TEN CENTS

## Farmer-Merchant Meet Tuesday

### FIRST GRID GAME FRIDAY

By any stretch of the imagination, Slaton could hardly have picked a more formidable foe for season opener than the highly-touted Petersburg Buffalo herd that will range on local sod tomorrow night.

Game time is 8 p. m., with general admission tickets priced at \$1.25, student tickets, 50 cents. Reserved seat tickets are on sale at \$1.50.

Proving again that coaches are a cautious and pessimistic lot in pre-season commentary, Coach "Bing" Bingham points out that not a single Tiger starter who played against Petersburg last year will be on hand for the Friday night game, all having been lost by graduation, moving from the area, or accidents which have plagued the hopefuls this season. On the other hand, Bingham and assistant coach Fred Weaver are high in praise of boys when it comes to their hustle, desire and progress during the practice sessions.

Lacking outstanding speed, lighter in weight than last year, no stellar passers developed to date ... all these are present handicaps which an eager Tiger squad may overcome, and if "desire" has any bearing on the outcome, watch out for those Slaton boys!

With so many letterman lost for the season, the field is wide open for positions, and indications are that Sophomores, Juniors and Seniors will be scrapping to assure the best man holding down the job.

Promising candidates for end positions are Travis McCormick, Dow Winchester, Larry Luman, Leslie Brown and Larry Smith. Tackles will likely be chosen from Joe Williamson, Leonard

tackles Hoffman and Floyd.

Recent losses by injury has been the story this week. Bobby Brake, quarterback, is reported out with Brights Disease; Johnny Hennington was injured in a recent motor scooter accident; Lucero was lost to the backfield with an appendectomy Monday; Perez received a scrimmage injury last Tuesday; and Byron Henderson, fullback material, is out with a broken leg.

Petersburg has been picked by "boys in the know" as a team that could go all the way. Earning its first district championship last year in a number of seasons, the Buffaloes have been selected by the league of coaches as probable champion of District 4-A. Their season record in '62

was 10-1-1, as against Slaton's 1-7-2. Encounter between the two schools last year resulted in an 8-8 tie.

#### Football Calendar

FRIDAY NIGHT, 8 p. m. Tigers vs. Petersburg, playing at Slaton.

TUESDAY, 5:30 p. m. Jr. Hi 7th and 8th grade teams play at Igaloo.

THURSDAY NIGHT next week, Idaloo B team playing Slaton B team here at 7 p. m.

THURSDAY NIGHT, 7 p. m., Freshmen at Post.

"More food than ever before," several hundred dollars worth of door prizes, Chamber of Commerce awards totaling \$300, a well-known area speaker, and get-acquainted activities are some of the big features of the Sixth Annual Farmer-Merchant Barbeque scheduled next Tuesday evening in Slaton.

The affair, to be held out of doors this year at the Little League Ball Park, is slated to get underway at 6:30 p. m., Sept. 10, with an alternate date of September 12th in event of inclement weather.

W. A. Heinrich, chairman of the Chamber of Commerce agriculture committee, states that all is in readiness for the program that has been weeks in the planning. Jay Gray is co-chairman.

Bud England will be master of ceremonies, and the invocation will be given by Dr. P. L. Vardy, superintendent of schools. Ed Williams, Chamber of Commerce president, will extend the welcome, with the farmers' acceptance address given by Clarence Kitten.

Expected to be a real drawing card this year is announcement that Geo. W. Pfeifferberger of Plains Cotton Growers, Inc. will speak to the group on various aspects of the cotton situation. Pfeifferberger is considered an authority on cotton marketing, improvement, etc., and is widely in demand as a public speaker.

Presentation of the Cotton Harvest Awards (totaling \$300) for first bale honors will climax the program, growers of the first, second and third bales gained to receive their cash C. of C. bonuses.

Plenty of farmer tickets have been provided, and these are available free of charge at some 15 area gins, including gins located at Slaton, Hackberry, Southland, Pleasant Valley, Gordon, Wilson, Union, Woodrow, Posey, Acuff, Midway and Malone.

Host tickets still are available for merchants, and the Chamber of Commerce steering committee is enthusiastic in encouraging full merchant participation.

Preparations have been made for a crowd exceeding 1,000, the planners state.

### Tiger Boosters To Meet Monday

#### Public Invited To Attend, Participate

The public is invited to the first meeting of The Tiger Booster Club, kicking off the new school year with a promised spirited session Monday night, 8 p. m. at the high school auditorium.

Joe Gamble, president of the club during the past year, urges all parents and others interested in the athletic program to attend the meeting at which films of the Petersburg game will be shown.

Bill Ball, incoming president, will be installed Monday night, and other new officers will be elected at that time.

Membership in the club will be made available at the small annual fee of \$1.00. Gamble states, these funds helping to defray expenses of the services given the athletic program by the club.

Weekly meetings will be held during the athletic season.

### Truck Parking Ordinance Being Enforced in City

The city ordinance prohibiting the parking of trucks, busses or trailers of certain sizes upon streets in the residential area of Slaton is being strictly enforced, according to word this week from Police Chief Joe Martin.

Martin has pointed out that Ordinance No. 220, passed in March of this year, expressly prohibits parking of such vehicles having capacity over 3/4 ton and/or which is more than 18 ft. in length, seven feet in width, and/or seven ft. in height. Restrictions do not apply, however to parking of such vehicles for purpose of actual loading and unloading of goods when accompanied by a driver during the necessary time involved.

Violation, as outlined in the ordinance, are subject to fines upon conviction in any sum not to exceed \$200. Several charges have been filed recently on violation of the ordinance, Martin states.

### Auto - Bicycle Collision Takes Life Slaton Boy

#### Most Area Traffic Orderly During Weekend Holiday

Charged Tuesday in County Court-at-Law No. 1 with negligent homicide, Thomas Diaz, 25 year old Slaton resident pleaded innocent and was placed under \$500 bond by Judge James A. Ellis of Lubbock.

Diaz was accused in the Monday evening death of Manuel Vela, Jr., 12 year old Slaton youth who was struck while riding a bicycle on East Division Street here.

When city police officers arrived at the accident scene at 7:25 p. m. Monday, Vela had been taken to Mercy Hospital via ambulance, and Rosendo Valdez, another youth said riding with Vela on the bicycle, was taken to the hospital via private car. Vela died soon after 9 p. m. Valdez was dismissed from the hospital early Wednesday morning after being detained for observation. He was believed not seriously injured.

Slaton officers reported that Diaz was driving a '57 Chevrolet, colliding with the bicycle, and was arrested soon after the Vela youth's death.

This tragedy marred an otherwise near perfect holiday traffic record in Slaton and vicinity. Area highway patrolmen report that the Labor Day traffic was

(See No. 1, Back Page)

### Spanish Public Will Celebrate

Three big days of festivities have been announced for Sept. 14, 15, 16th, with the local Committee of Patriotism inviting all the Anglo-American people of the area to the "153rd Aniversario" to be highlighted locally by crowning of a queen and by dancing each night of the festivities in Slaton. T. H. Hernandez is president of the committee, with Felipe Estrada as vice president; Pedro Rocha, secretary; and Lupe Arellano, treasurer.

Hernandez told the Slatonite this week that more than 3,000 are expected to attend the celebration at its 2nd and Jean Street location. An orchestra from Villa Acuna, Mexico, has been obtained for the nightly dancing on the platform, commencing at 8 p. m. each evening. The queen coronation will be conducted Sunday night, the 15th.

Explaining the significance of the annual celebration, Hernandez gives the following outline of events surrounding the liberation of the Mexican people:

In the history of Mexico, the 15th and 16th of September, 1890, are the fateful dates in which the people broke loose from the yoke which held the Country in virtual slavery to the Spanish throne.

During the last hours of the 15th and the morning of the 16th were enacted at Dolores by Don Miguel Hidalgo Y Costilla the first scenes of the tragedy which for more than a decade would have as a stage the mountains, valleys, plateaus, and deserts wrested from the Indian Natives centuries before by the Conquistadores, Hidalgo, Allende, and Aldama, followed by a handful of peasants, initiated the advance toward San Miguel.

