

LOCAL NURSE DESCRIBES SCENE AT HOSPITAL

Slaton, Area Offer Services To Hale Center

BOY FOR PET — Tim Dubbs, six-year-old son of Mrs. D. F. Dubbs, 1570 W. Lynn, is seen often carrying around and playing with a pet lizard he recently acquired. The lizard had been a pet of some college boys at the University of Northern N. M., and when Tim's big brother, Paul, came in from college, his friends gave him the pet lizard home.

Slaton played a small part in helping the tornado-stricken town of Hale Center get back on its feet last week, and additional aid was offered to the community north of Lubbock. Local city officials went to Hale Center Friday morning, offering the use of municipal equipment or services to the wrecked town, and a letter to the major here this week uncovered a story of personal services contributed by two Slaton women.

Mayor Jonas Cain, City Administrator Wayne Baker and Police Chief Breedlove visited Hale Center Friday and offered Slaton's aid in any way possible. A clothing drive here Friday was also started to help tornado victims, but a call was received that no more clothing or bedding was needed. The Chamber of Commerce and several civic clubs were working on the drive. Clothes collected before the drive halted was turned over to the welfare office here.

After receiving a carbon copy of a letter addressed to Mayor Cain Sunday, The Slatonite uncovered a story of two local women who rushed to Hale Center Wednesday night after the tornado to aid in treating victims.

The local pair were Mrs. M.H. Edwards of 1535 W. Lynn, a licensed vocational nurse, and her sister-in-law, Mrs. W.D. Rodgers of 855 S. 18th, a nurse's aid at Mercy Hospital.

Mrs. Edwards has a sister, Mildred Russell, who is night supervisor at Hi-Plains Hospital in Hale Center. When the Edwards family heard the television report of the tornado, Mrs. Edwards thought her sister might call for her if there was a way.

And there was a way. A ham radio operator called the police station here and asked them to notify Mrs. Edwards that she was wanted at the Hale Center hospital. After a Slaton Police man delivered the message, Mrs. Edwards asked her sister-in-law to accompany her and they were in Hale Center in less than two hours from the time the call came.

When they arrived in Hale Center, they learned the path of the tornado could be seen right across the street. Ambulances and cars were parked two blocks in every direction from the hospital, since a host of people rushed to the building to inquire about relatives.

The hospital of course, was without electricity or water, and auxiliary power was being used. Emergency cases needing surgical attention were rushed by ambulances to hospitals in nearby cities.

Mrs. Edwards said it was wonderful to see the cooperation of nurses, doctors, and volunteer help. If a patient was hurt badly, he was entered immediately. Others were tagged and taken care of soon as possible. Convalescent patients of the hospital gave up their beds and went to the lobby, so the injured would have a bed.

A ham radio was set up in one hospital room, and she said a wonderful job was done by the operators. This was how her sister sent out word to her through the local police.

She related that it seemed to be the less fortunate people whose homes were blown away. The most seriously injured that the two Slaton women helped take care of was a little 18-month-old Latin girl. She had a cut on her head, on the muscle of her arm, and a serious cut on her leg. She was one of 10 children in a family who were at the Church of God when it was destroyed.

The girl's mother and sister were rushed to Lubbock for treatment, and later Mrs. Edwards found out her own sister had gone in the ambulance with them, and she never saw her sister while she was there. The father of the little girl could not find his 2-month-old baby, and was very worried also wondering if the baby had come with its mother in the ambulance to Lubbock.

But Thursday morning, the baby was found under a bench where the church had been. The baby didn't have a scratch and

But Thursday morning, the baby was found under a bench where the church had been. The baby didn't have a scratch and

ten by a dog. Two officers went to the scene, and Mrs. Tate told them one dog and two puppies had attacked her and the dog had bit her. The dog was impounded for 10 days, and at the end of that time if the dog is not rabied, it will be released to the owner.

Walter Gibbs who lives on Collins St. reported his son was bitten by a dog. Police impounded the dog for 10 to 14 days for observation.

On June 3, Mrs. W.W. Rogers, 255 E. Dawson, reported a bicycle stolen by a juvenile. The bicycle was recovered.

Saturday, Edsel Clemons, 310 Arizona St., reported to police that while he was driving east on Division St. toward 4th St., someone shot a BB gun at his pickup and hit the right hand vent glass and cracked it. He reported the shot came from a vacant house on the east side of 4th St.

Also, on Saturday, Don Basinger, Rt. 2, Post, reported that while he was in the bowling alley that night, someone stole a transistor tachometer, 8000 RPM, from his car on the parking lot. Value of the stolen tachometer is \$45 to \$50.

Louis T. Atzback, Rt. 2, Wilson was victim of an accidental gunshot wound Sunday about 4:50 a.m. at M.D. Geer Texaco Station. He was shot in the right leg just above the knee. He told the police he was fixing a flat when his gun fell out of his shirt onto a wheel, fired and hit him in the leg. He was taken to Mercy Hospital.

Slaton police investigated two wrecks during the past week. Clifton Q. Pope of Lubbock had a one-vehicle wreck last Thursday at 2:41 p.m. when the gravel truck he was driving ran off the road and the bed flipped over. The truck is owned by Byrd Sand & Gravel of Lubbock. Approximately \$175 damage was done to the bed of the truck.

Pope told police that he was traveling west on US 84 when an unknown vehicle traveling north on FM-400 ran a stop sign and in attempting to avoid the vehicle, he ran off the road

TORNADO WARNING SIGNALS

The disastrous tornado at Hale Center last week has local citizens thinking more about Slaton's storm warning signals. Don Kendrick, fire chief and assistant coordinator of Civil Defense, asked the signals for a storm warning be published again in The Slatonite.

A steady blast from 3 to 5 minutes in length, sounded at 3-to-5 minute intervals, is the "alert" signal. This means to be on the lookout and to be ready if the take-cover signal is sounded.

The "take-cover signal" is an off-and-on blast of the siren at 3 minute intervals. The intermittent siren blast will go for 3 minutes, off 3 minutes, and resume with the off and on sounding. This will only be sounded if a tornado is definitely moving toward the city.

ten by a dog. Two officers went to the scene, and Mrs. Tate told them one dog and two puppies had attacked her and the dog had bit her. The dog was impounded for 10 days, and at the end of that time if the dog is not rabied, it will be released to the owner.

The Slaton Slatonite

A MEMBER OF MOST FAMILIES IN THE SLATON TRADE AREA 12 Pages VOLUME 55, NUMBER 35 SLATON, TEXAS THURSDAY, JUNE 10, 1965 10 CENTS

First Mass Sunday for Slaton Priest

Rev. Marvin C. Kitten, pastor of St. Joseph's Catholic Church, will celebrate his first Mass here Sunday at 4 p.m. in St. Joseph's Church.

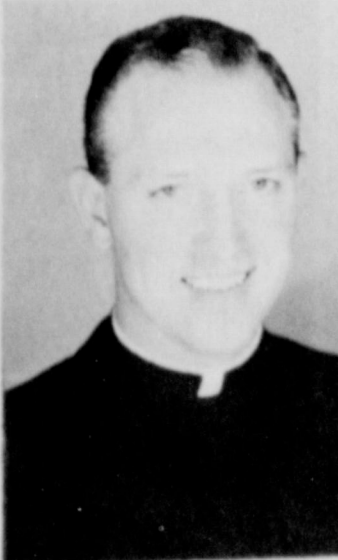

The mass Sunday will climax several weeks of highly eventful services and ceremonies for Catholics in the Slaton area. Father Kitten was the third Slaton man to be ordained to the priesthood in a period of two weeks, with ordination services being held here May 30 for Fathers Timothy Schwertner and Clarence R. Buxkemper.

The Rev. Kitten is the son of Mr. and Mrs. August Kitten of 725 S. 17th St. His parents and other relatives were present in St. Joseph's Church at Mobile Monday for ordination ceremonies.

Mr. and Mrs. Kitten have extended an invitation to all area friends to attend the First Solemn Mass here Sunday. Relatives and friends are expected from various parts of Texas and New Mexico, Colorado and Nebraska.

Assisting in the mass will be the Rev. Ignatius Fabacher, S. J., deacon; the Rt. Rev. Msgr. Peter T. Morsch, V.F., archdeacon.

(See PRIEST, Page 4)

REV. M. C. KITTEN

each was to listen for a repeat of the story and jot down notes on how the tale came out.

Schmid said the results were so highly exaggerated that it was unbelievable--some of the stories were hardly recognizable as the same one which started the rounds.

The story only shows how misinformation can spread--sometimes in all innocence, sometimes as malicious gossip.

The report by our astronauts that an object was sighted during their space flight brought this thought from an area editor: Maybe it was Junior Tracy on his way to pick up Moon Maid?

Dickie Named Legion Chief

New officers were elected Monday night when American Legion Luther Powers Post 438 met in the American Legion Hall.

Taking over the office of commander, which has been held for the past year by Major Ellis Schmid, is Raymond W. Dickie. Other officers elected were: John E. Waldrop, 1st vice-commander; Surman W. Clark, 2nd vice-commander; Bobbe J. Reynolds, adjutant; Joe H. Teague III, finance officer; and Luther R. Gregory, service officer.

Others elected were: T.A. Johnson, chaplain; Arthur Tate, sergeant-at-arms; M.W. Kerr, child welfare officer; Claude Craven, judge adjutant; and Bert H. Polk, mess officer.

Officers will be installed July 5 by Fred Brookman, American Legion service officer for the VA regional office in Lubbock.

More Rain Falls In Area

Turbulent weather continued to plague the South Plains this past week, with heavy rains and hail pelting the Woodrow area west of Slaton Tuesday.

One farmer in the Woodrow community reported 1.4 inches of rain Tuesday afternoon, accompanied by marble-size hail. The report came from two miles west of Woodrow.

A heavy rainfall was also recorded west of Slaton last Friday, with some reports ranging around the 1-inch mark.

Moisture has been spotted this spring, with some areas recording as much as 2.5 inches during May while others had only showers.

76 In Girls' Summer Program

Seventy-six girls have registered so far this week for the Slaton Girls Recreation Program. The program started Monday and continues through July 2, according to M.W. Kerr, director. Kerr said he expected possibly 10 more to register.

The program is open to all girls 9 through 15 years of age, with May 1 as the determining date on ages. The program is being conducted from 1 p.m. to 3:30 p.m. this week, and will be from 9 a.m. to 12 a.m. the following weeks.

The summer program is being held in the junior high school gymnasium.

C-C Directors Hold Meeting

A regular directors meeting of the Slaton Chamber of Commerce and Board of City Development was held in the City Hall Courtroom Tuesday night with Jim Hughes presiding.

The group approved installation of a small spectator bleacher section at the swimming pool, approved support of the second monthly Fabulous Friday retail promotion, and discussed a downtown beautification project.

PACKING FOR TRIP — Nancy McSween and Dianna Underwood are planning to leave Tuesday for Girls State in Austin, and this calls for some

Slaton Sends 2 To Girls State

Two Slaton girls will be leaving for Girls State Tuesday and will be in Austin until June 25. In Austin, they will join more than 400 other delegates from throughout Texas at the American-Legion sponsored event.

Delegates from Slaton are Dianna Underwood, daughter of Mr. and Mrs. J.S. Underwood, and Nancy McSween, daughter of Dr. and Mrs. M.J. McSween. Both are sponsored by the Slaton American Legion Auxiliary.

There are seven Lubbock County high school girls who have been named as delegates. Among these are Linda Martin of the Lubbock Children's home representing Roosevelt High School and sponsored by the George S. Berry Post Auxiliary in Lubbock.

Girls State will be conducted at the Texas School of the Blind in Austin.

Each delegate will be met by members of the Austin American Legion unit and assigned definite roles in the Girls State functions.

A visit to the State Capitol is included in the program, which is designed to offer the girls an opportunity to assemble in the halls of the legislative bodies and meet state officials. Delegates will form their own mythical political parties and set up their own city-county and state governments, using existing Constitutional laws as guides.

Under the leadership of counselors, the girls will participate in these activities and hear speakers from various government offices.

Tow girls will be selected to attend Girls Nation in Washington, D.C.

Miss Francis Goff of Houston is director of Girls State.

Construction Up Slightly In May

Building permits in Slaton during May totaled \$28,100--a slight increase over the April figures.

Majority of the total for new construction was in a new house which carried an estimated value of \$18,000. The April total was \$25,600. Total construction for the first five months of 1965 is tabbed at \$109,210.

Permits for May included: Slaton Lumber, brick veneer home, 855 S. 22nd \$18,000; Derrel Haugh, move-in frame home, 1050 S. 14th, \$8,000; Hubert C. Terry, addition, 605 S. 7th, \$2,000; Albert Kuss, addition, 850 S. 16th, \$100.

ACCIDENTAL SHOOTING REPORTED

Police Arrest Juvenile Burglars, Adult Aide

Slaton police cleared up six burglaries Tuesday when they arrested three Latin juveniles. Small radios, guns, money, and some jewelry had been stolen from the homes. One radio and some jewelry were recovered.

Also arrested was Mayo Perez, a 20-year-old Latin, for selling the goods after the juveniles stole them. He was filed on in District Court receiving and selling stolen goods. Police located a radio that had been stolen and later sold by Perez.

The three juveniles were turned over to county juvenile authorities Tuesday.

Among other complaints on the police reports were two people being bitten by dogs, a bicycle theft, a pickup being shot at with a BB gun, a tachometer stolen from a car, and an accidental shooting.

Mrs. N.P. Tate of 650 S. 13th St., reported of being bit-

Water Usage In Slow Rise

Water usage in Slaton increased only slightly during May over the previous month's total, with rain and cool weather prevailing much of the time.

Records at the city water department showed residents used 17,951,000 gallons during May in comparison to 17,290,000 gallons in April. Only 14.9 million gallons were pumped in March.

High way for water usage last month was on May 20 when 871,000 gallons flowed through municipal taps. The monthly figures, however, run from the 20th to the 20th. Low day was May 13 when 362,000 gallons was pumped.

The usage is expected to rise sharply when hot summer weather arrives.

'MIGHTY MIDGETS' GET THE JOB DONE

Success stories come often in The Slatonite's Classified Advertising Department. Substantiating the claim that we want ads are the "mighty midgets" of the advertising media.

Another satisfied advertiser came in to pay her bill for an 85-cent ad this week, the ad bringing results the first week it appeared in The Slatonite.

Mrs. J.R. Johnson had a used living-room suite for sale; the classified ad brought several calls, and the first woman who was satisfied with the color went to look the suite over and closed the deal.

