Tigers Lose Catfight 53-14 After Good First Half

By DALTON WOOD

For half a game last Friday the Slaton Tigers played a fine game and proved they were a football team capable of playing with anyone in their class. Then the defense broke down, and the Littlefield Wildcats broke long plays in the last half to win it going away, 53-14.

This week the Tigers play host to the Clovis junior varsity, the JVs of a strong New Mexico team of Class AAAA size. Slaton was unable to schedule a Class AA or AAA team on this date.

Last Friday's game was a close contest for the first half, and Slaton shocked the visitors with a new offense -- a straight T formation which

GAME AT A GLANCE

Slaton	Littlefield
17 First downs	21
190 Yds. rushing	382
143 Yds. passing	100
10-20-2 Completed by	3-6-0
2 Fumbles lost	0
3-29 Punts, avg.	1-30
6-57 Penalties	6-80

produced 333 yards from scrimmage, easily the best output of the year.

The Tigers took the opening kickoff and marched 80 yards downfield on running by Greg Sokora, Clarence Trotty and Charlie Haynes, with QB Gary Aycock bursting loose for 33 yards and the score on a fourth-and-inches situation. Denzer kicked goal, and Tiger Stadium almost came apart as Slaton led the highly-rated visitors 7-0 at 8:46 left in the first period.

Littlefield came back to score just after the second period opened, with Kenny Owens going 14 yards off the left side of the line. End Bill Turner kicked goal and it was tied 7-7. Owens scored again to cap another Littlefield drive midway of the quarter, and a kick was wide, putting the Wildcats ahead 13-7. But Slaton came right back on a 58-yard drive, with Sokora squirming 4 yards for the touchdown.

Denzer kicked the point to put Slaton ahead 14-13, and everyone in the stands really began to get interested. Slaton had Littlefield in a deep hole, facing long yardage for a first down, when HB Pat Thompson broke free -- again through the porous defensive right side of Slaton's line -- for 42 yards, setting up a 4-yard keeper by QB Terry Bryson which put Littlefield ahead 19-14 after the extra point try was incomplete. This was with just 53 seconds left in the half.

Slaton came right back, however, with passes from Aycock to Sokora of 14 and 24 yards, putting the Tigers on the Littlefield 4. Trotty was stopped short of the goal line on a first down play as the half ended.

Slaton continued to play well for a time in the third quarter, but two fumbles, recovered by Littlefield, halted the Tigers and started two scoring drives by the Wildcats. Bryson went 3 yards at mid-quarter and Owens went 9 to score with 15 seconds left in the third to ice the game, with Littlefield leading 33-14.

The Wildcats put the icing on the lid with three long scoring plays in the fourth period. Henderson, who gained 154 yards in 13 carries in the game, raced 50 yards unhampered on a counter play, and the sophomore end, Turner, personally added 14 points, scoring on a 77-yard pass play and on a 70-yard return of a deflected Slaton pass. He also kicked two extra points.

Sokora was Slaton's leading ground gainer before leaving the game midway of the fourth period with an arm injury. He gained 89 yards on 18 carries, an average of 4.9. Aycock gained 43 on 5 tries. Trotty carried 7 times for 25 and Haynes gained 23 in 10 efforts.

Sokora also caught four passes for 53 yards and was counted in on 20 tackles. End Bill McClesky caught three passes for 71 yards; Trotty caught two for 11 and End Clarence Hammonds caught one for 9.

Slaton now is 0-3 for the season.

Lay Witness Mission Set At Roosevelt

Roosevelt First Baptist Church will have a Lay Witness Mission beginning with an all-church meal at 6:30 p.m. Friday and continuing through noon Sunday.

General chairman of the mission is Ty Jones, and coordinator will be Charley Farley of Lubbock. Church members are to bring food for the meal at 6:30 Friday and another meal at the same time Saturday night.

Visiting laymen and women and youth from various cities and denominations will stay in homes of members on Friday and Saturday nights, and will speak during the weekend about what Jesus Christ has done in their lives.

Coffees are scheduled at 10 a.m. Saturday in homes, and at noon the women of the church will meet for a salad luncheon in the church, while the men will meet at Rhea's Steak House at Acuff, and youth will meet at Roosevelt Clubhouse. Another all-church meal is planned for noon Sunday, following the regular worship service.

Any interested person is invited to come and join in any of the activities. Services Friday and Saturday nights will be at 7:30 p.m., but anyone may bring food and join in the meal at 6:30.

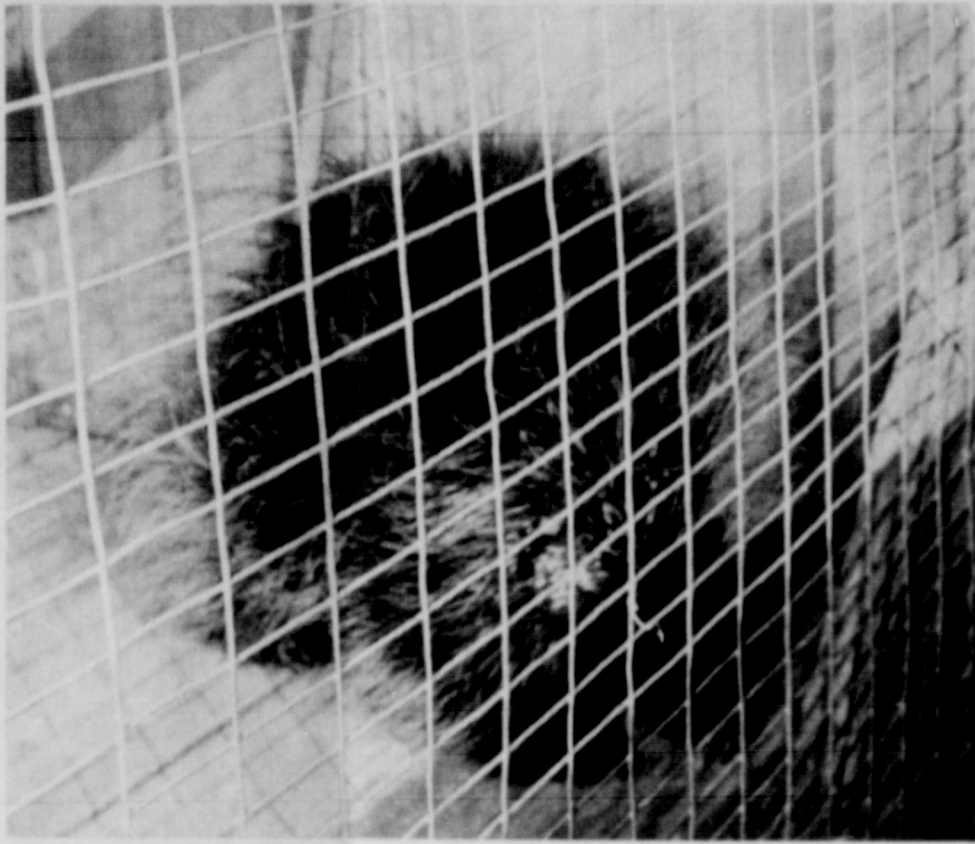

Texas Water Council showing beyond a doubt that the proposed project is indeed feasible." Black said.

One of the most glaring fallacies of the import study, Water, Inc., officials point out was the use of average 1965-69 prices received by farmers and comparing those to 1972 construction costs. Skyrocketing farm prices in recent months have completely changed the cost-benefit comparisons used in the original study by the Bureau of Reclamation and Corps of Engineers. This coupled with a worldwide shortage of food and fiber (See WATER, Page 2)

Strong Push Expected For Import

Water, Inc., will present strong testimony in support of importation of water to the plains areas of West Texas and Eastern New Mexico when its officials appear before a meeting of the West Texas Water Resources Council Oct. 3. The council, one of four regional water councils created by Senate Resolution 812 and directed to study area water problems, has set its original meeting for 10 a.m., Oct. 3, at the West Texas Museum in Lubbock.

"The preliminary report of the West Texas-Eastern New Mexico Import Water Project presented to us last April has given us encouragement," said A. L. Black, president of Water, Inc., and a member of the lieutenant governor-appointed council. "For the first time, we were told that there is water in the Mississippi River that could be made available to us," he said. "Although the report indicated the project was not economically justified when evaluated under traditional standards, we were not deterred and we have developed statistical data for presentation to the West

STICKY CRITTER--This porcupine was trapped by the city animal warden after a woman called in that it was in her yard here last week. The animal was taken to the canyon and freed. (SLATONITE PHOTO).

Thefts, Wreck Investigated

Police here investigated a pair of thefts and one wreck during the last week.

Nassco, Inc., contractors working at the site of the proposed new car agency of Bill Adams on U.S. 84 at Woodrow Rd., reported loss of 10 rolls of 10-gauge reinforcement wire, valued at \$250. The wire was taken Thursday night.

In the 1200-block of E. Division Sunday, two 1965 autos were involved in a collision. One was driven by Curtis Madkins of Wilson, and the other, described as a 1965 Bonneville, left the scene.

A window pane valued at \$4 was broken at Slaton Clinic. The clinic was entered, but nothing appeared to be missing Sunday.