Their appetites for freedom whetted by this initial Victory, they continued on to the city of Guajuato, The Capital City. However,

further North, where they fell prisoners at Norias de Bajan. They were taken to Chihuahua where they were executed and decapitated and their heads exhibited in cages for several years

## CONTEST

The season-long Weekly Football Prediction Contest is underway!

Adding to the already thrill-packed football season that is promised, the Slatonite, together with a number of Tiger supporters, again is sponsoring the weekly football page, with \$100 in total cash prizes plus Cotton Bowl tickets adding to the interest. The large number of weekly entries of last season point toward even greater participation this year. Your weekly entry is anticipated and eagerly awaited.

An entry blank is carried on the page announcement elsewhere in this issue. To compete, one merely needs to indicate his choice of winners in the games listed, showing prophesied scores.

Each week a cash award of \$5 will be given to 1st place winner, \$3 to the second best guess, and \$2 to the 3rd placing contestant. Four Cotton Bowl tickets will be distributed at end to the season winners.

Contestants are urged to enter each week, competing for the grand prizes to be given on basis of most weekly wins by the fans sending in the entry blanks.

Judging will be on basis of number of winners picked. The scores will be considered only as "tie-breakers" in event two or more contestants guess the equal number of winning teams.

Local high school conference games, area games, and Southwest Conference games will be included in the contest. With many schools yet a week or more away from season play, the list of games to be "guessed on" will increase from week to week, Southwest Conference play yet to commence.

Entry blanks must be in the Slatonite office by Tuesday noon of each week. Winners will be listed in the paper that same week.

You don't have to be a football authority! The contest is designed as fun for everyone.

It's football time and prediction time in Slaton!

### BULLETIN

Record 1st day enrollment in the Slaton school system has been announced, with 1923 scholastics registered. Late registrations could well swell total number to near 2100, Supt. Lee Vardy states. Total 1st day enrollment last year was 1827.

(See No. 3, Back Page)

### Three Teachers Elected, Others Shuffled as School Term Begins

#### Valuation, Tax Rates Approved

Three new teachers were elected Tuesday to the Slaton school system faculty, action coming at regular meeting of the Board of Education Tuesday evening.

Donald Cates has been named principal of the Austin school, replacing G. I. Norris who resigned last week. Cates comes from Brownfield schools.

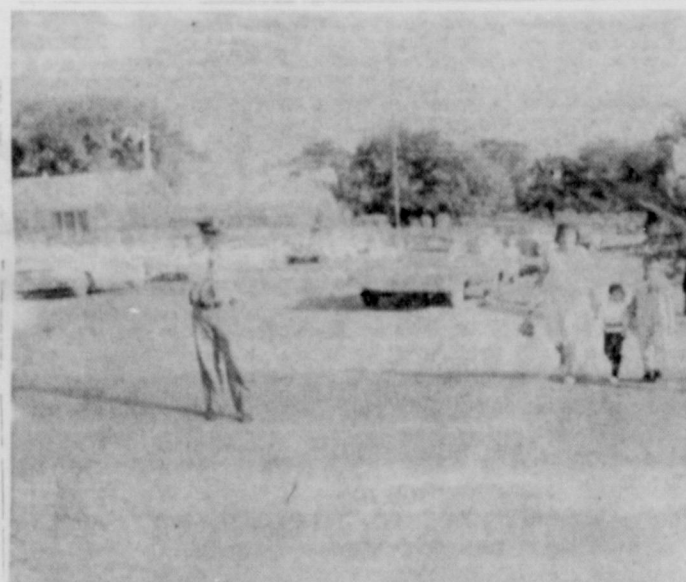

Edwin Gilliam, Texas Tech graduate, joins the vocational agriculture department, replacing Berh Robertson who was

transferred to the science department to fill the vacancy occurring by the death of Dwight Lindsey.

Miss Dana Merrill, Tech graduate, will teach in the 4th grade at West Ward, assuming the position left vacant after late resignation of Miss Jane Flemons.

In other board meetings action, school district tax rate again was set at \$1.65, remaining at the same figure utilized for a number of years. Property valuation was approved at \$11,468,389, a figure some \$250,000 above last year due to new construction, a spokesman for the board stated.

Routine business was transacted, bills approved, etc.

UNMISTAKABLY, THE FIRST DAY OF SCHOOL. Shining shoes to match the smiles on eager faces, new trousers and dainty dresses, and a careful observance of the cross-walk regulations marked the Slaton scene Tuesday morning as a "new year" began for small fry and the upper grades.

In the top picture, Officer Vandiver directs traffic to protect the lots near West Ward school. Traffic caution lights have not yet been installed, and the regular police force is supervising traffic safety. Chief Joe Martin reports excellent cooperation of the students and drivers to date.

Center picture finds five young folks posing with report cards for the Slatonite photographer. Left to right are Ruel Sanchez, 10; Brenda Paugh, 7; Mary Pugh, 10; Angel Sotelo, 8; and Kathy Pugh, 8 years old.

In the lower picture, the beaming faces belong to Jane George,

## Rainfall Spotted; Hot Days Needed

...the heavy rains and ... dots much of the ... Plains over the week-end. ... area received a light ... in some spots, up to ... in swaths northeast of ... near Hackberry to the ... lesser amounts in most

down in the cotton fields, and consensus of opinion is that the rains are too late to aid the dry-land crop.

Cotton in general is looking good, and prime need at this stage is warm weather and late

### School Holidays

Official Slaton school holidays were determined at regular school board meetings Tuesday night as follows:

Thanksgiving: school dismissed Thursday and Friday, Nov. 28-29.

Christmas: Classes held through Friday, December 20.

Easter: School dismissed on Thursday, Friday and Monday, resuming on Monday, January 6.

In the Southland-Hackberry area, as much as 1.2 inches fell Saturday and Sunday, with strips only a mile distant from the heavy fall receiving no rain at all, consequently no general picture can be drawn in that locality other than that the moisture was spotted.

Grady Wilson, 2 miles southwest of Slaton, received only about .5 moisture Saturday and Sunday.

Calvin Willis, on the other hand, reported about 1-inch northeast of Posey.

C. O. Buxkemper, just east of Slaton, received near an inch.

Three miles southwest of Slaton, the Walter Bednarz farm was hardly dampened, only about .2 falling in one shower, the other shower insufficient to measure.

Five miles northeast of Pos-

# EDITORIALLY SPEAKING

## Observations and Potpourri

If a nation expects to be ignorant and free in a state of civilization, it expects what never was and never will be. . . where the press is free and every man able to read, all is safe.

—Thomas Jefferson

If you are contemplating, or know of someone who is considering dropping out of school with the intention of getting a diploma through a correspondence school, don't!

It has come to our attention that some representatives of privately owned correspondence schools are implying that when a student receives a diploma from their school it is a valid diploma that will be accepted by accredited colleges and universities.

We had occasion to inquire about regulations concerning receiving a diploma through correspondence and whether it would be accepted at Texas Tech. According to Mr. Boze, Dr. Lee Vardy and other qualified school authorities the only way one may graduate through correspondence is through the guidance of the local high school and through the high school extension department of an accredited college or university offering this facility.

According to Dr. Vardy the Slaton High School will allow credit for only one unit through correspondence toward a diploma.

Mr. Boze told us that he sees over "100 sad cases" every year that apply for entrance to Texas Tech with a diploma from various correspondence schools, and he has to refuse their applications and strongly urge them to go back to their local high school and complete high school work.

We're not suggesting that correspondence schools do not have any merit, but we are stating that some commission Sales representatives would lead unsuspecting prospects to believe they could receive their education at their own pace and without any of the regulations and standards required by state education laws.

Please, before you allow your children or friends to leave school, explore every realm of possibility how they can remain in our public schools.

It is true many students do not plan to attend college, but there are priceless few opportunities for people without an accredited high school diploma. With the rapid technological changes in every facet of our economical way of life a high school education is a must.

