

Slaton School Trustees Approve Disputed Test Exemption Policy

policy allowing with grades average better with good records to skip the end of each was adopted by board Tuesday a lengthy dis- some strong from some of the members also dis- of the unusual the basis of sex and looked a recent ruling the attorney gen- schools may no longer charge fees for workbooks, class dues, band uniforms and instrument rentals, parties and other fees customarily collected in classes here.

In connection with the latter action, the board voted 4-3 to keep all the fees and rentals collected up to Oct. 1. Those who had not paid by that date, however, will not have to pay.

Long Debate

The controversial matter of whether to exempt students from tests given at the end of each quarter, and if so, on what basis, was

kicked around for an hour and five minutes before the board voted 4-2 to adopt (with some changes in wording) the policy recommended by Slaton Classroom Teachers Assn.

The policy allows exemptions from tests for students from junior high on up who have averages of at least 90 with no more than three absences, 80 with no more than two absences, and 70 with perfect attendance.

A primary consideration in the eyes of those supporting the measure apparently was the belief that such a policy will be an incentive to

attendance, and help the school to qualify for an additional teacher, base salary of which would be paid by the state.

The school formerly had a policy similar to the one adopted Tuesday night, but voted about a year ago to do away with it, allowing exemptions only for qualifying seniors in their final semester. Questioned by board members, Joe Sparkman, assistant superintendent, said attendance has declined "about 1 per cent" since the non-exemption policy went into effect.

Several CTA members,

including Mrs. Margaret Thaxton, president, were present. Mrs. Thaxton said that the teachers were "virtually unanimous" in support of the recommended policy on exemptions, which has been a subject of contention for years between parents, teachers and school boards here.

Board member J. Martin Basinger, opposing the new policy, said "I still can't see how a student with a grade of 70 should qualify for exemption from a test... 90, maybe, but not 70."

It was brought out that those students exempt from

tests still would have to attend class and, in fact, sit in the classroom while the other students take the tests. Basinger's comment on that was "If they're going to be sitting in there anyway, they might as well be taking the test."

He then moved to leave the policy on exemptions as it has been in the last year. Board members Skip Tumlinson and Paul Mosser voted with him on this, but members Pete Williams, Junior Serenil and R. C. Hall Jr. voted the other way, leaving it up to board president Joe Gamble to

break the tie. Gamble voted against the motion to leave the policy as it is, explaining that he would "like to see some kind of policy adopted which the teachers would abide by."

Policy Adopted

After more discussion, Hall moved to adopt the policy submitted by the CTA. Mosser then voted with Hall, Serenil and Williams, with Tumlinson and Basinger voting against the change.

Sparkman and Supt. J. C. McClesky discussed with the board some of the things the school must do to

comply with the Title IX section laid upon the schools by the federal government. For one thing, McClesky noted, employment applications after this school year no longer may include a place to check whether the applicant is "Miss, Mrs. or Mr." Only the name of the applicant can be required. And next year, the dress code no longer can stipulate length of boys' hair unless length of girls' hair falls under the same ruling, nor is the current prohibition against boys in Slaton schools wearing earrings legal unless girls also are prohibited from wearing them.

In sports, girls must be allowed to compete with boys in non-contact sports unless they have their own teams.

McClesky read to the board a letter regarding the attorney general's opinion on charging fees to students. Among other things, he said, students no longer may be required to rent band instruments from the school (some of the more expensive ones belong to the school), to pay uniform fees, class dues, workbooks, fees in classes like typing, art and photography, party funds, local club dues such as FHA, or even fees for driver education courses, except in the summer.

Oct. 1 Deadline

McClesky told the board that the state has ruled that such fees may not be collected after Oct. 1 of this year, and that any fees collected since then must be returned. He also noted that the state has said that schools may keep fees paid before Oct. 1, if they wish. The superintendent asked the board to "tell me whether we should return the money collected before Oct. 1, as well." He estimated that the ruling will cost the school about \$5,000 for the rest of this year to pay for items which normally would have been paid by the students. He also estimated that returning fees already collected before Oct. 1 would cost an additional \$3,000.

"I don't see how we can penalize these people who paid their fees early by keeping their money and letting these others who haven't yet paid get the same things free," Basinger said.

It was noted that the high school band, for example, has collected around \$800, with more than that amount still outstanding.

The board, however, voted to keep the fees paid up to Oct. 1, with Williams, Hall and Mosser voting affirmative, and with Basinger, Serenil and Tumlinson opposed to keeping the fees. This again put Gamble in the uncomfortable position of having to break a tie, and he voted to keep the money already collected.

Four bids on Evans School gym were opened, and the board again rejected all offers, deciding to investigate further the possibility of having the structure moved to one of the other school campuses.

Also approved by the board was an increase in pay for substitute teachers, on a graduated scale from \$18 to \$22 per day, depending upon the substitute's qualifications. Pay for substitutes has been \$15 per day.

A MEMBER OF MOST FAMILIES IN THE SLATON TRADE AREA

SLATON, TEXAS, LUBBOCK COUNTY

Oct. 16, 1975

by dalton

EVERY NOW and then (well, actually, every week) someone gets upset with something or other we have done, or something we have not done, in the paper. We have certain policies which we adhere to, and when these come into conflict with someone's idea of what we ought to do.

There are many things we do not print in our newspaper because we have an established policy against them. These include, among other things, locally written poetry, liquor advertising, any form of horoscope or anything relating to fortune-telling, with long lists of names (we try to hold a maximum of about 20) of persons at reunions, winners of stock shows or events past third or fourth place, bridegrooms and brides all cuddled together, and certain details of weddings, who played piano at the rehearsal and names of persons present at club meetings, who read the minutes and so on.

Sometimes we get people quite put out at us because of these taboos, and they come in and say we don't do this, that or the other. We try to explain our policies, but it is pretty hard to do without going through an entire journalism course. When this happens, we frequently just tell them that we're wrong, it's our policy. Like the sign, "No Reason for This—It's Just Our Policy."

Whenever anyone comes into the newspaper office and demands that we "run this article" or "change a word of it, and be sure it's on page one", they're likely to be disappointed. As we have pointed out before, we reserve the right to edit, rewrite or delete portions of any material which is submitted for advertising.

Many people do not seem to realize that our newspaper is not here to be a scrapbook for either individuals or organizations. We do want news, but we want news that will be of interest to more than a few people.

Comments probably will get me a lot of mail through the mail of things we print which would interest almost nobody. Oh, well, we can plead insanity.

FROM policy matters, we manage to pick up angry with us sometimes by mistakes, which we do very well. For one local family had two weddings in one year and we made errors on both of them. I regret these and other mistakes, but I can't help much, so far as the victims are concerned.

I print corrections, as do most newspapers. I noticed that a recent edition of the Slatonite (a trade magazine) said "Corrections", or "Sorry" or even "I'm sorry." And they said one Florida newspaper runs them under a heading of "Things We Did." We may adopt that

KEEPING with the above comments, we should report this remark about the Disgruntled Dame on page 1: "It's not a paper to be lightly tossed. It should be thrown with great

Zowie! Tigers Splinter Post

By DALTON WOOD

With a loud crash noticed throughout the area, and with echoes all the way downstate, the Slaton Tigers Friday night toppled previously-unbeaten Post 12-7, knocking the Antelopes out of the state rankings (where they had been No. 10 in one poll) and giving Slaton a well-earned victory of the sort which had eluded the Tigers in four previous games this season.

Slaton came roaring from behind in the last quarter on two mile-long touchdown plays by Tailback Bill McClesky to win the game after trailing 7-0 for most of the contest. Even then, Post came slashing back downfield on out-of-bounds plays to stop the clock time after time, until it finally ran out on them at the Slaton 28, but not before a big crowd of dejected Post homecoming fans and a large group of deliriously happy Slaton fans had chewed off all their fingernails. Post managed to get in 14 plays in the final 2 minutes and 10 seconds.

Lots of Heroes

Slaton had plenty of heroes in this biggest win for the football Tigers in several years. McClesky, of course, was just superb on his two long runs, one of 79 yards and the other a total of 87 yards after taking a perfect pass from Quarterback Mike Tumlinson out of the shotgun formation. But Bill, who gained 141 yards on 16 carries, had lots of company in the super-game department, as Slaton's defense was just double-tough, time after time, getting standing ovations from the Tiger fans as they came off the field after repeatedly stopping Post when it counted. Artie Limmer and John T. Basinger, Geron Stricklin and Greg Basinger and others all played rugged defense for the Tigers.

The Slaton offensive line did good work, too, and the other backs all did a fine job of blocking (and running, too, on occasion).

