ELLA ILES PTA SPONSORING DRIVE HERE

The members of the Ella R. Iles Parent Teachers Association (PTA) is asking the support of all ex-students, teachers and friends of this elementary school.

"We have a goal to achieve and we will work hard to reach it this year," says Ms. Ann Loggins, president.

A goal of \$4,000 has been set by the organization to purchase some needed items for the east Lubbock school.

The organization is raising money to purchase new drapes for the auditorium and audio visual equipment for the classrooms to aid those students who are having difficulties.

Over the next few weeks, many residents of the community will receive letters with this plea for aid in

its contents. "Please comply with it if you can," says Ms. Loggins. "We are mindful of the promise that the Lord loves a cheerful giver."

Persons interested in making contributions may contact one of the following: Mrs. Thelma Robinson, treasurer; Mrs. Rowanda Toler, vice president; Mrs. Carolyn Gilbert, secretary, and Ms. Ann Loggins, president.

"If you have received your letter already, we would certainly love to hear from you," continues Ms. Loggins.

This special drive ends the week of March 6-10, which is Texas Education Week.

"Our goal is \$4,000 and we are praying that you will help us reach it," adds Ms. Loggins.

After serving two terms as a member of the Lubbock Public Schools Board of Trustees, Mrs. Joan Y. Ervin told the Lubbock Digest Tuesday afternoon that she will not seek another term.

"I do not plan to seek another term as a member of the Board of Trustees," she said.

She also made it clear that this is not the end of her political career. "This is not the end of my political career," said the veteran school board member who is serving in the capacity of secretary.

As the first Black elected to this position, she says that there should be some new blood to seek her position. "I feel that after serving eight years it is enough, and some new blood should have the opportunity," she said.

Without hesitating, she said, "I know that I have given all that I have the past eight years. I would hope that the board has benefited from my involvement."

"Looking at other opportunities in the political field, I am interested in other governing bodies," she continued.

Mrs. Ervin was elected in April, 1970 when she won by 92 votes. In 1972, she ran unopposed for the six year term. In that race, although there were several write-ins, she won easily.

A graduate of Dunbar High School, she has attended Prairie View A & M College. At present time, she is employed by IBM where she is a Field Engineering Division Administrative Secretary.

Not only has she been involved as a school board member, but has been active in many activities.

Among them include member/secretary of the Lubbock Branch of the NAACP, secretary of the Federation of Choirs, counsellor and advisor of the Young Black Business Women Association, and the first director of the "Miss Black Teenage Lubbock Pageant."

Other past accomplishments include Dunbar High School PTA president, secretary and associate

Joan Y. Ervin

director of the Youth People Department of the B.M. & E. State Convention, past president and director of the Ushers of New Hope Baptist Church,

Precinct Judge of Elections (East Lubbock), Board of Director of the YWCA, and TB Association.

"I really have enjoyed working for the people of Lubbock," she says. "With the support I've received over the past eight years, there are many opportunities for me

EUNIE YOUNG IN MUSICAL AT ST. MARK BAPTIST CHURCH

"I want to do the best I can," says Eunie Young, a 15 year old sophomore at Dunbar High School. She will be appearing in a musical with the Soul Seekers at the Saint Mark Baptist Church, Rev. James Thomas, pastor, on Wednesday night, Feb. 1, at 8 p.m.

"I would like to invite all my friends in Lubbock to come out and be with me on this evening," she says.

A former student of Mary & Mac Private School, she started playing the piano at the age of 3. She has had an opportunity to play for various church functions. She is quite elighted over the fact that many of the local churches have been encouraging in what she is doing. Some of the cities where she has had an opportunity to play the piano has included Dallas, and Midland.

The question now is when? And what office will she file?

mind is to be able to cut a record. "I hope I will be able to cut a record singing my favorite song, 'When I Have Gored the Last Mile of the Way.'"

She is a member of the St. Matthew Baptist Church, Rev. R.S. Stanley.

Mrs. Clemmie Johnson is sponsoring the musical for Young.

Appearing on the musical with Ms. Young are Eddie Tates, bass guitar; Daren Joe Mann, lead guitar; and Kenneth Bell who is a drummer.

