GS Drive to Raise \$1276 Gets Off To Good Start

The Girl Scout fund drive was launched Tuesday morning with forty people attending the kick-off office at the Bruce's Cafe. Melvin Kunkel is chairman of the drive. Solicitations are being made this week.

The goal of \$1,276.00 has been set in order for the Slaton troops to be a part of the newly created South Plains Girl Scout Council. Benefits from this council include

\$629.83 REPORTED WEDNESDAY AFTERNOON

Wednesday afternoon at 3:30 the amount of \$629.83 had been turned in to the drive chairman. Other workers had not reported their collections at this time.

can respond with full confidence that our contributions will be used in one of the most worthwhile programs available to girls," said Mr. Kunkel.

The work captains appointed at the meeting Tuesday are Mrs. W. L. Roche, Mrs. W. A. Shelton, Mrs. Roy Saage, Mrs. Leon Grochowsky, Mrs. D. W. Walston Jr., and Mrs. Byron Johnson.

There are 123 Girl Scouts in Slaton—58 Girl Scouts and 65 Brownies. They are under the guidance of nine leaders who contribute their time free. The girls and leaders have many worthwhile projects, but will have an even greater program under the area set-up.

Workers other than the group captains are: Mesdames S. W. Clark, J. E. McMeekan, J. W. Pettigrew, W. E. Polk, Harmon Thompson, Max Arrants, Melvin Kunkel, Rudolph Gergross, Joe C. Loke, F. E. Chapple Jr., Herbert Schweitzer, W. V. Smith.

Robert Hall Davis, Clark Self, Norbert Kitten, Francis Grabber, Louie Melcher, Paul Mosser, Walter Bednarz, August Kitten, Glen Payne, Willie Heinrich, Tony Stefens, C. J. Buxkemper, Alvin Shambuk, Alton Meeks.

Keith Price, R. C. McCann, Henry Adamek, A. L. Edwards, Hunter Tucker, F. W. Tye and Leon Walston.

Christmas Decorations

Plans for Christmas decorating was presented by Hobart Trimp, chairman of the committee. Because of the shortage of lights and other decorations the board decided to concentrate all the Christmas display on the city square would help the appearance of the town most. Plans are to have a display that will attract people to come to town in order to see it.

Frank Lee of the Southwestern Public Service Company, by invitation from the board, was present and presented a sample electrical code that is used by other towns. The need for a city electrical code having been discussed at previous meeting, the one presented was deemed applicable to Slaton's needs. The directors voted to present this code to the city commission with recommendation that it be adopted with such changes as the city commission deems necessary.

Zoning Restrictions

A restricted area ordinance was brought before the directors and discussed. It was pointed out that Slaton does not have any way to restrict a residential section. The simple ordinance is also to be recommended to the city commission. It was brought out in the discussion that when the four-lane highway to Lubbock is completed there will be some people that will want to build their homes in an area protected with reasonable restrictions.

A Maid of Cotton candidate from Slaton is to be selected to participate in the county, state and national contests. A committee of three was selected to carry out this program.

The chamber joined with the city commission in forming a committee to inform the people concerning every phase, both good and bad, of the proposed city charter changes that will be voted on the first part of next year.

Resolution Passed

A resolution was passed giving full support to the City Health Officer, Dr. T. L. Talbert, in enforcing the health provisions of having all used clothing offered for sale sterilized and requiring all people handling food to have health certificates. The health officer brought to the attention of the directors that many of these places that have been set up over town temporarily are not adhering to the city health requirements.

Mr. White of the High Plains Water District was present and asked the board's approval or rejection of the plan of asking the federal government for assistance in establishing recharge wells. This would be a water conservation program in replenishing water into the water strata from the many surface tanks that are formed during heavy rains. The directors went on record as favoring this program.

Mayor L. B. Wootton was present as a guest of the chamber.

summer camps, trained personnel, use of all area facilities, etc.

"The fund appeal of the Girl Scouts of Slaton is one to which we

WRECK IN LOCAL SANTA FE YARD knocked out five tracks including the main line engine. The engine above shoved cars off four other tracks and tore them up. Cause and damaged six freight cars and one deisel of the wreck was an open switch. The picture was taken from atop the Ayers grain elevator by Kertan Studio.

'HELL ON WHEELS' PLAY TO BE IN SLATON THURSDAY, OCT. 25

One of America's most unusual stage shows will arrive in Slaton to be presented next Thursday night Oct. 25, at the high school auditorium.

The title of the show is "Hell on Wheels" and it's the story of three lusty lads confined to an Army Hospital.

The performers play their parts with most emphatic realism because, you see, they really are confined to wheelchairs. The major parts are played by Paraplegics.

However, this is not a story about Paraplegics; the audience will hardly realize that these men really can never walk again. In fact, in the make believe world of show business portrayed in the story everybody will soon be out of the hospital and fit as a fiddle.

Many handicapped persons who have seen this show have been given "a new lease on life."

Tickets may be obtained from any JC member. The performance is being sponsored by the Junior Chamber of Commerce. The public is urged to obtain tickets early because "Hell on Wheels" has drawn capacity crowds wherever it has played and a sell out is expected.

Wilson Youth Wins State Fair Prizes

B. L. Hatchell of Wilson won 15 prizes on his Hampshire hogs at the State Fair of Texas in Dallas last week, fair officials have announced.

Although he failed to take a first place, he ranked high with his hogs in almost every class.

He took second on senior yearling boar, third on junior yearling boar, third and fourth on senior boar pig, seventh and eighth on junior spring boar, fifth on junior spring boar, fourth on junior yearling sow, sixth and seventh on senior sow pig, fourth and seventh on senior spring sow pig, sixth on young of herd, fifth on get of sire, and third on produce of dam.

Others from Slaton and this area having showing at the fair were: Stiles Belcher, calves; and Joe Bob Jones, barrows.

RECEIVES JC'S AWARD—Tommy Swanner is presented the "Jaycee of the Month" award by John Schmidt, vice president of the club. Swanner was given this honor for his outstanding work during September in directing and chaperoning Tiger Town.

according to Wilfred Kitten, president of the Junior Chamber of Commerce.

C. of C. to Have Entry in Maid of Cotton Contest

The Slaton Chamber of Commerce is looking for an entry in the Maid of Cotton contest. The winning girl will be entered in the South Plains Maid of Cotton Contest on November 19-20 held in Lubbock. The winner there goes on to the national contest held in Memphis, Tennessee.

Expenses of the Slaton entry will be borne by the C. of C. Three committeemen have been appointed to receive entries. They are J. M. Crow, Bill Ball and Hobart Trimp. Entry blanks may be secured from Don Crow or at the chamber of commerce offices.

General qualifications for entering contest are:

Be unmarried, between the ages of 19 and 25, inclusive, and have been born in a cotton growing state.

Be photogenic.

Be at least 5 feet, 5 inches tall. Be in perfect health.

Be willing and able to meet people.

Remember that background, personality and appearance are of equal importance in the selection of the Maid of Cotton.

Be willing and able to make an international tour beginning early in January and lasting until August.

Be willing to travel by air on regular commercial airlines.

Realize the purpose of the entire program is to stimulate interest in cotton.

Agree to travel with a chaperon designated by the National Cotton Council of America.

Understand that there will be no financial remuneration, except that all expenses of the winner will be paid during the training period and the tour.

Agree to appear before the audience at the contest finals in cotton apparel; agree to appear before the judging committee in Lubbock (not before the audience) in a bathing suit.

Agree, if selected to appear in the finals of the contest, to be in Memphis on December 27 and 28, 1956.

Same Burglary Second Time Gets Probation Revoked

The breaking in of the same service station twice did not work out for James Moton. Chief of Police Bill Daniels reports that he was found inside of the B. & L. Cafe Wednesday night of last week.

He was convicted of the same offense in 72nd District Court in Lubbock August 27 and given a three-year probation sentence. This week the probation was revoked and a five year sentence assessed, according to Daniels.

Open Switch Is Cause of SF Wreck

An open switch caused quite a wreck in the Slaton yard Monday morning about 9:00 o'clock. The main line was out of operation several hours while the cleaning up operation went on.

Five tracks were torn out including the main line. Six freight cars were damaged with one being almost cut in half. One of the large deisel engines was damaged considerably, but did not overturn. No one was seriously hurt, although the engineer was given quite a shakeup.

The wreck happened as the CWT freight from Amarillo pulled into the yards on the main line. The open switch turned the train over on the next track into the side of a freight train that was not moving. The car the engine hit was loaded with white potash and was almost cut in two. This car was shoved into another track knocking cars over against each other until four tracks more were damaged, making five tracks torn up. The damage will run into several thousand dollars.

C. B. Tefertiller and B. J. Buster were on the engine when the wreck happened. The freight from Amarillo was headed with three deisel engines.

Girl Scout Field Director Explains Organization

Miss Virginia Burgess, national field director for Girl Scouts in West Texas, spoke to approximately thirty-five adults who attended a meeting in the High School auditorium on October 9. She read the duties of the neighborhood officers and showed a film strip on neighborhood organization. She explained our place as a neighborhood in the newly formed Caprock Council. Miss Pat Twist, national field director of Girl Scouts in East Texas, was also present.

Melvin Kunkel, chairman of the local Girl Scout fund drive, named the committee chairman for the drive and asked that everyone present be helpers in the door to door campaign. Mrs. Leon Walston was elected neighborhood chairman for the neighborhood including Slaton and Wilson. She replaces Mrs. Byron Johnson who has served as local chairman for the past three years.

Slaton Represented At Conference

Women of the First Baptist Church and the Westview Baptist Church attended a quarterly conference meeting of the Lubbock County W. M. U. Association which was held at the First Baptist Church in Lubbock on Tuesday, October 16.

Members of the W. M. U. of the First Baptist Church who attended were: Mesdames L. R. Grogory, Dudley Berry, Malcolm Gilbert, Ford Stansell, E. M. Lott, C. W. Scroggins, Fred Stephens, George Privett, L. O. Lemon, and C. W. Jennings.

From the Westview Baptist Church, these members attended the meeting: Mesdames Bryan Ross, Ray Belt, Estle White, Clifford Young, M. R. Morris, Richard Brush, J. W. Vaughn, Raymond Wilkins, and Kenneth Brush.

Tigers Go To Spur For Game Friday Night; Two Teams Evenly Matched

1957 Cotton Allotments to Be Same As This Year, Reports George Mahon

Congressman George Mahon of the 19th District advised from his office in Lubbock this week that he has received information from the Department of Agriculture in Washington indicating that 1957 cotton acreage allotments in Texas will be about the same in each county as in 1956.

An additional large shift of acreage from West Texas to East Texas is not contemplated since it is planned that each Texas county will get not less than 99 per cent of its 1956 allotment. Under the plan most West Texas counties should get slightly more acreage than in 1956.

The Department of Agriculture has approved a compromise plan which had been submitted by the State ASC Committee which will allow the State Committee to withhold from the State allotment slightly less than four (4) per cent for small farms of 15 acres or less.

For hardship cases and all purposes other than small farms, 2.75 per cent will be withheld. West Texas farmers and farm groups had asked that not more than two (2) per cent be withheld for other than small farms. The total amount withheld for all purposes will be about 6 3/4 per cent of the State allotment.

Mahon said, "I had joined with other West Texans in an effort to keep the withheld acre to the lowest possible figure. I think our ef-

orts helped because an additional large shift of acreage out of West Texas in 1957 is not now contemplated. However, the compromise plan still gives the edge to the small farm areas of East Texas."

Grace Lutheran Church Holds Training School

Sunday, October 14, at 3 p. m. was the beginning of the Leadership Training School for the Northwest Texas Lutheran League, American Lutheran Church. The session lasted for three hours. The officers and project promoters of the Federation were present from Winters, Stamford, Sagerton, Lubbock, Wichita Falls and Slaton. Miss Nancy Mueller, one of the Federation project promoters and a member of Grace Lutheran church, Slaton, was present for the school.

Mr. Fred Kupatt, president of the Federation, conducted the training school. He recently attended the national training school in Minnesota, sponsored by the Lutheran League, youth department of the Lutheran Church.

MAN SHOT SEVEN TIMES; MURDER CHARGE FILED

Chief of Police Bill Daniels and a member of his department arrested Eulalia Pena Jr., 26 year old Latin American, Sunday for the shooting of another Latin American, Henry Biera. Charges have been filed against him for assault with intent to murder.

