Dr. and Mrs. Miller Return From Vacation

Dr. and Mrs. H. F. Miller returned to Slaton Saturday night from Chicago, Milwaukee and many other points of interest in the east. While away they attended the American Medical Convention at Chicago and clinics at different hospitals. They report a great time on this trip. The Doctor visited with his father at Bonner Springs, Kansas while away. They made the trip in their car and of course carried their dog "Buster" with them.

Buster is a great dog and wherever you see these people's car you see Buster guarding it.

On the return trip they were caught in a hail storm near Dumas, Texas, and their side curtains were torn off and holes beaten in the top of the car, the windshield was also broken. Altogether on this trip they traveled 3,895 miles and were absent from our city about thirty days. They state that they were glad to get back to Slaton, as it still looks better to them than anything that they saw while away.

MISSIONARY SOCIETY

The Methodist Missionary Society had an interesting and instructive meeting at the church on Monday, July 7. After a short business session, Mrs. Adams conducted a beautiful program on the Belle H. Bennett Memorial Fund.

Mesdames, Ragsdale, Shankle, McMeen and Miss Frances Adams had interesting parts, capably given while Misses Frances Hoffman and Muff Robertson rendered pleasing musical numbers.

The hostess, for the social hour served delicious refreshments to 33 members and three visitors.

We were glad to have Mrs. Eddie Johnson as a new member.

On July 14 the three o'clock Mrs. Ragsdale will conduct the Bible study, Acts 23rd chapter.

All members are invited to come and enjoy this Bible lesson.

10,000 People Witnessed Klan Parade At Slaton Tuesday

Tuesday evening as per announcement, and on schedule time, one of the most unique parades ever staged in this part of the country took place in Slaton when approximately 800 Klansmen and women, lead by a band from Post City, marched quietly through the streets at 8:20 o'clock before one of the largest crowds ever assembled here on any previous occasion. The crowd was estimated, at 10,000 people, which we believe was very conservative estimate. There was approximately 5,000 visitors to Slaton on this occasion. The writer counted the automobiles and there were 580 parked on the streets of our city and 506 at the grounds where the barbecue was being prepared for the visiting Klansmen.

The most startling part of the performance was the fact that many of the paraders were without masks, and others were without robes or any disguise at all.

The number of visiting Klansmen and women was given out officially as being approximately 3,000. We understand that there were visitors from the Klan at Lamesa, Big Spring, Lubbock, Snyder, Post City, Ralls, Brownfield, Lorenzo, Crosbyton, Sweetwater and perhaps other places.

The line of march came upon the square at the southwest corner turning east and going to the southeast corner, thence north to the McWilliams filling station and then east to the Slaton Bottling Works and then north up by and around the Slatonite office, thence up Texas avenue to the square again and then west to the Custer theater and Frye Filling Station and turned in between this filling station and the First State bank and went west and southwest until they reached the starting point out in the pasture of E. E. Wilson.

The streets around the square were lined on both sides and through the

center with a solid mass of automobiles filled with excited occupants. These cars, many of them had been waiting in line for many hours, and had been arranged in a compact body as possible by the city and county officials. All cars on the sides of the street had been backed into the curb on both sides facing the street.

This parade was pronounced by the spectators as one of the quietest ever staged, as hardly a sound was audible, either from the paraders or spectators, during the entire time consumed by the passing of the procession.

Indeed this was a beautiful sight to gaze upon and one that will long linger in the minds of those who witnessed it. Two mounted horsemen leading the procession with a large truck following bearing the Stars and Stripes and the Firey Cross, sparkling out in the darkness with its beautiful rays of light. Then came the band from Post City playing beautiful music, then the Klansmen with their beautiful white robes. A sigh could be heard here and there, a ripple of delight, and one Old Sainly Mother was heard to remark by this writer "May God Bless Those Men and Women."

Immediately following the parade, the line of march lead to the southwest part of the city where a barbecue had been prepared by local Klansmen in compliment to visiting members of the organization and their families. This feature of the program was pronounced fully as successful as the parade itself had been. 17 beeves and 300 loaves of bread was consumed by the local and visiting Klansmen and their families. The official estimate of the number attending this feast was 5,000.

A special train was run from Post City bringing participants for the parade, including men and women.

Landis Evangelistic Party to Open. Meet Sunday

The Christian church folks and community are looking forward with much anticipation to the coming of the Landis Evangelistic party to lead in the Revival meeting. The party consists of Evangelist and Mrs. Landis, A. L. Haley of Abilene, and local minister and workers.

