Slaton, Lubbock County, Texas, FRIDAY, SEPTEMBER 12, 1947

NO. 2

## West Texas Roundup

Premiums amounting to \$600.00 will go to entries in the Levelland Stock Show, to be presented here on September 27. All plans for the annual event were completed at a meeting Wednesday morning, except that site has not yet been obtained.

The Wednesday morning meeting was at the office of County Agent Artie Forehand, who is general superintendent of the show.

—Hockley County News

Local citizens were urged today by Junior Chamber of Commerce officials to cooperate with takers of the census, who started work earlier this week.

Members of the organization are making a survey.

—Hockley County News

The Post Dispatch is announcing a 50-cents a year increase in its newspaper subscription rate, which will become effective Oct. 1.

A 25-day notice is hereby extended to all subscribers and prospective subscribers who would like to have 50 cents by taking or renewing subscriptions, whether or not renewals are due, during the remainder of this month. The renewals, if made this month at the old subscription rate, will become effective whenever the old subscriptions expire, Publisher E. A. Warren said today.

—Post Dispatch

The annual flower show will be held September 13 in the Home Economics cottage, sponsored by the City Garden club.

Now is the time to start dis-budding roses and dahlias for the show. Keep flowers well watered. Each one entering flowers will have to furnish her own containers. All entries must be in before 11 o'clock.

—Abernathy Review

According to information released from the office of the State Superintendent of Public Instruction children six years of age after September 1st, 1947 will not be permitted to attend the Public School during the coming school year.

The last Legislature attempted to pass a bill whereby children becoming six years of age after September 1, might attend school under certain circumstances, but this bill was withdrawn before becoming a law.

—The Paducah Post

Members of the Chamber of Commerce frankly admitted Monday night that business men of Ralls had cost the city some 500 inhabitants in the past year by refusing to build rental property, or small homes for sale.

C. W. Mann, secretary, urged the group one year ago to set up some kind of building and loan association to encourage home building. He renewed his efforts at the regular meeting Monday night, and a committee was appointed to examine the means and methods necessary to expedite more residential building. The committee is composed of A. L. Winfrey, John Thomas and Ernest Joiner.

—The Ralls Banner

With the completion of the curb and gutter on the highway through the city last week, the highway department moved in equipment Monday to do their part of the local paving job.

—The Crosbyton Review

Although Gov. Beauford Jester will not be present at the West Texas Old Settlers Reunion next Friday, a good speaking program is being arranged anyway. Will F. Ezell, president, said Wednesday. The Governor notified the group last week-end that he would be unable to be there, and also can-

## MEXICAN TO PARADE IN SLATON HONORING THEIR INDEPENDENCE

### Public Urged To Attend Reception

The High School and the Elementary School Parent Teachers Associations will be joint sponsors of a reception to be held on Thursday, September 18, at the Club House from 8:00 to 9:30 p. m. honoring the members of the faculty. The public is invited to attend the reception in order that new members of the faculty may become acquainted with the people of the city.

The faculty is as follows: High school principal, J. H. Freeland; teachers, A. C. Strickland, Clarence Tillery, Frank Herring, Chaney Watson, R. M. Nash, Mrs. J. B. Caldwell, Mrs. D. J. Neill, Mrs. W. V. Childers, Mrs. Imogene Carlton, Mrs. L. K. Rart, Mrs. Clarence Tillery, Mrs. R. M. Nash, Mrs. June Keys.

Ward school principal, J. O. McLeod; teachers: Dwayne Reames, Miss Lucille Adams, Mrs. Le Roy Holt, Mrs. Hugh Cook, Mrs. Roy Parks, Miss Mary McHenry, Mrs. Margaret Crosby, Mrs. Audean Watson, Mrs. Bobbie Embry, Miss Ethel Brown, Mrs. Virgil Hunter, Mrs. Beryl Gunter, Mrs. Nan Tudor, Mrs. Edith Brooks, Mrs. Bessie Mending, Miss Ruth Hannah, Mrs. W. H. Legate, Mrs. Dixie Sims.

Leo Vardy is the new superintendent.

### Show For Kiddies To Be Here Tues.

The Goodwill travelers for the Panhandle South Plains Fair are scheduled to be in Slaton next Tuesday, September 16 at 7:15 a. m. with a variety program, band and everything to make things noisy and amusing. The Goodwillers are especially anxious to have the school children see their show as it is designed to amuse the youngsters. The Goodwillers will be here at a time that will not interfere with the school hours and the men coming on the trip hope to see some young and smiling faces.

Mrs. R. O. Peters and children, Roland Otto and Carolyn, of Sweetwater were week end visitors in the home of Mrs. Peters' parents, Mr. and Mrs. W. T. Driver. Mrs. E. E. Michael of Hayward, California, was also a visitor in the home of the Drivers.

Wayland Ferguson will attend Baylor University this fall.

Frank Todd left Sunday for Denton to attend T.S.C.W.

called a speaking date at Sudan. The head of the State Department of Public Welfare will probably be here, Mr. Ezell said, and officials are in contact with two other state leaders.

—The Crosbyton Review

Members of the Hereford Chamber of Commerce will entertain wives and guests at a Charter-Presentation banquet at the Hereford City Hall banquet room next Tuesday evening.

Clifford Cooper, vice president of the United States Junior Chamber of Commerce, will present the national and state charters to the local organization at the banquet.

—The Hereford Brand

The Ralls school board, at its meeting Tuesday night, made a contract with O. M. Walker, Lubbock architect, to prepare cost estimates and sketches for an auditorium and other buildings as the district may decide to erect.

—The Ralls Banner

According to information released by the Quahak Tribune Chief, a sum of \$30,000.00 has been allocated by the Texas Highway Department to repair the bridge over the Pease River between Quahak and Paducah.

—Paducah Post

Starting tomorrow night the Mexican citizens of Slaton and this section will start a four day Fiesta to celebrate the Mexican Independence Day and to pay homage to Morales, the George Washington of Mexico, who freed that nation from the oppressions of Spain.

The big feature of the Fete will be a parade that will be held Tuesday afternoon starting at 1 p. m. It will be formed at the Santa Fe Depot, come up Texas Avenue, go around the square and march back to the place of starting. It will consist of Mexican bands, floats and marchers, the Woodmen of the World will be presented as well as the Morales Club of Slaton and the parade promises to be one of the most colorful parades ever held in this community.

There will be dancing and speeches during the four day celebration at the dance pavilion in the Mexican section of the town and a ball game will be played on Sunday between the Slaton Mexican Tigers and a team from Piedras Negras, Mexico Visitors will be welcome at the Fiesta.

### Baptist Circles Elect Officers

In its regular meeting Monday afternoon the Lottie Moon Circle elected the following officers for the forthcoming year: Chairman, Mrs. Fannie Patterson, Co-Chairman, Mrs. Dudley Berry, Secretary-Treasurer, Mrs. John Sain, Benevolence, Mrs. Fannie Patterson, Bible Study, Mrs. J. B. Huckabee, Missions, Mrs. T. O. Lemon, Mission Study, Mrs. George Marriott, Community Missions, Mrs. Carl Williams, Christian Education, Mrs. J. M. Fondy, Periodical, Mrs. J. D. Butler, Social, Mrs. Dudley Berry, Stewardship, Mrs. Fred Stottlemire, Reporter, Mrs. T. V. Ellis.

Thirteen members of the Annie Armstrong Circle met in the home of Mrs. L. R. Gregory Monday, Mrs. H. G. Stokes presided at the business meeting in which Mrs. A. R. Keys was elected Circle Chairman, Mrs. L. R. Gregory, Co-Chairman, Mrs. Edd Lott, Secretary-Treasurer, Mrs. J. S. Vaughn, Bible Chairman, Mrs. H. G. Stokes, Co-Bible Chairman, and Mrs. Jeffcoat, Reporter.

