

Mrs. Phillip D. Bearden  
(nee krysia malcomesius)

## Malcomesius-Bearden Exchange Wedding Vows

Miss Krysia Malcomesius became the bride of Phillip D. Bearden in a double ring ceremony at 7:00 p. m., Friday, January 4, in the St. Rita Catholic Church of Dallas, officiating at the ceremony

was Rev. John H. Edwards. The bride is the daughter of Mr. and Mrs. Leon Malcomesius of Dallas. The groom is the son of Mr. and Mrs. F. W. Bearden of Springlake. The bride, given in marriage

by her father, was adorned in a satin formal length gown of satin and organza. The gown was fashioned in empire style. The bodice and cuffs of the gown were covered with lace overlay and trimmed in tiny pearls. Her long veil of silk illusion fell in a chapel length train with lace medallions as the trim. She carried a beautiful white bouquet and two red, long stemmed roses. As she walked down the aisle she paused and took a red rose and gave to her Mother. Upon her return up the aisle after the marriage she paused to give another red rose to her Mother-in-law.

Attendees included, Mrs. Larry Comrack of Irving, as matron of honor, Maids of honor were Miss Marcia Trial of Houston, Miss Alice O'Connell and Miss Carol both of Dallas. The attendants were lovely maroon and white formal length gowns. Chris McClure of Irving, served as best man. Groomsman

were Rusty Malcomesius, brother of the bride, Larry Comrack of Irving, and Mack Wilson of Las Cruces, N. M.

Mr. and Mrs. Malcomesius hosted the reception in their home at 4125 Goodfellow, Dallas. The table was laid with a lovely white lace table cover. The punch and cake was served from crystal and silver appointments. The bride attended high school in Dallas and is now attending North Texas State University. Mr. Bearden is employed by Central Freight Company as a rate clerk. He attended West Texas State University and Hardin-Simmons University. After a trip to New Mexico the newlyweds will live in Dallas.

## Wedding Vows Unite Couple December 23

The wedding of Barbara Waite, of Clovis, and Thomas Ruby of Earth, was solemnized in a lovely home ceremony in the home of the bride parents in Clovis on December 23. Rev. Harry Hudnall, pastor of Farwell First Baptist Church officiated.

The bride's parents are Mr. and Mrs. Theodore R. Waite of Clovis. The groom's parents are Mr. and Mrs. Doug Ruby of Earth. The bride is a 1972 graduate

of Clovis Highschool and the groom is a graduate of the 1971 Springlake-Earth Highschool class.

The couple are residing at 812 E. 4th Street in Clovis. Thomas is and Airman Second Class stationed at Clovis Air Force Base. He has been a member of the Armed Forces for the past two years. He was stationed at Lackland Air Force Base and in Denver, Colorado prior to being sent to Clovis.

## TOPS Club News

Six TOPS club members weighed in Thursday, January 10, in the City Hall of Springlake. Due to the bad weather, there was no program presented to those present. Those members present for

the meeting were Louise Robertson, Alma Ott, Lois Rudd, Pauline Hucks, Emily Clayton, and Elaine Been.

The regular meeting time is 5 p. m. each Thursday afternoon.

## HD Club Has Program On "Cheese"

The Springlake Home Demonstration Club met Thursday for a regular meeting in the home of Mr. and Mrs. Bob Boone in Springlake.

County Extension Agent, Lynn Bowerman presented a program on cheese. The program was entitled "Cheese Please." She had many different kinds of cheese for members to sample. Mrs. Bob Boone gave the devotional, entitled "Just for Today."

The group made plans for other events scheduled during the month. Included in the plans were ideas for Friendship Day which is set for January 28 in the REA building in Littlefield. The event begins at 10 a. m. During the morning the group who call themselves "The Cowbells" will entertain. A luncheon will be served during the noon hour. In the afternoon a group of models from Hemphill-Wells will model beautiful and exciting apparel. Pumpkin pie, coffee and soft drinks were served to Mrs. Bowerman, Mrs. Ed Biles, Mrs. Keith Boone and the hostess, Mrs. Bob Boone.

Members of the club were saddened over the loss of Mrs. Marie Bibby, a very active member of the club, who had held ever office of the club since it was organized.

