

Commission Passes Annexation Ordinance

The corporation city limits of Slaton will be extended approximately 10% in 30 days according to the ordinance passed by the city commission at its regular Monday night meeting. The ordinance, with the description of the land that will be encompassed in the extension, is published as a legal notice elsewhere in this issue of The Slatonite.

Robert Hall, chairman of the commission, introduced a motion to adopt ordinance No. 229 concerning the extension of the city limits. The ordinance was passed unanimously in favor of the motion after the

second coming from Commissioner Bollinger.

Cemetery Department Created

After a lengthy discussion with chairman of the cemetery association, Bud Englund, the commission decided to create a Cemetery Department and provide the department with a cemetery park superintendent. The department will be under the direction

of the cemetery board as set forth in a lengthy proposal presented to the city commission by the cemetery board. The action of the commission came after a motion by Bollinger and a second by Davis.

One of the provisions adopted was to abolish the past practice of the city secretary receiving .50 filing fee for birth and death certificates. Henceforth the mon-

ey will be placed in the cemetery fund. All revenues and disbursements pertaining to Englewood Cemetery will be handled through the cemetery fund.

Engineering Report Authorized

Bennett Reaves, engineer in the firm of Parkhill, Smith & Cooper Inc., Consulting Engineers, presented a contract outlining studies of projects that

the city will need during the next 10 years and through the year of 2010. The commission authorized the engineering firm to make the report within 6 months. Cost of the report will be \$5,150.00. Terms of the contract call for one-third of the amount to be paid within 10 days after completion of the report and the balance to be paid in

12 equal payments, or by October 15, 1964. The commission further authorized Mayor Jonas Cain to negotiate the payment terms.

Included in the report will be the water, sewage, drainage and street needs that the growing town of Slaton will need in the next several years.

Transfer Funds

The commission authorized

city secretary Bobby Sokoll to transfer \$3,000 from the city water fund to the general funds. Commissioner Davis made the motion with the second coming from Bollinger.

All commissioners were present with the exception of commissioner Truett Bownds. Mayor Jonas Cain presided over the regular meeting.

School Reaches All Time High

Enrollment in Slaton public schools has reached an all time high for this period of the school year. Monday of this week was 2,147 as compared to 2,097 this same time last year.

Austin school enrollment is 300; West Ward, 658; Junior High, 432; High School, 403 and Evans, 354.

Last year's enrollment for Austin school was 292, West Ward, 630, Junior High, 439; High School, 386 and Evans 332.

Dr. P. Lee Vardy, superintendent of Slaton Schools stated that this increase apparently normal for this area. The average increase per year over a 10 year period is about 10%.

IMPROVING

Mr. W. A. Field is reported to be improving at his home. He had been confined to Mercy Hospital for one week due to illness.

Boy Scout Fund Drive Ahead

By BILL BALL

The first day of the 1963 Boy Scouts of America fund drive in Slaton netted \$1601.05. Ellis Schmid, finance committee auditor, announced today.

This compared to \$1480.00 for the initial day's drive in 1962.

Total amount collected this year is expected to exceed the \$2610.45 collected in 1962 Schmid said.

Although the annual drive is scheduled for only one day, workers are given until November 20 to contact persons missed during the first calls.

Anyone who has not been contacted is asked to call Doug Galassini, local finance committee chairman, Schmid, or Majors Mill Ardrey, Bill Ball, Dick Hartman, Dr. P. L. Vardy or J. E. Eckert.

The Boy Scouts of America use the term "whole Scout family" to denote its three programs—Cub Scouting, Boy Scouting, and Exploring, each designed to meet the needs of boys in different age groups.

All three are conducted by the Scout units of Slaton for which the annual fund drive is conducted to maintain and strengthen its work in this area.

Cub Scouting, a program of challenging skills and group activities for boys from eight to 11 years old is different from the younger boy program anywhere else in the work as it is home-and-neighborhood centered and includes between meeting time activities.

Cub Scouting stimulates a boy's interest so that when he outgrows his Cub Scout Pack he joins a Boy Scout troop at eleven.

Locally 95 boys are Cub Scouts in 3 Cub Scout packs. There are 32 men serving as volunteer lead-

ers while 16 women are Den Mothers.

The Cub Scout program is a year-round program of activities to enable parents to help their sons through one of the most vital periods of life.

The Cub Scout learns to become self-reliant and helpful to others. He works with interesting things—handicraft, collections, games, stunts, nature, and hobbies with his parents who work with him on his various achievements. Thus home life is built more solidly and family teamwork is enriched.

Cub Scouts get together in their weekly den meetings under the supervision of their Den Mother and Den Chief. This Cub Scout den is a small neighborhood group of boys who like to be together. They learn how to get along with other people and find out more about their world.

Any contribution to the Boy Scouts helps make this worthy program possible.

Freezing temperature predicted for Tuesday night failed to materialize in Slaton with the thermometer at Pioneer Natural Gas Co. dipping only to 34.

Week's high of 76 degrees was recorded on Sunday. The day by day temperatures for the past week as recorded by Pioneer Natural Gas Co. were:

Thursday	79	44
Friday	59	47
Saturday	69	43
Sunday	76	39
Monday	75	44
Tuesday	75	45
Wednesday	67	34

Day Festival Be Held At Community

Day festival will be held at the Community, Thursday, November 14, 1963. The ladies of the Parish will serve two cooked meals which will be served from 11:00 a. m. until 1:00 p. m. and the evening meal from 7:00 p. m. until 9:00 p. m.

Following the auction will be a dance with a western band providing the music.

4-H CLUB AWARDS WINNERS ALL members of Slaton 4-H Club who recently received awards for achievement

front row from left to right are Floyd Kitten, Lloyd Kitten, Clifford Kitten, Carol Kitten, Susan Kahlich, Middle row Wayne Kahlich, Mike Melcher, Don Heinrich, Carla Nesbitt, Susan Kahlich; Third row, assistant county agent John Holt, Jerry Lemon, Joyce Kitten, Cynthia Steffens, Doris Kitten and Oleta Bedneza. Not pictured is Veronica Kitten.

Slaton Girl Receives Plaque At Banquet

Lubbock County 4-H Achievement Banquet was held Monday night, November fourth at the First Methodist Church, Lubbock. Named as County's top first-year 4-H girl was Oleta Bednarz, 14, daughter of Mr. and Mrs. Robert Bednarz, Rt. 1 Slaton. Mrs. Carolyn Hill, Assistant County Home Demonstration Agent, presented Oleta with a plaque for her achievement in her first year of 4-H work.

Slaton 4-H Club received a certificate for their outstanding work. The requirements for one of these are: both boy and girl club, adult leaders, and 50% of the records turned in.

The following awards were presented:

Canning and 1st year pen, Carol Kitten; electric, and 3rd year pen, Cynthia Steffens; entomology and 1st year pen, Floyd and Lloyd Kitten; garden and 3rd year pen, Doris Kitten; home improvement, 1st year pen, Oleta Bednarz home improvement and 3rd year pen, Joyce Kitten; poultry and 1st year pen, Clifford Kitten; safety and 2nd year pen, Kathryn Kitten; home stead improvement and 1st year pen, Susan and Linda Kahlich, lambs and 1st year pen, Wayne Kahlich; Carla Nesbitt, 1st year pen; Donnie Heinrich, 1st year pen; Mike Melcher, 1st year pen; Jerry Luman, 1st year pen; and Veronica Kitten, 1st year pen. The banquet is sponsored annually by the South Plains Electric Coop of Lubbock.

Jaycee-Ettes To Sew Dressings For Cancer Loan Closet Each Month

The Slaton Jaycee-Ettes have decided to sew dressings each month for the Cancer Loan Closet which serves the Slaton area cancer patients who cannot afford to purchase gowns, bandages, pads and other cloth needed in the care of cancer patients.

The wives of local Jaycees will meet the second Thursday of each month to sew the dressings. At the regular monthly meeting they met in the home of Mrs. Janis King, the club decided on a supper-social for Christmas. The social will be in the home of Mr. and Mrs. Gerald McCook. The next regular meeting will be in the home of Mrs. DeEtta Jones on December 3.

Anyone wishing to contribute women's hose with runners or snags, worn out white shirts, torn sheets and other cloth items of this nature are urged to call Mrs. Bobby Jones at VA 8-4123.

Son Of Slaton Couple Will Have Male Lead In Opera At Denton

Donald W. Edwards of Slaton will have the male lead in the North Texas State University Supper Theater production of the Gilbert and Sullivan opera, "Trial by Jury," Nov. 14 and 15. The three-act comedy, first produced in London in 1875,

takes a poke at the 19th century English judiciary. A "not-so-serious" breach of promise suit brought by the beautiful Angelina against her ex-lover, played by Edwards, turns a pompous British court into a marriage bureau. The defendant, in love with another maiden, is saved from the suit by an unusual decision from a wise judge.

