Slaton Police Have Busy Week With Several Arrests

Slaton police officers had a busy week making arrests for everything from carrying a pistol to shoplifting. Early in the week Lillie Perkins, Sylvia Johnson, and Audrey Wiley, on

suspicion of shoplifting in Littlefield. The three were charged with felony theft in Littlefield and bond was set at \$2500 each. Police here made the arrest after receiving a description of the license plate of the car in which the three were seen riding at Littlefield.

Slaton Swimmers Sweep Field Post Meet

Slaton's swimming team swept the field of races in a swim meet at the Post Municipal pool last week. In the intermediate division for boys through 15 years of age Slaton took four firsts, the one pool-length free style, the one pool-length backstroke, the one pool-length breaststroke, and the one pool-length freestyle. Douglas Corley was second and Jimmy Wilson was third. In the one pool-length backstroke, Corley was first, Wilson took second, and Polk was third. In the one pool-length breaststroke Corley was first, and Wilson was third. In the one pool-length freestyle Corley was first and Wilson was third.

Intermediate Girls
In the intermediate girls division Slaton girls took four first places. In the one pool-length free style Pat Schilling was first, and Audrey Wiley was second. Wiley took first place in the girl's one pool-length backstroke. She was followed by Sara Sue Bickers with second place and Schilling with third.

Wiley took first also in the one pool-length breast stroke followed by Schilling with second and Bickers with third. The girls swam against the Post senior girls relay team in the first free style relay and took first place. Slaton's girls relay team was composed of Schilling, Wiley, Bickers, and Gail Gaiser. The girl's medley team composed of Schilling, Wiley, and Bickers took second in the medley relay event.

Slaton Rangers Ride In July 4th Parade At Hale Center

The Slaton Rangers, one of the community's better known carriers of good will, took part in the parade and Fourth of July celebration Wednesday at Hale Center. The group has added two more trophies to the show case at Fondy's Boot Shop, the unofficial headquarters for the organization. The trophies represent a third place taken in a recent parade at Plainview and a second in a celebration at Crosbyton and Lubbock.

At least three more parades are on the agenda in the near future for the Rangers. The organization has an invitation to ride at Santa Fe New Mexico on July 12, at O'Donnell on July 14, and at Dimmitt on August 16.

"We are always ready to add new riders to our organization and anyone wishing to learn about membership can contact me at the boot shop," Fondy stated.

New Residents Listed From Gas Co. Records

New residents in the community for the period from May 28 to June 1 have been taken from the files of Pioneer Natural Gas Company Slaton. The names and addresses are taken from the list of new accounts with the company. They are L. J. Shelton, 225 W. 10th St.; J. H. Smith Jr., 1325 S. 10th St.; David Hughes, 255 S. 10th St.; Alvin Kinder, 1045 S. 12th St.; C. E. Travsdale, 845 S. 15th St.; L. P. Fudge, 805 S. 15th St.; E. Harris, 905 W. Lubbock; C. Spence, 650 S. 18th St.; David Kenney, 320 W. Dayton; A. R. Gelstrap, 625 W. Garza; Amy Kaker, 204 1/2 W. Garza; R. J. Bondy, 250 W. Panhandle; G. A. Alford, 435 N. 5th St.; Barbara Smith, 220 E. Panhandle; C. A. Mark, 1255 S. 9th St.; James Davis, 920 S. 9th St.; B. B. Clack, 755 S. 18th St.; R. B. Clynch, 255 N. 8th St.; Q. W. Withers, 1250 S. 10th St.; W. L. Green, 515 W. Lynn; John Taylor, 825 S. 12th St.; C. B. Harris Jr., 355 S. 7th St.; Dr. John Locke, 155 N. 6th St.; and Mrs. C. Benton, 740 S. 16th St.

Electrical Storm Moves Into Area

A severe electrical storm moved into the area late Sunday night to dampen enthusiasm brought by the rain which came with it. J. M. Anthony of 830 S. 10th Street reported .75 inches of rain in the gauge at his home.

The electrical display, which some residents termed beautiful and others terrifying, brought about added work for Southwestern Public Service and Southwestern Bell Telephone workers. Several transformers had burned fuses when the storm was over and Public Servicemen also had to repair several wires which had been damaged.

Telephone crews were working Monday to repair a few telephones in the city which were put out of order by the storm. Water ran curb deep in several low places in city streets.

N. R. Boyce, two miles east of Slaton reported only a sprinkle while Rudolph Schwertner, one mile south of the city had an inch of rain. Norbert Kitten, one and a half miles west of the community got only about .13 of an inch.

Slaton received another shower Monday evening. Rain fell at irregular intervals for about a four hour period bringing from .24 to .50 of an inch to the community. Anthony reported a total of an inch of rainfall for the two-day period of rain.

Jaycees to Man Pony League Concession Stand

Those Jaycees who will man the Pony League concession stand for the month of July will include July 6, Pete Williams, Bob Edmondson, Ted Prier, and Bob Taylor; July 9, Hugo Mosser, John Fondy, Bo Becker, and Wilfred Nesbitt; July 10, D. W. Walston, George Dubose, Wayne Lamb, and Howell Sammons;

July 12, John Schmidt, Bob Vival, Wesley Reed, and Noel Wilson; July 13, Joe Lester, Donald Jones, Bruce Blair, and Webber Williams; July 16, Clarence Kitten, Sonny Shackelford, Walter Lee Bednarz, and Ted Prier;

July 17, Don Crow, Glen Akin, John Hogue, and Jim Hargraves; July 19, Pete Williams, Jake Wendell, Wallace White, and Wayne Lamb; July 20, Hugo Mosser, Clyde Walter, Jeff Hardin, and Truett Bownds; July 25, D. W. Walston, Webber Williams, Jack Berkley, and Bob Conner;

July 24, John Schmidt, Bob Edmondson, Wesley Reed, and Noel Wilson; July 26, Clarence Kitten, Roger Sokol, Donald Sikes, and Donald Jones; and July 27, Don Crow, George Dubose, Leslie Daws, and Howell Sammons.

Residents Enjoy Quiet Fourth Of July Holiday

Except for a few young'uns with firecracker scorched fingers, Slaton residents got through the Fourth of July without any serious accidents. Most of the excitement of the day centered around family picnics and other outings.

Practically all of the business houses in the city were closed in observance of the day. It was one of the four Retail Merchant official closing dates for the year.

Many of the townspeople made a trip to Buffalo Lakes Wednesday evening to watch the annual fireworks display and some people took advantage of the holiday to catch-up on their rest and do some serious loafing.

Two Slaton Men To Attend Five Day Fire School

Two Slaton firemen, Delbert Geer and Ted Gentry, will attend the annual fire-fighters school at Texas A&M College at College Station July 8-13, according to Elbert Wilson, fire chief.

The two men will receive actual training in new methods in fire fighting at the school and on their return will pass on the information they acquire to the other members of Slaton's volunteer fire department.

Long Range Objectives—Youth
The program is as follows: Short Range Objectives—(1) encourage city to maintain and operate municipal swimming pool; (2) supervised all-age recreational program (Play nights, etc.); and (3) provide recreational facilities for migratory farm laborers;

Enlarged Youth Program
Enlarged youth program, planned and supervised program—enlarge and improve existing facilities, 48; continue to expand and improve existing parks, better maintenance-landscaping-additional picnic facilities, 27; supervised all-age year-around recreation program, 16; develop park facilities for "East Side"; 6; enlarged kitchen facilities for Clubhouse, 6; enlarged community hall, 5; encourage city to operate swimming pool, 2; and make available recreational facilities for seasonal farm laborers, 1.

Recreational Needs
Recreational needs, (a) golf, (b) bowling, (c) skating, (d) miniature golf, (e) dance facilities, (f) drag strip, (g) basketball, (h) additional picnic facilities needed, and (4) study feasibility of municipal park for "East Side"; Clubhouse, (a) kitchen enlargement program, and (b) provide available room for larger community meetings (specifically high school junior-senior annual banquets);

Enlarged Youth Program
Enlarged youth program, planned and supervised program—enlarge and improve existing facilities, 48; continue to expand and improve existing parks, better maintenance-landscaping-additional picnic facilities, 27; supervised all-age year-around recreation program, 16; develop park facilities for "East Side"; 6; enlarged kitchen facilities for Clubhouse, 6; enlarged community hall, 5; encourage city to operate swimming pool, 2; and make available recreational facilities for seasonal farm laborers, 1.

(SLATONITE STAFF PHOTO) KAY ELLA BUXKEMPER has been selected as "Most Courteous Clerk of the Month" for the month of June by the secret committee of the Chamber of Commerce.

Along with the plaque, which goes with the honor, is a corsage which her employer, Claude Cravens, is pinning on her dress. Miss Buxkemper has been working for the Slaton attorney as legal secretary since January of 1955. She graduated from Slaton High School in 1954. She is the daughter of Mr. and Mrs. Oscar Buxkemper of Route 1, Slaton. The award is presented each month by the Chamber of Commerce and The Slatonite.

Parks and Recreation Third In Community Clinic Articles

(Editor's Note: This is the third in a series of seven articles dealing with the report and analysis on the Community Clinic which was held in Slaton May 28-29. The report was compiled by the West Texas Chamber of Commerce Community Services Department. This article deals with the classification of Parks and Recreation as a part of the proposed program for the Slaton Chamber of Commerce. The report on Parks and Recreation follows.)

"A full schedule of activity in the further development of your parks and recreation facilities should be a major phase of your chamber operation and in our opinion deserves to be classified as a separate division of your work program," according to Ralph E. Duncan, manager of the WTCC Community Services Department.

"Your people expressed a sincere interest in this classification and we urge your careful consideration of the suggestions made by them as to planning, financing, supervision, and maintenance of both parks and recreation programs. One hundred and seventy-one separate suggestions were made by your people in the group sessions, and much discussion was held on the need for definite work in this classification.

"Some communities and smaller cities attempt a parks and recreation program on a public subscription basis and depend on voluntary leadership for supervision and program and facilities maintenance. Experience has taught such methods to be unsound and short-lived. Therefore again we suggest sound planning.

"Most chambers enlist the support and cooperation of other civic and service clubs in their program. "A well-balanced program of parks and recreation can be a contributing factor to the general welfare of your community and can directly affect your retail and tourist trade.

The program is as follows: Short Range Objectives—(1) encourage city to maintain and operate municipal swimming pool; (2) supervised all-age recreational program (Play nights, etc.); and (3) provide recreational facilities for migratory farm laborers;

Police Department Moved To New Office-Jail Building This Week

Construction was completed and the police department had moved into the new police station early this week. The new headquarters for the Slaton department is located at the corner of 8th and Cross Streets.

The building was constructed at a little more than \$3000 with Porter Lumber Company handling the bid. It is constructed of concrete block with a frame roof. The station is divided up into three rooms, a radio and reception room, a fingerprint room and a private office. Included also in the 27 1/2 x 30 foot building is a rest room and a storage closet for equipment.

The building was added to the jail which was already at the same location. "The station is a lot handier here than it was in the City Hall," Bill Daniels, Slaton police chief stated. "Now we can bring a prisoner in, shake him down and take him right back to a cell—all in the same building. We can also take better care of both the prisoners and the jail which houses them."

