Groom Tigers pulled out of Groom on their chartered bus Friday afternoon around 2:00 p.m. enroute to Guthrie for their final playoff game.

Tigers loading up their football gear into the bus.

Shannon Miller loads the bus on crutches, not being able to play Friday night. The Tigers missed having him suit out with them.

## Tigers Lose To Guthrie In First Round Playoff

Groom had a disappointing loss to Guthrie Friday night to end the Tiger's 1991 season. Injuries may have been a key factor in the dramatic loss as three of the teams key players either started off on the wounded list or were placed there during the game.

Shannon Miller has been out for three weeks with a fractured leg. Brian Baker injured his back in last weeks game and, although he attempted to play, he

was really unable to participate. Daryl Homer was injured during the course of the game. Baker is expected to miss a couple of weeks of basketball season.

Guthrie got off to a big head start by finishing the first quarter 28 to 0. Paul McLaughlin pulled in the first T.D. with a four yard drive to the goal line. Kirk Webb made good the extra points.

Bruce Britten threw a five yard pass to Corky Hickey in the second

quarter to tighten the score to 44-14 at the half. Paul McLaughlin finished the scoring for Groom with a spectacular 64 yard run, bringing the final score to Guthrie 64, Groom 20.

Coach Terry O'Dell stated "It was a terrible ending for a really good year."

He went on to say that comparing statistics it should have been a much tighter game. The Jaguars had 408 yards rushing compared to the Tigers 343 yards.

O'Dell said, "These boys

## Sales Tax Rebate Running Ahead Of Last Year

"Local sales tax rebates to Texas cities and counties are running \$123 million or 10.6 percent ahead of total payments this time last year," State Comptroller John Sharp said.

"That's real money that's going into city and county treasuries for vital services to local residents," Sharp said.

The city of Groom received a 9.27 percent increase in sales tax rebates, from this period last year, netting \$2,295.97 for the period. Payments to date totaled \$22,997.14, making the yearly total down slightly from 1990.

**SAVE THE OAK ...**  
In 1854 Martin Fleming was camped in a grove of live oaks. During the night Indians raided the camp. Fleming hid behind one of the trees. Later the town of Comanche grew up around that grove. The trees were soon getting in the way of progress. The trees must go! Fleming pleaded to save his oak, but city fathers voted no. When the cutting crew got to Fleming's oak he was standing guard with his rifle. The tree was saved.

## Senior Spotlight...

With the football season now behind us, many players will shake their fists to the sky and say "Wait till next year!" But for five senior boys, from now on, their exclamations will be as a spectator. It's a part of growing up we are all faced with... the putting away of childish things... but like most of us, they will always remember those "Glory Days" of when they were the stars of the Tigers Football Team.

1991 was a great season and for Brian Baker, Daryl Homer, Nick Kuehler, Bruce Britten and Kirk Webb it was their last. Finishing with a 7-4 season, the Tigers gave their fans many thrills and a season to remember.

Brian Baker, son of Mr. and Mrs. Jess Baker, started playing organized football in seventh grade and started playing 6 man as a freshman. He had 1,000 yards rushing this year. The importance of team work has been one of the main lessons for all these boys. They attribute much of their success to being a team.

Daryl Homer, son of Mr. and Mrs. Joe Homer remembers especially the Amherst game this year. He hit a back so hard that it knocked his earpiece out.

Nick Kuehler, son of Mr. and Mrs. Robert Kuehler, and the other senior boys advise boys just starting out not to become discouraged if they seem to have no natural talent for the sport. Nick says "Hard work and Heart separates the real players from the rest." Nick's favorite memory was a 30 yard "over the head" pass from Baker last year against Follett.

Brian likes to recall the Miami game, where after a really good hit, he thought he'd tell the hitee just how

good that hit was. The referee who overheard told him that he would be on the sidelines if he didn't hush. His advice to youngsters was "...learn how to put those darn knee pads in ..."

Kirk and Bruce have many memories, too, but the Groom News was unable to hear from them.

We congratulate all our team members and say thanks again for all the thrills.

Shadows of Championships gone by... Button Friemel, Coach of the 70's powerhouse teams; Buck Burk, also a 70's teacher - now back in school; and Jack Barnett, rain or shine, one of footballs biggest fans.

