## Slaton Phones On All-Number System July 10

At 12:01 a.m. next Wednes-day, July 10, ANC (All Number Calling) comes to Slaton, when this city joins many others in Southwestern Bell in conforming with the new nationwide numbering plan.

On that date, all Slaton telephone numbers will be changed from two letters and five numberals to seven numerals.

The prefix, "VA-8", will be changed to "828" -- actually the same in dialing. In most cases, the last four digits of each telephone number will remain the same.

For example, VA8-3601 will become 828-3601.

However, numbers between VA8-4000 and VA8-4999 will be changed to the corresponding number in the828-6000 series. For example, The Slatonite's number will change from VA8-4201 to 828-6201.

The new Slaton telephone directory -- scheduled to be mailed early next week, will have the new seven - number system. Remember to give the ANC number to persons who may be calling you long distance, and you'll want to have the new number on stationery or printed material to be used after the

## **Tennis Tourney** Here Next Week

More entries are needed for the Slaton City Tennis Tournament, according to Kenneth Housden, director of activities. The tourney has been set for July 11-13 at the tennis courts in the City-County Park.

There will be three divisions in the event which is open to any Slaton resident who wishes to enter. The junior division is for 14-year-olds and under; senior division, ages 15-18; and open division with no age limit.

Housden said the open division will be played after working hours so adults will have an opportunity to play in the tournament.

Each division will include singles, doubles and mixed doubles, and registration fee is \$1 per event.

Entries should be mailed or called to Mr. Housden at 105 No. 19th St., phone 828-3804. He is encouraging everyone to register by July 7, but if you are unable to register by then, he will be at the courts at 5:30 p.m. Wednesday, July 10 when entrants can register, pay their entrance fees and brackets will be made for times of

matches. Tennis balls will be furnished and trophies awarded in each event at the end of the tour-

money in fund - raising projects for the league program. League secretary Ruth Hartman reported the league benefited to the tune of \$1,120.48 for the queen's contest.

Slaton Co-Op Gin brought its candidate, Loretta Dillon, infor a close second - place finish in the contest.

Other candidates were Cindy McWilliams, Texas Grocery; Terry Lawrence, Henzler Grocery; and Judy Boyd, 8 Til

Late Grocery. League all-stars were announced at the final game, and a tournament team for 13-yearolds was also presented. For more details, turn to the sports

## Patrolman Dixon **Prevents Riot**

Patrolman L. L. Dixon, Jr. was commended this week for his actions which prevented a possible riot in East Slaton early Sunday morning.

Dixon took a shotgun away from two white boys and arrested them after the boys had shot a dog belonging to a colored resident of the area. Quick action by Patrolman Dixon kept boys of the area from starting a possible riot.

James Lee Hodges was arrested this week in connection with two forgery and counterfeiting charges. He had passed bad checks at United and Piggly Wiggly Food stores recently.

In other police action, this week, four teenage boys were arrested for being in violation of a city ordinance against the popping of firecrackers in the city limits. They were later released to the custody of their

Three burgularies were reported. A transistor radio was taken from Steel Radio and TV, a 16 inch tire and the rim were taken from the back yard at 430 E. Lubbock, and a horse was stolen and later left at the house of the animal warden, Adolph Garcia.

A small fire was quickly brought under control in an old abandoned car behind the house at 735 W. Powers Monday, The car's interior was heavily damaged. The property belongs to Jonah White.

Their were two minor automobile accidents without injuries this week.

Jail arrests were listed as one drunk while in the control of an automobile, two liquor law violations, two drunks, one disorderly conduct and 13 traffic tickets.

Immediately all the doors were opened .- (Acts 16:26).

There is a place, a way, a work for all of us. Let us see ourselves purposefully occupied, giving and growing. God sees us in this way, and He will show us how we can live this way. New doors are continually opening to us, for we have much to give.

NEW ROTARY OFFICERS - Slaton Rotary Club installed new officers last week. Claude Cravens, seated, is the new president, while J. S. Edwards Jr. is vice president, and M. G. Davis was re-elected as secretary-treasurer. Dr. David Hughes was the club's outgoing president. (SLATONITE PHOTO)

#### TECH PROSPECTS GOOD

## Raider Club Plays Golf, Visits Here

Cautious optimism was the word from Texas Tech coaches when they spoke to a Red Raider Club gathering here Monday night in Bruce's Restaurant,

Grid boss J. T. King pointed to two problem areas for the upcoming Raider football season, adding the team could be a contender if the question marks are solved, Charley Lynch, assistant basketball coach, predicted the Raiders would return to an exciting run-andshoot attack on the hardwoods, with the won-loss record depending largely on the performance of promising sopho -

Occasion for the coaches' prognostications was the annual Red Raider Club golf and dinner date in Slaton. Some 40 persons -- Tech coaches and faculty members joined by local Raider supporters -- attended the dinner affair Monday night.