The next meeting is set for 2 p. m. January 24 in the home of Mrs. James Smith, Grandparents are Mr. and Mrs. Jack Ramsey of Houston and Mr. and Mrs. J. J. Coker of Springlake. Great Grandparents include Mrs. Lem Eakin and Mrs. Ramsey both of Timpson, Texas and Mrs. Beula Coker of Earth.

Mr. and Mrs. Bob Coker of Victoria, Texas are the proud parents of a son Robert Brent, born at 8:45 p. m. on January 8.

The lad weight 8 lbs. 12 1/2 ozs. at birth. He is the couples first child.

Coker is employed in the management Department of Southwestern Bell Telephone Company in Victoria.

Every night, close to 200,000 travelers stay at Holiday Inns in the United States alone!

## Shower Honors Mr. & Mrs. Frank Steven McNamara

A miscellaneous shower, honoring Mr. and Mrs. Frank Steven McNamara was held in the lovely home of Mr. and Mrs. Harlon Watson, Saturday, January 12th from 3:00 p.m. to 5:00 p.m.

Corsages made up of kitchen gadget's were presented to the honoree, her mother Mrs. Dora Baird of Timpson, Texas, and the groom's mother Mrs. Frank McNamara of Springlake.

The dining table was centered with a beautiful three-tiered centerpiece which was unique in design and imagination. The base was designed in green ne around a styrofoam ring that held 10 angel heads made lovely with golden hair held in place with green bows and inside each head was a light bulb, lighting up the angels. Behind the angels were lovely silver leaves and net. The

second tier reaching above the angels was a candleabra holding 9 white candles in white hob-knob milkglass holders with tiny green bows at the base of each candle. Around the candles silver and net leaves were added. The third tier was enhanced with a beautiful miniature angel dressed in white and gold.

Refreshments of lime sherbert punch and dainty individual white cake square along with nuts and mints were served by Mrs. Debbie McLain and Mrs. Linda James.

Hostess gifts to the Honoree included a set of cookware, electric skillet, electric bean pot, electric can opener, service for eight stainless flatware, service for four corolle dishes, drain board and rack.

Hostess for the event were: Mesdames: Harlon Watson, Sam

Barden, Wayne Davis, Glenn Smith, Leslie Watson, Jimmy Ray Banks, V.O. Busby, Bill Clayton, Orville Drake, F.W. Bearden, Leland LaDuke, Roy Byers, Lowell Watson, Barney Scheller, Norman Sulser, Melton Welch, Pete Parish, Gerald Inglis, David Metcalf, M. H. Been, Jearl James, Herman Cooper, T.V. Murrell, Meredith Crawford, Ardis Barton, L. L. LaDuke, Larry Manuel, Dolan Fennell, James Sanderson, Sam Jones, H.S. Sanders, and Aurelia Sanders.

We would like to thank the Earth Volunteer Fire Dept. for their help Sunday Night. Next time we will try to have it a little earlier.

Thanks  
The Tommy Wheatley family

## Homemaking Tips

By: Lynn Bowerman  
County Extension Agent

It's melon time, and that means good, refreshing eating on a hot summer day.

Watermelon and cantaloupe are great treats for dieters, and they are a good source of potassium and phosphorus—two minerals essential for good nutrition. Watermelon also supplies some of the B vitamins, vitamins C and A. Cantaloupe is even a better source of Vitamins A and C. A half of a medium size cantaloupe contains 6,590 International units of vitamin A and 63 milligrams of vitamin C with only 40 calories.

To serve these melons, cut into slices or into balls and cubes for variety.

Select a cantaloupe by a smooth clean thumbprint at the stem end, high and evenly distributed net-like surface. A watermelon should have a dryish stem and round surface. Cantaloupe should be put into a plastic bag and kept in the refrigerator. Store it away from dairy products, lettuce and broccoli. Serve the melon chilled but not cold to enjoy the sweet and distinct flavor.

Try these ideas for recipe use of melons.  
Create a refreshing salad for summer months by combining the cool tastes of watermelon, cantaloupe, and honey dew melon balls. Add a few blueberries and peaches for an extra taste tingler.

