

School Tax To Be Hiked

A tax increase of 20 cents per \$100 valuation was approved by trustees of the Slaton Independent School District Monday, raising the tax from \$1.65 to \$1.85.

In announcing the action, Supt. Lee Vardy said the purpose of the increase "is to make it possible for the Slaton Schools to offer the type of program that should be available for the pupils in this district."

The 12 percent increase in taxes is expected to provide \$15 more expenditure per pupil. Dr. Vardy pointed out that Slaton's per-pupil expense is still \$35 to \$85 less than most schools of comparable size on the South Plains.

The tax hike will be effective with payment of 1965 taxes toward the end of the year. It is the first school tax hike since 1958. As an example of the increase, Dr. Vardy said a person now paying \$50 in school taxes will be asked to pay \$56 for the 1965-66 term.

The anticipated assessed valuation for 1965-66 is \$12 million. The school districts assesses on about a 33 percent of actual value ratio.

Dr. Vardy said the board's study revealed that the State now demands \$41,000 more in expenditures from the local district than it did in 1958. The amount required is determined by a formula passed by the Texas Legislature in connection with the Minimum Foundation School Program.

A school must meet the requirement outlined by the state to be eligible for funds from this program. Slaton schools receive \$275,000 financing from the program. Local school enrollment has increased 385 since 1959, to an all-time high of 2,046 students during the past school year.

Projected enrollment in 1970 is set at 2,430—an increase of 384 students. The increased enrollment has been slow and steady here, and Dr. Vardy feels that this type of growth will be maintained.

Trustees had found, in a survey, that Slaton was spending less per student than any school in the South Plains. The difference varied from \$50 to \$100, except one case where the difference was just \$19.

Firemen Battle Theater Blaze

All three units of the Slaton Volunteer Fire Department were called to extinguish a stubborn blaze in the Caprock Theatre drive-in screen Saturday night.

Firemen battled the fire and rolled hose for about 4 hours, and city police were kept busy directing traffic around the hose and equipment.

The blaze was reported about 10 p.m. Saturday. Manager James Little estimated damage to the huge screen at \$1,500 to \$2,000. He expressed his appreciation to the firemen for a "job well done".

One other fire was on the report this week—a car fire on the United Supermarket lot June 9. The car belonged to C.L. Cowan, supermarket manager.

Slaton Merchants To Offer Weekend Trips To Rockies

Registration will begin Friday in 10 Slaton stores and firms for the first of 10 weekend trips to the Rocky Mountains that will be given away to lucky families in the Slaton trade area.

There is nothing to buy, no jingles to write, and you need not be present to win. Simply register each week, or as many times as you visit the stores, and you could be one of the 10 lucky winners!

Preliminary winners will be picked from each of the 10 participating firms each Tuesday for the next 10 weeks, and one of these 10 names will be drawn each Friday as the "Weekend in the Rockies" winner. The names of the preliminary winners will be included in each merchant's ad in The Slatonite each week.

The contest rules are simple:

The winner will receive a free weekend at a top hotel, motel or resort with all room expenses and meals furnished free of cost to the family (limit is five to a family), winning family will provide own transportation to and from; enter at stores as you wish, no purchase necessary; winner must be 21 years of age and must reside in trade area.

A list of motels and resorts available will be shown winners, and they may pick the general area they wish to go. A certificate will be presented for two days and two nights lodging. Winners may pick weekend of their choice, giving 10 days notice so that reservations can be made.

Participating merchants and their employees are not eligible to win their own contest, but may register at other participating firms.

City Going Ahead On Paving

Self Resigns Ward 1 Post

Ward 1 Commissioner Clark Self Jr. has resigned his post, and a special election has been called for July 12 to pick a successor. It was announced following the regular city commission meeting Monday night.

Self submitted a letter of resignation to the commission Monday night, stating that due to the increasing amount of time required to perform the duties he found that he was unable to serve.

Self was elected to his first regular term as Ward 1 commissioner last April, after he won a special election to fill out the unexpired term of Truett Bownds. That special election was held in July, 1964, with Self edging R.M. McMinn for the post. Bownds had resigned in June.

Mayor Jonas Cain read Self's letter of resignation at the meeting Monday night, and the council accepted the statement. Candidates in the special election for Ward 1 must file by June 25 at 5 p.m. in the city secretary's office. Absentee voting is set to begin June 28.

To be eligible for the commission post, candidates must have resided in Slaton two years, be a property taxpayer, and have a poll tax receipt or be exempt.

Self, in his letter of resignation, stated: "Due to the increasing amount of time required to perform the duties of a City (See SELF, Page 5)

Crop Prospects Appear Bright

Sultry weather signaled the coming of hot summer days in the Slaton area this week, after a general rainfall of about 1 inch added beneficial moisture to the soil last Friday.

Most agricultural observers say the crops in the area are looking "real good" following good rainfall in May and June. Crop prospects are much brighter than this time last year, when some farmers had planted several times and still didn't have a stand of cotton.

Temperatures were still shy of the 100-degree mark here this past week. High was 93 on Sunday, and low was 54 following last Friday's rain.

MYF Bake Sale Set Saturday

Make your plans now to purchase a homemade cake Saturday from the Methodist Youth Fellowship. The group will be selling cakes at Teague's Drug and Anthony's as long as they last.

If you would like to place an order for one, you do so by calling the First Methodist Church at 4284 or Mrs. Dick Hartman at 5285.

Also, if you would like help with your housework and yardwork, call Marsha Holloman at 3564, David Edwards at 4467 or Gary Johnson at 4284.

Joining with The Slatonite in presenting the "Weekend in the Rockies" contest are Bryant Farm Supply, Webb's White's Auto Store, Montgomery-Snell Implement, C. R. Anthony Co., Slaton Motor Co., Higginbotham-Bartlett Co., Teague Drug, and Slaton Implement.

After the drawing of preliminary winners each week, the merchant's registration will begin anew for the next winner of a free weekend in the Rocky Mountain area. The same routine will be followed in each week for 10 weeks, until 10 families in the Slaton trade area are named winners.

CLARK SELF JR.

IRRIGATION RATE OFFERED AS NEW WELLS 'TIED IN'

There was good news on the water front this week.

A summer irrigation rate for residential water users was approved by Slaton City Commission during a regular meeting Monday night, and the city reported its two new wells southwest of town would probably be tied into the system by the end of the week.

The irrigation rate will benefit only those residents who use more than 15,000 gallons per month—serving as a boost to those who desire to keep pretty yards.

The special rate went into effect Tuesday and continues to Sept. 15. When usage goes above 15,000 gallons, the rate will be decreased by 10 to 20 cents per thousand. Present rate is 50 cents per thousand for 10,000 to 20,000 gallons, and 40 cents above the 20,000 mark.

