Athletic Exams

Scheduled

Physical examinations are now being scheduled for athletes who plan to participate in football. Only those athletes who plan to make two-a-day or play junior high football are to be scheduled at this time. Contact Dr. Black's office to schedule your appointment. Physicals for all other athletes will be scheduled at a later date.

Two-a-day workouts will begin August 13. The morning session will begin at 8:00 and the afternoon workout will begin at 6:00. Hopefully you have had an enjoyable summer and you are ready to get to work. Bring with you a good positive attitude, a willingness to work, and a desire to win. (You might want to add a good comfortable pair of running shoes to that list.)

Groom Day BBQ, Parade Hits Attendance High

Groom Day activities kicked off this year with fifty-three entries in the parade; the most entries in the history of Groom Day.

The parade began at 9:30 a.m. with three Skydivers from Amarillo landing on Main Street.

At 10:00 a.m. the floats started down Main Street with people throwing candy and balloons to the spectators line up on both sides of the street.

First prize in this year's parade went to Groom Grocery; Second place went to Brush and Palette; Third place went to the Lazy Dazys; and honorable mention went to Groom Flying Service.

Following the parade the crowd made their way to the

Groom Community Center where numerous booths were displaying their goods. Quilts, T-Shirts, bows, pillows, wooden decor, art and much more were displayed. Also the United Methodist Women held their annual bake sale.

The barbecue was held from 11:30 a.m. to 1:30 p.m. serving 1069 people, the most Groom Day has ever served.

Activities at the tent began at 2:00 with sand treasures, pin the tail on the donkey, water balloons, confetti eggs and much more.

Also food booths were set up to serve refreshments and ice cream.

The volleyball tournament also began at 2:00 with the

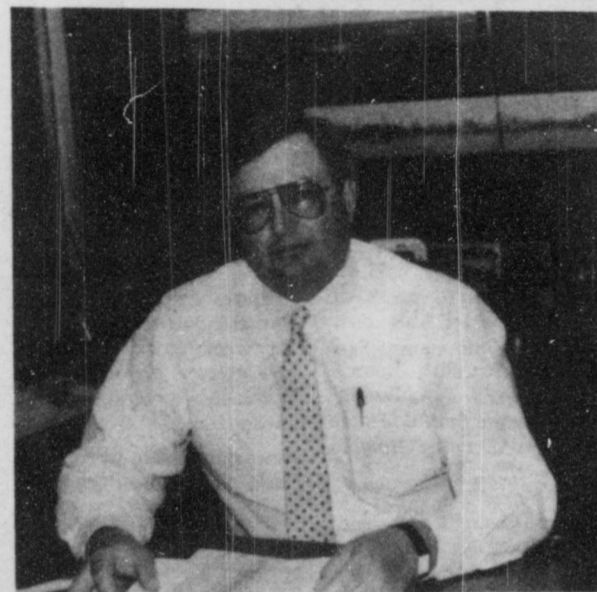

Ledwig team winning the tournament. Those on the winning team were: Roxann Ledwig, Anthony Ledwig, Carolyn Brooks, Kathy Webb, Neil Wieberg, Stanley Britten and Jimmy West.

Other activities included a horseshoe tournament where Bill Culver and Jim West were the champions.

Bud Fields and Skeet Brown were the winners of the two categories in the ranch horse cutting.

Bill Culver was riding on luck Saturday, he also won the \$500.00 pot at cow patty bingo. Vernon Baggerman and Buddy Weller also won in the \$5.00 and \$1.00 pots.

At 4:30 the children's track meet was held where See Groom, Page 3

Bobby Babcock Named President Of SNB

Cecil Culver, Chairman of the Board of Groom Bancshares, announced that Bobby N. Babcock has been elected president and director of the State National Bank of Groom.

Babcock is a native of Groom. He graduated from Groom High School in 1964. He attended East Texas State University where he received an Agri-Business degree in 1968.

In November of 1986, Babcock was elected vice-president and loan officer of the State National Bank.

