

From The Editor's Window

Through the three-day week end including Memorial Day 154 deaths were reported from all over the nation. The drop in this year's Memorial Day week end deaths from 304 last year has been attributed to war factors, one of these being the ban on pleasure driving in the eastern states and, another, the shift of civilians to the armed forces.

All canned milk including both the condensed and evaporated varieties, has been rationed during the past week by the OPA.

The ration value of canned milk was set at one point per pound and consumers will use their red stamps in ration book No. 2 for the purchase of this commodity.

It has been estimated that from 3 to 4 points per week will provide requirements of canned milk for the average adult and the OPA has urged that only persons unable to obtain fresh milk should spend their points for the canned milk.

It is reported that the average cost of living in Texas has advanced 21.6 per cent during the past two years.

The greatest increases are said to be that of meats and fresh vegetables.

The cost of clothing has advanced 25.5 per cent according to the report.

It seems that farmers in Hidalgo and other black-eye pea districts in that vicinity are about to lose their crops for want of a market.

It is said the Government posted prices of \$5.75 per 100 pounds of dried peas, but now that the peas are about ready to market no buyers can be found who will pay that price and that few buyers will take them at any price.

The chairman of the State War Board has been informed of the plight of the growers and steps to relieve the situation are expected by the farmers.

The rubber industry in Nicaragua, sponsored by the United States Government, is said to be in full swing and the people of that country enjoying considerable prosperity.

Up to now these people have depended on exports of bananas, mahogany and pine lumber.

The report states that there is doubt as to when the banana industry will be revived as the United Fruit Company has sold its ships and loading equipment to the United States Government.

He was one of those fathers who believed in trying to answer any questions put by his young son. So he did his best when the youngster asked him:

"What are ancestors, Daddy?" "Well, my boy," he replied "I am one of your ancestors, and your grandfather is another."

A puzzled frown marred the childish brow.

"Then, Daddy, why do people brag about them?"

Sunday Customer: "And give me change for a dime, please."

Druggist: "Sure, and I hope you enjoy the sermon at church this morning, sir."

Customer: "Does a man with as little hair as I've got have to pay full price to have it cut?"

Barber: "Yes and sometimes more. We usually charge double when we have to hunt for the hair."

Gasoline Boards Cutting Down on Pleasure Gasoline

The gasoline boards over the country are cutting down on the amount of gasoline used for pleasure. The large oil companies are mailing out letters to all of their filling station agents notifying them that all T cards will be out on July 1, and there may be a rush to cash them just before the first and they are warning the agents that any agent having too many of these T ration cards will be investigated.

The new book that will be out the first of July will be a T book, but it will be a double T book instead of a T book and any one taking the T cards after June the 30 will be subject to prosecution under the OPA. OPA is cutting down on the use of gasoline in 15 more states this week and threatening to place a ban on the use of gasoline for pleasure all over the country, however there has been no action yet.

FRED CUTBIRTH SELLS STEERS AT 16.75 PER HUNDRED

Fred Cutbirth one of Callahan county's largest cattle trader at Baird, delivered 100 head of mixed yearlings to Sol Weatherby of the Triplett Cattle company. They were sold by weight and the pay weight was slightly above 500 pounds and the steers sold for 16.75 per hundred, the heifers for 15 cents per pound. The heifers were shipped to Maryland and steers to Kansas. Mr. Cutbirth said that was the highest price he ever sold cattle. He delivered the heavy end of his yearlings last week which averaged 653 pounds.

SIX CALLAHAN COUNTY BOYS WERE GUESTS OF CAMP BARKELEY JUN. 18

Six Callahan County 4-H club boys will be guests at Camp Berkeley, June 18. Each boy produced enough food during the past year to feed a soldier. L. L. Johnson, State boy's club agent, and camp authorities will give special recognition for their food production accomplishments.

