Slaton Community To Observe Armistice Day In Big Way Free Monthly Auctions Are Proposed

WE BLUSHINGLY ADMIT THAT WE ARE GOOD

While we admire the timid violets that hide beneath big green leaves, we still do not believe they get as much attention as a great big blushing rose, and with this in mind, we blushingly admit that a lot of good folks have been subscribing for the Slatonite within the past six weeks. Of course, we did go out and do a lot of fast talking and throw in a good butcher knife or pencil sharpener, and there might be some doubt in some people's minds as to whether these people subscribed for the paper or just wanted a good pencil sharpener, but just the same, we are mighty glad to have the following additional readers to our paper:

Charley Austin

A meeting of merchants was held at the Chamber of Commerce last Wednesday evening with J. B. Bowden, to discuss the holding of a Free Public Auction for Farmers each 3rd Monday of each month, and after a full explanation by Mr. Bowden, the plan was endorsed. Mr. Bowden is an experienced Auctioneer and is now holding similar Free Auctions in Post and other towns, where they are proving very successful.

The plan of the Free Auction will be sponsored by the merchants of Slaton. All farmers of this community will be invited to bring anything that they wish to sell into Slaton to be auctioned. Horses, cows and livestock of all kinds, farm implements and produce, household goods and any and everything that they do not wish to keep.

This service is absolutely free to those who wish to take advantage of it.

This free service is given in order to encourage the farmers of this section to come in and visit Slaton and to enable them to get good prices for produce and surplus farm needs. The Slaton merchants expect to make special inducements to make trade in the stores more attractive and the third Mondays in each month are expected to be feature days.

According to the plans, the first Auction Sale is expected to be held on November 17th.

SIX TEXANS ON WARSHIP SUNK BY NAZI SUBMARINE

Sinking of the destroyer Reuben James brought the conflict with Nazi aggression poignantly home to Texans. Commander of the last ship was Lieutenant Commander H. L. Edwards of San Saba. Other Texans aboard were Lieut. Ben Ghezler of San Antonio; Charles B. Cox of Houston; Paul R. Boynton of Carthage; Lee L. Reid of Dallas; Hartley Franks of Gatesville.

Perhaps it occurred to few who scanned this list that the proportion of Texas men in the crew of the James was rather below than above the average for Uncle Sam's warships. But such is the fact. Texas is heavily represented in all ranks of Navy personnel. Among the admirals hailing from this State are James O. Richardson, former Admiral of the Fleet; Chester W. Nimitz, chief of the Bureau of Navigation; Samuel M. Robinson, chief of the Bureau of Ships, and Adolphus Andrews, commander of the New York Naval district. Hundreds of officers of lower rank (one of them, Captain T. A. Thomson, Jr., commands the Texas district) and thousands of enlisted men, are natives of Texas. In all, there are more than 12,000 Texans in the U. S. Navy—which is one reason why it is the World's best.

C OF C SECRETARY ATTENDS MEETING

Briggs Robertson, recently elected as Secretary to the Slaton Chamber of Commerce, returned Wednesday from Midland, where he attended the West Texas Chamber of Commerce meeting. He reported an excellent attendance at the meeting from all parts of the State.

The high light of the meeting was a report from the officials on the fight that the West Texas Chamber of Commerce is making for lower freight rates for West Texas and a campaign to reduce spending by the public, the nation and the state.

The same officers that have held office with the West Texas Chamber of Commerce since their last meeting in Mineral Wells were re-elected.

CIVILIAN DEFENSE WEEK NOV. 11 TO 16

Following President Roosevelt's Proclamation of the period from November 11 to 16 as Civilian Defense Week, Mayor F. H. Laguardia, Director of the Office of Civilian Defense, issued October 23 a statement defining the purposes of the week as follows:

"The President has proclaimed November 11-16 as Civilian Defense Week.

"Its purpose will be three-fold:

1. To stimulate the people to an awareness of the need for civilian defense and the many specific ways in which people can participate.

2. To inform the people as to how local civilian defense groups are being organized and how a civilian can enroll and serve.

3. To stimulate the establishment of Volunteer Offices so that active civilian protection and community service programs can proceed promptly.

"The theme of the week will be this: The only effective answer to total war is total defense."

Look Out Folks

Poppy Day Coming

The Daughters of the American Legion announced this week that they would sell poppies on the streets next Tuesday, Armistice Day, to assist in the Nation wide drive to secure funds to aid world war unfortunates in hospitals all over America.

The poppies were made by crippled war veterans and Poppy Day is commemorated in hundreds of cities and towns all over America each year in connection with Armistice Day.

Mrs. T. P. King is the Chairman of the committee in charge of selling the poppies and the headquarters for those who will take part in the sale will be at the Palace of Eats Cafe.

BUILDING SLOWING UP.

AUSTIN, Nov. 3.—Although figures for the first nine months of the year are still 6.6 per cent higher than for the comparable period last year, construction activity in Texas slackened measurably in September, University of Texas business statisticians report. September permit totals for 38 major cities declined 36.5 per cent from August.

Cotton Farmers Having Trouble

Reports from many farmers are that much of the cotton has been damaged by water having been in the fields for such a long period of time. The lower bolls have become water logged and the cotton soured and in many cases, has rotted. The lower bolls have partially opened, but probably will not open completely.

This low grade cotton is almost impossible to pick separate from the better grade and, when it is mixed with the better grade, it makes all of the bales lower in quality.

The gins are still having some trouble in ginning the cotton, due to excessive moisture, but they have stepped up their output over last week.

Charley Austin reports that the bolls that have stood in the water for a long time are still water logged and the cotton in the bolls will not fluff up; it is also dirty and hard to pick. J. H. Brewer says he finds a small per cent of the cotton on his farm is in bad shape and says it would be too expensive to endeavor to pick it off separately from the better grade. S. S. Forrest says he has a lot of hands and plenty of work for them to do, but the cotton picking is getting off to a slow start.

The gathering of the crop is unusually late and most cotton men expect the farmers will be busy gathering their crops well up into January.

VARSITY SHOW DATE SET FOR DECEMBER 12

Preparations for the 1941 Annual Varsity Show, sponsored by the Slaton Tiger Band, are now under way and from all reports, it will be way ahead of all previous shows.

Four big acts are being rehearsed and worked on so they may be perfected by December 12, the date for the big presentation.

Mr. Truman Shelton, Slaton High School Band Director, announces, "This year's Varsity Show will be the best ever produced here and the Band wants a large crowd to attend the performance."

Anyone planning to take a part, is asked to get in touch with Mr. Shelton at an early date.

ARMISTICE DAY TO BE CELEBRATED HERE

Mrs. Lee Green, manager of the Merchants Retail Credit Association, announced this week that Tuesday, Nov. 11th, will be a full holiday and that all merchants in the city have been asked to close for the day.

There are five days that have been designated as full holidays for Slaton. They are Nov. 11th, Thanksgiving, Christmas, May 30th, and 4th of July.

The football game and Poppy Day will be the two big events of the day and all Slaton citizens are expected to cooperate in making Armistice Day a real holiday.

Most of the stores have consented to close all day except those offering items for sale that cannot be easily done without, and many of those will be closed the major part of Tuesday. Better get out your pencil and paper and make a list of the things that you will need to make the day, and don't forget to go to the bank and get your football ticket money.

Church Of Christ Gets New Minister

J. Luryl Nisbett, of Bryson, Texas, has been selected as the minister of the Church of Christ, to fill the vacancy left by Ernest McCoy, who went to Seymour, Tex., Oct. 1, to assume the duties as minister there.

Mr. Nisbett is a graduate of Abilene Christian College, Abilene, and has been preaching about six years, having served the congregations of the Church of Christ at Roaring Springs, Tahoka, and Bryson, before coming here.

While in A. C. C., Mr. Nisbett took active part in religious, literary and forensic activities, organizing a writers' club his third year, which called themselves, "Pickwickians", and served as president and editor of its first literary magazine, "The Pickwick".

The new minister moved to Slaton Nov. 1st and resides at 710 S. 11th Street.

COTTON GINNING REPORT.

Census report shows that 597 bales of cotton were ginned in Lubbock County, Texas from the crop of 1940 prior to Oct. 18, as compared with 20,522 bales for the crop of 1939.

WEATHER REPORT.

G. H. Orr estimates that 7 11-32 inches of rain fell during the month of October, in this area.

A total of 60 18-32 for the year. A light frost formed Wednesday night, but not enough to seriously damage crops.

Slaton And Brownfield To Battle Tuesday In Year's Feature Game

ROTARY GRANTS LEAVE OF ABSENCE TO NORMAN

The Rotary Club was entertained yesterday by Jack Norman, with request songs by the members. Jack asked for a leave of absence on his membership in the club, as he is joining the Marines next week. The Club dedicated a song to him that the members sang. The impromptu program took the place of a spelling bee that Briggs Robertson had arranged and which turned a little sour in the face of Jack Norman's popular musical talent.

PIONEER TEXAN BURIED IN SLATON SATURDAY

The burial of Andrew J. Hoover, who died Oct. 31, was held last Saturday from the family residence at 815 So. 12th Street, by Reverend H. C. Gordon of the First Methodist Church.

Mr. Hoover was a long time resident of this section and was well known in this locality. Burial was at Englewood Cemetery, under the direction of the Williams Funeral Home.

