Sla-Ton
Tops Club

The Sla-Tons Tops Club met Thursday night in regular session with leader, Jan Cornelius, presiding. Twelve members weighed in with eleven losing or maintaining weight. Jan Cornelius won the Grab Bag Prize by losing the most for the week and Mickey Jones won the weight and attendance dimes.

In January each member brought a cup towel for the attendance contest. Billie West won these at the Sept. 9 meeting, by being the only member who had not missed a meeting.

During July, each member brought a towel to enter the weight contest. Each week, members who gained weight had to bring a washcloth to stay in the contest. Lola Montgomery won these prizes Sept. 2 by losing the most weight.

In the period from April 1 to Sept. 2, each member received a leaf each time she attended a meeting and each time she lost weight. Billie West and Lona Bickers tied the contest by having the same amount of leaves at the end.

Mary Wilson was crowned as August Tops Queen by losing the most weight during August, and Lucille McMeekan was named KOPS Queen for August. Jan Cornelius resigned as leader of the group, and Mary Wilson was elected to replace her. Irene McCormick read the devotional, "Love Never Fails" for the meeting.

Visitors are welcome at the meetings held each Thursday night at 7 p.m. in the Mercy Hospital dining room.

ITEM: Glass fiber repels soil and water and it is this quality that makes these fabrics easy to wash and quick to dry. However, it is advisable to wash glass fibers by hand. Large, heavy draperies should be sent to a commercial laundry.

OFFICERS INSTALLED---Little Sister Janice Thornton, left, is installing Mrs. Bill Sides as president of the Roosevelt Young Homemakers at a meeting held Tuesday at the Roosevelt Club House. Area 1 first vice president, Mrs. Ronald Hill, is looking on. (SLATONITE PHOTO)

Teachers' Meet
Held Monday

The Slaton Classroom Teachers Association met Monday afternoon in the West Ward Cafeteria. The meeting was presided over by Mrs. Newma Carnes, president.

The association unanimously endorsed the candidacy of Mr. Bill Carnes for chairman of the legislative committee of T.C.T.A. Mr. Carnes has served two, two-year terms on the state board of T.C.T.A., and three years on the legislative committee. A letter seeking endorsement of Mr. Carnes from other school districts will be mailed forthwith.

The Professional Practices Commission was discussed. This is the commission that will rule upon violations of the Teachers' Code of Ethics. This will be discussed further with the building representative in each school building.

A skit presented by West Ward and Kindergarten faculty members encouraged membership in the Slaton Association. West Ward was in charge of refreshments.

Installation Held By Homemakers

The Roosevelt Young Homemakers met Tuesday for their annual installation of officers at a noon luncheon. Nineteen members and four guests were present. Visitors included Janice Thornton, Mrs. Robert Pierce, Mrs. Ronnie Daniel and Mrs. O. G. Nieman.

Officers installed included:

Mrs. Bill Sides, president; Mrs. Don Richardson, first vice president; Mrs. Dale Hobbs, vice president in charge of projects; Mrs. Benny Sides, vice president in charge of program of work; Mrs. R. H. Hill, vice president in charge of awards; Mrs. Ray Hinsley, secretary; Mrs. C. T. Bessent, treasurer; Mrs. S. N. Jones Jr., parliamentarian and historian, and Mrs. Wilbert Kevil reporter.

Janice Thornton, club "Little Sister" was installing officer. Twelve members attended the Area 1 convention Sept. 11 at Muleshoe. The next meeting of the club will be at the Roosevelt Clubhouse Sept. 28 at 9 a.m.

Walters Take
Ideal Vacation

Mr. and Mrs. Fred Walters, who retired in June of 1970 and returned to Slaton where they had lived some 34 years before working with the South Texas Children's Home in Beeville and Texas Baptist Children's Home in Round Rock for 12 years, have recently returned from "the first nice long month vacation" they have ever spent during their 46 years of marriage.