City Administrator Wayne Baker told the commission that water revenue was below that of a year ago, and it was impossible to determine how the lowering of rates would affect revenue. It is hoped residents will use more water so that income will rise enough to take care of a slight increase in costs.

Baker reported Wednesday morning that the new pipe line from city wells several miles southwest of town were completed. Well pumps were to be set this week and water may be flowing into town from the new well field by the end of the week.

The administrator invited all city officials to attend a meeting of the Permian Basin Water-Sewer Assn., which was held here Tuesday night in the junior high cafeteria.

With the mayor and just two commissioners carrying the ball, Slaton City Commission took action on some vital municipal business during a regular meeting Monday night at City Hall.

Action included extension of the 1965 paving program to include a 10-block stretch on Geneva street, adoption of a summer irrigation water rate for residential users, acceptance of the resignation of Ward 1 Commissioner Clark Self, Jr., purchase of a new city vehicle, vote to advertise for bids on a tract of city land, study of all new mercury vapor street lights, and discussion of the street repair program.

The commission also approved the mayor's appointment of

Dr. Glenn B. Payne as city health officer and approved monthly bills. Dr. Payne replaces Dr. John Ellis, who recently moved to Lubbock.

The paving approval for Geneva, from 4th street to Flint, was okayed after considerable discussion. The go-ahead took in practically all the paving program as originally outlined, approximately 80 blocks at a total cost of some \$201,223.

If the 10 blocks on Geneva had been omitted, the cost would have been reduced by some \$8,000. Commissioners decided the importance of the street based on traffic and drainage overshadowed the problem of collecting for paving over a long period.

Another factor in the discussion was the available money for street repairs. Bennett Reeves, city consultant engineer, had outlined 137 blocks for repairs, with 54 blocks tabbed for priority. Entire street repair program was estimated at \$35,000 and the 54-block portion at \$21,800.

Before the Geneva paving was approved, Mayor Jonas Cain reported that the school administration was hopeful the street would be included. The mayor also added that he thought it would be a wise investment.

Commissioner Robert Banks Jr. also spoke for the inclusion of the street, saying it would be "an asset to the entire community." Commissioner Earl Reasoner moved to include the 10 blocks, and Banks seconded the motion.

The commission accepted the low bid of Slaton Motor Co. for a new car to be used by the city administrator. Cost was \$2,195 for the new Ford, including trade-in of a 1960 Chevrolet owned by the city. Crow Chevrolet, the only other bidder, submitted a bid of \$2,328.62.

Carroll McDonald, new Southwestern Public Service manager here, and Doug Galassini, now SWPS manager in Lubbock, appeared at the meeting to discuss a proposal of installing mercury vapor lights throughout the city.

Under the plan, all incandescent lights would be replaced with the new mercury vapor lamps. The city has 124 small incandescent lights and 66 larger ones. The city presently has 252 lights, and the proposal would put 276 mercury vapor lights in town with more than twice the illumination.

McDonald proposed that 9th street be brightly illuminated under the system, with strong mercury vapors being added all along the street from Bruce's to the US-84 bypass. The city's light bill would be increased from about \$469 a month to \$718.

Commissioners took the proposal under consideration and, with an eye on the budget, will probably discuss the program again at the next regular meeting.

McDonald pointed out that SWPS's installation costs would be approximately \$42,000. "City lighting is about a break-even proposition with the company," he stated, adding that "we feel it is our obligation to help provide adequate lighting for our

MRS. GREGG EDWARD NOWLIN
(.....nee Elise Guinn Edwards)

Edwards-Nowlin Wedding Vows Pledged In Methodist Church

Miss Elise Guinn Edwards and Gregg Edward Nowlin were wed at 4 p.m. Saturday in the First Methodist Church, with the Rev. David Binkley reading the double ring vows.

The bride is the daughter of Mrs. Jean Guinn Edwards and Jack W. Edwards of Midland. Nowlin is the son of Mr. and Mrs. M. Jack Nowlin. Grandparents of the couple are Mrs. R. C. Standefer, Mrs. C. C. Wicker and Mr. and Mrs. Earl Edwards of Seagraves.

Given in marriage by her father, the bride wore a gown of white silk organza, styled with a portrait neckline. A sculptured band of embroidered roses encircled the waist and the skirt. The wattle train was bordered with identical rose motifs. A veil of silk illusion fell from her bridal coil of lace. She carried a bouquet of Cattalia orchids with cascading phalaenopsis orchids, and stephanotis.

Maid of honor was Miss Betty McSween of Lubbock. Bridesmaids were Misses McCullough, Beverly Girdley, and Paulette Mann, all of Midland. Susie Ebeling of Cotton Center, Vicki Nowlin, sister of the groom and Carol Todd, Mary Frances Browning was junior bridesmaid.

The attendants wore floor-length dresses of yellow silk organza. They were fashioned with scoop necklines, fitted bodices, and softly belted skirts.

Nowlins Host Nuptial Party

Members of the wedding party of Miss Elise Guinn Edwards and Gregg Edward Nowlin were honored at a rehearsal dinner Friday night at the Johnson House, Lubbock.

Mr. and Mrs. Jack Nowlin, parents of the bridegroom, were hosts to the thirty-one guests. Floral decorations of daisies were used.

Special guests were Mrs. Jean Guinn Edwards, mother of the bride; Forrest Edwards, her brother; Rev. and Mrs. David Binkley, Mr. and Mrs. M. G. Davis, Mr. and Mrs. Earl Reasoner, Mr. and Mrs. Ronney Jones, Mr. and Mrs. Joe Wicker, Jr. of Lubbock, and Wicker Nowlin.

Their matching headpieces were tailored organza bows, and they carried bouquets of white marguerite daisies.

Best man was David Cross of Travis Air Force Base, Calif. Ushers were Joe Wicker, Jr., Lubbock; and Ronney Jones, Don Caldwell, Bill Davies, Larry Smith, and Bobby Joe Harlan. Mrs. M. G. Davis, soloist and Mrs. David Binkley, organist, presented wedding music.

The church altar was centered with a pyramid arrangement of white and yellow majestic daisies, and was flanked with arrangements of white ruffled gladioli blooms. The bride's aisle was marked with lilies of the valley and white pecco satin garlands. The aisle cloth was laid by Forrest Edwards, brother of the bride, and Wicker Nowlin, brother of the groom.

A reception in Slaton Club House followed the ceremony. The bride's cloth of organza and linen was centered with silver candelabra garlanded with Mystery gardenias, stephanotis and white cathedral tapers. Her cake was decorated with Golden Harvest roses and lilies of the valley in a French bouquet. It was encircled with garlands of gardenias and stephanotis.

The groom's cloth of yellow linen was centered with a brass

epergne holding rust tapers and rust and gold harvest chrysanthemums. The groom's cake was served from a silver tray; and yellow tulle rice bags were passed. Mrs. W. T. Davis, M. J. McSween, Cecil Scott, and V. G. Browning, served punch and cake. Miss Lynn Swanner registered guests.