Production by the six Callahan County 4-H club boys include:

A total of 4000 pounds of beef produced by Billy Sol Estes, Clyde, David Park Clinton, Putnam, 1800 pounds of beef; Dale Ellis, Putnam, 700 pounds of beef and 75 bushels of corn; Mack Woods, Putnam, 600 pounds of beef and 60 bushels of corn; Lowell Johnson, Dplin, 1000 pounds of mutton and 500 pounds of beef; Billy Kennard, Clyde, 600 pounds of beef, and 800 pounds of pork.

Mr. and Mrs. Norris Park of Del Rio, are visiting in the home of Mr. Park's parents, Mr. and Mrs. W. L. Park.

citizens are now fighting with the United States armed forces. The report stated that of this number some 204 are commissioned or non-commissioned officers.

3,719,367 Paid In Pensions During Month of June

Old people who are on the pension list are surprised again as the Legislature was supposed to have made sufficient appropriations to pay the grant in full, but checks are being sent out \$2.43 less than the original grant.

We here give a statement by J. S. Murchison, executive director. Quote: "State funds for old age assistance payments being insufficient for the month of June to pay all grants in full, each certified grant is reduced in accordance with the present law, therefore, your check will be \$2.43 less than the amount of your certified grant."

"The 48th Legislature appropriated \$1,900,000 for each succeeding month. Of this year's appropriation of \$40,316.11 is being used for administrative services, and thus a State fund of \$1,859,683.89 is available for old age assistance payments, thus making a grand total for assistance payments of \$3,749,367.78. The total certified grants of the 183,154 on the rolls for June, amounts to \$4,164,432 which exceeds the available funds of \$3,719,367.78 by the amount of \$445,064.22. By deducting \$2.43 from each check, the total of all checks is made to equal the amount on deposit for payment—(\$445,064.22 divided by 183,154, equal \$2.43 per check). The necessity for continued reduction in the amount of your check is deeply regretted, but the maximum amount of funds made available by legislative appropriation is being distributed by the department in accordance with the present laws."

PINTO BEANS HARD TO COOK, LEFT ON THE VINE TOO LONG

Many people are complaining of pinto beans being tough and hard to cook, and the county agent explains that is the fault of the harvest methods and the dry weather in which they have been produced.

The question why beans should be tough bothered the Extension department for a long time, but has been found when beans are left on plants until the plants mature and die, then beans are tough and hard to cook. The beans should mature on the plant to a point where the points are beginning to turn brown, but the foliage is still green. The plants then should be pulled up and placed in small piles to dry three or four days, after which the beans may be picked off or run through a threshing machine.

GRASSHOPPER CONTROL EASY IF COMMENCED EARLY, COUNTY AGENT

Where grasshopper infestation occurs, control measures should start immediately in order that damage can be kept to a minimum. Good results may be expected by using poison bait which can be made by mixing the following ingredients:

- White arsenic or paris green, 1 lb.
 - Wheat bran, 25 lbs.
 - Water, 3 1/2 gallons.
 - Molasses, 1 quart.
- Mix dry matter first then add water and molasses, apply in the morning or best results.
- If wheat bran cannot be purchased, some other similar product may be used, and molasses may be omitted from the above mixture.

COUNTY AGENT'S RECIPE FOR CONTROLLING INSECTS ON TOMATOES

The tomato fruit worm which is about one inch in length, and green or brown striped in color, feeds on tomatoes, beans, peppers, and ears of corn. "If control measures are not taken, considerable damage will be done in a short time."

For control start dusting when tomatoes are the size of marbles, with cyrolyte 1 part, and sulphur 2 parts; or 1 part calcium arsenate, and 1 part sulphur. For best results, apply in the morning when the plants are moist.

Farm Loans to be Made on Wheat For the 1943 Crop

It has been announced from Washington by the War Food Administration that wheat farmers loans would be available to eligible farmers on 1943 grown wheat at rates averaging nationally \$1.22 per bushel at the farm. Rates under a similar loan in 1942 averaged \$1.14 per bushel at the farm. Eligible loans will be made farmers who complied with the 1943 AAA farm program relating to wheat and war crops. The loan rates vary according to grade and quality and location of storage with reference to terminal markets.