The shooting occurred at a cafe at 435 N. 9th street in Slaton on Friday night of last week. The victim received seven bullet wounds. Reports this week are that he is resting well in Mercy Hospital.

Police Chief Daniels stated that Pena accuses the victim of continual harassment that led up to the shooting. Pena is quoted as admitting the shooting.

Trick or Treat for CROP Campaign

Slaton's church youth groups will again participate in the "Trick or Treat for CROP" campaign, announces the Slaton Ministerial Alliance.

CROP is the Christian Rural Overseas Program. Through it, American surplus food and fibers are released to Christian churches which send it to starving children and adults in underprivileged countries.

If CROP raises the money to transport the surplus goods, the U. S. government donates the surplus stocks, thus a contribution to CROP buys about twenty times what the same amount would buy on the market.

Following the evening services on Sunday night, October 28, the youth will go "trick-or-treating," the treat asked for will not be candy but contributions to CROP.

These contributions will be used to transport American surpluses to starving lands.

Slaton churches are urged to support their church youth in this worthwhile undertaking, says the Alliance.

WALKS THROUGH GLASS

The thick glass panel on the north side of the door at the C. R. Anthony Co. was no obstacle to Alfred Gonzales Tuesday morning. It looked like a door, so he just walks on through.

Results: a cut nose and much broken glass. Also a very scared young man for a while.

Mrs. A. G. Saage Pioneer Resident Dies Here Tuesday

Mrs. A. G. Saage, 73, a pioneer resident of Lubbock County, died at 11:50 a. m. on Tuesday, October 16, in Mercy Hospital.

Funeral services were held Thursday at 3 p. m. in the First Methodist Church. Interment was in Englewood Cemetery.

Mrs. Saage and her husband moved here in 1921 and settled on a farm about 1 1/4 miles southeast of Slaton.

Survivors include the husband; six daughters, Mrs. Walter Joehetz and Mrs. Douglas Wilson, Slaton; Mrs. Claude Ballard, Spur; Mrs. Kirby Dunlap, Petersburg; and Miss Marie Saage, Lubbock; three sons, Arthur, Roy, and Wallace, all of Slaton; one brother, William Zauke, Bartlett; one sister, Mrs. Henry Zschiesche, Bartlett; 13 grandchildren; and 8 great grandchildren.

Southland Wins Fourth Conference Game Friday

The Southland Eagles walloped Three Way on the latter's home field Friday night by a score of 26 to 19. Wayne Donahoo scored twice and Ronnie Dunn, Gilbert Becker added one each to the scoring for the Eagles. This was the fourth conference win for the Eagles.

Friday night the Eagles have a well deserved rest in having an open date. Next week they will tackle another hard conference foe in the Smyer high school team. This game will be played at Southland.

3,617 BALES OF COTTON GINNED THIS WEEK

In a survey of the gins in this area a total of 11,723 bales of cotton had been ginned up until noon on Wednesday of this week. Last weeks survey reported 8,106 bales, making a total ginned this week of 3,617.

REV. CLAUDE WINGO TO SPEAK AT FIRST CHRISTIAN CHURCH

Rev. Claude Wingo of Santa Fe, N. M., will be guest speaker at the First Christian Church on Sunday, October 21. He was ordained to Christian ministry on April 21, 1916, and served his first pastorate in Uvalde, Texas. Rev. Wingo has also served at Floydada, Laredo, Big Spring, and Van Nuys, Cal.

For 33 months, Rev. Wingo was a chaplain in the Armed Forces. He spent 2 years in the state of Washington and 9 months at Metropolitan Air Field in Los Angeles. Rev. Wingo received his B. A.

degree at T. C. U. and his Master's degree at A. N. I. in Kingsville. Both Rev. and Mrs. Wingo have taught school, camps, and conferences.

As secretary of the Pulpit Committee, Mrs. Earl Reasoner extended an invitation on behalf of the church to the people of Slaton to hear Rev. Wingo speak at the First Christian Church on Sunday.

The Wingos will be guests of the church at a covered dish supper in the Fellowship Hall at 7 p. m. on Saturday.

THE GOOD NEW DAYS

Longing for a time known rather vaguely as "the good old days" crops up in almost everyone now and then. Even historians and philosophers play the game. One thinks it would have been splendid to live in the Golden Age of Greece. Another might consider the Renaissance a fine time to have been alive. Others might plump for the Tang Dynasty in China, 12 centuries ago, or perhaps 18th century France.

Norman Cousins, editor of The Saturday Review, considers all this in a recent article and concludes, "As for ourselves, we choose the present." His reasons for this choice are worth thinking about, especially since the atomic age is often considered a rather nerve-wracking time in which to live.

"No other age in history," Cousins writes, "has had the same potential. About no earlier period in history could it be said that the earth could be made sufficient for the needs of all its people. The conquest of disease and poverty is clearly within reach. Hunger and thirst can be made technologically obsolete; the control of solar energy for utilizing photosynthesis is a specific and attainable prospect. Man has the potential sources of energy that can give him time to fulfill himself and develop his creative resources on a scale and with an intensity that have never before been possible."

Those are fine sentences, ringing with hope that man can measure up to the high destiny for which he seems intended. This promise can be realized. But if it is to be realized, no thoughtful man can justifiably shrug his shoulders and say, "What's the use?" There must be a concerted effort, not only by scientists and statesmen, but by all of us, to make reality of the dream.

NOT SOLITAIRE

"Life is not a game of solitaire, but team play between man and God." This suggestive statement occurred in a sermon by the Rev. John Bartle Everts at Christ church in New York City. It is the kind of statement that can serve as the focal point of worthwhile meditation.

A great number of human beings do appear to go through life as if it were a game of solitaire. To their way of thinking, everything in their experience has significance only as it relates to them personally. They feel themselves to be, if not self-sufficient, at least without recourse to any higher power. All that they do is, in the last analysis, done for themselves. In the fullest meaning of the term, they are self-centered.

Yet now and then such a person becomes aware that there is something more than self. Now and then there comes, perhaps dimly at first, the great revelation that God is active in the universe and that man cannot deny his relationship to God. From this first discernment there sometimes grows the noble concept that, if he is to realize himself fully, man must be in partnership with God.

Man is not passive nor inanimate; he is not a pawn, nor even merely a tool, in the hands of Deity. Man is a thinking creature with a soul that aspires to God. It is only when men recognize that, and act upon it with humility and good will, that they can live as they were intended to live.

HOW OLD IS OLD?

When does a woman cease to be young? This ticklish question has arisen in a Connecticut club for junior women. Some older members—those pushing 40, shall we say—would like to continue their pleasant associations, but the club's new regulations set the upward age limit at 35.

Over the years the period of women's youth has been prolonged. In the first quarter of the 19th century the English novelist Jane Austen said of one of her characters that, as she was 27, she had long since given up hope of getting married. Marriages were then apt to take place at 18 or even younger.

Only a woman would venture to call another woman of 36 old, or even "older." To do this would take more courage than the average man possesses. But even the average man of mature years knows that it's not true, anyway. He knows that a woman is only as old as she feels.

Patience in a parent may be defined as the ability to read "The Little Red Hen" to a child with the same enthusiasm the 16th time as the first time.

Lockney Defeats Slaton 31-6 in Conference Game

The powerful Lockney Longhorns stormed over the Slaton Tigers by a score of 31 to 6 here last Friday night in a 2-AA Conference game. Lockney displayed a powerful running attack featuring its four fast running backs. Lockney wasted no time in let-

The Longhorns came back a few plays later with a 66 yard drive capped with a 1 yard plunge by halfback Hardy. The extra point was not good and the Longhorns led 19 to 0.

Slaton, trying hard to get back into the game began to pass only to have them intercepted by Lockney. Halfback Hardy intercepted a Slaton pass on Slaton's own 30 yard line and carried it back to Slaton's 18 yard line. Bill Race took over there and raced 18 yards for Lockney's fourth touchdown just before the half ended. The score stood Lockney 25 Slaton 0 at the half.

As the second half began Slaton kicked off to Lockney, at this point Lockney took the ball on their own 38 yard line and began a 62 yard march to pay dirt again. This drive was capped with a quarterback sneak by Handley from the 1 yard line. The extra point was not good and Lockney led 31 to 0.

In the middle of the fourth quarter Slaton began to gather steam and started a 77 yard drive. The highlight of this drive was the longest run of the night. Slaton fullback Phil Pearson took off on this long run from his own 42 yard line and 58 yards later Pearson had scored Slaton's lone score. The try for the extra point failed and the score stood at Lockney 31 and Slaton 6. Once again Slaton gathered steam just before the game ended and drove down to the Lockney 1 foot line only to be held for downs. With this the game ended with the final score Lockney 31 Slaton 6.

Slaton Journeys to Spur tonight

and this promises to be a very good game as the Tigers and the Bulldogs are rated about a toss-up as both have the same won and lost record of two wins and four losses.

which is the label furnished Ayers Supreme Feed customers. The modern methods employed assure the housewife of quality eggs for which she is willing to pay a small premium. In turn, this assures the egg producer of a constant market and at premium prices.

As in all caged layer installations, hens are confined in separate cages and are fed only premium feed which is properly balanced to provide all the health-giving characteristics so necessary to healthful hens and quality eggs. Fresh water is supplied to the hens in a separate trough.

Eggs are gathered often; dirty eggs are cleaned and all are cooled as quickly as possible to maintain proper quality. As time permits, the eggs are candled, graded and packaged in the Nu-Laid egg cart.

Herbert L. Ehler is pictured candling eggs and operating automatic electric grader. Eggs are then stored at 55 degree temperature, assuring ultimate consumer good eggs and producer good profits.

Water, containing a mild detergent, is warmed and agitated electrically when basket of eggs is immersed for three minute cleaning. Egg producers say about 5% of eggs produced need cleaning if full profit is to be realized.

ELECTRIC EGG HANDLING HELPS PROFITS

Of all the world's manufacturing enterprises, only the hen "manufactures" and "packages" its product in a natural protective casing, ready for immediate use by the consumer. Poor egg-handling practices can undo all the effort that the hen puts into its product. Quality and value can be lowered by failure to clean eggs which are dirty, failure to keep eggs cool (authorities recommend 55 degrees for daily or weekly marketing of fresh eggs) and failure to properly candle eggs. At the Ayers Feed Company, in Slaton, Texas, these problems have been solved through the use of electric egg cleaners, electric refrigeration

and electric egg candling. By insisting on electric equipment the Ayers people can get the precise control which is desirable in the handling of the hen's packaged product—the egg.

A flock of caged laying hens are maintained at the Feed Company, for the purpose of trying out the management practices which the company recommends to its customers. The company's feed formulas are also tested here.

Eggs are gathered often; dirty eggs are cleaned and all are cooled as quickly as possible to maintain proper quality. As time permits, the eggs are candled, graded and packaged in the Nu-Laid egg cart.

Herbert L. Ehler is pictured candling eggs and operating automatic electric grader. Eggs are then stored at 55 degree temperature, assuring ultimate consumer good eggs and producer good profits.

Bel Air Coupe Mirrors New Styling

Longer, lower "in motion" emphasis on design of Chevrolet's three series of passenger cars for 1957 is evident in this view of the new Bel Air sport coupe. Along with the exciting exterior and interior styling, a higher performance peak and marked mechanical advances are among features.

1957 Chevrolet Cars on Display at Crow Chevrolet Friday, October 19

The widest selection in history marks the 1957 passenger car line which the Crow Chevrolet Co., Slaton, will show to the public for the first time Friday, October 19.

The customer has his choice of 460 model-color combination, almost one-third more than available at the outset of 1956 production.

Here's how the variety in models stacks up:

Bel Air—Two- and four-door sedans, two-door sport coupe, four-door sport sedan, convertible, Nomad station wagon and four-door, six-passenger station wagon.

Two-Ten—Two- and four-door sedans, two-door club and sport coupes, four-door sport sedan, two- and four-door, six-passenger station wagons, and four-door, nine-passenger station wagon.

One-Fifty—Two- and four-door sedans, utility sedan and two-door, six passenger station wagon.

Corvette—Two-passenger sport model with manual or automatic fabric or solid plastic top.

Overall length of the passenger cars is increased to a total of 200 inches with wheelbase remaining at 115 inches. The lowered hood emphasizes the horizontal sweep of body lines to the flared rear fender fins for balanced beauty. The conventional hood ornament is replaced by twin lance-shaped windshields. Headlamps are farther apart than in the 1956 models.

Widest color choice in Chevrolet's history is offered. The total of 460 model-color combinations compares with 364 at the outset of

1956 production.

