

NOSIN... With Polly

The only thing about this grandparent bit is, old Rex and Modine Clayton are going to have a run for their money on showing off their angelic grandchildren.

Here they are below pictured sweetly admiring Amy DeAnn Nichols, their nine month old granddaughter from Dallas. Amy DeAnn is the brightest, sweetest, most adorable little thing, according to those d-o-t-i-n-g grandparents.

Like a "beacon light" to Modine and she grabs for her purse to show off those lovely grandchildren.

Just wait, Modine, I'm going to run a 8 x 10 photo each week of mine when it arrives. Head story weekly may be "Child Gains 1 Ounce This Week," "Child Smiles This Week," or "Child Has Tooth Coming Through This Week," or some nice news stories and photos of that type.

All in all, did you ever see a more envious grandmother-to-be than old Polly Middleton.

Brownie Day Camp Scheduled For June 26-30

A camp for all the Earth Springlake brownies is scheduled for June 26 through June 30 from 3 to 6 p. m. in the Springlake park.

Attendance will be kept during these five days. The camp will be spent in hiking, swimming, and learning how to build fires. Outdoor skills and hand crafts will be taught.

Each girl will pay a \$2.50 fee which will buy her food and craft material. This fee will be paid to her troop leader.

Troop leaders for the camp this year are: Mrs. Phil Neilson and Mrs. Donald Clayton for the Springlake girls, Mrs. A. A. Parish and Mrs. Jose Taylor for the Earth troops. Mrs. Don Taylor will be in charge of the 4th grade Jr. Scouts.

Each day the camp will open with a flag ceremony followed by the girls attending the day camp. The Jr. Scouts will be present.

Girl Scouts will present the ceremony Monday; 4th grade, Tuesday; Earth troop, Wednesday; Springlake troop, Thursday; and the leaders are in charge of the Friday ceremony.

The last day of camp, the brownies will enjoy a swimming party at the Earth pool, which will complete the camp for this year.

A woman will keep the nursery of the Springlake Baptist Church each day. This enables the troop leaders to leave their smaller children there.

Local Boys Are Attending Camp

Two local youths, Arturo Rodriguez and Gary Moseley left June 17 for Camp Hoblitzelle in Midlothian for one week's stay at the Salvation Army Camp.

While attending camp, the boys will be housed in redwood and brick cabins each offering accommodations for twelve campers and one counselor. Complete bathroom facilities are provided for every six campers.

The camp consists of a pool, recreation hall and the most modern camping facilities available. Activities to be enjoyed include swimming, horseback riding, sailing, canoeing, archery, handicrafts, fishing, baseball, movies, stunt night, amateur night, boating, Bible Study, Indian council rings, hiking, carnivals and various awards.

Nutritious meals are prepared on schedule and the water at the camp is checked by public health authorities to insure its quality for drinking. The camp is supervised to promote health and happiness for those boys attending. The swimming is supervised by qualified lifeguards and the camp offers complete infirmary facilities with a registered nurse on duty at all times. Insurance cover-

age is provided for each of the campers during their stay at camp and while they are being transported to and from the camp.

The two lads participating in the camping festivities were chosen by the Salvation Army committees of their respective towns. Recommendations of local school faculty members are considered in selection of the boys who will attend the camp. Each committee tries to select two boys who get along well together so they will not feel so alone.

WAS IT A SMALL TORNADO OR JUST HIGH WINDS? No one knows for sure how this mobile home near Springlake was blown 40 feet away and completely destroyed.

Rain, Hail, Wind Hit Area

Thunderstorms developed Wednesday night and moved across this area with high winds, heavy rains and damaging hail. Rains varied, but the first drops fell around 8:30 p. m.

Tree limbs were snapped off and television antennas and air conditioners were blown off of houses in this community.

About 8:25 a tornado was reported seen in some clouds three miles north of Springlake. The community lost its electricity for about an hour until the power was restored.