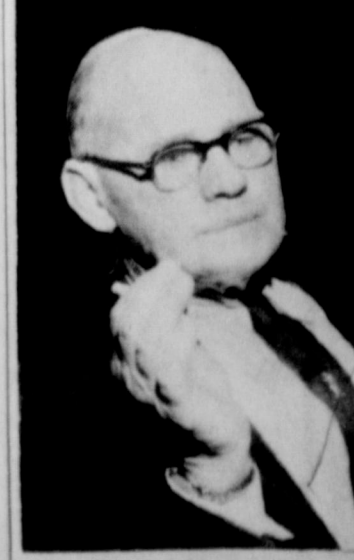

If you have something for sale or rent, or if you're looking for a buy in the Slaton trade area--there's no better market place than Slatonite want ads!

Slaton Exes Plan Homecoming Meet

A meeting of the Slaton Ex-Students Association has been set for Sunday at 2:30 p.m. to finalize plans for this year's homecoming.

The meeting will be in the Slaton Savings and Loan building.

The association is in need of their time to help make the homecoming a big success. Slaton residents who are exes are urged to come and help. It was stressed that no one is being called, but everyone is needed and wanted.

CLIFFORD D. YOUNG

the next two days,

MRS. C. W. SCROGGINS

LORNA SCROGGINS

Mom, Daughter Both Graduate With Honors

Two former Slaton residents graduated with honors last week in Swink, Colo., and Mrs. L. Q. Lemon and Larry were there to see her daughter and granddaughter receive the honors. Mrs. C. W. Scroggins, the daughter of Mr. and Mrs. L. Q. Lemon, graduated from Otero Junior College Friday night as top student in the class of 52 students. Her grade point average was 3.85. She received a scholarship from Southern Colorado State College in Pueblo, Colo.

Lorna Scroggins, granddaughter of the Lemons, graduated second in her eighth grade class with a grade point average of 3.91. Lorna and her sister, Debbie, returned to Slaton with Mrs. Lemon and Larry for a visit with their grandparents.

Gilmore-Chapple Wedding Vows Recited In Church Rite Here

Nuptial vows were recited at 10 a.m. Saturday by Miss Marilyn Caryl Gilmore, daughter of Mrs. W. C. Gilmore and the late Mr. Gilmore, and Frank E. Chapple III, son of Mr. and Mrs. Frank E. Chapple Jr.

Scene of the double ring ceremony was the First Methodist Church here, officiating was the Rev. David Binkley, pastor, and traditional wedding selections were presented by Mrs. Webster Williams, organist, Mrs. J. A. Wright, pianist, and Donald Sikes, soloist.

P. L. Vardy Jr. presented his niece in marriage. Her formal length gown was designed with a bateau neckline, elbow-length sleeves and an empire bodice accented with a bias fold ending in a small bow in center

back. The A-line panel in back was outlined with venise lace motifs. An open wedding ring of tulle with lace, pearls, small bow and fabric roses held a tier-

Stork Shower Given Here

Mrs. Jim Lowry was honored with a stork shower Friday at 7:30 p.m. in the home of Mrs. J. L. Reed, 835 S. 20th St.

The serving table was laid with a blue and white lace table cloth and centered with an arrangement of blue and pink spring flowers.

Refreshments of punch and cookies were served to 17 guests. Plate favors were blue and pink parafin diapers filled with mints.

Hostesses were Meses, Wendel Brieger, Jimmy Sikes, Larry Clark, Lavoy Reed, Alvin Ford, and Miss Sharon Self.

Hostess gift was an infant seat and blanket.

Special guests at the shower were Mrs. Cecil Self, mother of the honoree, Mrs. F. H. Lowry, her mother-in-law, and Mrs. Harley Castleberry, her sister-in-law. Out of town guests was Mrs. Chester Cox of Lubbock.

ed veil of imported silk illusion. The bride carried a white orchid.

Miss Kay Pafford of Claude was maid of honor. Mrs. Charles Walton, sister of the bridegroom, attended the bride as bridesmatron. The attendants wore street length gowns of light blue silk shantung with bateau necklines and empire bodices. They wore dyed-to-match shoes and each carried a long-stem white rose. Their blue velvet flower caplets held imported silk illusion puff veils.

Johnny Orchard and Gary Moore of College Station were best man and groomsmen. Ushers were James Vardy of Austin and Jack Steed of Canyon.

A reception was given in the Fellowship Hall.

For travel to Dallas, the bride choose a two-piece linen suit of American Beauty color with a white blouse and the orchid from the bridal bouquet.

Mr. and Mrs. Chapple will reside in Bryan. Mrs. Chapple is a graduate of Slaton High School and attended West Texas State University. The bridegroom is a graduate of Slaton High School, attended WTSU and is attending the College of Veterinary Medicine, Texas A&M University.

Mrs. Frank Chapple III

Shower Honors Mrs. Jackson

A pink and blue shower, honoring Mrs. Dean Jackson, was given Thursday evening in the home of Mrs. F. H. Lowry, with Mrs. Harley Castleberry and Mrs. Jim Lowry assisting as hostesses.

The refreshments table was decorated with a centerpiece of a miniature baby carriage, flanked on either side with pink tapers in gold candle holders. Pink and blue napkins folded diaper shape and filled with mints were used as place settings.

Refreshments were individual cakes with white frosting decorated with pink and blue booties, and pink punch.

Approximately 15 guests called, and a number unable to attend sent gifts.

The hostesses presented the honoree with a bathnet.

Bride-Elect Is Honored

Miss Sherry Lynn Workman, bride-elect of Billy Allen Meurer, was honored with a miscellaneous shower in the recreation room of the Central Baptist Church of Grassland May 31.

The serving table was laid with a pink lace cloth and featured an arrangement of small artificial spring flowers.

Hostess gift for the occasion was a sand colored Nantucket bedspread.

Hostesses for the occasion were Meses, Ruth Ingle, Bill King, Marj Laws, and Mrs. Craig.

Attending from Slaton were Mrs. Allen Meurer, mother of the bridegroom, Dore Etta Meurer, and Doris Price.

WEDDING PLANNED

Mr. and Mrs. Robert Lamb of Rt. 1, Wilson, wish to extend an invitation to all friends and relatives to the wedding of their daughter, Doris Jean, to Richard B. Clayton, on June 12 at 11 a.m. at St. Joseph's Catholic Church in Slaton.

Personals

Mr. and Mrs. A. D. Williams and Mrs. Lillie Mae Capper of Rialto, Calif., are visiting here with Mrs. M. R. Williams, Mrs. Vivian Jones, George Jones, and other relatives and friends.

Mrs. John Kerns and children returned to their home in Ft. Stockton Tuesday after a two weeks' visit with their mother-in-law and grandmother. Mrs. Ben Kerns, 525 W. Garza.

Mr. and Mrs. Clark Self, Jr. and family left Monday for Six Flags Over Texas and then to Ruidosa, N.M. on a week's vacation.

Mrs. Otis Ginter planned to leave this week for Lodi, Calif., where she will visit her daughter and family for the summer. Her daughter is Mrs. Henry Bush.

Dr. L. W. Hanson spent last weekend in San Antonio with his son and daughter-in-law. Before returning to Slaton, he spent some time at Corpus Christi.

Mr. and Mrs. E. R. Burns returned home Sunday from Sherman where they attended the wedding of Mrs. Burn's great niece, Sara Hall, to William West, Sara is a graduate of T.W.U. in Denton. The bridegroom is attending Military School in Commerce, Mr. and Mrs. Burns visited Saturday evening in the home of Mr. Burns' cousin, D. R. Burns of Denton.

Homemakers Cooper Meet

The Cooper Young Mothers met in the home department of the Cooper Monday for their regular meeting.

Mrs. Frances Mize gave a demonstration of makeup. The makeup she used is new and will be used in the swimming pool.

Plans were made for awards workshop. The shop will be in Hall 2 the high school on Debbie Cade, Little the group, and Mrs. V. Whirter, advisor, plan to attend.

A swimming party for the group was planned for July meeting and the of officers will take the August meeting.

Eleven members of the group attended and one Miss Diann Dadd.

Mr. and Mrs. Hampton and Linda N.M. were visitors in of his sisters, Mrs. Wards and Mrs. Mize last week.

Jones Vows Solemnized First Baptist Ceremonies

Wedding ceremonies were solemnized at the First Baptist Church by the Rev. David G. Jones, pastor, for Miss Kathy Jane Ronney Jones, daughter of Mr. and Mrs. W. R. Jones, and Mr. W. R. Jones, son of Mr. and Mrs. W. R. Jones.

The bride wore a white gown with a long train, a white veil, and a white orchid corsage. The groom wore a white suit and a white boutonniere. The ceremony was held at 8 p.m. Saturday.

The bride's dress was designed and made by her grandmother, Mrs. Walter Teeter of O'Donnell. The bride's veil was made by her mother, Mrs. W. R. Jones.

Miss Pamela Stephens of O'Donnell attended her cousin as maid of honor, Miss Mary Beth Wood as bridesmaid.

They wore identical street-length A-line dresses of pale blue linen. The sleeveless bodices featured jewel necklines and bows of satin with cabbage roses. Their headpieces were tailored bows holding veils of blue tulle. The attendants carried single long-stem white roses.

Best man was Carlton Jones of Lubbock, cousin of bridegroom, and groomsmen were Larry Smith, Ushers were Billy Gass, Leslie Brown, Rick Martin and Gregg Nowlin.

Candlelighters were JaNette Gass and Gorla Gass. Flower girls were Robin Jones of Tulsa and Frana Gass. Ring bearers were Gary and Mike Jones. Miss Belinda Becker was organist and soloist was Miss Peggy Kirksy. Miss Robin Davis was pianist.

The reception was held in the Fellowship Hall of the Church.

Her going away suit was white with patent accessories and an orchid corsage from the bridal bouquet.

Mrs. Jones graduated from Slaton High School last month as valedictorian of her class. Jones was graduated from Slaton High School and attended South Plains College in Levelland. He is employed by Perkins Gulf Station. The couple will reside in Slaton.

Shower Honors Miss Lester

Miss Judy Lester, bride-elect of Jerry Ray Miller, was honored with a miscellaneous shower at the Slaton Club House from 7:30 to 9 p.m. Monday.

In the receiving line with Miss Lester was her mother, Mrs. C. W. Lester and Mrs. Ray Miller, mother of the bridegroom.

Mrs. Pauline Hill, sister of the bridegroom, presided at the guest register. Serving punch and cake were Misses Linda McGee and Nancy McGee.

The table was covered with an ecru lace tablecloth over yellow and centered with daisies and white chrysanthemums in a milk glass vase. Yellow candles in milk glass candleholders complemented the arrangement.

Hostesses were Mmes. Gordon Gass, C.J. Miller, Royce Hill, I.E. McCarver, R.R. Dreyer, H.C. Heinrich, Bobby Reynolds, Pauline Hill, Robert Miller, A.J. Angerer, Odel Reynolds, George Wilson, James Cole, B.H. Sokoll, R.L. Wilcox and Q.B. Chambers.

The hostesses presented the bride-elect with a toaster broiler-oven.

Mrs. Claude Campbell had surgery in Temple recently.

It's a woman's WHIRL

BY LAVON NIEMAN

When you are trying to take just a little bit of time off, but have two boys playing Little League baseball, it is hard to get down to writing a column. A few (very few, I might add) did let me know they missed my column, so I thought I'd best try to stay in this game of being part-time bookkeeper, soc editor, mother, and chauffer this summer, and write a few lines.

WW
Say, I heard something new at the beauty shop last Friday. At least, it was new to me, you can get a permanent now that takes no longer than a hair set. The price is moderate, and the permanent is supposed to last about six weeks. One beautician had tried it on another, so if all her hair came out or something, they wouldn't lose a good patron. All joking aside, it sounded like a good idea to me, because my permanents usually just last as long as a new haircut anyway.

WW
Yours Truly had a nice visit with Dorothy Jones this week, and came away thinking if all the exes of Slaton High School would work just half as hard and get just half as enthused as Dorothy about the upcoming Slaton homecoming, it could really be something big.

Many out of town exes are planning to be here for the July 3 reunion. Are you Slaton exes planning to attend? I hope so. And had you given it a thought to help with the homecoming in order to make it a success?

If you haven't given homecoming a thought I hope you will. You think, who wants to see me? I've just gotten greyer, fatter, and have two or three more kids, etc. Well, how about getting into the swing of things, and be in the attendance when the Slaton Ex-Students Association meets Sunday at 2:30 p.m. in the Slaton Savings and Loan building.

Oh, you haven't been asked? Not even a phone call? Well, why should you? YOU are an ex. Be proud of it and attend. Why should just a few carry the load when there are many more Slaton exes living here.

I can speak from experience, as Speedy and I have gone back to many Lamesa homecomings. We are always disappointed to find that few Lamesa residents show up, and we were looking forward to seeing them. It is embarrassing to the local few who show, and don't have any excuses because all the other local people didn't even take enough interest to welcome the out of town exes.

Think it over, Slaton exes!

Bridal Shower In Clubhouse

Miss Sherry Workman, bride-elect of Billy Meurer, was honored with a bridal shower on June 3 at the Slaton Clubhouse.

The serving table was laid with a white lace tablecloth. The centerpiece was a floral arrangement of light blue roses centered between two light blue candles. Thereby, using the honoree's chosen colors of light blue and white in the table settings.

Miss Donna Workman registered guests. Misses Doris Price and Dee Etta Meurer assisted at the serving table.

Hostess gift for the occasion was a "rock 'n mix" portable mixer with a knife sharpener and drink mixer attachments.

Serving as hostesses were: Mmes. C.B. Schniers, Paul Meurer, Lloyd Meurer, Betty Hlavaty, Alvin Bednarz, Nestor Kitten, Alex Bednarz, C.V. Kitten, Edward Brosch, Clarence Buxkemper, Victor Buxkemper, Donald Bednarz, Leroy Buxkemper, L.J. Kahlich, and Walter Heinrich.

Mr. and Mrs. McClintock and daughter, Lorene, were saying hello to friends in Slaton Wednesday of last week. Lorene is from New York.

Dow Winchester, son of Mrs. A.W. Latham, is home on a 20 day leave from the Marines. When leaving here he will be assigned to the Marine base in Honolulu, Hawaii.

E.T. Caldwell, who had major surgery in Methodist Hospital recently, is reported as improving.

NANCY SMITH

Piano Honor To Local Student

Miss Nancy Lou Smith, daughter of Mr. and Mrs. W.V. Smith, recently was awarded a high school diploma in social music piano from the National Guild of Piano Teachers Judge for the audition was Dr. Donald Ashford of Chicago, Ill.

In order to receive the diploma, Nancy had to have seven selections memorized, five musicianship phases as outlined in the Guild Syllabus. She made a superior grade.