**"Watermelon Kind Pickles"**  
4 qts prepared watermelon rind  
1 cup salt  
2 qts cold water  
2 tablespoons whole cloves  
3 sticks cinnamon  
2 pieces of gingerroot  
1 lemon  
8 cups sugar  
1 quart white vinegar  
1 quart water

Trim dark skin and pink flesh from thick watermelon rind; cut into one-inch pieces or as desired. Dissolve lime or salt in 2 quarts of water; pour over rind. If needed, add more water to cover rind. Let stand 2 hours if lime is used or 6 hours if salt is used. Drain, rinse and cover rind with cold water. Cook until tender. Drain. Tie spices in cloth bag, add with other ingredients and simmer 10 minutes. Add watermelon rind and simmer until clear. Add boiling if syrup becomes too thick before rind is clear. Remove spice bag. Pack boiling into hot jars, leaving one-eighth head space; close. Process in boiling water bath 5 minutes. Start to count processing time when water returns to boiling. Makes 6 pints.

**Sunburst Salad**  
1 cup crushed pineapple, drained  
1 pint cottage cheese  
Lettuce  
1 cantaloupe  
2 tablespoons sour cream  
Combine pineapple and cottage cheese. Arrange on center of large lettuce-lined plate. Slice cantaloupe into half crosswise; cut each half into 8 sections lengthwise and cut off rind. Radiate melon sections from cheese in sun-

burst design. Spoon sour cream over cheese. Garnish with strawberry or cherry if desired. Makes 4 servings.

**Cornish Hen Ala Cantaloupe**  
2 No. 1 Cornish game hens  
2 large cantaloupes  
1 small onion  
1 orange  
1/2 cup rum  
1/2 cup butter  
Salt and Pepper

With heavy sharp knife cut hens in half lengthwise. Remove backbone. Sprinkle cavity with salt and pepper. Cut cantaloupe in half lengthwise; remove seeds. With a spoon, cut or scoop out enough of the melon to put half of hen inside. Chop onion very fine. Cut orange in slices.

Sprinkle one tablespoon of chopped onion and slice of orange in bottom of cantaloupe. Put half of Cornish hen in the hollow. Cover the meat with scooped out cantaloupe. Put on a baking sheet and bake in 450 degree oven for half hour. Turn heat to 350 degrees and bake for 1 1/2 hours or until done. During the last 1/2 hour remove cantaloupe topping so the meat will brown. Baste with butter and rum. (This method needs a longer cooking time because part of the heat is absorbed by the melon.) Remove the meat from the shell onto plate. Garnish with a crescents with curry. Makes 4 servings.

**Cantaloupe Sherbet**  
1/2 cup water  
1/2 cup sugar  
3 cups cantaloupe, pulp and juice (2 medium cantaloupes)  
1 to 3 cups lemon juice  
Boil water and sugar together for 5 minutes. Cool. Add cantaloupe pulp and lemon juice.

Pour into shallow pan and freeze until firm around the edge of the pan. Turn into a bowl and beat until smooth. Return to tray and freeze until firm. Makes 6 servings.

## Study Club Has Business Session

Town and Country Study Club met January 10th in the home of Mrs. Ray Kelley.

After a business session, presided over by president, Mrs. Wayne Rutherford, the evening was spent in making our annual reports.

Refreshments of coffee, tuna sandwiches and cake was served to six members. They were Mrs. B. Campbell, Mrs. C. P. Parish, Mrs. M. E. Kelley, Mrs. Marie Ross, Mrs. Wayne Rutherford and hostess Mrs. Ray Kelley.

## Party Line

Marcus Messer is still a patient in the South Plains Hospital in Amarillo his condition is reported the same.

Mr. and Mrs. R. W. Fanning are both patients in the University Hospital in Lubbock.

Green, Jimmy Coker, Pat Cleavenger, Becky Smith, Peggy McGowen, Billy O'Hair, Margaret Street, Scott Cooksey, Jerald Head, Dickie Brown, Fonda Goodwin, Craig Holland, Rodney Geissler, Karen Smith, Charles Winder, Janie Garcia, Scott Lee and Greg Welch.

## Ray Lynn Britt Seeks Re-Election

I am very grateful to the residents of Lamb County for electing me as your District Clerk. The cooperation of each person with whom I have come in contact through the various duties of the office has been sincerely appreciated. It has been a pleasure and an honor to serve you by working diligently for the benefit of this county and its citizens through conscientious attention to the functions required.

If you, the voters of Lamb County, choose to re-elect me as your District Clerk, I will work to the best of my ability to continue to improve the office and the services it renders to the people of this county.

