Alma Faye Mitchell Named Student of Month for December at Dunbar High School

Alma Faye Mitchell

Alma Faye Mitchell has been named Student of the Month for December at Dunbar High School. Alma is the fourth teenager to be honored this school session.

Since September, the following students were honored in order named: Sandra Strong, Judith Ann Struggs, Vicki Sandra Kyle and Alma Faye.

Alma Faye, 17, is the daughter of Mr. and Mrs. Albert B. Mitchell. She is a member of senior class at Dunbar. She is quite popular at school and is very active in school programs. She is secretary of the Student Council, president of the "A" Choir, vice president of the Audio-Visual Club, vice president of the National Honor Society and recording secretary of the Test Tube Tinkers (science club).

Her favorite subjects are trigonometry and English. Alma plans to further her education at Prairie View College, where she will major in mathematics.

All her school work has been done in Lubbock public schools.

Alma Faye was born April 8, 1944, at Lubbock. When she was almost 6 years old, her mother, Mrs. Alma Mitchell, passed away. She and four other sisters were reared by their paternal grandmother, Mrs. Minnie Walker, who was responsible for leading them to Christ. Alma attends New Hope

Mary & Mac PTA Meets Monday

The Mary and Mac PTA met Monday night, Jan. 8, with president Don Bunton presiding. Song, "Lift Every Voice" and prayer were done by all members. The minutes were read by the secretary and approved.

Projects for the 1961 and 1962 school year were discussed. The following projects have been planned and approved: sub-teen Valentine dance, February 16, for children ages 4 years to 12 years and an annual crowning of Mary and Mac's King and Queen to be held each year on the first Sunday in May. Other projects are being planned for this school year and will be released at a later date.

All members are asked to be present at the next meeting Monday, Feb. 12, in the school auditorium at 8 p.m. Come and drink coffee with us and help us make plans for your child.

Baptist Church, where she is secretary of the Sunday School and an active member in the youth activities.

Alma resides with her parents at 2201 Cedar. Her father has remarried to Miss Pearl Kilpatrick. She has four sisters, two older and two younger: Gloria Dean, 20; Minnie Jean, 19, a freshman at Prairie View College; Lillie Ray, 15, a freshman at Dunbar; and Mary, 13, a seventh grade student at Dunbar.

Cecil E. Jennings, one of Lubbock's best known builders, opens a completely new series of homes this Sunday in the new Buesnas Casas Addition. The homes, Greenbriar Homes, are modern in every way, with years of research and planning in the floor plans. Greenbriar Homes, Mr. Jennings stated, are designed for the growing family with flexible arrangements for enjoying family life as well as entertaining. Greenbriar Homes are also designed to fit the working man's budget, affording every modern feature of today's homes, without a high price. Brick fronts, set on a wide spacious lot, Greenbriar Homes offer the most in beauty and pride of appearance, and the ideal location is away from industrial areas, assuring the buyer a home investment that will grow as the neighborhood grows. Maximum FHA and GI loans are available on your choice of these fine homes, and the monthly payment of only \$67 per month includes all taxes and insurance.

Mr. Jennings emphasized that this premier showing will feature the beautiful model home, and everyone is invited to come out and see it. A complete sales staff will be on hand to meet you, and explain to you how easy it is for you to move your family into Greenbriar. The model home is located at 3403 East 18th Street. Just drive out East 19th Street to Guava Avenue and turn to East 18th.

Bethel A.M.E. Choir to Present Program Sunday, Jan. 21

The senior choir of Bethel A.M.E. Church will present a "variety of music" program Sunday, Jan. 21, at 3 p.m. Mr. J. T. Braxton and his "strings group" will appear on the program.

Also appearing on the program will be several "mother and daughter combinations."

The public is cordially invited. Assisting with music will be Mrs. L. C. Struggs and daughter, Judith Ann; also Mrs. Pearl Hamilton. The program will benefit the choir and organ fund.

Dunbar Faces Tough Amarillo Five Here

Dunbar Panthers will play the always-tough Amarillo Carver Dragons in Dunbar gym Friday night Jan. 19. The two schools "B" teams will collide at 6:30 p.m. Just about an hour before the big District 3AA contest starting at 8 p.m.

Coach Ernest P. Mal-lory's cagers are definitely in the race with Midland. Although no one

team is counted out until the last round.