The structure is fitted with steel door frames and steel doors throughout. The outside of the building was painted with waterproof paint and then covered with a white coat. Inside the building has been painted with a light shade of green. The jail has also received a new coat of paint.

With the completion of the building and its facilities a fingerprint file will be set up with everyone that the police finds it necessary to jail being fingerprinted.

Clark Self Sr., M. G. Davis Installed As New Officers of Slaton Rotary Club

Clark Self, Sr. was officially installed as president of the Slaton Rotary Club Thursday noon at the clubhouse. M. G. Davis is the new vice president.

Clark Self Sr.

Howard Hoffman was in charge of the program. He introduced Past District Governor L. A. Wicks of Ralls, who conducted the installation services. The most impressive part of the program was when Mr. Wicks administered a pledge of support from the members and the officers directed toward making the coming year a success.

The president's pin was presented to the new president, followed by the presentation of the secretary's pin to the new secretary. Howard Hoffman presented the past president and past secretary pins to these two officials.

"I want to thank the officers and members for making Rotary a success the past year," said Past President Sherrill Boyd.

Other officers installed were Gordon Davis, secretary; Curtis Dowell, sergeant-at-arms; Henry Treptow, song leader; and the new directors: A. C. Burk, Kenneth Jones, Wayne Liles, T. E. McClanahan, and Sherrill Boyd.

Visitors were Mark Haley, Lubbock; Abe Kessel, Dallas; Weldon Jones of California; and Mrs. Jimmie Barton, Amarillo, daughter of Mr. and Mrs. O. Z. Ball of Slaton.

M. G. Davis

Candidates Face Test in July Primary Election

Candidates for office on the Democratic ticket will face their first test of popularity on July 28 when voters, who will cast a Democratic vote, will go to the polls in the first primaries. At this time any candidate who receives 51% of the vote will automatically have his name placed on the general election ballots.

In case the vote is divided so that no candidate receives the 51% necessary to eliminate his opponents the two candidates receiving the most number of votes will be voted on in the run-off election on August 25. This election is the second primary.

Following the August election the winners of the nominations in both the first and second primaries will be placed on the ballot of the general election.

The Slatonite, like most other weekly papers, carries the names of those candidates from this area. Most state candidates do not place their names in the political columns of the weekly newspapers because there are so many papers in the weekly field in the state.

This paper has been authorized to announce the following candidates for office subject to the Democratic primaries: For County Attorney, Bill Gillespie, and Sam Brown; For State Senate, Carroll Cobb, Preston Smith, and Kilmer Corbin; For District Attorney, James F. Moore, and George E. Gilkerson; For State Representative, Place I—Harold Chapman; and for U. S. Congress, George Mahon.

New Officer Added to Local Police Force

A new patrolman, Herman Kean, 22 year-old former resident of McCauley, Texas, was added to Slaton's police department recently, according to chief of police Bill Daniels. Kean replaces W. C. Brush who recently resigned to accept new police duties at Petersburg. The new officer is at present riding on the night shift as a patrolman.

Jaycees, Wives To Attend Jr. C of C Convention

Slaton Jaycees will be well represented at the Junior Chamber of Commerce summer Tri-Regional Convention for regions I, II, and III, Saturday and Sunday when the convention convenes in Lubbock. At least 10 local Jaycees and their wives will attend the two day meeting which will be held in the Caprock Hotel.

The delegates from Slaton include Mr. and Mrs. Wilfred Kitten, Mr. and Mrs. Don Crow, John Schmidt, Mr. and Mrs. Glen Akin, Mr. and Mrs. Doyle Duncan, Mr. and Mrs. Johnny Hogue, Mr. and Mrs. Clarence Kitten, Mr. and Mrs. Clyde Walter, Mr. and Mrs. Jeff Hardin, and Mr. and Mrs. Bob Edmondson.

Jaycees and their wives from 32 area cities are expected to participate in the activities which will include an open house and ladies' party, a dance, and floor show Saturday; and business sessions, ladies hair style show, ladies' swimming and a bridge party on Sunday.

Principal speaker for the occasion will be F. E. "Red" Hightower, president of the Texas Junior Chamber of Commerce.

Waxahachie Minister to Conduct Gospel Meetings at Local Church

Paul Hubbard

Paul Hubbard of Waxahachie, Texas, will be in Slaton July 9 through the 20th to appear in a series of gospel meetings at the East Side Church of Christ. Services will begin nightly at 8 p. m.

Sermon topics for the 11-day meeting series include "A Lost Traveller," "Sleeping in a Dangerous Time," and "Seven Ducks in Muddy Water."

The congregation of the local church extends an invitation to everyone to "come and join in the appreciation of plain Bible preaching."

Mr. and Mrs. Roy Parks spent the week-end in Olton with Mrs. Parks' brother, Cloy Fancher, and Mrs. Fancher.

NEW FRONTIER

America is not the only land of promise. Rhodesia in South Africa is recruiting settlers, and urging American couples to locate there. The natural resources are vast and largely undeveloped. American enterprise and know-how would be of great help.

This invitation is apparently open to Negroes and white men alike. Rhodesia's population is overwhelmingly black, but Hubert Ponter, president of the Federation of Rhodesian Industries, who is visiting American colleges to stir up interest in his country, is an ardent advocate of equal opportunity regardless of race.

For a long time the American who was dissatisfied with his location could find some undeveloped part of the country where he could make a new start. This is less true now than formerly, and will be still less true as time goes on. The adventurous may find allurements in undeveloped regions like Rhodesia.

SOVIET ARMS CUT

There are essentially three ways of looking at Russia's announcement that it will reduce its armed forces by 1,200,000 men within a year. One way is to assume cynically that the announcement is nothing more than a brash propaganda move, designed to aggravate rather than improve the international situation. A second way is to regard the announcement naively as a sacrificial step toward world peace.

Those are extreme views. Like most extreme views, they do not have much to recommend them. There is a more sensible and realistic view that lies somewhere between the extremes. It might be summed up as follows:

The Russians need men in agriculture and industry, and therefore doubtless will make the cut as announced. Since it will not reduce overall Soviet military strength significantly in these days of planes and nuclear weapons, it cannot logically be considered a real sacrifice of armed might. The Russians will make good use of the announcement in their propaganda mill. Nevertheless, any substantial disarmament move by a great power is a step in the right direction.

Looked at in this light, the Russian announcement is reason for cautious optimism. Much depends on what is done with the men who are released. If they are put to work at agriculture or production of consumer goods, the reduction in force will be genuine. If they are set to making nuclear weapons, then the cut in armed forces will be a mockery. Meanwhile, the United States must continue to be strong but at the same time ready to join in any real disarmament move.

BIG CARS, LITTLE CARS

The growing cost of new cars moved a reader of the New York Times to suggest that the manufacturers stop trying to make larger, more powerful and gaudier automobiles than their competitors. Instead, he said, a small, low-priced machine would meet the requirements of many.

The average family likes a car for the marketing and other neighborhood errands. The owner may use it to get to his train or other transportation, and the family may sometimes want it for going out in the evenings. Do these modest needs require the elaborate vehicles now produced, even by manufacturers who once specialized in low-price machines?

In Great Britain a small car like the most diminutive sometimes seen on our streets meets the average household's needs. Because nothing very elaborate is required for the individual's transportation requirements, there is much use of bicycles.

It would seem that there is room for both types of automobile, the elaborate, high-powered car that can go across the continent, and the runabout that will meet nine needs out of every ten.

Whole note: the blue whale, largest living creature, has a pulling strength of 400 horsepower and a length of more than 100 feet. Nobody has ever quite figured out how his whale oil mechanism works, because nobody has ever built a laboratory that would accommodate him.

It's simple to estimate the amount of sleep most everyone requires: just one hour more.

THE GREAT DIVIDE

FOR THE MESSAGE OF THE CROSS SEEMS FOLLY TO THOSE ON THEIR WAY TO DESTRUCTION, BUT TO US, THE SAVED, IT IS GODS POWER.
—1 COR. 1:18 (BERKELEY VES)

STRENGTH FOR THE WEEK

By Rev. Edwin W. Gorom

How should we approach the Church? Almost every serious person wants to be a Christian. He wants to be a member of the Church and do his part for God and man. But the question is: "How shall I start?"

A refreshing bit of advice from Solomon is helpful at this point:

"Keep thy foot when thou goest to the house of God, and be more ready to hear, than to give the sacrifice of fools; for they consider not that they do evil." (Ecclesiastes 5:1).

"Keep thy foot." Go into the House of God with reverence and thanksgiving. You are face to face with the greatest power the world ever has known. That power can be yours. That power can make a new person out of you.

"Be ready to hear." Listen carefully to the hymns, the prayers, the scripture readings, and the sermon. Let the power of worshipping the living God enter your heart. Give your heart to Him.

Remember that many a person has come to scoff, but remained to pray.

Mr. and Mrs. Bruce Pember accompanied Mrs. M. A. Pember to St. Paul, Minn. where she is visiting her sister, Mrs. Anna Leet. Mr. and Mrs. Pember are vacationing in Canada and Lake Superior.

SLATON STUDENTS TO GO
McMURRY BAND SCHOOL

ABILENE, (SPL)—Two more Slaton students have signed up to attend McMurry College's summer band and twirling school here July 15-23, according to Raymond T. Bynum, McMurry music professor and director of the two-week clinic.

They are Helen Ann Norris, daughter of Mr. and Mrs. E. L. Norris, 840 South 11th St.; and Sandra Wells, daughter of Mr. and Mrs. C. A. Wells, 330 South 11th St.

Previously registered were Nancy Mosley, daughter of Mr. and Mrs. Bill Mosley, 1035 South 11th St.; and Martha McCormick, daughter of Mr. and Mrs. Mack McCormick of 120 West Geneva St.

Bynum said that 335 young people from more than 70 Texas towns and cities had paid the required registration fee of \$5 through July 1. Largest enrollment in the eight-year history of the band and twirling school is expected, the McMurry director said.

Texas Press Association

AUSTIN, Tex.—A court battle seems imminent to decide if counties must put the states rights referendum questions on the Democratic primary ballots.

Two "liberal stronghold" counties—Harris and Bexar—have said they will not. County committees denounced the referendum as "appealing to Ku Kluxism for a campaign of hate."

Attorney General John Ben Shepperd ruled that Jefferson County officials that putting the matters on the ballot was mandatory, and that penalties were provided by law for failure or refusal.

State Executive Committee members certified placement after receiving a petition signed by 153,000 voters—more than required by law. Voter opinion is sought on three questions—school integration, intermarriage of Negroes and whites, and interposition.

HOPE FOR TOURIST LODGES—New hope for early action on the building of tourist lodges in state parks was presented at the State Parks Board meeting.

During the last session legislators approved \$25 million in bonds for construction of resort hotels in at least six state parks. In past weeks interested groups over the state have become impatient to know why the bonds haven't been sold and the building program launched. Delegations from three towns came to Austin to ask.

Board Chairman Andrew M. Howsley told them the Chicago bonding firm which has the contract has so far failed to sell one bond or find a responsible company to operate the property.

Former State Sen. Howard Carney, one of a group from Atlanta, announced that the Fred Harvey Co., a big nationwide firm, had expressed interest in building lodges in Atlanta State Park, Eisenhower State Park at Lake Texhoma and Inks Lake State Park.