With the lower hood, windshields have greater visibility area than previous Chevrolets. The glass increase ranges from 69 to 75 square inches through the model lineup.

Instruments are concentrated under a deep, flat hood super-imposed on the dash panel crown. Full-face gauges with red indicators are easy to read while tell-tale generator and oil pressure lights are located at the top of the unit where they are readily spotted. Similarly, green button-spots in the cluster serve as flashers for the turn indicator.

A completely new ventilation system operates by air passing through intake screens over each headlamp. The air reaches the passenger compartment through lowered outlets at either edge of the dash. This system delivers up to 746 cubic feet of air per minute at 60 miles an hour while providing greater water draining capacity.

VARIETY OF ENGINES

Offered in the line that makes its bow at dealer showrooms Friday, October 19, are one six- and four eight-cylinder engines, ranging in horsepower from 140 to 283. The six develops 140-horsepower.

The eight's range in horsepower from 203, 270, 250 and 245 for the "Corvete V8" to 220 for the Super Turbo-Fire "283," 185 for the Turbo-Fire "283," and 162 horsepower for the Turbo-Fire "265."

Each of the engines is improved mechanically, but the gain in power—up from a peak of 225 horses in the 1956 line—is primarily due to larger bore, higher compression, higher lift camshafts and fuel injection.

NEWEST AUTOMATIC TRANSMISSION

An exclusive new transmission—Turboglide—heads a list of Chevrolet power train features that extends from the three-speed manual shift through an improved Powerglide automatic transmission and the gas-saving overdrive.

FUEL INJECTOR SYSTEM

Mechanism of the Ramjet fuel injection system which Chevrolet offers on 1957 passenger cars might reasonably be compared to a fine watch. Parts are precisely built and bearings have a jewel-like quality.

The reason for exacting workmanship is readily understood. The system is called upon to deliver minutely accurate proportions of air and gasoline to each of eight cylinders in the Chevrolet engine. It must at the same time provide a series of checks and balances that will furnish the instantaneous variation in power demanded by modern day automobile driving.

Service Men Speak To Upperclassmen

Monday, Oct. 1, all boys who were 17 or over, or would be 17 by Dec. 1, were called into the auditorium for a program presented by the Armed Forces. The United States Army, Navy, and Marines were represented.

Each of the branches presented programs pertaining to the military requirements of young men. Brochures were distributed by the men, and a film was shown by the Marines.

The men who took part on the program were: M/Sgt. Nagle, U. S. Army; Technical Sgt. Auckerman, U. S. Marines; Chief Petty Officer Savage, U. S. Navy; and one unidentified Marine.

—The Tiger's Cage

The Slaton, Tex., Slatonite Friday, October 19, 1956

The widening project, which will cost approximately \$1 million, will make a two-lane divided highway out of the present 27-mile route from here to the Scurry County line.

Walker said Nov. 1 has been set as the date for the county to have access to all right-of-way required for the project.

West Germany has disclosed it plans an air force of 1,326 planes, mostly jets, and 80,000 men.

Most of Right of Way From Post to Scurry Line Assured

POST—More than three-fourths of the right-of-way needed for widening of U. S. Highway 84 from Post to the Scurry County line either has been obtained or included in condemnation proceedings against non-resident property owners, County Judge Pat N. Walker said this week.

Condemnation proceedings for right-of-way have been filed against a number of non-resident property owners in what is described as the original townsite of Burnham, just northwest of Justiceburg.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES:

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

NOTICE OF INTENTION TO SUBMIT CHARTER AMENDMENTS

The following resolution provides that notice be given of the intention of the City of Slaton, Texas to submit to the qualified voters of the City of Slaton, Texas amendments to the existing charter of the City of Slaton, Texas October 8, 1956:

THE STATE OF TEXAS, COUNTY OF LUBBOCK, CITY OF SLATON.

RESOLUTION
On this 8th day of October, A. D. 1956, the City Commission of the City of Slaton, Texas, convened in regular session at its regular meeting place in City Hall, all members thereof, to-wit: L. B. Wootton, Mayor and Chairman of the Commission; H. T. Swanner, Commissioner; Wayne Liles, Commissioner; D. H. Bollinger, Commissioner; T. A. Worley, Jr., Commissioner; being present, and among other proceedings had was the following:

It was moved by Commissioner Liles and seconded by Commissioner Swanner that the Commission pass a resolution giving the notice of its intention to pass an ordinance submitting amendments to the present charter of the City of Slaton, Texas; the motion carried for the following vote: Commissioners H. T. Swanner, Wayne Liles, B. H. Bollinger, and Commissioner T. A. Worley, Jr. voting "Aye", and none voting "No". Thereupon the following resolution was adopted: A Resolution providing that notice be given of the intention of the City Commission of the City of Slaton, Texas, to submit to the qualified voters of the City, for approval or rejection, amendments to the existing charter of the City of Slaton.

WHEREAS, the City Commission of the City of Slaton deems it advisable at this time to submit to the qualified voters of the City of Slaton amendments to the existing charter, and whereas, the city charter of the said City has not been altered or amended within two years next preceding this date:

THEREFORE BE IT RESOLVED by the City Commission of the City of Slaton, Texas:

Section 1: That it is the intention of said City Commission to pass an ordinance on the 12th day of November, 1956, for the purposes submitting to the qualified voters of said City, at an election to be held for that purpose, the following amendments to the existing charter:

Amendment No. 1: To Amend Article No. 1 of the city charter of the City of Slaton by the addition of the following:

"Section 4: The limits of said corporation may be hereinafter extended by adding additional territory to the same whenever the majority of qualified electors of said territory shall indicate a desire to be included within the limits of said corporation in the manner provided in Article 974 of the Revised Civil Statutes of the State of Texas."

Section 2: To Amend Article No. 2 of the City Charter of the City of Slaton by the addition of Section 4A which shall read as follows:

"Section 4(a). As an alternative method of enlarging or extending the corporate boundaries, the City Commission shall have the power by ordinance to provide for the alteration and extension of said boundary limits, and the annexation of additional territory lying adjacent to the City, with or without the consent of the territory and the inhabitants annexed. Upon the introduction of any such ordinance in the City Commission, it shall be published one time in the newspaper designated as the official newspaper of the City of Slaton, however, amendments may be incorporated into the proposed ordinance without the necessity of publishing said amendments and without the necessity of republication of said ordinance as amended. The proposed ordinance shall not thereafter be finally acted upon until at least thirty (30) days have elapsed after the publication thereof, and upon the final passage of any such ordinance, the boundary limits of the City shall thereafter be as fixed in such ordinance, and when any additional territory has been so annexed, same shall be a part of the City of Slaton, and the property situated therein shall bear its pro rata part of the taxes levied by the City, and the inhabitants thereof shall be entitled to all the rights

and privileges of all the citizens and shall be bound by the acts, ordinances and resolutions of the City."

Section 4: Commissioners, How Nominated and Elected: Candidates for places on the City Commission shall be nominated as provided in the Texas Election Code. Any City Commissioner hereinafter elected shall be elected by the qualified voters of the City of Slaton, Texas."

To amend Section 4 of Article VI of the City Charter of the City of Slaton so that it will hereafter read as follows:

"Section 4. Commissioners, Their Qualifications: The Mayor and each member of the Commission should be a resident citizen of the City of Slaton and a property tax payer therein and shall have the qualifications of an elector therein and shall have been such resident citizen of the City of Slaton for a period of not less than two (2) years immediately preceding his election and shall not be indebted to the City of Slaton; provided, however that any qualified elector, who shall have been a resident for a period of not less than two (2) years immediately preceding his election of any of the territory not formerly in the incorporated limits of said City, but which is annexed under the provisions of this charter, shall be eligible to said office. Any Commissioner who, during his continuance in office, establishes his domicile outside of the limits of the City of Slaton from which he was elected, shall thereupon ipso facto forfeit his office and the vacancy shall be filled as provided in Section 7 hereof."

And To delete Section 9 of Article VI of the City Charter of the City of Slaton;

Section 2: That the City Secretary is authorized and instructed to publish a copy of this resolution in the Slaton Slatonite, the official newspaper of the City of Slaton, as notice of the intention of the City Commission to submit said amendments, and the same when marked "NOTICE OF INTENTION TO SUBMIT CHARTER AMENDMENTS", signed by the Mayor and attested by the City Secretary, and published as aforesaid, is to be due notice thereof.

Section 3: That the said notice shall be published in the Slaton Slatonite, the official newspaper as aforesaid, for not less than 20 days prior to the date on which the proposed ordinance is to be passed. Adopted and approved this 8th day of October, 1956.

L. B. Wootton
L. B. Wootton, Mayor
of the City of Slaton,

**Brother of Slaton
Man Dies in Lorenzo**

C. B. Lemon, 55, of Lorenzo, brother of L. O. Lemon of Slaton, died of a heart attack suddenly Friday of last week. Funeral services were held at Lorenzo and burial in the Ralls cemetery. He leaves a wife and two daughters. Mrs. David Stewart of Ralls, Mrs. O. H. Kemp Jr. of Odessa, and Mrs. Marvin Snodgrass of Lubbock; seven grandchildren and two brothers, Leroy of Lubbock and L. O. of Slaton; three sisters, Mrs. Hattie Ash of Lamesa, Mrs. Laura Watson, Eagletown, Mrs. Mrs. L. O. Bartlett, San Bernardino, Calif. all of whom attended the funeral. Slaton people attending the services were Mr. and Mrs. C. H. Norwood, Mrs. Dudley Berry, Mr. and Mrs. T. E. McClanahan, Mr. and Mrs. Aubrey McNeely, Mr. and Mrs. R. L. Johnson and daughter Beth, Wayne Liles, Truett Bownds, Alvin White and M. H. Lasater.

**SLATON TWIRLING AND
ACROBATIC CLASSES TO BEGIN**

A new activity offered to Slaton children this fall will be classes in twirling and acrobatics, offered by Mrs. Jim Campbell, Mrs. Campbell's past teaching experience includes similar classes in Delhi, Louisiana, and Whitesboro, Texas. Her classes have appeared on stations KNOE-TV and WBAP-TV a number of times, besides appearing in various football half-time shows, parades, and talent shows.

A former twirler and drum major herself, Mrs. Campbell has studied under such leading twirlers as Naomi Zarbock, Senior National Twirling Champion, and Hilda Mayberry, Miss Majorette of America. She has also attended twirling courses at Louisiana Tech College at Ruston.

Mr. and Mrs. J. R. Childress had as their guests over last week end their son, J. E. Childress, and Mrs. Childress of Lovington, N. M.; another son, Ray Childress, and Mrs. Childress of Abernathy; and a daughter, Mrs. Carl McNeese, of McNeese, and son, Mike, of Spur.

Mr. and Mrs. N. J. Dawson and Danny of Amarillo visited Monday and Monday night in the home of Mrs. L. E. Brasfield and Mr. and Mrs. Carl Williams.

Mr. and Mrs. J. G. Stacy, Gary, Patsy, and Tom of Levelland and M. J. Stacy and son, John, of Friona visited here Sunday with their mother, Mrs. Clyde Shaw, and Mr. Shaw. J. G. Stacy filled the pulpit in the First Baptist Church Sunday morning.

**Public Hearing Set
Nov. 11 on Radio
Station Permit**

The Federal Communications Commission has called a public hearing on the applications of Earl S. Walden, Homer T. Goodwin and Leroy Durham for radio permit at Plainview and Troyce H. Harrell and Kermit S. Ashby for permit at Slaton. The hearing will be held in Washington, D. C. Nov. 11.

It's not the rain you get, but the rain you keep that counts, says G. O. Hoffman, Texas Agricultural Extension Service Range Specialist. Make provisions now to hold rainfall.

**Sunday School Attendance
Totals 1,914 for Oct. 14, 1956**

Attendance at church schools in Slaton Sunday, Oct. 14, 1956, totaled 1,914 in the 13 churches which reported.

Churches reporting and their attendance was as follows:

First Christian	66
Church of God	53
First Methodist	289
First Baptist	504
Church of the Nazarene	95
Westview Baptist	251
First Presbyterian	68
Grace Lutheran	198
Church of Christ	213
First Baptist Mission	70
Assembly of God	74
Pentecostal Holiness	53
Bible Baptist	70

Mr. and Mrs. C. E. Johnson of Mt. Pleasant spent last week in the home of her sister, Mrs. E. E. Culver. During their visit, the Johnsons and the Culvers visited in Littlefield and went to the Carlsbad Caverns.

