TIGERS HOST LAKE VIEW IN FIRST 3-AAA GAME

Slaton's inaugural football game in District 3-AAA is set in Tiger Stadium Friday night, with the Lake View Chiefs of San Angelo providing the competition for the grid opener of the 1968 season.

Kickoff time is 7:30 p.m., and the first game is for "keeps" as the sprawling new 3-AAA alignment has 11 teams scheduled to battle for the league championship. Since it is the first game and Slaton's first Class AAA test, a large crowd is anticipated for the contest.

Tiger Coach Ernie Davis reported the Slaton squad in "good physical condition" for the opener. Only the usual bumps and bruises face the Tiger crew

as they launch the campaign. Slaton hopes to carry over the success of a 7-2 record last season—the best won-lost mark in many seasons at Slaton—and the Tigers have some standout returning veterans to lead the way.

Richard Washington, high-scoring fullback, and Jimmy Williams, a strong and talented quarterback, head up the offensive veterans. Tackles Randall Choate and Roy King, center Rommie Romines and guards Buddy Pettigrew and Brice Hill provide strength and experience in the forward wall.

The Tiger starting offensive lineup is tentatively set with Romines (200, Sr. letterman) at center; guards Pettigrew (175 Sr. Letterman) and Hill (160

Sr. letterman); tackles Choate (215 Sr. Letterman) and King (190 Sr. Letterman); ends Brent Lamb (190 Sr. letterman) and Randall Partain (170 Sr.); quarterback Williams (175 Sr. letterman); fullback Washington (190 Sr. letterman); halfbacks Nicky Farrell (160 Jr.) and Larry Moore (195 Jr.).

Alan McDonald (185 Jr.) is a new face at tackle on defense, while halfbacks Hobby Chapple (150 Sr. letterman) and Morris Dixon (150 Sr.) are also defensive starters. Chapple is also the No. 2 quarterback, and Dixon is currently running behind Farrell at halfback.

The defensive unit has Choate and Romines at guards, King and McDonald at tackles, Lamb

and Partain at ends, Pettigrew and Williams at linebacks, Dixon and Chapple at halfbacks, and Washington at safety.

Coach Davis is starting his third year as Tiger grid boss. Only change in the coaching staff this season is the addition of varsity assistant Bill Gerber. First assistant Bob Martin and Gene Franklin are varsity coaches, along with other duties. Kenneth Housden works with the freshmen, while R. G. Copeland and Joe Sparkman are in junior high.

The visiting Chiefs are hoping to improve on a 2-8 record last year. Coach Fagan (Moon) Mullins had 10 lettermen, but the Chiefs have few returning starters on the squad. Back

Johnny McAden is the veteran with two letters. Despite game experience, the Lake View team could field a team with lettermen at almost every position. Lake View lists only 33 players on the varsity roster. The Chiefs are hampered for a supply of talent by being surrounded by the school district of "big brother" San Angelo Central, a AAAA power.

The Tigers have shown good offensive and defensive balance in scrimmage sessions against Abernathy and Seagraves. Two halfbacks from last year's junior varsity have showed good promise. Larry Moore, 195-pounds and 6-3, broke on a 58-yard run against Seagraves. Nicky Farrell weighs in at 160,

but he runs with great determination.

Davis was concerned about his ends at the start of drills, but Lamb and Partain have removed much of the doubts about any weakness there. McDonald has shown improvement in earning a starting position as defensive tackle.

Farrell will probably fill in for Williams on defense as a linebacker. Don Smith (150 Jr.) is another linebacker and the No. 2 fullback. He's a slashing runner despite his lightweight proportions.

The Tigers are confident they can compete in the new district, and they'll be out to prove it Friday night.

OR HIGHER WATER RATES

Vote on Sales Tax?

A city sales tax election looms in Slaton.

The City Commission, in regular session Monday night, asked the city attorney to have the necessary papers ready at the next meeting to call the election.

After discussing the city's financial problems, the commission agreed that there were just two sources for the needed revenue—a city sales tax or much higher water rates. Mayor Jonas Cain suggested that "we inform the citizens of the facts and give them a choice between higher water rates or a sales tax."

The revenue problem arises primarily from some \$80,000 additional needed the coming year to pay for Canadian River Municipal Water Authority bills. This includes a \$42,690 payment on the project and some \$41,000 for operation, maintenance and treatment of water. The city will also have an \$832 monthly bill for 20 years on fixed charges for the treatment plant at Lubbock.

The city is expected to have figures at the next meeting on the amount water rates would have to be increased if the 1 percent sales tax election fails. The city is allotted 378 million gallons of water from CRMWA next year, and this amount has to be paid for whether it is used or not. City Sec. Gerald Kendrick said the city may not reach past the 250-million mark this year.

Commissioners think higher water rates would tend to cut

down on water usage. If water rates have to be increased, commissioners discussed the possibility of a high minimum charge.

In other business during a short session Monday night,

commissioners approved Police Chief Glenn Farmer's employment of two patrolmen as replacements. They are Ray Suarez and Bill Jewell. The resignation of patrolman Richard Rose was accepted.

