Attack Suspect Nabbed Here; Crime Reports On Increase

An unusual number of wrecks, burglaries and thefts and arrest of a suspect in a rape case kept police officers busy here during the last week.

An 18-year-old man who had been visiting relatives in Slaton recently was charged with rape of a Lubbock young woman after the victim escaped to a residence here and called Slaton Police early Sunday morning.

Charged with rape and held in county jail in lieu of \$3,000 bond early this week was Ricky Dewayne Wiltshire, reportedly of Woodville, who was arrested by Slaton Police shortly after 4 a.m. Sunday. Arrested in an alley between 15th and 16th streets in Slaton in the car of the victim, he also was charged with auto theft.

The 19-year-old woman told officers that about 11:30 p.m. Saturday she was leaving the apartment in west Lubbock where she and her husband live to get her husband who was getting off work. She said that as she got into the car on the apartment parking lot, a man jumped into the car and pulled a knife. She then was forced to drive to an alleyway in a residential section of Lubbock where she was attacked.

Runs To Home

She then was forced to drive on to Slaton. She escaped the car in an alley and ran to the residence here where police were notified. Officers found the suspect in the victim's car in the alley.

A fresh outbreak of burglaries, thefts, vandalism and wrecks kept officers here busy during the last week.

Burglaries were reported by officials at Red Barn Chemical, Triangle Manufacturing, Tucker's Texaco warehouse and outside of town, at A-Rock materials. Three wrecks occurred at the same intersection, 20th St. (FM 400) and Industrial Drive (U.S. 84 Bus.), and two vehicles were vandalized.

Among items stolen from Triangle Monday night were \$90 in cash, an IBM electric typewriter, and a check-writing machine. At the Texaco warehouse Thursday

night the major item taken was a Sony 9" TV set valued at \$140. At Red Barn, some cash was taken from a soft drink machine and Ford Rinne lost his

framed "first dollar" of profit presented by the Chamber of Commerce. But patrolling officers apparently scared off the burglars before they finished their

work, since several other items had been gathered up, but left in the office.

Tape Deck Stolen

A tape deck and tapes were stolen last Wednesday

from an auto belonging to Johnny Leake, 705 S. 14th St.

A truck being repaired at Crawford Chevrolet Saturday was burglarized, with a citizens band radio and three 8-track tapes missing. Mary Ann Stafford, 605 S. 15th, reported a boy's 10-speed English racer bicycle had been stolen Saturday.

A firm at 635 New Mexico St. was burglarized Saturday night, with about \$100 stolen from coin operated machines.

The wrecks at Industrial and 20th were on Friday, Saturday and Sunday. On Friday, a 1973 car driven by Clay Kimbrough Jr. of Ralls and a 1974 station wagon driven by Amanda Zail Wheeler of Rt. 2, Post, collided, with total damage estimated at \$1,450.

On Saturday, it was a 1966 car driven by Pedro Hinojos of Lorenzo and a 1969 auto driven by Michael Dustin Martin of 410 S. 7th.

On Sunday, the vehicles involved were a 1968 car driven by John Martin Gonzales of 755 S. 5th, and a 1969 car driven by William Shelton Caudle Jr. of Abilene.

Also on Sunday, a 1975 freightliner driven by Shirla Bertoni of Santa Ana, Calif., overturned on U.S. 84 near Woodrow Rd., with damage estimated at \$2,500.

At 9th and Lynn Sunday a wreck involved a 1969 car driven by Ricky John Denzer, Rt. 1, and a 1970 car driven by Leon Crawford Harvey of Tyler.

Also Sunday, a parked 1970 car owned by Lillie G. Lynch of Lubbock was struck by an unknown vehicle.

At 9th and Dickens last Friday, a 1973 car driven by Hollie Van Rainwater, 945 S. Flint, and a 1971 car driven by Jerry Wayne Robinson, 745 W. Powers, collided.

Police recovered two stolen vehicles during the week. A Tahoka man told police Monday of discovering a motorcycle at the bottom of the canyon two miles north of the city off Golf Course Road. A numbers check revealed it had been stolen in Lubbock June 16. Officers spotted a 1969 auto on a grocery store parking lot here and it also had been stolen in Lubbock.

William T. Cirone reported about \$150 damage done to a 1961 pickup by vandals, and a 1969 car owned by Paul Cruz, 930 S. 4th, had three tires slashed, glass broken and the gas tank sugared by vandals.

RECALL ELECTION

Note: Voters Signature To Be Affixed on the Reverse Side.

‘ Shall Otis Neill be removed from the office of Commisioner of Ward II by recall’

Vote For One (1)

FOR THE RECALL OF OTIS NEILL

AGAINST THE RECALL OF OTIS NEILL

UNDERSTAND THIS BALLOT — Ward II voters will be casting ballots Friday either in favor of or against the recall of Commissioner Otis Neill. If you wish to have Neill removed from office, vote for the recall. If you wish to have Neill remain as a commissioner, vote against the recall.

Neill Recall Vote Scheduled

Voters in Ward II will go to the polls Friday to determine Commissioner Otis Neill's future as a city official.

A recall election for Neill was made necessary when disgruntled citizens presented a signed petition to city hall, demanding a recall vote. A total of 50 names appeared on the petition — 17 more than the required number.

Neill has been the subject of some public disfavor since the recent firing of Police Chief Fred Clark. An earlier furor over the arrest of a prominent Slaton farmer and Neill's role in the subsequent action against the police force also focused attention on his role as

commissioner. There are approximately 900 voters in Ward II who could either vote for the recall of Neill, resulting in his removal from office, or against the recall, assuring him the opportunity to complete his term of office.

No Comment

Neill had five days in which to resign his office after the petition for recall was turned in to city hall. Neill refused to vacate his commissioner's seat and made no comment to the news media at that time. When contacted by The Slatonite this week, Neill said he had no comment concerning the election.

Residents in Ward II are divided into two factions —

those for and those against Neill. A group calling themselves for Good Government and Friends of Otis Neill bought an ad in this week's paper urging voters to "Keep Otis Neill your commissioner and vote against recall."

Another ad appearing this week is in support of the recall and is sponsored by Concerned Citizens of Ward II. They are pressing for Neill's removal from office.

