sound. Come support the Band and attend the next half-time show.

## Band Prepares For Upcoming UIL Contest

The pride of the Tiger, 24 piece band has performed at half time these past three home games. "Band

members are made up primarily of seventh and eighth graders, due to scheduling problems", reported band director, Steve Thomas. The same period band is offered, junior, senior and freshman students are offered spanish, which is required for an advanced diploma.

This is Mr. Thomas's second year in Groom, he came to Groom after a break from teaching to further his education and obtain his master degree. His last teaching post was in Brownwood, where he taught Junior High Band from 1979 to 1983.

This year's band is made up of seventh graders; Bronte Britten, Kenzi Burger, Krista Burgin, Latisha Burgin, Rebecca Conrad, Kimberly Fields, Wesley Hall, Ronnie Jenkins, Aimee Lyles, Andrea Payton, Angela Reed and Phillip Vaughn. Eighth grade band members are: Karen Babcock, Amy Brown, Melinda Burgin, Matt Fields, Paul McLaughlin, Shannon

Miller. Freshman members of the band are: Brian Baker, Bruce Britten, JoLee Burger, Kristy Case, Daryl Homer and Nick Kuehler. Brent Payton is a honoree band student, who donates his time with the band, but is not enrolled in band.

ing contest to be held in Borger. The band will be the last to perform in the Class A Division.

"We're off to a stronger start this year, we sound bigger and have a more sensible marching show", said Thomas.

## Tigers To Visit Miami

The Groom Tigers and the Lazbuddie Longhorns made a short night for football fans as they came out in the first chilling winds of autumn Friday night.

### Kiley Lambert

#### Notified By NMSC

Groom High School has been notified by National Merit Scholarship Corporation (NMSC) that Kiley Wayne Lambert has been designated a Commended Student in the 1989 National Merit Scholarship Program. The principal, Kenneth Sweatt, announced today that this senior placed in the top 50,000 of more than one million participants in the 34th annual Merit Program and will receive a Letter of Commendation in recognition of outstanding academic promise.

A official of NMSC stated, "Being named a Commended Student in the extremely competitive Merit Program is a credit to these young men and women and the schools which play a key role in the development of academically talented youth. We hope the recognition these students have earned will increase their motivation to use their abilities to the fullest, for they represent an important intellectual resource which our nation needs."

The over one million participants in the current Merit Program entered the competition by taking the PSAT/NMSQT in October 1987 as high school juniors. Although their qualifying test scores are very high, the 35,000 young people throughout the nation who are Commended Students scored slightly below the level required for Semifinalist standing in their respective states. Only the 15,000 Semifinalists, whose names were announced on September 15, will continue in the competition for some 6,000 Merit Scholarships to be awarded in the spring of 1989.

In keeping with the 45-point rule, the contest was halted when Lazbuddie scored its eighth touchdown of the night, finalizing the score 56 to 6. Lazbuddie ranks sixth in the state.

Although Groom coach Jimmy Branch was well aware of the Longhorns' speed, experiencing it was another matter altogether. "I was surprised with their overall quickness," Branch said. "They don't have just one or two quick kids. They've got quickness everywhere. Defensively, they were catching us from the backside."

Indeed the Tigers were caught and held to two first downs and 112 yards of total offense on the entire night, while Lazbuddie struck for 388 total yards, 177 of them through the air.

"You can see what speed can do for you in a six-man game," Branch said. "They're a quick, finesse team-a gambling bunch of kids."

Kevin Kerlee scored Groom's only touchdown and led the Tigers rushing

from scrimmage, collecting 51 yards on 13 takes.

Groom's kickoff return team got the biggest work-out of the night, paving the way for Micahel Rose's 129 yards on five returns. Rose also rushed three times for 2 yards, completed four passes for 46 yards and hustled an interception back 26 yards.

That interception occurred at the Groom five-yard line and halted the Longhorns' first drive. The Tigers managed to stop only one other drive, as Lazbuddie scored on eight out of ten possessions.

"I was disappointed in the scoreboard," Branch said, "but we didn't lay down and quit. This won't change my direction. I'm an eternal optimist and I still we're where we need to be."