In the first period, neither team was able to generate much offense at first, then Post got to rolling behind some good running by little Edward Price, a fast, high-stepping youngster who had gains of 19, 10 and 5 yards in a drive halted at the Slaton 34 when Greg Basinger recovered a Post fumble. Slaton couldn't move, and punted down to the Post 39.

Davis Scores

Bryan Davis, the Antelopes' talented quarterback, faked a handoff, kept the ball and broke loose to streak 61 yards down the right sideline for a Post touchdown, and Garland Dudley kicked the extra point to make it 7-0 with 2:38 left in the first period. After the Post kickoff, Slaton moved to two first downs before the end of the quarter, but early in the second, Tumlinson's pass was intercepted by the

MCCLESKY STOPPED — Slaton running back Bill McClesky really drew a crowd here, but he wasn't always stopped like this in the Post game last week. McClesky scored twice on long plays as Slaton won 12-7. Here he is not too fondly embraced by Alfred Pena (35), Mike Waktrip (87) and others. (SLATONITE PHOTO by Sandy Martin)

GAME AT A GLANCE

SLATON	POST

1 Fumbles Lost	1
6-37-7 Punts, Avg.	8-36-1
7-75 Penalties	13-121

Antelopes' Mike Shepherd at the Post 25. Post then made two first downs before having to punt to the Tiger 14. With Charlie Haynes, who gained 24 yards in six carries, and McClesky getting a couple of good runs, Slaton made two more first downs before having to punt. Later in the period, Tumlinson went back to pass, was blind-sided and fumbled, with George Hester recovering for Post on the Slaton 28. The Tiger defense rose to the challenge and Post tried a field goal from the 30, which was wide to the left as the half ended, still 7-0, Post.

The third period was mostly a punting and defensive duel, with Shepherd intercepting another pass for Post and with Tumlinson booming one 50-yard punt for Slaton. Steve Wood spelled Tumlinson for a time at quarterback, connecting one pass of 4 yards to Slotback Gary Aycock. Each team made only one first down in the third period.

Action Increases

What the third quarter lacked in action was more than made up for by the fourth period fireworks. Early in the fourth, Post punted to the Tiger 10. To this point, McClesky had been fairly well contained, (See FOOTBALL, Page 4)

Commissioners Discuss Police Radio Problem

For the first time in six months, a full City Commission met Tuesday morning. The brief meeting resulted in a unanimous vote to pay the September bills and in the discussion of several other matters.

One such matter, which was tabled until the next meeting, was a request by Police Chief Larry Williams for a change in the radio frequency the police are now using.

According to Alex Webb, city secretary, who explained the situation in the absence of Williams, five cities are now using the frequency Slaton uses.

"It's like a party line. We can't transmit until everybody else is through," said Webb.

Wolfforth, Abernathy, Idalou, Shallowater and Slaton all share the same frequency.

"Chief Williams said it is terribly confusing and time-wasting. When a transmission is first made, his men can't tell if the trouble is here or in Abernathy," said Webb.

Changing the frequency would involve changing the crystals in the new radios which just recently have been installed in the police cars and in the base station of the Police Station.

The cost of the work is estimated at \$1200.

Alex Bednarz appeared before the Commission on behalf of the Hospital Board, requesting that some lights be placed in front of

CB Radios Stolen From Autos Here

Four citizens band radios were reported stolen from vehicles in Slaton during the last week, and other thefts and accidents were investigated by Slaton Police Dept.

On Monday Freddy Ray Myers, Rt. 2, reported a CB radio valued at \$170 was stolen from his 1971 Chevrolet pickup while he was eating his noon meal in a restaurant here. The pickup was locked, but apparently a coat hanger or other

(See POLICE, Page 4)

Couple Recites Vows In Lubbock

Dorenda Rhena Christopher and Darryl Allen Lemon were united in marriage at 7:30 p.m. Oct. 10 in the Oakwood Baptist Church of Lubbock.

The Rev. Stan Blevins, pastor, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Chick Christopher of Lubbock, and Mrs. Melvin Boggs, Acuff Road, and Jimmy Lemon, Rt. 1, Idalou.

Given in marriage by her father, the bride wore a formal gown of bridal satin accented with lace and lace appliques. She carried a cascade of white spider mums and yellow roses.

LaJuan Slaton, sister of the bride, was matron of honor. Bridesmaids were Sharon Edwards, cousin of the bride, and Diann Lemon, sister of the groom.

They wore dresses of sheer yellow floral print over bright yellow lining. The attendants carried bouquets of yellow spider mums and also wore mums in their hair.

Jimmy Lemon was best man for his son, Mike Christopher, brother of the

bride, and Donald Bradshaw were groomsmen.

Serving as ushers were Calvin and J. B. Lemon, brothers of the groom, and Bubby Slaton.

Candlelighters were Calvin Lemon and Sandra Patschke.

Sam Ligon, organist, accompanied Martha Jackson, aunt of the groom, soloist.

A reception in the fellowship hall of the church followed the ceremony.

Following a wedding trip to Juarez, Mexico, the couple will make their home

at Rt. 1, Idalou.

The bride is a 1972 graduate of Shallowater High School and of the Lubbock Vocational School of Nursing. She is employed at the Women's Clinic in Lubbock.

Lemon, a 1971 graduate of Estacado High School, attended both a business school and Texas Tech University. He is currently engaged in farming.

A rehearsal dinner was given in the Hickory Inn.

MRS. DARRYL ALLEN LEMON
Dorenda Rhena Christopher

Couple Solemnizes Nuptials

Linda Sue Cooper and David Edward Penner solemnized marriage vows at 7 p.m. Sept. 6 in the Meadowbrook Baptist Church of Rockdale.

The Rev. Dean Evans, pastor of the Mt. Zion Baptist Church, read the ceremony for the daughter of Arvilla Cooper, formerly of Slaton, and of Eddie Joe Cooper of Minerva; and for the son of Mrs. Jeanette Penner, Houston, and of Stan Penner, Austin.

The bride is the granddaughter of Mr. and Mrs. Arvil Cheak and of Mrs. Patsy Copeland and Mrs. Farris Barnes, all of Slaton.

Given in marriage by her father, the bride wore a formal gown of silk, sheer peau de soie with embroidered Alencon lace. The gown was styled with an A line skirt which extended into a chapel length train. Her headpiece held a finger tip tulle veil which was accented with pearl sequins.

Attending the bride as maid of honor was Shirley Cooper, the bride's sister. Mrs. Les Davenport, Rockdale, was matron of honor. The groom's sister, Patricia Penner, was bridesmaid.

The maid of honor wore a royal blue and white dotted swiss checked dress featuring a scoop neckline and flounced hemline ruffle. The other two attendants wore identically styled dresses in a lighter shade of blue check.

All the attendants wore wide brimmed white picture hats and carried long stemmed blue carnations.

The groom's brother, Kenneth Penner, was best man. Groomsmen were Joe Cooper, brother of the bride, and Alan Lay. Ushers were Bradley Cooper, brother of the bride, and Frank Malenac III.

Candlelighter was Wade Copeland and flower girl was Tondra Gail Copeland. Both are cousins of the bride and both are from Slaton.

Organist was Mrs. Millard Brown, who accompanied Mrs. Debra Burrough, soloist.

The bride attended Lamesa High School and is a 1975 graduate of Rockdale High School.

The groom is a 1973 graduate of Madison High School in Houston, and he attended Texas A&M. He is employed with Universal Electric.

Following a wedding trip, the couple is at home in Rockdale.

A rehearsal dinner was given by the groom's mother at Haus Bavaria, in Rockdale.

PERSONALS

Elton Smith returned home Monday from Methodist Hospital where he had major surgery. He will be home 30 days before having surgery again.

Mr. and Mrs. M.J. Stanley visited the first part of the week in Artesia, N.M. with their niece and family.

Mrs. Clyde Whalen recently visited in San Angelo with her mother and sister and family.

Mr. and Mrs. Leon Walston have just returned from a vacation trip to Colorado and Kansas.

MRS. DAVID EDWARD PENNER
Linda Sue Cooper

Stolle Family Has Reunion

Seventy-six persons attended the annual Stolle family reunion Sunday at Vann's Catering on the Slaton Highway.

Mrs. Annie Stolle Brue-digam of Slaton was the oldest family member present. She is 89 years old.

Dusty Young of Lubbock claimed the honor as the youngest member in attendance. He is three months old.

Family members attended from Oklahoma, Wharton, Columbus, Altair, Cleburne, Shallowater, Lubbock, Post and Slaton.

The next reunion will be in Columbus.