Carney predicted construction could begin by September with completion one year later.

STATE MAY BUY ROAD RIGHTS—Relief is in sight for Texas cities and counties which have been unable to finance right-of-way for de-

sired new highways.

For nearly 30 years the State Highway Commission has authorized use of state funds for highway construction only if the cities and counties purchased right-of-way. In populous areas cost of needed land frequently ran into millions. During the past year Dallas and Harris counties failed in financing attempts.

Now the commission has announced the state will start paying for right-of-way under the new federal highway aid bill. Final congressional approval will launch a multi-billion-dollar interstate road building program for which the federal government will pay 90 per cent of the costs.

Commission Chairman E. H. Thornton Jr. predicted, however, that state right-of-way buying would not begin for some time. First funds will be used for projects where road rights have already been secured by local agencies.

GOVERNOR SEEKS DROUTH AID—Free livestock feeds for Texas farmers hardest hit by drouth is being sought by Gov. Allan Shivers.

Shivers has submitted a contract to the U. S. Dept. of Agriculture to secure surplus federal grain. It would be distributed by the State Welfare Department.

Farmers receiving the free feed would be barred from commercial sale of livestock, poultry or products.

Ten counties have been certified by the state as eligible for such aid. They are Karnes, Jim Wells, Wilson, Goliad, Frio, Live Oak, McMullen, Atascosa, Gonzales and Bee.

Shivers also announced he had negotiated for reduced freight rates for ranchers in 89 drouth-stricken counties to ship cattle to outside pasturage.

FINAL TURNPIKE CONTRACT—Last contract needed to complete construction of the Dallas-Fort Worth toll road was awarded last week by the Texas Turnpike Authority.

It was for \$1,175,804 in paving. Unless a steel shortage develops, completion of the \$58 million road is expected on schedule by July, 1957. It will be Texas' first toll road.

Present plans are to charge passenger cars 50 cents, trucks \$1.25 for the 30-mile drive.

MORE SALK SHOTS—The U. S. Public Health Service released 229,599 shots of Salk polio vaccine for use in Texas.

Texas Health Commissioner Henry A. Holle advocated removal of the voluntary age restrictions on use of the vaccine. At present, vaccine is available only to children under 20 and to expectant mothers.

Meantime the State Health Department sent a four-man team of experts into the Brownsville-Matamoros area to study the threat of yellow fever. The department said "the inexorable advances of jungle yellow fever from Panama toward Mexico and the Gulf Coast of the United States is causing qualms of uneasiness."

IMPROVEMENT IN ORDER—State Auditor C. H. Cavness suggested in an audit report on the Insurance Commission that this big state agency improve its per-

Sunday School Attendance
Totals 1,267 for July 1

Attendance at church schools in Slaton Sunday, July 1, 1956, totaled 1,267 in the 10 churches which reported.

Churches reporting and their attendance was as follows:

Church of God	46
First Methodist	226
First Baptist	376
Westview Baptist	181
First Presbyterian	22
Church of Christ	200
First Baptist Mission	63
Assembly of God	57
Pentecostal Holiness	46
Bible Baptist	51

Mr. and Mrs. Joe Lester were Sunday visitors in the home of Mr. Lester's parents, Mr and Mrs. W. P. Lester, of Post.

sonnel methods. He said he found the commission's rental contract for space in an office building owned by an insurance company "not out of order."

SHORT SNORTS—Texas Law Enforcement Foundation's \$40,000 "Travelab" will begin touring Texas next fall. A 55-foot "rolling classroom" on newest crime detection methods is designed to further the foundation's program of enlisting citizen support for good law enforcement.

Despite reduced purchaser nominations, the Railroad Commission increased the allowable Texas crude oil production for July by 70,973 barrels over June, after four successive monthly cuts. Authorized July flow is 3,322,043 barrels daily.

State Agricultural Commissioner John C. White reported the Lower Rio Grande Valley may equal its last-year cotton production of 392,000 bales, but reported disastrous drouth conditions in the area from Austin to Alice.

The drouth situation is "the worst I have ever seen," he said after a tour . . . V. M. Ehlers, director of the division of sanitary engineering in the State Health Department, was named the 10th honorary life member of the Texas Society of Professional Engineers, in recognition of his long public service . . . The National Park Service announced tentative plans for \$5,957,000 construction of roads and trails and \$4,320,000 for buildings and utilities in the Big Bend National Park over the next nine years.

Cotton Shows Rapid Improvement During Past Several Weeks

Cotton showed rapid improvement in both appearance and fruiting during past several weeks. Such satisfactory progress was due to ideal weather conditions and a reduction in thrips infestations in a majority of fields. The reductions in thrips populations were partly brought about by heavy rains the previous week, and by final early season insecticide applications.

While thrips infestations were reported as less damaging than in previous weeks, some cotton had sufficient numbers of the insects to warrant control. Heavy infestations were reported in a few fields in Hale County. Late planted cotton, especially, should be checked for the insects and their damage.

Flea-hoppers, although appearing in many fields, were reported in light infestations throughout the area. Medium infestations were found in occasional fields in Crosby, Hale and Lubbock Counties. A few fields of early cotton had sufficient numbers to warrant control. All cotton should be checked frequently for both flea-hoppers and damage. Immediate control of damaging infestations insures early fruit set and prevents "flea-hopper" or abnormal plants.

Bollworms were reported in light infestations in Cochran, Crosby, Hale, Hockley, Lubbock, Lynn and Terry Counties. One very early planted Crosby County field had sufficient worms to require control. All fields, and especially those which have been irrigated, should be closely watched for appearance of eggs and small worms. Cotton square borers were found

in some fields in Crosby, Floyd and Lubbock Counties. While causing similar damage to that of the bollworm, these insects rarely occur in serious infestations. Aphids, cabbage loopers and Lygus were reported in light infestations in a number of fields. Spider mites were found in one field in Crosby County.

Information contained in the Cotton Insect Situation release has

Friday, June 29, 1956
Friday, July 6, 1956

been compiled from reports received from county agents, vocational agriculture teachers, personnel of Texas A & M College System, various branches of the U. S. Department of Agriculture, commercial cotton inspectors, chemical companies and others.

any article of material in the streets and alleys of the city except as provided; providing for service charges; prohibiting the meddling, scattering contents, pilfering or junking, with or of garbage cans, trash or rubbish receptacles; prohibiting the collection of garbage, trash or rubbish by others than the city sanitation department except as prescribed by this ordinance in the city limits; prescribing a penalty therefor. Be it ordained by the City of Slaton, Texas:

Section 1. This ordinance shall be known as the "garbage ordinance" of the City of Slaton, Texas. The word "premises" as used in this ordinance shall be taken to mean business houses, boarding houses, offices, theaters, hotels, restaurants, cafes, eating houses, tourist camps, apartments, sanitariums, rooming houses, schools, private residences, vacant lots and all other places within the city limits of the City of Slaton, Texas, where garbage, trash or rubbish accumulates in ordinary quantities.

Section 2. It shall be the duty of every person, firm or corporation owning, managing, operating, leasing or renting any premises, or any place where "kitchen garbage" accumulates, to provide a portable garbage can constructed of galvanized iron, tin or other suitable metal, with two handles and a tight fitting cover of a capacity not less than five gallons nor over thirty gallons and the daily accumulation of kitchen garbage and dry kitchen refuse shall be placed in this garbage can. It shall be the duty of every person, firm or corporation owning, managing, operating, leasing or renting any premises to place all trash and rubbish from said premises in boxes, sacks or barrels or other receptacles of reasonable size, provided that the gross weight does not exceed 100 pounds. Each household or firm may have a 55 gallon drum for such purposes and also for use as an incinerator for any refuse that will burn. Garbage cans, boxes, sacks or barrels of trash and rubbish and tree limbs shall be placed inside property line at the edge of the alley, where there is no fence; where there is a back fence they shall be placed against the fence if by being placed there they do not unreasonably interfere with the use of the alley by the public, by vehicles or by the City Sanitation Department. If their placing there would interfere with the above described uses of the alley by the public, by vehicles or by the City Sanitation Department then the garbage can and 55 gallon drum and any tree limbs shall be placed inside fence near to the gate; if there is no alley gate, and the placing of the garbage can, 55 gallon drum or tree limbs or any other receptacles used by the owner or occupant of the premises for trash, rubbish and garbage would interfere with the public and/or the city's use of the alley then in that event there shall be built a platform against the inside of fence below top of fence so that garbage collecting vehicles can drive close up to fence, lift the garbage, trash and rubbish over the fence; and where there is no alley, kitchen garbage, trash and rubbish shall be placed inside curb line of street, to be collected by the city garbage vehicles.

Section 3. Heavy dead animals, such as cows, horses and mules shall be delivered to the city dump at the expense of the owner or person having same in charge in the manner and by the method directed by the City Health Officer.

Section 4. Heavy accumulations such as brick, broken concrete, lumber, ashes, cinders, cinders, dirt and plaster, sand or gravel, automobile frames, dead trees, and other bulky, heavy material shall be disposed of at the expense of owner or person controlling same under the direction of the City Sanitation Department.

Section 5. Manure from cowlots, horse stables, poultry yards, pigeon lofts, and waste oils from garages or filling stations shall be disposed of at the expense of the party responsible for same under

Section 6. The City Sanitation Department will not make collection of kitchen garbage, trash or rubbish or tree limbs where same is not prepared for collection and placed as designated by the terms of this ordinance and failure to comply with this provision will be an offense and each day's failure to comply will constitute a separate offense.

Section 7. The placing of kitchen garbage, trash or rubbish or any articles, thing or material, in any street of the city or in an alley where it will interfere with the use of the alley by the public or vehicles is prohibited.

Section 8. The disposal of kitchen garbage, trash or rubbish and that designated under Sections 4, 5, and 6 in this ordinance or any kind of rubbish in any place within the city limits (or within 5000 feet outside of the city limits), except at the city dump grounds, is prohibited.

Section 9. The meddling with garbage cans, trash or rubbish receptacles or in any way pilfering, scattering contents or junking in any alley or street within the city limits is prohibited.

Section 10. Collection of garbage, trash, rubbish or any kind of junk within the city limits is prohibited except as provided in Section 3, 4, 5, and 6 of this ordinance. However this ordinance shall not be interpreted to prevent a person from moving his own garbage, trash or rubbish or tree limbs from his own premises but he shall remove them to the city dump grounds and each and every person, firm or corporation owning or occupying the premises are prohibited from allowing their garbage or trash to accumulate more than seven successive days.

Section 11. In the business district and from hotels, restaurants, cafes, boarding houses, sanitariums, and tourist camps, daily, except Sunday, collections will be made.

In the residential districts kitchen garbage shall be prepared for collection to be made one time per week, or as often as may be necessary to comply with sanitary regulations of the City, trash and rubbish shall be prepared for one collection per week, the time of such collections to be announced by the City Sanitation Department.