Survivors are his wife, Mrs. Eva Hoover, and six children: A. J. Hoover and Mrs. Lena Weathered of Slaton, Mrs. Annie Tadlock and Mrs. Margaret Rogers of Amarillo, Martin and R. B. Hoover of San Antonio, and two brothers, M. G. Hoover and O. B. Hoover of San Antonio; 15 grandchildren and one great grandchild.

Mr Hoover was a native Texan.

Farmers May Get Help At City Hall

In order to assist both the farmers, who are looking for cotton pullers, and the laborers, who are looking for work, Briggs Robertson says he will be glad to have any one who wants help to register at the Chamber of Commerce office. He reports that the laborers are applying to him for work and that he can be of assistance to the farmers who are looking for help.

The Mexican Camp ground is proving popular with the transient laborers and has encouraged many to come to this section. Plans are being considered to improve the grounds and provide more accommodations to the Mexicans next season.

NOVEMBER 10 TO 14 SCOUT ROLL CALL WEEK

All over the South Plains Council, 20 counties of West Texas, Boy Scouts in 81 Troops and Cubs in 31 Packs are planning for the annual Roll Call and Inventory Week, November 10 to 14, during which period all units will be inspected by Boy Scout and Cub leaders.

K. N. Clapp, council commissioner, is appointing a staff of men, all his commissioners in the council numbering nearly 45 men, and several other persons to handle the inspections. These Scouters will make a date with their Troops and Packs this week and formally inspect for uniforms, records, equipment and make the formal roll call of all Scouts, Cubs and leaders. Purpose of the activity is to strengthen the unit so that all boys available for community service will be known to leaders. John Hannah is roll call officer here.

MOTHER OF SLATON MAN BURIED LAST TUESDAY

Mrs. Ella Carruth, mother of H. L. Carruth of Slaton, was buried in Lubbock last Tuesday. Mrs. Carruth was born in Georgia in 1869 and was the mother of three sons and two daughters. The funeral was held from the family residence in Lubbock at 602 Ave. F and was conducted by the Williams Funeral Home of Slaton.

The football game scheduled for 2:30 p. m., Tuesday afternoon between the Slaton Tigers and the Brownfield Cubs, promises to be the feature game on the South Plains.

The Brownfield Cubs are unbeaten this season, with only Tahoka to play. The Tigers got off to a slow start and were beaten in their first game, which was with Muleshoe, but are now tied with Littlefield for the championship of the northern zone. The Tigers have one more game to play in this zone, which is with Sudan. Should Slaton win over Sudan, they will be champions of the northern zone, if Littlefield loses to either Leveland or Muleshoe. Should Littlefield win both games, the Tigers will be tied with them.

The game Tuesday is not a conference game, but it will probably give some indication as to who will win the conference title should a later game be played between the Cubs and Tigers for the Conference title.

A special train from Brownfield is scheduled to come to this game and the Slaton fans are requested to meet the train to welcome the visitors. Those who have cars are urged to invite the Brownfield fans to ride to the football field.

Coach Hamilton has been giving the Tigers extra training and has them in top shape, but he admits that this is probably the toughest game so far this season. The bad weather has reduced attendance at the games here this year and the funds for athletic activity at the High school have been greatly reduced. A good attendance at this game is urgently requested.

PROPER EATING HABITS STRESSED IN W. P. A.

SCHOOL LUNCHROOMS

W. P. A. lunchroom workers show results of training by performing the work faster and more efficiently. They are serving more attractive plates.

The Slaton lunchroom units stressed proper eating habits the past month. Some of the children had to be taught the use of the fork, and milk drinking had to be encouraged. Grapefruit juice is another food item which had to be stressed. Children are drinking it better.

More students are taking advantage of the service the W. P. A. lunchroom offers; those who pay for their meals are eating more regularly. A number of parents have expressed a desire to eat in the lunchroom, but due to overcrowded conditions, have been unable to do so.

Marie Womack, who has been Area Project Supervisor in Lubbock, Lynn and Garza Counties, with headquarters in Slaton, is moving to Tahoka. She will continue to have Lynn and Garza counties.

Mrs. Mary C. Zeaman, who has been County Home Demonstration Agent in Castro county, is replacing Miss Womack as Supervisor of Lubbock county. Mrs. Zeaman will be Area Supervisor of Lubbock and Crosby counties. It has not been decided where her headquarters will be.

ADMISSION PRICES TOLD FOR ARMISTICE BATTLE

Admission prices for the Slaton-Brownfield football game Tuesday, November 11, will be \$1.00 for students and adults at the gate. Student tickets for 25c can be secured at the high school, and adults tickets for 75c at the high school or at any of the three drug stores. These tickets can be secured up until 4:00 p. m., on Saturday. After that, it will be \$1.00 for everybody. Season tickets are good for this game.

'Hornets' for Uncle Sam—and Hornet's Nest

A view of the U.S.S. Hornet, the navy's newest aircraft carrier, is shown at left. The Hornet displaces 20,000 tons and has a speed in excess of 30 knots. Right: In the biggest single delivery of military planes in aviation history, 123 Vultee Vultans, basic training planes, roared over Los Angeles en route to army and navy training stations. Some of them are shown, just before the takeoff at Downey, Calif.

 NEXT TUESDAY

Your attendance will be a great incentive... Your support of the team is needed...

THE BIG EVENT
 OF THE DAY!

It is hats off to our Tigers, the boys who have developed into championship contenders and who deserve all the support of Slaton.

They will play here Armistice Day against a strong team and will need the support of every good fan in Slaton. The Tigers and their band deserve your whole hearted cooperation and you can show it by attending every game. Let's make Tuesday a real holiday in our town. This is the last game unless we play off a conference game, so it may be your last chance to see your home team play here this season.

Our Weekly Sermon—
What Of My Spirit?
By Rev. John H. Cable, D. D., Member of Faculty, Moody Bible Institute, Chicago.

The Call America Heeds

The Red Cross nurse is the symbol of the 1941 American Red Cross Roll Call poster, appealing to all men and women to join their local chapters during the annual Roll Call. Bradshaw Crandell, distinguished poster artist, painted the poster and Frances Fedden is the model.

Text: "Wherefore, I put thee in remembrance that thou stir up the gift of God, which is in thee . . . For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."—II Timothy 1:6, 7.

"The body without the spirit is dead" (James 2:26). The spirit is central in man. Am I spirited or spiritless? God's gift to us should determine what kind of a spirit we manifest.

When one dictator controls fourteen European nations; when 77,000,000 people in the United States attend movie picture houses two hours a week and only about 19,000,000 attend Sunday school one hour a week; when of 2,000,000 Jews in New York City only 30,000 attend the synagogue; when lawlessness abounds, it is little wonder that we are fearful for the future of our nation.

Timothy, to whom Paul wrote this letter, was a man of fears and "tears" (1:4). But one cannot spend his days in weeping, however sad may be the state of affairs.

"Stir" translates a Greek word which literally means to LIVEN UP THE FIRE. It is a picture of dead or dying embers being poked or shaken, so that the draught might blow through and cause them to burn up brightly. God wants us to exercise our gifts, that the Spirit of God, like a mighty wind, may blow through us to give light and warmth to this world so dark and cold.

Supernatural power is ours. As the early Christian martyrs died with faces all aglow with the light of the glory of God, so we may radiate Christ in our age.

The power of the Christian life is expressed through love, unselfish service, rather than through some wild exhibition of unbridled force.

And Christian thinking requires love. Blinded by prejudices or swayed by some selfish whims, men's thoughts are not sound nor are their actions safe. So there must ever be this combination and this order—power, love, and soundness of mind.

So we gird up the loins of our mind and continue to love in a world of hate and keep on doing good, even if the tendency of the age is evil.

SLATON FLORAL CO.

1435 S. 9TH

PHO. 489

CITATION BY PUBLICATION.

THE STATE OF TEXAS

TO: Hal W. McSpadden, Defendant, Greeting:
You are hereby commanded to appear before the Honorable 99th District Court Lubbock of Lubbock County at the Court House thereof, in Lubbock, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 8th day of December, A. D. 1941, then and there to answer Plaintiff's Petition filed in said Court, on the 22nd day of Oct. A. D. 1941, in this cause, numbered 9719 on the docket of said court and styled VENA McSPADDEN, Plaintiff, vs. HAL W. McSPADDEN, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff and defendant were married at Dickens, October 17, 1934, and separated about June 10, 1940. Defendant was guilty of cruel treatment toward the plaintiff in that he struck her on many occasions, abused her and made serious threats, all in law amounting to cruel treatment, rendering their further living together insupportable. No children were born unto said marriage and there is no community property.

Plaintiff prays for a divorce with such additional relief as she may show herself entitled to, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Lubbock, Texas, this 22nd day of October, A. D. 1941.

Attest: (SEAL)
ROYAL FURGESON, Clerk,
99th Dist. Court, Lubbock County, Texas.

JUST TALK

by
A.M.J.

All the magazines these days are full of instructions on how to develop personality and make public speeches. It would have us all standing in front of mirrors practicing speech making, practicing voice control and making gestures. They tell you to keep your finger nails clean and keep every one spellbound with your brilliant deductions, regardless of whether you have anything to say or not.