"Lazbuddie's rated in the top six, and that's where they need to be. They proved it to me. But we'll put this one behind us, regroup, and go again. We're not gonna go down."

The Piranha display and the computers were among the favorite exhibits at the Discovery Center. The group then attended the Discover Cinema 360 program "Genesis". Everyone had a Coke and then went on to a quick stop at Sams to do some comparison shopping to fulfill another section in the Scout Book. This Scout group is looking forward to making several more fieldtrips in the future.

### Test Well

The Texas Education Agency of Austin recently composed the following letter to Mr. Kenneth Sweatt, Principal of Groom Schools. We wish to share this with our readers, good news about our school is always good to hear.

Dear Mr. Sweatt,  
For the past two years 90 percent of the students at your school have passed all three of the TEAMS tests objectives. You are unique in that only 109 schools in the State have achieved this distinction. Let me congratulate you for this magnificent accomplishment.

The Division of Exemplary Programs is very interested in finding out what makes your program so unique. In particular, we would like to discuss ways in which we might contact all 109 campuses to find common elements which could serve as models for other schools to improve their programs.

On October 26, we are hosting a Conference on High Level Thinking. If you, or a member of your staff, are planning to attend this conference, would you consider coming in at 1:00 p.m. on October 25, so that we could meet with you to discuss your school and possible ways of securing the information we might need? Please understand that this request is being made solely on a voluntary basis. It is the mission of the Division of Exemplary Programs to explore patterns of excellence that can be used as models for statewide school improvement. We believe we see an emerging pattern in the 109 schools and hope you may be able to help us clarify it.

Very Truly Yours,  
Victoria Bergin, Deputy  
Commissioner for  
Curriculum and Program  
Development.  
Superintendent, Rex  
Peeples, commented that the school plans on sending Judy Babcock to participate in the conference.

McLean's Junior Varsity has started off its season with a perfect record of 2-0. Its latest victory came on Saturday as the Tiger squad took on Bovina and won by a score of 26-12.

The scoring for McLean came on three passes from Dusty Trot, one to Tanner Hess and two to Dennis Hill, and a running play by Destry Magee. Tuffy Sanders scored two points on an extra point kick.

The next game for the JV will be October 13 in Miami.

## McLean Cubs Roll Over Groom 39-6

The McLean Cubs just keep rolling along. Last Thursday evening, they upped their record to 2-0 with a convincing 39-6 win over Groom.

Christian Looney took the opening kickoff for McLean and ran it back all the way to the Groom 33-yard line. Two plays later, the Cubs scored but a clipping penalty against McLean resulted in the TD being called back and McLean had to start all over again from the Groom 36. Several good runs by Looney put the ball on the Groom 18-yard line and with 3:28 left in the first quarter, David Chronister scampered in for McLean's first touchdown of the evening. The extra point try was unsuccessful and McLean led 6-0.

Groom was held on its first possession but quickly got the ball back on a McLean fumble. At the opening of the second quarter, Groom was at the McLean 30 when a pass was picked off by Looney who ran it back 50-yards for McLean's second TD of the evening. A pass to Tommy Pennington for the extra point was good and McLean led 13-0 with only a little over one minute gone from the second quarter.

On its next possession, Groom got the ball to mid-field but good defense by McLean, especially from David Chronister and Quillian Rutherford, had Groom in a 4th down situation on its

own 29 yard line. McLean held and took over deep in Groom territory. After a 9-yard pass to Pennington and a run by Rutherford, McLean was on the Groom 20-yard line. Looney faded back to pass on third and goal but spotted an opening and shot through into the endzone for 6 more points. The extra point was no good and the Cubs led 19-0. After one more possession by each team, the half ended with the score still at 19-0.

In the third quarter, Groom took the opening kickoff but on the first play from scrimmage, a pass attempt was picked off by Quillian Rutherford who returned it all the way for a touchdown. A pass from Looney to Nathan Sullins for the extra point was good and the Cubs led 26-0 with just 17 seconds gone from the period.

Groom's next possession was plagued by several fumbles, the last one being recovered by McLean on the Groom 34. On the first play of the series, Rutherford came through again and went the entire 34 yards for the Cubs for their second score of the period. A pass from Looney to Rutherford for the extra point was good and McLean led 33-0.