### Slaton Hardballs Defeat San Angelo

Last Sunday at San Angelo the Slaton Tigers of the Oil Belt League took a hard fought game from the Colts to the score of 8 to 5. After losing the Saturday afternoon game 13 to 1. Whistle Banks walked 6, and hit 4, but allowed only 4 hits, 2 in the 3rd, 1 in the fifth and 1 in the eighth. He was given fine infield support, to gain his second victory in as many starts since joining the Slaton ball club.

This Saturday night Slaton will play Sunday at Sundown, with Banks again on the mound for Slaton.

### Mrs. W. R. Lovett's Brother Dies Sept. 1

Mr. and Mrs. W. R. Lovett returned Tuesday from San Francisco, where they were called to attend the funeral of Mrs. Lovett's brother, E. H. Porter, who died there Monday, Sept. 1st. The funeral was held at Reno, Nevada on September 5th.

News from Dr. and Mrs. Walter S. Parks, Jr., announces the arrival of a new baby boy, Robert Charles, born on September 2 at the Cleveland City Hospital. Dr. Parks will be in Cleveland three years specializing in obstetrics and gynecology.

See the International home freezer on display at Slaton Implement.

## Over the Wire

With the opening of school the traffic dangers become more acute and parents who take their children to school in automobiles and motorists who drive near school buildings should be extremely careful. Slaton does not have strict enforcement of its traffic laws and those who drive should endeavor to follow common sense regulations for their own safety as well as for the safety of others, especially the school children.

Another grass fire brought the fire department out last week. The extremely high grass and dead weeds are a constant fire hazard and extreme care should be taken when burning trash or endeavoring to burn off the weeds.

A number of business houses over town have lost leases and will have to move before long and even with the new buildings that have been constructed in Slaton within the past two years the business section offers very few buildings for rent. There are rumors of several new building projects for the business section and the construction workers will probably have a busy fall and winter.

Robert Huser, owner and manager of the Huser Hattery, spent last week in Fort Worth where he attended the Dr. Salisbury Poultry Disease School. The course stressed the diagnosis and remedies of poultry disease.

Kirby Scudder reports that the postal receipts for the Slaton office have increased about 12 per cent during July and August over the same periods last year. This he says, is partially due to the increased number of field workers who have come into this section. When the cotton is ready for picking he expects a considerable increase with perhaps enough to make 1947 better than 1946.

J. D. Holt, says that the remodeling and rearranging of the Slaton Pharmacy is going slow but that he hopes to have the new fixtures in before long and his new store open about the middle of October or before.

Mr. and Mrs. Mrs. J. L. Tunnell celebrated their fiftieth anniversary in the home of their daughter, Mrs. Cecil Self, Friday, Sept. 5. Guests attending the celebration were the children and grandchildren of the couple.

Gum paper and adding machine paper at the Slatonite.

### New G.A.R. Commander-In-Chief

CLEVELAND, OHIO — (Sound-photo) — Robert M. Rownd, 102, of Ripley, N. Y., was elected Commander-In-Chief of the Grand Army of the Republic at closing session of the 81st National Encampment here. Rownd succeeds John Henry Grate, 102, of Atwater, Ohio. Grate was elected Chaplain-In-Chief, a post formerly held by Rownd.

## Legion Campaign For Membership

At the regular meeting of the American Legion last Monday night at the Legion Hall Post Commander Claude S. Cravens laid stress on getting new members and on reinstating members who have dropped out.

As Chairman of a committee to get this duty performed he appointed Jerome Burns and he is hot and heavy on the delinquent members and is backing the campaign to encourage those who are entitled to belong to join the organization. "We hope to have one of the most active Posts on the South Plains," said Mr. Burns.

### 1947 High Grads Off To College

Listed below are the graduates of the Slaton High School of the class of 1947, who will be among the young people going away to school this fall.

Peggy Abernathy, Kenneth Attnip, and Mary Harral will attend Texas Tech at Lubbock.

Wendell Byler, Dorothy Davis, Roy German, Brian Sartain, Betty Willis, and Lavenia Wilson will attend McMurray at Abilene.

Helen Ferguson will attend Baylor University at Waco. Joy Gentry and Joy Holloman will attend John Tarleton at Stephenville.

Vysta Ward is now attending Draught's Business College at Lubbock.

Maxine Allred is in training at the Lubbock Memorial Hospital, and Fannie Lou Shaw is in training at the Shannon West Texas Memorial Hospital at San Angelo.

### R. F. Neu Returning To U. S. From China

Richard F. Neu, water tender, second class, USN, son of Mr. and Mrs. Nick F. Neu of Route Two, Slaton, Texas, is returning to the U. S. aboard the repair ship USS Hooper Island after completing a tour of duty at Tsingtao, China.

The Hooper Island was relieved of her duties in the China area by the repair ship USS Chimarea.

### CONFERENCE PLANNED

A planning Conference has been called for Saturday night, Sept. 13 by Dale Medearis, pastor of the First Christian Church, the conference will be held in the Parsonage at 8:00 p. m. and all departments of the church will be represented.

### BIRTHS

Born September 3 at the Plainview Hospital to Mr. and Mrs. J. R. Burton, a girl. Weight 6 lbs., 9 ounces.

Born September 3 at the Mercy Hospital to Mr. and Mrs. R. A. Hardy, a girl. Weight 6 pounds, 7 1/4 ounces.

Born September 4 at the Mercy Hospital to Mr. and Mrs. J. R. King, a boy. Weight 6 pounds, 15 ounces.

Mr. and Mrs. Claude Young have returned to their home in Belen, N. M., after visiting their daughter, Mrs. Wayne Lamb.

Navy Lieutenant Jack Edwards is on duty at Pensacola, Fla. with the Navy Air Corps.

Note book covers and note book fillers at the Slatonite.

Scratch pads, assorted sizes, 30 cents per pound at the Slatonite.

Engagement and Wedding Rings from \$29.95 up at Champion's Credit Jewelry.

## BCD VOTES TO UNDERWRITE SLATON SCHOOL BAND PROJECT

### Mexican Camp To Open Sept. 15th.

Max Arrants, manager of the C of C, reports that the Mexican Camp ground on South 9th street, is scheduled to open September 15 under the direction of Mr. Eugene Holt, who was one of the directors of the camp last season.

A larger cess pool has been constructed and the camp put in good order and the farmers who need help may get in touch with prospective workers at the camp anytime beginning Sept. 15.

The itinerant workers are allowed to stay at the camp for a maximum time of 48 hours. There are 13 cabins open to the workers and it is reported that a considerable number of Mexicans are headed this w.y. The cotton crop is expected to ripen fast and business should pick up before long.

### Tigers and New Deal To Meet Fri. Sept. 19

The first Slaton Tiger Football Game is scheduled to be played at the Tiger Stadium, Friday Sept. 19 at night with New Deal and it is expected to be a close contest as the New Deal boys are big and husky and well trained. The Slaton Team has only a limited number of last years players, but they are fast and tough medicine for any team that faces them. Some real huskies will also make their first appearance on the Tiger team this year and if they develop as hoped Slaton should end up very close to the top in the conference.

At a meeting of all of the Tiger squad this week John Schmidt was elected Captain of the back field and Guy Gentry was chosen as Captain of the line. The squad made the selection of the two captains by vote.

Coach Tillery said that the new men who are trying out for football are coming along fine, he particularly mentioned Alvis Collins who is out for left end, Lawrence Morgan for right half, Tye Culver for quarter, Carl Williams for tackle and Glyndon Dawson for guard.

The boys are working hard and will put up a tough fight next Friday.