While in high school, Nancy was a member of the Tiger Band, accompanist for the Mixed Choir and was pianist for a Sunday School department at the First Baptist Church.

Nancy plans to major in music education at Hardin-Simmons University in Abilene. She has studied music for eight years with Mrs. J.A. Wright.

Slaton HD Club Meets

Members of the Slaton Home Demonstration Club met Wednesday in the clubhouse, with each present answering roll call with "Something I Learned From My Mother-in-Law."

Plans were discussed for a semi-tailoring course to be held July 5-9. Mrs. Roy Patterson will teach the course.

"Harmless Poisons That Kill" was the program with Messdames Alton Meeks, Milt Ardrey, Spencer Brewer, Riley Eaton and J.M. Breland giving a skit, entitled "Foolish Kates at the Pearly Gates".

Mrs. Eaton served refreshments to Messdames Paul Gilbreath, E.E. Bishop, Earl Stahl Meeks, Ardrey, Brewer and Breland.

The next meeting is scheduled for June 16 in the clubhouse. The program at that time will be "How Do I Shine as a Family Member".

Sells Host Bridge Club Meet Saturday

Mr. and Mrs. Clark Self Jr. entertained the bridge club of which they are members Saturday night with a bridge party in their home.

Strawberry shortcake was served to the guests. Winning high couple prize were Mr. and Mrs. Don Kendrick. Others attending bridge club were Mr. and Mrs. Coy Biggs, Mr. and Mrs. Alton Kenney, Mr. and Mrs. Bob Kern, and Mr. and Mrs. Speedy Nieman.

Society NEWS

Woodrow Girl Wed In Lubbock Church

Wedding vows were solemnized at 8 p.m. Saturday for Miss Lynda Kay Wylie, daughter of Mr. and Mrs. W.R. Wylie, of Woodrow, and Oliver Ray Gant, Lubbock, son of Mr. and Mrs. W.N. Gant, Aiken.

Scene of the double ring ceremony was the Oakwood Baptist Church with the Rev. Cletus Caswell, pastor of the Woodrow Baptist Church, officiating. Wedding music was presented by Mrs. Gerald Neill, organist and Gerald Neill, soloist.

Maid of honor was Miss Theresa Foreman, cousin of the bridegroom, and bridesmaids were Miss Cindy Weaver and Miss Nancy Bell. Attendants wore street-length dresses of powder blue and lined silk organza designed with a bateau neckline extending into a deep "V" in the back, elbow-length sleeves and a fitted bodice. The controlled bell skirt extended into a bouffant back skirt with a tiny fabric bow. Matching headpieces of fabric double bows centered by a small rose and leaves held veils of butterfly illusion. They carried crescent-shaped bouquets of white roses accented with blue ribbon.

Best man was Robert J. Hardin, and groomsmen were Fred Gant, Abilene, brother of the bridegroom; Larry Elam, Plainview, brother-in-law of the bridegroom, and Audrey McCormick, Lockney, Harland Crume, Charles Mac Gibson of Aiken, Rayburn M. Billingsley of Hale Center and Bob Vandiver served as ushers.

Phyllis Adams, Aiken, was flower girl and ring bearer was Jamie Greene, Roy Gant, Aiken, and Mike Billingsley, Hale Center, were candlelighters.

Given in marriage by her father, the bride wore a gown of imported chantilly lace fashioned with a long torso which dipped to points in the front and back. The long tapered sleeves were fastened with small covered buttons which matched the buttons in the center back. The

bateau neckline was enhanced with French scallops inlaid with mother of pearl beads. A bustle back topped by white satin roses accented the bouffant skirt which swept into a chapel train. Her tiered elbow-length veil of imported silk illusion was caught by a headpiece of lace petal outlined in seed pearls and centered with crystals, and she carried an arrangement of orchid and stephanotis atop a white Bible.

Immediately following the ceremony the couple received guests at a reception in the Fellowship Hall of the church. For a wedding trip to New Mexico and Colorado, the bride wore a powder blue silk suit with a fitted skirt and lace bodice. The jacket with three quarter length sleeves completed the outfit, and blue accessories with a small flower hat complemented her ensemble. Her orchid corsage was taken from the bridal bouquet.

After the wedding trip the couple will reside in Lubbock.

Mrs. Gant is a graduate of Cooper Rural School and attends Texas Tech where she is a sophomore majoring in business education. Her husband was graduated from Lockney High School and is presently engaged in farming near Lubbock.

COUPLE RETURNS HOME — Mr. and Mrs. Steve Smith and daughter, Shellie, have returned to Slaton to make their home. Smith is a spring graduate of WTSC at Canyon with a degree in business management. (SLATONITE PHOTO)

SLATON NEWCOMERS

Young Couple Returns Here

One of Slaton's younger newcomers is little Miss Shellie Smith, who will be 2 years old June 22. She has returned here with her parents, Mr. and Mrs. Smith, who reside at 405 W. Lynn.

Shellie's father, son of Mr. and Mrs. Bill H. Smith, is employed at Slaton Motor Co. Her

mother, Kaye, is the daughter of Mr. and Mrs. L.T. Kincaid, also of Slaton.

The Smiths, who are members of the First Methodist Church, were married here in August, 1962. Both are graduates of Slaton High School.

Kaye said, when asked if she plans to work, "I've had my fill of working, getting Steve through college", and now she plans to "just be a housewife".

For entertainment, the couple likes to play bridge, or "just go."

It is notable that any young person, upon completion of college, returns to his home town to pursue his future, and Slaton heartily welcomes the three Smiths.

R.L. Kirk Is Seminole Pastor

The Rev. R.L. Kirk of Gruver, son of a former Slaton minister, has been named pastor of the First Methodist Church of Seminole.

The appointment was announced at the recent Northwest Conference held in Lubbock. Rev. Kirk is the son of the Rev. Robert L. Kirk, superintendent of the Methodist Church's Pampano district and a former Slaton pastor.

The new Seminole pastor attended high school at Munday and Slaton and graduated from Perryton High. He received a bachelor's degree from McMurry College, a master of religious education degree from Asbury Theological Seminary in Wilmore, Ky., then received a master of theology from Iliff School of Theology in Denver, Colo.

Rev. Kirk, 34, has been pastor at Gruver for the past four years. Prior to that time, he was founding pastor of Wesley Methodist Church in Amarillo, where he served for five years.

Father Kitten was born in Slaton March 31, 1931, and attended St. Joseph's School. He graduated from Cooper Rural High School, then earned his BS degree in math from Texas Tech in 1952. The following year he entered the Jesuit Novitiate at Grand Coteau, La.

From 1956 to 1959 he studied philosophy at Spring Hill College in Mobile, Ala., receiving his MA in philosophy in 1959. After that he taught three years at Jesuit High School in New Orleans, before beginning his theological studies at St. Mary's College in Kansas in 1962.

This summer Father Kitten will be a staff member of an Institute for Teachers of high school math, which will be held at Spring Hill College. In the fall he will return to St. Mary's to continue his theological studies.

Whatever thou shalt loose on earth shall be loosed in heaven—(Matt. 16:19).

We should always remember that we are spiritual beings created by God in His image and endowed with qualities and abilities that make us capable and important to this world as well as to God and His larger plan.

Woodrow HD Holds Meeting In Hagens Home

Nine members of the Woodrow Home Demonstration Club met in the home of Mrs. Benie Hagens June 3 for a program on "Harmless Poisons That Kill."

Mrs. Hagens told of the poison contained in common house and garden plants such as the poinsettia, larkspur, asparagus fern, castor bean, peach leaf and numerous others. She was assisted by Mrs. A.E. Schwertner, Ross Cooper, J.F. Walter, and A.A. Kahlich in "Foolish Kates at the Pearly Gates", a skit in which each lady told how she had mixed household cleaners with bleach and "killed" herself.

Mrs. J.H. Lambright presented the program on "How Do I Shine as a Family Member". Taking part with her in "The Tater Family" skit were Mrs. Lambright's nieces who are visiting here—Miss Frankie Richmond, Nevada, Mo., Misses Billye and Karen Irwin of Oklahoma City.

Mrs. A.E. Schwertner gave a brief sketch on the origin of ice cream. Mrs. Freida Schaffner conducted the recreation quiz on "Cleaning the Clothes Closet."

Other visitors included Mrs. Floyd Wilson, Miss Linda Wilson, and 4-H girls, Gloria and Brenda Cooper.

The next meeting will be an all day workshop July 1 at 2 p.m. in the home of Mrs. Ross Cooper. A salad luncheon will be served and members will work on handicrafts.

TORNADO---

(Continued from page 1)

was reportedly just fine. Mercy Hospital had recently had a disaster drill, and Mrs. Rodgers said it had certainly been a help to her in knowing how to handle the situation in Hale Center.

They said many student nurses from Plainview were on the scene helping, and working as if they were graduates. They ran out of gauze once, but said they had no sooner run out when a big box of gauze arrived on the scene—sent by a neighboring hospital who anticipated the need. The kitchen staff at the hospital was making sandwiches and feeding the workers or anyone who was hungry. One of the women working the kitchen had lost everything she owned in the tornado.

Mrs. Edwards said people coming into the hospital didn't talk about what they had lost, but concentrated on taking care of the injured. The hospital clock stopped at 9:37 p.m., and at 5 a.m. the doctors and nurses who had worked all night had taken care of the emergency patients, and were told they could leave. On leaving Hale Center they were given permission to drive through the disaster area of town in order to see what was left after the tornado had struck.

Mrs. Edwards said "on a big scale basis, it was the worst thing I have ever seen". A host of Slaton citizens would have been glad to extend a helping hand to this neighboring town, and it can be proud that at least two were of direct service. Here's the letter from the hospital administrator at

Hale Center: "On behalf of the entire staff of H-Plains Hospital, Hale Center, Texas, I want to express our heartfelt thanks for the manner in which your community responded to our needs. "Their help to our hospital was proficient and extremely prompt. Our needs were accurately anticipated and each person came prepared to render real assistance to us. "We would greatly appreciate your conveying our thanks to your citizens for this excellent help. You can point with pride to individuals such as these." Sincerely, Gordon Russell Administrator

Preparation
If the old paint on your home is just faded, dirty and chalking, the only preparatory work needed is to dust the surface before painting. An extremely dirty surface can be washed with a mild synthetic detergent and rinsed thoroughly with water. Allow the surface to dry before painting. Remove loose, flaking or blistering paint with a wire brush and scraper.

MRS. F. H. LOWRY

Recipe Of The Week

BY BERNADINE GRABBER

A local housewife, who is an ardent fisherwoman, shares her favorite recipe with us this week. She is Mrs. F.H. Lowry of 220 N. 4th, who has lived in Slaton since 1953.

Mrs. Lowry was born in Frederick, Okla., and moved to Brea, Calif., with her family when she was 10. Married in 1939, she continued to live in California until 1951 when she, her husband and children moved to Lubbock. Two years

later they moved here. Her husband, Francis, also a "first rate" fisher is a metal worker with the Auto Company. Both are members of the First Baptist Church.

The Lowrys have three children, Jack Lowry of Grove, Calif., Mrs. J. Castleberry and Jim Lowry of Slaton, and three grandchildren, all boys. In addition to fishing, Lowry enjoys bowling and keeping house. This is an old, old recipe, but delicious!

WHO'S NEW

6-1-65--Mr. and Mrs. Emilio Garcia, Rt. 2 Box 51, Slaton, girl, Guadalupe, 6 lbs., 5 ozs.

Mr. and Mrs. Pedro Perez, Rt. 1, Box 119, Slaton, girl, 6lbs., 9ozs.

BARBECUED CHICKEN
A 1 1/2 or 2 lb. broiler in half. Place in shallow skin side up. Brush with oil and butter, sprinkle with salt and pepper, and bake in a 350 degree oven for 1 1/2 hours, turn twice during cooking. Baste with barbecue sauce during last hour of baking.

MOLASSES BARBECUE
1/4 c. unsulphured molasses
1 T. prepared mustard
1 T. vinegar
1 1/2 oz. can tomato sauce
1/4 c. chopped onion
1/4 t. Tabasco
About 2 T. liquid smoke

Combine all ingredients and bring to a boil for 1 minute. Yield 2 cups. This can also be used for barbecued spareribs.

available. By 2:30 that morn-
ing (Thursday) a Lubbock Cater-
ing firm, on call to the Lub-
bock Chapter, was making the
rounds of the road blocks and
sandwiches. When it ran out,
it returned to Lubbock for more
and went back to help again.

Thursday morning, Mrs. Bobbie Jennings, director of service to military families, was at the headquarters accepting applications for assistance to victims of the disaster. Bill Morley, field director at the Veterans Administration office in Lubbock, arrived to lend a hand and his years of experience in Red Cross to the people of Hale Center. Mrs. Jennings and Morley commuted from Lubbock through Saturday and Voight was on duty every day together with other National Red Cross personnel—caseworkers, nurses, disaster specialists of all kinds to provide the temporary help needed initially, and to begin the long range task of re-establishing homes and getting back to normal.

Red Cross headquarters were moved Saturday to the First Methodist Church basement and the clothing depot of the Seventh Day Adventist

Church was located on the Methodist Church grounds for those in need.

By Saturday evening Red Cross had disbursed some \$1,700 to victims who needed clothing and medical assistance and Red Cross personnel had only just begun the job of casework investigation for home repair, furniture and household necessities, and occupational tools and devices. The Red Cross does not, of course, replace loss. It is not an insurance company... but it does provide the difference between a family's need and what it can do for itself. It is chartered by Congress to just that as the official relief organization of the American people—for the families and individuals.

National and Chapter Personnel from Red Cross are at work right now to bring the help needed by disaster victims. From Plainview, Amarillo, Canyon, Oklahoma City, Fort Worth... and from the Lubbock County Chapter. Red Cross staff and volunteers are in Hale Center with YOUR help not with a loan, but with an outright gift from the American people—neighbors from all over the country. Red Cross will be there for a long time after the damage has been cleared away.

TRUCK BED FLIPS — Clifton Odell Pope of 412 E. 34th St., Lubbock, walked away uninjured when the gravel truck he was driving ran off the road and the bed flipped over at

the intersection of US-84 and FM-400 near Slaton last Thursday. Pope said the accident occurred when he ran off the road in an attempt to avoid hitting a vehicle that had run a stop sign.

(SLATONITE PHOTO)

Mr. and Mrs. Harry Plaster and Mrs. Carroll Merritt of Gibsland, La., were in Slaton today to attend funeral services for Clifford D. Young. The two men are aunts of Mrs. Young.

The grandson of Mrs. M.D. Gamble, and son of Mr. and Mrs. D.J. Steed, Lt. Billy Steed is being shipped from Japan to South Viet Nam. He said that they had to stop work in time to take cover in fox holes because the enemy was getting so close.