F-M Barbecue Slated Tuesday

About 800 men are expected to gather for food and fellowship when the 11th annual Farmer-Merchant Barbecue is held here Tuesday night at Little League Park.

Special entertainment will be provided by a Texas Technical group. Chamber president Carroll McDonald will welcome the group, and Harley Martin will respond for the farmers. Dr. David Hughes will serve as master of ceremonies for the event.

Cash awards of \$150, \$100 and \$50 are presented by the Chamber for the first three bales of cotton produced in the Slaton trade area. First bale last year came Aug. 30 from Stonewall Jefferson of Southland. No bale had been certi-

fied here Wednesday. Numerous gift certificates will be presented as names are drawn during the program Tuesday night.

Arrangements for this year's barbecue were handled by a committee composed of Jake Wendel, Glen Akin and Clarence Kitten. Guest tickets for farmers have been distributed to participating gins for disbursement.

Tickets for the event are on sale at the Chamber office for \$6 each. The traditional event usually draws from 700 to 900 persons.

In the event of rain, the barbecue will be moved indoors to Union Compress.

Tax Board Nears End of Decisions

Equalization Board hearings --extended for some time by the number of appeals -- are scheduled to come to a close Thursday night.

The joint city - school board is scheduled to meet tonight and complete its decisions on cases presented.

The three members representing the school district completed their studies Tuesday and approved the tax valuations by a 2-1 vote. Allen Meurer reported to the Slatonite that he voted against adoption of the valuations "because the other members of the board would not compromise on farmland values."

Basic values on farmland had been set at \$350 per acre for irrigated land and \$200 for dryland. Meurer said farmers wanted to compromise on figures of \$300 and \$175. Meurer said he felt "the farmers are over-taxed."

Bing Bingham and Elbert Wilson are the other two members of the school - appointed board. Bingham, chairman, said he felt the board's duty was "to make any needed adjustments to achieve equalization, and not to change basic values."

The joint board was appointed after the city and school entered into a joint revaluation program. The equalization

board hearings drew a large number of citizens, especially a big group of farm owners who protested high values placed on land.

City-appointed members of the joint board are Ford Stansell, B. H. Crandall and Hugo Mosser.

When the joint board completes its study, the rolls will be presented to the city commission and the school board for approval or rejection.

School Okays Collection Pact

Slaton School Board, in a special meeting Monday night, approved a two-year contract with a tax collection firm to handle the school's delinquent tax roll.

Jack McCrary, representing the firm of McCrary & Huey of Austin, met with the board Monday night. The firm gets a 15 percent fee for collection of the delinquent taxes.

The action came after trustees agreed during a regular meeting last week to press for collection on some \$80,000 now on the delinquent tax roll. The firm will start work immediately.

Local Artist's Picture Goes On Display

Mrs. Ada May Kitten, a Slaton artist whose paintings are admired daily in the Citizen State Bank, presented her first class in an art show Sunday and has recently had a picture selected which will be on display at various occasions.

Her painting was one of 20 selections for the "Chrysanthemums In Art" show to be shown at different events to help boost Lubbock as the Chrysanthemum capital.

Mrs. Kitten has been taking art lessons at the Garden and Arts Center in Lubbock for three and one half years. Her teachers have been Dorothy Irwin, Connie Martin and Dr. Emilio Cabellero.

Pvt. H. M. King of Ft. Bliss, grandson of Mrs. Floy King of Slaton, was injured in a car-motorcycle accident Labor Day and is in the intensive care ward of Wm. Beaumont Hospital at Ft. Bliss. He sustained a broken jaw, wrist and leg in the accident and is scheduled for an extended stay in the hospital.

My subject this week is "What Not to Do on a Texas Slide". First, don't think you are still young enough to do things your children try to talk you into doing; second, don't lie down while coming down the slide unless ALL parts of your body are on the so-called "carpet"; and third, keep all elbows in.

If you don't know what a Texas Slide is, then you don't have children or you haven't gone down 50th Street in Lubbock lately. The way your children will probably get you to stop and just watch is "it's something new and let's take a look" and then "it just costs a dime".

As Speedy and I sat in the car watching, a little two-year-old came down the slide with an older brother who was probably all of four years old. I thought to myself, "if a two-year-old can do it, why can't I?"

And just about that time I heard "Come on mom and dad--- slide with us just one time". Speedy thought it was a pretty good idea and the three started to walk off and leave me. I know now I should have said, like I nearly always do "You guys go ahead, I'll just watch".

WW

I first thought the worst part was climbing that tall flight of stairs. How those kids go up and down them without resting I don't know.

But I later found out the worst part is right after that first big dip. You think to yourself "stop, let me get off before the next one". I just closed my eyes and laid back thinking I was surely going to suffer a heart attack when that slide literally burned a hole out of the back of my best blouse and also took the skin off my backbone.

You're right, Steve and Craig failed to tell me to stay on the carpet just like when they talked me into water skiing, they didn't tell me to let go of the rope if I fell down.

WW

There is a story in this week's paper about a little nine-year-old Negro boy who is almost blind. The Lions Club is sponsoring him at the Special Schools for the Blind and Deaf in Austin for the next nine months.