Most of the sports crowd had previously toured the Slaton Golf Course Monday afternoon, One golfer who missed the dinner was Donnie Anderson, former Raider All - American and now a Green Bay Packer star. He reports to Packer training camp next Monday.

Carroll McDonald served as host master of ceremonies and presented prizes to members of three teams who tied for lowball honors in the golf matches. He then turned the program over to Leete Jackson, executive vice president of the Raider Club from Lubbock.

Jackson introduced visiting coaches, along with Lubbock broadcasters Jack Dale and Bob Nash. He also recognized Mc-Donald, Dr. Don Hatchett, Bill Wilson, Robert H. Davis, Hugo Mosser and Speedy Nieman for helping the Red Raider Club activities.

A film highlight of Raider football in 1967 was shown at the dinner. And, featured among

### CUBS ON PICNIC

Cub Scout Pack 128 of Slaton will have a picnic and swimming party at Camp Post Saturtay, it was announced this week by Cubmaster R. M. McMinn,

The pack will meet at Camp Post at 4 p.m. Saturday. Mc-Minn asked all Webelos Scouts to meet with him at 9:30 a.m. Saturday at the Slaton Scout-

Texas. King said the question marks for the Tech grid team this fall will be the left side of the offensive line and the defensive ends. Strong points are offen-sive backs and depth of the team.

the highlights, of course, was Tech's 19-13 victory over

The Raider mentor said Tech had one of "the finest crew of offensive backs" he had coached. Inexperience in the offensive line could hurt, especially at the first of the season.

The Raiders have two fine prospects for the defensive posts. George Cox, one of the best before a knee injury in the A&M game last year, could be great if fully recovered. Richard Campbell, 6-1, 225 junior, has the potential to take care of the other end.

Lynch thinks the Raider basketball interest will swing back up this season. He said three sophs might be in the starting lineup, since the Raiders had best freshman team "ever" last season.

swept across the Slaton area Monday night, leaving from .50 of an inch to more than 3 inches of moisture and cooling off a sizzling heat wave that saw temperatures climb to 109

Although the heavy rain was accompanied by winds clocked at up to 65 mph in gusts, very little wind damage was reported in Slaton or the area.

Rain reports in the city ranged from 2,5 to 3 inches. The same amounts were recorded in most areas south and south-

## Cravens Named Rotary Chief

Claude Cravens, local attorney, was installed as the new president of Slaton Rotary Club last week during a regular weekly luncheon meeting at the Slaton Clubhouse.

Other officers installed by outgoing president Dr. David Hughes were: J. S. Edwards Jr., vice president; M. G. Davis, secretary - treasurer, and directors J. P. Spears and Msgr. Peter Morsch.

Holdover directors are T. J. Wallace and V. G. Browning. The Rev. Bruce Parks is the club song leader; Jonas Cain is sergeant - at - arms, and Flora Mae Williams is the pianist. New bulletin editor for the club is Bentley Page.

Cravens was moved up from the vice - president's post, while Davis was re - elected as secretary - treasurer.

### Commission In Planning Meet

Slaton City Commission held a planning session Monday night, studying the possibility of a comprehensive city planning

Presenting the proposal were Bennett Reaves, the city's consulting engineer, and Nathan Kiser, consulting planner from Austin.

It was pointed out that twothirds of the cost is available through a Federal Urban Planning Assistance program. No action was taken on the proposal, but the commission will give it further study.

## Coaches' Game Reset July 12

Babe Ruth and Little League managers, coaches and dads got a reprieve Monday night when a rainstorm washed out the scheduled exhibition baseball

Dave Sanders, Babe Ruthpresident, and Buford Duff, Little League prexy, (and scheduled as starting pitchers) announced the game has been rescheduled for Friday, July 12 at 8:30

Babe Ruth coaches and dads won the game last year, and Little League leaders will be out to even the score next week. Admission will be 25 cents, with proceeds going to the two youth baseball programs.

west of town, but it dropped off sharply west of Slaton, Posey reported .90 of an inch, and only .50 of an inch was reported by Harley Martin southwest of town.

The moisture was a welcome relief to both city - dwellers and farmers. The hot, windy weather had made its mark on area crops, and some farmers had started irrigation pumps again. Light amounts of hail were reported, but no damaging hailstones were seen.