Mrs. Celeste Gregory reports a new grandson, he is the son of Mr. and Mrs. W. T. Gregory of York, Penn. born Oct. 4, and weighs 5 lbs. and 14 oz.

Guests in the home of Mr. and Mrs. L. O. Lemon Monday were Mr. and Mrs. Leroy Lemon of Lubbock, Mr. and Mrs. Bill Ash of Lamesa, Mrs. Lora Watson of Eagletown, Okla., Mrs. Lola Bartlett of Bernardino, Calif. and Mrs. C. W. Scroggins and children. Mrs. Bartlett remained for a longer visit with the Lemons.

Mrs. Kirby Manly and Mrs. Hazel Mundy of Houston have been visiting their parents, Mr. and Mrs. Bert Hastings.

Guests in the Ray Carpenter home last Saturday were Mrs. Carpenter's grandparents, Rev. and Mrs. J. W. Ward of Hugo, Okla., and her parents, the Rev. and Mrs. J. T. Bolding of Lubbock.

Guests in the home of Mr. and Mrs. E. E. Culver on Thursday night, Oct. 11, were their son, Harold Culver, and Mrs. Culver of Littlefield, and daughter, Mrs. K. D. Goebel, and Mr. Goebel and sons of Lubbock.

Sunday dinner guests in the home of Mr. and Mrs. George Klatt were Mr. and Mrs. E. A. Tusha of San Angelo, Mr. and Mrs. J. A. Clohinger and family of Amarillo, Mr. and Mrs. George James of Plainview, Mr. and Mrs. Willard Dellis of Lubbock, Mr. and Mrs. G. E. James and son of Lorenzo, Mrs. Hubert Alexander of Breckenridge, Mr. and Mrs. Steve Collops, Mr. and Mrs. Wesley Gentry and sons, Mr. and Mrs. Louie Melcher and son, of Slaton.

Mr. and Mrs. Eugene Eddings has as their guests over the week end Mrs. Eddings parents, Mr. and Mrs. R. H. Delhotal, of Wichita, Kan. and A/3C Paul Faught, who was enroute to Alaska where he will be stationed.

Mrs. N. E. Carter of Ft. Worth visited here last week in the home of her grandson, R. W. Bowman Jr., and Mrs. Bowman.

GOTTA COMMON CAR COMPLAINT?

- Hard starting
- Engine dies
- Rough idle
- Jerky acceleration
- Low gas mileage

FUEL PRESSURE REGULATOR

\$6.95

You need a MILESMASTER

Milesmaster cures engine troubles. It regulates fuel pressure. Keeps raw gas from flooding engine and washing lubrication off cylinders and pistons. Reduces so-called vapor lock. Prevents crankcase dilution which forms harmful gums. Eliminates ignition fouling. Saves wear and tear on carburetor float and needle.

New motoring thrills. If you want a new thrill from smooth, step and go, economical engine operation, have your dealer install a Milesmaster. Save its cost in first few thousand miles.

Another New line added for your Motoring satisfaction.

What MILESMASTER does for your car:

- Saves gas
- Reduces wear
- Prevents dilution
- Provides smooth idle
- Eliminates flooding, porcelation, vapor lock
- Filters the fuel
- Traps steel and rust particles

Money Back Guarantee. If you are not satisfied, return to MILESMASTER, INC.

Future Farmers Initiate 13 Boys

The Slaton FFA boys held their formal initiation of 13 Greenhands last Monday night.

Those who took the initiation were Jerry Allen, Bill Barry, Wendell Brieger, Frank Chapple, James Cole, Johnny Elliott, Jerry Harlan, Jerry Kitten, Bobby Moore, Lee Meurer, Randy Sanders, Giles Smith, and Larry Terry.

Officers who conducted the initiation were Larry White, president; Rodney Kitten, vice president; Dale Kincer, secretary; Maxie Slone, treasurer; James Bukkemper, reporter; Billy Balmanno, sentinel, and Truett Babb, adviser.

—The Tiger's Cage

Mr. and Mrs. Merton Smith of Farnsworth spent the week end with their son, Coach Marvin Smith. They arrived in Slaton for the Slaton-Lockney game on Friday night and attended the Tech-West Texas game on Saturday night. Coach Smith graduated from West Texas where he played four years of football.

do you remember?

One Year Ago in Slaton Taken from October 21, 1955

Committee appointed by Chamber of Commerce to investigate housing shortage.

Lubbock County Soil Conservation Board of Supervisors reorganized in their regular monthly meeting last Friday afternoon. Joe S. Walker Sr. of Slaton was re-elected as chairman of the board, a position he has held for the past four years.

Miss Bee Sloan of Dallas visited last week with her sister, Mrs. H. F. Martens, and family.

Mr. and Mrs. Truett Bownds and children spent Saturday afternoon and Sunday in Ruidoso and Cloudcroft, N. M.

Janice Hill, daughter of Mr. and Mrs. Glenavon Hill and a sixth grade student, won first place in the Fire Prevention Poster contest between three sixth grade and one seventh grade classes.

Mr. and Mrs. C. B. Tefertiller announce the marriage of their daughter, Carolyn Sue, to Frank

Love, son of Mr. and Mrs. Frank S. Love, Clovis, N. M.

Born October 11 to Mr. and Mrs. Tommy Swanner, a boy weighing 7 lbs. 9 1/2 ozs.

Among the Slaton people attending the McMurry-ACC football game last Saturday were Mr. and Mrs. Martin Collins, Mrs. C. E. Corley, Sue and Douglas, Mr. and Mrs. Magnus Klattenhoff and family, Tracy Crawford, Don Wright, Ronald and Martha Allred.

A surprise dinner was given complimenting Mrs. Grady Harris Wednesday October 12 at her home on 930 South 12th.

Ten Years Ago in Slaton Taken from October 19, 1946

P. G. Meading, local Chamber of Commerce Manager, and Ralph E. Duncan, manager of Community Services department of the West Texas Chamber of Commerce were visiting Slaton members of that organization last Thursday.

The American Legion Auxiliary is again sponsoring a box for disabled Veterans at the Veteran's Hospital at Big Spring, who are unable to do their own shopping. The gifts are not for the veterans themselves, but for the disabled veterans to send to their families, sweethearts, or friends.

Business firms are active: Property scarce.

The Slaton Elementary P. T. A. met Monday evening, October 15, with about 70 persons present.

Cpl. Tip Culver, son of Mr. and Mrs. E. E. Culver, is in Communications and stationed at Camp Pendleton, Oceanside, Calif. He was home in June on a 20 day furlough, and expects to have 7 days at Christmas or the first of year.

The Base Chapel at Camp Lejeune, North Carolina, was the scene of the marriage of Miss Paula Jeanne Maxey, daughter of Mr. and Mrs. J. J. Maxey, and Pfc. Mac Hudgins, son of Mr. and Mrs. J. L. Hudgins, of Fort Worth, on October 5, at 4 p. m.

Marvin Kitten, Slaton, a senior major in mathematics at Texas Tech, was elected vice president of Doak Hall, one of the five men's dormitories, in dormitory elections recently.

Mrs. A. L. Robertson and grand daughter, Suzanna Robertson, went to the Dallas Fair this week end and will see "Guys and Dolls" while they are there. They will go from there to Austin to visit Mrs. Robertson's daughter and family, Mr. and Mrs. Kenneth Kimbro.

Mrs. J. S. Edwards Jr. and son, David, spent all of last week in Las Vegas, N. M., visiting Mrs. Edwards's sister, Mrs. Lewis Schiele. They enjoyed the beautiful fall colors with the aspen and oak turning yellow and red against the Evergreens. They went to Taos and Santa Fe during the visit.

Mr. and Mrs. Charles Marriot

returned home Wednesday from points in Oklahoma and Kansas.

Ten Years Ago in Slaton Taken from October 18, 1946

Mr. and Mrs. F. D. Spradley of Slaton are among the twelve living grandparents of little Vicki Jan Lindley, born to Mr. and Mrs. Dick Lindley Jr., of Lubbock, September 25. She is also the fifth generation on both sides of her family. The local couple are great grandparents on the baby's mother's side.

Jaunell Hart and S. A. Johnson were married in home ceremony.

S. H. Arrants of Calhoun, Tenn., left the last of this week for his home after having visited his son, Max Arrants, and family for about ten days.

The Mothers Club of the East Ward school is sponsoring a Halloween party to be held at the school beginning at 7 p. m. Tuesday, October 29.

New den Mothers were selected at the meeting Wednesday, October 16, at the City Auditorium at which plans were made for a fall Cub Scouting program for Slaton.

Mrs. E. J. Johnson of Mt. Pleasant, is visiting her sister, Mrs. E. E. Culver.

Forson to Head Science Clubbers

Officers for the newly organized Dunamis Science Club include Shirley Forson, president; Roland Germain, vice president; Barbara Wilke, secretary; Sharon Smith, treasurer; Marilyn Boyce, reporter; and Kay Sain and Eugene Hopkins, program chairmen.

According to Jim Mailard, the new science teacher at SHS, the Science Club is to create more interest in science. The group will also sponsor, promote, and carry out the District Science Fair to be held in Slaton in the spring.

The club will provide an opportunity for students who are especially talented in the field of science and mathematics, to put their talents into practical use by preparing exhibits on such occasions as "Oil Progress Week" and similar occasions throughout the year.

—The Tiger's Cage

DEPARTMENT WANTS TO MAKE TAX REFUNDS

The Internal Revenue Service is diligently looking for 3,000 North Texans who have tax refund checks awaiting them, according to Mr. Howard O. Nichols, Administrative Officer of the Lubbock office. The Dallas office has an employee who spends full time finding taxpayers due a refund check. A very large part of the taxpayers due a refund check have moved and failed to give Internal Revenue a forwarding address. In quite a few cases, the taxpayers plain forgot to put their address on their tax return. Mr. Nichols stated the checks ranged in size from a few dollars to some amounting to several thousand dollars.

A Dallas newspaper recently printed 600 names and addresses of Dallas taxpayers due refund checks. Within three days, 400 of these taxpayers had claimed their checks. Others are claiming their checks daily. Mr. Nichols advised Lubbock area taxpayers who are due a refund check to send their correct name and address to Miss Bonnie Reed, Claims Examiner, District Director of Internal Revenue, 2101

Pacific Avenue, Dallas, Texas. Miss Reed is as glad to hear from the taxpayers who have refund checks in her file as the taxpayers are glad to get the checks.

A few taxpayers have been notified that their returns are being audited before their refund can be made, Mr. Nichols explained. These taxpayers will be individually advised concerning their refunds. They should not contact Miss Reed.

Chlorophyll, despite advertising claims, has no deodorant properties whatever, Glasgow University chemists reported after a series of tests.

Guests in the home of Mr. and Mrs. R. H. Todd Sr. this week are Mr. and Mrs. C. M. Francis of Capitan, New Mexico. Mrs. Francis is Mrs. Todd's sister.

Wong, used by at least 150,000,000 Chinese, is the world's most common family name.

MEMO FROM **REDDY KILOWATT**

SUBJECT: **ELECTRIC WATER HEATERS**

I'm glad I can type. It makes it easy for you to understand what I'm going to say about electric water heaters. Of course, they're modern... you'll agree that anything electric is modern. But, what's very important to you is how practical they are, what they do to operate and what they'll do for you. Let's see about the practical part:

First, you can put them in any place. No worry about vents, flues or chimneys. Electric water heaters are COMPLETELY insulated on ALL SIDES. A kilowatt needs no air to operate, gives off no fumes, so no need for vents. That eliminates a major item of installation cost. All an electric water heater needs to operate and give you hot water is the electric wires and the water connections. You can put an electric water heater in a closet, in the attic, in the garage, in an alcove, even in the kitchen or bath to make cabinet top space above, even LOOK good.

Second, the safety, convenience, dependability are worth far more than the small cost of operation. Let's examine what it costs to run an electric water heater. The Public Service Company gives you a special water heater rate—only 1¢ per kilowatt hour. Here's what you get then. Plenty of hot water at any hour of the day or night, at an average cost of approximately a dime a day; roughly, three dollars a month. Now, think a minute. What else can you buy that costs as little and gives so much benefit? Fact is, three dollars wouldn't keep most folks in cigarettes for a month.

Well, I've tried to correct some of the misconceptions some of you have had about electric water heating. Now it's up to you. Any questions you may still have, I'll be glad to answer... through your Public Service Manager. Just ask him, he'll be glad to help you.