One way you can help with this child's expenses as well as other blind citizens and the support of the Crippled Children's Camp in Kerrville is to patronize the Lions Club Broom Sale which will be conducted in Slaton Thursday, Sept. 19.

Buy a broom whether you need it or not and as you sweep those floors and sidewalks, think to yourself, "I'm helping a needy Slaton boy attend the School for the Blind". It'll make you feel good that you helped others and at the same time remind you to count your blessings that your children have good eyesight.

BIRTHDAY TIME AGAIN—The three "young" ladies seated celebrated birthdays at the Slaton Rest Home Monday and received gifts, cards and cakes from members of the Slaton Home Demonstration Club. Mrs. Annie Peterson, left, was 81 years old Tuesday; Mrs. Myrtle Osborn, center, was 80 on Sunday; and Mrs. Lula Reed, right, will celebrate her 89th birthday Sept. 22. In the background are HD members Mmes. Alton Meeks, J. M. Breland, Don Wendel, B. B. Green and Wilfred Kitten. Cakes were baked by Mrs. Danny Edwards and Mrs. Breland.

Mrs. Philipp Has Unusual Arrangement

By Bernardine Grabber

In this modern age when almost nothing seems impossible and when we more or less take "miracles" as a matter-of-fact, it's unusual to find something that really surprises us. But something out of the ordinary and something that DID surprise us is an artificial... or permanent flower arrangement belonging to Mrs. Elizabeth Philipp of 620 So. 22nd, that started growing after more than four years!

Mrs. Philipp purchased the harvest-theme arrangement at a bazaar some years ago. Contained in an empty bottle, it includes pine cones, empty cotton bolls, wheat straws and the "miracle" plant, a common cat-tail, all sprayed with antique gold!

Several days ago, Mrs. Philipp observed the cat-tail sprouting buds and as she watched, a fine, thread-like fluffy substance started to emerge until now the "fern" extends some 14 inches to the base of her dresser. Delicate to the touch, the growth resembles a seeded dandelion found growing in some lawns.

It is unusual and we've run out of adjectives, so go by and see it for yourself. While you're there, Mrs. Philipp will also show you some of the intricate woodwork made by her late husband, Walter Philipp.

Mrs. Fannie Teague returned home Saturday from the 32nd annual Green family reunion held in Hobart, Okla. She visited with her four sisters and three brothers along with other relatives. Over 50 relatives attended.

Senior Citizens Hear Rev. Rudd

Rev. Eldon Rudd, a missionary, brought the program for members of the Senior Citizens Club last Friday when it met in the clubhouse for a day of games and the noon meal.

His topic was on the "Characteristics of God", taken from Isaiah 6:1 and 1 Timothy 3:16. Some of the characteristics he pointed out were "God is real, living, personal, emotional, holy, big and a God of salvation".

The prayer was led by the club's chaplain, F. B. Sexton and Mrs. Fannie Patterson, president, conducted the business session.

A song was led by Mrs. Lilly White and Mrs. Anna Bell Tucker accompanied on the piano. The club had one visitor.

Eagles Travel To Whiteface

With a snap of pads and sharp passes, football season will begin for the Eagles Friday night. The 8 p.m. game pits the Varsity against their foes from Whiteface. The Eagles have met Whiteface twice before, each coming away with one victory. Also featured at half-time will be the Eagle Band in its first show of the season.

The scrimmage last week against the AA Frenship Tigers was a tough test of skill. The final score was 3 touchdowns to Roosevelt's one. The Frenship scored one during "B" team action, the other during goal line offense. The Eagles' TD was made from mid-field, as Quarterback Tommy Martin passed to Artemious Tenison.

The freshman team awoke Saturday morning in a roaring ball of fire, and could not be stopped by anyone, particularly their Tahoka opponents. While at Tahoka, the Eagles racked up six touchdowns and the Bulldogs managed little more than first downs. The fish scoring came mostly from Hosea Brown and Don Jackson. The next game for this enthusiastic group will be Oct. 10 against Lookney.

A regular business meeting was conducted in the Roosevelt Clubhouse for the local 4-H Club last Monday. President Vicki Jo Davis conducted the business meeting.

Mr. and Mrs. Benny Sides, Mr. and Mrs. Bill Sides, and Mr. Jack Sides spent last week in South Texas. They visited the HemisFair, missions around San Antonio, and the San Antonio Zoo. They came home by way of San Marcos and its many attractions. They were gone from the first to Sept. 6. Jennifer Guess, Abigail Guess, Derese Davis, and Kathy Ford have returned to Abilene, where they will all be attending Abilene Christian College this fall.

Mr. and Mrs. Delmer McCleod have returned from their vacation in Tennessee, visiting the Smokey Mountain scenery. Mr. and Mrs. Jimmy Dee Clark and Jill of El Paso visited their family and friends of the community while here over the Labor Day week-end.

Mr. and Mrs. Dub Dunagan have announced the approaching marriage of their daughter, Vicki, to Vance Liston of Lorenzo. The wedding is set for Sept. 16, in the Roosevelt Baptist Church. Vicki is a 1967 graduate of RHS, and she and Liston are both attending Texas Tech.

