

Nixon Is Close Winner!

Richard M. Nixon has been elected President of the United States. Unofficial returns showed Republican Nixon over the top at 10:35 a.m. Wednesday when he apparently won Illinois' 26 electoral votes.

count showed: Nixon 29,519,667 and Humphrey 29,505,016. American Party candidate George Wallace had 9,174,925. That gave Nixon and Humphrey 43 percent each and Wallace 13 percent.

full cooperation, according to an Associated Press report, and added, "Let's get on with the urgent task of uniting the country." President Johnson also sent congratulations.

Muskie. The AP reported that the Democrats retained control of both Houses of Congress, despite Republican gains.

Slaton Favors Demos

President-elect Richard M. Nixon carried the South Plains and Lubbock County vote, but Slaton voters gave Hubert Humphrey a slight margin in following the statewide trend,

according to figures Wednesday morning. On the local scene, Max Arrants of Slaton won a decisive victory over GOP candidate Phil O'Jibway from Lubbock County Commission, Precinct 2, Democrats made a sweep of the country and district offices, and Slaton voters favored all the Democrats.

In another local race, Demo Allen Meurer won the constable's post over Cliff Weaver. Both men are Slaton candidates. Choc Blanchard polled 1,612 votes for sheriff in the three Slaton boxes to only 360 for GOP opponent Groege Forston.

Rep. Delwin Jones won reelection as state representative, and R. B. McAlister beat out Eddie Paxton in the other state representative's race for this area. Judge Roy Bean was an easy winner in keeping his 140th District Court seat over Hugh Harrell.

County commissioners Arch Lamb and Les Derrick also were re-elected, although Lamb had a stiff challenge from GOP candidate Dave Shannon in Precinct 1. Demo F. H. Bolen won the JP race in Precinct 1 over GOP candidate Jere Smith.

Arrants polled 8,463 votes in the Precinct 2 race to 3,209 for O'Jibway. The Slaton commissioner pulled 1,767 votes in the three Slaton boxes to only 232 for his opponent. This does not include the Slaton absentee box. Slaton vote total was 2,063 plus some 126 in the absentee box.

Nixon carried two of the three boxes in Slaton, but Humphrey's big margin in Box 38 (Stephen F. Austin) gave him an edge here. The three-box total here showed 999 for Humphrey, 703 for Nixon and 334 for Wallace. Humphrey pulled 495 votes in Box 38 to only 134 for Nixon. Again, this does not include Slaton's absentee voting.

The Slatonite's second bale survey of the season was up 11,000 bales over the first count two weeks ago. Hundreds of more bales were weighed in but not yet ginned Wednesday.

The Nov. 1 cotton estimate, jointly compiled by the Lubbock Cotton Exchange and Plains Cotton Growers, Inc., sets production from the 23-county area at 1,579,000 bales. The total for 1965, prior to the enactment of the current cotton program, came to 2,205,000 bales.

Planted acreage this year was only about 1.5 million as compared to almost 2.2 million acres in 1965. A shortage of labor has been reported around the area, according to PCG, particularly in gins where two or three shifts will be necessary to keep up with the harvest. Special recruiting efforts by the Texas Employment Commission have helped, and the Texas Independent Ginners Assn. has initiated a program to use Texas Tech students at gins within a 20 or 25 mile radius of Lubbock.

Former State Atty. General Guest Speaker

Waggoner Carr, the distinguished guest speaker for Slaton's Veterans' Day observance, is no stranger to citizens of the area. Carr, the former attorney general of Texas, was a long-time resident of Lubbock before heading up an Austin law firm recently. He served as county attorney, then served five terms in the House of Representatives. He was one of three men in Texas history to be elected Speaker of the House for two consecutive terms.