PERSONAL

Mr. and Mrs. J.S. Edwards have just returned from Clear Lake City where they have been visiting and admiring the new granddaughter.

DELSEY LATRICE COOPER
Couple To Wed

Mr. and Mrs. Bobby C. Cooper announce the engagement of their daughter, Delsey Latrice, to Jerry Douglas Vance, son of Mrs. Dub Tippit and of George Vance, both of Lubbock.

The couple will exchange vows at 7:30 p.m. Dec. 6 in the Cooper Church of Christ.

The bride-elect is a 1975 graduate of Cooper High School and is employed at Pride Oil Company in Lubbock.

Vance, also a 1975 graduate of Cooper, is employed at Allied Electric in Lubbock.

CARD OF THANKS

We want to thank all of our many friends for the kindnesses extended to us during our recent sorrow of our precious loved one.

Our thanks to all those who stayed at the hospital, for the beautiful flowers, the food, words of comfort and especially for the many prayers. So many thoughtful things that were done for us. Our Lord Bless you.

CF Campaign Nets \$892.98

Slaton's Breath of Life Campaign raised a total of \$892.98. This money will support vital research, care and educational programs benefitting the millions of children across the nation who have such lung-damaging diseases as cystic fibrosis, asthma, chronic bronchitis, "childhood emphysema" and recurrent pneumonia.

Aims of the Cystic Fibrosis Foundation also include finding a cure for cystic fibrosis, a screening test for

carriers of the gene for this disease and a method of prenatal diagnosis.

Co-chairmen for the campaign, Mrs. Frank Moore and Mrs. Tommy Davis, urge the people of this area to continue in their support of the Foundation, both in money and in the educating of people on the signs and symptoms of lung-damaging diseases.

Marking Valuables Helps Prevent Theft

and mark his valuable items with his driver's license number, such as TX555-1212.

For added security, take photographs, preferably in color, of items too small or delicate to be engraved, such as rings, other jewelry and fine silver or china.

Then display a sticker outside your home or business showing that items inside have been marked. When you do this, you've accomplished several things at one time.

You've advertised to potential burglars that your valuables have traceable identification numbers.

If a burglar should take something in spite of the warnings, you've notified his "fence" that these items are easily traceable and will be extremely difficult to get rid of.

When law enforcement officers locate marked items in the possession of a burglar or fence, there's no question of being able to prove rightful ownership, which aids in the apprehension and conviction of burglars.

And, since driver's li-

cence numbers in most states are in computerized banks available in seconds to law enforcement departments, you've made it easy for your property to be returned to you.

Sound simple? It is. And it works.

When Chief Everett F. Holladay conceived the idea in Monterey, California, in 1963, enthusiasm was low. As burglaries occurred, more and more families signed up until there were 4,000 participating households in a town of 50,000. Statistics from the National Crime Prevention Institute show that since 1963, only three burglaries have been reported among the 4,000 participants in Monterey while 1,800 have been reported from 7,000 non-participating households.

Since then, cities all over the United States have become enthusiastic about Operation Identification as they watch burglary rates drop dramatically. But the success of the program depends on you, the property owner. It will not work unless you do your part in marking your property.

Some frequently stolen items which should be marked include bicycles, television sets, radios, tape recorders, guns, business machines, lawn mowers, hubcaps, stereo tape decks and cartridges, cameras, car wheels, tools and kitchen appliances.

But there's never been a burglary in your neighborhood? Then you're ripe for one—or more. A few hours now spent marking and photographing your property can save you days and even weeks of problems as you hope first for recovery, file insurance claims, and then probably wind up having to replace it all while someone else is enjoying your unmarked equipment—a "bargain" purchased with no suspicion of its being stolen merchandise.

Engravers may be checked out at the Slaton Police Department.

For more information, contact the Slaton Police Department Crime Prevention officers Mike Whitley or Joe Hester at 828-6211.

Library News

"Ghosts and Ghouls" was the movie that was shown at the Slaton Branch Library Oct. 4.

Twenty-four boys and girls enjoyed the movie and Halloween stories that were read by Mrs. Jo Holt and Mrs. Polly Melugin.

This Saturday children may again enjoy a free movie at the library, from 2-3 p.m. These Storyhours are sponsored by the Friends of Slaton. The movie Saturday is entitled "The Doughnuts from Homer Price."

The Friends of the Library board met Oct. 7. Mrs. Kay Smith, president, called the meeting to order.

Old business was a discussion of curtains needed for the library, and plans were made in obtaining some. Storyhour was decided to be given twice monthly, the first and third Saturday, of each month. Beverly Forrest

and Beth Harlan were voted in to replace Mrs. Tom Roy as secretary and Mrs. Dale Karpe, director. Both have moved from Slaton.

National Children's Book Week is Nov. 17-22; it is planned to try to have the

four grade tours at this time, to the library, according to Mrs. Ted Melugin, librarian. Several new Best Sellers arrived Tuesday.

Library hours: 11:30-6 p.m. weekdays, Saturdays 9-4:30 p.m.

FOOTBALL (continued from Page 1)

and mostly limited to short gains. But on first down, he ran 9 yards to the 19. On the next play, he suddenly cleared the line of scrimmage, shook off a couple of people and set sail for the goal line 79 yards away,

managing to outrun everybody to the delight of the Slaton fans. This was at 5:15 remaining in the game, and the enthusiasm was dampened slightly as Slaton failed to make any extra points after Coach Cook elected to go for the win. McClesky carried, but Davis knifed through and downed

McClesky behind the line, and it was still Post's game, 7-6. After the kickoff, Post moved downfield, then had to punt again, putting Slaton in a deep hole at the Tiger 13. And then it happened.

Slaton went into a shotgun formation and Tumlinson threw the ball perfectly to McClesky, who had angled across to the left side of the field. As McClesky caught the ball, two Antelopes were right with him, but he twisted away from these and took off again, heading back toward the right sideline with a couple of Post players in hot pursuit. As he ran, Bill's legs kept getting longer and longer and he stayed ahead in the race to the goal line, with Haynes, who had caught up to the action, cutting down one of the pursuers with a deadly block.

Fans in Orbit

At this point, the several hundred Slaton fans at the game all went about 12 feet into the air and ruptured their vocal chords. "I saw my Dad go straight up in the stands," Tumlinson said later. Slaton went for one point after the TD, but Loran Roberts' kick was wide.

This was at 2:10, and Post came back downfield like the Dallas Cowboys, 7 and 8 yards at a clip, and after using all their time outs, kept getting out of bounds repeatedly, with Price doing most of the work. But the clock finally wound down, and Slaton had a big win on the books. Slaton had little time to

celebrate this week, as the Tigers prepared for Roosevelt, a team which scored 25 points on unbeaten Littlefield before losing 27-25 last Friday. The Eagles have lost only one other game, and are 1-0 in district.

Wilson Board Adopts Policy

According to Bob Spence, Superintendent of Schools for the Wilson Independent School District, the Board of Education has approved the following policy in regards to sex discrimination.

The Wilson ISD does not discriminate on the basis of sex in the educational programs or activities which operates, and this it is required by Title IX not to discriminate.

Home Decorating News

BY CLARK SELF, JR.

MIRACLE FIBERS no longer make headlines in our newspapers. There has been such fantastic progress in the development of synthetic fibers that we have come to take them for granted, in everything from clothing to automobile tires.

But without too much fanfare, modern "miracle fibers" are here to stay in our home furnishings. In addition to the durable, wonderfully washable vinyl materials with their leather-like beauty, such synthetics as nylon and dacron upholstery fabrics are being used in wide variety...and are opening a new era of easy-care beauty.

The modern miracle fibers have brought a new richness of color to upholstery, and they are remarkably easy to clean and restore, as well as being hard wearing. You can, in fact, be surrounded by these fabrics from floor to ceiling...in nylon carpeting, for instance...in draperies...and in your upholstered pieces.

Science has brought new comfort, too, to your furniture, with shape retaining foam padding. If you haven't visited our showroom lately, why not stop in this week...and see all the color, comfort and beauty you've been missing!

having zapped Frenship 34-0 the previous week. They are led by the passing of Quarterback Roger Daniel, the receiving of Lloyd Whetzel and Richard Adams, and the running of Tailback Lowell Bridges.

The rush-hour driver on express highways must be concerned with traffic safety, but he also should be aware of the need to practice good hearing conservation while exposed to the loud sounds that accompany congested automobile and truck traffic, according to the Beltone Crusade for Hearing Conservation.

Hammer & Nails

Last week the building and trades class worked on painting J.C. McClesky's house, putting balancing beams at Stephen F. Austin and installing a wall at West Ward.