If any larger number of public speakers were to be produced in the United States, we would be afraid to walk into a group of three people for fear one of them would start orating.

There was an account some years ago about a drunk man at a banquet and he fell asleep during a long winded speech by the toastmaster. His snoring became so loud that it disturbed the speaker, so the man sitting next to the inebriate picked up a catsup bottle and tapped him over the head.

"Hit me again," said the drunk, "I can still hear him."

Predictions are that the world is going to be a different place to live in after the war. Many new innovations will take the place of old customs and ways of doing business. The warning is passed out that those who will not be able to adjust themselves to the new way of life, will pass out of the picture in business. No warning is given as to what forms these new things will take.

Who would have thought twenty years ago that a hat pin would be something to be seen only in a museum or that women would be spending as much on having their hair baked, scoured, plastered and made to look like everything but hair, as they used to spend on their entire clothing supply.

What has become of the old time sock supporters the men used to wear and if the trend continues, a man wearing a hat will be considered in the dodo class.

There is no telling what will develop from the discoveries that are now being made. War often brings out developments that would not come into use for many years, and businesses that will be put out of commission now, may never come back. Hold your hat while we make the next year, you may have a wreck or you may break the record for prosperity and good times.

My hat is off and my thinny thatched dome is bare to the cold autumn winds in honor of the improvements Mr. B. G. Guinn is making in the front of the Texas-New Mexico Utilities building. Slaton is stepping ahead, folks, even if the war is booming.

Who will be next with a face lifting on a business building.

Just what, if anything, the Hot cha cha, booley rooley rinctum music, means in the way of mental trends must be left up to the smart guys, who claim to know what things like this foretell, but just to hazard my guess, I would say the young folks must be going backward at a fast rate to African tribal barbarism.

At the Farce Style Show for men, held last Monday night, a group sang what they called Boogy Woogy music, and I heartily recommend the name they have chosen for this kind of harmony. There was not a word of English in the entire composition and the boys moaned and groaned in a most satisfactory African style.

It must be that I am getting old for it seems to be that popular music has certainly degraded since I was a boy. While we did have some silly songs, they were at

THE POCKETBOOK OF KNOWLEDGE

OVER 50,000,000 RADIOS ARE IN USE IN THE UNITED STATES TODAY—MORE THAN 1 1/2 RADIOS FOR EVERY FAMILY!

LONDON OWES ITS BIRTH TO SALT—CARAVANS CARRYING SALT USED TO CROSS THE THAMES WHERE THE CITY NOW STANDS, AND THE TRADERS MADE THE SALT A HEADQUARTERS

THE PAYROLL OF THE AIRPLANE INDUSTRY IS NOW \$10,000,000 A WEEK

least written in English and occasionally, a real nice sticky one about the moon, love and kisses, came out.

Perhaps the young folks of today have lost interest in such things as the moon and all the trimmings and are going back to the old cave man methods. We may soon see the groom dragging his chosen mate to the altar by the hair. It might be a good idea.

It is said that married folks grow to look and act like each other and there are a good many examples of this right here in Slaton. Mr. and Mrs. Carl Meriwether could easily pass for brother and sister; Mr. and Mrs. J. D. Holt resemble each other; Mr. and Mrs. S. S. Forrest leave me feeling that they are very much alike; Dr. and Mrs. Loveless have the same good manners and affable demeanor; Mr. and Mrs. Bill Cates are both usually in high gear; Mr. and Mrs. Homer Crews both have a dignified, composed air and there are many more who act and look very much alike; in fact, I have been practically made over by my own wife. She leads me around like a horse on a halter. I have to wash dishes every once in a while, be polite, when she is around, and she would even have me hop around and open car doors for the other women, but up to now I have been able to stumble around and let the poor, helpless sisters get into cars on their own power.

It is very wearing and if you ever see me boosting some woman up the curb or into a car, you will know that I have finally given up to superior force.

You will notice, of course, that the women are all younger looking than the men; there is less gray hair among the women and they all go better dressed. The women will tell you that they are all over-worked and have a terrible time running vacuum cleaners, opening tin cans and tidying up after the men have smeared mud all over the rugs and thrown papers from the front door to the back. But just the same, you will find one man to fifty women who have to go on diets to control their weight. Life insurance statistics show that women live a great deal longer than men and most of the wealth of the United States is in the women's hands. There is no telling where it will stop.

A notation from A. & M. states that green peas in frozen lockers often lose much of their weight. As for myself, that would suit me fine. In fact, I could get along if they lost all their weight, whether they were put into a frozen locker or not. Something else that could be wiped out as far as I am concerned is carrots, and when they are cooked with peas, I had just as soon eat that much newspaper. In fact, I have read a lot of newspapers that I believe would taste better, especially the ones giving recipes for coconut cake

★ IN THE SPOTLIGHT ★

By David O. Alber

On the Universal lot where "Appointment for Love" is being filmed, Margaret Sullivan and Charles Boyer are engaged in a polite scene stealing duel.

It's all very suave and slick, with Miss Sullivan delaying a response a fraction of a second to throw Boyer off, and Boyer lifting his eyebrows needlessly during an important speech by Miss Sullivan. In a scene where Boyer hops around on one leg for several minutes, the actress suddenly had a lapse of memory and muffed her lines for eight takes. Boyer's face was red as a beet.

Latest radio program to come in for film attention is Ed East's "Kitchen Quiz", popular early morning show. Columbia Pictures has released the first of a series of shorts based on this show, retaining the title "Kitchen Quiz" and starring East, a jovial, hearty master of ceremonies, and his air partner, Polly.

SHEAR NOTES: Katie Hepburn received \$100,000 for her first MGM picture. Susan Miller, who sings on Rudy Vallee's radio show, has been signed by Universal. Red Skelton described a bald head as looking like the sleeve of a ten dollar fur coat. Gene Raymond won his

pilot's license. It's getting so that Franchot Tone is sure to meet at least two ex-girl friends when he's out on a date.

October is moving time in New York. Leases run out and residents usually seek new abodes a little better or a little larger than the ones they have been occupying. Singers have a special problem when searching for new apartments as they must have sound-proof rooms where they can rehearse at will without disturbing any neighbors. Francia White, soprano of the telephone hour, for example, has spent three weeks looking for such a place without success. Her lease expires in a week.

RECORD NOTES: Success of the first album of boogie woogie music has led Decca to put out a second. Numbers on the five discs are entirely new but Pete Johnson and Meade "Lux" Lewis again top the list of b.w. artists. Victor has collected W. C. Handy's best known blues tunes into an album, "The Birth of the Blues", capably played by Henry Levine's Dixieland jazz band. Shep Fields' Bluebird recording of Bobby Warren's "City Called Heaven" is the finest of this up and coming hit tune.

COOPER NEWS

Kathryn Robertson, Correspondent

Sundown's junior football team captured a 25 to 7 victory over the Cooper juniors Tuesday night on the Cooper field.

Sundown scored in every quarter with the accurate passing of Loyd Putnam featuring the attack. He passed to Oren Peden, quarterback

and Captain of the Sundown team, for three touchdowns and ran another across. Darrell Benson, Boll Weevil fullback, scored the extra point on a reverse play.

Cooper's touchdown came in the third period, when Sundown fumbled and Gene Barrett recovered across the goal line for the Little Pirates. A pass, Barret to Johnson, counted the extra point.

The Seiferts entertained with a Halloween party, given at their home, Tuesday night. Games were played and refreshments were served to Buford Peterson, Eva Mae Morgan, Charles Hampton, Autry Coston, Jack Cade, Lorene Cummins, Kathryn Robertson, Dick Cade, Eric Eckland, Pauline Cummins, Faye Cummins, F. C. Roberts, Tom Payne, Virginia Johnson, Virginia Peterson, Euton Stephenson, Joe Gamble, Lauretta Sooter, John Griffin, Lula Mae Peterson, Doris Jean McRae, Frankie Cummins, Mr. and Mrs. R. L. Cummins, and the Seifert family.

Mrs. J. L. Sausman and daughter visited Mrs. Sausman's mother, Mrs. C. C. Jones, Tuesday. Mr. and Mrs. C. C. Jones visited in Mrs. Joe Brazzell's home Sunday.

December is a good month in which to set roses, Miss Clara Pratt told members of the Cooper Home Demonstration Club when they met with the yard demonstrator, Mrs. Curtis Boyd, Wednesday afternoon. She said roses should be pruned for best blooming.

The hostess gave a report on yard improvements in the club. Mrs. L. E. Condray directed a game. Others present were Mesdames J. B. Price, Jim Steele, A. B. Allen, O. R. Copeland and M. F. McDaniel.

Mrs. George Buckingham was chosen president for the Home Demonstration club that was organized Tuesday afternoon by several women of the Slide commun-

ity. Others chosen were: Mrs. M. C. Williams, vice president; Mrs. Odell Reifer, secretary-treasurer; Mrs. Russell Haynes, reporter; Mrs. Louis Henderson and Mrs. W. L. Talley, Council members.

Other members present were Mesdames R. L. Brown, O. R. Copeland, J. L. Edgar, J. L. Dodd, M. H. Edgar, R. V. Giddens, Jim Skipworth, Lee Reifer, L. D. Stanford, C. L. Strickland, and Lonnie Williams.