Evangelist S. O. Landis is a man of wide experience in church work. For several years he labored abundantly in the State of New York and came to Texas several years ago to the ministry of the church at Lufkin, Texas. He did a remarkably fine work in developing the local church and in evangelizing the fields around.

He is a man of pleasing personality, strong of body and mind. His heart is in the work of the Kingdom. It preaching he is strong in bringing the message of the scriptures to the public and in presenting the principles of Jesus Christ in a practical way. While loyal to Christ and the Book yet he is kind to all and seeks to build the whole Kingdom. He is also a singer of much ability both as a leader and soloist. He uses stereopticon considerably in the meeting and in other ways seeks to present the message of Christ in a practical way.

Mrs. S. O. Landis is assistant to her husband and in many fields has had great experience in leading the Kingdom. She will direct this phase of the work of the meeting.

Prof. A. L. Haley, of Abilene, Texas is Nationally known and esteemed in his work. He has worked with some of the greatest evangelists of America in conducting the music and handling the children's work. He is a great leader of song. Then he teaches the children and trains them in their choir work. His Booster Choir will be the talk of the town when he gets them going. Also he is an artist of extraordinary ability. He draws with crayon as he sings. Singing such as "The End of a Perfect Day," "The Old Rugged Cross," "The Homeland" He draws appropriate picture.

A rare opportunity to hear this wonderfully gifted man is offered the people of Slaton during this meeting. Meeting will be held in tabernacle south of the square and begins Sunday, July 13th. Each night at 8:15 and other services as noted.

All who will be invited to help in the chorus work and other features of the meeting in every way possible.

All children of Slaton are asked to be in the children's meetings. They will be taught only those things that all endorse and no undue advantage will be taken. Come. Tell others.

Mrs. Sam Staggs was hostess to the Civic and Culture Club the 28th of June. Four tables for "42" were arranged and some time was spent playing this fascinating game. Another diversion that was indulged in was the sayings of great men of pioneer days. The guests were Mesdames, P. V. Burns, Hodges and Ross. The hostess was assisted in serving the refreshments by her niece, Mrs. Woolf-skill, of California.

H. C. JONES RESIGNS AS MAYOR OF OF SLATON—WILL ASSESS TAXES.

Last week H. C. Jones tendered his resignation to the City Commissioners of Slaton as Mayor. His resignation was accepted by the commissioners. Mr. Jones assigned as the reason for resigning that since he had been appointed as assessor and collector for the Slaton Independent School District, it was unlawful for him to hold both positions, and he felt that he should resign as mayor and retain the position as assessor from a financial standpoint.

The city commissioners will appoint some one to fill out the unexpired

JOHN W. DAVIS IS NOMINATED FOR PRESIDENT OF THE UNITED STATES.

John W. Davis of West Virginia, and New York, was nominated for the presidency by the Democratic national convention Wednesday afternoon. His nomination was accomplished on the 103rd ballot, ending the most extended deadlock that ever existed in any major political convention.

It came only four ballots after the withdrawal of the deadlocking pair, McAdoo and Smith. The West Virginian was really challenged seriously by but one candidate following the McAdoo-Smith retirement—Senator W. Underwood of Alabama.

They had a short brush for a few ballots, but the great secondary strength that the West Virginian has always had in the convention came to the surface rapidly when called for and Underwood was easily distanced.

The band wagon for Davis started with the 103rd ballot. As the roll call proceeded down the line of states and the Davis strength becoming more and more apparent, state after state fell into line. At the end he had a majority—the first time in 103 ballots that any candidate ever had crossed the majority line.

From that point the convention became a procession.

George E. Brennan, Illinois boss, sat with pencil and paper as the roll call proceeded. He had thrown the old Smith following Underwood for three ballots—in return for the aid and support Underwood had given the anti-klan forces in the convention.

Brennan and his allies had voted for Underwood on these ballots, while the old McAdoo forces, following the

TRINITY QUARTETTE

The Trinity University Male Quartet, one of the best known musical organizations in Texas, will appear in concert at Slaton, Saturday evening, July 12. The concert will be given under the auspices of Women's Missionary society of the Presbyterian church, the Rev. J. A. Owen, local Presbyterian pastor, has announced.

Each summer the musicians from the Presbyterian institutions travel over Texas giving concerts in the principal cities and towns. Last year they covered more than 3,000 miles and gave approximately 100 concerts. Large crowds greeted them wherever their programs were given, 1,300 turning out to hear them at San Marcos.

