GHS Marching Band Wins I Rating At Contest

The Groom High School Marching Band received a I rating in band contest last week.

The fifty-four piece band played three selections in their marching program. Entering the field playing "Armada", the band formed a double "V" formation. The flag team performed to the tune "Pretty Woman". Their final number "Always On My Mind" allowed them to show off their precision marching skills, doing a combination of pinwheels, fanfares and block busters.

Two of the three judges rated the band as a I while the 3rd judge rated them a two, counting off for some members not knowing their music as well as they should. The judges were G. T. Gilligan, Harris Brinson and J. W. King.

The band is composed of 7th, 8th, 9th and 10th graders and is very young by comparison to most high school bands.

Jerry Crowell, band director, stated "I'm very proud of them! They have

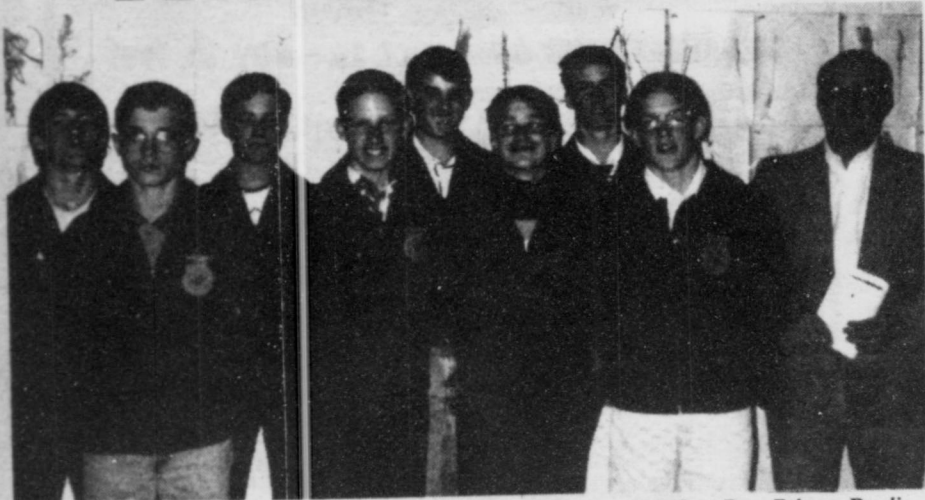

really worked hard."

A Groom band has not rated a I since 1985. The band is under the field direction of Angela Reed. Members are: Nicholas Ashford, Craig Baker, Bart Britten, Bronte Britten, Christopher Burger, Bo Burgin, Courtney Burgin, Krista Burgin, Latisha Burgin, Kay Case, Harold Cave, Amber Conrad, Sandie Conrad, Bryan Crowell, Sean, Crowell, Jon Crump, Steven Daffern, Terrence Eatmon, Brenda Fields, Kim Fields, Roni Fields, Stacy Fields, Melanie Friemel, Christina Galvan, Jamie Hammons, Jennifer Holland, Misty Homen, Robert Homer, Stanley Homer, Jill Howard, Sheridan Koetting, Halee Kotara, Thomas Lambert, Tyson Lambert, Michael Lewis, Aimee Lyles, Darcee Lyles, Scott McLaughlin, Matt Miller, Stephanie Ollinger, Jason Peters, Jason Prather, Angela Reed, Julie Richardson, Justin Ritter, Stanley Ritter, Bradley See Band, pg. 3

"We're No. 1!" yells a proud Fighting Tiger Marching Band member, showing off their I rating trophy received at contest. Jerry Crowell directs the top rated band as they head to regional.

FFA Teams Advance To Area Contest In Clarendon

Greenhand Team Members place 1st. Members are Shawn Meeker, Bart Britten, Brodie Brown, Matt Miller, Ty Lambert, Seth Ritter, Bryan Crowell, Tom Lambert and Chris Burger (not pictured). Sponsor is Buck Burk.