Section 12. The fair and reasonable rates for collecting garbage, rubbish, trash, and tree limbs from houses, buildings and premises used for residential purposes have been found to be \$1.00 per family unit per month. For multiple dwellings or apartments, each family unit will be considered as a single family residence; and fixing charges for department stores, tourists courts and other large business houses shall be worked out between the City of Slaton, Texas and the occupant or owner of the premises on the basis of volume of garbage, trash and rubbish which are hauled on the average each month from the premises which charge shall not be less than \$1.00 per user per calendar month and not more than \$10.00 per month for daily pick-up of the garbage, trash, rubbish and tree limbs for such large business establishments' premises. If no agreement can be worked out such service charges shall be set by the city to conform with commercial rates but not to exceed \$10.00 a month. Charges fixed herein for the removal and disposal of all garbage, trash, rubbish or tree limbs shall be levied by the City of Slaton against all owners, occupants, tenants or lessees using and occupying any building, house, structure, or premises receiving such service. Since the proper and prompt removal of all refuse and garbage, trash, rubbish and tree limbs and other accumulation is essential to the preservation of public health and safety, it is necessary that this charge be levied against every person, owner or occupant, tenant or lessee using or occupying any premises, except those that haul the refuse away themselves each successive seven days, and thus provide for a more even and equitable distribution to the cost of this service to the citizenship enjoying the benefits thereof. Any person who shall fail or refuse to pay the charges herein specified within 20 days from the date same shall become due and payable shall have his service suspended, and the city health officer shall be notified immediately for appropriate action in accordance with the ordinances and laws regulating sanitation, included by the Water Department of the City of Slaton, and all such fees shall be payable at the office of the Water Department at the City Hall, or as otherwise provided by resolution by the City Commission, the billing and collection of the charges levied for the service by this ordinance shall be done

Section 13. For purpose of continuing this one.

Section 14. Any corporation, firm, agent, or person violating any section or sections of this ordinance shall be deemed guilty of a misdemeanor and subject to a fine in any sum not to exceed \$200.00. Each day of such violation shall constitute a separate offense.

Section 15. If any articles, subdivision, paragraph, clause, phrase or sentence of this ordinance, or the application of the same to a particular set of persons or circumstances should, for any reason, be

Section 16. The fact that the City of Slaton is put to great expense in the removal and disposal of refuse, garbage and other accumulations in and around residences, business and commercial institutions, creates an urgency and emergency and in the interest of the preservation of public health, peace and safety, it is deemed necessary that this ordinance shall become effective from and after its passage and publication, and it is accordingly so ordained.

**Methodist MYF
To Sponsor Car
Wash on Weekend**

In an effort to raise money for the summer recreational program of the First Methodist Church the senior MYF will wash and polish cars Friday and Saturday at the church. Residents who would like to have their car washed or polished can call 448 or 70 for additional information.

Members of the MYF will either call for the car and return it after it has been washed or the car owner can leave it at the First Methodist Church, according to Jim D. Campbell, minister of music and youth activities.

Experiments started at Texas A & M College in 1949 have shown that the wet-pad method of greenhouse cooling is practical, economical and efficient and makes year-round greenhouse production possible. Get the details in publication MP-163, Greenhouse Cooling. It's available from the Agricultural Information Office, College Station, Texas.

**NOTICE OF CITY'S INTENTION
TO RECEIVE BIDS FOR THE
PURCHASE OF CERTAIN FIRE
EQUIPMENT AND GARAGE
DISPOSAL EQUIPMENT AND TO
ISSUE TIME WARRANTS TO
EVIDENCE THE INDEBTEDNESS
TO BE CREATED THEREFORE**

SEALED PROPOSALS addressed to the Mayor and Commission of the City of Slaton, Texas, will be received at the Office of the City Secretary, in the City of Slaton, Texas, until 7:00 o'clock P. M., on the 16th day of July, 1956, for the purchase of

- 1-16 yard capacity packer with suitable size truck to handle
- 1-pumper truck
- 500 gallon pumper
- 2-1/2 ton chassis, mid ship mounted, with 200 or more horse power V-8 Motor
- 125 gallon booster tank rust resistant
- hose bed for not less than 1000 feet 2-1/2" hose
- hose reel and 100 feet of 1 inch red line with nozzle
- 1-24 foot extension ladder
- 1-14 foot roof ladder
- 2-10 foot sections of hard suction hose with adapters from 4-1/2 inches to 2-1/2 inches
- 1-axe
- 1-bar
- 1-siren
- 2-strainers
- 2-hand fire extinguishers
- 1-pike pole
- 2-electric hand lanterns
- 1-Red flashing light
- 1-panel board with standard equipment
- booster truck
- 2 ton chassis
- 180 horse power V-8 motor
- 1-250 gallon pump driven from power takeoff, piston displace type pump
- 1-500 gallon rust resistant tank
- 2-hose reels
- 300 feet of 1 inch red line with 2 fog nozzles
- 2-10 foot sections of 2-1/2 inch hard suction hose for drafting water, with strainers
- 1-24 foot extension ladder
- 1-14 foot roof ladder
- 1-pinke pole
- 1-hand axe
- 1-siren
- 1-bar
- 1-red flashing light
- 1-standard control panel
- 2-hand fire extinguishers
- 2-hand electric lanterns

SUCH PROPOSALS will at said time be publicly opened and read before the Commission of said City.

A CERTIFIED or CASHIER'S CHECK for five per cent (5%) of each bid, made payable without recourse to the order of L. B. WOOLTON, Mayor of the City of Slaton, Texas, must accompany each proposal or bid.

SPECIFICATIONS covering the aforesaid fire equipment and garbage disposal equipment are now on file in the office of the City Secretary and any information pertaining thereto may be obtained from said City Secretary.

IT IS THE INTENTION OF THE Commission to pay all or a portion of the purchase price of such fire equipment and garbage disposal equipment by the issuance and delivery to the proper contractor of the legally issued time warrants of said City, bearing interest at the rate not to exceed Five PER CENTUM (5%) per annum, payable annually or semi-annually, which said warrants shall not exceed the principal sum of TWENTY SEVEN THOUSAND DOLLARS (\$27,000), and the principal of said warrants shall be payable serially, the maximum maturity date being not later than December 15, 1977.

THE CITY GUARANTEES that the successful bidder will receive face value for such warrants when and as the same are issued and delivered.

THE RIGHT is reserved by the City of Slaton, to reject any or all proposals and to waive all technicalities.

L. B. Woolton
Mayor, City of Slaton,
Texas.
(Published in The Slaton Slatonite June 29 and July 6, 1956.)

**Rites Conducted
For Former
Slaton Resident**

Mrs. J. P. Posey of Lubbock, a former Slaton resident and sister of Mrs. L. C. Odom of this city, died at her home Tuesday morning, July 3 about 8 a. m. Funeral services were held Thursday morning in the First Methodist Church of Lubbock.

The Rev. A. F. Avant and Dr. Chess Lovern officiated at the services. Burial was in City of Lubbock Cemetery under the direction of Rix Funeral Home of Lubbock.

Mrs. Posey and her husband moved to Lubbock County in 1907 and established their home on a ranch, which in 1910 became the site for the Posey community, the year the Santa Fe Railway was built. The couple moved to Lubbock in 1918.

Mrs. Posey was born in Red River County and was married in 1903 at the ranch home of her father. As newlyweds, the couple moved to Floydada and then to Lockney.

She was a member of the First Methodist Church and of the Women's Society of Christian Service and the Pioneer Needle Club.

Survivors include her husband; two daughters, Mrs. Natt Mullins, Lubbock, and Mrs. Addie Lou Williams, Amarillo; five grandchildren; four great grandchildren; one brother, J. H. Dillard of Los Angeles; one half-brother, I. N. Dillard of Fort Knox; four sisters, Mrs. Vada Mullins of Lubbock, Mrs. Odom of Slaton, Mrs. F. E. Walp of Tucson, Arizona, and Mrs. O. D. Wyatt of Ft. Worth; and one half-sister, Mrs. T. J. Edwards of Ft. Worth.

**DON'T GET GYPED ON HOME
IMPROVEMENT SERVICES**

Homeowners have been victimized by fast-talking salesmen who sell shoddy or worthless improvement services at sky-high prices. Here is how to keep out of their clutches, say the editors of *Changing Times*, *The Kiplinger Magazine*.

Don't believe any claims or suggestions that the materials to be used or the workmanship is approved or backed by the government. There can be no such endorsement.

Be leery of propositions for using your home for neighborhood demonstration purposes or offers to give you a cash bonus or rebate for any business the work might generate. Watch out, too, for so-called trial-purchase offers.

Don't believe exaggerated claims or guarantees about any product or service.

Read and understand all papers. Don't sign documents with unfilled blanks. If a completion certificate is required in connection with the financing, sign it only after all work is finished in full compliance with your contract.

The eradication of one disease, brucellosis, would save the livestock industry of Texas an estimated \$10 million annually. In addition to the direct loss from the disease, Dr. C. M. Patterson, extension veterinarian, reports other costs are piling up which are difficult to estimate.

Final State and Federal clearance of the first locally initiated Watershed Protection and Flood Prevention Act projects was announced on June 8 by Secretary of Agriculture Ezra Benson. Three Texas projects, Cummins Creek, Upper Brushy Creek and Lower Brushy Creek, are included.

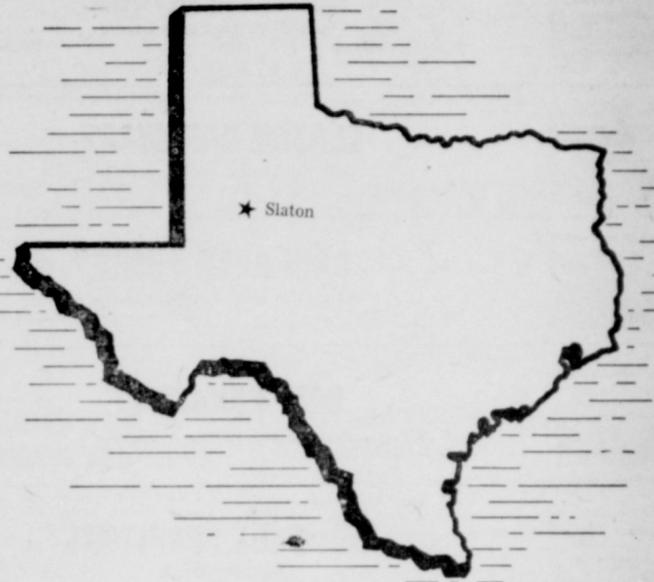

The Slaton, Tex., Slatonite Friday, July 6, 1956

A political party is one thing that can fly better without two wings. —Changing Times

The first Tenement house was in New York City in 1833.

happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

America's largest selling car—
2 million more owners than any other make.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whiplash, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

do you remember?

One Year Ago in Slaton
Taken From July 8, 1955
Mrs. Lee Green was presented with a new typewriter and typewriter table by citizens of Slaton Thursday at the Rotary Club meeting.

A citizen of France will visit Slaton for several weeks as a guest of the Rotary Club and Rotary members. He is Pierre Devillers. Miss Betty Sue Layne, daughter of Mr. and Mrs. W. P. Layne became the bride of Charles Mote Sunday afternoon, July 3, in the First Methodist Church.

Wedding vows were exchanged by Miss Annette Wilson and Webster B. Williams Friday, July 1, in the Church of Christ. She is the daughter of Mr. and Mrs. Harold Wilson and the groom is the son of Mrs. Webber Williams. Miss Alma Reese Roberts earned the FHA "Girl of the Month" for June by earning 147 points.