As the cool front and rain moved in here about 7:45 p.m. Monday, the mercury dropped quickly from 98 degrees down to 65. Records at the Pioneer Natural Gas Co. office showed the temperature had climbed to 109 degrees Sunday, and the city had baked in 100-degree weather for a full week.

The mercury had hit 109 degrees briefly last Friday, then hung at 106 for about two hours -- from 4 to 6 p.m. A high of 106 was reported Saturday, A high of 85 was predicted for Tuesday.

The storm system swept in from the north with billows of dust kicking up in front of the storm. The heavy rainfall quickly filled low places in the city, and a number of cars "drowned out" on city streets,

Slaton apparently received more rainfall than any place on the South Plains, according to a report from the Lubbock Weather Bureau, Lubbock reported the strong wind twisted off tree limbs and broke a few large plate glass windows, Skies were still cloudy and overcast in Slaton Tuesday at press time.

## Most of City Observes 4th

Much of Slaton will be dence Day, as the July 4th holiday finds many businesses closing their doors in observance of the day.

Several larger firms are expected to remain open, such as Piggly Wiggly and TG&Y. Most firms and offices around the square will be closed, as will the two local financial institutions and all city and utility offices.

The Slatonite was put in the mails Wednesday since there is no postal delivery Thursday.

### Story Time Saturday

Mrs. R. C. Hall, Jr., chairman of the library committee for The Friends of the Library, announced this week that the monthly Story Time at the Slaton Library will be held Saturday.

Preschoolers, first graders and second graders will have story time from 10 to 11 a.m. and third graders and older will meet from 11 a.m. to noon. All children are invited and encouraged to attend.

Story tellers will be Mmes. Bob Kern, Tim Bourn, R. C. Hall Jr. and Thomas F. Longtin.

RED RAIDER PARTY — Texas Tech coaches and officials of the Red Raider Club visited Slaton on its annual golf and dinner party Monday. Visiting at the dinner Monday night, and looking over golf balls presented to tourney

winners, were Robert H. Davis, Coach J. T. King, Carroll McDonald and Coach John Conley. Davis and McDonald were in charge of local arrangements for the party.

(SLATONITE PHOTO)

MRS. MICHAEL L. NABERS

## Nabers-Edwards **Vows Recited Here**

Jacque Sue Edwards and Michael L. Nabers were read at 7 p.m. Friday in First Methodist Church, The Rev. Bruce Parks, pastor, officiated the double ring ceremony.

The bride is the daughter of Alton Dee Edwards and the late Mrs. Garnetta Edwards. Parents of the bridegroom are Mr. and Mrs. K. D. Nabers of Wilcox, Ariz.

Given in marriage by her father, the bride wore a gown of chalk white silk organza and hand-run re-embroidered alencon lace. The empire bodice featured a scalloped portrait neckline and long pointed sleeves. The scolloped lace was repeated in a border which circled the A-line skirt and unpressed pleats fell in a chapel train. The bridal veil of silk illusion was attached to a crown of pearls and drop crystals. She carried a flowing cascade of feathered mums, stephenotis encrusted with an orchid atop a white Bible. The orchid was later removed and worn by the bride on her dress as they left for a wedding trip to Ruidoso,

Judy Blisard was matron of honor for her sister and Miss Becky Ford was her maid of honor. Other attendants were Miss Raeland Cook and Miss LaRue Kendrick. They wore blue organza over blue floor length gowns fashioned with empire waist

Miss Tina Marie Nabers, sister of the groom, was flower girl. Candle lighters were Miss Patsy Gamble, cousin of the bride, and Miss Pamela Kay Nabers, sister of the groom. Serving as best man was Joe Roger Ellerd of Hale Center. Groomsmen were Rod Sams of Memphis, Tex., Jacky Young and Barry Lane, both of Turkey,

Ushers were Don Jackson, cousin of the bride, and Mickie Nabers, Memphis, Tex., uncle

Miss Linda Guelker played

#### Program On Lifesaving wedding selections on the piano and Mrs. Billy Gass was solo-

ist. She sang "Whether Thou The Catholic Daughters of Goest" and "The Lord's Pray-America met in regular session at 7:30 p.m. Monday to hear Mr. and Mrs. Nabers were Miss Mary Coll present a prohonored at a reception in Felgram on lifesaving with "Reslowship Hall of the church beucitation Annie." fore leaving on their wedding The film, "A Breath of Life", was shown emphasizing the

trip. They will make their home in Wilcox, Ariz. Assisting in the house party at the reception were Mmes. Ben Davis, Joe Gamble, Dick Cade, M. B. Ford, Roy Saage, J. Clark, Floyd Guelker, Tip Kendrick and Miss Gert-

rude King.