Last Wednesday, Mrs. Mike Boyd of 810 S. 13th advised that a 26-inch girls bicycle had been stolen from that address. It was valued (See POLICE, Page 2)

City Going Back Into Garbage Business

It appears that the City of Slaton will get back into the garbage collection business, an undertaking the city gave up joyfully last January when Triple C Sanitation Service was given the franchise for collecting garbage here.

Triple C has notified the city that it is giving the required 90-day notice to terminate the agreement under which the company attempted to operate the garbage collection service here. Since the company first began operations here, the project has been troubled by complaints about prices and service.

The letter from Triple C owner Preston Coomer was read Tuesday night before Mayor John Landreth and what was supposed to have been a regular meeting of the city commissioners. No official action was taken at the meeting because only one of the four commissioners was present, not enough for a quorum.

Present were Mayor Landreth, Precinct 2 Commissioner Otis Neill, City Secretary Alex Webb, City Atty. Harvey Morton, a newspaperman, and six persons interested in the public hearing on the proposed budget for the coming fiscal

year, which starts Oct. 1. The budget was discussed.

Absent were Precinct 4 Commissioner Eugene Mask, who has missed only two or three meetings since he was elected last April; Precinct 1 Commissioner B. H. Crandall, who missed for the first time, as he is vacationing overseas; and J. P. Spears, Precinct 3 commissioner who has missed every meeting in the last four months.

The group discussed the budget which totals \$431,797.50, an increase of \$25,576 over the current year's budget. Projected salary increases account for most of the difference, according to Webb.

Webb told the group that the city's financial outlook is better than it has been in years, pointing to a big reduction this coming year in the amount set aside for retiring bonded indebtedness, and a corresponding increase in the amount to be used for operations. Also, he

noted, the budget looks better even without reflecting any amount which may be received from revenue sharing. Since the program went into effect, the city has received more than \$150,000 in revenue sharing money, and has \$76,837 of this left, although most of that amount already has been obligated, with \$59,000 dedicated to the new police facility planned. Although the city anticipates \$113,000 in revenue sharing money to be received in the next year, Webb pointed out that revenue sharing is "a very uncertain thing, and therefore can't be counted on. If we get it, we can do some extra things that are needed."

City Police Chief Fred Clark requested one or more extra policemen on the force "so we can offer better protection to the citizens at times of greatest need...Slaton is growing all the time, and I think the police department needs to grow

Allen Miles Wins Contest Over 83 Entrants In Week

Allen Miles won the football guessing game last week and the \$10 first prize

as he missed just six games. But he had to guess closer to the tie-breaker score to beat out Ricky Davis, 410 W. Garza, who also missed only six, and qualified for second prize of \$5. Joe Gatica, 500 S. 4th, won third prize of \$2, but again the tie-breaker score was the determining factor, since seven other persons missed only 7.

Miles, 1515 W. Garza, guessed a total score of 56 in the Slaton-Littlefield game, and the actual total was 67, as the Wildcats won 53-14. Davis guessed 32, and Gatica beat out all the other sevens by guessing 68, almost hitting the exact total.

Also missing 7, but finishing out of the money were these entrants, with the total score they guessed: Mike Peterson, 21; Joe Mercer, 38; Paul Mercer, 41; Steve White, 35; Leon Moore, 41; Jerry Montgomery, 23; Martin Ramirez, 28. Eighty-three persons entered the contest, and another appears on the last page of this issue.

The Fearless Forecasters continued to blaze a brilliant trail, especially Joe Sparkman and Dalton Wood, now tied for last place with 15 right and 21 wrong for the year. Pete Williams is breaking even at 18-18 for third place, while Bill Ball, in second at 23-13, and J. W. Holt, in first with 28-8, just missed two each last week.

The Texas-Miami game was not on last week's list, or everyone would have missed that one, too.

by dalton

ABOUT a hot dog for breakfast? That's the suggestion, as you might expect, it comes from a female Aggie, one Reasonover, who carries the imposing Foods and Nutrition Specialist, Texas Rural Extension Service, Texas A&M

University, however, only one of a bunch of suggestions from Frances, who says breakfast should have to be bacon, eggs, cereal or toast.

Frances wouldn't be so familiar with Frances if we didn't get the news release whether she is missing it or not, but we don't, and we'll be darned if we're going to let this ridiculous Ms. stuff that the Journal is using.

Frances is "Better Breakfast Month", which gives us only a couple of days to make the most of it. And Frances says it is important to have a family member. She says "students should get grades and learn more when they eat breakfast."

Frances, didn't I read somewhere that you should think better when they are hungry? I think when you eat a big breakfast (or any meal) that you really can't seem to get your gears meshing, that thinking anything more complicated than lying on a couch somewhere is just too much to do when the stomach is full.

Frances, she says this: "Try hot dogs, eggs, cheese, beans, peanut butter and sandwiches, soup, macaroni and cheese, meat or fish over potatoes, or cottage cheese and fruit."

Try all of them at one breakfast, and you'll feel the rest of the day.

Frances varies quite a bit with individuals. Some people don't eat breakfast at all, although some people tell us that this is the worst thing they can do. We have a cousin who used to eat breakfast, and back in the old days ate potatoes and gravy. And we have a song about some guy who had a breakfast. When we were kids, we ate Wheaties for breakfast (of course) to eat, although we also ate a lot of other things too, so we could use the box tops for a junior G-man badge from Melvin

Phelan Annie used to hustle Ovaltine as a breakfast drink. All we remember about that is that we didn't like it, and that Woody Third Herd once did a song called "The Benzadrine in Mrs. Murphy's" (Can't recall the tune, but the title is with me).

In conclusion about breakfast: bacon and eggs still make the best fare, and the best time to eat them is about 10 p.m. (The main reason for eating with most breakfasts is that they are at the wrong time of day.)

RAH FOR SLATON JUNIOR HIGH --- Leading the cheering section for the Slaton Junior High School games this year will be Debbie Shackelford, left; Sherrie Eakin, Bobbie Sue Sims, Janee Jensen and Connie McCormick, from back to front, center; and Mitzie Causton, right. Sherrie is head cheerleader. (SLATONITE PHOTO)

Southland To Play Weinert

Southland Eagles will be seeking their first victory in four games at 7:30 p.m. Friday when they play host to Weinert in a six-man, non-conference football game.

The Eagles last week lost to Patton Springs 20-0 in an eight-man game.

Water

(continued from Page 1)

and an unprecedented demand for American farm produce plus the nation's desperate need for farm exports to offset the United States' deficit of payments all combine to reflect a completely different financial picture than that painted in the Import Study Report.

"We will leave no stone unturned in an effort to see that our people, the state, the nation and the world know the full truth about the import proposal," Black said.

Under new bacon packaging regulations, package windows must measure at least one-and-a-half inches wide and show 70 per cent of one slice of bacon.

SUNDAY'S SERMON

Autumn
It's that time of year again in nature's cycle when the leaves turn color, the breeze blows cooler, and the days grow shorter. Summer fun and vacations are history now and school is in full swing all around this great country we live in.

Autumn is a good time to get back into full swing with God. Too many of us put God in the back corner of our minds during the fun days of summer. There seems to be too many good things to do in summer, and just not quite enough time to do everything we want. But now there are no excuses, now we have the time to communicate with God. We have time to think about what our purpose is and to find meaning for our existence.

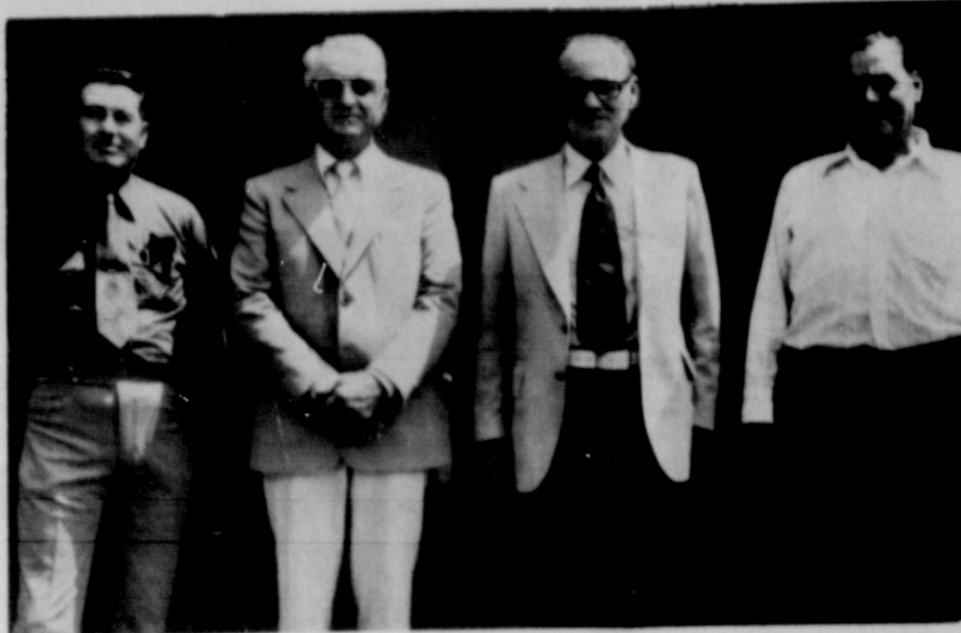

It's never too late to come back to God, as long as we live and breathe. God asks so little of us, and yet we demand so much of Him. Now that the recreation and vacations are over, come back to God.