A supper before the play will begin at 7 p. m. in the Union Building Cafeteria.

Edwards, the son of J. S. Edwards Jr., Slaton, is a junior music education major at NTSU. He is a member of the A Cappella Choir which will begin a tour of Europe in January.

TB Tests Given To Students

In cooperation with City-County Health offices and Lubbock County Tuberculosis Association, the Slaton Schools participated in TB check here Tuesday. The tests will be read under the direction of local physicians Friday.

Grades tested were the first, sixth grades and freshman students. Mrs. J. H. Dodson, school nurse, assisted by Mrs. M. Jay McSween, Mrs. Glenn Payne, Mrs. John C. Locke and Mrs. S. H. Jaynes gave the tests to the students.

Services Held For Former Posey Resident

Services were held Tuesday, November 12, at Exeter, California for Mrs. J. W. Johnson, formerly of Posey. Mrs. Johnson died there Friday.

Mrs. Johnson and her husband farmed near the Posey community for a number of years before moving to California.

She is survived by her husband, 2 sons and one daughter; one brother, Elbert Gumm of Wilson; five sisters: Mrs. M. Hunt, Moro Bay, California; Mrs. Albert Johnson, Posey; Mrs. E. Baker, Meadow, Texas; Mrs. Marcelle Hayden, Causey, New Mexico and nine grandchildren. Mrs. Johnson was the former Miss Tessie Gumm.

Wilson Coronation To Be Held Saturday

Wilson Public School will have a coronation ceremony and program Saturday night, November 23rd, at the High School auditorium with proceeds being divided equally between the annual staff and the classes represented; (money for the annual fund will be used to cover a deficit in the annual from the last year and the classes will use the money for worthy projects for the room).

The charges of admission will be 50 cents for students and \$1.00 for adults. Each ticket will entitle the bearer to one vote for a queen in each of the three school departments—Elementary, High School and Junior High.

The program will commence at 7:30 with 10 minutes of singing by Spears Barber Shop Quartet, and will feature a program of numbers from each of the classes in school and will include singing, piano, readings dancing and will be concluded with the coronation. The voting will end at 7:30 sharp. Others may attend but will not have the privilege of voting.

VISIT IN FORT WORTH Mrs. LaWanda Henry visited her son-in-law and daughter Mrs. Mary Dymna, principal of St. Joseph's School. The flag was given to the school on Veterans Day, Monday Nov. 11. Pictured from right to left are Walter Mosser, quartermaster; Bo Becker, Post Commander; Sister Mary Dymna, committee of Home School Association members; Mrs. J. E. Eckert, Mrs. Jerry Melcher and Mrs. A. A. Wimmer. At far right is Old Glory flying at St. Joseph's School.

City Basketball Leagues To Be Organized

According to an announcement by Leonard Ehrler, Jr., athletic director, park and recreation department of City of Lubbock, organizational meetings are scheduled on November 18th and 25th.

All churches, clubs, businesses, or civic groups who would like to organize teams to participate in the leagues should have a representative at these meetings that will be held at 7:30 p. m. on the above mentioned dates at 407 East Broadway.

Leagues will be organized to accommodate each group. Junior High School gymnasiums in the city are available for practice at this time. All reservations must be made through the recreation department athletic office.

PICTURED ABOVE ARE MEMBER OF Aaron Lumen VFW Post presenting the United States Flag to Sister Mary Dymna, principal of St. Joseph's School. The flag was given to the school on Veterans Day, Monday Nov. 11. Pictured from right to left are Walter Mosser, quartermaster; Bo Becker, Post Commander; Sister Mary Dymna, committee of Home School Association members; Mrs. J. E. Eckert, Mrs. Jerry Melcher and Mrs. A. A. Wimmer. At far right is Old Glory flying at St. Joseph's School.

Slaton Tigers Accept Tournament Invite

Slaton has accepted an invitation to participate in the Fifth annual Caprock Holiday Basketball Tournament to be held December 28, 27, and 28 in Lubbock Municipal Coliseum. This is an invitational tournament and Slaton was selected upon the recommendation of a selection

committee. The committee reports that all teams selected are first choice.

The participating teams in the AA-A-B divisions are McAdoo, Petersburg, Shallowater, Slaton, Denver City, Dimmitt, Floydada and Plains. Teams that will participate in

the AAA-AAAA division will be Lubbock, Levelland, Lamesa, Andrews, Snyder, Midland, Seminole and Mooterey.

This tournament is sponsored by the Caprock Chapter of the American Business Clubs, a civic organization devoted to promoting this event to becoming an annual highlight in high school basketball throughout the entire South Plains.

Any profits derived from this project are donated to worthy causes.

The Slatonite will publish the Complete Tiger roster as soon as it is complete.

Coach Fred Weaver is head basketball coach for Slaton High School.

Junior Play Will Be Presented In Auditorium November 15

A cast of 23 Slaton High School Junior students will present a play "The Vary Opposite Sex" Friday night at the Slaton High School Auditorium.

Comedy at 8:00 p. m. Admission will be 50c for students and 75c for adults.

The cast of characters are: Blinky Blaine, Nan Saage; Emma Shultz, Dee Chapple; Sally, Rosa Walston; Rosey, Mary Beth Woods; Nancy, Sherra Harris; Sooky, Kathy Gasa; Mabes, Ann Weaver; Janet, Marilyn McSween; Vera, Robin Davis; Vera's Mother, Jan Scott; Sally's mother, Belinda Becker; Miss Adrian, Glenna Payne; Roger, Chuck Space; Horse, Steve Tucker; Phil, Len Dodson; Joey, Randy Polk; Jim, Paul Trout; Rosey's dad, Joe Hargrave; Mr. Blaine, Larry Melcher; Mr. Joyce, Kenneth Romines; Policeman Bob Van Meter.

Boston Begins Operation Of Drive In

Harold Boston, owner of Boston's Super Dog which has been leased out the past two years, has resumed operation of the firm, located at 1250 South Ninth. The drive-in will be open seven days a week, Boston announced. Business hours on weekdays and Sundays will be 10 a. m. to 10 p. m. and on Saturdays will be 10 a. m. to 11 a. m.

Veterans Gifts Deadline Is Set

Slaton American Legion Auxiliary deadline for collecting Christmas gifts for Veterans who are patients in Big Spring Veterans Hospital has been set as December 1, according to an announcement made by Mrs. E. C. Davidson.

Items that will be collected by the local auxiliary will be sent to the Big Spring Veterans Hospital for the purpose of the patients to select Christmas gifts to be sent to their families.

Men, women's and children's clothing, toys for children and gifts for teenagers are sorely needed for the veterans to send to their families.

There is no charge made to the veterans for the gifts that are donated, or the mailing charges necessary in sending the packages to their families.

The local depot for collecting the gifts will be at the home of Mrs. E. C. Davidson, 120 South 5th. For further information concerning items needed, you may call Mrs. Davidson.

EDITORIALLY SPEAKING

Observations and Potpourri

Only Managed News Wanted?

We have observed that there are a selected few who would like to do away with newspapers of general circulation (general circulation meaning legal newspapers that are distributed for anyone to purchase at the prescribed price.)

It seems that some extremists feel that only they are to be privileged to interpret news and advertising messages that inform the reader and potential buyer. Some of the extremist with connections who can divert funds from one media to another, and with this power they sometimes try to dictate to the free press what they think should be published.

Some pressure groups have made it plain that if the news media doesn't agree one hundred per cent with their ideas and policies then the free press is an absolute enemy and therefore is siding with other groups and interests.

This is an independent newspaper endeavoring to print hometown news and advertising messages as accurately and fairly as possible. We shall continue to remain independent and serve our community to the very best of our ability at all times. JHK, II

Reappraisal Causes Delay

Many of the taxpayers in Commissioner's Precinct I are asking the question: "Why isn't the County proceeding with the purchase of right-of-way for the four-lane widening of U. S. Highway 84?"

The reason they're asking the question, of course, is that an \$85,000 bond issue was voted some time ago for the purchase of the County's half of the right-of-way, with the State to pay the other half.

The question is also being asked because the County is already levying the 30-cent tax rate per \$100 valuation for paying off the \$85,000 bond issue, with the tax being assessed on the Precinct I tax statements that were mailed earlier this month.

This question—as nearly all good questions do—has an answer.

The delay in purchasing the right-of-way for the highway widening project has occurred because the State deemed a reappraisal of the right-of-way property necessary.