One year Dunbar defeated all their foes in the first round and then lost to each one of them in the second round.

At least the Lubbock Dunbar fans can all come out to each home game and try to root the Panthers on to Prairie View

Final Rites Read for Charlie H Jordan at St. James Baptist This Week

Funeral services for Charlie Henry Jordan were held at St. James Baptist Church, where he was a member. Rev. B. R. Jones officiated, with remarks from Rev. W. L. Grimes, Rev. Gentry and others.

Mr. Jordan was pronounced dead on arrival at Methodist Hospital Saturday Jan. 6, after suffering a heart attack around 7:30. Jamison's

ambulance carried him to the hospital.

Charlie Jordan was born Oct. 2, 1894, at Rocky Hill community near Marlin, Tex. He was converted in early youth and was trained in Christian service. He lived for a time at Otto, Tex., and also at Stranger, Tex., where he met and married Miss Idella Ross, Sept. 13, 1912. He and his family moved

to Paris, Tex., prior to 1926.

To this union seven children were born, two of whom have preceded him in death.

The Jordan family moved from Paris to Shallowater in 1926, where he worked on a farm about 15 years. Then they moved to Lubbock.

His survivors include

SPORTS BRIEFS

by James Roy Lewis

Jim Brown, fullback of the Cleveland Browns,

has just about decided to give up football as of now, stating he was forced to carry the ball too many times in 1961.

Sandy Stephens, Minnesota's all-American quarterback, has signed a contract to play pro-football with the Cleveland Browns, but with a guarantee that he play quarterback for two years. He starred in the 1962 Rose Bowl game against UCLA in Pasadena, Calif.

The Harlem Magicians will appear at Lubbock's Coliseum Jan. 22. Together again will be Reese (Goose) Tatum, world's funniest basketball comedian and Marques Haynes, the world's greatest dribbler.

Elgin Baylor, star basketballer of Los Angeles Lakers, has been called in the army for active duty. Without Baylor the Lakers defeated the Philadelphia Warriors. The Detroit Pistons also

upset the league-leading Boston Celtics.

Dunbar whips Odessa 103 to 32 in their second district outing. The toughest foe will come to Lubbock Jan. 23 and that will be Midland. They hold a decision over Dunbar in winning the Odessa Tourney Jan. 6 in Odessa, but that was not a district game.

Alvin Jackson of Waco, who starred as a south paw quarterback at Moore High School and as a baseball pitcher played semi-pro baseball against the Lubbock Black Hubbers and then with Waco Pirates in the Big State League, then

still in the Pittsburg Pirate organization, until this year where he will be with old Casey Stengel of the New York Mets of the new National League team.

Snyder March of Dimes Drive Opens 1962 Campaign Early

Snyder, Texas--The New March of Dimes opened its 1962 campaign Jan. 2 to raise funds for a stepped-up battle against diseases that disable millions of Americans.

The announcement was made by Basil O'Connor, president of the National Foundation. He stated the drive will continue through Jan. 31.

In an appeal to the nation, he said that contributions to the drive were needed by the National Foundation to finance widening attacks on three crippling diseases. They are: crippling birth defects, the largest single unmet childhood medical problem in the nation today. Crippling arthritis is no respecter of ages. Like polio it strikes young and old. Crippling polio, patient aid is still very necessary for many men, women and children.

"To alleviate suffering, to further research toward ultimate victory over crippling disease; to assist in education so that the ranks of medi-

cine and science may be filled with workers toward these ends"---this is where your March of Dimes money will go.

Mothers are asked to volunteer and pledge to wage a terrific battle in their neighborhood by collecting your dollars for dimes on the day of the Mothers March for Dimes.

(Continued from last week.)

During her rigorous tour, Mahalia became ill. "Once, before a concert," recalls her pianist, "she was too sick to read her Bible as she usually does before going on stage. She asked the manager to read the 98 Psalm, that has in it the verse her daddy used to use: "Make a joyful noise unto the Lord, all the earth; break forth into joyous song and sing praises!" and when she appeared on stage, her shoulders were thrown back, the usual radiance was on her face. She sang twenty songs and seven encores, and no one suspected how ill she was."