Members of the quartet are Fred Merys, first tenor; Lee Hammet Smith, second tenor; George Henry Newton, baritone and James Harring, basso. Myers and Harring were members of the quartet last year.

Mr. and Mrs. J. Q. Davis and family, of Nevada, Texas, are visiting at the home of T. A. Kirby and family this week.

J. W. Smith of Cisco was in our city prospecting Monday and visiting with our grocery merchants.

Mr. and Mrs. Burney Warren, Mr. and Mrs. Billy Chesley Manley motored to Lubbock Sunday afternoon.

Mr. and Mrs. J. B. Huckabay of Amarillo visited the former's parents, Dr. and Mrs. Huckabay last week.

C. A. Gattis was a business visitor at Lubbock Wednesday.

SPECIAL PROGRAM AT FIRST BAPTIST CHURCH NEXT SUNDAY MORNING.

Sunday morning, July 13, at the eleven o'clock hour a special program will be rendered in honor of the pastor, Rev. Jno. P. Hardesty, who has just closed his third year as pastor of our church and is now beginning his fourth year.

The program shown below was prepared by a committee who hope to see a large representation of the membership present Sunday morning to enjoy this occasion. Also, any others in other churches or those without a church are cordially invited to attend this service, if you can and so desire. We shall be glad to welcome everybody.

Following is the program arranged: Address, "The pastor as a citizen," by Judge Jno. L. Ratliff, of Lubbock. Address, "Advantages of a long pastorate" M. W. Uzzell.

Address: "Financing the church program," by B. F. Rogers of Tahoka.

Address, "The work of the church during the past three years," J. H. Hood.

Address, (Subject to be selected,) Mrs. H. D. Moore.

Response, by pastor.

Some special numbers of music will be rendered along with the talks by the speakers. Judge Ratliff and Mr. Rogers, the visiting speakers will be

given about fifteen minutes each for their talks. The home people will be given from five to ten minutes each.

It may be added that this program was planned through out by the members without a suggestion from the pastor and he feels no delicacy about the matter. In other words it is an expression of the membership showing their appreciation of the pastor's work and their faith in his leadership as we go forth to do the Master's will in the future.

L. A. Wilson,
Church Secretary.

Young Peoples Missionary Society

The Junior Missionary Society was entertained Tuesday afternoon from 4:30 until 6 at the home of Clara Dabney. The election of new officers was carried on successfully after which a plan for a picnic was decided upon. After the business meeting an ice course was enjoyed by the following: Faye Hampton, Maggie George, Margaret Smith, Mrs. Tudor, Marion McHugh, Francis Adams, Muff Robertson, Viola Sparks, Vinnie Dabney.

We will have our next meeting at the home of Muff Robertson at 4:30. Every member meet at the M. E. Church at 4 o'clock Tuesday.

Fred Stotlemire returned Friday morning from Cleveland, Ohio where he had been for five weeks attending the International Convention of the B. of L. E. While away he visited Niagara Falls and other places of interest, also his mother, Mrs. W. A. Batson at Wellington, Kansas.

Mrs. J. S. Lanham left last week for Los Vegas, N. M., for a visit with relatives and friends. She was accompanied by her three children and a nephew, Chas. Lanham.

Misses Lucile Rowley, Elizabeth Barton, Lena Klattenhoff, Julia and Eunice Florence and Virginia Montague attended the wedding of, Miss Olive Michael and Mr. Broughton at the First Christian church at Lubbock Sunday.

J. M. LEMMON HAS FINE CROP OF ALBERTA PEACHES AND OTHER FRUIT

The first of the week J. M. Lemon, chief master mechanic at the Santa Fe shops presented the Slatonite office with four great big Alberta peaches. These peaches were on a limb ten inches long. All four of them weighed 21 ounces. The other three weighed 6 ounces and the other three weighed 5 ounces each.

Mr. Lemon owns what is known as the Hoffman place just west of town, and states that he has a large crop of peaches, and has five trees of the Alberta variety, and they are all loaded with fruit. These are the nicest peaches that the writer has had the privilege of seeing, and goes to prove that just as good fruit can be raised

Chamber of Commerce Mass Meeting Tuesday Night 15th

Let every citizen of Slaton and surrounding territory attend the Chamber of Commerce mass meeting Tuesday night at the City Hall. The object of this meeting is to centralize the various interests of every avenue of industry known in our section.

Our newly elected secretary of Sherman, Texas, is here and ready for duty. He comes to us as a man of honor and integrity, a Christian gentleman. Not only has he come to us as secretary of the Chamber of Commerce, but has come to make this town his home. Mr. Ross has had many years of experience as teacher, corporation work and as secretary of commercial bodies, and we are asking every man and woman to be present on this occasion Tuesday night.