Rates at principal terminals are higher than at farms. The terminal rates reflect transportation and handling costs involved moving grain from farms to market.

Loans will be made by the commodity credit corporation on a note and chattel mortgage basis for wheat stored on farms, and on note and loan agreement for basis for wheat stored in approved warehouses.

BAPTIST ENCAMPMENT AT LUEDERS TO OPEN JUNE 21, CLOSE 27th.

Ten annual encampment of West Texas Baptist will be held at Lueders June 21 to 27, will be completed with selection of a camp pastor, was announced by J. D. Riddle, educational director of the First Baptist church at Abilene last week. Dr. W. R. White who resigned as president of Hardin-Simmons University, was to be camp pastor but will be unable to serve on account of having to move to Nashville, Tennessee as soon as possible.

The encampment will open 8:15 p. m. Monday June 21, and closes with services the following Sunday. Sessions daily will be devoted to adult, young people's missionary, brotherhood, training union and other conferences, as well as recreation. The encampment is sponsored by the Baptists of the 17th district.

REX BEARD SENTENCED TO DIE IN ELECTRIC CHAIR AUGUST 3rd.

Rex Beard Jr., who killed deputy Sheriff Wade Willis of Taylor county, who was tried in the 104th district court at Roby and given the death penalty, was sentenced to die in the electric chair August 3 by Judge Owen Thomas, judge of the 104th district court.

Beard was brought in before the 104th district court Tuesday morning a few minutes past nine o'clock by Sheriff Bill Dunwoody of Jones county. He had spent the night in the Jones county jail at Anson, where he was brought from Dallas. The trip from the main state penitentiary at Huntsville was broken in Dallas, where Dunwoody stopped to testify in Federal court.

WILLIAM JEFFERS NOT TO LEAVE WASHINGTON ON FIRST OF JULY

Rubber Czar, William Jeffers will not leave his job on July 1 to go back to railroading, as he previously had intended, says so himself. "I'll stay until I get this program wrapped up and handed back to the industry where it belongs. Then I'll get out of Washington."

MRS. WILLIAM DODD BURIED IN PUTNAM CEMETERY FRIDAY

Mrs. William Dodd, wife of William Dodd, former resident of Putnam, was buried in the Putnam cemetery Friday afternoon beside the grave of her husband who died several years ago. The Dodds were early settlers in this part of the state, moving to Graham many years ago where she died last week. Survivors are one daughter, Mrs. Alto Thomas of Graham and a number of grandchildren. Mrs. Dodd was a sister to the late John Heslep.

B. C. Chrisman Loses His Car Saturday Evening

County Superintendent B. C. Chrisman is minus an automobile. The Superintendent and family attended the Christian church Saturday night at Baird, leaving his car parked nearby with the switch key in the lock. When they returned the car was gone, along with his ration books which were in the car pocket. Friends took the family home in a car which is about ten miles south of town.

Mr. Chrisman hitched hiked into Baird Monday morning and tried to find a car that he could buy or rent, but at night his search had been unsuccessful. The stolen car was a 1938 black 4-door Plymouth sedan, bearing a 1942 license No. 189-759.

CHARITY GILLILAND MARRIED TO LT. JOHN ALLEN ON MAY 26th.

Charity Gilliland, daughter of Mr. and Mrs. Sam Gilliland, was married to Chaplain John Allen, lieutenant United States Army, with the Rev. Allen of Gainesville, Florida, the groom's father, officiating. The marriage was solemnized May 26 in the Baptist church of San Mao, Fla. The bride was graduated from the Baird high school and attended North Texas State Teachers college at Denton.