At B.V. Padon's home one mile east of Springlake, tin was blown off a barn and a few old barrels were blown away. A big piece of tin was also blown off at Arden's Welding in Springlake. Faye Washington had an air conditioner blown off the top of her house, leaving a big hole. J.W. Dear reported no hail but high winds at his home 3 miles east of Springlake. About half the shingles were whipped off their house and the antenna snapped into. C.O. Bibby reported no hail damage to his crops but a gas tank was blown over at his home south of Springlake.

The largest amount of damage occurred on the Ernest Green farm 1 mile west and 3/4 mile south of Springlake. A mobile home owned by Harold Fields, was lifted up and blown end over end for approximately 40

feet. It was completely destroyed by the high winds. The Greens were not sure if the damage was done by high winds or a small tornado, since a tornado was not seen.

Bruce Bridges and Phyllis Smith had been working on the trailer in order to live there after they were married. The water and gas had just been fixed Tuesday afternoon. However, all of the gifts they received at their shower were not in the trailer. The couple was very thankful that none of their gifts had been moved in yet.

Residents of the Earth, Dodd, and Lazbuddie area reported damage also. Roger Haberer received about 1" rain and some hail damage on his farm north west of Dodd. Bob Armstrong stated that tree limbs were scattered all over his back

yard and two sections of the fence blown down. Ed Dawson received 1 1/2" rain with pop corn size hail doing no damage to the crops. Thurlo Branscum reported about 25% of his crops were hailed out. The hail was small, though, at his home 6 miles west and 5 miles north of Earth.

The most damage was done to the north and west of Dodd. Some cotton will be replanted if it is not too late. The milo grain sorghum was damaged and leaves were stripped off the com.

We seldom have a rain without some damage involved. The rain in this area received Monday night was a very unusual one, although, the heavy rain, hail and winds Wednesday night did much damage.

Baptist Church To Show Graham Film

A new Billy Graham film, "Lost Generation," will be shown on Friday, June 23, at 8:30 p. m. in the auditorium of the First Baptist Church in Earth.

Art Linkletter and Jack Webb star in this probing document-

ary which takes a close look at the attitude and morals of the Nation. The movie shows the problems that drugs and violence can cause and how faith in Christ can help solve these many problems.

"Lost Generation" was filmed in Alaska, the Southern states, on farms and in small towns in mid-America and in Ashbury Hall, the Hippie district in San Francisco, California.

The film is one of the latest Eastman Color World Wide pictures now showing. There is no admission for the showing and the public is cordially invited.

Sunnyside Homecoming Planned

The residents in the Sunnyside community will hold their annual July 4th Homecoming this year beginning at 4 p. m. in the community building.

Refreshments of sandwiches, punch, cookies and homemade ice cream will be served.

New this year at the homecoming will be a display of the various talents revealed through art, craft, hobbies, music and antiques made and presented by residents in the Sunnyside and surrounding communities. Friends in the area, as well as former residents are invited to come and see this display. Anyone having something to display, call Mrs. Cliff Brown before July 3rd.

Busby Selected As Alternate To National Convention

A Springlake man will go to the National Convention in Miami in July as an alternate delegate for the state of Texas. Representing the 31st Senatorial District, which is comprised of 26 counties, will be Steve Busby of Springlake and three delegates. The three delegates are State Senator Max Sherman of Amarillo, Mrs. Ruth Osborne, district committeewoman, of Pampa, and James S. Bynum of Amarillo.

Senator Sherman and Mrs. Osborne are uncommitted with leanings toward Senator Hubert Humphrey, while Bynum is uncommitted but leans toward Alabama Governor George Wallace. Busby is also uncommitted, and for the present would rather study the candidate further prior to making a definite decision.

Busby, the son of Mr. and Mrs. James Busby of Springlake, is a junior student at Texas Tech and a former graduate of Springlake-Earth School.

There will be 130 Texas delegates and 70 alternates at the National Convention.