Paul Dubbs, a sophomore student at the University of Eastern New Mexico, and Michael Dubbs, a sophomore student at Texas Tech, both sons of Mr. and Mrs. D.F. Dubbs, are home from college this summer.

Sunday afternoon guests of the Earl Morris were a nephew and wife, Mr. and Mrs. Dyer White of Lubbock

Miss Sena Brown of Estacado visited with friends here Tuesday.

THE FAMILY LAWYER

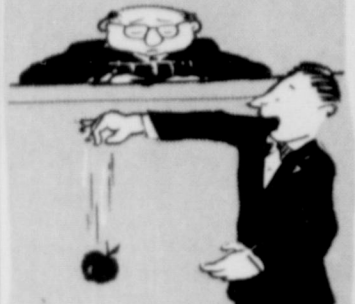

Short Cut to Justice

A car, parked on a slope with the brakes off, rolls downhill and smashes into B's car. To collect damages in court, does B have to prove the law of gravity?

Of course not. If a person had to prove every single fact in his case, lawsuits would last forever and a day. As a short cut to justice, the law allows a court to "take judicial notice" of the obvious. That is, a court may take some facts for granted even if they are not proved in the usual manner.

But which facts are so obvious as not to need proof? What do we know for sure?

The range of judicial notice is enormous. It includes not only basic scientific laws like gravity but also the habits of animals (that mules

will kick), the events of history (that the Japanese attacked Pearl Harbor on December 7, 1941), and the essentials of geography (that Missouri is east of the Rockies).

In appropriate cases, courts also have taken judicial notice that telephones are popular, that "OK" means approval, and that women patients don't wear fur coats in the dentist's chair.

True, there are pitfalls. For one thing, what was sure yesterday may

TOO LATE TO CLASSIFY FOR SALE

Three bedroom brick. Good location. Newly decorated. Partially carpeted. Two car garage, new drapes. VA8-3926, days, VA8-4431, after 6:00. 35 tlc

One AKC registered female silver toy poodle, 8 weeks old. VA8-3691. 35 ltc

FOR RENT

Camp trailer, \$27.00 per week or will sell for \$500.00, VA8-5365. 35 2tp

Small furnished house for one or couple. Water paid. 430 W. Lynn. 35 ltp

be quite the opposite today.

For example, a modern court would scarcely take judicial notice—as earlier courts have—that most businessmen wear watches in their vests, that ping pong is too hard a game for children, and that beans are baked at home in almost every New England household.

Furthermore, especially in matters of science, it is hard to tell just when a new theory becomes certain enough to justify judicial notice. Thus, it is only within the past few years that courts generally have begun to take judicial notice of the principles of radar.

But by and large, the use of this time-saving device is expanding. This is partly because knowledge itself is expanding, and partly because judicial notice is so clearly based on common sense. As one judge put it:

"There is no reason courts should pretend to be more ignorant than the rest of mankind."

MICRONAIRE STANDARDS TO BE REVISED NEXT YEAR

It will be this time next year before we begin using the revised official U.S. cotton standards for micronaire readings recently announced by the U.S. Department of Agriculture.

This was pointed out today by W.K. Palmer, officer-in-charge of the USDA's Lubbock cotton classing office.

He said the effective date—June 1, 1966—conforms with the U.S. Cotton Standards Act, it requires a waiting period of not less than one year for changes in standards.

"This revision will provide an official standard for a third factor of cotton quality," Palmer said.

Official standards for grade and staple length were both established prior to 1920.

Micronaire readings were first made available in 1946 at USDA cotton laboratories and now they are available at all cotton classing offices of USDA's Consumer and Marketing Service.

In 1956, official cotton standards for mike readings were established for cotton certificated for delivery on futures contracts.

The new change will make the mike standards available for general use without restriction, Palmer explained.

Also, the revision will incorporate developments made since 1956 in airflow instruments and in testing procedures used to make micronaire readings of fiber fineness and maturity.

Since micronaire readings provide an accurate measure of fiber fineness and maturity, they are recognized throughout the cotton industry as an important quality factor in merchandising and processing cotton.

Also, cotton farmers have in micronaire readings a valuable guide to best varieties to grow,

management practices and to the best outlet for their cotton, Palmer pointed out.

About 63 percent of the cotton classed by the Lubbock, Lamesa and Brownfield offices last season also received a mike reading, according to Palmer.

"We will offer cotton farmers this miking service again this season," he said.

DISARMAMENT—In 1961, Congress set up a disarmament agency. According to Cong. H. R. Gross (R-La.) last year it spent between \$9 and \$10 million. Now it is asking for a four-year authorization of \$55 million so they won't have to come back each year to justify their spending.

MILLIONAIRES—American foreign aid policies had created 30 millionaires in Laos in 90 days. One U. S. dollar, according to testimony in Congress, would purchase 330 Laotian kip, but the official rate was fixed at 80-to-1. The American government converted at the official rate, allowing the Laotian offices to make a profit of 250 kip on every dollar.—Rep. Otto Passman (D-La.).

COSTLY DELIVERY—\$600,000 annually could be saved by the Post Office if a single money order or Treasury check were prepared daily or weekly for each shipper having multiple C.O.D. collections. Postmasters are now required to pay each shipper for each transaction, according to the General Accounting Office.

Many old German mining terms originating in Saxony have been adopted in other languages.

Hi Neighbor! What you got there? How are you Joe? That's my new air conditioner... cools the entire house.

How does it work? It works great! We've never had it so comfortable... sure can notice the difference when you go in the house. We sleep better at night, too.

Doesn't take up much space does it? That's one of the things I like about it... not any bigger than a living room chair, see you can sit on it, just about the right height.

Where's the water connection? That's another thing I like... doesn't use any water, just low cost, dependable electricity and free air. See, just one connection like your refrigerator.

I'll have to admit you're right there. We've had our electric refrigerator for over 15 years and she's still perking right along. Well, you've got the same dependability in an electric air conditioning unit. There's just no question about it working right.

Be cool with an electric air conditioner. For more information, call your Southwestern Public Service Company manager.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN--With the close of another session of the Legislature, permanent state capitol inhabitants turned happily to one of their favorite indoor pastimes--speculating on the next elections.

Atty. Gen. Waggoner Carr so far leads most lists of likely Democratic candidates to oppose GOP Sen. John Tower next year, although Congressman Jim Wright from Fort Worth would like to be his party's choice for the race.

Carr, in the past, has denied any real interest in going to the Senate. He has concentrated his plans on a race for governor after John Connally vacates the office. However, he declines to close the door on a Washington career at this stage.

He cannot afford to, with odds favoring Connally's remaining in office for another term--and another term could be four more years. If the constitutional amendment passes to double the elective span of statewide officials.

If Carr runs for the Senate, apparently there will be a big field battling to succeed him in the attorney general's office. At least a half dozen state senators reportedly have their eyes on the job. Of the lot, Sen. Franklin Spears of San Antonio has been busiest so far.

LT. Gov. Preston Smith, who makes no secret of the fact he wants to run for governor, most likely will run for reelection in 1966.

Congressional races are shaping up on the assumption the new reapportionment bill will stand up. If it does, Sen. Martin Dies Jr. of Lufkin or Rep. Charles Wilson of Trinity likely will take on Congressman John Dowdy of Athens in District 2.

New District 23 in South Texas (from southern Bexar County to the Mexican border) has drawn interest from State Sen. Abraham Kazen of Laredo, Sen. Walter Richte of Gonzales, Rep. Glen Kothmann of San Antonio

and Rep. Wayne Connally of Floresville, brother of the governor.

High sources regard Merrill Connally, Floresville rancher and campaign manager for Governor Connally, his older brother, as another "distinct possibility" in the District 23 field of candidates. But there is no chance of the Connally brothers opposing each other. SESSION LAUDED--In an unusual closing address to the 59th Legislature, Governor Connally lauded it as "the most productive of any in this century."

Governor specifically cited work in the areas of education, public health, finance, water development and congressional and legislative redistricting. He recalled that last January the 59th was faced with "a greater and more varied assortment of problems than any legislature in modern times" and educated predictions were that lawmakers could not solve all of them without one or more special sessions.

Connally disagreed with critics who insist the redistricting bills will be knocked out by federal courts. He thinks the bills will meet the courts' test.

The session closed out calmly, in contrast to most of those of the past. After congressional redistricting was disposed of two days before the gutting dead line, there wasn't much left to wrangle about.

CONSTITUTION CHANCES?--Twenty-five proposed amendments to the Texas Constitution were recommended by the 59th Legislature. Amendments will be voted on in three different elections during 1965 and 1966. First election is September 7 on the proposal to increase size of the state senate from 31 to 39 members.

Ten amendments will be voted on November 2. They would:

Extend to four years terms of governor and other statewide elected officials now limited to two-year terms;

Increase state representatives' terms from two to four years;

Permit full state participation in federal medicare programs;

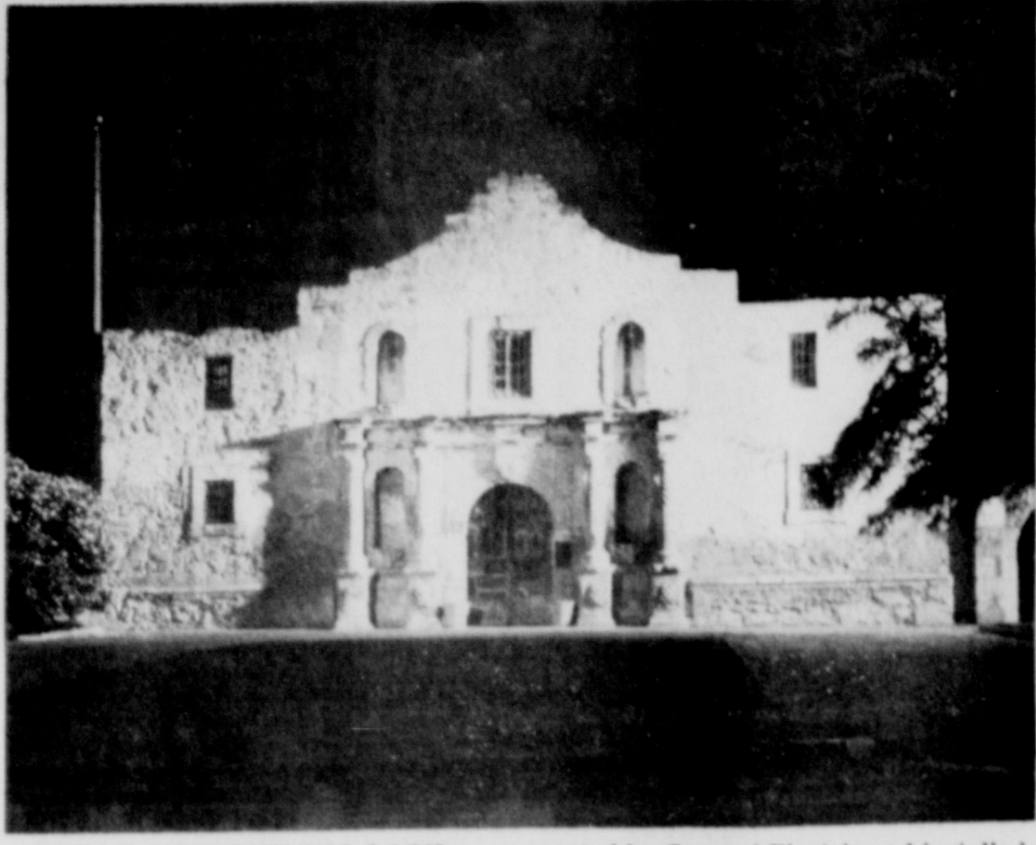

Authorize the Legislature to set salaries of the lieutenant governor and speaker;

Set up an \$85,000,000 student loan fund;

Authorize \$200,000,000 more in veterans land bonds;

Require district and appellate court judges to retire at 75 and set up a system for removal for misconduct;

Expand the investment authority of the public school retirement system;

ALAMO'S NEW EVENING LOOK — This is the view which evening visitors to the Alamo are now seeing in San Antonio. The famed "Shrine of Texas Liberty" and Alamo Cenotaph are now illuminated by a lighting system do-

nated by General Electric and installed by the City of San Antonio in Cooperation with the Daughters of the Republic of Texas. The lighting is on from dusk to 11 p.m. every evening at the Alamo.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

It seems probable now that if there is ever a coat of arms designed for the Great Society, it will be composed of a shield quartered in four fields to depict acres of rotting strawberries, plowed up asparagus, fields of rotting lettuce and unplanted tomato acreage. On each side will be shown a housewife rampant.

This then will fittingly memorialize the hassle created in California agriculture, first by Congress and then accelerated by Labor Secretary William Wirtz. Inasmuch as California normally produces 25% of the table food of the nation, the situation furnishes an excellent clinical study.

Bureaucrats toil not, neither do they spin, yet they hesitate not telling others how they shall produce. For many years California agriculture has depended upon trained Mexican farm labor, and many thousands of the Mexicans have been very happy to work in the fields on a guarantee of \$1.25 an hour plus housing, and a piecework arrangement which permits them to make from \$25 to \$40 a day.

But due to the pressure of labor leaders and uninformed "do gooders" this labor source was denied this year. Secretary Wirtz, who could have alleviated this situation, took the position that if the growers guaranteed \$1.40 an hour, there was ample domestic help to do the job, so the basic wage

guarantee was raised to \$1.40 an hour, but would not get domestic workers off relief rolls to work.

As a result, millions of pounds of strawberries rotted on the vines, millions of pounds of asparagus were plowed under, lettuce harvests were curtailed, and tomato planting reduced, as no one knows how they will ever get picked.

This means that long before Autumn the American housewife will find she is paying substantially higher prices for many products, even including such common household items as strawberry jam.

The whole sorry episode illustrates how slap happy bureaucrats become when given some power, and it does seem quite absurd to let a labor secretary determine the welfare of the farmer.

When the sour odor of rotting strawberries was wafted into Washington, Secretary Wirtz reversed himself to the extent of permitting 1,500 Mexican workers to come in.

Now comes the particular problem. On many items there will be a shortage which means higher prices.

Now that everybody with great authority and equally great ignorance has had their fun in experimenting, who makes up the difference in cost to the housewife? Of course, these facts are beyond the consideration of bureaucrats. Any time one of their Great Experiments fails, they just wash their hands and let the public pay the bill.

A study by The Travelers Insurance Companies shows that excessive speed continues to be the Number One killer on American highways. Speed was involved in about 35% of the accidents which killed 48,000 persons in 1964.

A brigade is usually composed of three regiments.

