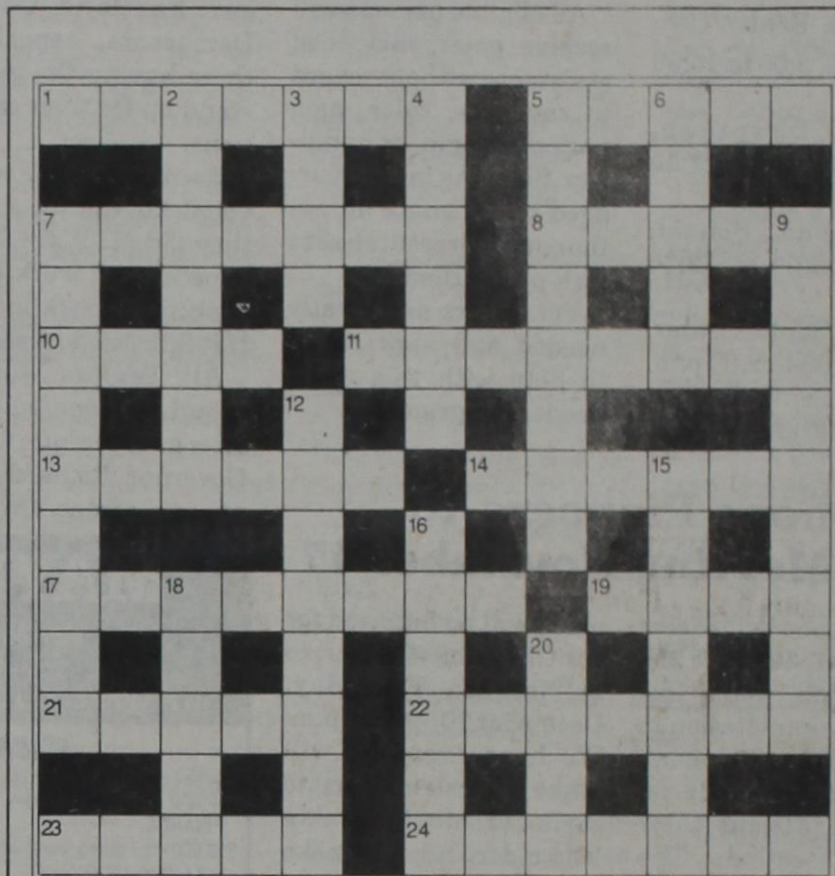

Information on ministries for interested volunteers as well as exhibits by publishers and suppliers of religious goods and art will be available during the conference. Pre-registration has already begun but participants

may also register on the 14th beginning at 7:30 a.m. As a prelude to the Saturday event, Bob Hurd and Cuco Chávez will perform at St. Andrew Catholic Church, located at the corner of Stadium and Dryden Roads in Fort Worth, on Friday, November 13, 1992. Hurd, well-

known for his liturgical compositions, and Chávez, a talented and rising star for GIA Publications, will alternate English, Spanish and bilingual sets in a free concert at 8:15 p.m.

Childcare, simultaneous translation from English to Spanish and wheelchair accessible seating are some of the special services being offered in order to facilitate attendance at "Harvest and Sow". The fee will be \$8 per person or \$16 per household. Lunch is not included in the registration, and childcare will require an additional fee.

Brochures may be obtained by calling 817/560-3300, or writing "Harvest and Sow" Registration, the Catholic Center, 800 West Loop 820 South, Fort Worth, Texas, 76108.

Thursday, November 12, 1992

By Ann Murray
Of course, I'm still on 'CLOUD 9', and "HE" does answer Democratic prayers.

To win the most important election in my lifetime has been worth all those years of hard work — just keeping on, fighting all the odds, and never giving up hope. I'm so proud and thankful for all our Eastland County Democrats, especially, those having the guts to stand up for their convictions.

Even though our county voted for the losers, as they did in 1990, - Now I hope all can work to get our country back on track. If it fails, so do we.

All Texans were so proud, as one network after another interviewed Governor Richards. She always comes through,

and no one could have been more gracious in welcoming the Bush family back to Texas.

The heart and soul of this campaign was not only the White House, but JUSTICE—the Supreme Court and hundreds of Federal Judges. President Clinton will pick good and fair and moderate judges, and bring the court back to the center," that's where a majority would like it to be. He may be able to appoint 3 to 5 in the next eight years.

Our county did have a great loss in Senator Glasgow. The 22nd District had a man voted one of the most outstanding Senators—year after year, and worked his heart out for the Rural areas. We will sorely miss him

as will the State. We send our thanks and good wishes to him and all his family for 12 years of great leadership. He deserves a wonderful private life, and I know he will always be willing to help and serve in any capacity.

One of the most rewarding things of this election, was the interest and participation of the young people. They are willing to become more involved and informed. I think they will be much better at bringing this country together than our generation did.