Polls will be open from 7 a.m. to 7 p.m. Friday, with balloting being conducted in the Clubhouse. If the recall is passed, Neill's commission seat will be vacated, and a special election will be called to fill it. City Secretary Alex Webb said the earliest possible date an election can be called would be 45 days after the recall election. Webb also said that if a special election is necessary, it will be for Ward II and Ward III commissioners.

Ward III is currently without a commissioner due to the resignation of J. P. Spears.

Slaton Woman Donates Money For Defibrillator

Mrs. Marie Bednarz, president of the Mercy Hospital Auxiliary, announced this week that the Auxiliary received a gift of \$3,015 for the purchase of a defibrillator for the hospital.

Jimmie Jean Edwards donated the money in memory of her father, B. J. Guinn.

Hospital Administrator Arnold Ingraham said, "We gratefully acknowledge Mrs. Edwards' gift. The defibrillator makes it possible for Mercy Hospital to update the facility necessary for the emergency treatment of cardiac patients."

A defibrillator was one of the items cited by the Joint Commission on Accreditation which Mercy Hospital was in need of.

Mrs. Edwards also donated \$70 toward the purchase

of two blood pressure units and two stethoscopes. This gift was given in the name of her children, Elise Guinn Nowlin and Forrest Edwards, in memory of their grandfather.

The Auxiliary has also pledged \$3,000 towards the purchase of a cardiac monitor, which will make it possible to monitor cardiac patients at all times. Donations for improvements of the hospital facilities are always appreciated, said Ingraham.

Numerous items are still needed by the hospital. Anyone wishing to make a donation may contact Ingraham or the Hospital Auxiliary. Ingraham said there are small items needed by the hospital and every gift is appreciated.

JULY 4TH ROCK-A-THON — Stopping in at Self Furniture to practice rocking are left to right, Lynne Wendel, Rhonda Moseley and Ronda Whitener. The Women's Chamber is sponsoring the Rock-A-Thon with most of the proceeds to go to the hospital. Persons can contribute to a contestant for each hour they rock. A prize will be given the one rocking the longest and raising the most money. Two boys who also have signed up for the rocking contest are Ricky Denzer and Ronnie Valadez, but they were not present for the picture (temporarily off their rockers). (SLATONITE PHOTO)

Couple Recites Vows In Church Ceremony

Anita Rayette Burch and Ernest Wesley Meyer recited wedding vows at 2:30 p.m. June 22 in the First Baptist Church of Slaton.

The Rev. Merriel Abbott, minister of the First United Methodist Church of Slaton, read the double ring ceremony for the couple.

Parents of the couple are Mr. and Mrs. Ray Burch, Lubbock, and Mr. and Mrs. Ernest Meyer, Slaton.

Escorted down the aisle by her father, the bride wore a gown fashioned and made by Mrs. J. F. Prince

of Lubbock. The gown was made of white crepe and was styled with a fitted bodice, puffed sleeves and a full skirt with flowing pleats in the back. Chantilly lace and seed pearls accented the gown.

The bride's floor length veil fell from a Juliet cap, and was trimmed in Chantilly lace and seed pearls. She carried a cascade of pink gladiolus blossoms, yellow and white daisies, feathered blue and white carnations and white streamers.

Carolyn Sue Burch at-

tended her cousin as maid of honor. Matron of honor was Mrs. Charles Estes, Jr. Bridesmaids were Opal Mankins and Donna House.

Attendants were attired in long gowns of blue broadcloth covered in printed blue chiffon. The dresses were styled with full skirts and deep set in collars which formed cap sleeves. They wore white brimmed hats trimmed in blue ribbon.

Bouquets of yellow and white daisies, pink and blue feathered carnations and

baby's breath accented with blue streamers were carried by the bride's attendants.

Willie Roy Meyer, brother of the groom, was best man. Serving as groomsmen were Charles Estes Jr., the Rev. J. L. Carrite and Jerry Edwards. Ushers were Glenn Burch and Kirk Burch, cousins of the bride, and David Wirz and Claude Keaton.

Linda Robison, pianist, and Joyce Vines, organist, accompanied soloist Willie Roy Meyer.

A reception in the First Baptist Church Fellowship Hall followed the ceremony.

Following a wedding trip, the couple will make their home in Lubbock, where the bride is employed by Handy Dan, and Meyer is employed by K-Mart.

The bride is a graduate of Lubbock High School. She attended Texas Tech University.

Meyer is a graduate of Slaton High School, and he attended South Plains College.

A rehearsal dinner at the Steak House in Slaton honored the wedding party.

Ceremony Unites Couple

Cynthia Susan Munn and Ricky Allen Daniel exchanged vows of marriage at 8 p.m. June 21 in the home of the groom's parents, Mr. and Mrs. James Daniel, Rt. 1, Lubbock. Parents of the bride are Mr. and Mrs. Martin Munn, also of Lubbock.

The double ring ceremony was officiated by the Rev. Bill Watson, pastor of the Methodist Church in Earth. He is the uncle of the groom.

Given in marriage by her father, the bride wore a long floral print gown styled with a soft ruffle at the hem. She also wore a white straw hat with blue and white trim. The bride carried a spring bouquet of baby's breath, multi-colored carnations, daisies and roses.

Mrs. Van Brown, sister of the bride, was matron of honor. She wore a street length dress identical to the bride's dress. Her blue straw hat was trimmed in blue and white, and she carried a longstem blue and white carnation tied with a white bow.

Ronnie Daniel, brother of the groom, was best man. Ushers were brothers of the couple, Randy Daniel and Marty Munn.

Trent and Brent, twin brothers of the groom, were candlelighters. Music for the ceremony was provided by the bride and groom.

A reception followed the ceremony. The bride is a graduate of Coronado High School. She has attended Texas Tech University. Daniel is a graduate of Roosevelt High School. He too has attended Texas Tech. He is employed by Dale Bolles Plumbing.

The wedding party given a rehearsal at the home of Mr. Daniel.

PERSONAL

Mrs. B. H. Bollinger had her children have their birthday party in the club. Mr. Bollinger was the birthday. There were friends and relatives called during the party to wish him a happy day.