SCOUT PROGRAM PLANNED

Troop 29 of the Boy Scouts is getting underway with a fine fall program. Mr. Reeves, our new art teacher for the 6th and 7th, is undertaking to build up a show troop of Indian dancers. He will teach Indian lore and dancing to the Scouts and help them make appropriate costumes. There are only four troops in the state interested in Indian lore. We propose to make this one the fifth and make it better than the others. Mr. Medearis and Mr. Moyer will continue with their classes in wood craft and boxing respectively. Watch troop 29 it is going places.

Miss Betty Vickers has returned to her home in New Orleans, La., after visiting in the home of the Jack Edwards.

Birth stone Rings for the lady at Champion's Credit Jewelry.

Ladies and mens Hamilton and Elgin watches at Champion's Credit Jewelry.

Genuine Pontiac parts at Slaton Implement.

Funeral services were held last Sunday afternoon in Silverton, for J. W. Kendrick, 77, who died at the Ralls Hospital last Saturday morning, September 6th, after a long illness. He had been a resident of Ralls for the past year, coming there from Silverton, where he had been a resident for a long time.

He was the father of J. T. Kendrick, of Slaton, the Manager and owner of the Slaton Implement Co., he is survived by four sons, one daughter, four grandchildren and two great grandchildren.

Robt. Guinn is visiting his aunt and uncle, Mr. and Mrs. W. A. Guinn in San Angelo, Texas.

Ladies and mens Hamilton and Elgin watches at Champion's Credit Jewelry.

Genuine Pontiac parts at Slaton Implement.

## 838 ENROLL IN SLATON SCHOOLS

The Slaton Schools began classes Tuesday, Sept. 2. There has been enrolled in East Ward 187, in West Ward 297. The eighth grade has enrolled 31. Two hundred thirty six pupils have been enrolled in High School. The enrollment is gradually increasing. Both Lunch Rooms are in operation under the supervision of Mrs. Moore, Mrs. Allen and Mrs. Robertson.

The band is organized and there has been forty students enrolled. Mr. Herring is looking for in-

struments for all students that are unable to get them. Plans are being made to start band instruction in the sixth and seventh grade in order to have students in the high school band that will be more experienced. The Agriculture Shop building will be completed in the near future, thereby enable a larger shop program.

The colored school opened on Sept. 1 with an enrollment of 87. Mr. M. E. Granville is the principal assisted by Mrs. M. E. Granville and Mrs. L. W. Greer.

Supt. of Schools Lee Vardy presented the proposed band program to the board and explained that available funds from the school budget would not be sufficient to pay the salary of the director and meet other necessary expenses in connection with the band. Mr. Vardy explained that the band organization through concerts and other activities could raise a portion of the needed funds and the Chamber agreed to underwrite the remainder.

Frank Herring, Jr., has been engaged as band director. Mr. Herring holds a BS degree in Band from Texas Technological College. It is understood that at this time some forty students are enrolled in band classes.

### Tennis Tournament To End Sat. Night

In the tennis tournament that started last Wednesday night on the Slaton Club House courts the following matches were played:

Bobby Martindale defeated Austin Yeats, 6-2, 9-3.

A. C. Strickland defeated Thurman Reynolds, 6-2, 6-3.

J. S. Edwards, Jr., defeated Earnest Kercheval, 6-3, 6-4.

Bill Brewer defeated John T. Hall, 6-0, 6-2.

In the doubles Max Arrants and Austin Yeats won over their opponents.

In the play last night the matches were between Max Arrants and Bill Howard, Howard Hoffman vs John Sims and Jim Bates vs W. R. Sewell. The matches will end Saturday night when the winners of the previous matches will play.

### Father of Slaton Man Buried Sunday

Funeral services were held last Sunday afternoon in Silverton, for J. W. Kendrick, 77, who died at the Ralls Hospital last Saturday morning, September 6th, after a long illness. He had been a resident of Ralls for the past year, coming there from Silverton, where he had been a resident for a long time.

He was the father of J. T. Kendrick, of Slaton, the Manager and owner of the Slaton Implement Co., he is survived by four sons, one daughter, four grandchildren and two great grandchildren.

Robt. Guinn is visiting his aunt and uncle, Mr. and Mrs. W. A. Guinn in San Angelo, Texas.

Ladies and mens Hamilton and Elgin watches at Champion's Credit Jewelry.

Genuine Pontiac parts at Slaton Implement.

**All-Pullet Flocks More Profitable**  
 When considered from every angle, there can be little doubt that an all-pullet flock is more profitable than one consisting of birds of various ages. The fact that more and more poultrymen are turning to the all-pullet idea is based on several important factors:

- The Advantages**
1. Pullets lay more eggs over a year's time than hens.
  2. Pullets lay more eggs when eggs are at the highest price level—in the fall and the winter.
  3. The cost of feeding a pullet for the 6-month growing period is about the same as the cost of feeding a hen during her 4-month molt—and, at the end of the growing months, you have a pullet representing four lbs. of meat and dozens of high-priced eggs, instead of just an old hen with a new coat of feathers.
  4. There is less danger of disease outbreaks and, therefore, lower mortality among all-pullet flocks.

Tests have shown that pullets lay from 20 to 30 percent more eggs annually than hens. A U.S. Department of Agriculture test showed that unculled Leghorn pullets laid from 178 to 208 eggs in a year, whereas selected Leghorn hens laid 141 to 187. There have been other tests to substantiate the findings in the USDA experiments.

**High Price Eggs**  
 Remember that when egg prices are highest in fall and early winter, pullet flocks are just reaching a high production rate while hens are molting or taking a rest. No poultry raiser likes to spend money on valuable feed for hens which aren't producing.

Hens often carry such diseases as tuberculosis, cholera, pullorum and coryza—another good reason for raising pullets separately from older birds. Mortality rates in all-pullet flocks run from three to five per cent lower than in mixed flocks.

Oh, Boy! Cookies!

LONG ISLAND CITY, N. Y.—One of the "biggest thrills" of foreign Girl Scouts, in America for their first postwar encampment, was a visit to the world's largest cracker bakery under one roof—the Sunshine Biscuit plant here. Their final thrill came when Sunshine's director of research, Dr. Stanley Jackson (center of photo), gave every Girl Scout a large box of assorted goodies for mailing to the folks at home. GINETTE van Hoorbeke, Belgium (left), and Bodil Schroder, Denmark, are shown addressing shipping tags.

## MARKET NEWS

As of Sept. 8  
 (USDA) Southwest farm products sold generally firm to higher last week, with cotton and some cattle classes the major exceptions, U. S. Department of Agriculture's Production and Marketing Administration reports. Demand for all grains continued good last week. Wheat and sorghum prices reached new peaks, while oats and barley advanced sharply, and corn held firm. At Fort Worth and Galveston, bulk carlots of No. 1 hard wheat closed Friday at \$2.71 to \$2.72 per bushel; No. 2 white corn \$2.98 to \$3.05; yellow \$2.50 to \$2.55; No. 3 barley \$1.84; No. 2 red oats \$1.27 to \$1.31; and No. 2 milo \$3.55 to \$3.60.

Good demand and light offerings kept egg prices firm last week, while all classes of poultry found strength at some markets. Top quality white candled eggs sold generally around 50 to 55c per dozen, and grade "A" mixed eggs 45 to 50. Heavy hens ranged largely from 22 to 32 cents per pound, and fryers from 32 to 39. Spot cotton marketings increased last week, as picking and ginning moved farther north. Strict Low Middling and above found good demand, but farmers sold less freely, as prices declined \$4.00 to \$6.50 per bale for the week. Texas hog markets closed the week about even with a week earlier, while other southwest terminals gained mostly 50 cents to \$1.00 or more. Top butchers closed at \$26.75 at San Antonio, \$27.75 at Fort Worth, \$28.50 at Oklahoma City and Wichita, and \$30.25 at Denver. Sows brought mostly \$20 to \$25 and pigs \$20 to \$25. Slaughter and stocker calves dropped sharply at most southwest markets last week, and cows lost at some places. Common to medium slaughter cows ranged largely from \$12 to \$16, and calves \$13 to \$19. Most good calves sold at \$19.50 to \$22. Common to medium stocker calves brought mostly \$16 to \$18.50.