**BEATITUDES FOR FRIENDS OF THE AGED**

Blessed are they who understand

My faltering step and palsied hand.

Blessed are they who know that my ears today

Must strain to catch the things they say.

Blessed are they who seem to know

That my eyes are dim and my wits are slow.

Blessed are they who looked away

When coffee spilled at the table today.

Blessed are they with a cheery smile

Who stop to chat for a little while.

Blessed are they who never say,

"You've told that story twice today."

Blessed are they who know the ways

To bring back memories of yesterdays.

Blessed are they who make it known

That I'm loved, respected and not alone.

Blessed are they who know I'm at a loss

To find the strength to carry the cross.

Blessed are they who ease the days

Of my journey Home in loving ways.

Lefors Teams**

Basketball season is off and running. Junior High athletes went head to head with Lefors Monday night for the opening home game of the season.

It was sister vs. sister as Coach Shirley Fields and her sister Carol Vincent, who coaches Jr. High girls for Lefors, tested their strategy. Sandy Conrad had 8 points, Kay Case had 4, Trisha Treadwell had 2 and Tara Conrad had 2.

The boys game went equally as well with the Cubs winning 21-11. Harold Cave had an outstanding night scoring 12 points for Groom. Brandon Crump scored 4, Nick Ashford scored 2, Scott McLaughlin had 2 and Craig Baker scored 1 point.

**What Is A Basketball  
Season Without Claude?**

Editorial by Donna Burton

As the Tigers get ready for the Regional playoffs, the Tigerettes get ready for basketball season. Many basketball fans also await the opening whistle and the sound of a ball on a hard wood floor. The really strange thing this year is that Groom will not face its most rivaled opponent, Claude.

Who knows where this rivalry started. Its been going on as long as I can remember. Perhaps it came from many families being related. Whatever the reason, its been going on a long time.

I grew up in Claude, in the 70's when Groom was a football powerhouse and Claude was the Girls Basketball State Champion.

I can always remember the excitement when it came time for the "Mustangs and Tigers" to mix it up.

Things have indeed changed for both towns. Decreases in population have placed the teams in different districts. No longer will the Mustangs and Tigers face each other across the gridiron nor do they shout chants across Claudes echoing gym or Groom's more intimate one.

The best fans can hope for is the teams to meet up at a tournament somewhere. Somehow basketball season just won't be the same with out Roger Johnson and Jack Barnett shouting friendly insults to each other across the way. I'm definitely going to miss it.

## Tigers Upset By Valley Patriots In First Game

The McLean Tigers playoff hopes were literally sunk at Valley Friday night as the Patriots defeated the Tigers 24-21 in a game marred by a wet field and intermittent moderate rain.

McLean jumped out to an early 15-0 lead due to a strong running game featuring Daniel Harris and Tuffy Sanders. The Tigers were driving for a third score late in the first half when a penalty negated a touchdown. The Patriot defense stiffened and took over with only seconds remaining in the half.

Clay Edwards the swift Patriot running back, broke for approximately 85 yards and a touchdown to get within 7 of McLean as the clock ran out in the half.

The second half was a series of fumbles, interceptions and strong Patriot defense as they went ahead 24-15 with only minutes remaining.

The Tigers never gave up and scored to make the tally 21-24 and then executed a successful on-side kick. Christian Looney's long passes fell incomplete on the soaked field as time ran out.

McLean completed a very successful season as District Champ with 9 victories and only two defeats, and they

and their coaches are commended for a great season.

Valley will play Silvertown Friday for regional honors.

## 4th Graders Go Back To November, 1910

The fourth grade class of McLean spent a day in Cheyenne Okla. at the Rolls One-Room School depicting a day, November 12, 1910. Arriving in Cheyenne we walked to school carrying our lunches in tin pails. When the bell rang the girls and the boys lined up by height. Girls went to one side of the room hanging up their cloaks and placing lunch pails below them. Then the boys entered the room hanging up their cloaks at the back, placing their lunch pails beneath them and sat on the opposite side of the room.

The first lesson was writing. The scholars used a quill pen and ink to write in their 1910 writing booklets which had been prepared for them. During the math lesson scholars were divided into two groups. They orally and mentally ciphered their problems, sitting when they missed one. While Mrs. Skipper worked with half the scholars reading from the McGuffey readers, the other half of the scholars wrote spelling words on their slates, and Mrs. Tracy

graded the writing booklets.

