

City Okays Cable TV Franchise

With the new city administrator - Buford Duff - present, the city commission worked through a light agenda Monday night and approved a television cable franchise for the community.

The franchise was granted to a local company doing business as Slaton Cable TV Company. Principals in the company are Jim Hughes, local radio station owner; Clark Self Jr., furniture dealer here; and Kermit S. Ashby, co-owner of the radio station.

The commission approved on the first reading the ordinance which gives the company the

right to do business. Service must be started in Slaton within three years.

Timetable for service to the community depends upon a ruling by the Federal Communications Commission concerning a microwave system from the Dallas-Fort Worth area to Lubbock.

Hughes and Clark appeared before the commission and explained that patrons of the cable would have from six to eight channels available for viewing. Outstanding features would be a weather channel, educational television and civil defense connections.

Potential channels would come from the Fort Worth - Dallas area and from the Amarillo area. Another feature would be the ability to bring closed circuit audio programming of special events of interest to Slaton residents.

Hughes said installation fee would be \$15 and the monthly assessment would be \$6. Estimated cost of the construction of the TV cable would be from \$150,000 to \$175,000.

The unanimous vote came on a motion by Commissioner Jack Smith which was seconded by Commissioner J. W. (Curly) Martindale.

Representatives of Brownfield TV Cable Co. were also present to ask for the same franchise. The firm was represented locally by L. O. Lemon, barber.

The Brownfield firm presented an ordinance stating that the company would have to be operational within five years. However, the commission in an August, 1964 meeting had obligated itself to give the Slaton firm first opportunity to the franchise.

In other action, the council okayed the annexation of 14.01 acres of land in northwest Slaton for the purpose of residential

development. The land is located west of the new cemetery.

Bill Cox of Lubbock appeared before the commission to ask for annexation of the proposed subdivision. Cox said the new homes will be built in hopes of attracting Lubbock workers to move to Slaton. No date on construction has been set.

The commission called the municipal election for April 5. The terms of Commissioners Earl Reasoner, ward two, and Robert Banks, ward four, expire.

10 CENTS

C-C Committee Chairmen Named

Committee chairmen were appointed for the year to highlight a meeting of Slaton Chamber of Commerce directors here Monday afternoon.

Named by C of C President Speedy Nieman to head the committees were Bob Kern, community improvement; Tommy Wallace, industrial development; Carroll McDonald, membership and finances; Ed Williams, program of work; Clark Self Jr., retail trade promotions; Don Kendrick, Christmas program.

Jake Wendel, community coordination; Dr. Lee Vardy, transportation and highways; Earl Eblen, aviation; Jay Gray and Willie Heinrich, agriculture; Ella Schmid, policy and by-laws; Jim Hughes, publicity and public relations.

A financial report from Mrs. Julia Bisbee, office secretary, was approved by directors.

The chamber's new professional manager, Bill Payne, is scheduled to move here from Crane March 1.

Grocery Store Opened Here

The opening of Benny's Drive In Grocery was announced today by the owner, M. Benny Vittitow of Lubbock.

The firm is open for business and will be fully stocked by Friday. The store will be open seven days a week from 7:30 a.m. until 11 p.m.

The store is located at 700 W. Division and is formerly known as Skimney's Drive In Grocery.

Heinrich Files For School Post

Willie Heinrich has filed for re-election to the Slaton School Board, marking the second incumbent to announce for the post.

The terms of Heinrich and Joe Miles expire this year, and Miles had previously filed for re-election as a trustee. Election is scheduled April 2, and deadline for filing as a candidate is March 2.

Heinrich is completing his first three-year term as a school board member.

Man Arrested For Violation

A 64-year-old Anson man, Ed Williams, was arrested about noon here Monday on a warrant from Mantage County.

Williams is wanted for violation of probation on felony charges of swindling by worthless checks. He is also wanted by officers in Abilene.

Williams is in the Slaton city jail and is being held for investigation here. No local charges have been filed. The arrest was made by Patrolmen Ted Jones and Dutch Robinson on the west side of the square.

A burglary was reported Tuesday night at the construction site of the First Christian Church on W. Division. Two power skill saws were taken.

A two-car accident Monday about 11:50 a.m. injured Hattie Smith Cade of Slaton. She was treated at a local clinic and released.

The accident occurred at the intersection of 4th and Floyd. Mrs. Cade's auto was in collision with a vehicle driven by Severo Alvarado of Slaton.

Little League Meet Slated For Tonight

A nominating committee will report and the election of officers will be conducted when Slaton Little League directors meet tonight.

Clarence Kitten, president, announced the meeting will be held at 7:30 p.m. in the community room at Citizens State Bank.

School Bond Issue Would Correct Temporary Projects

The proposed improvement program for the Slaton Independent School District, if approved, will provide some very necessary facilities that have been needed for several years.

In order to provide the opportunities and experiences for children that are deemed necessary for high educational standards, certain temporary arrangements have been made. This condition can not continue as the schools of Slaton are to keep pace with the changing times and conditions.

The quality and type of educational program needed in a community of today is vastly different from that some years back. In addition, a growth in student populations also necessitates new improvements and changes.

The people of Slaton must make a decision as to the progress of their school system. The schools are provided for children, and they must be given an opportunity to prepare themselves for a world that is changing faster than any other time

in history and for concepts that have not yet been established. All authorities are in agreement that some of the youth of today will be employed in business, industry, or other types of employment that do not exist today.

These children must be taught how to adjust quickly and effectively to these changing conditions. The various benefits received from a fine educational program can not be determined until the children of today become adults of tomorrow. Children should be prepared to compete with others over this great country of ours.

In recent years the office of the President of the United States has advocated an improved program in physical education. The criteria set up for such a program demands the use of a full-size gymnasium.

(See SCHOOL, page 8)

Other Facilities Delayed Gym

In 1958-59 the Slaton schools had an enrollment of 1,738 in September. In 1965-66 this enrollment had increased to about 2,100 people which means an increase of some 360 people in seven years. This increase will average approximately 50 pupils per year.

All present projections seem to indicate that our present growth will continue in the same manner. Therefore, by 1968 or 1969, the need for a new elementary building will be imperative. The present growth of our city is more westerly than any other direction, which indicates the new building should be placed in the western

part of the city. The site is now purchased and will be available whenever needed.

It is felt that this information should be passed on to the people of this community in order that they will be in position to vote intelligently upon the school improvement bonds. It is firmly believed that if such improvements are not made at this time, standards that must be met will demand a larger expenditure, whenever it is done, so as to meet all requirement as set out by the Texas Education Agency.

The gymnasium for the high school is also being delayed.

(See GYM, page 7)

150 Attend Medicare Meet

Approximately 150 persons attended the meeting Monday where the benefits of Medicare were explained.

The meeting was held at city hall and was conducted by the Social Security Administration. A representative of the Lubbock office was present to explain provisions of the new law and to take applications from interested persons.

Any person 65 years or over may apply for the benefits. Information may be obtained by contacting the Lubbock office.

Triangle Is Booming Industry

BY ROY MCQUEEN
Slatonite Staff

Harried motorists headed toward Lubbock have probably noticed Triangle Manufacturing Co. on the left side of the highway, just outside the Slaton city limits. It has the appearance of an over-grown

welding shop, but the adage, "Don't judge a book by its cover," could well be applied.

Founded on a shoestring in 1960, the corporation has boomed into a near \$1 million a year business. Brains behind the operation is Jack Schuette, a Slaton native who decided to take a chance.

Schuette was employed as an industrial engineer for a Lubbock firm for five years. He gave up the security of the job to found Triangle which did a \$800,000 business last year.

Schuette is a 1951 graduate of Texas Tech with a degree in industrial engineering. He is president and major stockholder in the corporation and the firm has seven other stockholders.

Triangle is a major industrial operation in Slaton. With the exception of the railroad, it employs the greatest number of persons—some 35.

The Slaton economy was enhanced last year by a company payroll in excess of \$100,000. Schuette's parents still live near Posey, where he was reared. He and his family live near Wilson. He is a graduate of Slaton High School.

Schuette said that his roots being planted in Slaton is a reason for founding the company in Slaton. Another factor—and perhaps the most important—is Schuette wanted the company to be distinctive.

"We would have been lost in Lubbock had we started the business there," Schuette pointed out. "People would see us in Slaton." And see them they have.

The tremendous growth experienced by the company is reflected in a \$100,000 building project underway just west of the present site. Schuette said the new facilities would give the company more flexibility.

To be housed in the new steel building (the building is being constructed by Triangle employees) is a 225-ton press brake which will shape and eighth-inch piece of metal. Also included in the plans is a shear which is capable of cutting a one-fourth inch piece of steel.

The new facilities are expected to be completed by the end of the year.

Heart Sunday Drive Slated

An all-out drive to collect funds for heart research clinics here this weekend with the observance of Heart Sunday.

Mrs. John Locke, community chairman, said volunteer workers with badges of identification will make a house-to-house canvass Sunday. The residential drive is the highlight of Heart Month.

Friday night at 8, a benefit dance is scheduled for local teenagers at the VFW Hall. All proceeds from the dance will be given to the Heart Fund.

Advanced donations included \$150 from the Lubbock County Beverage Association and \$10 from WAABI, both in memory of Melvin Tudor.

Proceeds from the dance Saturday night at Hillcrest Country Club netted the Heart Fund \$202.25.

Wedding Rites In Sweetwater

MRS. MAXIM DARRAN KING

Announcement has been made of the marriage of Miss Marian Yolane Hodge to Maxim Darran King, both of Sweetwater. The ceremony was performed Feb. 6 in the First Christian Church of Sweetwater.

The bride and her parents, Mr. and Mrs. Marion C. Hodge, are former residents of Slaton.

Mrs. King is a senior at Sweetwater High School, and will continue her studies. The bridegroom is a 1965 graduate of Sweetwater High School and is employed at Sweetwater Manufacturing Company.

The couple is making their home at 509 Pecan, Sweetwater.

ITEM: Before refinishing woodwork, make sure that all traces of wax have been removed and that any still-glossy surfaces have been sanded so that the new coating can adhere firmly.

ITEM: Persons who are considerably overweight probably should reduce, not by cutting out meals, but by cutting down on food intake. Take it off slowly. A pound or two off a week is plenty.

MRS. NICKY PATTERSON nee Miss Judy West

Judy West Weds Patterson Here

Miss Judy West became the bride of Nicky Patterson in a double ring ceremony read by the Rev. Clinton Eastman at 7:30 p.m. Saturday in the Westview Baptist Church.

The bride is the daughter of Mr. and Mrs. Wayne West and parents of the bridegroom are Mr. and Mrs. Pat Patterson of Rt. 1, Slaton.

Given in marriage by her father, the bride wore a formal length all over chanta-lace gown, designed with a scalloped portrait neckline, long petal point sleeves, a high rise waistline, accented by a tiny string bow.

The A-line skirt extended into a brush sweep train. A petal caplet, outlined in seed pearls, held a three-tiered elbow length veil of imported illusion. The bridal bouquet was white roses centered with an orchid.

Matron of honor was Mrs. Tommy Todd. Bridesmaids were Misses Pam Davis and Donna Stricklin. They wore floor length dresses of pink cloud delustered satin designed with empire waistlines and

scoop necklines.

The waist was accented with a bow and long streamers. The attendants wore long white gloves and matching pill box hats with circular veils of malene. Each attendant carried a long stem red rose. Donna Stricklin and Bobby Brake were candlelighters.

Tommy Todd served as best man, Fred Marriott, brother-in-law of the bride, Billy Cooper, Larry Gamble and Brake were ushers, Marriott and Cooper also served as groomsmen.

Wedding music was presented by Mrs. M. G. Davis, organist, who accompanied Miss Peggy Kirksey, soloist.

A reception was held in the fellowship hall of the church following the wedding.

For a short wedding trip to El Paso, the bride chose a yellow wool suit with black patent accessories. She wore the orchid corsage from her bridal bouquet.

The bride is a senior at Slaton High School. She is a parttime employee at Webb's

Mrs. Arrants Hostess For Garden Club

Members of the Slaton Garden Club met last Wednesday in the home of Mrs. Max Arrants, with Mrs. Dudley Berry serving as co-hostess. The program was opened by Mrs. Bill Smith, and roll call was answered with "Conservation Hints." Members were reminded of the Festival of Flowers and Antique Show which will be held May 11 at the Slaton Club house.

