Chamber Officials Visit State Boards

Slaton Chamber of Commerce officials and Mayor Jonas Cain have returned from an Austin trip which was made for the purpose of conferring with several state agencies on matters effecting the industrial and economic growth of the community.

While in Austin, the group had interviews with officials in the Texas Industrial Commission, the Texas Employment Commission, the Texas Aeronautics Commission, the Parks & Wildlife Department, and the Firemen's Pension Commission.

Making the trip were Carroll McDonald, C of C president; Wayne Cooper, manager; Bob Kern, parks and recreation chairman; Don Kendrick, C of C treasurer; and Mayor Cain.

The group left Wednesday, with Kern and Kendrick returning Saturday and the other three coming back Sunday. The Chamber had been in contact with most of the agencies prior to the visit. The five men also toured the capitol building while in Austin.

McDonald said arrangements were made with the Texas Industrial Commission for an "industrial team" to visit Slaton in the near future and eval-

uate the community's presentation for a prospective company.

The discussion with the TEC concerned the possibility of locating an office in Slaton. Offices in rural areas are called

Deadline On Tags Nearing

Vehicle registration is nearing the deadline in Slaton and Lubbock County, with many motorists facing the possibility of standing in line before the April 1 state deadline.

Vehicles may be registered at the Dreyer insurance office in Slaton or at the courthouse in Lubbock. When registering their cars or trucks, owners must produce titles and last year's registration receipts.

Auto tags in Slaton start with series letters CFH, CFJ and CFY.

Another April deadline also is facing motor vehicle owners. April 15 is the deadline for getting vehicle inspection stickers on cars and trucks. Motorists are cautioned that waiting lines could form at inspection stations, too.

The calendar indicated it was the first day of Spring, but old man Winter took still another swipe at the South Plains Wednesday, leaving a blanket of white over the area with the snow measuring from 5 to 8 inches in Slaton at press time Wednesday afternoon.

The wet, blowing snowfall continued into the afternoon, causing hazardous driving conditions in and around the city. A Tuesday - night rain left from .50 to 1 inch of moisture before the snow started, further enhancing crop prospects in the area.

The Slaton area had already recorded one of the best pre-planting periods in history. Persistent thundershowers, plus a hit - and - run blizzard last week, boosted the sub - soil moisture for the first three months of the year to an estimated six inches.

Snowfalls of six and seven inches were reported in the Plainview and Crosbyton areas Wednesday morning, and it was still piling up. A number of roads were reported closed to traffic except under absolute necessity Wednesday.

A long - range forecast from Thursday through Monday called for winter to linger a little longer. Temperatures are predicted to be as much as 10 degrees below normal over the state. The precipitation was expected to end Thursday.

The high temperature reading for the first day of Spring Wednesday was 44 degrees, and that reading came at midnight Tuesday. The minimum Wednesday was 30. The mercury had climbed to a balmy 73 degrees Tuesday before the cold front moved into the area. A week ago, on March 14, the mercury climbed to a warm 83.

No school was held in Slaton Wednesday -- either at the public schools or at St. Joseph's Catholic School. Other rural schools in the area also dismissed classes.

With snow and snow drifts piling up on already muddy roads around Slaton, many farmers were having trouble getting into town. Numerous farmers were busy in the fields Monday and Tuesday putting weed-killing chemicals into the soil. Although most cotton producers are always happy to see moisture, some wished for a few more days in the fields before the snowfall.

Miss Mae Elizabeth Christopher, daughter of Mr. and Mrs. R. L. Christopher of Williams, son of David Williams of Amarillo and Mrs. Bill Shooter of Las Vegas, Nev., were united in marriage at 7:30 p.m. Friday in Monterey Baptist Church in Lubbock with the Rev. Attendants were Miss Kathy Christopher of Wilson, maid of honor and Miss Sue Williams of Amarillo, bridesmaid. They wore floor-length gowns of yellow chiffon with empire bodices and fitted sleeves. A-line skirts were accented with satin panels of matching fabric attached at the backs by fabric rosettes. Their headpieces were coils with maline veils. They carried clusters of yellow and white pompons tied with gold velvet bows.

Best man was Mike Coppedge of Hobbs, N.M., and groomsmen were Leroy Callaway of Spearman, Ubers were Royal Hilton of Houston, David Hahn of Brownfield and Alan Roush of Freeport. Trio of Pioneers Celebrate Birthdays

When you add the ages of the three March "birthday gals" together at Slaton Rest Home you have 257 years.