Residents of East Lubbock are concerned about the lack of lighting in this part of the city. Many are thinking about doing something about it since this is an upcoming election year. Some of the older citizens refuse to leave their homes in the evening hours because of many areas being dark.

A thoughtful prayer this week: "God grant us the serenity to accept the things we cannot change, courage to change the things we can, and wisdom to know the difference."

POLICE HAPPENINGS

HOUSE BURGLARY

ELVA ALONZO, 2934 East Bates Ave., reported to Lubbock police that her son came home from school one day last week and found the kitchen window of the house broken. It is believed that the window was used to gain entry to the house. After investigating the house, it was learned that the drawers were open and gone through. There was \$57 removed from a bedroom jewelry box.

Also taken from the house were an 8-track tape player, a jade ring, a birthstone, two yellow gold necklaces, two watches, a .22 caliber pistol, and a B.B. gun. These items were valued at \$372.

THEFT OF SERVICE

WINSTON D. PETERSON, manager of the Civic Center Inn, reported to Lubbock police that he had a problem one night last week. According to the police report, a sister had stayed at this motel for two nights. During that time, she had charged \$80.52 worth of rent, food and telephone bills.

The quite lady left without paying or telling anyone she had gone.

BURGLARY OF VEHICLE

CHARLES E. BURRELL, 1926 East Baylor Ave., reported to Lubbock police that \$2,054.30 worth of items were taken from a Nunn Electric Co. van type trailer while it was parked at the dock in the 4302 block of Locust Ave. one night last week.

Entry to the van was apparently gained by removing the bolts from four of the six hinges on the side door and prying them open without removing the padlock.

Taken from the van were eight portable television sets and a

microwave oven. He had no idea who could have broken in the van.

BURGLARY

CHARLIE THOMAS, 3223 East 7th St., reported to Lubbock police that he had chased a young fellow to a local service station one day last week. He believed the young fellow was responsible for taking some of his personal property.

While there, police learned that a man at the station, 519 Idalou Road, had brought some tools from the young man in question about the burglary at Thomas' residence.

The man told police that he had paid the young fellow \$4 for the tools he sold. Thomas, however, was concerned about a \$30 camera taken from his property.

Not only had the man at the station brought tools from the young fellow, but had paid money for other items from the young fellow.

The young fellow was turned over to juvenile authorities for further investigation.

It appears as the business person should reframe from buying items as such from juveniles who would have the use for such items. Like the young fellow, it will only get them in trouble.

BURGLARY OF MAE SIMMONS CENTER

OLIVIA LASTER, director of the Mae Simmons Community Center, reported to Lubbock police that persons unknown did gain entry into the center by breaking a window on the right side of the building one night last week.

Taken from the center were \$15 worth of candy. Damage to the window was \$100.

Now why would someone want to break into a facility in our community which is there for the use of our young people.

BURGLARY

A very unhappy lady in our community this week has to be MRS. NANNIE M. JOHNSON, 2421 East 9th St. She reported to Lubbock police that she had left to take her

OBSEQUIES

Bruce Darrell Kelley

Final rites were read for Bruce Darrell Kelley last Thursday afternoon at the Greenlawn Church of Christ, Lubbock Christian College campus with Rev. Leon Anderson, pastor of the New Galilee Baptist Church, officiating.

Interment was held in Resthaven Memorial Park under the direction of South Plains Funeral Home.

Kelley was born Nov. 13, 1958 in Littlefield, Texas to Mr. and Mrs. McKinley Kelley.

He came to Lubbock with his parents at an early age. He attended the Mary & Mac Private School, public schools in Lubbock, and Wolforth district.

He was a sophomore at Lubbock Christian College where he was a music major and member of the Acappella Chorus.

Young Kelley accepted Christ as his Savior at an early age. He was a very devoted member of the New Galilee Baptist Church and served as director of music and organist.

He was married to Mrs. Gretchen Monica Robins Kelley of Lubbock, August 22, 1977.

He departed this daughter to work at 5:25 a.m. one morning last week.

When she returned, the 57 year old mother discovered that someone unknown had taken her color television set, a sewing machine, and an 8-track tape player. These items were valued at \$572.

