

New City Administrator Is Named

Post To Norwood

Charles Norwood, native of Broken Arrow, Okla. for the past eight months, was unanimously elected Slaton city administrator in a regular meeting of the city commission Monday night.

Norwood, 32, will assume duties here Oct. 16, replacing Wayne Baker who resigned to take a position as head of utilities at Las Cruces, N. M.

The new administrator was employed on a motion made by Earl Reasoner and seconded by Robert Banks, Commissioner Jack Smith was not present. Starting salary is \$700 per month.

Norwood becomes the second city administrator for the city. The post was created at a May 3 commission meeting and Baker was named to the post.

The new administrator's father, W. F. Norwood, resides at 310 E. Lynn. His wife's parents are Mr. and Mrs. Bill Deaver of 455 W. Panhandle. He is a 1952 graduate of Slaton High School.

Before his appointment at Broken Arrow, he was city manager for two years at Aberrathy. He served as assistant city manager at Georgetown.

For five years he was an engineer with the Santa Fe Railroad in Slaton and for two years he served in the U. S. Army.

Norwood earned a BS degree in public administration. He went through the City of Lubbock's training school for city officials.

The couple has two children and the family is members of the First Baptist Church. He is a member of the chamber of commerce, Jaycees, Broken Arrow Civitans, Lions and International City Managers Association.

During his short tenure at Broken Arrow, he aided the passage of a \$1.8 million water and sewer improvement bond issue. A \$1.2 million bond issue for the city is pending.

Mayor Jonas Cain told the Slatonite that "Charles is recommended highly by all persons contacted. I think he is the man we have been looking for."

Another appointment, that of Ernest Alverado as cemetery superintendent, was made by the commission Monday night. Alverado replaces Cam Jordan who resigned.

Alverado's appointment was recommended by the cemetery board in a letter addressed to the commission. Cecil Scott is chairman of the citizen's board. Jordan resigned last week in a surprise move. He had served in that capacity since Jan. 1 of 1964.

The two appointments leave only one city post vacant. The office of corporation court judge has been empty since July when W. H. (Doc) Legate resigned after a dispute over the salary.

Mayor Cain has been serving as corporation court judge since Legate's resignation. In other business, Phillip Flores was added as a street maintenance employee.

The meeting was originally set for the hearing on the proposed 1965-66 city budget. However, no one appeared to protest the \$178,455 figure and the

CAMPAIGN GOAL PAST HALFWAY MARK

C of C Drive Appears 'On Way'

Slaton's revitalized Chamber of Commerce membership campaign headed down the home-stretch today with officials of the organization optimistic about reaching a goal of 75 or more members.

Jim Hughes, C of C president, announced Wednesday morning that 58 percent of the revenue on the new drive has been pledged. A projected budget tabbed membership revenue at more than \$4,000 and the total was over the \$2,000 mark Wednesday.

Primary purposes of the campaign are to sign up as many Slaton firms and businessmen as possible and to secure enough revenue to employ a fulltime, professional chamber manager.

Hughes emphasized that the proposal to hire a manager is not a longrange program. If the membership drive is a success, directors will proceed immediately with the plans to find a fulltime manager.

The Chamber president also announced that three teams of directors are competing for honors in the membership solicitations. A team of five men headed by Don Kendrick with teams headed by Tommy Wallace and Clark Self Jr. trailing.

Members of the winning team will receive two tickets to a Texas Tech football game, while the losing team will clean up the City Hall lawn and grounds.

Members signed through early Wednesday.

Arrest Of 10 Juveniles Clears 32 Theft Cases

The arrest of 10 Slaton juveniles Monday and Tuesday cleared up more than 32 cases of petty theft involving almost \$500 in loot taken during a four-month burglary spree.

Slaton Chief of Police Robert Breedlove announced that nine juveniles will appear before the Slaton Youth Council today for hearings on the charges of theft. The 10th youngster has been referred to authorities in Lubbock.

A concerted effort by Slaton police led to the arrests of the youths whose ages range from 13 - 15. Breedlove said there is a possibility of additional arrests.

Breedlove said the department had been working to clear up the cases for several months. Two weeks ago, one youth was picked up and questioned about the break-in at high school where several fire extinguishers were taken.

Officers neared solving the case Friday but the big break in the investigation came Monday when the youth admitted the high school burglary.

The other arrests came in domino-like fashion as officers spent several hours Monday night questioning the youths and talking with their parents.

The nine youths admitted being involved in shoplifting, theft of gas and tires, break-in at ball parks, auto thefts and other similar incidents, most of which

occurred during the summer months.

Officers spent most of Tuesday recovering the loot which was hidden at various residences and in vacant lots across the city. Much of the loot has been recovered and owners notified.

Following the hearing, the youth council will make recommendations concerning the disposition of the juveniles.

In other police activity this week, four persons were arrested for being drunk and two were jailed for theft under \$5.

Randal Warren of 755 W. Lubbock reported that the drive shaft, valued at \$45, was taken from his auto while it was parked at the high school Friday.

Eddie Charles Gaines and Phillip Morris reported that a Negro man jumped into their car and threatened to kick out a window. He took a watch, a package of cigarettes and 25 cents and fled.

During the past 30 days, heavy property damage to vehicles has been reported by Ramos Rolfe of 445 S. 2nd. A windshield was broken from a pickup, all the glasses were broken from another pickup, a car sustained two broken door glasses and the headlights were broken on a tractor.

Carl Wilcox reported his house at 435 S. 4th was entered and all the drawers and cabinets had been opened. A re-

Fire Prevention Week Will Be Observed Here

The week of Oct. 3-9 is National Fire Prevention Week, and the special period will be emphasized and observed here through several projects of the Slaton Volunteer Fire Department.

Don Kendrick, fire chief and marshal, announced that a Fire Prevention Poster Contest will be conducted in the schools again this year, and that special programs will be presented at Lion, Rotary and PTA meetings, and in the schools.

Programs are scheduled at the civic clubs next week and at a PTA meeting Oct. 11. The poster contests will be in grades 1 through junior high. Home Fire Safety Quiz sheets will also be distributed in the schools.

Kendrick reminded citizens that the fire department makes no home inspections without invitation, but urged residents to take advantage of this free service.

The Slaton Volunteer FD is composed of 26 men. Pete Williams is the assistant fire chief and marshal.

Benefit Movie Set For Boy

A benefit movie, with proceeds going to the Don Townsend hospital fund, is scheduled Oct. 12 at the Caprock Drive-In Theatre.

The project is sponsored by the American Legion. Legion members are selling tickets, according to Ray Dickie, post commander. Admission is \$1 per carload.

The fund to help pay the heavy medical expenses of 10-year-old Don continued to grow this week. The fund had increased to \$517.

Don is in Galveston's John Sealy Hospital where he is undergoing intensive tests in hopes of finding a cure for a rare brain disease which developed this summer.

While in Galveston, Don is also attending some classes in the fifth grade, according to a report received in Slaton by friends this week.

The special fund was established at Citizens State Bank. Local civic organizations as well as individuals have contributed to the fund. Contributions may be sent to the bank.

Persons should guess the total score in the tie-breaker. All entries must be signed by one of the participating firms and turned into the Slatonite office by 5 p.m. Friday.

First Man Wins In Slatonite Grid Contest

After three straight weeks of women winning the top prize in the Slatonite's grid guessing contest, a man broke into the ranks of the winner with only three misses during the week-end of upsets.

Earl Eblen Jr. captured the first prize of \$5. He beat out Johnny Hennington by a meager two points in the tie-breaker. The total score in the Slaton-Crosbyton tilt was 28 and Eblen guessed 26 -- but miscued on four games. The Henningtons won the second and third prizes of \$3 and \$2.

The winner missed the Cooper - Anton, Andrews - Brownfield, and Slaton - Crosbyton tilts.

Sixty-six persons entered the contest last week. The game missed by most persons was the Brownfield upset over Andrews. Other games frequently missed were Slaton - Crosbyton, Wilton - Jayton, Post - Aberrathy and Cooper - Anton.

Previous winners are Dolly Brown, Mrs. Leonard Foster and Barbara Bingham. To enter, clip an official entry form from the Slatonite and simply circle the number of the teams predict to win.

Persons should guess the total score in the tie-breaker. All entries must be signed by one of the participating firms and turned into the Slatonite office by 5 p.m. Friday.

New Hospital Rules In Effect Friday

New hospital regulations--designed for maximum patient benefit, go into effect tomorrow at Slaton's Mercy Hospital.

The new rules will be uniform with the six Lubbock hospitals. Hospital officials in Slaton and Lubbock have spent

more than a month in preparing the set of standards.

General visiting hours have been expanded to 2-8:30 p.m. daily, except for special care units. There will be no morning visiting hours.

Proper observance by the public will enable patients to receive uninterrupted care. The visiting time schedule is established for more convenience.

A limit of 15 minutes for visits has been set. No more than two persons may be in a patient's room at any one time. Although visiting hours for the immediate family are not restricted, they are asked to observe the same length of visit and number of visitors.

Visitors under the age of 14 are not allowed on any patient floor for any reason. Children must wait in the lobby and are discouraged from coming to the hospital at all.

Telephone calls to patients and to relatives at the hospital are discouraged except during the visiting hours.

Obstetrics visitors are asked to observe a new schedule of 3-4 p.m. and 7-8:30 p.m. for the infants to be shown.

Intensive care unit visitation is allowed 10 minutes every four hours on an around-the-clock basis. This visitation is limited to the immediate family.

Visiting hours in the psychiatric care unit are for immediate family only and are from 2-3 p.m. and from 7-8

O'DONNELL GAME

Tiger Offense In Dramatic 'Shuffle'

in five starts.