I would like to say to all who will answer this and beat up on me—WELL!!!, go ahead. Give it your best shot!!!!

I'm only to happy to pass on the mantle.

Now I'm at peace and I'll just say, ADIOS.

C.A.R.R. To Offer Transportation

C. A. R. R. (City and Rural Rides) is a rural transportation system sponsored by Central Texas Opportunities, Inc. CTO C. A. R. R. is now offering transportation to the general public, through the Section 18 rural Transportation Program.

The program is designed to assist the elderly and low-income who have no other means of transportation. Locally these services include trips for shopping, doctor visits, utility offices, or any other public facility. For a small fare each person can be transported from one location to another and back. Rides are scheduled on a first call, first ride basis. Please try to give at least 24 hours notice of your transportation needs. Also be sure to ask about our fare rates for out of town trips! Hours for this service in Eastland County are Monday through Thursday, 8-12 and 1-5 p.m.

If you need a ride or further information please contact Central Texas Opportunities, Inc. Eastland County Driver Linda Moss at 817-442-4522. The Driver office is located at: Cisco Multi-Purpose Center, 1611 W. Highway 80, (P. O. Box

1264), Cisco, TX 76437 or you may call the Administrative office at 915-625-4167 located at 800 E. Second Street, Coleman, TX, 76834. So be sure and call the CTO C. A. R. R. if you have transportation needs. CTO C. A. R. R. is a community action project of Central Texas Opportunities, Inc., serving the needs of the residents Brown, Callahan, Coleman, Comanche, Eastland, McCulloch, and Runnels Counties.

Extension Home Economics

Mrs. Janet Thomas
County Extension Agent, Home Economics
Texas Agricultural Extension Service

The month of November has been recognized as the "Month of the FAMILY". The week of Thanksgiving is traditionally designated as the "Week of the FAMILY".

The theme this year is TAKE TIME FOR FAMILY.

Research shows some of the major qualities of strong families. Each of the qualities listed below, and others found in successful families, takes time to foster. Take time to encourage these family characteristics to help your family succeed.

Appreciation is feeling good about the family and what family members do for one another. Parents make a concentrated effort to be certain all children feel good about themselves. Spending time together means families enjoy being together and doing activities together. Togetherness does not just happen-it is planned. Eating meals, recreation, and work are all part of planned togetherness.

Good communication patterns are open and permit spending time together. Good listeners convey the message, "I respect you enough to listen to what you have to say."

Commitment to each other and the family unit strengthens families.

Strong families value the happiness and welfare of family members even though demands of everyday living may pull them in different directions.

Devotion to a set of values and spiritual concerns also strengthens families.

The ability to deal with crisis exists in strong families. Even in the darkest of situations, they look at the situation and see some positive element, no matter how tiny it is, and focus on that aspect.

These traits are not a magic prescription for families. Likewise, it would be incorrect to say only successful families have these six characteristics. Most families in our society have many of these traits. A problem-free family does not exist. Because of present-day stresses in our society, it is difficult for even strong families to function effectively all the time.

In today's turbulent world, however, maintaining or increasing family strengths is more important than ever. Family members need to know who they are and what they believe in. Families must show concern, understanding, and a willingness to take the time to be there for each other. Consider the characteristics of strong families and try to develop some new skills in each area of your family.

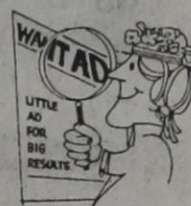

lies and try to develop some new skills in each area of your family.

RECIPE FOR THE WEEK
Classic Cream Pound Cake is one of the richest and most velvety texture of any pound cake you will ever taste... A Real Treat!

CLASSIC CREAM POUND CAKE

1 cup (2 sticks) butter, softened
3 cups sugar
6 eggs
1 tablespoon vanilla
3 cups sifted all-purpose flour
1/8 teaspoon salt
1 cup heavy whipping cream

Do Not Preheat Oven. Crease and flour a 10 inch tube pan. Cream butter and sugar with electric mixer in large mixing bowl until light and fluffy. Add egg one at a time, beating well after each addition. Blend in vanilla. Sift flour and salt together. Add to creamed mixture alternating with heavy cream, beginning and ending with flour. Spoon batter into prepared pan. Place in cold oven. Turn oven to 325 degrees F. Bake 1 hour and 15 minutes or until toothpick inserted in center comes out clean. Cool in pan 10 minutes; turn out onto wire rack and cool completely. Makes 12 to 15 servings.

County Awarded Federal Funds For Emergency Programs

Eastland County has been awarded Federal Funds for Emergency Food and Shelter Programs.

Eastland County has been chosen to receive \$8,360.00 to supplement emergency food and shelter programs in the area.