They said they were more than thrilled at how nice and friendly everyone was everywhere they went. On their trip they visited at Okmulgee, Okla. with a grandson and his wife, Mr. and Mrs. Randell Gamble; Missouri, Illinois, Indiana, Ohio, Pennsylvania and New York. They visited an aunt and uncle, Mr. and Mrs. Clayton Phelps in Arkport, N.Y. where they spent a week. The four toured several places of interest including Lake Erie, Buffalo, Niagra Falls and Canada. They also visited Five Finger Lakes and Corning City where they went through the largest glass factory in the U.S.A.

On their way South, the Walters visited Mr. and Mrs. Adam Pasternak in Pittsburg, Penn. Mrs. Pasternak was one of the girls who had lived at Texas Baptist Children's Home when they were there. They surprised Mrs. Walters with a birthday party while they were there. They traveled through West Virginia and the Daniel Boone Forest in Kentucky. At Marietta, Ga., they visited Mr. and Mrs. Tillman Burge and children.

From there they headed back west through Alabama and into Mississippi visiting relatives in Meridian, Forest, Sebastopol (where Mr. Walters was born and reared) and in Jackson with relatives. Then they headed to Louisiana and back to "good ole Texas".

Before returning to Slaton, they visited Mr. Walters' two sisters and their families for a few days in Denison and then a brother in Abilene. They also visited another brother at Oak Creek.

Legion, Auxiliary Hosts Dinner
For Boys, Girls State Tonight

The American Legion and Auxiliary will host a dinner Thursday night at the American Legion hall at 7:30 for the Boy's and Girl's State winners and their parents. The youngsters will speak to the group. The Auxiliary has been notified that Miss Janet Gossett of Slaton has received a scholarship from the Department

of Texas for \$150 to further her education in the field of nursing. She is a student at Texas Women's University at Denton.

These scholarships are available to all seniors, and Miss Gossett was selected out of a group of several hundred girls over the state.

Vela-Rogers Vows Exchanged

LUBBOCK -- St. Patrick's Catholic Church was the setting of the marriage of Miss Alice Ophelia Rogers and Arnold Vela at 4 p.m. Saturday. The Rev. George Buckley, assistant pastor of the church, officiated the double ring ceremony.

Vela is the son of Mr. and Mrs. Larry Vela of Rt. 7, Mr. and Mrs. Frank Rogers

of Lubbock, parents of the bride, presented their daughter in marriage.

The bride wore a formal gown of peau de soie and chantilly lace featuring a victorian neckline of scalloped lace and bishop sleeves ending in petal points.

Miss Alice Leyendecker of Austin served as maid of honor. Bridesmaids were Misses Mary Jane Agullar, Nelda Moreno, Mary Moreno, Linda Hernandez, Beatrice Urive and Christine Chavez.

Best man was Frank Altamirano and groomsmen were Arthur Vela, Joe Ybarra of Slaton, George Gutierrez, Andy Vela, Joe Morin and Joe Gonzales.

Other attendants were Messrs. and Mmes. Rafael Rosiles, Edward Hernandez, Oscar Ornelas, Lorenzo Martinez and Albert Rodriguez.

The bridal attendants wore formal gowns of organza and peau de soie designed with empire bodices of beige and orange organza with scooped necklines and full bishop sleeves.

Seating guests were Albert Ybarra and Luciano Perez. Rosalinda Costilla of Muleshoe was flower girl and Joe Trevino and Christina Costilla of Muleshoe were ring bearers.

A reception at La Fiesta Restaurant honored the couple after the ceremony.

Mrs. Vela attended Lorenzo schools and is a graduate of Estacado High School. Her husband is a graduate of Cooper High School in Woodrow and attended Commercial College.

Rev. Moore
Speaks at
Santa Fe Meet

Twenty-eight Santa Fe retired employees met at the Slaton Club House Tuesday.

Rev. Johnnie Moore, pastor of First Christian Church, brought a devotional on "Religion vs. Christianity." He asked the members to imagine the police coming and arresting them and each was tried before the judge for being a Christian. He asked, "Could the judge find enough evidence against you to convict you?" He said "are we living each day the Christ like life that others can see Jesus in us or are we traveling in the broad road, the way of least resistance, just pretending?"