For travel to the Bahamas, Mrs. Nowlin wore a yellow cotton lace suit with yellow accessories and an orchid corsage.

The couple will reside at 1105 W. Lubbock St.

Mr. and Mrs. Nowlin are graduates of Slaton High School. Mrs. Nowlin attended Texas Tech and Nowlin is a junior at Tech majoring in agricultural economics.

St. Joseph's Scene Of Double-Ring Ceremony

Miss Doris Jean Lamb repeated wedding vows with Richard Brinton Clayton in a double ring ceremony at 11 a.m. Saturday in St. Joseph's Catholic Church. The Rev. Msgr. Morsch, pastor of the church, was officiant.

Parents of the bride are Mr. and Mrs. Robert Anderson Lamb of Wilson, and the bridegroom is the son of Mr. and Mrs. George B. Clayton of Fort Worth.

Given in marriage by her father, the bride wore a formal gown of white bridal satin. The fitted bodice featured a Florentine neckline and long tapered sleeves. Re-embroidered peau d'ange lace accented the bodice waistline and the front of the full skirt. Overlapping side pleats gave

fullness to the chapel length train which was topped by a Parisian bow at the waistline.

The bride's veil of silk illusion fell from a jewel trimmed satin bow. She carried a white orchid surrounded by white roses.

Miss Carol Lamb was her sister's maid of honor. Her bridesmaids in Lubbock. Her floor-length dress was made of blue satin. A double bias fold encircled the waistline. A bow in the back was featured above the floating panel. She wore a crushed poll-box of matching satin and carried a cascade arrangement of white pompons.

Max Gillaspay of Fort Worth was best man. Don Meador of Houston and Lonnie Wheeler of Brownfield were ushers.

Glen and Kenneth Gillaspay of Fort Worth lighted candles. Joe Dale Francis of Silverton was organist.

After a reception in the St. Joseph's Catholic Hall, the couple left for a wedding trip to Albuquerque, N.M. The bride

Hagermans Observe 50th Anniversary

On a Wednesday, June 16, 1915, at 5 p.m. Mr. and Mrs. L.B. Hagerman repeated wedding vows in the court house at Aava, Okla. Yesterday they celebrated their 50th Golden Wedding Anniversary.

To help them celebrate the event, Mr. and Mrs. R.H. Todd Sr., who have been their friends

MR. AND MRS. L. B. HAGERMAN

for some 45 years, are taking them out for lunch.

At the time the Hagermans were married, she was residing in Waynoka, Okla. where they had previously met, and he was living at Wellington, Kansas, working for the railroad.

Mr. Hagerman went to work for Santa Fe Railway on Aug. 1, 1911 and worked for the railroad 46 years. He said he never missed receiving a month's check during the 46 years. He retired Sept. 1, 1957. They since have spent a lot of time traveling, and reminiscing over having a wonderful, full life together.

The Hagermans raised one son, but he died when he was 19 years old.

The couple has lived in three states since their marriage, Oklahoma, Kansas, and Texas, and said when they came to Slaton, they had no idea they would stay this long. They moved to Slaton Sept. 1, 1920.

Mrs. Ettie Mathis, previous owner of Slaton Dress Shop, returned to Slaton Monday from a visit in Wichita Falls. Accompanying her back to Slaton was her daughter and granddaughter, Mrs. Douglas Edwards and Jan. Mrs. Mathis moved to Wichita Falls Tuesday. She will make her home at 2503 Amberst St.

Mr. and Mrs. J.H. Trussell and Tommy attended the homecoming at Fluvanna Saturday.

Sherry Workman Becomes Bride Of Billy Meurer Here Saturday

Wedding vows were solemnized Saturday in St. Joseph's Catholic Church for Miss Sherry Workman and Billy Allen Meurer. Officiating the double ring ceremony was the Msgr. Peter Morsch, pastor.

Parents of the bride are Mr. and Mrs. Norris S. Workman, Rt. 3, Post, and the bridegroom is the son of Mr. and Mrs. Allen L. Meurer Rt. 2, Slaton.

The bride was presented in

el. In addition, the group has collected 300 pocket book editions for the patients there.

It was requested by the president that any member who would like to send hand-made articles to the Cancer Booth at the state convention should turn them in to the delegates before June 24. She also announced that there will be a salad supper on July 18, at which time the Slaton Post will be host to the first District Council meeting for the coming year.

At the close of the meeting, Bo Becker, out-going commander of the VFW, spoke briefly to the auxiliary, thanking them for their help and the work they had done toward community service.

Refreshments were served to VFW members and the auxiliary by the latter.

marriage by her father. She wore a gown of white silk organza, styled with a V-neckline and trimmed in tiny pearls. The bodice was covered with white chantilly lace, and the sleeves were also of lace. Small lace flowers were embossed on the skirt that formed into a small train. Her bridal coil of lace held a veil of silk illusion. A tiara made of pearls, with a single drop pearl, featured the headpiece.

To carry out the old tradition of wearing something blue, the bride wore a blue garter. She also wore a diamond bracelet and a new dress. She carried a bouquet of white pom-poms.

Miss Dee Etta Meurer, sister of the groom, attended the bride as maid of honor, Miss Doris Price was bridesmaid. They wore identical street-length dresses of light blue embossed cotton with a cummerbund made into a back bow. Their headpieces, matching the dresses, were a small circle with a bow in front. They were covered with light-blue net, blue accessories and white gloves completed their attire. Each carried a long stemmed carnation.

Best man was Eddie Luig of Scotland, and groomsman was Bobby Dworaczky of Wilson. Ushers were Bobby Meurer, brother of the groom, and Edward Meurer, cousin of the groom.

Serving as altar boys were Tony Buxkemper and Clyde

Kitten, cousin of the groom.

The reception was held following the wedding in St. Joseph's Hall. The centerpiece on the main table was an arrangement of blue roses.

The bride's going away dress was of white eyellet and she wore white accessories.

Mrs. Meurer attended Taboka High School. Meurer is a graduate of Slaton High School, and is employed by Sheppard Shutter Shop in Lubbock.

Out of town guests attended from Frost, Abilene, Grassland, Baird, Morton, Lubbock, Lorenzo, Wilson, Taboka, and Scotland.

Miss Judy Ann Lester and Jerry Ray Miller exchanged wedding vows Wednesday, June 16, in St. Joseph's Catholic Church, Rev. Roland Buxkemper officiated for the double ring ceremony.

Mrs. Miller is the daughter of Mr. and Mrs. Clarence Wesley Lester, 1415 S. 13th St. The bridegroom is the son of Mr. and Mrs. Ray Miller, 650 W. Lubbock St.

The bride, given in marriage by her father, wore a white chiffon gown over taffeta with

full three-quarter length sleeves. Her veil was street length white net with an orange blossom headpiece. She carried a bouquet of white carnations.