Lamb County Delegates to the State Convention included County Chairman, Glen Batson, Littlefield; James Duke, Littlefield; Attorney Billy Hall, Littlefield, Mr. and Mrs. A. A. Axtell of Earth, Steve Busby and Danny Parish of Springlake.

The convention was called to order at 1 p. m., three hours after the scheduled starting time. A few minutes later the convention went into a long recess while the permanent credentials committee reviewed the work of the temporary committee on credentials.

The permanent committee approved action of the temporary committee and a series of minority reports from the committee was voted down by the convention.

Later the convention went into another long delay occasioned by the roll call vote on election of the permanent vice chairman.

The delegates sat through the lengthy roll call while 254 counties plus several senatorial districts located within the large counties waited for their County Chairman to announce the vote in each case.

During the district caucus of the 31st Senatorial District permanent state committee members were elected. Those elected were Carl King of Dimmitt, the resolutions committee; Butch Hamilton of Clarendon, (Hamilton is a former Earth resident), rules; Steve Busby of Springlake, presidential electors; Naomi Harney of Amarillo, to committee to nominate national committeeman, and committeewoman, and Orville Williams of Levelland, credentials committee.

Most surprising of all, whistling and yelling backers of Wallace apparently held a clear margin in numbers over other presidential prospects in a straw vote at the San Antonio meeting.

An official straw vote of the 3,680 delegates attending gave Wallace 1,270 votes for a solid 33 per cent - an edge that

STEVE BUSBY

could give him about one third or a total of 42 of Texas' 130 delegates to the national Democratic convention.

Sen. George McGovern, D-S. D., received 1,061 or 28 per cent, which entitled him to 34 delegates; Sen. Hubert Humphrey, D-Minn., 613 votes or 16 per cent receiving 21 delegates; and uncommitted votes totaled 846 or 22 per cent receiving 33 delegates.

Also other candidates receiving votes in this straw ballot were Rep. Shirley Chisholm, D-N. Y., with 24 votes, Sen. Edmund Muskie, D-Maine, 17, Sen. Henry Jackson, D-Wash., 15; former Secretary of the Treasury John Connally 7, and Sen. Edward Kennedy, D-Mass., 6.

The straw vote became a part of state convention procedure for the first time this year because of rules reform at the state and national level.

Answering the question as to whether he was excited over the National Convention, he replied, "I am highly excited, and can hardly wait. He went on to comment he expected the National Convention to be more of the same but on a larger scale. Politics to Busby, is interesting and amazing at times, and he feels it is a valuable experience for young people to be able to see for themselves rather than studying from books the intricate working of democracy.

Busby paused, when asked when he became interested in politics. He thoughtfully answered, "To put a definite time on it, I really couldn't, but quite early in life, I must have picked up considerable interest from my family, who have always been interested in government."

Asked if he thought Wallace picked up votes for sympathetic reasons following his being shot, Busby said, "I really don't feel that the sentimental factor is as big as some people may think."

In talking with Busby one slightly picks up a hint that Busby may be considering Wallace, but at the same time,

one also gets the impression that sympathetic feelings surrounding the Wallace shooting would never sway this young man's thinking. It would have to be because he thought Wallace stands for more sound ideas and was best for the office.

The next two weeks will be busy ones for Busby as he is presently assisting his father, James Busby and uncle V.O. Busby in farming, but plans to spend time in the project of thought toward the forthcoming National convention in mid-July.

Schaefer Home On Leave

Sgt. Kenneth Schaefer and his wife, Judy, have been visiting with his parents, Mr. and Mrs. Elton Schaefer, for the past two weeks. Sgt. Schaefer has just recently returned to the States after a 30 day exercise in Northern Italy. He is a 1965 graduate of Springlake-Earth High School and has been serving in the U.S. Air Force since March of 1969.

He is presently stationed at Bergstrom AFB at Austin, Texas, where he is an Inertial Navigation and Radar Systems Repairman on the RF-4C Phantom II Jet.