M. C. Hodge, vice president, conducted the business meeting. R. D. Bisby, a former Slaton resident and Santa Fe employee, was welcomed as a visitor. He and Mrs. Bisby now reside in Sun City, Ariz.

Cotton's Market

WANT GET what you want in the market. You will go across the street to ask for it. The way of life in the market is to textiles just as to any other commodity.

FAILURE TO CAPITALIZE on the demand for cotton by not providing an adequate supply, however, could jeopardize markets and the grower's investment in land, equipment, and other cotton production resources.

THEY POINT OUT that a better yield can bolster the grower's net income, increase his payment base under the government farm program, and build greater markets for cotton.

This is a dirty lie as I was married a week before he was born. I am forwarding my marriage certificate and three children, one of which is a mistake as you can see. In answer to your letter, I have given birth to a boy weighing 10 lbs. I hope this is satisfactory. Unless I get my husband's money pretty soon, I will be forced to live an immortal life. You have changed my boy to a girl. Will this make a difference? I have no children yet as my husband is a drunk driver and works day and night. In accordance with your instructions, I have given birth to twins in the enclosed envelope. I want my money as quick as I can get it. I've been in bed with the doctor for two weeks and he doesn't do any good. If things don't improve, I will have to send for another doctor.

LETTERS TO THE EDITOR

Dear Editor, I am writing this letter, so that it may prompt other citizens of Slaton to join together and demand a new storm warning system for our city. The one our city now has in use, is too far out of date to serve its vital purpose of life or maybe death. During stormy weather when the fire alarm is sounded, it probably frightens those who can ever hear it into a state of panic. During a power failure, our present warning system would be of no use whatsoever. It is totally dependent on a direct power source. Local law enforcement officers could hardly warn over six thousand people, in time for them to get to a place of shelter. Our city needs a new warning system that has a completely different sound or tone from our present fire alarm. The storm warning devices should be placed at various points, where all persons in the city limits could hear them. They should be loud enough to be heard regardless of whether it be day or night. The new warning system should have two sources of power, not just one. It should have a generator type of power in cases of power failure and not be totally dependent on just one source of power. We all pay taxes. Let's see our taxes go to work and benefit the common man, not just a chosen few. A new warning system for Slaton is a must. Tommy Brunson 155 S. 4th Slaton, Texas

your week ahead

Forecast Period: September 20 to September 27

ARIES Mar. 21 - Apr. 19 The closing days of September finds activity in the far dark corners of your mind. Remember one thing: There's a difference between opportunity and temptation - a big difference.

TAURUS Apr. 20 - May 20 Teamwork seems to be in the scheme of things. Apparently, you have impressed someone in authority; the door to a new venture should open.

GEMINI May 21 - June 20 According to your chart, you are being entrapped by envy. One other thing, it seems as though you are putting out more monies than you are taking in.

MOONCHILD June 21 - July 22 Please take advantage of someone else's experience. Seek council! Apparently, you will be tempted to undertake an untried venture.

LEO July 23 - Aug. 22 Cool it, Leo! Your chart shows the inclination to play "cat and mouse" with a member of the opposite sex. It's not wise to let your pride interfere with your feelings.

VIRGO Aug. 23 - Sept. 22 Your "smarts" in dealing with complicated financial matters will not be at a peak. "Fuzzy" thinking concerning money is indicated. So, be very careful.

LIBRA Sept. 23 - Oct. 22 Self pity, seems to be the big thing in the lives of most members under your sign. Don't expect to be pampered during the present cosmic cycle.

SCORPIO Oct. 23 - Nov. 21 An insignificant incident could very well trigger you into becoming arrogant. You are inclined to take on a superior attitude as September closes.

SAGITTARIUS Nov. 22 - Dec. 21 Catch up on a phone call or letter that you have put aside. Your chart shows the tendency to be neglectful because of hyper-activity.