Mr. C. R. Roberts and sons of Brownfield and Mrs. C. B. Barrett visited in the home of Mr. and Mrs. E. A. Robertson Sunday.

Miss Joy Tims of the seventh grade was crowned grammar school queen Saturday night at the Halloween Carnival. Miss Mary Berry, of the freshman class, was crowned queen of high school. A large crowd attended the Carnival.

Coach Fred Rich's Cooper High school Pirates rambled to a 12 to 6 victory over Southland in a Class B non-conference game on the Cooper High school field Friday night, outclassing the visitors all the way.

Lester Chism, Pirate fullback, scored both touchdowns, crossing from the fifteen yard line in the first period and adding another on a twenty yard run as the half ended.

Southland scored on a freak play late in the game. Glen Barrett, back to kick for Cooper, had a punt blocked by a teammate when Glynn McDaniels backed into the ball. The pigskin sailed into the end zone and Riddle, of Southland, covered it for a touchdown.

Miss Margie Sullivan from Lubbock spent the week end with her parents, Mr. and Mrs. H. R. Sullivan.

Miss Ruth Hopping entertained with a Sunday School class party Wednesday night. Those who attended were, Elouise Giddens, Jennings Price, Herbert D. Henderson, Mary Berry and Ruby Jones.

The Senior class was entertained with a Halloween party Wednesday night, October 29, at the home of Mr. and Mrs. E. C. Hatton. Many games were enjoyed. Refreshments of hot cocoa, cake and candy corn were served to twenty-four guests. Those present were: Betty Jean Roberts, Glenn McDaniel, Betty Myrl Alexander, Dayton Goode, Melba Jean Slater, Elton Ellison, Nell Taylor, Cortez Pitts, Euton Stephenson, Joe Gamble,

Women Make Good Mechanics

Passed by Censor.

MANY thousands of Canadian women are engaged in the production of the munitions of war in plants scattered throughout the Dominion. They have proved themselves to be careful, quick, intelligent workers and they have won high praise from industrialists for their skill and devotion to duty.

Virginia Peterson, Thomas Taylor, Margarette Leggett, Pat French, Faye Williams, Jesse Minchew, Dortha Nell Dawkins, Glenn Barrett, Mr. and Mrs. E. F. Dawkins, Clyde Gill, Clardy B. Hamilton, Margie Ann Hatton, and Mrs. Alton Lindley. Everyone reported a very enjoyable time.

Mr. and Mrs. R. M. Cade and Mr. and Mrs. Doyle visited in the George Buckingham home Saturday night.

Miss Euton Stephenson visited Virginia Peterson Sunday.

Miss Nannie Lee Goode spent the week end with her parents, Mr. and Mrs. R. L. Goode.

Miss Julia Lair went to Dallas over the week end to visit her parents.

Brother Ellis Todd was a dinner guest of Mr. and Mrs. A. M. Pair Sunday.

Mr. and Mrs. D. J. Speed and Jimmie, Mr. and Mrs. Elmer Allen of Littlefield, Mr. and Mrs. Woodrow Eilenberger, Mr. and Mrs. R. D. Presley and Don were dinner guests of Mrs. M. D. Gamble, Sunday.

Plots of flax, planted at the University of Minnesota in May and treated with 60 pounds of borax to the acre, did not become infect-

ed with rust disease. However, as the borax burned some of the flax leaves, it is believed that 40 to 50 pounds may give the same protection.

Agricultural wage rates on October 1st had advanced to 165 per cent of the 1910-14 average, five points over July, 36 points over a year ago, and were at the highest level since 1930, says the USDA.

SCHOOL ACTIVITIES

SEVENTH GRADE REPORT.

In the regular class meeting, October 28th, the Seventh grade, sponsored by Miss Watkins, elected the following officers: Mayor, Otis Neil Johnson; assistant mayor, Junior Huskey; secretary, Othor Dillard; best boy, Charles Meeks; best girl, Edna Mathis; most improved boy, James Brake; most improved girl, Gertie Lee Dominguez. Charles Owens will be a representative to the big Citizenship Club.

Thursday at opportunity period, Mrs. J. D. Loring, the room mother, sent popcorn balls, suckers and apples as a treat to the room.

MISS POOL'S SEVENTH GRADE.

The November officers were elected at our last Citizenship meeting. President, Gloria Schilling; vice president, Arthur Burnett; Secretary, Vysta Ward; mayor, Rita Stephens; best boy citizen, William Rampsy; most improved boy, Jack Thompson; best girl citizen, Lavenia Wilson; most improved girl, Fannie Lou Shaw; appointed member, Arthur Burnett.

The room mother selected for this month is Mrs. E. H. Ward.

We are glad to have a new student, Ernest Bell, from Marlin.

BIG CITIZENSHIP CLUB.

The big Citizenship Club of Junior High held its regular meeting on Tuesday. The following officers were elected for the month of November: Grady Burnett, president; Wilma Jean DeBusk, vice president; Martha Ann Gunter, secretary.

We are still asking the cars to stay off the school ground. For the looks and safety of the school we are closing one road.

We are very proud of the fact that no bad damage was done on Halloween.

A part of our recess will be used for picking up paper and cleaning off the school ground. We are sure it will look much nicer.

MR. HARVEY'S ROOM.

This room is proud to have one of its students president of the general Citizenship Club. Grady Burnett has been chosen president for this month. He succeeds Tommy Davis. Our room elected the following officers for the month of November: Mayor, Ella Faye Wheatley; assistant mayor, Jim Bill Caldwell; Citizenship Club: Freddie Schmidt, Wilma Jean DeBusk, Grady Burnett, Doris McCormick, Virginia Rampsy.

MISS YEATS' ROOM.

We elected the following: President, Billy Ann Hoover, vice president, Mary Harrah; secretary, Betty Jo Gentry. Derline Floyd told a story. Gloria Gene Moss told a story. The merits were read in the merit box. We talked about rushing in the lunchroom and rushing in to music. We are sure this will be stopped. The meeting was adjourned.

Betty Jo Gentry, Reporter.

Cooley made his last run when he brought his gas-electric train into Clovis from Carlsbad as his last job of throttle-pulling in a career of railroading that covered a half century of progress in the Middle West.

Born in Williston village, Chittenden county, Vermont Feb. 11, 1863, the call of the West and the settlement caused the Cooley family to move to Missouri. It was in 1877 that Cooley first entered railroad work. He made his first run as a fireman in 1880, and became an engineer for the old Hannibal and St. Jo railway in 1882.

He left that company to work for the Burlington. Leaving the Burlington in 1888, he drifted to the M. K. & T. at Sedalia, Mo., where he stayed until 1894. From the Katy he went to the Union Pacific, and in 1899 he drifted down into Eddy county New Mexico, where he was employed as an engineer by the Pecos Valley and Northeastern railway.

He moved to Clovis in 1912, where he has lived since. Making a run between Clovis and Bovina one day during his Santa Fe active duty this story is told about the engineer: As he approached the town of Bovina, he saw a small child sitting on the end of a tie. Without time to stop, he dashed out over the side of his engine down on the pilot, and as his engine rolled up he pushed the child to safety.

Cooley entered Masonic work in Clovis July 24, 1917, was a member of the Royal Arch at Portales

TOUCH-DOWN TACTICS

★
UNIVERSITY OF NEBRASKA
by
Major
L. McC. Jones
Head Football Coach
★

This is the fourth in a series of six outstanding diagram plays by leading college coaches from Grantland Rice's new Cities Service Football Guide.

The play as shown in the diagram above was one of our most effective plays of last season. It was used to very good advantage by Vike Francis, our fullback, against Stanford University in the Rose Bowl game. He made several very excellent gains with it.

The Stanford guard was very aggressive and continually charged deep into our backfield. This action, of course, made an excellent setup for the use of trap plays. After observing the actions of the Stanford guard then it became a matter of

selecting the best time for its use. The ball is snapped to the No. 3 back who fakes giving it to the wingback (No. 1), who continues on around his left end. No. 3 back hesitates momentarily and then goes through the line between the guards.

The successful execution of this play depends upon the proper blocking and timing. Since no interferences lead the ball carrier, one slip-up in the proper blocking assignment would stop the play at the line of scrimmage or before it got started.

COTTON CONSUMPTION SHOWING INCREASE

AUSTIN, Nov. 5.—Artificiality marks present cotton marketing conditions, although domestic consumption is at an all-time high and imports are running at record levels, according to Dr. A. B. Cox, University of Texas cotton marketing expert.

If present domestic consumption rates are kept up, a record requirement of 10,500,000 bales will be achieved in the United States, the cotton authority believes. Commercial exports are running at a record low.

Continuing his report, Dr. Cox declares:

"Exports under lease-lend, plus subsidized exports to Canada, may reach as much as 1,500,000 bales during the year. The export subsidy on cotton is now at an all-time high of three cents a pound. Actually, it is much higher than that, for the government makes its own cotton available for this purpose at about cost, which is more than four cents per pound below current commercial prices; therefore, in reality, the export subsidy is now more than seven cents.

"Prices of foreign-grown cotton are at an all-time low relative to that of the United States. Brazilian is now only 45 per cent of U. S., compared to a normal of about 97 per cent, and Oomra 37 per cent compared with a normal of 79 per cent.