Party Honors Engaged Pair

Mr. and Mrs. F. T. Longtin hosted a party Sunday afternoon honoring their daughter, Miss Tomi Longtin, and her fiancé, William Wiley Sledge III. Miss Longtin joined her parents in greeting friends and introducing them to her fiancé and his parents, Mr. and Mrs. W. W. Sledge Jr. of Big Spring. Miss Kim Payne registered guests and Mrs. Linda Payne assisted with hostess duties. Other out-of-town guests included Miss Longtin's grandfather, T. A. Lewis of Abilene, Steve Sledge of Big Spring and Corless O'Neal of Laredo.

New Citizens

9-26-73 -- Mr. and Mrs. Mike Green, 1200 S. 13th St., a son, Christopher Michael, weighing 6 pounds 1/4 ounce in West Texas Hospital in Lubbock. Grandparents are Mr. and Mrs. Bill Green of Slaton and Mr. and Mrs. Buster York of Post. This is the Greens' first grandchild.

9-20-73 -- Mr. and Mrs. Donnie Ray Rodgers of 805 New Mexico St., a daughter, Danyel Yvette, at 11:30 a.m., weighing 3 pounds 8 ounces in Mercy Hospital. The father is employed by Triangle Manufacturing Co.

9-21-73 -- Mr. and Mrs. Cecil Lynn Daniel of 4908 38th St., Lubbock, a son, Jonathan Heath, at 5:20 a.m. weighing 9 pounds 6 ounces in Mercy Hospital. The father is a carpenter at Texas Tech University.

9-21-73 -- Mr. and Mrs. Gene Mapes of Lubbock, a son, Bradley Gene, born at 9 a.m. in Lubbock. Grandparents are Mr. and Mrs. H. S. Creswell of Slaton and Mrs. Elbert Mapes of Haskell. The Mapes have a daughter, Jody, 2.

9-22-73 -- Mr. and Mrs. Eduardo Ramon, Rt. 7, Box 120, Lubbock, a daughter, at 10:45 p.m. weighing 8 pounds 4 ounces in Mercy Hospital. The father is employed at Lubbock Feed Lots.

9-22-73 -- Mr. and Mrs. Glenn Carl Riddle, Rt. 7, Box 525, Lubbock, a son, Glenn Carl Junior at 6:35 a.m., weighing 9 pounds 1 1/2 ounces in Mercy Hospital. The father is a truck driver.

9-25-73 -- Mr. and Mrs. Lino Torres Martinez of Slaton, a daughter, at 7:05 a.m., weighing 6 pounds 8 1/2 ounces in St. Mary's Hospital in Lubbock. The father is employed by Plains Poultry and Egg Co.

9-25-73 -- Mr. and Mrs. Ustacia R. Madrid of Rt. 1, Box 119, Slaton, a daughter, weighing 8 pounds 2 ounces at 10:25 a.m. in Lubbock Osteopathic Hospital. The father is employed by Furr's Quality Control Kitchen.

Mrs. Fred Stottlemire Hosts T.E.L. Class

The T.E.L. class met in the home of Mrs. Fred Stottlemire last Thursday with Mrs. E. M. Lott as co-hostess. Mrs. Fannie Patterson, president, presided over the business session. The devotional was given by Mrs. A. P. Wilson from Psalm 111. A Bible quiz was presented by Mrs. E. R. Burns. Next meeting will be Oct. 18 in the home of Mrs. Burns.

Mrs. Salazar Talks at Meeting

Mrs. Raul Salazar of Lubbock, wife of the president of the Rio Grande Conference of the United Methodist Church, was guest speaker at the Monday meeting of the Slaton United Methodist Women.

The program was on "Hispanic American Women" and was led by Mrs. R. T. Farley.

Mrs. Salazar gave a history of the conference and told of the training of Methodist ministers.

The group met in the church's fellowship hall and a covered dish luncheon was served at noon.

A Bible study will begin at the next meeting to be conducted at 9:30 a.m. Oct. 1 at the church. Mrs. M. R. German will be study leader.

Prison Rodeo Slated Oct. 7

HUNTSVILLE -- Phase I of the Texas Prison Rodeo -- the cowboy tryouts -- got underway last weekend as E. H. (Hoot) Crawford, arena director, took his first of four looks at returning veteran cowboys and hopeful first-timers.

From back-to-back weekend tryouts, Crawford will select some 40 convicts to wear the black-and-white stripes of the Texas Prison Rodeo rider.

The 42nd annual Texas Prison Rodeo will open on Sunday, Oct. 7 at 2 p.m. with the traditional grand entry parade. Prison rodeos will be held each Sunday during October.

Ticket information can be had by writing to the Rodeo Ticket Office, Box 99, Huntsville, 77340.

Kendrick Is New Employee

Earl Kendrick, formerly of Slaton, has been named director of public works for the City of Seagraves. He was employed here as assistant water superintendent.

His work experience also include field work with the City of Brownfield and he was water superintendent at O'Donnell before going to Seagraves.

Kendrick has Class B certification for water and sewer work and holds a license as plumbing inspector. His family includes his wife and two sons.

Lover's Lane Is Scene Of Nuptial Vows

Miss Terri Sue Conner became the bride of Roger David Jones in a double ring ceremony Sept. 22 in the Wesley Chapel of Lover's Lane United Methodist Church in Dallas. Rev. Thomas J. Shipp officiated for the nuptial vows.

Parents of the couple are Mrs. Dian Conner of Irving and Bob Conner of Slaton, and Mr. and Mrs. Loyd Jones of Moody.

Given in marriage by her father, the bride wore a formal-length gown of white bridal satin that featured a high neckline, empire waist and controlled skirt. Embroidered lace encircled the skirt that fell to a short train in the back. Full gathered sleeves were held by a wide cuff and self-covered buttons.

Her elbow length veil of illusion was held by a capulet of re-embroidered lace. The bride's gown was designed and made by her grandmother, Mrs. Howton Haire of Post.

She carried a bouquet of assorted blossoms with streamers of yellow, green and orchid.

Mrs. Janie Roman of Dallas served as matron of honor, and bridesmaids were Kristi Tittle of Irving and Mrs. Billy Bob Conner, sister-in-law of the bride. They wore gowns of yellow, green and orchid dotted swiss, and each carried a basket of sunflowers.

Tony Hill of Irving served as best man, and groomsmen were Douglas Jones of Waco, brother of the groom, and Danny Hall of Irving. Ushers were Ray Conner and Billy Bob Conner, brothers of the bride.

Tammy Tittle of Irving served as flower girl, and ring bearer was Mike Jones, son of the groom.

Mrs. Clarence Candomian of Dallas was organist.

A reception followed in Oxford Hall of the church, and following a wedding trip to Carlsbad Caverns, N.M., the couple will make their home at 3431 A Rochelle, Irving.

Mrs. Ray Conner of Slaton is the paternal grandmother of the bride, who is a 1972 graduate of Slaton High School. Jones is a 1964 graduate of Lorena High School, served on the Waco

FROSH CO-CAPTAINS --- Craig Curry (44) and Mike Tumlinson are co-captains of the Slaton High School freshman football team this season. (SLATONITE PHOTO)

Frosh Grid Team Wins

Slaton's freshman football team, already with two wins in two games, will go to Abernathy at 5:30 p.m. today to test the Abernathy freshmen. The Tiger frosh have beaten Floydada 18-6 and Roosevelt 19-0.

Against Floydada, End Jesse Smith scored on a 30-yard pass from QB Mike Tumlinson. Alex Christian plunged over from a yard away, and Ronnie Lake took a pass from Tumlinson and scored on a 35-yard play.

In the Roosevelt game, the combination of Tumlinson to Smith clicked for three touchdowns, and FB Craig Curry kicked one extra point. Also in the Roosevelt game, Rocky Smith, playing strong safety, intercepted two passes.

Tumlinson and Curry are co-captains of the team, coached by Jim Bales.

FRESHMAN TEAM—Shown here is the freshman football team which has won both its games thus far. Coach of the team is Jim Bales. The freshmen are scheduled to play Abernathy there this afternoon. (SLATONITE PHOTO)

Public Notice

The public is hereby advised that, no later than October 5, 1973, the following items of personal property will be sold at public outcry to the highest bidder for cash at 103 North 9th Street in the City of Slaton, Texas:

- One refrigerator
- Dinette set
- 2 chairs
- washing machine
- 1950 Chevrolet pickup
- miscellaneous items

Such items being sold to satisfy a landlord's lien and storage charges by John Fondy as landlord, the property formerly belonging to Santos Villa, tenant.

52-1tc

THE STATE OF TEXAS TO: DANIEL A. URRUTIA GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 5th day of November, A.D., 1973, at or before 10 o'clock A.M., before the Honorable 140th District Court of Lubbock County, at the Court House in Lubbock, Texas.

Said plaintiff's petition was filed on the 14th day of Sept., 1973.

The file number of said suit being No. 73760.

The names of the parties in said suit are:

JN RE: ADOPTION OF DANA LISETTE URRUTIA, A MINOR.

The nature of said suit being substantially as follows, to wit:

This is a suit filed by John R. Cammack and Margaret A. Cammack, Petitioners for the adoption of Dana Lisette Urrutia, hearing is set for November 9, 1973 at 9:00 A.M.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 18th day of September A.D., 1973.