The class has also been insulating a new house being constructed on Terry Drive. According to several students, "We all love working with fiberglass. And Mr. Vanhose loves to hear us gripe about the itching."

Students were divided into groups in VICA and decided what to do for projects.

The class wishes Coach Kerr a speedy recovery.

POLICE (Con't. from Page 1)

device was used to open it. Jackie Haire, 545 W. Lynn, reported Thursday that a CB radio valued at \$225 had been stolen from his 1974 Olds while it was parked at the football stadium.

Larry Strahan of Lubbock was missing a CB radio Tuesday from his 1974 Chevrolet pickup parked on Santa Fe parking lot. He valued the radio at \$179 and a missing FM converter at \$50.

Another CB radio was listed as stolen from a pickup belonging to Charles Dillinger of Abernathy while it was at Town and Country Chevrolet.

A beer bottle was tossed through the window of a downtown business last Wednesday, causing an estimated \$250 damage.

On the same day, a wreck was reported at Red Barn parking lot, involving a 1970 Ford truck driven by Gary Michael Ward of Slaton and

a parked 1970 wagon owned Shelton Adame land.

Roosevelt News

by Lynda Hall and Sandra Patschke

ly been away from their residences for a few minutes when these daring daytime "lifters" have struck. Your cooperation in observing strange vehicles at the homes of your neighbors may result in stopping these home burglars.

Alertness of Roosevelt citizens in the past has proved helpful in the capture of burglars and the recovery of stolen property.

NEWS BRIEFS

Congratulations to Billy and Sally Hale on the birth of a son, Andy, on Monday, Oct. 6 at 8:27 a.m. in St. Mary's Hospital. The baby weighed 6 lbs. 15 oz. The father is Ag teacher at Roosevelt school.

SYMPATHY
Sympathy is extended to Mrs. Ethel Byrd of Buffalo Springs Lake on the death of her sister-in-law, Mrs. Edna Taylor Pipkin, of Fort Worth. Mrs. Pipkin and her sister, Mrs. Emma Henry of Lubbock, were killed in a car-truck accident north of Snyder last Tuesday.

JUNIOR CLASS
The junior class will have a car wash Saturday in the Montgomery Wards parking lot at 50th and Boston in Lubbock.

Time will be from 10:00 a.m. to 4 p.m. and charge will be \$1.50 a wash and \$2 for wash and clean inside.

The class will also sponsor a Spaghetti Supper the night of the PTA Halloween Carnival, Thursday, Oct. 30. Tickets may be purchased from any junior class member after Oct. 20 or bought at the door.

The supper will begin at 5:30 p.m. and prices will be \$1.50 for adults and \$1.25 for children 12 and under.

SENIOR CLASS
The senior class will have a trash haul Saturday, Oct. 25 beginning at 9 a.m.

If you would like your trash hauled off you may get in contact with any senior.

HOMECOMING
Betti Park, senior, daughter of Mr. and Mrs. Bob Park was crowned as the 1975 Homecoming Queen during halftime of the Roosevelt-Littlefield game. She was crowned by last year's queen Jodean Polyak.

Also crowned was Vicki Davis, 1970 graduate, as Coming Home Queen. She was escorted by her brother Brent Davis and her parents are Mr. and Mrs. Wes Davis.

The Homecoming Queen and her candidates were driven around the field in a 1944 Ford owned by Oliver Keel and the Coming-Home

Queen and her candidates were driven around in a 1934 Ford owned by John Waddington.

Officers for the Ex-students Association for the 1975-76 year are Michael Patschke, president; Wes Killian, vice president; and Kathy Stennett Thomas, secretary-treasurer.

Door prizes were won by Kathy Thomas, an ice chest, and Benny Sides, a calculator.

PLAYER OF THE WEEK
Players of the week of the Roosevelt-Littlefield were Roger Daniel, offense; Mark Reynolds, defense; and Lloyd Whetzel Hustle.

SPANISH CLUB
The Roosevelt Spanish Club is selling boxes of stationery this week before school starts in the morning, 11:30 a.m. to noon, and 3:15 to 4 p.m.

These are boxes of different types of cards such as love messages, Christmas, birthdays, hospital, get well, graduation, appreciations, thank you notes and short letters.

The prices range from \$1-\$1.50.

BOOSTER CLUB
The freshman football team was honored by the Roosevelt Booster Club Monday night. The players were introduced by their coach, Randy Smith, and they in turn introduced their parents. Refreshments were served.

Carl Denzer and Kevin Lewis will go to Dallas this weekend to compete in the District Punt, Pass and Kick Contest.

The boys will compete against approximately 15 other contestants at 10 a.m. Saturday morning at Samuel Grand Park.

Carl and Kevin won the right to go to Dallas by placing first in the zone PP&K in Lubbock Saturday.

Carl, who won in the nine year old division, had a total of 200 1/2 points.

Kevin, winner of the youngest division, the eight year olds, totaled 152 points.

Both boys began their PP&K winning in Slaton in the local Smith Ford sponsored competition.

Steve Smith of Smith Ford said it has been several years since a Slaton contestant has won at Lubbock and advanced to the

COMING HOME—Vicki Davis, escorted by her brother Brent, was chosen as coming home queen during halftime activities Friday night at the Roosevelt Homecoming. Vicki is a 1970 graduate of RHS and her brother is a 71 grad.

Cooper Exes To Gather For Homecoming

Homecoming activities for Cooper exes and students will begin at 8 p.m. Friday with the homecoming game against Tahoka.

During the halftime ceremonies of the game a coming home queen will be crowned. Following the game, there will be fellowship and refreshments in the school cafeteria.

Saturday night at 7 p.m. there will be a banquet in the cafeteria. H.E. Owens will be the speaker.

Following the banquet an entertainment hour and business meeting will be held.

Election of Ex-Students Association officers will also take place. Candidates are Billy Boyd, Buddy Ward and Harold Flourney for president; and Kathryn Robertson Cade, Betty Clark Thompson and Linda Alexander Thompson for secretary-treasurer.

Candidates for coming home queen are June Rainey Jernigan, Suzanne Smith Ehler, and Gloria Perez Pequeno.

Costs are \$2 for adults and \$1.50 for students. Door prizes will be given away and both pie and coffee will be served following the Cooper-Tahoka game.

Band Aids Host Supper

The Cooper High Band Aid organization is hosting an annual spaghetti supper Friday night from 5:30 to 7:30 p.m. in the high school cafeteria.

Guests were members of the Prairie Winds chapter of the Sweet Adelines, of which Miss Childers is a member, and other friends of the honoree.

The couple plan to be married at 7:30 p.m. Oct. 18 in Ford Memorial Chapel, First Baptist Church, Lubbock.

A lingerie shower for Laura Kate Childers, bride-elect of Mike Kirkpatrick, was given Saturday at 10 a.m. in the home of Nell Marshall in Lubbock.

Guests were members of the Prairie Winds chapter of the Sweet Adelines, of which Miss Childers is a member, and other friends of the honoree.

The couple plan to be married at 7:30 p.m. Oct. 18 in Ford Memorial Chapel, First Baptist Church, Lubbock.

Nursing Home News

BY GLADYS RICHARDSON
The Rev. Merriel Abbott of the First United Methodist Church gave Sunday evening services.

Warner Boyce was here Monday evening to play violin music with Nadine Guidrey from Lubbock accompanying on the piano.

Every Thursday evening at 6:30 Glen and Ethlyn Akin and a group are here to sing gospel songs, and visit with the residents. They love having the groups come. They start getting dressed and fixing their hair in the middle of the evening. I would like to take this means to tell them how we appreciate them for taking the time to do this.

Our birthday party was well attended. The Rev. Gene Cherry and family entertained with songs and music. Mrs. Cherry surely plays the piano well. The cakes were brought by Mrs. Alvin Kaatz, Lena Berhend's daughter, and Mrs. Opal Hagler, Susie Bradshaw's daughter.

Mrs. Berhend is 91 this month. She spent the weekend with her family.

The group of teen-age girls from Roosevelt were here Monday evening and brought home made cookies for the residents. They were sure good.

Remember our Hawaiian movie tonight at 6:30 p.m.

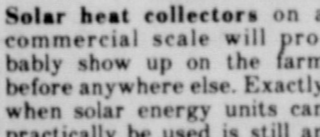

Thought - Do what you can, where you are, with what you have.