Senior Chapter Conducting Team placed 2nd in their division. They are Scottie Brown, Rhett Patterson, Matt Fields, Randy Johnson, John Weinheimer, Shannon Miller and Paul McLaughlin (not pictured) and sponsor Mr. Burk.

The local chapter of the Future Farmers of America plowed through the District Contest over the weekend placing First and Second with their teams.

The Green Hand Chapter Conducting Team won their division with a score of 874 out of a possible 1000. Boys Ranch placed second with 871, Dumas third with 856 and Panhandle placed fourth with 804.

Those participating were Ty Lambert, Bart Britten, Brodie Brown, Bryan Crowell, Bo Burgin, Seth Ritter, Chris Burger, Tom Lambert, Matt Miller and Shawn Meeker.

Brodie Brown participated as the chapters representative in Public Creed Speaking. He placed sixth in a very close competition as you will see by the score results: Tascosa 970, Dumas 964, Vega 959, Boys Ranch 957, Panhandle 950 and Groom's score 940.

The Senior Chapter Conducting Team also did very well, losing to Boys Ranch by a very slim margin. Scoring was as follows: Boys Ranch 958, Groom 946, Dumas 843, and Tascosa 804.

Senior Team members are: Matt Fields, Shannon

Miller, Rhett Patterson, Scottie Brown, Paul McLaughlin, Randy Johnson and John Weinheimer.

Both teams will advance

to the area contest. Area I consists of 120 schools and includes all of Texas north of Snyder. They compete Saturday at Clarendon Jr. College.

LONE STAR STATE HISTORY by DAN BROWN

Red River Co. Tx?

TEXAS OR ARKANSAS ...

The north eastern boundary of Texas, in 1835, was uncertain. The U.S. and Spain had set the boundary at the Red River, but Arkansas claimed the border was the 94th degree longitude. This left the Anglo settlers guessing. Did they live in Miller County, Arkansas or Red River County, Texas? One family solved the problem. The father helped draw up Arkansas' State Constitution, the son signed Texas' Declaration of Independence.

Groom Beats Lefors

Groom Tigers are holding their own in the race for the number two slot in District 1-1A six man

football after beating Lefors Friday night 68-20.

Brian Baker had an outstanding evening scoring goals on a 15 yard run, a 9 yard run and a 45 yard run.

Paul McLaughlin also did very well with a 35 yard run and a 24 yard run.

Quarterback Bruce Britten fired a 20 yard pass

to Daryl Homer to score.

Kirk Webb connected with 7 of 8 PAT attempts as well as a 6 yard run for another touchdown.

The Tigers had 367 yards rushing, 102 yards passing and 20 yards in penalties.

Groom is 6-2 for the year and 2-1 for the district. The Tigers will face off with Miami here this week for the final home game at 7:30 p.m.

OBITUARY

Cliff Rutherford
Cliff Rutherford, 75, died Wednesday, October 23, 1991.
Services were in United

Methodist Church of Groom with the Rev. Mark Metzger, pastor, and the Rev. Eddie Hogan, pastor of First Baptist Church of Groom, officiating. Burial was in the Groom Cemetery

by Schooler-Gordon Colonial Chapel of Amarillo. Mr. Rutherford was born in Scranton. He married Irma Ray Smith in 1942 at Clovis, N.M. He had been an oil field worker. He moved to Big Spring in 1953 and in 1965 moved to California, before moving to Groom in 1984. He was retired from the Civil Service and was a veteran of the Army Air Corp. He was a Methodist.

Survivors include his wife; two daughters, Glenda Rhynehart of Amarillo and Janette Dunlap of Monahans; two sisters, Mildred Roller of Amarillo and Alice Robison of Ozark, Ark.; a brother, Payne Rutherford of Salem, N.M.; two grandsons; and two great-granddaughters.

NEW ARRIVAL

Marcie and Cody Babcock are pleased to announce the arrival of their new baby brother, Tyler Samuel. He was born Tuesday, October 22nd and weighed 6 pounds 2 ozs.