Therefore, I am asking you to permit me to continue serving you in this capacity and respectfully request your vote

RAY LYNN BRITT and support in the forthcoming election.

Ray Lynn Britt  
District Clerk

## Judge Truitt Sides Announces for Re-election

I, G. T. (Truitt) Sides am taking this opportunity to announce that I am a candidate for re-election as your County Judge of Lamb County. While announcing my candidacy for Lamb County Judge, I would like to take this opportunity to thank the voters of Lamb County for their past vote and support. I have enjoyed serving as your County Judge. I have served an unexpired term and one 4-year elective term. I am asking to be elected for a second term.

It has been my aim, at all times, to serve all the people of Lamb County in a fair, efficient and impartial manner. The fiscal condition of the county is good, and we shall continue to operate the financial matters of the county in an efficient and economical manner. If re-elected, I shall continue

JUDGE G. T. SIDES

to represent all the people of Lamb County, and will not be a candidate of any special interest or group.

S/G. T. Sides  
Lamb County  
Judge

## Water Depths To Be Measured In 800 Wells

Personnel of the High Plains Underground Water District No. 1, assisted by several Texas Water Development Board (TWDB) staff members, have begun the annual measurement of depths to water in the more than 800 observation wells in the 15 counties comprising the District.

The coordinated and systematic measurements of the depths to water in the observation wells constitutes the only method of determining changes in the volume of water stored in the Ogallala aquifer beneath the land surface. The water level records found through the observation wells located in Lamb County constitute the foundation for the District's cost-in-water depletion, income-tax-allowance program.

An observation well is a well that has been selected for inclusion in the annual water-level measuring program. All wells are privately-owned--the District does NOT own any wells--and are measured with the permission of the well owners.

District personnel will be measuring wells in Armstrong, Lamb, Hale, Floyd, Lubbock, Crosby, Lynn and Hockley Counties. Wells located in Cochran, Bailey, Farmer, Deaf Smith, Castro, Randall and Potter Counties will be measured by the TWDB crew.

## Early Treatment Can Prevent Blindness

One out of every eight blind persons in the U.S. lost his vision from glaucoma, an eye disease occurring most often among the population age 35 and older, with a tendency to run in families. The Texas Society for the Prevention of Blindness points out that this statistic is needlessly high, for although glaucoma cannot be cured it can be controlled--and sight saved--if diagnosed and treated in its early stages. The primary difficulty surrounding early detection is due to glaucoma's insidious nature: the sufferer is frequently unaware he has the disease until it is well advanced and vision severely impaired. While treatment can arrest glaucoma's progress, vision already lost cannot be restored; thus the longer treatment is delayed, the greater the loss of sight. Only a medical eye examination will reveal early glaucoma, and since early diagnosis and treatment are so essential to the prevention of blindness from glaucoma

## T.L. (Buddy) Free Seeks Second Term

I would like to take this opportunity again to place my name before the citizens of Lamb County, precinct 2 as a candidate for re-election as your County Commissioner.

The cooperation and help of all persons I have come in contact with through my various duties as your commissioner has been deeply appreciated. It has been a pleasure and an honor to serve you by working diligently for all the citizens in precinct 2.

Therefore I am asking you to permit me to continue serving

in the capacity as County Commissioner from precinct 2.

I will continue to strive to give fair and impartial treatment for each section of the precinct.

S/T. L. "Buddy" Free  
Lamb County  
Commissioner Precinct 2

Caligula, a mad emperor of Rome, appointed his horse to a counselorship. He probably did a better job than the emperor!

## Mary Beth Willey Seeks Second Term

I would like to take this opportunity to once more place my name before the Citizens of Lamb County as a candidate for the office of County Clerk. I was employed as Chief Deputy County Clerk for five years prior to being appointed to complete an unexpired term. Four years ago, you, the voters of Lamb County, were gracious enough to elect me to serve you as your County Clerk.

I have been a lifelong resident of Lamb County. I am an active member of the First United Methodist Church, the Order of the Eastern Star, the Chamber of Commerce and served as President of We, The Women. I have served on the Legislative Committee of the County and District Clerks' Association of Texas, and am currently serving on the Policy Committee and the Constitution Revision Committee of the Clerks' Association. My family and I reside on a farm in the Spade Community where my husband, Jeff, is engaged in farming.