The reappraisal is now nearing completion, and County Judge J. E. Parker said today that negotiations for right-of-way should get under way within the next few weeks—"per-

Want Ads Get Results

Notes from Neighbors

Events and Opinions

... .. from the Exchanges of the Slatonite

haps within the next week or two," he said. Judge Parker said that when the State asked for another look there was nothing the County could do except resubmit the property for reappraisal. Hence the delay.

"The County Commissioners' Court is just as anxious as anyone to acquire the right-of-way and get the highway improvement project under way," Judge Parker concluded. —Post Dispatch

Concho Outbreak

Three persons in Concho County were taking treatment against rabies.

It was pointed out that rabies outbreaks frequently accompany periods of drought, for dry weather diminishes the number of watering places, bringing the animals into closer contact with each other.

Also, wildlife frequently is forced to come into inhabited areas in search of food and water, and the danger of contact with people is thereby increased.

The rabies threat is apt to continue until general rains occur, it was pointed out. Menard News

Mr. Wrong Deeds Goes To Washington

BY JIM O'BRIEN

No doubt thousands of voters in the 16th Congressional District are kicking themselves because they wasted a vote on Ed Ferguson. Who could have fore-told, back in the late spring and early summer of 1962, that this knight in shining armor would turn out to be just another scrap of iron.

Foreman came charging out of the Permian Basin oil patch lance tilted and ready for the lists. He was a new knight, but in the purist robes of the rightest conservative, come to do battle with the Black Knight who had "sold" his people to the ultra liberal.

The new knight, untried in the political lists and an almost complete stranger to people in the hinterlands outside the realm of the Permian Basin, drew admirers almost immediately with his finesse in jousting against the highly regarded political machine of the Black Knight. His long sharp lance pierced the venerable openings left by hint of scandal. However, time and again the Black Knight sent his youthful opponent reeling with sharp maneuvering of his own, immediate action on the Davis project, moves to assist with screwworm programs, several other astute moves to pierce the armor of the conservative knight. But each time the oil patch paladin retained his astride his GOP charger and drove in with re-newed vigor.

As the youthful knight made his way through the hinterlands he gained more and more followers in his crusade and the District's voting population march unerringly down the line on election day the goal ahead.

Yet, even with this blind support the Black Knight appeared to be a sure winner. However, he had failed to defend his flank with the result that the ballot battle was lost.

The surprising upset, turned in by the New Mexican born West Texan, was taken with a grain of salt by both friend and foe and the Republican cavalier packed his bags for Washington.

On reaching Capitol Hill the noble knight from the nation's biggest oil patch began to trumpet his arrival. Like a samurai he plunged into the intricate labyrinth of national and international politics. Fresh from the drilling rig the newly claimed representative expounded his views on all subjects that in the past required much study and experience to grasp.

However, it took very little time for the knight on the whole charger to see through the spies and culprits in Washington. Soon found that he was surrounded by villains bent on leading his nation down the road to ruin and defeat.

He spent his time unclocking the scoundrels and exposing them to the watchful eyes of such vigilant organizations as the John Birch Society and other "We're for America" groups. He became their watchdog in the nation's capital.

During this time important and world-shaking problems faced the Congress of the United States. Legislation, which if passed or defeated, might in due course change our entire way of life was being discussed. Apparently these high priority decisions were of little consequence to our standard-bearer as he continued to ferret out the subversives in government.

Legislation too, had no priority when it came to battle. The alert knight was ever watchful for a chance to defend his new crown and vaulted into the fray to prove to the world that a West Texan still lived by the sword.

This latest episode of cloakroom antics, bringing nationwide publicity to Texas' delegation in the House of Representatives, however, was the straw that broke the back of the knight-stallion.

When elected representatives begin cavorting like school children it is time for the people to take action. This will probably be seen when ballot boxes are opened after the next election.

Elected officials who resort to violence to prove a point are of little or no use at a conference table. If Americans have finally reached the point where they believe that world problems can be settled at a conference table then fisticuffs have no place in the halls of Congress.

What a shining example to our students of government. What a juicy piece of propaganda for our international enemies.

An individual, elected to the highest legislative body in the land, The Congress of the United States, is supposedly elected with average intelligence and should possess some degree of decorum. His constituents look up to him. He is pointed out as a leader in the community and the district he represents. What that person degrades himself to the point of street brawling also casts a shadow over the district he represents.

There is no room at any level of government, city, county, state or national, for hot heads and brawlers. These people are elected to serve the interests of the population, and should be removed from that office when they assume puritanical heights to enhance their own position and use that high office as a stepping stone to greater heights through degrading publicity.

Red herring activity, such as we have seen from the oil patch partisan, can be for only one purpose, gain new stature in the eyes of those who wait on the sidelines for a new knight in shining armor. This type of prominence is reserved for the demagogues of dictatorship. There is no place in our nation for glory-seeking mongers. Jim O'Brien, Big Bend resident

Mrs. R. L. Smith Is Hostess For Civic-Culture Club

The Civic and Culture Club met recently in the home of Mrs. R. L. Smith with Mrs. Bessie Donald as co-hostess.

Mrs. A. L. Saage presented the meditation, taken from Amy Bolding's book, "Please Give A Devotional." Mrs. Bolding is the wife of a former pastor of the First Baptist Church, Slaton.

Mrs. E. R. Legg gave a sketch on the life of Robert Frost and presented an impressive program on his poetry.

A pumpkin nestled in autumn leaves centered the refreshment table.

Members present included Mmes. J. D. Barry, Donald, J. A. Elliott, M. L. German, L. B. Hagerman, Legg, A. L. Robertson, Saage, Fred Schmidt, H. T. Scurlock, R. L. Smith, R. H. Todd, and H. V. Wheeler.

Self-Expression Is Program Topic For Athenian Club

"The Art of Self Expression" was title of the program given by Mrs. Harley Martin for members of the Athenian Club when the group met in the Martin home, November 5.

Mrs. Sam Martin who was introduced by her daughter-in-law, added to the program with a discussion of her hobbies.

Three new members, Mmes. Wade Krizan, Joe Fondy and Don Mitchell, were welcomed into the club. Other members present included Mmes. George Harlan, Ed Moseley, M. G. Davis, Doc Reasoner, James Perkins, Stan Jaynes, Bob Kerns, Kenneth Jones, R. C. Hall, George Privett, W. V. Childers, Surman Clark, Charles Wood, Mrs. Floyd Guelker and Mrs. Martin.

Women's Society Of Christion Service See Film "A New Day In Nepal"

The Women's Society of Christian Service of the Methodist Church met in Fellowship Hall, Monday, November, 11, for a covered dish luncheon. Hostesses were members of the Indis Circle.

Mrs. R. T. Farley, President, held a short business session, with 21 members present.

The group then went to the Chapel for the second session of the study "The Christian Mission in Southeast Asia," under the leadership of Mrs. Calvin Lamb and Mrs. R. C. Hall Jr.

Mrs. Hall, dressed in Nepal

dress, told of the dress, customs, religion, and history of Nepal. She was assisted by Mrs. J. E. Eckert, a poem, Mrs. Nan Tudor, a prayer, and Mrs. Farley a talk "Christianity Calls."

Mrs. Lamb showed a film, "A New Day in Nepal," and read the scripture John 1: 4-9.

The group sang the hymn, "Jesus Calls Us."

Mrs. Davidson prayed the closing prayer.

The next meeting of Women's Society of Christian Service will meet in the Chapel at nine o'clock for the third session of the Study. An exchange student from India will be guest speaker. The public is urged to attend this study session.

P. T. A. Executive Committee Meets

The Halloween Carnival netted \$596.80 according to the treasurer's report given by Mrs. Earl Eblen, treasurer of the association, at the executive committee meeting held Thursday. Members of the Parent-Teachers Association were pleased with the cooperation they received in connection with the Halloween Carnival.

Suggestions for annual projects will be evaluated at the January executive meeting.

Officers of West Ward Parent-Teachers Association are: Mrs. Don Crow, president; Dr. John C. Locke, vice president; Mrs. Jenn Dickson, 2nd vice president; Mrs. Kathleen Thomas, secretary; Mrs. Earl Eblen, treasurer; Mrs. M. G. Mitchell, membership chairman; Mrs. Leroy Holt, room mother chairman; Mrs. R. C. Hall, Jr., publicity; Dr. Lee Vardy, legislation; Mrs. Virgie Hunter, teacher representative and Mrs. John Dodson, health.

Slaton Art Club Sees Lubbock Show

Mrs. Betty Burks and Mrs. Jeanne Hogan were hostesses at the West Texas Museum in Lubbock when members of the Slaton Art Club attended the exhibition of "Art to Own '63."

This outstanding presentation had been assembled especially for Lubbock by W. R. Fine of the Fine Galleries, Dallas, for the past fifty years for West Texans.