The selection was made by a National Board that is chaired by the Federal Emergency Management Agency (FEMA) and consists of representatives from the Salvation Army, American Red Cross, Council of Jewish Federations, Catholic Charities, USA, National Council of Churches of Christ in the USA and United Way of America which will provide the administrative staff and function as fiscal agent. The Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the county.

A local board made up of (Mike Zuniga, Jr., Central Texas Opportunities, Inc.; Judge Scott Bailey, County Judge; Susie Thomas, Eastland Goodfellows; Mike Perry, and Mary Jo Williams of Salvation Army) will determine how the funds awarded to Eastland County are to be distributed among the emergency food and shelter programs run by local service organizations in the area. The local board is responsible for recommending agencies to receive these funds and any additional funds available under this phase of the program.

Under the terms of the grant from the National Board, local governmental or private voluntary organizations chosen to receive funds must: 1) be nonprofit, 2) have an accounting system and conduct an annual audit, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private voluntary organization, they must have a voluntary board.

Qualifying organizations are urged to apply by November 16, 1992. Eastland County has distributed Emergency food and shelter funds previously with Central Texas Opportunities, Inc. Multi-Purpose Center participating.

For further information on the program may be obtained by contacting: Mike Zuniga, Jr., Executive Director, Central Texas Opportunities, Inc., P. O. Box 820, Coleman, TX 76834, (915) 625-4167.

DISTRICT 8 4-H CLOTHING TRAINING

The District 8 Training for the 4-H Clothing Projects will be presented to adult leaders on November 10th at the District Extension Service Office in Stephenville.

Mrs. Janet Thomas, County Extension Agent, will be attending and encourages other 4-H leaders to take advantage of this excellent training opportunity if possible. For additional information, you may contact Mrs. Janet Thomas at 629-2222.

4-H JR. LEADER'S RAISE MONEY FOR TRIP

The Eastland County 4-H Jr. Leaders will be traveling in June, 1993 and need money! At the present time 4-Hers are selling Tupperware, and this campaign ends November 10th.

The 4-H Jr. Leaders are also selling pocket book 1993 calendars and planners for \$1.00. 4-Hers can pick up their supply of calendars from the Extension Service Office.

A Bake Sale will be held on Saturday, November 21st at Wal-Mart.

The 4-Hers appreciate the public's support and assistance in making this trip possible.

EASTLAND COUNTY 4-H CLOTHING TRAINING SCHEDULED

A training to present the 4-H Clothing Project and Fashion Show rules is scheduled for Monday, November 16 at 5 p.m. in TU Electric Reddy Room.

All 4-Hers and their parents are invited to attend. The County Fashion Show is scheduled for March 6th, so now is the time to begin. The Fashion Show features a Buying and Construction division. 4-Hers have the opportunity to use consumer skills and purchase an outfit or they can choose to sew.

4-H ADULT LEADERS/PARENTS MEETING

The Eastland County 4-H Parent/Adult Leader Association will be meeting on Monday, evening, November 16th at 6:30 p.m.

Preceding the business meeting, the 4-Hers competing in the "Make It With Wool" Contest will model their garments.

Mrs. Vicki Seay is Chairman of the Association and urges all 4-H clubs to be represented. All 4-H parents are invited.

STOCK SHOW SEASON APPROACHING RAPIDLY

As the 1993 show season draws near I wanted to make mention of a few dates and requirements you need to know to be

able to participate:

1. Market steers, lambs, hogs will be validated on Saturday, December 12th from 9 a.m. to 2 p.m. No Exceptions!

2. All breeding animals must be owned by January 1st.

3. All County Show 4-H Exhibitors must contact the Extension Office by November 11th to let us know what they are planning on showing, species, breed, etc. This is important for us to plan our '93 show. Phone- 629-1093.

4. All major show entries are due in the Extension Office by November 24th. No Exceptions!

5. If you have not re-enrolled in 4-H this year, you need to do so as soon as possible.

6. All parents with 4-Hers showing market animals must participate in their respective town's 4-H/FFA Ag Booster's fund raising. This is imperative for a successful sale.

7. County 4-H Showmanship Clinic - Scheduled for January 2nd. Show Grounds.

Tom Selleck stars as Jack Elliott, a rebellious, fun-loving major league ballplayer who struggles to revive his career by playing for a Japanese baseball team.

"Mr. Baseball" To Show At Majestic This Weekend

What happens in athletics when the irresistible force meets the immovable object? The film "Mr. Baseball" takes an amusing and illuminating look at this question. In this movie hard heads play hardball in a comedy of colliding cultures and conflicting lifestyles.

Tom Selleck has the leading role of Jack Elliott, a rebellious, fun-loving major league ballplayer who is trying to revive his career by playing for a Japanese baseball team.

He meets his match in Uchiyama, the team's stiff-necked manager, played by popular Japanese actor Ken Takakura (Black Rain).

"It's the classic fish-out-of-water story," says Selleck. "Both Americans and Japanese love baseball, but they play it in very different ways. Naturally, Jack thinks American baseball is better."