I wish to thank the Citizens of Lamb County for allowing me to serve you as your County Clerk for the past four years. It has been both a pleasure and an honor for me to serve you in this capacity, and in announcing

MARY BETH WILLEY

ing for re-election for a second term, I pledge my time and abilities to continue to strengthen the effectiveness of the County Clerk's Office in every way.

Due to my responsibilities to this office, it will be difficult for me to personally contact each of you. I feel I am qualified by my background and experience, and I will sincerely appreciate your vote and support.

Mary Beth Willey  
Lamb County Clerk

Some snake in the grass seems to have convinced the ancient Greeks that if their pet serpents moved sluggishly, they would have a poor harvest that year!

By TEFNY BOWDEN

## Homemaking Tips

by LYNN BOWERMAN

We hear so much about the ecology and conservation of every thing-land, water and resources. But for the busy housewife, conservation of time and energy are one of their greatest problems. I recently read that the modern housewife spends as much time doing her daily chores as the "old-time" one which seems shocking in this day of modern appliances she has to do so much chauffeuring, errands, bookkeeping and "we're just cleaner" than we used to be. We didn't used to have clean clothes everyday. Do you wonder how some people always "have time" for everything? They seem to always have their household in order, and are ready to do some of the things they really want to do.

Part of this lies in the fact that they let some things go they don't keep a house so neat it hurts. They learn to "pick up" at bedtime, and teach their children at an early age that what goes down, must be picked up.

A few timesavers that I recently read in the "Family Circle" bear repeating.

Keep an old spray bottle of water and detergent handy, plus a cellulose sponge, for quick cleanups of spills on the kitchen floor.

Prepare main courses ahead of time and store them in your freezer to take out for dinner on especially busy days.

Place a washable area rug at the entry used by the children and then insist that they wipe their feet THERE.

A "stick" vacuum cleaner, although light in weight, will do all the quick cleaning you need. In fact, it can postpone a solid cleaning for weeks.

When covering your closet shelves with shelf paper cut two or more sets at the same time. Roll and save the extras; it's easy to change them the next time around. Do the same when lining dresser drawers.

To keep your pictures hanging straight, put a little lump of florist's clay on the back of each picture. Straighten pictures, then push them against the wall so that the clay adheres. There will be no more straightening every time someone walks past them.

Keep ironing to a minimum; remove clothes from washer just before they're bone-dry. Smooth and hang them up. This is great for most boy's no-press shirts and slacks. Don't let clothes overdry or they'll wrinkle.

Teenagers use a lot of glasses? Install a wall paper-cup dispenser and insist that used cups go into the wastebasket. Don't clean your oven every week. So it isn't pristinely clean when you look at it-but carefully, avoid spills and clean every second week with an effective oven cleaner. Lucky are you who own a self-cleaning oven.

Don't misunderstand my suggestions; I do not recommend neglect of your home, but try not to be a slave to it. There are shortcuts and easier ways for doing everything. Time

spent with your husband and children will be remembered long after a spotless house. County Extension Agent Lynn Bowerman will hold a leader training meeting for Home Demonstration club leaders and leaders from other clubs. The topic of the training meeting will be "Food Safety and You". Mrs. Bowerman will give leaders all the materials

that are necessary to teach the lesson including background information, script, and visual ideas. All clubs are invited to send a representative to this meeting. The meeting will be January 22, 1974, 10:00 a.m., in the County Extension

Office of the Court House. For more information call the Extension Office at 385-4004.

SAY SOMETHING NICE TODAY

Waldon Bradley announced this week his intention to seek the nomination for County Judge of Castro County in the May 4 Democratic Primary. He moved to the Sunnyside community with his parents when he was 6 years old and has lived here much of the time since then.

.60 inch of moisture was recorded for Wednesday night through Saturday from a trace of snow, and an accumulation of ice, sleet, and dense fog which lasted through Saturday. We received 18.20 inch of moisture in 1973 with the record of a perfect fall.

Mrs. E. R. Sadler went to Lubbock Monday night to be with her father, M. H. Fowlkes who underwent major surgery in University hospital Tuesday morning after being admitted Monday. She stayed in Lubbock through Sunday to help out with him, but he is making a satisfactory recovery. Mrs. Fowlkes felled on the ice. She was not seriously injured, but received medical treatment for a knee injury.