Mrs. Bruce Pember presented a program on "Conservation", giving the names of several books on the subject, and describing the different ways in which water, fertilizer and peat moss may be used in conservation.

Refreshments of cherry pie, nuts and coffee were served to 19 members.

The next meeting will be Mar. 9 in the home of Mrs. H. T. Swanner, at which time the program will be "Background For Beauty."

MR. AND MRS. W. L. PUNKONEY

Punkoneys Have 50th Anniversary

Mr. and Mrs. W. L. Punkoney of Slaton were honored on their Golden wedding anniversary with a reception Saturday afternoon in the home of a daughter, Mrs. Bruce Blair. Assisting with hospitality was another daughter, Mrs. Bob Thompson of Lubbock.

Children attending included Mr. and Mrs. Leroy Punkoney and daughter, and Mr. and Mrs. Melvin Punkoney and daughter, all of Dallas; Mr. and Mrs. W. L. Punkoney Jr. and children from Aspen, Colo.; and

Mr. and Mrs. Thompson and children. This was the first time the entire family had been together since 1949.

Mr. Punkoney and Miss Mamie Harris were married Feb. 12, 1916 at Stamford. They lived near Anson until moving to Slaton in 1940. He is a retired farmer.

Mrs. Opal Smith of Hamlin was visiting her son in Lubbock over the weekend and came by Slaton to visit Mr. and Mrs. C. E. McCoy.

Viet Nam Drive Ended By FHA

The Slaton Chapter of Future Homemakers of America have completed a drive to collect items for the boys in Viet Nam. The "Goodwill For Heroes" drive ended Friday, and members reported collecting more than \$80.

Students at Slaton High School were asked to bring one of the items such as toilet articles, paper-back books, ready-to-pop popcorn, pre-sweetened Kool-Aid and old magazines.

The chapter plans to buy several cases of the soft drink to send to Viet Nam. Last week several members solicited contributions for the purchase of this as each case costs approximately \$28.

Department Store and plans to remain in Slaton until after graduation.

The groom is in the U. S. Army and recently completed basic training at Ft. Polk, La. He will report to Ft. Knox, Ky. for special training in the armored division.

When a neighbor calls for a Heart Sunday contribution, remember that Heart and blood vessel disease is your number one health enemy, causing about 34 percent of all deaths.

Counselor Is Guest Speaker For Athenians

David Powley, Slaton High School Counselor, was speaker when the Athenian Study Club met Tuesday night in the home of Mrs. R. C. Hall Jr. Powley was introduced by Mrs. G. W. Privett, who was in charge of the program. He spoke on maintaining mental health.

During the business meeting, the club voted to help with Heart Sunday, Feb. 20. Members also voted to assist Mrs. Hester Moore, the county health nurse, in providing transportation for needy mothers to the Planned Parenthood Meetings in Lubbock.

Refreshments were served following the meeting. Attending were two new members, Mrs. Truett Bownds and Mrs. Coy Biggs, guests, Mmes. Tommy Lacey, Everett Hodges, J. L. Cartrite and Mr. Powley, and members, Mmes. M. G. Davis, W. T. Davis Jr., Harley Martin, Ed Moseley, Bob Kern, L. A. Reasoner, Tommy Wallace, Johnny Moore, Joe Miles, Don Mitchell, S. H. Jaynes, Jim Hughes, Privett and Hall.

The club's next meeting will be March 1 in the home of Mrs. M. G. Davis.

BEAUTICIANS IN ACTION--in observance of National Beauty Salon Week, local beauticians gave of their time for residents at Slaton Rest Home. The beauticians are Mrs. Charlotte Sartor, Mrs. Winnie Vaughn, Mrs. Billie Aven, Mrs. Melba Ethridge, and Mrs. Sue Baker. The proud recipients are Mrs. Effie Privett, Mrs. Beatrice Moore, Mrs. Etta Smith, and Mrs. S. F. Clary. Slaton beauty shops had 100 percent participation in the project. (SLATONITE PHOTO)

Slaton Beauty Shops 100%

Slaton beauty shops are 100% participating in a welfare project during this week proclaimed as National Beauty Salon Week in Slaton and other cities.

Eighteen women who are residents at Slaton Rest Home are being "treated" to new styles this week as several beauticians are giving of their time to help build the patient's morale. There are also 12 other lucky recipients around town, some who are needy children, who are also receiving either permanents or hair-sets.

Heading the project as chairman is Mrs. Winnie Vaughn of the Cinderella Beauty Salon. Through her efforts permanents were donated by a supply house to the operators planning to give free permanents to the underprivileged this week.

Participating in the project are: Charm Beauty Salon, Cinderella Beauty Salon, Daphne Beauty Salon, Dawson Beauty Shop, 18th Street Beauty Shop, Eura's Beauty Shop, Gladys's Hair Styling, Hill's Lady Fair Beauty Salon, Katherine's Beauty Shop, Leverah's Beauty

Shop, Melba's Beauty Salon, Ordie's Beauty Shop, Palace Beauty Shop, and Pohl's Beauty Shop.

Dinner Party Marks Birthday

Machelle Mullins was honored on her ninth birthday with a dinner party at Bruce's Restaurant Tuesday night from 6:30 to 8 p.m. Hostess for the party was her mother, Mrs. Mullins. After dinner, birthday cake was served. Attending the party were LaDonna Jones, Rhonda Moseley, Melissa Locke, Angela Wilkins, Karla Southerland, Frank Love, Craig Nieman, Keith Bumpass and Gary West. Others attending were Mrs. Lula Caldwell, grandmother of the honoree; Randy Mullins, her brother; Mrs. Edna Fenley, Jamie Foerster and Mrs. Earl Foerster.

Wilson Woman's Father Dies

Funeral services were held at 2 p.m. Thursday for Virgil N. Stewart, 77, father of Mrs. Joy Huffaker of Wilson.

The Post resident died Tuesday in a Post nursing home following a long illness. Services were held in the First Methodist Church with the Rev. Clarence Stephens, pastor, officiating. Burial was in Terrace Cemetery under the direction of Mason Funeral Home.

When you give to the Heart Fund you fight heart attack, stroke, high blood pressure, rheumatic fever, inborn heart defects and other heart and circulatory disorders. A Heart Sunday volunteer soon will call at your home for your gift. Be generous!

Mrs. Olga Bryant and Mrs. Leroy Poer, both employees at Mercy Hospital are in Austin attending a records librarian meeting. They left Wednesday morning and plan to return Sunday.

Auxiliary Works On Yearbook

The Ladies Auxiliary to the Brotherhood of Railroad Trainmen met at 10 a.m. Thursday with Mrs. Dan Schuette, president, conducting the meeting. Officers present included Mmes. Floyd Fisher, Herschel Glasscock, C. F. Bradford, Harold Steffens, Lynn Perdue and Schuette.

New pages were added to the yearbooks, bringing them up - to - date. This was the group's January project. During this month, members will be asked to contact at least one non-attending or prospective member.

Refreshments were served by Mrs. Fisher. The next meeting will be at 10 a.m. today in the American Legion Hall.

Blue-Gold Fete Slated Feb. 24

Plans for the Blue and Gold banquet, scheduled Feb. 24, were made Monday afternoon at the regular meeting of Cub Scout Den 8 when they met at Stephen F. Austin school.

Climaxing Boy Scout Week, the group accompanied by their den mother, Mrs. W. L. Roche, attended 8 o'clock Mass Sunday at Our Lady of Guadalupe Church.

During activities Monday, they were given instruction in whipping rope ends to prevent travelling, and in tying square knots.

Present were Angelo Gonzales, Jessie Gracia, Ronnie Valadez, Robert Davis, Arthur Valadez, Oscar Martinez, Andrew Dabla, Phillip Davis, Domingo Sanchez and Marcelino Gonzales.

Give generously on Heart Sunday to combat diseases of the heart and circulation.

MR. AND MRS. EVERETT MANGUM

Everett Mangums To Observe Anniversary

Mr. and Mrs. Everett Mangum of Slaton will be honored with a reception at the Slaton Club House Monday from 7:30 - 9 p.m., commemorating their 25th wedding anniversary.

Gentry; sisters and brothers-in-law, Mr. and Mrs. Ray Johnson, Mr. and Mrs. Bill Karon and Mr. and Mrs. Bobby Swan, all of Lubbock; brothers and sisters-in-law, Mr. and Mrs. Charles Gentry, Lubbock, and Mr. and Mrs. Guy Gentry, Slaton.

Mr. and Mrs. Mangum were married Feb. 22, 1941, in Slaton by the late Rev. H. C. Gordon.

The Mangums have two other sons, John, who is with the Army in Kaiserslautern, Germany, and James, stationed

BREWER Insurance Agency

MR. AND MRS. CALVIN LYDELL WILLIS

Shewmake-Willis Vows Pledged Here

Caroline Shewmake became the bride of Calvin Lydell Willis at 5:30 p.m. Sunday in a house party.

The bride was escorted by her father, Mr. R. E. Shewmake. The groom was Mr. Calvin Willis, Slaton.

The marriage by her father was a pink and white affair. The bride wore a pink and white gown with a short veil. The ceremony was held following a reception. The table was set with a white and pink theme.

was laid with a lace cloth over pink, centered with a large wedding bell flanked by pink flowers and birds. The three-tiered wedding cake topped with a miniature bride and groom was accented with pink tapers in crystal candelabra.

Misses Velma and Opal Willis presided at the refreshment table, serving cake and punch.

Following a wedding trip, the couple will reside at 1307 Ave. X in Lubbock. Willis is employed with Pope Electric Company.

MM Class Has Dinner Meeting

The Mary Martha Class of the First Baptist Church met in the dining room at Bruce's Restaurant last Thursday night for dinner.

Attending were Mrs. Roy Hodges, teacher, and Mmes. Bob Milliken, R. G. Moore, Speedy Nieman, Harold Culver, and R. D. Southerland.

Cotton fabrics are highly resistant to shrinkage.

MAKING PLANS---Looking forward to the "Heart Teen-Age" Dance Friday night at the VFW Hall are Vicki Nowlin, Wicker Nowlin and Caron Caldwell. Music will be furnished by "The Replicas", a teen-age group from Lubbock who are volunteering their services for that night. The hall and concession are also being donated by the VFW for the Heart Fund benefit. Adult sponsors and committee members attending will include Mr. and Mrs. Bill Smith, Mr. and Mrs. R. H. Davis, Mrs. Connie Locke and Mr. and Mrs. Tommy Davis. (SLATONITE PHOTO)

Your generous gift to the 1966 Heart Fund will make possible expanded research, education and community service programs to fight heart and circulatory disease. A Heart Sunday volunteer will call at your home during the Sunday,

Join the crusade against the heart diseases which are responsible for more deaths each year than all other causes combined. Give to your Heart Sunday volunteer who will be calling at your home Sunday.

Projects Discussed By VFW Auxiliary

Thirteen members and five guests attended the meeting of the Ladies Auxiliary to the VFW #6721 Monday night at the VFW Hall. Mrs. Billie Clements, president, introduced Mmes. Fred Williams, Sue Crowder, Ela Mae Crowder, Robert Bevers and Roy Milan as guests. They are members of the Lubbock auxiliary.

Mrs. Alvin Cheney was initiated as a new member. The auxiliary has collected 83 articles to be given to the FVA Chapter in support of their project "Good Will to Heroes". The chapter will send the articles to Viet Nam Saturday.

A report on the mid-winter round-up activities was submitted by Mrs. Sue Crowder, district senior vice-president, and she also announced that a bus would be chartered for the June Department Convention to be held in Houston. All Slaton post and auxiliary members are invited to take advantage of the reduced bus rates by getting reservations not later than June 1.

Patriotic Instructor Frances

Sargent reviewed a suggested plan for an Americanism program for the auxiliary in February. The plan was accepted and will be carried out on the last Thursday of the month.

The group also voted to support the Heart Fund drive on Feb. 20 by contributing of their time on Heart Sunday, and they also gave a cash donation to the fund.

Mrs. Bo Becker reported four families were taken to the Well-Baby Clinic this month and that the next clinic will be March 3.

Members were urged to continue in helping with the sale of Marion-Kay products by calling 5330 or 3951 to obtain the merchandise for sale.

Following the meeting, coffee and cookies were served and a door prize donated by Mrs. Lawrence Cheney was won by Mrs. Ela Mae Crowder. The next scheduled meeting is Feb. 28.