The bride is a 1967 graduate of Slaton High School and attended West Texas State University in Canyon. A 1966 graduate of Memphis High School, the bridegroom attended West Texas State and will further his education at Cochise College in Douglas, Ariz. this fall.

#### New Grandson Announced

Mr. and Mrs. P. A. Minor are new great - grandparents of a baby boy, Michael Troy Herman. The baby was born June 25th and weighed 7 pounds, 12 ounces.

The proud parents are Mr. and Mrs. Michael P. Herman III of Port of Spain on Island Trinidad. He is employed by RCA with electronics in outer space.

The Hermans also have a daughter, Yvette, almost five years old.

Grandparents are Mr. and Mrs. Troy Pickens.

LET'S LOOK AT THE RECORDS > M

talent of Nancy Wilson seem to be a never-ending thing . . . A superbly distinctive voice combined with "nice-'n-easy' strings, here and there woodwinds and great arrangements by Jimmy Jones, all join in Easy, to present another glit-tering performance . . . From

tering performance . . . JULY 9 Mrs. John Berkley W. A. Wilke Mrs. Magnus Klattenhoff Jerry Tefertiller Robert Eugene Calaway G. C. Davis, Jr.

JULY 10 Clark Self, Jr. Mrs. J. E. Rucker

Mr. and Mrs. Clark Self Jr. and children returned this week from a trip to HemisFair and other points.

If you haven't been to HemisFair, we hope you'll plan to go. A world's fair may not be this close to home during our lifetime again and if this isn't reason enough, I can go on and on. Don't listen to all the wild rumors about prices - - just go and find out for yourself that rumors are most always just

We may not have made the trip to San Antonio if the Texas Press Convention had not been there, but that gave us a double excuse. The summer TPA conventions are always enjoyable. We overheard the publisher of the Lamesa Reporter say the TPA convention was the most wholesome and enjoyable convention he had ever attended. He thought the reason was because everyone loads their kids in the cars and have a family good time. Needless to say the Nieman boys had a "ball", and also gave them, as well as us, a chance to meet people from all over the state.

Postmaster General W. Marvin Watson was one of the principal speakers at the convention. He is rated by LBJ as "The most efficient man in government"! He has been in office only 57 days and as yet has not found anyone on his staff who can explain all those forms to newspaper people that we have to fill out and go by.

Although he may have only seven months to get acquainted with the 710,000 employees of his department, it would appear the fellow intends to set machinery in motion that will update the postal service of the nation.

Some interesting quotes from Watson: "100,000 carriers are bitten by dogs annually." 412 pieces of mail a year are handled for every man, woman and child in this country."

Back to the HemisFair . . . anyone who comes away disappointed can only blame themselves. ## **Wool Tailoring** Course Set By Roosevelt YH

The Roosevelt Young Homemakers met last Tuesday in the home economics department of the Roosevelt schools with Mrs. Steve Colleps in charge of a program on "Naturalization of Citizens."

A wool tailoring course will be given by Mrs. Bill Harris, RHS home economics teacher, July 15, 18, 22, 25 and Aug. 5, 8, 19 and 22 in the home economics department. The course will be from 3-5 p.m. and is open to anyone in the community who is interested. Mrs. Benny Sides was hostess for Tuesday's meeting.

#### Mrs. Morris Has Visitors

Mrs. Arden Maeker of Richardson, daughter of Mrs. M.E. Morris, was here Thursday night and Friday visiting her mother.

She had just returned from El Paso and scheduled to make inter-club visits in Lubbock and Amarillo with Woman Insurance Clubs. She is traveling as secretary to the state pre-

sident of the association. The Maeker's daughter, Pam, spent last week with Mrs. Mor-ris and is in Lubbock this week visiting her sister and family, Mr. and Mrs. Mike Deaton and daughter.

Mrs. Morris's visitors Sunday afternoon were some long-time friends, Mrs. Roy Baker of Clyde and her son and daughter-in-law, Mr. and Mrs. James Baker of Lubbock.

#### BAKE SALES

## Babe Ruth Stars Named, **Cubs Win Second Place**

play was named Friday night as Babe Ruth League ended its regular season of play.

In special ceremonies at the park, Cynthia Akin was also presented as League Queen, and a team of 13-year-old all-stars were presented.

The all star team included ten 15-year-olds and four 14year-olds. Champion Citizens State Bank placed only two on the tourney team. Ely's 8 Til Late and Texas Grocery -the second and fourth - place teams -- placed four players each, Slaton Co-Op Gin had three and Henzler Grocery two.