Few of us go through life without deciding to change our course in some way. This writer personally knows two people in their mid thirties with families who just recently decided to go to college, and if they had not had a high school diploma the college doors would be closed to them.

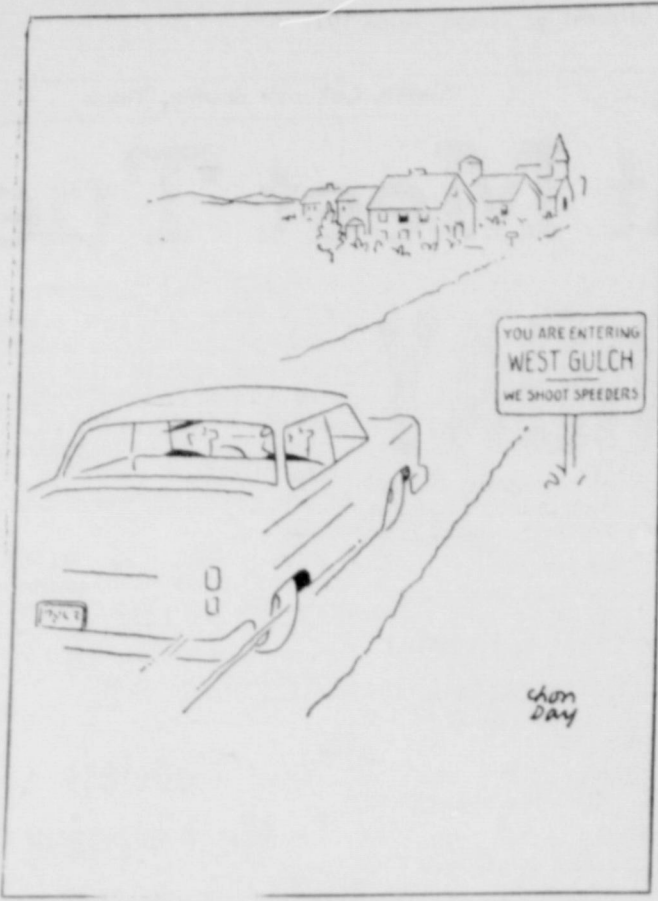

Many, many accredited trade schools require prospective students have a high school diploma from an accredited high school that have met the standards set forth by the state education agency.

Those of us who are employers should help students who feel for one reason or another that they must drop out of school stay in school even if we have to work out a work schedule to enable them to attend classes.

We strongly urge the "drop-out" candidates to council with their school superintendents and principals before they take action that could be a lasting mistake. We further urge everyone to encourage their children and friends to take advantage of every opportunity that our schools offer.

—JHK, II

### Rushin' Roulette by Chon Day

Speed caused more than 1,160,000 casualties in 1962.

### Big City Editor Manages News—Says Baggerly

Now let us take a look at Wes Izzard's John Birch Gazette, published in that political Sodom to the north.

Wednesday morning's Amarillo paper had only 24 pages compared to Lubbock's 40.

The massive banner asserts "Massive Push To Sign Voters Set!" The sub-head is "Texas Drive White House Inspired." The burden of the story, based entirely on rumor, quoting no authority but "Our Washington Staff" is, as the lead sentence says, "a massive drive inspired by the White House to register all eligible Latin and Negro voters in Texas."

The secondary lead story is headlined "McNamara, Senators Buft Heads" and comes from the Chicago Tribune. The four senators, who are the "heroes" of the story, are Barry Goldwater, Storm Thurmond, Frank Lausche and John Stennis, one Republican and three Democratic reactionaries. McNamara as is to be expected, is the villain of the story.

The only 2-column head on the paper, attributed to "Our Washington Staff" suggests a rift between Secretary of Commerce Luther Hodges and JFK.

And another major story, attributed to no one, but under a Washington dateline, begins like this, "Charging that Agriculture Secretary Orville Freeman has given grain speculators a wind-fall of millions of dollars by enabling them to gouge farmers, Sen. John J. Williams (Rep. - Del.) called upon the speculators today to make Freeman their 'man of the year.'" The source of this story none of the wire services, not even the Chicago Tribune, not even "Our Washington Staff."

Of course the front page also devoted generous space to "A to Izzard" and D. E. Scott's paragraph in which he casts an asinine slur at the New Frontier.

There isn't a single story on the front page of this issue of the Amarillo Daily News from AP or UPI even though the boast is made at the top of the page that the paper maintains "eight leased wires."

H. M. Baggerly—The Tulsa Herald

### Doug Meador Says . . .

The parallel may be coincidental but it seems that every time science extends the life span, the government extends its source of tax revenue.

If I could have my druthers they would include sleeping in the shade of a big Hackberry tree until the cool of the evening instead of trying to stay awake in my chair between television commercials.

The Slatonite plans to run information about students of this area who soon will be going off to college. If you will be attending college this fall, or if you have a son, daughter or relatives in the area who will be attending, the Slatonite readers would like to know about it.

Will you please fill in the blanks below and mail or bring the information to our office as early as possible?

Your cooperation is indeed appreciated.

### Takes Look At Shortcomings

It is my nature to call attention to the good things about Dimmitt and Castro County, and maybe often overlook some of the shortcomings and needs of our city and community. If that is the wrong attitude I will try and correct it here and now.

I have always thought it was a waste of time to suggest, and endeavor to promote, the obvious impossible no matter how much a certain project might be desired, I am still of that opinion. The suggestions I shall make here are entirely in the realm of the possible, in fact they are improvements that should have been made before now, even some time ago before now.

To begin with the traffic situation in Dimmitt is becoming a major problem in the downtown area. It is doubtful if there is another town in Texas with the traffic volume that Dimmitt Streets carry, depending on an orderly flow regulated by one traffic light. A minimum of four new traffic lights would be required to unsmarl downtown traffic and make city driving reasonably safe. There should be traffic lights at least, one block north, south, east and west of the present faculty.

Both of these streets, of course are traversed by State Highways, one being a Federal and State Highway. Whether its the State's responsibility or the City's responsibility to see that the proper signals are installed I am not sure, but I do know that it should be done, and now. The way matters stand right now every downtown intersection is a traffic hazard and traffic jams are a common occurrence during rush hours. The only remedy is the installation of at least four new traffic lights. The City Dads should take care of this needed improvement or see that it is done forthwith if not immediately.

Then there is the matter of the Courthouse lawn. Apparently the county is going to considerable trouble and expense to eradicate noxious weeds and grasses and to reseed the lawn. This is a neverending problem and will continue to be such until practically all of the courthouse square is paved and turned into a parking lot. Check our neighboring towns, or observe towns downstate when you have occasion to visit the State Capitol, and see how many are keeping up expensive courthouse lawns as compared to the ones that have paved the area for the parking convenience of the city and county resi-

dents. While the added parking space would be of considerable value to downtown merchants, it would be of far more value to citizens who have county business at the courthouse and that they have to park a considerable distance away and be late, in the wintertime, icy sidewalks to the courthouse entrance. As it stands now the courthouse lawn is all but useless and during refurbishing effort becomes an eyesore. The lawn is of little practical value, except as a haven for sparrows and they too become unsightly when we have an ice storm as we are wont to do on occasion. This is valuable property and it could be put to a needed practical use with but a minimal expense which would in fact be an economy measure the long run. It would be fine if the county would take care of this matter by the time the new traffic lights are installed and county officials feel that they need an expressive public opinion about these needed improvements. The Board would endeavor to conduct a poll.

— B. M. Nelson, Castro County

# Aggressive Selling of Quality Product Said Best Solution for South Plains Cotton Market

Intensified promotion of cotton and research to improve its quality and reduce its cost were emphasized as the big needs in the cotton industry last Thursday when more than 80 people from all segments of the High Plains economy got together to discuss the future of cotton.

The area wide meeting was sponsored by Plains Cotton Growers, Inc. and included farmers and businessmen from all over the 23 county High Plains area.