The major portion of this show had come direct from London to Lubbock. Over 300 master paintings, etchings, lithographs, mezzotints and other graphics in both traditional and contemporary styles were enjoyed by the Slaton Art Club, headed by Mrs. Truett Fulcher.

THENCE with the existing city limits of the City of Slaton, Texas, and along the east right-of-way line of U. S. Highway 84 around a curve to the right, said curve having a radius of 2724.93 feet, a distance of 1124.5 feet;

THENCE N 0 de. 56' W with the existing city limits of the City of Slaton, Texas, and along the east right-of-way line of U. S. Highway 84 a distance of 2638.4 feet;

THENCE N 6 de. 28' E with the existing city limits of the City of Slaton, Texas, and along the east right-of-way line of U. S. Highway 84 a distance of 580.3 feet;

THENCE with the existing city limits of the City of Slaton, Texas, and along the east right-of-way line of U. S. Highway 84 around a curve to the right, said curve having a radius of 200.0 feet, a distance of 288.9 feet to the place of beginning.

The above described tract of land contains approximately 150 acres, and

TRACT 2 Beginning at a point in the existing city limits of the City of Slaton, Texas, said point being in the south line of the N 1/4 of Survey 20, Block 24, H. E. & W. T. RR Co., a distance of 2275.8 feet east of the west line of said Survey 20, said point also being in the northeast right-of-way line of U. S. Highway No. 84;

THENCE west with the existing city limits of the City of Slaton, Texas, and along the south line of the N 1/4 of said Survey 20, Block 24, to a point 240 feet southwest of the center line of U. S. Highway 84, said 240 feet being measured perpendicular to said highway center line;

THENCE S 55 de. 40' E parallel to and 340 feet southwest of the center line of U. S. Highway 84 to a point in the west right-of-way line of Farm Road 400;

THENCE in a southerly direction along the west right-of-way line of Farm Road 400 to a point on a line parallel to and 20.0 feet south of the north lines of Surveys 23 and 22, Block 24 to a point in the northeast right-of-way line of U. S. Highway 84;

THENCE in a northwesterly direction along the northeast right-of-way line of U. S. Highway 84 to a point in the north right-of-way line of Farm Road 2150, said point being in the existing city limits of the City of Slaton, Texas;

THENCE W 49 de. 33' W a distance of 1278.2 feet with the existing city limits of the City of Slaton, Texas, to a point;

THENCE in a westerly and northerly direction with the existing city limits of the City of Slaton, Texas around a curve to

the right and said curve having a radius of 2814.93 feet, a distance of 958.4 feet to a point;

THENCE west with the existing city limits of the City of Slaton, Texas, a distance of 1378.3 feet to a point in the northeast right-of-way line of U. S. Highway 84;

THENCE N 55 de. W with the existing city limits of the City of Slaton, Texas, and along the northeast right-of-way line of U. S. Highway 84 a distance of 1723.7 feet to the place of beginning.

The above described tract of land contains approximately 85 acres.

Section 2. Should any Section or part of this ordinance be held unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity of said section or part shall in no wise affect, impair or invalidate the remaining portion thereof, but as to such remaining portion the same shall be and remain in full force and effect; and should this ordinance for any reason be ineffective as to any part of either of these areas hereby annexed to the City of Slaton, such ineffectiveness of this ordinance as to any part or parts of any such areas shall not effect this ordinance regardless of land therein described is hereby effectively annexed to the City of Slaton, Texas, any part of the area described in Section 1. of this ordinance regardless of whether any other part of the land therein described is hereby effectively annexed to the City of Slaton, Texas.

Section 3. That from or after the passage of this ordinance, the inhabitants of the territory hereby annexed shall be entitled to all the rights and privileges of other citizens of the City of Slaton, Texas, and shall be bound by the acts, ordinances, resolution and regulations of the said City of Slaton, Texas.

Section 4. The City Secretary is hereby directed to publish this ordinance one time in the official newspaper of the City of Slaton, Texas, and this ordinance shall not finally be passed until at least 30 days have elapsed after such publication, and if finally passed in its present form, the boundary limits of the City of Slaton, Texas, shall thereby be fixed to include the area, territory and extension described in Section 1. of this ordinance.

AND IT IS SO ORDERED

This ordinance was published by the City Commission of the City of Slaton, Texas at a regular meeting of the City Commission this 11th day of November, A.D. 1963 having on this date been first passed, read and voted upon by the City Commission of the City of Slaton, Texas in regular meeting convened.

ATTEST: (S) Robert W. Sokoll, City Secretary.

(S) J. Cain, Mayor

Southland Loses To Gail, 54 - 14

BY BEVERLY STOLLE The Gail Coyotes beat the Southland Eagles Friday night 54-14.

Tommy Burrus made the first touchdown of the game for Gail. Ronald Saunders made a touchdown for Southland in the second quarter. The extra point failed. Tommy Burrus and Sam Buchanan lead the Coyotes to a 30-6 half-time lead.

The Eagles managed eight points in the third quarter. The touchdown was made by Rod Calloway. Don Altman scored the extra points for Southland. Gail scored 24 points in the second half to make the score 54-14.

Outstanding defensive players were Ronald Saunders, Duke Altman, and Dennis McGehee.

Slaton, Texas shall thereby be fixed to include the area, territory and extension described in Section 1. of this ordinance.

AND IT IS SO ORDERED

This ordinance was published by the City Commission of the City of Slaton, Texas at a regular meeting of the City Commission this 11th day of November, A.D. 1963 having on this date been first passed, read and voted upon by the City Commission of the City of Slaton, Texas in regular meeting convened.

ATTEST: (S) Robert W. Sokoll, City Secretary.

(S) J. Cain, Mayor

Around The FIRE HOUSE By BOB KERN

Two fires were reported during the past week. A car at the corner of South 9th and Garza streets was extinguished at 4:00 p. m. Nov. 10. Damage was extensive. In the other fire, a City trash truck was reported at 11:00 a. m. Nov. 11. No damage was done to the truck which was located at 9th and West Panhandle.

Concern was once again expressed relative to the firemen's ability to get to fires when the alarm is sounded. All cars belonging to the Slaton Volunteer Fire Department members are marked with decals on the windshields designating them as firemen's vehicles. Please allow them the right-of-way as the property they are attempting to save might be yours.

Much interest was aroused in our Public Schools concerning Fire Prevention Week Education of the young along this line will help a great deal with this major killer and property damage villain.

Here's what you should do. 1. Figure out two possible routes to the ground from every room in the house, especially the bedrooms. Hold actual fire drills. (Don't think that this sounds ridiculous. It might save your life.) until every member of the family knows just what to do.

'64 OLDS - WHERE THE ACTION IS! Some like V-6 savings! Some like V-6 action! (Olds likes to please everybody!)

Gas-saving Econ-Cruiser... This 330-cubic-inch huster is another Oldsmobile "first"... new member of the Rocket family! New lightweight construction means split-second response from up to 290-h.p. - saves gas besides! Try an F-85. It's proof that Olds is where the action is! OLDS F-85 VISIT YOUR LOCAL AUTHORIZED OLDSMOBILE QUALITY DEALER... WHERE THE ACTION IS! DAVIS OLDS, INC., 130 WEST LYNN DON'T MISS THE AWARD-WINNING "GARRY MOORE SHOW" - TUESDAY NIGHTS - CBS-TV

Learn the location of the fire alarm box nearest your home or post the telephone number of the fire department near your phone. Remember this important rule - it can save your life; If you smell smoke, do not rush out into the hallway. First, make this important test. Place the palm of your hand against the door. If the door feels hot, that hallway is already filled with deadly heated gases. Keep the door closed! Use another escape route, or wait at the window for rescue. Arouse people by shouting. If there's a telephone in the room, use it to call the fire department immediately. If the door does not feel hot, open it slightly, bracing it with your foot and turning your head away. Pass your hand across the opening. If the air seems cool, it should be safe to enter the hall. After making certain that everyone is safely out, call the fire department before attempting to put the fire out. Concentrate on getting the fire engines there in a hurry—because little fires come big fires within a matter of minutes. Close doors you live in an area where and your neighbors have the first few minutes while you are in the area. In the meantime, keep extinguishers handy and use them at least once a year. Have an upstairs, know the location of a ladder.

Man To Give Baptist Award

James, suburban editor of the North Star-Telegram, will receive the annual Texas Press Award during the 14th annual Convention of the Star-Telegram Press Association which meets here Nov. 14-15.

James, a nine-member advisory commission, was named "outstanding contributor to Christianity through journalism" by the association. Jones, who will receive an engraved plaque and \$100, began his career with the Star-Telegram in 1948, graduating from Texas State University with a degree in journalism. He completed a course work in journalism at the University of Texas at Austin.

James began with general news and courthouse reporting. He succeeded in coverage of the late 1950s and early 1960s.