Kenny Kitten, Texas Grocery manager, was selected as the All-Star manager. J. W. Holt of CSB and Hook Simmons of Henzler Grocery was named as coaches.

Ely's 8 Til Late clinched second place in league standings by taking a doubleheader over the Ginners Friday night in the final games. The Gin won the first game by 13-10, but had to forfeit the game when it was discovered an ineligible pitcher was used.

Terry Woolever pitched a Ely's 8 Til Late 10

won the second game of the twinbill by 5-0, 8 Til Late had only six hits off loser Darrell Eastman, In the first game, Steve Mosser and Jessie Gatica had three hits each for the Ginners, while Roby Hart-man led the Cubs with three.

Henzler downed Texas Grocery Thursday night, but the Flyers had to forfeit the game before it started. The Flyers couldn't field a full team and had to pick up a player for the game. Henzler won, 7-3, but it goes in the books as a win for the Comets.

The Ginners pounded out a 23-5 win over the CSB team Wednesday evening. It was the final game for the Chiefs who had already clinched the championship. Doug Smallwood hurled a seven - hitter in picking up the mound victory.

Bruce Schuette, Eddie Jones and Tommy Walters had three hits each for the Ginners, who slammed out 16 hits. Glen Akin Jr. and Tom Melton each had two hits for the Chiefs.

## Junior B. Ruth **Players Named** For Tournament

A 13-year-old tournament team was presented during ceremonies at Babe Ruth League's wrapup Friday night,

The team will enter a tourney at Brownfield next week, with a meeting Sunday scheduled for pairings in the special tourney. It's the first time a tournament has been scheduled for the younger boys in the 13-15 age bracket league.

All 16 of Slaton's active 13year-old league players were named to the team. Ron Woolever will be the manager, and Hugo Mosser is the coach.

Woolever thinks the team has good chance in the tourney, since an unusual number of 13year-olds saw plenty of action in the league here this season. Two of the hurlers--Gilbert Escobar and Paul Quintero -were standouts on the champion Citizens State Bank team,

Top hitter on the team is Curt Woolever from the 8 Til Late Grocery team. He hit .312 while seeing action as a catcher and pitcher.

The team members: Escobar, Quintero, Steve Nieman and Thomas Heinrich, from the CSB team; Woolever, Jackie Ed wards, Randy Green and Kenny Schuette, Ely's 8 Til Late; Eddie Jones, Teddy Scott, Mike Busby and Stanley Kitten, Slaton Co-Op Gin; David Brake and Clyde Kitten, Henzler Grocery; and Don Kendrick and James Hensarling, Texas Gro-

## **Smallwood Leads Batters**

first baseman and pitcher, won the Babe Ruth League batting title this season with a fine .442 percentage.

The Slaton Co-Op Gin hitter was the only player to reach the .400 plateau in batting. Randy Davis of Texas Grocery was runner-up at .371, followed by Terry Mosser of Citizens State Bank at .365. Smallwood and Davis tied for the most hits with 23 each.

Texas Grocery had the highest team batting average with a .273 mark, boasting five players with .300 or better individual bat marks. Following are the batting

#### UFO's Featured At Planetarium

observed by stargazers is a complete mystery to astronomers. They have been called unidentified flying objects, or UFO's. Even ancient people observed UFO's as they are reported in many early sources, including the Bible. In recent years many men have spent long hours trying to find out just what the strange things are that whiz unexpectedly through the sky on some nights.

Most people think that a UFO is a "flying saucer", and, in fact, some people have reported going aboard space ships from outer space. On the other hand, many UFO's have been confirmed as hoaxes and optical illusions, but there has been entirely too much reliable information about these strange objects to discount them entirely.

Visitors to the Planetarium during August will have a chance to observe several UFO's as reported by observers and hear nething of the present state of affairs on the UFO mystery from Project Bluebook to serreviews by popular authors. Are they natural phenomena, unexplained astronomical events, or do they perhaps represent artificial objects, "flying saucers", visitors from

## Letters To The Editor:

The following letter was received by the Slaton American Legion Post and we thought it worthy of being printed in The Slatonite:

June 22, 1968 Slaton American Legion Post Dear Sir:

To begin with, I would like to express my deep thanks for the wonderful opportunity that you gave me. I shall remember the time I had at Boy's State and the friends I made, forever. Moreover, I will remember the lessons it taught me about respect and love for my country.