Dean Gerald Thomas of Texas Tech's Department of Agriculture acted as chairman of the meeting and told the group that every single resident of the High Plains, regardless of occupation or business, has a vital stake in the cot-

ton industry. This fact was born out later in the meeting when Sterling Emens, Lubbock banker, stated that cotton produces around 350 million dollars in new wealth on the High Plains each year and estimated that the average dollar turnover in the area is six or seven times. Emens warned, however, that unrealistic government policies have created a serious threat to this principal source of income.

George Pfeiffenberger, Executive Vice President of Plains Cotton Growers, set the stage for discussion by reporting that reduced domestic consumption, declining exports and various other factors have combined to bring the carryover of U. S. cotton to the alarming total of 11.1 million bales. Noting that this figure is 3.3 million above a year earlier, he said it is obvious that cotton is in "real trouble."

Suggestions for immediate action included educational programs concerning cotton quality, urging merchants to place more emphasis on cotton goods and the use of speakers at civic club meetings to increase awareness of cotton's problems and its extreme importance.

Near the end of the meeting the group passed a resolution in support of the Cooley cotton bill now pending in Washington and voted to send this resolution to Congressman George Mahon. The resolution, as sent to Congressman Mahon, follows:

"Whereas cotton is by far the chief source of income on the Plains, and cotton is facing a real crisis in loss of markets and increasing surplus, a cross-section of farmers and businessmen met in Lubbock, August 29 to discuss pending cotton legislation. We urge your support and active work towards passage of

the Cooley bill, H. R. 6196. We believe this bill has the best opportunity to regain and expand cotton markets by providing a competitive price to mills and protection to farm income."

It was the general opinion of the group, however, that legislation alone is "not enough to assure a future for cotton. Regardless of whether or not Washington passes this bill" said Gene Garrison, manager of the Littlefield Chamber of Commerce, "the problem still will be that of growing a quality product and selling that product to the consuming public."

## Masters Degree Conferred On Slaton Student

John Wayne Richey of Slaton was one of 135 graduates receiving master's degrees from Texas Tech at the commencement exercises there last Thursday evening.

Lt. Gov. Preston Smith delivered the principal address during ceremonies in Lubbock Municipal Auditorium. A total of 552 graduate and undergraduate degrees were conferred during the exercises.

A Master of Education degree was given Richey in the school of arts and sciences.

Anyone may enter, with exception of employees of the Slatonite or members of their families. Limit two entries per week for each contestant. Enter the scores you predict by the teams listed on the entry blank. Judging will be on basis of number of winners picked; scores will be considered only in case of ties. Have a cooperating merchant sign your coupon. No purchase is necessary. Bring or mail your entry to the Slatonite by Tuesday noon of each week.

**MISS JANET MARTIN IS SHOWER HONOREE**

A miscellaneous shower was an in-honor affair for Miss Janet Martin, bride-elect of Robert J. Singleton, Tuesday morning, August 27 at the Slaton Clubhouse.

Hostesses were Meses. Kenneth Jones, Alton Meeks, W. A. Sikes, Sr., Clark Self, Jr., Charles Meeks Bill Greer, Jim Hughes, J. W. Pettigrew C. W. Stone, Othel Chambers, J. W. Williams, Coy Biggs, Weldon Becker, Melvin Wall, J. O. Holton, Grady Patterson and James Wilbanks.

The serving table, covered with white linen, was centered with a crystal container of red and white carnations. Silver and crystal appointments were used for serving coffee and cookies.

Mmes. Sikes and Greer registered guests calling between the hours of 9 and 10:30.

An electric blanket and bride's book were presented the honoree by the hostesses.

Miss Martin and Mr. Singleton will exchange wedding vows on September 7 in the Slaton Church of Christ.

## From Where I Stand

by Merle King

MRS. J. B. SMITH and her family returned home last week from a vacation in Farmington, New Mexico and Colorado Springs, Colorado.

Smith's son, DWAYNE SMITH, left Friday on a jet plane for Honolulu, Hawaii, where he will visit his brother-in-law, Mr. and Mrs. L. T. and Mrs. R. E. EDWARDS and Mrs. ANNETTE. He will be in the month of September on his way to the home of his mother, Mrs. Annette's third anniversary, September 1st.

Slaton residents, MR. and Mrs. GEORGE WILLIAMS, returned to the home of MR. and Mrs. BOB MILLIKEN Monday. The Williams now make their home in Lamesa.

Mrs. JACK BUCHANAN and her family, JACKIE, CONNIE and BOB, were accompanied by Mrs. GLENDA and KAY and Mrs. C. L. SIEBERT of Lubbock, on a recent visit of six days over Texas.

The Davis children live in Slaton with their parents, MR. and Mrs. T. A. DAVIS.

DAVID BRAY, who was recently returned from Denver, is a weekend houseguest of MR. and Mrs. ROBERT E. EDWARDS and their daughter, CANNON. David will be a junior at

Texas Tech this fall.

In Slaton for the holiday weekend were JUDGE and MRS. W. R. BROOKS and BEVERLY of Sterling City. They were guests of the JOHN KING family and were present for an informal celebration of the tenth birthday anniversary of DEBRA GAYLE KING on Sunday, September 1st.

MRS. RUBY PRITCHARD moved last week to her former home of Santa Anna, Texas, after purchasing a house there. Mrs. Pritchard had made her home in the Southland-Hackberry community for several years.

Among the 36 new students who have been accepted for admission to Shannon School of Nursing in San Angelo are LAUREL JANET CHOATE and JERRY FRANK EDDINGS, both of Slaton.

The Bluebonnet Club will open the new year with a 1 o'clock luncheon on September 11, in the home of MRS. FLOYD BOYD.

MRS. FANNIE PATTERSON will be hostess to members of the First Baptist TEL class on September 12 at 2 p. m.

A lingerie shower was another in a series of pre-nuptial parties given for MISS CAROL ANN SELF, bride-elect of JIM LOWRY. MRS. SUG ROBERTSON and her daughter, RUTH, were hostesses for the Saturday afternoon event at their home, 1301 44th St. in Lubbock. The bride's chosen colors of yellow and white were carried out in the arrangements. Fifteen guests were present.

MRS. M. D. GAMBLE was accompanied by WILLIAM Mc ALLEN and LARRY Mc GAMBLE to Abilene over the weekend where they were guests of MR. and Mrs. ROBERT QUEENEY. Mrs. Queeny is William Allen's sister and Mrs. Gamble's granddaughter.

MRS. A. J. BAKER left Wednesday morning for a visit with her son and family, MR. and Mrs. LEWIS STAVENHAGEN of Montebello, California.

**WHAT IS AN INDEPENDENT AGENT?**

HELPING MAKE THE CLAIM

There are company agents and independent agents. A company agent sells insurance policies for the one company he represents. Ordinarily he does not concern himself with claims.

Your local independent agent represents more than one company. He recommends policies according to your individual needs, based on the greatest protection at the most reasonable cost — regardless of company. Should a claim arise your independent agent helps you with the details. He represents you — not the company.

Rely on your LOCAL INDEPENDENT INSURANCE AGENT who represents one or more companies of The MILLERS Insurance Group of Texas.

MRS. BOBBY GENE CROWSON

## Miss Anderson Is Bride Of Bobby Gene Crowson

Matrimonial vows were solemnized Saturday evening, August 31, for Miss Nancy Nel Anderson and Bobby Gene Crowson in the First Methodist Church of Slaton. The Rev. Fred A. Ryle, Jr., pastor of the First Presbyterian Church, read the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. H. E. Anderson, 750 South 17th St., Slaton. Parents of the bridegroom are Mr. and Mrs. Sam Crowson of Wilson.

Vows were repeated before an altar background of foliage and candelabra.

Mrs. C. W. Space provided traditional wedding music and accompanied Miss Nelda Ray, soloist. Nuptial selections included "The Lord's Prayer," "Oh, Promise Me" and "Walk Hand in Hand."