Also a new vice-president has been elected, John A. Harris, a farm and ranch

manager from the First National Bank in Amarillo.

Tom Patterson, executive vice-president resigned effective August 10, 1990 to become the director of the Amarillo Chamber of Commerce.

Harris is a native of Roby, Texas where he graduated from high school in 1953. In 1957, he graduated from McMurray College in Business Administration.

Also Harris served in the U.S. Army for two years.

Harris then was employed at the State National Bank of Abilene for two years. Following his employment at See Bank, Page 5

**SUBSTITUTE TEACHER
LISTS UPDATED**

Groom School Principal Judy Babcock is in the process of updating the district's substitute teacher lists for the 1990-91 school year. According to Mrs. Babcock, the personnel files for substitute teachers are

required by school policy to contain the same information required for regular professional teachers.

Persons who are currently on the substitute teacher roster should check with Business Manager Joyce Hutsell to verify that their 1990;91 file contains the following: teacher certification, where applicable; a complete teacher-applica-

tion; a notarized Oath of Office required for State of Texas teachers; and a copy of the high school diploma or latest college transcript showing completed hours of college credit.

School district policy requires that substitute positions are to be filled by the persons most qualified to do so. The updated files will assist district officials with

compliance in the matters of school policy and state laws and regulations.

"Since the district traditionally requires the services of substitute teachers to check in as soon as possible. If there are any persons who would like to assist the district when substitutes are needed, we would appreciate having applications on file," continues Babcock.

Joyce Hutsell can be reached at 248-7251 or interested applicants could come by the business office at the west end of the school building at 304 West Third Street in Groom.

PUBLIC NOTICE

The City of McLean has been notified by the Texas Department of Health that the water being supplied by our system exceed the following maximum constituent level for Nitrate specified by the Department "Drinking Water standards" which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523(U.S.). The limit is set at 10 milligrams of Nitrate (as nitrogen) per liter of water. The amount of Nitrate (as nitrogen) in the water to be 11.95 milligrams per liter.

Adults and children over the age of 6 months need not be concerned about drinking water from the tap. An excess Nitrate intake by an infant under the age of 6 months may reduce its available oxygen supply and possibly produce "blue baby" symptoms. Parents are advised to find other sources of drinking water, such as bottled water, for their infants under 6 months of age. All doctors and hospitals in the area have been notified of this situation.

Stump, McCracken Attend WT Camp

Tiffany Stump and Erin McCracken attended the West Texas State University Volleyball Camp held by WTSU's volleyball coach Kim Hudson at Canyon, Texas July 23-27. Each day begins with morning practice from 9:00 - 12:00 noon, then a break for lunch, then from 2:00 to 5:00 is afternoon practice. A supper break from 6:30 to 9:00 is league play. Both Tiffany and Erin were placed on individual high school league teams and a league tournament is held on the last day of camp. Tiffany's team won third place and Erin's team won

sixth place. Tiffany also received a volleyball for the "Most Improved Player." The girls camp was a successful completion of volleyball training through instruction, study and participation. Camp helped each girl to work hard and showed their desire and determination in improving themselves in the game of volleyball. Tiffany and Erin feel the team work, attitude and dedication they developed are important in becoming a successful volleyball player. They can't wait to start practice for the new Lady Tiger's volleyball team.

Wayne Carter Elected Deputy

New Chief Deputy Wayne Carter has spent the last week at the position acquainting himself more with each of the Gray County Sheriff's Office personnel and surveying the situation. Although Carter, 37, has been with the Gray County Sheriff's Office as a deputy since Jan. 1, 1986, he has basically been only in the McLean area during the time and has not been as familiar with the day-to-day operations of the sheriff's office in Pampa.

Pre-kindergarten Sought

The McLean Independent School District is attempting to locate any pre-kindergarten students who may qualify for a class preceding the Kindergarten year according to a release from the business office of the school.