Mrs. Payne Honored With Bridal Shower

Mrs. Dennis Payne, the former Miss Linda Longtin, was honored with a bridal shower Friday from 7 - 9 p.m. in the clubhouse.

Receiving guests at the door were Mrs. Tom Longtin, mother of the bride; the honoree, and Mrs. Dick Payne, mother of the groom. Miss Tomi Longtin, sister of the bride, registered guests.

A red and white Valentine theme was carried out in the decorations. The centerpiece was red and white carnations. Silver appointments were used. Hostess gift was an electric blanket and an automatic coffee maker.

Musical selections were played by Mrs. Wade Thompson during the evening.

Serving as hostesses were Mmes. F. C. Boyd, C. F. Bradford, T. E. Chapple, Don Crow, Robert Hall Davis, Tommy Davis, Eugene Eddings, Leonard Foster, and Mrs. Leon

Herrin of Roundup.

Others were Mmes. Joe Holland, Daniel Jansa, R. M. McMinn, M. G. Mitchell, A. L. Paschall, Ray Ricker, Sr., Earl Reasoner, Howell Sammons, Claude Simmons, Wade Thompson, W. L. Roche, and Wayne Sartor.

Out of town guests were Mrs. Marie Dismukes of Post, Mrs. Dick Payne of Abilene, and Mrs. Jackie Payne of Abilene.

Junior Group Is Commended

The Junior Legion Auxiliary of Slaton has been cited by the Department of Texas Junior Activities Committee of the American Legion Auxiliary as being the first junior legion in the state of Texas that is actively organized.

The Auxiliary is in its membership drive this month, continuing its work in Muscular Dystrophy and members are volunteers for the Heart Fund Drive.

The auxiliary was organized Nov. 7, under the leadership of Mrs. Ellis Schmid, senior auxiliary president. Mrs. Roy McCann is senior chairman and Miss Ann Ayers is junior chairman.

SLATON TIGERS--A 20-5, won-loss record was posted by the Tigers during the 1965-66 season. Back row, from left, is Coach Tommy Lacewell, Pat Wheeler, Orin Smith, Larry Mason, Richard Washington and Larry Pickens. Front row, from left, is John Johnson, Doyle Etheridge, Victor Cristan, Jerry Burrell and Rodney Farrell. (MONTIE PHOTO)

Roosevelt Fems Win Crown

A total of 17 teams have entered the annual Wilson Outsider's Volleyball Tournament which begins tonight in the Wilson gym. Ten teams are in the women's division and seven are in the men's bracket. Teams are entered from Crosbyton, Idalou, Slaton, New Home, Lubbock, Hale Center, Wilson and McAdoo.

Action today begins at 3:34 p.m., while play Friday gets underway at 4:30 p.m. Saturday action is on tap for 6 p.m. Bobby Davis, Wilson coach is tournament director. Admission to the tourney is 50 cents. Mens and womens champion and consolation winners will be awarded prizes.

Slaton Captures Conference Win

The Slaton Tigers finished their season on a high note Friday night with a, 75-48, victory over the Frenship Tigers on the latter's home court. At the same time, Denver City was slipping by favored Post, 63-61, to throw the District 4-AA race into a deadlock between the Mustangs and Antelopes.

Both leaders were to have season finales Tuesday night and both were expected to easily walk away with the victory. If both teams were winners Tuesday, a playoff game would

be required, probably on a neutral court. Slaton finished its season with a, 20-5, won-loss record. Coach Tommy Lacewell's crew was 4-4 in district competition. Jack Mason, who missed the last three games, was back into the lineup and collected 18 points in his last effort as a junior. Richard Washington managed 16 points while Orin Smith bagged 13. Others scoring for Slaton included seven for Victor Cristan, five for John Henry Johnson, six for Rodney Farrell and

five for Pat Wheeler. Doyle Etheridge had four while Larry Pickens managed one. Bill Grady was the top scorer for Frenship with 16 points. Don Allen was close behind with 14. Tommy Hutcherson was third with eight tallies. Slaton hit 65 percent of the free shots while Frenship was close behind with 62. A review of the season showed Slaton with an even 1600 points compared to 1282 for the opponents. Slaton outscored the opposition by 318

points. Four of Slaton's five losses came in loop play. Mason was the top scorer with 384 points during the year and Washington managed 303. Had Mason finished the season uninjured, he would have surpassed the 400 mark. Smith had 245 points during the season while Cristan managed 219. Rodney Farrell chipped in 51 points this season and Doyle Etheridge managed 42. Pat Wheeler had 39 while Paul Hall hit for 27. Larry Pickens put in 26 and Jerry Burrell had 15.

Champs Play For Practice

Aspermont--a pair of basketball champions met in Slaton's Junior gym Friday night for a game. The game is set for 7:30 p.m. in a bi-district game. The two schools will meet in the Slaton gym for a warm-up contest. The winner of District 6-A has a 21-7 won-

lost record for the season. The Bulldogs are coached by Carroll Eggleston who had a successful first year at Anton. Walter Campbell, 6-2, is the senior center and top rebounder for Anton. Rounding out the starting lineup are Nicky Biffle, 5-7, guard and junior forward Ricky Reep. Anton, which has won three straight district titles, is to

meet Bledsoe in a bi-district game next Monday night in the South Plains College gym at Levelland. Leading the Bulldogs is Larry Crews, a 5-10 sharpshooter with an average of 23 points a game. Forward Mike Couch has averaged 15 points a game. The Hornets from Aspermont are winners of District 6-A.

Bowling

Eblen Pharmacy remained four games out front in the Slaton City Bowling League with five weeks remaining on the schedule.

Slaton Co-Op Ginners are in second place with 56 wins. The leaders have 60 victories. Tucker Butane is in third position. George Johnson won high individual series with his first 620 effort. He had games of 212, 236 and 172. His 236 was high game for the night and it tied the third high game of the season.

Eldon Allison sewed up second high honors with a 588. Second high game went to Bobby Jones with a 228. Team action saw Eblen bowl a high team series of 2806 and high team games of 1001 and 996. Triangle Manufacturing had second high series of 2624. Hestand Grocery was the team with the next high game, a 918.

Volleyball Meet

The Roosevelt Eaglettes captured the district championship Tuesday night with a, 64-52, victory over Petersburg. Roosevelt finished league play with a 11-1 record.

Roosevelt will face Springlake in the first round of the playoffs. The Roosevelt girls captured the state title last season. Windy Cromer and Brenda Herring each scored 17 points while Cindy Wilson had 26 for the losers.

Petersburg won the boys game, 74-40, as Max Scarborough hit for 16. David Denham had 15 for Roosevelt.

GYM---

(Continued from Page 1)
 school was originally set to be constructed back in the late 1950's. However, three conditions changed at that time which made it necessary that certain other improvements be made.
 The enrollment in Evans and Austin schools increased so rapidly that additional classrooms had to be built.
 The Vocational Education

Division of the Texas Education Agency has a requirement that certain facilities must be provided for their program. One of these requirements is that the vocational agriculture should have adequate classroom space and adequate shop space with necessary equipment. If these improvements had not been made in lieu of the gymnasium, Slaton schools would have lost some of the financial support of the State and there would have been

children without a place to attend school.

The creation of a new aspect in science increased the demand for adequate science space in our high school. The orbiting of Sputnik alerted all of the people of the United States to the need of an improved science program. To meet this pertinent demand, the schools were forced to provide science facilities to meet the new requirements that were set up as a result of the breakthrough in the science field, Slaton School, of course, provided the facilities.
 These improvements of necessity cost money that was not originally designed for this purpose. The gymnasium at high school was delayed to care for these very crucial needs. The first phase of this present improvement program is the construction of a gymnasium at high school and a cafeteria at West Ward. This plan provides that these be ready for 1966-67 school year.
 This program has been under intensive study for at least four or five months, and most of these items have been a part of the thinking of the Board of Education for a much longer time.

It is felt that the final decision of the fate of this issue should be determined by the people of the Slaton Independent School District, and this opportunity will be given to the people on Feb. 28, 1966.

CITY---

(Continued from Page 1)

Deadline for filing for the offices is March 4. Absentee balloting will be held through April 1 in the city secretary's office at city hall.

The commission authorized Duff to implement plans in excavating the Division street lake. Duff was instructed to check into the cost and to advertise for bids, if necessary.
 Commissioner Smith requested that 3rd and Scurry be dragged. He also asked that a street light be installed at 4th and Scurry.

The group agreed to complete the street lighting project underway here. The city, in cooperation with Southwestern Public Service Co., is in the process of changing incandescent lighting to mercury vapor street lighting.

It was pointed out that approximately 120 lights are yet to be changed. This will cost the city about \$108 additional each month.

A favorite hobby of scientists, at the Huntsville, Ala., rocket center is cave exploring.

Rites Conducted For Bill Louder

Final rites for Bill Louder of Cooper were held at 2 p.m. Wednesday in the Cooper Methodist Church. The 42-year-old man died Monday night in Lubbock's Methodist Hospital.

Officiating was the Rev. Johnny Williams, pastor. He was assisted by the Rev. Joe Allen, pastor of the New Home Methodist Church.

Burial was in Resthaven Memorial Park under direction of Franklin - Bartley Funeral Home.

Louder had lived in the county since 1941, moving here from Hermitage. He was a veteran of World War II and a member of the Cooper Methodist Church and Lions Club.

Survivors include the widow; one son, Steve; three daughters, Linda, Lisa and Lydia, all of the home; two sisters, Mrs. Harvey Kooz of Lubbock, Mrs. Don Short of Fort Worth; one brother, Charles of Tahoka and his maternal grandmother, Mrs. R. J. Coker of Oklahoma City.

Pallbearers were Gene Vinson, O. K. Harden, Kenneth Davis, Clifford Robertson, Bobby Jones and George Hinkman.

Honorary pallbearers were the board of directors of the Slide Co-op Gin, John Key, John Griffin, Junior Powell, Dr. Edward Downs, Dr. Frank Ryburn, George Buckingham and Stan Grzywacz.

POLITICAL CALENDAR

The Slatonite has been authorized to announce the candidacies of the following persons for office in the May Democratic Primary Election:

For County Commissioner Precinct 2
GEORGE GREEN
JIM BENTON

For Justice of Peace Precinct 2, Place 1
MRS. FRANK LAWRENCE

For State Senator Dist. No. 28
H. J. "DOC" BLANCHARD

Highest Honor Awarded Scout

Life Scout J. E. Eckert III, son of Mr. and Mrs. J. E. Eckert Jr., was awarded the "Ad Altare Dei" medal in ceremony

at 8 a.m. Sunday in St. Joseph's Catholic Church. The award, presented by Msgr. Peter Morsch, is the highest honor given by the church to a boy scout.

Requirements for earning this medal include a year of special services for the church, such as preparing the altar for mass; serving daily mass for at least six weeks; assisting in Holy Week services; and visiting a cathedral. At present, J. E. serves as mass commentator once a month at

St. Joseph's Church.

Special guests at the ceremony were members of Troop 125 and their adult leaders, Alex Webb, assistant scoutmaster, and Marvin McCain. The group then attended services at the First Methodist Church as guests of the Busy Men's Bible Class, the troop's sponsor.

Attending church in a group is one of the activities observed each year during Boy Scout Week.

SCHOOL---

(Continued from Page 1)

nasium within all junior and senior high schools, Slaton High School has only a small gymnasium which has made it necessary that workouts for our basketball team be held in the gymnasium of junior high school.

This created two definite problems, one of which is travel to and from this gymnasium and loss of class time. In addition, the junior high school program has been limited because it has had to share its facilities with the high school program.

This, of course, is one of the temporary arrangements that has existed in the past. The accreditation standards of the Texas Education Agency also provide that adequate physical education facilities shall be available in all junior and senior high school buildings. In order that there will be no question about the Slaton schools meeting the standard as set out by the Agency, it becomes essential that a full-size gymnasium be built in the present high school.

The Slaton school band has grown from about 50 in number to over 100 in number in the past 10 years. The increase in size of this band has created a demand for larger area than its present program allows. The space in which they now meet is adequate for about 75 students. This means that there are 35 more people in our band than there is space provided for their training.

The present high school was built for an enrollment of 450 students. The total enrollment at this time is about 470 in our high school and will increase in future years. The addition of a new band hall will provide additional space for much needed class rooms for the increased enrollment in the high school.