TEXAS TALK

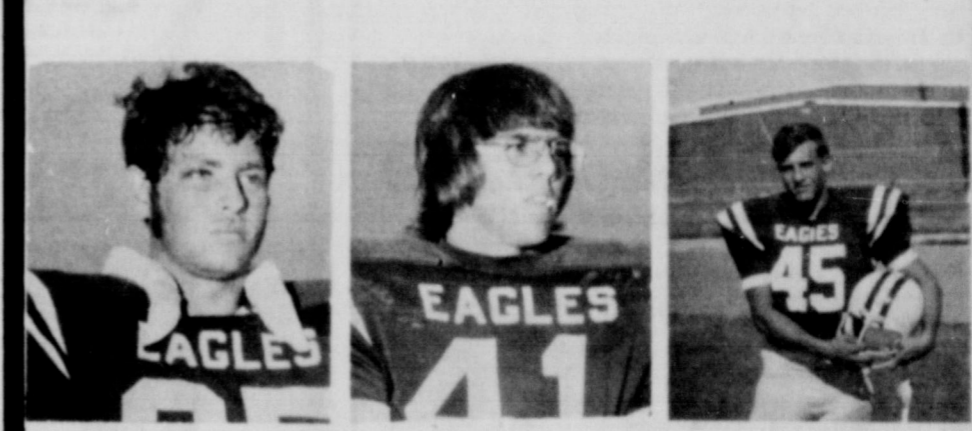

By FRED MYERS

Solar heat collectors on a commercial scale will probably show up on the farm before anywhere else. Exactly when solar energy units can practically be used is still an open question. Certainly not right away, but tests performed in six states by the Agricultural Research Service indicate that low temperature drying of grain by use of simple solar collectors is technically feasible. Technically feasible and economically practical are often some distance apart. It appears this is still the case with solar drying since the main thing the ARS testing ascertained was a need for more tests. The new series of tests will be conducted during the next two years and will provide more information on economics of the various commercial systems as well as increasing the technological information available on solar energy collection.

EDITORIAL

Two Bad Decisions

The Slatonite believes that the Slaton school district has a good board of education, made up of men who do their best at the thankless and unpaid task of trying to keep the school operating as it should in the face of increasing federal and state government interference. But this doesn't mean that we always agree with their decisions, and they made a couple of bad ones Tuesday night.

The worse of the two was a vote to penalize those parents and youngsters who pay their bills on time. The board voted 4-3 to keep all the fee money paid in before Oct. 1 and forget about collecting from those who did not pay by that time. Because of a state attorney general's ruling, the school cannot legally collect any fees after Oct. 1, but could have returned the money paid by the more conscientious citizens who already had paid fees for such things as workbooks, band uniforms and instruments, etc. The only excuse for the action was to save about \$3000 in fees already paid. But only a few minutes earlier, the board had rejected a bid on a piece of property of more than \$6,000, with the members agreeing that this amount put into the general fund would hardly be noticeable.

The other action on which the board erred, in the newspaper's opinion, was in voting 4-2 for a test exemption policy which permits some students with average grades as low as 70 to skip the quarter exams. This was recommended by the classroom teachers, and reportedly favored by almost all of them, but we suspect that at least some are more interested in having fewer papers to grade than anything else.

A teacher should have the right to give a test or not, as he or she chooses. But if one is given, then everybody ought to take it. And even if there should be exemptions, they should in no way apply to students making grades as low as 70.

Thomas Wins First Prize In Football Guessing Game

Frankie Thomas of Slaton missed just four games last week in the Slatonite's football contest, but still had to rely on a tie-breaker score of 21 points to win first place over Sherry Long of Route 1. Sherry also missed four games, and guessed 22 points on the tie-breaker. The actual total was 19, as Slaton beat Post 12-7.

Rocky Smith of Rt. 1 missed five games and took third prize of \$2 by having a tie-breaker score of 16. Also missing five, but finishing out of the money were Darris Linder, Cordell Fields, Kay Burleson and DeVonn Bednarz.

Joe Sparkman, who didn't make his choices until half

the games were played last week, missed only five, and holds first place in the Fearless Forecasters. Others in the contest agreed to let him do this, since he wouldn't pay off on the streaks anyway if he wins up last. (Sparkman and Holt tied for last in 1974, but still haven't fed the others).

Bill Ball moved back into second, just one game behind Sparkman, missing only three games last week. All the other contestants missed five, except Dalton Wood, who missed a few more than that and dropped back into a tie for third and fourth with Pete Williams. J.W. Holt is still clinging grimly to last place.

Club Roundup

WOMEN'S C OF C
The Division of Commerce held a garage sale from 9 a.m. to 4 p.m. at the O'Hara Furnishings to raise money for civic projects.

AMERICAN LEGION
A meeting for the Legion Boys' Auxiliary Girls' was postponed to 7 p.m.

LEGION AND AUXILIARY
A regular meeting for the Legion and Auxiliary was held on Oct. 16.

QUILTERS
The only member of the Jolly Jokers who met when they met in the home of Ruth Phillips was Mrs. Phillips.

GUESTS
Collins, associate and guests Lorene and Cordella Bednarz were present.

DISCUSSION
The group discussed the program on different kinds of quilts. All the club members brought quilts for display, and Mrs. Davies exhibited many of her own quilts.

OLDER QUILTS
Some of the older quilts dated back 50 years.

REFRESHMENTS
Refreshments were served to 16 members. Club president Mrs. J.S. Edwards was absent. The vice president presided in her absence.

DAWSON DESIGN — Jon Dawson, a junior at Slaton High School, designed the Pulverize Post sign which the Tigers tore through at the beginning of Friday night's game. Jon is responsible for having a different sign each week. (SLATONITE PHOTO)

Eagles Lose Close One

By MICHAEL PATSCHKE
Roosevelt made the most yards, most first downs and recovered more fumbles, but Littlefield had the most points last Friday, spoiling the Eagles' homecoming 27-25 and leaving the Wildcats unbeaten.

It was a non-district game, and Coach Houston Powell's charges scored more points on Littlefield than anyone else this season, but still fell short of a victory.

Roosevelt started the game with an offside penalty and after the Eagles lost the ball on downs, Littlefield went 50 yards in six plays for a TD. Bill Turner kicked the extra point and it was 7-0 with 8:11 left. Still in the first, Turner broke loose for 55 yards and a TD, kicked the point and it was 14-0.

Reginald Payton scored from a yard away in the

second quarter, and Turner's kick made it 21-0. But Roosevelt came back to score with 1:21 left in the half as Charles Baker plunged 2 yards. Richard Adams missed the kick and it was 21-6 at halftime.

Recover Fumble
Early in the third, Roosevelt recovered a Littlefield fumble on the Wildcat 25-yard line. But the Eagles ran out of downs at the 17. Roosevelt came back to score again, however, as Roger Daniel slipped over from a yard out. A try for two points failed, and it was 21-12.

In the fourth, Jimmy Metzgar recovered a Ronald Parmer fumble on the Wildcat 15 and three plays later Daniel hit Lloyd Whetzel with an 8-yard scoring pass. A pass for points failed, and LHS still led, 21-18. Later Allen Hettler recovered a Turner fumble at midfield, then Roosevelt drove to the 4. On fourth down, Daniel passed to Bridges for a TD which put Roosevelt ahead 25-21, following Adams' kick.

Littlefield came back with a 40-yard pass from Parmer to Danny Martinez to the RHS 2, then Turner scored around end, with just 45 seconds left. A try for two points failed.

Daniel passed for more than 150 yards, and Whetzel, Lloyd Bridges and Milton Morgan were tops on defense. Turner was a one-man gang for Littlefield

on both offense and defense.

The Eagles now are 3-2 for the season and 1-0 in district.

SLATON MENU
Monday — Pizza, buttered green beans, carrot sticks, chocolate pudding, milk.

Tuesday — Hamburger, French fries, sliced tomato, cake with icing, milk.

Wednesday — Chili dog, pinto beans, celery sticks, peanut butter cookies, milk.

Thursday — Fried chicken with gravy, mashed potatoes, tossed salad, pink applesauce, rolls, milk.

Friday — Western burger, buttered corn, sliced tomato, fruit jello, milk.

HOMEcoming—Betti Park, a Roosevelt senior, was crowned homecoming queen during halftime activities Friday night at Roosevelt. Escorting her was Bob Park, her father.

Santa Fe Appointments

Lavoy J. Reed, a former Slaton resident, has been advanced from district claim agent to regional claims manager at Amarillo for the Santa Fe Railroad.

Reed, son of Mr. and Mrs. J.L. Reed, is a 1958 graduate of Slaton High School, and also of Texas Tech University.

He began his Santa Fe service in Slaton in 1958 as a switchman in the operating department. He transferred to Amarillo in 1968, coming into the claims department at that time.