He is scheduled to serve three years in Germany starting in September. His wife will also be moving there.

My Neighbors

"What beats me is why I look forward to these weeks all year long!"

Grandmother Shower Honored Mrs. Ted Borum

A grandmother shower honoring Mrs. Ted Borum was held in the Buddy Adrain home Friday, June 16, from 10:30 a. m. to 12:00 noon.

The serving table was covered with a white cutwork tablecloth and centered with a blue candleabra with red roses and baby breath entwined in it. Refreshments of cake, punch and coffee were served to the guests.

Since Mrs. Borum's birthday was the same day as the shower, the guests had a cake baked and took it to her. She was unable to attend the shower.

The registering table held a tiny truck and an arrangement of miniature flowers.

Guests attending the shower were Mrs. Buddy Adrain, Mrs. Opal Lowe, Mrs. Donald Kelley, Mrs. Clarence Kelley, Mrs. A. E. Patterson, Mrs. Pete O'Hair, Mrs. M. E. Kelley,

Mrs. Maude Stout, Mrs. Bill Anderson, Mrs. A. C. Kelley, Mrs. Pete Parish, Mrs. John Welch, Mrs. Dean Jones, Mrs. Phillip Haberer, and Kim Holder.

Special guests were Mrs. N. G. Parker of Floydada and Mrs. S. L. Sandefur of Paducah, both sisters of Mrs. Borum.

The gifts will be sent to Mr. and Mrs. Bobby Borum in Palo Alto, California.

Mrs. Nellie Anderson returned home Thursday, June 15, from a two month stay in Pasadena, California, with her mother, Mrs. Ida Stewart, 91, who had fallen and broken her hip. She is now doing as well as expected at her age.

Mrs. R. W. Fanning spent Tuesday night with her daughter, Mrs. Beatrice Montgomery.

50th Anniversary Reception To Honor Elvis Claytons

A 50th Wedding Anniversary reception is scheduled for June 25, from 2:30 to 4:30 p. m. at the fellowship hall in the Earth church of Christ for Mr. and Mrs. Elvis C. Clayton of Dalhart, former residents of Earth. Hosting the event will be Mr. and Mrs. V. J. Sigman of Earth, Mr. and Mrs. Melvin Lewis of Fort Worth and Mr. and Mrs. Cletis Clayton of Dalhart. Mrs. Sigman and Mrs. Lewis are daughters of the couple and Cletis Clayton is their son.

Mr. Elvis Clayton married Miss Essie Cody on June 28, 1922. The couple moved to Earth in 1932 where he was engaged in farming. They were residents of Earth for 32 years, prior to moving to Dalhart seven years ago.

Mr. Clayton is now the owner of Dalhart Implement John Deere Agency there. The couple have seven grandchildren and are members of the church of Christ.

The public is cordially invited to attend their 50th anniversary.

MR. AND MRS. ELVIS CLAYTON

Mr. and Mrs. Gene Stephens and family from Dyersburg, Tennessee, are visiting in the home of Mr. and Mrs. Prather and Mr. and Mrs. Stephens.

NOTICE

Miss Connie Dunagan, bride-elect of Michael Lewis, will be honored with a bridal shower Saturday, June 24th from 3 to 4:30 p. m. at the church of Christ fellowship hall.

Anyone who would like to be a hostess, call 257-3353.

Mr. and Mrs. Vincent Sanford have the honor of announcing the marriage of their daughter, Dolores Mary to Grady Lynn Davis on Saturday, the 17th of June, 1972, at Kensington, California.

A bridal shower honoring Miss Kathy Nelson, bride-elect of Gene Jones, is set for Saturday June 24, from 5 to 7 p. m. in the home of Mrs. Ernest Baker of Springlake. Her selections have been made at Sanders-Lumber, Pounds Pharmacy, and Howell's 216.