Rev. Robert H. Harper
LOVE

"What is so rare as a day in June? Then, if ever, come perfect days. Then Heaven tries the earth to see if it be in tune. And over it softly her warm ear lays

In June we see the fruition of the promise of Spring. Even so, the promise of a man's youth comes to the full flower of manhood, and he knows love, love of his fellow man, love of God, and there is glory in his soul.

What is love? It is the essence of goodness, and the man who gives himself to love consecrates himself to the highest passion that sweeps the human breast. Love has a saving effect. Under its benign influence, the noblest attributes of the human heart find expression.

But love is more than a human passion. Love develops in a man the highest ideals he can know. It leads him to the dedication of his greatest talents. Love is a quickening power, which tends to develop all that is high and noble in a man's life. Therefore, open your heart to love so that you may be more like our God "who so loved the world that he gave his only begotten son to seek and to save that which was lost."

NEW CITY EMPLOYEES — Two recent additions to the City of Slaton staff are pictured here at City Hall. Seated is Gerald Kendrick, recently appointed City Secretary, and standing is Mary Bee Streck, a new office secretary. Kendrick assumed his duties May 24, and Mrs. Streck has been at work several weeks longer. (SLATONITE PHOTO)

Accent on Health

J. E. PEAVY, M.D., Commissioner of Health

There are no plants, shrubs or trees on the moon, as far as we know today.

On planet Earth, however, vegetation helps sustain life. But some plants, trees or shrubs are potential killers of man. Some part of the ornamental plants or flowers in your yard may contain deadly poison. Many poisonous plants are so common and seemingly innocuous you don't suspect their toxic qualities.

Who would suspect that the beautiful oleander bush, grown indoors and outdoors all over the country, contains a deadly heart stimulant, similar to the drug digitalis? So powerful is this poison that a single leaf of an oleander can kill a child. Many people have died merely from eating steaks speared on oleander twigs and roasted over a fire.

The pretty mountain laurel plant was used by the Delaware Indians to make a suicide potion. The popular Christmas flower--the poinsettia--is full of an acid, burning juice, so lethal that a child who consumes one leaf of the plant might die. The berries of mistletoe proved deadly to adults who brewed what they thought was a "medicinal tea."

It's easy to be deceived by plants. One part may be edible while another is poisonous. For example, twigs of cherry trees release cyanide when eaten. Peach tree leaves contain hydrocyanic acid, one of the most dangerous poisons known.

Even two of our most popular vegetables, the potato and tomato, come from plants related to the deadly nightshade. Although fresh tomato fruits and potato tubers are harmless, the

foliage and vines of both plants contain alkaloid poisons capable of causing digestive upset and nervous disorder.

Most dangerous in your vegetable garden is rhubarb. Its stalk, commonly used in baking and cooking, is not toxic. The leaf blade, however, contains oxalic acid which crystallizes in the kidneys, causing severe damage.

Also beware of laurels, a-zaleas, water hemlocks and buttercups because of their poison content. Both foliage and acorns from oak trees can be deadly, as are twigs and foliage from wild and cultivated cherries.

Remember...just because it is a plant doesn't mean that it is safe. Treat unknown plants with respect, and teach your children to do the same.

BROWNFIELD HERE SATURDAY

Legion Wins Pair

American Legion won two league victories Saturday, taking on the Brownfield Legionnaires at night in Babe Ruth Park.

The game is scheduled to be played at Slaton Saturday night when Slaton Legionnaires will draw round duty from Brownfield.

Three of Slaton's hits went for extra bases as Larry Pickens cracked a double, Ronnie Coker lashed a triple, and Paul Trout slammed a home. The roundtripper came in the final frame with no one aboard.

Hennington notched the mound win by going six innings and yielding just four hits. He struck out 12 and didn't walk a single batter. Henry Johnson closed out on the mound by winning the third inning and coasted in for the victory.

Slaton notched only six hits off a trio of Seagraves hurlers but bases on balls and errors made the big difference. The locals plated 12 runs in the big inning with 4 hits, 5 walks, 2 hit batsmen and four errors.

Three of Slaton's hits went for extra bases as Larry Pickens cracked a double, Ronnie Coker lashed a triple, and Paul Trout slammed a home. The roundtripper came in the final frame with no one aboard.

Slaton Legion Wins Pairs D. City

Slaton jumped to a 5-0 lead in the first two frames, chasing across three runs in the opening inning and adding two more in the second. D. City tallied both runs in the sixth frame, and Slaton added its final run in the top of the seventh and final inning.

Each team turned in one double play; Slaton had seven left on base, Denver City 5.

LITTLE LEAGUER

Slaton Couples Back From Las Vegas Tourney

Four Slaton couples returned this week from Las Vegas, Nev. where the men played in the Las Vegas Gold Cup Club golf tournament. The Slaton group was playing with the South Plains Country Club, and even though they came in 15th in the tourney, it was reported that they considered it an honor just to get to play in the finals and had a lot of fun.

Making the trip by car were Mr. and Mrs. Doc Reasoner and Mr. and Mrs. Marlin Bumpass. They left June 1 and returned Tuesday. Dr. and Mrs. Don Hatchett and Mr. and Mrs. George Brassell made the trip by plane and returned Monday.

Colonial Country Club of Fort Worth won the \$30,000 Gold Cup championships by 24 shots over San Jacinto Country Club, South Plains Country Club finished with a 628 and a 1,030 total, good for 15th place, while Lubbock Country Club was 16th. Stan Gryzwacz and Don Jones had a 64 to lead South Plains, while Jim Hudley and James Casey had 67, Irvin St. Clair and Doc Reasoner had 68, Don Hatchett and Marlin Bumpass had 69 and Bill St. Clair and George Brassell had a 72.

While John Quincy Adams was president of U.S., he and his wife raised silkworms in the White House and actually wove silk cloth.

Hobbs will be visited Thursday, June 17.
 President Barrie Rushing and other Red Raider Club officials, as well as Texas Tech faculty and administration members, will make some of the trips.

Also to be visited this summer are Muleshoe, Plainview, Abilene, Andrews, Levelland, Kermit, Slaton, Post, Midland, Abertathy, Brownfield, Amarillo, and Albuquerque, N.M.

TIGERS, INDIANS IN THRILLER

Yankees Take 2-Game Lead

The league-leading Yankees stretched their lead to two full games in major Little League action Tuesday night, knocking off the Giants by a 13-5 score to avenge their only loss of the season.

Highlight of the week, however, was a 10-inning thriller between the Indians and Tigers Monday night--a game which ended in a 6-6 tie and will have to be replayed. It was thought to be the longest Little League game ever played here.

The Cardinals, meanwhile, took over second place with a 6-3 triumph over the Tigers last week. In the other two games the past week, the Yankees rolled to a 10-3 win over the winless Dodgers, and the Indians claimed a 15-0 shutout over the Giants.

The Tigers are the hardest-hitting team in Little League action, according to individual and team batting statistics compiled by scorekeeper Mary Jane Jackson this week.

Figures through Monday night showed the Tigers with a .322 team batting average. The league-leading Yankees were next with a .310 mark, while the Giants and Indians were close--both with .291 averages.

Tommy Jack Taylor of the Giants continued as the individual batting leader with a .583 mark on 14 hits in 24 times at bat. Several others were above the phenomenal .500 mark, including T.W. Whitfield, of the Yankees, Steve Ethridge of the Indians, Terry Mosser of the Giants.

Roby Hartman took over the runs-batted-in leadership with 14 to his credit in 8 games. Ethridge of the Indians had 12 in 8 games.

Red Sox In Pee Wee Lead

The Red Sox went into the lead for their battle in the Pee Wee baseball league. They downed the Pirates 10-9, and the Cubs 17-10 to take the lead. They now have a 8-2-1 record. The Pirates are close behind the Red Sox with a 7-3-1 record. Since last publication, the Pirates were beat 10-9 by the Red Sox and won over the Braves 13-6.

The Cubs won one and lost one. They beat the Braves 23-9 and the Red Sox beat the Cubs 17-10. The Cubs hold a 6-4-1 record for the season.

The Braves are 0-10-1 for the season.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN--With the close of another session of the Legislature, permanent state capital inhabitants turned happily to one of their favorite indoor pastimes--speculating on the next elections.

Atty. Gen. Waggoner Carr so far leads most lists of likely Democratic candidates to oppose GOP Sen. John Tower next year, although Congressman Jim Wright from Fort Worth would like to be his party's choice for the race.

Carr, in the past, has denied any real interest in going to the Senate. He has concentrated his plans on a race for governor after John Connally vacates the office. However, he declines to close the door on a Washington career at this stage.

He cannot afford to, with odds favoring Connally's remaining in office for another term--and another term could be four more years. If the constitutional amendment passes to double the elective span of statewide officials.

If Carr runs for the Senate, apparently there will be a big field battling to succeed him in the attorney general's office. At least a half dozen state senators reportedly have their eyes on the job. Of the lot, Sen. Franklin Spears of San Antonio has been the busiest so far.

At Gov. Preston Smith, who makes no secret of the fact he wants to run for governor, most likely will run for reelection in 1966.

Congressional races are shaping up on the assumption the new reapportionment bill will stand up. If it does, Sen. Martin Dies Jr. of Lufkin or Sen. Charles Wilson of Trinity likely will take on Congressman John Dowdy of Athens in District 2.

New District 23 in South Texas (from southern Bexar County to the Mexico border) has drawn interest from State Sen. Abraham Kazen of Laredo, Sen. Walter Richte of Gonzales, Rep. Glen Kothmann of San Antonio

and Rep. Wayne Connally of Floresville, brother of the governor.

High sources regard Merrill Connally, Floresville rancher and campaign manager for Governor Connally, his older brother, as another "distinct possibility" in the District 23 field of candidates. But there is no chance of the Connally brothers opposing each other.

SESSION LAUDED--In an unusual closing address to the 59th Legislature, Governor Connally lauded it as "the most productive of any in this century."

Governor specifically cited work in the areas of education, public health, finance, water development and congressional and legislative redistricting. He recalled that last January the 59th was faced with "a greater and more varied assortment of problems than any legislature in modern times" and educated predictions were that lawmakers could not solve all of them without one or more special sessions.

Connally disagreed with critics who insist the redistricting bills will be knocked out by federal courts. He thinks the bills will meet the courts' test.

The session closed out calmly, in contrast to most of those of the past. After congressional redistricting was disposed of two days before the quitting dead line, there wasn't much left to wrangle about.

CONSTITUTION CHANGES--Twenty-five proposed amendments to the Texas Constitution were recommended by the 59th Legislature. Amendments will be voted on in three different elections during 1965 and 1966.

First election is September 7 on the proposal to increase size of the state senate from 31 to 39 members.

Ten amendments will be voted on November 2. They would:

Extend to four years terms of governor and other statewide elected officials now limited to two-year terms;

Increase state representatives' terms from two to four years;

Permit full state participation in federal medicare programs;

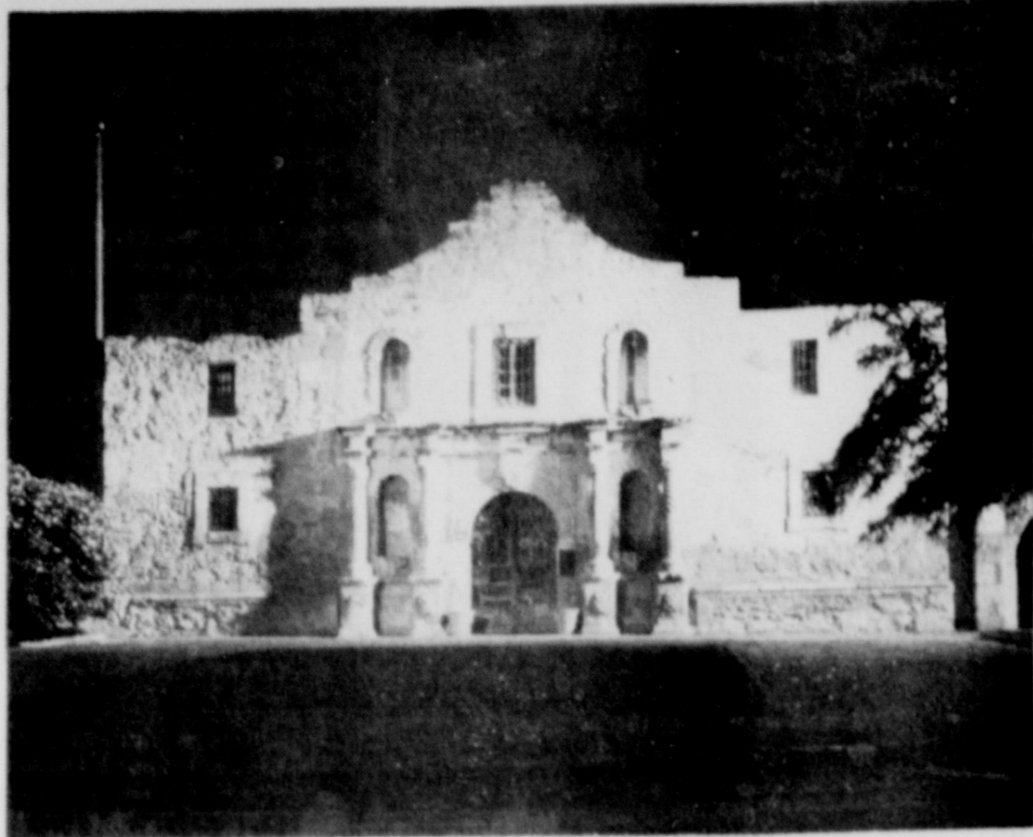

Authorize the Legislature to set salaries of the lieutenant governor and speaker;

Set up an \$85,000,000 student loan fund;

Authorize \$200,000,000 more in veterans land bonds;

Require district and appellate court judges to retire at 75 and set up a system for removal for misconduct;

Expand the investment authority of the public school retirement system;

ALAMO'S NEW EVENING LOOK — This is the view which evening visitors to the Alamo are now seeing in San Antonio. The famed "Shrine of Texas Liberty" and Alamo Cenotaph are now illuminated by a lighting system do-

ated by General Electric and installed by the City of San Antonio in Cooperation with the Daughters of the Republic of Texas. The lighting is on from dusk to 11 p.m. every evening at the Alamo.

Increase the state property tax from 42 to 47 cents and allocate the extra five cents to college buildings;

Exempt from the property tax locally a hospital which spends as much as \$1,500,000 a year on care of indigents.

Fourteen amendments on the 1966 general election ballot would:

Add \$200,000,000 more to the water development fund and permit use for conveyance and associated facilities such as canals or pipelines.

Expand court of criminal appeals from three to five members;

Repeal the poll tax.