**Traditional Gown**  
Wearing a floor length gown of silk faced peau de soie, the bride was presented in marriage by her father. Her dress featured a molded bodice with portrait neckline and elbow length sleeves. The dome-shaped skirt was enhanced with appliques of re-embroidered Alencon lace. A detachable chapel train was attached to the center back with a bow and fabric rose. The bride's headpiece was a crown of pearls and crystal drops which held her tiered veil of imported silk illusion. She carried an arrangement of white roses on a white Bible.

**Attendants**  
Miss Sue Reed was maid of honor and bridesmaids were Meses Betty McSween and Jane Thompson. Their dresses were fashioned from soft yellow brocade featuring portrait necklines, elbow-length sleeves and domed-shaped skirts. Headpieces were clusters of tiny yellow flowers accented with pearls and circles of maline. Each carried a crescent of white daisies centered with a lighted candle.

Candles were lighted by Meses Carole White and Susan Lovelady.

Sammy Crowson served his brother as best man and Alvin Ford was groomsman. Glen Crowson, cousin of the groom, Sulphur Springs, Floyd Bartley and James Parker of Wilson, seated the wedding guests.

A reception followed in Fellowship Hall of the church with Mrs. Richard Thomas, sister of the groom, at the guest register.

**Wedding Trip**  
For a wedding trip to Santa Fe, New Mexico, the bride traveled in a navy blue sheath dress with black accessories. She wore a corsage from her bridal bouquet.

The new Mrs. Crowson is a graduate of Slaton High School and attended West Texas State University. Her husband, a graduate of Wilson High School, also attended W. T. S. U. He is employed by the Santa Fe Railway in Albuquerque, New Mexico, where the couple will establish their home.

## Starlight Supper Is Entertainment For Club Members

A "starlight supper" in the back yard of Mrs. Earl Reasoner's home was entertainment for members of Daughter's of the Pioneer Study Club Monday evening.

Mrs. Jack Nowlin presided for the business meeting at which time new yearbooks were distributed. Theme of study for the new year will be "The American Woman."

"Summer Daze" was the roll call answered by members, Meses R. E. Ayers, B. N. Ball, Martin Brown, Leroy Holt, John C. Locke, John Morris, Greeley Myers, Nowlin, Reasoner, M. M. Schlueter, Cecil Scott, R. H. Todd, Jr., Johnny Waters, Joe Walker, Jr., and Alex Webb.

Mrs. Allen Lynch of Snyder was guest of the club.

Mrs. Walker will be hostess for the next meeting, slated for September 16.

## Mrs. Milliken Is Hostess For Party

Mrs. Bob Milliken entertained with a party for her daughter, Virginia Carol, on the occasion of her sixth birthday anniversary on August 27.

Games were played and refreshments served to the honored guest, Glenna and Bill Jones, Brad Winchester, Nita and Malcolm Latham, Tammy Kay Jones, Rickey and Don Ham, Danny and Jim Steffens and Stormy Ethridge of Oklahoma.

## Party at Church Slated After Game

The Methodist Youth Fellowship will be host to an "after-the-game" party Friday night in Fellowship Hall of the First Methodist Church.

All Slaton High School students are cordially invited to attend. The Petersburg band, football team and students also have been invited.

## Parties Are Held For Bride-Elect

Miss Carol Ann Self, bride-elect of Jim Lowry, was complimented with two pre-nuptial parties last week.

**SHOWER**  
A kitchen-bath shower was given in her honor Thursday evening in the home of Mrs. Robert E. Lee. Other hostesses included Meses Pam Stansell, Janice Hill, Conda Wyatt and Candaza Lee and Meses. Robert Harst and Gene Newton.

The honoree's chosen colors of yellow and white were carried in the party decor.

Refreshments were served to fourteen, with special guests being mothers of the betrothed couple, Mrs. Cecil Self and Mrs. F. A. Lowry.

**LUNCHEON**  
A luncheon was held Saturday in the Gold Room of Hemphill-Wells in Monterey Center for Miss Self, Mrs. June L. Roberts and Mrs. Ellis Brewer of Lubbock were hostesses for their niece.

The luncheon table was centered with yellow daisies. Places were marked for the honoree, Mrs. Cecil Self, Mrs. F. A. Lowry, Mrs. Harley Castleberry, sister of the prospective groom; and Meses Ruth Robertson, Lubbock; Sue Delaney, Kay Short, Sharon Self and Candaza Lee.

Hostess gift was a serving dish.

## Jaycee-ettes Work On Special Project

Slaton Jaycee-ettes met August 20th in a call session at the home of Mrs. Janis King, the meeting devoted entirely to making of dressing, bed pads and other items for the American Cancer Association.

The Jaycee-ettes are working through the Cancer Association to help stock their loan closet. All items are carried to Lubbock and distributed through the association.

Anyone wishing to donate old bed sheets, ruined nylon hose or old puzzles and games, may contact Mrs. Fred Melcher, phone 996-2244.

Seven members were present at the recent meeting; other sessions devoted to the same project will be held in forthcoming months.

## SOUTHLAND AND GORDON - NEWS -

Mr. and Mrs. R. B. Underwood and daughter Gennie have returned to their home in Richmond, Calif., after spending their vacation with her mother, Mrs. Sam Martin.

Little Beckie Dearth, granddaughter of Mr. and Mrs. Noble Wynn, has been visiting her grandparents and became ill while here, being placed in the hospital. She is from Amarillo.

Mr. and Mrs. Hurman Dabbs, Brenda and David, spent the week-end with their son, D. R. and Mrs. Jerrel Dabbs and children at Dallas. Brenda stayed and will fly back Friday.

Mr. and Mrs. Robert Cannon from Floydada visited in the G. D. Ellis home and with the Edgar Moseleys last Tuesday.

Mr. and Mrs. Willie Becker went to Possum Kingdom last week on a fishing trip. On Sunday they attended church at Olney, and visited with the pastor that married them 38 years ago. Rev. Weiss, the minister, went back to Possum Kingdom and fished with them.

Mr. and Mrs. Bill Lancaster, Kathy and David, came from Temple to see his parents, Mr. and Mrs. Earl Lancaster. They all left Saturday for a vacation at Red River.

Mrs. Susie Bradshaw spent last Tuesday with Mrs. Sam Martin.

Mrs. Iva Basinger has returned home from Temple where she underwent surgery.

Rev. and Mrs. John Stout and daughter, Mrs. Edna Stout, visited with Mr. and Mrs. Edgar Moseley last Tuesday. They were enroute to El Paso where their son Robert will attend college.

Mr. and Mrs. Charley Dabbs and Mr. and Mrs. Nyles Moore of Lubbock visited in the H. D. Hallman home Monday evening, with ice cream being enjoyed.

Visiting Sunday in the J. R. Wood home was Mrs. Myrtle Mathis of Tahoka and Mr. and Mrs. Joe Wood of Lubbock.

Mr. and Mrs. Hub Taylor recently went to Canyon to take their daughter Sharla to meet her room-mate at the college where Sharla will enroll on the 15th. They then went on to Amarillo to visit a nephew, Jack Lancaster and family.

Mrs. Sam Martin and Mrs. Edgar Moseley visited Mrs. Fred Galloway last Monday at Acuff. She was a friend that Mrs. Martin had met on her train trip to California.

Mrs. L. L. Carbell fell and broke her hip. She is now in Mercy Hospital at Slaton and reported doing fine after surgery.

Mr. and Mrs. John Gilliam visited his parents at Ozona over the Labor Day holidays.

## CARD OF THANKS

We wish to express our thank to the many friends and neighbors for all the kind expressions of comfort and sympathy during the loss of our sister, Mrs. Cleo Young.

Mr. and Mrs. Charles Logg, Mr. and Mrs. E. N. Millike, Mr. and Mrs. G. R. Millike, Nieces and Nephews

WHEN SHOULD YOU CALL A PHYSICIAN?

There is no doubt that everyone could enjoy a healthier life if they would consult a physician about any pain or discomfort.