The Mom and Dad are Cindy and Gary Babcock. The grandmas and grandpas are Wallace and Jackie Bichsel and Bud and Margaret Babcock.

Card Of Thanks

We wish to thank the many friends of Cliff who supported him with their help through flowers, cards and prayers during his illness.

A special thanks goes to the Rev.'s Mark Metzger and Eddie Hogan who conducted the funeral

service. Linda Babcock, Leslie Crowell and Marion and Eddie Hogan for providing the beautiful music.

An extra thanks goes to the many friends who brought food to our home and the Methodist Church and to the women of the Church for such a

wonderful meal provided for our family following the funeral service.

For any we may have forgotten - Thank you.

Sincerely,
The Cliff Rutherford Family

Public Notice

On July 1, 1991, Southwestern Bell Telephone filed an application with the Public Utility Commission of Texas that proposes to delete Paragraph 3.4(G) from Section 3 of Southwestern Bell's intrastate Access Service Tariff, which concerns credits where a customer uses Switched Access Service to furnish a service which has been defined to be an exchange service. The application was assigned Docket No. 10463.

Because Southwestern Bell is not aware of any customers who presently use switched access service to furnish an exchange service, Southwestern Bell does not believe its revenues will be affected. However, certain interexchange carrier customers of switched access service have made claims under the aforementioned tariff. Such customers, but only to the extent they provide an exchange service using switched access, would be affected by this application. Based on claims made for credits (assuming such credits were allowable), Southwestern Bell's revenues would be affected by no more than \$1,168,962 annually, which is .037 percent of the Company's adjusted revenue for the 12-month period ending December 31, 1990. It is not possible to know how many interexchange carriers might believe themselves entitled to credits, but 189 carriers have registered with the Commission pursuant to PUC Substantive Rule 23.61.

The tariff, after suspension, is proposed to be effective May 1, 1992.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but no later than November 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS
For the November 5, 1991, Election
John Hannah, Jr., Secretary of State

This November, Texans will have the opportunity to vote on 13 proposed amendments to the Texas Constitution. To help you make informed decisions on these propositions, we present the following summaries of the proposed amendments. Below you will find the proposition as it will appear on the ballot followed by a brief description of the effect the proposition will have if it is passed.

Proposition 1:

"The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

Summary: A home-rule city is a city that is able to govern itself, generally through the actions of a city council or commission. To become a home-rule city, a city must have a population of at least 5,000, it must hold an election to become a home-rule city, and the measure must pass by a majority vote. Once a city becomes a home-rule city, it may adopt a charter, and this charter may be amended through an election every two years. However, under current law, if the population of a home-rule city falls below 5,000, the city is no longer allowed to amend its charter. If passed, this amendment would allow home-rule cities whose populations have fallen below 5,000 to continue to amend their charters through elections.

Proposition 2:

"The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads, and toll bridges."

Summary: If passed, this amendment will allow the legislature to authorize the Texas Department of Transportation to spend money on turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority. The Department of Transportation may use any available money that it has for this purpose. However, if the Department of Transportation uses money from the state highway fund, this money must be replaced by money collected by the Texas Turnpike Authority from tolls and turnpike revenue. Currently, the state is not allowed to use any public money to build or maintain toll roads or turnpikes.

Proposition 3:

"The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

Summary: If passed, this amendment would ease the restrictions on how the Veterans' Land Board can invest money from the Veterans' Land Fund and the Veterans' Housing Assistance Fund. The board may invest any money that is not to be used for the payment of principal and interest on bonds, the purchase of lands, or the payment of expenses. In addition, the board is no longer limited to investing this money in bonds or securities of the federal government.

Proposition 4:

"The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of the institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

Summary: If passed, this amendment will allow the state to issue up to \$1.1 billion in general obligation bonds. The money from selling these bonds will be used to acquire, construct, or equip new prisons and substance abuse facilities, mental health and mental retardation institutions, and youth corrections institutions. This money will also be used to repair and renovate existing facilities. The bonds and interest on the bonds will be paid from the first money coming into the state treasury that is not set aside by the state constitution for other purposes.