Subjected to the tender mercies of Uchiyama, Jack has to struggle to find his niche in a whole new ballgame where practice sessions resemble something out of "Cool Hand Luke," where fans eat squid on a stick, and where the ideal game is one that ends in a tie.

Jack Elliott's romance with Hiroko adds another dimension to the culture-clash theme. Beautiful Aya Takanashi was chosen from a wide field of Japanese actresses for

this role.

"She's trying to break out, even to be westernized, in an attempt to be independent," film Director Fred Schepisi says. "So she understands what Jack's going through, and more than once she comes to his rescue."

"Mr. Baseball" will show at the Majestic in Eastland Friday, November 13 through Monday, November 16. Curtain time will be 7:30 each evening.

Admission will be \$3.50 at the box office, with balcony seats available to ages 21 and up for \$5.00. The picture is rated PG-13.

Stenholm To Be Speaker At Leon-Bosque RC&D Banquet In Stephenville Nov. 21

U. S. Congressman Charles Stenholm will be the speaker at the annual meeting and banquet of the Leon-Bosque Resource Conservation and Development Area (RC&D). The meeting will be held on Saturday, November 21, 1992, at 6:30 p.m. at the Holiday Inn in Stephenville.

Stenholm has represented the 17th District of Texas in the U. S. House of Representatives for the past 14 years. During his seven terms in office (he was recently reelected to his eighth term), he has evolved from a cotton farmer and livestock producer in private life, into an elected official who is highly regarded for his involvement in agriculture, rural health care, budget, veterans and small business issues.

RC&D Area is an eleven county area that includes the counties of Bosque, Brown, Callahan, Comanche, Eastland, Erath, Hamilton, Mills, Shackelford, Somervell, and Stephens. It is sponsored by the County Commissioners Courts in each of the counties and by eight

Soil and Water Conservation Districts.

The overall objectives of the RC&D Area are to bring about the social betterment, economic development and conservation of the natural resources within the RC&D Area.

The public is invited to attend the meeting and banquet. Information about reservations and the meeting can be obtained from the Soil Conservation Service offices in the various counties by November 16.

RRC Assesses \$76,950 In Well Plugging And Pollution Penalties

The Railroad Commission assessed \$76,950 in administrative penalties this week to nine oil and gas operators for violations under Commission well plugging and pollution rules.

Dohn Operating Co. of Ganado was ordered to pay a total of \$4,000 for two inactive and unplugged Jackson County

part of Texas. There have been assembled over 40 current original works for view for the one day only. The Show and Sale will be Saturday, November 14, 1992, from 12 noon until 4:00 in the afternoon.

This Show will be located at 301 Center downtown Brownwood. Ample parking is available.

wells: one on the Patman-Mauritz lease, the other on the Patman-Mauritz-B lease; Western Resources Technologies, Inc. of Spring was assessed \$20,000 for failure to comply with a commission emergency order calling for the immediate plugging of one well in the State Tract 229-5 lease, offshore Galveston County; Maverick Osage Oil Company, Inc. of Eagle Pass was penalized \$4,000 for one well on the J. K. Burr Estate lease in Maverick County; Janco Operating of Del Rio was ordered to pay a total of \$26,550 for two inactive and unplugged Dimmit County wells: one on the H. Kyle Seale lease, the other on the H. Kyle Seale-A lease; and, Exmark, Inc. of Fort Worth was assessed a total of \$9,400 for two wells on the Hamilton lease in Eastland County.

In addition, Tommy Joe

Humphrey of George West was penalized \$10,000 for one inactive and unplugged well and for storing fluids in an emergency pit for more than 72 hours at a time on the Skaggs lease in Live Oak County; and, Tempo Energy, Inc. of Midland was ordered to pay \$2,000 for one unplugged well and for failure to dewater and backfill a workover pit on the Daugherty lease in Winkler County.

One operator agreed to pay a penalty without admitting any violation of Commission rules. Ratex Energy, Inc. of Austin was assessed \$1,000 for failing to backfill two drilling pits on the Beard lease in Coleman County.

To date in 1992, the Railroad Commission has levied \$1,309,716 in well plugging and pollution penalties, compared to \$658,200 in such penalties assessed during the same period last year.

Give The Gift Of Golf

Trying to find something for that special person who has everything?

Want to help out a good cause while you're sharing the holiday spirit with friends and family?

Then why not give the 1993 Texas Golf Card?

The Texas Golf Card entitles the bearer to free or discounted greens fees at golf courses around the state. For \$25, golfers get a ticket to 90 courses throughout Texas—from the Winkler County Golf Course in Kermit to Bear Creek Golf World in Houston.

And not only does your purchase make a nice gift, you're also helping out in the fight against cancer.