Kickoff time for the non-district game is 8 p.m.

The shuffled backfield assignments will find Larry Pickens, 157-pound junior line-backer, moving into the all-important quarterback post; Danny Scott, 180-pound senior guard, taking over the fullback chores, and Billy Gass switching from quarterback to half-back.

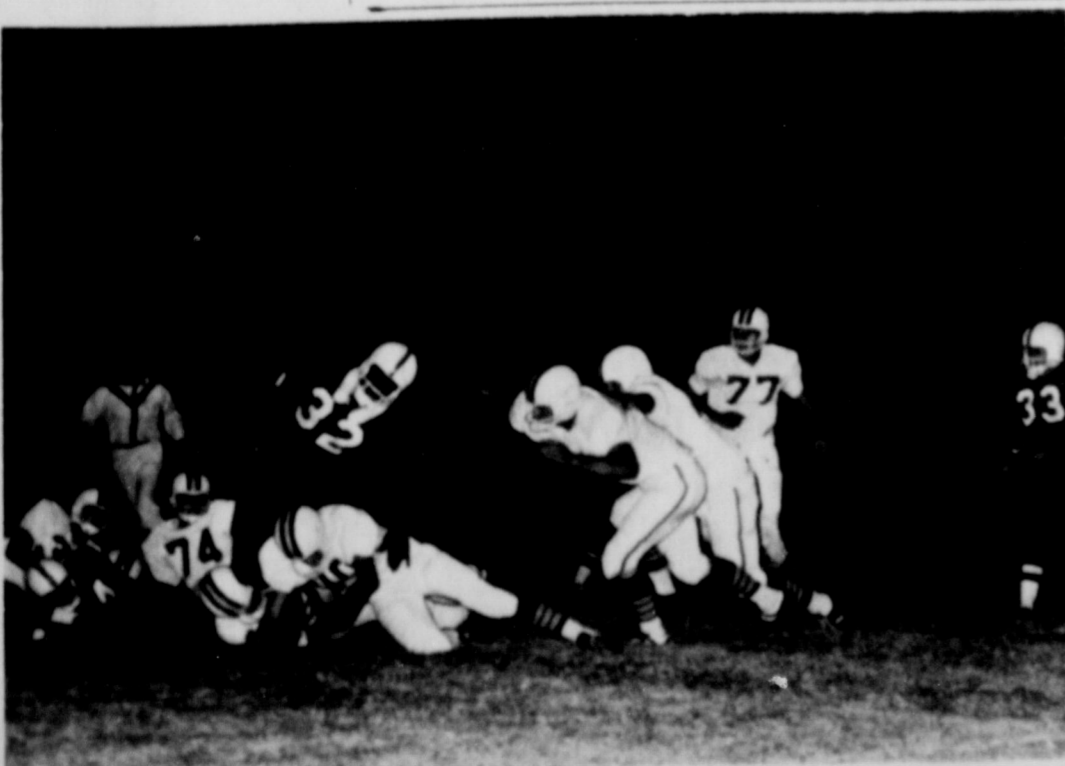

Henry Johnson, leading Tiger rusher, will still hold forth at one halfback slot. Co-captains Scott and Larry Bowns will be trading positions, with Bowns listed as a starter at guard where he played last year. Gass will replace Gary Brush, who was slowed this week with a bruised hip.

Chastain said Wednesday the changes looked good in work-outs. For a newcomer at the ball-handling job, Pickens was working smoothly and throwing the ball good. Gass also appeared sharp from the running-back position.

Another quarterback candidate -- Steve Harlan -- has missed the last two games due to injuries. The Tigers also lost regular halfback Victor Cristan in the first game with a bad ankle injury and he hasn't been back in action as yet.

Pickens is one of the fastest.

Installation Is Held By Women

The installation meeting of the Slaton Young Homemaker chapter was held Monday in the high school homemaker department with 12 members present.

Mrs. Harley Castleberry gave the devotional, stressing cooperation and faith. Following, new chapter officers were installed, Doris Weild of Hale Center, immediate past president of the State Association of Young Homemakers, served as installing officer.

Those taking office include Mrs. Howard Limmer, president; Mrs. Harold Moore, first vice - president; Mrs. Jerry Harlan, second vice - president; Mrs. Gene Moore, secretary; Mrs. Ed Gilliam, treasurer; Mrs. William Becker Jr., reporter - historian; Mrs. Joe Baker, membership chairman, and Mrs. Jack Don Gilliland, social chairman.

A business meeting followed the installation, during which plans were made to sponsor a "little sister" from the FHA chapter. Qualifications for a little sister were discussed, and a soft drink party was planned

for the FHA girls with the Young Homemakers as hostesses.

Plans were discussed for a bake sale, and a civic committee was appointed to inquire about the various community projects in which the organization may participate.

Refreshments were served by Barbara Gilliam, Carolyn Limmer and Nancy Harlan.

Next meeting is scheduled Oct. 26 at which time Dr. Donald Craig, pediatrician, will present a program on "Understanding Your Child."

Engagement Told By Barbara Shaw

Mr. and Mrs. Charles Shaw Jr. of Wilson announce the engagement of their daughter, Miss Barbara Joyce Shaw, to Harry Gene Hutcheson, son of Mr. and Mrs. D. J. Hutcheson of Wilson.

The couple plan to wed in the First Baptist Church of Wilson at 7:30 p.m. Nov. 6.

Art Club Has Turkey Dinner

Mrs. Claude Anderson and her daughter, Claudia, treated the Slaton Art Club to a turkey dinner and all the trimmings when it met in her home Tuesday night for the first meeting of the season.

Members answered roll call showing a picture painted this past summer. Then each one told what they did during the summer.

The meeting was opened with music played by Miss Claudia Anderson, Miss Ramona Key sang "What Will Be, Will Be".

Officers for the club this year are Mrs. Betty Burks, president; Mrs. Yates Key, vice - president; Mrs. J. L. Tims, secretary and reporter; and Mrs. Clyde Doherty, treasurer.

Other members present for the dinner meeting were Meses, A. E. Whitehead, Truett Fulcher, Ellis Schmid, M. L. Turnbow, Byron Johnson and G. A. Jaynes.

WHIRL

BY LAVON NIEMAN

I took a quick survey at the South Plains Fair Monday and decided half of Slaton was there and that more mothers "got" to take their children this year than did daddys.

The fair seemed about the same as usual except for one thing. It was a beautiful day. Not even a drop of rain! And another thing -- we saw a man fly. This really impressed our two boys. They'd like to give it a try.

And if you haven't seen "Holiday On Ice" yet, it is just beautiful. This new show is more of a musical than the Ice Capades. Or at least, I thought so. I'm quite sure I would have enjoyed it more if we hadn't spent all afternoon at the fair though.

I kept looking for a place to sit down all afternoon and would have gladly paid rent on a chair. Those rides just aren't for me. Alex Webb was riding everything his two little girls were and it didn't seem to be bothering him a bit.

The Slaton VFW and Auxiliary 6721 is participating in a worthy project. Members are trying to collect used bicycles. They will repair them and send them to Girlstown USA at Whiteface where there is a real shortage of bicycles.

If you have a bicycle you don't use or one you think you could part with, don't hesitate to call a member of the VFW to pick it up.

Saw Mrs. S. W. Clark the other day and she told me she and her family thoroughly enjoyed the free trip they won from Slaton merchants. They were allowed \$2.50 per meal to spend, and she said they just couldn't eat that much.

Here's wishing Southland a real nice homecoming tomorrow. I notice Margie Dillard is one of the candidates for homecoming queen. Since she is the only one of the candidates I am acquainted with, I wish her a lot of luck. She said it had been a long, long, time since she had run in a contest.

The Don Townsend Hospital Fund is still growing. The report I received this week was that he was fortunate enough to attend classes at John Sealy Hospital in order to keep up with his school work the best he can.

The American Legion will be sponsoring a movie to be shown at Caprock Drive - In Oct. 12 with all proceeds going to the fund for the little boy and his family. Tickets are only \$1 per carload, and a good family movie will be shown.

Don received a box of gifts from a group of GA girls at Westview Baptist Church, and his mother reports it was really a treat for him.

We are starting the "Calendar of Events" again. Anytime you have something you would like listed in it, please don't hesitate to call us. There is no charge.

'Project Bicycle' Set By Auxiliary

"Project Bicycle" was the main topic discussed when the Ladies Auxiliary to the VFW Post 6721 met Monday night.

The project is being sponsored by the District 7 posts and auxiliaries. The group voted to share expenses on one new bicycle with the post and to cooperate with them on repairing old ones. So far, only two bicycles have been contributed. The bicycles are being forwarded to Girlstown U.S.A. at Whiteface.

Mrs. Frances Sargent, patriotic instructor, announced the auxiliary would soon receive porch flags and any member or citizen of the community wishing to purchase a flag could call her or Mrs. Billie Clements, president.

The flags come with an easy-to-install bracket and will be available at cost price with a free booklet on flag etiquette. The auxiliary is in hopes that Slaton will take advantage of this courtesy and obtain flags to fly Veterans Day, Nov. 11.

During the business meeting conducted by Mrs. Clements, the chairman of the transportation committee re-

ported that four families were transported to the Well-baby clinic last week.

Plans for the auxiliary's birthday dance to be held on Oct. 22 were discussed. The dance is given to raise funds for charity and community service work. It is the auxiliary's sixth anniversary.

Mrs. Clements reminded the eight members in attendance of the Oct. 16-17 district meeting to be held in Lamesa and the VA Hospital visit scheduled for Oct. 28. Members were reminded to finish the making of pillows and lap robes to be taken to the hospital and to turn in pocket book editions to give the patients.