Given under my hand and seal of said Court, at office in Lubbock, Texas, this the 18th day of September A.D., 1973.

/s/ J. R. Dever,
District Clerk
140th District Court
Lubbock County, Texas
By /s/ Myra Boykin,
Deputy

The Consumer Alert

by John L. Hill
 Attorney General

AUSTIN -- As prices keep spiraling upward, the hap- less consumer is having such a hard time stretching the dollar as far as his or her needs demand that most of them are looking for every available budget expander.

after you see your doctor ...

bring your prescription to
Teague's Drug Store
 828-6535 Night 828-6500

But the Consumer Protection Division of the Attorney General's office has received complaints which indicate that some so-called purchaser clubs are operating solely to the benefit of the operators.

The complaints usually have centered on schemes in which salesmen are recruited to sell discount membership cards, after making a personal monetary investment in the plan, and are promised large commissions in return. The salesman's job is to call on merchants and talk them into buying lots of the cards, and getting their own customers to buy into the plan. The merchants allegedly are told that they not only will increase their clientele, but they will be paid a commission on each membership they sell. And, we are told, the merchants are promised the bonus of

PRaise THE LORD

By LENDA WOOD

The Bible has much -- very much -- to say about angels. We could recall many instances where angels are mentioned. The birth of Jesus was announced by free advertising in exchange for their participation.

The consumer, who may be asked to pay as much as \$40 or \$50 to belong to the "club," is promised large discounts and "huge annual savings." When this sort of plan is not operated properly, our Consumer Protection Division receives complaints from every participant -- the salesmen, the merchants and the consumers. Merchants have charged that they did not receive their commissions, and/or did not reap any advertising benefits. Salesmen have complained of failing to receive commissions.

angels. Seems like so many of us have read that story so often, that we fail to realize what really must have happened.

Have you ever thought about how the angels must have sounded? Just to get to hear their voices, must have been something! Or have we read that story so many times, that we think it probably wasn't a voice after all, maybe just a sense of knowing what was about to happen.

Well, the angels must surely have voices. And they must surely speak like us human beings, because all the humans to whom they spoke in the whole Bible understood what they were saying -- so much, that there was no doubt about it. They also must (sometimes) resemble human beings, because they have been mis-

taken for persons at times. And you know, the Bible does say that we should be careful because we might be entertaining angels un-

aware. In Luke, chapter 2, the Bible says that an angel appeared to shepherds, "and the landscape shone bright with the glory of the Lord. They were badly frightened, but the angel reassured them. 'Don't be afraid!' he said. 'I bring you the most joyful news ever announced, and it is for everyone! The Savior -- yes, the Messiah, the Lord -- has been born tonight in Bethlehem! How will you recognize him? You will find a baby wrapped in a blanket, lying in a manger!'"

Sounds like Luke must have thought that the angel talked, because he recorded several sentences there, quoting the angel. Then the Bible says that suddenly the angel was joined by a vast host of others -- the armies of heaven -- praising God. (Sounds like there must be a bunch of them too.) Then the Bible says that great army of angels returned to heaven again.

Praise the Lord -- don't you know that must have been a glorious event to behold!

The Bible says that Jesus Christ is the same yesterday, today and forever. And I'll betcha that his angels are the same today as they were then, too, because it doesn't say anywhere that they returned to heaven and just do nothing, or that all they do is just sit around and sniff flowers all day. Now, read all of the first chapter of Hebrews. Here the Bible tells us that Jesus is the highest of all creation, and that he is in highest honor beside the great God of heaven. And that he is far greater than any angel.

We are told not to worship angels, but to worship God only -- the Father, the Son, and the Holy Spirit.

But let's take a look at what angels really are. "God speaks of his angels as messengers swift as the wind and as servants made of flaming fire ... Angels are only spirit-messengers sent out to help and care for those who are to receive his salvation."

Angels are ministering servants to us (Christians). Don't you, as a Christian, need to be ministered to? Just look at how much it helps you for some Christian friend to come to you and tell you things in God's Word that just seems to be just the right words to help you and to lift you up.

I thank God for Christian friends who help minister to my needs daily. And just think, there may be angels who do this for us too!

Praise the Lord for his many wonderful blessings upon us!

WILSON NEWS

Broada & Sue Crowson

The Wilson Chapter of the Future Teachers of America met Tuesday in the home of Shelly Cook.

BAND MARCHES
The WHS band marched in the Panhandle South Plains Fair Parade in Lubbock Monday morning and won fourth place in Class B.

FOOTBALL
New Home Junior High School defeated the Wilson Junior High School team last Thursday. The score was 14-0. Wilson's team will play O'Donnell there at 5 p.m. today and will play Whiteface here at 5 p.m. Oct. 4. The high school team will play at Nazareth at 8 p.m. Friday. School will be dismissed at 2:30 p.m.

SENIOR PLAY
The senior play, "Get Witch Quick," will be presented at 7:30 p.m. Oct. 12 in the Wilson High School auditorium.

HOSPITAL NEWS
Mrs. Robert Lamb is in the Methodist Hospital in Lubbock where she is to undergo surgery.

Tracy Lee, daughter of Mr. and Mrs. Bob Lee, was in University Hospital in Lubbock last week. She had surgery on an elbow, which was injured in a fall.

Clyde Wilke was admitted to Methodist Hospital Friday night after being injured in a football game at Sundown. He was dismissed Saturday afternoon.

GIRL SCOUTS

Girl Scouts Troop 270 met after school Tuesday in the Homemaking Cottage.

Officers elected were Kim Rice, patrol leader; Shelly Cook, assistant patrol; Cheryl Wilke, treasurer; and Cindy Stone, scribe.

Other troop members are Laurie Ross, Rhonda Nolte and Stephanie Cook. Leaders are Mrs. Linda Wilke and Mrs. Madeline Rice.

Birthdays, Anniversaries
Sept. 27 -- Kristi Maecker, Scott Gatzki, Willie Mae Gatzki.

Sept. 28 -- Gilbert Steinhauser, Twilla Talkmitt.

Sept. 29 -- Karol Steffens.

Oct. 1 -- Tommy Bednarz, Urbana Hernandez, Nell Hlavaty.

Oct. 3 -- Rose Ramirez.

WILSON LUNCH MENU

October 1-5 1973
MONDAY--Enchilada, green beans, hot rolls, tossed salad, milk, sweet potato cake.

TUESDAY--Beef stew, potatoes, crackers, onions, milk, macaroni, okra, tomatoes, cinnamon rolls.

WEDNESDAY--Chile beans, broccoli, cornbread, carrot sticks, butter, milk, plum cobbler.

THURSDAY--Meat balls with spaghetti, blackeyed peas, hot rolls, sauerkraut, milk, jello.

FRIDAY--Hamburger, onions, pickles, lettuce, tomato, bean salad, buns, milk, peanut butter cake.

Sundown Tops Wilson In District Game, 13-6

The Sundown Roughnecks defeated the Wilson Mustangs 13-6 in a District 2-B battle at Sundown last Friday.

In the first quarter, neither team was able to move the ball. It was a tight defensive battle as neither team scored. Wilson gaining a total of 34 yards offense and Sundown gaining 35 yards. The scoring started in the

second quarter when Sundown's Mike Waygood ran 15 yards for a TD, and then kicked the extra point for a 7-0 halftime lead.

The third quarter was again a defensive struggle with the Mustangs gaining only 24 yards on offense, and Sundown gaining 43. A key pass interception by Richard Cedillo stopped a Sundown drive.

The Roughnecks dominated the fourth quarter by rushing for 103 yards. The Mustangs gained a total of 87 yards, and 76 of that was gained on three passes by Mike Bednarz. Sundown scored after a sustained drive that covered 83 yards. On 4th down and goal at the end zone and recovered for a TD. The extra point was no

good, leaving the score 13-0. Wilson came back in the final 4 minutes when Bednarz completed three consecutive passes: to Phil Kitten for 15 yards, to Greg Bednarz for 11 yards, and the third pass going 50 yards to Chris Coleman for the Mustangs' only TD. On the extra point, Wilson tried for 2, but failed.

Defensive standouts for Slaton last Thursday. Seniors working that day were: Mary Ellen Flores, Irene Martinez, Gregg Lester, Jerry Winterrowd, Steve Bukkemper and Ray Garza.

SOUTHLAND EAGLE ROUNDUP

FAIR DAY
School was dismissed at 2 p.m. Monday in order that students might attend the Panhandle South Plains Fair in Lubbock.

NO PAPER NEXT WEEK
No Eagle Roundup will be printed next week because of the first six weeks tests scheduled for next week.

according to Ed Dean, Field Service Director for the coordinator of the program, Lubbock-based Plains Cotton Growers, Inc.

The "happy note" was supplied by the fact that it was only necessary to spray about 41,000 acres in the initial application whereas earlier indications had been that up to 100,000 acres might require treatment. Officials laid the reduction in expected weevil infestation to the hot, dry weather during the first three weeks of August.

"Weevil grubs and larvae in squares that fell from the cotton plant to the ground during this period simply died from heat and lack of moisture," Dean said, "and while that kind of weather wasn't good for the area crop as a whole it certainly proved a boon to the weevil program."