For every dollar contributed to the American Cancer Society, 28 cents go toward research. Another 21 cents help fund the Society's efforts to educate the public about cancer and its prevention. And 16 cents pay for programs to help out cancer patients. Most of the remainder pays for other services and programs, while only 2 cents fund overhead costs.

The Texas Golf Card. Give the gift that gives.

For information about the Golf Card, call the American Cancer Society at 1-800-ACS-2345 or contact your local American Cancer Society office. Checks, Visa, Mastercard and American Express accepted.

CJC Defensive Driving Course

Cisco Junior College will offer a Defensive Driving Course on Monday and Tuesday, Nov. 16 and 18, from 6 until 10 p.m. The class will meet in room 3 of Schaefer Hall. Fee for the course is \$20. Enrollment must be paid no later than 3 p.m. on the first day of class. Students must attend both nights of class and must bring a valid drivers license to class. Social Security number is needed for all forms. Cisco Junior College is an agency of the Texas Safety Association - TEA License #605.

Feed & Supplements Monday Topic

The Eastland County Extension Livestock & Forage Committee along with the Callahan County Livestock & Range Committee are coordinating an educational program for beef cattle producers over winter protein supplements.

One of the major questions addressing producers this time of the year is what supplements should be fed and how much? This will be the topic of the program which begins at 6:00 p.m. November 16 at the Cisco Junior College Ag Department. Please preregister by calling the Eastland County Extension Office (817) 629-1093 or Callahan County Extension Office (915) 854-1518.

Dr. Dennis Herd, Extension Nutritionist with the Texas Agricultural Extension Service, will discuss the advantage and disadvantage of all the major protein supplements including Liquid Feeds, cubes and lick blocks. Dr. Herd will cover the importance of understanding the analysis of the label on the feeds and outline the program where different protein supplements work best.

Herd mentions that "most all supplements have a place in the market, but their compositions vary and values fluctuate in different feeding environments; it's knowing when to feed what product that makes a good well rounded nutrition program." Dr. Herd will

also discuss mineral supplements and vitamin importance.

This program will be a valuable management tool for all phases of beef cattle production.

I strongly encourage you to attend the program and learn to get the most from your investment in protein supplements.

Oscar's Bar-B-Que will serve a meal courtesy of The First National Bank of Cisco, Peoples State Bank of Ranger, Peoples State Bank of Rising Star, Citizens State Bank of Gorman, First National Bank of Baird, Eastland National Bank and The Production Credit Associates of Eastland County.

Pregnant women who exercise may need more calories.

Pregnant women who exercise may need to increase their caloric intake to compensate for calories burned during exercise. "There is some evidence that rigorous exercise results in low birth weights," said Dr. Nancy Butte of the USDA's Children's Nutrition Research Center at Baylor College of Medicine in Houston.

Traditional advice is that a woman add 300 calories a day to her diet during pregnancy and 500 calories a day during breast feeding.

But, Butte suspects these recommendations may not be high enough for exercising moms.

To study the effect of exercise on birth weights, on breast feeding and on maternal weight changes, Butte is conducting a two-year study involving 80 healthy volunteers aged 18-35.

Vertigo may be minimized through exercise.

Exercise can help people with vertigo learn to adapt to dizziness.

"It is strange, but true," said Dr. Helen Cohen of Baylor College of Medicine in Houston. "By making them dizzy through special motion exercises, people suffering from vertigo caused by inner-ear disorders that destroy balance and orientation can force their inner ear to compensate."

Cohen calls the process habituation.

"In essence, these exercises train the brain to ignore the dizziness," she said.

Repetitive head exercises such as nodding the head up and down or moving it from side to side help the brain recalibrate more quickly its responses to information coming from the inner ear. How the brain does this is unknown.

Cohen is conducting studies to understand better how exercises can help people with inner-ear disorders.

WORD OF GOD

Seek The Lord

Because I have called, and ye refused; I have stretched out my hand, and no man regarded;

Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me.

Proverbs 1:24,28

... From Page One County Commissioners

ized the County Food Pantry to sell a gas cook-stove. It will be sold as a salvage item.

Maybelle Trout, volunteer worker at the Pantry, told the Commissioners that the stove was no longer used, and more space was needed for storage.

A church in Ranger had offered to build the Pantry more shelves, Mrs. Trout said.

There was a lengthy discussion on how to proceed with the 9-1-1 addressing in the county. The Commissioners reported various locations

around the county which had apparently been missed by Jedco Designs of Clyde, a firm paid around \$25,000 to address the rural areas. Jedco Designs has since sold out.

The Commissioners decided to request a meeting with the new owner of Jedco Designs and see if something can be worked out.

When decisions are made on how to finish the county addressing the court will meet with the Telephone Company and U.S. Postal service representatives to see what is acceptable to them.

Linney - Edgar Wed

Jennifer G. Linney and Casey L. Edgar, both of Brownwood, were united in marriage September 26, 1992 at 7:00 p.m. in the First Baptist Church of Rising Star. The ceremony was performed by the Rev. R.D. Williams of Brownwood.