James has been writing for the North Star-Telegram since 1958. He is a member of the Dallas Press Club of Fort Worth.

James is affiliated with the Dallas Club of Dallas, Texas Baptist Press Club of Fort Worth.

The Far View

By Fred A. Ryle
The Value of Votes

The special election on the subject of the elimination of the Poll Tax as a prerequisite to voting in Texas is over. Many people have discussed the value of votes in Texas, and I have heard much hypocrisy thrown about. Let us examine the arguments put forward by those who wanted to retain the Poll Tax to see how well the arguments stand up.

1. "We need to continue the Poll Tax because it helps support our schools." There is no doubt in my mind but that we need increased support for our Texas school, by Texas and the fact that \$1.00 of every school's income went to the schools indicates that this tax has nothing whatever to do with supporting schools. We should have a fair and equitable tax by which to raise money to educate young Texans. The argument that ties school support to taxes on voting could well justify raising the Poll Tax to any amount.

2. "Anyone without \$1.75 doesn't deserve to vote." While it is quite true that the majority of Texans could well afford this amount of money, the very tax is wrong. Who is to determine just what a vote should be worth? How about a \$50 price tag? Why not make it so expensive that only the well-to-do could vote? After all, if we push this argument, only the man or woman who has succeeded in gathering a lot of material wealth is really qualified to vote. Then we would have an oligarchy of the wealthy, something I certainly don't want.

3. "If we eliminate the Poll Tax, we permit 'block-voting.'" There are two parts to this argument. The first assumes that the minorities always vote in a block. (By the way: it always seems to me that a block is defined as any group of people, usually of a darker color, that doesn't include the speaker. We never hear of the "white" block, or the "dry" block. We always hear of the "Negro" or "Mexican" or "wet" block.) If minorities do always vote in a block, it is the fault of majorities who have not educated and accepted the minorities and who have forced them to congeal as a minority group.

The second part of this argument is this: as proof that the elimination of the Poll Tax would lead to block voting, election after election is recalled in which groups of people were brought to the polls to vote in a certain way. What these facts, when they are true, proves is just that the Poll Tax did not protect Texas elections from block voting.

4. "The elimination of the Poll Tax would allow Kennedy to take Texas in 1964 and let the Liberals take over our state." This argument is the most vindictive of all. There are several comments that I would like to make.

a. The Poll Tax did not prevent Kennedy from taking the state in 1960.

b. This argument assumes that everyone should vote except those who are liberal or are for Kennedy or oppose conservatives. It was my understanding of American history that we have been a great nation because we have allowed people to deter-

THANK YOU
The St. Joseph School wants to give its appreciation and thank you to each and everyone for helping to make our fall festival a success. Thank you again.
St. Joseph School

mine for themselves how they would be governed. These arguments suggest that we should allow certain people to determine what is best for the country, and this I think, is Un-American.

c. A hidden part of this and other arguments is that the people of Texas are not intelligent enough to govern for themselves and thus we must keep certain ones from the Polls. Isn't it strange that when people set up standards, they always set those standards to include themselves and exclude those with whom they disagree? We have voted in Texas to retain the Poll Tax for a time. If two more state legislatures ratify the Constitutional Amendment before them, the Poll Tax will be eliminated from elections dealing with the President, Senators and Congressmen. It is at a time such as this that I am proud to be a part of a country with checks and balances, when I am proud to be more than just a Texan; when I am proud to be an American.

President's Tour To Texas Will Bring Forth Many Firsts

The whirlwind visit of President Kennedy to Texas Nov. 21-22 will include a number of historic firsts:

(1) It will be the first time Mrs. Kennedy has accompanied the President on an official trip since the death of her infant son in August.
It will be the first time the First Lady has been to Texas and the first time she has ever accompanied the President on a political tour.

(2) It will be the first time in Texas history that the President, Vice President and Governor have all appeared on the same program.
(3) The \$100-a-plate dinner Nov. 22 in Austin will mark the first time a President of either party has helped raise funds in the state with a personal appearance.

Present to the dinner at Austin's Municipal Auditorium will be sold by 62 members of the State Democratic Executive Committee. They also can be purchased by mail from the SDEC Office at 1010 Lavaca Street in Austin.
The President and Vice President will dedicate new facilities at the School of Aerospace Medicine in San Antonio before at-

from grain so light... to pleasure bright

BEER IS A NATURAL

From nature's light grain comes sparkling, light beer... traditional beverage of moderation—it's light, sparkling, delicious.

And naturally, the brewing industry in Texas considers it noteworthy that it contributes more than twenty million dollars to the state in excise taxes each year plus additional millions in license and permit fees. These millions of dollars help support our public schools, farm roads, old age pensions, teacher retirement funds and help needy children and blind persons.

FREE AIR

AT MARTINDALE

There was this man who came home after he had a few too many. He decided to put on a show for his wife, so he sat down on the divan and began to read a book when she came in and asked him what he was doing. "Reading a book, my dear," "You idiot," his wife said, "Close the suitcase and come to bed."

Two untold wealth that ruined him, He was the modest sort; He didn't tell about it In his income tax report!

With Thanksgiving fast approaching, were reminded of the cranberry scare a few years back. After all that confusion, I was wondering if Donner and Blitzen really had hoof and mouth disease.

The only time a nickel goes as far as it used to is when it rolls under the bed.

STRICTLY BUSINESS

by McFeather

"It's an ideal marriage — Howard likes to save money and I like to spend it!"

Give Thanks For Turkey

The juicy, golden-brown turkey on the holiday table is good reason to give thanks for the abundance of the season. With the addition of Accent monosodium glutamate, your bird can be a paragon of good flavor. Accent brings out all the sweet, delicate taste of the meat and makes it seem juicier, too. Shake it on the skin and inside the cavities—and be sure to use it in the stuffing and gravy, too. About one-half pound ready-to-cook turkey per serving when purchasing the bird—and allow extra weight for seconds, sandwiches, and the incomparable turkey legs.

Holiday Turkey

Wash turkey in cold running water. Pat inside dry with paper towels; leave outside moist. Use 1/2 teaspoon Accent per pound of turkey ready to stuff. Set aside half the total amount for the dressing and gravy; divide the remainder between skin and body cavities. Sprinkle cavities also with salt and pepper. Stuff turkey. Fasten neck skin to body with skewer. Push legs under band of skin at tail, or tie them to tail. Place turkey, breast side up, on rack in shallow open roasting pan. If desired, cover with paper covering or "tent" of aluminum foil. Roast turkey in a slow oven (325° F.), according to weight. Cook the bird 3 1/2 to 4 hours for a 6 to 8-pound turkey; 4 to 4 1/2 hours for an 8 to 12-pound bird; 4 1/2 to 5 1/2 hours for a 12 to 16-pound bird; 5 1/2 to 6 1/2 hours for a 16 to 20-pound bird, 6 1/2 to 7 hours for a 20 to 24-pound bird.

Calorie-Trimmed Cranberry Treat

Festive fare on traditional Thanksgiving Day dinner tables will spell ruin to many a dieting plan. With a little calorie curbing in the kitchen, however, calorie-wise cooks can turn out calorie-streamlined versions of favorite holiday foods, every bit as delicious as their high-calorie counterparts.

The delightful Spiced Cranberry Salad, shown here, is an example of some of the good and low-calorie treats that weight watchers will be enjoying at this year's Thanksgiving Day feast. Sweetened with the calorie-free sweetener, Sucaryl, rather than with sugar, this pineapple-studded cranberry salad costs the dieter a mere 35 calories per serving, a saving of nearly 100 calories over the original. Best of all, everyone at the table, weight watching or not, will be delighted with this delectably sweet and spicy holiday treat.

Spiced Cranberry Salad (Low-Calorie)

- 2 envelopes (or tablespoons) unflavored gelatin
- 1 8 1/4-ounce can Sucaryl-sweetened pineapple tidbits
- 2 cups raw cranberries
- 2 1/2 cups water
- 2 tablespoons Sucaryl solution
- 1/2 teaspoon cinnamon
- 1/2 teaspoon nutmeg
- 1/2 teaspoon cloves

Soften gelatin in liquid drained from pineapple. Combine cranberries and water; cook until skins pop; force through food mill. Add to softened gelatin, stirring to dissolve. Add Sucaryl, cinnamon, nutmeg and cloves, blending well. Refrigerate until mixture begins to thicken. Place drained pineapple tidbits in bottom of a 1-quart

VOLUNTEER FIREMEN PUT OXYGEN MASKS INTO USE... Pictured above are two Slaton volunteer firemen who have just emerged from a smoke filled house with lifesaving Scott Air Packs strapped to their backs. The oxygen apparatus allows the firemen to enter gas or smoke filled areas without danger of inhaling dangerous fumes. At extreme left is Pete Williams, assistant fire chief, center is fireman Leo Ham and extreme right is fireman Richard Becker. The fire that the firemen have answered occurred on South Arizona Monday.