Note: A general obligation bond is a bond that is repaid from the State's general revenue fund. Most of the money in this fund comes from state taxes and fees.

Proposition 5:

"The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

Summary: This amendment deals with property owned by an individual or organization that does business in an enterprise zone. If passed, this amendment would allow a county, a junior college district, or a municipality to exempt certain personal property from ad valorem taxation. To be exempt from this tax, the following conditions must be met: (1) the property must be acquired or brought into the state in an enterprise zone to be forwarded outside the state; (2) the property must be assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone; (3) the property must be transported outside the state within 175 days after being acquired or brought into an enterprise zone; and (4) the person who acquired or brought the property into an enterprise zone is in a qualified business.

The purpose of this amendment is to encourage economic development in enterprise zones. Because some personal property will not be taxed, it will be less costly to operate a business in an enterprise zone.

Notes: An ad valorem tax is a tax imposed on the value of property. An enterprise zone is an area that has substantial poverty, unemployment, and economic distress. A qualified business is a business that is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. "Enterprise zones" and "qualified businesses" are designated by the Texas Department of Commerce.

Proposition 6:

"The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

Summary: If passed, this amendment will create a Texas Ethics Commission that is established by the Texas Constitution. The commission will consist of eight appointed members. These members will be selected by the Governor, the Lieutenant Governor, and the Speaker of the House from lists of names submitted by legislators from each major political party. This commission can recommend the salary of the members of the legislature. It can also recommend that the salary of the Speaker of the House and the Lieutenant Governor be higher than the salary of the other members. If the commission recommends a change in salary, the voters of the state will be able to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, the salary will take effect on January 1st of the next odd-numbered year. If the voters reject the salary, the salaries would remain the same. In addition, the commission can set the per diem of the members of the legislature and of the Lieutenant Governor. This per diem could be raised or lowered every two years, as necessary. The commission will also have other powers and duties as provided by Senate Bill 1, 72nd Legislature, Regular Session (the ethics bill). Finally, this amendment provides that an increase in the Lieutenant Governor's salary will not disqualify a legislator from becoming Lieutenant Governor.

If this amendment does not pass, there will still be a Texas Ethics Commission that is established by statute. This commission could not set the per diem of the members of the legislature.

Note: A commission that is established by the Texas Constitution can only be repealed by the voters. A commission that is created by statute can be repealed by the legislature.

Proposition 7:

"The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

Summary: If passed, this amendment will change the way in which the board of trustees of each statewide public retirement system can invest the system's funds. Currently, a board can only invest its retirement funds in securities (stocks, bonds, etc.). However, if this amendment passes, a board may invest its retirement funds in any way that it thinks is prudent.

Proposition 8:

"The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

Summary: This amendment deals with the way that voters will vote on legislative action that would create a debt for the State. Currently, all propositions that create state debt must be approved by two-thirds of each house of the legislature and by a majority of voters during a constitutional amendment election. When these propositions are passed, they actually become part of the state constitution.

If passed, this proposition would still require propositions that create debt to be approved by a two-thirds vote of the legislature and a majority of the voters. However, when these propositions are passed, they will not become part of the state constitution. Instead, they will be enacted by statute. In addition, when the proposition is placed on the ballot, it must clearly describe the purpose of the debt, the cost of the debt, and how the debt will be repaid. The amount of the debt in the proposition can not be exceeded or renewed unless the proposition says that the debt can be exceeded or renewed.

Note: Creating a debt for the State means spending money that the State does not currently have. Selling bonds is one way that State debt is created.

Proposition 9:

"The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

Summary: This amendment deals with lands that are technically owned by the state of Texas. In some cases, people have purchased or acquired this land from someone other than the State. While the State still technically owns this land, some people who purchased or acquired the land did not know that the land was owned by the state. From the time that these people purchased or acquired this land, they have believed that they are the legal owners.

