The main purpose of this Council is to give overall direction to the Extension Homemakers Program in Carson County, to assess the needs of people in the county, and to plan and conduct programs to meet those needs.

The first item discussed was the progress of the Meals On Wheels program. Panhandle is, at present, taking noon meals to three people in that community five days a week. Maggie Weinheimer, chairman of Meals on Wheels in Groom, hopes to have a program started here by May 1. Mrs. Weinheimer also volunteered to fill out tax forms for both Panhandle and Groom.

The Council also discussed the Health Fair that will take place at the Panhandle Methodist Church on July 4

Winner of the girls contest was Marj Ekleberry, daughter of Chuck and Doris Ekleberry of Clarendon. Marj attends Clarendon High School where she is a junior this year. Marj is very active in school activities such as UIL and enjoys breaking, training and showing Quarter horses. The winner of the boys contest is Kiley Lambert, son of Greg and Dena Lambert of Groom. Kiley is a sophomore at Groom High School and is also active in UIL and enjoys water skiing and working with computers as his hobbies.

Stacy Adams of Wheeler and Ronnie Mote of Wellington were judged runners-up in the contest. In the event one of the first place winners is unable to go, the runner-up will travel to Washington.

The judges of the contest collectively said the selection of this year's winners was the single hardest thing that they had to do in their recent memory. All judges said every student who entered the contest was outstanding and it was very, very difficult for them to pick the winners.

The trip to Washington, D.C. provides the winners a chance to gain knowledge about the nation's capitol and the rural electrification program, both important to rural communities.

Marj and Kiley will be at this year's annual meeting of the Cooperative to give their winning speech. Everyone is encouraged to attend the meeting on April 24, at 1:30 p.m. to hear them.

## School Board Members Sworn Into Office Monday Night

James Hefley and Jake Hess II were sworn in for new three year terms Monday night at the monthly meeting of the McLean School Board. In Saturday's election, Hefley was the top vote-getter with 267 votes while Hess got 254. Write-in votes were as follows: Bill Pitts-1; Buster Day-1; George Eck-2; Steve Brass-4; Melba Harkins-2; and there were two unmarked ballots.

After the order of election was approved, new board officers were elected. Darryel Herndon was named President, James Hefley was elected Vice-president and Gwen Henley was named Secretary.

The main item on the agenda was the purchase of new uniforms for the band. Music Director Roger Myers was on hand with samples and bids from several companies.

Myers said that the old uniforms are 13 years old and that as the band has grown in size it has become increasingly difficult to fit everyone properly. He estimated that there will probably be 45-50 students in

the band next year and requested the purchase of 60 new uniforms. He said that extras are needed in case some are damaged and also to allow for fitting of band members who wear odd-

sized uniforms. Of the four samples he demonstrated, Mr. Myers recommended one that would cost about \$10,000 for 60 uniforms.

He said that the band and its booster club had already raised \$3500 through its various fund-raising activities and requested that the board allocate the remaining \$6500 to purchase the uniforms.

Several board members expressed their support for the band and mentioned the excellent ratings that the band has received in competitions during the last several years. They said they felt it was unfair for the band to have to raise money for its own uniforms when others, such as the football and basketball teams, have their uniforms provided by the school.

After extensive discussion, the board agreed that the band's performance had

been highly commendable and agreed to provide the \$6500 to purchase the uniforms. Business Manager Shirley Johnson said that the money would be taken from the utilities and gas budgets since there have been savings in both of those areas this year.

In other business the board:

-Accepted a bid from Elroy McDonald of Garrison, Tx. to sell one of the old school buses for \$301.

-Accepted the resignation of Bell Hughes, effective at the end of this school year.

-Rehired the cafeteria, and custodial staffs and the bus drivers. Those rehired were Jo Blaylock, Mary Bybee, Jeanie Smith, Myrtle Billingsley, Frank Sparling, Joe Billingsley, Sandra Patton, Roy Richardson, Earnest Foshee and Tom Adamson.

-Hired Mary Ruth Darsey to replace Sam Green at the School Business Office. Mrs. Green resigned to take over the McLean Variety Store.

-Changed the School Board's meeting time to 7:00 p.m. during the summer months.