CAPRICORN Dec. 22 - Jan. 19 This week calls for a bold stroke type of decision. It's one of those rare times when you can "shoot from the hip."

AQUARIUS Jan. 20 - Feb. 18 Many under your sign will detect deception and disloyalty among their associates. Others, will undergo tense periods with co-workers.

PISCES Feb. 19 - Mar. 20 Unless you decide to change things, which is your right by free will, the close of September should be one of your better weeks.

ITEM: Upholstering furniture can be fun, saves money, too. Upholstery fabrics are available in a variety of fibers and weaves. A fabric with a balanced weave will wear longer than a brocade or highly textured fabric. Cotton, nylon fibers are durable, and fabrics made from them usually will give long, satisfactory wear.

THE FAMILY LAWYER

Good-natured John, proprietor of a grocery store, kept a can of free tobacco on the counter. One day, just for kicks, he sprinkled a little gunpowder into the tobacco. Sure enough, the first customer to use the mixture set off an explosion in his pipe. Result: injury to the customer's eyes and a successful damage suit against John.

It is well worth remembering, when you feel playful, that "I was only joking" is seldom a good defense in a court of law.

"One who plays dangerous practical jokes on others," observed one court, "takes the risk that his victims may not appreciate the humor."

But add enough cruelty or recklessness to your sense of humor and you may have to pay for costly consequences. For example, courts have imposed liability on:

- 1) a joker who gave a hot foot to a man too drunk to realize that he was suffering a third degree burn;
- 2) a grocer who packed a dead rat into a bundle of groceries;
- 3) a wag who informed a woman, falsely but convincingly, that her husband had had both legs broken in a smashup;
- 4) a card player who, while bending down for some money, flipped a fellow player backwards out of his chair.

In fact, in addition to liability for damages, you might even face criminal charges.

A man had an old revolver containing a jammed cartridge. Confident that the gun wouldn't shoot, he playfully brandished it at a visitor and pulled the trigger. To his horror, the gun fired a shot that killed the visitor.

Booked on a manslaughter charge, he pleaded that it was a pure accident—"all in fun." But the court found him guilty.

"Human life," said the court grimly, "is not to be sported with."

Farmer's Union Convention Set

The Lubbock County Farmer's Union Convention will be held Sept. 21 at 8 p.m. at the Lubbock Electric Cooperative. All members are invited to attend the meeting.

Officers of the group include W. R. Sage, president, W. P. Davis, first vice president, Robert Alexander, second vice president, and Jimmie Davis, secretary.

Directors include Ray Cook, Wayne Richardson, Bobby Rich-ey, Grady Brook, W. D. Granger and Edsel Merrell.

Door prizes will be given at the meeting.

It's The Altitude

In Puno, Peru, housewives cook three-minute eggs for six minutes because of the city's altitude of 12,500 feet. The oxygen thin air in the city beside Lake Titicaca robs automobile engines of 30 per cent of their rated horsepower.

Thought For Food

Pork is especially tasty when broiled on skewers. Inch cubes take 25 to 30 minutes to broil to delicious doneness, a point to remember when selecting fruits and vegetables as kabob partners. Zucchini, parboiled carrots or eggplant, fresh onions or wedges of fresh pineapple or orange will be bright and tasty skewer partners. Or, choose cherry tomatoes, fresh mushrooms or canned onions or pineapple and arrange the pork and accompaniments on separate skewers. When the meat is almost done, put the other skewers on to broil.

When the children arrive home for lunch, warm them up with hot toasted sandwiches of cooked chopped ham, beef or lamb blended with grated cheese, mayonnaise or gravy. This sandwich is the homemaker's answer for preparing a quick, nourishing meal while utilizing leftover meat.

Postage stamp glue is made from tapioca.

Easter can occur any time between March 22 and April 25.

'Grain Sorghum Research' Just Off Press At A&M

"Grain Sorghum Research in Texas--1970," a progress report which describes an entirely new industry in the state, has just come off the presses at Texas A&M University.