There is not a living soul in our city or community but what is interested in the well-doing of his neighbor. This being true, co-operation solves the problems of life and lessens the expense on the part of all. May we ask for the biggest atten-

dance at any meeting ever held in Slaton, and we further promise that you will be interested every moment of the time. Let's bid our new secretary Mr. J. J. Ross, a hearty welcome and full co-operation.

WOMEN'S AUXILIARY MEETING

The Women's Auxiliary met at the church last Tuesday afternoon in a regular session. A missionary program was rendered and a social hour enjoyed.

Mrs. C. V. Young was the leader of the missionary program. She, with the ones taking parts on this program, made it a very helpful, instructive, and enjoyable study. Really, it was a good program.

After the rendition of the program a social hour was enjoyed, with Mrs. M. W. Uzzell, and Mrs. D. W. Liles in charge. Contests of various kinds were engaged in resulting in plenty of wholesome amusement. Then afterwards, refreshments consisting of

ice cream and cake were served to all present under the direction of Mrs. Dr. Tucker, assisted by several of the other members.

Out of town visitors present were: Mrs. E. P. Anderson, of Lamesa, Mrs. Vandiver of Plainview, Mrs. Arnold of Sulphur Springs, a guest of Mrs. Tucker. Also Mrs. Frank White of Slaton was present. We were indeed glad to have all of these visitors with us, and invite them to come back at their convenience.

The entire membership was gratified to have such a large attendance at this meeting. We feel that much good is being done in all these meetings, and invite still more of our women to come and be one of us.

Next Tuesday the meeting will be held in homes in various parts of the city. Announcements will be made Sunday morning at the church service. Remember to be there.

What do the citizens of Slaton think about the street sprinkling idea. Do you want the streets sprinkled and oiled? This should be started at once.

Again we say that Slaton needs a better and bigger hotel. Every town within a radius of 100 miles of Slaton has us skinned on hotel facilities. We have a good hotel of its kind, and first class hotel people running it, but it is inadequate. It is not modern. We need a modern hotel building. This matter should be given serious consideration.

Our Secretary of the Slaton Chamber of Commerce will soon be with us and then we will go forward with our development program. There is lots of work to be done along commercial lines for our city. We must all buckle down to real work and do things. Opportunities are knocking at our door every day. Shall we let it enter?

The barnyard hen's a good old bird; she supplements the dairy herd, and makes the farmers' wife more money than hubby earns from sun to sun. Where this queen of birds is found, delights of rural life abound, and farmer folks in touring cars, bring chicks and eggs from far and near. She disregards all labor laws, and pecks away to fill her craw, she lays an egg in a tufted nest, then cackling flies to work with zest. She thus a good example sets to folk who labor with regrets.

Up until the time of the writing of this article Monday morning Slaton has received no rain, but crops are looking fine and dandy, and are not suffering for rain. One farmer near Wilson stated to the writer that he would make as much cotton this year as last if it did not rain another drop. There are several farmers in the Wilson community that will do the same thing. They raised lots of cotton last year and will do the same thing again this year. Cotton and feed is still growing and looks good. Sunday we made a trip to Lamesa and things look good all the way down. Feed is about sixty days further advanced in the Lamesa country than in the immediate territory of Slaton. Cotton is about the same.

The editor of the Slatonite and family made a trip to Floydada the 4th. Things are booming over Floydada way. Wheat is turning out good, good rains have fallen, cotton is growing by leaps and bounds. Everybody seems to have plenty of money and have no worries. We pulled mud for about six miles this side of Floydada and stuck right on one of the main stems of Floydada. They had had some rain the night before and the morning of the 4th. Their Fourth of July celebration was in full swing when we arrived. The attendance was small, due to so much rain. Barbecue was served at twlv o'clock in army style, and there was plenty of it, and everyone seemed to enjoy this feed to the utmost.

During the last eighteen months the Commissioner's Court of Scurry county has caused to be constructed about 165 miles of graded hard-surfaced roads. Work is going forward now on the Ennis-Clairmont sector and will be pushed to the Kent county line on the north.

Four "Weary Willies" went to sleep in a box car one morning recently in Missouri and woke up in the afternoon inside the grey stone walls of Missouri's state penitentiary. The box car they were in was switched off into the penitentiary. They were startled when they were informed by the guards that once inside the prison walls they could not get out unless pardoned or paroled. After the guards had kidded them a while they led them over to the gate and told them they could go. They went due west and all that could be seen was a streak of dust. They throwed 'er in high.