BASEBALL & SOFTBALL
A meeting of the Roosevelt baseball clubs for all interested parents and adults in the Roosevelt school district will be held on Monday night, July 7 at 7 p.m. at the ball park. Directors will be elected at this meeting to serve for the 1976 season.

GIRLS SOFTBALL
In girls softball games played June 16, Rookies defeated Slaton #1 at Slaton, 23-7.

The game between the Golden Eagles and Slaton

#3 was played Friday with Roosevelt winning 39-4. Slaton #4 was defeated by the Little Bits, 13-8. The Oreo Cookies beat Idalou 8-6.

Slaton #4 lost to the Rosie Raiders 7-6. The games originally scheduled for the 30th were played the 17th. The Golden Eagles were defeated by the Little Bits, 17-16. The Oreo Cookies defeated the Rosie Raiders, 15-8.

On June 19, Idalou beat the Rookies, 11-3. The Golden Eagles beat the Little Bits, 16-6. And the Rosie Raiders were defeated by the Oreo Cookies 17-13.

YOUNG HOMEMAKERS
Officers elected for next year are as follows: President, Dee Schroeder; first vice president, Peggy Walter; yearbook and project, Bettie Washington; secretary, Melva Haralson.

Appointed officers are: reporter, Rita Jackson; parliamentarian-historian, Carol Dawson. Running for area officers are Merle Sides and Marilyn Walter.

Merle Sides is the Roosevelt Outstanding Young Homemaker.

Young Homemakers met June 17 at the clubhouse and then drove to visit members homes.

VISITING
Mr. and Mrs. Bobby Henson, Bobby Don and Laura have returned after spending several days visit-

ing relatives in Oklahoma. Visiting Mr. and Mrs. George Railsback are their granddaughter, Susan, and Kathryn Fulton of Houston.

Mr. and Mrs. Kim Young of New Braunsfels spent the weekend visiting in the home of Mrs. Young's parents, Mr. and Mrs. J. T. Crumley.

Brenda Reynolds spent a few days with relatives in Big Spring.

NEWS BRIEFS
D'Ann Colleps, former Roosevelt student, graduated from L. D. Bell High School at Hurst, 77th out of a class of 700. She is the daughter of Mr. and Mrs. Steve Colleps, both RHS exes, and the granddaughter of Mrs. George Klattenhoff of Roosevelt.

Lowell Bridges and Debbie Trammel were involved in a wreck June 19. Lowell re-injured his neck.

Brooks Marshall broke his arm Thursday night at the Roosevelt buckouts.

Beckers Have Family Reunion

The Becker family reunion was held Sunday, June 15, in the home of Mr. and Mrs. Frank McNamee in Tost. There were 72 guests and relatives present.

Family members registered from San Antonio, Wilson, Slaton, Abilene, Corpus Christi, Brownfield, Floydada, Austin, Bishop, McKinney, Fulshear and Tost.

The oldest family member there was Ina Becker and the youngest was Lorie Lee Becker.

The next reunion is scheduled for 1977 and it will take place in the Slaton clubhouse.

SAVINGS BOND AWARDED — Kirk Sanders, left, was the recipient of a \$25 Savings Bond for his second place poster in the annual Fire Prevention Poster Contest. Bobby Brake, a State Farm Insurance agent, is shown presenting the award. State Farm was one of the sponsors of the contest.

Roosevelt Student Wins Savings Bond

Kirk Sanders, a recent graduate of Roosevelt High School, won a \$25 Savings Bond in the recent state Fire Prevention Poster Contest. Sanders, son of Mr. and Mrs. Marvin Sanders, won second place in the twelfth grade division.

Over 2,000 entries were received for the 49th annual poster contest. Under the joint sponsorship of the State Fire Marshal's Office, the State Board of Insurance and the State Farm Insurance Company, \$1,170,000 in U.S. Savings Bonds were awarded to the best three posters submitted by students in each grade.

Twelve judges, representing insurance, manufacturing, local and state government interests were selected to make the difficult choice of winners in each of the twelve grade school levels.

Board Meeting Is Routine

The Board of Education of the Wilson Independent School District conducted a routine meeting June 17.

Several items were voted on by the board, including the payment of the June bills, approval of the previous meeting's minutes, and the raising of the rent by \$10 on all teacherages.

In other action, the board decided to use the student accident insurance coverage from the Insurational Insurance Company for the 1975-76 school year for total student and football coverage.

They also accepted the resignation of Mrs. Lois White, junior high teacher.

The board discussed the vocational agriculture program, housebill 1126, the superintendent's report for the '74-75 school year, and various personnel matters.

Martins Host Singing

Mr. and Mrs. Harley Martin, Rt. 1 Slaton, hosted an old time singing Tuesday night in their newly completed Tusha Building by Butler. The singing was held in the farm building prior to its being filled with tractors and antique cars.

A piano was moved to the building, as well as folding chairs and songbooks from their church. Pianists for the evening were Glenna Jones, Anita Perkins and Shirley Copeland.

Song leaders were Martin, William Jones, John Dodson and Bob Rose, all of Slaton; Blanton Martin of Olton and James Roberts of Lubbock.

Special songs were per-

formed by Glenna Jones, a voice student at Wayland College, Dorothy and James Roberts of Lubbock, Kathy Busby, Sue Dodson, Vysta Beard, Barbara Jones and Linda Conner.

Refreshments of homemade ice cream and cake were served to the 75 guests.

CONSERVE HER ENERGY

GO ALL ELECTRIC
The conservation of energy is serious business. This means we should all give careful attention to the manner in which we use energy. In 1974, for the first time, more than 50% of the homes built in the U.S. had electric heat, a major step toward all-electric living. WTC Camp In Progress

Seventy girls from 24 high schools and junior high schools have registered for the first girls' basketball camp at Western Texas College.

The camp opened Monday and will continue through Saturday. Dr. Sid Simpson, WTC Athletic Director and women's basketball coach, is directing the camp. He is being assisted by Sonny Barnes, Coahoma High School basketball coach, and members of the WTC women's team, the Dusters.

The campers will receive instruction in the fundamentals of basketball and will play games daily. They will also enjoy a full program of recreational activities including swimming in the WTC indoor pool and use of the facilities in the Student Center.

Cindy Sloan from Wilson is among the students attending the camp. Marilyn Payton, a graduate of Cooper High School and a member of the WTC women's basketball team last season, is serving as a student assistant for the camp.