THESE REQUIRE IMMEDIATE MEDICAL HELP:

1. Fever lasting more than 24 hours.
2. Fainting.
3. Vomiting which persists more than a few hours.
4. Diarrhea accompanied by severe abdominal pains or evidence of bleeding.
5. Eye irritations which do not clear up promptly after bathing. A few hours delay can be harmful if eyeball has an infected scratch.
6. A sprained ankle, knee, or foot which is extremely painful or shows bleeding under the skin.
7. Skin eruptions, including poison ivy, which involve large areas of the body.
8. Any scald, burn, or sunburn which affects large areas of the skin.
9. Any animal bite or scratch, because of a possible rabies or infection.
10. Any cut which will not stop bleeding.
11. Any pain or discomfort, even though bearable, which is constantly re-occurring.

DELAY COULD BE DANGEROUS.

We suggest you show this list to your physician. He may wish to delete or add to it to fit your particular state of health. Then, save it for future reference.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

Gov. John Connally's Committee on Education Beyond the High School has its eye on tuition-free colleges and "super universities."

Also being looked upon with favor are Texas junior colleges and vocational schools. Committee is searching for a way to meet educational needs in the next decade.

Task is made difficult by the need for 900,000 new junior and senior college graduates by 1974. The prediction, called "conservative" by committee member Gifford Johnson, Dallas industrial leader, includes 456,000 four-year college graduates, and 440,000 graduates of two-year schools.

Right now the total enrollment of 19 of the state's four-year colleges and 34 private senior colleges totals 175,100. Junior college enrollment in 35 state junior colleges and 10 private schools is 37,200.

If these students all were to graduate, they would produce about half the number of graduates needed in the next four years. But Johnson said the problem is — many won't graduate. There's a big drop-out problem in colleges and even bigger drop-out problem in the grades below college level.

Johnson stated that only 54 per cent of the students enrolled in

the third grade in 1953 graduated from high school in 1963.

What to do about the drop-out problem, which Governor Connally has called "one of the most critical problems of the decade"? Both Johnson and committee member Tom Sealy of Midland, as well as other members of the committee which is composed of some of the state's most powerful citizens, recommended more and better counseling through all the high school years and college.

"If students aren't encouraged to stay in high school and perform well there, they don't have a chance," Johnson said.

His concept of free colleges and state universities which would admit only the top 15 per cent of high school graduates brought a lot of favorable comment from the committee. But Chairman H. B. Zachary of San Antonio warned all that this was just the preliminary to a preliminary report. Final report to Governor Connally is not due until August, 1964.

**POLL TAX CAMPAIGN ON**  
Governor Connally will kick off the League of Women Voters' campaign for repeal of the poll tax with a speech on September 9 — the day the women launch a two-month drive for repeal of the tax.

November 9 is the date voters will decide whether to strike the poll tax requirement for voting from the State Constitution.

Vice President Lyndon B. Johnson, Sen. Ralph Yarborough, Sen. John Tower congressmen and state legislators are being invited to the September 9 meeting in Austin.

**NEW REGIME**  
Commissioners of two brand-new state agencies were sworn into office, as well as the man who will take Attorney General Waggoner Carr's place on the State School Land Board, Judge Wilson Fox of Taylor.

New commissioners are Loan Regulatory Commissioner Frank Miskell, and Parks and Wildlife Commissioners, Will Odum of Austin, chairman, J. M. Dellinger of Corpus Christi, and A. W. Moursund of Johnson City. All four have been trying to keep up with new roles and heavy commission agendas at the same time.

**PARKS BOARD BOWS OUT**  
State Parks Board held its last meeting just a few days before being replaced by the Parks and Wildlife Commission. But it could not transact any business since it couldn't get a quorum.

Chairman Maurice E. Turner of Huntsville was there, as well as Ed Kilman of Houston and Max Starcke of Austin. But Reese Martin of Beaumont was out of the state; Uvalde member Harry Hornby was ill, and J. Carter King of Albany was not available.

Parks planner Elo J. Urvanovsky of Texas Tech was on hand to present an estimated \$400,000,000 plan for a model parks system — developed with a \$70,000 legislative appropriation. But the board asked him to make his

ideas into effect through high school organizations.

Basically, the solution is in finding things for junior high and high school students to do. Recreation for those who only need to keep occupied and jobs for those who need to help their families at 14 or 15 were the major prescriptions.

Carr hopes the conference had set some brushfires in the civic consciousness of high school leaders to burn out the pockets of trouble for many thousands of Texas young people.

**Padre**  
In a colorful ceremony, the State of Texas handed over some 9,000 acres of submerged land in Laguna Madre to become a part of the Padre Island National Seashore.

Hailed as tourist attraction, the Padre project was created by Congress and the Texas Legislature agreed to contribute the state's land.

Reserved to the Permanent School Fund are the oil and gas which may lie under the shallow waters of Laguna Madre.

The National Park Service,

with a \$1,000,000 appropriation to start, will buy the uplands of Padre Island from private owners. Governor Connally, Land Commissioner Jerry Sadler and Attorney General Carr, members of the School Land Board which signed the deed, all predicted bright things for this major addition to the Texas recreation scene.

**Pollution**  
Some areas of the state have developed major water pollution problems and the new Texas Water Control Board has set out to cure them.

Board will have a hearing on September 25-26 designed to protect the vast Ogallala formation, which supplies irrigation and municipal water in most of the Panhandle and South Plains. Expected to come from the hearing is an order prohibiting the use of open, unlined surface pits for the disposal of salt water produced with oil and gas.

Already the Board has started placing strict chlorination requirements on municipal sewage treatment plants in the Houston area to stop pollution of Clear

lake where a huge population growth is being created by the Moonshot Center of the National Aeronautics & Space Administration.

Water pollution problems are popping up all over the state. New Board, which operates only with money given to it by other state agencies, is going after them as fast as it can.

Dr. E. Stanley Jones, world missionary, evangelist and author was the preacher, with Dr. J. Carlisle Holler, noted educator and world traveler, as the

# Building A New Life

Quite a thrill — building a new home! Day by day you watch it take shape. And somehow, you have the feeling that this new house will bring new life for you and your family.

But building a new life isn't as simple as building a new home. One just can't move out of the drab past into a sparkling future.

The life to which conscientious men and women aspire is built on foundations that cannot be laid in a week or two. Character, courage, consecration — these are concrete evidence of faithful years in the worship and service of God.

Today, where there are new houses there are new churches — and where there are old houses there are old churches. And through the portals of all the churches pass the millions of earnest families who are serious and happy about building a new life.

## Services Held On Thursday For Mrs. Cleta Young

Funeral services were held last Thursday morning for Mrs. Cleta Young, 71 years of age, who died early Wednesday at Mercy Hospital.

Dr. Charles E. Wood, pastor, officiated at the services held in the First Baptist Church. Burial was in Englewood Cemetery under direction of Williams Funeral Home.

Surviving are two brothers, G. R. Milliken, Tahoka; and E. N. Milliken of Wilson; and a sister, Mrs. Charley Logan of Brownfield.

## CARD OF THANKS

I would like to take this opportunity to thank all of you for your cards, letters and prayers during my recent accident. Your kind and thoughtful words were deeply appreciated.