The day we arrived, I started to make many very good friends, both with the citizens of Boys State and with the Administration. I also started to learn about the government of our country, from the city level up to the Federal Government, We studied many different types of Governments. We learned about the jobs of our Politicians and the problems connected with their jobs. We had many guest dignitaires to visit with us. We were permitted to ask them questions and I enjoyed this part of the program very much. Their speeches were very informative and I

profitted from them very much. Everything on the program was very enjoyable. I especially was proud and honored when we attended the lowering of the flags in the afternoon. I believe that the ceremony could be heightened by the blowing of "taps", honoring all the war dead and those dying in Vietnam right now.

The opportunity to meet new friends, see how the Government is run, learn of patriotism for our country, and love of God, were the main points I received from my trip and stay at Boy's State.

I would like to close by saying that I heard many complaints about having to get up so early. I believe that if the boys really thought about the reason we were down there, they wouldn't have minded getting up so early. I believe that we were sent to Boy's State to learn to love our country and to help protect it. This is what we were really doing. If the boys just realized that they were learning how to help protect the future of our country, they would want to get up even

earlier. I know that I would. To you at the Slaton American Legion, I would again like to thank you for making it possible for me to attend Boy's State. I think it was a great privelege and I will always remember it as a wonderful experience. I just hope in the years to come, that other boys from Southland will have this same opportunity. Again, THANKS!

Sincerely, Darrell Wayne Wilke

Dear Editor, This is an "OPEN LETTER TO PARENTS AND BOYS OF BABE RUTH BASEBALL."

Sunday, June 23, was a day which will remain in my mind for many years to come. It was on that day I accomplished something which was heretofore unknown in my adult life -- I was part of a group which hurt, not just one, but several young boys.

That afternoon, four men and (all supposedly grown) sat down to select an all-star team which would represent Slaton in the Babe Ruth tournament, It did not take long for the boys' playing abilities to be forgotten and personality conflicts between parents to be remembered.

In 11 years of working with 'kid baseball' programs, I have never witnessed a selection of boys in this manner. Personalities of boys (and especially parents) seemed to greatly influence the selection rather than age and/or playing

days later, another Two meeting was called in hopes that these same men would remember their true purpose and select the boys whose abilities merited all-star fame -- regradless of race, color, or parents. This re-election was

Throughout the baseball year, I witnessed parents asking their sons to solve parental differ-

## HOLIDAY WEEKEND TRAFFIC TOLL ESTIMATED AT

AUSTIN -- The acting direct- | or of the Texas Department of Public Safety today called for "heads up" driving on the part of Texas motorists over the upcoming four - day Fourth of July weekend to help bring about a reduction in the estimated toll of 38 lives in traffic during the holiday period.

Wilson E. (Pat) Speir announced that"Operation Motorcide," a special emphasis program designed to focus attention on the added dangers of holiday travel, will be placed in effect from 6 p.m. Wednesday, July through 11:59 p.m. Sunday, July 7

Traffic fatalities will be tabulated by the DPS throughout the period, and the totals will be announced officially three times daily as a means of keeping safety uppermost in the minds of the motoring public, he said.

"It is a known fact that the unusually crowded conditions of the highways on Independence Day holidays makes driving more hazardous than usual," Speir said, "Past experience and the present trend of traffic deaths indicate that 38 persons will lose their lives in traffic accidents during the 102-hour period of the holiday this year, according to DPS Statistical Services. This means that on the average one person will be killed in traffic every two anda-half hours.

"Of course, we hope this mate, and will do everything we can to keep down the expected toll of lives and suffering from accidents. As part of this effort, we will be utilizing additional personnel from our other uniformed services to augment the regular Highway Patrol force during the holiday period.

"However, the most important effort needs to come from the drivers themselves who, of course, have the most at stake.

We can talk all we pl inadequate highways talk about mechan but in the end, thewas of all accidents and can be traced direct behavior, misjudges lessness, negligence ing drinking and driv

# At 12:01 a.m. Wednesday!

## **ALL NUMBER CALLING**

AT 12:01 a.m. next Wednesday, all Slaton telephone numbers will be changed from two letters and five numerals to seven numerals.

The present prefix of "VA 8" will be changed to "828" - actually the same in dialing. In most cases, the last four digits of each telephone number will remain unchanged.

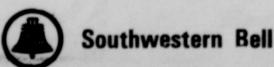

However, for technical reasons, numbers between VA8-4000 and VA 8-4999 will be changed to the corresponding number in the 828-6000 series.

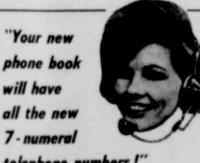

For example, VA 8-4591 will become 828-6591.

Slaton thus will join many other Texas cities in conforming with the new nationwide system of numbering known as All Number Calling.

We believe that you will find this new up-to-date numbering system simple and more trouble-free to use, with fewer chances for error in dialing.