Delegates Fill State Offices

The 1975 session of the American Legion Auxiliary Bluebonnet Girls State has grown from an experimental conference of ninety-four girls, held at Baylor University in 1941, to become the largest single extracurricular educational program for high school girls in Texas. This year 509 girls are in attendance, plus two girls from Mexico, making a total of more than 11,500 girls in Texas who have participated in this top-level citizenship program.

Former citizens of Girls State and members of the Texas American Legion Auxiliary comprise the sixty members of the staff and counselors who volunteer their services to direct and lead this program. The Director, Miss Frances Goff of Houston, is Director of Special Projects for The University of Texas M. D. Anderson Hospital and Tumor Institute at Houston. This is her twenty-third year as Director. The Associate Director is Mrs. T. J. Manning of Houston, Assistant Principal at Clear Creek High School in League City who is now on leave to complete her graduate work toward her Ph. D. Chairman of the Auxiliary Girls State Committee is Mrs. Sam Altimore of Hearne.

BACK FROM BLUEBONNET — These girls recently returned from Girls State. They are back row from left, Camille Rice and Teresa Wright. Seated are Susan Mercer, left, and Terri Holland.

Chief Justice Joe Greenhill of the Texas Supreme Court administered the oath of office to the elected state officials of Bluebonnet Girls State Monday, June 16, in the Rotunda of the State Capitol.

One of the highlights of the session which began June 10, and ended June 20, was the selection of two

outstanding citizens of 1975 who will be sent to Girls Nation in Washington, D.C. also sponsored by the American Legion Auxiliary. There the two young representatives will continue their study in responsibilities of the Republic.

Twelve girls will be named to United States Senator Lloyd Bentsen's Internship Program to be held in Washington, D.C., for Bluebonnet Girls State July 6 through 11. This is the third year Senator Bentsen has sponsored this internship for Texas Girls State.

Holt Is 75 Tech Graduate

Phil Holt, son of Mr. and Mrs. LeRoy Holt, received a Bachelor of Arts degree from Texas Tech University during commencement exercises in May.

Holt graduated with a 3.2 grade average and was among 320 students in the Arts and Sciences College who achieved a perfect 4.0 grade point average for the 1975 spring semester.

While at Tech, Holt was a member of Phi Alpha Theta, the national history honorary.

He plans to continue his studies at the University of Texas this fall.

Scouts Return From Camp

Members of Boy Scout Troop 125 recently returned from a week at Buffalo Trails Camp in the Davis Mountains of Texas.

While there, they earned 54 skill awards and 35 merit badges. Areas of accomplishment include horsemanship, pioneering, wood carving, basketry, leather craft, swimming, life saving, hiking, geology, astronomy and others.

Leaders accompanying the troop were Alex Webb and Kenneth Baker.

Troop members making the trip were Jimmy Ramirez, Mike Kenney, David Baker, Scott Stafford, Randy Crabtree, Lyndell and Gerick Hurst, Cody Bill, Kevin Bales, Jay Moncrief, Steve Lowry, Rodney Sport, Fred Stolle and John Mosser.

Awards earned at camp will be presented during Family Night July 11 in the educational building of the First Methodist Church.

WINS AT PLAINVIEW — Gary Jones of Slaton won the high school boys singles championship in a tennis tournament at Plainview last weekend, beating three opponents without losing a set. He will be a senior at Slaton High this fall. (SLATONITE PHOTO)

Consumer Alert

AUSTIN — Home swimming pools used to be within reach of only the wealthy. Now, however, many persons are considering adding a pool as part of a home improvement plan.

Our Attorney General's Consumer Protection Division lawyers caution such persons to consider carefully whether they are willing not only to install a pool, but to maintain it safely. Every family or individual contemplating a home pool should be aware that a certain amount will be needed each year for pool maintenance, whether do-it-yourself or professional.

A swimming pool also demands diligence on the part of the owner to assure that unauthorized and unsupervised use of the pool does not take place.

Once the decision to take on both the fun and the responsibility of owning a home pool is made, there are decisions to be made about pool features. Our Consumer Protection attorneys remind persons installing a pool to check first on any local ordinances and codes for safety requirements.

The U.S. Product Safety Commission recommends that safely constructed home pools have the following: Non-slip materials on pool deck, diving board, and ladders. Pool steps should be three inches wide, ladder rails should be small enough for a child to grasp, and there should be a ladder at each end of the pool.

A licensed electrician should install any electrical equipment, and ground-fault circuit interrupters are strongly recommended.

If diving board or slide are desired, the pool should be deep enough for them, and the slide should always be in the deep part. Water depths should be clearly marked and a safety float line used to show where the bottom slope deepens.

All sides of the pool should be enclosed by a six-foot hard-to-climb fence with a locked gate. A side of the house should not be used as a part of the fence, since a small child could wander out a door or window.

If an above-ground pool is installed, it should have no sharp edges or protruding bolts. The access ladder should either swing up or be removable, so unauthorized persons cannot enter the pool.

Once pool features have been chosen, it's time to select a contractor. The summer season has already brought consumer complaints about a few unscrupulous pool contractors to our attention, so it is very important to be cautious when selecting one to build your pool. Our attorneys recommend that you get three bids from different contractors and check with persons who have employed them to see if work is satisfactory.

Then get a written estimate of the cost, and think over the deal a day or so before deciding.

Avoid by all means any contractor who resorts to such deceptive trade practices as "bait and switch" selling, misleading "special demonstrator" prices, or "referral" selling, all of which are against the law.

When you've selected a contractor, get a contract that spells out what is to be done, what kind of materials will be used, when work will start and end, and the total price. You may want to have an attorney look over the contract before you sign, but be sure to get a copy for your files.

Home Sewing Tips Given

Home sewing today can be done in a shorter amount of time and with less effort if some guidelines are followed. Marlene Odle, clothing specialist with the Texas Agricultural Extension Service, advised this

- Purchase the pattern, fabric and all notions at the same time.
- Choose a fabric that doesn't ravel or need seam finishes.
- Choose a pattern that

has few details and a small number of pattern pieces.
 —Organize sewing and pressing equipment in one area.
 —Keep on hand adequate sewing equipment.
 —Keep sewing equipment in good working condition.
 —Use correct pressing equipment for a more professional look.
 —Stitch as many seams at one time that are not crossed by another seam before making a trip to the ironing board.
 —Use iron-on interfacings and fusibles when possible.
 —The pattern guidesheet offers many tips to make sewing easier — read it carefully before starting to sew.