Dean went on to say that officials were highly pleased with the performance of this year's aerial spray contractors and that "this first 41,000 acres was covered in fine style, beginning Aug. 27, in a little over two days." The contract for spraying Unit I in the program, which lies north of Hwy. 82 along the eastern edge of the Plains, was let this year to Palmer Aero Services of Harrisburg, Ark. South of Hwy. 82, in Unit II, the contract is held by Slaton Flying Service.

The program, designed to prevent the spread of cotton's number one pest into the vast High Plains cotton acreages above the Caprock, was initiated by PCG in 1964 and weevils have been successfully knocked back off the Caprock each year since.

Asked about the effect on the program of rainy weather which blew into the Plains on Sept. 6, Dean said "We got such good and such timely coverage in the first application that, barring a drawn-out period of bad weather, we shouldn't be hurt at all."

Non-toxic ultra low volume Malathion is the insecticide used in the control effort. Weevil populations are kept extremely low and thus confined to a relatively small area by breaking the weevil's reproductive cycle in the Spring and then killing as many as possible of the remaining populations in the Fall before they go into winter hibernation.

FOOTBALL NEWS
The junior high boys travel to Hermleigh today for a 5:30 p.m. contest. The high school boys have a game with Weinert Friday, Sept. 28 at 7:30 p.m. at Southland.

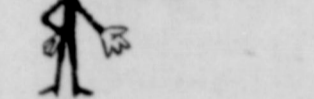

NEW SCHOOL EMPLOYEES
Jeanie Adamek and Doris Lester are Southland's new lunchroom workers. Jeanie Adamek was born at Mena, Ark. She graduated from a Lovington, N. M. high school and attended business college at Lamson, Ariz. Later she worked at Electric Heating Supply in Lovington for two years.

In 1964 she married Pat Adamek. They have two children, Monique and Marlana. Marlana is a first-grader, and Monique is in the third grade at Southland school. Jeanie's favorite hobbies are volleyball and being a housewife. Last year she worked in the cafeteria for three weeks.

Doris Lester was born in Post and graduated from Post high school. She married the late Billy Lester after she finished school. She has two sons, Gary from Post and Gregg, a Southland high school senior. This is Mrs. Lester's first year to work in the school cafeteria. She attends the Methodist Church at Graham. She enjoys cooking and sewing in her spare time.

Tom Cheake, the school's

COTTON TALKS

blem faced by merchants.

He explained that buyers know from the beginning that a producer has the ability to meet the terms of a contract. "The producer is responsible only for delivery of his individual crop. And if he doesn't he has land, equipment and other visible assets that are placed in jeopardy."

"On the other hand," Johnson continued, "a merchant may contract for thousands of bales of cotton from any number of producers, and he may or may not have the financial ability to perform if the price goes against him and he may or may not have his commitments to producers backed up by corresponding commitments from consuming establishments. And if the buyer simply doesn't have and can't get the financing to meet his obligations, the producer in effect has no recourse."

With this explanation Johnson concluded that "The merchant's and the mill's problem with performance can be solved, largely, with more iron-clad contracts. But the producer's problem is much more complicated, and is the principal problem to which this group should address itself."

The tenth year of insecticide application in the successful High Plains Boll Weevil Control Program began "on a happy note" and the first aerial spraying went on "in fine style,"

LUBBOCK -- Expressing a firm belief in the value of forward contracting as a cotton marketing tool "despite its shortcomings," Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, told a belt-wide meeting of industry representatives in Dallas Sept. 10 that "no avenue to improving the utility of forward contracting should be neglected."

The subject of advanced cotton sales came in for full discussion by mills, shippers and producers at a day-long meeting of the Producer Steering Committee of the National Cotton Council.

Expressing doubt that forward contracting alone or in conjunction with the up coming government cotton program can provide the stable supplies and prices needed in the industry, Johnson said it nevertheless could be a useful marketing device in reaching that goal.

But he said the usefulness of forward contracting "can be greatly enhanced" by a way or ways to assure both producers and buyers that contract provisions will be met regardless of price action after contracts are signed.

Johnson also made the point that the producer's problem with contract performance on the part of the buyer is significantly more complicated than the pro-

Pirates Snap, Slump, Whip Spur 26-13

By BILL AYRES

The Cooper Pirates came
 from behind to out distance
 the Spur Bulldogs, 26-13, at
 the Pirate Stadium last
 Friday. This win over the
 Bulldogs is Cooper's first of
 the season, after losing their
 first two games away.

The Bulldogs took the
 initiative by taking the
 opening kick and scoring.
 Cal Walker of Spur was the
 one who made the dazzling
 80-yard run, along with
 another 40 yards gained
 during the game. The
 Bulldog defense proved itself
 to be strong as the offense
 by holding the Pirates, halting
 most of their drives.
 Moments after Spur scored,
 Todd Hammond of Cooper
 broke loose to sprint 30 yards
 for the score. The kick was
 good, and with less than two
 minutes gone in the first
 quarter, the score was tied.

Early in the second period,
 the Bulldogs launched a
 successful drive led by David
 Day and Walker. The Spur
 offense pushed the Pirates
 back to their one yard line,
 where the Pirates held the
 Bulldogs until fourth down.

On fourth and one, Day took
 the ball and dove over the
 Pirate line for the score. The
 kick for the extra point was
 blocked, putting the Bull-
 dogs ahead 13-7.

When the teams returned
 to start the second half, the
 entire outlook of the game
 changed. The Pirates began
 to work as a team, and began
 to move the ball. The
 defense followed the of-
 fense's example, stopping the
 Bulldogs completely the
 second half.

Sparked by the perform-
 ances of Eddie Ward, Johnny
 Threet, Clay Bates, and
 Larry Boucher, the Pirates
 held the Bulldogs to three
 first downs and 13 yards
 rushing in the last half. The
 Pirate defense forced the
 Bulldogs to punt three times,
 one for 25 yards that was
 nearly blocked. The Pirates
 held Spur's quarterback,
 Danny Rainbolt, to one
 completion in four tries.

The Pirate offense played
 just as brilliantly, rushing
 nearly 300 yards that led to a
 score once in the third period
 and twice in the fourth.
 Hammond was the leading
 rusher for the Pirates,
 gaining 186 yards in 15
 carries. Hammond scored
 two of Cooper's four touch-
 downs. The first was a
 30-yard run in the first
 quarter. The second touch-
 down came midway in the
 final period on a two yard
 end run. Mark Hurst was
 the only other player to gain
 over 100 yards, although
 Kelly Choban, Pirate quar-
 terback, came close with over
 80 yards rushing and 10
 yards passing.

Hurst scored the other two Pirate
 scores, one in the third
 period and one in the fourth.
 From all appearances, the
 Cooper Pirates have begun to
 work together. Coach Pete
 Hurst said he felt the first
 two games helped point out
 the team's weaknesses.
 Hurst said it would have
 been nice to have won the
 first two games, but the
 lessons the team learned as a
 whole were invaluable to the
 construction of a well-func-
 tioning team. Hurst thinks
 this victory "did more for the
 team than all the talks a team
 has ever heard." The
 Pirates should be ready to
 finish the season without
 another loss.

This Friday night, the
 Cooper Pirates will take on
 the Crosbyton Chieftains at
 Cooper. Last year, the
 Pirates knocked off the
 Chiefs at Crosbyton, 35-14.
 This game will also be

HE MISSED IT --- A third quarter pass to John Fry of Spur went awry. Fry tries to hold on to the ball as Cooper's Larry Boucher closes in to cover. (SLATONITE PHOTO by Bill Ayres)

BREAKS LOOSE --- Cooper's Todd Hammond breaks away from David Day of Spur, while Johnny Threet and Ricky Bates of Cooper clear the way downfield. (SLATONITE PHOTO)

Cooper FFA News

The Cooper FFA participated in the South Plains Crop Fair, earning 20 first places, 28 second and 23 third places.

An educational exhibit booth was designed by the Vo. Ag. III class, entitled "Food Better Buy Than Ever", which won first division and received \$100 award.

The Vo. Ag. III class also

participated in shop projects. A portable hog crate built by Joel Green won first place and received \$40 award. Second place was won by Dennis Pate with a rack which he made. He won \$25.

John Hawkins exhibited a barbecue pit and received a \$15 award.

Randy Dunn exhibited a Spotted Poland China barrow at 6 p.m. Wednesday.

Roosevelt News

by Lynda Hall and Sandra Patschke

YOUNG HOMEMAKERS

The 12th anniversary for Texas Young Homemakers was celebrated last week during Texas Young Homemaker week.

The Roosevelt Young Homemaker Chapter held a coke party for Roosevelt FHA girls Sept. 18 from 4 to 5:30 p.m. in the club house. Twenty-five FHA girls, 16 Young Homemakers and three Roosevelt Homemaker teachers attended.

Mrs. Carol Dawson was in charge of the party.

SEMI-FINAL LIST

Nancy Mason, Roosevelt senior, has been named one of the semi-finalists in the 1974 National Merit Scholarship program.

The semi-finalists were the highest scorers in each state on Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test administered last October.

Nancy is the daughter of Mr. and Mrs. Bob Mason who now reside in Ulysses, Kan.

PTA NEWS

The Roosevelt PTA held its first meeting for the 1973-74 school term Tuesday, Sept. 18.

"Listening Centers" for the school were approved. A "Listening Center" is a head phone set which plugs into record players or tape cassettes in which eight persons can listen at one time.