She did tell police that she tried to open the carport to get into the house but the lock was jammed. Evidently the burglars had pried the door for entry.

Life Jan. 15, 1978.

Survivors include his wife, Gretchen Monica Kelley; his parents, McKinley and Hazel Jean Kelley of Carlisle, Texas, many other relatives and friends.

Pallbearers were Sunny Butler, Eric Robins, William Watson, Stanley Johnson, Monroe Francois, and Harry Bryant.

Rev. Sister L. E. Moore Will be Honored in Tahoka

Members of the Pleasant Home Baptist Church of Tahoka are asking their many friends of West Texas to help them celebrate the anniversary of the Rev. Sister L. E. Moore for her 19 years of service at this church and other churches.

This anniversary is scheduled for Feb. 12 through 19. Rev. W. D. Queenan is host pastor; Rev. M.S. Brown, pastor of the Pleasant Grove Baptist Church, is conductor.

The motto for the program is: "Blessed are the pure in heart for they shall see God."

OUR GIANTS SPEAK

(Have you ever thought seriously about what it means to your self-concept to be viewed as a "problem"? In the passage below, Du Bois, writing nearly three-quarters of a century ago, speaks for most of us even today.)

"...Between me and the other world there is ever an unspoken question: unasked by some through feelings of delicacy; by others through the difficulty of rightly framing it. All, nevertheless, flutter round it. They approach me in a half-hesitant sort of way, eye me curiously or compassionately, and then, instead of saying directly, 'How does it feel to be a problem?' they say, 'I know an excellent colored man in my town; or I fought at Meadville; or Do not these Southern Caltrages make your blood boil? At these I smile, or am interested, or reduce the boiling to a simmer, as the occasion may require. To the real question, 'How does it feel to be a problem?' I answer seldom a word.

And yet, being a problem is a strange experience, peculiar even for one who has never been anything else, save perhaps in babyhood and in Europe. It is in the early days of rollicking boyhood that the revelation first bursts upon one, all in a day, as it were. I remember when the shadow swept across me. I was a little thing, away up in the hills of New

African responsibility but the duty of all those who believe in peace and international cooperation.

WORLD SCENE:

by Edwin Ogbob Ogbu

The task of the international community is the suppression and punishment of the crime of apartheid. It is a task which cannot be entrusted to its perpetrators.

There has been no basic change in the policy of the Vorster regime, nor can such a change be anticipated. The winds of change which have brought historic changes to Africa in the past generation have not moved the racist regime which remains incorrigible. As Mr. Vorster boasted in May 1974, "We have noticed the winds of change in the world today but thank God we haven't gone with them."

The Vorster regime has declared clearly that it does not seek to end racial discrimination by pushing segregation to its limit and confining the African majority to the poor and overcrowded reserves. It has sworn to keep Parliament as a white preserve. Its policy remains as Mr. Vorster declared on 14 September 1971:

"In terms of our policy of multinationalism, we are not a minority in our fatherland—we are the only people in our fatherland." (The Star, Johannesburg, 15 September, 1971.)

No one should entertain illusions about the possibility of the conversion of the racists or try to make the liberation of the people

dependent on the peace of conversion of the privileged minority.

The primary role in the historic task of transforming South Africa from a racist society into a truly non-racial and African State belongs to the oppressed people of South Africa and their liberation movement. They deserve the firm and unconditional support of the international community.

Effective action must be taken to curb the selfish interests which encourage and sustain the apartheid regime. The call for solidarity with the liberation movement must always be coupled with a call for "no arms to racists" and "no profit from racism."