## Slaton Mattress Co. Has New Ownership

One of the busiest places in Slaton is the Slaton Mattress Co., which is now under the ownership of K. V. Martin, who is thoroughly competent to make both inner-spring and standard mattresses. Mr. Martin is a careful workman and has all of the best equipment for both renovating and making over mattresses and for making new mattresses.

"This is the time of the year to have your old mattress made into new inner-spring mattresses," said Mr. Martin, "for one can easily substitute bedding at this time of the year while winter comes a comfortable sleeping place is really needed."

The Slaton Mattress Company is an old established concern in Slaton and hundreds of people in this area have purchased the products of the Slaton Mattress Co. and always found them satisfactory. The new owner expects to live up to the high reputation of the Slaton Mattress Co. and will turn out only the best of work. They have an excellent showing of the newest ticking in a variety of colors and patterns, they will make you an excellent price on remaking your old mattress into a new one and will call for your old mattress and deliver the new one when it is finished, they are right here in the old home town and can do your work in the shortest length of time and you will be without your mattress for only a few days if they remodel your present mattress. Why not call them today.

## Insulation Should Be Installed Now

Right now is the time to have your home insulated so that when winter comes you can start saving on your heating bill. It is a proven fact that insulation will save more than it costs in gas bills in a few years and every month that your home goes without being insulated is just that much money gone up in fuel bills, just that much money burned.

There are several ways of insulating both new homes and also homes that are already built and all of these methods are good if the insulation is properly installed. The installation requires expert knowledge and the proper kind of equipment to do it right and that is where the Texas Roofing Co. in Lubbock can help you. The Texas Roofing Co. can give you estimates on all kinds of insulation, they have been doing this kind of work for many years. They can do it at less cost to you because they are equipped to do it in the shortest length of time and because their workmen know how to do it right.

The Texas Roofing Company is also one of the largest concerns in West Texas in the repairing of roofs of all kinds and in building new roofs. They have a large crew of men who cover all parts of the South Plains and they have all kinds of roofing materials which can be put on new constructions or on old roofs. Before you have any work of this kind done it will pay you to get in touch with the Texas Roofing Company and get their quotations. They have a representative who covers all parts of the South Plains and a post card will bring him to your door. Just write them about your roofing or insulating problems.

The Department of Agriculture's research men are working on hybrid forest trees that may grow to harvesting size in one-half or one-third the time required for a good nonhybrid tree to reach the same size.

**This Week's Lesson**

"Substance" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientists, on Sunday, Sept. 14.

The Golden Text is: "The invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead" (Romans 1:20).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Every gift cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (James 1:17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter" (page 301).

Mr. and Mrs. J. B. Taylor and son of Dallas were week end guests in the home of Mrs. Fred Walters who is the mother of Mrs. Taylor.

Janice Hall left Sunday for Lockney where she will begin her work as a Home Economics teacher. Miss Hall is a June graduate of Tech.

One of the fifty or more giant balloons which will appear in the parade will also include mounted rodeo performers opening day parade of the 30th and a number of bands. The 1947 Annual Panhandle South Plains Fair dates are September 29 thru Fair in Lubbock at 1:30 P. M., on October 4.

Mr. and Mrs. T. K. Martin, formerly of Slaton, now living in Lubbock, have returned from a trip that took them through Knoxville, Tenn., where they visited in the home of Mr. and Mrs. T. O. Petty. Mr. and Mrs. Petty requested them to deliver a message through the Slatonite to the effect that they wanted to be remembered to all of their friends in Slaton.

Mr. and Mrs. Ed Volt of Jinks, Oklahoma, are visiting with their daughter, Mrs. Burt Goynes.

Mrs. Dan Liles and Mrs. Lee Wooten went to Meadow Sunday.

**Important Metals**  
Rubidium and caesium both give photo-sensitive layers for definite wave lengths, and caesium cells are an important factor in recording sound for the movies. Milligrams of barium, a most active metal, help give radio tubes their long life. Tantalum is almost indispensable in the larger power tubes used in radio. Indium, in very small amounts, decisively improves the corrosion properties of the cadmium bearings used in airplanes. Cerium is used almost daily since cigaret lighter flints are made from it.

Mr. and Mrs. Bob Oldham of Canyon were visitors in the John Burton home over the week end.

# POSEY ITEMS

R. L. BOYD

All officers and teachers were present for Sunday school. About an average crowd was present which included one visitor, Mr. C. D. Willis of Slaton.

The Society of Christian Service has changed the meeting hour to 2 o'clock. The next meeting was scheduled to be with Mrs. J. M. Morrison on Tuesday.

Mr. and Mrs. A. L. Harris have had as visitors their daughter and son-in-law of Weatherford. He teaches in a junior college.

The new daughter of Mr. and Mrs. Calvin Willis has been given the name Velma Faye. She was born Wednesday at a Slaton hospital.

The Tudor Gin has turned out several bales of cotton. Cottonseed has been bringing \$65 per ton.

Funeral services for Mrs. Paul Stolle, the mother of Fred and Robert Stolle were held Thursday afternoon at the Posey Lutheran church. Mrs. Stolle was 77 years old and had been in ill health for some time.

R. B. Boyd has been serving on the county grand jury for three days of this past week.

George Lee and son, Jack of Gordon were visiting here Sunday.

Joe Grabber who has been in a Slaton hospital for about seven weeks is much improved. He is expected to go home this week.

C. E. Birdwell is again employed at the gin.

L. B. Kitten says that his maize crop is turning out about 1100 pounds per acre.

The cotton yield is now estimated from one quarter to one half bale per acre. Some farmers think that they would be as well off without rain until after harvest.

O. L. Cranfill of Roscoe, formerly of Lorenzo, recently visited the L. K. Hart family. He is the owner of a hardware store there.

It is believed that the REA lines will soon be extended. Some houses have been wired for several months.

Among the students who will be enrolled at Texas Tech from here this fall will be Jimmie Hansen, a Slaton honor student.

## Still Dangerous

SAN FRANCISCO, CALIF. — (Soundphoto) — Navy workers wearing protective hoods and clothing spray acid on the conning tower of one of the submarines used in the Bikini atom-bomb tests to remove the radioactive paint as government scientists continue their study and research of the deadly and poisonous effects of the bomb's radioactivity of the ships that were exposed to the tests. Some of the ships which were sprayed by the atomic explosion, one year ago, are still too dangerous for anyone to stay aboard them for more than eight hours.

Arthur Smallwood, son of Mr. and Mrs. G. N. Smallwood of Southland, who was injured in an automobile accident over a year ago, went back to the hospital in Abilene, Wednesday for more work to be done on his arm.

Mr. and Mrs. W. H. Reeves of Burleson, Texas, visited last week with their daughter and family Mr. and Mrs. Joe W. Tate.

Guests in the home of Mrs. F. P. O'Connor were Grandma Henderson, J. W. O'Connor of Odessa, Mrs. W. O. O'Connor and daughter, Rita, of Rising Star, and Miss Mildred Wright of Stanton.

The Bitter End To "the bitter end" has a nautical origin, reports Ships magazine. A ship's anchor chain, at the point where it was fastened to a vertical timber called the bitt, was known as the bitter end. Thus, when the chain has been payed out to "the bitter end," there's nothing more that can be done.

a face or clothing he will be wearing the next time you see him.