Refreshments were served following the meeting. Next meeting will be Oct. 11.

Check Home For Poisons

An appropriate slogan for all homemakers might be "protect young lives," says Mrs. Patsy Reynolds Yates, Texas A&M University Extension specialist in family life education.

"Parents must be constantly aware of all the forms of danger to children," the specialist reminds.

Accidental poisonings continue to mount each year. Not all are fatal, but in 1961, there were 42,000 cases of poisonings -- 90 percent which involved children under five years of age.

"When a child is that young, he cannot be held responsible. His parents must protect him. Many parents are unaware of how many household items are poisonous. A child is full of curiosity. Part of his big task in growing up is to explore his world. So he does it by poking, opening, tasting and swallowing," the specialist says.

What heads the list of the most common culprits? Aspirin is the leader in 21 percent of the cases reported in 1961. Other items were insecticides, bleaches, and detergents. Any liquid, powder or tablet which youngsters can put in their mouths is dangerous. They have been known to swallow household ammonia, roach tablets, and oven cleaners, Mrs. Yates says.

"Stage a poison hunt in your home," suggests the specialist. "Remove or put under lock and key those things which might harm your child."

MRS. S. N. JONES, JR.

Recipe Of The Week

Mrs. S. N. Jones Jr. has much cooking to do in her home since she is the mother of five children, and this week she is sharing her recipe for Quick Baked Beans with us.

The Joneses live on a farm 1 1/2 miles south of Canyon community and their four school aged children attend the Roosevelt Public Schools. Terry, age 3, is still home with mommy and the other four children--Lynn, Neil, Kay, and Janis--range from the first grade to a senior in high school.

Mrs. Jones is serving as room mother for the senior class this year. In the picture above she is shown holding a silver tray she was presented last week after serving as the first president of the Roosevelt Young Homemakers.

The Joneses enjoy square dancing and are members of the Duster's Square Dance Club and the Lubbock Square Dance

Morris Family Returns Home

Mr. and Mrs. Earl Morris and their daughter, Mrs. J. L. Gary, returned home last week after a week's visit with two sons in Houston. They visited their son, Maurice, who is seriously ill, and his wife, Phyllis. They also visited another son and family, Mr. and Mrs. Jimmy Morris and son, Chris.

Mrs. Morris's sister, Mrs. W. T. Shepherd and her daughter, Mrs. Roy Langley visited with them while in Houston. On their way home, they spent one night with another son and family, Mr. and Mrs. Earl D. Morris and daughter, Myrika, who live in Austin. While in Austin, they visited with Mr. Morris's sister, Mrs. Esma Cash.

Youth Delegates Speak At Meeting

Members of the American Legion were guests of the Auxiliary Monday night at a dinner meeting honoring representatives to Girls and Boys State.

Mrs. Ellis P. Schmid, president of the auxiliary, opened the meeting by introducing Ray Dickie, commander of Luther Powers Post 438. The opening ceremony was conducted by

Mrs. Schmid, aided by Bert Polk and Mrs. Luther Gregory who were color bearers, Mrs. Alma Lot was acting chaplain.

Stinson Behlen, who had furnished dinner music, played soft music in memory of the dead. Miss Rita McCann, junior legion auxiliary member, served as sergeant at arms.

Mrs. W. T. Davis, Girls State chairman, introduced Nancy McSween and Dianne Underwood who represented the auxiliary in Austin along with over 400 other high school seniors. The mothers of the girls, Mmes. Jay McSween and J. S. Underwood were introduced. Both representatives spoke on the program in which they participated.

Mrs. Schmid presented the girls with poppy corsages and announced they had been chosen to speak at the district convention to be held in Lubbock Oct. 25. They were chosen by Mrs. Hank Naramour, 19th district president.

Commander Dickie introduced Ellis P. Schmid, district commander and Mrs. Schmid, vice district president. The commander presented the three representatives to Boys State who gave accounts of the citizenship and Americanism programs in which they played a part. The speakers were Byron Johnson, David Tucker and Oscar Henderson. Mrs. Charles Meeks, mother of Henderson was introduced.

A game hour followed the meeting. During this time, \$5.-35 was collected to be donated to the Don Townsend Hospital Fund.

SUNDAY'S SERMON

CAN DO

The next time you face a task that seems difficult, perhaps impossible, try a little self-confidence. Square your shoulders and say, "I can do it." Maybe you will fail and maybe you will succeed. In any event, you will feel much better about the whole thing because you know that you have given it a real "try."

It is the "can do" attitude that gets things done. It is said that a one-time director of the U.S. Patent Office expressed the opinion that the office would probably not be open for long as there was nothing left to be invented. How wrong he was! At the time, there were no such thing as a Colt revolver, a telegraph, an airplane, an automobile, and you can make your own list into the thousands of items you see and use every day.

Next time success seems not to be yours, have a little faith--be sure that you have run the full course before you quit the game. Work for the best, stand straight, and don't be too proud to send out a little prayer for help.

Homemakers Host Membership Tea

A membership tea, sponsored by the Slaton chapter of Young Homemakers, was held Sunday in the high school homemaking department.

The table was covered with a red cloth under white lace. An arrangement of red and white carnations served as a centerpiece. Refreshments of punch, coffee and cake were served.

Leaflets explaining the chapter and its activities, as well as a program for the 1965-66 year, were given to each guest.

Rail Dispute Said Settled

A pending walkout by the Brotherhood of Railway Trainmen against the Santa Fe Railroad ended Saturday night with the announcement that terms of the dispute had been settled.

No details of the terms of the new agreement were given by the U. S. Department of Labor. Trainmen had walked off their jobs Sept. 11 but the strike was short lived as President Lyndon Johnson ordered the workers back on their jobs. Under the provision of the Railway Labor Act, the executive order put workmen back on the jobs for at least 60 days while the dispute was studied by a special 3-man commission appointed by the President.

Negotiations had been underway in Washington under the guidance of Asst. Secretary of Labor James J. Reynolds and Leverett Edwards, national mediation board chairman.

In a joint statement by Reynolds and Edwards, the officials praised union and company representatives for reaching agreement "with absolute minimum of help from mediators."

"The parties reached this agreement through hard bargaining and the result should prove fair and equitable to both, and beneficial to the public," workers in Slaton stopped

work Friday night when union leaders called the strike. Pickets were posted in front of the Slaton Railway office early Saturday morning. However, following the executive order, trains were back in operation by midnight Saturday.

President Johnson's executive order said the dispute threatened "to deprive a section of the country of essential transportation service."

FHA Benefit Rural Residents

More than 39,766 families of farmers, ranchers and rural residents in Texas benefitted from Farmers Home Administration loan services during 1965. This is an all-time high according to L. J. Cappelman, state director for the agency.

Loans made or insured by

the Farmers Home Administration in Texas during the fiscal year ended June 30 totaled a record \$88,289,230.

State Director Cappelman said that the Farmers Home Administration preserved its long-standing record for keeping its various lending programs in a sound position

During the fiscal year ending June 30, 1965, the following loans were made in Lubbock County stated Ralph E. Griffiths, County Supervisor:

- 1. Farm Ownership for \$47,000.00
 - 2. Rural Housing for \$28,000.00
 - 1. Soil and Water for \$6,560.00
 - 1. Soil and Water Association for \$109,000.00
 - 72. Operating and Emergency loans for \$677,820.00
- Total amount loaned in Lubbock County was \$867,820.00

Polio Immunization Should Be Maintained

Have you kept up your immunity against polio?

Today's Health, the magazine of the American Medical Association, cautions: Do not be lulled into a false sense of security in controlling this paralyzing disease because of the overwhelming success of Salk and Sabin vaccine. These vaccines have not eradicated the viruses which cause polio. Rather, like all vaccines, they

trigger the body's defenses to build up antibodies which can combat the viruses if they should gain entry into the body. All persons who have not been properly immunized against polio are still vulnerable to attack. This includes two-thirds of pre-school age youngsters, who have not received full protection.

Three viruses which cause polio have been identified, both Salk and Sabin vaccines protect against all three.

The Salk vaccine is administered in a series of injections, three about six weeks apart and a fourth six months or more after the third. The Sabin vaccine, taken by mouth, is given in three doses, six weeks apart. Either vaccine may be given to infants at a very early age. All expectant mothers should be vaccinated, as they are particularly susceptible to polio. Although polio is primarily a childhood disease, it also can strike adults.

Even persons who have had polio from one type of virus remain susceptible to additional attacks from the other two viruses.

There are very few polio cases recorded in the United States in the past year or two, so few that many individuals have become negligent in obtaining proper immunization.

Don't let the small number of cases lull you into a false sense of security. If polio should strike your family, it would be a tragedy no matter how few others were stricken. Don't take a chance, even a slim one. Check with your doctor regarding immunization against polio for you and your family.

474 Residents Lose Licenses

A total of 474 Lubbock County citizens had their driver's license suspended or were denied a license during 1964.

Of this total, 358 persons had their licenses suspended and 116 persons were denied a license to operate a motor vehicle in the state.

Leading the causes for suspensions were 195 for habitual violators and 193 for drinking while driving. Thirty-three persons violated restrictions and 17 persons committed automatic suspension offenses and 16 drew suspensions in other states.

Other causes of suspensions were driving while license suspended, mental incompetence, incapacity, under the influence of drugs, failure to stop and render aid, negligent homicide, inhumanity to public safety and murder with a motor vehicle.

During the year, 23,956 licenses were suspended with 10,069 licenses being denied over the state. The 20-year-old driver had the most licenses suspended with 1,348.