I have again and again stressed the need for concerted international action against apartheid, uniting all governments and organizations irrespective of any differences they have on other matters. The elimination of apartheid in South Africa is not merely an

England, where the dark Housatanic winds between Hoosac and Taghikanic to the sea. In the wee wooden schoolhouse, something put it into the boys' and girls' heads to buy gorgeous visiting-cards—ten cents a package—and exchange. The exchange was merry, till one girl—

ASTROLOGICAL CALENDAR AND GUIDE FOR 1978

If you were born March 21 to April 20...
 Your astrological sign is **ARIES**
 Your ruling planet is **MARS**
 Your birthstone is **DIAMOND**
 Your lucky day is **TUESDAY**
 Your cosmic color is **RED**
 Your symbol is the **RAM**
The Year Ahead For Aries
 At present Mars, your ruling planet, is transiting the sign of Leo, and activates your love life, as Leo rules this sector of your chart. This aspect will leave your sign late in January, returning early in April and will remain until early June. Mars-in-Leo periods run smoothly. Patience will be needed during the summer months, and you should curb aggressiveness during the winter of 1978. Best over-all periods are from March 21 to April 20, for all activity.

If you were born April 21 to May 21...
 Your astrological sign is **TAURUS**
 Your ruling planet is **VENUS**
 Your birthstone is **EMERALD**
 Your lucky day is **FRIDAY**
 Your cosmic color is **GREEN**
 Your symbol is the **BULL**
The Year Ahead For Taurus
 You will experience many unexpected upsets and a good deal of opposition in the year ahead, as erratic Uranus opposes your sign throughout the year. Until mid-January, your planetary ruler Venus brings major benefits, but your best periods are from early April till mid-June; make major decisions then. From early September till the end of the year, be discreet in what you say and write. Best over-all periods for all activity are from April 21 to May 18.

If you were born May 22 to June 21...
 Your astrological sign is **GEMINI**
 Your ruling planet is **MERCURY**
 Your birthstone is **AGATE**
 Your lucky day is **WEDNESDAY**
 Your cosmic color is **YELLOW**
 Your astrological symbol, **THE TWINS**
The Year Ahead For Gemini
 Jupiter, the planet of luck, will be in your sign until the first week of April bringing luck and improvement in your financial affairs, and helping you to further your ambitions. Venus, in your sign from the last of April till mid-May, favors home affairs, romance and marriage. Beware of accidents when Mars transits your opposite sign, Sagittarius, from the first of November till the first week of December. Best over-all period for all activity is from May 23 to June 20.

If you were born June 22 to July 23...
 Your astrological sign is **CANCER**
 Your ruling planet is **THE MOON**
 Your birthstone is **RUBY**
 Your lucky day is **MONDAY**
 Your cosmic color is **WHITE**
 Your symbol is the **CRAB**
The Year Ahead For Cancerians
 Mars, transiting your sign from January 25 till April 9, tends to make you over-optimistic and hasty. From the second week of April till September first week, Jupiter in your sign brings opportunities and benefits your way, and Venus is in your sign between mid-May and June 15, favoring your ambitions. Be budget conscious from the second week of December till January 1, when Mars opposes your sign. Best over-all periods are from last week of June till mid-July.

If you were born July 24 to August 23...
 Your astrological sign is **LEO**
 Your ruling planet is **THE SUN**
 Your birthstone is **SARDONYX**
 Your lucky day is **SUNDAY**
 Your cosmic color is **ORANGE**
 Your symbol is the **LION**

The Year Ahead For Leo
 Illusionary Neptune transits through the sign of Sagittarius, your sector of speculation, gambling social life and pleasure; it is said that this sector relates to wine,

women and song, and in the natural zodiac is ruled by the Sun. This gives double impetus to the Sun in your chart, being your natural ruler. Neptune in this sector all year may cause you to be over-confident and over-optimistic, and this attitude may be aggravated by the transit of Mars in your sign from early April to early June. Use extreme caution and diplomacy in business affairs, especially where money is concerned, at that time. If possible, put off making major decisions until early September through the balance of the year, when mighty Jupiter is in your sign. Best periods: from July 27 to August 23, and from September 5 till the end of the year.

If you were born August 24 to September 23...
 Your astrological sign is **VIRGO**
 Your ruling planet is **MERCURY**
 Your birthstone is **SAPPHIRE**
 Your lucky day is **WEDNESDAY**
 Your cosmic color is **BLUE**
 Your symbol is the **VIRGIN**
The Year Ahead For Virgo
 Be prepared for frustrations, hindrances and some hardships this year. You may have had a preview of the Saturn cycle you will enter into, about July 25, as this planet, sometimes called the "reaper," enters your sign in July for an approximate two-and-a-half year stay. Those of you who have sown good seeds can expect to reap a good harvest during that period. Your fortune will improve until July 25, so use this period wisely by getting your house in order. Mars in your sign between mid-June and the first of August will make you hasty and optimistic. Make important decisions between July 13 and 26, but incur no debts. Best over-all period is between August 24 and September 23, when the Sun transits your sign for all activity.