In 1969 Reed moved to Clovis, N.M., and he became district claim agent in Amarillo in 1973.

Reed is also a graduate of the Santa Fe sponsored Institute of Business Economics at the University of Southern California.

BY LISA BUMPASS and LINDA ROMERO

This week Slaton Junior High is really rollin' with news.

We had several newcomers this week, and they are: Sixth grade - Abram Cantu, Steve McDonald, Rosa Russ, Regan White and Corey Swinburn.

Seventh grade - Eliseo Centre, Sherry Kneeling and Abbey Swinburn.

Eighth grade - Mark Hanna, Helen Hanna and Diane McDonald.

The seventh and eighth grade played at Post last Tuesday. The seventh grade tied 8-8. The eighth grade won 16-12. This Tuesday they played Roosevelt.

We would like to congratulate the cheerleaders for really keeping up the team spirit at football games and pep rallies.

We asked the teachers whom they would like to recognize and why.

Mrs. Meyers - Linda Hoffman - great at doing maps and getting all her work in.

Mrs. Miles - Raymond Gallardo - for showing the most improvement in two weeks time.

Mrs. Wright - Mr. Copeland - He keeps things lively around junior high.

We would also like to congratulate these students for their fine work.

The question of the week was "What is your pet peeve?"

Kevin Bales - reading, certain reasons.

Jenny Alford - People who talk about other people's mommas!

Greg Johnson - People trying to steal my girlfriend.

Kyle Williams - Mrs. Davies - She gives too much work!

Marc Foerster - Mr. Townsend.

Terry Cook - Smart alecks because they smart off and make fun of everybody.

Jackie Fox - Roosevelt cause that's who we're gonna beat. Both high school and junior high.

WILSON MENU

Monday — Pinto beans, spinach, cornbread, cream potatoes, milk and applesauce.

Tuesday — Meat loaf, green beans, hot rolls, buttered carrots, milk and pineapple pudding.

Wednesday — Tuna fish sandwiches, vegetable soup, milk and cake.

Thursday — Green enchilada casserole, slaw, hot rolls, buttered whole potatoes, milk and jello with fruit.

Friday — Cheeseburger, french fries, lettuce, tomato, milk, pickles, catsup and peanut cookies.

News And Views Of St. Jose

On Friday, the teachers of St. Joseph School will attend an inservice meeting, conducted by Father McGovern, at Christ the King School in Lubbock.

Other schools participating are St. Michael's from Levelland and St. Elizabeth's from Lubbock. Classes will meet as usual in the morning, but no dinner will be served at noon.

Topics on the agenda for the meeting are the philosophy of a Catholic school and regional plans for Bicentennial celebrations.

Friday the Mass for the school children will be

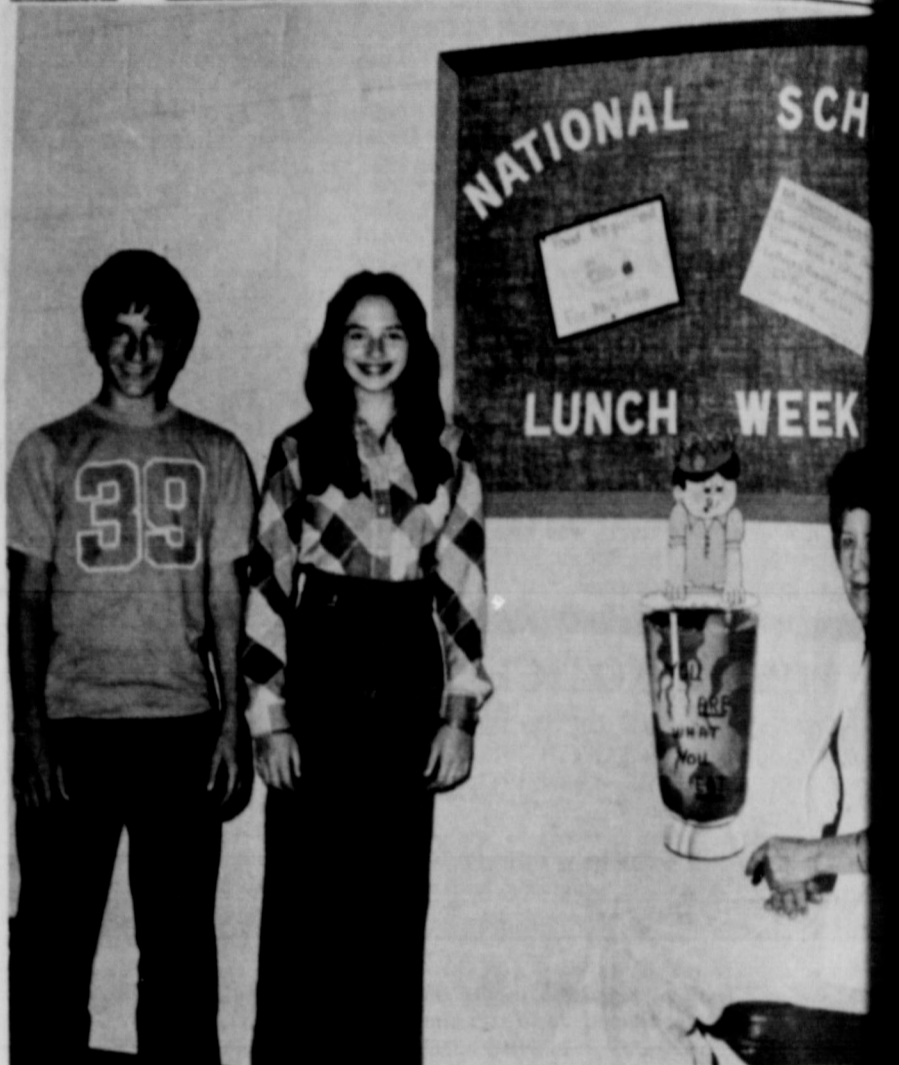

offered for Catholic missions, and make monetary contributions towards their success. Throughout the week each room has prayed for the success of these missions that the Word of God will be spread to all nations.

All classes are busy making posters for National School Lunch Week which is this week. The theme being portrayed is "You are what you eat!"

Room Two is very excited about their new classmate. It is a gerbil, named Casper, given to them by their teacher, Miss Tinsley.

The first grade and short vowels of the week. They started a story goes along with the series, "Pug", a small dog who gets into all sorts of mischief.

Kevin Lewis, Derzer won first the Punt, Pass Contest in Slaton Lubbock. They went to Dallas to compete. Devin Bed second place in the and Brad Lewis and Heinrich won the Congratulations be

NATIONAL SCHOOL LUNCH WEEK — Wesley Kitten, left, Marsha Dea Betty Hlavaty, seated, observe a bulletin board in the St. Joseph School cafeteria. Marsha and Wesley are grade students and are both officers in the civic club. Mrs. Hlavaty is the manager. (SLATONITE)

Melcher Learns Sign Language

Dr. Joe A. Melcher, assistant professor in the Department of Communication and Theatre at Xavier University of Louisiana is learning sign language of the deaf in a 10 week course at the New Orleans Catholic Center for the deaf.

Melcher also attended the fall conference of the Louisiana Speech and Hearing Association in Alexandria, where he chaired a panel on Professional Standards of Care in Public Schools.

Melcher is a former Slaton resident. He is a 1961 graduate of Slaton High School.

Mustangs Falter

Things were going great for the Wilson Mustangs in their homecoming game with Meadow last Friday, with the Big Blue leading 21-0 in the third quarter. Then bad things started happening, and when it was over, Meadow had come back to tie the game at 21-21 and generally louse up the homecoming.

To make matters worse, Meadow wound up with six penetrations to three for Wilson, giving the Bronchos the district 2-B south zone game if it should have bearing on the final zone outcome.

Richard Cedillo zipped across for Wilson yards away from the quarter and Anderson kicked point to make it moved on up to second quarter son hit Greg Egnify 47-yard pass play, and then kicked and Wilke scored for Wilson and kicked again 21-0. Jan Wilke was queen for

NEW FOR SIX FLAGS—A 1.5 million dollar, 200-foot-tall parachute drop will be built at Six Flags Over Texas for the theme park's 1976 season. With twelve parachutes, equipped with chairs carrying two or three persons per chute, the ride can accommodate up to 1,200 passengers an hour. The chutes will rise 175 feet into the air; free fall for more than 30 feet and then settle gently to the ground.