NEW ARRIVALS

Last week was one of new arrivals at Roosevelt. Of course, Tuesday brought about the arrival of new and old students, including an unofficial 267 in the high school. Thursday marked the arrival of the 1968 Eagle, school annual. This brought signing parties and visitation throughout the day and rest of the week. Friday saw the arrival of many excited seniors, for on this day, the Senior Class of '69 received their new senior rings! The rings were in a new style. The girls' rings were daintier, with smaller stones, and the boys' rings were heavier than ever before.

The Dick Davis family spent it's vacation in New Mexico last week. Stopping places included Santa Fe and the Cloudcroft region. The Paul Rodgers' also were spending a few days in Cloudcroft last week.

Mr. and Mrs. James Ford vacationed in the Red River area, and in Colorado last week. Mr. and Mrs. Marvin Biffie went to Amarillo last week to help his sister celebrate her birthday. She is Mrs. E. E.

Hamlin. While there they visited their daughter, also.

The Roosevelt FFA Chapter has purchased a livestock trailer, which can be seen driving around the campus, displaying its bright lettering of the Chapter and FFA insignia. The trailer was paid for with the money made from the annual FFA sausage sales. The Future Farmers of America sponsor is J. T. Crumley.

Elvis Leaves For School For Blind

BY LAVON NIEMAN

As Mrs. Grace Dodson, school nurse, says "What would Slaton do without the Lions Club...and Mrs. Dodson?"

The club voted to sponsor Elvis Lee Haynes, who is nine years old, to the Special Schools for The Blind and Deaf in Austin for the next nine months. Elvis went on a trial basis last year and responded so well he was accepted again this year.

The Lions Club bought the required complete wardrobe for Elvis's nine month stay at the school last year and the First Baptist Church through its benevolent fund and the VFW Auxiliary contributed money for other needs.

This year the club bought him the clothes he will need, paid his transportation expenses to Austin and will send expense money. His parents, Mr. and Mrs. Charlie Haynes of 1120 E. Geneva, both work and plan to help pay on their son's expenses. But with six other children in school, the Lions Club money was a necessity to Elvis.

Although Elvis's eyesight cannot be improved, he will have an opportunity to learn. He and his parents left Saturday for the school.

An ophthalmologist recommended that Elvis go to the School for the Blind as his vision could not be improved by glasses or treatment. He has an optic nerve atrophy, nystagmus and a strabismus.

Mrs. Dodson, who has taken a personal and special interest in Elvis, pointed out that even though it might not seem that there is much left in the way of expenses for the school to furnish, that the school does furnish the tuition fee, room and board and all necessary teaching aids.

As Mr. and Mrs. Charlie Haynes say, "What would Slaton do without the Lions Club...and Mrs. Dodson?"

Slatonites At Convention

Mr. and Mrs. Ellis P. Schmid have been attending the American Legion and American Legion Auxiliary national convention in New Orleans, La. Schmid is one of the 77 delegates in the Department of Texas and Mrs. Schmid is one of the 23 assigned for the pre-convention national committee meetings. She represents her department as the Poppy delegate. He is child welfare officer of the local Luther Powers Post and Mrs. Schmid is unit president here and president of the 19th district.

She served as alternate to Mrs. Wilfred Stoerner, department membership chairman from Plainview and delegate where needed by the department president.

They planned to attend meetings on child welfare, rehabilitation, legislation, national security, boys and girls state, Americanism and many other assemblies as possible.

Before returning home they plan to visit her mother, Mrs. C. M. Kay, in Mt. Pleasant, Tex. They plan to attend a seafood dinner that some "Lost Battalion" members of the Prisoners of War Association had arranged. They are members of the association.

Also attending the convention Sept. 6-12 was Emmett Waldrop, adjutant from the local post.

RODEO QUEENS---Police Chief Glen Farmer is shown with Pam Morgan, middle, who was named Rodeo Queen and Brenda Thorpe who was runner-up, for the first Slaton Amateur Rodeo held last week. Farmer is president of the Roping Club who sponsored the rodeo.

Police Record

Five Accidents

A rash of accidents and 19 arrests highlighted the docket at Slaton Police Department the past week.

Police listed 6 arrests for possession of alcoholic beverages and 6 for consumption, five for drunk in car, 1 for abusive language and 1 for driving while license suspended. A total of 55 traffic tickets were also issued.

Four accidents were recorded Saturday, but only one with injuries. A car driven by Philip Brasfield hit a parked car owned by Jim Newhouse early Saturday morning. Brasfield was taken to Mercy Hospital for treatment, then released. Damage to both cars was estimated at about \$1,200.

Another two-car accident Saturday night resulted in about \$225 damage. Cars were driven by Martie Ortiz and David Alvarado, and the collision occurred at Division and New Mexico. A Sunday afternoon collision at Lubbock and 12th streets resulted in minor damage. Drivers were Mildred Simpson and Sue Ford.

Mrs. E. H. Ward, formerly of Slaton and now of Mineral Wells, met part of her family at her cabin on Lake Brownwood for the Labor Day week-end. Spending the holiday there were the Lindol Beard family of Slaton, the Lowell Merrell family of Lubbock and the Joe L. Ward family of Odessa.