While I have had the weeds cut a couple of times in the rear of the Slatonite I believe we can compete with most businesses in the town when it comes to size and stink of our weed patch. And I've come to the conclusion that I do not want to be different from the other business firms on my side of the street and if anyone wants to come slinking around in the rear of our business he can do so at his own risk. There are bears, reptiles and booby traps of every kind in our jungle and if some sneaky fellow gets his foot caught in a bear trap he need not blame us for we're afraid to go out there after dark ourselves and we take a stick along in the day time.

A friend of mine told me not long ago that he has come to the conclusion that he does not want any more business for what he now has is about to drive him nuts. "It is the first time in my life," he said, "that I have felt the desire to turn down profit, but now I wish I could run out the back door every time I see a new customer come in the front."

Charlie Austin came into the Post Office last Friday morning and signed a receipt for a registered letter. When he opened it the letter turned out to be a call for Jury duty in Judge Blair's Court in Lubbock. Charlie's blood pressure hit over 200. He threw the letter on the floor and stomped it and went off waving his arms howling that it should be against the law to sneak up on a man that way and besides the men in the Post Office should have told him what the letter was. It is getting to be a tough world.

Last week O. O. Crow and his wife came over to their home on Lubbock street that they are fixing up mighty fancy and making our home look rather shabby, and O. O. got a water melon out of the back of his car and called the drooling neighbors in to take part. It was an extra big melon and tasted extra good being the second melon into which I have stuck a dirty finger this summer. After twenty or thirty minutes of the contest I went away sloshing

like a gallon bottle of drinking water. Ever since then I have felt like a leaky vessel in a storm at sea. So let this be a lesson to you - - - never take advantage of a free hearted neighbor.

Due to the fact that the weather has been in a rut I have not been doing much predicting, but now I feel that a change is due real soon - - - the leaves on the trees are beginning to fall, the June bugs have eaten up most of the peaches and the tomato vines have dried up and the cotton and grain crops are so far advanced that a rain would do very little good, so I am predicting a good rain real soon. I believe we are going to have a rip snorting winter. This summer has been one of the hottest in many years and I believe that this winter will be the coldest we have had since way back

yonder, so I am going to get out my long handles and have the thin places vulcanized, my shoes half soled and the pockets in my pants sewed up.

The Cushing Oklahoma Citizen has this to say about the conditions of things on Friday morning after the paper has been put in the mail late Thursday night: Type Set of the Morning After The whole office may have a grouch but if YOU smile and keep on smil.

Wife won't etain shrd lmpuy cwfmming the rest won't feel so grushy.

Wife may be outo'sors; and the Hypperisy may re rampant on this earth, but if YOU are honest and straightforward your example will set them gonig your way. "Brighten A shrdlu oinluu Al ltogether, now—

uggyp dum WHERE ARE YOU?"

"Brighten thrdlu aomfwyp

Joe: "Say, what's the idea painting your car blue on one side and red on the other?"

Blow: "It's great stuff for winning an accident case. You should hear the witnesses contradic each other."

In a tight-fisted congregation the hat was passed around one Sunday and returned absolutely empty.

The pastor cast his eyes heavenly and said, with a great deal of reverence, "I thank Thee, O Lord, that I got my hat back."

Sign on the back of a midget car: "Hit some one your own size."

Optimist: "Aaaaaah, morning."

Pessimist: "Ooooooh, morning."

"Now that you've kissed me—when do we get married?"

Mary had a little lamb, It's fleece was white as snow. But everywhere that Mary went Her calves stole the show.

"What did you think of the big fight last night?"

"Fight? Say if me and the missus put on a show like that, the kids would have booted us."

**GIVE NATUKE A CHANCE...**

If YOU are run down, listless and tired because of poor digestion, give nature a chance. Don't use violent purges. Often all your digestive system needs is a little assistance. And that's just what the new, Improved ADLERIKA will provide. It's a scientific blend of 7 effective ingredients that work quickly and pleasantly to relieve gas pressure and work waste matter gently through the alimentary canal. It's a kindly stimulant to sluggish intestinal muscles. Order a bottle of ADLERIKA, the "Tone-Up" laxative, from your druggist today. *Caution: use only as directed.*

**ADLERIKA** THE TONE-UP LAXATIVE

**COULD YOU EVER FORGET?**

The way ahead seemed clear. In a moment of careless relaxation the driver swung his eyes from the road. In that same moment a ball bounced into the street — after it ran a little child. It was only a brief moment, but long enough for a lifetime of regret.

Last year more than 3,500 American children under the age of 14 were killed by automobiles, 160,000 were injured. This State, in some degree, contributed to that toll.

With school days here again, child casualties will rise unless every individual driver makes it his self-appointed responsibility to safeguard these young lives from harm.

When driving through school zones—and streets where children are at play—use *extreme caution*. Always be ready for split-second action, even though moving at moderate speed. Anticipate the unexpected.

There's no indemnity that can restore a human life. If, because of one careless act of yours, a child died or its young body were maimed—could you ever forget?

This advertisement is presented in the public interest by the President's Highway Safety Conference and the daily and weekly newspapers of the nation through their Press and Publisher Associations.

## Hollinden - Steffens Marriage Solemnized Last Tuesday Evening

In a double ring ceremony solemnized Tuesday, September 9, at 8 o'clock in the morning at St. Joseph's Catholic Church, Miss Irene Hollinden, daughter of Mr. and Mrs. Henry Hollinden, became the bride of Mr. Anthony W. Steffens, son of Mrs. Louis Steffens. Rev. T. D. O'Brien, pastor, officiated.

Pink gladioli and fern decorated the candle-lighted altar. Ronnie Schilling and A. J. Kitten were the acolytes.

Miss Joerita Kitten, organist, played the traditional wedding marches and accompanied Mrs. Delphine Hlatay, soloist, who sang "Ave Maria." The C. D. of A. Choir sang hymns during the ceremony.

The bride, given in marriage by her father, wore a gown of pearl white satin with a fitted bodice of imported English lace fashioned with a drop shoulder yoke of marquisette and a berth of scalloped lace, long fitted sleeves buttoned at the wrist and a full skirt of satin and lace extending into a court train. Her finger tip veil of illusion was attached to a crown

of orange blossoms and seed pearls and she carried a colonial bouquet of white roses showered with stephanotis and satin ribbon. She wore a gold cross, worn by her great grandmother in her wedding nearly ninety years ago.

Miss Marcella Hollinden attended her sister as maid-of-honor and Mrs. Leo Henzler, sister of the groom, was bridesmaid. They were identically gowned in aqua falles taffeta styled with a sweetheart neckline, flared tunic and full bouffant skirt. They wore a single strand of pearls, long aqua mitts and carried colonial bouquets of pink rosebuds. Their head dress was fashioned of roses.

Attending the groom were his brother-in-law, Leo Henzler, and Joe Hollinden of Ferdinand, Ind., cousin of the bride. Ushers were Arvel Kitten and Alphonse Steffens.

Following the ceremony a wedding breakfast was served at the home of the groom's mother. In the afternoon a reception was held at the home of the bride's parents. The bride's table was laid with a linen cloth and centered with

a tiered wedding cake flanked by white tapers and gladioli. In the evening a dance was given at the Playmor.

Following a wedding trip to the Carlsbad Caverns and points in New Mexico, the couple will be at home near Slaton. Mrs. Steffens was formerly employed by the Slatonite and Mr. Steffens is engaged in farming.

Out-of-town wedding guests were from Levelland, Nasareth, Shallowater, Amarillo and Hereford, Texas and Ferdinand, Ind.

The bride was honored at a tea given in the home of Mrs. O. F. Kitten, Friday, September 5th, at 2 p. m.