Mrs. A. L. Clifton recently broke her foot. This is the second time in the past few months she has broken the same foot.

Mr. and Mrs. Bennie Moeller and children have returned home from California where they visited Mr. and Mrs. Don Raines in Azusa. The Raineses are former residents of Slaton.

Mr. and Mrs. John Berkley and Mr. and Mrs. Clark Self Sr. returned last Sunday from a weeks trip to Arizona and California and report a wonderful time.

Mr. and Mrs. Lenro Keeton of Lubbock and Mr. and Mrs. Charles Schnaffner of Wilson visited Monday with Mr. and Mrs. Wallace Becker.

Five Years Ago in Slaton
Taken From July 6, 1951
Nat D. Heaton, local attorney, was elected as temporary judge of Lubbock County Court-at-law this week and is now serving in that capacity while James G. Denton is on a month's vacation.

Mr. and Mrs. John Fondy Jr. and little Tate Fondy are visiting Mr. and Mrs. Bob Fondy in Lawton, Okla.

Miss Agnes Schwertner, daughter of Mr. and Mrs. Rudolph Schwertner became the bride of Pvt. Alvin Kitten, son of Mr. and Mrs. Frank Kitten Saturday, June 30. The double ring ceremony was solemnized in St. Joseph's Catholic Church with the Rev. T. D. O'Brien officiating.

Over a 100 members of the First Methodist Church were present at a "pounding" for the new pastor and his wife, Rev. and Mrs. J. L.

Mayhew. Miss Wendolyn Campbell, daughter of Mr. and Mrs. K. W. Campbell, became the bride of O. D. Dial Jr., son of Rev. and Mrs. O. D. Dial of Rotan, recently in the home of the bride's parents. Miss Rona Schramm and Miss Bernice Lane returned Sunday from a vacation trip to New Mexico.

Mr. and Mrs. R. H. Todd Sr. left for Capitan, N. Mex. to visit her sister, Mrs. Francis who has a lodge there. Maybelle Pember spent the week end with her parents, Mr. and Mrs. Bruce Pember. Maybelle is in school at McMurry College.

Ten Years Ago in Slaton
Taken July 5, 1946
John Price Fry, Y-3c, was discharged from the navy June 19, 1946 at Norman, Okla. after having served overseas ten months in the Pacific theatre. He served aboard the USS Antietam.

John Henry Mosser, son of Mrs. Louis Mosser, was discharged from the navy June 24 at San Pedro, Calif. He served on the USS LCI 731 and 220. He has been in service for 15 months. Mr. and Mrs. Carl Self left yesterday for Lampasas to visit relatives and for a fishing trip. Allan J. Payne was installed June 25 as the president of the Rotary Club for the ensuing year.

Mrs. M. L. Elliott had the misfortune to fall and break her arm recently. She is getting along nicely at this time. Mr. and Mrs. Carl Lewis and Carl Jr. returned Monday from a two weeks visit in Dallas and McKinney.

Mr. and Mrs. Fred Tudor left Saturday morning to spend a week in the Rio Grande Valley. A yellow and pink color scheme was used by Miss Mary Ann Wilson at an announcement tea honoring Miss Charlene Fisher when Miss Wilson was hostess. Miss Fisher is to marry Warren Tabor July 20.

Mrs. Eura Greer, Billie Gene and Janice, are in Stamford this week attending the rodeo and visiting friends. Miss Frances Brunson, daughter of Mr. and Mrs. S. T. Brunson, and Arvin Holder, son of Mr. and Mrs. E. P. Holder of Grassland. They will make their home in Wilson.

Mrs. Henry Hollinden was honored on her birthday recently by a party given in the home of her brother, Bill Kitten. Her brothers and sisters were hosts at this affair.

Happy Birthday

JULY 6: Pauline Miller, Viola Walton and Lyndon Maeker.
JULY 7: Mrs. Lee L. Limmer, Bruce Maxey, Mrs. R. F. Stansell and Bill Guinn.

JULY 8: Cliff King, Phyllis Piwonka, Mrs. R. C. Wilkins, Billie Ann Heard of Witharral, Mrs. W. T. Wyatt, Clayborn Jones and Mrs. H. C. Maxey Sr.

JULY 9: John Ehler, Mrs. John Berkley, Norman Piwonka, W. A. Wilke, Mrs. C. H. Green, Elaine Barnes, Mrs. J. H. Floyd, Mrs. Marcus Crumbley and Jerry Tefertiller, Mrs. Magnus Klattenhoff.

JULY 10: Mrs. J. B. Kitten, Clark Self Jr., Ray Madison Ayers and Mittie Belle White.
JULY 11: John T. Sims of Hereford, S. W. Clark and Luther Roberts.

JULY 12: Charles Kitten, Paul Warren, Nelda Lemon, Jay Mac Hudgins of Lubbock and Jack Brookshire.

Mr. and Mrs. E. A. Kercheval and daughter, Beverly, Pam Maxey, and George Privett attended the Hacker-Martin wedding in Canyon Friday. Beverly and George were members of the wedding party and Pam played piano selections at the reception.

Ramsey Makes Bid For Re-Election As Lt. Governor

Ben Ramsey is making a bid for re-election as lieutenant governor in the up-coming election. As a fledgling lawyer he was elected to the House of Representatives in 1931, and served there two consecutive terms. After five years in private law practice in his home town, San Augustine, he re-entered the political field and took his seat in the Texas Senate in 1941. Four years later he was re-elected to another term, during which time he served as president pro tempore.

Again retiring to private life, he engaged in law practice until 1949, when the late Gov. Beauford Jester appointed him secretary of state. Ramsey resigned that office early in 1950 to make the race for lieutenant governor. He was elected, and re-elected twice to this public office, the duties of which include those of governor when the chief executive is out of the state, and presiding officer of the Senate.

Mr. and Mrs. Otto Riethmayer Jr. and daughters, Helen, Margot, et. and Ester and Otto Riethmayer Sr. of Sparsburg, were guests at the home of Mr. and Mrs. H. E. White Sunday.

7 WAYS TO BE SURE YOU'RE BUYING THE BEST FREEZER...

CHECK THE CONVENIENCE FEATURES!

Amana is the only freezer with the "stor-mar" Door. Holds more food than other freezer doors... over 80 extra pounds... a full month of meals at your fingertips.

...and CHECK THESE FEATURES, TOO...

Amana is the only freezer with Automatic Food Servers... Automatic Inventory Control... Adjustable Food Holders... Ice Cream and Dessert Bar... Automatic "Full Vision Light"... Handy Service Shelf and Left-Over Shelf... more easy-to-reach "up front" storage.

BE SURE IT FREEZES FOODS QUICKLY!

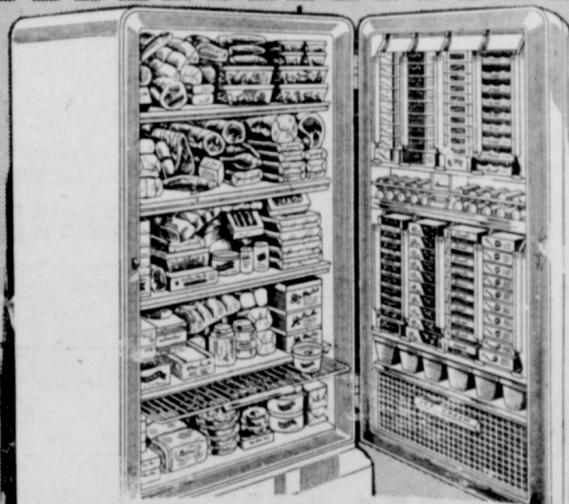

Foods must be fast frozen to retain all their "fresh" flavor and vitamins. The Amana freezes foods best because it freezes foods faster. In the Amana there are six fast freezing surfaces.

BE SURE IT PRESERVES FOODS PROPERLY!

In the Amana, every shelf is a fast freezing plate, plus additional freezing coils in top and bottom, too. That's why the Amana maintains "even zero" temperatures... the best temperatures for preserving foods.

BE SURE THE FREEZER IS FULLY PROTECTED!

Amana offers you the finest warranties, too... a 5 Year Food Protection Plan against food spoilage... PLUS a 5 Year Warranty on the complete refrigeration system... both at no extra cost.

You know you're buying the best when you buy AMANA!

Every Amana is the product of the most exacting skills... the highest standard of workmanship available today. The Amana Freezer is manufactured exclusively in the Amana colonies by men devoted to perfection... men of exceptional skills which have been handed down from father to son for 7 generations. Amana is the world's largest manufacturer of food freezers... backed by a century old tradition of fine craftsmanship.

SEE **Amana** FREEZERS **FIRST...**

It's the standard of comparison

Slaton Railroader Promoted to Post At Amarillo July 1

A Slaton railroader, William K. Fry, succeeded a retiring Amarillo man as road foreman of engines for the Santa Fe at Amarillo July 1, according to an announcement by A. J. Hartman, Amarillo mechanical superintendent. The retiring Amarillo foreman is Earl A. Shields.

Fry has been road foreman at Slaton since 1955, and started to work for Santa Fe as a round-house laborer at Slaton in 1937, transferring to Amarillo as a fireman later the same year.

In 1943 he was promoted to engineer on the Plains Division and became road foreman of engines at Slaton March 1, 1955.

Frank W. Tye, engineer on the Plains Division of Amarillo will replace Fry at Slaton. Tye joined the Santa Fe as a fireman in Amarillo in 1941. Following a two-year hitch in the Navy in 1944 and 1945 he returned to his fireman's duties in 1946. He was promoted to engineer May 19, 1947, serving continuously as such since that time until his move to Slaton.

Methodist Choir To Meet Saturday In Fellowship Hall

A meeting for the purpose of organizing an intermediate choir in the First Methodist Church will be held Saturday at 7:30 p. m. in Fellowship Hall of the church. The choir will be open to young people who will be enrolled in the seventh, eighth, and ninth grades when school starts in the fall, according to Jim D. Campbell, minister of music and youth activities.

The Saturday night meeting will consist of a period of choir rehearsal and group singing followed by refreshments and recreation.

Mrs. Letha Arthur fell and broke her knee last Monday, and was taken to Methodist Hospital in Lubbock where she underwent surgery Thursday. She returned home Wednesday, of this week. Her condition is reported as doing well.

Shipping losses can be cut by giving fat hogs a cool, comfortable ride to market. Using sand for bedding and wetting it down before loading will help make such a ride possible, says E. M. Regenbrecht, extension swine specialist.

More than half the work on a poultry farm is taken up by collecting eggs and getting them ready for market. Dirty eggs create the greatest problem to the poultryman, says Ben Wormell, extension poultry husbandman. Clean litter will help solve the problem.

Texas bankers are participating in a special fund raising drive, which is nationwide, in behalf of the National 4-H Club Foundation. Art P. Bralley, vice president, American National Bank, Amarillo, is Texas chairman.

Texas Tech baseballers compiled an 8-7 record this spring. The Red Raiders' third season of competition following a lapse that dated back to 1929. Football Hall of Fame member Beattie Feathers, a former minor league baseball manager, coached the Raider nine.