The Slaton schools are now classed in athletic competitions in Conference AA, but two years hence, if the same enrollment figures are used for classifying schools, Slaton will be placed in conference AAA. In order to be competitive and in position to care for public demand, our football stadium must be increased in size.

In the past we have not been able to adequately seat the people at some of our football games, and even now, in Conference AA, we find that our facilities are lacking and, in fact, the type and age of the present facilities demand that some very definite improvement be made at this time.

TRIANGLE---

(Continued from Page 1)

pected to increase the work force to at least 40 persons. In addition, \$1 million in volume is expected to be handled by the company next year. Schuette said the new facility will be the "most efficient between Dallas and Phoenix."

When organized in 1960, the company was engaged in working with cotton gin equipment -- steel buildings, burr spreaders and burr hoppers.

Now the firm is primarily engaged in manufacturing cotton harvest equipment burr hoppers and burr spreaders. The market for their products covers the entire cotton belt -- including about six states. For three seasons, Triangle has manufactured and marketed the overhead cotton basket and separator. The company builds five different types which fits various cotton strippers.

Triangle was first to introduce the basket into the market. Now major implement companies have followed suit. "We're staying ahead and that is one of the reasons for the new building," Schuette said.

Last year alone, more than 500 units were manufactured. Dealers are established throughout Texas. Although many are sold in Slaton, the market is the cotton belt and units are trucked from Slaton.

For the past two cotton seasons, Triangle engineers have been experimenting with a burr extractor which will leave the burrs in the field. "The unit works fine and we plan to market it this year," Schuette added.

He said other companies have attempted the extractor but Triangle will be the first to place one on the market. Engineering for all projects is done at the Slaton office.

The limits of the corporation's success are unknown, but the determination and hard work exhibited at the plant may be an indication that the growth is far from its peak.

The cafeteria at West Ward is an old building that was built in about 1918. This building has been renovated two different times since its construction, it is, of course, more or less obsolete in nature, due to its age, and in addition, it is much too small to provide eating space for over 300 children. In fact, its size provides adequate eating space for about 100 people, and there are some 300-400 people eating daily in this cafeteria.

Here is a very definite need of our schools at this time. The new cafeteria will adequately provide for the serving of these children and will also provide a meeting place for groups of children and related school activities such as Parent-Teacher Association, special education meetings for adults, and others.

For the guy who'd rather drive than fly: Chevelle SS 396

Chevelle SS 396 Sport Coupe with Body by Fisher, seat belts front and rear, one of eight features now standard for your added safety.

POTENT THE CHEVROLET WAY

This is about a Chevelle—a very special one—with a bulging hood, a black grille and red stripe nylon tires. Start it up and you've tuned in on 396 cubic inches of Turbo-Jet V8. Get it moving and suddenly you're a driver again. With gears to shift. A clutch to work. Even a set of gauges to read, if specified. Now take a curve, surrounded by a machine that delights in crooked roads. This, you see, is an SS 396. A Chevelle, yes. But what a Chevelle.

SOUTHLAND NEWS

MRS. EDMUND WILKE

Dabbs Attend REA Meet

HAPPY VALENTINE'S DAY TO EACH OF YOU. I would like to take this opportunity to thank all of you for your kind words and encouragement since I have been writing this column. The age old question has been voiced: "Is praise and encouragement necessary?" Yes, being human beings, we need it. Not perhaps the spoken words, but the feeling that we are needed and appreciated. So many of you have taken the time to step and tell Edmund or me how much you enjoy the Southland News and I can't possibly tell you how much this means to me. Thanks to you, from the bottom of my heart. Often times I find that my attitude is that of criticism and complaint, and, oh, how much better and happier I would be if I would only express my genuine compliments and expressions of gratitude and love to my friends and neighbors!

AT REA MEET
Mr. and Mrs. Herman Dabbs are in Las Vegas, Nev., this week attending a National Rural Electrification Meeting. They left early Saturday morning and expect to be gone for several days.

BASKETBALL
Our district basketball Tournament over at Shallowater turned out rather well. On Thursday night our girls played the New Deal girls and they really played them a good game, but lost by three points. The boys played Wilson and beat them. They played Cooper on Friday night and beat them, putting them in the finals. On Saturday night, they played the unbeaten Shallowater team and lost, but they still played a good game. Eagles, we are proud of you and are already looking forward to next year. Our Junior High teams played the Slaton Catholic School boys and girls in our gym Monday night.

Sunday dinner guests in our home were Rev. and Mrs. Robert Richardson and children and Mr. and Mrs. James Riney and Cathy all of Slaton.

BIRTHDAY PARTY
Little Kristi Allbright celebrated her third birthday last week with a birthday party on Saturday afternoon. Her little guests were Stacy and Jay Callaway, Ann Monk, Debra Crawford, Shera Ann, Roson and Billy Guy Pearson. They had a good time playing together and later were served birthday cake, hot chocolate and ice cream. Also visiting were her aunt, Mrs. Elsie Pearson from Amarillo and Mrs. Dee Hodge from Levelland. Elsie came Thursday and stayed until Sunday, visiting her parents, Mr. and Mrs. Alva Allbright.

LOCALS
Mrs. J. F. Rackler spent Friday and Saturday in the home of Mr. and Mrs. Claud Roper. Mrs. Rackler still isn't feeling as perky as she should and we sure hope that it won't be too long until she does feel better.

Elder and Mrs. Ray Smith and daughters, Patty, Sherry and Thresa had supper with Mr. and Mrs. J. B. Rackler Saturday night.

J. B. Rackler Jr. and a group of FFA boys from Wilson left Sunday for San Antonio where they will be attending a Swine Show all week. Each of the boys took hogs down to enter them in the show.

Donna Hayslip from Lubbock was a dinner guest of Beverly Rackler Sunday. In the evening they attended the Central Baptist Church in Lubbock.

We were so sorry to hear that Ned Myers had to return to the hospital sometime this past Saturday night. He is in the Methodist hospital in Lubbock.

Miss Carol Stolle was at home over the week-end. Carol is a student at TLC and is doing Student Teaching at Lackland Air Force Base in San Antonio.

Mr. and Mrs. Gene Moore and children from Slaton, Mr. and Mrs. Floyd Foerster and children from Lubbock, Mrs. H. L. Moore and Mrs. Ed Moore and Linda from Slaton were dinner guests Sunday in the home of Mr. and Mrs. Junior Becker. Mrs. H. L. Moore is spending a few days with the Beckers, while her husband is fishing down at Falcon Lake.

Willie Becker has gone fishing with a group of men from the Farmer's Gin Company. While he is gone, Mrs. Becker is staying with her sister-in-law, Sister Lydia Becker in San Antonio. Mr. and Mrs. Becker will spend this coming weekend in Fredericksburg visiting with Rev. and Mrs. Weiss. Willie will attend the Brotherhood Convention that will be held in Fredericksburg on Saturday and Sunday.

Mrs. S. S. Bevers and Mrs. Sam Bevers Jr. from Justiceburg and Mrs. Evelyn Dorman from Snyder were guests in the home of Mr. and Mrs. Spence Bevers Monday.

HAS HOBO PARTY
Cathy Long, daughter of Mr. and Mrs. Bob Long, celebrated her 12th birthday last week with a "Hobo Party." Each guest came dressed as a hobo. Those attending were Laura Bevers, Maria Shelton, Breanne Winterrowd, Janet Bek, Lupe Cisneros and Darrell Hill. As per usual, a lot of giggling went on, games were played and refreshments were served.

John Poindexter of Lubbock and Breanne Winterrowd were visitors in the Robert Long home Saturday.

Mr. and Mrs. Kenneth Callaway and children visited with Mr. and Mrs. Don Kelly and children in Clovis last week. These two couples are better known as Karen Gayle and Kenneth, and Chub and Kay.

Mrs. Opal Pennell attended the funeral of Mr. E. K. Haynes in Post Wednesday of last week.

Mrs. Lynn Freeman from Houston spent last week with Mr. and Mrs. Donald Pennell. Guests in the Donald Pennell home Wednesday were Mrs. Jewel Long from Post and Mrs. Dorothy Dugger from Lubbock.

Mrs. Opal Pennell went to Post several times last week to visit with her brother and family, Mr. and Mrs. Riley Howard, who live in Decatur. They were visiting in the home of Mr. and Mrs. Carl Cedarholm.

Mr. and Mrs. Marcus Wilke have gone to Lake LBJ for a few days.

Wednesday visitors of Mr. and Mrs. Jack Hargrove were Mrs. Sam Robertson from Sunday, Mrs. Aldine Riggs from Lubbock and Mrs. Florence Reed from Ft. Worth.

Mr. and Mrs. Jack Hargrove visited Mr. and Mrs. Ray Griggs at Lubbock Saturday night.

The Housewarming for Mr. and Mrs. Hub Haire and Johnny was a huge success. Around 100 guests registered and everyone had a real nice time.

Mr. and Mrs. Jack Allen from Denver City, visited Sunday with Mr. and Mrs. Delbert Abshire. "42" was played and I think that the men won. Don't they nearly always?

GIN SPONSORS TRIP
The Hackberry Gin Company is taking a group of their customers fishing down to Falcon Lake this coming week. Don't tell any of them, but I think I am going to sneak in one of the boats and go along!

A lot of repairing is going on down at the Hackberry Gin, getting ready for another gin-

"Eagles On The Wing"

by Mrs. Edmund Wilke

This week we have a young man that is stirring around in the Eagles Nest, getting ready to take flight in May for greener pastures and broader horizons and this senior boy is Larry Long. Larry was born in Lamesa on November 4, 1948, and moved with his parents to Southland eight years ago. He likes sports very much and has participated in basketball, football and track for the past four years.

His favorite hobbies are playing basketball and reading adventurous books. His favorite subject in school is Texas History. Larry had the honor of being chosen president of the senior class and has filled that officer very well. After graduation, Larry plans on going to college, and thinks that he will probably go to Lubbock Christian College.

ning season. The gins are just like the farmer, they get one crop behind them, and immediately they start on the next one. Edmund has been watering since January. With our little wells, we won't be over all the land before it is time to plant. But thank goodness for the little water that we do have!

The Southland Seniors are out selling magazines this week. This is one of the ways they make money to go on a senior trip.

Miss Janet Hollingsworth from Slaton spent Saturday night and Sunday with Mr. and Mrs. Payton Crawford.

4-H FOOD SHOW
The Pleasant Valley 4H girls are having a Favorite Foods Show at the Pleasant Valley Baptist Church Fellowship Hall Saturday 19th, beginning at 2:00. Everyone is invited.

Don Altman, son of Mr. and Mrs. Deamos Altman, has joined the Air Force and leaves for Amarillo on Feb. 23. Don graduated from Southland High last year. Our blessings go with you, Don.

Mr. and Mrs. Herman Havis had their two grandchildren, Donna and Mike Andrews from Brownfield, visiting with them several days last week. Also visiting there was a daughter, Mrs. Carolyn Lane from Snyder, and Mr. and Mrs. Delbert Robbins from Idalou, and Mr. and Mrs. M. D. Freeman from Roaring Springs.

Time has run out, so I will see you right here next week.

LARRY LONG

SUNDAY'S SERMON

LITTLE THINGS

How wonderful it is that man has the capacity to be ever learning. In ancient times, the discovery of fire and the invention of the wheel were remarkable things. Now, in view of latest space achievements, space rendezvous, and projected planning, man may discover what life there is to be found on the moon. Mankind has come a long way since the stone age. There may still be a long way to go. But, one may wonder, as we turn our eyes so much away from the earth to the distant horizons, shouldn't we pay a little more attention to the merits of remembering a few of the simple things?

The "good old days", they say, live mostly in the memory of the oldtimers. True, perhaps. But, there were some good things - some things that seem to be slipping away from us more and more. Courtesy is one. Respect for our elders is another. These things, granted, are not completely extinct. But, once upon a time they were as much a part of a youngster's curriculum as reading, writing and arithmetic. Today, many youngsters consider the elder generation as rather "square". Maybe it isn't their fault. Maybe the elder generation has been so busy that it has forgotten the importance of little things.

Navy submarines traveling under polar ice were not able to use magnetic compasses and had to depend on newer navigational devices.

DPS Positions To Open

Career employment in the ranks of the Texas Department of Public Safety uniformed services is being offered young men between the ages of 21 and 35. It was announced today by Col. Homer Garrison Jr., DPS director.