Lieutenant Allen received his high school education in Long Beach, Mississippi, and was graduated from the University of Florida and Southwestern Baptist Seminary, Fort Worth. For the past year he has been pastor of the Palatka Heights Baptist church. He has reported to Harvard University for further study before reporting for active duty in the army. Lieutenant Allen is well known in Baird, having served as missionary here for the Baptist church.

JAMES HARBER HURT WITH BASEBALL BAT SUNDAY AFTERNOON

T. E. Morrison, who attended the ball game at Sedwick Sunday afternoon, reported the game 14 to 4 in favor of Sedwick. However he stated the game was torn up by one of the boys from Putnam being hit with the bat. He said Donald Hallmark was at the bat and the bat slipped out of his hands and struck James Harber over the left eye, cutting an ugly gash. He was taken to Albany for first aid treatment. After treatment he was released by the doctor and it was thought that no serious injury caused from the lick. Mr. Harber is a nephew of Mrs. Thomas E. Morrison.

FORMER SHERIFF NORDYKE MOVING TO SAN ANGELO

Carence Nordyke who served two terms as sheriff of Callahan county and was elected for a third term and resigned to accept employment with the Texas Ranger force, has sold his residence in Baird and is moving to San Angelo where he is now headquartering. Nordyke has been with the Rangers since last November, but has been waiting until the close of school to move his family.

LT. CRAWFORD HUGHES TO SPEAK IN PUTNAM TUESDAY EVENING 8:45

Lieutenant Crawford Hughes of Baird will speak at the Methodist church in Putnam Tuesday evening, June 22, at 8:45 p. m. No doubt that Mr. Hughes has something to tell the people that will be interesting, since he stayed in the jungles of the Pacific more than a year before being picked up by American flyers. It is urged that Putnam citizens turn out to hear this speech.

TWO CRIMINAL CASES HEARD IN BAIRD, EACH GIVEN TWO YEARS

Proceedings in district court at Baird this week: Monday M. C. Whitehead charged with felony forgery and Robert G. Miller accused of felony theft of an automobile, each plead guilty and were sentenced to two years in the penitentiary by Judge Milburn S. Long, judge of the 42nd. district court, Monday afternoon.

Willie Barron Has Foot Run Over by Truck June 9th.

Willie Barron is walking on crutches as a result of getting his left foot run over by a truck. He is employed by the Texas & Pacific railway on the section and when they quit work east of town Wednesday afternoon, he rode in with Buel Smith who is also employed by the railway company, who uses a truck to go and return from work.

They were driving west on the Bankhead highway and had gotten down in town and was in front of the Cook garage when Barron attempted to get off the truck, thinking it was going to stop, but when he stepped off the truck was still moving and he fell, throwing his left foot under the truck and the front wheel passing over it. He was taken to Cisco where his foot was xrayed and found no bones broken only badly bruised.

THE FUNERAL OF MRS. T. E. POWELL HELD IN BAIRD MONDAY AT 3 P. M.

Mrs. T. E. Powell, age 83, wife of T. E. Powell, one of Baird's most prominent business men and a resident of Baird for many years, died Sunday morning after a short illness.

Mrs. Powell, formerly Amanda Allen Gray, was born March 1, 1860, in Louisville, Ky. She was married to T. E. Powell on October 7, 1885, the couple immediately moving to Texas.

Funeral services were held at the home with Rev. S. T. Collins, pastor of the Presbyterian church, officiating, after which interment was in Ross cemetery at Baird.

Survivors are her husband, T. E. Powell, and seven children, R. Gray Powell, Dallas, Dean and Jessie Powell, Baird, Mrs. A. M. Cooper, Kerrville, Mrs. J. A. Dubberly, Lubbock, Mrs. W. J. Evans, Clovis, N. M., and Carlton Powell, Amarillo. Two children, Ada and Earnest, died previously.

Pallbearers were Hugh Ross, Howard Farmer, Earl Hall, L. L. Blackburn, Dr. V. E. Hill and C. B. Snyder.