Shopping Hints Given For Washer
Special circumstances and family needs can help homemakers decide whether to buy an automatic or a non-automatic washing machine. Whichever type you choose, check the following points before you go shopping, says Mrs. Wanda Meyer, Texas A&M University Extension Service home management specialist.
Water needed -- Important, especially if water supply is expensive, or limited, or both.
Capacity -- Most machines wash better with three pounds less than the capacity indicated.

Cost-Share Soil Cover Available

If your soil seems to have "tired blood" and does not respond with irrigation water and fertilizer, chances are that it is low in humus.

This is a subject that is often discussed but very little done to improve the situation. The results can often be seen by decreased yields per acre and swirling dust clouds that stretch for hundreds of miles carrying their rich topsoil away.

The season of the year is here when we can "cover up" our soil with a cover crop and take some positive action to remedy the cause.

Winter legumes add nitrogen to the soil as well as provide protection against wind and water erosion. Small grains also make excellent cover to the

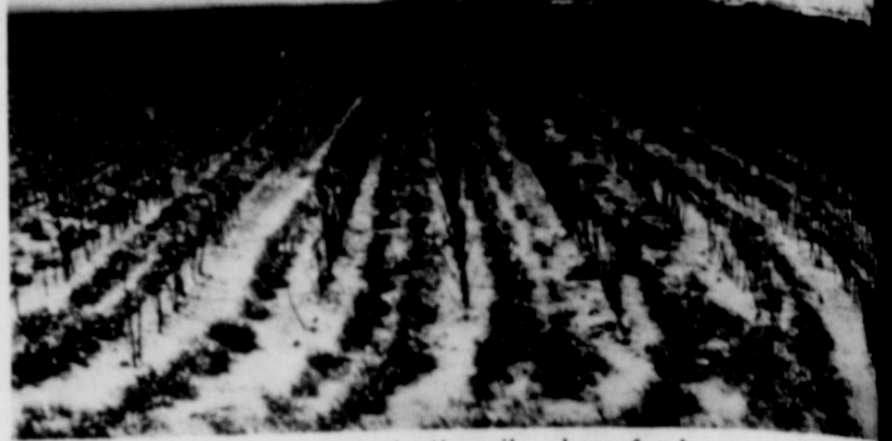

soil to reduce wind erosion to a bare minimum. Small grains and legumes may be planted separately or in mixtures with good results.

Legumes and small grain can be planted in cotton or sorghum middles now. They will not interfere with harvest. A legume should not be planted in cotton middles if the farmer plans to defoliate his cotton this fall with chemicals.

Land that has been summer fallowed should be given special attention at this time. Results from experiment stations indicate that very little moisture is required by a small grain up until the boot stage.

In most cases more moisture is stored on these fields as compared with "bare" fields. Also, turn rows, ditches, farmsteads, vacant lots, and other bare areas could benefit from this treatment.

Cost-share assistance is available for this practice through the Agriculture Conservation Program administered by the ASCS at the rate of \$2.50 per acre.

CROP COVER — One way to tie soil down with a crop cover of small grain and vetch is shown. Soil treated with this conservation measure will not be blown during the months ahead. Cost-

share funds are available the ASC program. Farmers should call the ASC office before planting to receive cost-share.

est players on the squad and has been a regular defensive starter as a linebacker. He had been listed as the No. 2 fullback on offense. Scott showed potential as a power runner in practice this week.

Slaton downed the Class 5-A Eagles by a 20-0 score last season, and the Tigers will be favored to defeat the winless O'Donnell team tomorrow night. The Eagles have lost four straight this year. The black and gold squad is reported to have more experience and more speed than last year.

Only common foe between the two clubs has been Crosbyton—a team that beat O'Donnell by 47-13 in the season's opener. Slaton lost to the same team last week by a 20-8 count. O'Donnell has also lost to Ralls by 27-0, Spur by 27-6, and Frenship by 39-8.

The Eagles are led by all-district halfback Bud White, 145-pound junior, Tackle Jerry Haire and guard Bobby Ewing head up the line standouts.

Slaton's starting lineup, except for the shuffle outlined above, is expected to be about the same as in previous games.

A Lynn County native, W. K. Shewmake, has honored his birthplace in the title of a song he has written, "Tahoka Polka."

Shewmake, a recent visitor here from Dallas, writes and sings under the name, D'Fleming. He is the brother of Lige Shewmake of Slaton.

Shewmake left a complimentary platter of "Tahoka Polka" with The Slatonite, and also placed some of the records at Teague Drug to be sold to the public.

He and his wife plan to attend the next Tahoka Homecoming, when he will sing "Tahoka Polka." Shewmake has recorded 51 songs. His first was "God Is My Santa Claus."

Active in the songwriting and singing field all his adult life, Shewmake's career has led him from Hollywood to Nashville to Dallas. He was born on the J. R. Strain farm, not far from Tahoka in the Midway community.

His father, the Rev. Amos W. Shewmake, was a Baptist minister. Shewmake attended schools at Joe Bailey and Draw before the family moved to South Texas in 1941.

CITY--

(Continued from Page 1)

hearing was adjourned.

The budget is an increase of \$14,274 over last year. The increase is attributed to the plan to purchase a new sanitation truck, two pickups and a five percent salary increase for city personnel.

Also included in the budget is the funds for a new patrolman. A decision is pending by the commission on whether to hire the additional policeman.

Fire Chief Don Kendrick appeared before the council to ask for a change in water benefits for fire department members. Firemen voted to petition the council for free water.

Currently, firemen are given \$7.50 per month in addition to the pay for regular meetings and fires. The \$7.50 is approximately the average monthly water bill, the commission explained.

Mayor Cain said that water bond indentures would not permit free water to any group or person. The commission said it would study the proposal but Commissioner J. W. (Curly) Martindale explained that he could not see the difference moneywise -- for changing the method of benefits since the

Sorghum Not Good S

"Why can't I save grain sorghum to plant for seed next year? I paid plenty for the seed this year, the harvest should be good enough to plant again." This comment is often voiced by Texas farmers who'd like to cut costs by saving a part of their grain sorghum crop for next year's seed.

A quick look at a plot of grain sorghum at Texas A&M University's Livestock and Forage Research Center at McGregor will soon convince even the staunchest doubter that saving grain sorghum for seed is folly.

\$7.50 is approximately the average monthly bill.

Commissioners briefly discussed correcting the dust situation at the newly formed pits on S. 9th. Street employees said they would take steps to correct the problem.

Also discussed was enforcement of the sanitation ordinance. Two complaints had been lodged with the city because of the usage of outdoor toilets.

It was explained that some of the people could not afford to build bathrooms. The city has some \$4,000 budgeted for sewer extensions, but the city cannot install fixtures at residences.

The plot at the Research Center was planted with seed held out from harvest the previous year. Some heads in the field were four or five feet high, while others were a scant two feet from the ground. This means more foliage has to be run through the combine to harvest the grain.

In addition, there were numerous white heads in the field. This is caused by the genetic makeup of seed saved from the product of first-cross grain shogham harvest. Mixed

grain always on the elevator, and is difficult to any price.

Many of the ture and ready to but there were were immature be harvested, raise the moisture this means a do vator.

Everyone know is a sad teach the hard way.

They all went to Meadow over the weekend and to visit another sister, Mrs. Bill Joplin and family.

Kenneth Aichmeyer went to Amarillo this weekend. He is the grandson of Mr. and Mrs. Joe Moeller. His parents live in Amarillo. Dinner guests at my home Sunday were my daughters Mrs. Bobby Swann and family, and Mrs. Bill Karon and Michael came in the afternoon. My birthday was Sept. 27 and I received so many nice gifts, it isn't so funny having birthdays now when you have had so many you just want to stop counting them.

Mrs. Lela Clark and Mrs. Eunice Gentry came out one day last week. I really enjoyed having them as I do all company. Rose Marie and Sharon Maeker spent the weekend with their daddy and grandparents, the Ed Maekers. They also spent some time with their little cousins, Tessie, Debbie and Laurie Gentry, Sunday.

Mrs. Heddie Kelly reports her brother-in-law, Roland Schuette, has been dismissed from the hospital and is staying with his son, Daniel and his wife, until he is able to return to his home.

Visitors in the Stahl home recently were Mr. and Mrs. Joe Schram Friday and Miss Rose Kahllich from Slaton on Sunday. Also Mrs. Annie Schuette.

Buddy Oliphant, a son-in-law of Mrs. Kelly, came over the weekend from Amarillo. Just received a letter from Mrs. John Kurtz of Mulvane, Kans. She says she wouldn't be without the Slatonite and sent me a check for her renewal. She also stated she first reads the Posey news, as this is her home town, then all the rest of the paper. She is the daughter of Mrs. Julius Stahl. Her husband raises wheat, other grains and vegetables there in Kansas.

Tips For 1966 New Car Buyers Given By TADA

AUSTIN -- New model automobiles will begin appearing in the showrooms of Texas franchised dealers on Oct. 1, and the Texas Automobile Dealers Association this week made several suggestions to purchasers of 1966 cars.

H. C. Pittman, executive vice president, said new car buyers in Texas lose thousands of dollars annually by failing to read operating instructions on the care and use of their new automobiles and by not understanding the warranty issued with each new car sold.

"Buyers will save time and money by reading immediately upon purchase their warranty and instructions," Pittman said. He also urged buyers to trade with established automobile dealers. "This assures you of a title to your car promptly, and also a warranty," he said. New model cars will begin

Nursing Meeting Set In Lubbock

A conference entitled "Patients are Interesting People," is scheduled Monday and Tuesday at the second in a series of meetings sponsored by District 18 of the Texas Nurses' Association and the Lub-

bock Mental Health Association. The conference will be held at the Ko Ko Palace in Lubbock and is open to all professional nurses, nursing students, counselors, psychologists, physicians, teachers, hospital administrators and sociologists.