WEAR A POPPY

The Poppy, the National Memorial Flower, went on sale in Slaton yesterday and will be available through Nov. 11, Veterans Day. The Poppy represents those of all creeds under God and all races. There is no set price on the poppies - all contributions will be accepted, according to Mrs. Pearl Pinkert, chairman of the sales. The American Legion Auxiliary, who is sponsoring the Poppy Campaign, is hoping for a record sale because of the current need for the proceeds. The money is used in Slaton to handle disabled veterans and their family's emergencies. The Poppy signifies sincere thanks for those who gave that we might live. Since 1919 this Poppy was an honor to those of World War I and memories of Flanders Field. The veteran now in the hospitals makes the poppies himself. Cost of the poppy to the auxiliary is five cents apiece. Poppy corsages are on sale. They were made in the home of Mrs. Dudley Berry. Those wishing a corsage may call Mrs. Ellis P. Schmid, auxiliary president, and she will deliver them to you.

HARVEST UNDERWAY--The harvest of King Cotton was gaining momentum around the Slaton area this week with some 15,800 bales ginned by Wednesday morning and many cotton trailers on gin yards. Shown above is a mechanical picker on the Ed Moseley farm south of town. The spindle-type pickers leave the green bolls and come back for a second picking. A large number of the machines are at work in the area, harvesting the longer-staple cotton. (SLATONITE PHOTO)

Tigers In Final Home Game Friday

The last home game of the 1968 grid season is scheduled at Tiger Stadium Friday night when the Slaton team takes on the tough Brownfield Cubs. When the 7:30 p.m. kickoff rolls around, the hustling Tigers will be shooting for an upset over the favored Cubs and hoping to capture their last two road games. The Tigers stand 2-5 for the season, and have hopes of finishing with an even 5-5 record. The Tigers' offensive timing and some missed assignments hurt the Slaton cause against Colorado City last week, but Coach Ernie Davis hopes to have the Bengals fired up Friday night. Davis told Tiger Club members Monday night that there may be a few changes in the starting line up this week. Some of the juniors were looking good in workouts this week and pushing seniors for starting roles. Brownfield is fourth in the district standings with 4 wins, 2 defeats and a tie. Davis said the Cubs had a fine defense, led by Gary Baccus, a 6-4, 210-pound linebacker who rates among the best in the league.

The Cubs use a ground game primarily, but probably throw the ball more than the conservative Tigers. Slaton will probably go with the same backfield on offense Friday night. Larry Moore and Richard Washington are running a close 1-2 as the top rushers. Moore now leads with 436 yards on 86 carries, while Washington has lugged the leather for 423 yards in 108 trips. Moore has the best average at 5 yards a clip, while Washington and Nick Farrell are averaging about 4 yards a carry. Farrell has accounted for 193 yards in 49 trips. Quarterback Jimmy Williams, slowed by an injury last week, is expected to be back at full speed. He has hit 20 of 68 passes this season for 360 yards. Washington has caught exactly half of the tosses for 235 yards; Randall Partain 5 for 48, and Moore 3 for 33. Linebacker Don Smith may be ready to go this week after being slowed the past two games by an injury. Brice Hill could be the other starter at a line-backing post. Robert Englund, with a fine game last week, could grab a starting role at end.

Davis hopes to pep up the Tiger offense, which has scored only 12 points in the past three games. For seven games this year, the Tigers are averaging 11 points a game to 33 for the opposition. Brownfield is a solid favorite by comparative scores. The Cubs beat Colorado City by 15-14, tied Dunbar at 16-16, lost to Estacado by only 14-0, and fell to Lamesa by 23-6. All four teams downed Slaton by wide margins. The Cubs also beat Littlefield by 10-0, Loveland by 33-19, and Lake View by 36-0. However, Slaton has been the underdog in every game this year and the Tigers have won two of them. They plan to make Brownfield victim No. 3 Friday night. Slaton will have 16 seniors making their final football appearance in Tiger Stadium Friday. These include Jimmy Williams, Richard Washington, Hobby Chapple, Morris Dixon, Ed Cristan, Randall Choate, Roy King, Brice Hill, Brent Lamb, Randall Partain, Buddy Pettigrew, Ronnie Romines, Johnny Petty, Wayne Fagin, Tony Maldonado, and Esse Scott.