"More than 100 of these positions will soon be open for qualified men," Garrison said. "They include opportunities for advanced education, excellent physical conditioning and a permanent career of serving mankind."

These are four branches of service for which men are directly recruited -- highway patrol, license and weight, motor vehicle inspection, and driver licensing. Trainees are assigned to the service for which they are best suited.

Upon graduation from the 16-week training program at the DPS Law Enforcement Academy in Austin, the trainee is commissioned into one of these

services. At the academy, he will receive a salary while in training. He will be taught such subjects as Texas highway law, accident investigation, first aid, professional driving, care and use of firearms and many others.

Benefits afforded patrolmen include: two weeks annual vacation; 12 or more holidays each year; 12 days sick leave each year; \$10 per month longevity for each five years of service; modern liberal retirement privileges based on age and years of service; travel expense. DPS patrolmen are furnished

all uniforms and equipment necessary for performance of their duties.

Garrison urged men to get their application in early. June 1 is the deadline for receipt of applications for the June 11 opening Aug. 9. Applications and information can be obtained by contacting any DPS office, or by writing Personnel and Training Department of Public Safety, 4087, North Austin, Texas 78711.

Stocking Dates Aids Bass Fishing

Persons interested in obtaining black bass for stocking private waters are reminded by the Texas Parks and Wildlife Department that April 1 is the deadline for receiving applications for these fish with delivery to authorized places in the spring.

The deadline for catfish and other fish is Aug. 1, with delivery in the fall.

Applications received after those dates are filed for consideration the next year.

The Department advised prospective recipients: "Bass will not be delivered to ponds previously stocked unless the waters have dried up or have been chemically renovated and the out-of-balance fish population removed. Channel catfish may be requested, if needed, every three years because this species does not normally reproduce in small lakes. Recommendations for stocking by Texas Parks and Wildlife Department biologists will be honored."

Here is additional advisory data:

"A properly stocked farm tank, fish pond or small lake will provide fishing over a number of years. There is no need to restock with fish every year. Such a practice is not only wasteful of hatchery reared fish but results in an overcrowded condition and stunted, small fish. Overstocking produces poor quality fish just as overstocked land produces poor quality cattle.

"Small lakes and ponds should be stocked with a balanced ratio of forage fish and predators. The predators reared in State hatcheries are largemouth bass and channel catfish. The best forage fish produced in our hatcheries is the redear sunfish. This species also provides a good panfish in many parts of the State.

"In newly built or newly renovated waters, largemouth black bass, stocked at the rate of 200 fry or 100 fingerlings

ITEM: One of the easiest ways of getting a broken light bulb from its socket is to use a bar of soap. Be sure the current is turned off before you touch the light socket. Then press the end of the soap into the broken end of the bulb and slowly turn the soap, unscrewing the broken end.

Falconry is the oldest field of sport of which there is any record. It is believed falconry was known in China approximately 4,000 years ago.

per surface acre, as well and should provide adequate population with less than ten (10) fish in size. This policy is an attempt to provide fishing possible by lake and lake owners, inherent reproduction of crappie, this quickly over-population come stunted in size of water. Such a normally results in poor all species of fish.

The quick action of preventing a broken rail from being a pest is earned by N. M. farmed ward.

SONNY PAXTON

Sonny is the son of Mr. and Mrs. C. O. Paxton, Rt. 1, Lubbock. He was born in Lubbock, April 17, 1948, and has been at Roosevelt 4 years. His activities are: Annual award of L.W.S.C. trophy twice; football and basketball 4 years - lettering in both 3 years. Sonny is planning to enter Texas Tech after graduation.

TEXAS
 1965-STATE SALES TAX TABLE

If you itemize your deductions, you may use this table to determine the general sales tax to be entered on Form 1040, page 2, Part IV. However, if you can establish that you paid a larger amount, you are entitled to deduct that amount. This table is based on the Texas state sales tax of 2 percent. Sales taxes for automobile purchases are not included in the table and they should be added to the table amount, if applicable.

Veterans Need Release From Liability

Veterans who sell their GI homes and permit the buyer to assume their GI loan remain liable in case of subsequent foreclosure unless they obtain a release of liability.

This can be obtained upon request to VA, if VA approves the buyer as a good credit risk, Jack Coker, manager of the Veterans Administration regional office in Waco, said today.

A release from liability, however, does not restore the veteran's eligibility for another GI loan.

This can be restored only when the VA is no longer liable to the lender on the guaranty, and if the veteran:

- (1) is forced to sell his home through no fault of his own, for reasons of health, employment, etc.;
- (2) has his property taken by a Government agency for public use, or destroyed by a natural hazard; or
- (3) is in military service and must dispose of his home because of military transfer.

Cotton has been grown in West Africa for several centuries.

Livestock Show Dates Revealed

Dates for area community livestock shows were announced this week by Kenneth D. Cook, assistant county agricultural agent.

The Slaton show will be held Feb. 19 while Roosevelt will host its annual show March 3. Cooper competition will be March 4-5 while shows will be held at Shallowater, Wolf-ford and Idalou March 18.

The Lubbock County junior show will be held March 11-12 while the South Plains Jr. Show will be March 19-23.

Lubbock County 4-H members participated in the Southwestern International livestock show in El Paso.

Pam Mimms, Brady Mimms, Joyce Thomas and Max Thomas showed animals in the steer judging contest Monday. They are from the Roosevelt club.

Fat market barrows in the swine division were shown by Cindy and Marsha Cade from the Cooper 4-H Club.

Navy Reservist In Lubbock To Contact Vets

The Naval Air Reserve announces that Chief Yeoman J. C. Estes and Personnelman C. A. Nelson, from the recruiting office, U. S. Naval Air Station, Dallas, will be in this area during the week of Feb. 21-25 to contact veterans for the Naval Air Reserve.

Depending on the response from local veterans, a special air lift is proposed from Lubbock Municipal Airport to the Naval Air Station for Friday night, Feb. 25.

Starting in March, if justified by a large turn out of veterans, a regularly scheduled airlift will depart Lubbock on the second week end each month. The Navy aircraft will depart Lubbock on Friday night and will return reservists to Lubbock on Sunday afternoon.

Interested veterans can contact these men by calling POG-6657, or go by the Naval Reserve Training Center located on Texas Tech campus. They will be at the training center each night from 6 to 9.

AT GROUNDBREAKING--A number of Ford officials joined Bill and Steve Smith to take part in the groundbreaking for Smith Ford's new building on the US-84 bypass. Participating last Thursday were, left to right, Jack Mendel, district sales manager; Curtis Smith, retail management manager; Steve and Bill Smith; John Lyle, service representative; Ross Roberts, field sales representative; Ed Honeycutt, parts and service merchandising manager. (SLATONITE PHOTO)

Depletion Allowance Examples For Irrigated Farms Are Listed

As income tax nears, owners of irrigated land on the High Plains are pondering a new "deduct"---an allowance for depleted underground water used for irrigation, according to Plains Cotton Growers, Inc.

In a recent court case Marvin Shurbet of Petersburg was allowed a cost depletion on irrigation water pumped from the Ogallala underground formation. And since the Ogallala formation underlies virtually all the High Plains, the court ruling paves the way for other area farmers to claim cost depletion too.

The High Plains Undergruond Water District, which was instrumental in development of the Shurbet case, has supplied this example of how the depletion allowance will work:

Farmer Jones paid \$300 an acre for irrigated land. Similar land without irrigation water was selling for \$100 an acre, so \$200 per acre is the cost of the water. If Jones had 100 feet of water under his land at the time of purchase, then the cost of the water was \$2 per foot per acre. And if the water table declined three feet during the taxable year, his cost depletion allowance would be \$6 per acre (\$2 per foot cost times 3 feet of decline).

To take advantage of the allowance, then, the landowner needs to determine three things, (1) The thickness of the water-bearing sands under his farm at the time of purchase, (2) The annual decline of the water table, and (3) What he paid for the underground water.

For its 13 counties the Water District is now working on saturation thickness maps, water decline tables etc. for use by taxpayers in computing their depletion allowance. Officials of the District state that this information will be available to all interested parties early in March.

Farmers outside the water district, apparently, will have to rely on information from the Texas Water Development Board and the U. S. Geological Survey.

Tax accountants in the area have informed Plains Cotton Growers that farmers may file an estimated tax return (Form 1040-ES) before January 15 and then file their final return after calculating depletion allowance. Or, if they prefer, they can file their return as usual and file an amended return later with a request for refund.

Tax men also say it is probable that an amended return may also be filed for the "open" years 1962, 1963 and 1964.

JCG is advising that landowners check this matter closely with their tax advisors at an early date.

Retired Teacher Meeting Slated

LUBBOCK - Members of the Lubbock Retired Teachers Association will hold a dinner meeting on Friday, Feb. 18, at 6:30 p.m., in Furr's Cafeteria in the Town and Country Shopping Center, 4th Street and College Avenue in Lubbock. A business session will follow the dinner.

Samuel C. Boardman of the National Retired Teachers Association and the American Association of Retired Persons Insurance Plan office in Chicago will be the featured speaker at the meeting. He will give a presentation on health insurance, covering the overall insurance program and how it will be affected by Medicare. There will be time for questions and discussion.

All interested members of the American Association of Retired Persons are cordially invited to attend this meeting.

President of the Lubbock RTA is Mrs. O. V. Adams, 2905 20th Street in Lubbock.

Area Students Make Honor Roll

Four South Plains College students from the Slaton area were named to the Dean's Honor Roll announced by Academic Dean Nathan Tubbs.

Named to the honor list were Kathleen Kay Clark and Conny Michael Bain of Slaton. Also named were Dahlonna Lynn Winterrowd of Southland and Michael Wayne Kitten of Cooper.

To be eligible for the honor, the student must be enrolled for at least 12 semester hours and make a grade point of at least 3.00. The grade point is computed by dividing the total number of semester hour points by the number of semester hours for which grades were received by the student.

MRS. JIMMIE LOUGH

Recipe Of The Week

A homemaker who loves to try new recipes is sharing her recipe for Sunburst Tuna Casserole with us this week. Mrs. Jimmie Lough, wife of a welder in the Acuff Community and mother of three children keeps herself busy with a variety of hobbies and raising her children.

The Lough's children are Cynthia Lynn, seven years old and in the second grade at Roosevelt; Ricky Dale, six years old and in the first grade; and Dawn Denise, six months. The Lough's are members

of the Roosevelt Baptist Church. Mrs. Lough is a member of the Roosevelt Young Homemakers. Among her hobbies are sewing, embroidering, making mosaic pictures, and decorating in general.

SUNBURST TUNA CASSEROLE
Combine:
1 can (6 1/2 oz.) drained tuna
1 can cream of mushroom soup
1/4 cup milk
1 1/2 cups cooked drained peas
1/2 cup shredded cheese in 2 quart casserole.
Arrange biscuits on top, (if

WISH I'D SAID THAT

"Wholesale neglect beats the wrong kind of attention." Marie Phelps, Harrisburg (Oregon) Bulletin.

"Doing business on the cuff is a good way to lose your shirt." Omer Hridgman, The Baylis (Ill.) Guide.

Bake at 400 degrees for 25 minutes. Sprinkle with another 1/2 cup shredded cheese and bake 5 minutes longer.

January Busy For Policemen

A total of 39 offenses were reported to and investigated by the Slaton police department during the month of January. The report was issued by Chief of Police Robert Breedlove. Burglary headed the list of offenses at eight. There were seven cases of theft over \$5 reported. Theft over \$50 accounted for four of the offenses. There were three cases of destruction of private property.

Two cases each were reported for accidental shooting, forgery and aggravated assault. A dog bite, simple assault, theft under \$5 and runaway appeared one time on the police log. A total of 59 arrests were made by the police department during January. A total of \$875 in fines were collected and others arrested spent time in jail worth \$140. Two persons were arrested

for county court. Drunks led the list of jail arrests with 21. There were 13 placed in jail for possession by minor. Twelve were picked up for being drunk in a car and two each were arrested for disturbance and vagrancy. One person each was jailed for abusive language and simple assault. Twelve of the 33 offenses reported were cleared by the department. The report revealed that 46 traffic tickets were issued during the month and collection of fines on the tickets amounted to \$638. There were 17 accidents occurring inside the city limits and property damage amounted to \$6,525. Patrolman drove 5,034 patrolling city streets.