"The crop this year is the lowest one since 1921. Notwithstanding this fact, the total supply of cotton in the United States is the fourth highest on record. Imports are at the highest levels since 1921. Cotton prices are the best since 1929, also."

Mrs. Mora Culp is visiting her son, A. G. Hall, Jr., in Big Springs.

Mrs. N. R. Carter and son, Kenneth, have been visiting in Coleman with relatives. Mr. Carter met them in Sweetwater last Sunday.

Mr. and Mrs. G. H. Orr have returned from a visit to Hillsboro. They reported lots of rain in that part of Texas.

A visitor in the home of Mr. and Mrs. G. H. Orr is Mrs. Orr's sister, Mrs. G. A. Harper, of Hillsboro.

Oscar Lee Clark has been called back to Slaton to work for the Santa Fe as brakeman. He has been in Gallup, New Mexico for the past few months, working as Switchman.

and was Worshipful Master of the Clovis Lodge in 1925. He was Knight Templar Commander, and worker in Scottish Rites, Santa Fe Consistory No. 1, in 1918. He was also Knight Commander of Court Honor; Thirty-third Degree Inspector of General Honorary of Supreme Council and accepted Scottish Rite of Free Masonry in 1937.

JOBS FOR GRADUATES.

Many unfilled positions every month virtually assure immediate employment opportunities on graduation. Urgent demand for graduates both in business and government offices at handsome starting salaries. Phone, call or write today for Special Offer, before rates advance. Draughton's Business College, Lubbock, Texas. 3tp10

Ford Speeds Defense Work With New 400,000-Volt X-Ray Machine

DEARBORN, Mich.—With greater speed and manufacturing perfection essential these days to national defense production, the Ford Motor Company has just taken another big step toward faster action on its defense work. A new 400,000-volt X-ray machine (upper photo) has been installed at the Rouge plant automotive laboratory to locate quickly any possible flaws in heavy steel castings.

Once restricted to the field of medicine, the X-ray was adopted by industry a few years ago when a 100,000-volt machine was built that could penetrate steel. In 1931 Ford, one of the first big industries to make use of it, installed a 250,000-volt X-ray unit which remained in service until the new 400,000-volt apparatus succeeded it recently. The new machine penetrates several inches of steel.

Where the old apparatus required two to six hours to make an X-ray exposure of a heavy cast steel part, the new machine does the same chore in a few minutes, according to Ford engineers. Translated into terms of production and manufacturing perfection, this X-ray machine is expected to greatly facilitate Ford's work on \$700,000,000 in defense contracts.

In the upper photo, a laboratory worker is shown placing a cast steel crankshaft for the Ford experimental aircraft engine into place under the giant 400,000-volt X-ray tube. The X-ray room is entirely sheathed by a thick protective layer of lead covering walls and ceiling.

The lower photo shows a laboratory technician studying an X-ray negative of a crankshaft. Tell-tale shadows reveal any flaws in the internal structure of metal.

Women do many farm chores, and with boys being called to the colors, likely they'll do more in the future. Those with such active jobs will do well to investigate some new work clothes designed by the Bureau of Home Economics, advises Mrs. Dora R. Barnes, clothing specialist for the Texas

Extension Service. At the left is a one-piece cotton coverette made for chores such as milking, gardening and tending the chickens. For heavier farm work, is the field suit worn by the girl on the right. It has slide fasteners which close the legs at the ankle and half sleeves that snap on and off.

"Chief" Topics by the SCOUT

The Methodist preacher who tied the knot for Mr. Fleming said he was a better Picker Upper than his wife was.

Willis said, after feeding Robert E. Lee, his grocery bill had taken a "Yump".

Operator A. C. Burk took his daily exercise by dragging a large negro man in the station, whom he caught pilfering an automobile near the station. Stay in there, Burk we will stay behind you.

So and so asked Agent Cherry why Emmett was absent Saturday afternoon and to say yes or no, if Emmett was away to get married. The only answer was INK—Burro McDonald language — I Never No.

Felix Boldin and wife were visitors last week end at Fort Sam Houston, where they were entertained by Mrs. Boldin's brother, who is stationed in the Army.

B. A. Hanna is back on the job, after undergoing an operation in the San Angelo Santa Fe hospital.

L. G. Barnes, who underwent an operation for appendicitis at the Clovis Santa Fe hospital, is back on his job at the round house.

Sed Meadors took his examination Wednesday to become an engineer. He says he has been traveling on the wrong side of the cab to pull the whistle.

E. J. Kenney and family and C. E. Smith and family spent last week end in Albuquerque.

The Santa Fe System carloadings for the week ending Nov. 1, 1941 were 23,218 compared with 23,223 for the same week in 1940. Received from connections were 9,022 compared with 7,795 for the same week in 1940. The total cars were 32,240 compared with 31,018 for the same week in 1940. The Santa Fe handled a total of 33,987 cars during the preceding week of this year.

The news of the death of E. P. Cooley, at a Topeka, Kansas Hospital, in October, was received here by Uncle George Marriott. Mr. Cooley was well known here by many Santa Fe men.

He was retired by the Santa Fe company Dec. 31, 1933, automatically, after 57 years of railroad life, with the last 34 of them spent in the employment of the Santa Fe.

Denzer-Ehler Vows Solemnized At St. Joseph's Church Tuesday

Nuptials for Miss Ann Denzer, daughter of Mr. and Mrs. John Denzer, and Edgar Ehler, son of Mr. and Mrs. John Ehler, were spoken at 8:00 a. m. Tuesday, November 4, at St. Joseph's Church, with the Very Reverend T. D. O'Brien officiating.

Mrs. J. J. Cosgrove played the wedding music on the organ. Before the ceremony, Miss Nellie Denzer, sister of the bride, sang, "On This Day."

Miss Adelle Ehler attended the bride as maid of honor. She wore a turquoise taffeta dress with a matching off-the-face headdress, and carried a colonial bouquet of chrysanthemums.

The bridesmaids, Miss Nellie Denzer and Miss Amalene Schutte, wore old rose and gold taffeta dresses, respectively, styled similarly to that of Miss Ehler, and carried colonial bouquets of chrysanthemums.

Messrs. Delphine Hlavaty and Alfonso Denzer served as ushers.

The bride was given in marriage by her father. She wore a white heavy satin dress with a sweetheart neckline, edged with lace. Long sleeves, princess lines and a train. Her white tulle veil was held in place by an off-the-face, heart-shaped headpiece, ornamented with tiny pearls. She carried a colonial bouquet of white carnations tied with tulle and satin ribbons.

An all day reception was held at the home of the bride's parents. In the evening, a wedding dance was given at the Cotton Club.

The couple will live at the groom's old home place near Cooper.

Engagement Announced. Misses Alma and Arlene Kitten were hostesses to a shower at the Clubhouse Friday, November 31, honoring Miss Ann Denzer, bride-elect of Edgar Ehler.

Guests were greeted by Miss Alma Kitten. Miss Arlene Kitten presided at the bride's book, in which approximately 125 guests registered.

The Hallowe'en motif was carried out in the refreshments and the decorations.

Refreshment plates held favors of candy in autumn colors with the words, "Ann and Edgar, November 4, 8:00 a. m., at St. Joseph's Church," tied to them.

During the evening, Miss Nellie Denzer sang, "You And I", and gave a ready, "My Sister's Boy Friend." A playlet and several other readings were offered.

NINETEEN MEMBERS AND ONE GUEST PRESENT

The Women's Society of Christian Service met in the home of Mrs. S. H. Adams Monday, November 3.

The program opened with a song: "Thy Kingdom's Coming," and a mission song, "The Morning Light Is Breaking." Mrs. Adams had charge of the meeting.

Mrs. J. H. Brewer was leader of the devotional, "Time". Several songs were sung by the group. Chapter 6 of the mission study was given by Mrs. R. H. Todd. Mrs. H. E. Woods offered a song, "Savior Hear Us As We Pray."

Refreshments were served to 19 members and one visitor.

Mrs. McClintock's Circle will meet with Mrs. L. L. Frazier, Monday, November 10. Mrs. Ragsdale's Circle will meet in the home of Mrs. Chas. H. Walton.

TWO GUESTS PRESENT AT REGULAR MEETING

Mrs. W. P. Florence was hostess to the Jolly Quilting Club at its regular all day meeting and coverdish luncheon, Tuesday, in her home.

The eight members present were Mesdames J. W. Scott, E. E. Wilson, W. P. Shelton, P. M. Wheatley, J. M. Burton, Johnnie Collins, R. C. Sanner, and the hostess. Guests were Mesdames I. C. Tucker and C. E. Jarman.

The next meeting will be with Mrs. W. P. Shelton, November 18.

Dr. and Mrs. C. B. Leggett of Abilene and Mr. Carlus Leggett of New Iberia, Louisiana were week-end guests in the home of Mr. and Mrs. Roy S. Mack. The Leggetts are Mrs. Mack's parents.

LUBBOCK.— Virginia Bowman, sophomore arts and sciences student at Texas Technological College, recently became a member of Future Teachers of America, national professional organization.

Thirty-two new members were initiated into the Paul W. Horn chapter of the organization at a service held in the home of Dr. Lewis B. Cooper, associate professor of education and psychology at Texas Tech.

Virginia is the daughter of Mr. and Mrs. W. H. Bowman.

Pioneer Club Studies Usage

Mrs. J. P. Haliburton was hostess to the Daughters of Pioneer Study Club at her home Monday night.