Having celebrated the most birthdays of the three is Mrs. Mary E. Vardy who is 92 years old this month. The other two are Mrs. Katie Nieman who was 88 last Friday and Mrs. Effie Privett who was 77 on March 16.

Members of the Slaton Home Demonstration Club took each lady a birthday cake Monday and a gift.

Mrs. Vardy has lived in Slaton since 1962 and has been a resident at the rest home about five months. She came to Slaton from Estelline where she raised four children. She is Past Matron of the Order of the Eastern Star at Estelline and a member of the First Methodist Church there.

According to her children her hobby was cooking because she was a "marvelous cook". Her four children are Dr. Lee

Vardy and Mrs. Mary E. Gilmore, both of Slaton; Mrs. Francis Currin of Fort Worth; and J. D. Vardy of Plainview. Mrs. Vardy has four grandchildren and six great-grandchildren.

Mrs. Nieman was certainly in the limelight on her birthday when about 40 friends and relatives came to the rest home to help her celebrate her birthday Friday.

There were four birthday cakes brought to the party, which were served with coffee by her daughter - in-law, Mrs. A. D. Nieman. One of the cakes was brought by Mrs. J. R. Mueller who sponsored Mrs. Nieman when she joined the St. John Lutheran Church in 1916 as a charter member. Her membership is still with the church and until about two years ago she attended faithfully.

When a seven-year-old child, Mrs. Nieman came to America from Germany. She came to Wilson in 1916 where she lived until moving to a rest home last year. She lived several months at a rest home in Tahoka but when there was a vacancy here a few months ago, she moved to the Slaton Rest Home.

Mrs. Nieman's four children are Adolph of Tres Ritos, N.

Slaton Woman's Recipe In New Cookbook

Notice was received this week from Maxine Caldwell, office manager for the Panhandle South Plains Fair, that Mrs. Don Wendel of Slaton and Mrs. Joe H. Baker, formerly of Slaton and now of San Angelo, will have "Blue Ribbon" recipes featured in a new cookbook. Blue Ribbon Recipes is published by Cookbook Collectors Library and edited by Mrs. Anne Haney.

Mrs. Wendel is a member of the Slaton Home Demonstration Club and Mrs. Baker was a member when she lived here and entered her recipe for competition. Only 15 area persons are included in the cookbook. Mrs. Wendel's recipe for sweet pickled beets was selected for publication. It was unknown by the Slaton club which of Mrs. Baker's recipes was selected. Both women will receive a free cookbook after publication.

BIRTHDAY CELEBRATED—Three of Mrs. Katie Nieman's children were here 88th birthday last Friday to help her celebrate the occasion. Mrs. Nieman, seen one of five birthday cakes she received, is shown with her children, Edwin Maeker and Adolph.

M. Edwin of Morton, Willy of Meadow, and Mrs. Hugo Maeker of Wilson. She has 15 grandchildren, 38 great-grandchildren and one great-grandchild.

The "young" one of the three is Mrs. Privett. She was born in Alabama and moved to Slaton as a teenager. She lived in the Southland area for many years. She is a member of the First Baptist Church here and enjoys crocheting to pass the time. Mrs. Privett's three children are George W. of Slaton, Mrs. E. R. Venable of Ennis and Mrs. Gene Enloe of Amherst. She has eight grandchildren and 10 great-grandchildren.

It's a woman's WHIRL

BY LAVON NIEMAN

As I drive to and from work each day, I usually travel down Garza Street from Ninth Street to 21st Street. There are at least 10 families of Methodists living on this street. (I can tell by the red signs)

And I like those red "God is Real" signs in their and other Methodist's yards advertising their revival which will begin soon.

From a list of some 130 lady newcomers who moved to Slaton last year, how many do you think will attend the Newcomers Tea in the morning at the Reddy Room?

This is the second such tea sponsored by the Chamber of Commerce and we hope there will be a large turnout. I most certainly am looking forward to meeting the ladies.

Another treat for newcomers is the Welcome Wagon which was started in Slaton last summer by Cleo Reasoner through cooperation of the Chamber of Commerce.

Recently taking over the hostess duties is Sharon Newhouse who we feel will put a smile into her message from all the participating merchants and in telling about our town--Slaton. Good luck on your new venture, Sharon.

One expert recently stated that you shouldn't judge a modern girl by her clothes and he's right too--there just isn't enough evidence.