Miss Nancy McGee was maid of honor. Her dress was a street length blue chiffon, and she wore a single white carnation.

Best man was Danny Kitten, cousin of the groom. Guests were seated by Richard Miller.

Miss Charlene Kitten, organist, accompanied Miss Sandy Heinrich, vocalist.

A reception was held immediately following the ceremony in the Slaton Club House.

Following a honeymoon to points of interest in New Mexico, the couple will reside at 300 E. Panhandle.

Snider Attends Austin Meeting

Dr. J.D. Snider of Slaton has returned home after attending the three-day golden anniversary convention of the Texas State Chiropractic Association in Austin.

During the convention, Dr. Snider, qualified for re-licensing to practice, as required by State law, by attending post-graduate refresher classes offered by the association.

Main convention speakers included Lieut. Gov. Preston Smith of Lubbock, State Senator Murray Watson of Waco and the deans of three chiropractic colleges.

"OLD FRIENDS"

BY DOROTHY JONES

We are one week closer to the July 3rd reunion. According to Bill Klattenhoff, president of the ex-students' association, plans are going very smooth and all committees are doing their part to make this gathering a gay event.

Last Sunday afternoon several exes met and worked out some details--however, we will meet again Sunday at 2:30 p.m. at the Savings & Loan Building. Among those present last Sunday was Jim Benton, Mr. and Mrs. Marion Benton, Dorothy Moeller, Bobby Ann Moore, Gerry Mann, Martha Haddock, Fabian Stahl and Bruce Gentry from Lubbock. Bruce has been down our way several times lately helping with the reunion plans. Last Sunday he asked me if I was in the same high school class with T.A. Worley--I guess he was just paying T.A. a compliment.

The class of 1956 is having their 9th out of school get-together on Friday, July 2, at the county park. Mrs. Robert Limmer is in charge of this year's 1956 graduates get in touch with her. You may know an address that she needs. There may be other class parties planned on the weekend of July 3--if so the information can be carried in the ex-students newsletter that will go out by the end of this week. Please contact me or an officer in the association.

We had word that Bay Finley (class of 1946) will be able to attend the reunion this year--also from Irving Mrs. Hattie Joplin Olive writes that she will be here.

Mrs. R.L. Mitchell was Ethel E. Williams (class of 1927) now living in Winslow, Arizona sent reservation notice. Jo Hestand (class of 1925) wrote someone she plans to be here. Jo teaches school in San Antonio--John Witt (class of 1921) telephoned that he would be present.

M.D. Barry (class of 1927) told me he runs in to Jack Watkins (class of 1927) in Amarillo occasionally--Jack is a switchman for the Santa Fe. And over in Clovis another classmate, Bill Huckaby, who is in the engineering department.

Patty Jo Merrell Crisp (class of 1956) and her family are visiting here from Cuba, Mo. Patty's parents, the Lo's Merrells, are also exes.

About the meeting Sunday--do come--Pauline Scott makes real good coffee.

Mrs. Joan Adams, and children, Doug and Jana Maurine returned to Slaton recently with her parents, the Bruce Pemberton. The Pembertons had been to the Rotary Convention and on their way home picked up their visitors in Jacksonville, Fla.

J.W. Richardson, sales manager at Slaton Motor Co., was in Dallas this week to attend the 4th annual Marketing Institute sponsored by Ford Motor Co. Richardson is enrolled in a sales manager's course.

Local Boys In Baseball Camp

Richard Davis and Jerry Burrell of Slaton are currently attending the first session of the West Texas Baseball Camp at Lubbock Christian College according to Bobby Moegle, director of baseball instruction at the camp.

Morning sessions at the camp are spent working with boys by the various positions. Time is also spent on hitting. In the afternoon boys are broken down by the age groups for further work on a team basis. Several scrimmages are slated with complete games scheduled for Saturday and Sunday afternoons.

After baseball instruction is completed the campers have plenty of recreational activities on tap. The second session of the camp is slated for June 27.

Bank Salutes Oldest Father'

Bank of Slaton has honored a \$25 savings account holder, W.R. Wilson, 91, as the oldest father in the trade area. The bank is announcing the name of the "oldest father" award of a \$25 savings account to the oldest father in the Slatonite area. Wilson, 91, is a retired farmer who has been a father for 62 years. He has two sons--Bob, 15, 1896 and Paul, 15, 1899. Wilson was born in Kentucky, lived in 1915 and was a life before re-located to Slaton. He is the best occupier of the "oldest father" award, stated the bank.

Wilson has two grandchildren--Mrs. Travis Ferguson of Albuquerque, N.M., and Mrs. Billy Waldrop of Hereford. He has five great granddaughters and one great-great grandson.

Other names submitted in the "oldest father derby" included Lemuel C. Jameson, 86, father for 59 years and has outlived nine brothers and three sisters; Joe Key of 640 W. Geneva, 81 and a father for 58 years; Charlie Austin of Slaton, 77 and a father for 55 years; and R.A. Meeks of Slaton, 78 and a father for 53 years.

14 ON THE ROAD NOW

40 Students In Summer Driver Education Class

Forty Slaton High School students have completed required classroom work for summer driver's education, and 14 of these are now taking their driving courses. Before the summer is over, the 40 will have completed the entire course.

Insurance salesman say they are one hundred percent behind the driver's education course. It not only produces better and safer drivers, but the parents of the boy participants profit dollar wise also. Parents who have sons under 25 years of age who are driving the family car are paying extra insurance premiums but if they have finished this course, their parents are allowed a 10% credit on their car insurance.

The course teaches students the best habits of driving and it has been shown they are better drivers, based on driver's statistics records. It also teaches them to be better defensive drivers, more courteous and respectful of other drivers. Too, students receive 1/2 credit for finishing the course.

Each student is required to have 30 hours of classroom work, six hours of actual driving and six hours of driving observation. This is the minimum standard. Many students put in more hours than this.

During classroom work, three films were shown. The names of the films were "Death of Highways", "Fatal Meeting" and "The Last Prom". Mr. Kerr said these films seem to really impress the students as to what could happen to them while driving.

Coach Neal Chastain taught drivers education during the school year, and Mr. Kerr took on the job this summer, making it his seventh year to teach the course. He uses his own car for driving instruction. Chastain reported that 35 students finished the course for the school term.

This is certainly a worthwhile subject that Slaton High

School is offering, and we hope many more students keep participating in the driver's education course each year.

Area Girls Back From Roundup

Elaine Reynolds and Kathy Walter, both from Roosevelt returned June 3 from the 4-H Round-Up at A&M University. Winning district in vegetable preparation made them eligible to make the trip.

Sponsoring the girls and paying for the trip were Acuff Co-op Gin and Acme Toy Co. of McAllen.

Leaders who went with the girls were Mrs. Sam Sanders, assistant county home demonstration agent for Lubbock County, and Mrs. W.H. Walter.