The PTA is also sponsoring a "Cub Scout" pack. A pack rally was held Monday night at the school. Anyone interested in becoming a troop leader for Boy Scouts or Girl Scouts or for information on how their children can join one of the troupes may contact Mmes. Audrey Martin or Caroline Carlisle.

The PTA gave the school nurse \$200 for the purpose of purchasing glasses for needy children.

Roosevelt Boy Scout Troop 166 presented the flag

ceremony. Jay Don Rodgers, minister of the Acuff Church of Christ, is leader for this troupe. Doug Palmer, from the Boy Scout office, was speaker.

Entertainment was presented by the "Rag Dolls", Cindy, Tonya and Teresa Mims.

The PTA will sponsor its annual Open House Oct. 4. Next PTA meeting will be held Nov. 13.

FHA NEWS

The LaPetite Chapter held its monthly meeting Wednesday in the Homemaker Department. The program for this month was on drugs which was presented by Capt. Cox of the Lubbock Police Department.

NEWS BRIEFS

The "Rag Dolls", Cindy, Tonya and Teresa Mims, entertained with their songs from 7 to 7:30 p.m. Tuesday in the KSEL booth at the South Plains Fair.

Mr. and Mrs. Ervin Ehler have returned from the San Francisco, Calif. area. They have been visiting with their son and his family, Mr. and Mrs. Howard Ehler and their daughter, Miss Janette Ehler.

Mr. and Mrs. Joe Cox have returned from Corpus Christi from visiting with Mrs. Cox's mother.

FOOTBALL

The Roosevelt Junior Varsity team lost to Lubbock sophomores Sept. 20, 16-0. The JV team will play Frenship at Roosevelt Oct. 4 at 7 p.m.

The Slaton freshman team won over the Roosevelt freshmen, 19-0 Sept. 20. They will play Frenship, Oct. 4 at Roosevelt at 5:30.

The Roosevelt seventh grade team lost to Lorenzo, 34-0, Sept. 20. The eighth grade team also lost to Lorenzo 14-0. Both teams will play Frenship, there, Oct. 2, starting at 5:30.

The varsity team beat Seagraves last Friday 32-0. They have an open date this Friday.

F.F.A.

The Roosevelt FFA Chapter met Sept. 19 for their monthly meeting with President Michael Patschke presiding. The members selected Donna Miller, senior, for their Sweetheart and Betti Park, sophomore, as their co-sweetheart.

The FFA members will help park cars at home football games.

The Greenhand initiation will be held in October.

DONNA MILLER

BETTI PARK

SCHOOL MENU

- MONDAY -- Beef stew, corn, tossed salad, cornbread, fruit cup and milk.
- TUESDAY -- Steak fingers, mashed potatoes, green beans, jello, rolls, butter and milk.
- WEDNESDAY -- Chicken and dumplings, sweet potatoes, waldorf salad, coconut cake, rolls, butter and milk.
- THURSDAY -- Tuna salad, carrots, mashed potatoes, peanut butter cookies, rolls, butter and milk.
- FRIDAY -- Ham, french fries, lettuce, tomatoes, ice cream and milk.

Mr. and Mrs. Bill Walter accompanied Mr. and Mrs. Duane Walter to West Fargo, N.D. to visit Mr. and

Powerful Eagles Roll

By JIMMY MATSLER

The Roosevelt Eagles, led by their tenacious defense, kept their record unblemished as they crushed the Seagraves Eagles 32-0 last Friday night away from home.

The Eagle defenders, led by noseguard Garrett Mitchell, tackle Kenny Perry, and cornerback Charles Lipps, swarmed over Seagraves like hornets and kept the home team from mounting anything near a scoring threat.

The Eagle marauders limited Seagraves backs to no yardage gained on 31 attempts, and only three first downs. Roosevelt also intercepted a pass and recovered a fumble.

The Eagle defense, however, was not the only highlight of the night, as for the third consecutive week John Blackwell and Lee Anderson were devastating.

Blackwell rushed for 131 yards on 20 carries and scored two touchdowns, while Anderson added 66 yards on 13 carries for one TD. These totals along with nine yards by Raymon Frizzell ran the string to three consecutive games in which Eagle tailbacks have rushed for over 200 yards.

The Eagles started out quickly. Following the opening kickoff, three plays netted one yard for Seagraves. A short punt gave Roosevelt the ball at the Seagraves 45.

Seven plays later the Eagles faced third and eight at the 18. Blackwell took the pitch on the power sweep to the left, found himself boxed in, reversed his field, and outran everyone for the score. PAT was wide, and with 5:49 left in the initial period, Roosevelt led 6-0.

Nineteen seconds later the Eagles struck again. Immediately following the kickoff Roosevelt recovered a fumble at the Seagraves 18. Quarterback Chris Marshall then faked to Blackwell into

Mrs. Lee Hagen, Drew and Becky. Duane and Linda also visited relatives and transacted business in Neosho, Mo. on their return home while Bill and Ruby remained a few days longer with their daughter and family.

KENDRICK INSURANCE AGENCY

PAY BY THE MONTH

the line, straightened up, and threw a strike to fullback Kenneth Bobo for another score. Gilbert Brown booted the extra, and Roosevelt led 13-0.

Roosevelt scored again just before halftime. The drive began at the Roosevelt 24 with 8:02 left in the second quarter.

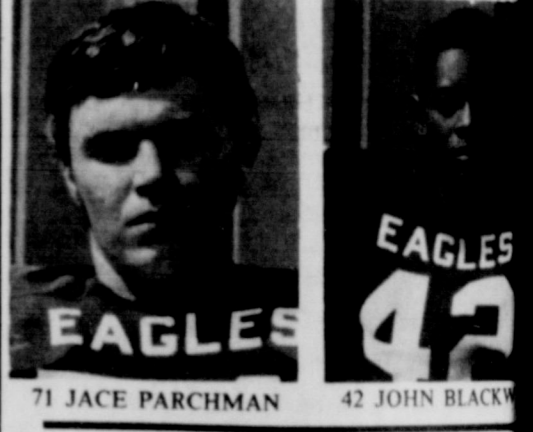

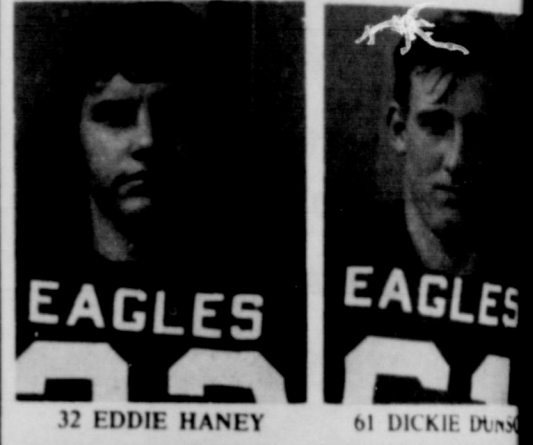

Ten plays later the Eagles faced third down and four from the home team's five. From there Anderson bulled his way in with 3:15 remaining in the half. PAT was no good and Roosevelt led 19-0 at halftime.

In the third quarter Roosevelt drove from their own 34 to the Seagraves eight before being halted on downs. Seagraves gained a first down at their own 21 before an errant pass from quarterback Ken Norton was picked off by Lipps at the 26.

In four plays the Eagles gained a first down at the six. Blackwell rambled from there off-tackle to paydirt with 11:37 left in the contest. The extra was again no good and Roosevelt held at 25-0 lead.

The final Eagle score came

natural energy HOME

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

Can anyone do what you do any better?

You're pretty darn good at your job. But today, we all have to consider how we can do our work a little better. That's how each of us can help keep our jobs here in America. For now and for the future.

America. It only works as well as we do.

The National Commission on Productivity, Washington, D.C.

THURSDAY, SEPTEMBER 27, 1973
Read I John 4:7-13

What love is: it is not that we have loved God, but that we have loved one another. (I John 4:10).
Love needs love. A child's first concept of love is his mother's love in his family, and sometimes this love is selfishness in it. Even the Christian concept of love is not perfect. It may be meaningless or hard to love one's earthly father is unloving.
Love is never selfish; it is sacrificial. Yet God's love is like money in the bank. It is useless unless we use it. It is there, accept it, and draw on it.

What a warmth of joy floods the heart when one receives the fact that God loves everyone!
Dear Father in heaven, help us to open our hearts to Thy wonderful gift of love. Then use us to give love to others. In the spirit of Jesus. Amen.

THAT LIGHT FOR THE DAY
God gives His love to us. Freely let us share it with others.

Mrs. Baird baked her bread the old-fashioned yeast-rising way for wonderful flavor and soft texture.

Today her family still uses that baking method... because they still care about quality.

JONAH REPROVED...

And it came to pass, when the sun did arise, that God prepared a vehement east wind, and the sun beat upon the head of Jonah, that he fainted, and wished in himself to die, and said It is better for me to die than to live.
And God said to Jonah, Dost thou well to be angry for the gourd? And he said, I do well to be angry, even unto death.
Then said the Lord, Thou hast had pity on the gourd, for which thou hast not laboured, neither madest it grow, which came up in a night, and perished in a night.
And should I not spare Nineveh, that great city, wherein are more than sixscore thousand persons that cannot discern between their right and their left hand, and also much cattle?
Jonah 4:8-11

Obituaries

MOSES MYERS
Services for Moses Myers, 77, who died about 4:30 p.m. Saturday in Mercy Hospital after a lengthy illness, were conducted at 4 p.m. Tuesday in Ivory Street Church of Christ.