When we moved to Slaton, coffee was five cents and the coffee shop was known as the Boss Man's office; then it went up to 10 cents and it was known as his second office; but now at the new price of 15 cents per cup we wonder if he will decide to save money and stay in his first office.

Absentee Voting Continues Here

Absentee voting for both the city commission and school board elections continues this week for eligible voters who anticipate being away from polling places on the day of election.

The municipal election, set April 2, will see voters selecting commissioners for Wards 2 and 4. Dr. David Hughes and Emmett Waldrop are vying for the Ward 2 seat being vacated by Earl Reasoner, while incumbent Rudy Dominguez faces Arthur Cornelius in the Ward 4 race. Absentee voting ends March 29.

Voters will choose two trustees from a field of four candidates in the school election April 6. Incumbents Don Kendrick and Tommy Davis have been joined by Steve Ruiz and Guy N. Gentry on the school ballot. There are no places--the two polling the most votes will win the seats.

Absentee voting for the school election ends April 3. Boxes are in the Slaton Municipal Building for city voters, and in the school business office for school district electors.

Rev. Pratt Speaks To Senior Citizens

The Rev. John Pratt, pastor of the Assembly of God Church, was speaker for the Senior Citizens at the clubhouse last Friday.

With Mrs. Pratt at the piano, she and her husband brought a message in songs after which Rev. Pratt made a short talk on "Jesus Changes Things", taking his text from Acts 9:1. He then read a poem, "I Met The Master" and offered thanks with his closing prayer.

The crowd was delighted to have one of its "past 90" members, Mrs. W. L. Scudder, present. She and her daughter, Miss Mabel Scudder, arrived by plane from Austin last week where they had spent the winter. Miss Scudder is visiting with her mother and sister, Mrs. Webster Williams.

Baseball Suits Due from Boys

Calling all Babe Ruth and Little League baseball players: you league needs your help.

Officials in both leagues asked this week for boys to cooperate in getting uniforms turned back to managers. Babe Ruth uniforms are needed so that sponsors' names can be put on the suits. Boys who do not turn the suits in will be asked to pay for them!

Little League officials requested that players turn in the pants and stockings from their uniforms last season. New uniforms are to be purchased for major teams, but the pants and stockings are needed in the minor league.

Community Club Close-Up

After you read the list of projects the Slaton Veterans of Foreign Wars Auxiliary #6721 participated and donated to last year, it is no wonder this club of 67 members was awarded the Outstanding Club of the Year for 1965 because its list of projects was even longer that year.

Its outstanding project during 1965 and 1966 was furnishing and installing house numbers on all homes in Slaton, especially at indigent homes. The auxiliary still has a supply of numbers and a phone call to Mrs. Bo Becker is all it takes to have numbers provided. The club was also recognized nationally for this project in the national auxiliary magazine.

During these two years the auxiliary won first in state for its Auxiliary Press Book. Mrs. Becker and Mrs. Billie Clements served as presidents during these two terms. Other presidents who have served since the auxiliary was chartered in October of 1959 have been Mmes. Pete Wilhoit, Hugo Mosser, Joe Wicker, Frances Sargent, Jim Mosser and Mrs. H. E. Woods is president at this time. When the auxiliary was chartered, it had 18 members. It retains 10 of its original charter members. The objects of the auxiliary are fraternal, patriotic, historical and educational. For the last five consecutive years it has fulfilled the strict honor roll requirements set up by the national department.

The local auxiliary is fortunate to have the district president in its own organization this year. Serving in this capacity is Mrs. Bo Becker. She and her husband are the first Slaton couple to serve as district president and commander. Other district officers in the Slaton chapter are Mmes. Frances Sargent, secretary; Billie Clements, treasurer; Travis Mann, chaplain; R. O. Moore, historian; and Bill Underwood, flag bearer.

The auxiliary offers a cancer and nine dread disease hospitalization policy to its members which is inclusive with membership dues.

Fund raising activities for last year include a bake sale and rummage sale; a Little Britches Rodeo and Buddy Poppy Drive (co-sponsored with the VFW Post); a rummage sale co-sponsored with District; and a cake walk at the Spring Festival (raising \$60.60 for the Youth Center).

Projects the auxiliary sponsored included: presentation of a \$25 bond to the winner of the Voice of Democracy Contest and sponsoring the annual contest; gave flag, flag etiquette books and instruction to Cub Scout Pack 128 after presenting a flag ceremony; gave Christmas gifts to all 31 citizens at the Slaton Rest Home; donated time and effort to form "The Friends of the Library" and donated a two-volume dictionary to the local library; hosted one monthly visit to the Veterans Hospital at Big Spring, providing cakes, punch, coffee, therapy material, and donated \$15 to the indigent fund there and \$15.50 to the VAVS program.