Also featured on the program is Miss Grace Gould, supervisor of psychiatric nursing for the Washington State Department of Institutions and Clinics. She has authored many articles in hospital and nursing journals. Registration is \$10 for both days and \$7.50 for one day for members of the association. Fees for non-members are \$15 or \$10 for one day. An informal reception to honor the guests will be held at 8 p.m. Monday in the Lubbock Women's Club.

38 Mishaps Occur In County

The Texas Highway Patrol investigated 38 rural traffic accidents in Lubbock County during the month of August, according to Sergeant O. C. Guthrie, highway patrol supervisor of this area.

These wrecks accounted for 16 persons injured and an estimated property damage of \$22,115. The rural traffic accident summary in Lubbock County for the first eight months of 1965

shows a total of 268 crashes resulting in seven persons killed, 168 persons injured, and an estimated property damage of \$199,300.

Sept. 1 marked the beginning of the new motor vehicle inspection period for all Texas motorists. "With the hard-summer driving coming to an end, fall is an excellent time to have vehicles safety checked for the winter months ahead", the Sergeant said.

Post Office Seeks Applications

The Slaton Post Office is seeking applications from local residents who are interested in becoming postal clerks or city carriers. Postmaster Rush Wheeler announces,

Persons who apply and who pass a written test given by the Civil Service Commission will be placed on a list of Eligibles and will be considered for future job openings.

Clerks and carriers are now paid a starting rate of \$2.48 per hour, with annual increases for six years to \$2.97 an hour and additional increases every three years to \$3.38 an hour. Anyone interested in a career in the postal service may obtain complete information from Postmaster Wheeler, or from the Executive Secretary, Board of U. S. Civil Service Examiners, U. S. Post Office,

Fort Worth, Texas.

The Post Office Department is the largest employer in the federal service and provides facilities indispensable to the nation's commerce and defense. Postal employment is unusually stable and normally leads to a lifetime career. Outstanding postal workers advance to supervisory positions as vacancies occur.

Together with all federal employees, they receive regular step increases in salary. They enjoy the benefits of low-cost life insurance, comprehensive health benefits programs, paid vacations, and substantial retirement incomes.

Mrs. Lula Caldwell, who has been a patient in Mercy Hospital for the past three weeks, returned to her home Tuesday.

Honey Idea
Honey may crystallize if kept at refrigerator temperatures or lower. This is a natural process and no cause for worry. Put the jar in a pan of warm water and the crystals will disappear.

Mercury for 1966 again moves forward as a premium car in the medium-price field with tasteful styling changes, new engines and important additions to the option list, including disc brakes. Standard in top-of-the-line Park Lane series (above) and optional in other Mercurys is an exclusive new 410-cubic-inch 330-horsepower engine. The new Mercurys will go on sale in dealer showrooms October 1.

SOUTHLAND NEWS

MRS. EDMUND WILKE

Southland Pupils Guests At Fair

Well, today is South Plains Fair day for the Southland School and it is a typical "Fair" day, because it is cloudy and chilly. Seems like just about every year we get a shower of rain on that particular day. When I was growing up, this was one of the most exciting days of the whole year. We would take 50¢ and go to the fair and spend the day, and maybe come home with a nickel left, but it sure isn't that way today, is it? Our children usually take several dollars with them and then after the first two hours they are trying to find us to get some more!

We would like to extend our deepest sympathy to Mrs. E. L. Anderson of Southland whose sister, Mrs. Leora Ivy, was killed in a car wreck last Sunday. Mrs. Ivy and her two sons, Jimmy Wayne, 21, and Jerry Glenn, 16, and another relative, Samuel Ray Bagley, 18, and Mrs. Carolyn Jeanette Stephens, 17, were all killed in a two-car crash just inside of the city limits of Lampasas. Mr. & Mrs. E. L. Anderson and Mrs. R. D. Eckert went to Lampasas for the funeral and returned to Southland on Wednesday. News like this is most heart breaking, isn't it?

ARIZONA RELATIVES VISIT Mr. & Mrs. Delbert Abshire had a most enjoyable visit with Delbert's uncle, Mr. & Mrs. W. R. Scroggins and their daughter and her two children Saturday. The Scroggins live in Buckeye, Ariz., and they stopped by and spent a few hours with the Abshires.

Mr. & Mrs. Eugene Loewe and four girls of Haskell spent the week-end with Mr. & Mrs. Willie Becker.

Mr. & Mrs. D. D. Pennell and Mrs. Lee Fredrickson spent from Friday until Sunday in Houston. They visited with Mr. & Mrs. G. C. Emery and daughters and Mr. & Mrs. Homer Freeman and Jul. On Saturday

night Mr. & Mrs. Pennell went to the Astrodome and watched the Houston Astros and the Cincinnati Reds play ball. Mrs. Pennell says that the Astrodome is quite a place! Mrs. Emery and Mrs. Freeman are both sisters of Donald Pennell and Mrs. Fredrickson.

RETURN FROM CALIFORNIA Mr. & Mrs. Jack Hargrove are back from Los Angeles where they spent two weeks visiting with their son, Joe Neil. I know that this was a wonderful two weeks for all three.

Mr. & Mrs. Jack Hargrove ate supper with Mr. & Mrs. Lonnie Stokes of Cotton Center on Friday and then they all attended the football game. Incidentally, Southland lost to Cotton Center, 26 to 8. It was a good game, anyway!

R. T. Moorehead from Abilene, spent Saturday with the Jack Hargroves. Mr. Moorehead is a cousin of the Hargroves.

Edmund Wilke went to Wilson on Sunday afternoon where he attended the North West Texas Conference of The American Lutheran Church Men's fall rally. The guest speaker was Dr. A. G. Wiedersaender from Texas Lutheran College at Seguin.

KANSAS VISITORS

Frank Moore and son, Billy Ray, from Liberal, Kan., visited with his mother and his sister, Mrs. Elsin Crawford, last week. Billy Ray is going into the service on October 6th. Webster Crawford went on a business trip last week to McAllen, Texas. Webster works in the Credit Union Department at Hancock Mfg. Company in Lubbock. He and another man went on this trip and they had a very bad scare, because one night Webster woke up and found the whole room that he was sleeping in, filled with smoke. He jumped up and went into the other room to wake up the man in there and had a hard

time finding him because his room was also full of smoke. They saw that the couch was smoking and they carried it outside and it burst into flames. Thank goodness Webster woke up in time!

Mrs. Camden, mother of Bob Camden, will undergo surgery this morning (Monday) at Mercy Hospital in Slaton. May God grant her a safe and speedy recovery.

Mr. & Mrs. Leroy Zieschang, Edmund and Yours Truly gave a fish fry at our home on Saturday night. Those attending were Messrs. & Mmes. Howard Moeby, Billy Lester and two sons, Delmar Wilke and Angie, August Patschke and three children, Bill Walter and Kathy, James Riney and Cathy, R. M. McMinn, Mrs. Libby Schneider and Mrs. Betty Bryson, Terri and Kathy. Our son Larry was home for the week-end, so he was here along with Sherri & Darrell.

SENIOR SPONSOR HAY-RIDE The Southland Senior class sponsored a hay-ride last Saturday night with all the high school participating. They went all the way to Silver Falls and I imagine that they had a lot of fun, even though it was pretty cold.

Mr. & Mrs. Ed Denton are home from Possum Kingdom. It rained so much down there that they thought they might as well come home for a while. Their great grandson, Tommy Pierce, had brain surgery on the 7th day of September in San Antonio and is doing pretty well at present. Little Tommy is the grandson of Mrs. Louise (Denton) Corson and the son of Mr. & Mrs. Neil Pierce. Louise lives in Anchorage, Alaska, but is in Pleasanton helping out the Pierces while Tommy is in the hospital. Mrs. E. W. (Myrtle) Lichey of Durant, Okla., had also been down at San Antonio and Pleasanton helping. Before returning to Alaska, Louise will come by here to visit with her parents. She will probably get here tomorrow (Tuesday).

Mrs. Ed Denton took Mrs. Susie Bradshaw to church on Sunday morning and then Mrs. Bradshaw went home with Mrs. Denton for dinner. Also visiting the Denton's on Friday were

Mrs. Claud Roper, Mrs. J. F. Rackler, Mrs. Louise Denton from Lockney, Mrs. A. B. Pruitt from Slaton, and Mr. & Mrs. Martin Edmunds.

I was so sorry to hear that Mrs. Alpha Taylor fell and broke her right arm one day last week. Her daughter, Mrs. Sybil Alcorn from Amarillo, was going to come and get her and take her back to Amarillo. I understand that she spent one night in the Mercy Hospital. I sincerely hope that everything goes all right and that she doesn't have too much trouble with her arm.

Mr. & Mrs. Robert Hagler, Velma and Robert Lee have gone to Tennessee on a visit.

HOMECOMING SET

As most of you know, this week-end is Southland's homecoming, so I am expecting to see a lot of you here. I understand that there will be a lot of different activities, including a football game, so come on down and visit and get reacquainted with some of your former classmates. There will be a delicious barbecue dinner served and the crowning of the queen will take place at the business meeting. Also the football sweetheart will be crowned at the half of the ballgame. Southland will be playing Loop, so good luck boys, we sure hope that you win!

See you all next week and in the meantime, call your news to 996-2423.