MORGANTHAU WANTS TAX BILL 50 BILLION TO PAY WAR COST 1943

Secretary Morgenthau set a goal of \$50,000,000,000 in tax collections to pay the \$100,000,000,000 annual cost of the war, and indications are that Congress will legislate a revenue act late this year to meet that goal. Secretary Morgenthau's plan is to place a 10 to 20 per cent spending tax above a fixed total and it will be paid by some 30,000,000 persons, in addition to regular taxes; and to increase the regular tax rate on small income earners as well as corporations.

The advice says important congressional leaders will try to offset a boost via a national sales tax but will finally vote the treasury plan because a national sales tax isn't equitable and the plan will help stop inflationary wild spending where consumer's goods are low.

COUNTY AGENT'S OFFICE TO CONTINUE REGISTERING FOR FARM LABOR

Registration of farm labor and labor needs will continue at the County Agent's office in an effort to supply labor on farms where labor shortages exist.

At this time additional labor is needed on several farms, therefore any persons desiring farm work, is urged to make application.

CHARLES ODOM IN SANTA ANNA HOSPITAL THIS WEEK

Charles Odom of the Odom Grocery, was taken to Santa Anna Tuesday where he had a minor operation performed. Wednesday afternoon Mrs. Odom reported him doing as well as could be expected. She stated he would be home in a week or ten days, if no complications arise.

Mrs. Stanley Butler has gone to Hastings, Nebraska where she will remain for her husband until he has finished Army training and school prior to his appointment as an Army Aviation Cadet.

College Graduates May Get Scholarships For Social Training

Citizens of Callahan county who are college graduates between 22 and 40, and acceptable for admission to accredited schools of social work, may apply for one of 75 American National Red Cross scholarships, available July 1, Dr. R. L. Griggs, chairman of the Callahan county Red Cross chapter has announced.

"Scholarships provide for full tuition and an allowance of \$65 a month toward maintenance for one academic year," he said, "and after completing the training, students will be assigned to Red Cross home service positions as executive secretaries, supervisors or case workers."

The scholarship plan is expected to help relieve a shortage of trained personnel required by the Red Cross in fulfilling its rapidly increasing obligations to servicemen and their families.

The chairman said that the number of home service requests have jumped from 500 daily before Pearl Harbor to more than 4,000 a day.

Dallas, Texas.—The young aviator turned away with a sigh when a worker at the Red Cross sewing room said she couldn't alter the shirt he had brought in until the next day. "I hoped to get fixed up today because I wanted to get engaged tonight he murmured. The Red Cross worker changed her mind and altered the shirt.

A VICTORY GARDEN

(By Emy)

Let us plant a Victory garden, If agreed, then that's a bargain, What shall we plant? We must decide For the family with food we must provide.

Three or four rows of Bermuda onions, A couple of rows of sugar pumpkins, Black-eyed peas and carrots, too, Radishes, squash, and beets a few, Okra and crisp white cabbage heads, Pepper, spinach, and a lettuce bed; English peas and sweet potatoes, Garlic, cucumbers, and tomatoes; Just a few rows of turnip greens, Next, a row or two of butter beans.

Then I'd plant a few rows of spuds, We could grow them except for bugs, Then I think I'd plant some posies, A Victory garden should have roses.

Now I'm sure that's rows a plenty In fact I think it's an even twenty, Then I think with hoe and rake A lot of work for us 'twill make.

MORAN AND COMMUNITY

My Column

MRS. C. C. CADY

Flag Day was observed in Moran with more than the average interest. Flags were flying from our public school and post office; Mr. Ledbetter had Uncle Jack's flag flying in the breeze; Smith's drug store had a flag displayed in the window; and a large flag was displayed in front of our Moran Leader office.

Every American who hoisted a flag this June 14 could thank God for the safe home, office or factory in a free country. He will pray as the shining folds swing in the breeze that by the time another Flag Day rolls around many lands now under the Axis heel may fly their own flags freely.