During last year, donations were made to the March of Dimes--\$10; Texas School for the Blind--\$5; \$40 donated to a local underprivileged child to attend the school for the blind; Operation Yuletide--\$25; Cancer Aid and Research--\$63; Beulah Disaster--\$5 and five cartons of clothing; Alaskan Disaster--\$1; help to a needy family--\$5.50; Memorial Chapel--\$12; National Home for veteran's children--\$73; Radio Free Europe--\$5; and \$65.69 was spent on flowers and cards for auxiliary and VFW members and citizens of the Slaton Rest Home.

The auxiliary co-sponsored with the Post the following: Christmas party for veterans' children; Loyalty Day Parade in Lubbock; Loyalty Day program in Slaton; Memorial Day services; and an organized effort in support of the Veterans Land Program and Get-Out-To-Vote Campaign.

Others include a number of its members participating in a letter writing campaign to congressmen in support of the government's stand in Vietnam and a number of members participate in the local disaster plan and support the "Friends of the Library".

The auxiliary also supported the Well-Baby Clinic and Measles Clinic by donating time and effort. It has an open stock of porch flag kits for sale at cost and free installation to encourage flying of the Colors, and the auxiliary will give a flag folding ceremony (narration and performance) to any group requesting it.

The organization meets ever second and fourth Monday of the month and it welcomes any grandmother, mother, wife, widow, sister, half-sister, daughter, foster daughter or granddaughter of overseas veterans to join its permanent organization to help in the relief of those who fought and are fighting today to defend our country.

Miss Hilbers Is Honoree At Luncheon

Miss Terry Dale Hilbers, bride-elect of James Ray Ward, was honored with a luncheon Saturday in the Gold Room of Hemphill - Wells Monterey. Mrs. F. A. Drewry served as hostess. Special guests were Mrs. E. L. Phillips, mother of the honoree; her grandmother, Mrs. Dale Dean of San Angelo; and Mrs. M. M. Glass of Lubbock, mother of the prospective bridegroom.

Miss Hilbers' chosen colors of blue and white were used in the table decorations and place cards.

The couple plans to marry Apr. 11 in Arnett - Benson Baptist Church of Lubbock.

LEGIONNAIRE--Luther R. Gregory, right, was standing Legionnaire of American Legion Post 438 for the Legion Hall. Harvey Griffith, left, of the post, presented a pin to Gregory in recognition of the honor. (SLATONITE PHOTO)

Gregory Is Honored Legionnaires

Such as being a Legionnaire of American Legion Post 438 for the Legion Hall. Harvey Griffith, left, of the post, presented a pin to Gregory in recognition of the honor. Since receiving this honor, Gregory will be considered for outstanding district Legionnaire and should he be selected, he then would compete for outstanding Legionnaire of the state. Gregory served as commander for the local post from 1961 to 1964 and had a 100 per cent post from 1959 to 1963. He served in World War I from August 1917 to April 1919. Gregory has served in every office of the local post except as adjutant. He is the post's present service officer and has been since 1964. Slaton not only has an outstanding Legionnaire to enter in the district contest, but the Post is also in the Hall of Fame and is one of the top 10 Posts in Texas for membership percentage. The theme for HemisFair'68 in San Antonio April 6-Oct. 6 is "The Confluence of Civilizations of the Americas."

POLICE BEAT

BY WALTER HEAD
Slaton Police Chief

One very important person in our city who is responsible for making significant decisions, but receives little recognition, is our Corporation Court Judge. This Court disposes of cases that are typically called "misdemeanors" or "petty offenses", and punishment for most of these cases is a fine not exceeding \$200. The Judge must first determine if a person is guilty, based on facts of the case, and if the person is found to be guilty, assess a fine. The importance of this Court in the prevention or deterrence of traffic violations and crime is vital, for this Court processes the overwhelming majority of offenders. Although the offenses that are under jurisdiction of Corporation Court may be "petty", it has an important role in law enforcement.

We think the City of Slaton is very fortunate to have a man such as C. L. Tanner as its Corporation Court Judge. He presides with fairness, understanding and integrity. Citizens should be aware of the outstanding work of Judge Tanner in helping preserve law and order in our community.