If you were born September 24 to October 23...
 Your astrological sign is **LIBRA**
 Your ruling planet is **VENUS**
 Your birthstone is **OPAL**
 Your lucky day is **FRIDAY**
 Your cosmic color is **PINK**
 Your symbol is the **SCALES**
The Year Ahead For Libra
 You should have a fairly good period from now till mid-July, as some of the pressure of Pluto, in your sign all year, will be lifted. After that period your fortunes will tend to decline somewhat. Venus, your ruler, will be urging you to make decisions from early April throughout the month, as this planet will transit your sector concerned with psychological problems and things of a hidden nature. You will be able to make the right decisions. Then between August and September, a good period begins, especially for the completion of any projects already started. Best over-all period is from September 24 to October 23.

If you were born October 24 to November 23...
 Your astrological sign is **SCORPIO**
 Your ruling planet is **MARS/PLUTO**
 Your birthstone is **TOPAZ**
 Your lucky day is **TUESDAY**
 Your cosmic color is **BLACK**
 Your symbol is the **SCORPION**
The Year Ahead For Scorpio
 Uranus, the planet associated with change and upheaval, remains in your sign throughout the year, making life difficult and generally uncertain for you. Therefore, being discreet and thrifty is a good policy in 1978. Venus in your opposite sign, Taurus, during most of April will usher in a moderately beneficial period. Be decisive, but not too aggressive. The first week of September, when Venus enters your sign, will begin your best period of the year. Best over-all period for all activity is from October 28 to November 22.

If you were born November 23 to December 21...
 Your astrological sign is **SAGITTARIUS**
 Your ruling planet is **JUPITER**
 Your birthstone is **TURQUOISE**

Your lucky day is **THURSDAY**
 Your cosmic color is **PURPLE**
 Your symbol is the **ARCHER**
The Year Ahead For Sagittarius
 In mid-February and until the first week in March, Venus will visit Pisces and your home sector, favoring romance and home affairs. Jupiter, your ruler, is in Gemini during this same period. Gemini is your opposite sign, and this placement strengthens the Venusian aspect. From early April to September, your planetary ruler enters the sign of Cancer. This is an aspect that requires caution and discretion where Archers are concerned. Your fortune improves during the first week of September. Best over-all period is from November 10 to December 20.

If you were born December 22 to January 20...
 Your astrological sign is **CAPRICORN**

Your ruling planet is **SATURN**
 Your birthstone is **GARNET**
 Your lucky day is **SATURDAY**
 Your cosmic color is **BROWN**
 Your symbol is the **GOAT**
The Year Ahead For Capricorn
 Because your planetary ruler Saturn is adversely placed in Leo until July 25, you can expect to experience some difficulties and hindrances until the end of July. Indications are that you will not be appreciated for what you do and will be expected to do more. The first week of August till September 15 will be fortunate. Best over-all period is from December 22 to January 20.

If you were born January 21 to February 19, HAPPY BIRTHDAY!
 Your astrological sign is **AQUARIUS**
 Your ruling planet is **URANUS**
 Your birthstone is **AMETHYST**

CAREER WOMAN

LOVES BEING A RADIOLOGICAL TECHNOLOGIST

Our Career Woman this week is a young lady who recently moved to Lubbock. She is Mrs. Trudy Arrington.

At present time, she is a radiological technologist. "I love this kind of work because it is a

challenge for me," she says.

Prior to finding an opportunity in Lubbock, she was employed at the Youngstown Hospital Association in this same capacity.

"It's funny how opportunities will

come your way," she says. Her husband, Willie, was employed in the Youngstown Sheet and Tube which closed down because of the imported steel problem. At the position she had, there were also problems. The association she worked for has been on strike. As she says, "There were no reasons for us to stay in Youngstown, Ohio."