And Slaton, as in the past, will continue to be in the forefront of telephone progress.

telephone numbers!

Your new up-to-date Slaton telephone directory, being mailed early next week, will contain the new all-numeral telephone

Please use it -- some numbers are being changed. If yours is one, don't forget to give your new number to people who may want to call you long Distance . . and remember to use it when you order stationery or other printed

## Wilson School Board Meets

Wilson School Board met in regular session June 25, adopting a sick - leave policy for teachers, accepting one resignation and approving one new teacher, approved joining the Media Services of the Educational Service Center in Lubbock, and took care of several other business matters.

Coy Cook was approved as band director and math teacher, while the resignation of Mrs.

Gladys Comer was accepted.

By joining the Media Services, the school system will have access to several hundred films owned by the center. The Lubbock educational service center purchased \$55,000 worth of film for use the next school year. The school will pay \$1 per student to receive the service.

The sick leave policy adopted by trustees is for five days a year, accumulative to 15 days. Teachers can use the time for personal illness, illness of someone in the family, or for

a funeral of a relative.

Trustees approved a band budget of \$2,000 for the coming year, and approved minor changes in bus routes. A fin-

wilson School Board met in ancial report on the lunchroom showed the school received showed the school received \$4,139 worth of commodities from the State Department this past year.

#### Lasater Attends Lion Convention

Hack Lasater, past president of Slaton Lions Club and a district cabinet member, attended the Lions International Convention in Dallas the past weekend, Mrs. Lasater accompanied him.

Lasater reported some 33,000 Lions from 143 nations attended the huge convention. David A. Evans of Texas City was installed as president of Lions International Saturday. He is the fifth Texan to assume leadership of the world's largest community service organization.

Lasater was a delegate from the Slaton club, and the convention was one of several internationals he has attended.

Cotton takes a more permanent dye finish than any other fiber.

## POLICE BEAT

BY WALTER HEAD Slaton Police Chief

No matter how well trained your police may be, they must have the necessary facilities to operate efficiently. There was a time when a man could only move a short distance in a small amount of time. This is no longer true. A car thief can drive a stolen car to another town in a few minutes or to another state in an hour or

Community level police departments must cooperate with state and other police agencies. Great strides are being taken which will eventually enable every city or town, regardless of size, to be in contact with any other city or town in a matter of seconds.

Another great stride forward in law enforcement is the growing public awareness of the field of law enforcement. Citizens are beginning to realize that only through public support can a police department be affective.

It has taken many years of planning, communicating and legislation by police administrators and progressive public officials to jolt the public into reality.

The policeman is finally beginning to enjoy somewhat of a professional image, the respect and the support from the citizens he serves.

To remove orange or lemon juice stain from a white cotton tablecloth, first rub baking soda on each side of the stain. Then moisten with cool water. After a few minutes, rinse well, then wash as usual in your machine, using warm water.

Here's a sewing tip. Sometimes a zipper tape in a cotton garment will shrink and look puckered after the garment has been washed. Avoid this by soaking zippers and drying them flat before stitching into a cot-

## Decision-Plant Late Cotton Or Alternate Crop

The best laid plans often go astray when "mother nature" steps in and takes charge. She may unleash her fury with ciolent winds, hail or heavy rain, and, when she does, farmers must once again get out the drawing board.

This is the case for some Lubbock County cotton farmers who have suffered crop damage from recent adverse weather, points out Thomas E. Hemphill, assistant county agricultural agent. They must now determine whether to replant cotton or plant cotton acreage to another permitted crop that may yield more net income.

Hemphill says that results at the South Plains Research and Extension Center north of Lubbock indicate a rapid decrease in cotton yields from plantings later than June 1. This results in lower gross income per acres as well as lower quality fiber normally marketed from these late plantings. After production expenses are deducted, returns to land, operator's labor and management are often lower than normal.

Therefore, producers expecting a \$40 per acre or lower return ( a gross income of \$115 less \$75 production expenses) from June 10 cotton plantings may want to examine other crops that are available which could yield an equal or greater return per acre.

With adequate resources, soybeans, for example, planted on June 25 at the SPREC averaged 30 bushels per acre. At \$2.50 per bushel and \$40 per acre production expenses, this crop could be expected to yield a \$35 return per acre.

Hemphill points out that as expected returns per acre from cotton sales become less, a lower yield from soybeans as an alternate crop would be necessary to equal the projected cotton returns.

Under the 1968 legislative program, Hemphill urges producers who are planning to substitute alternate crops for cotton to contact the ASCS Office for approval. This is necessary to insure no loss in price support payments from the cotton program.