NEW MERCURY MOVES FORWARD IN MEDIUM-PRICE FIELD

The 1966 Mercury moves forward again as a premium car in the medium-price field with tasteful styling changes, a new two-door hardtop roofline, new engines, a sporty S-55 series, and an extended list of luxury options. The new Mercury goes on sale Oct. 1, at Smith Ford, Inc., in Slaton.

"Mercury is gaining a reputation in the medium-price field similar to that established in the luxury field by the Lincoln Continental," said Paul F. Lorenz, Ford Motor Company vice president and general manager of the Lincoln-Mercury Division. "This is reflected not only in sales in-

Woman Named Top Homemaker

Mrs. Kenneth (Karen) Callaway was selected as September "Homemaker of the Month" at the meeting of the Slaton Young Homemaker Chapter Monday.

Karen is a native of Southland where she and her family live. The daughter of Mr. and Mrs. D. D. Pennell, she is married to Kenneth Callaway, an employee of Becker Bros. Mobil service. Karen works as a part-time bookkeeper at Southland Hardware.

The Callaways attend the Southland Baptist Church where Karen is a Sunday school teacher in the primary department. She is a past worthy matron of the Order of Eastern Star and is a member of the Southland chapter.

Mrs. Callaway enjoys water skiing and riding bicycle. She attends all football and basketball games of the Southland Eagles. She and her family also attend track meets when possible. In addition, she also enjoys sewing and cooking.

The Callaways have two children, Jay, 4, and Stacy, 2. Here are two of Mrs. Callaway's favorite recipes:

Cotton Center Downs Southland 28-8

Southland's first defeat of the 1965 grid campaign came Friday night when Cotton Center scored 28 points while the Eagles managed only 8 in an 8-man non-conference tilt on Cotton Center's home field.

Freshman Habier Salinas scored Southland's lone touchdown in the fourth period when he crossed into paydirt from 12 yards out. The halfback also added the extra points.

Barry Weaver ran for the first touchdown for Cotton Center from 12 yards away. The extra points were run by Gary Wood.

Pat Williams plunged over from the one-yard line for the second tally in the first stanza and the try for extra points failed.

Homer Morales scored on a four-yard run in the second period and Wood added six more points in the third quarter from three yards out.

It was the first loss of the season for Coach Bobby Dyess' crew against two wins.

POPULAR MUSTANG HAS SPORTS, LUXURY APPEAL

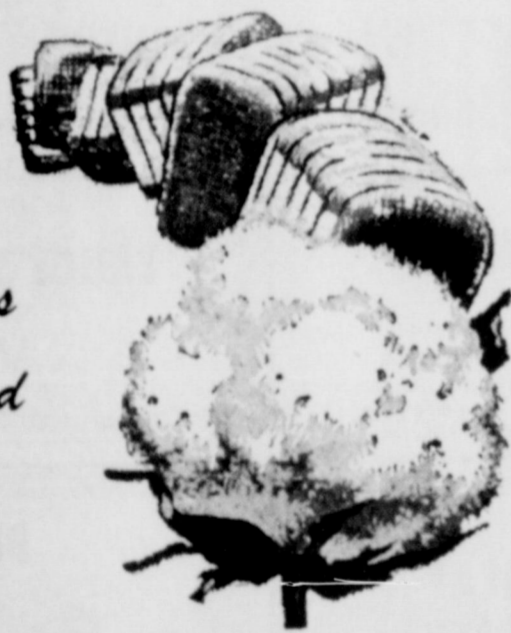

After 17 months of record-smashing success as a 1965 model, the Mustang becomes a 1966 with new sports and luxury appeal features. New styling touches, a five-dial instrument cluster and new safety features are standard on all 1966 Mustangs. New Mustang options include a Stereonic tape player for music lovers and a high performance engine automatic transmission combination.

Donald N. Frey, Ford Motor Company vice president and Ford Division general manager, announced that the 1966 Mustang continues the pattern of responsiveness to customer demand that has marked the car since its introduction in April, 1964. "With the Mustang less than six months old, we added a fastback model, styled steel wheels, new standard six and optional V8 engines, and optional front-wheel disc brakes," Frey said. "Six months later, in April this year, we announced three more Mustang options -- the GT equipment group, interior decor group, and full-width front seat. "Thus, the 1966 Mustang represents the third evolutionary step to enhance the Mustang's proven triple appeal as a practical car, luxury car and sporty car," he said.

The third series of changes since it was introduced as a 1965 model 17 months ago mark the debut of the Mustang as a 1966. New styling touches -- shown on the hardtop model above -- include a new grille, simulated magnesium wheel covers and side ornamentation. A five-dial instrument cluster and new safety features also are standard for all 1966 Mustangs. New Mustang options include a Stereonic tape player -- shown below -- that provides up to 30 minutes of true stereo music or the equivalent of two long-playing records. The tape player is incorporated into the car radio which may be used at any time for news or information simply by removing the cartridge. With three Mustang options introduced in April, the 1966 Mustang represents the second enhancement of the Mustang in five months.

Cooper Bows To Anton 30-22

BY ROY McQUEEN
Slatonite Staff

Following a first half stalemate, the Anton Bulldogs broke the ice in the third period Friday night to take a 30-22, Class B non-conference victory over Cooper High School at Woodrow.

The two teams went to the dressing rooms at intermission deadlocked, 16-16. Cooper took the opening kickoff of the second half a field general Larry Schneider ran the ball out of the endzone to the 18.

Nine plays later, Cooper had marched to Anton's 20-yard line. The drive was highlighted by a 23-yard run by David Kahlich and a 19-yard bootleg by Schneider for a first down.

Eddie Hickman was stopped at the line for no gain and a completed pass from Schneider to Kahlich lost two yards. Schneider attempted a pass to Gordon Kitten that went incomplete. On the fourth-down try, the quarterback hit Kitten but the play only covered four yards and Anton took over.

Anton moved the ball 83 yards in 13 plays to score with 33 seconds remaining in the third stanza. The sustained drive included four first downs. The largest gain in the drive was a 26-yard scamper by half-

back Nicky Biffle. The payoff came when Biffle plowed off tackle for eight yards and the score. Rodger Mitchell attempted for the extra point but was stopped cold at the line of scrimmage and Anton led, 22-16.

Cooper took the kickoff and a fumble on the second down of the series was recovered by the Bulldogs' Jacky Hill. Two plays later, an aerial by Anton quarterback Keith McGrew was intercepted by Schneider.

Cooper ran eight plays, including two first downs before Schneider's pass was picked off by Scott Cade. After little success trying to crack a tough Pirate defensive wall, McGrew faded back and hit Biffle on a fourth and 12 play for a 42-yard pass touchdown. McGrew added two extra points on a keeper and Anton led, 30-16, with 2:02 remaining in the fourth period.

Cooper pushed for a final score as Schneider took the kickoff on his own 25 and returned it to the Bulldog 41.

After an incomplete pass, Kahlich drove for seven yards. Hickman added 12 and Kahlich plowed for 10 more. Hickman went off tackle on a pitch for 10 to move the ball to the one-yard line.

Kahlich scampered around end standing up for the score. Wayne Kahlich's attempt to run the conversion failed and the score stood, 22-30, with 48 seconds remaining to play.

Cooper scored first in the game with 6:14 remaining in the opening quarter. Kahlich went around end on a 14-yard yard-dirt scamper. He also pushed across the two extra points.

Anton tied up the score with 11:24 in the second period when Rickie Reep went up the middle. Biffle added the two points on the second try after offsetting penalties.

With 4:45 remaining in the half, Schneider faded back to hit Charles Bentoncourt near the sidelines. Just before Bentoncourt was swamped by defenders, he pitched to Kahlich who took the pigskin in for the tally.

The play was called back for offside. Schneider called the same pattern and again it worked, this time for six points. The signal called then connected with Hickman for the PAT.

Anton climaxed a 52-yard drive with 42 seconds remaining in the half. Mitchell sliced over center for the tally from four yards out. He also added the extra two points to knot the score at half, 16-16.

Kahlich was the big offensive gun for Cooper as he rushed for a total of 103 yards. Biffle was the team's leading ground gainer as he went for 138 yards during the night.

Cooper rushed for 210 yards on the ground and completed eight of 16 passes for 60 yards and a net offensive effort of 270 yards. The Pirates had 17 first downs and penalized twice for 10 yards.

Anton also had 17 first downs and rushed for 181 yards on the ground. However, the Bull-

Wolves Bludgeoned Roosevelt, 69-0

The powerhouse Springlake Wolverines blasted the hapless Roosevelt Eagles, 69-0, Friday night to win their fourth consecutive game of the season and hand Roosevelt its third loss against one victory.

Springlake rolled up 524 yards on offense with quarterback Doug Messer leading the way. He connected for 13 of 23 passing attempts for 323 yards and four touchdowns.

The Wolverines scored in every way including a safety late in the third period. Jerry Sander faded 40 yards on one occasion to toss a two-point PAT to end Floyd Henderson.

Henderson was also the big gun on the receiving end of Messer's aerials. He caught scoring passes of 43, 27, and 67 yards from the field general. Messer also connected with Logan Armstrong for a 48-yard scoring play.

Halfback Floyd Bennett scampered 11 yards and eight yards for two touchdowns. Fullback Jerry Sanders went 20 yards for six points in addition to three kicking conversions and stopping the Roosevelt runner for the safety.

Randy Washington sprinted 54 yards for another Springlake score. The finale of the scoring spree was by Jimmy Stockstill who blocked a Roosevelt punt and ran with the ball for 20 yards and the score. Sanders tossed to Lonnie Adrian for the conversion.

Henderson, Pete Glasscock and Jose Trejano were defensive standouts for Springlake. Roosevelt managed 50 yards on the ground and 34 passing.