Mrs. Bob Ott was admitted to Nichols Memorial Hospital in Plainview Thursday and underwent major surgery Friday morning.

Mr. and Mrs. J. Paul Waggoner attended the funeral services for her uncle, M. E. Taylor in Olton Wednesday afternoon. He was her mother's brother.

Milburn Haydon was a pallbearer at the funeral services of Mrs. Marie Bibby of Springlake Wednesday afternoon in Springlake.

called also the WMU Wednesday morning council meeting due to icy roads. Not enough came for Prayer service Wednesday night.

Mrs. Cliff Brown and Mrs. L. B. Bowden spent the afternoon Tuesday in the genealogy department of the Dimmitt public library searching microfilm.

Mr. and Mrs. Larry Sadler and Laura and Mrs. Ezell Sadler and Mrs. Pearl Sadler of Dimmitt visited in Lubbock Friday with Mr. and Mrs. David Sadler and girls.

Mr. and Mrs. Cliff Brown visited in Lubbock Friday with his first little great niece, Jennifer Renae Copeland at the home of her parents, Mr. and Mrs. Melvin Copeland. Jennifer Renae was born January 1.

Mr. and Mrs. Noah Spencer, Lyle, and her daughter, Mrs. Pam Hill of Hereford attended the wedding of her niece, Karen Gamblin, daughter of Mr. and Mrs. D. N. Gamblin of Sunray in Sunray Saturday. Mr. and Mrs. D. N. Gamblin were residents of the community for many years. She attended Sunnyside school before her marriage and was a member of the Sunnyside church. Karen was born in the community as were her sisters Kathy and Karla.

Mr. and Mrs. Alton Louder and Mr. and Mrs. L. B. Bowden visited in Plainview Friday afternoon with Mr. and Mrs. Marcell Williams.

Leroy Hickerson of Lorenzo visited Saturday with Rev. and Mrs. Mack Turner. Rev. Turner married him several years ago not long after his own marriage in a former pastorate. They had not seen him since those days together in Okla.

Several from the community attended the Dimmitt speech department play, "My Three Angels" Saturday night. Larry Duke played the part of one of the angels.

Mrs. John Gilbreath attended the Plains Memorial Hospital Auxiliary board meeting and general meeting in Dimmitt Wednesday morning.

Mrs. Coy Rainey and McAlan of Roswell left Thursday for their home after a holiday visit here. Her parents, Mr. and Mrs. Tom McGill followed her home to make sure she got there over the bad roads. They came back Friday, visited with his brother in a Plainview Hospital Saturday and with her sister in Amarillo Sunday.

Lee Brown, Junior Sausada, and Edwin Fuller and the Springlake-Earth team won over Kress Tuesday night and won over Bula Friday Night.

Clint Dawson was high point player in the 8th grade Spring-Earth game with Bovina. They won the game 27-11. Lee Brown played with the 7th grade which lost to Bovina 57-18.

Susan Rigby of Lubbock spent the week-end with Mr. and Mrs. R. J. Lefevere, Martin and Brenda.

Lee Brown and Jerald Head made the All-Regional band as first alternates in the Regional band try-outs in Hale Center Saturday.

## Open-End Spinning

The arrival of two open-end spinning frames at the Texas Tech Textile Research Center during the week of November 25 gives added hope that the recent announcement of three commercial open-end plants on the Plains is "just a beginning," says Ray Joe Riley of Hart, President of Lubbock-based Plains Cotton Growers, Inc.

"The open-end system is being hailed as a major innovation in the textile industry," Riley states, "and it could be the means for turning an already promising future into a brilliant future for the production of High Plains cotton."

Open-end spinning of cotton yarns, in addition to being three or four times as fast as conventional ring spinning, does not require or even favor raw cotton with micronaire readings in the premium priced 3.5 to 4.9 range. On the contrary, testing to date has shown that low micronaire cottons, normally in abundant supply from the High Plains crop, may well produce yarns on the open-end system superior to those made from higher micronaire cottons.

"These tests are conclusive enough to serve as one of the reasons that an existing mill on the Plains is switching from much of its production from ring to open-end spinning, and two other such mills are on the way," Riley notes, adding that "PCG will be doing additional more extensive research on the two machines at Tech, with the results used to encourage both the establishment of other spinning mills on the Plains and the use of High Plains cotton in open-end operations around the world."