Allow the state to hold private funds receipt of federal matching grants for private groups to use in rehabilitation services;

Relax residence requirements for voting for president and vice president;

Authorize regional airport authorities;

Abolish residence requirements for service men to vote;

Set swearing-in day for state representatives on first day of a legislative session;

Provide state aid to survivors of firemen and law enforcement officers killed on duty;

Set up a retirement system for state employees and officials;

Remove Arlington State College from the permanent university building fund;

Permit farm land to be assessed only at its agricultural value (despite proximity to big city real estate developments);

Extend terms of conservation and reclamation district directors from two to six years.

Provide that school district boundaries can be changed without invalidating tax bond issues.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

It seems probable now that if there is ever a coat of arms designed for the Great Society, it will be composed of a shield quartered in four fields to depict acres of rotting strawberries, plowed up asparagus, fields of rotting lettuce and unplanted tomato acreage. On each side will be shown a housewife rampant.

This then will fittingly memorialize the hassle created in California agriculture.

C. W. Harder, first by Congress and then accelerated by Labor Secretary Willard Wirtz. Inasmuch as California normally produces 25% of the table food of the nation, the situation furnishes an excellent clinical study.

Bureaucrats toil not, neither do they spin, yet they hesitate not telling others how they shall produce. For many years California agriculture has depended upon trained Mexican farm labor, and many thousands of the Mexicans have been very happy to work in the fields on a guarantee of \$1.25 an hour plus housing, and a piecemeal arrangement which permits them to make from \$25 to \$40 a day.

But due to the pressure of labor leaders and uninformed "do gooders" this labor source was denied this year. Secretary Wirtz, who could have alleviated this situation, took the position that if the growers guaranteed \$1.40 an hour, there was ample domestic help to do the job, so the basic wage

guarantee was raised to \$1.40 an hour, but would not get domestic workers off relief rolls to work.

As a result, millions of pounds of strawberries rotted on the vines, millions of pounds of asparagus were plowed under, lettuce harvests were curtailed, and tomato planting reduced, as no one knows how they will ever get picked.

This means that long before Autumn the American housewife will find she is paying substantially higher prices for many products, even including such common household items as strawberry jam.

The whole sorry episode illustrates how slap happy bureaucrats become when given some power, and it does seem quite absurd to let a labor secretary determine the welfare of the farmer.

When the sour odor of rotting strawberries was wafted into Washington, Secretary Wirtz reversed himself to the extent of permitting 1,500 Mexican workers to come in.

Now comes the particular problem. On many items there will be a shortage, which means higher prices.

Now that everybody with great authority and equally great ignorance has had their fun in experimenting, who makes up the difference in cost to the housewife? Of course, these facts are beyond the consideration of bureaucrats. Any time one of their Great Experiments fails, they just wash their hands and let the public pay the bill.

The number of highway deaths in 1964 soared to 48,000. In addition, according to a survey by The Travelers Insurance Companies, 3,900,000 persons were injured.

The first wagon road through the Alps began in 1338 and led through the Septimer pass.

A study by The Travelers Insurance Companies shows that excessive speed continues to be the Number One killer on American highways. Speed was involved in about 35% of the accidents which killed 48,000 persons in 1964.

A brigade is usually composed of three regiments.

LOVE

"What is so rare as a day in June? Then, if ever, come perfect days. Then Heaven tries the earth to see if it be in tune. And over it softly her warm ear lays

In June we see the fruition of the promise of Spring. Even so, the promise of a man's youth comes to the full flower of manhood, and he knows love, love of his fellow man, love of God, and there is glory in his soul.

What is love? It is the essence of goodness, and the man who gives himself to love consecrates himself to the highest passion that sweeps the human breast. Love has a saving effect. Under its benign influence, the noblest attributes of the human heart find expression.

But love is more than a human passion. Love develops in a man the highest ideals he can know. It leads him to the dedication of his greatest talents. Love is a quickening power, which tends to develop all that is high and noble in a man's life. Therefore, open your heart to love so that you may be more like our God "who so loved the world that he gave his only begotten son to seek and to save that which was lost."

NEW CITY EMPLOYEES — Two recent additions to the City of Slaton staff are pictured here at City Hall. Seated is Gerald Kendrick, recently appointed City Secretary, and standing is Mary Bee Streck, a new office secretary. Kendrick assumed his duties May 24, and Mrs. Streck has been at work several weeks longer. (SLATONITE PHOTO)

A weekly public service feature from the Texas State Department of Health

Accent on Health

J. E. PEAVY, M.D., Commissioner of Health

There are no plants, shrubs or trees on the moon, as far as we know today.

On planet Earth, however, vegetation helps sustain life. But some plants, trees or shrubs are potential killers of man.

Some part of the ornamental plants or flowers in your yard may contain deadly poison. Many poisonous plants are so common and seemingly innocuous you don't suspect their toxic qualities.

Who would suspect that the beautiful oleander bush, grown indoors and outdoors all over the country, contains a deadly heart stimulant, similar to the drug digitalis? So powerful is this poison that a single leaf of an oleander can kill a child. Many people have died merely from eating steaks speared on oleander twigs and roasted over a fire.

The pretty mountain laurel plant was used by the Delaware Indians to make a suicide poison. The popular Christmas flower--the poinsettia--is full of an acrid, burning juice, so lethal that a child who consumes one leaf of the plant might die. The berries of mistletoe proved deadly to adults who brewed what they thought was a "medicinal tea."

It's easy to be deceived by plants. One part may be edible while another is poisonous. For example, twigs of cherry trees release cyanide when eaten. Peach tree leaves contain hydrocyanic acid, one of the most dangerous poisons known.

Even two of our most popular vegetables, the potato and tomato, come from plants related to the deadly nightshade. Although fresh tomato fruits and potato tubers are harmless, the

WILSON NEWS

BY MRS. TED MELLUGN

Our congratulations to David Tucker on being selected to attend Boys State. Lonnie Staben, a graduate of WHS received an American Legion Award, but was unable to attend.

On Monday night, May 31, a farewell party was given in the home of Mr. and Mrs. Sam Catzki, honoring Rev. W.O. Rucker and family and Mr. and Mrs. Doug Duncan and family. Hostesses for the occasion were the Wesley Fellowship Class of the First Methodist Church of Wilson. Rev. Rucker and family have moved to Canyon to serve the community there and Becton and Lakeview after four years at Wilson.

Mr. and Mrs. Doug Duncan have moved to Slaton where he will be assistant coach. A gift of a salad dressing service was presented to the honorees.

VACATION SCHOOL AT ST. JOHN'S LUTHERAN CHURCH Vacation Church School began at St. John's Lutheran Church June 7 and will last until June 18. The time is 8:30 to 11 a.m. each morning. The theme is "I Believe in God".

Classes are being held for ages three to twelve years of age. All young people are warmly invited to attend.

SUMMER SCHOOL FOR SPANISH CHILDREN: June 7 through July 31 is the date set for the summer session that is underway for all Spanish speaking children who will attend school this fall. Classes are from 8 until 11 a.m. each morning at the elementary school.

Several Wilson students are taking summer school at Slaton High School beginning Tuesday, June 1 and lasting eight weeks, under the instruction of Mrs. Nowell.

Drivers education course is being given in the afternoons at Wilson High School, with John Alexander as instructor. Eleven students have enrolled for the drivers course.

LL CONCESSION WORKERS June 15. Frances Hughes, Dorothy Weid, Naomi Peterson.

June 17. Gladys Gieckhorn, Lorene Talkmitt, Ruby Fields, June 29. Willene Schuette, Naomi Moore, Paula Moore.

CONGRATULATIONS to Jerene Weid, daughter of Mr. and Mrs. C.A. Weid, who graduated May 29 from Concordia College in Austin, Miss Weid was placed on the dean's honor list and plans to enroll next fall in Concordia Teachers College in River Forest, Ill.

Edgar Williams underwent surgery in Methodist Hospital in Lubbock Tuesday and is reported doing nicely. J.W. Williams came for a visit with his parents Wednesday from Fayette, Tex.

Visiting with Mr. and Mrs. R.L. Hatchel Monday night was a niece, Mrs. Dick Harrington and daughter, Amanda, from Corpus Christi, Mr. and Mrs. Hatchel visited in Post Sunday night with Mrs. Hatchel's sister and family, Mr. and Mrs. Billy Joe Maburin.

Visiting Tuesday with Lynch and Troy Melugin were cousins Ray and Kaye Hacker of Clovis, N.M.

Mr. and Mrs. David Peterson, Wajiano and Leslie en-

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK---"While there are others who voice approval, cotton merchants are the only ones really advocating a direct compensatory payment plan in cotton legislation."

So reports Donald A. Johnson, executive vice president of Plains Cotton Growers, Inc. He continued that: "If they are successful in getting payments made directly to farmers and a low loan level--or no loan at all as their testimony clearly shows they would prefer--most producers believe they will cut their own throats along with that of the commercial cotton farmer."

Johnson has just returned from House Agriculture Subcommittee hearings on H.R. 8149, the new cotton bill introduced by Senator Harold Cooley of North Carolina. The bill would give cotton producers a choice between a non-course loan at the current level or the market price plus a direct payment and would cut the minimum national cotton acreage allotment from 16 to 14 million acres.

Producer groups are of the opinion that the loan payments choice is merely a "gimmick" whereby they are being wooed to take the first step toward acceptance of direct payments.

In his further analysis of the producer consensus, Johnson said: "Producers feel that direct payments and reduced acreage would be the beginning of the end for commercial production on a profitable basis, and they are unwavering in their opposition to such features in any cotton bill."

Producer groups contend that no law Congress could pass which involved direct payments to farmers would be adequate to prevent severe limitations being placed on the amount of payment any one farmer could receive. This sooner or later would be done from the floor of Congress through the agricultural appropriations bill. Such limitations, they say, would stifle incentive, encourage the inefficient and ruin cotton's chances for lower production costs and greater markets.

"Without a chance to regain markets lost to foreign grown cotton and manmade fibers," Johnson stated, "United States cotton as a textile fiber would be a dead issue."

The philosophy of the Cooley Bill apparently is toward reducing production below consumption. Carried to its logical conclusion this philosophy would snowball cotton down the hill to the bottom of the fiber market. Producer philosophy, on the other hand, calls for a cotton bill designed to increase consumption above production, leading to greater markets and eventually to increased acreage and better profits.

"This was what producers had in mind when they supported the Agricultural Act of 1954 which made cotton available to our domestic mills at a more competitive price," Johnson says. And he pointed out that estimates of the increase in domestic cotton consumption during the 1964-65 marketing year range from 900,000 bales to 1.1 million, with the bill only in effect 10 months.

Asked about merchants and their attitude, Johnson quoted Gerald L. Dearing, well known columnist on cotton.

"The cotton shippers and the enjoyed a visit to Rimrock City, Sunday afternoon.

HOME DEMONSTRATION CLUB MEETS

The Wilson H.D. Club met in the home of Mrs. F.B. Riney Friday, June 4 at 2 p.m. Mrs. Floyd Wilson brought the program with a discussion on "Diseases". Plans were discussed about the annual summer family picnic, but no date was set. Refreshments were served to six members and four visitors, by the hostess. The club meets on the first Friday of each month.

Visiting with Mrs. Katie Nieman Friday was Mrs. John Maeker and her son and family from Lakeview, Mr. and Mrs. Willie Nieman, Sunday, Mrs. Katie Nieman visited with Mrs. Pearl Bruedigam in Wilson.

Visiting last week with Mr. and Mrs. Elbert Gumm and John T. were Bud Garner and son, Rodger Wayne of Causey, N.M. Mr. and Mrs. N.H. Baker of Meadow and Albert Johnson of the Posey Community.

future brokers have been won into an alliance with the Freeman forces in the hope that such a program (direct payments) will bring greater marketing opportunities," Dearing wrote.

Johnson went on to say that merchants claim a low loan level with direct payments would move cotton into the market instead of into the loan. "But," Johnson said, "there are no facts to support this claim. It is gased purely on an assumption, although that assumption is often stated as fact when shippers seek support for direct payments."

Merchants state that the producer's income would be the same under the low loan, direct payments plan they propose; that more cotton would be sold; that less cotton would go into the loan, and therefore the government's cost would be less. Johnson says producers find fault with this statement in two places.

First, they state that limitations would be inevitable under a direct payment program, therefore the producer's income would not be the same. Second, producers cannot see how a low loan, or a high loan for that matter, would affect the amount of cotton going into the loan or being sold to mills.

Johnson says: "A loan of 23 cents plus a direct payment of 6 cents brings a farmer the same per-pound price for a bale of cotton as a 29 cent loan. And by the same old-style arithmetic a 29 cent loan minus 6 cents makes cotton available to the mill at the same per-pound price as a 23 cent loan with the 6 cent difference being paid to the producer."

"It's the dollar-and-cents price, along with other factors, that determines whether cotton is sold or goes into the loan," he states, adding: "There is no particular magic in a direct payment to the producer which would necessarily move cotton into the trade. The trade will not be buying cotton under any system unless that cotton can be sold to consuming mills. And that's why Plains Cotton Growers and other producer groups aren't buying the story that a direct payments program will keep cotton out of the loan."

According to Johnson, neither the House Agriculture Committee nor the Department of Agriculture is totally committed to the Cooley proposal and both remain open to suggestions. With this in mind, the Cotton Producers Legislative Committee, composed of representatives of producer organizations in seven of the top cotton producing states, are continuing to work with the Department.

It is hoped that a proposal can be developed which would be satisfactory to growers and at the same time accomplish the Administration's stated objectives of reducing cost and cotton carryover.

More than 3,800,000 persons sustained injuries in automobile accidents last year. Driver error lack of judgement were responsible for more than 85% of the highway casualties in 1964.

Fog, rain and snow were NOT major causes of highway accidents in 1964 that claimed 48,000 lives. About 90% of the crashes occurred in clear weather on dry roads, according to an authoritative survey just released by The Travelers Insurance Companies.

2 Million Approved for District FM Roads

Highway Commission approved the expenditure of \$2,000,000 for construction of new farm-to-market roads in District Five of the 1965 FM Road Act. It was announced by Engineer Oscar Crain.

for the district is 62.1. Work authorized for this county is part of a 911.2-mile state-wide farm-to-market road-building program for 1965 as approved today by the Texas Highway Commission. The program for 1965 as approved today by the Texas Highway Commission will include 207 individual projects in 153 counties to cost an estimated \$23.5 million.

carriers. It has been estimated that a school bus can operate at least two cents a mile cheaper on a paved FM road than on a dusty or muddy county-maintained road. Through the use of these state rural paved roads mail service is improved and children are transported to school more safely and over greater distances at lower cost.