AND GOVERNOR'S COMMITTEE REPORT

Trustees Study ROTC Program

Discussion of a Junior ROTC program in high school, and a study and discussion of the Governor's Commission on Education highlighted a regular monthly session of Slaton School Board Tuesday night. No action was taken on either matter. The education committee report was presented to inform trustees, since the Legislature must approve the proposed program before it could be effective. Main points of the proposals from the governor's committee would be to increase all school districts to a minimum of 2,600 students, increase finances and

broaden the curriculums. Trustees had approved a study of the high school ROTC program previously, and Col. Murphy of the ROTC unit in Lubbock had visited with the Slaton school staff and outlined the program. To install the ROTC program would require an expense of some \$4,000, to \$4,500 per year. The school would have to furnish classrooms, storage rooms, and office space. The addition of two instructor would be required, with the U. S. Government paying most of the salaries. The military service would

furnish all uniforms, supplies and weapons. The Army would also furnish the equipment for an 18-man drum and bugle corps. With such a program, the school would be allowed a color guard, boys' drill team, boys' rifle team, and possibly a girls' auxiliary. On completion of the program, a boy would be entitled to a grade higher in any of the services, or would have credit for the first year of a college ROTC program. The basic elements of the governor's education committee report were: (1) school districts would be increased so

that each district would have at least 2,600 students; (2) additional finances would be provided; (3) An upgrading of staff members would be accomplished; (4) A broadening of the curriculum would be accomplished, expanding vocational programs; (5) The financial basis for each district would be established on actual cash values of property. The board also heard a report Tuesday night on the paint installed on the football stadium, and trustees were assured that this deficiency would be repaired at no cost.

REMEMBER VETERANS DAY NOV. 11

CSB Salutes all Veterans!

Citizens State Bank proudly salutes all veterans this week with the coming of Veterans Day on Nov. 11.

One of the older veterans in the community is Luther Gregory, pictured above, and CSB singles out Mr. Gregory for his service to veterans and the community.

Gregory, 76, served with the 36th Div., Light Field Artillery, in WWI, and has been a member of the American Legion Post here more than 40 years. During that time he has served as post commander 5 years, and as 19th District chaplain.

Gregory has served a number of years as the local veterans' service officer and, through his efforts, many thousands of dollars have come to the community through pensions and benefits.

For his continued service to fellow veterans, CSB salutes Luther Gregory!

Panel Discusses Youth Problems At Rotary Club

A panel discussion on juvenile delinquents was held at Slaton Rotary Club last week, with Police Chief Glen Farmer and Mrs. George Privett as guest speakers.

Both panel members agreed that there is currently more of an "adult delinquent" problem than a juvenile problem. In other words, the cause of most juvenile problems can be traced directly back to the home.

nursing home corporation which operates 23 homes, other than the Slaton Nursing Home, in seven states, with 16 more homes in various stages of planning.

The purpose of Assembly Homes, says the Rev. Kramer, is: (1) To bring glory to God through emphasis upon the spiritual and moral necessities of the individual without distinction of religious preference; (2) To minister to the physical needs of the people through providing facilities and services for the care of the aged and ill without regard to race, color, creed, or national origin; (3) To promote brotherly love by inviting all residents and guests to enjoy fellowship in the homes; and (4) To provide equal opportunity for employment with regard to race, color, creed or national origin in accomplishing the objectives in service to God and man.

The key to the growth and success of Assembly Homes is in central operation. Wasteful duplication is eliminated through centralizing all functions in the headquarters' office at Glenwood, Minn. From the modest beginning with 14 beds in 1959 to its present 2,500 beds, this method has proven to be a real success.

Vandals Strike Near Gordon, Reward Offered

Vandalism on the Lee Mason farm, one mile north of Gordon, caused damage estimated at \$1,500 to \$2,000 last week, and a reward of \$100 has been offered for information leading to the arrest of the vandals, according to Lynn Co. Deputy O. D. Wood.