Reddy Kilowatt

WILSON NEWS

Pullet Gets Off To Good Start

An egg of unusual size was laid last week by one of Mrs. Bob Merrill's six month old pullets. It measured eight inches around the long way and six inches around the center, making it look more like a goose egg than a pullet egg, states Mrs. Merrill. She has a flock of about 200 Hy-line pullets, but up to this time this is the only extremely large egg she has received.

Dejuna Wilson is home from Mercy Hospital where he underwent surgery some time ago.

Mr. and Mrs. Francis Perry were week end guests in the home of Mr. and Mrs. Coy Perry and Shirley in Breckenridge. Coy Perry is Francis Perry's brother.

Buddy Sexton, who is a student at Tarleton State College at Stephenville, visited over the week end with his parents, Mr. and Mrs. F. B. Sexton. Mrs. Sexton's sister, Mrs. F. E. Sipe, Mr. Sipe and Lowell and Sue of Sylvester visited in the Sexton home Sunday.

Mr. and Mrs. Al Camp of Gresham, Ore. visited here last week in the home of Mrs. Camp's brother, Harmon Thompson, and Mrs. Thompson.

Mrs. J. Z. Wadzeck and sons visited in Plainview Monday with her parents, Mr. and Mrs. Ted Campbell.

Dr. and Mrs. M. M. Landrum of Lampasas were week end guests in the home of Mrs. Landrum's nephew, Bill Alsbaugh, and Mrs. Alsbaugh.

Townsend visited in Clovis with Mr. and Mrs. J. J. Albright, and Mr. and Mrs. C. O. Townsend. The Townsend women and Mrs. Albright are all sisters.

GATE - CLOSERS

Dear Friends

A farmer friend of ours paid Humble's field men a fine compliment recently.

He said, "There's one thing about you Humble people, you close gates."

Well, of course we do.

All of us at Humble want the good will of the folks with whom we do business. And among those folks, the farmers and ranchers who lease their land to us for exploration and production are right at the top of the list.

In fact, you farmers are partners with us in the development of a vital natural resource. If our efforts are successful then everyone involved benefits.

Keeping the gates closed and the fences mended—things like that are the least we can do.

We know. A lot of us grew up on farms and ranches.

Mr. and Mrs. J. S. Avent visited in Wichita Falls this week end in the home of Mrs. Avent's niece, Mrs. Joy Edwards, and Mr. Edwards.

By Vern Sanford
Texas Press Association

AUSTIN, Tex.—Texas' drought relief program is in high gear again. President Eisenhower announced a double-barreled shot in the arm for cattlemen's feed buying projects.

Grain subsidies were increased from \$1 to \$1.50 per hundred-weight and the aid period extended 60 days to Dec. 31.

An additional \$5,000,000 was allocated to the hay and roughage buying program. This had been stalled for nearly a month after the original \$1,000,000 grant ran out. Certificates good for a \$7.50 per ton subsidy are again available to eligible livestock owners through the Farmers Home Administration.

To increase effectiveness of this project, officials said western railroads agreed to make a 50 per cent reduction in freight rates on carload lots of hay sent to drought areas. Reductions were to take effect this past weekend.

Both parties lost no time in making political hay with the new farm assistance. GOP National Committeeman Jack Porter said, "This will help greatly to win Texas for the Republicans."

State Agriculture Commr. John White, a staunch Democrat, expressed gratitude, "regardless of the political aspects." But, he pointed out, help needed several months ago didn't come until just before the election.

BOTH PARTIES WOO TEXAS.—Both sides are rolling out heavy artillery in one of the most feverish campaigns for Texas' electoral votes in presidential campaign history.

Democrats will have an all-star cast of seven U. S. Senators stumping the state from now until Nov. 6. They are Sens. Stuart Symington, Missouri; Michael Mansfield, Montana; Russell B. Long, Louisiana; John Kennedy, Massachusetts; Albert Gore, Tennessee; Robert S. Kerr and Mike Monroney, Oklahoma.

In addition, Texas' own top Democratic brass, Sen. Lyndon Johnson, Speaker Sam Rayburn and Governor-Nominee Price Daniel, will be in the field.

For the Republicans, Vice President Richard Nixon made a second visit and termed the Texas race "neck and neck." But, he contended, Eisenhower represents Texas Democrats' views better than Stevenson.

Each party had a "big event" within days of each other. Republicans saluted Texas-born Ike with a statewide birthday party Saturday. Democrats, hard-pressed for operating funds, slated doorbell ringing on "Dollars for Democrats Day" Tuesday.

POLIO FUNDS UNUSED.—Texas stands to lose some \$2,500,000 in federal funds unless polio vaccination is greatly stepped up in the next eight months.

State Department of Health officials said Texas so far has spent only \$540,000 of the \$3,064,124 allocated. If not used by June 30, 1957, funds will revert back to the U. S. Public Health Service. At the present rate of inoculation, say officials, a sizable portion will be left over.

In urging more widespread vaccination, they cited statistics. Polio deaths dropped to zero among persons having the prescribed series of three shots.

Harrison County obliterated paralytic polio in its population this year by mass inoculation of its 7,600 school children. First project of its kind in Texas, it was without cost to the children. County-wide cooperation of doctors, nurses, teachers and bus drivers made it possible.

SCHOOL INVESTMENTS OUTLINED.—Texas' permanent school fund now totals more than \$335,000,000. It's the largest of its kind in the U. S.

Annual income to public schools is about \$9,000,000, the State Board of Education has been advised by its investment counselor.

Two-thirds of the fund is invested in the U. S. Government, the remaining \$125,000,000 in Texas. In-state investments include \$92,000,000 lent to school districts, \$8,000,000 to cities, \$21,000,000 to counties.

'NEW LOOK' IN LICENSES.—Next year for the first time since 1932 Texans will have black and white license plates on their cars. Letters will be black, backgrounds white.

State Highway Department said it is bowing to public insistence. Black and orange plates didn't blend with today's auto color schemes.

New tags also will be dressed up with a "lone star" between the prefix letters and the numbers.

Texas Prison System is producing some 4,500,000 pairs of plates and 392,000 single plates. They go on sale Feb. 1.

EXPENSES UP, INCOME DOWN.—Texas government spent \$11,000,000 more than it took in during

September, according to Comptroller Robert S. Calvert.

Expenditures totaled more than \$70,000,000, and revenue receipts came to only \$59,000,000. A net cash balance of \$32,671,870 was left in the general revenue fund.

Last year September was much better. Expenditures were \$63,000,000; revenue, \$69,000,000.

SHORT SNORTS.—Jim Lindsey, outgoing speaker of the Texas House of Representatives, has resigned as executive vice president of the Texas Good Roads Association. He aims to devote more time to his new post as State Democratic Executive Committee chairman.

Cochran, Gaines, Lamb and Youkum Counties have been added to the state's drought disaster area. This brings the total count to 218 of Texas' 254 counties, according to the governor's office.

U. S. Dept. of Agriculture's October survey estimates Texas sorghum grain harvest for 1956 at 93,480,000 bushels, corn at 25,528,000 bushels. Other state crop forecasts: rice, 10,891,000 (100 lb.) bags; oranges, 2,300,000 boxes; grapefruit, 3,500,000 boxes.

Texas Boy Scout officials in 531 towns are conducting a drive to raise \$2,500,000. Scope of the coming year's program for some 200,000 boys from 8 to 18 hinges on the campaign's success.

Applications are being received to take competitive exams for four job classifications in the State Health Department. Tests will be given in the categories of food and drug inspector, junior sanitarian, junior engineer and health information specialist. Merit System Council, 814 Littlefield Building, Austin, will send information.

Mr. and Mrs. Fred Walters entertained Saturday night with a barbecue supper. Those attending were Mr. and Mrs. Lee Troy Lester and family of Levelland, Mr. and Mrs. George Gamble and sons of Union, Mr. and Mrs. Ray Walters and son, and Mr. and Mrs. Dwayne Walters and children.

Mr. and Mrs. J. T. Medart of Amarillo spent the week end here with Mrs. Medart's father, J. N. Carroll, and her sisters, Mrs. Barney Wilson, Mr. Wilson and family, and Mrs. Fred Blair, Mr. Blair and family.

There is nothing sweeter than youth, nor anything as truthful.

Celebrations, programs and exhibits will be held across the state this week by the thousands of Texans in the petroleum industry. Gov. Allan Shivers designated Oct. 14-20 as Oil Progress Week to point up the contributions of oil to the state's economy.

Fall opening of the Texas School for the Deaf has been delayed a second time by the \$2,500,000 construction project on the campus. Previous opening day was Oct. 15. Now completion of 19 new cottages and two class buildings is not expected until sometime in November.

Two new medical and surgical buildings being added to the Texas State Hospital System are said to be among the nation's best. Washington experts inspected the new unit at Austin State Hospital and plans for a similar one at San Antonio. They termed both outstanding in beauty, economy and effective patient care.

Texans Find Ike Stands For Same Things We Do
A fellow was in our town the other day selling men's suits. He was from St. Louis, and he said he was a manufacturer's representative. Grandpa would have called him a dry goods drummer, and Papa would have referred to him as a traveling salesman. This shows you how things change with time. But actually that fellow from St. Louis was doing just about what the earlier visitors did—trying to sell suits.
You might say that he stayed in the same place but the names went off and left him. Reminded me some of the political situation in Texas.
I was reading a letter in the daily newspaper last week, from a man who said he was going to vote for Eisenhower. "I am a Democrat," he wrote to the editor of the paper, "but I feel like the party has run off and left me."
Come to think of it, a lot of conservative-type Texas Democrats are in that shape today. They haven't changed their views much on such things as local control, government spending, bureaucratic red tape, and freedom of the individual; they still travel down the same road they did 50 or 30 years ago, even if they do it at 70 miles an hour instead of 25.
They grow up believing that a man could live down nearly any-

... except voting for a Republican. They always voted for straight, until a good many of them jumped over the traces in '62 and went for Ike.
"I can't figure out what's happened," one of them told me. "Seems like Eisenhower talks like a Democrat and Stevenson talks like a college professor."
The other day this same fellow said: "I think I've got it figured out. Ike stands for the things we Texas Democrats have always stood for. Adlai is too thick with Walter Reuther and that crowd to suit me. I'm going for Ike again."
That's the way with most folks in our town. They decided to give Ike a try at it in '52, and they like the way he has gone about the job. There are some things they wished he'd done a little different, but by and large they think he has made us a fine hometown. At least all the hometown boys are back from school, and as far as we know, the government is better than Boston's.
Somebody asked what Ike was suit himself. How did he get it? He was getting along, and he said he didn't know. He isn't in the clothing business any more, he explained. "In fact, he got out of it at 70 miles an hour instead of 25."
They grow up believing that a man could live down nearly any-

Yours Truly,
Tex
(Pub. adv. paid for by Texas Democrats for Eisenhower, Walter Hart, Director)

Haul Those Burs Home Advises County Agent

"Haul Those Burs Home" advises Editor Eugene Butler in the November issue of The Progressive Farmer magazine.

Growers are finding that burs help land soak up water. Too, burs seem to speed up maturity of cotton.

Lubbock County Agent D. W. Sherrill thinks 4 tons of burs per acre is about right for irrigated land. Burs used at this rate will usually give a quarter-bale increase in yield. He suggests disking in the burs, keeping them near the surface. Preplanting irrigation will rot them.

Sherrill estimates that three-fourths of the gin trash in Lubbock County is now going back to the land. Considering the South Plains as a whole, from one-third to one-half is probably being hauled back to the farm.

Farmers can get burs with \$7.50 worth of plant food per ton. If applied to the land for \$2.50, it is good business.

Marsh to Head Tiger's Lair Staff

The annual staff, with the exception of an assistant photographer, has been chosen and will start to work on the yearbook soon.

Donnie Marsh will head the staff as editor. Assistant editor will be Louise Moore. Dal Stanley is business manager; Sandra Long, assistant business manager; Dickie Thomas, sports editor; Bobby Sokoll, assistant sports editor; Helen Norris, typist; Linda Smith, assistant typist; Freddie Marriot, art editor; Venita Green, assistant art editor; and Patti Cooper, photographer.

—The Tiger's Cage

IT'S THE LAW in Texas

★ public opinion ★
★ the State Bar of Texas ★

WHO HAS THE "RIGHT OF WAY?"

Possibly the most mystifying of all traffic rules to the average driver are those relating to "Right of Way" at an intersection. In reality, however, these rules are quite simple.