Business conditions in Slaton are good considering the time of year. The merchants are not complaining to any great extent. Buying has slackened up a bit, but not enough to cause what would be termed a "slump." Business men of our city are optimistic about business conditions for the remainder of the year and are still of the opinion that they will do more business in 1924 than in 1923. This causes us to remark that if we had a good sized acreage planted to wheat we would see new money in circulation in Slaton. Wheat money comes in early, then cotton money, feed, etc., and we pass right along into the next year as smooth as you please. We are of the opinion that more acreage will be planted to wheat next year. Slaton country will raise just as good wheat as further up in the Panhandle. Plant more wheat next year.

The skating rink has moved on to another town and will as it did in Slaton gather up all the surplus money. This rink stayed in Slaton about eight weeks. They took a lot of money out of town, it done no one any good and done us all a lot of harm. Our people spent a lot of money skating when they really needed it for other things. An institution of this kind that is roving around over the country does not build up our business institutions, they do not support our schools, our churches, etc. They pay a small tax and come in and leave with our cash. It hurt the business men of Slaton for they tell us that they felt the effect of it while it was in our city. Of course we understand that our people have got to have some sort of recreation and amusement, but this prolonged and protracted stuff like a skating rink is the limit. We say keep 'em out if possible, and it seems to us that it could be prevented if the right steps were taken in the matter. These different kinds of amusements that come to our city hurt us to the extent that they take all the money they can get their hands on away and leave very little.

Drug Store Booze Ordinance Is Sought

AMARILLO, Texas, July 5.—Several days ago a movement was started by supporters of a resolution to have the city commission pass an ordinance prohibiting the filling of whiskey prescriptions. This followed reports that certain drug stores were handling 130 gallons of alcohol and 271 whiskey quarterly, according to records taken from the federal prohibition enforcement officers books at Austin.

Supporters of the resolution have declared such an ordinance was passed in a certain city in California, the right to do so being upheld by the supreme court.

Others here announced Thursday that such action in Amarillo could not be taken under the Texas state laws. The matter will be referred to corporation attorneys for opinion. The committee will appear before the commission at an early date.

You'll Need It All!

You can't afford to lose a single bushel of corn or wheat this year! With this year's crop greatly reduced, the country will need every bushel that's raised.

And every bushel you lose because of a lack of proper storage facilities will mean the loss of a nice round sum in dollars and cents.

Even at present prices one would need to lose only a few bushels to lose the cost of a new, modern granary or corn crib.

Better safe than sorry! It would be better to have too much storage than not to have enough.

We'll be glad to show you granary and corn crib plans, and to give you estimates! See us today—no obligation whatever.

THEATRE

MICHAEL-BROUGHTON WEDDING AT FIRST CHRISTIAN CHURCH IN LUBBOCK

Last Sunday morning at 9:00 o'clock at the First Christian church of Lubbock one of the prettiest weddings of the season took place, uniting in marriage Miss Olive Michael and Mr. Walter H. Broughton.

The church was beautifully decorated by the ladies of this church, for the occasion and Rev. Walter P. Jennings, the pastor, pronounced the

beautiful ring ceremony in an impressive manner.

Before the ceremony, Mrs. J. L. Ratliff sweetly sang "Love, Here Is My Heart," with Mrs. Mamie D. Neal accompanist, after which the latter played the processional from Lohengrin.

The ushers, Messrs. A. C. Dodson, of Slaton, and H. C. Ragland of Lubbock marched first down the aisle and took their places in the bridal party. Miss Louise Simpson of Slaton was the maid of honor and was

gowned in a peach georgette with a picture hat of blue. Miss Amelia Cowart wore an orchid georgette with cream lace, and a picture hat to match Mrs. R. E. Overstreet, matron of honor, was dressed in a flesh colored georgette and a hat to correspond. The bridesmaids were very charming in their costumes, and picturesque hats and each carried a beautiful bouquet of tube roses and ferns.

Little Miss Darline Abbott was ring bearer, and in a fairy-like costume of pale green georgette she carried the ring in a lovely single white rose. Miss Doris Peavy of Slaton, was the flower girl and was dressed in flesh colored georgette and carried a beautiful basket of white rose petals.

The bride, handsomely gowned in a pale blue georgette, trimmed in ribbon and white lace, hat to match and white shoes, carried a bouquet of brides roses and ferns, and marched in with her father, Mr. Thos. E. Michael, who gave her away in marriage. The groom entered with the best man, Mr. J. E. Hartley.