—Do as much machine stitching as possible — blind hemming stitch, top stitching, stitch in the ditch (a machine stitching in the seamline on the right side).

BICENTENNIAL BITS

By NEWMA CARNES

The last meeting of the Slaton Bicentennial Committee had a small attendance due to several members being on vacation and one, Mrs. Childers, in the hospital. The next meeting is Tuesday, July 1, at 7:30 p.m. in the Chamber of Commerce building.

Annie Jo Hartley has begun typing the recipes for the pioneer cookbook. The recipes have been coming in steadily. If yours is not in, give it to Annie Jo, Helen Dunn, or turn it in at the C of C office.

Fourth of July plans are booming. Winnie Vaughn, Cherry Moncrief, and Beulah Beard are the Women's Division Chamber of Commerce committee members planning the Rockathon. Mrs. Vaughn reports that Clark Self, Jr. is looking for the rocking chairs and that 5 volunteers — male or female — are needed to participate in the contest. A

prize will be given to the winner. Boy Scout Troop 123 is planning a game booth. The commemorative coins will be auctioned at 2:00 p.m. Arts and crafts displays and demonstrations will be in the clubhouse.

The old-fashioned church arbor is being reconstructed and plans are to have singing there all day. Rev. Gene Cherry and Raudin McCormick of the First Christian Church have contacted all the local churches about participating and several have already replied that they will take part; the First Baptist Church, the Church of God, and the Missionary Baptist Church. Affirmative replies from other churches are expected this week.

So many interesting, amusing, exciting events are being reported every day, so to be aware of all, listen to KCAS, your hometown radio station, for

up-to-the-minute information about the Fourth of July activities in Slaton.

The Slaton Bicentennial Emblems entered in the contest have been placed with the judges and a decision should be known soon. If the decision is early enough, the emblem will appear on the Slaton Bicentennial Souvenir Birthday Calendar. The calendar is at the printer's now, and is

expected to go on sale July 1.

Any club, church, organization, etc. which is planning any U.S.A. 200th birthday-related activity should contact Newma Carnes or the C of C office to get that activity listed on the Slaton Bicentennial Events list. You can't get recognition for an event no one knows about!

Tomatoes Disease Prone

The most widely grown vegetable in Texas gardens is the tomato. But this popular vegetable is also subject to a number of diseases, according to the Texas Agricultural Extension Service, (TAES).

The first disease problem that most homeowners face with tomatoes is damping off. The TAES advises planting in a warm, well-drained soil and spraying with the fungicide Captan when the disease occurs.

Fusarium wilt is another common disease problem in tomatoes. The only control is the use of wilt resistant varieties. These include Terrific, Better Boy, Monte

Carlo, Homestead 24, Homestead Elite, Early Summer, Small Fry and Monte Grande. Small Fry is a cherry type tomato and Early Summer produces small fruit. Terrific has varying type fruit while the other varieties have medium size fruit.

Root knot nematodes also attack tomatoes. Resistant varieties are the most effective means of reducing losses to these microscopic pests. Such varieties include Nematex, Terrific, Monte Carlo, Better Boy and Small Fry.

Among common foliage diseases attacking tomatoes are early blight, late blight,

Septoria leaf spot, gray leaf spot and Anthracnose. These can best be controlled by foliar sprays of an acceptable fungicide such as Maneb, Captan or Zineb. Begin applications when the disease first appears and continue at 7-to-10-day intervals for three to four applications.

Fruit decay may also set in as tomatoes near maturity. The most effective control of this condition is to use a cage or mulch of some type. This prevents fruit from touching the soil and thus effectively controls the disease. Foliar fungicides will also aid in controlling various fruit rots.

As is readily evident, a great deal of time and effort are required to produce beautiful red tomatoes.

Caution Urged For July 4

This year the Fourth of July falls on Friday, making a fine three-day weekend for fun and games in Texas — and an exciting chance for Texans to test their survival training on the highways. For those who avoid or otherwise escape the traffic mayhem, Texas Safety Association sends a reminder that the long weekend offers a variety of other opportunities to get killed, drowned, burned, maimed, strained, poisoned or pulled up lame.

Take heat and sun. They can be killers while watching or participating in a parade or game — or simply working in the yard. Texans who want to be up and about on Monday should stay in the shade where possible, and avoid dehydration by drinking plenty of water, soft drinks or iced tea. The sun is especially hazardous to the sunbather — a painful, maybe disabling, burn, and in time (happy thought), skin cancers.

So try a picnic! Picnickers should be alert to the dangers of food poisoning, common in summer when luncheon meats, potato salad, etc. get warm in the sun and breed bacteria. Food should be kept in insulated coolers, set out on picnic tables only when it is time to eat, and the leftovers put back in the cooler promptly to protect those who want a late snack.

Another way to miss the call of duty on Monday is to engage in some strenuous, unaccustomed activity. The least you can expect are some strains and sprains; the "really big one" is a heart attack. It happens all the time, especially to folks over 40 who get carried away (sometimes literally). Cool it!

Texas Safety Association urges Texans to enjoy the Fourth of July holiday — but stick around for Labor Day, Thanksgiving and Christmas, too, by using common sense in your activities.

TEXAS TALK By FRED MYERS

All it takes is a glance at your own checkbook to know that in the long run you have to have more coming in than going out. The same principal works with nations as well. That's why an international trade surplus is more desirable than a trade deficit. American farmers last year did far more than any other segment of U.S. industry to reduce a trade deficit topped off by the high prices of mid-eastern oil. Agricultural exports last year were worth 22 billion dollars, producing an agricultural trade surplus of nearly 12 billion. This contribution by food and fiber producers brought our total deficit to 3 billion dollars. Still high, but much less than some economists thought it would be. Those figures from last year are considered by many to be the harbinger of agriculture's future importance to the U.S. position in world affairs. Farmers and ranchers are moving more directly into the limelight as they produce enough to keep us number one.