Six Flags To Revive Popular Thrill Ride

plummet earthward with breathtaking speed.
 After a spine-tingling drop of more than 30 feet, the parachutes will billow open and the rate of descent will begin to slow.
 Six Flags General Manager Dan Howells rode a prototype of the parachute device during recent tests at a plant near Berne, Switzerland, where the ride is being fabricated.
 He said, "The initial drop is just like jumping off a three-story building. It's got to be the most exciting sensation ever built into a thrill ride. To say you experience a 'falling sensation' would be a gross understatement."
 An identical ride is being built for the Texas entertainment center's "sister park," Six Flags Over Georgia, near Atlanta.
 Howells said similar rides once existed in Chicago at New York's famed Coney Island. The only one still in operation is located at Fort Benning, Georgia.
 He said, "Our research shows that the old Coney Island version of the ride was the most popular attraction in Coney's Steeplechase Park, even though it was competing with as many as six of the world's most exciting roller coasters at one time or another.
 The main structure of the ride will be a metal tube nine feet in diameter topped by a circular building which houses the ride's complex machinery.
 Twelve huge arms will jut in a circle from the top of the structure, each supporting a parachute guided by steel cables.
 Dangling beneath each of the colorful chutes will be a chair which can seat two large adults or three smaller persons.
 The riders will be carried up at a speed of 15 feet per second and, as Howells put it, "They'll come down a lot faster." He added, "The entire ride, from liftoff to touchdown lasts only 28 seconds—but what a 28 seconds!"
 The ride will carry as many as 1,200 passengers an hour, making it one of the highest capacity attractions in the park.
 Howells said the exact opening date for the ride will depend on the time of delivery from Switzerland. "Right now we're hoping for operation in early April," he commented.
 Officials said the parachute drops will incorporate elaborate safety systems, and that each of the dozen chutes will be under full safety control, even during the initial free-fall effect.
 At Six Flags Over Texas the parachute drop will be located between the park's Puppet Theater and the entrance driveway.
 Howells concluded, "The parachute drop will be exciting just to watch. Standing on the ground, listening to the screams and watching the riders is quite a show."

Eagles Tie Prude Ranch 14-14

The Southland Eagles traveled several hundred miles last week to Fort Davis, taking on a tough Prude Ranch team and tying them 14-14.
 The Eagles' first touchdown came on a five yard run by Junior Buxkemper. The kick for extra points failed.
 The next Southland score came on a safety, which John Chaffin blocked.
 Chaffin also scored the final Eagle touchdown on a 13 yard run. The PAT failed again.
 Both the Prude Ranch scores were on 40 yard passes.
 The Eagles played well both on offense and defense. According to Southland coach J.J. Thomason, "we moved the ball better than we have all season. A couple of mistakes kept us from scoring again."
 On defense, Kendon Wheeler intercepted two passes. One of his interceptions was in the end zone, stopping a scoring threat by Prude Ranch.
 Curt Wheeler and Buxkemper each had one interception.
 The Eagle goal line defense proved itself under pressure Friday night when they stopped Prude Ranch on the three yard line on the last play of the game.
 Buxkemper netted eight tackles, Junior Vasquez totaled seven, and Chaffin had six.
 Friday night the Eagles travel to Whitarral. Whitarral overpowered the Southland team in a pre-season scrimmage, but Thomason said, "If we continue to improve, this could be a close game."
 Whitarral will be observing homecoming.

BICENTENNIAL BITS

By NEWMA CARNES

Have you been out at Texas Tech recently? They have many flower beds blooming in glorious red, white, and blue color patterns, a part of Lubbock's coordinated Bicentennial celebration. A few Slaton flower beds have produced a valiant effort of red, white and blue blossoms.
 Bicentennial happenings are given more and more time and space over radio and TV and in printed publications. They are also being given school time. Lubbock is one of 33 Texas schools displaying exhibits in the TSTA Bicentennial booth in the Better Living Center at the State Fair of Texas, Oct. 3-19, in Dallas. "The Comprehensive Calendar of Bicentennial Events", published by the U. S. Government Printing Office, 524 pages, is an inexpensive aid to teaching.
 The National Education Association has an essay contest for teachers who can win prizes totaling \$2800 for writing on selected Bicentennial topics. To aid educators in observing the Bicentennial celebration, the U.S. Bicentennial Society is selling an array of flags and flag memorabilia, including the Betsy Ross, 50-star, or '76 Bicentennial versions available as automobile window stickers.
 A large number of students, all ages, are taking part in the American Issues Forums programs. There is also a Child Nutrition Bicentennial Project which started last summer. In addition to special Week observances, the project includes a series of heritage menus, such as the first Thanksgiving, Louisiana Purchase, etc., which are accompanied with appropriate classroom lessons. Bicentennial packets have been developed for use by teachers in their classrooms.
 One, prepared by the Texas Education Agency, is available to campus-level administrators free of charge. Many other packets are offered for sale, as are ever-increasing numbers of books on many areas of the Bicentennial celebration. National Education Association and The Pennsylvania Bicentennial Commission are sponsoring a "My America" competition—the top prize is a gold medal and \$5,000—open to all school children.
 Posters are up at high school announcing the Slaton Teen Queen contest. The teen chosen as Bicentennial queen will reign over the November 11 parade and other Bicentennial events until July 4, 1976. A pioneer queen will be chosen also.
 There are several. Your Homeowner's policy will cover theft away from the premises for up to a maximum of \$1,000. If you do not have a Homeowner's policy, a Broad Form Personal Theft policy will provide the same coverage. It is usually more economical to add this policy to a standard Fire or Tenant Homeowner's policy for a minimal cost. A Personal Effects floater will also meet this situation. However, the articles to be covered must be itemized in the policy. This "all risk" policy, covering not only theft, does not limit the coverage to \$1,000 but to the value of the effects and the premium you wish to pay.

INSUR-MATION

By Bob Kern
 Pember Insurance

Civil Service Has Openings

The U. S. Civil Service Commission announced today that applications are being accepted for Administrative Careers in Mid-Level positions.

According to Vere B. Robinson, Area Manager of the Dallas Area Office, an announcement containing instructions on how to apply is now available at Federal Job Information Centers in Texas, Oklahoma, Arkansas, Louisiana, and New Mexico.

Additional information can be obtained by contacting the nearest Federal Job Information Center. You may call or write to the address as listed below: TEXAS: Federal Job Information Center, local telephone (214) 749-3156 U.S. Civil Service Commission, 1100 Commerce, Rm 1C42, Dallas, Texas 75202. (Tel toll-free: (800) 492-4400)

NEW FOR SIX FLAGS—A 1.5 million dollar, 200-foot-tall parachute drop will be built at Six Flags Over Texas for the theme park's 1976 season. With twelve parachutes, equipped with chairs carrying two or three persons per chute, the ride can accommodate up to 1,200 passengers an hour. The chutes will rise 175 feet into the air; free fall for more than 30 feet and then settle gently to the ground.

Six Flags To Revive Popular Thrill Ride

One of the most popular thrill rides in history, a towering parachute drop, will be revived in modern form by Six Flags Over Texas for the park's 1976 season.

The 200-foot-tall mechanical giant, costing 1.5 million dollars, will lift riders 175 feet into the sky before its twelve parachutes suddenly "break loose" and

plummet earthward with breathtaking speed.

After a spine-tingling drop of more than 30 feet, the parachutes will billow open and the rate of descent will begin to slow.

Six Flags General Manager Dan Howells rode a prototype of the parachute device during recent tests at a plant near Berne, Switzerland, where the ride is being fabricated.

He said, "The initial drop is just like jumping off a three-story building. It's got to be the most exciting sensation ever built into a thrill ride. To say you experience a 'falling sensation' would be a gross understatement."

An identical ride is being built for the Texas entertainment center's "sister park," Six Flags Over Georgia, near Atlanta.

Howells said similar rides once existed in Chicago at New York's famed Coney Island. The only one still in operation is located at Fort Benning, Georgia.

He said, "Our research shows that the old Coney Island version of the ride was the most popular attraction in Coney's Steeplechase Park, even though it was competing with as many as six of the

world's most exciting roller coasters at one time or another.

The main structure of the ride will be a metal tube nine feet in diameter topped by a circular building which houses the ride's complex machinery.

Twelve huge arms will jut in a circle from the top of the structure, each supporting a parachute guided by steel cables.

Dangling beneath each of the colorful chutes will be a chair which can seat two large adults or three smaller persons.

The riders will be carried up at a speed of 15 feet per second and, as Howells put it, "They'll come down a lot faster." He added, "The entire ride, from liftoff to touchdown lasts only 28 seconds—but what a 28 seconds!"

The ride will carry as many as 1,200 passengers an hour, making it one of the highest capacity attractions in the park.