The bride is the daughter of Mr. and Mrs. Jerry Winfrey of Rising Star and Mr. Bobby Linney of Brownwood. She is a graduate of Rising Star High School and Cisco Junior College at Abilene.

The groom is the son of Mr. and Mrs. Jim Edgar of Brownwood. He is a graduate of Early High School and is a full time cowboy.

Giving the bride away was her father, Bobby Linney of Brownwood. The bride and groom repeated their vows before a heart-shaped arch, decorated with hunter green and wine flowers and bows, with accents in white, and also trimmed with wedding bells. Flanking the arch were two candelabra, each with flowers cascading across the center, and two baskets filled with flowers that repeated all the wedding colors. Wedding bells were used as decorations throughout the church and reception hall. Bows of hunter green, wine and white were hung along the pews. The couple lit a unity candle during the ceremony.

The bride's wedding gown was fashioned of a white silk like fabric and lace, featuring a bodice with a V-shaped neckline in both front and back, and trimmed with lace that was studded with pearls and sequins. The bodice ended in a dropped-V waistline in front and back. Lace, trimmed with the pearls and sequins, gave way to the silky fabric just above the elbow in the long sleeves. Fashioned at the back of the

skirt was a long train that was enhanced by a bow of the same silky fabric. Her veil of fine white tulle was attached to a headpiece embellished with sequins and pearls, and across her forehead pearls echoed the V-shape of the features in her gown. The bride carried a bouquet of white flowers, accented by wine and hunter green flowers and pearls in white and hunter green.

The maid of honor was Jennifer Infinger of Brownwood, sister of the bride. Bridesmaids were Staci Schlittler of Dallas and Elizabeth Lee of Rising Star, both friends of the bride. Serving her sister as flower girl was Penny Winfrey of Rising Star.

The bride's attendants wore dresses in a floral print that repeated the colors of wine, white and hunter green and were accented with peach. The flower girl's dress matched the floral print of the bridesmaids dresses and had a large bow in the back. The groom wore a black

long-tail tuxedo jacket and a white tuxedo shirt with a wine cummerbund and tie, along with black Wranglers and boots.

Groomsmen were Jason Edgar of San Angelo, brother of the groom, and Brandon Carroll of Rising Star, cousin of the bride. Ushers were Donnie Alcorn of Rising Star, friend of the bride, and Jason Cook of Rising Star, cousin of the bride.

The groomsmen wore black tuxedo jackets and white tuxedo shirts with hunter green cummerbunds and ties, along with black Wranglers and boots.

A reception was held after the ceremony, featuring, at the bride's table, a three-tier cake with fountain, punch and mints. The groom's table featured a boat shaped chocolate cake, coffee and nuts. Servers were Cam Harris, Merideth Goodwin, Mrs. G.W. Eoff and Mrs. Walter King.

The couple spent their honeymoon in San Antonio.

Stuteville's Stats

by Emily Stuteville

The district champion high school girls' cross country team journeyed to the regional meet in Dallas on Saturday, November 7. The meet took place at Vandergriff Park in Arlington.

The team consisted of Brandi Harris, Andi Ferbrache, Shirley Smith, Angelia DeLong, Heather Hutchinson, Tianay Chambers, Tiesha Long, Robin Griffin and Amy Collins.

Although no one continued on to participate at the State meet, they all did very well. As Sophomore Andi Ferbrache put it, "There were more behind me than ahead of me." They obviously had a great time and gained a lot of experience that will be valuable in years to come.

Out of 146 runners, Brandi Harris placed 51st, Andi Ferbrache placed 61st, Shirley Smith placed 99th, Tiesha Long placed 104th, Angelia DeLong placed 114th, Tianay Chambers placed 115th and Heather Hutchinson placed 116th.

Great job girls! Two miles is a long way.

Last Thursday night the mighty Jr. Cats brought home a 32-0 victory. Johnny Salazar (8th), Corey Morris (7th), and Jason Rutledge (7th) each scored a touchdown; Brandon Cook (7th) scored two touchdowns. There was also a two-point conversion made. The guys were very happy about their win. Brandon Cook said, "I can't believe the season is nearly over, and our last game against Tolar will be a win."

Tonight the Jr. Cats will play the Tolar Rattlers for their last game of the season. Thanks guys for all the information about the games. I can't wait until basketball!

Dear Rutherford

My dad didn't pay the cable bill. He says we don't need it. I'm dying! What should I do?
 Dear Couch Potato: I think you should try to live with it. You probably watched too much TV anyway so this will probably be good for you.