After the ceremony, the bridal party left the altar to the strains of the beautiful melody, "March of the Flowers," played by Mrs. Neal.

Immediately following the ceremony, an informal reception was tendered Mr. and Mrs. Broughton by the young people of the Sunday school class to which they were members. The reception was given at the home of Mr. and Mrs. L. W. Sawyer, 1614 Avenue J. Miss Irma Pryor met the guests at the door and ushered them into the beautifully decorated reception room. The bride's cake was surrounded with an elaborate wreath of tube roses and ferns and as usual,

the cutting of the cake was the scene of much enjoyment.

The guest book was presided over by Miss Lotye Mae Cowart and sixty guests registered.

At the close of the reception delicious refreshments of cake and coffee were served by Misses Marguerite and Ethel Mae Whipp, De Ann Sammons, Virginia Ann Mullican and Geneva Shaw.

Mrs. Broughton lived in Slaton for some time and is a charming girl and has a host of friends.

Mr. Broughton is a young man of sterling worth, employed at the Bacon-McKee wholesale house and they both carry with them the best wishes of their many friends for their future success and happiness.

SCHOOL NOTES

Still our high school building continues to rise. The steel stringers that shall cover the gymnasium and also carry the floor of the auditorium are lying in place and the brick walls are nearing completion for the first story. Word has been received, we are informed that shipment of the trimming stone may be expected very soon. This means that the work will continue to move right along and promises a completion of the building in minimum time.

The building will be the last word in comfort and convenience, yet entirely free from extravagance.

The board is having weather strips put on all windows of class rooms in the west ward buildings except those with metal sash. This will add to the comfort of those rooms in cold weather and will cut out most of the sand and dust.

With the exception of a place in high school, all positions have been filled. Special care has been taken to select such teachers as have advanced standing in scholarship and have a fine reputation as community workers. A town never gets so large that the moral qualifications of the teachers should be overlooked. Of course no religious teachings are undertaken but the value of the influences of Christian teachers cannot be over-estimated.

Character building has become a part of every teacher's program, and no character is complete without the Christian element.

Many prospective students are planning their school courses. We are delighted to find so many young men and young women interested in securing an education. We hope that none who can possibly attend will neglect to do so.

Our boys are very much enthused over the football prospects. Not only are we to have a strong squad from the boys who were with us last year, but several experienced players have moved in this summer. The supporters of this great game may rest assured that a successful season is on for this fall.

Quality Eggs Bring Better Price To Producer

Does your community have a reputation for producing a good quality of eggs? If not, why not? Do you rush your eggs to market before they spoil? Do you market your eggs

regularly, or know that the dealer has them several days that they will not spoil on his hands or the customer to whom he sells? Do you market eggs of all sizes, shapes and colors, then wonder why you do not get a good price?

Are you doing your part in building and maintaining a reputation in your community for the production of choice eggs? If you are, you are not keeping scrub chickens. They do not lay a great quantity of eggs, neither do they produce that choice egg that is demanded by the best markets.

Successful marketing of eggs begins and ends with the hen. Successful poultrymen have found that it takes the best to produce the best, and only the best commands peak prices. Naturally inferior stock, poorly fed and housed, is not expected to produce a superior quality of eggs. It is a well known fact that standard bred poultry, properly housed and fed, produces a greater profit for the amount of capital invested than any other crop. Therefore isn't it a good investment for every farmer to keep a sufficient number of well chosen standard-bred-to-lay hens, and to feed and care for them in such a way that he will be enabled to realize a healthy profit.

In May every male bird should be taken off the poultry yard and only infertile eggs produced. By getting rid of all surplus male birds you are not only preventing loss by infertile eggs, but you are saving the extra amount of feed they consume. Infertile eggs will not produce baby chicks. Neither do they decay. If they are kept in a cool place they will dry up and deteriorate.

Former Slatonite Is Victim of Brutal Shooting

Farm Near Crosbyton is Scene of Trouble Between Couple Separated Months Ago

Suffering from three bullet wounds from a heavy calibre automatic and with her life hanging in the balance, Mrs. E. L. Monroe, part owner of the hotel in Lorenzo, lies in a Crosbyton hospital, while her husband, from whom she has been separated for the past eight months, is being held in the Crosby county jail after surrendering to officers after the shooting. The trouble between the two occurred shortly before noon yesterday on the Marsh farm, two miles south of Crosbyton.