Mrs. Eunice Gentry

Mr. and Mrs. Charles Vest, 925 S. 12th, from Brownfield, employed as routeman with

*Serving America*

**\$100 BILLION**

*Savings and Loan Business*

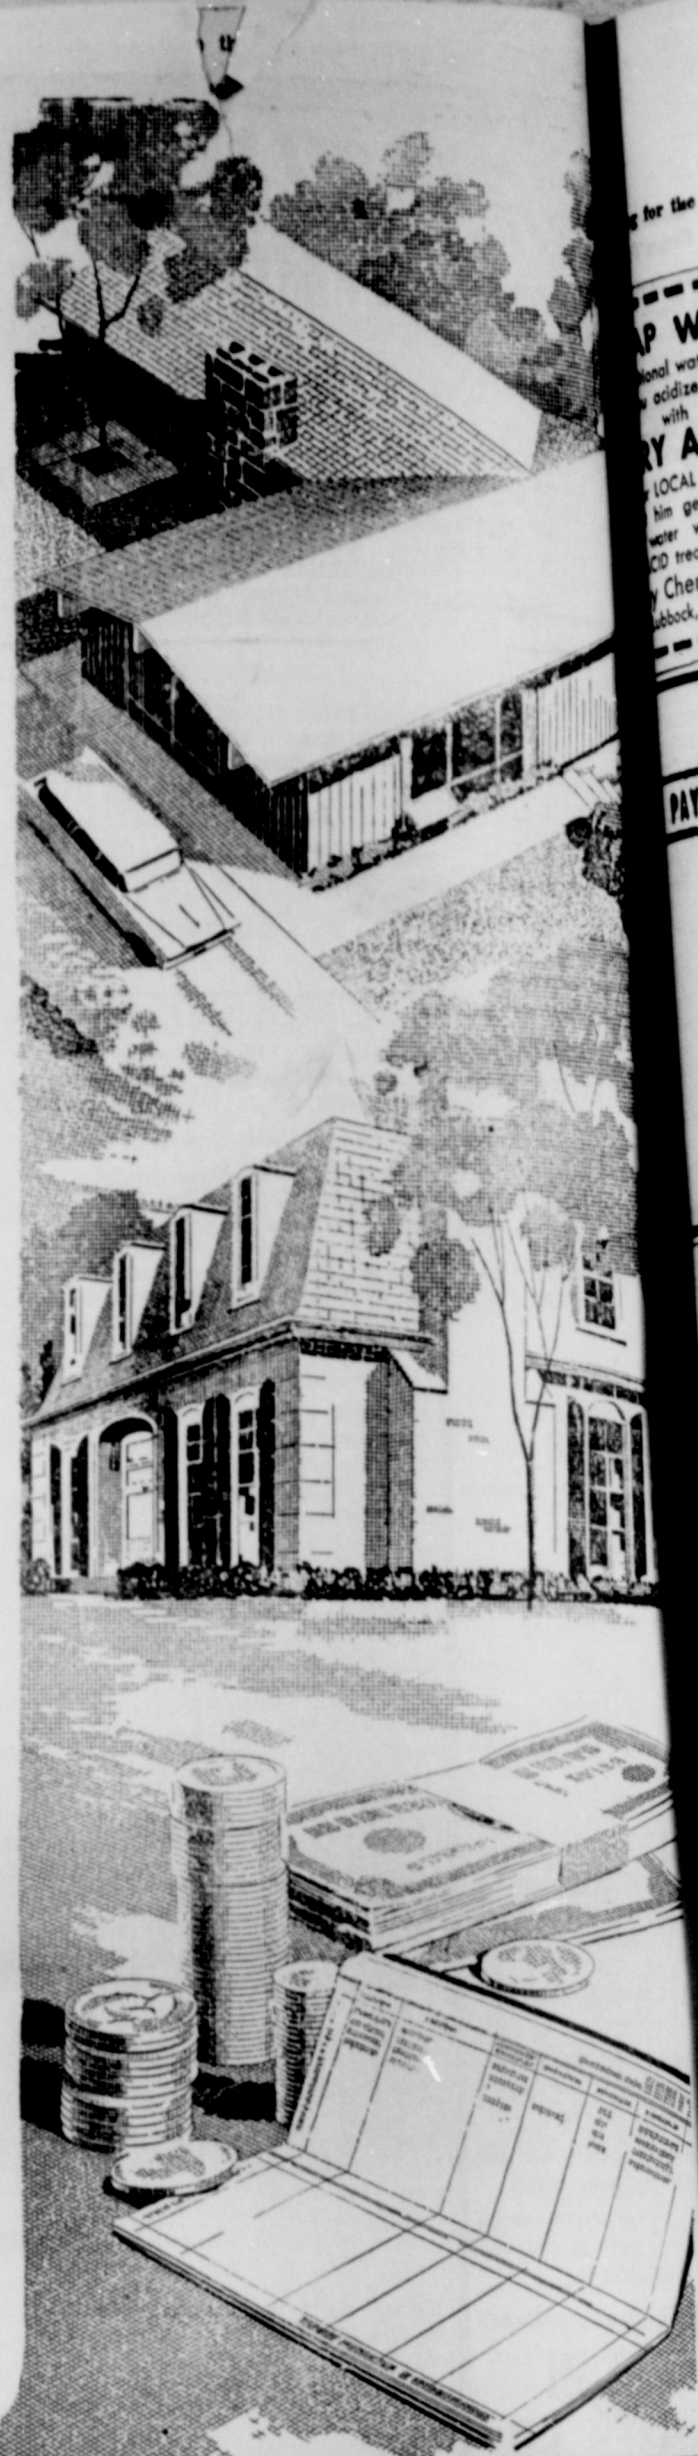

**CREATES**

**Jobs** - 700,000 Jobs each year for craftsmen . . .  
to construct new homes for America!

**Retail Sales** - \$2.4 Billion worth  
of furniture, appliances, and equipment  
each year for S & L-financed homes!

**Homes** - 429,000 new homes built last year,  
another 757,000 purchased with S & L funds . . .  
44% of America's home financing!

**Income** - \$3 Billion in yearly earnings  
paid to 35 million savers!

The fuller, more prosperous life created for all America by the nation's 6,300 Savings and Loan Associations is clearly reflected in the above figures.

Today some 35 million savers and 9 million home-buying families are building their *personal security* with the help of local Savings and Loan Associations. In so doing, they have developed a sturdy system of specialized savings institutions . . . which this month celebrate \$100 BILLION DOLLARS in resources.

To these thrifty families, we say, "Congratulations!" Only under America's free enterprise way of life can the average person achieve such *personal security*. We are proud of your accomplishments and happy to have contributed to your success.

In Slaton, you share in this growth. Your progress -Minded Savings and Loan Association boost our city's economy. If you're not already building your own personal security with us, plan to visit Slaton Savings and Loan Association this month. Learn how we can help you and your neighbors.

### Ashford Serving In Fighter Squad

Charles M. Ashford, aviation electrician's mate second class, USN, son of C. T. Ashford of Route 1, Slaton, serving with Fighter Squadron 161, recently participated in a major fleet strike and anti-aircraft warfare exercise conducted by Commander First Fleet off the Pacific Coast.

Dubbed "Exercise Golf Ball," the five-day exercise centered

around the attack aircraft carrier USS ORISKANY.

In addition to ORISKANY, the task forces included a heavy cruiser, two guided missile frigates, seven destroyers and three auxiliary ships, all of which are Pacific Fleet units.

Opposing the force was the "enemy" group consisting of a submarine, a heavy attack squadron, two carrier airborne early warning squadrons and a Canadian Air Force patrol squadron.

The "hostile" force headed by Commander Naval Defense force, Eastern Pacific.

## To People Who Hate Their Nights

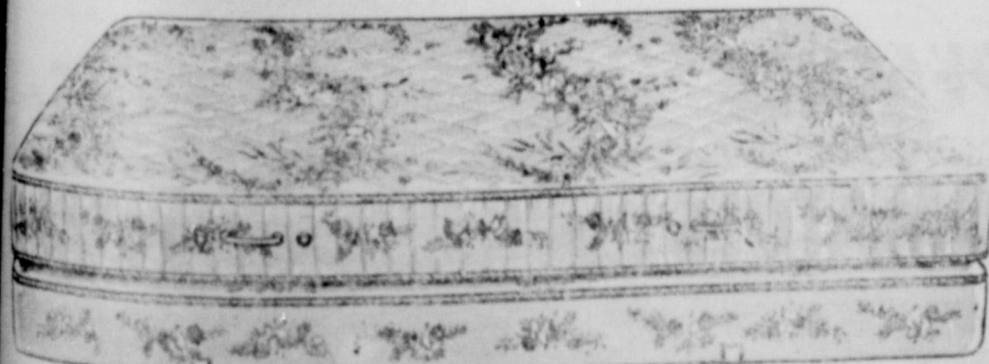

Funny thing about people. Many of them sleep restlessly, wake up tired, feel grumpy and never wonder if their mattress is at fault.