The vandals went joy-riding on a tractor, driving it in circles, destroying approximately two acres of grain. They later drove the tractor into the side of a boxcar used for storage, and then hit a utility pole, knocking the front wheels from the tractor.

Tigers Lose to C. City In 29-6 District Game

A spitting offense and a leaky pass defense made Slaton look ineffective at Colorado City Friday night, and the Wolves celebrated homecoming by scoring a 29-6 victory.

Colorado City's passing game was the big difference, with three of the touchdowns coming on pass plays and the Wolves chalking up 190 yards in the air.

After the Wolves took a 14-0 lead at halftime, the Tigers came back to score on a 61-yard pass play from Jimmy Williams to Richard Washington. However, the Wolves took an another score just before the third period ended to up the margin to 22-6.

Colorado City intercepted three Slaton passes in the fourth quarter, and used two long pass plays to score the final touchdown.

Slaton registered 14 first downs in the game to 17 for the Wolves, but C. City came up with the big plays. The Tigers wound up with 178 yards rushing, compared to 205 for the Wolves. Slaton tabbed 110 passing to 190 for the winners. Total offensive yardage read: Slaton 288, C. City 395.

Wolf halfback Dan Steakley ripped off 143 yards in 15 carries to spark the winners. Steakley, an all-star in AA action last year, had been slowed the past few games by a sprained ankle.

Washington led Slaton with 88 yards on 18 carries, while Larry Moore picked up 59 in 11 trips and Nick Farrell got 20 with 8 rushing attempts.

While Steakley led the Wolves to the 14-0 lead at halftime, it was quarterback Keaton Grubbs and halfback Randy Parker who combined to wreck the Tigers in the airways in the second half.

The Tiger line fared better in the second half, holding the Wolf rushing yardage to 53. Randall Choate played an outstanding game on defense, and ends Randall Parline and Robert England turned in good performances.

With a couple of "breaks" in the game, the score could have been much different. Trailing by 7-0 in the second period, Slaton had the Wolves

deep in their own end of the field, Allen McDonald pounced on a C. City fumble at the 9-yard line, but officials ruled the home team still had possession.

And, in the fourth period, Slaton was operating from the Wolf 30 when Williams fired a pass at Moore. The big halfback appeared to have been tackled before the ball arrived, but the nearest official had his back to the play.

Slaton took the opening kickoff and marched to a first down on the Wolf 15, the drive highlighted by a 35-yard run by Washington who was caught behind at the 15. Four running plays netted 8 yards, and C. City took over on the 7.

The Wolves then drove to the Tiger 26 before Hobby Chapple intercepted a pass at the Slaton 10 and returned to the 17. Several punt exchanges left the first period scoreless.

Shortly after the second period started, C. City cranked up a drive from its own 48. Aided by a 15-yard penalty, the Wolves moved to a first down on the Tiger 18. Two tries at the line netted just 4 yards, and a third-down pass in the flat was overthrown.

The Wolves came right back with the same pass on fourth down as Grubbs hit Parker for a 14-yard scoring play. Grubbs kick made it 0-7 with 7:04 left in the first half.

Minutes later, the Wolves started another drive from their own 7 after a 39-yard punt by Morris Dixon. Steakley reeled off runs of 21 and 34 yards in the drive, and the Wolves went the distance in nine plays. Steakley barged over from 15 yards out, breaking a couple of tackles in the process. Grubbs kicked again for a 14-0 lead with only a couple of minutes left in the second stanza.

Slaton scored the first time it got possession of the ball in the third period. Starting from their own 14, the Tigers moved to the Slaton 39 with Washington doing most of the damage.

On a 2nd and 8 situation, Williams dropped back and spotted Washington behind the Wolf defenders. Washington took the ball in full stride about

the Wolf 25 and raced on in for the score. Buddy Pettit's kick was wide, and it was 6-14 with 5:03 left in the third quarter.