Mrs. Monroe had gone to the Marsh farm, where her husband has been living for a short time, to see her two younger children, Linnie, 10, and Homer, 3, and while at the farm was shot by her husband. No serious trouble had ever come up between the two before, although recently, when Mrs. Monroe was an inmate of a local hospital, following an automobile accident near the experimental farm, her husband took the children from her home in Lorenzo and has been keeping them ever since. The couple have another child who has remained in Lorenzo with her mother. She is Etta May, aged sixteen.

Formerly of Slaton Mrs. Monroe is well known in Lubbock county. She has been connected

with the Lorenzo hotel only slightly more than two months and prior to going to that city was the operator of a rooming house in Slaton. Little is known of her husband, who has been a Crosby county farmer for some time.

According to advices received from Lorenzo this morning Mrs. Monroe's condition has not changed since the shooting and she remains in an unconscious condition. Immediately after the shooting Dr. C. M. Overton, of the Lubbock Sanitarium was summoned to the scene of the trouble and if it is possible Mrs. Monroe will be removed here today. Monroe refused to make a statement concerning the reason for his act.—Plains Journal.

Southland Wheat To Average 22 to 35 Bushels

In last week's issue of the News we published the wheat yield would average from 12 to 15 bushels per acre which is about half of what it is averaging the average over this part of the county will be from 22 to 35 bu. to the acre weighing 62 pounds to the bushel.

This is a big yield for this part of the country. If every farmer in Garza county had one third of his land in wheat it would give us a mid-summer harvest, which would put more money in the country during the hard part of the year.

Several car loads of Garza county wheat have been shipped from Southland.—Southland News.

WILSON MERC. TRUCK OVERTURNED

Tuesday afternoon on the way home from Lubbock, Web Williams lost control of the truck he was driving. The sand and a defective steering gear caused the truck to run into the ditch and turn over. It was loaded with bran and this was throw off.

Web was able with the help of some people to straighten the truck and reload the feed. He then drove home and unloaded here but was very sick all night. No serious results are expected however.

How many times did you read a passage from your Bible last week?

Felix D. Robertson

The Common Sense Candidate for Governor

The "Common Sense Candidate." That is the title by which Felix D. Robertson, candidate for Governor, is known throughout the State. It came to him through his record as judge of the City Court of Dallas and later of Criminal District Court No. 1 of Dallas and was earned through his native Texas ability to see through the tangled problems of law to the common sense and the human justice in these problems as they were presented to him.

As a common sense candidate Felix D. Robertson is opposed to the army of boards, bureaus and commissions that give a few men fat salaries and fine titles, but increase the burdens of the taxpayers. He believes there are too many idle public employees with their feet on mahogany desks spending their time doing nothing but waiting for their swollen salaries.

"We have too much government; too many boards, bureaus and commissions; too much buck passing; too much theory; too many idle employees," he says.

When elected Governor Judge Robertson promises to sweep all this useless expense out of the state house at Austin.

Judge Robertson is an elder in the First Baptist church of Dallas. His reputation as a Sunday School lecturer extends throughout the State and he is regarded as one of the most inspired of speakers on religious subjects and the Protestant faith.

When he was City Judge the newspaper men of Dallas called him in all reverence of spirit, "the Praying Judge." This was because when often some erring youth or some slip of a girl confronted with ruin, was brought before him, he was not the unfeeling magistrate, but showed himself kindly in heart and ready with Christian advice. Often he would adjourn court and on his knees pray that such a one might be turned to the better life.

Himself a man who has made his way up by hard work, Judge Robertson sympathizes with the worker, whether in the field or in the shop.

He is a lifelong Democrat. He was born in McLennan county, his grandfather being General Jerome P. Robertson, commander in Hoods Brigade of the Confederate army. His father is Gen. Felix H. Robertson, who was a Brigadier General in Joe Wheeler's corps in the Confederate army. During the world war Judge Robertson was a major in the 132nd field artillery of the Thirty-Sixth Division.

Judge Robertson has been a lifelong prohibitionist, having been active in his fight against the liquor interests for more than twenty years, and an advocate of woman suffrage.

- Better schools.
- Free textbooks.
- Strict law enforcement.
- Prison system reform.
- Better public roads.
- Help for ex-service men.
- Organized labor.
- Homes for tenant farmers.

The Commonsense Candidate is a firm believer in rural schools, declaring there should be an apportionment of at least \$15.00 per capita for pupils of the same.

The motto to which he has always adhered is: "In a democracy like Texas the children of the poor must have their chance."