Cotton Club Meets Monday

The Slaton Cotton Promotion Club is scheduled to meet from 1:30-3 p.m. next Monday at the Slaton club house. A spokesman for the group said that all area women interested in promoting cotton are invited to hear Alex Webb present a program on "Cotton vs. Synthetics." The "Sew It with Cotton" contest will be discussed by Mrs. Robert Alexander and Mrs. J. H. Lambright. Plans will also be made for the Miss Cotton of Lubbock County contest, scheduled this summer.

Monthly Police Report Given

Slaton Police Department's monthly report for February showed 66 jail arrests, compared to 49 in January.

More than half of the arrests (39) last month were for possession or consumption of alcoholic beverages by minors. Twenty of the arrests were reported in January, and the police docket showed 18 of them "cleared." Another 10 offenses for previous months were also cleared.

Police issued 94 traffic violation tickets in February, compared to 83 in January. Speeding, running stop signs, and no driver's license were the leading violations recorded. Ten accidents were investigated during the past month with total damage estimated at \$2,145. There were 17 traffic accidents in January.

Deadline For Inspections Draws Near

The Texas Highway Patrol investigated 43 accidents on rural highways in Lubbock County during the month of February, according to Sergeant O. C. Guthrie, Highway Patrol Supervisor of this area.

"With the April 15 deadline for obtaining inspection stickers drawing near, only 60 per cent of the registered vehicles in this county have been inspected," stated the Patrol Supervisor.

In order to avoid the inconvenience of the last minute rush and the possible shortage of seat belts, motorists are urged to get their vehicles inspected promptly.

Any driver operating a vehicle registered in Texas, that is required to be inspected, on public roads after April 15 without a valid 1968 inspection sticker will be operating in violation of the law and is punishable by a fine not to exceed two hundred dollars.

Coaches Attend Lions' Meeting

Slaton coaches Ernie Davis, Bob Martin and Gene Franklin were special guests for the regular weekly luncheon meeting of Slaton Lions Club Tuesday at Bruce's Restaurant.

Coach Franklin, Tiger track coach, reviewed the track team's progress - pointing out that interest had improved considerably over last year. He said 24 boys were on the varsity team, compared to 8 last year. The team goes to Jayton this Saturday.

Franklin also said more attention was being given to junior high and freshman track programs with five meets scheduled for those teams this season. Franklin reported that Coach Gay Ivey was also initiating a girls' track program. Coach Martin reported on the spring program for other athletes. Prospective gridgers for next season are working on a weight program to build up strength and quickness. Club President Speedy Nieman appointed Carroll McDonald, Hack Lasater and Bill Smith to nominate a slate of officers for the new club year. They will report next week.

Tigers 8th In AAA Track Meet

Cotton Tour Topic at Rotary

Alex Bednarz, president of the Slaton Co-Op Gin board, and Speedy Nieman, Slatonite publisher, discussed a local group's trip to South Carolina cotton mills when Slaton Rotary Club held its regular weekly luncheon meeting in the Community Clubhouse Thursday.

Nieman outlined the trip taken by 12 Slaton men, reporting on the tour of several plants. He said the program of Slaton Cotton Improvement Association was not only beneficial to the members, but was helping raise the image of the South Plains area in producing quality cotton.

Bednarz remarked on his impressions of the trip and answered several questions from the floor. He had high praise for the hosts -- J. P. Stevens & Co., and other South Carolina officials who "rolled out the red carpet" for the Slaton group.

Program On Trip To Poland Given At Roosevelt

Janie Kinney, a Texas Tech student from Roosevelt, was speaker at a program held at Roosevelt High School auditorium March 13 at 12:45 p.m. The program was sponsored by the Roosevelt Young Homemakers.

A community ambassador sponsored by the Lubbock Chamber of Commerce, Miss Kinney spoke on her trip and experiences in Poland.

She showed slides and spoke of different phases of life in Poland. She also conducted a question and answer period. The pictures revealed that almost all homes in Poland have a television set. Miss Kinney explained that although most of the families had television that no one had refrigerators in which to store food. The house wives do their shopping frequently. She was asked if housewives

in Poland have the convenience of foods such as cake mixes, soups and other items. She said she never saw any. The Polish family she stayed with, Mr. and Mrs. Zmigrodski of Gdansk, enjoyed the kool-aid but not the dried soup mixes that Miss Kinney took with her. She said Polish families main meal is served between 3:30 to 4 p.m. and their first course is always soup.