The house was decorated with garden flowers and ivy, and the table was centered with pink roses and tall candles. "Tony and Irene" was written with flowers on the lace covered table. Fruit punch and angel cake was served to approximately thirty guests. Mrs. Leo Henzler presided at the punch bowl and Mrs. Ed Kitten served cake. Plate favors were tiny extra editions of the Slatonite announcing the wedding date.

Irene was the recipient of many useful and beautiful gifts. Hostesses were Mrs. Ed Kitten, Mrs. Leo Henzler, Miss Rita Schilling, Mrs. L. B. Kitten and Mrs. O. F. Kitten.

## Miss Dorothy Sue Smallwood Weds Billy D Ramsey Friday

In a double ring ceremony held Friday night in Midland by Rev. Howard Hollowell, Miss Dorothy Sue Smallwood, daughter of Mr. and Mrs. G. N. Smallwood of Southland became the bride of Billy D. Ramsey, son of Mrs. Margaret Ramsey of Midland.

Attending the couple were Mr. and Mrs. Neil Smallwood of Odessa. Also attending the wedding were Mr. G. N. Smallwood and Arthur of Southland.

The bride wore a soldier blue dress styled with a peplum. Her accessories were black. She wore a corsage of red roses.

Mrs. Ramsey is a graduate of Southland High School and is employed by the Bankline Oil Co. in Midland.

Mr. Ramsey is a graduate of the Honey Grove High School and is employed by the Superior Oil Co. in Midland.

## Jane Elliott To Wed H. Mansker

Mrs. Cliff Elliott gave a reception Friday night, September 5th, in the home of Mrs. C. H. Seales, 1722 Twenty-eighth, to announce the approaching marriage of her daughter, Jane, to Harley Mansker, son of Mr. and Mrs. Ben Mansker of Slaton.

Guests were greeted by Mrs. Allen Hamper, sister of the bride-elect, and by Mrs. Warren Henry, sister of the prospective bridegroom.

In the line were hostesses, the honoree, and Mrs. Mansker. Two pink fawns holding white satin ribbons lettered with "Jane and Harley, Sept. 19" announced the wedding date. A background of pink carnations and asters completed the decoration on the buffet. The table was appointed with crystal on lace doilies and an arrangement of pink gladioli and candelabra on a reflector created the center of interest.

Mrs. Raymond Burford and Mrs. Ben V. Smith presided at the punch bowl and were assisted in serving by Mrs. Jim Tierney and Mrs. Henry J. Long. Assisting in hospitalities were Mrs. J. C. Stansel, Jr., Miss Sue Elliott and Miss Alma Witherspoon.

One hundred and fifty guests called.

## Marriage Vows Are Solemnized

Patsy Ruth Adams, daughter of Mr. and Mrs. A. D. Adams, became the bride of Neal Wells, son of Mr. and Mrs. J. B. Wells in a ceremony performed at 2:00 p. m. on Wednesday, September 10, in the home of the bride.

Mrs. S. Y. Joiner was attendant to the bride and C. A. (Pop-eye) Wells was the best man.

Miss Adams wore a dress of white wool with brown accessories and a corsage of white rosebuds. Mrs. Joiner also wore white and her corsage was made up of white carnations.

Miss Adams has been employed by the Western Union Telegraph in this city, and Mr. Wells is a driver for Kirk's Taxi.

The couple will be at home here after a short wedding trip.

## Posey W.S.C.S. Meets

The Posey W.S.C.S. met in the home of Mrs. J. M. Morrison on Tuesday, September 9. Seven members were present.

Mrs. S. N. Gentry gave a reading on "Stewardship." Reverend Morrison gave the Bible study taken the 2nd chapter of Mark.

The next meeting will be with Mrs. T. A. Johnson on September 23 at 2:00 p. m. All officers are urged to be present as the reports are to be compiled.

## SOCIAL CALENDAR

Daughters of Pioneer Study Club, September 15.

Junior Civic and Culture Club, September 16.

Civic and Culture Club, September 13. A breakfast at 8:30 a. m. in the home of Mrs. Nat Heaton. Mrs. W. E. Smart will be co-hostess.

Elementary P.T.A., September 18. At 7:30 p. m. in the Club House.

The American Legion Auxiliary, September 17. Regular meeting will be held in the home of Mrs. Dan Liles, 415 W. Garza. Church of God Home Coming, September 14.

## Virginia Smith Weds R. E. Owen

Virginia Nell Smith, daughter of Mr. and Mrs. Irby G. Smith of 1045 South 11th Street, became the bride of Raymond E. Owen, son of Mr. and Mrs. R. E. Owen of Jackaboro, in a double ring ceremony performed by the Reverend Dale E. Madearis in the home of the bride a 7:00 p. m. Saturday, September 6.

The bride wore a pale blue wool dress with palomino accessories and a corsage of pink asters.

Zerva L. Smith, sister of the bride, was maid of honor and Bealor Owen of Jackaboro was the best man.

Miss Smith is a graduate of Slaton High School and has been employed by the Southwestern Bell Telephone Company here during the past two years. Mr. Owen is an employee of the same company.

After a wedding trip to points in central and south Texas, the couple will be at home in Pecos.

## Golden Wedding Observed Here

Mr. and Mrs. Horace Smith celebrated their fiftieth wedding anniversary with open house Sunday afternoon.

Mrs. Smith was assisted by her daughter, Mrs. R. M. Cade and her daughters-in-law, Mrs. Horace Smith, Jr., of Westover, Mrs. L. H. Smith of Austin, and Mrs. Wayne K. Smith of this city. Mrs. Dick Cade and Miss Joy Lazelle Tims presided at the tea table and Miss Billy Fay Smith was at the registration book.

Mr. and Mrs. Smith came to West Texas from Red River Co. 29 years ago and have resided here since that time. Mr. Smith is Justice of the Peace.

Approximately 200 guests attended the open house. Out of town guests were: Mr. and Mrs. A. L. Smith of Blossom, Mr. and Mrs. Ed Wright of Pettit, Mr. and Mrs. Hubert Samples of El Paso, Mrs. Tom Crouch and daughter of Sudan, Mr. and Mrs. C. H. Roberts of Lubbock, Mr. and Mrs. W. E. Parchman of Justiceburg, Mr. and Mrs. Simon Lokey of Plainview, and Mr. and Mrs. Jimmy Bruce of Abernathy.

## Missionary Society To Be Reorganized

The Missionary Society of the First Christian Church met in the home of Mrs. J. D. Norris, Tuesday, September 9, for the purpose of reorganization and expansion. Three new groups consisting of the young matrons, the seniors and the juniors are to be organized. Mrs. Earl Reasoner, president had charge of the business meeting. She also offered the devotional and spoke on "World Evangelism," the general topic for study during the coming year.

## Parsley - Taylor Vows Exchanged

An informal wedding was held at the First Christian Church in Lead Hill, Arkansas, on August 30 at 7:00 p. m. uniting Mrs. Mary M. Parsley and Larkin Taylor in marriage.

The Reverend John N. Frye of Cadillac, Michigan read the vows in the presence of a large group of relatives and friends.

The bride wore a navy blue semi-sheer costume with black accessories. Her flowers were corsage of pink mixed blooms, and she carried a white Bible. Mrs. Bill Magness, niece of the bride, and Troy Trimble, a long-time friend of the groom, were the only attendants. Mrs. Magness wore a pink crepe dress with black accessories and her corsage was pink baby asters and tube roses.

Mrs. Billy Green played the traditional wedding marches and Miss Ethel Jones of Harrison sang, "I Love You Truly."

Following the ceremony the couple left for a brief honeymoon in different parts of the Missouri Ozarks.

The bride is the postmaster of Lead Hill and the groom has a farm home near Lubbock, Texas. The couple expects to return to Texas in the near future.