New Code Seminar Set

Attorney General Waggoner Carr announced today that the eighth of 14 regional seminars on the new Texas Code of Criminal Procedure will be held in Lubbock Oct. 7.

Purpose of the Seminar, to be held in cooperation with Lubbock County District Attorney Alton R. Griffin, is to better acquaint law enforcement officers with the new Code.

Carr and Griffin said that all law enforcement officers, justices - of - the - peace, prosecutors, judges of courts of criminal jurisdiction, and news media of the following counties have been invited to the Lubbock meeting: Scurry, Borden, Dawson, Bailey, Lamb, Hale, Floyd, Motley, Cottle, Hardeman, Foard, Wilbarger, Cochran, Hockley, Lubbock, Crosby, Dickens, King, Knox, Baylor, Kent, Yoakum, Terry, Lynn, Garza, Stonewall, Hask-

officers with the new Texas Code and with recent United States Supreme Court decisions.

The 59th Legislature, in passing Senate Bill 107, made more than 200 changes in the Code directly effecting the trial procedures of criminal cases in Texas. The changes will become effective on January 1, 1966.

It was the first loss of the season for the Pirates. Both teams now have a won-loss record of 2-1. Cooper travels to Whiteface next week for another non-conference tilt.

Last year, Whiteface downed Cooper, 26-12. Cooper sports an experienced and aggressive backfield while Whiteface is having difficulty in finding a quarterback.

Throckmorton and Gaines. The seminar will be held at the Cocoa Palace and will begin at 9:30 a.m. and conclude at 5 p.m.

Participants in the program include District Judge John F. Union Jr. of San Antonio, and assistant Attorneys General Howard M. Fender, Sam L. Kelley and Lanny F. Zwiener. Zwiener will discuss historical background and recent U. S. Supreme Court decisions.

Fender will speak on arrests, searches, seizures, and confessions. Kelley will discuss post-arrest and pre-trial stages, and Judge Union will explain new trial and appellate procedures.

"It is vital to good law enforcement that local and state authorities understand these new requirements and standards, and we hope that these meetings will be helpful in ac-

Mustangs Bow To Crosbyton Hard-Fought Tilt, 20-8

REDDY NIEMAN

Mustang offense... Crosbyton rallied to victory over the Mustangs last night at Crosbyton.

suming 80-yard drive. Slaton faced five third-down situations and one fourth-down decision during the drive.

Henry Johnson and Gary Brush did most of the leg-work, and quarterback Gass hit Bobby Magallanes with a key 11-yard pass in the TD drive. Joe Olague recovered a Brush fumble to keep the offense rolling, too.

Johnson climaxed the long drive by smashing over right tackle for four yards away on the first play of the second quarter. Johnson also tackled on two points, going around right end, to give Slaton a 6-6 advantage with 11:55 left in the half.

Flournoy almost broke on the next Crosbyton drive, going 34 yards on another counter play before being hauled down by Gass and Olague on the Slaton 28. The tough Tiger defensive unit rose up and held for downs on the 9.

Slaton had a slight edge in statistics during the first half and marked up 8 first downs to 5 for the Chiefs. Johnson, held under the 100-yard rushing mark the first time this season, rambled for 72 yards in the first half and wound up with 94 on 17 carries.

Crosbyton came back strong in the third period, taking opening kickoff and moving 66 yards in 11 plays for the go-ahead tally. Wheelless was the work-horse in this drive, but it was Flournoy who again found paydirt with a 12-yard dash into the end zone with 6:44 left in the third stanza. Wheelless then rambled over for two points.

Slaton appeared on its way to tying the score or going ahead after taking the ensuing kickoff. Gass returned the kickoff to the 30, Johnson hit for 4, Brush added 2, then Gass got 9 for a first on the 45. Gass found Magallanes open for a 15-yard pass completion to the Chief 40, then Johnson and Brush hit up the middle for 7 and 6-yard gains to the 27.

Brush and Larry Bownds hit off tackle for gains of 4 and 2, then Gass was stopped for no gain. On fourth and needing 4, Brush was stopped a yard shy of a first down at the 18.

Crosbyton drove the ball all the way to the Tiger 27 before the Slaton defense held for downs with about 7 minutes left in the game.

Brush sliced off tackle for 3, and the Tigers got a first on their own 46 when the Chiefs drew a 15-yard penalty. Johnson carried on three straight plays for 11 yards and a first on the Chief 40, but Crosbyton got stingy with the yards.

Brush got only 1 yard on a reverse; Johnson was topped for no gain on an end sweep, and Gass was tossed for 7 yards loss on two more plays while attempting to spot a pass receiver.

With almost 4 minutes left, the Chiefs chucked up one first down on a long 34-yard pass play, then the Tigers held and took over on their own 17-yard line. A half-the-distance penalty put the Tigers back close to the 8, and Gass tried a pass that fell incomplete.

On second down, Gass started to throw a screen pass in the left flat, apparently decided it was too dangerous at the last second, and the ball slipped out of his grasp and rolled into the end zone. Crosbyton tackle Charles McDougal pounced on the loose ball for a Chief touchdown with just 28 seconds left in the game. Flournoy's running attempt for two points failed.

The Tigers got off three plays before the final whistle, however. Johnson returned the kickoff for his 15 to the 22. Gass missed Magallanes on a long pass at the Chief 45, then hit the same target for a 17-yard advance. A screen pass to Johnson lost five yards on the final play.

Flournoy got 145 yards rushing for the Chiefs on 16 plays with the ball, while teammate Wheelless rambled for 75 steps in 20 carries. It was the first

Annual PCG Meet Oct. 2

LUBBOCK - The annual meeting of Plains Cotton Growers, Inc. has been set for 9:30 a.m. Oct. 2 in Municipal Auditorium on the Texas Tech campus.

The 25,000-member, 23-county cotton producer organization meeting would be build around "an internal look at PCG." Members will hear reviews of activities and accomplishments since PCG's beginning in 1956. They will also be given a preview of "things to come" for the organization.

All-cotton door prizes will be given throughout the meeting and a free barbecue lunch will be served under the West stands of Jones Stadium at noon. Also given will be two grand prizes, one to a grower and one to a producer. They will consist of expense paid trips for two to either the annual Plains Cotton Growers Textile Mill Tour or to Ginner's Convention in Dallas. Winners will have a choice between the two.

Regular features of the annual gathering will be the installation of directors and officers for the 1956-66 year and a financial report. Current officers are Roy Forkner of Lubbock, President; J. D. Smith of Littlefield, Vice President; L. D. (Don) Anderson of Crosbyton, Secretary - Treasurer; and Wilmer Smith of New Home, Chairman of the Board.

Wilson Bows To Jayton Friday

The Wilson Mustangs take Friday night off this week in hopes of regrouping its forces after a 22-8, defeat at the hands of Jayton.

It was the second straight loss in three outings for Wilson while Jayton gained its first victory in the same number of tilts.

The lone Wilson touchdown came when halfback Kenneth Carley crossed the goal line marker after an eight-yard plunge. The extra points were added by Johnny Scott.

Jayton scored first when Eddie Morales sprinted eight yards for the tally. Granville Smith plowed over for the two-point conversion.

Roger Favor intercepted a Wilson aerial and scampered 45 yards for the second tally for Jayton. The attempt to run the extra point was stopped by Wilson.

Smith hit paydirt again in the fourth period when he raced around end on a 28-yard keeper. Morales added the extra points.

Tech-A&M Grid Tilt, Pro Cage Game Set

LUBBOCK -- Texas A&M and Texas Tech renew their rivalry for the 24th time at 7:30 p.m. Saturday in Jones Stadium here.

Begun with a 47-6 Aggie win at Lubbock in 1927, the series stands at 15 - 7 - 1 in A&M's favor. In Southwest Conference contests the rivalry is knotted at 2-2-1. Tech has won the last two meetings, by 10-0 and 16-12.

Each is .500 for the season. A&M bounced back from a 10-0 loss to Louisiana State with a stunning 14-10 victory over Georgia Tech. The Aggies trail-

ed by 10 points going into the last five minutes.

Texas Tech was beaten 33-7 by University of Texas last week after opening with a 26-7 triumph over University of Kansas. A sell-out crowd of 65,300 saw the game at Austin.

Despite the score, the Red Raiders amassed the most passing yardage they have ever attained in SWC play -- 225 yards.

Early arrivals will be able to see a professional basketball game between St. Louis and Wilt Chamberlain's Philadelphia team. Set for 3 p.m. Saturday, it is promoted by C. F. (Choc) Hutcheson.

The headliner in the afternoon basketball battle will be Wilt (The Stilt) Chamberlain,

the sport's dominant figure. Chamberlain has led all NEA scorers for each of his six seasons in the circuit, and has topped all rebounders for four of those six campaigns. The 7-foot-1 Philadelphia pivot holds virtually all pro scoring records, including his memorable 100-point game against the New York Knicks.

Other 76er starters probably will be Hal Greer and Al Bianchi at guards, and Lucious Jackson and Dave Cambee at forwards.

The Hawks will counter with the new fast-break offense being installed by Player-Coach Richie Guerin, one of the highest-scoring guards in NBA annals. Pairing with Guerin at the guard positions will be Len Wilkens, while Zelmo Healy will be at center, and Cliff Hagan and Bill Bridges at forwards.

Tickets for the pro basketball game will be on sale at Lubbock Municipal Coliseum on the day of the game. Hutcheson this week assured fans that plenty of seats will be available.

Local Go-Cart Racer Is Winner

Don Bourn, owner of Bourn Cycle Shop, won a first place trophy at the Green Valley Raceway at Forth Worth recently. In the endure go-cart race, the race lasted for one hour and the race was 70 miles.