Davitorials

1992 has been a dud year in the music industry. We have been let down by some of pop music's most prominent figures. Michael Jackson finally came out with his new "Dangerous" cd. It gave three "Top 10" singles, a record low for Jackson and the cd itself only stayed at number one for a lonesome week. Madonna gave us "Erotica." Though it has quite a few good songs, it is not near what it was hyped up to be. Garth Brooks' "The Chase" is doing well in the charts but is not as good as his past albums. Bobby Brown released his "Humping Around" and it only stayed in the "Top 10" a few weeks. I can list cds like these for hours. Luckily we have been saved by artists like Roger Waters, Red Hot Chili Peppers, Prince and Deee-Lite. But even these cannot musically save us from the "duds." So we, as the consumer, should keep sending these artists the message that they deserve. "Quit sending us duds or we'll quit buying your cds." And stick to this promise or Michael Jackson and Bobby Brown will keep giving us stuff we don't even want to listen to for free!

Lat Saturday, Oct. 7, the Junior Class held a "Cinderella Contest" in the auditorium at 7:00 p.m. The contestants who participated were divided into three different categories. They are as follows:
 Junior High Division: WINNER, Sammy (Shameka) Osbourn; Nick (Nichole) Cevallos, Chris (Kier) Bailey, Michael (Michelle) Sizemore, David (Velvet Fisher, Chris (Christi) Cevalos and Lee (Tamika) Robinette.
 Senior High Division: WINNER, Flip (Phyllis) Horn.
 We would like to thank all the contestants for having the guts to participate. That tells a lot about you!
 And to all the guys who signed up and then backed down, I only have one thing to say: CHICKEN!!!

Helping Tomorrow's Leaders Today

Materials for the 1992-93 Coca-Cola Scholars Program are available in over 19,000 high schools across the United States. This merit-based scholarship program awards 150 scholarships each year, making it the largest business-supported scholarship program of its kind. High school seniors can compete for 50 four-year \$20,000 scholarships and 100 four-year \$4,000 scholarships, for study at any accredited U.S. college or university. Selection is based on leadership, achievement and commitment, both inside and outside the classroom. The Coca-Cola Scholars are a very diverse group. Last year's recipients included a young man who achieved high academic

success and spent many hours volunteering in his community while living in a group home; young people who volunteered through Appalachia Service Project, Habitat for Humanity, United Way and other organizations to rebuild communities. Young people who are deeply concerned with environmental issues, and initiated recycling programs. Young people who are concerned about the homeless and the hungry and initiated clothing drives and soup kitchens.

More information and an application for this unique scholarship may be obtained from the scholarship coordinator at your high school. The application deadline is October 31.

What senior girl was found riding around with three guys Friday night? It was a good thing only one of them came out with love bites on his neck!
 What three guys showed us their true spirit at the Cinderella Saturday night? Let's go Wildcats!
 Somebody needs to show these guys how to put on pantyhose; you're not supposed to rip them on the way up!
 What two girls spent their Friday night stealing peanuts from the peanut mill? It's a good thing that a couple of handfuls won't hurt anything.
 What senior guy gets a kick out of chasing innocent girls around the block a couple of times before he let's them know who he is? You really shouldn't scare people like that WE!
 What cross country girls

were greeted with a peculiar water balloon at their front door? Somebody must not have anything better to do!
 What four girls went up to a senior's house and got him out of bed at 1:30 Friday night? Like them long-johns!
 What junior Cinderella can't even start a tape recorder by him, or should I say herself. I thought you were smarter than that LR!
 Hey Fisher, I didn't know that slam dancing could be so dangerous to the upper body!
 I'd like to compliment the boys who were in the Cinderella contest, because most of those who said they would be in it chickened out (and you know who you are!). We know who the real men are!
 If you have any gossip contact me sometime during the week before Friday.

CLEAN TEXAS 2000

QUESTIONS TO THE CLEAN TEXAS 2000 HOTLINE: 1-800-458-9796

Q: I work in a small office. It doesn't seem practical for us to recycle because we would probably have to haul our material somewhere. Do you have any ideas for us?
A: Yes. Call Clean Texas 2000 and one of our recycling experts will be glad to share ideas with you. For starters, remember to use both sides of all paper. Cut old stationery and documents into note paper. Those steps can cut your waste paper by at least one-fourth. We have a growing list of entrepreneurs who for a reasonable fee will pick up your recyclable trash. If you are in an office building or near other small offices, you could consider pooling your efforts, which might reduce your costs. Your office waste might not seem like much, but the average U.S. office worker uses 350 pounds of paper a year, which adds up to more than 10 million tons of paper thrown out by offices each year.
Q: I've got ants in my house. Help! I'd rather have the ants than use the commercial sprays. Is there a safe way to get rid of them?
A: Yes. First, a little preventive maintenance. Be sure that the area near where they are coming into your house is clean. An old juice spill or a piece of fruit that got kicked into a hidden corner can attract ants. Then caulk around your baseboards and other wood joints. (This will help keep roaches out, too.) If caulk isn't available, petroleum jelly will work temporarily. Then mix a little boric acid with jelly. Ants seem to like apple mint jelly, but we've had luck with other flavors as well. The ratio is about 5 percent boric acid, but don't worry about proportions as much as getting it well mixed. Then be patient. Let the ants feed and take the acid back home. Within a few days, your problem should be greatly reduced.
Q: I live 40 miles from anything, even a convenience store, so it would be expensive for me to get rid of household chemicals even if you had a collection site near me. What should I do?
A: The first step for you is to reduce your use of materials that might eventually need costly and sometimes dangerous disposal. The Texas Water Commission will send you a brochure describing safe, non-toxic alternatives for almost any household use. For those products that you still have, if you can't use them for their intended