## George Green Elected New McLean Mayor

McLean voters went to the polls on Saturday and decided on George Green as their new mayor. A salesman for a chemical company, Green served one term on the city council prior to running for mayor. In a close race, he defeated McLean Care Center Administrator Bill Thomas by a vote of 152 to 128.

In the races for City Council, incumbent Jerry Cook beat challenger Jake Bible 205 to 69. In the race to fill the seats vacated by George Green and Miro Pagan, Dale Glass was the top vote-getter with 195, while Mike Harkins was second with 136. Those two gentlemen will serve in three year terms while Cook's term has two years left.

The other candidates running for the council were Louise Turner, who got 106

votes and Jerald Reynolds who got 66 votes.

In the referendum on the golf course, in which the county would contract with the City of Pampa to assist in the construction of the course, the county-wide vote was 2064 to 1728 in favor while in McLean the vote was 264 to 26 against and in Alanreed the vote was 17 to 2 against.

According to County Judge Carl Kennedy, the vote now makes it "legally binding on the County Commission to assist in the construction of the course, assuming that the City of Pampa goes ahead with the project. If Pampa doesn't do anything about it, then we won't." However, Kennedy added, "Pampa officials haven't indicated that they won't go ahead with the construction."

### Don't Forget

The McLean Stock Show Appreciation Dinner will be tonight at 6:00 p.m. in the Ag barn.

There will be a basketball game between the McLean Fire Department and KFDDA Channel 10, on Saturday night at 7:00 p.m. in the gym. The event is being held to help the department raise funds for a community room at the fire station.

The Pioneer Study Club will sponsor a tea for the Senior class on Sunday at 3:00 p.m. in the Church of Christ Annex.

### George Terry Named to Committee

George Terry has been notified that he has been appointed to the Texas Review and Comment System Committee. This body, which is part of the Panhandle Regional Planning Commission, is designed to review and comment on applications submitted by Panhandle agencies and organizations to obtain state and federal funds. Terry, who was picked from a list of candidates in 25 counties, will serve on the committee for three years.

## Tiger Band Receives High Rating At Contest

The McLean Tiger Fride Band earned a Division I or "Superior" rating in sight-reading and a Division II or "Excellent" rating in concert at a UIL contest at Panhandle High School last Wednesday. Because of the Division II rating, the group

barely missed getting the Sweepstakes Award which is presented to bands who get Division I ratings in marching, sight-reading and concert competition. The Tigers got a "Superior" rating at the UIL marching contest

earlier in the year.

Band Director Roger Myers said that many of the band members were disappointed because they didn't get the award. "However," he said, "they don't have anything to be discouraged about. They have done an outstanding job this year and deserve to be applauded for what they have accomplished. I even got comments from other band directors at the contest. They were very complimentary and talked about how good our performance was."

## Former McLean Mayor Expresses Gratitude

The following letter from outgoing Mayor George Terry was received prior to Saturday's election:

To All Residents  
City Councilmen  
Mrs. Stella Lee, City Secretary  
Mr. Bob Glenn, City Superintendent, and  
City Employees  
McLean, Gray County

Dear Friends:

As you know, my four year tenure of office as mayor for the City of McLean will be coming to an end very shortly.

Before leaving this office, however, I want to express

my thanks to each of you personally for the support and cooperation you have afforded me while serving in this capacity.

To say that misunderstandings and differences of opinions have not arisen between some of us during the time I have served as your mayor would be a gross understatement. I do feel, however, that your mayor and council have worked in harmony as well as, or better than, most governing bodies.

We have all served in our jobs according to our beliefs, attempting to bear in mind

See "Mayor" p.6

## Parent Support Group Being Organized

On April 13 at 7:00 p.m., Diane Bosch, Head of the Adolescent Care Unit at St. Anthony's Hospital, will be the guest at a meeting at the McLean Lions Club. The session is being held to talk to local parents, guardians, grandparents, etc. about the formation of a local support group on drug and alcohol abuse.

Substance abuse is one of the greatest dangers facing our young people today and the problem has even reached small communities such as McLean.

If you are the relative of a young McLean resident and are concerned about this problem, you are encouraged to attend this meeting. Let's learn how to deal with this problem and recognize its warning signs now. It's better to face it now than to wait for tragedy to strike.