Bazaar Winners Named

The Catholic Daughters would like to thank all the people who came out November 10, and helped to make their Bazaar a big success.

For those who were not at the drawing at 8 p. m. these are the winners: double wedding ring quilt, Nancy Sokora, Sudan, Texas; baby quilt, Mrs. Tony Steffens; sweater, Mrs. Ronnie Schilling; star quilt, Mrs. Travis Mann; Christmas centerpieces,

Jeanette Schneider; red quilt, Mrs. Andy Kitten, Tulip quilt, Mrs. J. S. Edwards; hair dryer, Diana Wimmer, portable television, Dorothy Davis; basket of groceries, Monsignor Peter Morsch; poodle, Mrs. R. Schwertner, applique quilt, Mrs. Alfonso Bednarz; bale of cotton, Roy B. Boyd, Rt. 2, Lubbock.

The watch to be given by the Sisters of Mercy will be given away on New Years Eve. The high bidder on the Bale of cotton auctioned off at 6 p. m. was the Slaton Co-op Gin.

Walnuts and Chocolate Team in Drop Cookies

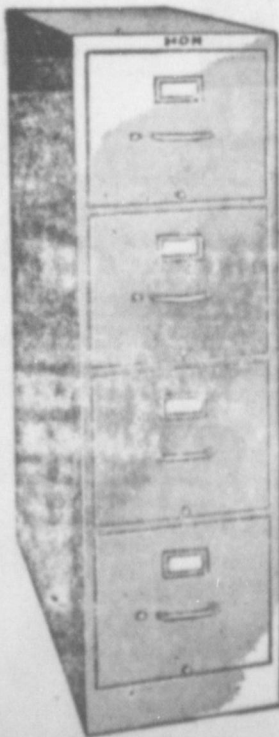

Keep your cookie jar filled with real goodies, Walnut Chocolate Cookies. Serve these cookies with a glass of milk for nibbling time, or with fruit for dessert. They're crunchy with California walnuts, flavorful with rich brown semi-sweet chocolate morsels and nutritious. The famed team of chocolate and walnuts was never better set off than in this drop cookie dough that's lightly spiced with cinnamon and nutmeg. Try walnuts and chocolate morsels together in sauces, frostings, cakes, pies, and other desserts too. You'll find plenty of California walnuts available for all your cookie baking either in-the-shell in cellophane bags, or shelled in handy vacuum cans or clear bags.

Walnut Chocolate Cookies

- 1 cup shortening
- 2 cups dark brown sugar, packed
- 1 teaspoon cinnamon
- 1/2 teaspoon nutmeg
- 2 eggs
- 2 cups sifted all purpose flour
- 1 1/2 teaspoons baking powder
- 1 1/2 teaspoons salt
- 1/2 cup dairy sour cream
- 1 cup quick cooking oats
- 1 6-ounce package (1 cup) semi-sweet chocolate morsels
- 1 1/2 cups chopped California walnuts
- 1 cup raisins

Cream shortening, sugar and spices together until fluffy. Beat in eggs, one at a time. Resift flour with baking powder and salt. Add to shortening-sugar mixture, alternately with sour cream. Stir in oats. Add chocolate morsels, walnuts and raisins. Drop cookies from teaspoon onto very lightly greased cookie sheet. Bake at 350 degrees 15 minutes or until lightly browned. Remove from baking sheet and cool on cookie rack. Makes about eight dozen 2-inch cookies.

IF YOU NEED A FILE...

Its price and features entice you to buy this H-O-N

Here is a filing case that has exceptional rigidity... a full suspension drawer cradle that floats smoothly on 10 roller bearings... new side action compressors... plunger lock... thumb latches... Garden Club Met At The Home Of Mrs. Edwin Haddock November 6

Members of the Slaton Garden Club met in the home of Mrs. Edwin Haddock November 6. Mrs. Grady Wilson served as co-hostess.

A program on conservation was given with Mrs. Clifford Young speaking on "Garden Sense and Pest Control" and Mrs. Bob Ayers discussing "Ground Cover."

Mrs. H. T. Swanner was in charge of the private bazaar which followed.

Lovely Thanksgiving arrangement of fruits was presented by Mrs. Bevis Hanna.

Members present were Meses Ayers, O.Z. Ball, V. G. Brown-

ing, J. S. Edwards, Fremont land, Haddock, Bevis August Kitten, E. R. L. O. Lemon, Jack Nowlin, Pember, Ellis P. Schmidt, Smith, H. G. Stokes, Webber Williams, A. E. head, Earl F. Wilson, S. son and Clifford Young.

Texas is not compact country. It's Caliente country. Out here we need a car that can knock off 500 high-speed miles without even breathing hard. A car that takes the drudgery and backache out of our wide open spaces. The new Comet Caliente is such a car. It rides big. Handles light. Moves quickly. Look it over. From behind the wheel, if you wish. If ever a car was made for Texas, this is it. **COMET CALIENTE!**

No. 5 Continued From Page 1

Managing the eating establishment is LeJeune Lincoln, who comes here from Brownfield where Boston has operated a drive-in the past 15 years. Lincoln and his wife have two sons, Charles, a freshman in high school, and Mark, 1. The family is residing at 610 South Seventh and attends the Baptist church.

Boston announced that a new building for the local firm will be started in the near future. It will go up just northeast of the present building and face south, thus facilitating additional parking area next to Ninth Street. The firm will continue to operate while the building is being constructed.

A new outside speaker system has been added to help speed up service. The customer will be given a number corresponding to a number on his order and he will be called when the order is ready.

The firm, which features the super dog, a franchise dog-on-the-stick covered with flour and spice, also will serve hamburgers, fried chicken, sandwiches, fountain drinks and ice cream. It plans to soon add shrimp and fish sticks to its menu.

Junior Civic And Culture Club Meets

Mrs. C. W. Space was hostess to the members of the Junior Civic and Culture Club Tuesday evening November 5.

Candlelight Memorial Service in memory of Mrs. Joe (Evelyn) Wicker was held. "Eternal Friend" was given by Mrs. W. K. Fry. Mrs. Virgie Hunter lead the members in prayer.

Mrs. C. V. Brake displayed Christmas gifts you can make and described how to make the items.

"Make Something From Nothing" was roll call answered by Mmes. Virgie Hunter, Ray Conner, Yates Key, C. E. Hogue, W. A. Wilke, Oma Faye Brown, C. E. McCoy, W. K. Fry, Ora Belote, W. C. Gilmore, C. R. Bivens, M. J. Etter, M. H. Lasater, R. M. Shepard, Mardell Childress, J. A. Wright, C. V. Brake and the hostess Mrs. C. W. Space.

Guest night will be Nov. 19 at 7:30 at the club house. Hostesses are Mmes. J. A. Wright, W.B. Chrisman, James E. Caldwell and C. R. Bivens.

Lake Irrigation Pump Used By Farmer, Son

Gus Parish (center) is shown here in a recent photo of the KMP Lake Pump which he invented and now uses. The revolutionary pump has eliminated costly priming clogging under normal lake conditions. The KMP pump is located south of Earth on the Parish farm, is presently pumping units per week.

water, it continues to pump as much water as is available, without losing suction. The cost of pumping lake water has been lowered to new records in tests made with the KMP Lake Pump during the past three years.

Parish explained that lake water is "by far better for crops than underground water because it's warmer and it contains many more nutrients accumulated as the water runs into the lake."

"You can see the difference in a cotton crop irrigated with lake water," he said.

And with the abundance of lake and tail water in this Plains area Parish's development of KMP Lake Pump has encouraged by farmers and water conservationist alike.

The original KMP Pump was first constructed more than three years ago, Parish said, "but we wanted to test it as much as possible to be sure there were no problems with it."

The pump have been used extensively in hundreds of different situations and under all kinds of conditions. Improvements were made throughout testing.

While clogging and priming have been virtually eliminated from the lake pumping operation by the KMP Lake Pump, there is an automatic shutoff valve that turns off the pump and motor should a severe stoppage occur, or should the water in the lake be exhausted.

The pump alone is currently selling at about \$650.00, Parish said. It can be bought complete with trailer and a motor for a total cost of about \$1600.00 at the plant.

Doug Parish, manager of the KMP plant, said current production has reached five complete pumping units per week. Orders are increasing daily, he said, as information about the pump circulates.

The KMP Pump unit mounted on a trailer is easy to move to the proper location. The pump is quickly backed into the water and connected to the delivery pipe which distributes the water.

With a small engine running about 1200 R. P. M., the KMP Lake Pump will deliver about 1200 gallons per minute. Easy-to-change impellers and varying motor speeds make the pumping range 600 to 1900 G. P. M.