If passed, this amendment will allow the Land Commissioner to give the legal title for this land (called public free school fund land) to certain people. A person is entitled to receive a legal title to this land if: (1) the land is surveyed public free school land; (2) the person could not gain the land's title under previous law; (3) when the person acquired the land, he or she did not know that the land was legally owned by the state and has believed that he or she has owned the land since January 1, 1941; (4) the person has a recorded deed on file in the county courthouse and has claimed the land for at least 50 years as of January 1, 1991; and (5) all taxes on the land, including any interest and penalties for late tax payments, have been paid for at least 50 years.

Note: Public free school fund land is owned by the State. Any revenue that this land generates (through sale, rent, etc.) is placed in the Permanent School Fund.

Proposition 10:

"The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

Summary: This amendment deals with property owned by a nonprofit corporation that supplies water or provides wastewater services. If passed, this amendment will allow the legislature to exempt property that is owned by these corporations from ad valorem taxes. In order for this property to be exempted, the nonprofit corporation must meet the following conditions: (1) the corporation's bylaws must say that, if the corporation stops operating, any leftover assets must be transferred to an organization that provides water supply, wastewater service, or both; (2) the leftover assets must be property that can be used for water supply and wastewater services.

Note: An ad valorem tax is a tax imposed on the value of property.

Proposition 11:

"The constitutional amendment authorizing a state lottery."

Summary: If passed, this amendment will allow the State to operate lotteries. The State would also be able to contract with other organizations that would operate lotteries on the State's behalf.

Proposition 12:

"The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

Summary: This amendment deals with reallocating a percentage of the \$500 million of Texas water development bonds that were approved by Texas voters in 1989. These bonds were to be issued to fund water supply, water quality, and flood control projects. Currently, the board is limited to issuing 20% of the \$500 million (or \$100 million) of these bonds to provide water and wastewater facilities to economically distressed areas of the state. If passed, this amendment will allow the board to issue up to 50% of the \$500 million (or \$250 million) of these bonds for this purpose.

Proposition 13:

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

Summary: If passed, this amendment will allow the Texas Higher Education Coordinating Board to issue up to \$300 million in general obligation bonds. The money from selling these bonds will be used to finance educational loans to students. In the past, all bonds in this program have been retired through repayments from student borrowers, not the taxpayer.

Eyes Of Texas Are Upon McLean, Lefors, Alanreed In Tuesday's Election

McLean, Alanreed, and Lefors will vote Tuesday, November 5 to consolidate the three school districts into one.

Persons involved in these three school districts all seem to have differing opinions on the consolidation issue. There seems to be too many unanswered questions as to consolidate or not to consolidate. State Representative Warren Chisum first brought the issue to the forefront when he suggested at the McLean meeting several months ago that if the schools did not

consolidate, the state would force it upon them.

A couple of questions heard were, where is this school going to be located? What superintendent will administer the school? How many members will each school have on the board to represent them, what kind of election would be held to elect the board members, at large or by district?

Stanley Lamb, superintendent of the McLean ISD was quoted in the Amarillo paper earlier this week as saying McLean would become the

"controlling school" based on its having the largest enrollment of the three. He said representatives from Lefors and Alanreed have requested that some of McLean ISD members resign and that the remaining members appoint members from Lefors and Alanreed. The number of the representatives from the two smaller school districts has not been determined, Lamb said.

One resident from Alanreed said that their students have options of attending Groom or Clarendon while some

feelings from Lefors is that they could go on to Pampa to school. So there seems to be many questions unanswered, pro and con, before voting on consolidation of the schools prior to Tuesday.

Lefors residents will vote at the Lefors Community Center. Alanreed residents will vote at Alanreed School. McLean residents will vote at the Lovett Library.

But however the final vote comes out on Tuesday, many, many schools large and small will be watching from all across Texas to see if they will be next to make such a decision.

State Ranked Tigers Wallop Miami, 49-0

The McLean Tigers took a big step toward a district championship Friday night in Miami as they were victorious over the Miami Warriors 49-0.