Yet, our experience indicates that a poor mattress is at the bottom of most sleep problems. We say that because so many of our customers have been amazed at the improvement in their sleep after they bought a Beautyrest. Here are typical comments:

- "Gee, I didn't know there was such comfort."
- "Haven't slept as well in years."
- "My back hasn't bothered me since I got it."
- "I sleep better, I feel better, I have more pep."
- "Wouldn't go back to my old mattress for anything."

If you have sleep problems—particularly if you are using an old obsolete mattress—better hustle down to our store and find out about Beautyrest. Why us? Well, we are what you might call "Beautyrest Specialists" . . . we've been selling them for years and years . . . we carry all models in stock (few stores do) . . . and you'll find people here who will be genuinely glad to help you find the model that is best for your sleep problem.

**WORLD AND OLYMPIC CHAMPIONS**—Barbara Wagner and Robert Paul will make their Lubbock ice debut with the 23rd "GO" Edition of Ice Capades when the ice extravaganza opens at the Panhandle South Plains Fair in Lubbock on September 22 for a six day engagement. The ice stars are holders of the 1960 Olympic Games Gold Medal for pair skating.

### Space Travelers Honored at Fair

America's space travelers will be honored when the all new 23rd "Go" Edition of Ice Capades opens at the Panhandle South Plains Fair in Lubbock on Sunday, September 22nd for 4 nights and 5 matinees.

Headlining the edition named for space travel will be the Olympic skating champions Barbara Wagner and Robert Paul. This skating pair have prepared routines for their San Antonio debut based on the routines which won them the 1960 Olympic Gold Medal.

Barbara and Bob hold four consecutive world championships, two consecutive North American championships and five consecutive Canadian championships. Before turning professional, they were elected Canada's outstanding athletes.

Also appearing with the "GO" Edition in Lubbock will be Aja Zanova, twice world's champion; the Old Smoothies; Great Bergen and Per Larsen, both

Scandinavian and Norwegian single and pair skating champions; the Maxfields, famous adagio team; and Richard Garrett.

The "GO" Edition of Ice Capades features six complete productions and 20 acts. Productions will be "Show Boat," "Fantasia Mexicana," "Rachmaninoff's Concerto No. Two," "Babes in Toyland," "Salute to George M. Cohan," and "West Point-ettes on Parade."

The 20 acts include "Rube Farm Boys" with comics Demko and Ben Gee; "Cleopatra," with the Clown Prince of the Ice, Eric Waite; "Fifi" the Poodle from France; "Indian Magic," with the Bouncing Ball, Freddie Trenkler; and "6 Foot Two," with Gold Medalist Jimmy Grogan.

Showtime is 8:30 p. m., September 22nd — 27th and 3 p. m. Sunday thru Wednesday, and 5:30 p. m. on Friday.

BY BERT NEELEY

Friday, September 13th, will be a full day at the High Plains Research Foundation at Halfway. The Board of Trustees will hold their seventh annual meeting in the morning, and the Seventh Annual Field Day will be held during the afternoon.

Harold Hinn, Chairman of the Board of Trustees and Execu-

utive Committee, has called the board meeting for 10:00 a. m. Friday the 13th to be held in the conference room of the Killgore Memorial Building at the Foundation. The Board will decide the research program and budget for 1964. They will also act upon further expansion of facilities and staff to conduct the research program.

The board members will be hosts during the afternoon Field Day program in the various activities. Steve Taylor of Dimmitt, vice-president of the Foundation, will be chairman of the hosts in the Killgore Building and laboratory and the Jim Hill Greenhouse. Eighteen board members will take turns escorting visitors through the building on an hourly schedule.

The lawn and shrubbery display and walking tours which are new this year, will be under the direction of Claude Fargason of Halfway, who is a member of the Board. He will be assisted by a board member on duty each hour and by representatives of the lawn and nursery industry from Lubbock, Kress and Plainview. The lawn equipment will be located adjacent to the 15 lawn grass plots.

A feature of the Field Days, since the first one in 1957, is the farm machinery display located around the Halfway Community Building. O. R. Stark, Jr., of Quitaque is Chairman of this portion of Field Day activities. Three Board Members and three representatives of farm equipment organizations will be hosts each hour of the afternoon. This display has increased in size and number of participants each year.

## SCIENCE SKETCHES

A HIGH CONCENTRATION of poisonous nitrogen peroxide gas in its atmosphere makes existence of life on the planet Mars highly improbable, says the National Bureau of Standards. The gas was discovered by spectrum analysis of Mars light.

THE NEXT TIME someone calls you hot-headed, don't doubt him. It's a scientific fact. The hottest blood in your body, say University of Wisconsin researchers, is in your liver and brain.

MOLECULES of hydrogen gas can crack hardened steel, reports Alloy Rods Company. The gas, present around a welding arc, diffuses through the pores in the metal and accumulates in pockets. Since the hardened steel cannot stretch, it cracks. Iron powder electrodes which supply an atmosphere low in hydrogen are used to prevent faulty welds.

## Sewing Contest Open to All Ages; Large Number of Awards Announced

Students and seamstresses from all over the United States will have a chance to "sew their way" to a Caribbean vacation and many other prizes, as the national "Make It Yourself With Wool" contest gets underway for 1963-64.

Residents of 10 districts in Texas will be competing, along with contestants from all other states in the Union, in making and modeling a 100 percent wool garment of their choosing.

Directors of District 1, which includes Lubbock and the surrounding area, are Dr. Willa Vaughn Tinsley, dean of Home Economics at Texas Tech, and Dr. Gene Shelden, professor and head of the department of clothing and textiles in Home Economics at Tech.

Dr. Shelden has announced that many girls begin working on the project in the summer, and should obtain their entry blanks now. The district contests is Dec. 7 at Tech, with the state contest coming in January at San Angelo.

Contestants may enter one of four divisions: sub deb, 13-15 years old; junior, 14-17 years old; senior, 18-21 years old; and adult, over 21.

Each contestant models her garment before judges at a district contest. Juniors and seniors who win at the district level compete at a state or area contest. State winners are entered in national competition and model their garments before judges at the National Fashion Show held during the annual convention of the National Wool Growers Association.

Dr. Earl H. Hollister, Director of the Foundation, said he would like to "extend a personal invitation to all who are interested in Agriculture to come to the Field Day to look over the crops, stay for the barbecue, then the evening program with the guest speaker, The Honorable George Mahon."

The itinerary for Field Day is: 1:30 p. m. mobile tours of the farm, leaving for the office building, off and on all afternoon; 5:15 p. m. free barbecue; 6:00 p. m. Guest Speaker, The Honorable George Mahon.

sociation in 1964.

Prizes offered include the all-expenses trip to the Caribbean for two national winners, scholarships, sewing machines, savings bonds sewing supplies, all wool fabrics and many other prizes.

"Make It Yourself With Wool" is the only sewing contest which has been on the approved list of the National Association of Secondary School Principals for eight years.

According to Dr. Shelden anyone interested in further information or an entry blank may write to Dr. Gene Shelden, Department of Clothing and Textiles, School of Home Economics, Texas Tech.

**Faculty, Board Entertained By Kappa Kappa Iota**

The Slaton school faculty, together with members of the Board of Education, were entertained Thursday evening with a "back-to-school" reception hosted by the Kappa Kappa Iota Sorority.

Some 30 guests called during the evening at the clubhouse location and were greeted by Mrs. Martin, president of the sorority; Dr. P. L. Vardy, superintendent of schools; Mrs. Vardy, M. W. Kerr, high school principal; J. D. Perkins, junior high principal; and T. C. Martin, principal at West Ward.

The serving table was decorated with a centerpiece of purple asters, grapes and gold colored tapers arranged in a brass candelabra, carrying out the purple and gold colors of the sorority. The table was laid with a handmade white linen cloth, with crystal and silver accessories.

Music was provided by Mrs. J. D. Perkins and Miss Patsy Pettigrew.