Pam Morgan Named Rodeo Queen

Pam Morgan, daughter of Mr. and Mrs. Bill Morgan, was named queen of Slaton's first annual amateur rodeo last weekend and Brenda Thorpe, daughter of Mr. and Mrs. Ralph Thorpe, was named runner-up. The queen was chosen on the number of tickets sold to the rodeo and there was only 25 cents difference in the money the two girls turned in, officials said.

Another big winner at the rodeo was J. R. Jensen, 503 Plaza Drive, whose name was drawn as winner of the \$260 saddle given away.

The following incomplete results were turned into The Slatonite this week in the various events: Bull riding -- (1) Mike Ferguson, Petersburg, (2) Marshall Wimberly, Muleshoe, (3) Jerry Harris, Lubbock; Bareback riding -- (1) Frank Hunter, Amarillo, (2) Sydney Johnson, (3) Jim Whitefield, Big

Spring; Calf roping -- (1) Debbie Whitehead, (2) Debbie Whitehead, (3) Debbie Whitehead.

Glenn Farmer is president of the Roping Club who sponsored the rodeo. He is vice-president. David Hughes is secretary and there are several other officers. They are all very busy and individual helped make the rodeo a success.

Cpl. Richard L. Miller has been visiting in the city. He has now returned to his home in the city. He is a member of the city police and is very busy.

Quality Printing Press will be printing the Slatonite for the next few weeks.

Shown with him is Cecil Griffin, Lions Club president. The Lions Club is paying most of Elvis's expenses for the school year. (SLATONITE PHOTO)

Will your water heater's next birthday be a happy one?

It's not uncommon for a water heater to reach the age of retirement on its 10th birthday. Some may just dribble water... others rupture with resulting damage and yet others fail to put out as much hot water as they did in their youthful years. If your water heater is approaching its 10th birthday then it's time you talked to your Public Service manager about the value of a modern electric replacement. And, incidentally, should an electric water heater ever need servicing, your Public Service manager will take care of it for you.

WTCC Announces Art Show In Snyder Feb. 18

Five hundred dollars will be the top prize at the first annual West Texas Chamber of Commerce West Texas Art Show in Snyder next February, according to an announcement made this week by Harlan Bridwell, chairman of the Tourist Committee of the WTCC.
 The all West Texas show is slated for February 18, but announcements are going out this week to artists in all parts of West Texas so that they will have sufficient time to prepare special work for the show.
 There will be three divisions: oil, watercolor and other media. First, second and third prizes will be awarded in each division in the amounts of \$100, \$75 and \$50.
 Wacil McNair, Snyder, who will serve as chairman of the art show, says that entries will be limited to 600 because of the lack of proper space to display any more than that. He pointed out that in a recent Snyder art show which was restricted to an area of 125 miles there were more than 300 entries, so this West Texas show will be limited to 600.
 Artists may submit only two pictures each, according to the chairman. Entry fee is \$3.00 per picture and all work must have been done within the past two years. Too, the work must be original, no copies allowed, no class work accepted and competition is open to all artists 18 years of age or older.
 The art show is being held in conjunction with the annual Tourist Development Conference, which will be held in the Snyder Coliseum. Full details of the tourist conference will be announced later by Harlan Bridwell, Bridgeport, WTCC committee chairman and Tom Barnett, Fort Worth, chairman of the Cultural Affairs Committee of the WTCC, joint sponsors of the conference and art show.
 Subject matter for the art show must be related to West Texas scenic, historic or tourist attractions. Participants in the competition must also be residents of the 132-county area served by the WTCC.
 McNair stated "Inasmuch as we expect an avalanche of entries I would suggest an early return of the entry blanks because we must accept entries on a first come, first served basis. Entries may be made immediately although the work to be entered may not yet be completed by the artist."
 The prize winning work which receives the "Best of Show" award will become the property of the West Texas Chamber of Commerce and it is anticipated that this work will form the nucleus of the WTCC art collection, which will be placed on permanent display in the offices of the regional organization.
 Judging of the first West Texas art show will be done by noted artists of the Southwest, whose names will be announced in the near future.
 "Interested artists should contact the WTCC offices at Box 1561, Abilene, for full details of the show and entry blanks, if they are not readily available through their own art group", McNair said.

Red Cross Needs 'Ditty Bags' For Servicemen

Again this year the Slaton Chapter of the American Red Cross has been requested to participate in "Operation Shop Early" which provides Ditty Bags for each service man stationed in Vietnam.
 The purpose of this program is to provide a gift on Christmas morning for the men from the American people who support them in their efforts to provide security for the United States.
 Last year Slaton and Wilson cooperated with the citizens of Lubbock County in providing some 1000 bags for distribution on Christmas Day, and the letters that many received and those received by the chapter, indicated the powerful morale boost the men received from this effort.
 This year, due to the increase in the number of men stationed in Vietnam, Lubbock County has been asked to provide 1,200 bags by Oct. 1 in order that shipment may be made in time for Christmas arrival and again provide evidence that the people here at home support our fighting men.
 Anyone who is interested in helping is asked to notify Mrs. Vera P. Drewry, home service chairman, as to the number of Ditty Bags which can be handled and the enlist others in the program.
 Many who participated in the program last year are calling to ask if they can help again, Mrs. Drewry said, and this has

Crash Fatal To Southland Man

Monday, again, and it is a beautiful day here at Southland. This is the kind of weather that makes the farmers smile. Dry, sunshine and very little wind.