Shopping Day Special

Tack this recipe up on your kitchen bulletin board the next time you leave on a shopping trip. Even if you rush home just minutes ahead of your hungry troops, you'll be able to have this appetizing entree on the table in time. Sautéed almonds add texture to the Minute Rice; a well-seasoned cheese sauce complements the tuna. Best of all, the recipe needs no last-minute marketing. All the ingredients can be kept handy on your kitchen shelf, ready for quick cooking and serving.

Tuna Supreme on Almond Rice

- | | |
|---|---|
| 1 1/2 cups water | 2 teaspoons dry mustard |
| 1/2 teaspoon salt | 1/2 teaspoon salt |
| 1 1/2 cups packaged pre-cooked rice | 2 cups (8 oz.) grated process American cheese |
| 1/4 cup sliced or chopped almonds | 1/2 cup cooked green peas |
| 2 tablespoons butter | 2 tablespoons sliced green olives |
| 1 1/2 cups (14 1/2-oz. can) evaporated milk | 2 tablespoons chopped onion |
| | 1 can (6 1/2 or 7 oz.) tuna, drained and flaked |

Bring water and 1/2 teaspoon salt to a boil. Stir in rice. Cover, remove from heat, and let stand 5 minutes. Meanwhile, sauté almonds in butter until golden brown, stirring constantly. Add almonds and butter to rice, fluffing lightly with a fork. Pack rice into a well-greased 3- or 4-cup ring mold. Cover tightly with aluminum foil. Set mold in a shallow pan of hot water over very low heat for 5 to 10 minutes.

Meanwhile, combine milk, mustard, and 1/2 teaspoon salt. Scald over medium heat about 2 minutes, stirring frequently. Add cheese, peas, olives, and onion. Continue to cook, stirring constantly, until cheese melts — about 1 to 2 minutes.

Turn rice ring out onto a hot serving plate. Fill center with tuna. Then pour cheese sauce over tuna and rice. Makes 4 or 5 servings.

FAMILY POT LUCK

Heart Surgery Patient Okay

Mrs. Liz Holt, a former Slaton resident who underwent heart surgery in Dallas last week, is reportedly doing fine and may return to her home in Petersburg tomorrow or Saturday.

Mr. and Mrs. Ray W. Ricker Sr., parents of Mrs. Holt, returned home Monday morning. They were at Baylor Hospital to be with their daughter during her surgery and recuperation.

Mrs. Ricker said, "No one should be scared of heart surgery these days". Her daughter will now lead a normal life.

Church Class Holds Meeting

The T.E.L. Class of the First Baptist Church met last Thursday in the home of Mrs. M. P. Tate. The meeting was in charge of Mrs. L.C. Tucker, president.

Following a Bible quiz, the group was adjourned with prayer. Sixteen members and one guest, Mrs. Claude Cravens, daughter of the hostess, were present.

The next meeting will be March 10 in the home of Mrs. Joe Teague Jr.

VBS Leaders Are Elected

Vacation Bible School superintendents of Westview Baptist Church were elected during a regular business session last Wednesday evening.

They include Mrs. Raymon Wilkins, nursery; Mrs. Duane Tefertiller, beginner; Mrs. Jerry Gentry, primary; Mrs. Harley Castleberry, junior; and Rev. Clinton Eastman, principal.

Grace Mission Workers Meet

The Grace Mission Workers of Grace Lutheran Church met at 7:30 p.m., Thursday for their regular meeting.

The program opened with group singing of "Jesus Shall Reign Where'er The Sun". The topic, "Lent" was presented by Mrs. W. H. Walters. Mrs. Fred Kahlich led the worship offering.

"The God of Inner Discipline", a Bible study, was presented with Mrs. R. L. Camden as leader. Reports from committees were heard during the business session.

Refreshments were served to 23 members and one visitor. Hostesses were Mrs. Pauline Stewart, Mrs. James Clark and Mrs. Camden.

Woman's Society Has Circles

The Woman's Society of Christian Service of the First Methodist Church met in circles Monday.

Mrs. Joe Walker Jr. was hostess to seven members of the India Circle. Mrs. Cecil Scott led a program on "Strangers No More". She was assisted by Mrs. C. L. Heaton and Mrs. W. S. McWilliams.

The Mexico Circle met with Mrs. S. H. Jaynes as hostess to nine members and one visitor. Mrs. Nan Tudor led the program on "Automation and Leisure", assisted by Mrs. R. E. Choate.

The next regular meeting will be a covered dish luncheon at noon Monday in Fellowship Hall. The new study "Acts" will be started with Mrs. R. C. Hall Jr. and Mrs. McWilliams as leaders.

COFFEE SET FOR PASTOR

Members of the Presbyterian Church extend an invitation to the public to attend a get acquainted coffee for the church's new pastor and his wife, Rev. and Mrs. Joe Swafford. The coffee will be given Feb. 27, from 3 - 5 p.m., at the Slaton Clubhouse.

Candidates Get Knights Okay

The Knights of Columbus, Slaton Council No. 2571, met in regular session at 7:30 p.m., Monday in St. Joseph's Hall.

Paul Mosser, Grand Knight, called the meeting to order. During the business, plans were made for First Degree Initiation which will be held in Slaton Feb. 25, and for Second and Third Degree Initiations which will be in Lubbock Feb. 27.

Four new candidates were approved from this council. They are Ernest W. Kuback, David J. Ehler, Kenneth Ray Kitten and Donald W. Buxkemper.

Tentative plans were also discussed for attending the State convention in El Paso May 15.

A film on "The Spread of Communism" was shown. Following adjournment, refreshments were served. Forty-four members were present.

Brotherhood In Ralls Meeting

Members of the Westview Baptist Brotherhood will meet at 7:30 next Monday night with the First Baptist Church in Ralls.

The meeting is open to all members in the Lubbock Baptist Association which includes Slaton.

Scott Twins Are Choir Favorites

Danny and Deborah Scott, twins of Mr. and Mrs. J. Leland Scott of Slaton, were honored as choral favorites Monday night at the annual Slaton High School choral banquet.

Approximately 115 persons representing three choirs attended the banquet which was held in the junior high cafeteria. The banquet had a Valentine theme.

Special music was provided by the Evans Junior high choir. Soloist Bruce Pember also performed.

President of the girls choir, Patsy Cheak, presided at the banquet. Martha Elder, girls choir vice president, introduced the program. Miss Scott gave the invocation. Mrs. M. G. Davis is choral director.

FOOD SHOW WINNERS--Receiving awards at the Roosevelt 4-H Club Favorite Food Show Monday night were, front row, left to right: Roge Ann Ivey, Nadra Davis, Sandra Rucker and Debbie McMellan. Back row: Elaine Reynolds and Roy Jim Davis. (PHOTO BY DORIS THOMAS)

Favorite Food Show Conducted

Members of the Roosevelt 4-H Club met at 6:30 p.m., Monday in the clubhouse for their "Favorite Food" show.

Blue award winners were Roge Ann Ivey, Nadra Davis, Sandra Rucker, Elaine Reynolds and Roy Jim Davis.

White award winner was Debbie McMellan. Judges for the show were Debra Cade, Mrs. Dick Cade, Mrs. Rutherford and Jimmy Davis, official taster.

Following the show, assistant County Agent Kenneth Cook gave pointers on "Livestock Grooming".

Miss Vickie Jo Davis, daughter of Mr. and Mrs. Wesley P. Davis, was elected as 4-H Princess for the Roosevelt Fat Stock show scheduled for March 10 at the school.

Soto Member Of Best ROTCSquad

Faustino Soto, student at Texas Tech and son of Mr. and Mrs. Jessie Soto of Slaton, was recognized as a member of a best drilled squad in ceremonies of the Army ROTC program for this fall semester.

Soto is a member of First Squad, First Platoon, F Company, which was designated Best Drilled Squad at the regular 4 p.m. drill.

Presentations were made by Major George Turain, assistant professor of Military Science.

Banquet Held By Ambassadors

The Christ Ambassadors of the Assembly of God Church sponsored a "Sweetheart Banquet" Monday evening at the Quaker Inn of Lubbock.

Ronnie and Linda Scott of Slaton, son and daughter of Mrs. Lorene Scott, were crowned king and queen of the banquet.

Following the meal, the group played games. Sponsors included their pastors, Miss Nola Stout and Miss Elliott, and Mr. and Mrs. Ray Edwards.

4-H Food Show Winners Named

The Slaton Community 4-H Club held a regular meeting Tuesday night with Clyde Fort as special guest to discuss "Banking".

Floyd Kitten gave the inspirational, and Doris Kitten was in charge of recreation. The local Favorite Food Show was also held.

Members who will go to the county show are Cathy Riney, Marsha Bednarz, Clyde Kitten and Juanita Schwertner. The other members who received red ribbons were Corlis and Jay Wimmer and Clifford Kitten.

Rites Slated For Alspaugh

Final rites for J. W. Alspaugh, former Slaton resident, will be held at 2 p.m., today in the Slaton First Baptist Church.

Interment will follow in Englewood Cemetery under the direction of Williams Funeral Home. Services were held Wednesday in the Lampasas Funeral Home Chapel.

Alspaugh died at 8 p.m., Monday in Rollins Brooks Hospital. He is the father of Don and W. A. Alspaugh of Slaton. He moved from the Midway Community about 15 years ago to Lampasas where he farmed and ranched.

Other survivors include the widow, one daughter, Mrs. Wynelle Kilcrease of Lubbock; a son, James W. of Lubbock, 12 grandchildren, and two sisters.

Four Attend Scout Dinner

Mr. and Mrs. Charles B. Barron and Mr. and Mrs. L. B. Hagerman attended the 40th annual recognition dinner meeting Monday evening in the Tech Union building.

Barron and Mrs. Hagerman are members-at-large on the executive board of the Boy Scouts. About 300 persons attended the dinner.

The South Plains Council consists of 20 counties. Registered as of Dec. 31 there are 10,339 Cub Scouts, Explorers and Boy Scouts. Adult scouts exceed 3,500.

Principal speaker for the dinner was Kenneth L. Oliver, regional director of Region 9, Dallas.

Six men were presented Silver Beaver badges, highest recognition that can be received from a local council. There have been 78 Silver Beaver badges awarded in the South Plains Council. L. B. Hagerman received the Silver Beaver badge in 1949 and is the only Slaton person to have received such an honor. He was recipient of the 15th badge given in this council.

TO GERMANY--Mc, Phil A. Rumpy, son of Mr. and Mrs. T. L. Rumpy Jr. of Slaton, left Saturday from New Jersey for Germany where he will be stationed for the next three years. He had spent a 30-day leave visiting his parents, before enlisting Nov. 10, 1963, Rumpy attended Slaton High School. He has been stationed in Korea.

The Shining Cross sub-district of the Methodist Youth Fellowship is planning a retreat at Ceta Canyon for Mar. 11-13.

An official announced that all senior MYF'ers are urged to make plans to attend.

ITEM: Bleach often helps white garments stay white, say extension home management specialists. But, they remind, it takes the right kind of bleach. If there is iron in the water, a chlorine bleach can leave yellow and brown spots on fabrics. Staining may be more noticeable on some fibers than on others. With an oxygen type bleach, there should be no staining in water that has iron. A bleach, however, doesn't take the place of enough detergent to prevent buildup of soil.

ITEM: Produce vegetables are setting capture some popular frozen peas, tomatoes and plastic bagged peas. One producer plans to use a line of canned lima beans--in buttered buttered vegetable will still be cheaper even more compared to frozen variety of peas.

ITEM: The father, Sr. received word they are now the parents of a baby David Hay Ricker Feb. 14 in Newport his father is stationed U. S. Navy.

The father, Ricker, attended school in Slaton in 1949. The new baby in at 7 lbs., 1 oz.

ITEM: The new baby in at 7 lbs., 1 oz.

Strength

"The Lord is my light and salvation; whom shall I fear? The Lord is my stronghold of my life; of whom shall I be afraid."
-- Psalms 27:1

The inner strength, or courage, of each individual is more matched to his circumstances than is physical strength or weakness. A man can train himself to lift a heavy weight if he begins with something not very heavy and more weight as his training progresses.

The strength that each needs to live a good Christian life comes with daily acceptance of the Lord as the Lord and the salvation. We are God, we believe, and we receive Christianity each every day. As we do, we find inner strength and courage.

WILSON NEWS

MRS. TED MELUGIN

"Corraling The Mustangs"

By Mrs. Ted Melugin

JEANIE HEWLETT

Jeanie is the daughter of Mr. and Mrs. Harry Hewlett, Route 2, Wilson. She represented her school this senior year as Head Cheerleader. Other school activities include FHA, FTA, band, NHS, and basketball.