PRaise THE Lord

By LENDA WOOD

"My God shall supply all your need according to his riches in glory by Christ Jesus." (Phil. 4:19.)

"Be glad for all God is planning for you. Be patient in trouble, and prayerful always." (Rom. 12:12.)

"And all things, whatsoever ye shall ask in prayer, believing, ye shall receive." (Matt. 21:22.)

"The Lord says, 'Don't be afraid! Don't be paralyzed by this mighty army! For the battle is not yours, but God's.'" (II Chron. 20:15.)

As I was praying one morning this week, my heart was heavily burdened regarding a certain problem. After unloading it all to the Lord I went about my daily tasks. Without thinking about anything in particular I began humming a song. I stopped suddenly after realizing what I had just hummed. It was the words in a song: "Ponder anew what the Almighty can do!" So I began rejoicing and sensed that it was all in God's hands and that He was taking care of it all, just as His Word promises.

SUNDAY'S SERMON

True Happiness

One day it hits you. You wonder what you have done with your life, your dreams. Somehow bigger cars and bigger houses don't make you feel any better. Even a lot of money in the bank doesn't make you feel any happier. You realize the material things of this world have a place, but you have been giving them too much thought, worry and bother. You step back and look at yourself and see your situation; you must come back to God for true happiness.

The above scriptures began to take on new meaning for me. Especially the one that says, "Be glad for all God is planning for you." This is what faith is — believing you already possess something (by faith) before you actually hold it in your hands. This is believing God for the answer before it comes, because by faith we believe God has already set in

motion the events to bring it about.

The opposite to this is doubt. If we pray regarding a problem and then after praying about it, we don't see any possible way God can answer that need, we are multiplying doubt — not faith.

God's promise always is to honor our faith — not our doubts!

Read John 11:32-36

These things have I spoken unto you, that my joy might remain in you, and that your joy might be full. (John 15:11)

At the close of an evangelistic service, a twelve-year-old boy came down to the altar, acknowledging Jesus Christ as his Lord. Many were moved; and the minister, his own voice breaking, said, "There are those who say emotion has no place in the church, pulpit, or at the altar. Why should we suppress our feelings at such a time?"

My thoughts raced back to childhood when I witnessed on many occasions feelings expressed at the altar. Those burdened with sins confessed them, thus giving vent to their emotions in such a way that the whole congregation became involved. They did not restrain their feelings, but freely expressed them.

Are we to experience "so great salvation" with apathy when the angels in heaven rejoice over one convert? The Bible gives instances when Jesus showed His emotions and feelings openly. He did not come in contact with the handicapped without feeling sympathy toward them. At Bethany He wept before the tomb of His friend Lazarus.

PRAYER: Father, help us never to suppress the joy in our hearts. Amen.

THOUGHT FOR THE DAY: Penitent or joyful weeping is lubrication to the soul.

Methodist Revival Set July 6-13

Rev. H. O. Abbott Jr. of Spearman will be evangelist for a revival at Slaton First United Methodist Church July 6-13. The Spearman Methodist pastor is a brother of Rev. Merriell Abbott, pastor of the Slaton church.

Songleader for the services will be J. B. Mann of Lubbock. Mrs. J. A. Wright will be pianist and Mrs. Inez Ferrell of Lubbock will be organist.

Breakfast is scheduled at 6:30 a.m. Monday through Friday during the revival, with morning worship at 7:15 a.m. Evening services will be at 8.

Rev. H. O. Abbott formerly was pastor at Canyon - Graham Chapel, Roby, Seagraves and Haskell before going to Spearman.

Westview GAS Go To Camp

Westview Baptist GAS left Monday for camp. Counselors for the camp will be Sharon Stephens and Linda Arthur.

Girls attending are Sharon and Machele Dowis, Cheryl Harper, Terry Dulin and Tammy Morgan. The group will return sometime this week.

Westview also welcomed back pastor Birdie L. Jones and family after a two week vacation.

Let everything give praises to the Lord. You praise him!
—Psa. 150:6.

THOUGHTS From The Living Bible

And the king and his nobles sent this message throughout the city: "Let no one, not even the animals, eat anything at all, nor even drink any water. Everyone must wear sackcloth and cry mightily to God, and let everyone turn from his evil ways, from his violence and robbing. Who can tell? Perhaps even yet God will decide to let us live, and will hold back his fierce anger from destroying us." And when God saw that they had put a stop to their evil ways, he abandoned his plan to destroy them.

INSUR-MATION

By Bob Kern
Pember Insurance
828-6251

Why is the wording in insurance policies so difficult to understand? Why not use plain talk?

All policy forms must be approved by the Department of Insurance for each state in which the policy is to be sold. Therefore, to comply with various state regulations, an insurance jargon was developed, eliminating the necessity of 50 different policy forms. Insurance companies would like to see plain talk policies since most companies maintain Policy Holder Service Departments which write to policy holders re-explaining the terms of the policy in layman's language. Companies would prefer to eliminate this additional expense and pass on the savings in premium payment reductions. Progress has been made in the last five years to simplify the language and better illustrate the benefits.

First Epistle of Paul to Thessalonians

For ye remember, brethren, our labour and travail for labouring night and day, because we would not be chargeable unto any of you, we preached unto you the gospel of God.

Ye are witnesses, and God also, how holily and justly and unblameably we behaved ourselves among you that believe.

As ye know how we exhorted and comforted and charged every one of you, as a father doth his children.

That ye would walk worthy of God, who hath called you unto his kingdom and glory.

1 Thessalonians 2:9-12

From the Book of Matthew comes one of the Bible's most enduring truisms: "Blessed are the merciful; for they shall obtain mercy."

A weekly public service feature from
the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

There's a new name in public health in Texas — the Texas Department of Health Resources — but the services offered under the new title will be as effective as those offered under the old title of the Texas State Department of Health.

A few weeks ago the Texas legislature passed, and Governor Dolph Briscoe signed, the Texas Health Planning and Development Act. This new law changed not only the name of your state health department but part of the agency's organization and purpose in order to better serve the state's residents.