Howells said the exact opening date for the ride will depend on the time of delivery from Switzerland. "Right now we're hoping for operation in early April," he commented.

Officials said the parachute drops will incorporate

elaborate safety systems, and that each of the dozen chutes will be under full safety control, even during the initial free-fall effect.

At Six Flags Over Texas the parachute drop will be located between the park's Puppet Theater and the entrance driveway.

Howells concluded, "The parachute drop will be exciting just to watch. Standing on the ground, listening to the screams and watching the riders is quite a show."

Eagles Tie Prude Ranch 14-14

The Southland Eagles traveled several hundred miles last week to Fort Davis, taking on a tough Prude Ranch team and tying them 14-14.

The Eagles' first touchdown came on a five yard

run by Junior Buxkemper. The kick for extra points failed.

The next Southland score came on a safety, which John Chaffin blocked.

Chaffin also scored the final Eagle touchdown on a

13 yard run. The PAT failed again.

Both the Prude Ranch scores were on 40 yard passes.

The Eagles played well both on offense and defense. According to Southland coach J.J. Thomason, "we moved the ball better than we have all season. A couple of mistakes kept us from scoring again."

On defense, Kendon Wheeler intercepted two passes. One of his interceptions was in the end zone, stopping a scoring threat by Prude Ranch.

Curt Wheeler and Buxkemper each had one interception.

The Eagle goal line defense proved itself under pressure Friday night when they stopped Prude Ranch on the three yard line on the last play of the game.

Buxkemper netted eight tackles, Junior Vasquez totaled seven, and Chaffin had six.

Friday night the Eagles travel to Whitharral. Whitharral overpowered the Southland team in a pre-season scrimmage, but Thomason said, "If we continue to improve, this could be a close game."

Whitharral will be observing homecoming.

I frequently carry briefcases, books, etc., in my car. What kind of policy do I need to cover these if they are stolen?

There are several. Your Homeowner's policy will cover theft away from the premises for up to a maximum of \$1,000. If you do not have a Homeowner's policy, a Broad Form Personal Theft policy will provide the same coverage. It is usually more economical to add this policy to a standard Fire or Tenant Homeowner's policy for a minimal cost. A Personal Effects floater will also meet this situation. However, the articles to be covered must be itemized in the policy. This "all risk" policy, covering not only theft, does not limit the coverage to \$1,000 but to the value of the effects and the premium you wish to pay.

who knows what lurks behind these shadowy walls?...

The ghostly occupants of this haunted house know very well, in fact, they refuse to move because they enjoy their comfort so much. What's causing the comfort they've become so accustomed to? It's the electric heat pump. The heat pump provides cozy warmth in

the winter and just-right cooling in the summer with just one unit. One temperature setting keeps the un-earthly residents in heavenly comfort throughout the year... and it'll do the same for you and your family.

ENERGY EFFICIENCY ALLOWANCE

We, at Southwestern, are interested in your getting the most for your energy dollar. That's why we're offering an Energy Efficiency insulation allowance to our customers in existing homes who install electric comfort heating. Ask us about it.

Cooper High

Highlights

By CASSIE KITTEN

Contributing to the column this week were Cruz Alfaro and Brenda Ward.

FHA SETS GOALS

The Cooper FHA got off to an early start this year. Officer elections were held last May. The officers are: president, Marilyn Gamble; first vice president, Sharla Jones; second vice president, Jenny Blackstock; third vice president, Karen

Speck; fourth vice president, Scot Pate; fifth vice president, Kelley Sudduth; secretary, Teresa Thomason; treasurer, Frances Hernandez; parliamentarian, Ricky Flournoy; and historian, Terri Robertson.

This early election enabled the new officers to have a workshop this summer from June 23-27. The workshop was called to

study parliamentary procedure, make officer uniforms, and discuss goals and plans for the coming school year.

It was decided that the theme for FHA would be the Bicentennial. Most of their activities will center around this theme, the main one being a Bicentennial Celebration in March which will be similar to an old-fashioned carnival.

Other projects to be held during the year include a hay ride at Christmas, a fashion show, and a float contest.

At the workshop they also decided that each officer would have their month to arrange the program so that everyone could get actively involved.

ALEMAN DIES

Mike Aleman, a student from Cooper High, died in John Sealy Hospital at Galveston on September 29 after a lengthy illness. He

was a former member of the school's football team and participated in various school activities.

Mike was born on Dec. 28, 1956 in Lubbock. He attended Cooper School all his life.

In June, Mike was admitted into Methodist Hospital and remained there off and on until August. He underwent tests and observations as to his illness. Towards the latter part of August, he was flown to John Sealy Hospital at Galveston. There he underwent an exploratory operation on his back and a malignant tumor was found in his spinal cord. He died Monday, Sept. 29, at 6:00 a.m. at Galveston.

He was flown to Lubbock and a Rosary was held Tuesday at 8:00 p.m. at Henderson's Funeral Home. Services were held at 3:30 p.m. at St. Joseph's in

Lubbock. Burial following the services was conducted at Peaceful Gardens in Woodrow.

Mike's activities in school were El Circulo Espanol for two years, football for three years, FHA one year, CVAE one year, and track two years.

HOMECOMING

Homecoming this year will be an array of excitement and activity. Many events, sponsored by both student and adult organizations at Cooper have been scheduled.

Most of these events are traditional, such as the announcing of the Homecoming and the Coming Home Queens at half-time. Others include the Spaghetti Supper sponsored by the Band Aids, a door decorating contest sponsored by DECA, a dance immediately following the game spon-

sored by Student Council, and the sale of mums by the Junior Class.

A new Homecoming festivity is being added this year—a float contest sponsored by FHA.

VARSITY ANNOUNCED

The 1975-76 Varsity Girls Basketball Team has been announced. The following girls have earned a position on the team for the upcoming season. They are Dora Bentancourt, Cinda Ethridge, Marilyn Gamble, Frances Hernandez, Tricia Isom, Sharla Jones, Lynette Martin, Vickie Peterson, Debbie Pevehouse, Terri Robertson, Suzy Smith, Debbie Sparkman, and Brenda Ward.

The team managers are Missy Cooper, Teresa Thomason, and Betty Vargas.

TSTA SUPPORTS ARTICLES VII AND X

AUSTIN—The Texas State Teachers Association is urging its 162,000 members to vote for Articles VII and X—those dealing with public education and teacher education—in the

proposed new Texas constitution which goes to voters Nov. 4. Article VII, titled "Education," will be the ballot as Proposition 7.

logically treating wastewater before releasing it back into our rivers and streams. Based largely on his thinking, a requirement was born for cities and towns to use secondary treatment in their sewage treatment plants.
 So, while secondary treatment has never been a law in Texas, it has been a requirement for 40 years. More than any other single thing, it probably has saved Texas some of the monumental problems which exist in many other states where even today raw sewage is discharged into rivers and streams.
 When the Texas Water Quality Board was created in 1967, provided by Ehlers, provided a good springboard from which to work. Consequently, abatement of water pollution in Texas has moved ahead more rapidly than in many other areas of the country.
 So what is secondary treatment? Let's look first at primary treatment which, basically, simply screens out solid matter in wastewater.
 Secondary treatment goes several steps further by adding biological processes to break down organic matter, thus eliminating harmful bacteria.

Chlorination then usually follows to further treat the discharge in order to protect the receiving stream.
 Still more effective is advanced treatment, sometimes called tertiary (or "third stage") treatment, which produces wastewater of excellent quality. Advanced treatment is being required by the TWQB now in several problem areas and, while it is extremely costly, it will be required elsewhere as the need arises.

The Environmental Protection Agency announced, in July of 1975 that some municipalities in the US probably would not comply with federal secondary treatment requirements until at least the late 1980's. So, while not all of our water pollution problems are solved, Texas is far ahead of most other states in that respect.

And we're still working on it.

SUPPORT THE SLATON TIGERS

This Week's Winners

FIRST—FRANKIE THOMAS
P.O. BOX 462, SLATON

SECOND—SHERRY LONG
RT. 1, BOX 185, SLATON

THIRD—ROCKY SMITH
RT. 1, BOX 114A, SLATON

Rules of the Game

Teams playing in this week's contest games are listed in the ads and are numbered 1 through 44. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.

Be sure to guess total score on the "tie breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If ties also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.

Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only one entry per person; all persons 12 years old or older are eligible except Slatonite employees and their families. Each entrant eligible for one prize, and prize money must be picked up at the Slatonite office by 5 p.m. on Monday after the winners are announced Thursday. No two members of the same immediate family and living at the same residence may win prizes the same week.