This community was greatly shocked when we received the news last Thursday morning that Melvin (Tuny) Basinger had been killed in a pickup wreck within a mile of his home. Tuny was born and

raised here and everyone knew him and he was a good friend to everyone. His funeral was held in the First Baptist Church of Slaton Saturday afternoon and he was buried in the Southland Cemetery. He is survived by his wife, Jo Ann, and a son, and three daughters, his parents, Mr. and Mrs. W. A. Basinger, and three brothers. He was only 34 years old, May God grant comfort and strength

to this bereaved family.

Mr. and Mrs. Hub Taylor and Sharla and Earl Lancaster sang at the funeral of Tuny Basinger and they did a mighty fine job of it! This is the first time that I had heard the four of them sing and I think that they sing beautifully.

Mr. and Mrs. Marcus Wilke and Mr. and Mrs. Jake Mueller from Wilson attended a funeral in Westhoff, Tex., this past

MRS. TOMMY WILKE

sistered!

All you Southland football fans--let's get behind the Eagles and let them know that we think they're GREAT!

Rev. Tommy Wilson, former Southland Methodist minister, who now resides in Hartley, is at home and doing real fine after suffering a heart attack several weeks ago. Mrs. Wilson was in the hospital this past week, but at this writing, I don't know if she is still in there or not. May God bless

this family in their time of need.

I received a letter from Mrs. Z. K. McKee--last week and she said to tell all her friends and neighbors hello. She is living in Hollister, Calif., but says that she plans to move back to Southland one of these days.

'TEXAS' Ends Third Season

"TEXAS", musical drama presented each summer in Palo Duro Canyon State Park, closed its regular season in the Pioneer Amphitheatre Sept. 2. A total of 64,956 viewed the production this summer, compared with 64,925 last year. Attendance figures for the 1968 season probably would have been higher but rains cancelled four of the scheduled performances. There were no rain-outs last year. Thus far in the show's three years of presentations, more than 191,000 people from all

points of the globe have seen the musical drama written by Paul Green of Chapel Hill, N. C. The music was scored by Isaac Van Grove. Attendance this year averaged 1,160 people per performance and every state in the US and Alaska and Hawaii was represented. The entire cast of "TEXAS" left Canyon Wednesday for San Antonio and a performance at HemisFair. The trip was arranged by L. Pete Gilvin, president of the show's sponsoring Panhandle Heritage Foundation.

halftime. There will be no marching practice on the game field before the game. Other rules are primarily for the teams to follow. For instance, the visiting team will wear white jerseys, unless mutually agreed otherwise. The home team must provide stripped shirts or jackets for the down box operator and two chairmen.

Methods to be used in determining the district championship in case of ties is also spelled out. A game ending in a tie will count as one-half game won and one-half game lost for each team. In case of a two or three-way tie, the teams are co-champs or tri-champions, with the team defeating the other (or others) to represent the district in the playoffs. Should three or more teams tie, with neither team defeating the two, the district representative will be determined by drawing from a hat.

In the event of a two-way tie, in which the champion cannot be determined by the above method, the representative will be the team which score more 20-yard penetrations in the game between the two tied teams. If penetrations are equal, the team with the most first downs wins. If this does not determine a winner, one will be decided by drawing.

In all the games, the referee will be required to file with the district chairman a report giving the number of penetrations and the number of first

downs. This report shall be signed by the referee and both coaches and sent to the district chairman.

Coaches will select an all-district football team at the close of the season. Eleven offensive and eleven defensive players shall be named. No names will be released until the district representative has been eliminated from the playoffs.

All members of the "B" team must be passing currently, according to UIL rules, and are to be eligible according to age and number of semesters.

The age rule for junior high football players is as follows: To play on a 7th grade team, student must not be 14 on the first day of September; to play on an 8th grade team, one must not be 15 on Sept. 1; to play on the 9th grade team, one must not be 16 on Sept. 1. A participant must pass three solid subjects in order to be eligible to play on the three teams.

Area Teams In Grid Openers Friday Night

All Slaton-area rural schools open football seasons Friday night, with two playing at home and two taking to the road for the inaugural contests of 1968.

Wilson will host the Anton Bulldogs, while Cooper is at home against Lorenzo. Roosevelt travels to Whiteface, and Southland goes to Bula.

It will be a change in schedules for Wilson and Cooper this season. Wilson has been moved to a different district, and opens against an old league foe in Anton. The Mustangs will play non-district games against most of last year's loop foes. Wilson won the title last year and now seeks the crown in a district composed of New Home, Hermleigh, Roby, Sands and Jayton.

Cooper has been promoted to Class A and has all new loop members in 5-A. Other teams in the league include Coahoma, Seagraves, O'Donnell, Wink and Plains. Cooper will play neighbors Wilson and Roosevelt in non-league competition.

EVERY GAME IS FOR KEEPS

No Rest In Crowded 3 AAA Grid Action

BY SPEEDY NIEMAN

All the time for warmups, experiments, or trial and error has to take place in scrimmage sessions for the huge District 3-AAA teams this season -- the "race for the roses" starts Friday night with every game a district encounter.