Farmers are busy this week harvesting the golden grain. One carload of wheat was ready to ship Tuesday from the MKT depot and there will probably be four or five more carloads for the season from Moran.

Ben Waters who always raises a fine wheat crop has not failed his record this year. Ben is a good farmer. He has some low land which yields a good crop, even in this off-year.

Other farmers who have nice yields of wheat on the Albany highway are Jim Strickland and Oran Dennis. Dennis has a hundred acres in wheat, oats and barley. The combines are going and by the end of the week the harvest will be in full blast.

Mr. and Mrs. J. A. Edwards spent the week-end in Fort Worth visiting Mr. and Mrs. Bonnell Edwards, who is a welder in the Globe Aircraft.

Mrs. Trox W. Perry left last Thursday for San Diego Calif., to spend the summer with her husband who is stationed at the marine base.

SOFTBALL CONTINUES TO DRAW CROWDS

(By a Fan)

The softballers are still going strong and notwithstanding the heat the fans are just as strong. Last Wednesday the Sedwick Tigers and the Moran Boosters tangled in a hotly contested game. The score was 10 to 24 in Moran's favor. The runs made were as follows:

Sedwick		Moran	
Hammons.....1	Knight.....2	Huskey.....3	Brooks.....2
Morrison.....0	Locke.....2	Hallmark.....1	Edger.....3
Edgar.....1	Brooks.....2	Scott.....1	Connie.....2
Jhonnie.....0	Hudman.....3	Dennis.....1	Williams.....3
Speck.....1	Jerry.....3	Reese.....1	Kyle.....2

The Saturday's game was an entanglement between the Boy Scouts and some of the Moran elders. The score was 9 to 15 in favor of the Boy Scouts. The runs made were as follows:

Boy Scouts		Elders	
L. Williams.....2	Knight.....1	Billie Allen.....1	Brooks.....0
Buster.....2	Cottle.....1	Huskey.....2	Edger.....3

Sunday Games
Well, it seems that Softball is the war time amusement in this neck of beautiful Texas. Three games were played at Sedwick last Sunday. The most sensational and well played game was the all women's teams. There were some Misses and some Mrs., but they all played like they got it out of the book. The score was 14 to 9, but I don't know from which side of the track the winning team came from.

Sedwick and Putnam tangled up in a 9-inning game with a score of 19 to 6 in favor of Sedwick. Moran put the bee on Putnam with a score of 13 to 9.

Harold Hammond and family of Haskell were visiting his parents, Mr. and Mrs. F. Hammond, and brother, Mike, who is here on furlough from Columbia, South Carolina. Mike returned to Haskell with them for a short visit.

Ensign L. P. Bumpers was a most welcome guest in the home of his mother, Mrs. Delia Bumpers, Thursday of last week. He spent about three hours here visiting with relatives and friends while enroute to points west on a routine flight.

Ensign Bumpers is an instructor at the naval air base at Corpus Christi, having been stationed there immediately after he received his wings last November. He was accompanied on the trip by his mechanic, Bill Nail of Albany.

Bob Forrester, son of Dr. and Mrs. Forrester reported for duty at Camp Wolters last Monday. His mother has received three letters from him during one week's time.

Cpl. John S. Dennis, one of our Moran boys is now a propeller mechanic in the Air Force at Pueblo, Colo. He has travelled a lot, seen a good part of the U. S., but likes his old station in Colorado where the nights are so cold that you need a blanket for sleeping.

First Class Pvt. Oca C. Henry was visiting home folks last week on a 10 day furlough from Ft. Dix, N. J. He was glad to see old Texas again, but likes his work in the Air Force very much.

Staff Sgt. Howard Hammond from Columbia, S. C. is home visiting relatives and friends. Moran welcomes her soldier boys. His sister, Mildred visited him on her way to Washington last month. Sgt. Hammond has seen a good deal of the country and has flown out over the Atlantic, but Texas looks best of all he stated.