Tops Lose 4 3/4 L Pounds

The local TOPS Club met Thursday night, June 15, reporting a total loss of 4 3/4 pounds.

Elaine Been was named as Queen of the Week with a 1 1/2 pound loss. Lois Rudd was drawn for the door prize, but she was absent and failed to receive it.

Mrs. Loyd Johnson of Eldorado, Texas, and Mrs. Bernice (English) Franklin of Godfrey, Texas.

Elaine Been presided over the meeting and read a newspaper item about yo-yo syndrome in dieting. The women voted and passed a new rule for their club. They decided that if you do not pay your fines and dues, you will not be able to attend any social activities payed for by the club.

Lois Rudd, Pearl Marrell, Florence Gover, Pearl Cooper, Elaine Been, Bettye Hausmann, and Emily Clayton attended the meeting.

A GAS LIGHT
gives a little feeling of HOME to your house

... adds something to its personality ... feels friendly when you return home at night or guests come over. A gas light casts a gentle glow that doesn't attract insects and adds a touch of safety that can make you feel a little more secure and sleep a little softer. And for lasting beauty, it's crafted from rust-free aluminum.

Call Pioneer Natural Gas Company or ask a Pioneer employee you know about an outdoor gas light.

It's a touch to your home ... you'll like the feel of.

Earth and Springlake

Glasscock-Thomas Vows Read

Trisea Renee Glasscock and Gary Dan Thomas were united in marriage at 8 p. m., June 17, at the United Methodist Church. An impressive double ring ceremony was performed by Rev. William Williams, minister of the United Methodist Church in Hamlin.

by DeAnne Brock, vocalist, accompanied by Mary Kate Belew on the organ. DeAnne sang the beautiful song, "Because," and "The Wedding Prayer" was played by Mrs. Belew.

In arched candelabras were white tapers entwined with greenery and white daisies centered with white bows and streamers. Single candelabras were on each side of the arch flanked with bouquets of white daisies and mums. Small white candelabras with doves

and wedding bells accented the altar.

The bride, presented in marriage by her father, was lovely in a floor length gown made of peau satin. The bodice was covered with rose print lace, which was dotted with seed pearls. The scalloped scooped neckline emphasized the diamond necklace the groom had given her. The skirt overlay was chiffon with rose lace around the bottom. Falling from the waist were rows of seed pearls which formed the A-line skirt. The train was made of peau satin covered with white chiffon. The beautiful appliqued lace on the train was accented with pearls. The lovely dress was fashioned by the bride and her grandmother, Mrs. Bruce Higgins.

For something new, the bride chose her wedding gown. For something blue, she wore the traditional blue garter made by Mrs. Madell Simmons. A pearl that her mother wore when she was married, served when she was married, and her great grandfather's wedding band served the bride as something old. For something borrowed, she chose her veil.

Mrs. Kathy O'Hair of Lubbock served the bride as Matron of Honor, wearing a bright green sleeveless empire gown of tulle.

The bridesmaids were DeAnne Brock and Cindy Barton. DeAnne wore a hot pink dress and Cindy's dress was blue. Both were styled identical to that of the Matron of Honor's. Each wore coordinating sashes and bows. The bridesmaids carried pretty nosegays of white daisies and bows.

A. G. Cook from Albuquerque, New Mexico, served the groom as best man. Groomsmen were Steven Breiger from Wilson and Greg Thomas, brother of the groom, from Tahoka.

Candlelighters for the ceremony were Hoyt Glasscock, brother of the bride, and Edward Smith from Tahoka.

Ushers were Hoyt Glasscock, Edward Smith and Jimmy McCord from Tahoka.

Ring bearer was Jeff Thomas from Fort Worth, nephew of the groom. Angie Parish, daughter of Mr. and Mrs. Doug Parish of Earth, was the flower girl. Angie wore a yellow dress and carried a basket of daisy petals.

Registering the guests was Lesa Higgins of Hart. She wore an apricot gown that matched those of the attendants.