Sufficient constant water pressure is maintained for operating sprinklers, Parish added.

The KMP Lake Pump is made only in the 8 inch size presently, but plans are on the drawing board for a smaller 4 inch KMP which may be available by next season, the elder Parish said.

TEXAS MASONS DEDICATE HIGH SCHOOL FACILITY

Under the leadership of the Grand Master, Jim W. Weatherby, of Kerrville, second from right, high ranking officials of the Masonic Grand Lodge of Texas meet in Fort Worth to dedicate the new Masonic Home and School High School Building.

Pictured in front of a replica of the new building are: (l to r) Ray Barber, superintendent of the Masonic Home and School, J. J. Patterson, architect, George R. M. Montgomery, past grand master and president of the Masonic Home and School administrative board, John G. Kemmerer, past grand master, Weatherby and J. D. Tomme, president of the Masonic Home Independent School Board.

The new high school building is the third structure to be completed under an extensive building program at the Masonic School.

Children and grandchildren of Masons are eligible for admission to the Masonic Home and School of Texas.

South Plains irrigation well back in 1936, is a veteran leader in water conservation of this area, having served on many committees and boards, including the High Plains Water Conservation District.

The KMP saves money and time, Parish points out, "because it eliminates priming of the supply pipe that goes into the lake water."

All previous lake pumps required priming, or filling of the length of pipe which sucks water from the lake to the pump. The KMP pump has placed the pump impellers on the bottom of the pipe which goes into the lake, eliminating the costly priming process.

Another big advantage to the KMP Lake Pump is that it will pump in water 18 inches to 15 feet without losing prime. If the pump sucks air along with

WHY

HERE'S OVER A
MILLION AMERICANS, MANY
IN THIS AREA, HAVE INSTALLED
ELECTRIC HOME HEATING!!!

THEY LIKE ITS CLEANLINESS!

Dependable electric service has proved its cleanliness in the electric appliances you've been using for years. This same cleanliness is yours in a modern electric heating system — you are invited to join the American families that are now enjoying this modern, clean way of comfort heating.

THEY LIKE ITS COMFORT!

Electric comfort heating is the greatest wintertime comfort these million families have ever known. Those who have it are high in their praise and are enthusiastic in endorsing it. You will certainly want to look into this modern way of heating... to have for your family this great feeling of pure comfort now enjoyed by so many.

THEY LIKE ITS OPERATING COST!

Some who previously had thought the cost of electric heating too high have been pleasantly surprised by their actual operating experience. They have found that they can readily afford a properly installed electric comfort heating system. Certainly you'll want the facts to judge for yourself.

Question

Can Pontiacs possibly keep on getting better and better and better?

Answer

More than 70,000 people bought new Pontiacs and Tempests during October.

SEE WHY AT YOUR AUTHORIZED PONTIAC DEALER

KENDRICK PONTIAC
SLATON, TEXAS

FREE OFFER!!!

NOW YOU CAN LEARN THE FACTS ABOUT THE ELECTRIC HEATING FOR YOUR HOME AND GET THIS ATTRACTIVE, PRACTICAL INDOOR-OUTDOOR THERMOMETER FOR YOUR TIME!

Please call your Public Service office, for home appointment.

MODEL 407-B
RETAIL VALUE \$5.00

You're entitled to the facts about electric comfort heating for your home. Whether you're planning a new home or are in need of modernizing your present home you should know about the advances made in electric comfort heating. You can have the facts, including a survey of your existing home, simply by calling your Public Service office. A qualified electric heating representative will call on you, in your home, at your convenience and fully explain every detail about electric comfort heating — INCLUDING Reddy's new low electric heating rate.

WAKE UP YOUNGER!

OUR READERS WRITE! Dear Helen Alpert: Thanks so much for your nice letter and information. We are so happy you are so interested in our Senior Citizens group...

I am so proud of our Senior Citizens. For such a small town I think this is wonderful. My daughter said: "Mom, I believe your Senior Citizens group are the busiest in town and have the most fun!"

I'm enclosing some clippings since you asked me to keep in touch. We have the Garden Club and Sewing Club as part of our Senior Citizens. The Sewing Club remodels men's shirts into hospital garments. These are given to the Vets Hospital in Buffalo and the county infirmary at Machias. Next month we are having a "Mock Wedding" for fun. This week we are going in a caravan of cars to see some of our beautiful hills in Cattaraugus County. Red, gold, orange, green — there's nothing like our lovely sugar maples for color!

Then I'm taking them to see a collection of over 500 clocks, owned by Mr. Avers. It is a sight. Everyone is polished, all ticking merrily, always all sorts of chimes and bells, etc. Thanks for your suggestions. They are very helpful. Will you please let me know about the free films? I just found out another interesting idea. The telephone company will send a lecturer on all sorts of interesting things and we may also have free films. How do you like our little Golden Nugget newspaper? A member cuts the steacil and prints them for us.

Thanks a million, Mrs. Farrington! The news-clippings say that there are over 100 members in this busy group! All you presidents of willing Golden Age clubs might write to sparkling

TIGHT IS THE PINCH

Your reply to "Tight Pinch" is Rocky Mount, N. C., certainly interested a lot of us, to make some extra money. I am a retired carpenter, but I used to do selling. Rush more information, please? I will soon be 70 and I've always been able to earn enough money for necessities. But now I am looking for something to do that is less strenuous. Your answer to "Tight Pinch" Rocky Mount, N. C., appealed to me. I'm sure I have the right experience. May I please hear from soon?

"Tight Pinch" in N. C. spoke for many of us who can't make ends meet on our social security. At the end of the month I'm broke. I don't even have money for a can of sardines. Last month I spent the last 4 days before my social security check eating one can of spaghetti. This is rough. I am a man and used to be the solid head of a household. I dread the end of a month now. I'm 74 and plenty active.

Dear Friends, these are letters that represent part of the mail coming to me from every part of the country. From Texas, Pennsylvania, New York, New Jersey, Missouri, Illinois, California, Florida, Rhode Island, Kentucky, Minnesota, and you-name-it! To save time, I am forwarding ALL YOUR NAMES and addresses to the company executives I mentioned in a recent column. Yes! Included are the descriptions you sent of yourself — your eagerness to work part-time or full-time, as you prefer. This applies to you too, Viola — Sidney — William J. — John — "Uncle Herman" — Lena — Isaac — and Clarence!

LIFT OFF WRINKLES! I hope you won't think I'm giddy or stupid. But in a magazine I read about face-lifts and new noses done by cosmetic surgeons. Not the fake alterations, but true plastic surgery is to improve people's appearance and personality. I'm prematurely aged and wrinkled and would enjoy a new face! I'm in my 50's. What do you think? Do you actually know anybody with a new face? How does it look? Is there any embarrassment later in facing friends?

Fanny, Lynn, Mass. I know almost a dozen men and women who have had plastic surgery! Your magazine probably noted that World War II produced today's marvelous techniques on skin and bone. One clubwoman is so delighted with her "new face" she lectures about the operation, to groups. A cousin of mine felt she needed a face-lift to retain her job. The family

Son Of Slaton Woman Serving In Iceland

Keflavik, Iceland (FHTNC)—Paul Johnson, storekeeper second class, USN, son of Mrs. Rose Johnson of Route 1, Slaton, Tex., is serving at the Naval Station, Keflavik, Iceland. The station serves as an operations base for airborne early warning patrols and as headquarters for Commander Barrier Force Atlantic.

Slaton "Bees" Win Over Christ The King 34 to 6

Fred Weaver's Slaton B-team Tigers closed out their grid season here Thursday night in high style, smothering Lubbock's Christ The King School, 34 to 6.

The Tigers spotted the visitors an early touchdown, then retaliated to send the Trojans to their eighth straight loss. Gary Brush made the first Tiger tally from eight yards out and Mike Williams charged over from the five to put Slaton ahead after the first quarter. The Trojans had scored on Mike Robinson's 20 yard run.

Williams went over from the four and Brush took a 26-yard pass from Wade Carter to make it 26-6 as Brush also ran over the points.

There was no scoring in the third quarter, but Williams slammed over from the one to end the scoring in the final stanza.

Tiger Roster: David Edwards, Billy Martin, Ronnie Finley, Joe Hargrave, Raymond Mazullares, Carlton Jones, Wade Carter, Gary Brush, Terry Hendrix, Mike Williams, Byron Johnson, Allen Miles, Dubbin Englund, Roy Green, DeWayne Patterson, Ray Hampton, Benny Ball, Junior Martinez, Gary Cox, Danny Baily, Larry Edwards, Pat Ademson, and Joe Ollaque.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

Austin, Texas. —Gov. John Connally has made public the itinerary of his famous guests, President and Mrs. John F. Kennedy.