In trying to understand the laws regulating intersecting traffic, it is best to start off with the premise that all streets are of equal dignity, legally speaking. Traffic signs and signals may vary this rule somewhat, but when in doubt it is safest to assume that all drivers crossing your path have a claim to the right of way equal to your own.

Obviously, however, in many cases one driver or the other will be legally entitled to the right of way. When it becomes necessary to determine right of way in a particular situation, the driver who reaches the intersection first, or who is going to get there first, is ordinarily favored.

But when two automobiles are an equal distance from the intersection, the one approaching from the other driver's right normally has the right of way.

Some intersections are known as "courtesy corners," having a stop sign or a flashing red signal facing each direction of approach. The first driver reaching the corner and coming to a complete stop will normally have the right of way over other vehicles not already in the intersection. However, don't

depend too much on the other fellow's courtesy, and be sure to keep a "proper look-out" and your car under "proper control," as explained in a previous column.

At intersections involving one through street and another street having a stop sign, a driver approaching the stop sign and coming to a full stop is ordinarily said to have the right of way over vehicles approaching on the through street but not already in the intersection.

However, this last rule must be qualified by saying that you should not proceed, cross or turn onto the through street until you can do so without interfering with oncoming traffic. In other words, if an approaching car will arrive within the intersection before you are completely clear, wait just a little longer. The same rules apply to entering a highway from a side road containing a stop sign.

Many drivers violate the rules of right of way covering left-hand turns at intersections. When turning left, you should always be on the inside (or center) lane, displaying the proper hand signal. You must allow all cars coming from the opposite direction, already in the intersection, to pass through before completing your turn. Even when the intersection is cleared, do not proceed unless other oncoming traffic is far enough away to be able to see your signal and slow

down to allow you to turn with safety to all concerned.

Stay in the inside lane until your left-hand turn is entirely completed, and only then move gradually over to the right-hand lane if you wish. When turning right, stay in the right-hand lane at all times. Do not swing wide into the center lane, as to do so is unnecessary, unlawful and dangerous.

Many detailed rules and suggestions for safe driving are included in the official "Texas Driving Handbook" which is available to any person requesting same from the Texas Department of Public Safety, Drivers License Division, Austin, Texas.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Turkey Raising Is Growing Business

The turkey growing operation of Charles E. Prater, Lubbock County, is described in the November issue of The Progressive Farmer magazine. The article, "Turkeys Galore!" describes the feeding, management, and marketing phases of his program.

Prater had his first 500 turkeys contracted before he bought them in 1953. He still works on that plan. He grows Bronzes, Beltsville Whites, and Empire Whites. But he plans to go exclusively to the larger birds in the future.

Prater feeds about 30 pounds of concentrate to 60 pounds of milo per turkey, at an estimated cost of \$4.00. He pastures them in groups of 1,000 on 5-acre plots.

He starts pullets in January for delivery in May and June and continues starting them up to August 1. He sells dressed turkeys fresh or frozen, packaged giblets, and smoked turkeys.

Prater has a complete processing

The Slaton, Tex., Slatonite
Friday, October 19, 1956

plant, covering 2,500 square feet. "Processing means more profit per bird," he explains. "But it takes a certain volume to justify the high investment."

Other farmers in the area have also become interested in turkeys. Arthur Clary, manager of the Clary Produce Co., estimates production is up 200 per cent. In the Lubbock area alone an estimated 75,000 to 80,000 turkeys have been reared for the holiday market this year.

Not Cheaper Just Better

Just out and just wonderful!

The beautifully new Bel Air Sport Coupe with Body by Fisher.

**SEE THE '57 CHEVROLET TODAY!
IT'S SWEET, SMOOTH AND SASSY!**

Chevy goes 'em all one better—with a daring new departure in design (looks longer and lower, and it is!), exclusive new Turboglide automatic transmission with triple turbines, a new V8 and a bumper crop of new ideas including fuel injection!

New right down to the wheels it rolls on—that's the '57 Chevrolet!

By now you know it's new in style. You can see that Chevy's longer, lower—and every inch a beauty. But Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extra-cost options. There's an even finer Powerglide—and new, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind!

Come see the new car that goes 'em all one better—the new 1957 Chevrolet!

The new Bel Air 4-Door Sedan—one of 20 striking new Chevies.

Only franchised Chevrolet dealers **CHEVROLET** display this famous trademark

A BOY'S PRAYER

Dear God... there's so much I'd like to say to You. It's that way lots of times. I want to talk to You, and then somehow I get stuck for words.

I guess I do some stupid things, sometimes... like that fight with Butch Hendley yesterday. He said something I didn't like and then I said something, and that was it. I guess I won, but afterwards I was kind of ashamed. I told Dad about it last night and he went for a walk with me and we looked up at the sky and the stars. Everything looked so big, all of a sudden, that it scared me. It seemed too big to understand.

Then Dad told me that there are lots of things like the sky and the stars, too big for people to ever understand. And he said that that's where Faith comes in, and that it is good to have the Church to put our trust in.

I got to thinking about that, and I told Dad that I'd kind of like to ask Butch to come to Church with us next Sunday morning, but that I was afraid he wouldn't come. Dad grinned at me and said, "Why not ask him and see?"

Dear God... I did ask Butch, and he's coming. Butch hasn't been to Church regularly like I have, so maybe when it comes to praying he'll get stuck for words even worse than I do. But You'll listen to him anyway, won't You? Because he needs You very much... just like I do... just like all of us do.

Thank You, God.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Proverbs	3	1-18
Monday	Proverbs	3	19-35
Tuesday	Matthew	7	15-29
Wednesday	I Corinthians	9	15-27
Thursday	II Timothy	2	1-26
Friday	Titus	2	1-15
Saturday	I John	1	1-12

Grade School Clubs Win Over Wilson

The Wilson and Slaton sixth graders clashed in a football game here Tuesday night. The score ended with Slaton 12, Wilson 0.

John George scored the first touchdown with Kelly Mac Bownds carrying the ball over the second touchdown. Slaton made seven first downs during the game and Wilson made four. 137 yards was marked up by the Slaton team and 79 for Wilson.

Slaton 29, Wilson 7
The second game played on the same night was between the Wilson and Slaton 7th and 8th graders. The score was Slaton 29, Wilson 7.

Moses Diaz was the sensation of the game, making four of the six touchdowns. Wilson's touchdown was made by Maeker on an off-tackle play for 50 yards and the score.

Slaton first touchdown came in the first quarter on an off-tackle play by James Wright for 8 yards. This was followed by Diaz on a pitch-out around right end for 63 yards and the second score.

In the second quarter Moses Diaz made a reverse around left end for 28 yards and the third touchdown. In the third quarter Diaz received a pitch-out around right end for 34 yards and the fourth pay off.

A 50 yard gain on a reverse around left end by Diaz was the second score in the third quarter. Slaton's final score was made in the fourth quarter with a pass from Clack to Claiborne for 28 yards.

Kappa Kappa Iota To Hold Initiation

Mrs. Martha Brown entertained members of the Kappa Conclave of Kappa Kappa Iota and two guests with a card party in her home last Thursday evening.

Guests were Mesdames John Taylor and Jennie B. Nobles.

Initiation of new rushers will be held in Mrs. M. W. Kerr's home Thursday evening, November 8 at 7:30 p. m.

Troubadours Elect Officers

Officers were elected by the Slaton Junior High Troubadours at their meeting on Friday, October 12, in the Junior High auditorium. Johnny Clack was elected president. Other officers are: Gene Talbert vice president; Tommy Claiborne, secretary-treasurer, and Dick Martin, reporter.

The Troubadours will meet every Friday at 12:45 p. m. in the auditorium. Director of the group is Mrs. Sam Mullenax; accompanist, Mrs. M. G. Davis.

Mrs. Viola Cox of Levelland visited this week in the home of her sister, Mrs. Bert Hastings, and Mr. Hastings.

Nelda Lemon, sophomore at Howard Payne College at Brownwood spent the week end here with her parents, Mr. and Mrs. L. O. Lemon.

Mr. and Mrs. J. C. Smith of Crosbyton, former residents of Slaton, visited in the home of Mr. and Mrs. W. W. Clark on Friday, Oct. 5.

Mr. and Mrs. O. B. Chambers and daughters attended the funeral of Mrs. Chambers' uncle, Otto Alexander, in Sheveport, La., last Sunday.

If a chair leg or dropped pan has left a souvenir gouge on floor or counter top, follow this recipe. For a perfect color match grate a scrap of leftover linoleum. Mix with a little shellac to make a paste; fill the damaged spot. When dry, wax and polish.

how to finance home repairs

If you need money and materials for property improvements - here is the place to come for friendly service.

We can arrange FHA financing for you with repayment terms up to 36 months . . . and you get the LOWER FHA rate.

Margie Moczygamba Honored at Shower

A miscellaneous shower honoring Miss Margie Moczygamba was given on October 14, in the home of Mrs. Milton Piwonka.

In the receiving line were Mrs. Leo Moczygamba, mother of the bride; Mrs. H. P. Piwonka, mother of the groom; Mrs. Paul Dworaczynski, grandmother of the bride; Mrs. Mary Wotipka, grandmother of the groom; and Miss Frances Moczygamba, sister of the bride.

Crystal and silver appointments were used on the serving table which had as a centerpiece a bride and groom on a moon crescent. The bride's chosen colors of turquoise and pink were carried out in table decorations. The wedding date was announced in a hand drawing above the buffet. Cut flowers decorated the bedrooms where gifts were displayed.

Hostesses for the shower were Mesdames Alphonse Denzer, Milton Gydos, Everest Dworaczynski, Bernard Nesbitt, Victor Heinrich, Robert Bednarz, Milton Piwonka, Walter Denzer, Oscar Buxkemper, Leonard Kahlich, and Miss Kay Ella Buxkemper, all of Slaton; Mrs. J. E. and Mrs. Edgar Kahlich of Levelland; and Mrs. Julia Dworaczynski of Wilson.

Guests were registered by Cathy Kahlich and Irene Ann Steffen. Seventy-six guests attended the shower.

Grace Mission Workers Meet

The Grace Mission Workers of the Grace Lutheran Church met Thursday, October 11, at 8 p. m. at Parish hall. The meeting opened with the Thanks Offering Service led by Mrs. Arthur Stolle.

A playlet, "A Secret Have I," was presented by Mesdames Fred Kiesel, Paul Boyle, Fred Kahlich, Willie Becker, Pauline Siewert, Wallace Becker, and C. M. McPherson.

During the business session, officers were elected as follows: President, Mrs. Edmund Wilkie; vice president, Mrs. Robert Snyder; secretary, Mrs. Paul Boyle; treasurer, Mrs. Wallace Becker; reporter, Mrs. A. A. Russell; hostesses for the social hour, Mrs. Earl Forster and Mrs. H. F. Treptow.

Refreshments were served to 22 members and two visitors. Mrs. Lewis Fudge was welcomed as a new member.

MEET YOUR TEACHERS

"Three heads are often better than one" is the conclusion arrived at by this trio of new faculty members of Slaton Junior High School.

Mrs. Sam Mullenax teaches a varied schedule of sixth grade reading and spelling, sixth and seventh grade music, and sixth grade physical education.

West Virginian on Faculty

Prior to her marriage, Mrs. Mullenax was Priscilla Swiger of Fairmont, West Virginia. Her husband is also from Fairmont. They moved to Slaton from Ponca City, Okla., last July.

Priscilla got her B. M. degree from the University of West Virginia in 1954. This is the first year she has carried a full teaching load. She did substitute teaching while living in Wyoming.

Though she majored in organ at college and takes it quite seriously, Priscilla claims it as a favorite pastime.

Sam works in the office of the Continental Oil Co. They attend the First Methodist Church.

Sixth and Seventh Grade Coach

Jack Mayo moved to Slaton from Commerce where he attended East Texas State Teachers College. He and his wife, Betty, are originally from Van.

Jack teaches seventh and eighth grade health, and seventh grade reading and spelling. Sixth and seventh grade boys know him fondly as "Coach."

This is Jack's first year in the teaching profession. Prior to attending East Texas, he played football at Tyler Junior College. The Mayos have a son, Mark, 22 months old. They attend the First Methodist Church.

Experienced Teacher, New to Slaton

George Patterson is new to Slaton but has four years experience in teaching. He moved to Slaton from Donna.

In 1952, George received his B. A. degree from North Texas State Teachers College at Denton. At present, he is teaching 3 sections of social science, health, and geography in the sixth grade.