The 120 page publication was compiled by researchers and specialists in the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service.

Dr. H. O. Kunkel, dean of the A&M College of Agriculture and acting director of the Experiment Station, said the grain sorghum story, as outlined in the publication, is a good example of what a land-grant university can do for an agricultural commodity.

He said the report is especially significant in view of the more than \$300 million in cash receipts which Texas-

grown grain sorghum has provided for the past four years. Receipts totaled more than \$350 million in 1970.

In 1970, 5.9 million acres of the crop were grown in the state with a yield of more than 330 million bushels, exceeding 40 percent of the entire U. S. crop.

Kunkel said a marked effect of the grain supply has been the growth of the livestock feeding industry. There were 3,138 million cattle finished and marketed from Texas feedlots last year. The state is now third in the nation in numbers of cattle on feed.

"Texas A&M University through its research and extension work with grain sorghum for more than 50 years, helped lay the foundation for this success," the dean said.

The publication's contents cover cultural practices, diseases and insects, chemical treatment residues, breeding seed production, handling, various uses of the grain, economics, and extension education in grain sorghum.

"Grain Sorghum Research in Texas--1970" is available from the Department of Agricultural Communications, Texas A&M University, College Station, Texas, 77843.

Emergency Transportation Course Set in Lamesa

A practical course on emergency care and transportation of the sick and injured to be held in the Lamesa area is scheduled Sept. 22-24 and Sept. 27-29 in the Pioneer Park Building, in Lamesa.

Registration will begin Sept. 22 at 7 p.m. Sessions will run from 7 p.m. to 10 p.m.

Invited to attend the six-night course of lectures and demonstrations are ambulance attendants, policemen, firemen, safety engineers, rescue squads, nurses, public health officials, civil defense officials, and other officials and private citizens interested in emergency care. The course is offered free of charge and is expected to attract attendance from a 75 mile area around Lamesa.

The State Department of Health and the Dawson - Lynn-Terry-Gaines-Yoakum Counties Medical Society are co-sponsoring the program.

The death rate from accidental injuries can be reduced by improved training of emergency personnel. A fast ride to the hospital is no substitute for appropriate attention to the victim at the scene of the emergency, according to Doctor John Puckett, a Lamesa Physician who is Program Chairman for the training school.

Emergency care personnel must be able to make a quick response, determine medical priority, and take the necessary life-saving measures. The urgency of this need is

Cotton Producers Save On Harvesting Costs

Cotton producers can now save from \$10 to \$20 per bale on their harvesting, handling and ginning expenses by using a newly developed handling-storage method, according to Cotton Incorporated.

"Special equipment needed for this seed cotton handling system is commercially available in the High Plains area of Texas," J. Dukes Wooters, Jr., executive vice president and general manager of Cotton Incorporated, said.

Savings result from an increased harvesting capacity, reduced dump time, greater utilization of trailers, continuous operation of the gin and an over-all reduction in labor.

Cotton Incorporated, in cooperation with the Texas Tech University, Industrial Engineering Department, has perfected this system for the High Plains area and is continuing research to develop low cost handling-storage methods for other areas.

In order to compare the new

operation with the present method, research was conducted in two Lubbock ginning communities.

This research, under the direction of Dr. Milton L. Smith of Texas Tech, involved 93 growers with over 18 thousand acres of cotton.

Results from the investigation showed a potential 30 percent increase in harvesting field efficiency. Cost reductions averaged \$4.87 in handling, transport and temporary storage and \$7.19 in ginning costs for an 8-bale-per-hour gin operating only 33 days.

Greater savings can be made on higher volume gins operated over a longer period of time.

More details on the new system can be obtained by writing Cotton Incorporated, 3901 Barrett Drive, Raleigh, N.C. 27609.

When filled with hot water, a thick glass will crack more quickly than a thin one.

About one in every \$8 in cash receipts from all commodities marketed by Texas farmers has been from grain sorghum.