They are due in the Lone Star State on November 21 and 22. The Kennedys will visit San Antonio, Houston, Fort Worth, Dallas and Austin — in that order.

In San Antonio the President will preside at dedication ceremonies at the Aerospace Medical Center. He will arrive at Kelly Air Force Base about 3 p. m. on November 21.

That evening he will attend a dinner in Houston for Congressman Albert Thomas.

Next morning, Kennedy will be honor guest at a breakfast sponsored by the Fort Worth Chamber of Commerce.

At noon, he'll attend a Dallas Citizens Council and Graduate Research Center luncheon in Dallas.

Then he'll fly to Austin, arriving at Bergstrom Air Force Base about 4 p. m. That evening Gov. and Mrs. Connally will honor the Kennedys with a reception at the Mansion. Elected Democratic State officials and

Slaton Tigers Drop Last Game to Frenship

The "growing" Frenship High School Tigers won their fourth game of the season and second District 4-A battle here Friday night, blanking Slaton Tigers, 26-0 in a struggle of "Bengals."

David Burgamy bounced over center for 1 yard and the first TD in the first quarter.

The Frenship variety of Tiger got two second quarter TD's. Danny Lara ripped 1 yard over guard for one of them. And Garland Boozer sped 18 yards on a reverse for the other. After the latter, Robert Parham passed to end Bobby Kindred for two extras.

In the third frame, Parham returned a punt 55 yards for the final Frenship TD.

The winners rang up 216 yards rushing and 7 by air. Slaton got 78 yards on the ground and 21 by air.

coverage of the type used in 75 per cent of insured indebtedness. Board called it one of the lowest yet adopted. Maximum individual life policy rates were set at 80 cents per \$100 on loans exceeding \$700 and 90 cents on those up to \$700. Health and accident coverage rates compare closely with those under the model bill in other States, the Board maintained.

Son Of Slaton Couple Completes Course In Europe

Murnau, Germany (AHTNC)—Army Specialist Four Carl Meeks, 21, son of Mr. and Mrs. Alton Meeks, Route 1, Slaton, Tex., completed a five-week demolition and mine warfare course at the U. S. Army School, Europe in Murnau, Germany, Oct. 25.

Specialist Meeks received instructions in performing demolition missions, in laying and removing mines and boobytraps and construction blasting.

A truck driver in Company C of the 237th Engineer Battalion near Heilbronn, Specialist Meeks entered the Army in October 1961 and was stationed at Fort Leonard Wood, Mo., before arriving overseas in March 1962.

Meeks is a 1961 graduate of Slaton High School.

VISIT IN FORT WORTH

Rev. and Mrs. Eddie Fortson returned from Dallas and Fort Worth this week after spending several days with their son-in-law and daughter Mr. and Mrs. Jerry Pirtle of Fort Worth.

Pirtle has been confined to a Fort Worth Hospital for the last several days.

ed to link up our lives with Him who has all power in heaven and on earth, and being thus reinforced to take up the fight in dead earnest, and with a high determination to win.

"Fight the good fight with all thy might, Christ is thy strength, and Christ thy right: Lay hold on life, and it shall be Thy joy and crown eternally."

F. A. Wittig, Pastor
Immanuel Lutheran Church,
Posey

God's plan for man is to make him holy. This is also called sanctification. This does not take place in a moment's time, but it is a process that takes place during the whole of our life time.

This process of sanctification, or becoming holy involves a real struggle. For the devil is not willing to give up his grip on the individual even though he has now become a Christian. The devil continues to work through our old sinful nature against the power of God in our life.

Paul paints a striking picture of this conflict for us. "For I know that nothing good dwells within me, that is, in my flesh. I can will what is right, but I cannot do it. For I do not do the good I want, but the evil I do not want, it is no longer I that do it, but sin which dwells within me. So I find it to be a law that when I want to do right, evil lies close at hand. For I delight in the law of God, in my inmost self, but I see in my members another law at war with the law of my mind and making me captive to the law of sin which dwells in my members. Romans 7:18-23.

It is not an easy thing to be a Christian—to live a consistent, victorious life. This calls for much more strength than we have ourselves. It is so easy for us to be just plain, ordinary people, instead of being a superior people. We are summoned

"I'll Give Myself."

The minister made his stirring appeal for people to give their money for "the cause of missions around the world."

A lad was among those who had listened attentively. When the offering plates were passed, he took one of them, placed it in the aisle and stood upon it. Then he said to the minister, "I do not have any money, so I'll give myself."

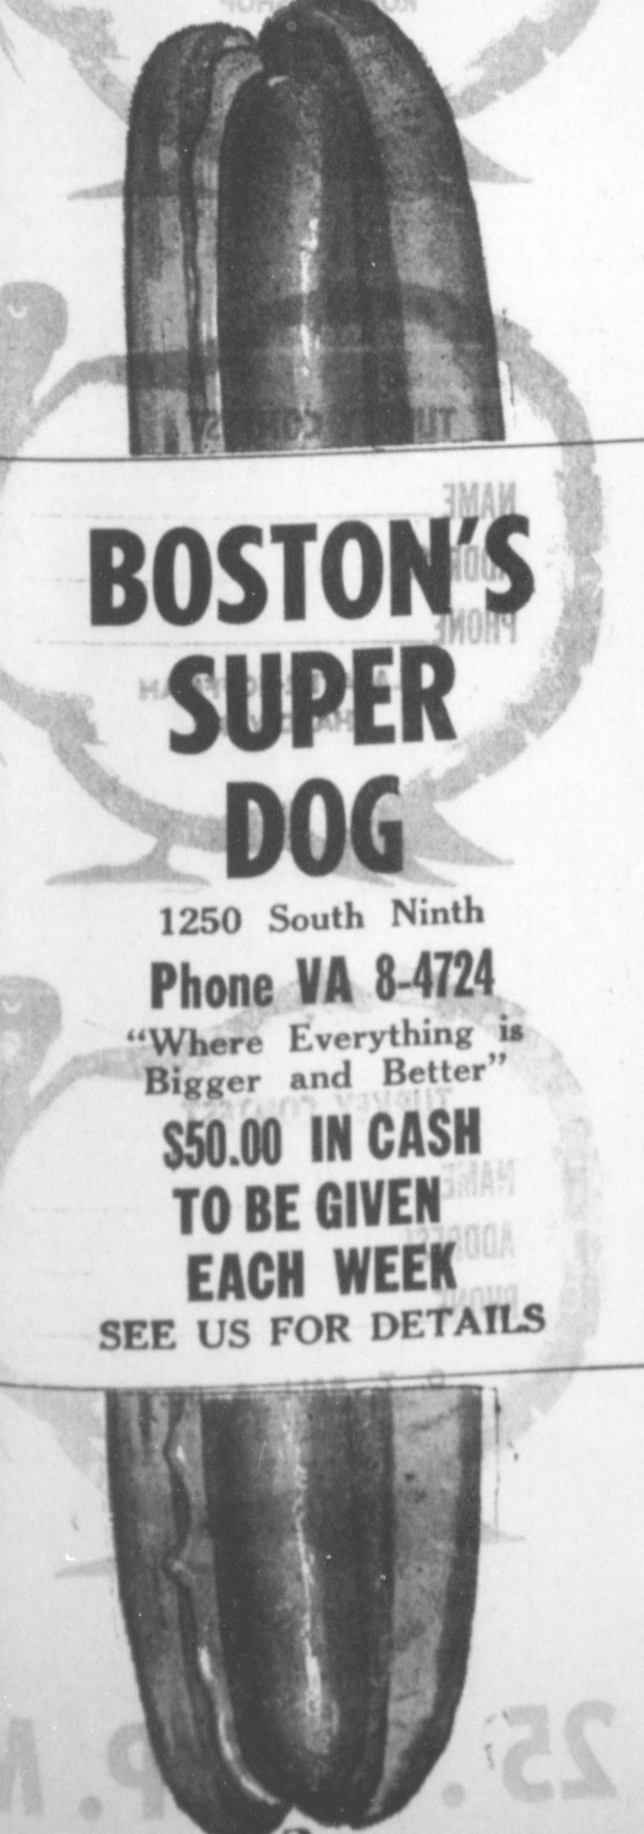

He grew to manhood, always remembering his promise. Eventually, he became a world renowned missionary and a translator of the Scriptures.

God has a purpose for every life. The secret of true greatness lies with self-surrender to His will for you.

Today, more than ever, the moral and spiritual needs of the people, near and far, call for your money; but most of all, they call for yourself. Will you, too, say, "I'll give myself"? God is listening for your answer.

"I heard the voice of the lord, saying, 'Whom shall I send, and who will go for us?' Then said I, 'Here am I; send me.'"