First Sergeant and Mrs. Harold Lane, are announcing the arrival of an 8 pound boy, born June 10 at Ft. Benning, Ga. He has been named George Bertram for his two grandfathers. Mrs. Lane is the former Miss Gladys Overby of Moran.

Pvt. Eugene Overby who is stationed at Camp Hood, visited his sisters last week-end in Moran. Mrs. Overby and son accompanied him as far as Temple.

LUNCHEON CLUB

The Luncheon club met Wednesday with 14 members and two visitors present. Deputy Sheriffs John Hightower of Albany and Lee Dunham of Moran were guests. A. A. Smith, toastmaster, presided. Reports of committees were given and V. L. Rucker was appointed to get data and report of the pay-as-you-go income tax plan.

Election of officers will likely take place at the next meeting on June 23, and all members are urged to come out and make your selection of the new officers of the club. The meeting adjourned with the pledge to the flag.

Patsy Ruth Walker, little daughter of L. L. Walker, was also a guest at the luncheon.

Gene Thomas has gone to Gruver, Texas where he has employment through the summer months.

Rice Jackson who has been seriously ill at his home is slightly improved.

Personal Mention

**Here Are New Meat Prices
Under OPA'S Roll Back**

A representative list of new meat prices which go into effect June 21
in Zone Four, which includes all of Texas and Oklahoma, under the
"roll-back" orders announced in Washington Saturday, was issued by
the regional OPA office here.

The list contains some of the new and old retail ceilings for Grade
A beef and veal (second highest of five grades) and also Grade A lamb
and Grade S (prime) mutton.

The list gives the ceilings, or highest prices the retail stores may
charge. Prices lower than the ceiling are permitted.

The ceilings for Class 1 and 2 are for independent retailers who did
less than \$250,000 gross business in 1942. All other stores are in Class
3 and 4.

RUBBER GOVERNORS

Two rubber state governors are
scheduled to get together June 28
when American Made rubber day is
celebrated in Texas. The day has
been proclaimed by Governor Coke
R. Stevenson and all Texas will join
in celebrating the important part
Texas is playing in the vital rubber
program.

Because most of the rubber is now
processed in Ohio the arrangements
committee, headed by Thornton
Hall, of San Antonio, president of
the Texas Newspaper Publishers'
association and Deskins Wells, man-
ager of the Texas Press association,
has invited Governor John W. Bricker
to take part in the ceremonies.

Four of the government-owned
plants are being erected in Texas,
and more synthetic rubber will be
produced in this state than in any
other. Occasion of the June 28 cele-
bration is the opening of the Bay-
town plant, to be operated by The
General Tire & Rubber company in
association with the General Latex
and Chemical company, of Cam-
bridge, Mass.

A nation-wide broadcast on the
night of June 28 will tell the nation
of Texas' part in the solution of the
rubber problem.

D. K. Mercer of Kilgore was here
last week visiting his father, T. F.
Mercer and friends and relatives in
the Atwell community.

I. G. Mobley, who has been here
from California visiting with home
folks for the past several days, re-
turned this week to training camp.

Bob Langston is in Oklahoma
visiting with his daughters and it
will be a month before he returns
to Putnam.

Mr. and Mrs. Owen Cook of Freer
are spending his vacation in Put-
nam visiting with Mr. Cook's par-
ents, Mr. and Mrs. M. H. Cook Sr.
and other relatives and friends.

E. B. Barron of Camp Swift and
Everett Barron of Indiantown,
Pennsylvania, are visiting their
parents, Mr. and Mrs. Will Barron
this week.

**U. S. SUPREME COURT
REVERSE THEMSELVES
IN FLAG SALUTE CASE**

The United States Supreme
Court overruled Monday a decision
it delivered in 1940 holding that
school children cannot be constitu-
tionally be required to salute the
American flag if they had religious
scruples against such action. Jus-
tice Jackson delivered the decision,
involving the challenge by members
of "Jehovah's Witnesses" on a flag
salute requirements by the West
Virginia board of Education. Jus-
tices Roberts, Reed and Fran-
forter dissented.