Just before time ran out in the third period, several runs by number 22, number 20, and number 74 for Groom put the ball at the

## Tigers In Tough Defensive Battle

When the buzzer sounded at the end of the fourth quarter Friday night, the scoreboard didn't tell the whole story. Although the score was 22-0 in favor of the Harrold Hornets, the game wasn't as one-sided as it sounds.

All the scoring took place in the last minute before the first half ended and three minutes into the second half.

After a hard-hitting defensive battle, The Tigers held Harrold to only 125 yards on the ground and 13 through the air, while allowing the Hornets only seven first downs.

The Tigers racked up 80 yards rushing and 14 yards passing and earned 4 first downs against Harrold, a contender for the six-man top ten.

Quinton Brown, who has gained over 100 yards per game this season, was held to 35 yards on 12 carries and was the leading rusher for the Tigers.

Each team completed only one pass, both for less than 15 yards. The defense was definitely the key for both teams.

In last week's Top Ten poll, Harrold received one vote and until they came up against the McLean Tigers, they had outscored their opponents by more than 30 points per game.

It took 19 minutes of play on the rain soaked Hornet field before Harrold managed its first touchdown. Scott Lambert's one-yard run across the goal-line followed by Ben Segler's point-after put the Tigers behind by 8 points at halftime.

On the kickoff of the second half, the Tigers fumbled which set up the second score of the evening for the Hornets. Two minutes later, the Hornets added another touchdown on a 4-yard run by Ben Segler. The point after attempt failed and the score was 22-0. McLean's record is now 2-2 for the season. After an open date tomorrow night, the Tigers will open district play at home against Lefors on Oct. 7.

Commenting about the game, Coach Jerry Miller said, "It was a physical, hard hitting ball game. We played a real good team and it was played in a lot of water."

## Dyna Torque Radial REAR TRACTOR TIRE

When Goodyear's first radial rear tractor tire was introduced, it offered better traction, less time in the field, and better fuel economy than bias ply tires — and it was superior to other radials in these and other important respects. The development of the Dyna Torque Radial places Goodyear even farther ahead of bias ply tires and other radials — in traction, vibration resistance, durability, time in the field, and fuel savings.

**Strand & Baggerman  
United In Marriage**

Lora E. Strand and John Mark Baggerman were united in marriage on Wednesday, September 21, at 6:00 p.m. at the United Methodist Church in Groom.

Guests were greeted by Melissa and Renea Anthony, nieces of the groom, at the register table. A wedding candle and a bouquet of gray, white and blue colors set off the register table. A wall portrait was also displayed of the bride and groom, for guests to sign.

The double ring ceremony was officiated by Rev. Jerry Moore, pastor of the Groom United Methodist Church. Organ music was performed by Mrs. Larry Stokes, relative of the Groom.

The Bride wore a white satin formal length gown, accented with victorian puffed sleeves. The veil was nine feet long with five tiers on a tear drop based with two crown fans accented with white roses, baby's breath and pearls. She carried a bouquet of white roses.

The groom wore a gray and black suit, accented with a white rosebud on the lapel.

White rose sprays and white satin bows highlighted the sanctuary.

Seating the guests were Greg Acker of Pampa and Glen Leven of Panhandle.

Ring bearer was Jude Marie Easley, niece of the bride of Garland, Tx.

A reception was held following the ceremony in the home of Ruben and Lora Baggerman. Guests were served a barbeque meal, prepared by the groom's family.

The bride's table carried out her choice of colors, blue, gray and white. A traditional five tiered wedding cake highlighted the table with white and blue rosebuds. The cake was prepared by the groom's aunt, Mildred Miller of Groom. Serving guests were the Groom's sisters; Margie Anthony of Groom, Theresa McKelvey of Lubbock, and Leisa Murphy of Garland, Texas, sister of the bride.

The bride is the daughter of Elizabeth Easley of Dallas.

The groom is the son of Ruben and Lora Baggerman of Groom.

After a honeymoon in Sante Fe, New Mexico, the couple will be making their home at Route 1, Groom on the John Baggerman Farm.