Being a career woman and looking for opportunities, she took the advice of a friend and came to the "Hub City." After here, she is happy because she will continue to utilize her professional skills in an area she really

loves, radiological technologist.

Being from Ohio, she is happy over the beautiful weather she has experience since living here with her family for only a short period time. "Last winter in Ohio, it was extremely cold and we had the high gas bills to go along with it," she says.

She also says: "The cold weather played an important part in the decision to move to Lubbock." Not being accustomed to the dust storms, she says they are better than the cold weather.

"All in all, Lubbock is a nice change of pace, especially to rear a family," she says.

It's good to know that there are Black sisters who are willing to move to Lubbock and continue to pursue their career.

We are proud to have Mrs. Trudy

ALL-AMERICAN TRACK STAR AT L.C.C.

Chaparral All-American Willie Sang is shown running during the fall cross-country season. Sang helped lead LCC to a 30th place showing at the National NAA meet by finishing 15th.

Willie Sang is from Eldoret, Kenya and is now an ALL-AMERICAN! Sang, a junior on the Lubbock Christian College's cross country team, became the first Chaparral in this sport to gain such an honor. He did it by finishing 15th in a field of over 600 runners in the NAA National Meet. Coach Rhoses says that Sang trains hard and has such a fine personality as well as being popular with other runners and coaches.

Sang's teammates, Mibey, Koech, Cook, Jenkins, and Stewart won the District VII NAA Meet with all six placing among the top 13.

Sang never ran cross country before coming to the United States in 1975.

He plans to gradu-

ate from LCC in Dec., 1978 and continue his education at Texas Tech University in pursuit of a master's degree and return to his native home.

Sang is the nephew of Kenya's Kip Keino, who won a Gold and Silver medal in both the Mexico City (1968) and Munich (1972) Olympics.

Willie says: "I hope some day that I can have fun for Kenya's Olympic team."

MATADORS HOLDING NUMBER ONE POSITION

Those exciting Estacado Matadors are in first place in 3-AAA basketball competition. This is because they have defeated their rival, Dunbar Panthers, recently in an overtime at Panther Gym. They will square off Tuesday at Matador Gym.

Here are two of those exciting Matadors who are helping to make this a real good year. They are Winston Gipson and Alvin Harris. Both have the ability to shoot outside as well as inside and provide

added offense both in ball handling and passing.

Harris scored the winning basket to defeat the Panthers.

SUNDAY SCHOOL LESSON PRAISE TO THE CREATOR

Psalms 19:1-10

1 The heavens are telling the glory of God; and the firmament proclaims his handiwork.
2 Day to day pours forth speech, and night to night declares knowledge.
3 There is no speech, nor are there words; there voice is not heard;
4 yet their voice goes out through all the earth, and their words to the end of the world. In them he has set a tent for the sun,
5 which comes forth like a bridegroom leaving his chamber, and like a strong man runs its course with joy.
6 Its rising is from the end of the heavens, and its cir-

cuit to the end of them; and there is nothing hid from its heat.
7 The law of the Lord is perfect, reviving the soul; the testimony of the Lord is sure, making wise the simple;
8 The precepts of the Lord are right, rejoicing the heart; the commandment of the Lord is pure, enlightening the eyes;
9 the fear of the Lord is clean, enduring for ever; the ordinances of the Lord are true, and righteous altogether.
10 More to be desired are they than gold, even much fine gold; sweeter also than honey and drippings of the honey-comb.

MEMORY SELECTION:

The heavens are telling the glory of God; and the firmament proclaims his handiwork. Psalms 19-1

Prayer Poem

One body we, one Body who partake,
One Church united in communion blest;
One name we bear, one Bread of life we break,
With all Thy saints on earth and saints at rest.

One with each other, Lord, for on in Thee,
Who art our Savior and our living Head;
Then open thou our eyes that we may see;
Be known to us in breaking of the bread.