George is an inactive member of the Kiwanis Club. He is fond of all types of sports, especially fishing and swimming. George attends the First Methodist church.

Mr. and Mrs. Wallace Becker visited in the home of Mr. and Mrs. Marcus Wilke of Southland Sunday.

JACK MAYO (left), Mrs. Sam Mullenax, and George Patterson have found that teachers have studying to do, too. Here the three new teachers in Junior High School do a little reference work before class.

Jim Campbell Guest Soloist for W. S. C. S.

Mrs. R. J. Clark concluded a study of "Paul's Letters to the Local Churches" at the regular meeting of the W. S. C. S. of the First Methodist Church on Tuesday morning.

Jim Campbell, Minister of Music, sang "My Task." He was accompanied by Mrs. Webber Williams.

Twenty-one members and three guests were present at the meeting.

At the next regular meeting of the society, they will meet in circles as follows: Mexico, Mrs. A. E. Whitehead, Tuesday, Oct. 23, 3 p. m.; Africa, Mrs. S. H. Adams, Tuesday, Oct. 23, 9:30 a. m.; India, Mrs. R. H. Todd Sr., Tuesday, Oct. 23, 9:30 a. m.; Cuba, Mrs. R. W. Bowman, Monday, Oct. 22, 4 p. m.

B. of R. T. Lodge Has Banquet

Ford Stansell was master of ceremonies at a banquet given by the members of B. of R. T. Lodge 892 at the clubhouse on Tuesday, October 9. Wives of the members were guests.

Bar-B-Que chicken and beef were served by Underwoods of Lubbock to 65 people. Officers attending were: Jonas Cain, president; R. E. McReynolds, Lynn Perdue, Jack Nunley of Lubbock, O. W. Ray, Calvin Lamb, and R. F. Stansell.

Jack Nunley was presented a fifteen year service pin by O. W. Ray, past president.

The group was entertained by Dana Heaton, Anne Wright, Sharon Perdue, Thelma Lee Kidd, Olivia Kay Sanders, Glenda Kitten, Shirley Love, and Mrs. Pat Terry of Lubbock. Those on the banquet committee were: O. W. Ray, J. H. George, and Lynn Perdue.

LOCAL TEACHERS TO ATTEND AREA MEETING

Mrs. Ima Dora Haile and Mrs. Joyce Cheatham, local homemaking teachers will attend an Area In-Service Education Conference for Homemaking Teachers in Canyon High School, October 20, 1956, from 8:30 to 4.

Teachers from thirty eight counties will be in attendance, according to Esther Sorensen, Area Supervisor of Home and Family Life Education. The theme of the meeting is "Organizing and Getting a Balanced Homemaking Program into operation." This theme is a follow-up from the State In-Service Conference which was held in San Antonio in August.

Mrs. Haile, who is the Chairman of the Area I Advisory Council for Homemaking Teachers, will preside during the morning session and for the business session which will be held in the afternoon.

Mrs. Todd Reviews 'Madame Butterfly' For Club Meeting

Under the title "Music Hath Charms" Mrs. R. H. Todd Sr. reviewed the opera "Madame Butterfly" at the meeting of the Civic and Culture Club Wednesday afternoon when Mrs. M. L. German was hostess.

This was a timely program since the opera will be presented at the municipal auditorium in Lubbock early in November.

The meeting was presided over by Mrs. A. L. Robertson in the absence of the president, Mrs. H. G. Sanders.

Those present were Mesdames H. E. Anderson, J. D. Barry, A. C. Burk, Martin Collins, George Culwell, Bessie Donald, J. A. Elliott, R. C. Hall, W. R. Lovett, Francis Perry, Robertson, Fred Schmidt, Todd, W. R. Wilson, M. A. Pember and S. H. Adams.

Men's Bible Class Elects Officers

The Busy Men Bible Class of the First Methodist Church elected officers on Sunday, October 14. They are as follows: Rev. Elmer Crabtree, teacher; J. F. Jordan, first assistant teacher; W. L. Blaylock, second assistant teacher; Bartlett Jones, president; Walter Jochetz, vice president; Harvey Tunnell, secretary-treasurer; Paul Walker, assistant secretary-treasurer; Willis A. Farrell, song leader; Joe Miles, pianist.

Winsome Class Installs Officers

The Winsome Class of the Westview Baptist Church met in the home of Mrs. Kenneth Brush at 7:30 p. m. on Thursday, October 11. Mrs. Brush led the opening prayer.

Mrs. Ray Belt installed new officers for the class. Mrs. Belt's theme idea was praying hands. A booklet describing the duties of the office with a picture cover of the praying hands was handed to each of the following officers as they were installed: Mrs. Trudie Morris, president; Mrs. R. C. Brush, vice president; Mrs. Kenneth Brush, secretary-treasurer; Mrs. J. E. Gary and Mrs. Mozell Padgett, group captains. At the close of the installation, Mrs. J. G. Harper Jr. sang "Take My Life and Let It Be."

Part of the business meeting to conclude old business was presided over by the retiring president, Mrs. R. C. Brush. Mrs. Morris then assumed her role as new president.

The class presented gifts to Mrs. Belt and Mrs. Brush. The members decided to draw for sunshine sisters.

Refreshments were served to Mesdames Morris, K. Brush, R. C. Brush, Dave Robison, Cleo Green, Padgett, Emmy Cagle, Belt, Gary, and Harper.

Catholic Youth Club Success

The Catholic Church has sponsored a youth club in St. Joseph's Hall from 7:30 to 10:30 p. m. on the second and fourth Sundays of each month for the past six months. The idea was put into effect on a trial basis. It proved so successful that plans have been made for its continuation another six months.

An average of 70 young people from the age of 12 attended the get-togethers each time during the trial period. Three couples, who were parents of children in the age group, chaperoned the young people and furnished refreshments.

A standing committee has been appointed to have charge of this committee are: Mesdames Willie Heinrich, Walter Bednarz, A. A. Wimmer, and Victor Buxkemper.

No charge was made for admittance during the first six months, but in order to have needed equipment, there will be a charge of 10c a person for each of the next meetings. The committee would like to purchase a new record player, ping-pong table and other games.

Each member of the youth club is welcome to bring one guest who may or may not be a member of the Catholic Church. In this way the chaperones can have a more definite number for which to prepare refreshments.

Mr. and Mrs. John Ehler

JOHN EHLERS CELEBRATE 50TH WEDDING ANNIVERSARY

Mr. and Mrs. John Ehler celebrated their golden wedding anniversary last week when they attended Mass on Tuesday, October 9, at six fifteen in the morning. They were married on October 9, 1906, in St. Mary's Catholic Church near Hallettsville, Texas. Last Sunday their children entertained in their honor with turkey dinner at St. Joseph's Hall, for relatives and friends.

Seated at the head table with the Ehlers were their attendants, Mr. and Mrs. E. J. Till of Cuero and Mrs. Edmund Kiesel of Schulenburg. Right Reverend Monsignor T. D. O'Brien and Rev. Emil Wesselsky of Our Lady of Grace, San Antonio, were also seated at head table. Dinner was served by their grandchildren.

Native of Germany
John Ehler married Mary Till in St. Mary's Catholic Church near Hallettsville, Texas, on October 9, 1906. The Ehlers lived in Hallettsville. Mrs. Ehler comes from a family of 10 and was born in Hallettsville. When he was one year old, Mr. Ehler came to the U. S. from Germany. He is from a family of 8 children.

The Ehlers have seven children, 30 grandchildren, and 11 great grandchildren. Their children are: Mrs. Lillie Raschke, Colorado City, Tex.; Mesdames Annie Schuette, Stephanie Bednarz, and Adele Schmalz, all of Slaton; Ervin, Idalou, Edgas, Lubbock; Herbert, Slaton.

Mr. Ehler is a retired farmer. Mrs. Ehler is an active member of the Catholic Daughters of America and the Aitar Society.

One-hundred sixty-five guests attended the celebration. The centerpiece consisted of a three tier cake decorated with gold roses flanked by gold candle holders with streamers labeled John, Mary, and the year 1906. The hall was decorated with yellow dahlias.

L. O. Lemon Host At Class Meeting

The class taught by L. O. Lemon at the First Baptist Church met in his home for a regular business meeting, Thursday, Oct. 11. J. W. Martindale, president, presided. Plans were discussed for ladies night.

During a fellowship hour, refreshments were served to: Paul Melton, Ray Ricker, Floyd Guelker, Howard White, Lynn Perdue, and J. W. Martindale.

Mrs. Ray Belt Installs Officers

On Wednesday, Oct. 10, at 3 p. m., the Willing Workers Class of Westview Baptist Church met in the home of Mrs. J. S. Vaughn, class teacher.

The meeting was opened with a prayer by Mrs. C. A. Bloxom. Mrs. J. B. Patterson gave the devotional. A short talk on the past history of the class was given by Mrs. Vaughn, after the business session was completed.

Class officers for the coming year were installed by Mrs. Ray Belt as follows: Mrs. V. P. Williams, president; Mrs. Bloxom, vice president; Mrs. Bert Hastings, secretary; Mrs. G. E. Taylor, treasurer; Mrs. Loraine Wicker, Mrs. Francis Keene, and Miss Lilly Payton, group captains.

Refreshments were served to ten members of the class and one visitor.

Girl Scout Troop 6 Meets at Junior High

Girl Scout Troop 6 met Thursday, October 11, in the study hall of the Junior High School. They designed and painted three posters for the fund drive.

Present were: Margaret Meeks, Janet Martin, Areta Privett, Lundy Roche, Susan Lovelady, Nancy Anderson, Patricia McSween, Sue Armstrong, Melva Wall, and the leaders, Mrs. W. L. Roche and Mrs. Alton Meeks.

Mrs. Hubert Alexander of Breckenridge spent the week end here with her sisters, Mrs. Louise Melcher, and Mr. Melcher, Mrs. Wesley Gentry, and Mr. Gentry. Mrs. George Klattenhoff, and Mr. Klattenhoff.

"Campus Corner"

By Beverly Bland

Campus Corner did not appear last week because of six weeks exams. Now that that terrible week is over the students at SHS can be at ease for the next five weeks.

As you all know by now, the Tigers were defeated last week by the Lockney Longhorns. The boys have played better ball, but all played a good game with Phil Pearson making the only touchdown for Slaton.

Following the game Tiger Town was opened and there was a large crowd out there. Visitors are always welcome to come out to Tiger Town. It is open on Friday nights after home games and every Saturday night.

There will be a meeting of the Slaton chapter of FHA Monday night in the high school auditorium at 7:30 p. m.

Friday night the Tigers will journey to Spur to meet the Spur Bulldogs in their third conference game of the season. The student body will be out backing them. Will you try to be there, too?

Last Friday at pep rally we had Robert Huser as guest speaker, and visiting were Mr. and Mrs. J. L. Reed, Mrs. W. F. Tucker, Francis E. Perry, Otis McClanahan and T. E. Gunner. The pep rally itself was good; Coach Marvin Smith gave a pep talk. Each Friday the pep rally begins at 3:10 p. m. and lasts about 30 minutes. We welcome everyone that can spare 30 minutes up here, and we would also be glad to see last week's visitors back this week.

See you in pep rally.

T. E. L. Class Reviews Past Years Work

The T. E. L. Class of the First Baptist Church met October 11 at 7 p. m. in the home of Mrs. E. M. Lott, class president. The meeting was opened with a devotional by Mrs. J. R. Robertson followed with prayer led by Mrs. L. S. Jeffcoat.

Mrs. Lott presided over a short business session. A complete report was given of the past years work by the retiring secretary Mrs. J. W. Crawford.

New officers for the coming year were installed by Mrs. E. R. Burns. Miss Eula Ferril was officially installed as the new teacher; Mrs. E. M. Lott, president. Other officers were: Mrs. Fannie Patterson, first vice president; Mrs. J. A. Douglas, second vice president; Mrs. A. J. Baker, third vice president; Mrs. W. R. Mabry, fourth vice president; Mrs. Fannie Teague, secretary; Mrs. Cleta Young, associate secretary; Mrs. Kate Fancher, treasurer; Mrs. Crawford, reporter; Mesdames Pearl Darby, Ed Meyers, F. M. McAnear, and R. D. Milliken, group captains.

Mrs. Burns was presented a gift from the class as retiring teacher. For her devotion to the class, Mrs. Robertson was honored with a gift.