Daniel Harris continued his exceptional play for McLean as he scored three touchdowns.

Tuffy Sanders, Caesar Looney, Dennis Ward, and Christian Looney also crossed the double stripe for the Tigers. Tuffy Sanders kicked three points after touchdowns and Jason Thomas also ran for an extra point.

The tough McLean defense did its usual stellar job. Caesar Looney, Christian Looney, Daniel Harris, Tom Pennington, Tanner Hess, and Tuffy Sanders turned in their usual outstanding job in limiting Miami to four first downs and 166 yards gained.

McLean gained 387 total yards and ended the game in the third quarter on the 45 point rule.

The Tigers will be home Friday night in another district contest as they host the Follett Panthers.

OPEN LETTER TO VOTERS

We, the members of the McLean Independent School District Board of Trustees, would like to take this opportunity to inform the public that we are going on record as strongly supporting the consolidation of the McLean Independent School District, the Lefors Independent School District and the Alanreed Independent School District.

We believe that the consolidation of these districts will be beneficial in many ways. By combining forces, we are ensuring that we can maintain a local school system as long as possible, and keep the small school atmosphere that we all know and love. Through efficient use of our combined resources, we can expand the curricular and extracurricular opportunities offered to our children and hopefully get the maximum results for every educational dollar spent.

We are convinced that joining forces locally is our best insurance for the future of our children and our communities. While all the issues that will face us as a consolidated district in the future are not clear at this time, we think that with the combined support of our communities and the expertise available from all the board members and personnel of our three districts, we can be confident that any issue to be resolved will be dealt with in a way that is in the best interest of our children.

We also want the voters to recognize that while we have goals for a building program in the future, this is not the issue on which we will be voting on November 5. If there is to be a building issue, this will come before the voters at a later date.

We want to encourage everyone to go to the polls on November 5 and exercise your voting privileges on this important issue.

Thank you,
McLean ISD Board of Trustees

THANK YOU

The McLean Band Boosters would like to express our appreciation to all the people who made Bingo a huge success.

A special thanks to the Devils Rope Museum for being so generous in allowing us to use their nice facilities. We are very grateful to those who came through at the last minute and loaned us extra chairs.

Thanks to all the parents and area residents who contributed by making handcrafted items and baked goods, to all who donated their time by working, and to those who stayed late to help clean up.

The money raised will be used to benefit our "Tiger Pride Band" and for a scholarship fund. All of you made it possible.

Thank you.

BRITISH ART

EXHIBIT HELD OVER

By popular demand, the exhibition of masterpieces of British art currently on exhibit at the Square House Museum in Panhandle is being held over for one addition weekend.

British art from the collection of the Sarah Campbell Blaffer Foundation, dating between 1550 and 1880, includes portraits, landscapes, conversation pieces, and sporting scenes. There are oils, watercolors, pencil drawings, and one alabaster relief. Some of the more famous artists in the collection are Thomas Gainsborough, Sir Joshua Reynolds, J.M.W. Turner, and Benjamin West.

The exhibit, which opened at the Square House Museum on September 1, was scheduled to close October 31. It will now be open to the public for three additional days, through Sunday, November 3. Its next stop on this present tour is Odessa, Texas.

A videotape about the exhibit is available for viewing, and a detailed catalog of the exhibition may be purchased.

Aspects of British Art can be viewed in the Hazelwood Education Building of the Square House Museum Monday through Saturday from 9:00-5:00 and on Sunday from 1:00-5:00, through November 3. Admission is free.

McLEAN CARE CENTER NEWS

We are happy to report Pat Myers, Edna Carter and Farrar Guyton have returned home from the hospital.

McLean Care Center welcomes a new resident, Virsie Collie from McLean.

The residents attended Sunday school in the morning and in the afternoon Sis. Jill Wiley, pastor of the Methodist Church was here to conduct services.