The new Department of Health Resources will be governed by a Texas Board of Health Resources that has eighteen members — twice the number that served on the old State Board of Health. The membership of the new Board of Health Resources will include six physicians, two hospital administrators, a dentist, a registered nurse, a veterinarian, a pharmacist, a nursing home administrator, an optometrist, a civil engineer, a chiropractor, and two members of the general public. The members of the Board of Health Resources will serve six-year terms, with one-third of the terms ending in each odd numbered year. The Board will meet once a month at the Department's offices in Austin; in contrast, the former State Board of Health met only once every three months.

Title of the chief executive of the Department, the Commissioner of Health, has been changed to Director of Health Resources. The director will be appointed by the Board and serves at the will of the Board. The law still requires that this position be filled by a licensed medical doctor.

One of the most significant changes for the state health department is that the new law designates the Department as the official state health planning and development agency. Such a state agency is necessary under federal law in order to obtain certain funds. The part of the law dealing with health planning and resources development is vested in the new Department of Health Resources. This will make possible a statewide, coordinated health service.

A new, separate state agency — the Texas Health Facilities Commission —

was created to take care of the mandatory certificate of need for health facility construction. The commission will be composed of three members appointed by the Governor to review applications and issue these certificates of need.

Purpose of this provision of the law is to avoid duplication of health facilities and to prevent escalation of the cost of health care.

The Legislature also created another coordinating mechanism under the new law. The Texas Coordinating Commission for State Health Welfare Services will include the heads of various state agencies and the executive heads of other health-related state agencies as ex-officio members. In addition, it will include three members of the Texas House, three members of the Texas Senate and three citizen members with a recognized interest in health or welfare activities of the state, local governments and private agencies.

The purpose of the Commission will be to assist the state agencies in planning and developing services to meet the needs of the public with maximum efficiency and minimum duplication or overlap. The Commission will carry out a continuing study and analysis of the services and programs of all health and welfare-related agencies, and will make specific recommendations to the state Legislature each year.

All of these changes were intended by the Legislature to help your state government meet the ever-changing and growing needs of Texas citizens. The Texas Department of Health Resources will inherit a proud tradition of service to the people of Texas, dating back to the passage of the state's first Quarantine Act in 1856. Your State Department of Health Resources looks forward to meeting the challenge of new opportunities and new responsibilities, remembering always that the first duty of your Texas Department of Health Resources still will be to continue to "promote and protect the health of the public." That's still what we're all about.

"Accent on Health" is a public service presentation of your Texas Department of Health Resources.

I remember meeting my father at the railroad station on nice evenings, to walk home with him. I remember helping my mother with the weekly mangle — she would iron and I would fold the garments — what a time to get any problems out in the open.

Maintaining A New House
Knowing how to take care of and maintain a new house is about as important as knowing how to take care of and maintain a new baby.

In some areas of the country, new homeowners can enroll in classes on Home Maintenance and Care at local colleges or high schools.

One homemaker who took such a course in Home Care and Maintenance says she learned how to take care of her new floors and ceramic tile. She also discovered a moisture and mildew problem inside her house and found out how to curb it before it got out of hand.

The same woman found she needed to put plastic underneath her house and haul in some soil next to one corner of the house for better drainage.

If that wasn't enough, the same homeowner found that the insulation underneath her house had been put in backwards and needed to be turned over.

That's one woman who has become a very enlightened lady concerning care and maintenance of a new home, thanks to a course in Home Care and Maintenance.

Santa Fe Announces Department Changes

The following Santa Fe Railway traffic department changes, effective July 1, were announced last week.

George L. Seaman, assistant district sales manager at Dallas, has been promoted to district sales manager at Carlsbad, succeeding C. W. Carder, who is retiring on June 30.

Weldon N. Spears, area sales representative at San Angelo, has been named to succeed Seaman as assistant district sales manager at Dallas.

W. Gerald Tucker, office manager at Lubbock, will succeed Spears in the San Angelo job. Mary Lee Schuette, office manager at Amarillo, will transfer to Lubbock to succeed Tucker, and J. Ramirez, agent at Presidio, will be promoted to office manager at Amarillo.

A native of Victoria, Seaman, 37, was employed by Santa Fe at Galveston, in 1960 as file clerk in the traffic department. He held various positions there, at Houston and at Dallas before being promoted to chief rate clerk at Ft. Worth in 1965. He transferred to Houston in 1967, was promoted to head rate clerk at Dallas in 1968 and to area sales representative at New Orleans in 1969. On Dec. 1, 1970, he returned to Dallas

as assistant district sales manager.

Spears, who was born at Valera, in 1933, first entered Santa Fe service as an apprentice operator in the operating department at Avondale, Colo., in 1950, also serving in that capacity at Muleshoe and Slaton until January 1952. He returned to Santa Fe service in the division freight office at Pueblo, Colo., in 1953. In 1959 he transferred to the livestock department at Kansas City where he rose to become chief rate clerk before being promoted to livestock agent at Amarillo, in 1962. He moved from Amarillo to San Angelo in 1968 as traveling freight and passenger agent, with a change in title to area sales representative in 1969.

He is the son of J.P. Spears, former Slaton City commissioner.

Spears and his wife, Sue, are parents of seven children and have three grandchildren.

Tucker, born May 11, 1939 at Chillicothe, entered Santa Fe service as a station clerk June 1, 1959 at Slaton. He moved to the traffic department as tracing and diversion clerk in the district sales office, Lubbock, in 1970, and subsequently was promoted to head rate quotation clerk in the office

WELDON SPEARS

of manager-traffic, Amarillo. On Jan. 1, 1974, he was promoted to office manager in the district sales manager's office at Amarillo, and transferred to Lubbock in a similar capacity on July 1, 1974. Tucker and his wife, Anna Lea, are the parents of two sons, Gregory and Timothy.

Mary Lee Schuette, a native of Slaton, began her service with Santa Fe on Oct. 2, 1951, as a clerk in the superintendent's office, Slaton, and after occupying

several positions in that department, transferred to the traffic department as steno to the district sales manager at Lubbock on Nov. 27, 1972. She was promoted to tracing and diversion clerk in that office on July 1, 1973, then promoted to office manager at Amarillo, July 1, 1974.