The pre-season polls favored Sweetwater, with Dunbar a close second, and pre-season drills left the picture looking the same way.

It's no season for late-blossoming teams. The squads with the experience and depth will have the advantage, thus Dunbar and Sweetwater are natural picks. The only question about Estacado -- big enough to be in AAAA -- is how they'll perform their first year with a varsity schedule.

Lamesa and Brownfield return lots of lettermen and have the experience to be contenders. Slaton and Colorado City are the unknowns -- moving up from Class AA with good teams. Their fate could depend on depth against the larger schools.

Levelland is rated low, but the Lobos could be a surprise this season. Littlefield and Lake View are rebuilding.

The 11-team district is the largest circuit in any division of the University Interscholastic League. Some of the big cities have large districts, but they split into two zones.

In such a packed loop, the chances of a team going through undefeated appear slim. It's also a good bet there will be some upsets, and the possibility of a two or three-way tie for the crown and other positions in the race.

season after losing a close one-point decision to Dunbar in the opening district game.

The Matadors of Estacado breezed through a junior varsity schedule last year, tromping some good AAAA junior varsity teams in the process. Estacado is the largest school in the loop, but drew the AAA assignment for two years before moving on up.

the top offensive performers in quarterback Jimmy Williams and fullback Richard Washington. The Slaton defense has shown quality too, perhaps giving the Tigers more balance than some district teams.

The Wolves of Colorado City think Class AA all-state halfback Dan Steakley will be the best running back in the district. If the C. City front wall can stand the test, the Wolves may surprise some teams.

Levelland was 2-8 in the league last season, but the Lobos lost five games by a total of 8 points. With 4 returning offensive and 4 defensive starters, Levelland could replace someone further up the ladder.

Whoever winds up with the crown should be a tough and seasoned foe to deal with in the playoffs.

Lamesa is two-deep in lettermen but is reported to lack the size and speed to go all the way. Brownfield also has experience and boasts a stout defense, but the offense is a question mark.

Slaton and Colorado City both had top talent returning this season, and the only question is how far they can go with it in the new, tougher district. The Tigers should have two of

Annual City Golf Tourney Starts Sunday

The third annual Slaton City Golf Tournament gets underway Sunday with Deanie Hatchett seeking to capture a third straight championship.

The tourney will last several weeks, depending on the number of entries. One match must be played each week with players put in flights according to handicaps, reported golf pro Bill Wilson.

All flights will be match play. Entry fee is \$10 with gift certificates being awarded winners in each flight. Deadline for entering the tournament is Saturday, Sept. 14.

First match in the tourney can be played anytime from Sunday through Saturday, and one match will be played each week until winners are determined.

Davis Appears At Rotary Meet

Tiger coach Ernie Davis was guest speaker for the regular weekly luncheon meeting of Slaton Rotary Club last Thursday in the Clubhouse.

Davis introduced assistants Bob Martin and Bill Gerber, and reviewed football prospects with Slaton entering Class AAA this year. He pointed out that depth would be a big factor in Tiger fortunes this season.

The Slaton grid boss said he felt the big difference in play-

ing AAA ball was in depth of players. Davis said he thought the Tiger starting unit would be on a par with any team in the district.

The coach listed the probable starters for the Tigers' first game on Sept. 13. Carroll McDonald served as program chairman for the week. Several guests and visiting Rotarians were introduced at the meeting with Bruce Pember presiding.

SPORTS FEATURE--PANEL TO FORECAST GRID GAMES

If you want to know the winners of the big games Friday night, just check the consensus selection of The Slatonite's "Panel of Experts!"

As a sports feature this season, The Slatonite will have its so-called football "experts" pick some of the games of local interest each week. We'll also report the percentage compiled by our fearless forecasters so that readers can see who is the best.

Some sort of prize--still to

be determined--will be presented the winning forecaster at the end of the season.

The panel will be composed of Coach Ernie Davis, former coach Bing Bingham, Bill Ball --an expert at most anything; Carroll McDonald, former Tiger Club presy; and Speedy Nieman of The Slatonite.

The panel was unanimous on 7 of 15 picks this week, indicating some interesting football weeks to come.

SCRIMMAGE ACTION--Slaton's Larry Moore leaped high but just missed grabbing a pass from Jimmy Williams in a scrimmage session at Seagraves Saturday afternoon. Williams later connected on a 50-yard touchdown pass to Randal Partain as Slaton dominated the scrimmage game. (SLATONITE PHOTO)

Test Claws Against Seagraves

Moore showed good potential as a running back, netting 71 yards in 5 carries. Williams got 68 in 4 trips; Richard Washington had 31 with 9 carries, and Nicky Farrell toted once for 18 yards.

Seagraves managed 75 yards rushing, but the Tiger line put a minus 20 on that by trapping the passer several times. Roy King, Randall Choate and Buddy Pettigrew headed up the defensive work.

The Eagles second unit had better luck against the Tigers. Seagraves scored once and chalked up 7 first downs to 5 for Slaton. Each team had 20 plays. Seagraves had their first unit halfback at quarterback, and used several other first-unit gridgers on the second team.