## BLANCHE GROVE CIRCLE ELECTS NEW OFFICERS

The Blanche Grove Circle met Monday afternoon in the home of Mrs. R. L. Smith. The following officers were elected for the new year: Chairman, Mrs. O. O. Crow, Co-Chairman, Mrs. Clifford Young, Sec. and Treas., Mrs. J. C. Smith, Jr., Bible Teacher, Mrs. R. L. Smith.

The Circles will begin their work for the new year in October.

## W.S.C.S. Circles Hold Meetings

Circle No. 2 of the W.S.C.S. met Monday afternoon in the auditorium of the Methodist Church.

The program was opened with the hymn, "Safety Through Another Week," after which Mrs. Cal Wright offered the opening prayer. The devotional was given by Mrs. E. R. Legg. Mrs. Wright discussed the subject, "Relief." The closing prayer was given by Mrs. A. E. Whitehead.

The next meeting of the circle will be held Monday, September 15, in the home of Mrs. A. E. Whitehead.

Circle No. 4 of the W.S.C.S. met Monday afternoon in the home of Mrs. J. S. Edwards, Jr., and Mrs. M. L. Duncan was co-hostess.

Mrs. Joe Walker, Jr., chairman, presided at the business meeting and Mrs. V. G. Browning offered the devotional. Mrs. Howard Hoffman, the study leader, opened a new study on, "We, the People of the United Nations."

Twelve members were present at the meeting. A new member, Mrs. J. H. Freeland, was welcomed to the circle.

Those attending the annual W.M.U. meeting at Acuff Thursday were: Mesdames Clifford Young, Fred Stattlemire, T. E. McClanahan, A. C. Strickland and John Sain.

ESTERBROOK FOUNTAIN Money Receipt Books WEDDING INVITATIONS At The Slatonite

## Elementary P.T.A. Meets Thursday

The officers of Elementary Parent-Teachers Association met Thursday in the home of the president, Mrs. E. B. Morgan with ten officers present.

The executive committee received resignation of Mrs. E. L. Morris as treasurer and Mrs. W. D. Cooper was appointed treasurer pro tem.

Regular meeting will be on third Thursday of each month at 7 p. m. in the County Club. Each parent and teacher is urged to be present for regular meetings throughout the year.

A Health and Welfare Committee, and Visual Aids will be discussed at first regular meeting and election of Treasurer.

The net national income in the United States dropped from 80 billion dollars in 1929 to 40 billion dollars in 1932, and rose to 80 billion dollars in 1937 and to 160 billion dollars in 1944.

The element helium was discovered by human eyes in the sun by study of its light long before it was found on earth. Helium is one of the products of the smashing of the radium atom.

### Texas Raising Fewer Turkeys

College Station, Sept. 10—U.S. farmers now have 34 million turkeys on the farm, and although that sounds like a lot of meat, it's 16 percent less than last year's production.

About 3,681,000 of those birds are in Texas, which is being ranked out of another first place by California, where almost 4 million turkeys are being raised.

All but three states in the union show decreases in turkeys raised compared with a year ago, according to USDA's Bureau of Agricultural Economics. The decrease, says the bureau, is due to unfavorable price relationships, unusually large storage stocks toward the end of last season, high feed costs and the uncertainty of 1947 turkey prices.

Texas turkey raisers have 13 percent less birds than in 1946, when at the time of the year there were better than 4,231,000 turkeys in the state.

The Farmers Home Administration will be able to make approximately 130,000 farm operating and ownership loans during the current fiscal year to family-type farmers who are unable to obtain credit from any other source.

An improved method of killing potato vines to make crop harvesting easier has been developed by industry. The process involves the use of a powerful chemical 'frost' and another compound that greatly speeds up killing action.

**Mature on Vine**  
One way to save tomatoes from frost is to pull up the whole vine with the tomatoes still attached, and hang it in a dry, moderately light place, such as the garage, suggests the department of agriculture. The mature green fruits will gradually redden on the vine, and tomatoes will keep fairly well this way for weeks.

Stretching from the Arctic almost to the Caspian sea, the Urals yield, besides iron and coal, such varied minerals as copper, lead, zinc, nickel, manganese, asbestos, aluminum, chromium, gold, silver and platinum. There are also valuable oil reserves in and near the mountains.

**Treated Seed**  
Seed treatment to protect seedlings from disease has become so popular that this year a leading mail order house offered only treated seed.

Good grass is the cheapest and best feed for a dairy cow.

June Allyson teases Van Johnson in a comedy moment from "High Barbaree," romantic adventure story coming to the Palace screen this Sunday and Monday. The new picture marks their first co-starring appearance since the successful "Two Girls and a Sailor," and also features young Claude Jarman, Jr., Academy Award winner of "The Yearling."

**News Summary  
Featured Weekly**

"Be Sure Your Hair Dye is Harmless." — Ladies watch for this helpful page of "Do's and Don't's." It's just one of the many outstanding features you will find in *The American Weekly* that great magazine distributed with next Sunday's Los Angeles Examiner.

"Tale of the Horse's Head." — Racing fans — don't miss this colorful feature by Sports Writers Dan Parker and Warren Brown. Read it in *The American Weekly*, that great Magazine distributed with next Sunday's Los Angeles Examiner.

Joe Grabber is improving at Mercy Hospital after being seriously ill.

**Lamp Making**  
Lamp manufacturing abounds in extremities. To form the ingots from which filament wire is drawn, for example, one company squeezes together grains of tungsten under a pressure mightier than the combined weight of two dozen loaded freight cars. After the air is pumped from a light bulb, only seven hundred-thousandths of 1 per cent of the normal atmospheric pressure remains inside.

**Destructive Insects**  
Keeping flour and other cereals in insect-proof tins and glass jars is an important aid in preventing damage from flour beetles, meal moths and other insects which feed upon these foods. Ronches and ants may also be "starved out" by protecting food from their attack. Failure to protect food from insects both encourages their development and menaces health.

Miss Lucille Doherty is vacationing in the home of her sister, Mrs. Bill Briggs, in Wichita Falls.

**Now Is The Time To Improve Your Lawn**

College Station, Sept. 11—Has your lawn failed to come up to your expectations this summer? If so, there's something you can do about it now, say Extension horticulturists at Texas A. and M. College.

Filling in the low spots to make mowing easier is a good September lawn job. And if there are spots where your grass hasn't grown well because poor lawn grasses like Dallis or smut grass have crowded it out, you can dig those grasses out, and fill in the holes when you do your smoothing job. And while you're at it, you can make yourself a nice green winter lawn by sowing two pounds of Italian rye grass over 100 square feet of lawn area. Just scatter the rye grass seed over the surface of the lawn and cover it lightly with rich loam soil.

In some localities in Texas, say the horticulturists, San Augustine grass has been damaged by a disease known as "brown patch." Areas several feet in diameter turn brown, the grass looks like it is dying out and the general appearance of the lawn is spoiled. A pound of seed disinfectant mixed in eight gallons of water and applied to the browned areas ought to clear up the trouble. A

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

few days later, follow up with an application of commercial fertilizer—one pound to 100 square feet. Best fertilizing time is late evening, when you can sprinkle the area and wash the fertilizer down into the soil.

Mr. and Mrs. Bobbie Edmondson spent the week end with Mr. and Mrs. George Dubois in Amarillo.

Mr. and Mrs. L. N. Hewgley of Paris were visitors in the home of the W. E. Edwards. Mr. Hewgley is Mr. Edward's uncle.

If birds could read, we'd post a sign like that. But they can't. So, we're doing the next best thing.

We're asking all hunters not to shoot at birds on telephone wires. One stray shot may break several wires, and interrupt important long distance calls.