Refreshments were served to Mesdames Baker, Burns, Crawford, Douglas, Fancher, Lillian Henry, D. W. Haliburton, Meyers, Patterson, J. M. Stephens, Robertson, Teague, and Miss Ferril. There were three guests present: Mesdames C. E. Jarman, Jeffcoat, and Roy Parks.

Westview W. M. U. Installs Officers

The W. M. U. of the Westview Baptist Church met Thursday afternoon at the church for installation of officers. Mrs. Abe Hester of Lubbock was the installing officer.

The installation service was a comparison of the officers in the W. M. U. to the ingredients of a cake. Each person, like an ingredient, pointed out Mrs. Hester, has to fulfill her duties.

Officers were installed as follows: Mrs. Ray Belt, president; Mrs. J. G. Harper, enrollment vice president; Mrs. Robert Brake, program vice president; Mrs. M. E. Cagle, stewardship chairman; Mrs. T. V. Ellis, community missions chairman; Mrs. Bryan Ross, mission study chairman; Mrs. J. S. Vaughn, prayer chairman; Mrs. Richard Brush, youth director; Mesdames M. R. Morris, Estle White, and Raymond Sampley, G. A. leaders; Mesdames Raymond Wilkins, Kenneth Brush, and Olin Rapp, Sunbeam leaders; Mrs. J. E. Gray, chairman of the Ben Oliver Circle; Mrs. Robert Brake, chairman of the Aletha Fuller Circle; Mrs. Jewel Mason, song leader; Mrs. Dorothy Brush, pianist; Mrs. Clifford Young, reporter.

Seventeen members of the W. M. U. were present at the installation. Mrs. Glazner of Lubbock was a visitor.

Mrs. H. H. Edmondson returned Sunday night from a month's vacation in California, visiting her sister, Mrs. Nora Zimmerman in Los Angeles, Calif. and a brother, Harmon Fox in Fresno, Calif. She also spent one week in the high Sierras and Yosemite National Park.

NEWS OF SLATON MEN IN SERVICE

25TH DIV., HAWAII—Army Pvt. Stanley P. Nesbitt, son of Mr. and Mrs. G. B. Nesbitt, Route 2, Slaton, Tex., recently participated in Organization Day activities with the 25th Infantry Division in Hawaii.

A machine gunner in Company A of the division's 27th Regiment, Nesbitt entered the Army last February. He completed basic training at Fort Hood and arrived in Hawaii last July.

Nesbitt attended Slaton High School.

Gene Berkley, son of Mr. and Mrs. John Berkley, arrived in Slaton last week after having been separated from the Armed Forces. Gene has been in the U. S. Navy.

Joe Sparkman completed boot camp at Great Lakes Naval Base, Illinois. He is now visiting with his grandmother, Mrs. Fred Stottemire, on a two weeks leave.

Sparkman has been assigned to the destroyer, U. S. S. Robinson. He is to report at Norfolk, Va., on October 31.

Mr. and Mrs. Clifford Young attended the Bosses Night Banquet of the Lubbock Desk and Derrick Club at the Lubbock Country Club Tuesday night. Mrs. Young is a charter member of the club.

Lyle Hotchkiss and SSgt. Jack W. Brookshire of Walker Air Force Base in Roswell spent the week end here in the home of Jack's parents, Mr. and Mrs. Jack Brookshire.

W. O. Harper Circle Holds First Meeting

The W. O. Harper Circle of the First Baptist Church held its first meeting of the new fiscal year on Wednesday, Oct. 10, in the home of Mrs. L. R. Gregory. The opening prayer was led by Mrs. Clyde Shaw. Mrs. E. L. Norris gave a Bible lesson on prayer. A prayer led by Mrs. M. C. Kunkel closed the meeting.

Refreshments were served to Mesdames W. V. Smith, Norris, E. M. Lott, Kate Fancher, Roy Parks, Kunkel, L. O. Lemons, Shaw, Cleta Young, R. F. Stansell, Walter Smith, C. W. Jennings and E. W. Tye.

Edwin and A. C. Hoelscher of St. Lawrence visited Sunday and Sunday night in the home of Mr. and Mrs. Oscar Schwertner.

Mr. and Mrs. George Lambright of Farmington, N. Mex. are the parents of a boy born October 12, weighing 7 lb. and 8 oz. Mr. and Mrs. J. H. Lambright of Slaton are the paternal grandparents.

Mr. and Mrs. Jack Cooper, Mrs. A. B. Pruitt, Mrs. Dick Benton, and Mrs. Ophie Cooper and children attended the funeral of J. T. Ethridge in Amarillo Tuesday. Mr. Ethridge was a nephew of Mrs. Pruitt and Jack Cooper.

The Washington Monument is 555 feet high.

The Slaton, Tex., Slatonite Friday, October 19, 1956

Mr. and Mrs. W. H. Bartlett and son Jimmy visited in Lubbock Sunday in the home of their daughter, Mrs. Darrell Baugh, and Mr. Baugh.

Mr. and Mrs. Clifford Young and Mr. Young's sister, Mrs. Jessie Standefer, of Wilson, and his cousin, Mrs. Ethel Bigham, of Abilene, attended the golden wedding anniversary of their cousin, Mr. and Mrs. J. H. Miller at McAlden Sunday.

A Statement of Belief

I believe a man needs to own a piece of land
A home that he can call his own,
Not because it may be cheaper than rent
Not because it may increase in value
Not because it is a hedge against inflation
But for what it will do for his spirit
And that of his family.

Home—your home—becomes you to the world
The outward manifestation of your way of life
Your symbol of achievement
Your incentive to care-free hours
Your anchorage for hopes and dreams
Your bulwark for posterity

I believe that each new family
That acquires a home of its own
Adds beyond measure to its
Security and stability
And to that of America,
A nation founded on the principle
Of private ownership—the source of its
strength.

By Ralph H. Clements

Be for TEXAS! Be a DEMOCRAT!

Vote DEMOCRATIC FROM COURT HOUSE TO WHITE HOUSE

(Pol. Adv. Paid for by Texas Democratic Campaign Committee Warren Woodward, Exec. Dir.)

From where I sit... by Joe Marsh

Barnyard "WHOOdonit"

The Barn Owl Controversy still rages in our town. One group claims owls should be protected because they eat vermin. The other faction holds that those little howlers also eat chickens... and should be shot.

Now Pops Parker claims both parties are right. All owls clean up vermin. Some owls also clean out an occasional hen yard.

The way to spot a bad owl, according to Pops, is to put up a 10-foot pole in the chicken run with a No. 2 trap on it. A marauding bird generally perches to

look over the situation before he strikes, giving you your evidence, and the culprit!

From where I sit, I doubt if this will end the owl argument. People have different opinions on the subject—just as they have different opinions about whether beer, tea or what-have-you makes the best thirst quencher. Examine the facts and make up your own mind, I say... and be thankful we live where that's possible.

Joe Marsh

Sandra Wells
Elected President
Little Sisters

Officers for the Little Sisters Chapter of Slaton Future Homemakers of America were elected Tuesday. They are as follows: President, Sandra Wells; 1st vice president June Johnson; 2nd vice president Cherie Arrants; secretary, Maxine Moore; treasurer, Lynn Hurst; historian, Barbara Childress; reporter, Wanda Wells; parliamentarian, Donna Wilke; sergeant at arms Dorothy Kitchens; pianist, Irene Tomlinson; song leader, Pat Schilling; and advisor, Mrs. Joyce Cheatham.

These officers are to serve as assistants to the Slaton Chapter officers during the year. They will assume a part of the responsibility for the duties for their officers during the year, and in the absence of a regular officer, they will officiate. They will attend an Officers Training School in Monterey High School, November 15 along with Slaton Chapter officers and other officers from Lubbock County FHA Chapters. Helen Anne Norris Area 1 President, will preside and instruct the presidents and Kathy Smith will instruct sergeant at arms.

The Slaton, Tex., Slatonite Friday, October 19, 1956

MRS. W. M. PRICE JR. poses with her children for a family shot. Nathan, age 20 months, stands at his mother's shoulder; Dianne, age 10, is seated on the couch; seven year old twins, Nora Jean and Dora Jane, kneel in front.

Slaton Women Give Their
Favorite Tested Recipes

Mrs. W. M. Price Jr. has learned that quick-to-fix recipes can be good as well as time saving on a busy day. Here is her recipe for a delicious, simple apple pie.

Apple Crunch Pie

6 apples, thinly sliced (or enough to completely fill a deep pie plate)
2/3 cup granulated sugar
1 cup brown sugar
1/4 lb. butter (or 1 stick)
1 cup flour

Method

Place sliced apples in pie pan. Mix

in granulated sugar. Cream together brown sugar and butter. Add flour. Spread on top of apple mixture and bake in a moderate oven until well browned (about 45 minutes).

Mrs. Price was Verna Fuller before her marriage. She and her husband are originally from Cameron. They have lived off and on in Tahoka, but moved to Slaton from Cameron two years ago.

Before her marriage, Verna was a long distance telephone operator

Mrs. Cecil Scott
Hostess at Study
Club Meeting

Mrs. Cecil Scott was hostess to the Daughters of the Pioneer Study club at her home on Monday, October 15.

At the meeting, Mrs. Glenn Payne led a discussion on adult educational courses to be held at the high school if enough people were interested. Suggestions were made for courses that would be preferred. Mrs. Scott reminded the club that the Girl Scout Fund Drive would begin on October 16, and urged everyone to give. The club voted to donate \$10.00 to the drive.

Mrs. Robert Davis presented a program on "Life in the Great Smoky Mountains." She showed slides of the area.

Nineteen members of the club were present at the meeting. One new member was admitted: Mrs. John Locke.

Charm Teacher
Is Guest Speaker

Marie Bartley, charm teacher at the Jessie Lee Beauty School in Lubbock, spoke to the Athenian Study Club on "Self Improvement: Poise, Personality." Mrs. Wayne Kenney introduced the guest speaker to the club at a meeting on Monday, October 15, in the home of Mrs. R. W. Bowman.

Present at the meeting were: Mesdames Dick Cheatham, Surman Clark, M. G. Davis, Phillip Dawson, J. E. Eckert Jr., Kenney, R. B. Lain, H. F. Martens, Weldon Meador, Joe Miles, and L. A. Reasoner.

Mr. and Mrs. J. O. Shelton of Taft, Calif. arrived Tuesday for a few days visit with Mr. Shelton's sister, Mrs. A. C. Burk, and Mr. Burk.

Mr. and Mrs. Billy Butler and sons, Billy and Randy, of Seminole spent the week end visiting with Mr. Butler's parents, Mr. and Mrs. J. B. Butler, and Mrs. Butler's parents, Mr. and Mrs. N. R. Boyce.

in Houston. She hasn't worked since marrying. Now with four active children, she finds plenty to do.

Verna likes to sew. In fact, she made the cute dresses that the twins are wearing in the picture. Though she likes to embroider there is little time for it with her busy schedule.

The Price family attends the Westview Baptist Church.

Here's what put the magic in
the new kind of FORD!

It started with the "Inner Ford." When Ford planned this baby, they thought in terms of a car through and through new.

The wheels got smaller. This Ford is so new that even the wheels have changed. Now smaller and broader, they help you take off quickly.

The wheelbase got longer. . . so now you can choose between a Ford that's over 16 ft. long—or one over 17 ft. long!

The frame got wider. Side rails bow out to give a more stable, safer riding platform. . . a lower, sleeker silhouette.

The ride got smoother. With new suspension, new springing front and rear, the ride this new Ford gives is the smoothest ever.

The handling got easier. Potted and balanced like a panther, this car has swept-back front suspension that works its magic when you need it most.

The power got hotter. There's a wide range of Silver Anniversary V-8's to fit every horsepower need* . . . plus a new Mileage Maker Six.

"Six or V-8
the going
is great"

The new Ford Fairlane 500 (118-inch wheelbase). Longer, lower, larger than many medium-priced cars, yet lower in price than most of them!

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body built for a low-priced car. No car in Ford's field has such generous sound-proofing.

The room got bigger. There's head room to spare for a tycoon-type hat. There's real stretch-out leg room, too.

The lines got sweeter. They have the Touch of Tomorrow. Each graceful contour says, "Let's go!"

The style got smarter. With this new-look Ford you have a car that belongs anywhere! All Fairlane models look like hardtops.

The value got greater. . . the price is still Ford-low.

*A Special 270-hp Thunderbird 212 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 212 Super V-8 engine delivering up to 332 hp.

SEE IT FOR YOURSELF!

So now you know the magic of the
'57 FORD!