KLAN REPUDIATE ALLEGED REPORT STARTED BY ANTI KLANS

Brownfield, Texas, July 2, 1924
Lubbock Klan No. 326, Realm of Texas.
Esteemed Klansmen:—

Klan hall erected by me for them. This statement is untrue and misleading and does not state the facts. The facts are—in his Anti-Klan talk here in Brownfield, he (Dalrymple) stated that if he had to associate with Klansmen he would want a robe and a mask. After he had finished his bitter talk I went and shook hands with him and told him I was a Klansman and if he would go home with me I would let him wear my robe and mask while he was with me. I then introduced my wife and called his attention to the Fiery Cross she was wearing and also stated she was with me.

M. V. BROWNFIELD.
This is to certify that Mr. M. V. Brownfield is at present a member in good standing of the Brownfield Klan No. 321, Realm of Texas, and that there is no dissention whatever among the members of said Klan, but all is peace and harmony within.

John W. Davis Nominated for President of the U. S.

(Continued From First Page)

natural line of division, produced by more than two weeks of hatred and bitterness, went ahead and piled up a huge total for Davis.

Brennan only smiled. He had been favorable to Davis all the time.

And just as soon as the majority point was reached, Brennan gave the sign himself. He rose and bellowed over the heads of a dozen state chairmen who were seeking to change their votes:

"Illinois wants to change her vote." He got the recognition list and cast Illinois' 58 votes for Davis.

Then Franklin D. Roosevelt, the smiling manager of Governor Smith, raised himself on his crippled leg and changed New York's vote so as to give 69 more for Davis.

Governor Fields of Kentucky, Senator Swenson of Virginia, Governor Merrison of North Carolina and Ed. H. Moore of Ohio then successively got recognition of the chair and changed the votes of their respective states.

While this was going on the chairman of the Iowa delegation was yelling for recognition. He finally got it and withdrew the name of Meredith—ahead of some of the changes—and quite in sufficient time to hop aboard the band wagon.

Tom Taggart of Indiana then moved that the nomination of Davis be made by acclamation.

Amid a veritable inferno of noise, yells and applause, Chairman Walsh put the question. It was answered by a thunderous "aye" that made the bunting hung around the Garden quiver.

The parade of states followed almost immediately.

Governor Charles W. Bryan, of Nebraska, picked for the position by party leaders, was nominated early Thursday morning as democratic vice presidential candidate and running mate of John W. Davis.

Governor Bryan's official tally was 734 votes.

Bryan's nomination came in a stampede on the first ballot. Tired delegations vied with each other in changing their vote to the Nebraskan when it became apparent that he was the chief choice of the leaders who control the situation.

Bryan, who is a brother of William Jennings Bryan, was selected for the nomination at a conference of leaders in which John W. Davis participated. This was held during an hour recess at midnight after both Senator Walsh of Montana, and E. T. Meredith had refused to accept the second position on the ticket.

AN ORDINANCE providing for the creation of a Board of Equalization, appointing commissioners, prescribing their duties, fixing their compensation, providing that the City Clerk shall act as secretary to the Board of Equalization and declaring an emergency.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF SLATON, TEXAS:

Section 1. There is hereby created a Board of Equalization for the City of Slaton, Texas, to be composed of three qualified voters and resident property tax payers of the City of Slaton, Texas, and there is hereby appointed S. C. Marris, S. F. King and J. I. Bradley to act as said Board of Equalization for the year of 1924.

Section 2. It shall be the duty of the said Board of Equalization to perform all the duties required of them by law under articles 946 to 953 of the Revised Statutes of the State of Texas.

Section 3.—Said Board of Equalization shall meet on the 7th day of July A. D. 1924, or so soon thereafter practicable and shall continue their sessions thereafter from day to day until all their duties as prescribed by articles 946 to 953 inclusive of the Revised Statutes of the State of Texas, shall have been performed.

Section 4. The members of said Board of Equalization shall receive as compensation, the sum of three dollars per day for each day that they shall be actually attendant upon the meetings of said board; provided that in no event shall the members of said board receive compensation for more than twelve days for the year of 1924.

Section 5. It shall be the duty of the City Clerk to be in attendance upon said Board of Equalization and to act as the Secretary of said Board.

Section 6. The fact that there is not now any Board of Equalization for the City of Slaton and further fact that it is almost time for the collection of taxes, creates an emergency, and an imperative public necessity demands that this ordinance be in full force and effect, from and after its passage and it is so ordained.

The foregoing ordinance was on the 1st day of July, A. D. 1924, duly ap-

proved by the Board of Commissioners of the City of Slaton, Texas. (seal) H. C. JONES, Mayor

Attest: H. C. MCGEE, City Secretary.