Back in America, Mahalia moved a packed Madison Square Garden to tears and roaring applause. In Hollywood, she sang gospels written into two motion pictures for her. She appeared in concerts, made records and guest-starred on TV. On a recent European tour she gave a command performance before the

"Night Train" Lane's Son "Rickey", Jr., Featured

Snyder, Texas--Richard "Ricky" Lane Jr. is the son of Mr. and Mrs. Richard Lane of Chicago and Los Angeles. Ricky's father, better known as "Night Train" Lane, is a star football player with the Detroit Lions. Ricky visited several weeks in the home of his aunt, Mrs. Helen Goosby and daughters, 3205 Ave. K, Apt. A, Snyder. Mary Helen and Johnnie Mae brought "Ricky" back from California last summer when they went out to visit their grandmother, Mrs. Johnnie

Mae King of Los Angeles. "Ricky" has returned to California and is really missed by the Goosbys and friends who had become quite attached to him.

King and Queen of Denmark.

The jazz world has come to Mahalia on her own terms. At the 1958 Newport Jazz Festival, thousands of jazz buffs gave Mahalia's gospel songs a standing ovation. When finally she closed with The Lord's Prayer, sung not with the usual hushed reverence, but in full, whole, round sounds, the crowd stood breathless. "Mahalia Jackson doesn't believe that God exists," wrote one critic.

Neatness Stressed Last Week at Dunbar

Neatness was emphasized during the week that was designated as "Neat Week" at Dunbar. Special quotations were read over the public address system each day with stress placed on neatness.

During assembly, emphasis was placed on proper attire for school. The committee for the week was Ethel Hibler, chairman; Gloria Graves, Vicki Kyle, Kattie Young, Earnestine Stevenson, Ella White, Earnestine Lacy, Gerry Brewer, Bobby Hudspeth, Ulysses McCowin and Marvin Davis.

The trigonometry class at Dunbar has received a large slide rule for demonstration purposes and a smaller one for students use.

Each week, art students will display their work in the display window. Last week Troy Williams work was displayed. Senior students are working on projects in woodwork and metal lathe. The projects are: corner stand, Julius Guy; bookcase, James Wilson; cedar chests, Joe McWilliams and Carl Brown; ashtrays, Earnest Smith and L. D. Birdow.

Students in 8th grade general science are presently studying the units dealing with the universe, the earth in space and beyond the earth in space. Students are working on special projects: miniature solar system; telescope; posters illustrating consel-

though He lay the harvest burdens upon me, I will not doubt his goodness."

Our supreme duty in adversity is "Don't cut out." If we are to know ourselves we must study ourselves in the crucible of adversity and life's testings.

A house built on sand is in fair weather, just as good as if built on a rock.

A cobweb is as good as the mightiest steel cable when there is no strain on it.

It is trial that proves one thing weak and another strong.

-The Show Up-

Adversity shows other men what we are. What prosperity had concealed, adversity brings out.

As long as things go well, everybody has good religion. Let a storm come. It is then that the religion of the chaff is blown away from the religion of the wheat.

The water of difficulty will expose and embar-

Today, wherever a Sunday evening finds Mahalia, she finds a church, preferably a little run-down church like her father's and she may sing until well beyond midnight.

"Those humble churches are my filling stations," she says. "If I didn't get to one every time I can, I would run empty."

rass sugar-coated religion.

Crystal rain falls from dark clouds.

Why should we trust in God?

1. Because distrust grieves the Divine Spirit.

2. Because all things are in His hands.

3. Because nothing can take Him by surprise.

Why would a man "cut out" on God?

1. Because of too much love for this present world.

2. Men "cut out" because they decide to walk by sight in the light, believing it better than walking by faith with God in the dark.

It's Satan's business to test us, but it's our business to pass every test.

Satan caused Adam to "cut out."

Satan caused the crowd to "cut out" on Jesus and go back and walk no more with Him.

Satan caused Judas to "cut out" because Jesus would not let him run the business of His church.

Men cut out when they join the gossip train regarding the local churches in Lubbock. It's not the Christlike spirit to

I wonder why we don't talk about the people that are robbing us with a pencil, those who cause us to pay tremendous prices for second class education and freedom.

Why don't we talk about staying out of town during the Christmas season. I'll tell you why, because we will feed the hand that hurts us most and fight the hand that feeds us spiritual food.