MRS. GARY DAN THOMAS
(nee Trisea Renee Glasscock)

A reception followed the ceremony in the fellowship hall. The serving table was covered with a lovely white lace cloth and centered with a gold candelabrum entwined with white daisies. The white cake was accented with the bride's chosen colors and topped with the bride and groom that her parents used on their wedding cake. Her hot

pink punch was served from a milk glass bowl.

Serving at the bride's table were Mrs. Ray Lee Thomas from Arlington, Mrs. Larry Thomas from Fort Worth and Mrs. Robbie Byrum of Lovington, New Mexico.

For a wedding trip to Santa Fe, New Mexico, the bride wore a blue sailor styled suit

with white accessories. A white orchid, lifted from the bridal bouquet, served as her corsage and completed her outfit.

The bride is a 1970 graduate of Springlake-Earth High School and is a junior home economics major at Tech. The groom is a graduate of Tahoka High School and is a senior per-

sonnel management major. He is presently employed by John Hancock Life Insurance Co. in Lubbock.

The couple will make their home at 4702 4th #184 in Lubbock.

Mrs. Leon Dent, Kim and Mrs. Joe McGill of Olton, enjoyed a trip to Austin. They left Saturday, June 10, and returned home Thursday night, June 15.

CRISS EMPLOYED IN AUSTIN

Criss Dent, daughter of Mr. and Mrs. Leon (Tuffy) Dent, is employed by the Water Development Board in Austin.

Criss started to work on Wednesday, June 14, and will be doing mainly clerical and office work this summer.

Criss is living with Mr. and Mrs. O.F. Dent, her aunt and uncle.

MRS. REX JACK TIFFIN, JR.
(nee Vickie Lowery)

Lowery-Tiffin Vows Exchanged In Lubbock

In an impressive double ring ceremony, Miss Vickie Lynn Lowery and Rex Jack Tiffin, Jr., were united in marriage at the Lubbock Kingdom Hall of Jehovah's Witnesses, Central Unit, at 6 p.m. on Saturday, June 17.

Parents of the couple are Mr. and Mrs. Boyd Lowery of Earth and Mr. and Mrs. Rex Jack Tiffin, Sr. of Silverton.

Loyd Lowery, minister of the Littlefield Congregation of Jehovah's Witnesses, and uncle

of the bride, performed the ceremony. Decorations in the hall consisted of two large palms flanking a brick planter filled with greenery. Large pastel and deep pink bows accented the palms. Identical bows designated family seating.

In the foyer, Cheryl Tiffin, sister of the groom, registered guests from a table covered in white with a white net flounced overlay. Decorations on the table included the guest book

and a small potted palm accented in the brides colors. Donna Lowery, pianist and cousin of the bride, played appropriate selections. Special music was presented by Mrs. Bob Mamzich, Earth, Mr. and Mrs. Jim Hartline, Muleshoe, and Don Daniels of Lubbock.

The lovely bride, presented in marriage by her father, was adorned in a white gown fashioned by her mother. The peau de sole gown featured an alencon lace bodice appliqued with

a double row of tiny seed pearls around the scalloped empire waist and high collar. The long petal point sleeves of matching lace were accented with seed pearls and tiny covered peau de sole buttons. Her alencon lace mantilla, which fell into a long train was enhanced with a double row of pearls around the scalloped border. The mantilla fell from a Dior bow encrusted with tiny seed pearls. The bride carried a colonial bouquet designed of minuet roses, baby breath and pale pink American beauty rose streamers.

Maid of honor was Sherry Lowery, Earth, sister of the bride. She wore a formal length dress of American beauty rose peau de sole featuring gently puffed sleeves and pastel pink lace trim around the empire bodice. Her head piece was pale pink tulle attached to a bow of lace identical to that placed around the bodice of her dress. She carried a nosegay of roses with long pink streamers.

James Ray Hartline, Muleshoe, served the groom as best man.