Ramirez was born Feb. 3, 1938 at Southland. He graduated from Slaton High School and attended Sul Ross State College at Alpine. He began his Santa Fe career as a track laborer in the summers of 1955 and 1956. He became cashier at Presidio, Tex., in September, 1957, transferred to Slaton on a similar job in July, 1958 and returned to Presidio in October, 1958. In November, 1972 he was promoted to train order clerk at Presidio and in December of that year was named agent-telegrapher at that point.

Thomas Attends FFA National Conference

Kris Thomas of the Cooper FFA Chapter at Cooper High School attended a National FFA Conference in Washington, D.C., last week. The week-long Washington Conference was held at the National FFA Center near the Nation's Capital.

The FFA Conference program is designed to improve leadership skills, develop an understanding of the national heritage, and prepare FFA members for more effective leadership roles in their chapter and community. The Conference is also a forum for the exchange of FFA Chapter activity ideas among members from across the nation.

Besides the training sessions, the week's activities

included visits to Mt. Vernon Plantation, the National Archives, Smithsonian Institution, Arlington National Cemetery, and several other historic monuments and memorials in and around the Capital.

A highlight of the Conference was a Thursday morning visit to the office of Congressman George Mahon of Lubbock. Later participants attended a Capitol Hill luncheon featuring a question and answer period with Congressmen, and Washington leaders in business and industry.

Thomas, 16, is the son of Mr. and Mrs. C. H. Thomas of Lubbock. His vocational agriculture instructor is Dan Taylor.

IN WASHINGTON — Kris Thomas (left) of Cooper High School is greeted in Washington, D. C. by Alex Brashears of Alex, Okla., National Vice President of the Southern Region of the Future Farmers of America. Thomas is attending the week-long National FFA Conference program.

Two Listed On WT Honor Roll

Almost 19 per cent of West Texas State University's 4,058 undergraduate students studied their way to a place on the Dean's Honor Roll.

These 755 students achieved at least a 2.25 grade point average on a three point scale for the spring semester 1975.

The honor students from Slaton are: Donna G. Moerbe, daughter of Mr. and Mrs. Kenneth Moerbe of Route 1, senior, data processing and computer science major; and Terri B. Sikes, daughter of Mr. and Mrs. W. A. Sikes, Jr., of 1050 S. 20th, junior, biology education major.

Library News

Fifty-one children attended the Kidstuff program at the Slaton Branch Library June 17. Nancy McReynolds, Jane Classen and Peggy Higginbotham from the Lubbock Children's Staff at Mahon Library, were in charge of activities.

Entertainment was a story entitled "Soap", a movie entitled "Mole and the

Hedgehog" and a puppet show "Spring", from "Frog and Toad are Friends."

This was third in a weekly series of summer fun which will continue through July 22, and which is sponsored by Lubbock Mahon Library. Each Tuesday at 3 p.m. the children are urged to attend these free presentations at the Slaton branch.

The "Bartholomew Cubbins Reading Club" will continue until July 26. There were 140 registered at the library Monday. Several have made the honor roll list by reading 14 or more books. School principals will be notified of the honor roll readers for the summer.

Thursday, William Stewart, head of library services, and Kathy Chapman, assistant head librarian of Lubbock Mahon Library, visited the Slaton branch.

Library hours are 11:30 to 6 p.m. weekdays, and 9 a.m. to 4:30 p.m. Saturdays. The book drop is located at the rear of the library.

Underwater Photos
Underwater photography got its start in 1892, when Frenchman Louis Boutan photographed a Mediterranean spider crab. Unlike today's hand-held cameras, Boutan's camera was in a copper and iron box weighing several hundred pounds, buoyed by an empty wine cask.

Test Glass For Microwave Use

Usability of certain pieces of glassware or pottery for microwave cooking can be tested in a simple manner. Mrs. Lillian Chenoweth, family resource management specialist, said this week.

"Place the dish in the oven along with a cup of water in a glass cup. Heat for 15-30 seconds. If the glassware in question has not become warm, it is suitable for microwave use," the specialist with the Texas Agricultural Extension Service said.

"If the glassware feels warm or hot, it is best not to use in a microwave oven as it will absorb the microwaves. The cup with the water may also feel warm but only because the heated water made it warm."

She explained that repeated usage of unsuitable glassware or pottery may damage the dish as well as slow the cooking process.

Babe Ruth Names Queen Contestants

Candidates for Babe Ruth queen have been selected, and the crowning will take place Tuesday night. Vying for the title are Lynn Webb for Self Furniture, Margie Gonzales for Citizens State Bank, Phyllis

Heinrich for Slaton Co-op and Margie Denzer for Wendel TV. The queen will be crowned before the game at 7:30 p.m. The All-Stars will be named following the game.

In Babe Ruth action last week, Wendel TV beat CSB 15-1. Steve Wood led the hitting for Wendel's with three singles and Barry Copeland and Billy Daniels had two hits. Singles went to Brad Eblen and Kevin Kern. Eblen was winning pitcher, giving up only one hit to Emilio Rameriz. Self Furniture defeated Co-op 15-13 with Stan White as winning pitcher.

Joe Mercer had a two base hit. Brad Clark, Steve White, Don Patterson, Geron Stricklin and Mark Heinrich all hit singles. Lonnie Ardrey led the hitting attack for Co-op with three singles. Two hits were made by Chris Mosser and Tim Bourn. James Maxwell had a single. The Co-op came back the following night to beat Wendel TV 9-4. Ed Kitten

was the winning pitcher. Mosser had two hits, one of which was a double. Ardrey had a two base hit and Maxwell had a single. Eblen doubled while Copeland and Daniels had one hit each. Self beat CSB 17-9 with Steve White as the winning pitcher. Stricklin, Glen Culver, and Mercer had stand up doubles. Steve and Stan White each had two hits, with Brad Clark, Stricklin,

Tracy Angle and Mercer having singles. The 13 year old All Star tournament will be in Slaton this year beginning the week of July 7. The 14-15 year old All Star tournament will be in Morton beginning July 14.

By CLARK S.

LIVE, OUTDOOR has always been a favorite part of the garden. Every year the fresh charm flowers bring to a room. With a little thought you can use cut flowers from your garden as an integral part of your decor.

But you don't depend on the state or the weather for color and life. The "green" is good the year and it is easy to obtain.

Artificial flowers are much more lifelike and you can have your own floral arrangement to real you have them to be a desired flowers. Under glass or in only a few of the effects available.