Bourn, Leo Henzler, Jr. and Charlie Henzler, all members of the Buffalo Lakes Roadrunners Club, brought home trophies from the go-cart races at Hobbs, N. M. lately.

TAX MAN SAM SEZ:

Most of us don't have any problems with our exemptions, because our children live with us and naturally we provide full support for the child. However, when you provide partial support for your child or for children who have reached the earning stage and are providing partial support for themselves, you may have a problem.

It pays to keep records to make sure that you can prove that you provided bed and board while Junior engaged in the song and dance type of activity with his earnings. If you are not sure, talk it over with the good tax folks.

King Ends Duty Aboard Carriers

Attend The Church Of Your Choice Sunday

Freedom

"For you were called to freedom, brethren; only do not use your freedom as an opportunity for the flesh, but through love be servants of one another."
— Galatians 1:13

We hear an awful lot about freedom these days. Maybe we should give some thought to what it means to be free.

Because we live in a free nation, we have the right of choice. We can go to church as we please; we can join the political party that suits us; we can choose our life's work.

But we cannot use freedom as an "excuse". We are not "free" to do anything we choose. We cannot disregard laws and resist proper authority. We cannot do things which in some way violate the rights of our fellow man.

Freedom carries with it a certain amount of responsibility.

Wilson FFA Names New Officers

The Wilson chapter of Future Farmers of America met last Wednesday to elect new officers. They are Gary Williamson, president; Kenneth Corley, vice-president; Mike Ward, secretary; Jerry Moczygemba, treasurer; Jimmy Koenig, reporter; and Ralph Velasquez, sentinel.

Primary aim of the FFA is the development of agriculture leadership, cooperation and citizenship. The Wilson chapter belongs to the Mesa district which includes 19 schools and is included in Area II. There are 10 areas in the state.

HIGH SCHOOL PRINCIPAL MOVES

M. L. Green, high school principal at Wilson, moved last Friday to Coalgate, Okla., where he will teach two classes and serve as registrar at the new Bethel Baptist College. Mrs. Green and three sons, Edwin 6, Malcom, almost 2, and Glenn, 6 months, left Thursday of last week for Oklahoma.

The Greens came to Wilson in 1957 from Cleveland, Tex. Mr. Green was elementary principal here for two years; junior high and elementary prin-

cipal for five years; and served as high school principal last term.

Mr. Green taught in the elementary grades for six and one-half years, and plans to teach English in one of the schools there. Green received his Bachelor of Science degree in Agricultural Education, and in the summer of 1963 he received his Master of Education degree from Sam Houston State College. He has returned there each summer for refresher courses.

The Wilson High School annual for 1964, "The Corral", was dedicated to Green with sentiments expressing deep appreciation for his patience and guidance throughout the years for the students of WHS.

FAREWELL PARTY

Tuesday afternoon, Sept. 21, a farewell party was given honoring Mr. and Mrs. M.L. Green. The affair was held in the home-ec cottage at the school. Hostesses for the occasion were teachers of the Wilson schools, and wives of the board members. The table was covered with a white linen cutwork cloth, with a silver service and an arrangement of dahlias. Assisting at the

table were Misses Pat Standefer and Sandra Aston. Gifts of the book "Leaves Of Gold" and an electric carving knife were presented to the Greens.

LION'S CLUB REPORT

Sept. 16th, the regular meeting of the Wilson Lions club met and the speaker for the evening was David Peterson, local business man who recently made the trip to A&M College to attend the Firemen's School at Bryan. Also attending the classes were Sam Crowson and Jackie Bishop. The trip was sponsored by the Lions Club. Mr. Peterson showed films to the group which consisted of things taught and practiced at the Firemen's School.

At the directors meeting earlier, the members discussed the advertising sales in order to print the football programs which they sponsor each year. Also at the previous meeting the Lions Club members had each donated ten dollars to the Crippled Children's Fund at Kerrville.

LUTHERAN MEN IN RALLY

Sunday, Sept. 26, the fall rally of the Northwest Conference of American Lutheran Church Men was held at St. John's Lutheran Church in Wilson. Registration began at 1:45 p.m. Guest speakers for the rally were Ray Banner, president of the Southern District A.L.C.M., and Dr. A.G. Wiederaenders, professor of religion at T.L.C., also bringing the message of the morning worship Sunday. Dan Rinn, conference president, conducted the business meeting. Following the meeting a barbecue supper was prepared by men of St. John's Church and served to delegates from surrounding area.

Officers for the local A.L.C.M. are Roland Stegomeier, president; Herbert Ehlers, vice-president; Elmer Gindorf, secretary; and B.L. Ernst, treasurer.

LUNCH ROOM WORKERS

Mrs. Mary Sander, Mrs. Grace Bohall and Mrs. Haute-

Parker are the ladies serving and working in the School Cafeteria.

WILSON SCHOOL TO RECEIVE NEW BUS

Tuesday, Oct. 5, Wilson School is to receive a new school bus from Mississippi, according to school superintendent, Leroy Scott.

BAND AT FAIR

Two buses escorted the band students to Lubbock early Monday morning to participate in the Fair Parade. Band Director is Coy Cook. Twenty-nine bands marched down Broadway to the Fair-grounds, beginning at 10:00 a.m.

Wilson Band is in the Class "B" division, Winners in Class B were Whiteface, first; Sundown, second; and Jayton, third.

BAND BOOSTERS MEETING

There will be a meeting of all band mothers immediately following the Mustang club meeting and all mothers are urged to attend. There will be a discussion of a "42" party to be held, Tuesday Oct. 12, sponsored by the Band Boosters.

MEXICAN SUPPER FOR PUBLIC

The public is invited to attend a Mexican supper served before the football game Oct. 8 in the high school cafeteria from 5 to 7:30 p.m. Sponsors are the Mustang club, and tickets for adults are \$1.00--75¢ for students. All proceeds will go to the athletic fund to buy football equipment, etc.

JUNIOR HIGH PLAYS 2nd game

Thursday night the Junior High Mustangs played on their home field against the New Home Leopards. New Home won 12-6. The next game will be this Thursday at Meadow at 7 p.m.

TEAM HONORED

A party was given honoring the Junior High Mustang boys and pep squad girls after the game Thursday night in the basement of the Methodist church.

MUSTANGS PLAY AT JAYTON

The Wilson Mustangs were beaten by the Jayton Jaybirds last Friday with the score standing at 22-12. This Friday is an open date for our team. The next game, Oct. 8 will be at Wilson against Whiteface.

CLUB MEETING CALLED

Mrs. B.C. Corley, president of the Mustang club, has asked all mothers to attend a meeting of the organization Monday morning, Oct. 4 at 9 a.m. in

the school cafeteria. Students received tickets to the Panhandle-South Plains Fair Friday, and school was dismissed early Monday afternoon at 2 p.m. so students could attend the fair in Lubbock.

ENJOY TRIP

Mrs. Anton Ahrens and Edgar returned Tuesday from a week's visit with relatives in parts of Texas. They visited a sister-in-law, Mrs. Albright in Yoakum, Tex., and she accompanied them while visiting other relatives. They visited in Hallettsville with a sister-in-law, Mrs. Ahrens' nephews, and a brother of Mr. Ahrens, Robert Dryer and Mrs. Annie Ahrens in Shiner. Completely restyled for 1966, Comet features a new larger body, a wider choice of engines. Overall length has been increased 1 1/2 inches and wheelbase is two inches greater at 116 inches. Two Mercury engines are added to the power offerings. Sportiest of the new Comets is the model (above) which offers a high performance 335-horsepower V-8 engine with fiberglass hood with simulated air scoops. The 1966 Comet goes on sale Oct. 1.

New Comets Offer Choice Of Length

Mercury Comet, world's durability champion, for 1966 is the most completely changed car since its initial introduction six years ago. The new Comet goes on sale at Smith Ford, Inc., in Slaton Oct. 1.

The 1966 Comet features a new, larger body with an entirely different sleek appearance inside and out. The wheelbase is lengthened for the first time and a wide selection of new big car options are introduced, including two 390-cubic-inch Mercury V-8 engines.

A new Capri series and a Voyager station wagon join the Comet line, while the sporty Cyclone series adds a convertible model and a special high performance "GT" option.

The 1966 Comet offers customers a choice of two lengths, 196 inches for the "202" series and 203 inches -- an increase of almost eight inches over 1965 -- for the upper series Capri, Caliente and Cyclone. Wheelbase is 116 inches, up two inches.

The new Comets are more spacious, with curved side glass and three-inch wider bodies significantly increasing roominess. Shoulder room is increased up to three inches and hip room more than two-and-a-half inches. Front and rear head room and leg room are greater, also. Front and rear tread are 58 inches, and increase of three inches in the front and two inches in the rear. Overall

COMET

Introducing the lively new driving machines: the big, new-generation Comets.

- Listen to the roar of the '66 Comets. They're bigger, wider, up to 8 inches longer than any Comet before. They make driving other cars seem like walking.
- For a sample of Comet's style, take the Caliente. Notice the smart upholstery... the handsome, simulated wood-grain panels. For spine-tingling action try Comet's new Cyclone GT. Its new 390 4-barrel V-8 delivers
- the kind of go that can shove you right back in your bucket seat. Whatever you want -- action cars with pure excitement, 3-speed or 4-speed manual transmissions or automatics, inviting interiors -- Comet's got it.
- Plus a long, tempting list of options that includes built-in air conditioning, power windows, power brakes, and power everything. All this in the most exciting parade of Comets ever. Drive a real driving machine at your Mercury dealer's today.