Ushers were Glen Lowery, Muleshoe, uncle of the bride, Charles Fanning, Muleshoe, Kenneth Roper, Earth, and Deny Haynes, Amarillo.

For her daughters wedding, Mrs. Lowery wore a two piece ensemble designed with a sleeveless jacket in pink polyester. Her white accessories accented the ensemble. Mrs. Tiffin chose an American beauty rose crepe dress with a matching brocade jacket and white accessories. Their corsages were of minuet roses.

Immediately following the ceremony, a reception was held in the garden of Koko Inn. The bride's table was covered in white with a white net and lace flounced overlay. Focal points on the table were the bride's bouquet and the bride's bouquet and the three tiered wedding cake, decorated with pastel pink roses and soft green leaves. Pink punch, nuts and mints were served from crystal and silver appointments.

The groom's table was covered with a round ecru burlap cloth. A black wrought iron candelabra containing brown tapen accented with the groom's brand centered the table. Chocolate cake and coffee were served from granite iron stone appointments.

Members of the house party were Sharla Lowery, Yvonne Lowery, and Mrs. F. B. (Boggey) Earnest, cousins of the bride, May Von McDonald and Karen Tiffin, cousins of the groom, and Patti Tidwell, Stacey Stanton, Sharon Bowen, Regina Meeks, Brenda Tandy, Sherry Tyler, Mrs. Deny Haynes, and Mrs. Kenneth Roper.

The wedding trip was to points of interest in Texas.

The bride chose a pink dress with a fitted bodice of bubble polyester and softly gathered skirt of knit. She wore a pink orchid corsage and white accessories.

The bride is a graduate of Springlake-Earth High School. She is presently employed with Jim's Pay and Save, Muleshoe.

The groom completed his education at Silverton Schools. Out of town guests were from Littlefield, Muleshoe, Earth, Silverton, Quitaque, El Paso, Amarillo, Tulia, Plainview, Chickasha, Oklahoma, Roswell and Clovis, New Mexico.

A rehearsal dinner was hosted Sunday night, June 4, by the groom's parents, at the Silverton school cafeteria.

Lonnie Adrian called his parents, Mr. and Mrs. Buddy Adrian, from Hong Kong Friday, June 9. Lonnie is a member of the U.S. Navy and his ship pulled into port there. Lonnie exclaimed, "You wouldn't believe what all there is to see here!"

Biff Belew, son of Mr. and Mrs. Bob Belew, had an emergency appendectomy Friday night, June 9. His appendix had ruptured and gangrene had set in. His condition was reported Friday as fair.

Natural Diagnosis Of Gonorrhea Is Now Available

Diagnosis of gonorrhea available to local Health Department through development of a transport medium in the Texas Department of Health.

Modification and development of an existing medium to a more stable, dry-like substance, Health Department researchers have created an environment for gonorrhea which is more stable than the fragile gonococcus used in the past. This means that a specimen in an out-of-office place can collect a sample and send it to a laboratory for evaluation.

In developing the environment for the gonococcus, Health Department researchers evaluated various transport media extensively and put them to a rate of 2,500 bottles per laboratory. In Health Department laboratories in Houston and San Antonio, the medium was called "Transport" and the original transport medium.

of the veneral disease in the nation-- lack of an easy, diagnostic tool available to the worth of the breakthrough. Last instance more than 100,000 cases of gonorrhea were reported in Texas, but this is only a part of the story. Consultants place the number at only a few actual cases, giving a minimum of 200,000 actual cases.

Gonorrhea is a serious disease, sometimes fatal. These asymptomatic carriers contribute greatly to the disease, serving as reservoirs for its continuation.

About Transgrow, there have been methods to discover the

disease, but even the best of the other laboratory diagnostic procedures has low efficiency. In females, the failure rate was high for two reasons: lack of good, reliable culture medium and the fact that culturing was limited to a low percentage of physicians with laboratory facilities. Consequently, culturing was used in only a small number of suspected cases of gonorrhea. With Transgrow, it will be possible to screen a large number of females with more accurate results.