QUOTE:

"What kind of coward are you? Almost every human has a besetting fear. There is only one admirable coward—the one who fears hurting others." —Fulton Oursler in "Lights Along the Shore," Hanover House.

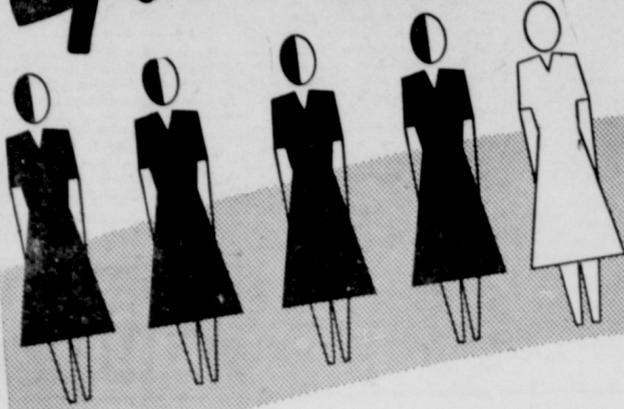

Whether or not a black cat crossing your path is bad luck depends partly on whether you are a man or a mouse. —Changing Times

In our land there are 128,225 elementary schools, 23,746 high schools, and 1,889 accredited colleges—and 1,242,249 teachers to staff them.

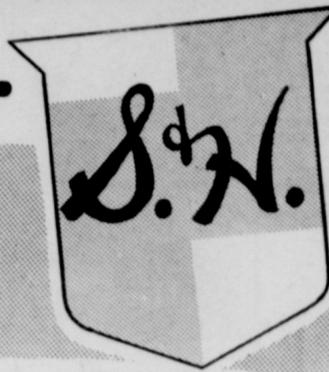

Anyone using water from streams or natural water courses or from reservoirs located on such courses for irrigation, industrial and certain other purposes is required under a new law passed by the last Texas Legislature to file by March 1 each year a report on water used. Reporting forms may be obtained from the State Board of Water Engineers, 1410 Lavaca Street, Austin or from the office of the local county agricultural agent.

Educational programs conducted last year by Texas county agents on pasture improvement added an estimated \$35.6 million to the value of the pastures involved in demonstrations. The 5,058 demonstrations carried out improved practices on approximately 800,000 acres. During the year county agents established another 2,536 new permanent pasture demonstrations on 111,687 acres.

McCullough-Douglas Vows Set Tonight

Church of the Nazarene will be the scene of the wedding of Miss Nelda Fern McCullough and Pvt. Bobby Douglas this evening, July 6, at 8 o'clock. The Rev. D. M. Duke, pastor of the Church of the Nazarene at Cisco, will read the double-ring ceremony.

Parents of the couple are Mr. and Mrs. L. D. McCullough of 200 So. 1st St. and Mr. and Mrs. C. T. Douglas of Plainview.

Church Decorations
The church altar will be banked with greenery with an arch of candelabra filled with white tapers. Baskets of white daisies will flank the greenery.

Miss Belva Douglas, sister of the groom, will play traditional wedding music and accompany Miss Sula Coston as she sings "I Love You Truly" and "The Lord's Prayer."

The bride, who will be given in marriage by her father, will wear a ballerina-length gown of white nylon lace and net over taffeta. The strapless bodice will hold a bouffant skirt which is designed with lace points holding the nylon net. A tiny band of small white daisies will hold her veil. She will carry an arrangement of pale pink rose buds.

Greenhill of Plainview and Donald Paxton of Abernathy.

Immediately following the ceremony a reception will be held in the Elford Stricklin home. The bride's table will be laid with white lace over pink and will be centered with an arrangement of pink flowers. A two-tiered cake will be featured, with Mrs. Gene McCullough serving and Mrs. C. W. McCullough presiding at the punch bowl. Mrs. H. H. Creswell will register guests.

Trip to New Mexico
The bride will wear a pink and white checked dress with white accessories as they leave for a wedding trip to points in New Mexico. She has been a student in Slaton High School and the groom is a graduate of Plainview High School and attended Texas Tech. They will be at home at Ft. Carson, Colo. where the groom is stationed for the present. He is to be sent to Germany in the near future.

Out-of-town guests were from California, New Mexico, Lubbock, Plainview, Post and Wilson.

MISS WAMPLER COMPLIMENTED WITH TEA SUNDAY, JULY 1

Sunday afternoon, July 1, Mrs. A. R. Keys complimented her granddaughter, Miss Doris Wampler, bride-elect of Frank Calhoun, with a seated tea in the Keys home at 250 So. 5th.

Guests were greeted by the hostess who presented them to the honoree and her mother, Mrs. Perry Wampler. Mrs. Joe Neilon presided at the guest register and Mrs. Woody Weaver, aunt of the honoree, served the punch.

A hand crocheted off-white lace cloth was laid on the table which was centered with a miniature bride placed on a cloud of nylon net. White daisies were scattered throughout the arrangement. Silver tapers in silver holders were also used. Silver and crystal appointments completed the setting. Hand-made rosebud mints, cookies and Hawaiian punch were served.

Miss Wampler and Mr. Calhoun were married yesterday, July 5, in Ford Memorial Chapel in Lubbock.

Mrs. Eula Abbott and Mrs. Sally Mumford of Fort Worth were guests in the home of their uncle, O. N. Alcorn, and Mrs. Alcorn last Friday and Saturday.

Six WSCS Members Attend Sub-District Meeting June 29

Six members of the Woman's Society of Christian Service of the First Methodist Church attended the sub-district meeting in Lubbock Friday, June 29.

They were Mesdames A. C. Burk, George Culwell, J. E. Eckert Sr., C. A. Womack, M. L. German and H. T. Scurlock.

Overton Methodist WSCS was host for the meeting.

Mrs. Bessie Crowley has returned after a months vacation. She has been visiting her son, John Crowley and Mrs. Crowley in Fayetteville. She has also visited in San Antonio and El Paso.

Mike, Candy, and Penny Mudgett of Sudan are visiting their grandparents, Mr. and Mrs. Jerry Mudgett and Mr. and Mrs. H. G. Stokes.

RAINBOW DRILL TEAM—Shown above are members of the Order of Rainbow for Girls, Slaton chapter, drill team and their sponsor. They presented their drill at the Lubbock County Federation of Club Women's meeting Wednesday. They are from left to right, back row: Kathryn Ann Smith, Mrs. J. A. Smith, June Johnson, Della Scoggins, Peggy Draper, Ova Sue Wilson, Rita West, Lynn Hurst, Lettie Traweck, Mary Jane Lovelady, Helen Ann Norris, Linda McCarver and Kay Casteleberry; front row: Linda Sue Reasoner, Sylvia Cole, Tommy Karen McCall, Elaine Pickens, Ann Haddock and Sharon Boyd. Mary Ann Klattenhoff accompanied the group on the piano.

Claryce Bednarz

Claryce Bednarz To Wed August 18

Mr. and Mrs. Robert R. Bednarz announced in engagement and approaching marriage of their daughter, Claryce, to Donald Joe Diersch, son of Mr. and Mrs. Joe Diersch of Rowena.

The wedding will be held in St. Joseph's Catholic Church August 18, with the Rev. O. B. Kahlich, pastor of the church, officiating. The bride-elect is a graduate of Cooper High School and Draughn's Business College and is employed at William's Buick Co. The prospective groom is a graduate of St. Joseph's High School at Rowena and Texas A&M. He plans to work on his master's degree at Montana State University at Bozeman, Mont., this fall.

Past Matrons' Club Meets in Hanna's Backyard Friday

Mrs. B. A. Hanna was hostess when the Past Matrons' Club met in her backyard Friday evening, June 29. Mrs. Jessie Prosser presided as president.

Roll call was answered with vacation plans, before Mrs. J. S. Vaughn conducted a candlelight initiation service for the incoming member, Mrs. L. L. Smith.

Those assisting in the initiation were Mesdames Louis Smith, Clifford Simmons, Prosser, W. R. Lovett, Dudley Berry, J. D. Barry, F. A. Drewry, Fannie Patterson, P. L. Hardy and Hanna.

Refreshments were served with Mrs. Barry and Mrs. Drewry assisting the hostess.

Sister Is Attendant

Mrs. Elford Stricklin, sister of the bride, will act as matron of honor and will wear a blue silk street-length dress and white accessories and will carry a nosegay of pink carnations. Donna Stricklin, niece of the bride, will wear blue organdy over pink as she serves as flower girl.

Serving his brother as best man, will be Donald Douglas of Redding, Calif. Ushers will be Lloyd

WESLEYAN GUILD HOLDS ANNUAL PLEDGE SERVICE

A covered dish dinner was held by the Wesleyan Service Guild of the First Methodist Church in Fellowship Hall Thursday evening, June 28.

This meeting was the annual pledge service and Mrs. F. A. Drewry presided in the absence of the president, Mrs. Ray Conner. Mrs. J. B. Caldwell was program leader with Mrs. Nan Tudor and Mrs. Drewry assisting her. Mrs. Melton Hancock brought the devotion.

Those present were Mesdames Tudor, Drewry, Caldwell, J. F. Merrill, F. E. Perry, W. P. Layne, Hancock, R. M. Nash and Miss Gertrude King.

COFFEE HONORS MRS. FERRELL

Mrs. Wade Thompson entertained with a coffee Tuesday morning, June 26, honoring her house guest, Mrs. Inez Ferrell, of Plainview.

Invited guests were Mesdames J. S. Edwards Jr., Edwin Haddock, Vasker Browning, Dick Taylor, R. E. McReynolds, Henry Jarman, J. P. Haliburton, Harmon Thompson, Oree Glascock, Howard Swanner, Max Arrants, Miss Jo Hestand and the honoree.

JAMES EDWARDS FAMILY TOURS WESTERN STATES

Mr. and Mrs. James Edwards and their children, Martha, Ronnie, Gale and Kathy, returned home Saturday from a vacation trip through the western states. At Camp Pendleton, Calif., they visited Mrs. Edwards' sister, Mrs. Joe Churchill, HM 1st class Joe Churchill and family. They visited Mrs. Edwards' brother, Roy Jolly, and family in Los Angeles.

While in California they went to Tijuana, Mex. and the world's largest zoo in San Diego. They also toured the Red Woods of northern California and returned home by way of Las Vegas, Hoover Dam and the Grand Canyon. Movies were made of the entire trip.

LADIES AUXILIARY OF THE B OF RT DRILL TEAM members are shown as they appeared at the annual convention which was held in Lubbock June 28, 29 and 30. From left to right they are Mesdames Herschel Glascock, R. G. Hodges, Lynn Perdue, Bert McDonald, E. E. Culver, F. C. Boyd, O. B. Chambers, J. W. Dunn, R. F. Stansell, A. A. Traweck and Leonard Foster.

Ladies Auxiliary B of RT Present Drill In Lubbock

On Thursday, Friday and Saturday, June 28, 29, and 30, the local Ladies Auxiliary 894 to the Brotherhood of Railroad Trainmen and Caprock Lodge 392 acted as co-hosts with the Lubbock auxiliary and lodge for the 23rd annual meeting Texas State Association of Brotherhood of Railroad Trainmen. This meeting was held in the Caprock Hotel and entertainment

County Federation Meets At Clubhouse Wednesday

Mrs. D. D. Webster, president, presided at the Lubbock County Federation of Women's Clubs held at the Clubhouse Wednesday, June 27, with the Civic and Culture Club, Bluebonnet Club and Slaton Home Demonstration Club as hostesses.