Hemphill emphasizes there are no "cut and dried" answers to the question of alternate crops versus late-planted cotton. Each producer must evaluate his conditions, plan for the greatest profit from his resources and then put his plan into action.

## Accidental Death Rate High In Ag

Agriculture currently ranks third among the nation's industries in accidental death rate. In 1967 about 8,000 farm redents were accidentally kinds and nearly 750,000 modes suffered disabling injuries.

Traffic accounted for about 40 percent of the deaths, followed by farm work and home accidents.

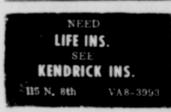

## 4-H Electric Camp Draws 8 From County

Eight Lubbock County 4-H
Club members and County
Agent Doyle Warren and Home
Demonstration Agent D'Lynn
McGinty will attend a 4-H Electric Camp to be held at Camp
Scott Able in the Sacramento
Mountains of New Mexico from
July 8 through 12,

Southwestern Public Service Company, in cooperation with the Texas Extension Service, presents the camp at which Lubbock County will be represented by 4-H Club members Joyce Thomas, Kathy Walter, Vicki Winter, Debra Gates, David Butler, Clark Watkins, Harold Cradle, and Danny Baker.

Four courses of instruction will be presented at the camp and there will be inter - county competition in a number of sports events. Individual county groups will be responsible for general assemblies and vesper services and a camp council of 4-H members, selected by the adult leaders, will be in charge of the day-to-day operation and program for the camp.

The instructors for the electrical courses to be presented are Carl Reed, electrical heating; Lloyd Thompson, electric safety; Al Rettig, power plant demonstration and Dorothy Jones, traffic appliances. Miss Jones is from the Plainview office of Southwestern Public Service Company, while the other instructors are from the electric company's Lubbock office.

## Vicki Davis Attends FHA Meet

Deepest sympathy is expressed to the family and friends of Royce Lynn Burns. Royce Lynn passed away Sunday morning unexpectedly. His parents are Mr. and Mrs. Royce Burns, house parents of Cottage 2, Lubbock Children's Home. The funeral was Tuesday at the Broadway Church of Christ. Burial was in Lovington, N.M. Royce lived in Lovington until moving here three years ago. While a student at Roosevelt, Royce served as class officer, Boy's State Representative, and was Sports Editor of "The Eagle's Claw" during his senior year. He was elected "Wittiest" by the Student Body during this year, as well, Royce was active in athletics, especially football, and participated in 4-H very actively for nine years. He graduated from

R. H.S. last May. VICKI TO FLORIDA Miss Vicki Jo Davis, a junior at Roosevelt High, will be among 1,200 delegates to the 1968 National Meeting of the Future Homemakers of America July 8-11 in Miami Beach,

Vicki is the daughter of Mr. and Mrs. Wesley P. Davis of Acuff. She is presently serving as Area I President of F.H.A. and secretary of her local chapter. She will join 119 other FHA'ers and 34 advisors who will represent the Texas Association at the national meeting. Vicki will be one of the 11 delegates from Area I. She will be accompanied by Mrs. Glenda Harris who will serve as one of the three Area I advisors on the trip, Mrs. Harris is the home economics teacher at Roosevelt High

School. Mrs. Betty Romans, Austin, State FHA advisor, says the youth of FHA not only plan their own national meeting but actually run it. "Each state has a particular assignment," Mrs. Romans points out, "so that every teenage delegate will have some special responsibility to carry out during the week. This makes the meeting a practical demonstration of the ability of today's youth to work constructively toward an over-all goal of helping individuals improve personal, fam-

Texas delegation has the responsibility of conducting the Roll Call of States, providing listening teams for one general session, and serve as leader for one of the Idea Swap Shops. The theme of the meeting is

"Citizenship - A Challenge to Cherish," The FHA'ers will have a full four - day program includes outstanding which speakers, business meetings, fun sessions, and All-States Chorus, national projects reports, discussion groups, and idea swap-shops.

Of particular importance will be the election of 12 national officers for 1968-69. Election results will be announced at noon on July 10 and new officers installed at the Thursday night banquet meeting.

The two chapters of Roosevelt High School, Katiebeth and LaPetite, have 93 members. The membership in the Texas Association includes 544 chap-

— James 2:26

It is man's spirit, his soul, that sets him apart from all

If we study the quotation above, it suggests that it is not enough to be a Christian. It is necessary, as well, that we practice Christianity.

the average Christian to do? The practice of brotherhood is a good work. Tolerance and helpfulness toward others, guidance and example for those who are dependant

It is easy to think of many, many more.