"The Grammar has a rule absurd Which I would call an outworn myth: A preposition is a word You mustn't end a sentence with."

Roll Call was the present perfect tense of a verb.

Teacher of the verb study was Mrs. R. A. Singer. A critic report was given by Miss Joan Drewry.

At a short business meeting the club decided to do Red Cross work.

A salad plate was served by the hostess to: Mesdames Max Arrants, George Brassell, Odie A. Hood, Charles Marriott, John Hardy Morgan, Earl Reasoner, Levi Self, Harmon Thompson, Melvin Tudor, Singer, and Misses Naydiene Smith, Myrtle Teague and Drewry.

The next meeting will be November 7 at the clubhouse and will be a formal dinner, together with the Junior and Senior Civic and Culture Clubs.

PLAYETTE GIVEN AT AUXILIARY

The Ladies' Auxiliary of the First Presbyterian Church met at the home of Mrs. S. A. Peavy Monday, October 27, at 3 p. m.

Mrs. Carl Meriwether had charge of the program, which was a playette entitled, "An Alabaster Cruse". The characters included the young people of the Sunday school. Those taking part were Misses Betty Turner, Wilda Hannah, Corinne Gates, Juanita Elliott, Maxine McMillin, and Phyllis McReynolds.

The next meeting day is November 10.

Miss Mary Ann Wilson was a week end guest of Miss Betty Mae Haines of Lubbock.

Vows Are Read In Clovis, N. M.

Miss Ruth Woodlee and Mr. R. E. Fleming, cashier at the Santa Fe offices, Slaton residents for many years, were married at 4:30 p. m., Saturday, in Clovis, New Mexico.

After a short honeymoon to Hereford and Amarillo, they returned home Sunday evening. The couple will be at home at 320 West Panhandle Street.

SUNSHINE CLUB SPONSORS SERIES OF "42" PARTIES

The Santa Fe Sunshine Club is sponsoring a series of "42" parties to begin Friday night, November 7, with Mrs. J. O. Jenkins, second street, as hostess. The following Friday night, November 14, Mrs. Fayette Barton will act as hostess at her home on Lubbock Street. Twenty-five cents a couple will be charged and the proceeds will go to the benefit of the club and will be placed in the hands of the treasurer. The public is cordially invited to attend this series.

MISS MAXINE CONNER PLEDGES SOCIETY

LUBBOCK.— Maxine Conner, daughter of Mr. and Mrs. Ray Conner of Slaton, was pledged to Theta Sigma Phi, honorary society for women journalists, in a special service Sunday afternoon. She is enrolled as a junior journalism major at Texas Technological college. Other campus organizations in which she is active are Tech Press association, Book Reviewers club, and the college chorus.

BIBLE STUDY.

The Tuesday Bible Study will meet a 2:30 p. m., at the Methodist Church.

Lesson: THE UNSEEN WORLDS—PART IV.

- (1) Where is heaven?
- (2) From the Word of God we find heaven is up.
- (3) The Christian dead.
- (4) The state of the Christian dead.
- (5) A human being was created for a body.
- (6) The Christian alone will have eternal embodiment.

MRS. S. S. FORREST, Teacher.

CARD OF THANKS.

We wish to extend our sincere thanks and appreciation to all of those who were so kind and considerate of us in the recent bereavement of our father and husband.

Mrs. A. J. Hoover, Sr., and Children.

Mr. and Mrs. Howard Hoffman attended the Texas-S. M. U. football game in Dallas last week end.

"I Sat Up In Bed

trying to get a little sleep. Stomach upset. Since using ADLERIKA I feel so good! Am 64 years old and do my own work." (E. P. Okla.) If gas in stomach or intestines bothers YOU, try ADLERIKA today.

Mr. and Mrs. W. T. Slaughter, parents of Mrs. J. W. Ward, have recently moved to Slaton from Hylton, Texas. They are at home at 225 West Lynn. Mrs. Slaughter, who has been ill, is improving.

Mr. and Mrs. C. S. Greer and Mrs. Mable Greer spent a few days last week visiting in Fort Worth and Waco.

Mrs. J. S. Edwards, Jr. and young son of San Angelo are guests in the home of Mrs. Edwards' sister, Mrs. L. M. Ares, this week.

Dr. and Mrs. R. G. Loveless visited in Dallas over the week end and attended the Texas University and S. M. U. football game.

Misses Helene Melton, Charlene Fisher, Connie Henry and Messrs. Paul Melton and Harley Mansker and Mrs. Arnold Johnson spent several days in Oklahoma City the first of the week, returning Tuesday.

Mrs. R. G. Garland, of Clovis, N. M., who had been visiting her parents, Mr. and Mrs. C. F. Stanford, returned home last Thursday. She and Mr. Garland arrived back in Slaton Saturday night to visit Mr. and Mrs. L. T. Garland and the Stanfords.

Recent guests of Mr. and Mrs. Bentley Page were Mr. and Mrs. Herbert Adams and son of Abilene.

L. M. Ares and J. S. Edwards, Jr., are deer hunting in New Mexico, this week.

Robert Green of Mineral Wells is a guest in the home of Mr. and Mrs. R. D. Hickman.

A guest in the home of Miss Maxine Olsen Saturday was Miss Betty Hilliard of Lubbock.

Misses Cornetta Bailey and Corinne Cates and Mrs. J. H. Bailey went to Brownwood over the week end. Mrs. Bailey's sons, Ellis and Eldon Smith, returned home with them.

Bobby Turner of Friona and Jack Turner of Camp Bowie visited their parents, Mr. and Mrs. T. A. Turner, recently.

Guests in the home of Mr. and Mrs. T. A. Turner last week were Mrs. Chester R. Marsh and daughter, Patsy, of Clovis, New Mexico.

Mrs. Opal Hightower left Tuesday for Austin, where she will spend the winter with her son, Dr. G. W. Shanks.

Mrs. J. H. Brewer and daughter, Mrs. Bill McDavid, visited relatives in Amarillo last week end.

News has been received in Slaton of the arrival of a son in the Joe Webb family. Mr. Webb is Superintendent of the Mason schools.

Mr. and Mrs. F. R. Moore and children of Arkansas City, Kansas are planning to visit in the home of Mr. and Mrs. W. R. Lovett this week end. Mrs. Moore and Mrs. Lovett have been friends since childhood, having both been reared in Marcelline, Missouri.

Mr. and Mrs. Ollie Clark and Mr. and Mrs. Grady Elder visited friends in Lamesa Sunday.

Mr. and Mrs. "Spud" Berry of Plainview, formerly of Slaton, spent the week end with Mr. Berry's mother, Mrs. Jim Allen, of 345 South 9th Street.

J. D. Norris spent Monday in Snyder on business.

Sub-Debutantes Release Plans For Rush Week

The Delta Sigma Sub-Deb Club will sponsor a series of parties, beginning November 16, symbolizing a Rush Week. The girls will breakfast in town and attend Church. November 18, a theatre party at the Palace Theatre. November 20, a barbecue at the home of Miss Jenny Lou Garland. November 23, the club will be hostess to a progressive dinner for the girls. November 25, Miss Mary Ann Schmidt will be hostess to entertain with a Harvest Dinner for members and guests. November 26, Miss Jenny Lou Garland will entertain with a candy and popcorn party. The Gingham and Overall dance, which will end the series of parties, will be given by Mr. and Mrs. Howard Hoffman.

Miss Clifton Is Hostess. The Sub-Debs met in the home of Miss Doris Clifton Saturday, November 1, at a regular business meeting. A cake sale was planned and decided to be held Saturday, November 8, at the Texas Utilities office.

Members present were Misses Melba Appling, Juanita Elliott, Jenny Lou Garland, Wilda Hannah, Gwendolyn Hannah, Connie Henry, Maxine McMillin, Jerry McMillin, Dorothy Jones, Phyllis McReynolds and Mary Ann Schmidt.

Miss Nicholson To Wed Nov. 15

Miss Mary Jane Nicholson, daughter of Mr. and Mrs. James Morton Nicholson of Topeka, Kansas, is to become the bride of Mr. Donald Deane Berkey, Saturday, November 15, at the Westminster Presbyterian Church in Topeka.

Miss Nicholson and family were former residents of Slaton where she attended school. Her father was Master Mechanic on the Santa Fe, and is at the present time, Assistant to Vice President John Purcell, of the mechanical department in Chicago.

MR. HARVEY IS CROWNED QUEEN OF STYLE SHOW

The Slaton merchants were represented at the High school last Monday night, when the curtain rose on the screwiest style show of the age. The representatives were gentlemen, dressed as ladies, which resulted in an overwhelming amount of comedy.

Miss T. A. Palmer, Mistress of Ceremonies, announced such entertainers as the all girl orchestra, composed of Misses Truman Shelton, Billy Bob Tibbs, Junior Jones, Billy Roy Sanner, Bill Lokey, Frank Todd, James Thornton and Miss Emma Jean Fantroy, alias Jack Sheppard, who did a fancy two-step. Miss Marvin Harvey was crowned "Queen" of the show, with a silver crown studded with jewels.