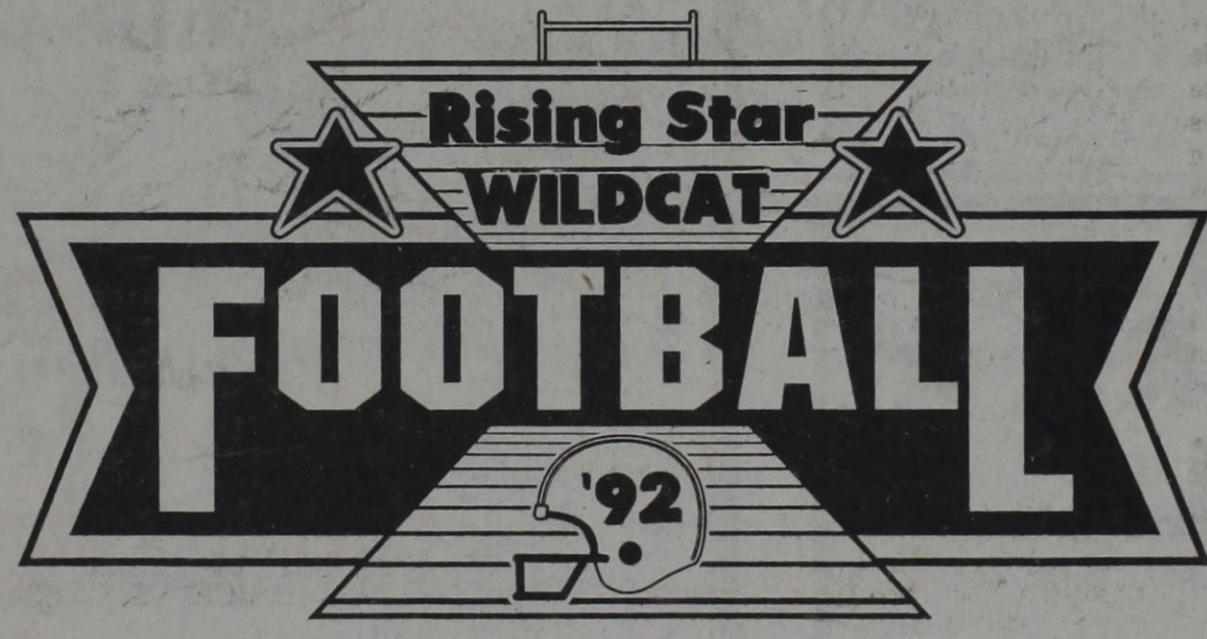

Army Helps Finance Local College Degrees

Albuquerque, N.M. - Army enlistees in New Mexico and West Texas qualified for nearly five million dollars in college financing during the last six months, according to Lt. Col. Brad M. Beasley, commander of the Albuquerque Army Recruiting Battalion. During March through August 1992, 215 individual recruits within the battalion's area qualified for both the Montgomery G.I. Bill and the Army College Fund, Beasley

said. The college-bound soldiers live across New Mexico, West Texas from Amarillo to El Paso and the western edge of Kansas and Oklahoma. Under the combined education program, the soldier contributes \$100 per month during the first year of enlistment, a total of \$1200. This contribution is matched by the Army for a total of \$17,000 for a two-year enlistment, \$22,800 for three years and \$25,200 for four years for use at a college or vocational school after the Army enlistment. Applicants must be a high school senior or diploma graduate, score in the top 50 percent of the entrance aptitude test and choose job training in a critical skill area. The \$258,000 contributed by the new soldiers in New Mexico and West Texas will be matched by funds from the Army for a total of \$4,834,600. The available college financing resulted from 53 two-year enlistments, 62 three-year enlistments and 100 four-year enlistments. "The Army continues to need the most talented youth to serve and it offers not only a choice of training but the Army College Fund to attract them," said Beasley. "The really great thing about these college programs," Beasley pointed out, "is that these are tax dollars coming home to our communities after the recruit leaves the service. He'll be there for a lot of years after he gets his diploma, sharing and contributing to the community and his fellow citizens." Young people interested in financing college through the Army should contact their local Army recruiter for program details.