We Solicit Your Ginning Business And We Are Prepared To Render The Very Best Ginning Service Possible. When You Gin With Us You Can Expect The Very Best Turn-out And Sample Possible.

FIRST BALE DISPLAYED--Harold Wilson, right, producer of the Slaton area's first bale of cotton, and Jay Gray, Slaton Co-Op Gin manager, stand beside the 540-pound prize package. Wilson received a premium of 50 cents a pound for the bale at the gin, and will also receive the Chamber of Commerce cash award of \$150.

first bale of cotton

SLATON CO-OP is proud to have ginned two bales in the Slaton territory.

Always striving for the best possible turn-out and samples.

Jay Gray, Manager

Slaton Co-Op Ginning

How To Change Your L-U-C-K

What many people call "luck" is actually a reflection of their own Labor. Understanding, Courage and Knowledge.

One man labors harder than another to excel, then is regarded as "lucky" when he succeeds. Another, lacking enough knowledge, makes a poor investment, then sees himself as "unlucky" when the results become clear.

The greatest book ever written on L-U-C-K, says a top theologian, is the Holy Bible.

There, says Dr. Oswald Hoffmann of radio's famed Lutheran Hour, are to be found excellent guides for self-improvement of the kind that can change what some people regard as their "luck."

"L" IS FOR "LABOR"
Wealth gotten by vanity shall be diminished; but he that gathereth by labor shall increase.—Prov. 13:11
In all labor there is profit; but the talk of the lips tendeth only to penury.—Prov. 14:23

The labor of the righteous tendeth to life; the fruit of the wicked to sin.—Prov. 10:16

Two are better than one: because they have good reward for their labor. For if they fall, the one will lift up his fellow; but woe to him who is alone when he falleth; for he hath not another to help him up again.—Eccles. 3:9-10

And also that every man should eat and drink, and enjoy the good of all his labor, it is the gift of God.—Eccles. 3:13
The desire of the slothful

killeth him; for his hands refuse to labor.—Prov. 21:25

Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labor.—I Cor. 3:8

"U", "UNDERSTANDING"
Folly is joy to him that is destitute of wisdom; but a man of understanding walketh up rightly.—Prov. 15:21
And unto man he said, Behold, the fear of the Lord, that is wisdom: and to depart

from evil is understanding.—Job 28:28
Trust in the Lord with all thine heart; and lean not upon thine own understanding.—Prov. 3:5

How much better is to get wisdom than gold! And to get understanding rather to be chosen than silver!—Prov. 16:16
Understanding is a wellspring of life unto him that hath it: but the instruction of fools is folly.—Prov. 16:22

I went by the field of the slothful, and by the vineyard of the man void of understanding; and lo, it was all overgrown with thorns, and nettles had covered the face thereof, and the stone wall thereof was broken down.

Then I saw and considered it well; I looked upon it and received instruction. Yet a little sleep, a little slumber, a little folding of the hands to sleep: so shall thy poverty come as one that travelleth; and thy want as an armed man.—Prov. 24:30-34

"C", FOR "COURAGE"
Be of good courage, and He shall strengthen your heart, all ye that hope in the Lord.—Psalm 31:24
Watch ye, stand fast in the faith, quit you like men, be strong.—II Cor. 16:13

Finally, my brethren, be strong in the Lord, and in the power of His might.—Eph. 6:10

The wicked flee when no man pursueth; but the righteous are bold as a lion.—Prov. 28:1
In fear of the Lord is strong confidence; and his children shall have a place of refuge.—Prov. 14:26

"K", FOR "KNOWLEDGE"
Receive instruction and not silver; and knowledge rather than choice gold. For wisdom is better than rubies; and all the things that may be desired are not to be compared to it.—Prov. 8:10
Wise men lay up knowledge, but the mouth of the foolish is near destruction.—Prov. 8:14
The heart of him that hath understanding seeketh

\$25 JACKPOT FOR PERFECT ENTRY

ABSOLUTELY NOTHING TO BUY!

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 46. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families. Each entrant eligible for one prize.