According to Supt. Rex Peeples any child may be eligible if (1) the child will be four years of age by September 1, 1990 and (2) is non-English speaking or qualifies for free or reduced price meals according to the income eligibility charts published in this issue of the Groom News.

Any parents or guardians of children who may qualify under the two guidelines above should contact the school business office at 4th and Rowe Street, McLean, Texas 79057 or by telephone 806-779-2301 or 779-2671.

Sheriff Jim Free, who appointed Carter to the position effective July 16, said Carter was his choice based on his qualifications and experience. With the promotion, Carter's base salary increased from \$1,857.90 to \$2,008.40 monthly. "He's an asset to the position," Free said.

Carter said, "Whenever we're needed, one of us will be available at all times. We want to be available for the public to come in if they want to talk to one of us." The sheriff and Carter, who stands 6 feet 5 inches tall, met with the other deputies on July 23 to explain about Carter's new position. Since then, Carter has met individually with each of the deputies and has been riding with them on their patrols.

"We want the people to know we are there and we are efficient," Carter said, referring to a grand jury report on the sheriff's office last month that indicated the office was not efficient.

Carter, raised in Clarendon, first began his law enforcement career with the sheriff's office about 4-1/2 years ago. However, he was no newcomer to the field.

His father was a game warden for 16 years.

Prior to becoming a sheriff's deputy, Carter was a rancher.

The new chief deputy graduated from Clarendon High School and attended Clarendon College. He has lived in McLean for about 12 years. He has no immediate plans to move from his residence.

Until a different deputy is placed in McLean, Carter will help serve in the same capacity as well as chief deputy.

"I grew up in law enforcement," Carter said, "I feel like I can serve the people better from here (Pampa sheriff's office)."

Free said that he will send each of the deputies to McLean for a week at a time to become acquainted with the people and the area. He said after all the deputies have had a stay in McLean, a person will be appointed to move to McLean and work that area of the county.

"We will still have 24-hour coverage of McLean," Free said. "We're not leaving them (McLean people). I would hope they would feel complimented a McLean boy was picked."

Carter described the next

several months as a "break-in period" for everyone in the sheriff's office.

Free said, "I felt like Wayne could help me make a lot of the changes here. He's taken good care of McLean and the people there."

The sheriff said another reason he brought Carter in for the position was to make a smoother transition. "They (deputies) aren't going to be bickering between themselves. I felt him qualified. I've been watching Wayne for the last 15 to 16 months."

Most of the Old 66 stories so far tell of things that happen during good weather, but the Panhandle of Texas, through which all 178 miles of Old 66 crosses, is well known for its bad weather also. Ice storms, tornadoes, dust storms, and blizzards certainly made for some dramatic and humorous stories as well.

Monta Gene Smitherman remembers one trip to Amarillo with her parents, the Paul Kennedys. On the way home, a blizzard struck and finally stalled the car. Paul walked to the Rock Island RR track, flagged down the train, put Francis and Monta Gene on it, and they arrived safely in McLean later. Paul didn't get home for 1-1/2 days.

The Browns of Jericho, rescued blizzard-stalled travelers in a 4-wheel drive truck and carried them to their heated daru barn on their farm a few years ago. I don't recall how many people were rescued, but these efforts by people who

NOTES & TALES From OLD ROUTE 66 by D. Trew

lived along Old 66, certainly help make the heart and soul of Old 66 seem real to travelers.

I remember coming home from the ranch in New Mexico, in a Ford farm truck and finally having to stop in Conway at the little corner station which is still standing. I was cold and tired and the police said the road to Groom was drifted over. I entered the store to find about 20 other storm victims. The women and children had gone to the station owner's house and the men remained in the station. We took turns sleeping on the floor, ate everything edible, chewed all the tobacco, smoked all the cigarettes, cleaned out the house and all the neighbors in about 20 hours. I'll bet the owners were glad to see that storm let up.

I can't remember many people losing their lives, in our area of Old 66, but sitting out a blizzard is an unforgettable experience.