From the Arizona Cotton Growers Association News Letter comes a disturbing comment with regard to exports:

"Charlie Youngker and Clyde Wilson were in Washington on May 18 and Clyde was there again on the 20th and 27th. It is their feeling that the U.S. State Department of Agriculture is working hard to kill any attempts to increase our cotton exports and that the Department of Agriculture is about ready to accept production for domestic consumption only as a fact of life."

The letter goes on to say that this is a very discouraging give-up attitude by the Department of Agriculture and one to "scare the daylights" out of Arizona cotton farmers. If the belief of these gentlemen is correct, the same scare would go double for the High Plains Cotton farmer, whose sales are over 60% to foreign markets.

Too, this might indicate that the portion of Under Secretary of Agriculture Murphy's recent testimony before the House Committee on Agriculture which dealt specifically with exports was something less than completely candid. He said:

"We emphasize that we do not think the Government should finance significantly larger exports of cotton at a high rate of subsidy. However, if in the judgement of the Congress, farmers are willing to sacrifice world markets in exchange for high price supports and market prices which encourage the use of foreign growths of cotton and man made fibers abroad....."

Ed Dean, Labor Relations Representative for Plains Cotton Growers, Inc., has asked that the Secretary of Labor appoint a Farm Labor Panel in Texas to study the need for supplemental workers in agriculture.

Such a panel has been appointed for California and Michigan, and in both states the panel has advised Secretary Willard Wirtz that supplemental workers were needed. Some Mexican Nationals have been admitted to California, though growers there insist that not enough have been available to prevent serious crop losses. The Michigan panel estimated a need for about 7,000 foreign workers at the time of the sugar beet harvest. The Secretary has accepted this report of the panel

pending reevaluation at harvest time.

In a letter to Congressman George Mahon, Dean wrote: "It appears that the appointment of a Farm Labor Panel will be a prerequisite to any possibility of getting supplemental workers in Texas." He pointed out to the 19th District Congressman that the problem of getting enough workers to do necessary farm work continues to intensify as the summer progresses. "Sprinkler irrigation farmers and vegetable producers, especially, face real hardships in the near future if present conditions prevail," Dean said.

Dean's letter to Mahon requested that the Congressman work with the Secretary of Labor to accomplish the appointment of a Farm Labor Panel. Mahon advises that he has contacted the Secretary, and expresses the opinion that a panel will be appointed.

In accordance with a resolution passed by the PCG Labor Committee, Dean has also protested to Mahon the repeal of Section 14-B of the Taft-Hartley Act. He told Mahon: "The current strong move to repeal the Right-to-Work provisions of the Taft-Hartley Act is of considerable concern to folks in this area and across the state. We feel that under closed shop conditions it is the labor bosses rather than union members who will dictate policies and control activities of the union."

Under such conditions, neither the best interest of workers nor employers would be served, according to Dean.

communities," Administrator Wayne Baker reported to the commission that several persons had expressed interest in purchasing a tract of land which the city owns north of town. Baker said the tract contained 11.21 acres and apparently the city had no plans to use the land except for a water pumping station.

Commissioner Reasoner said the land was no good for farming since the soil was gone. After a short discussion, the commission voted to advertise for bids on the land. The city would reserve water rights and a service road.

City bills were approved, totaling \$6,974 for May. Additional bills totaling \$26,190 were approved from the water bond fund.

Baker also announced that City Secretary Gerald Kendrick would be absent June 26 to July 12, going to summer Army camp for active training. Banks discussed a sanitation problem in his ward, and the case will be referred to the city health officer. Street lights were approved for Thomas and Geneva, and at Oklahoma and Geneva.

Banks also inquired about the spraying of "dusting" program to control mosquitoes, wondering if the city was getting started in time. Baker reported that county crews had already sprayed several times, and that the county handled all the spraying for the city.

Local Musicians Take Trip East

Two Slaton youths recently returned from a trip to the East. Don Caldwell, son of Mr. and Mrs. J.E. Caldwell, and Jimmy Marriott, son of Mr. and Mrs. Charles Marriott, Jr., played with a combo called the "Notations", who backed up Lubbock vocalist Ted Tyler. Don is a sophomore at Texas Tech, and Jimmy will enter as a freshman this fall.

Making the trip with the two Slaton boys were Jimmy Bailey of Lamesa, Danny Payne, Don Baggett, and Ted Tyler, all of Lubbock. The musicians have been playing with the "Nite Owls" and the "Nite Beats".

The group auditioned for the "Peppermint Lounge" in New York, played a two-night stand at the "Topaz Club" in Scranton and secured bookings for appearances at the "Mount Airy Lodge" and "The Kayroc Inn" in the Pocono Mountains of Pennsylvania for the near future.

While in Scranton, the sextet performed on "Sid Freeman's Coca-Cola Bandstand", a well-known eastern regional television program.

Tyler, who was formerly with a Broadway recording company in New York, secured the bookings for the group, and the prime motive for the trip was to take a Texas band East.

Don and Jimmy said they experienced their first signing of autographs while on the trip. They said they made a lot of good contacts and lined up several good jobs. They particularly enjoyed the different styles of music in the East.

Mr. and Mrs. Harley Fleming will leave Saturday for Starkville, Miss., where they will visit Mrs. Fleming's parents.

Mr. and Mrs. Huel Hulsey of Amarillo visited Mrs. Stella Shelton and stayed on their way to pick up their grandchildren at Lardo.

County Records 35 Accidents During May

There were 35 rural accidents in Lubbock County during the month of May, according to Sgt. O.C. Guthrie, Highway Patrol Supervisor of this area.

These crashes resulted in 20 persons injured and an estimated property damage of \$20,700.

The rural traffic accident summary for this county for the first five months of 1965 shows a total of 153 accidents resulting in six persons killed, 115 persons injured, and an estimated property damage of \$125,330.

"Due to a man power shortage in the uniform services of the Texas Department of Public Safety, applications for the position of patrolman are now being accepted until July 6" announced the patrol supervisor. Examinations will be given throughout the state on July 14 and July 15. The four month training school will begin Aug. 31 at the Texas Department of Public Safety Law Enforcement Academy in Austin.

Young men between the ages of 21 and 35 who are interested should contact the nearest Texas Department of Public Safety Patrolman or office for additional information.

Slaton Scout Is Camp Counselor

J.E. Eckert III, son of Mr. and Mrs. J.E. Eckert, Jr. is spending June and July as a camp counselor at Boy Scout Camp at Tres Ritos, N.M. He is in charge of the ax yard, teaching younger scouts the proper use of the ax, all other scout handicrafts and is hike-master.

J.E., or better known as Dinks, left Slaton on June 7 and will return about July 27.