All proceeds went to the Band Parents Club for the Band. This organization wishes to express its appreciation for the cooperation offered them and sincerely thank all who had a part in the entertainment.

to buy feeds when home-grown grain and roughage supplies are large, or ranges and pastures good, feeding authorities are calling attention to the need for protein supplements to realize the full value of these farm feeds in rations. Protein, essential for all livestock and poultry, often is the only purchased feed required when grain, hays, silage and grazing are available, but adequate amounts of protein, such as cottonseed meal or cake supplies, always are needed for best results in feeding livestock.

Throughout the Cotton Belt, the availability of cottonseed meal and cake, pellets and cubes is an important factor in enabling farmers and ranchmen to get the full value from their available grains or grazing. And, in localities where drought or excessive rains reduced 1941 feed production, cottonseed meal and cake have an important replacement value in rations that conserve grains. By combining their home-grown cottonseed feed products with their home-grown grains and hays, Southern farmers secure the balanced ration that livestock need, plus the maximum efficiency in utilizing the feed products resulting from their investment of time labor and money in crop production.

In doing this, Southern farmers also will play an important part in "answering"—at a profit to themselves—the "advertisement" of the Department of Agriculture for increased production of food for national defense.

(Editor's Note: The above article is the fifth of a series, "Feeding for Defense and Profit," published as a service to farmers and stockmen).

MORE POSITIONS OPEN FOR YOUNG AMERICANS

Young men and women all over America should be taking advantage of the amazing opportunities offered by the opening of so many valuable positions caused by the defense program. Every day a good position is being left by a draftee, to be filled by some person who has mastered a study of business tactics. Any person capable of handling a business or stenographical position is likely to find it considerably easy to acquire a job. More young Americans are being placed in positions daily, all over the United States, than ever before.

Upon graduation from most business colleges and schools, the school's employment departments will help any person to secure a job. This is true of Draughon's Business College in Lubbock, one of the finest and most complete institutions of business learning on the South Plains. Draughon's will send complete information concerning their school upon request.

Two scientists at the Texas College of Arts and Industries report their experiments indicate that "blue bugs" may play a role in the transmission of fowl paralysis.

Auto Parts and Accessories is O. D. Kenney, who is experienced in selecting all lines of auto parts for repairs. He is able to advise you on parts for your present old car to benefit your pocketbook and your automobile. Mr. Kenney invites you to come in and look around. He has some auto accessories which would make excellent Christmas gifts.

Hats the Secret of Her Charm

Beautiful, blonde Mrs. Walter Thornton whose husband heads the famous New York model agency, knows the secret of dramatizing her beauty by the hats she wears. This advance John Frederica style proves how a hat can envelop the head and frame the face, at the same time revealing the hair; its double brim of pink brushed jersey over black felt may be worn in different ways. Mrs. Thornton sets the pace for the famous models her husband directs—she herself never appears in a hat she has several hats for every costume.

DEMAND FOR MORE PRODUCE PREDICTED

WANTED: 9,000,000,000 Lbs. MORE Milk; 500,000,000 doz. MORE Eggs; 8,000,000 head MORE Hogs; 3,000,000 head MORE Cattle; By THE UNITED STATES OF AMERICA.

Such an advertisement, if published in newspapers and magazines, doubtless would startle millions of farmers and ranchmen who would read it. However, the advertisement is correct, for the Department of Agriculture has listed these figures as increases needed in American production during 1942.

In a recent broadcast, Secretary of Agriculture Claude R. Wickard said: "Next year, we want to boost our production of milk by 9 billion pounds . . . we hope to get 500 million dozen more eggs than we'll get in 1941; we hope to be able to butcher 8 million more hogs and 3 million more cattle."

To produce these increased supplies for which the Department of Agriculture is advertising, American farmers and stockmen will need all of their skill and knowledge of efficient, economical livestock feeding. Only through maximum efficiency in utilizing the nation's feed resources can these goals be attained at a maximum profit for the producer, Department of Agriculture and other livestock leaders say.

Above-average 1941 production of such major feed crops as corn, oats, grain sorghums and hays for the entire country, despite drought in some sections and excessive rains in others, will do much to aid production of these livestock and poultry products. As important as the production of these feed crops, however, is their efficient use in balanced rations which are essential to secure their full value for feeding and to secure maximum production from them.

Recognizing a natural reluctance

NEW AUTOMOBILE PARTS SHOULD BE SECURED NOW

If you do not plan to purchase a new automobile soon it is wise to have your present one put in perfect working order, to avoid unpleasant driving situations during the cold winter months. If your car needs new parts to keep it in good condition, now is the time to secure them, while prices are still at a reasonable rate. Persons who cannot afford new models at their present high prices, will find it conservative to invest in parts and accessories. Not only cars, but tractors, need new parts and now is a good time for farmers to repair tractors, while parts are still available.

Southland News

By Helen White

The Hallowe'en Carnival, which was to have been held last Saturday night, was postponed because of bad weather. It will be held this Friday, November 7, at the school-house. Everyone is urged to attend.

The Eagles lost their last football game of the 1941 season, when they were defeated by Cooper, 12-6. Truman Riddle scored the touchdown for Southland.

Mr. and Mrs. H. Bruedigan and Mr. and Mrs. Fred Steinhouser were Sunday guests of Mr. and Mrs. Edmund Stelle of Close City.

Mr. and Mrs. Reuben Saunders and family of Cooper spent Sunday with her parents, Mr. and Mrs. Becker.

Sunday was Annual Mission Festival for the Lutheran churches. Rev. A. H. Muehlrad of Sager-ton delivered the morning sermon. The speaker for the evening was Rev. C. N. Roth of Winters.

Misses Sue Dodson and Juanita Duff of Tech visited the latter's parents, Mr. and Mrs. I. J. Duff, over the week end.

Wilbur Woods and Tom and Roy Craft left last Thursday for Cloudcroft, New Mexico, where they plan to hunt for a week.

Sunday guests of Mrs. S. N. Hendrix were Mr. and Mrs. Jess Hendrix, Mr. and Mrs. J. D. Hendrix and daughter, and Miss Romayne Hendrix, all of Lubbock, Mr. and Mrs. Travis Hendrix of Slaton and Miss Winnie Hendrix of Earth.

Mr. and Mrs. Ben Catchings and family moved to Southland from Taft last week.

Ola Mae Bell of Lubbock visited her parents, Mr. and Mrs. C. N. Bell, over the week end.

Mrs. Tom Craft and children returned Monday from Pampa, where they visited her mother.

Mr. and Mrs. W. A. Smith of Wienert visited in Southland this week end.

Mr. and Mrs. A. M. Spikes of Lubbock visited her parents, Mr. and Mrs. A. F. Davies, Monday.

Mr. and Mrs. James Baker and Mr. and Mrs. J. Walter Smith of New Lynn were among those from out of town who attended the all day meeting at the Methodist church Sunday.

Mr. and Mrs. Elby Boyd and son of Ralls visited the Bill Basingers

over the week end.

Mrs. J. B. Fuqua and Mrs. S. J. Callett visited the latter's mother, Mrs. R. E. Hendrix, of Denver City last week. She returned with them for a visit.

Barney Krause of Troy is visiting his uncle, Albert Krause.

A movie on protection of wild life and prevention of soil erosion was shown at the farm-s' meeting at the school Monday night. The 1942 AAA program was discussed.

Worthy Matron Amanda Cook and Mesdames Hub Haire and Lonnie Collingsworth attended the Order of Eastern Star Grand Chapter in Amarillo last week. Thursday, Mesdames Annie Landers, J. D. Ford, G. N. Smallwood, Sam Martin, S. B. Edwards and Maude Gregory attended the final day of the Chapter.

Mr. and Mrs. Fern Harris of Tucumcari, New Mexico, visited his parents, Mr. and Mrs. J. C. Harris, over the week end.

Planner Neeley returned to his home in Happy after a two weeks visit in the home of the J. V. Youngs.

Mr. and Mrs. Kelley White and family of Snyder and Mr. and Mrs. H. C. White visited Mr. and Mrs. Ivan Powell in Floydada Sunday.

Mr. and Mrs. Lowell King and family of Hale Center and Mr. Hutfless of Slaton were Sunday guests of Mr. and Mrs. R. E. King.

Mr. and Mrs. R. Q. Mabry of Lorenzo visited Mr. and Mrs. C. H. Lester and Mr. and Mrs. W. P. Lester and family Sunday.

Mrs. Earl Harmonson of Lubbock and Mrs. Hubert Foust and daughter were Sunday guests of Rev. and Mrs. O. J. Harmonson.

Mr. and Mrs. LaMonte Keith of Ralls visited her parents, Mr. and Mrs. Ussery, Sunday.

Albert Lee Fields of Lubbock visited his parents, Mr. and Mrs. Tim Fields, over the week end.

Mr. and Mrs. J. R. King entertained the young married set with a Hallowe'en party Saturday night. Prizes for the best costumes were won by Mrs. Otis Neill and Sam Ellis. Refreshments of sandwiches, popcorn and coffee were served to Messrs. and Mesdames Sam Ellis, Otis Neill, J. W. King, Clarence Basinger, Vernon Johnson, Mrs. Dick Craft, the host and host-

THE POCKETBOOK OF KNOWLEDGE BY TOPPS

IN WORLD WAR TIMES, AIRPLANE ENGINES HAD TO BE OVERHAULED EVERY 50 HOURS—TODAY'S ENGINES GO 600 HOURS

INDUSTRY IS AN IMPORTANT CONSUMER OF FARM PRODUCTS—ONE COMPANY ALONE BUYS 150,000 BUSHELS OF CORN EVERY DAY!