Research during the past decade was directed toward development of a transport medium which would hold the competing bacterial population in a specimen at the same numerical level while permitting the gonococcus to survive.

Area Students On TT Dean's Honor Roll

LUBBOCK, A total of 359 students in the College of Agricultural Sciences at Texas Tech University qualified for the dean's honor list for the 1972 spring semester, according to Dean Anson R. Bertrand.

To qualify for the honor list, a student must be enrolled in 12 semester hours of courses, excluding pass-fall courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 grading system.

The College of Agricultural Sciences is one of six colleges and two schools at Texas Tech University, with a total spring enrollment of more than 19,500 students. The others are the colleges of Arts and Sciences, Business Administration, Education, Engineering, and Home Economics and the Graduate School and the School of Law. Students from the area recog-

SPRINGLAKE -- Ricky Byers, Agricultural Economics, Box 188; James Busby, Agricultural Economics, Box 97.

HART--Jerry F. Smith, Agricultural Education, Route 2; David D. Harris, Animal Production, Route 2; Barry L. Cowart, Pre Veterinary.

DIMMITT--Thomas S. Martin, Animal Production, Route 4. MULESHOE--Frank H. Hinkson, Animal Production, Route 3; Bobby D. Redwine, Animal Science, Route 3.

nized for their high academic achievement in the College of Agricultural Sciences are: EARTH--Edward M. Allison, Mechanized Agriculture, Route 1; Sam O. Allison, Animal Production, Route 1.

One cotton bale provides fiber for 250 sheets or 650 shirts. ATTEND CHURCH

Tom SoRelle Named Teacher Of The Year

Mr. Tom SoRelle, band director at Springlake-Earth Schools, was presented the Teacher of the Year Award at the annual awards assembly held Monday, May 22, at the Springlake-Earth auditorium.

Mr. SoRelle was presented the award by Suzy Temple, president of the local Future Teachers of America Chapter. The members of this organization select the teacher they think is most deserving of the award.

Mr. SoRelle, his wife, Kathy, and 16 month old son, moved to the Earth area from Littlefield one year ago. He graduated from Jayton High School and Texas Tech University.

SoRelle is now working on his Masters Degree at Tech and is music leader at the First Baptist Church in Dimmitt.

Services Held For Father Of Local Resident

Clabe Applegate, 82, a well-known newspaperman in East Texas, died early Monday, June 12, following a lengthy illness.

Funeral services for Mr. Applegate were held at 3 p. m. Tuesday in the First Baptist Church in Carthage, Texas, with Rev. Dr. John W. Gregson officiating.

Burial was in the Gary Cemetery under the direction of Hawthorn Funeral Home.

Mr. Applegate was born on October 31, 1889, at Timpan and was the son of Mr. and Mrs. J. W. Applegate. He had been special correspondent for the Longview Morning Journal for more than 18 years before his retirement only a few days ago. Mr. Applegate was the editor of the Panola Watchman in Carthage 10 years, retiring from that position on October 1, 1965.

He was a member of the First Baptist Church Board of Deacons and was a Sunday school teacher. He had been a member of the Gaiety Lodge Independent Order of Oddfellows since 1913.

Survivors include his wife, Mrs. Lula V. Applegate of Carthage; two sons, W. C. Applegate, executive vice president of the First State Bank and Trust Co. of Carthage, and Dr. J. R. Applegate, a Bowie optometrist; one daughter, Mrs. Jerry Hinchliffe of Earth; four sisters, Mrs. Cumi Robinson, Mrs. Demah Brannon, Mrs. Bebe Ford and Mrs. Ruby Hall, all of Gary; and eight grandchildren.

Early travelers called cotton the "vegetable lamb." The boll weevil causes 90% of insect damage to cotton.