Tres Ritos Scout Camp is located in the mountain range southeast of Taos, N.M. Scouts attending camp there can work toward merit badges in pioneering, forestry, hiking, cooking, soil conservation, and other outdoor badges.

MRS. ANNA B. GENTRY

We had another good rain this week, crops are really looking good, but I do believe the weeds are growing faster than crops.

Mrs. Calvin Willis and daughter, Velma, and niece Carolyn have been attending Bible School at Westview Baptist Church in Slaton this past week. Vanessa Holmes of Lubbock, spent the weekend visiting Tessa Debbie and Laura Jo Gentry. Mr. and Mrs. Ed Maeker had all their children with them Sunday, and three grandchildren Edward Maeker and daughters, Rose Mary and Sharon, Mr. and Mrs. Lyndon Maeker all from Lubbock, Mrs. Roy German and Janet from Corpus. Mrs. German decided to spend another week with her parents before returning home.

M. P. Gentry's nephews and nieces who live in and around Houston, Sugar Land, and Alief are heirs to their parent's estate that sold the Hastings Farm at Alief, west of Houston. The land is close to Sharps Town which almost joins Houston. The farm will soon be divided in lots and business houses, shopping centers, and residents home will be built. The land sold for \$3,750.

Mr. and Mrs. Raymond Gentry had as their guest this week her uncle C.Z. Fine and wife from Bangs. The Fines also visited their son and wife and little granddaughter in Lubbock. Mrs. C.Z. Fine taught school for many years at Posey before moving to Bangs. They have many friends in Posey.

Mert Gentry visited High-Basinger near McClung Sunday. They are lifetime friends.

Mr. and Mrs. Charlie Brake from Slaton, Connie, David, and Shelby were visiting her parents recently. The Raymond Gentrys. They went to Gainsboro to take Connie to a diabetic

camp where she will spend three weeks. She has attended this camp for several years and thinks it is a wonderful place to learn how to live with diabetes. Also they have a lot of recreation. Next year will be her last year to attend as they have an age limit. At a meeting last year Connie gave a 10 minute talk on how to live with diabetes and to care for oneself. I think it is a wonderful organization.

We regret to learn of the death of Mr. P.W. Houston, who died Sunday night in Santa Fe Hospital at Albuquerque N.M. Mr. and Mrs. Houston were always so thoughtful to us in time of sickness and death in our community, all their Posey friends are saddened over his death.

Mrs. Walter Denzer reports her father, Jim Kubacak, doing nicely and is at home after several years going from one hospital. We hope he continues to improve.

Father Marvin Kitten, son of Mr. and Mrs. August Kitten, held his first Mass at Slaton Catholic Church Sunday. Mr. and Mrs. Joe Moeller, Fabian Stahl, and Heddie Kelly attended the service.

Mr. and Mrs. T.A. Johnson attended a 42 party in the home of Mr. and Mrs. G.R. Johnson recently at Lubbock.

Mrs. Johnson reports her brother-in-law, Horace Rodgers of Lubbock is improving.

Mr. and Mrs. James Cloninger, Linda, and Dwayne from Amarillo were visiting in the home of Mrs. Julius Stahl, Fabian and Mrs. Heddie Kelly over the weekend. Mrs. Cloninger is Mrs. Stahl's daughter. They had come to join their folks in the Cloninger Reunion at Liberty Community.

Mrs. Nieman I missed your Womens Swirl! very much.

In fact I find it very interesting and I usually read it first. Please don't drop it!

My company Sunday were Mr. and Mrs. R.R. Gentry, and Ronnie Mangum from Slaton.

Lubbock visitors were the Ray Johnson's and friends, Bobby Swann and family, Gary and Pam LaVerne and Mike Karon spent Wednesday with me from Lubbock.

See you next week I hope. Call VA8-304L.

Girls Enjoy Summer Recreation Program

BY LAVON NIEMAN

Many Slaton boys are or have been participating in the Little League, Babe Ruth and American Legion baseball program, but, what about the girls in Slaton?

Well, they are not going overlooked either. The Slaton Girls Recreation Program got underway Monday of last week and approximately 86 girls have registered for the program, according to M.W. Kerr, director.

This writer went by Monday morning to get a few pictures and see just what the program is doing, and was impressed in the number participating and the fun the girls were having. Girls from age 9 through 15 of age and there was something offered to interest most any girl of this age.

First, I watched a group of girls on the softball field enjoying a baseball game with director Kerr pitching. While I was getting the camera focused for a picture, a girl got a good hit-right on my leg. Just thankful it wasn't the camera!

I then watched a group of girls playing hockey and later playing on the bongo board. Balancing on the bongo board requires some skill from these youngsters and for the picture I was taking, the girls wanted their supervisor, Robin Davis, to balance on it, because they claim she is an old pro at it.

Inside the girls were playing basketball in the Junior High gymnasium, playing table tennis and other games. Assisting in the gym were Sharon Williams, Jane Tefertiller, and Linda Guelker.

The summer program is being held from 9 a.m. to 12 a.m. through July 2. A charge is made for each girl participating in the program.

Carol Todd Is MYF President

New Methodist Youth Fellowship Council members have been elected and installed at the First Methodist Church. Now serving as MYF officers are Carol Todd, president; Marsha Holloman, vice-president; Mark Todd, secretary-treasurer; and Deborah Scott, publicity.

The program area chairmen include Jacquie Edwards, Christian Faith; Nancy McSweeney, Christian Witness; David Edwards, Christian Outreach; Ken Wicker, Citizenship; Allen Miles and Rodney Farrell, Christian Fellowship; Vickie Nowlin and Jacquie Thomas, Christian Worship.

One of the goals of the MYF group is "to hold the ideals of unselfish service ever before us". The group's summer projects include a bake sale on June 19, and a car wash on July 2. Or if anyone would like help with housework or yardwork, call Marsha Holloman at 4564, David Edwards at 4467 or Gary Johnson at 4284.

39 ENROLLED

It was reported by Dr. L. W. Hanson, pastor of the First Presbyterian Church, that 39 enrolled for Vacation Bible School at the Slaton Mission last week.

Rev. Lowell Bell who moved to Floydada. The son of Mr. and Mrs. L. B. Wallace of Lubbock, he has been a student at Bethany Nazarene College, Bethany, Okla., for the past two years.

Mrs. Wallace (Pat) is the daughter of Mr. and Mrs. Lester L. Keeton of Post, so actually the young couple are not really "new" to Slaton.

Rev. Wallace graduated from Roosevelt High School in 1962, and attended Texas Tech for one semester before moving to Bethany. He plans to re-enter Tech this fall and will major in some area of counseling.

Mrs. Wallace, whose favorite pastime is playing the piano and singing, plans to teach piano here in Slaton. Two years ago she travelled throughout Oklahoma, Arkansas and Texas with a choral group she directed, called "The Crusaders". Recently, both Rev. and Mrs. Wallace recorded several discs

with the Calvary Choir of Oklahoma City.