Careful plans are being laid by PCG, the Textile Research Center and others toward these ends. A meeting at the PCG offices November 30, for example, drew research recommendations from PCG, the Textile Research Center, the South Plains Research and Extension Center, the Federal Ginning Laboratory at Lubbock and from principals in the existing and planned commercial operations.

"PCG is also looking ahead to possibilities for other new and perhaps even more revolutionary yarn forming methods yet to be proven commercially," Riley states, "as well as considering research of new weaving and finishing techniques. The objective," he continued, "is to make sure our cotton's ability to perform on these new systems is recognized far and wide."

The existing mill to which

Riley referred is Southwest Textiles, Inc. of Abemathy. The plant is replacing some of its ring spinning with seven open-end frames (1400 spinning units). Three of the frames should be in operation before the end of this year and the other four in place by the Spring of 1974.

One of the two mills mentioned as "on the way" is Feather Fabrics, Inc., a joint venture between Lubbock area investors and Nijverdal-Ten Cate, the Netherlands' oldest and largest integrated textile firm. This plant will be located in Lubbock, will begin with 2400 spinning units, and should be in production by the Fall of 1974.

The other mill slated for the Plains will be known as Daiwa Texas, Inc. and will be jointly owned by two Japanese firms, Daiwa Spinning Company and the Marubini Corporation. A specific site for the plant has not been announced but it has been confirmed for the High Plains area. It is expected to be in operation by late 1975 with about 4000 spinning units.

CAN LOW-ACID FOODS using a steam pressure canner. Bacteria spores which cause food poisoning from botulism are killed at a temperature of 240 degrees F.

Mrs. Glen Shadix of Blanket, Texas visited Tuesday and spent Tuesday night with Mr. and Mrs. Thomas Parson and Mrs. T. E. Parson Sr. Mrs. Parson went to her home in Blanket to her daughter Wednesday.

Mr. and Mrs. Porter Smith and family moved from the community recently to near Nazareth. The children will attend Hart school.

Mrs. R. J. Lefevere helped Brenda and Martin get moved back to Lubbock Wednesday to prepare for the next Semester at Tech.

Mrs. E. R. Sadler and Mrs. L. B. Bowden worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Monday afternoon and visited with Mrs. Edd Duke in South Hills Manor after hours.

The scheduled visit by church members to South Hills Manor Thursday afternoon as well as all Wednesday night age-level organization meetings were cancelled.

**Haley Re-news Old Friendship, Attends Super Bowl Game**

Renewing old friendship is always a delightful event in ones life and no one is more aware of that than Ed Haley. However, when a Super Bowl game invitation is included that is the utmost in a Super good time to Haley.

Last week Haley received a call from Gene Killian, who is currently a petroleum engineer for Exxon Oil Company, living in Houston, inviting Haley and son Brad to come down and visit he and his fam-

**Fire Saturday Night Destroys House And Shop**

A five-room "hard hand" house on the Tommy Wheatley farm was destroyed by fire Saturday about 10:30 P. M. along with Wheatley shop and equipment, freezer and dogs.

The fire was discovered when the lights went out in the home as Wheatley was in bed reading. He immediately looked out to see the flames from the house and shop.

The Earth Fire Department were there, according to Mrs. Wheatley, as soon as she hung up the phone. They extinguished the flames before the wheatley home was ignited by the flames.

ity and to see the Super Bowl game with them.

Back in the old days in 1934 and 35 Killian was a quarterback on the squad in Anadarka, Oklahoma and Haley was his coach. Their friendship has continued through the years and it was according to Haley a delightful visit.

Brad enjoyed it too, he met Pat Summersall and Jack Whitticar who were there televising the game. He also visited school with the young daughter of Killian.

**Mrs. Cindy Blackwell Receives B.S. Degree From Tech**

Mrs. Cindy (Barton) Blackwell, received her B. S. degree in Education with members of the December graduating class from Texas Tech University.

Mrs. Blackwell, who has always wanted to be a teacher, has been listed on the Dean's Honor Roll at Tech for the

past three year. She is a 1970 graduate of Springlake-Earth Highschool and the daughter of Mr. and Mrs. Ardia Barton of Earth.