There is no charge for admission.

## Alanreed Election

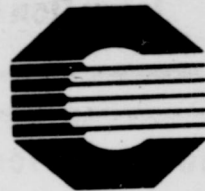

Alanreed voters elected three school board trustees in the election at the school on Saturday. Returning to office were O.J. Weldon and Sid Keese who got 23 and 22 votes respectively. Newcomer Don Charles Dorsey, who ran to fill an unexpired term, was elected to the office with 23 votes.

Getting out this paper is no picnic. If we print jokes, people say we are silly; if we don't people say we are too serious. If we clip things from other papers, we are too lazy to write them ourselves; if we don't we are stuck on our own stuff. If we stick to the job all day, we ought to spend some time hustling up news; if we do get out and hustle, we ought

to be on the job at the office. If we don't print contributions, we don't appreciate true genius; if we do print them, the paper is filled with junk. Now, like as not, some guy will say we swiped this from some other paper. Well, we did.

The term "honeymoon", it is said, originated with the ancient Germans who, after the wedding ceremony, drank a honey substance until the moon waned.

**The American Trucker**

*I am an American trucker. The road I travel is asphalt and endless.*

It is my life and my living, a narrow ribbon of energy that is freedom.

It drives me through crises, from runaway rigs to runaway inflation.

It pounds me, shakes me, spits me out at the next truck stop a sore, tired, knotted mound of muscle aching to get back on the road quickly, loaded and running.

*I am an American trucker. I am a professional, many professionals.*

I am a tax man. Financial planner. Governmental affairs expert. Bookkeeper. Accountant. Lawyer. Economist. Marketeer. Insurance agent. Mechanic. Safety expert. A little bit of a lot of people.

I am a trail blazer in a vast country where every citizen makes his own way, if he has the guts to gear up and get rolling.

I am a man for all seasons, on two feet and 18 wheels.

*I am an American trucker. My "office" is a small space with a large view.*

My climb into it is at my speed, in my way, to meet a vista that's a little higher, a little wider, a little grander than high rise concrete and steel.

My day is a cycle. I work in the cool, eerie stillness of the lonely night, watch the day glimmer to life, streak through the midday sun and feel the darkness slowly creep up to my rig and surround it once again.

My time clock is my own.

*I am an American trucker. I live my days in a different lane.*

I count time by mile markers, progress by the load, endurance in black quarts of coffee and fistfuls of cigarettes.

I measure life in lines. Power lines. White lines. Double lines. Phone lines. Fuel lines. Toll lines. Dotted lines.

I number myself among a rare breed of workers who wrap their hands around the wheels of a small business on six axes, and move it where they want it, in the direction they think is right.

*I am an American trucker. We are a community.*

We have drive and overdrive, big dreams and a road that brings us closer to them, mile by mile.

We are citizens of a nation within a nation, possessing our own language, our own look, our own codes, our own rites of passage.

We are a people who run on diesel and hard, honest work, constantly moving, wandering and wondering what's on the road ahead.

*I am an American trucker.*

Yesterday is what was, a history written on so many pages of reports and forms.

Today is what matters, even though its name is often forgotten.

Tomorrow is uncertain. I only know I will not be where I am now, if the road and the load are with me.

*I am an American trucker.*

I depend on the road, but in return I get independence.

I grow to see many things, but with one sure vision.

I am many people, but one proud individual.

*I am the American trucker.*

### PART-TIME AND FULL-TIME INCOME AND CAREER OPPORTUNITIES

America's fastest-growing rural organization has openings for a limited number of full-time and part-time career opportunities in this area as membership directors for Communicating for Agriculture.

No prior experience is required, however an ability to meet people and organize your activities combined with a farm or rural background will improve your success potential.

The income potential for Communicating for Agriculture Membership Directors is excellent either as full-time or part-time. Many of our representatives—some 2,000 across America—have doubled their income within two years.

An information meeting will be held soon in this area to fully explain the opportunity.

To receive an invitation to attend the Communicating for Agriculture Opportunity meeting, place a toll-free call to Terry Van Den Hoek at Communicating for Agriculture Support Services