Miss Kinney said the teenagers there dress similar to American teenagers and their favorite sports are soccer and track. Teenagers there listen to the same type of music as in America.

The Young Homemakers will meet March 26 at 9 a.m. in the Roosevelt Clubhouse.

...not everyone.

Many telephone people have made business to get involved in other people's problems. They've saved hundreds of dollars in the process, often risking their own savings.

Over the years, 240 Southwestern Bell employees have been awarded the Vail Medal an award recognizing acts which exemplify the company's highest traditions of service.

Among our Vail Medal winners are those who... pulled a mother and her son from rushing waters of a turbulent river... rescued a baby from a blazing trailer home... saved a man and woman from a burning car.

The list goes on and on.

And we're proud of them all. They are people you can count on to get involved.

"Now, y'all yell, Oh- KAAAY?" was a familiar cry heard at each and every pep rally last fall. The owner of that voice is this year's head cheer- leader, Lynda Thornton. As a member of the student body for the past three years, she has participated in FHA, 2-4; F.T. A., 2-4; track, 2-4; Pep Squad, 2; 4-H, 2-4; band, 2-4; Student Council, 4; class officer, 3; band officer, 4.

Pizza, football, Chevrolets and skiing rank high on Lynda's list of favorites. She also likes the color blue, Dean Martin, Julie Andrews and Studying drama. People who always have to contradict others is her only pet peeve. Roosevelt is, in her words, "the best school I've ever attended."

After graduation, Lynda plans to attend L.C.C. or beauty school.

Growers bought every pound of Planavin® Herbicide they could get their hands on last season. Read why.

Planavin is the cotton-soybean herbicide that gives you more than your money's worth.

Shell's Planavin® Herbicide gives you more than just excellent preemergence control. Nothing on the market does a better job.

It had to be more than just another good weed killer in order to break in against established competition. Growers found out how good last season. Planavin proved itself under the worst weather conditions in years. It held the fort against most annual grasses and many broadleaf weeds—right through the early period when control really counts. Growers got what they paid for—freedom from weed problems during the time when weeds can strangle young cotton and soybeans. Plus a sound control base that makes season-long control programs simpler and more economical.

Planavin also gives you a bonus. It frees you from immediate incorporation. Takes the pressure off. And it can save you hours of application time.

With Planavin you can spray by ground or air. You can use large rigs, wide booms. Covering large acreage fast saves you hours. There's no waiting for incorporation equipment to catch up. No downtime for custom applicators. The reason? Planavin doesn't require immediate incorporation. You can take your time. Even a few hours of exposure to air and sun won't wipe out your weed control when you use Planavin. Note: When you do incorporate, keep it shallow—no deeper than 1 to 1 1/2 inches. Don't bury your Planavin below the sprouting weeds.

Get Shell's Planavin® Herbicide early—to keep the pressure on weeds and off you. Shell Chemical Company, Agricultural Chemicals Division: Suite 500, First Bank and Trust Bldg., Richardson, Texas 75080

Mercy

"I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion."
-- Exodus 33:19

Are we right to always expect god's forgiveness? Can we give in to temptation knowing that tomorrow we can rely on God's sure mercy? We know there is a merciful God. Yet, how far are we permitted to test God's patience? What we should always remember is that God is just. Study the life of Jesus and we will be well aware that Jesus met the temptations of life upon earth with determination and single purpose. Jesus did not give in to temptation and then say "I'm sorry." We cannot escape temptation. But we can find the strength to do right, to be right. There is strength in faith, in Christianity.

Editorial

Students show pride when they support their football team. They show pride when their fellow students place in some contest. How about showing a little pride in our classrooms? Each day the classrooms are left in ghastly order. Dozens of scraps of paper are left laying everywhere; wads of paper are left inside the desks, and spit wads are plastered all over the walls. Would you even think of chewing up a spit wad and plastering it on your living room wall? Well, your classrooms are your living rooms while you are at school. Let's leave them as such.

Leaving a classroom in slovenly condition points to a poor character. It means you have no respect for other people's property and could care less what the room looked like. If someone whom you cared very much to impress visited your classroom, what would he see? A room with clean walls and floor and with all trash in the waste basket, or cluttered floors and a spotted wall?

You should also refrain from writing and carving on the desks and chairs. This also shows lack of respect for other's property.

We all want to be proud of our school, but we can only obtain this through having pride in everything we do, including keeping our classrooms clean and neat.