Officiating was Alfred White, minister. Burial was in Englewood Cemetery under direction of South Plains Funeral Home of Lubbock.
Myers is survived by his wife, Willie Mae; a brother, John Myers of Wharton; three sisters, Mrs. Veola Hatton and Mrs. Vermila Ivory of Wharton and Mrs. Angie Caldwell of Los Angeles, Calif.

MRS. LILLIE BIGGS
Services for Mrs. Lillie Mae Biggs, 78, who died Sunday in Pauls Valley, Okla., were conducted at 2:30 p.m. Tuesday in the Pentecostal Holiness Church.

Officiating were the Rev. Robert Brown and the Rev. Darrell Manning. Burial was in Englewood Cemetery with local arrangements in charge of Englund.

Mrs. Biggs moved to Stratford, Okla., from Slaton in February of 1971 and had lived in that area since that time. She was married to the late Andy Biggs Oct. 9, 1910 in Millsap.

Survivors include one son, Billy Joe Biggs of Stratford; 11 grandchildren, 10 great grandchildren and two great-great grandchildren.

SERVICES CONDUCTED FOR MARTINEZ TWINS

Graveside services for Victor and Sally Martinez, infant twins of Mr. and Mrs. Luis Martinez Jr. of Slaton were conducted at 3 p.m. Saturday in Green Memorial Cemetery in Wilson.

The twins were born Friday in Garza Memorial Hospital and died about 12:15 a.m. Saturday.

Services were conducted by Hudman Funeral Home in Post.

Survivors include the parents; a sister, Mary Jane; and a brother, Leroy, all of the home.

DEATH AT POST IS INVESTIGATED
Investigation is continuing into the death of Billy Durwood Jones, 42, of Snyder, according to Garza County Sheriff J. E. Holleman.

Jones died about 2:30 p.m. Sunday in Lubbock Methodist Hospital. He was given emergency treatment at Garza Memorial Hospital before being transferred to Lubbock.

He suffered the fatal injuries early Sunday in an alleged altercation at the Westerner Club, according to Sheriff Holleman. Jones was apparently injured when his head struck the pavement in front of the club.

Members Plan Weekly Meet

Rides will be provided for senior citizens attending the regular Friday noon luncheon at the Slaton Club House who telephone 828-6976.

Thirty-nine persons attended last Friday's meeting with Mrs. Fannie Patterson presiding at the business meeting. Mrs. Annie Bell Tucker played the piano and group singing was led by Finis Sexton.

Devotions at the last meeting were given by the Rev. E. K. Shepherd, pastor of the Wilson Baptist Church, who used "Improvement of Faith" as his topic. J. C. McDougal gave thanks for the meal.

Guests were Mrs. Curtis Brown and J. C. Champion Sr., both of Lubbock.

Big Bills?!

Some birds are stuck with big bills. But that doesn't mean you'll be. The way to find out? Call the "wise birds" at the electric company for a free personalized electric heat cost estimate for your home.

LaDonna Jones and Dianna Dunlap decorate Tiger lockers before the Kermit game.

SHS Language Club Planned

According to Mr. DeLeon, his plans for this school year are that he would like to organize a Language Club for students from both French and Spanish classes. Also any other students who are interested are welcome. If the club can get thoroughly organized and if everyone will do his part, Mr. DeLeon thinks everyone will enjoy it as part of the school for the years to come. Once the club is well organized the members can then plan the activities for the remaining months of the school year.

Mr. DeLeon also said, "Another plan of mine for this year is that I would like to make my French classes as

interesting as possible, so that we can have the second year of French next year. This I say, because this is the first year of the three years that I have been teaching here that we have had French."

He also added, "I have also added new materials to my classes to help my teaching be more effective. I hope I accomplish my plans, so that I can say that it was one of the best years here in Slaton."

Mr. DeLeon also said, "Another plan of mine for this year is that I would like to make my French classes as

interesting as possible, so that we can have the second year of French next year. This I say, because this is the first year of the three years that I have been teaching here that we have had French."

He also added, "I have also added new materials to my classes to help my teaching be more effective. I hope I accomplish my plans, so that I can say that it was one of the best years here in Slaton."

HERE'S HOW!

The students of SHS gave various answers in response to the question, "How would you improve Slaton High school spirit?"

Willie Thomas -- By cheering more at the football games, and by going to more basketball games.
Mar's Abbott -- By having a band cheerleader.
Rolin Sammons -- By going to more football games.
Vondell Wood -- By caring about what happens to the football team.

Kay Stephens -- By giving the teams more support.
Dana Wendel -- Yell more at the pep rallies and football games.

Lynn Wendel -- Yell more for the teams than for your classes.

Cindy Walker -- Just by yelling more.

Kayla Curry -- By giving ALL the boys and girls in athletics your TOTAL support and by letting them know you're behind them all the way.

LuAnne Fondy -- By supporting the team through wins and losses, not just when they win.

Eva Noyola -- The spirit would improve if the students would show more enthusiasm at the pep rallies and would show some spirit in the halls between periods.

Susana Hernandez -- What school spirit?
Esperanza Jarmillo -- We could improve it by everyone putting more effort in it.

Virginia Montes -- Everyone must participate in pep rallies.

Minnie Martinez -- It is necessary for everyone to participate in pep rallies and games.

Oscar Martinez -- School spirit is pretty good. Considering . . .

Linda Brisenno -- Everyone must not lose faith in his team.

Ada Flores -- By yelling more.

Yolanda Torres -- By people sitting close to the pep squad and yelling with them.

Patricia Hernandez -- Everyone to learn the yells.
Benny Guerra -- You can't.

Alice Hernandez -- Have a pep rally in the morning so the entire student body could participate.

Mary Botello -- For the football players to join in the yells and show some spirit at the pep rallies.

Irene Hinojosa -- Support the school, win or lose.
Coach Benson -- Yell for the school team and not for the classes.

Rosie Martinez -- The cheerleaders should ride with the pep squad instead of riding in cars. Pep squad should help cheerleaders decorate the school.

Holly Johnson -- At the pep rallies, the players should be with the student body and not on show. The students should be proud for the school and not the class.

Mira Healty -- For the pep rallies, get speakers of interest that have a name and message to the student body. Also start meeting the guys after a game, win or lose. Everyone should have an all-school party after the game.

Susan Hopper -- Not to divide the classes. Everyone should yell as one.

Kayleen Carnes -- Get everyone involved whether in band, football, pep squad and whatever.

Louie Gonzales -- Everyone should be friendlier.
Kenneth Dixon -- The entire student body should have confidence in their team and back them no matter what!
Juanita Zapata -- You can't improve the school spirit in a high school.

Ann Partain -- I feel that the students of SHS should be more supporting to our football players and when we see 'em we should pat 'em on the back to make them feel more joyous and have pride in their hearts.

Bryan Johnston -- Have longer pep rallies and get out of school early.

Matt Kitten -- Have less homework on game nights.
Ricky Denzer -- Get everybody involved, including teachers.

Gary Ayers -- Have a pep rally on Thursday night.
Doyce Fields -- Have cheerleaders with longer dresses.

Tigers, On To Victory!
Go Tigers, Go!
Back the Tigers ...
All the way!

Class Officers Are Named

The 1973-74 class officer elections were held recently and the results are as follows:

President of the senior class is Dwayne Mosser. Vice president is Joe Alspaugh, secretary is Kay Stephens, and treasurer is Kayla Curry. Girl student council is Cindy Walker and boy student council is Benny Lopez.

Junior class president is David Evans, vice president, Ricky Denzer; and secretary is LaDonna Jones. Treasurer is Anne Webb, girl student council is Rosemary Scott and boy student council is Matt Kitten.

Sophomore class president is Tip Culver; vice president is Donnea Sikes; secretary-treasurer, Cindy Davis; girl student council, Debra Montgomery; and boy student council, Bill McClesky.

Freshman class president is Craig Curry; vice president, Dwight Kuykendall; secretary-treasurer, Dana Wendel; girl student council, Carla Bales; and boy student council, Craig Curry.

NEW PROGRAM TEACHES HOUSE BUILDING

Slaton High School is offering a new course this year in building and trades. The teacher is Lesly McCuiston, 24, of Lubbock. When asked why he entered this field, McCuiston said, "I guess because I've done it before and it is interesting."

In the course, students will be taught everything about building a house and furniture, and they plan to build and sell a home here in Slaton. McCuiston will give accuracy and speed tests in cutting and the students will have building contests. The only requirement of taking the course is that a student must be a boy of at least 15 years of age. There are two classes of three hours each, one in the morning and one in the afternoon.

Connected with the building and trades course is the VICA club (Vocational Industrial Clubs of America). The officers are: president, Danny Stephens; vice president, David Hodges; secretary, Alan Moates; treasurer, Donny Beasley; reporter, Randy Crumley; parliamentarian, Ronnie Valdez; and sergeant at arms, Robert Divila.

Tickets for "Room 13" may be purchased from any Junior.

Cats Down Tiger

By Kelly Copeland

Slaton scored first, played an impressive first half, and put 14 points on the board before a tremendous second half by state ranked Littlefield burst the Tiger's bubble 53-14.