Amen

WORDS OF LIFE

Biblical Inspiration For The Week

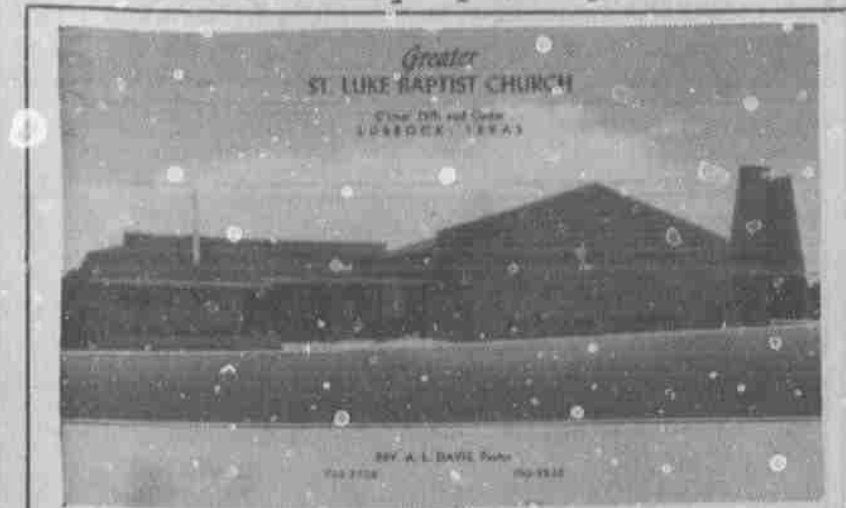

"All things should be done in order."—1 Corinthians 14:40

1. The universe is orderly. If we are to be a part of God's plan, we must be orderly too.
One classic definition of sin is disorder. It means living a life "out of order" or out of harmony with God's universe.
2. God made us as a part of order. Sickness, anxiety, frustration and our failure or inability to do our best are symptoms of disorder.
If our lives are lived nar-

moniously, sickness, disease and disappointments will tend to disappear.
3. Cultivate orderliness. We never want to be rigidly correct. But we do want the spirit of orderliness to pervade our lives.
We want to be open to change; for change is another name in part for growth. God's world is order. Our lives are meant to be lived in an orderly way. Let all things be done in order.

"GOD'S PURPOSE FOR AMERICA"

God's purpose is that they might be unto me for a people, and for a name, and for a glory, but they would not hear." (Jer. 13:11)

When God called his chosen people, the children of Israel, from the cruel bondage in Egypt and settled them in the rich land of Canaan. He had a very definite purpose in mind for them. There, they were to worship and serve Him only. They were to exalt His great name before the heathen nations that surrounded them. They were to eventually become a blessing to all mankind. Yes, I am sure America was to be God's country, and we were meant to be God's people.

"But ye are a chosen generation, a royal priesthood, a Holy Nation, a peculiar people, that ye should shew forth the praises of Him who hath called you out of darkness into this marvelous light." (I Peter 2:9)

Semi-Monthly Summary HISTORY - MAKING HAPPENINGS: BLACK

National News...On The Home Front...

Washington, D.C. — For the first time in several months, some black leaders began to show signs of softening their stance against President Carter, as he fulfilled portions of his promise to press for full employment, with an emphasis upon attacking black youth unemployment.

Washington, D.C. — The 10,000-member American Correctional Association began a new accreditation procedure which will apply in much the same way that hospitals and colleges are approved by their professional groups.

The move has been hailed by some black leaders as perhaps the most far-reaching private prison reform endeavor in the nation's history. Overcrowded prisons will fall to meet the Association's standards, as will continued reports of prisoner abuse, including such matters as the denial of access to continuing education or proper legal advice. In this sense, a kind of prisoner "Bill of Rights" is built into the accreditation procedure.

The major weakness of the procedure is that it is entirely voluntary. But the public pressure of censure or disapproval by the majority of those involved in the correctional process was said to pave the way for prompt and possibly effective legal action

The Year Ahead For Aquarius

Your planetary ruler, Uranus — in the sign of Scorpio all year — is in adverse aspect and is a disruptive influence. Saturn in your partnership sector until July 25 is also a generally adverse aspect, and cautions you to be thrifty and make no additional debts or financial commitments. Early in September and again from the last week of September till mid-October will be a favorable period, and good for making decisions. Over-all best period is from January 21 through February 15.