Following the opening prayer by Mrs. Marie Gooch, Mrs. H. G. Sanders, president of the Civic and Culture Club, welcomed the guests. Mrs. J. P. Ensey responded.

Reports were given by Mrs. V. L. Cade and Mrs. H. F. Godoeko. A new set of rules was adopted to conform with changes required by the Texas State Federation.

Individual memberships were given Mesdames Fred H. Schmidt of Slaton, Sterling Crumpler, J. J. Willingham, R. H. Davis and Hill Baggett of Lubbock.

Officers elected for the next two years are Mr. A. T. Cocanougher, president; Mrs. W. R. Lovett, 1st vice-president; Mrs. E. W. Smith, 2nd vice-president; Mrs. W. H. Tenney, 3rd vice-president; Mrs. Jack Durham, secretary; Mrs. Jack Hettler, treasurer; Mrs. R. S. Williams, parliamentarian; Mrs. Ross Ayers, auditor; Mrs. Foice Drake, reporter; members of the executive board at large, Mrs. D. D. Webster and Mrs. V. L. Cade.

Mrs. Schmidt, Mrs. Batts Witt and Mrs. Tarver served as members of the nominating committee. The retiring president installed the officers. "Friendship" was the theme of the talk given by the incoming president.

Just before adjournment and preceding the covered dish luncheon, which was served by the Slaton clubs, Mrs. Raymond Marshall accompanied by Mrs. Nell Oldham, dedicated a vocal number to Mrs. Webster. Mrs. Cocanougher presented a gift to Mrs. Webster from the organization.

Committees in charge of the luncheon and general arrangements were: Mrs. R. C. Hall, Mrs. A. C. Burk and Mrs. Bessie Donald, from the Civic and Culture Club; Mrs. Fannie Patterson, Mrs. Roy Parks and Mrs. Dan Liles from the Bluebonnet Club; and Mrs. Cecil Long, Mrs. C. J. Jennings, Mrs. Cleta Young and Mrs. George Evans, of the Home Demonstration Club. Mrs. E. W. Stokes had charge of registration.

Mrs. Floyd Elterman accompanied by Miss Jan Bagby presented vocal numbers at the beginning of the luncheon hour. For a finale 18 Rainbow girls under the direction of Mrs. Jack Smith, presented a drill. Miss Mary Ann Klattenhoff was at the piano. These girls are members of Slaton Assembly No. 164, Order of Rainbow for Girls.

The next meeting of the county federation will be July 31 in the Lubbock Public Library, beginning at 9:30 a. m.

THREE ATTEND FHA NATIONAL CONVENTION IN CHICAGO

"YOU in Home Chapter, School and Community" is the theme of the national convention of Future Homemakers of America, being held in the Conrad-Hilton Hotel in Chicago this week.

Those attending from Slaton are Miss Helen Ann Norris, Area I president, Miss Barbara Wilke, who will be president of the local chapter this fall, and Mrs. G. K. Haile, local sponsor. They left Saturday, June 30, and went on a chartered Santa Fe Railway car with all the girls and their sponsors from Area I.

Objectives for the convention are to help YOU project the forward look in FHA; to guide YOU in working effectively with adults in achieving the goals of FHA; and to encourage YOU to work toward FHA goals in home, chapter, school and community activities.

As the national convention is held only every three years, plans will be developed for a national program of work for 1956 to 1959.

Wednesday afternoon interest groups were held with discussions on ways in which YOU can work toward FHA goals. Mrs. Haile will attend the "home" group, Helen Ann the "chapter" and Barbara the "community" group meetings.

Wednesday the girls watched the fire works display at Soldier's Field and Thursday they went on a sight-seeing tour and banquet at the hotel that night.

Approximately 200 girls are attending from Texas and all the delegates are guests in the Conrad-Hilton Hotel. The local members who are attending are due home tomorrow.

Helen Ann Norris Honored at Coke Party Thursday

A surprise coke party was given Thursday afternoon in the home of Mrs. T. A. Worley honoring Miss Helen Ann Norris. Assisting the hostess was Mrs. J. A. Smith. Miss Norris left Saturday for the national FHA convention in Chicago, where she was sent on an all-expense-paid trip, as Area I FHA president.

Individual gifts were presented to the honoree. Mrs. Worley also presented a white gavel to Joan Pember, worthy advisor of Rainbows.

The serving table was laid with a white cloth and centered with an arrangement of daisies. Cakes, sandwiches and cookies were served.

Rainbow girls attending were Helen Ann, Ova Sue Wilson, Joan, Viola Walton, Della Scoggins, June Johnson, Tommy Karen McCall, Kathryn Ann Smith, Melinda Clifton, Sara Sue Bickers, Carol Self, Ann Haddock, Jeanette Burrell, Peggy Draper and Fonda Patterson.

Mrs. C. M. Barton returned Sunday from San Antonio where she visited her daughter, Mrs. Randy Boles and Mr. Boles and family.

W. O. Cleveland is a patient in Mercy Hospital where he was taken last Wednesday.

Clifford Jones III Honored at Picnic

Clifford Jones III was honored on his ninth birthday with a picnic supper at the Clubhouse Monday, July 2. His parents, Mr. and Mrs. Clifford Jones Jr., were hosts assisted by Mrs. W. W. Hollingsworth.

Those attending were Floyd Elterman, Robby Edmondson, Ray Madison Ayers, Byron Johnson, Larry, Phillip, and Tommy Fudge, Billy and Susan Trousdale, Gaylon Davis, Sheila Carter, Jan Hollingsworth, Sherrilyn Mann, Toni Cress, Linda Robison, Marsha Holloman, Scharlotte White, Jan Scott and Debbie Jones.

Shower Honors Miss Limmer Thursday

Miss Bonnie June Limmer, bride-elect of Teddy Pricer, was complimented with a miscellaneous shower in the home of Mrs. Harold Wilson Thursday evening, June 28.

Mrs. Wilson greeted guests, who in turn were presented to the receiving line by Mrs. Webber Williams. Those in the receiving line were the honoree, her mother, Mrs. Malcolm Limmer, and Mrs. Herman Pricer, mother of the prospective groom.

Miss Ova Sue Wilson directed guests to the serving table, which was laid with a cutwork linen cloth and centered with magnolia blooms floating in a silver bowl. Pink tapers in silver candelabra and crystal appointments were used.

Mrs. Leon Herrin and Mrs. Warren Dale West presided at the punch bowl. Guests were registered by Mrs. Grady Haliburton and Mrs. Herman Kiesel. Miss Burdine Becker presented piano selections during the evening.

A pink bedspread was presented by the hostesses.

The hostess list included Mesdames West, Herrin, Williams, Bobby Taylor, Don Kendrick, Verl Woodfin, Wallace Becker, Willie Becker, Jack Hargrove, R. L. Smith Jr., George Payne, Arthur Sage, Wilson, Amos Gerner, Ben Catching, Bill Daver, Haliburton, Kiesel, and Leroy Mueller.

Perry Home Scene Garden Club Meet

Mrs. Francis Perry was hostess when the Slaton Garden Club met in her home Wednesday afternoon, June 27. Mrs. A. M. Jackson, president, presided over the business meeting.

Roll call was answered by giving hints on how to improve the club. Iced cakes were served to Mesdames Jackson, Vasker Browning, H. G. Stokes, J. D. Holt, Silas Wilson, A. E. Whitehead, Clifford Young, B. A. Hanna and Perry.

(SLATONITE STAFF PHOTO)

RELAXING ON THE PATIO with a magazine, a cool drink and Grandmother, is lots of fun for Mike Mudgett of Sudan, who has just returned from a Little League ballgame. He was visiting his grandparents, Mr. and Mrs. H. G. Stokes, at the time the picture was made. The patio at the back of the Stokes home looks out on a beautiful backyard and flower garden.

Slaton Women Give Their Favorite Tested Recipes

Mrs. H. G. Stokes chose an Olive Spaghetti Bake recipe to be published and says when you read the recipe it may appear to be very difficult and lots of trouble, but it is really very easy to prepare.

Olive Spaghetti Bake

8 oz. box spaghetti
1 lb. ground beef
¼ cup Wesson oil
1 large onion
½ green pepper
1 clove garlic

¾ cups tomatoes
2½ cups cream-style corn
1 tsp. salt
black pepper
2 tsp. chili powder
1 tsp. Worcestershire sauce
No. 1 can ripe olives
½ lb. American cheese

Method: Heat Wesson oil in large skillet, cook ground beef until partially brown. Add chopped onion, green pepper, minced garlic. When browned add tomatoes,

corn, salt, pepper, chili powder and Worcestershire sauce. Turn to low heat and cook for 20 minutes. In meantime cook spaghetti and add to meat mixture. Also chopped olives. Turn into a large casserole. Cover and bake 1 hour at 325 degrees. Uncover the last 15 minutes and stir in the grated cheese just before serving.

Mrs. Stokes, who was Ailene McDonald before her marriage, attended high school and graduated here in 1916. She attended Hardin Simmons University and West Texas State College before she and Harry married. He has recently celebrated the 35th anniversary as the local Ford dealer having been owner and associated with Slaton motor for that time.

She says that last year she had the most fun she ever had when they remodeled their home at 900 West Garza. They have lived in that location except for a short time for 32 years and they are so fond of the location they decided to remodel rather than build. It was so much fun and the results were so amazing that Ailene says she wouldn't take for the experience.

The Stokeses have two children, Elizabeth, who is Mrs. W. H. Mudgett and lives at Sudan and Gerald, who is associated with Grand Advertising Co. in Dallas. Of course the Stokeses are no different from other grandparents and think their grandchildren are just wonderful. Their daughter has three children, Mike, Candace and Penny.

During the Korean conflict Gerald was a jet pilot and was in combat there for quite sometime. That was an anxious time for his parents.

Ailene has several hobbies she enjoys very much. She plays the piano and organ and has a Hammond organ in her home. Until this summer she has been taking organ lessons, but is resting until fall. She also enjoys sewing and laughingly says she is simple enough to enjoy cooking. She says she is "jack of all trades and master of none."

This year she will be 2nd vice-president of the Slaton Garden Club. Mrs. Stokes is a member of the First Baptist Church where she has taught a Sunday school class for 23 consecutive years, most of the time in the Intermediate Department. She was mission study chairman in one of the WMU circles this part year.

Mrs. Lindol Beard, Miles and Dru Ann returned from Oklahoma City Friday where she visited her sister, Mrs. Lowell Merrell and family. She returned with her parents, Mr. and Mrs. Ernest Ward. The Wards had been visiting there for five weeks.

OPEN HOUSE HONORS GLYNDON DAWSON AND BRIDE WEDNESDAY

Carolyn Bradshaw Honored on Ninth Birthday

Carolyn Bradshaw, daughter of Mr. and Mrs. Juel Bradshaw, was complimented on her ninth birthday when her mother entertained a group of her friends with a party.