KATHERINE NOLTE

Katherine has attended Wilson schools for five years and has been Drum Major for two years at WHS. She is the daughter of Mr. and Mrs. F.R. Nolte, Route 1, Wilson and was born in Lubbock, Nov. 4, 1948. Her pastime is "reading" and she lists "The Silver Chalice" as her favorite book.

Katherine's pet peeve is "people who pretend to be something they're not". She likes the song "Botanica" and her favorite color is "blue". Katherine plans "to become a school teacher after graduation."

ITEM: For every pair of shoes a man buys, his wife buys three, according to U.S. Department of Agriculture studies. It doesn't stop there; his daughter also gets three pairs for every one he buys the boys. One optimistic note is that women and girls usually pay less for their shoes than men.

Jeanie states she has lived in Wilson for 17 plus years. She likes "any song by Rogers and Hammerstein" and her favorite color is yellow. Jeanie's favorite subject is "Home Economics" and she loves "Skiing". For one to be two-faced, and her plans after graduation are "to attend Tech in the fall."

41 Accidents Occur In County

The Texas Highway Patrol investigated 41 traffic accidents on rural highways in Lubbock County during January, according to Sgt. C. C. Guthrie, patrol supervisor.

The crashes resulted in three persons killed, 36 injured and an estimated property damage of \$26,870.

Sgt. Guthrie reminded that April 15 is deadline for motor vehicle inspection. Approximately 40 percent of the five million registered vehicles in the state have been inspected.

He urged motorists to have vehicles inspected without delay in order to avoid the inconvenience of waiting lines. There is no extension of the inspection deadline.

Willie Nieman, Her visitors during the week were Mrs. Jake Mueller, Mrs. John Maerker and Ruth.

WILSON BAND BANQUET Valentine's Day marked the date for the annual band banquet, sponsored by the Band Booster Club. All band students were honored at the banquet, at 7 p.m. in the school cafeteria.

Special guests present were; president of Band Boosters and husband, Mr. and Mrs. Weldon Meador, Supt. and Mrs. Leroy Scott, Principal and Mrs. Kenneth Baker, Principal Owen Comer, Band Director Coy Cook, Sweetheart Jeanie Hewlett; Beau Jimmy Koenig.

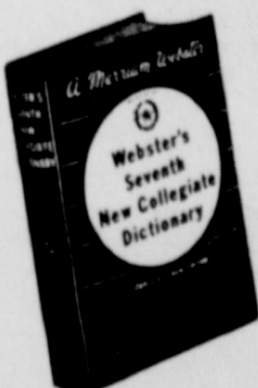

A Valentine motif was used throughout the room with gaily decorated tables and streamers overhead. Welcome address was given by band president, Sandra Koslan, Kathy Nolte gave the invocation.

The meal was then served by band mothers. Sandra Koslan presented the Band Sweetheart and Band Beau which were given gifts of identification bracelets. Entertainment for the evening was furnished by Evans Jr. Hi. Choir, consisting of 65 students from Slaton, under direction of Mrs. M. G. Davis who accompanied the group on the piano.

Mr. Cook announced band students who were chosen best player in each grade level. The 2e recognized were; Karen Hobbs; tenor sax, 7th.; Joe Crews, cornet, 8th.; Karen Zant, cornet, 9th.; Patsy Koenig, clarinet, 10th.; and Lynda Melugin, alto sax, 11th. All of the 12th. grade was recognized. The benediction was given by Vicki Young.

The Slatonite

Proclamation

WHEREAS, the engineers of America have contributed to the economic advancement of America so that our country today enjoys a position of leadership among the nations of the earth in every field of economic endeavor; and

WHEREAS, the development of our present day society has been due largely to the engineering profession which was instrumental in offering its vast experience, technological skill, training and scientific genius for the benefit of humanity; and

WHEREAS, there exists a need for inspiring our young people to choose the discipline of the engineering profession and seek an education in this field; and

WHEREAS, it is fitting and proper that due recognition be given to the men and women of the engineering profession who, through their pioneering efforts, have brought many benefits to our American way of life;

NOW, THEREFORE, I, Jonas Cain, Mayor of the City of Slaton, do hereby proclaim the week of February 20-26, 1966, as

"ENGINEERS' WEEK"

and call upon the residents of Slaton to acknowledge and give proper recognition and honor to the engineers of this area.

Signed at Slaton, Texas, this 18th day of February, 1966, ATTEST: Gerald Kendrick, Secretary

Jonas Cain, Mayor

Taxes Top Home Budget

Taxes cost more than any other item in the household budget. Americans work 2 hours and 19 minutes of every 8-hour day to meet Federal, state and local tax bills, says Tax Foundation, Inc. The period is one minute less than taxes took last year.

The club boosts school spirit at basketball games, etc. CHILD HAS SURGERY The four year old son of Mr. and Mrs. Arlis Ehlers underwent surgery Tuesday in the Mercy hospital at Slaton. He is recovering satisfactorily.

Lonnie Stabeno, a Tech student, visited his parents Mr. and Mrs. E. C. Stabeno over the week-end. Mrs. A. Wilke of Slaton was a dinner guest in the home of her daughter and family Mr. and Mrs. E.C. Stabeno, this past week-end. Mrs. Stabeno and Lynn visited with Mrs. Ted Melugin on Friday.

FAREWELL PARTY GIVEN KOENIGS The F. R. Koenig family left for Bastrop, Texas last Wednesday. A farewell party was given by Wilson school students Tuesday night at the school cafeteria for the Koenig children. The Koenig family plan to engage in farming at their new residence.

BASKETBALL SEASON WINDS UP The Shallowater District Tournament was held Feb. 10-12. Wilson played basketball there Thursday. The Wilson boys team won their game over Cooper Tuesday night at Wilson 52-49. Cooper girls won their game 53-32 in the tilt. The tournament at Shallowater ended the basketball season for the Wilson Mustangs. The teams and coaches are to be commended for their fine entertainment and sportsmanship.

RODERS OF SANATORIUM, TEX. Mr. and Mrs. John Ramby visited with his parents, Mr. and Mrs. C. E. Ramby in Merkel over the week-end. Mr. and Mrs. Sammy Crowson and Sammy Wade of Slaton visited his parents, Mr. and Mrs. Sam Crowson in Wilson Saturday. Mr. and Mrs. Sam Crowson visited Mr. and Mrs. Don Akins in Lubbock Sunday.

JUDY PUGH AND TEDDY KIDD enjoyed Sunday dinner with the Ted Melugins Sunday. Mrs. Tom Rodgers and mother, Mrs. Walker enjoyed a visit from six members of the Gordon Church of Christ Sunday afternoon. Mrs. Ed Edwards of O'Donnell visited them on Monday.

THE TED MELUGIN FAMILY enjoyed attending a Valentine Party given Sunday night in the educational building of the church of Christ. A large number of young people were present with Larry Crabtree, KCAS radio announcer, leading the entertainment for the evening. Games and refreshments were enjoyed by the group, sponsored by the teachers and wives of the two high school classes. Surprise baby pictures were posted on Valentines in a guessing contest which proved to be enjoyable to those present.

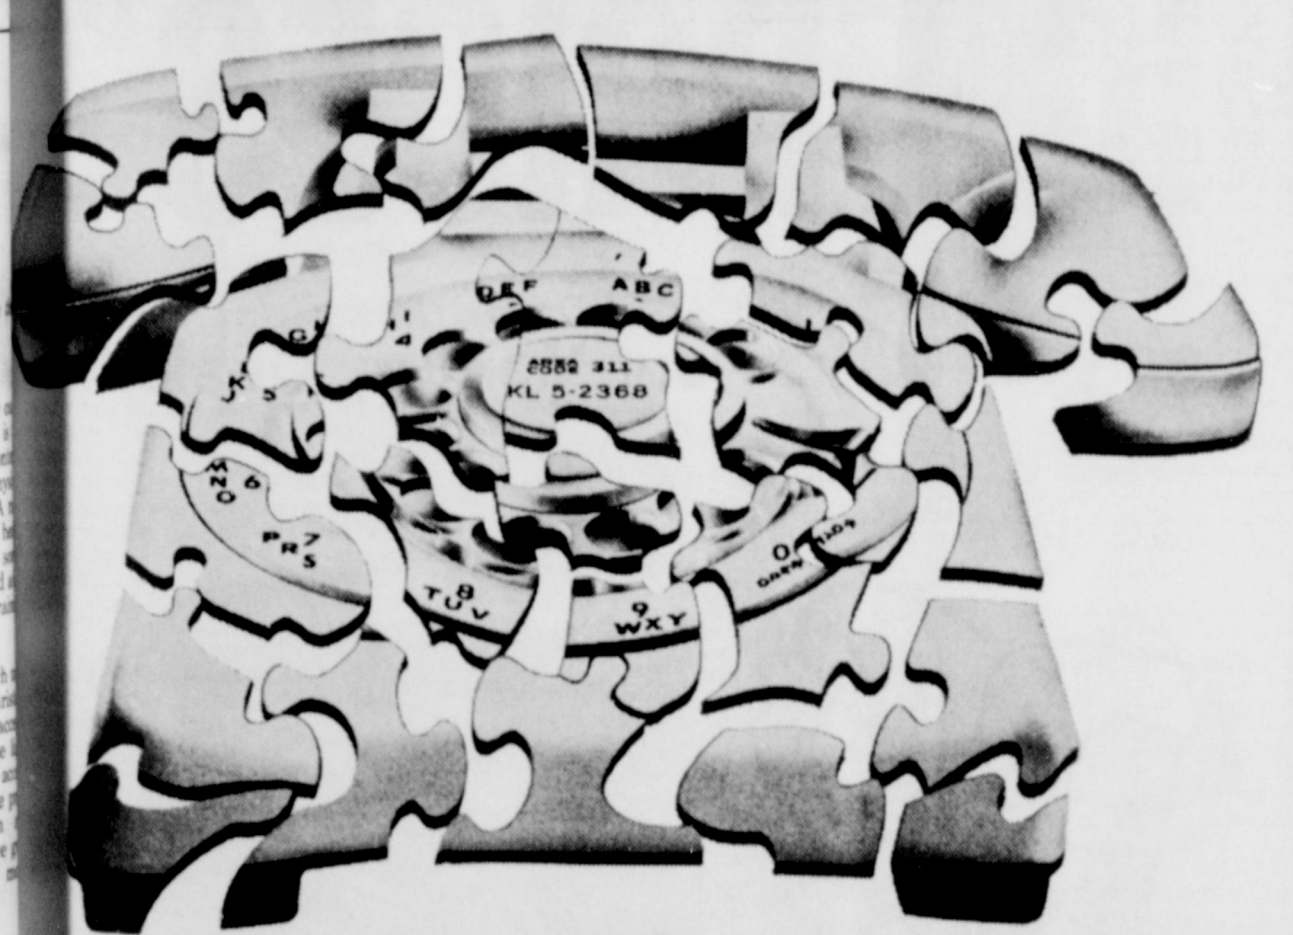

RONI RHODA RAMBY, Betty Shaw and Lynda Melugin enjoyed eating out at Slaton for Sunday dinner. FFA AND FFA ENJOY PARTY The Future Farmers and Future Homemakers of Wilson High School enjoyed a party Tuesday night in Lubbock. They ate out and later enjoyed skating.

4H CLUB ORGANIZED AT ST. PAUL'S SCHOOL Recently a 4-H Club was organized at the St. Paul's Lutheran School in Wilson. Officers elected were Roger Gickhorn, president; David Wied vice - president; Donna Moerbe, secretary; Greg Wied, Reporter.

CONGRATULATIONS TO SANDRA KOSLAN, winner of the 1966 Homemakers of Tomorrow Award. She scored highest in written knowledge and attitude examinations taken by senior high school girls at Wilson. She is the daughter of Mr. and Mrs. Vernon Nolte, Rt. 2, Wilson.

Also winning was a former resident of Wilson, Ruth Ann Rucker of Roosevelt High School. Mrs. Katie Nieman visited in Lakeview Sunday with her son and family Mr. and Mrs.

DPS Officer Is PTA Speaker

The West Ward PTA met Monday night in the school's auditorium for its regular monthly meeting. Mrs. James Perkins, music teacher, presented a group of fifth grade students who sang a selection of "Partner" songs.