His hobby is cabinet work and building furniture. Several of the pieces of furniture in their home are products of his handiwork—a stereo finished in mahogany, a coffee table, and their complete bedroom suite. In fact, cabinet making was his profession while he studied at Bethany. A year ago he began building aluminum trailers with a firm in Oklahoma City.

The couple will celebrate their second wedding anniversary June 14. They stated that they hoped to be able to bring something to the people of Slaton, and the people here should be receptive as well as responsive to these two young people, (incidentally, both are 21), and make them feel welcome.

Grace Mission Workers Meet

Grace Mission workers of Grace Lutheran Church met Thursday night at 8 p.m. in Parish Hall for its regular meeting. The group opened with the hymn, "Erevent in Spirit, Serving the Lord".

Mrs. Kathy Herklotz presented the program, "Loving The Unloved", followed by the worship offering, given by Mrs. Tommie Wilke. The Bible study, "Maturing In Love", was given by Mrs. Viola Stolle.

During the business meeting, it was voted to have a Mother-Daughter Fellowship Supper on June 29. The group also voted to collect canned foods for the tornado-stricken people.

Refreshments were served to 18 members and two visitors by Meses, Alfreda Becker and Edna Limmer.

NEW PASTOR — Rev. and Mrs. Garland Wallace moved to Slaton last week from Bethany, Okla. He has assumed duties as pastor of the Church of the Nazarene, 635 W. Scurry, and Mrs. Wallace plans to teach piano. (SLATONITE PHOTO)

Supper Honors Cowdrey Family

Members of the First Methodist Church attended a family night supper Sunday night at 6 p.m. in Fellowship Hall. The supper was in honor of Mr. and Mrs. H.J. Cowdrey and family who will be moving to Kansas soon.

Each family took a covered dish, and ice cream was furnished by the Methodist Youth Fellowship.

Although Mrs. Cowdrey will be here for a few weeks, Mr. Cowdrey reported for work in Kansas Tuesday. He is employed by Santa Fe Railway.

Catholic Youth Group Meets

Members of the Slaton Catholic Youth Organization met Sunday in St. Joseph School. They made plans for the C.Y.O. convention to be held in Amarillo on Thursday with about 16 members planning to attend. Voting delegates going are Laverne Schwertner and Jeanette Brosch.

The group discussed the coming summer activities and a bake sale to be held at Drive-In Food Mart Saturday.

Newly elected officers for the C.Y.O. are Jeanette Brosch, president; Gary Wimmer, vice-president; Debra Hlavaty, secretary; and Oleta Bednarz, treasurer.

Shedd Services Held In Post

John William Shedd, 68, father of John Clayton Shedd who was a teacher in Slaton Public Schools this year and now living at Mesquite, died June 8 in St. Mary's Hospital at Lubbock after suffering a heart attack a few days previously.

Funeral services were conducted at 2 p.m. Thursday in the First Baptist Church at Post.

Mr. Shedd, a retired carpenter and painter, resided in Post for 32 years. He had four sons and two daughters. He was a veteran of World War I and a member of the American Legion and Veterans of Foreign Wars.

Survivors include his wife, three daughters, and five sons.

Dorcas Circle Holds Meeting

The Dorcas Circle of Grace Lutheran Church met June 8 at the parsonage with eight members present.

Following the business meeting, Mrs. C.J. Johnson led the Bible study, "Maturing in Love", based on passages from Matthew, Philippians, and Ephesians. Mrs. Douglas Neugebauer gave the Worship Offering Meditation.

Hostesses for the meeting were Mrs. Jimmie Herklotz and Mrs. Ronnie Becker.

Church Women Hold Meeting

The Posey Lutheran Church Women held a regular monthly meeting last Thursday night in attendance.

Theme for the Bible study was "Maturing in Love" as recorded in Matthew 5: 43-48; Philippians 3: 12-16; and Ephesians 4: 11-16.

The group expressed thanks to all who had a part in making the church's Golden Anniversary a success. A visitation program was initiated. The group gave the church a tract rack for 50th Anniversary gift.

Miss Frieda Walter was hostess for a social hour.

Understanding

"Great is our Lord, and abundant in power; his understanding is beyond measure." — Psalms 147:5

During moments of defeat, anguish or pain, the Christian instinctively turns to prayer and to the Lord. The true Christian believes in the power and the understanding of God, and in this belief there is strength indeed.

We cannot expect our troubles to disappear in a puff of smoke. We may work, seek, and search without finding an area of complete happiness upon earth. Yet, during our moments of stress, when courage and faith are put to the test, we can remember how great is our Lord, in power and understanding.

And, in the great example of the life of Christ upon earth, we can read the message of salvation.

Well, here I am back in the saddle again. I don't think you ever get all the rest you would really like to have or need. My yard is in a little better shape than it was and the sand is not as deep in the house as it was. The kids are still just as loud as always. If any of you readers have small ones and just can't wait for them to grow up, FORGET IT! They get worse as they grow older and when you have two with drivers license, well, that is just the worst.

It makes me feel real good to know that I have at least one devoted reader. I was told that column the past week when she didn't read the paper over the weekend. You for reading news but read the paper too, these things that go on in our lives.

SOUTHLAND NEWS

BY MRS. EDMUND WILKE

The farmers in this community are as busy as a bunch of bees. Everywhere you look there is a steady movement of tractors planting, scratching, cultivating, knifing, sand-lighting and doing all the things that it takes to make a crop and to put money in our "jeans". I don't believe I have ever seen the crops looking any prettier and growing any faster than they are this year. I nearly hold my breath every time a cloud comes up, because everything seems to be going so good with the farmers around here this year, and as we all know, it doesn't take but a few minutes to clean up. There has been such bad weather in other places and it sure scares me, but if it does come this way, I guess we can take it, because we always have.

The Southland Church is a busy place this week because they are having Vacation Church School each afternoon from 2 until 4:30, Monday through Friday. Everyone is invited. Douglas Livingston is the new Church School Superintendent at the Methodist Church and he set a new goal for the Sunday School attendance. The new goal was 50 and guess what? The very first Sunday they met their goal! Isn't that wonderful?

Mrs. Bobby Crews and baby from Denison, spent last week with her parents, Mr. and Mrs. R.L. Halliburton. Mrs. Halliburton returned home with Linda as her father was very ill. Mr. and Mrs. Otis Neil and granddaughters visited with Mr. and Mrs. Jack Hargrove on Sunday afternoon. The Neils are from Slaton.

Mrs. F.W. Callaway and Mrs. Jack Hargrove attended the Luncheon workshop that was held at Texas Tech last week. Mr. and Mrs. D.E. Adams from Lockney spent Saturday with Mr. and Mrs. Jack Hargrove.