Games were played and ice cream and birthday cake were served to Pamela and Randy Davis, Terry, Lynda and Troy Melugin, Charles and Delbert Huddleston, Janice and Mack Moseley, Nan Saage, Wallace Saage, Cindy Kahlich, Judy West, Linda Dodson, and Carlton Bradshaw.

Adults attending were Mesdames Ben Davis, Emma Dunlap, A. C. Melugin, Ted Melugin, M. E. Moseley, Harold Huddleston, Donald Bownds and Wesley Reed.

WCSH Hears Program by Mrs. German Monday

"The History and Purpose of World Federation of Methodist Women" was given by Mrs. M. L. German Monday morning, July 2, when the Woman's Society of Christian Service met in regular session in Fellowship Hall of the

Mrs. W. H. Dawson honored her son and daughter-in-law, Mr. and Mrs. Glyndon Dawson, with an open house Wednesday, June 27, at the Dawson home from 4 to 6 p. m.

The honored couple were married June 23 in Livermore, California, and were here enroute to Cheyenne, Wyo., where the groom is stationed with the air force.

Guests were greeted by the hostess and presented to the hostess, Mrs. Phillip Dawson registered guests. Miss Charlotte Sue Lindgren presided at the punch bowl.

The tea table was laid with white linen cloth and was decorated with an arrangement of white daisies and greenery. Crystal appointments were used.

Others assisting the hostess were Mrs. Dan Liles, Mrs. Wayne Liles, Mrs. Wayne Kenney and Mrs. Dudley Berry.

Mrs. W. L. Holloman left Tuesday morning for Albuquerque, where she spent a few days visiting with her daughter, Mrs. Ralph Donelson, Mr. Donelson and Cindy

First Methodist Church. She was assisted by Mrs. H. T. Scurlock and Mrs. C. A. Womack. Mrs. Elmer Crabtree brought the devotion assisted by Mrs. J. E. Eckert Sr.

Seventeen members were present.

The Cuba Circle will be hosted for the July 16 meeting when all the circles will meet for a joint meeting in the parsonage.

IT'S THE LAW
in Texas

Marriage Does Not Change Property Ownership
June is traditionally the month of weddings, and many couples will be taking marriage vows within the next few weeks. But, while certain symbolic transfer of worldly goods is often associated with the wedding ceremony, under Texas law, the act of marrying

another does not give you the authorization to take control of his property.
Generally speaking, each spouse has the right to control and dispose of his or her own separate property. The separate property of a husband or wife includes property owned by either before marriage, and that which is acquired by either after marriage by gift or inheritance. Any other property acquired after marriage is presumed by law to be community property until the contrary is clearly proved.
Aside from the ordinary community estate, there is a class of property known as the wife's "special community," which includes all the income from her separate real property, and probably the interest on bonds or notes, and dividends on stocks owned in

1957 CARS—BIG CHANGES

Get set for some real surprises in the 1957 cars. Bodies will be lower-slung and smaller wheels will give a smoother ride. More extravagant use of glass will mean thinner body posts. Car interiors will stress comfort and class and swivel seats will add luxury. Motors will be even more powerful with automatic transmissions standard equipment on even the lower-priced models. Gadgets will be abundant: hi-fidelity phonographs, pint-sized radios, electric locks that secure all doors, built-in sanders for icy roads. Radical innovations, reserved for luxurious models, may include disc brakes, fuel-injection motors, and maybe air-cushion suspensions that eliminate springs. —CHANGING TIMES

Little League Play Suffers Too Much Rain

Little League baseball play suffered during the past week because of rain which cancelled two of the scheduled games. The Tigers defeated the Yankees by a score of 8 to 1 on June 27. A game between the Dodgers and the Giants scheduled for June 28 was called because of rain and another game between the Tigers and the Indians on July 2 was also rained out. On June 29 the Cards dropped the Dodgers by a score of 8-3.
On July 3 the Giants and the Yankees were to play and a double header was scheduled for July 4 at which time the Yankees were to meet the Cards and the Giants were to play the Tigers.
In other play in the Little League the Cards meet the Tigers on July 6, the Indians and the Giants play on July 9, on July 10 the Dodgers and Yankees play, and on July 12 the Tigers and Dodgers meet.

her separate right. While the husband may have similar assets, the law records them no particular distinction from ordinary community property.
Although the history of the matter is somewhat confusing, it appears that under present day law the husband has control of ordinary community property; but control of the wife's special community property is reserved to her.
Certain restrictions are imposed upon both husband and wife in exercising such control. For instance, the husband cannot legally dispose of community property in such a way as to defraud the wife, nor can he sell the homestead without her signature and acknowledgment. And the wife's sale or mortgage of her separate real estate, stocks or bonds is not valid unless her husband joins her in the transaction—he must sign and execute the necessary legal papers along with her.
There are laws exempting the wife's separate and special community property from liability for debts incurred by the husband. Such liability is restricted to his separate property and the ordinary community property.
On the other hand, debts incurred by the wife in obtaining necessities for herself or the children bind all property belonging to either party, including the husband's separate property. For other debts which she has power to incur, only her separate and special community property are liable.
All of these distinctions emphasize the advisability of keeping proper records. By doing so the various classes of community and separate property owned by a married couple will always be easily distinguishable. Each category will then receive the special protection afforded to it by our laws.
(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Hatchett Speaks On Little League At Lions Meeting

Dr. Don Hatchett gave a talk on Little League activities to members of the Lions Club Tuesday at the Clubhouse. Hatchett, who is president of the Little League association, told of the organizational problems which the league met during its formation last year.
"Little League is designed for youngsters who are at the age when they are too young to participate in other types of recreational program for young men. We believe, also, that boys who take part in Little League are boys who become good citizens, and consequently good Americans. Boys who take part in the league are boys who do not become delinquent."
"One of the amazing things about Little League is that about two-thirds of the adults, who spend their time working with boys in the organization, are men who have no children of their own. These men put in about 400 man hours each week working with the boys."
"From what we have been told by tourists and people who have seen other Little League parks around the country, our park in Slaton is one of the finest equipped in the nation," he said.
"Little League has advanced from only one league with three teams in it in 1939 to the present day mark of about 4,000 leagues in the nation. These leagues have more than a half million boys playing in them."

Mr. and Mrs. Thomas Baker, Leslie, Nell, and Don of Modesto, Calif. visited here Tuesday with Mr. Baker's sister, Mrs. R. F. Swafford and Mr. Swafford. Both families had attended the Baker reunion in Bonham last Sunday. It had been 21 years since the Baker children had all been together.

Little League Batting Averages

Little League batting averages thus far in the season have been compiled by Mrs. C. E. Dickson, scorekeeper for the league. The batting averages for the players on each team follow:

Pony League Loses Only One Game to Rain

Pony League baseball was well underway this week with only one game postponed by the come and go rain which the community has been experiencing during the past week.
On June 28 the Tigers dropped a game to the Cubs by a score of 25-3, the Braves and the Red Sox met on June 29 and the Red Sox won 28-4. The Braves and the Tigers played a make-up game on June 30 with the Braves taking the game 24-4.
On July 2 the Red Sox and Tigers had to postpone their game because of rain. A make-up game will be played later in the season to replace the extra game. On July 3 the Braves and the Cubs were scheduled to play, and the Tigers were to meet the Braves on July 5.
Other games to be played during the week coming up include: July 6, Cubs and Red Sox; July 9, Red Sox and Braves; July 10, Cubs and Tigers; and July 12, Tigers and Red Sox.

Pony League followers can find team standings in Bain Auto Company ad which appears on the sports page of The Slatonite each week.

NAVAJO BOY TO SPEND SUMMER IN PERRY HOME

Daniel John, 10 year old Navajo Indian from near Farmington, New Mexico, arrived in Slaton Monday to spend the remainder of the summer in the home of Mr. and Mrs. F. E. Perry.
Daniel has been a student at the Bisti Methodist Mission School near Farmington, and next year will be a fourth grade student at the Farmington Methodist Mission School.

Dr. and Mrs. Locke To Make Home Here

Dr. and Mrs. John C. Locke and daughter Cindy arrived in Slaton Sunday and will make their home here. Dr. Locke is to be associated with Slaton Clinic.
The Lockes have been living in Temple and will make their new home at 155 N. 6th. Mrs. Locke is the former Connie Henry, daughter of Mr. and Mrs. J. W. Henry.

ATTENTION HOME OWNERS

Neighbors, today more modern homes have septic tank sewer disposal than ever before, but there has been little instruction given the public on the care and treatment of septic tanks and grease traps.

We are all concerned with maintaining sanitary conditions to prevent the breeding of harmful bacteria. However, not all bacteria are harmful, in fact, some are essential to life itself. According to medical science and bacteriologists, when bacteria react properly in the treatment of sewage, sanitary conditions will be maintained.

Anaerobic produced by Capitol Sanitation Company of Austin, Texas, is now on the market and available to the public and cities for the treatment of sewage. Capitol Sanitation laboratories have been serving cities throughout the United States with this product. Though their technicians are ever searching for a condition that our product cannot handle, we have been able to take care of most septic tanks, city sewage and disposal plant problems for 17 years.

The septic tank is a device utilizing the theory of anaerobic digestion which is also used by our large municipal sewage treatment plants. While wastes of a whole city tend to counteract and balance each other by the time they reach the city plant, the septic tank contains a more concentrated amount of bleaching material, strong acids and alkalies which kill certain strains of bacteria, promote the growth of others, causing an imbalance and retarding decomposition of organic matter.

Grease and fats are more difficult to break down than the bulk of septic tank waste, and when the fat splitting bacteria get behind with their work, an accumulation floats on the top and reduces the digestive capacity of the tank. The grease works out into the drain field, clogging pipe and soil.

When this happens, many people have the tank pumped out. Of course, pumping is not the answer for it only removes the already established micro-organisms. The grease problem in the drain field is not solved and as soon as the tank becomes full again, it will recur.

ANAEROBICUL is a mixture of cultured organisms developed for the express purpose of speeding up anaerobic decomposition of organic matter, and includes a fat splitting bacteria which aids in breaking down grease to bring septic tanks into proper balance.

ANAEROBICUL will hasten the seeding of new septic tanks by establishing action much sooner than occurs by natural process.

If your septic tank is overloaded, ANAEROBICUL, by speeding action will prolong the need for a new tank. The culture should be introduced into the tank about every three months.

If your digestive system, septic tank or cesspool is working properly—not causing odors, draining well—you do not need ANAEROBICUL or any other product sold for the aid of digestion. It is, however, good insurance to use small amounts of ANAEROBICUL to forestall sluggishness and to keep your tank in proper working order.

THIS IS IMPORTANT, WHEN SOMEONE CALLS AT YOUR DOOR WITH A TRUCK AND PUMP AND REPORTS YOUR TANK FULL, THAT IS CORRECT. IT MUST BE FULL TO BE FILTERING PROPERLY, AND PUMPING NOT ONLY FAILS TO CLEAN LINES AND ELIMINATE ODORS, BUT ALSO DESTROYS THE MOST VALUABLE PART OF THE TANK AT AN ENORMOUS EXPENSE TO YOU.

The most harmful substances you can put in your lines to open them are highly caustic chemicals which can be found on the market ranging in price from 10 to 35 cents under trade names with which most people are familiar. Only proper bacteria reactions open lines and eliminate and also keep it filtering properly.