C. City came right back for another score, however, as Steakley started the drive with a 22-yard run, and Slaton drew a questionable 15-yard penalty for hitting late. On a crucial 4th-and-4 situation at the Tiger 16, Steakley was met at the line of scrimmage but still managed to pick up the first down.

The Wolves got 2 on a run, then Robert England slammed a Wolf runner for a three-yard loss. On 3rd down, Grubbs was almost nailed for a big loss but got the pass off and end Jim Dockery pulled it in for a touchdown. Grubbs passed to Parker for two points and a 22-6 lead with 1:36 left in the third period.

Slaton started from its own 25 after the kickoff, and Williams hit Randall Parline and Washington for passes to pick up two first downs. A long pass was underthrown, however, and the Wolves intercepted on the C. City 47.

Grubbs came back with a long pass to Parker for 38 yards, but they lost the ball when Chapple and Ed Cristan nailed him at the Tiger 15. Chapple recovered the fumble. The teams exchanged punts, then Slaton moved into Wolf territory on a 12-yard pass from Williams to Washington.

C. City picked off another Williams' pass at the 24, however, and used just three plays to cover the 76 yards. Grubbs passed incomplete, then hit Parker on a short pass, Parker

With Larry Moore ripping off runs of 23 and 16 yards and Washington going for good gains, the Tigers moved to the Wolf 15. Slaton drew a 15-yard holding penalty there, however, and a third-down pass was intercepted.

Editorial

Veterans' Day is November 11. This is a special day set aside to honor the veterans of wars. These veterans are men who have suffered hardships—even death—to protect the nation they cherish.

This year is a year of trials for the United States. Protests against the systems, which have become the very basis of government, are an almost natural occurrence.

In years past, this nation has faced many trying times, but has always survived. The Revolutionary War was a time of bloodshed and struggle, but also was a chance to be recognized or suffer oppression at the hands of Britain. The Civil War saw a nation divided against itself in battle, but was later united to form the strongest land in history.

In the World Wars, many Americans fought and died to protect their home, but this proved the United States to be a nation of great power and importance. The 1930's were years of poverty, but the nation soon became the most prosperous the world has known. The United States has been involved in numerous wars, but has protected its own soil and insured freedom for peoples of many lands.

Now, many freedoms are taken for granted. The freedom of speech is little realized, while in other lands men are guarded against protest. Men have the right to worship as they choose. Anyone has the right to trial by jury. Anyone is able to provide for his own family through his own work and ability. The poorest of men can become the highest honored. Try to imagine living without even these most basic freedoms! Yet, people in many other countries do exist in this way.

On Veterans' Day, we have a special time to honor not only the gallant men who fight for their homeland, but a time to show appreciation to a land that means so much. De Thou expressed the debts we owe by saying, "After what I owe to God, nothing should be more dear or more sacred than the love and respect I owe to my country."

Munford Munderdorf -- Robert England, Aunt Mat Worth -- Jan Griffith, Tom de North -- Nicky Farrell, Lucille Armitage -- Linda Johnson, Johnson -- Tracy Buxkemper, and Harriet -- Judy Eblen. The place of the play is in the summer cottage of the Martin Family.

Band Enters UIL Contest

The Slaton Tiger Band travelled to Canyon Tuesday to compete in the annual marching band contest sponsored by the University Interscholastic League. The band had been steadily drilling for two weeks under the direction of Mr. Bill Townsend.

The Tiger Band also played for Senator Edmund Muskie, vice - Presidential candidate, at a Democratic rally held in the Lubbock Municipal Coliseum, Oct. 29.

Master of Ceremonies is Don Smith, president of the Junior Class. Prompter is Kris Richardson and Mrs. Roy Figley is the director of the play. This play is presented by permission of Heurer Publishing Co., Cedar Rapids, Iowa.

Etc. A sign used to make people believe you know more than you're telling them. Speechless: What some people would be if they said what they thought.