Hobby Chapple, Don Smith and Morris Dixon sparked the second unit on offense.

Lake View Looks For Better Season

San Angelo Lake View, located almost in another country and climate in the sprawling 11-member District 3-AAA, is relegated to a second-division finish in the 1968 title race. Coming off a 2-8 season in 1967, the Chiefs lost most of their starters, but do have 10 lettermen returning, led by two-year junior letterman back Johnny McAden.

Other backfield lettermen include Ricky Dunaway and Jimmy Don Williams, which give the Chiefs a respectable amount of experience in the secondary. Lettermen returning for Coach Fagan (Moon) Mullins are end Reggie Brothers, tackles Bruce Bruton, Jerry Burks and Bill Irby, guards Ronnie Crawford and Joe Keel, and center Stan Smith.

So, despite the thinness of the Chiefs' squad, and the absence of game experience among the returning lettermen, Mullins can field a team composed of numeral winners at almost every position.

The Chiefs list only 33 men on their varsity roster, making

it one of the smallest squads, in number, in the district.

The San Angelo team is annually hampered in its supply of talent by being surrounded by the school district of Big Brother San Angelo Central, the perennial AAAA power.

But Lake View is one of the veteran members of 3-AAA, and has a district title to its credit, which may give the Chiefs more incentive and poise lacking in other more recent newcomers to the district.

Melvin Basinger Killed In Crash

Melvin E. (Tuny) Basinger, a native of Southland, was fatally injured about 9 a.m. last Thursday in a collision of two pickup trucks 7 1/2 miles west of Post. The accident occurred about a mile from his home which is on Rt. 12, Post in the Close City Community.

Basinger, 34, died at Garza Memorial Hospital in Post. There were no passengers in the vehicles.

The other driver, S. C. Storie Jr., of Post was not injured, the highway patrol reported. Storie's pickup, going west, was in collision with the right rear side of Basinger's pickup, which was headed north, the patrol said.

Highway patrolman Henry Hardin of Post reported to the Lubbock district office that Basinger's pickup overturned throwing Basinger out of the vehicle.

Services were held at 2 p.m. Saturday in the Slaton First Baptist Church with the Rev. Boyce Evans of Lubbock officiating and the Rev. J. L. Cartrite, pastor, assisting. Burial was in the Southland Cemetery under the direction of Englands.

Basinger was born in the Southland Community Dec. 27, 1933, attended Southland Schools and graduated in 1951. He married the former Jo Ann Trimble on March 29, 1952 and was a member of the Southland Baptist Church. Lutheran Women Study About Work In Japan

The theme for the third general meeting of the Grace Lutheran Women Sept. 4 was "Let All The People Praise Thee". The program centered around the work of the American Lutheran Church in Japan as seen by a filmstrip depicting the missionary work.

Following the singing of "O Zion Haste, Thy Mission High" devotions were led by Mrs. Fred Kahlich and the group joined in responsive reading of Psalm 67.

A missionary biography was presented by Mrs. James Parker, depicting the life of Toyohiko Kagawa. The story pointed out the importance of what one individual convert was able to do when the living Christ became real to him.

A poem, "Discovery", written by Kagawa and the worship offering were given by Mrs. Larry Schneider. Closing devotions were led by Mrs. Bill Walter based on the hymn "From Greenland's Icy Mountains".

The group's business session was conducted by Mrs. James Riney, president. The Southern District Convention which will be held in Lubbock next month and some of the duties of the group were discussed. Mrs. Riney was elected delegate to the convention.

Newly elected officers for the group are Mrs. Wallace Becker, president; Mrs. Larry Wilke, secretary; and Mrs. Robert Camden, secretary of education.

The refreshment committee, gaily attired in Japanese costumes, served lunch to the women. They were Mmes. Earl Schwenke, E. C. Stabeno, Earl Foerster and Leroy Zieschang. The serving table was decorated with a Japanese Pagoda and a garden scene was used as the centerpiece.

Serving on the program committee were Mmes. Robert Richardson, Wallace Becker and E. C. Stabeno. The next general meeting will be a Christmas workshop in December.

Mrs. Walter Is Elected Prexy

New officers were elected when the Immanuel Lutheran Church Women of Posey met last Thursday. Mrs. Melvin Walter was elected president. Other officers are Mrs. A. C. Walter, vice - president; Mrs. Frank Lester, secretary; Mrs. Fred Lueck, treasurer; and Mrs. Walter Schroeder, reporter.

During the business session it was announced that anyone having used clothing of any kind may bring them to the Educational building of the church. Clothes that need mending are also welcome.

The group's next meeting will be Oct. 3 at 2 p.m. and an invitation is extended to anyone wishing to study the Psalms.

Doing Good

"To those who by patience in well doing seek for glory and honor and immortality, he will give eternal life."
— Romans 2:17

Doing good is one thing. Patience in well doing is quite something else. Many of us are willing to help — to support a cause, to lend a hand, to carry part of the load — only so long as we find it convenient to do so. Let a need or a project interfere with some plans we have made and we are not so quick and so ready to serve. Patience in well doing is a virtue that recognizes a need above a personal pleasure.