Slaton trailed by only five at the half and had moved the ball to the Wildcat 1 before the time ran out.

Gary Aycock

improvement and played a completed 10 of 14 and scored from 30 on a fourth and one Ricky Denzer burst point after and jumped to an early Littlefield came when Greg Slaton Slaton again had 14-13. Littlefield again before the took a 19-14 intermission.

Tiger defense for the Wildcats came out and scored five total of 34 points in second half.

Craig Mann and Mosser, two of the captains were in the contest because of the annual Rain Bowl. Kermit came out on top slipped and silted 21-0 victory. Slaton all three TDs in the and showed impressive defense through-out half. The only high-light came in stanza when Gary took the ball to Kermit 10 before hard and fumbling end zone where recovered.

Tomorrow the be seeking their the year as they Clovis, N. M. just here in Tiger State the kickoff started o'clock.

JV FOOTBALL Wade Wimmer two passes as the victory over Lock Coach Stewart "We managed through with a even though the play well."

John T. Basie yards in a str touch down, a Smith scored a points for the game last week were followed with conversions.

Tiger Fans Back All The Way!

back on the field, even though we are behind. The second half is just as exciting as the first and the crowd seems to be showing MORE spirit.

The stands are still completely filled as the final gun sounds, ending the game. The Slaton fans once more pile onto the field to form a victory line. Even though they lost 41 to 12, the Tigers are victorious in the eyes of the Slaton supporters. And that is the way the game ended. Instead of the spirit deteriorating after a loss, it's getting stronger every game!

The story you have just read is not true; some things were changed to protect the guilty (are you one of 'em?)

VA Officers Are Elected

The Slaton Vocational Agriculture organization held its first meeting last week with Joe Alspaugh being elected president. Joe has received his Lone Star Farmer Degree and is an active member of FFA.

Other members elected to office were: Greg Sokora, vice president; C. V. Siler, secretary; Clay Mitchell, reporter; J. Ray Basinger, treasurer; and Bobby Breedlove, sentinel. Mitchell was also elected district parliamentarian at the Lubbock District meeting Sept. 11.

Susan Hopper was elected sweetheart of the Slaton Chapter for the fourth straight year which is quite an honor.

Freshmen Ag. members are to begin wearing green gloves Oct. 8 and continue wearing them until Oct. 15 when FFA will hold its next meeting for the Greenhand Initiation.

Oh, is that how you do it? Tiger cheerleaders do the choo-choo cheer as Tiger football players and band observe.

Freshmen Top RHS Eagles

The Slaton High freshmen piled up their second straight victory last Thursday, topping Roosevelt by a 19-0 score, and coach Jim Bales reported a fine defensive effort by the team.

"The defense was good, but the offense was sloppy," Bales said of the team.

Bales named Mark Ethridge, Rocky Smith, and Barry Copeland as the stars of the game, and Mike Tumlinson, Rocky Smith, Jessie Smith who scored all of Slaton's touchdowns on passes from Tumlinson, and Craig Mitchell as the bright spots on offense. Mitchell's performance gave him the number one tailback spot for the freshmen.

The freshmen whipped Floydada in their opener 18-6 and travel to Abernathy tonight for their third encounter.

CHILI SUPPER SET FOR OCTOBER 9

The annual chili supper will be held before the Denver City game on Oct. 5 from five to eight o'clock in the club house. The supper will be \$2.00 for adults, and \$1.25 for children.

The next FHA meeting will be Oct. 9 honoring three area officers speaking on IMPACT.

Students may still join FHA if they pay their dues by Oct. 1. Dues are \$3.00.

BALES HOSTS STUDENT FETES

All the seniors and some juniors are taking out a new teacher at SHS, Coach Jim Bales. He likes to get acquainted with his classes. One of his methods is inviting his classes into his home for get-togethers.

At his get-togethers, everyone sits around and talks and eats, providing a friendly experience for all the students.

DECA PREXY NAMED

David Rodriguez was elected president of DECA for the 1973-74 school year. Other officers elected were Lewis Gonzales, vice president; Yolanda Zapata, secretary-treasurer; Alfred Riojos, reporter.

Mr. Harrell, DE instructor, acted as temporary chairman until officers were elected. The group decided the dues would be \$6.00 for the first semester.

Pep Squad Backs Tigers

The Pep Squad urges all the citizens of Slaton to back the fighting Tiger team. The members of this active organization eagerly attend every game with a great amount of spirit, following the cheerleaders in each yell.

Through rain, shine, sleet, or snow, the pep squad will always be ready to go. Go Tigers! Beat Clovis J.V.

PSAT-NMSQT Tests Planned

High school sophomores, juniors and some seniors will take an important test this fall toward college selection and admission. At the same time, junior students will be entering the nation wide competition for the prestigious scholarship programs administered by the National Merit Scholarship Corporation.

In the third week of October, 1973 students here will join with more than one million other high school pupils in taking the two-hour Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). The test is administered in participating secondary schools on Tuesday, Oct. 23, 1973.

This test is administered each year in October and is the first step in the competition for National Merit Scholarships. Last year 57,488 students from 981 Texas schools completed the examination. Early this fall a group of these students will be named National Merit semifinalists and will continue to compete with students from other states for academic recognition and for scholarships worth more than \$7 million dollars.

The nationally standardized test measures the two basic abilities used in college -- verbal and mathematical aptitudes. It is designed to assist students of all ability levels -- low, average and superior -- to plan their further education.

Each student, as well as the high school counselors, will receive not only the test scores but an interpretive booklet giving information about what those scores mean in terms of planning courses for the remainder of the high school years and of selecting a college and a college program.

The scores and the information which accompanies them will enable students to:

1. Identify strengths and capitalize on them by getting ready to try for college credit by examination.
2. Identify weaknesses and modify high school course schedules to correct them.
3. Estimate how well they will do on the Scholastic Aptitude Test (SAT) used by many colleges for admission.

In addition, juniors who wish to do so can ask that their names be placed in the College Board's Student Search Service files. Colleges interested in attracting students with certain characteristics use this service to identify such students and communicate with them directly information about the institutions, and special programs.

I went into a Chinese restaurant and opened my fortune cookie. It said: "Soon you will meet a tall, dark woman. She will smile and you will give her money. It will be our cashier."

Gridders To Be In Pageant

Members of the varsity football team will participate in a beauty pageant to be held in the Slaton high school auditorium, Oct. 9, at 11:30.

The team members will dress up like girls and will assume girly names for the pageant. There will be various displays of talent (with a little cooperation from the boys), which should make the pageant interesting as well as amusing. Randy (Renee) Davis, reigning queen, will also be on hand to crown the new Miss SHS. The pageant, sponsored by the Slaton varsity cheerleaders, is open to parents and friends of the contestants. Admission will be 25c and will go to the varsity cheerleaders to help pay for their uniforms.

The uniforms this year are brighter and more original than any in the past. The tops are white, short-sleeved sweaters with a red and black strip down the sleeve and a red and black megaphone patch on front. The skirts are white pleated, with red and black inpleats; both are made of synthetic materials.

The cheerleaders are selling vanilla and pepper again this year. Both are Watkins brand, and the vanilla is double-strength. Anyone wishing to purchase either pepper or vanilla may contact any of the following cheerleaders: Susan Hopper, Lynne Wendel, Angela Kitten, La Donna Jones, Anne Webb or Dianna Dunlap.

42 JOIN CHOIR

The forty-two member mixed choir has elected Kenneth Scott, president. Other officers are Mary Johnson, vice president; Cynthia Scott, secretary; Ellen Phoenix, treasurer; and Yolanda Torres, reporter. The choir is directed by Howard Wright.

LAW ENFORCEMENT TRAINING COURSE SET

The South Plains Association of Governments' Law Enforcement Training Institute will conduct a 240-hour Basic Law Enforcement Training course beginning Oct. 1. Classes will meet alternate weeks from 8 a.m. to 5 p.m.

"It is essential that all officers attend this school who will have completed one year's service prior to May 1, 1974, as SPAG will not offer another Basic Police Training course before that date," according to Royce Couch, SPAG Training Coordinator.

School-age youngsters suffering from undetected hearing losses often are being forced to compete scholastically at an unfair advantage, warns the Beltone Crusade for Hearing Conservation. For this reason, each school-age child should have an annual hearing test.

STEER ROPING EVENT SLATED NEAR POST

Thirty-three professional steer ropers will compete for a \$15,000 cash jackpot at 2 p.m. Sunday, Sept. 30, in the third annual O. S. Ranch Benefit Steer Roping on the historic ranch, 13 miles southeast of here.

Eight world champions and most of the 1973 leading money winners in steer roping in the Southwest will compete in this fund-raiser for West Texas Boys Ranch at San Angelo.

\$5 2nd PRIZE

\$2 3rd PRIZE

\$25
JACKPOT
PERFECT ENTRY

RULES OF THE GAME:

- * Teams playing in this week's contest games are listed in the ads and are numbered 1 through 56. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- * Be sure to guess total score on the "tie breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- * Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only one entry per person; all persons 12 years old or older eligible except Slatonite employees and their families. Each entrant eligible for one prize, and prize money must be picked up at the Slatonite office by 5 p.m. on Monday after the winners are announced Thursday.