Mr. and Mrs. Lete Krause and two daughters from Farmington, N.M., spent Friday night with the Edmund Wilkes. Also visiting the Wilkes were Mr. and Mrs. E.C. Stabeno and children of Wilson, and Mr. and Mrs. Leroy Zieschang of Slaton, and Miss Martha Blodgett from Post.

I would like to congratulate Mr. and Mrs. Glenn Kiesel upon their recent marriage. He farms here and she is a secretary at the Police Department in Lubbock. They are making their home in Lubbock at the present time.

Mr. and Mrs. Billy Lester and boys went to Brownfield on Saturday to visit friends. Mr. and Mrs. Elmer D. Jones. They spent Saturday morning with the Jones and then went on to Wellman where they visited with Mr. and Mrs. Othell Carey and girls. The Careys used to live here, so I am sure many of you know them.

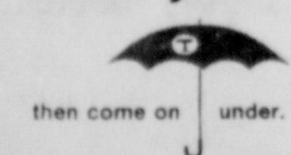

Mrs. Robert Mason and Brenda from Post spent from Sunday until Wednesday in the home of Mr. and Mrs. Billy Lester. Mrs. Mason is the mother of Mrs. Lester.

Mr. and Mrs. Marcus Wilke has returned from Houston where they went to pick up Delmar's car that had been shipped over here from Germany. It is one of those little sports model foreign cars and Marcus was nearly afraid of bringing it up to Windy West Texas, afraid that it might blow away.

Mr. and Mrs. Delmar Wilke and Angie have gone to Tennessee to visit with Barbara's grandfather. From what I have heard, the whole Max Arrants' family went, so I guess they are having a nice reunion. The grandfather has never seen little Angie, because she was born in Germany.

We would like to extend our congratulations to Dr. Gerald Dabbs, son of Mr. and Mrs. Herman Dabbs, upon his appointment to the Group of The Advancement of Psychiatry. He was one of the four Doctors to be selected for this distinguished

ed honor this year. He recently attended his first meeting with The Group in Philadelphia, Penn. Gerald graduated from Southland High School in 1959, attended Texas Tech three years and received his Doctor's Degree from South Western Medical School at Dallas. At present he is in his third year of residency at Dallas.

Mrs. C.W. Steele of Ventura, Calif. is visiting with the Herman Dabbs and the Hansel Hallmans. Mrs. Steele is the sister of Mr. Dabbs and Mrs. Hallman. Last weekend Mr. and Mrs. Steel went to Eastland where they visited with several other sisters. The sisters are Mrs. Helen Richards, Mrs. L.J. Baggett, Mrs. Mart Dulin, and Mrs. T.E. Dikes.

Mrs. Sue Sloan and baby have been visiting with her parents, Mr. and Mrs. Earl Lancaster, for the past two weeks. Mr. Sloan came after his wife and baby on the weekend and took them home.

Mr. and Mrs. Curley Sloan of Wilson spent Sunday in the Earl Lancaster home.

Jack Smotherman from Claude spent the night with Mr. and Mrs. Earl Lancaster recently. He is a nephew to the Lancasters.

Hope to collect lots more news next week, so how about calling me and giving me your news?

TAX MAN SEZ:

Internal Revenue Service often gets a question, "What do you do after April 15?" The good folks at Internal Revenue collect a lot of other taxes besides income taxes.

There excise taxes on jewelry, automobiles, and many other things. These taxes are not paid on April 15 but are paid by the manufacturer or the place of business on a quarterly basis. The income tax may be the big tax, and the most talked about tax, but the tax folks work on hundreds of other taxes throughout the year.

The tax calendar is loaded with filing dates and of course the tax returns have to be processed after they come in.

Mrs. Lula Caldwell received a message Monday morning of the death of her nephew, Riley Caldwell of Bell, Calif. He had visited in Slaton on several occasions and attended the Caldwell reunion.

Homemade Jam Recipe Takes Just 15 Minutes

The modern housewife may wear Bermuda shorts instead of a bustle, and cook on a modern range instead of a wood-burning stove. She may enjoy the convenience of frozen and prepared foods, but she still likes to serve her family homemade treats for which she can take a bow.

Because she wants recipes that let her serve homemade foods that take a little time in preparation as possible, the home economists at The PEN-JEL Corporation have developed a new homemade jam recipe that requires none of the long boiling and skimming of old-time methods.

The recipe, which takes only 15 minutes from fresh fruit to finish is one of 35 in the PEN-JEL package. Here's how easy it is:

Wash, stem, and crush 4 cups of strawberries, boysenberries, raspberries, youngberries, or blackberries. Put in a 4-quart kettle. Sift in slowly

1 package PEN-JEL, stirring continuously. Set aside for 30 minutes, stirring occasionally. Add 1 cup light or crystal corn syrup and mix well. Gradually stir 6 cups sugar into crushed berries, warming to 100 degrees. When the sugar dissolves, the jam is ready to set. For strawberry jam, add one-fourth cup of lemon juice after sugar has dissolved. Yield: 4 pints.

"Cook-No-More" jam should not be stored on the pantry shelf. It must be refrigerated.

For homemakers who want jam other than the berry variety, Pen-Jel has a two-minute boil method which is a fool-proof way to perfect jam from everything from apples to spiced tomatoes. While old time cooking methods may bring back fond memories, actually there were many failures in Grandma's day. With a modern apple pectin like Pen-Jel, the cook can count on jam and jelly that "sets" every time.

Today people are taking to the water like ducks, but unfortunately, they don't swim anywhere near as well.

A generation or two ago water sports consisted chiefly of leaping into the old swimmin' hole or rowing around the lake.

But today, more people than ever before are seeking their summer pastimes in an aquatic setting and literally dying from it.

Several hundred will drown this year in Texas, according to a projection of previous records. On a nation-wide scale, 6,000 persons are predicted to drown from a variety of aquatic sports and activities.

Scuba and skin diving, surfboarding, water skiing and high powered boating have added to the hazards of conventional swimming, diving and boating. And the proliferation of municipal and private pools and public beaches have further compounded the opportunities for injury, infection and death.

Let's take a look at the type injuries that accompany the various sports, and from this investigation we can gain clues to prevention.

Sailing accidents often are

head injuries from a swinging boom. Power-boating accidents are frequently lacerations and amputations from motor boat propellers and collisions.

Common injuries among water skiers are finger, wrist, nose and face abrasions or fractures, mostly occurring from a fall onto the skis while in motion.

Some of the dangers of skin diving and underwater swimming include hyperventilation, malfunctioning scuba apparatus, face mask squeeze, middle ear squeeze, water pressure, and the threat of underwater life such as sea urchins, coral, and the Portuguese man of war and others.

The dangers from these aquatic sports depend, of course, on your proximity to water-fresh or salt.

If you live close to the water, or plan to vacation by the water front this summer, follow this plan.

Make sure you and your family are trained in survival treatment. Check with your local health department or civil defense director about the medical-self help courses.