Steven Nieman was announcer for the program. A special ventriloquist act was presented by Sharla Johnston and "Jimmy".

Speaker for the meeting was Sgt. C. A. Dempsey who works with the Safety Education Service of the Department of Public Safety. He is a former teacher and works out of the Lubbock office.

Sgt. Dempsey conducted a survey, passing out printed forms of 20 questions on traffic laws and procedures.

Two out of 56 persons made a passing grade. Their grades were 75 and 70. Only 25 taking the test made a grade of 50 or above. Sgt. Dempsey said that in nine out of 10 accidents there is a violation of traffic laws.

During a business meeting conducted by Mrs. Alex Webb, president, the treasurer reported a balance of \$1027.50. It was also reported that more than 50 percent of the parents at West Ward are members of the PTA.

It was reported at a previous meeting that Mrs. Bill Hall's room won prize money for having the most parents as members of the PTA. Her room

also won the prize money for having the most parents present Monday night.

T. C. Martin, principal, urged all parents to vote in the upcoming school bond election. Several parents volunteered to call residents reminding them to vote.

Martin also announced that if there is enough interest, the school will provide a teacher free of charge for adults interested in taking a course in the new math program. Anyone interested should call the school's business office. The meetings are tentatively set for Thursday nights, beginning in March.

FIFTH GRADERS ENTERTAIN--West Ward PTA members were entertained by a musical program presented Monday night by a group of fifth graders. Mrs. James Perkins, music teacher, accompanied and directed them. (SLATONITE PHOTO)

Miss Vicky Dunagan will be representing the Roosevelt area in the Miss South Plains Electric Beauty Pageant to be held Monday at 7:30 p.m. in the South Plains Electric Co-op Auditorium in Lubbock. Miss Dunagan is the daughter of Mr. and Mrs. Dub Dunagan. Joan Bednarz, daughter of Mr. and Mrs. Alex Bednarz, will be representing Slaton in the pageant.

All Girls Rodeo Slated Saturday

An all girl rodeo is scheduled Saturday at the Aulfil Indoor Sports Arena on the Tahoka highway in Lubbock.

Only one performance is scheduled, beginning at 7:30 p.m. Entries are open to all women and girls who wish to participate. Eight events are on tap including shetland bronco riding, flag race, pole bending, wild cow milking, ribbon roping, open barrel race, goat tying and steer riding.

Trophies will be awarded first place winners. Ribbons will be presented to the next three places. A buckle will be presented to the all-around champion runnerup.

Livestock will be furnished by Little Britches Rodeo Company and the event will be directed by Jack Aulfil.

Game Night Set

The American Legion Auxiliary invites the public to attend a card and domino party at the American Legion Hall Saturday at 8 p.m. A similar party will be held the third Saturday night of each month.

The time of 8 p.m. was set in order not to interfere with the time of the Rainbow festival to be held at the club house the same night.

Admission to the party will be trading stamps or 50 cents.

WORK STARTS ON HIGHWAY BEAUTIFICATION

AUSTIN--The second phase of Texas' initial plan of compliance with the recently-enacted Federal Highway Beautification Act got underway Jan. 3 when field parties from the Texas Highway Department began the actual count for inventories of billboards and junkyards along Texas highways.

The act, as approved by Congress and signed into law by the President, envisions the control of billboards and junkyards and scenic enhancement along the nation's federal-aid highway systems.

In Texas this will cover more than 3,000 miles of Interstate highway system and more than 14,500 miles of the primary system.

The Texas inventories were ordered last month by State Highway Engineer D. C. Greer.

At that time Greer said information obtained in the inventories will be used in studies that will be made relative to possible state legislation to implement the provision of the act, including the zoning of industrial and commercial areas along the State highway system.

A Highway Department spokesman said May 15, 1966, has been set as a target date for completion of the inventories.

The Highway Department field parties will travel over every mile of federal-aid highways in Texas gathering information for the inventories. The number of junkyards in

the state is considerably smaller than that of billboards.

On billboards, Highway Department personnel will record such information as size, ownership, subject displayed and location. The signs will be classified as a rural, industrial or commercial areas.

Signs directly related to the property on which they are located, such as "for sale" signs, will not be surveyed.

The first project in Texas' plan of action under the Federal act was launched earlier this month when the Texas

Highway Commission approved plans for the first landscape planting project to be financed in Texas under the act.

This project is to be on a section of Interstate Highway 45 adjacent to the downtown business district of Houston.

The Federal act calls for an expanded program of landscaping and scenic enhancement.

THE FAMILY LAWYER

City Beautiful

Not long ago an eastern city banned the use of clotheslines in the front of houses. Although a rebellious home owner challenged the validity of the law, it was upheld in court.

Legal experts reacted vehemently, both pro and con. For the clothesline case touched on a sensitive issue: may a city restrict the use of private property for the purpose of beautifying the community?

The issue arises in countless ways. May the owners of roadside property be forbidden to erect billboards? May the owner of an unsightly junk yard be forced to enclose it with a fence? May a home owner be required to keep his premises from becoming an eyesore to the neighborhood?

Clearly the city may act for reasons of safety or health. It may insist, out of regard for your neighbors' welfare, that your home must not become a firetrap or a source of disease.

But the law long looked askance at regulations that were even partly motivated by considerations of beauty. Safety and health were considered matters of necessity, but beauty only a matter of luxury—not urgent enough to justify government tampering with private property rights.

Besides, it is relatively easy to agree on what is safe and what is healthful. But what is beautiful? If the city could regulate in the name of beauty, couldn't it—for example—tell a home owner what color to paint his house? where to plant his shrubbery? As one judge put it:

"Individual taste, good or bad, should ordinarily be let alone by government."

Nevertheless, there has been a gradual trend toward letting aesthetics play a larger role in municipal regulation. Beauty, if not yet as necessary as safety or health, is at least considered more necessary than it used to be.

"Our sensibilities have become more refined and our ideals more exacting," wrote one court. And "an eyesore in a neighborhood of residences might be as disagreeable as noise, or odor, or a menace to safety or health."

States differ as to just how large the role of beautification may be. But they do agree that it may carry some weight.

"Beauty may not be queen," a judge observed, "but at least it is no longer an outcast, beyond the pale of protection."

NEW TEXAS HIGHWAY MAPS NOW AVAILABLE

AUSTIN--The largest single order for the Official State Highway Map of the Texas Highway Department is now rolling off the presses.

The initial order for 800,000 of the full-color maps is up 200,000 over the first order for 1965 maps. In past years, substantial reprints have been required to fill the ever-increasing demand from both Texas motorists and out-of-state visitors.

The maps are produced for free distribution by the Travel and Information Division of the Texas Highway Department. They provide tourists and Texans with up-to-date information on highways, mileages, lakes accessible to the public, Safety Rest Areas, city route maps, and to distinguish Interstate, U.S., state and farm- and ranch-to-market roads in the state.

The growth of the Interstate Highway network is graphically shown, as the 1966 map shows 521 more miles of divided-highways than appeared on the 1965 map. The majority of this increase is the Interstate System.

Over 22,000 miles of farm-to-market roads are shown—some 7,500 more miles of this type road than appeared on the 1965 map.

Safety Rest Areas are again indicated on the map by small green dots alongside the highway. Last year there were 914 green dots. This year there are 934.

The reverse side of the 1966 map is devoted to full-color pictures of various scenic attractions of Texas with the challenge to "Discover Texas—America's Fun-tier."

Postcards for convenient ordering of the 1966 maps will be available at each Texas county tax assessor-collector's office, and as Texans buy their 1966 auto tags they may pick up these free order cards at their tax office.

Free copies of the map are also available at each of the eight Tourists Bureaus operated by the Highway Department at principal highway entrances to Texas and in the rotunda of the State Capitol, and at all 25 Highway Department district offices over the state.

Free copies also may be obtained by writing the Texas Highway Department.

HEAD QUARTER-MILLION TEXAS Masonic Lodge of Texas at its annual communication. Leading the Masonic Fraternity will be (left to right) Fullingim of Odessa as Grand Master, Deputy Grand Master J. D. Tomme, Jr., a Fort Worth dentist, Grand Warden J. W. Chandler, a Houston businessman, and Highway Patrol Major J. Guy Smith of Dallas, new Grand Junior Warden. Over 4,000 Masons from Texas Lodges attended the Waco meeting.

Soil Testing Is Encouraged

Now is an excellent time to send in soil samples to be tested so information will be available for planning next year's production, according to Jerry DeBord, assistant Lubbock County agent.

The \$2 for a soil test may well be the wisest and most profitable money spent during the crop year, the agent pointed out. The agent listed nine pertinent points:

1. Take one sample per acre.
2. Sample top 6 inches of soil.
3. Be careful to get representative soil.
4. Commercial nitrogen cannot be sure to include phosphorus and potassium.
5. Ask for recommendations on realistic yields.
6. Approximately 20 pounds of nitrogen per acre are removed from the soil by the crop.
7. Soil test results only as good as the information sheets given at the county agent's fertilizer dealers.
8. Sample boxes must be returned to the county agent for determining if fertilizing for you or what the most economical contact us, we will demonstrate and tested free.

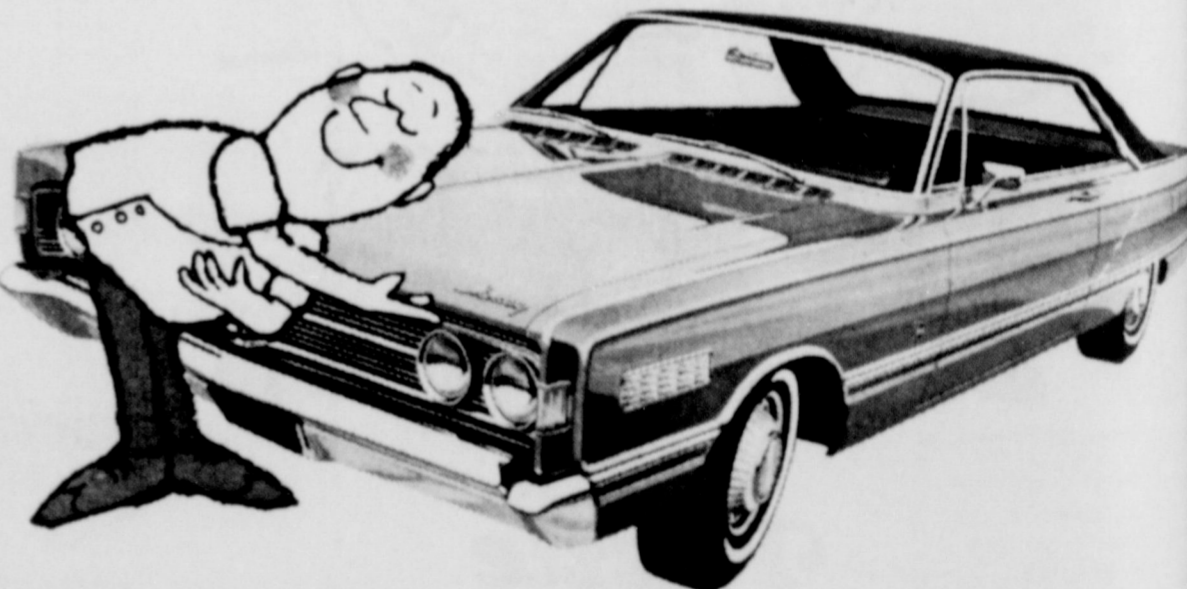

PERSONAL

Visitors in the home of the R. D. Hickmans and the Alton Kenneys last weekend were Mr. and Mrs. Robert Green, Robert Lee and Sally of Baird and Sally's boyfriend, Kelton Jones, a student at Texas Tech.

Mr. and Mrs. R. C. Sanner returned Tuesday from El Paso where they attended the wedding of their grandson, Michael Todd Francis, to Miss Sarasue Waldron. The ceremony was read at 4 p.m. Sunday in St. James Methodist Church.

SICK OF HIGH PRICES?

See your M.D... your Mercury Dealer!

Who says you don't have to pay through the nose to drive a really luxurious car? Your Mercury Dealer, that's who! The '66 Mercury combines luxurious styling (in the Lincoln-Continental tradition, of course) with a modest price. So, now you can drive a car that makes you feel four feet off the ground without destroying your budget. And the driving's really fine. A short test ride will prove that. So why not do it now. You'll never get more car for your money.