We'll appreciate your help.

nkia Irwin returned day from California, and Missouri, where she relatives.  
f. and Mrs. Bob Herral of Levelland spent Sunday with Mr. and Mrs. L. A. Herral. Also visiting in the Herral home is Maxey Pinson of Plainview.

Mr. and Mrs. Donald Cherry and young daughter of College Station have been visiting his parents, Mr. and Mrs. W. T. Cherry.

Mr. Bill Lockett and his mother spent Monday in Clovis attending the rodeo being held there.

**SOUTHLAND  
MRS. FLOY KING**

At the Baptist conference last Sunday night there were sixty-seven members present and they voted 100 per cent for the return of Rev. Emmett Brook's return as their pastor.

School opened Monday for registration and will be in full swing Tuesday.

Mr. E. L. King, who lives south-east of town, brought in the first bale of cotton last week. It has not yet been ginned and he now has two bales ready for ginning.

Mr. and Mrs. R. B. Loveless and boys of Cooper spent part of the week with the Roy Williams family. Mr. and Mrs. Roy Vaught and children have moved to Carlisbad, N. M.

Mr. G. N. Smallwood and Arthur attended the wedding of their daughter and sister, Dorothy Sue, to Billy Ramsey at the Methodist Parsonage in Midland last week.

Mr. and Mrs. Frank Leasar and Beverly have returned from visiting her mother, who underwent an operation recently.

Mr. R. H. Coffum is visiting the Artie Shaws of Abilene.

Mrs. McGee and daughter stopped for a visit with the I. J. Duffa last week. She was on her way to New Home.

Mrs. Houston Cotton of Dunn, Texas, spent part of the past week with Mr. and Mrs. E. F. Parker. Mrs. Parker is Mrs. Cotton's aunt.

Bill Martin and family of Lubbock spent the week end with the Edd Martins.

Mr. and Mrs. Sam Ellis and children have been visiting with Mr. and Mrs. G. W. Basinger.

James Parker, who has been a visitor in the home of Bob Tillery, returned to his home in Weatherford, after a two weeks visit here.

Mr. and Mrs. W. W. Gilliland are the great grand parents of a daughter, Linda Elaine, born to Mr. and Mrs. R. B. Whiteside in San Antonio, on August 26. This is the Gilliland's second great grand child.

Mr. and Mrs. J. R. (Skinny) King are the parents of a new boy, Marc Robert, born on Sept. 4.

Mr. and Mrs. Babe King and Elaine spent Monday night with his parents. Mrs. King will remain there for a longer visit.

Mr. and Mrs. J. L. Whited attended a family reunion of Mr. Whited's people which was held in the McKenzie State Park in Lubbock.

Mrs. Hubert Taylor sponsored a program on missions at the Baptist church Sunday night. The program was followed by a sermon by J. L. Gary.

A program was given at the Methodist church Sunday night celebrating the seventh anniversary of the W.S.C.S.

Mrs. Alton Edwards and Judy spent last week with Mr. and Mrs. Hampton.

**Texas Tech Notes**

LUBBOCK, Sept. 9. — Partial skeletons of three types of dinosaurs and a prehistoric turtle have been brought to the West Texas museum at Texas Technological College by Wann Langston, geology instructor, who headed an expedition into the Big Bend National Park where the fossils were discovered this summer.

LUBBOCK, Sept. 9. — Completion of plans for a three-way welfare program for students of Texas Technological College have been announced by Dr. W. M. Whyburn, president.

The recreation center on the campus will be open daily and each night for student use. Saturday afternoon tea dances and Saturday night dances, open to all students, are planned, with Friday nights set aside for games, group singing, motion pictures and other features. Lectures, concerts and other events are scheduled throughout the school year, also.

Dr. Vernon T. Clover is a new associate professor of economics. His Ph. D. degree is from the University of Colorado and his BS and MS degrees are from Kansas State College.

Harrison Butterworth, who holds a BA degree from Dartmouth and an MA from Yale, will be instructor of English. He has also studied at the National University Dublin, Ireland.

Miss Kate Ellen Rogers has been named instructor in applied arts. She holds a BA and MA degree from Peabody College. Mrs. O. L. Caskey has been named instructor in child development. Her BS degree is from Texas Technological College. Miss Juanita Black, who holds a BS degree from West Texas State Teachers College, will be instructor in allied arts and architecture.

A veteran of three years in the

navy, Will L. McLendon is an instructor in foreign languages. He holds a BA degree from the University of Texas. Joe T. Cardwell who received his BS from Texas Technological College and served in the army air force three years, is instructor in dairy manufacturing. Naud Burnett, who received a BS degree from Texas A and M, has been named instructor in horticulture. W. W. Lauderdale has been named mechanical engineering instructor. His BS degree is from Texas Tech.

When the first gusher started the Panhandle's oil boom just 26 years ago, the area we serve became one of the most productive of crude oil in the world!

But... greater days are yet to come! We have more than one fifth of this nation's reserve... still underground! Oil is destined to become even more important to folks in this area in the years to come.

We have so much faith in the oil industry—and all other industries we serve, that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone.

**The Church and the Child...**

A midwestern church has been giving serious thought to the problem of juvenile delinquency, and decided to do something about it within its own sphere of influence.

A Children's Chapel was built on an adjoining lot, with an assembly hall and commodious classrooms for Bible teaching. The picture shows one of the little classes assembled for instruction in the stories and truths of the Bible and their bearing on human life.

If all churches and schools and families would give more attention to child training, and seek to instill in children the principles of right living, the problem of juvenile delinquency would soon be solved.

A wise parent will seek the cooperation of his church and the advice of religious people in rearing and training his children. Thus the child will be taught the value of an upright life and the importance of moral and spiritual guidance in his acts and decisions.

If you are a parent, get in touch with your church leaders. Let them help you solve the difficult problem of child training.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

**Raw Vegetables**  
Serving raw vegetables with salt is one way to save fats. Some vegetables which are delicious when they are served raw with salt include white flowerets of cauliflower, green bud "bouquets" of broccoli, leaves of tender greens, tiny yellow squash, tiny beets, strips of turnip, carrot strips, cabbage wedges, green pepper rings, onion rings and cucumber slices. Use some of these vegetables along with the usual sliced tomatoes, celery, radishes, lettuce, watercress and parsley.

**Chair Back**  
The shape of the back of the chair is important to comfort. A shallow curve backward between the posts prevents pressure on the spine. A spoon-handle curve rising from the seat supports the hips and allows one to lean back comfortably and still retain an alert position. A chair back that reaches a height of 32 to 36 inches from the floor is high enough to support the lower part of the shoulder blades in comfort. Higher backs look too formal and are inconvenient to use at tables and desks.

**Ancient Sites**  
The site of ancient Beth-Yerah, on the southern shore of the Sea of Galilee, yielded ruins of buildings of pre-Christian periods. One house had a paved inner court surrounded by living rooms, kitchen, and store rooms. A pre-Bronze-age settlement, with dirt axes, was discovered near Haifa; and in a burial ground in this area were found jewelry and other objects of gold, ivory, glass and earthenware.  
Sales books, 60 cents per dozen at the Slatonite.

**Dark Shades**  
Dark green window shades shut out natural light and give a quality to what light is admitted that can neutralize a good color plan. Roll the shades to the top of the window during the day, or replace them with light tan or cream washable shades for a more cheerful appearance. Sharp green and blue porch ceilings reflect the same quality of light in rooms as green shades. Re-paint ceilings light yellow, ivory, or bone white.

The net national income in the United States dropped from 80 billion dollars in 1929 to 40 billion dollars in 1932, and rose to 80 billion dollars in 1937 and to 160 billion dollars in 1944.

According to a 20th Century fund survey, consumer credit costs the borrower from two to six times as much as business credit, chiefly because consumer credit is a retail business and operating costs are higher.