Justice Jackson wrote the opin-
ion which read as follows: "We
think the action of the local au-
thorities in compelling the flag sal-
ute and pledge, transcends consti-
tutional limitations on their power
and invades the sphere of intellect
and spirit which it is the purpose
of the First Amendment to consti-
tute to reserve from all official
control."

In its June the 3rd, 1940 decision,
the court sustained the constitu-
tionality of a flag salute regulation
by the Minersville (Pennsylvania)
school district. It was challenged
by "Jehovah's Witnesses" who con-
tended that saluting a flag consti-
tuted idolatry. The court sustained
their contention.

Truett Little is home after being
in the Pacific war zone in the com-
bat forces more than a year. He
saw service while over there, but
was shipped back to the states on
account of disability, and is now
home on furlough visiting with his
parents, Mr. and Mrs. M. M. Little.

Mrs. Frank Maher is limping
around this week as a result of the
ball game at Sedwick last Sunday.
She received a sprained ankle.

Mr. and Mrs. Walter Holley of
Afton were visitors in the home of
Mrs. Holley's parents, Mr. and Mrs.
Will Barron Sunday.

Mrs. G. W. Jeter returned from
Denton county Friday where she
had been visiting for the past sev-
eral days.

Miss Vella Sandlin was looking
after business in Baird Monday
morning.

**FARM SITUATION
DOMESTIC QUESTION
NO 1 WITH PEOPLE**

The farm situation is a number
one domestic problem, for after all
everyone has to eat. The draft
rulings have at last officially recog-
nized this fact. The question now
is how much damage has been
caused by delayed decisions, that
cannot be corrected this season.

To get increased milk production,
once the supply has been depleted,
requires several years. Cows must
be milked and fed regularly, and
anything that interferes with that,
as has been the case for several
months past, depletes supply or
prevents an increase.

Farm wages have increased un-
til they are prohibitive on most
small farms where a major part of
the milk comes from. All the
theorizing in the world and plan-
ning from swivel chairs will not
change these facts. Fortunately,
the small farmer working through
their marketing cooperatives, are
at last making themselves heard.
Otherwise, this country would be in
a bad way for its milk supply right
now and in the future.—Exchange.

Donald Elzey, who has been sta-
tioned at Pearl Harbor for the past
year, is home for a few days visit-
ing with friends and relatives, here
and at Cisco.

Mrs. Ralph Mitchell is visiting
with her parents, Mr. and Mrs. J.
E. Pruet this week.

**MRS. KATHERINE BERRY
DIED AT COUNTY HOS-
PITAL MONDAY MORNING**

Mrs. Katherine Berry, age 90,
died in the county hospital at Baird
Wednesday at 11:45 a. m. from ef-
fects of a broken hip received in a
fall last week. Mrs. Berry was
born at Hapstead, Arkansas, Aug-
ust 29, 1853. She was married to
Captain Berry, a widow who was 55
years old, at Georgetown. Mrs.
Berry was only 17 years of age at
the time of her marriage.

After the marriage, Mr. and Mrs.
Berry moved west from Williamson
county and settled first in Laspasas
county and moving from there to
Callahan county May 25, 1881, and
had lived at the same place two
miles south of Baird, until her death
Wednesday morning.

Her husband was killed July 31,
1897, on the main street of Baird,
when his team of mules pitched
him off of his wagon and ran over
him.

Funeral was held Thursday af-
ternoon at the Baptist church at
Baird at 3:30 p. m. with Rev. A. A.
Davis conducting the services. Bur-
ial was in the Ross cemetery at
Baird.

Survivors are two daughters,
Mrs. Fannie Murphy, Baird, and
Mrs. Wylie Gaines of Abilene; five
sons; Bob, Ode, and Grover, all of
Baird, Harry of Clyde, and George
of Baird.

T. F. Mercer and wife were in
Baird on business Monday morning.