AMERICAN INDUSTRY WHO SENT THE AIRPLANE SUPPLIES AS TONNE GUIDES ARE RESPONSIBLE FOR MANY OF THE COBBY BENT OLD TREES SEEN GROWING TODAY

THE FEDERAL GOVERNMENT'S MONTHLY PAYROLL, EXCLUDING SOLDIERS AND SAILORS, HAS BECOME ALMOST AS LARGE AS THE WEEKLY PAYROLL OF ALL THE MANUFACTURING INDUSTRIES IN AMERICA.

THE ENTIRE WORKING POPULATION OF THE UNITED STATES WOULD HAVE TO SPEND ALL ITS TIME AT SPRINGING WHEELS AND LOOMS TO PRODUCE, BY COLONIAL METHODS, THE CLOTH NOW USED IN AMERICA

rene Lester, Dorothy Sue Smallwood, Mary Green, Lola Mae Littlepage, Mattie Dabbs, Olive Davies, Helen White and the hostess.

Mrs. H. C. White entertained the Women's Missionary Society of the Baptist church at her home Monday afternoon.

Refreshments of punch and cookies were served to Mesdames Hubert Foust, C. W. Dean, A. F. Davies, Annie Landers, I. J. Duff, S. N. Hendrix, Olive Davies, Nancy Foust, and Helen White.

Truck load limits in the 48 states vary from 14,000 in Louisiana to 120,000 in Rhode Island.

MORE ITEMS FOR FOOD STAMPS

COLLEGE STATION, Nov. 5.—Butter and pork have been added to the list of foods obtainable nationally with food order stamps by public assistance families benefiting from the Department of Agriculture's food stamp plan. These additions will hold for November. Officials of the Surplus Marketing Administration say that adding these products to the list provides wider markets for farmers and makes important food commodities available to millions of low-income people.

Mrs. S. N. Gentry, Correspondent

Rev. A. C. Forbis, from Lubbock, preached at 11:00 a. m. and 7:45 p. m., at the school house Sunday. He and Mrs. Forbis spent the day with the Sam Gentry's. Rev. Forbis announced the Methodist Annual Conference, to be at Big Springs, Texas Nov. 12. S. N. Gentry was elected delegate.

Due to weather conditions the Week of Prayer of the Women's Society of Christian Service was omitted. The regular meeting of the Society will be with Mrs. C. Z. Fine, Nov. 13, at 2 p. m.

Mrs. J. M. Morrison has been ill the past two weeks and is still confined to her home.

Mr. and Mrs. R. L. Johnson and son, Elmer, from Pettit, spent Saturday night with their daughter, Mrs. Sam Gentry, and family. Mrs. Johnson consulted a doctor in the Lubbock Sanitarium Saturday evening. She has been ill since June, but is gradually improving.

Mrs. L. K. Hart's mother, Mrs. J. I. Cranfill of Wilson, is in a hospital at Temple to undergo a major operation this week.

Mr. and Mrs. Nathan Johnson and children spent Sunday visiting Mrs. Johnson's parents, Mr. and Mrs. W. F. Banks, of Brownfield.

Mr. and Mrs. W. M. Joplin had as their guests Sunday, Mrs. Charlie Bartley and children of Slaton.

Mr. M. P. Gentry is driving a new 1942 maroon Chevrolet.

The W. O. Townsends have installed a Butane plant in their home.

The Senior Epworth League met at the school Sunday night for a regular meeting. Eleven members were present. A talk, "Singing in Worship," was given by Ruth Gentry.

The League set the meeting time to be 7:15 p. m., each Sunday, at the school.

Mr. and Mrs. Leon Baily and son of Lubbock visited relatives and friends in the community Sunday.

Jaunell Hart entertained the young people in her home Saturday night with a Hallowe'en party.

Those present were, Mary Alice Johnson, Charles and Ruth Gentry, James Vannoy, Max Hammond, Vaughn and Vernell Campbell, Margaret and Richard Neu, Elmer

Johnson of Pettit, Meldon and Weldon Harris of Brownwood, Mr. and Mrs. Lewis Joplin, Mary Frances Joplin, Harold Morrison, Boyd Belcher, Jaunell Hart, Leslie Rodgers and Irene Gentry.

The Intermediate Epworth League met at the school Sunday night with seven members present. Imogene Gentry directed the program. The League extends an invitation to the young people to join them at the next meeting, Sunday night at 7:15. New members and visitors are welcome.

Army Camp Filmusical Rates Salutes

The year's greatest star team in the year's greatest bombardment of songs, laughs and girls, Fred Astaire and Rita Hayworth dance and romance their way through Columbia's delightful, spectacular musical, "You'll Never Get Rich," which opens Wednesday, and Thursday, at the Palace Theatre. A comedy of army camp life, with a singable, swingable background of music by Cole Porter, "You'll Never Get Rich" belongs well up in anybody's list of motion pictures worth seeing.

Miss Hayworth's position as Astaire's dancing partner merits high applause. World-famed as a dancer before she set out to achieve stardom as an actress, the ravishing Rita ideally captures the entrancing lightness of rhythm and mood which distinguishes Astaire's nimble-footed antics. The two stars, together, should attain greater heights than even those enjoyed several seasons back by Astaire and Ginger Rogers.

Supporting the principals in this joyous filmusical of army camp life are such well-knowns as Robert Benchley, John Hubbard, Osa Massen, Frieda Inescort, Guinn Williams and Donald McBride.

Against the framework of a strong romantic story, by Michael

STATE OF TEXAS COUNTY OF LUBBOCK

ADVERTISEMENT OF LIMITED PARTNERSHIP

We, the subscribers, have this day entered into a limited partnership, agreeably to the provisions of the Revised Statutes relating to limited partnerships, and do hereby certify that the terms of our said partnership are as follows:

(1) Name or firm under which the partnership is to be conducted is Fenner Tubbs & Company, Ltd.
(2) The general nature of the business to be transacted is the trade, business and occupation of establishing and maintaining garages and purchasing, selling, storing, housing, renting, operating, repairing and otherwise dealing with automobiles and other motor vehicles and their accessories, gasoline and oil necessary to the operation of motor vehicles.

(3) The names of all the general and special partners, distinguishing which are general and which are special partners, and their respective places of residence, are as follows:

Sam G. Dunn, Special Partner, Lubbock, Lubbock County, Texas.
Fenner Tubbs, General Partner, Lubbock, Lubbock County, Texas.

(4) The amount of capital which Sam G. Dunn, as special partner, has contributed to the common stock is Eight Thousand, Three Hundred Two and 10/100 Dollars in property, being fifty-one (51%) per cent of the assets and property of Fenner Tubbs, Inc., as fully described in the inventory of said property attached to the Articles of Partnership on file in the office of the County Clerk of Lubbock County, Texas, which property is of the cash value, as placed thereon by the said Sam G. Dunn, of \$8,302.10 Dollars.

(5) The period at which the partnership is to commence is the 15th day of September, 1941, and the period at which it is to terminate is the 15th day of September, 1951.

This 15th day of September, 1941.
Sam G. Dunn
Fenner Tubbs

Fessier and Ernest Pagano, "You'll Never Get Rich" provides ample opportunity for entrancing dance routines. The co-stars, of course, are superbly seen, but a brilliant background of Hollywood's finest dancers lends eye-ravishing effect to the spectacular sequences.

A five percent solution of zinc sulphate in the treatment of animals for pink eye has given encouraging results in trials at the Angleton sub-station of the Texas Agricultural Experiment Station.

TRUCKS IN DEFENSE.

"According to the OPM priorities division," Senator Fish reports, "more than a million trucks are now hauling defense goods only. With 4 1/2 million trucks registered in the U. S., this means that virtually one-fourth are now engaged in our defense effort."

"With restricted light-truck output, and a demand for greater farm production, the American farmer faces a record job. He has set production records in each of the past two years and is asked to top them again in 1942. To do this, of course, he must have the tools."

Surveys at major markets throughout the country show that 68.2 per cent of all hogs received there arrive by truck; 68.7 per cent of all chickens; 45.2 per cent of the eggs, and 28.1 per cent of the butter. In addition, at least 24 major American cities receive their entire milk supply by truck.

Over and above farm use in the rural areas, Fish said, some 48,000 American communities are entirely dependent upon motor trucks for their supplies and shipments.

In the wide range of Chevrolet commercial equipment for the farm, Fish said, half-ton pickups and 3-4-ton stakes are rated as

among the most versatile and valuable units.

Despite wartime reductions in shipping space, importation into the United States of purebred animals for breeding purposes increased 4,175 during the fiscal year ending June 30, 1941, as compared with the previous months.

DUCK HUNTING

--- SEASON IS HERE!

Sunday, November 2, to Dec. 31st, marks the opening of duck hunting season in this zone... already we're hearing reports of duck migrating into this county. This is sure to be a fine season for this fine game... lots of water in our lakes... a big feed crop.

Too, we'd like to advise you to stock up on shells now for a full season of hunting... we've been months in building up our big stock of ammunition and it is doubtful we'll be able to replenish it before the season is over.