Lubbock County project for \$160,000, it calls for paving on FM-1729 south to Lubbock. A \$170,000 project is in Lynn County where paving is slated for 3.5 miles east of and going south to FM-

The action brings the total designated FM system to 37,779 miles, of which 35,026 had been built by April 30. Another 773 miles were under construction on that date. The farm-to-market road program is an annual road-building undertaking of the Texas Highway Department as provided by State law. Total cost of the 1965 program is approximately one-half million dollars in excess of the basic statutory requirement of \$23 million.

Traffic on the state's FM roads ranges from a low of 25 vehicles a day to 15,000 to 20,000 vehicles a day. The average is 330 vehicles a day. Use of the modern FM system has taken an odd turn since it originally was conceived and initiated with passage of Senate Bill 287 (the Colson-Briscoe Act) in 1949. The aid at that time was to "get the farmers out of the mud," and enable them to get their produce and livestock to market.

drivers, those under 16 years of age, continue to set worst driving record. They were involved in 48,000 traffic deaths accounting for only 15% of the population.

With addition of the new miles authorized for construction by the Commission today, the designated Texas Highway System now totals 66,518 miles. Of this designated mileage, 3,027 miles represent the Texas portion of the Interstate and Defense Highway system and 25,712 miles are a part of the primary system (U.S.-and State numbered highways). Remaining mileage is farm-to-market roads.

Conversely, as the population movement has been into urban areas in the last decade and a half, city residents now have made "market to farm" roads of the FM routes as they seek week-end pleasure on the lake, in the hill country or at the seashore.

Slaton Student In NSF Program At Texas A&M

COLLEGE STATION----- Doug Williams, son of Mr. and Mrs. W.C. Williams of Slaton, began June 7 a special National Science Foundation summer program at Texas A&M University.

Doug is among the 33 high-ability high school students participating in the Engineering Science program. The participants will be on the A&M campus through July 17. Texas A&M in cooperation with the NSF is conducting special programs in biological sciences, engineering science, geology and mathematics including computer programming.

Among the participants are students from 20 states across the nation from Maine to California. An even 100 of the 130 students involved are from Texas. There are 29 girls among the participants.

Most of the participants will be seniors when high school classes are resumed in September. They were chosen on the basis of scholastic ability, scientific motivation and the completion of specified high school courses in science and mathematics.

The NSF is sponsoring 179 summer science training programs across the nation. Some 7,500 high school students will participate.

Seaman Training At San Diego

Seaman Recruit Donald K. Angerer, USN, son of Mr. and Mrs. Anton J. Angerer of 510 W. Lynn, Slaton, has begun nine weeks of Navy basic training at the U.S. Naval Training Center, San Diego, Calif.

Mr. and Mrs. Carl Rackler, Carlene, Wanda, Judy and Sandra visited Mr. and Mrs. J.B. Rackler recently. They also visited with Mrs. J.F. Rackler. Mr. and Mrs. Lehman Mathis visited Mrs. J.F. Rackler and Mrs. J.B. Rackler recently.

In the first weeks of his naval service he will study military subjects and live and work under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian to sailor he will be taught and supervised by experienced Navy petty officers. They will teach him the basic skills of seamanship as well as survival, military drill and basic subjects. On completion of his recruit training he will be assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires and the needs of the Navy.

SOUTHLAND NEWS

BY MRS. EDMUND WILKE

Hello to all of you, it is good to be back writing for you and about you, after several weeks of silence. I had a wonderful time on the senior trip, but it was cut short for Larry and me due to the death of my stepmother, Mrs. A.B. Dozier. We had been to Six Flags, Vicksburg, Lake Charles and were in Galveston when I got the sad news, so Larry and I came right on home. I would like to say that I have never been out with a nicer group of teenagers than our own Southland seniors. Even though our school is a small one, I think this community can be proud of the training their children are getting from it.

I wonder how many of us parents take the time to thank our teachers, whether it be at Southland or any other school, for all the time and patience they spend with our children? Next time you meet a teacher on the street, in the grocery store, or at church, or wherever, stop, shake hands and say "Thanks, for a job well done!"

J.B. Rackler Jr. went to Midland last week with a group of FFA boys where they attended a meeting. He spent the night and came home the next evening.

Mrs. J.B. Rackler and Beverly, Mr. and Mrs. Lemon Mathis, and Mr. and Mrs. Glenn Mathis and Donna, along with a group of young people from the 21st Street Baptist Church of Slaton, attended the Central Area Baptist Young Peoples' Meeting held at Levelland at the 5th Street Baptist Church. Mrs. Jerry Burnamen and Stevie of Slaton and Mrs. Vivian Burnamen and daughter of Ellobo, Texas, visited with Mrs. Ruby Rackler on Saturday morning.

Mr. and Mrs. Carl Rackler, Carlene, Wanda, Judy and Sandra visited Mr. and Mrs. J.B. Rackler recently. They also visited with Mrs. J.F. Rackler. Mr. and Mrs. Lehman Mathis visited Mrs. J.F. Rackler and Mrs. J.B. Rackler recently.

Mr. and Mrs. Jack Roberts are here from Topeka, Kansas, visiting with Jack's mother, Mrs. Clark Barton. Jack is now out of the Air Force and they may make their home here. We hope so, because this is a nice young couple and they have many friends here. Mrs. Barton is one of those teachers that I talked about earlier that should be given a "great big thank-you!" She taught all three of my children and so many many others. She isn't teaching right now and we have missed her!

We were sorry to hear that Clark Barton was in the hospital. He is at home now and I hope he is feeling much better.

Mrs. Otto Klaus spent from Monday until Saturday in the Methodist Hospital of Lubbock where she underwent foot surgery on Tuesday. We wish for her a speedy recovery. Her visitors on Sunday were Mr. and Mrs. Werner Klaus, Mr. and Mrs. Donald Klaus, Mr. and Mrs. Ben Wilke, Mr. and Mrs. Emil Nieman all of Wilson and Mr. and Mrs. Lee Mason of the Gordon Community.

Recent visitors with Mrs. Nellie Mathis was her granddaughter, Bonnie Lou Mathis, and her friend, Penny Long, from Greeley Colo. Bonnie Lou used to live here with her grandmother and a lot of you probably still remember her. Also visiting were Delroy and Marie Odom and Dee and Sue Rodgers. They all enjoyed a day at Lake Thomas. Bonnie Lou and Marie are sisters.

Mr. and Mrs. Earl Lancaster and Mr. and Mrs. Jack Hargrove spent the weekend in Stephenville recently.

Mrs. Willie Becker and Mrs. Jack Hargrove visited with Mrs. Elsie Limmer in Slaton on Friday afternoon. Weekend guests of Mr. and Mrs. Hargrove were Mrs. Docia Copeland and Mrs. Calvin Copeland and Buddy from Mesquite, Mr. and Mrs. Tom Buchanan from Shallowater, and Mr. and Mrs. Clay Oats from Slaton.

Recent visitors in the W.P. Lester home were: a sister of Mr. Lester's, Mrs. Iva White and granddaughter, Billy and Karen Irvin of Oklahoma City, Mr. and Mrs. L.J. Duff, Denise and Don of Levelland, Mr. and Mrs. Lee T. Lester, Rickey and Sherri of Midland, Mr. and Mrs. Joe Lester, Cindy, David, Carolyn of Amarillo, and the Billy Lester and Winston Lester families of Southland. Also visiting with the Lesters was Mr. and Mrs. B. Sherrrod from Idalou.

Mrs. Opal Pennell accompanied Mr. and Mrs. Arvil Ferguson and Mr. and Mrs. Carl Cedarholm from Post to Wichita Falls where they attended the annual Howard and Gools by Reunion.

Mr. and Mrs. Jerry Pennell from Lubbock stayed with Mrs. Lee Fredrickson while Mrs. Opal Pennell was gone to Wichita Falls.

The W.M.U. of the Southland Baptist Church met on Monday afternoon. The Mission Study Book "Go Home and

Tell" was reviewed by Mrs. Kenneth Davies, Mr. and Mrs. Kenneth Callaway, Mr. and Mrs. F.W. Callaway and Mr. and Mrs. Hurbert Dunn and Dayneen went to Lake Thomas on Sunday and I think that they might spend a few days there. I just wonder if the fishing is good down there. Sure did see a lot of boats going and coming this past weekend.

Sunday visitors in the D.D. Pennell home were Charlie Williams, Richard Marlar and Harvey Louis Pennell. These three boys are Texas Tech students and have enrolled in the summer session at Tech.

Speaking of Texas Tech students, our oldest son Larry also registered for the summer session and spent his first day at class on Friday of last week. He is living at home for the present, but as soon as he gets a part-time job, I guess he will be moving to Lubbock. His mother, namely me, may just move up there with him when he goes, because I just can't quite seem to let go--know what I mean? Other 1965 seniors that have moved to Lubbock are Beverly Stolle and Barbara Mock who are enrolled in Jessie Lee's Beauty School. They live in the same apartment.

Mrs. Opal Pennell and Mrs. Karen Gail Callaway will attend a Tea in Post on Tuesday of this week honoring Miss Susan Cottrell, of Bristol, Virginia, bride-elect of Jimmy Ferguson of Post. Karen Gail is in the house party and the Tea is being given in the Community Room of the First National Bank Building.

A bridal shower was given recently in the home of Mrs. Pat Taylor honoring Miss Margie Harrison, bride-elect of Don H. Pennell.

Mr. and Mrs. R.M. McMinn visited with the Edmund Wilkes on Wednesday night.

Joe E. Basinger and Darrell Wilke enrolled in a Drivers' Ed course in Post on Monday. Delmar Wilke is home from Germany. He has received his discharge from the Army and he and his wife Barbara and daughter Angie will be living in this community until the first of next year. Delmar plans to farm.

Mrs. Arno Albrecht of Corpus Christi has been visiting with Mr. and Mrs. Leo Stolle. Mrs. Albrecht is the mother of Mrs. Stolle.

Miss Carol Stolle is home from T.L.C. for the summer. Also home from Tech for the summer is Jackie Dunn. Southland is on the "Boom" We now have two new houses--Donald Pennell is building one and a Latin American family has moved a new one in here. That makes four new houses that have been put in South-

FHA Girls To World's Fair

A group of FHA girls from Cooper and Frenship will be leaving June 20 for New York City and the World's Fair. They plan to leave at 7 a.m. by bus from Lubbock on the 20th and return July 1.

Planning to make the trip are Betty Yeager, Rosa Allen, Kathy Kuback, Rosanna Kitten, Carol Ann Kinard, Sherly Green, Teresa Foreman, Debra Griffin, Carol Conard,

Sherry Howard, D'Nan Hobgood and Janice Henderson. Others are Susan Reickle, Karel Sage, Janice Turnborn, Sue Burgamy, Linda Hurley, Norma Bush, Gayle McNeely, Nita Perry, Linda Devitt, Linda Clinton, Nadine Halcom, Ann Armstead, Sarah Robinson.

Sponsors are Mrs. Glenda Dreman, Mrs. Idell Stark, Mrs. Charlene Williford, Mrs. Estell Holmes, Mrs. Dorothy Hobgood and daughter, Mrs. Velma McWhirter, Mrs. Iris Kinard, and H.T. Stewart, driver.

Slatonites' Son In Copter School

PFC Kenneth H. Satterlee, whose wife, Carolyn, lives in Sweetwater, completed a 19-week single engine single rotor helicopter repair course at the Army Transportation School, Fort Eustis, Va., May 28.

During the course Satterlee was instructed in the repair of rotary wing aircraft of the reconnaissance type by inspecting, adjusting, removing, and replacing helicopter assemblies and sub-assemblies.

The 21-year-old soldier entered the Army in October 1962 and received basic training at Fort Polk, La.

He is a 1962 graduate of Newman High School. His parents, Mr. and Mrs. Howard K. Satterlee, live at 900S. 10 St., Slaton.

Mrs. Tom McCain left Friday morning by train for Issaquah, Wash. to visit her son and family. Mr. and Mrs. Billy G. Greer and son, She plans to be gone about two weeks

land in the past year or so. For Southland that is pretty good!

I would like to hear from more of you this next week, so why don't you give me a call at 996-2423 and give me your news. Don't call me in the morning this week and next week, because our Daily Vacation Bible School has started and I will be gone in the mornings.

THANKS, SLATON, FOR HELPING US WIN FORD'S TOTAL PERFORMANCE AWARD!

Our dealership proudly announces that through the offering of Total Performance cars and the rendering of superior services, we have earned Ford's Total Performance Award. Receiving this coveted award for total performance in new car sales means that you can be a winner, too—in total savings and total satisfaction. Please stop by. Learn about Total Performance firsthand, and why it's the best year yet to get a Ford from us!

Cuba Circle Is Host To WSCS

The Woman's Society of Christian Service of the First Methodist Church met Monday in Fellowship Hall for a general meeting with the Cuba Circle as hostess.

Mrs. S.H. Jaynes opened the meeting with prayer. Mrs. M.M. Schlueter led the program based on children's work in Bible School that was held May 31 to June 4.

Mrs. Charlie Smith reported on Kindergarten work, she was assisted by Elizabeth Farley and Judy Chastain.

Mrs. F.A. Wheeler reported on first grade work, she was assisted by Jenny Wheeler, Teresa Wright and David Smith.

Mrs. Neal Chastain reported for the second grade; she was assisted by Carter Lankford, Ann Webb, Mike Van Meter and Amanda Wheeler.

Mrs. O.E. Lankford reported on work by the third and fourth grades. Assisting her were Burce Hall, Tommie Lankford and Charles Smith.

Mrs. R.C. Hall Jr. led the report from the fifth and six grades. Dick Galassini, Stan Jaynes, Roby Hartman, Stanley Miles, Melissa Hallman, Cindy McWilliams, Marlene Pierce and Julie Ann Cowdry, assisted Mrs. Hall.

Mrs. Hall and Mrs. A.R. Pierce received the W.S.C.S. Life Memberships and pins for outstanding work.

Mrs. S.H. Jaynes gave the devotion and dismissed the group with prayer.

Next meeting of W.S.C.S. will be July 12 at 9:30 a.m. in Fellowship Hall.

Slaton Women In Luncheon Class

Two staff members of the St. Joseph School Cafeteria are attending the School Luncheon Workshop at Texas Tech this week. Classes began Monday and continue through Friday.

Mrs. Betty Hlavaty is attending the Manager and Supervisor Division, and Mrs. Allen Meurer is attending the Cooks and Helpers Division.

An entirely new program was planned for this year, with the first general assembly in the Student Union Ballroom at 9:45 a.m. last Friday.

Certificates will be awarded at the end of the session tomorrow at 1 p.m. to those who attended the entire program.