At noon, after washing their hands with lye soap, the scholars were dismissed to eat their 1910 type meals of biscuit, egg and bacon, or peanut butter sandwiches made from homemade bread or hard boiled eggs, fruit and water dipped from the bucket which they poured into tin or enamel cups.

Two scholars had been sent earlier to pump the water.

As the scholars finished their lunches, they played games such as drop the handkerchief, walk on stilts, roll rings along the road with sticks, marbles, and jump rope.

At 12:45 the scholars returned to the room for a history lesson on early McLean, Texas, and Oklahoma. The day concluded with a spelling bee covering the words written earlier in the day.

At 1:30 the scholars

boarded their yellow horse for their return trip to McLean. Each scholar had a picture of the class, their writing booklet, certificates for the day, and some scholars received certificates for winning the math and spelling contest.

We arrived back in McLean around 3:15 ready to return to November 12, 1991. All the scholars and parents accompanying them really had an enjoyable day

### Weight Loss Surprises Researchers

WASHINGTON - A nutrition organization was hopeful that a nutritionally complete "hi-tech" food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Researchers in Europe found that an ingredient in the aptly named product Food Source One actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious *British Journal of Nutrition*. Researchers in an earlier study had speculated that the weight loss was due to a decrease in the intestinal absorption of calories.

While the development of Food Source One, a project of National Dietary Research, would not be used to successfully fulfill its original goal, the discovery has

## Businesslike Approach To Lottery

"The people of Texas want a fun and efficient state lottery up and running by July 1, and that's just exactly what we're going to

give them," State Comptroller John Sharp says.

Sharp said the Comptroller's new Lottery Division is moving quickly to implement the voters' decisive choice in Tuesday's constitutional referendum. His timetable calls for the hiring of a lottery director by December 1. The licensing of ticket vendors, the hiring of additional personnel and the establishment of regional prize claim centers will take place throughout the spring.

Sharp pledged to take a businesslike approach to running the state games. "We will not run it like just another state agency program, because it isn't one," he said.

"The lottery is an operation the size of a Fortune 500 company. We

project first-year sales of nearly \$1 billion, equivalent to a corporation as big as Texas Instruments. We have no choice but to run it like a business."

"By July 1, Texas will have its first home-grown lottery winners playing the scratch-off, instant-winner games," he said. "Within another six months, we hope to start phase two of the lottery. These are the so-called on-line games, such as Lotto, where players pick their own winning numbers.

"By Aug. 31, 1993, the end of the current two-year budget cycle, here's what will have happened: more than \$1.2 billion in tickets sold; more than \$550 million in prizes awarded; and, most important, \$461 million in state revenue earned.

"We will make that happen. The Texas Lottery will be on time and on target."

The Comptroller's Lottery Division, with just 186

employees, will be "an extremely lean operation," Sharp said. "We expect to contract out for much of

our sales force, much of our telecommunications project and much of our computer support.

"In fact, the most important task for much of our staff will be the strict supervision of these outside companies. This approach will save us money and prevent us from building yet another state bureaucracy."

The Legislature appropriated \$12 million to the Comptroller as seed money for the lottery, or about 71¢ per capita. "Based on the size of the state, Texas clearly will have the most-efficient lottery start-up in recent history," Sharp said.

"All of state government, from the Governor down, must support the lottery for it to be successful," he said. "This is our chance to prove that state government works in Texas."

The Senior class is going to have a powder-puff football game this Sunday, November 24th at 3:00 at the football field. The teams will be girls in grades 7,10,11 against girls in grades 8,9,12. Some guys from each class will be the cheerleaders. This should be a lot of fun so come out and watch some flag football.

The senior class is interested in having a little Miss McLean contest in January. But we really need some idea of how many girls we will have to

enter. The age group for this contest will be 1 yr to 8 yrs old. If you are interested in entering your daughter in this please contact a senior, or a senior sponsor (Kathy Slayton, Kurt Moser) at the school. 779-2571.

The Annual Staff is selling pies for Thanksgiving. We will make homemade pumpkin or pecan pies for \$5 and deliver them to you on the Wednesday before Thanksgiving. If you would like to sign-up for a pie please contact Kathy Slayton at the H.S., 779-2571, or sign up on any list around town.