Residents working in crafts Monday were Teresa Richardson, Imogene King, Leon Burch and Adelle Walker. In the afternoon the following residents played bingo: Mary Sligar, Adelle Walker, Lucille Cullison, Dick and Mattie Wheeler, Leon Burch, Mornie Matthews, Eula Morrow, Mary Helen Boston, Kittie Hessey, Annie Eudey and Clyde Trusty. Our volunteer helpers were Loree Barker, Avalee Crockett and Sylvia McClellan. Bananas were furnished by the Lions Club.

Tuesday Lena Carter was here to assist the residents in dominos. Those playing were Adelle Walker, Imogene King, Teresa Richardson, Leon Burch and Dick Wheeler.

Wednesday Inez Trostle, a member of the Methodist Friendship Sunday school class was here to give the residents an ice cream social.

Thursday was our birthday party for the month of October. Our entertainment was furnished by Ann Morris playing the piano and Lois Myers led in a Sing-A-Long. Corsages were furnished by Lamb-Ferguson Flower Shop. The decorated cake was furnished by Delbert and Ruth Trew and the angel food cake by Carole and Virginia Tollison. Ladies serving were Louise Turner, Sylvia McClellan, Lois Myers, and Virginia Tollison.

PIONEER STUDY CLUB MEETING

The Pioneer Study Club met Thursday, October 17th at Lovett Memorial Library.

Bonnie Nell Fabian presented the program. She reviewed "Power Shift" a book by Alvin Toffler, author and futurist. He has also co-authored with his wife Heida such books as "Future Shock" and "Power Wave."

Toffler depicts the energetic quality of life as influenced by our changing times.

Refreshments of cheese dip, chips, brownies, lemon torte, candy, nuts and cokes were served by our hostess, Mary Lou Glass.

Members present were June Close, Bonnie Nell Fabian, Mary Lou Glass, Clara Maude Hupp, Wanda Lamb, Ruth Magee, Martha Parker, Charlie Marie Shurley, Mary Emma Woods and Evelyn Stubblefield.

MIHIA SCHEDULE

The MIHIA Program is a comprehensive program funded by the Texas Department of Health to bring prenatal care to pregnant women who are financially needy in the top 26 counties of the Texas Panhandle. The program is currently being administered by Texas Tech University Health Sciences Center in Amarillo.

The following is the schedule when MIHIA social workers will be in your area.
November Schedule, 1991: Borger, Texas Department of Health, 600 Cedar, Nov. 4, and Nov. 18; Pampa, Texas Department of Health, 408 West Kingsmill, Nov. 4 and Nov. 18.

Early prenatal care is the first and least expensive item we can provide for our citizens. By taking care of infants prenatally, we can prevent much suffering and millions of dollars can be saved.

TRADE DAYS IN CLARENDON

The City of Clarendon, the Clarendon Chamber of Commerce, and interested individuals will host a "Trades Days" on the 'First Saturday' in November - 1st, 2nd & 3rd. Sorority To Host Style Show

Alpha Mu Xi met Monday, October 14 in the home of Nancy Patterson with Linda Babcock as co-hostess. Members were treated to chips, dips and punch set to a Halloween theme.

It was decided that sorority would not sell pecans this year as their fund raiser. Instead, on Sunday, December 1, they will host a style show featuring clothing designed and made by local artists. The show will be held at the Community Center and the time will be set at a later date. Local designers scheduled to show their line include Laura Britten, Sandra Britten, Margie Smith, Betty Treadwell, Connie Fields and Marion Pool. If there is anyone who would like their designs to be modeled at the show we encourage you to call Nancy Patterson at 248-7213.

The November meeting will be held in the home of

Jan Britten with husbands invited to enjoy dinner and an evening of games and socializing. Members are reminded to bring gifts for senior citizens that will be given to residents of the Claude Nursing Home.

Members attending were Marsha Davis, Cindy Babcock, Belinda Britten, Laura Britten, Be Stephens, Sue Wills, Linda Babcock, Judy Eatmon, Barbara Homer, Jo Ann Baker, Debbie Anthony, Nancy Patterson, Donna Crump and Jan Britten.