WCSA Meets In Byrum Home

The Cooper Women's Society of Christian Service met in the home of Mrs. Lowell Byrum. Mrs. J.C. Robinson presided over the meeting. Mrs. Raymond Wilke gave the invocation. The worship was given by Mrs. Johnny Williams.

The program "Hearing God Speak Through the Bible" was presented by Mrs. H.C. Burkett.

The members gave the benediction in union. Refreshments were served to the 13 members present.

Relative Dies At San Angelo

Mrs. Elsie Saunders of San Angelo died in a San Angelo hospital early Sunday morning from cancer after a lengthy illness.

Mrs. Saunders was the sister of Mrs. Marcie Bownds and a step-sister to Truly Bownds, both of Slaton.

Several relatives from Slaton attended funeral services Tuesday at 2 p.m. in San Angelo.

Rites Held For W. H. Story, 72

Willie Hardman Story, 72, 120 W. Murphy, a Slaton resident 23 years, died at noon Monday in Big Spring.

Funeral services were held at 2:30 p.m. yesterday in Williams Funeral Home Chapel. Burial was in Englewood Cemetery, with Rev. V.O. Love, formerly of Slaton, presiding.

Survivors include the wife; one step-son, Jim Hill of Denver, Colo.; two grandchildren; one sister, Miss Sally Heff, Honeyblow, Tex.; and one half-brother, C.M. Taylor, Merce, Calif.

Alvin Lynn Gary was here last Wednesday from Wayland College visiting his grandparents.

Mr. and Mrs. Earl Morris, Alvin left Monday for Montana where he will preach and work with you in Baptist churches. He will return around September 1 and resume his work at Wayland, where is a ministerial student. His parents, Rev. and Mrs. J.L. Gary, live in Lubbock.

George Washington, only president of the U.S. who never lived in the White House, laid the cornerstone for the building on October 13, 1792.

MAYCROWNING CEREMONIES — The Slaton Catholic Youth Organization conducted its annual Maycrowning ceremonies recently at St. Joseph's Catholic Church and the queen and her court are pictured above. The queen is Jeanette Bednarz; escorts: Kenny Kitten and Wayne Bednarz; attendants: Sharon Wimmer, Lynette

Kuss, Jeanette Brosch, and Shirley Ehler; flower girls: Rebekah Verkamp, Debbie Heinrich, and Loretta Wolf; train bearers: Stanley Kitten and Jay Wimmer; and, flag bearers: David Ehler and David Kahlich. A reception and dance held at the Catholic Hall followed the crowning ceremonies.

"OLD FRIENDS"

BY DOROTHY JONES

It is only a short time until our ex-students reunion—July 3. The place this year—Slaton High School—and people may start registering before 10 a.m.

The meal will be served at noon by a local ex-student and the speech & meeting will be in the high school auditorium. There is still a little work to be done by local exes—you may help by attending a meeting Sunday June 13 at 2:30 p.m. in the committee room of the Slaton Savings & Loan Building.

Our organization is a large one, and covers all 50 states. We can make it even bigger with your help. Early next week tickets for the meal will be on sale all over town—\$2 for adults and \$1.25 for children.

We are expecting the largest crowd we have ever had to attend one of our reunions.

Some of the exes having already sent money for their tickets are—Royce Pember from Portales, N.M.; Fay Hampton Lowder (class of 1925) from Wichita Falls; Bob and Maurine Stewart from Riverside, Calif.; Travis Campbell (class of 1931) from Dimmitt, Virginia Montague (class of 1925) from Dallas; Dr's Herbert and Sam McMennany from Amarillo; Nick Montague (class of 1933) from Commerce; Bobbie Embry from Abernathy.

Had a note from the Ray Darwins in Albuquerque, N.M. They can not come this year but wish everyone well. Dr. H.A. Taite (class of 1922) is at present with the U.S. Navy and unable to attend this year.

Oran McWilliams who operates McWilliams ready-to-wear had kindly agreed to let us use his show window to display some pictures of exes as they were. If you have some pictures of your class mates

that others would enjoy seeing please contact Bill Klattenhoff or yours truly and we will take very good care of them. We wish to get the pictures on display by the middle of next week. Also, the Slatonite is interested in using some of the era we are celebrating.

Frank Weathered and wife former Frances Sikes (both of class 1943) are in Slaton this week. Their home is in Brownsville.

Mary Ann Cudd Maycumber (class of 1948) and children are presently visiting in Slaton. Mary Ann's husband, Bill, is a commercial air pilot out of Chicago. They live in Elgin, Ill. Jo Ann Sikes Voigt (class of 1948) is here this week from Bishop.

Ann Voigt (class of 1945) is Mrs. Bill Grater. At present Ann and her husband Dr. Grater are on a tour of several countries. They will be in England, France, Denmark and Russia. Ann's home is Dallas.

Term Insurance

The name "term insurance" stems from the fact that such policies are written to cover only a certain number of years. Policies that pay a home mortgage in case of death of the wage-earner are examples of term insurance. Unlike so-called straight life policies, term insurance stops at the end of the contract.

Be Safe

An important rule to follow when handling gasoline or kerosene is to keep them away from flame or heat, and enforce a non-smoking rule. Always refuel equipment out-of-doors so that dangerous vapors won't accumulate. If you've spilled any fuel on an engine, make sure it's wiped off before you start.

Read the Label

Be sure to read the manufacturer's label to be sure the paint you select is right for the surface you wish to cover. Then apply according to directions. The U.S. coatings industry makes a wide variety of products designed for specific surfaces and application techniques vary.

Saunders Rites Held Sunday

Funeral services for J.D. Saunders, 58, of El Paso, a former resident of Slaton, were held at 2 p.m. Sunday at First Christian Church here.

Officiating was the Rev. John Floyd, pastor, and assisting was the Rev. Joe Vernon, pastor of the First Baptist Church of Post.

Burial was in Englewood Cemetery under direction of Hudman Funeral Home of Post.

Survivors include his wife; three daughters, Mrs. Dale Cravey of Post, Mrs. Jimmy Lee of El Paso and Miss Beverly Saunders of Pasadena, Tex.; three sons, Jakey Don, Jackey and Danny, all of Arlington, Tex.; one brother, Sam Saunders of Marietta, Okla.; four sisters, Mrs. Claude Spence of Slaton, Mrs. Mary Lee Feece of Washington, D.C. and Mrs. Jim Stewart of El Paso, Mrs. F.D. Smith of Slaton and six grandchildren.

Pallbearers were his nephews.

Peace Corps Test June 12

An opportunity for Slaton area residents to test their aptitudes for Peace Corps service will come at 9 a.m., Saturday, June 12, at the Lubbock Post Office building, Room 16-A.

The opportunity is the Peace Corps Placement Test, which is not passed or failed and you can't study for it. It measures general aptitude and the ability to learn a language. If, for example, test scores indicate limited language acquiring ability, the Peace Corps tries to place the applicant in an English speaking area.

The test is used by the Peace Corps only as a tool in the matching of Volunteers and jobs. The Peace Corps application is the most important indicator of suitability for Peace Corps service. It must be filled out and brought to the exam unless previously submitted.

Applicants should plan on a bout one and a half hour at the testing center, unless they wish to take the Spanish or French language achievement test, which requires an additional hour.

Attend Church This Sunday

Doing Good

"But be doers of the word, and not hearers only, deceiving yourselves." — James 1-22

Read your BIBLE daily and GO TO CHURCH SUNDAY

The man who calls himself a Christian because he hears the word of God each Sunday is mis-guided. It is not enough to say, "I hear and I believe." The word of God — and the message of Christianity — do not require our stamp of approval. A nod of the head means nothing.

If we are true Christians, then we look to the word of God, and to the principles of Christianity, for guide lines to dictate our actions and our reactions to everyday living. We are, as Christians, not only believers in "good", but doers of "good". We recognize those times when mere approval or agreement is not sufficient and Christian principle demands that something be said, or that something be done.

We are doers, not merely believers.

FREE AIR At Martindale's

The auto salesman's 5-year-old son was crying bitterly and when asked why, replied, "Well, I heard Momma and Daddy talking about getting a new baby...and I don't want to get traded in."

Isn't it odd that men are rarely asked how they manage to combine marriage with a career?

A hamburger by any other name cost a lot more.

The oldtimer remembers when the housewife had to haul the wash water from the well-- but she didn't have to sit up nights figuring out how to meet the payments on the bucket.

"I'd like to see the captain of the ship," asked the girl.

"He's forward," replied the sailor.

"That's all right. This is a pleasure trip."

Posey News

MRS. ANNA B. GENTRY

I want to say I am very sorry The Posey news didn't get in the Slatonite last week. Being a holiday, no mail ran, I had no way to get it to the office. Then, too, no one called in any news, I couldn't get many over the phone either. Guess everyone was busy observing Memorial day, too. So folks if you miss the Posey news you know what to do now. I heard several complaints about it not being printed.

Mrs. Ben Gebert lost her two room Labor house Friday night. She had a colored couple living in it. They had some visitors, another couple and two children visiting, the child ren got up near 11 p.m. and went in another room and somehow got a fire started, the older folks were asleep, and narrowly escaped the fire. One woman was rushed to the hospital with severe burns. The house burned to the ground.

A young rattler was found on the highway in front of my home. Someone had run over it in passing. That gave us all a scare, so I hired a man to cut my grass and weeds and lost about two hundred gallons of butane. The man broke a gas pipe with the mower and didn't tell me, so when I started to fix my breakfast my stove wouldn't light so we never knew when we are safe.

S.M.S. Linus Moeller, his wife and two sons arrived last Saturday from Fairbanks, Alaska and have been with his parents, the Joe Moellers all the week. Mrs. Moeller, her son's family, along with her sister Rose Maeker and husband another sister Marie Schuette and husband visited Mrs. Julian

Stahl Heddie and Fabian Sunday night. Mr. and Mrs. Moeller and boys plan to visit Six Flags Over Texas, then go on to Austin to see her sister and family. They have made arrangements to move to Omaha, Nebraska where he will be close to his base, by the 28th of this month. They also will spend some time with her parents and other relatives before they get settled. Her parents live somewhere in Tennessee.

Visitors in the Stahl home recently were Dr. and Mrs. Roy German and daughter, Janice from Corpus Christi, Also Mr. and Mrs. Van McKee from O'Donnell, Texas.

Mrs. Ben Gebert had her daughter, Mrs. Jimmy Martin, at her home over the weekend. Mr. Martin left to go on a fishing trip with some friends Mrs. Martin, her daughter and Mrs. Gebert visited Mrs. Linda Foster at Buffalo Lakes, also Mr. and Mrs. Hedding and two daughters were at the Fosters. They are from San Angelo, on their way to Colorado. Mrs. Ben Gebert and her daughter and granddaughter spent Sunday in Floydada with Mrs. Gebert's brother and family.

Mr. and Mrs. M.P. Gentry visited the N.R. Boyces in their new home in Lubbock. They moved to Lubbock from Slaton recently.

S.M.S. and Mrs. Linus Stahl and boys spent Friday night and Saturday night with his brother and family Bennie Moeller of Slaton during the week end, then Mrs. Moeller prepared dinner for her sons and families Sunday.

Mr. and Mrs. Roy Poage had as their guest this week his nieces Gaye and Linda Evans

from Quantico, Virginia, they had moved from Corpus Christi recently, and said they were so glad to be back in Texas again.

Mr. and Mrs. T.A. Johnson have made several trips to the West Texas Hospital to visit Horace Rodgers, he has been very ill but is convalescing at home at present. Mrs. Johnson is a sister to Mrs. Rodgers. The Rodgers lived in the Posey community several years ago.

I had four of my grandchildren spend Wednesday night with me, Michael Karon from Lubbock, Tessie Debbie and Laurie Jo Gentry came out to keep us company. We had a real nice time playing dominoes and it's nice to be a grandmother, believe me. My daughter, Mrs. Bill Karon was here Wednesday, too. Then on Sunday my brother and wife, Mr. and Mrs. G.R. Johnson, from Lubbock, Mrs. Virgie Shafer from Slaton, my son Charles Gentry and family from Lubbock, a daughter Mrs. Lorens Mangum from Slaton, Mrs. T.A. Johnson visited earlier this week.

We received almost an inch of rain a week ago, the rains have been falling so nice with no hail, I just hope everyone gets rain before it's too late to plant cotton. My brother says its dry at Ropesville where he has a farm.

I think I can speak for all the Posey folks that we regret to hear of the awful tornado at Hale Center and Cotton Center. We should be very grateful that we have had rain and nice crops growing. Sometimes we take so much for granted.

Mr. and Mrs. M.P. Gentry visited her sister and nieces in Morton and they reported that they had received a good rain. It was their first rain this year.

Remember to call me VA8-3041.

Pembers Attend Rotary Meet In Atlantic City

In Atlantic City for the 56th annual convention of Rotary International world-wide service organization, were Mr. and Mrs. Bruce Pember of Slaton.

They arrived May 29 for the convention and left last Thursday for Jacksonville, Florida where they visited their daughter and her family Lt. and Mrs. J.W. Adams. They are due back in Slaton this weekend.

The Rotary convention, which began May 30 and ended June 3, brought to Atlantic City 12,000 Rotarians and members of their families from more than 75 countries in all parts of the world.

Adlai Stevenson, U.S. ambassador to the UN, addressed the Rotary convention audience. Other speakers included the Venerable Martin Sullivan, Arch deacon of London, and Count Coudenhove-Kalergi, president of the Paneuropa -Union. Rotarians and guests also heard the outgoing president of Rotary International, Charles W. Pettengill of Greenwich, Conn.

In the House of Friendship, a traditional feature of Rotary conventions, Mr. and Mrs. Pember relaxed between convention sessions and talked with other Rotarians and their families from Japan, Mexico, Sweden and the U.S.

Pember is a member of the Rotary Club of Slaton and a past district governor, he is attending his ninth Rotary convention. "It's a real experience in international relations," he reports, "to be gathered here with so many people from different lands and to learn about them and their homes."

How Long Did It Take You To Court Your Wife?

Did you happen to see her . . . walk up to her . . . ask her to marry you . . . call in the minister . . . right on the spot?

Certainly Not

It probably took a lot of calls and trips, movies, flowers, candies, and a lot of putting your-best-foot-forward tactics. You had to sell yourself. She had to know all about you.

It's the Same with Advertising

You can't "woo" customers with one ad . . . you've got to "call on them" over a period of time . . . you've got to win their confidence and be convincing.

Constant Advertising

. . . wins the customer if it's truthful . . . if it gives helpful information . . . if it saves shopping steps . . . if it is backed with intelligent, courteous and honest values.

Woo your customers steadily, consistently through the columns of The
